

## A Killer 4491

Chapter 4491: : Domain master level beast crystal

"One thousand eight hundred, the first time..."

"One thousand eight hundred, the second time..."

"One thousand eight hundred, the third time! The deal!"

The first set of lots was sold at sky-high prices!

Reached one thousand eight hundred!

In other words, this bottle of Wuliangye is three hundred times the ordinary Niulanshan!

Li Tian is not very dissatisfied with this price!

If the two prices of the earth world are considered, Li Tian definitely makes a profit!

But Li Tian's purpose is not ordinary treasures, but those extremely rare treasures!

If it were not for these rare treasures, Li Tian would not organize an auction specifically!

However, no one brought out the rare items in the first group of lots, which made Li Tian very sad!

"Please list the second group of lots below! This group of lots is 60 degrees, Wuliangye, 9000 year old, 500ml per bottle of sacred wine, this sacred wine..." The second group of auctions is hosted by the old Suzaku.

Windsor came up with a tray. The bottles of Wuliangye in this group were red, which looked particularly attractive!

The old man Zhuque whispered, almost blowing all the Wuliangye into the sky!

It's no wonder that Li Tian's positioning of this wine is 9000 years, maybe 9000 years ago, some of these domain owners may not have been born yet!

"The starting price of this group of lots is still 20, and the price increase is 10 for each auction. Now the auction is just beginning!"

"five hundred....."

"Eight hundred..."

"One thousand and two..."

Because the price of the first group of lots is too high, the starting reserve price actually has no reference meaning, so when it comes up, the auction price has already doubled up.

"two thousand....."

"Now someone has come out for two thousand, is there any increase? Two thousand for the first time..."

"Two thousand five hundred..., two thousand five hundred for the first time..."

"I have three thousand!"

"Three thousand five hundred...can't be more!" Another domain master raised his card!

"Now it has reached three thousand! This is a 9,000-year-old wine. It is estimated that this opportunity is only this once in the history of the Underworld. The opportunity cannot be missed and will not come again!" The old Suzaku continued to say sensationally.

"Ahem!" A domain master with a pair of horns on his head coughed, and focused the attention of the old Suzaku on his body, then slowly stood up and said: "I have a beast crystal here! Just now! I have already assessed by the evaluation committee members, this beast crystal is worth at least 10,000, I will produce this beast crystal!"

This domain master's face showed a bit of pride!

"Damn, it's impossible, ten thousand! How can a beast crystal be worth this high! You know that the fire dragon scale I just took is only half worth, not even one!"

"Fake it! Did the judges look miserable?"

"Did you take a look? Do you know who he is? He is the domain master of the scarlet bead thunderlin, and there are people in his ancestor who have become a strong presence beyond the domain master!"

"But... but a beast crystal..."

"Hey, you don't understand this! The beast crystal in the hands of the domain master of Crimson Bead Lei Lin comes from a master-level ghost beast, and this beast crystal can cultivate an eighth-level Venerable The above-mentioned powerhouses, if the cultivator's talents are outstanding, it may not be necessary to become the ninth level of the sage and the realm of the emperor!"

"Venerable eighth level? Cut, I am the domain master!" Someone said disdainfully.

"Idiot, this Li Tian is just a businessman, he is not the domain master, nor the emperor. If he can cultivate a strong man above the eighth level, then his status in the human society of the nether world will be extremely Great improvement! This beast crystal is originally more attractive to humans!"

"I just took a beast crystal worth 10,000 yuan to shoot this group of lots. The premium is too outrageous! If my highest price is 3,000, I can definitely win the 3,000...!"

"Idiot, didn't you see clearly just now? There are already three thousand five hundred, if you continue to bid like this, it is completely possible to exceed five thousand or eight thousand!"

"Moreover, I don't know if you feel that way. After drinking these sacred wines, I feel that the spiritual power that hasn't been improved for a long time begins to show signs of activity. Maybe after drinking these sacred wines, he can become a transcendent master. exist!"

"It's too fake, how is this possible! Although I also feel this way, the existence of Transcending Domain Master has not been born for tens of thousands of years!"

"Dreams are always necessary, what if they come true?"

These domain masters and emperors talked a lot.

Because of the sudden intervention of the domain lord of Crimson Pearl Lei Lin, the old Suzaku hurriedly temporarily stopped and continued bidding!

Li Tiantian, who was watching the auction on the sidelines, was already so excited. His heart was about to jump out.

The beast crystal of the domain master-level ghost beast, this is going against the sky!

Venerable eighth-level powerhouse, this is enough!

After Xue Ji and Tang Xiaolong absorbed the Spirit Crystal Snow Lotus, their cultivation bases have improved to varying degrees, but there seems to be some distance between them.

If there is the beast crystal of this domain master Nether Beast, then...

Li Tian has not dared to imagine!

Perhaps this beast crystal is the same as the blood spirit source. After the absorption is completed, these spiritual powers will be stored in the veins, but as long as it is like this, there will be a greater chance of breakthrough.

Li Tian hurriedly walked onto the rostrum and said to the domain owner of Crimson Pearl Lei Lin: "Thank you very much for the bidding of Crimson Pearl Lei Lin domain owner. The beast crystals you have taken out are enough. Now this group's bid is confirmed, Crimson Pearl Lei Lin The domain owner took this group of lots with a beast crystal of the domain owner Ghost Beast!"

Speaking of Li Tian applauding the Crimson Bead Lei Lin domain master, behind Li Tian, the four elephants old men and the four beauties began to applaud one after another! Compared with the enthusiasm of Li Tian and others, the other domain masters and emperors did not have so much enthusiasm.

One group is missing again.

Crimson Pearl Lei Lin's domain master had the face and lining, and he waved triumphantly to the other domain masters. The applause ceased all the time before he sat down slowly.

"Dear domain owners and emperors, there are only five sets of lots in this auction. Two sets have been sold, and only three sets are left. I hope that all the domain owners and emperors will actively take action!" Li Tianan said in his heart. Excited, said.

Suddenly a domain master stood up and said, "You have too little prepared for this lot? If there are other domain masters like the Crimson Bead Thunder Lin domain master, then our other domain masters and emperors can just Become a guest! This is not good, Li Tian, you have to come up with a few more sets of lots! Can't let us sit here and watch you play!"

"Haha, I have already said that they are playing us as monkeys, now you believe it! This lot can be auctioned bottle by bottle, but he has to auction it in groups. Isn't that obvious enough?"

Damn, it's Jiuling Green-eyed Sparrow again!

Chapter 4492: : Cry sea coral stone

Li Tianzhen wants to kill Jiuling Green-eyed Terminator!

Just thinking of his Venerable's early fourth-level realm, Li Tian felt weak. .,

Forget it, forbearance is over.

Li Tian can only comfort himself like this!

The second group of lots was sold at a super high price, don't think too much, it will be more intense when the third group of Moutai is auctioned!

...

The third group of auctions is hosted by the white tiger old man.

"After the first two rounds of auctions, we have only three sets left. Yes, only three sets are left! You can miss the sunrise at dawn or the sunset at dusk, because the sun will still rise the next day. From now on, you have the opportunity to watch the sunrise and sunset. However, if you miss the first two rounds of bidding, you must not miss the remaining bids, otherwise, you will regret it for life!" The old man Baihu followed the manuscript written by Li Tian Said skillfully.

In the audience, those domain masters and emperors who hadn't shot yet finally couldn't sit still.

Yes, you can't miss it!

Who knows how long Li Tian's chamber of commerce is still in!

Although no one has tasted the fine wines in the auction, no one thinks that these fine wines are not worth the price!

grab!

This time you must be the first to shoot!

Can't pretend to be calm and wait for the last chance!

"Next, please list our third group of lots! 53 degrees, Feitian Moutai, 500ml each bottle, one group contains five bottles!"

Ye Meijing walked out carrying the tray, and the five-pin divine wine was still placed on the tray according to the typeface!

"Flying Moutai, just hearing this name will definitely fill your heart with ambition. Feitian, Feixian, this name is a good sign, maybe this Feitian Moutai can really help you fly into the heavens successfully! Then you will make a lot of money. Earn!" The old white tiger continued.

"I made a crying coral stone!" Before the old man finished his words, an emperor raised his placard and said!

boom!

The whole president suddenly burst into heated discussions!

"I heard you right! Cry Hai Hu Shi? How did this guy get this thing?"

"That's right, the domain masters and emperors of our dark forest rarely go to the human domain of the nether world, let alone crying the sea!"

"What is this crying coral stone? Is it more precious than the beast crystal of the domain master level ghost beast?" someone asked.

"We can only say that each has its own merits! It's just that the crying sea coral stone is only found in the deep sea of the crying sea. This makes the difficulty of collecting this crying sea coral stone beyond our imagination. Moreover, there are giants in the crying sea, those giants Macs' cultivation base is no weaker than our domain master and emperor!"

"What is the function of this crying coral stone?"

"There is a small creature in the sea of crying that parasitizes on a giant in the sea, and its name is called a coral! This small creature coral lives by absorbing the spiritual power in the body of the giant. When they are dying, this small creature The creatures will leave the bodies of the giants, sink to the bottom of the sea, and then die in a group. After the death of this kind of coral, their bodies will be turned into bitter sea coral stones!"

"You think, a creature that relies on the spiritual power of a giant to make a living, is there any surging spiritual power in their body? Therefore, the crying coral stone also contains this powerful spiritual power, Just like the beast crystal just now, if you can use it, it is not impossible to cultivate a powerful person at the eighth rank, the ninth rank, and even the emperor!"

"This... Doesn't the human emperor become a cabbage? That is too worthless!"

"What do you know? The domain masters of the Netherworld have suffered the slaughter of that woman, but what about the powerhouses of the emperor's level? Have they ever suffered the slaughter of that woman? No, all, the number of emperors in the Netherworld is absolutely absolute Not a few! Eighteen emperors, that is, eighteen fools who only know how to take the limelight! I don't know how many emperors there are!"

"There are also domain masters. Why don't these domain masters in our dark forest easily set foot in the human world? Do you really think that there are only twenty domain masters? You are too naive! There are many women's domain masters who have gone and died, but some clever domain masters are cultivating in secret! As far as I know, there are no fewer than five!"

"Listen to the Lord's words, subvert the outlook on life! Originally, I thought I had reached the realm of the domain master, and I was already standing on the top of the world. I seek pleasure every day and don't want to make progress. Now I know that I am thinking too much!"

Hearing the comments of these domain masters and emperors, Li Tian was also shocked!

It turns out that the eighteenth emperor is just a joke, and the twenty domain masters are just a matter of the face.

This Netherworld is not known to be much larger than the earth world, and there are channels in the Netherworld with various secret realms, and no one can guarantee that the information they have is absolutely accurate.

Seeing that the building was crooked, the old man Baihu quickly coughed, drawing everyone's attention on him again, and said: "Because I haven't announced the start of the auction, so the royal bid is invalid!"

The emperor couldn't help but feel a little upset!

The old man Bai Hu continued: "The starting price of this group of lots is fifty, and the price increase for each auction is also fifty. Now...start the auction!"

The old man Bai Hu deliberately lengthened his voice, and finished the last few words as quickly as possible.

"I....."

"A crying sea coral stone!" The emperor had already mastered the knack just now, and flew up suddenly, raising his placard and said loudly.

Li Tian appeared again to express his gratitude. In the end, the emperor got his wish and got this group of lots for the price of a crying coral stone.

After the confirmation, Li Tian couldn't help but looked at the Jiuling Green-eyed Territory Lord, but found that the Jiuling Green-eyed Territory Lord did not know when he had disappeared.

A smile appeared at the corner of Li Tian's mouth.

This auction is a game played by the strong. The Green-eyed Terminator of Jiu Ling is good compared to ordinary people, but compared with the rich and powerful Territory Lords, the emperor is not enough!

No one makes trouble, just enjoyment.

Next auction continues!

The fourth group is hosted by the old Xuanwu, and the lot is 53%, 8000-year-old Moutai, and each bottle is still 500ml.

8000 years is a thousand years less than 9000 years, but this wine is not bad at all. Moreover, this wine was dragged up on a tray by Liu Jimeng, a peerless beauty. The beauty and wine complement each other!

After the first three rounds of auctions, this fourth group of auctions has entered a white-hot state before it even started.

A strong domain master also took out a beast crystal of a domain master-level ghost beast, and wanted to take this group of lots, but was beaten by another domain master who was even more tyrant.

The guy's offer was also the beast crystal of the domain master-level ghost beast, and he also brought a small wooden sign!

There is no price for this small wooden sign, but it is a face and a favor!

Li Tian did not hesitate to choose the small wooden sign...He Beast Crystal!

The last set of lots was hosted by Li Tian himself!

But when the auction started, an accident happened!

Chapter 4493: : Fury

The fifth group lot is foreign wine, and Li Tian has high expectations for the group lot.

However, as soon as Li Tian introduced the foreign wine, Venerable Dongshan rushed in. Li Tian saw the expression on Venerable Dongshan's face, and he knew what accident might have happened.

Now when the auction is in progress, even if there is an accident, you can go to the dark and soft to deal with it.

There is no need to come to Li Tian for everything!

Seeing that someone suddenly rushed in, the domain masters rushed towards the host stage in a stride. They couldn't help but get a little angry, and the expression on their faces was quite ugly.

If it wasn't for Li Tian's face, if it wasn't for the tree elves' face, these domain masters and emperors might directly do it!

In their eyes, the life and death of a Venerable first-level powerhouse is not much different from the life and death of ants.

Li Tian didn't panic, and while continuing to explain, he waved to Venerable Dongshan, don't worry about the matter.

However, after seeing Li Tian's gesture, Venerable Dongshan still rushed directly to the host stage.

"Master Li Tian..."

At this time, Li Tian also knew that the accident that had happened was probably a bit big, and I'm afraid that You Yinrou could not handle it!

"Dear domain owners and elders, there are many things to do. I believe the last set of lots is definitely worth waiting for a while! Now, I put the auction presiding work in the hands of the most beautiful beauty in our chamber of commerce, Liu Jimeng, and she will host it. Than will add a lot to this auction!"

Li Tian motioned to Liu Jimeng to take the stage.

After Liu Jimeng entered a brief astonishment, he did not refuse.

As a small official of the Supreme Mansion of Refuge City, Liu Jimeng is naturally no ordinary person!

When Liu Jimeng took over and continued to host, Li Tian pulled Venerable Dongshan aside.

"What's the matter? What exactly happened that made you rush in desperately?" Li Tian said with a worried expression on his face.

"Master Li Tian... the big thing is not good! Windsor... Windsor was taken away by a domain lord! Master You Dark Rou has already taken someone to chase after him!" said Venerable Dongshan.

Hum!

Li Tian only felt dizzy in his head!

Windsor, isn't she always at the auction scene? How could you be kidnapped by the domain owner?

Li Tian was anxiously looking for Windsor in the auction scene, there are still Windsor here and there!

The anger in Li Tian's heart burned instantly!

"Who is it? Who would dare to kidnap Windsor in the area of the tree elves?" Li Tian asked angrily.

Without waiting for Venerable Dongshan to speak, Li Tianyou said: "Go, talk while walking!"

...

Half an hour ago, the auction of the second group of lots ended.

Looking at Li Tian's busy figure, Windsor couldn't help sighing!

Windsor did not regard that accident as a dream. If the accident was a dream, then this dream would completely arouse the most primitive desire in Windsor's heart!

Windsor now has no way to face Li Tian calmly.

Therefore, after finishing the work of Windsor, she turned around and walked out of the auction venue from the backstage!

Around the towering giant trees, there is noise and noise everywhere. Windsor wants to hide in a quiet place, a place where there are not so many people to heal!

Li Tian said that in the area of the tree elves, safety is absolutely guaranteed, and Windsor wants to go farther.

Windsor's speed is not too fast, after all, her cultivation is limited.

But in order to escape the hustle and bustle as soon as possible, she did not move slowly. Unconsciously, Windsor had already walked out of the road.

The hustle and bustle in the distance continued, spreading to Windsor's ears, and in the woods, soldiers from the tree elves danced and irrigated the trees.

After a week of irrigation, the trees within nearly a hundred kilometers around the giant tree have been restored to life, and the weeds and small flowers on the ground have also revived.

Windsor enjoys the gifts of nature.

Even Windsor couldn't help rolling on the ground.

Venerable Nanshan, who followed Windsor from a distance and did not actively disturb Windsor, couldn't help smiling when he saw this scene.

Things about Li Tian and Windsor were more or less spread out. As Li Tian's loyal followers, they also knew about these things.

Although Windsor was in the dark forest these days, Venerable Nanshan had never seen Windsor's smile.

Venerable Nanshan has no wife or children. In fact, he treats women like Windsor as his descendants, and naturally hopes that Windsor can be happy.

But when Venerable Nanshan smiled happily, Territory Jiuling Green-eyed Sparrow quietly appeared beside Windsor.

Venerable Nanshan wanted to rush to Windsor and take Windsor back, but he found that he couldn't even walk a step.

It was as if his body was completely controlled!

Venerable Nanshan knew that this was the domain master of Jiu Ling Green-eyed Sparrows: Yu!

Venerable Nanshan did not hear what Jiuling Green-eyed Domain Master said to Windsor, but when Venerable Nanshan saw the expression on Windsor's face, he was very angry and wanted to attack the Green-eyed Domain Master Jiuling. The domain master grabbed his arm.

Then, under the gaze of Venerable Nanshan, Windsor was taken away by the Green-eyed Territory Lord of Jiu Ling!

Before that guy left, he deliberately glanced at Venerable Nanshan!

About a minute later, that guy disappeared in the woods with Windsor, and then Venerable Nanshan regained his freedom.

Venerable Nanshan knew that the matter was beyond his control, and quickly got rid of the nearby soldier tree elves and went back to spread the word, while he followed far behind the Green-eyed Territory Jiuling.

When the soldier tree elves passed the news back, the dark soft, ant emperor, and emperor tree elves all chased after the green-eyed domain lord of Jiu Ling, and Venerable Dongshan came to report to Li Tian.

"Domain Lord! Nine Lings Green-eyed Sparrow Territory Lord! If Windsor is three long and two short, I will destroy your entire clan!" Li Tian hated gritted his teeth.

Perhaps you will feel that Li Tian is bragging, but don't bully the young man!

Now Li Tian has just entered the Netherworld for more than a year. Li Tian believes that with his current experience, he will definitely reach the realm of the domain master in five hundred years, even higher than the realm of the domain master!

If Windsor really has three long and two short, then this will be Li Tian's eternal guilt!

So with Li Tian's personality, he absolutely said to do it!

"Windsor, you shouldn't treat you like that! As long as you are safe, I will definitely consider your and mine problems seriously!"

"Windsor, you must have no trouble! Don't have any trouble!" Li Tian kept praying in his heart.

Seventy-seven forty-nine purple electric dragons roamed around Li Tian's body, and black flames kept burning on the Qiqiong spear in Li Tian's hands.

The anger caused Li Tian's body to burst out of unprecedented potential. Unconsciously, Venerable Middle East Mountain felt that Li Tian's cultivation was constantly improving!

Huh!

Huh!

Li Tian's figure shuttles in the woods!

Domain owner?

"Then try it!" Li Tian thought, holding the Qiong Spear of the sky tightly!

Chapter 4494: : Being humiliated

Jiuling Green-eyed Sparrow Territory Master stretched out his hand to hold Windsor, his figure gleaming in the woods!

As a domain master-level powerhouse, the green-eyed domain master of Jiu Ling is proud!

Of course this also has a certain relationship with their race!

When receiving the invitation, Jiuling's green-eyed bird actually refused, he was proud.

In order to impress the arrogant domain master, the tree elves described Li Tian's wine with extra effort and jealousy, which made the Jiuling Green-eyed Domain Master decide to participate in the tasting event!

Before that, he and Li Tian still had no conflicts.

It is only the blame for the Jiu Ling Green-eyed Territory Lord himself who remembered the wrong day and arrived at the venue one day earlier. To the proud, it seemed that he could not wait to taste those fine wines.

This is also a damage to his face.

Of course, this is his own point of view.

The real upset with Li Tian began when Li Tian invited him.

As a haughty green-eyed bird with nine feathers, Li Tian couldn't take the initiative to move forward as soon as he invited him. It was so shameless.

However, Li Tian only invited this guy once, and after being rejected by him, there was nothing to follow.

This was seen by the Green-eyed Sparrow Territory of Jiu Ling as Li Tian's contempt for him and his contempt for his entire race!

Therefore, in the later tastings and auctions, the domain owner of Jiu Ling Green-eyed Sparrow was against Li Tian everywhere. However, Li Tian is indeed the trust of other domain owners and emperors, and he was against it. Not only did it cause no harm or influence on Li Tian, but instead let other domain masters and emperors insult and insult him.

As a new domain owner, the green-eyed Nine Ling, who didn't have much wealth to support his squandering, was very injured. He blamed all this on Li Tian!

He wanted to kill Li Tian, but he also knew that it was impossible for him to achieve it in such a venue.

When he saw the beauties of Windsor, Xueji, Ye Meijing, and Liu Jimeng at the auction venue, the green-eyed sparrow master of Jiu Ling brightened up in front of him. From his side, he knew that these women were actually Li Tian's wives. !

In this case, the green-eyed sparrow domain master of Jiu Ling decided to start with these women.

And the sad Windsor left the auction venue and gave him such a chance!

Jiuling Green-eyed Sparrow Domain Master wanted to attract Li Tian, as long as Li Tian left the area of the tree elves, he could easily kill Li Tian, but Li Tian had nothing to do with him!

As for Windsor?

Haha, from ancient times to the present, there have always been human-day immortals, human-day demons, and human-day ghosts, and these stories are still being passed down, so as a ghost beast of the domain master level, he can't do the opposite. ?

Windsor looks good, and it looks absolutely tender cabbage!

But the nine-ling green-eyed bird is not in a hurry!

He wants to wait until Li Tian catches up, use the domain to control Li Tian, then in his domain, block Li Tian's face, to insult Li Tian, let Li Tian witness his wife being bullied.

Thinking of this, the Green-eyed Territory Jiuling couldn't help laughing.

"Don't dream anymore! I have nothing to do with Li Tian, I'm just his tool! Do whatever you want, Li Tian will not rush here for me!" Windsor sneered.

"Why? Are you so impatient? Hahaha, you really are a little slut! Don't worry, the master of this domain is excellent in combat power, and it will definitely make you satisfied and go home!" Jiu Ling said with a smile.

"Shameless!"

"Yes, I am indeed toothless, look!" As he said, the green-eyed finch opened his mouth, and his mouth did not have teeth!

"Indecent!"

"Yeah, you found all of this? Haha, we Nether Beast can solve the problem anytime and anywhere. I thought I was doing it very concealed, but I didn't expect it to be seen by you? How about it? My words are not bad, right? "

"mean!"

"Huh? You know that I like the backward style? It seems that you must have studied me. Well, in that case, we will adopt this time when the time comes! Our ethnic group likes to use this posture, adopt this My combat effectiveness can be improved again! Of course, if you don't like this posture, other postures are also possible!"

Windsor stopped talking!

I had known that today I would be taken away by a powerful master of the domain, I thought Windsor should be more proactive in the first place, pushing Li Tian down once and giving Li Tian his most precious things.

Windsor was already desperate!

Windsor can't wait to commit suicide, but unfortunately, the Nine Ling Green-eyed Territory Lord has been controlling her, and she can't complete her suicide.

"Li Tian, will you come? Will you come?"

"Don't come! This is the domain owner! Even if you catch up, what can you do? Witness me being bullied by this beast!"

"Li Tian, don't come, if you come, you will die! For the sake of me, you are not worth it!"

Windsor was thinking wildly, and tears couldn't help streaming down.

Jiuling Green-eyed Sparrow Territory Master was even more excited, and said excitedly: "Come on, just cry like this, only the more you painful my heart will be more satisfied! Hahaha!"

Windsor did not speak, laugh, or cry.

What's the point of crying so much when people are about to die!

"It's disappointing! The guy behind us should be yours. I wonder if he can make you cry if he suffers an accident?"

As soon as the voice fell, the green-eyed bird suddenly disappeared.

In the next second, there was already a \*\*\*\*\* head in his hand, it was the head of Venerable Nanshan!

Venerable Nanshan is dead?

Venerable Nanshan died because of me?

Windsor held her mouth with her hand, and her tears kept rolling in her eyes!

In the end, the tears shed unsuspectingly.

"You are a beast, and he won't hurt you. Why do you treat him like this?" Windsor cursed.

Jiuling Green-eyed Sparrow Territory Master sneered, and said: "Just like the ants on this ground, these ants will not harm me, but because he is weak, I can pinch them to death at any time as long as I want to! Territory lord, tusk, it's just an ant-like existence! He is so weak that he dared to follow me, this is his own death!"

Windsor wanted to attack the landlord of the Jiu Ling Green-eyed Sparrow, but just as her body moved, a tail feather behind the Jiu Ling Green-eyed Sparrow flashed past Windsor's body like an arrow!

hiss!

Windsor's jacket was torn open by a big gap. Through this gap, you can see the snow-white skin on Windsor and the looming twin peaks!

"Wonderful, wonderful! The human body is really very different from the body of our race! Tsk tsk, looking at your jade body, looking at my blood-stained head, I have become more excited!" Nine Ling Green-eyed Sparrow Territory Lord said with a ferocious smile.

Windsor screamed, and immediately put his hands on his chest.

However, the tail feathers behind the green-eyed bird of Jiu Ling flashed by again!

Chapter 4495: : Arrived in time

puff!

hiss!

The nine tail feathers instantly shattered most of the clothes on Windsor Mountain.

The clothes on Windsor's body were in tatters, only the ones who were protected by her with both hands must remember that they were still covered by the lotus roots, and a large piece of whiteness was exposed on the ketone body.

"Expected to be so humiliated, it is better to die now!" Windsor thought.

Windsor opened her mouth and bit her tongue hard, wanting to bite her tongue and kill herself!

Unfortunately, this is already the domain of the Jiuling Green-eyed Sparrow.

Blood flowed from the corner of Windsor's mouth, and the tongue was bitten, but he did not continue to bite!

Death is impossible!

"Want to die? It's not that easy! Even if you die, I won't let you go! So, you still wait for Li Tian obediently! As long as Li Tian comes, you will take care of me, maybe I will consider Let go of you! After all, we are different between humans and beasts!" Jiu Ling said with a sneer.

This \*\*\*\*\* can say something else between humans and beasts!

Crying can't solve the problem, suicide can't solve the problem, Windsor can only choose to live strong!

Windsor finally realized why Li Tian practiced so desperately and went to fight desperately!

If Li Tian is not strong, how can he protect important people around him!

"Live! Stay strong even if you suffer humiliation! If Li Tian comes and encounter an accident, I must live strong. Only by living can I have revenge!" Windsor thought.

"Hey, do you want to understand? This is the best!"

Jiuling Green-eyed Sparrow Territory Lord is a dead metamorphosis, a proud dead metamorphosis. At this moment, he controls the tail Ling behind him, and keeps passing Windsor's body, teasing Windsor!

Windsor wanted to resist, feeling sick in her heart, but the sensitivity of her body made her completely unable to control herself!

This picture is humiliating!

Just like the scenes of some action romance movies in Dongying Island, the female pig's feet felt humiliated.

...

Li Tian's speed was so fast. When the anger in his heart was out of control, his veins gathered spiritual power and flames rushed wildly. These flames and spiritual power continuously impacted the acupuncture points on Li Tian's body.

Before he knew it, Li Tian's cultivation had reached the fourth-level pinnacle of Venerable!

This should be something worthy of joy and joy, but now Li Tian's face does not have a hint of joy.

Since coming out of the auction room, Li Tian has been running with Venerable Dongshan for nearly an hour, but he still can't catch up with the green-eyed domain master of Jiu Ling!

One hour is long enough!

Li Tian can't help but think of some bad pictures in his mind!

"brute!"

Li Tian's heart is full of unwillingness and anger!

If Li Tian now has the strength of the domain master, no, even if it is only a cultivation base with the realm of the emperor, Li Tian will not politely knock the Jiuling green-eyed domain master!

Faster!

Hurry up!

"Lord Li Tian, your speed is too fast, I can't catch up with your speed, you should catch up first!" Venerable Dongshan was reluctantly motivated, and in the end there was no other way but to shout to Li Tian.

Li Tian originally thought that his speed had reached the fastest speed, but he did not expect that Venerable Dongshan would still follow him after so long!

"Venerable Dongshan, my speed was already the fastest just now, but you can keep up with my speed. How did you do it?" Li Tian asked.

"Burning spiritual power! At the cost of depletion repair! I usually only do this when I am escaping for my life!" said Venerable Dongshan.

"Burning spiritual power!" A smile suddenly appeared at the corner of Li Tian's mouth!

For ordinary venerables, the spiritual power in the body is quite precious. Even a little bit of more cultivation requires an extraordinary price, but what about Li Tian?

Li Tian's current body has ample spiritual power, and burning a little spiritual power is nothing at all!

Venerable Dongshan knew that Li Tian was full of interest, and told Li Tian the formula and method as quickly as possible.

Whoosh!

Li Tian's speed suddenly doubled, and he rushed out like a rocket!

"You must know Windsor!" Venerable Dongshan slumped on the ground and shouted to Li Tian!

...

The speed of Ant King is not too slow!

This reptilian emperor has surpassed the speed of ordinary venerables with his wings, but compared to the dark and soft, the emperor tree spirit, his speed is like a snail crawling!

Youanrou couldn't wait for the emperor, so she rushed out!

The emperor tree elves also despised the ant emperor and flew away!

The Emperor Ant could only stop, he landed on the ground after determining the direction!

"Damn, the little sparrow, the \*\*\*\* dare to do such a brutal thing, if I let Lao Tzu catch you, you have to strip your hair off!"

After the ant emperor fell on the ground, the speed was obviously faster, but it was only faster, and it was still much slower than the dark and soft emperor tree elves.

No way, the race is limited, ants can never run faster than dragonflies!

The dark and soft face at the forefront was green and easy to handle. Her complexion was darker, and I couldn't tell whether it was green or not.

But the murderous aura on You Anrou is very obvious!

Where the dark and soft body gallops past, the grass on the ground will break every inch!

With the faint spiritual power shining from the strong bow in the dark soft hand, the three heavy metal arrows in the quiver behind him have been suspended, ready to fly out!

It doesn't matter how dark and gentle Windsor is, and Windsor's life and death have nothing to do with her!

However, if Li Tian is added, the situation is a little different!

If there is something wrong with Windsor in this area, then Li Tian will inevitably blame himself!

Li Tian is a dark and soft favorite man.

If Li Tian blames himself, You Yinrou will be sad when he looks at it!

In order not to make the man she likes sad, You Yinrou must accept Windsor and find a way to rescue Windsor!

Huh!

Huh!

The dark and soft figure flickered, her speed was already close to that of the domain master realm!

Gloomy looked at the gloomy forest in the distance, and gradually, there was more light in front of his eyes, and the forest controlled by the tree elves still came to an end.

"rush out!"

...

This is a cyan grassland with some huge rocks scattered in the middle of the grassland. Farther away, there is a river. After crossing the river, walking inside is an endless forest!

At this time, beside a huge stone of seven or eight cubic meters in size on the grass, the clothes on Windsor's body had been shattered by the tail feathers of the green-eyed bird, and all the lace underwear on Windsor's body had been exposed!

Seeing this lace underwear, the eyes of the Green-eyed Terminator Jiuling are all green!

"Yes, yes! Human ketone bodies are so fun! This costume is absolutely amazing!"

"Hahaha, you have successfully aroused the desire in my body, and I can't bear it anymore! Or let's play happily first, and when Li Tian arrives, we will relive the old dream and continue the front edge?"

"Yes, just do it!"

The face of Jiuling Green-eyed Bird Territory showed greed, and he reached out his hand to grasp the dark and soft tattered clothes, and pulled hard!

hiss!

At this moment, a powerful energy fluctuation suddenly appeared behind the green-eyed bird domain master of Jiuling!

"stop!"

Chapter 4496: : He must die

Jiuling Green-eyed Sparrow Territory Master turned around abruptly, and saw a metal heavy arrow with the light of spiritual power hurriedly shot towards him!

Farther away, You Yinrou held a bow in one hand and an arrow in the other, shooting another arrow!

You Yinrou arrived in time!

Two consecutive arrows were shot, and the Green-eyed Terrier Jiu Ling had to stop his atrocities!

Territory Jiuling Green-eyed Sparrow couldn't help showing a sneer when he saw You Yinrou!

The palm of his hand stretched out, and the space around his body instantly became hundreds of times larger!

The heavy metal arrow shot by You Yinrou was flying at a high speed, but when the heavy arrow hit the domain of the Jiuling Green-eyed Bird Territory, the speed of the heavy arrow suddenly dropped!

The heavy metal arrow shot into the territory of Jiu Ling Green Eyed Sparrow with a difficult posture, but as soon as it entered his domain, the heavy arrow fell directly to the ground.

The same with two heavy arrows!

The Green-eyed Sparrow Territory Master Jiu Ling sneered a few times, his palms suddenly turned into sharp claws, and the two heavy arrows flew directly into his hands.

"Lord of the Dark Domain? Seeing this heavy arrow, you must be the owner of the Dark Domain, right? I just don't know where I offended you, and will cause you to chase after you?" said the Green-eyed Territory Lord Jiu Ling.

You Yinrou's current cultivation base is only the early stage of the ninth level of Venerable, and there is no way to reach the middle stage of the ninth level in a short time, and he does not even have the qualification to barely enter the realm of the domain master.

Against the real domain master realm powerhouse, You Yinrou knew that there was absolutely no chance of winning with her!

The only chance is to delay, wait until the ant king and the emperor tree elves arrive!

"Let her go!" Gloom said, pointing at Windsor.

Jiuling Green-eyed Sparrow Domain Master glanced at Windsor and sneered a few times.

"I didn't expect the Lord of the Dark Domain to have such a hobby? But it is a pity that this woman is now my food. If you want, wait until I finish playing and give it to you after I get tired of it. How do you feel?"

"Lord Jiuling Green-eyed Sparrow, I advise you not to get overwhelmed!"

"Satisfied? Hahaha, it's a joke. You, a fellow of the ninth level of the sage, dare to speak wild words here. Who is stunned, is it me or you? I will give you face and call you the Lord of the Dark Territory, you are really real When are you now the master of the dark domain?"

"Oh, by the way, I remember now, Li Tian seems to have a close relationship with you? Otherwise, how could he have entered the most core area of the dark forest? Could it be... Is he your concubine?"

"Look, see, I seem to have discovered something terrible!" Jiuling Green-eyed Domain Master turned his head to look at Windsor, with a mocking smile on his mouth, and continued: "No wonder you are so sad. Isn't it a man? Something in this dark forest is that as long as you like it, I believe that many domain master-level ghost beasts are willing to accept you! How, you will follow me in the future, and I will take you to be a bride every day!"

Windsor was trembling with anger!

Jiuling Green-eyed Sparrow Domain Lord did not continue to pester Windsor, turned to Gloom Soft, and said with a sneer: "If you give you face, you are the Gloom Domain Lord. If you don't give you face, you are nothing! Get out of here, or I will join you. pack!"

"Domain Master Jiu Ling Green Eyed Sparrow, you know that you made a big mistake! Do you think you can do it by hiding here? Windsor was taken by you in the area controlled by the Emperor Tree Elf, You kidnapped a woman who has no power to bind a chicken in front of such a domain master and emperor. You are beating the tree elves in the face!"

Youanrou was not angry at the words of the Green-eyed Sparrow Territory Jiuling. Instead, she changed her tone and continued: "For such a woman, you angered the tree elves. I don't think you are acting rationally!"

"Hahaha, if anyone did not make mistakes when they were young, do they have to wait until they are old and dying to make mistakes? Perhaps I angered the tree elves today, but what can be done with trees? Would the elves act against such a woman and a businessman like Li Tian?"

"Take ten thousand steps, even if the tree elves fight against me? Our Nine Ling Green-eyed Sparrows have a lot of enemies in the dark forest, and we don't care about one more tree elves!" The domain master said with a sneer.

Having said this, Jiu Ling's green-eyed bird domain master's sight suddenly fell on You Yinrou's chest trembling up and down due to shortness of breath.

"I have seen this woman several times before, but I have never regarded her as a woman. If I look closely today, it turns out that this woman is quite handsome, her body is hot enough, and she looks like a tight Full black pearls!"

"A black pearl, a white pearl, I am afraid that domain owners have never enjoyed this before! Would you like to try it?"

"Try and try. Anyway, the relationship between this woman and Li Tian is quite close. As long as it makes Li Tian painful, I am willing to do it! Since there are already beasts, let the beasts come more violently!" Jiuling Green Eyed Territory Master thought in his heart.

Thinking of this, the Green-eyed Sparrow Territory Master Jiu Ling took a few steps forward again, and once again narrowed the distance from Gloom Soft, and the domain he controlled completely surrounded Gloom Soft in an instant.

A trace of panic flashed in the dark and soft eyes, this panic flashed across, and she soon returned to normal!

"What do you want to do, Jiuling Green-eyed Territory Lord? Are you challenging my bottom line? Do you want to confirm whether the name of my Territory Assassin is true or not?"

Gloom gently raised the strong bow in his hand, and the last metal heavy arrow in the back quiver had also been placed on the bowstring.

The dark and soft spirit is highly concentrated, the spiritual power in the body veins is surging, and the powerful spiritual power curls the metal heavy arrow, like a laser beam on the bowstring.

As long as the dark and soft let go, this laser-like metal heavy arrow will rush towards the green-eyed sparrow domain lord of Jiuling!

It's life, it's death, just look at the power of an arrow!

"Domain master killer? Don't you feel that your name is just a joke? You really think you can do whatever you want by killing two human domain masters? Dark domain master, human idiots may still be jealous of you, but Among these ghost beast domain masters in the core area of the dark forest, you are just a joke!"

With a wicked smile on his face, Jiuling Green-eyed Sparrow Territory Master pointed his finger at his heart and said: "Come on, shoot me! Shoot me! If you can shoot me, I forgive you! "

This arrow cannot be shot!

The current Youanrou is only the ninth-level primary realm of the Venerable. In the domain of the domain master, Youanrou is a lamb to be slaughtered. With this bow and arrow in his hand, he can also put on a pose. Once the arrow is shot out, then Youanrou will There is no final weight!

"Don't you shoot? Are you reluctant to bear my handsome face? Haha, since you don't shoot me, I should shoot you!"

As the spirit power of Jiuling Green-eyed Sparrow Territory Lord fluctuates, You Dark Rou feels that the weight of her bow and arrow in her hand exceeds a thousand miles, and her hands tremble involuntarily!

Whoosh!

The metal heavy arrow is gone!

Chapter 4497: : He must die

Whoosh!

The heavy metal arrow flew out, but the speed of the flight was extremely slow, as if it were playing in slow motion.

Huh!

Jiuling Green-eyed Territory Master's feet lightly tapped on the ground, and his figure flashed, and he had flown to the side of the heavy metal arrow. He stretched out \*\*\*\* and gently pinched the heavy metal arrow, which was on the heavy metal arrow. The light of spiritual power lost its luster in an instant, and it turned gray.

A sneer appeared on the face of the Green-eyed Terminator Jiuling!

"It seems that your name as a domain master assassin is really a vain name!"

Jiuling Green-eyed Sparrow Domain Master slowly raised his arm, and as soon as he stretched out his hand, You Yinrou flied over, and was pinched by the palm of Jiuling Green-eyed Sparrow Domain Master's neck!

And the nine tail feathers behind him drifted towards Youduanrou like a familiar road, and the animal skin on Youanrou's body was instantly shattered into two pieces, revealing the darker skin of the darker than wheat and the towering and full body. ...

Seeing You Yinrou being controlled by Jiu Ling's green-eyed sparrow domain master, Windsor couldn't help feeling a little anxious.

Windsor couldn't help holding his breath when he saw Jiu Ling behind the Green-eyed Sparrow Territory Master Jiu Ling flying towards the dark and soft.

In her mind, a beautiful picture has appeared.

Windsor's face couldn't help being a little red, and he almost dared not look at You Yinrou!

However, this picture is not as unsightly as Windsor thought.

After Li Tian's sinful palms felt the dark body, he gave away a few sets of women's underwear, which protected the most hidden place in the dark.

However, the color that Li Tian, a sullen fellow gifted to the dark and soft underwear is gorgeous. Although this picture does not require mosaics, it is also quite attractive.

"You humans really know how to play! After this thing wraps your two masses of meat, it shows your figure perfectly, and there is a looming feeling of refusing to welcome! It's really itchy in my heart!" Nine Ling Green-eyed Sparrow said with a lewd smile.

"Dead sparrow, you are looking for death! Unless you release us right now, otherwise, as long as you allow me to regain my freedom, as long as I restore the domain master realm, I will kill you first!" Youanrou said angrily.

Since the first close contact between Youanrou and Li Tian, she has determined that she is Li Tian's woman, and her body is naturally reserved for Li Tian. Now, being so frivolous by the animal in front of her, how can she be There is a gift of no anger!

"Kill me? Hahaha, just fight you?"

An old voice suddenly came from the woods in the distance: "If she is not enough, how about me? "

Territory Jiuling Green-eyed Sparrow suddenly raised his head and saw the Emperor Tree Elf flying out of the woods with nearly two thousand trees.

"Imperial Tree Elf? This matter has nothing to do with you. You'd better not intervene, otherwise you will be responsible for all the consequences!" Jiuling Green-eyed Territory Lord is not afraid of

the Emperor Tree Elf, but he sees the two thousand generals. The elf is still a little guilty in his heart!

"I'll really take care of this! What you are holding now is the most respected Elf Rou among our tree elves, and the woman you abducted before was also taken from the jurisdiction of our tree elves, this matter I can't help but intervene!" the elf said.

The emperor tree elves flapped their wings faster and faster, and the two thousand tree elves seemed to have received some kind of signal, and instantly gathered into two strange square formations.

These two bizarre phalanxes are connected by the spiritual power released from the tree elves. As the phalanx takes shape, two powerful auras suddenly appear on the grass!

The square formation in the realm of the domain master, this is the most powerful battle formation of the tree elves!

The personal strength of the tree elves is not strong, including the imperial tree elves.

But God is absolutely fair. Their individual combat effectiveness is insufficient, so they use team battles to make up for it.

I don't know that after tens of thousands of years of inheritance, these tree elves can make up for their lack of individual combat strength by using the square formation of tree elves!

These two square formations are equivalent to two domain master-level powerhouses, and a trace of anxiety flashes across the face of the Jiu Ling Green-eyed Domain Master.

"Emperor Tree Elf! Do you really want to intervene in this matter? This is my personal grievance with Li Tian, don't involve all of your races!" Jiuling Green-eyed Territory Lord roared!

"Let go of those two girls!" The imperial tree elf's old voice was full of indisputable, and he shouted sharply.

Jiuling Green Eyed Territory is still hesitating!

Li Tian hasn't shown up yet. If he lets go of Windsor and Youanrou now, then everything he has done will be abandoned, and even if he doesn't conflict with the tree elves, he has offended the tree elves after all!

Jiuling Green-eyed Territory Lord's eyes turned around on the two teams, he was looking for opportunities!

At this time, the Green-eyed Sparrow Territory Master of Jiu Ling suddenly felt that there was still a strong force approaching in the forest controlled by the tree elves. That powerful force...not the Territory Lord, although the aura is strong, it is Quite messy.

It's impossible for a domain master, emperor-level powerhouse to control spiritual power so badly!

But who will it be?

"Is it Li Tian? Yes, it should be Li Tian! If this is the case, then what can I do if I give these two women to the tree elves? My goal is Li Tian! As long as Li Tian dies, There is no reason for the tree elves to be enemies with me again. When the time comes, the dark and soft will be fine, this white pearl, is it not for me to insult?" Jiuling Green-eyed Domain Master thought in his heart.

"Imperial Tree Elf! Today I will give you a face, and I can pay you back for these two women, but Li Tian's grievance with Li Tian hopes that you will not interfere, otherwise, it is your Tree Elf clan who provoked a battle between our two clans! When the time comes, the creatures can only blame you!"

"Think about it carefully, I will give you a few minutes to think about it! No need to rush to answer me!"

The emperor tree elves didn't know what horrible idea the dead sparrow had in his mind, but he really remembered it.

At this moment, a black flame-like figure rushed out of the woods, and it was Li Tian!

Li Tian's clothes were disheveled, there were still two leaves hanging in his hair, and he didn't know when he had a small scar on his face!

Huh!

Huh!

Li Tian's face flushed, as if he had been roasted by the scorching sun, and his whole body was hot.

The black flames on the Qiong Spear in his hand were beating non-stop, and seven or forty-nine purple electric dragons swam around his body.

Venerable's fourth-level pinnacle realm, this is the realm in which Li Tian rushed over to improve his cultivation invisibly!

But facing the domain master, this kind of cultivation is simply not enough!

Li Tian saw Windsor and Gloomy's untidy clothes, his eyes were fired, and he was about to crush his steel teeth!

"Elves, Dead Sparrow already knows that it is wrong, and promised to let go of these two girls! Let me take care of this matter, and I will give you a satisfactory answer!" The Emperor Tree Elf flew to Li Tian and said.

Li Tian couldn't listen to the words of the elf.

When he saw the appearance of Windsor and the dark and soft, Li Tian was completely in a state of rampage!

If it wasn't for Li Tian's heart to have such a trace of self-knowledge, Li Tian would have already rushed forward by this time!

Li Tian's palm spread out, revealing the three small wooden plaques in his hand.

Click!

Li Tian crushed three small wooden plaques at the same time!

"He must die!" Li Tian said coldly!

Chapter 4498: : He must die

Seeing Li Tian rushing out of the woods, Windsor couldn't help feeling a sense of inexplicable grievance, and tears could no longer be restrained flowing down!

"Li Tian! You are still here!"

"But, you shouldn't come!"

Windsor looked at Li Tian idiotically, thinking bitterly in his heart.

The dark heart is extremely complicated!

She is the master of the dark domain, in the dark forest, she wants to protect Li Tian and help Li Tian.

But now she can do nothing, she still needs Li Tian to rescue her!

You Anrou couldn't help feeling a little regretful when seeing Li Tian crushed three small wooden signs in an instant.

Youanrou wanted to ask Li Tian, for such a woman, no, for such two women, are you worth it?

But Youanrou couldn't ask Li Tian. Seeing Li Tian's angry eyes and trembling body, she knew that the answer was yes!

worth it!

It's definitely worth it!

Jiuling Green-eyed Sparrow Territory did not see Li Tian's action to crush the small wooden sign. When he saw Li Tian appear, his face was already showing the joy of the winner.

"Li Tian, you finally came, but you should die too!"

"Now that I have a consensus among the tree elves, I let go of these two women, and they won't interfere with our affairs!"

"You are a Venerable in the early stage of the fourth level...oh? You are already at the fourth-level peak state of the Venerable, which is really surprising! But what can be done? I am waiting for you only my endless humiliation and death!"

Jiu Ling Green-eyed Sparrow Territory closed his domain, letting Windsor and You Yinrou be free, and then shouted to the Emperor Tree Elf, "Emperor Tree Elf, now I have agreed to your request. These two girls are safe and sound. For the next thing, I hope you can keep your promise and don't interfere!"

however.....

The emperor tree spirit did not respond at all!

The Emperor Tree Elf was looking at Li Tian in surprise, and even said in a trembling voice:

"You...you crushed it? You crushed the wooden sign I gave you now?"

"Ok!"

"Huh what huh? Do you know what this small wooden sign represents? You just crushed it like this?"

Li Tian looked at the elf, nodded slightly, and said, "I know, but I don't regret it! This is my decision, I just want him to die!"

Li Tian already knew a little about the role of the wooden sign.

Any special race in the Underworld Relic and the domain owner of the Underworld Beast has a small wooden sign.

No one can tell exactly when this small wooden sign appeared.

However, this small wooden sign is of extraordinary significance. Only when this race extremely recognizes an outsider human, or if this human saves a certain race, can they give this small wooden sign to him.

This strange rule has existed since ancient times.

But almost none of the small wooden cards were given out!

Dark forest, forbidden land for domain owners, how many outsiders can there be?

You dark soft barely count as half a person!

The ant emperor and the emperor tree elves voluntarily handed this small wooden sign to Li Tian because Li Tian had indeed saved their race.

And the Purple Flame Thunder Bear Domain Master who was bidding for the wine at the beginning was greedy for Li Tian's wine, and he was interested in befriending Li Tian, and only then gave the small wooden sign to Li Tian.

As for the role of the small wooden sign, as long as the person who owns the small wooden bat crushes the small wooden sign, the original owner of the small wooden sign will sense it, and then they will reach the crusher as quickly as possible to help crush the small wooden sign. The person who completes one thing!

However, because this small wooden sign is unique in the dark forest, when it is passed down for thousands of years, it is stipulated that the small wooden sign can only be used by the unexpected in the dark forest!

Li Tian only wanted to rescue Windsor, rescue the dark and soft, and then behead the dead sparrow!

At this time, Windsor and You Anrou had already walked back to Li Tian, and the two rushed into Li Tian's arms at the same time!

Li Tian flipped it through, and there were already two more sets of clothes in his hands, which were draped on Windsor and You Yinrou, and then he hugged them in his arms, with a trace of regret on his face.

"The emperor's imperial tree elves, I have crushed the small wooden sign, I want him to die, I don't know if the tree elves will meet my requirements!" Li Tian said.

"Hey!"

"How can this be good? If your goal is the human emperor, even the domain master, I can promise you, but... But, this dead sparrow is the domain master in the dark forest. We can't because of your little wooden sign. Shoot him!"

"It's all because I didn't explain it to you clearly! What should I do now!" The Emperor Tree Elf sighed.

Li Tian was a little disappointed!

He knew that it was definitely not easy to kill a domain master-level ghost beast, but he didn't expect the emperor tree elves to be so ineffective.

the more you hope, the harder you fall!

"It turned out to be a small wooden sign. No wonder Li Tian, you are so confident! But you are an idiot who doesn't even know this kind of rule. You are so stupid!"

Jiuling Green-eyed Bird also took out a small wooden sign, flicked at Li Tian, and continued: "Now we should end our direct grievances!"

"You dare to move him to try!" The Emperor Tree Elf suddenly roared.

Nine Ling green-eyed finch was taken aback, and couldn't help being a little angry, and said, "Old guy, I have released those two girls, do you want to go wrong? Are you not afraid that thunder will punish you when the sky falls on the nine heavens?"

Li Tian just raised a glimmer of hope in his heart, but hesitated when he saw the emperor tree elf.

Li Tian knew that there was an elf of the Emperor Tree here, and his safety was absolutely guaranteed.

But wanting the emperor tree elves to help him deal with this dead sparrow seems to be unrealistic.

Li Tian was completely disappointed!

No wonder this race possesses tens of thousands of general tree elves, and can form at least dozens of domain master level realms, but it is still the weakest race in the dark forest!

Li Tian worried that the situation might change, and said to Windsor, "I will send you back first, and I will come to you again after the matters here are processed!"

"Li Tian, I'm sorry!" Windsor said to Li Tian in his heart.

Li Tian sent Windsor into the space of Void Yasha.

Li Tian still wanted to send You Anrou in, but You Anrou firmly disagreed.

"Li Tian, you just smashed three small wooden plaques, besides the tree elves, Oolong Fire Ants, who else gave you the wooden plaques?" The dark and soft face said calmly.

"I don't know the details, it was given to me by a bear-like domain owner at the auction!" Li Tian said.

"Could it be..., Li Tian, don't worry! The domain master will be here soon. If you can give the domain master a few more bottles of wine at that time, I promise that he can remove the green-eyed bird There are no bones left in the domain master!" said You Yinrou.

The ant emperor arrived first!

There are hundreds of soldier ants like crayfish following the ant king!

"Hahaha, Antsky, I received the little wooden sign you crushed. I'm sorry, I went to rescue soldiers so I was late! I know that the old guy must not have the courage to deal with this dead sparrow, so I will leave this to me! Just ask you one sentence, how do you want him to die!" A message appeared in Li Tian's mind!

Chapter 4499: : He must die

Li Tian was so moved that he was about to cry!

The same is the emperor, and the same is crushing small wooden cards. Why is this difference so big?

Although the Emperor Ant could not speak, his fiery temper was quite similar to Li Tian's mind.

Although the ant emperor was a little greedy and unkind, all these little problems were now ignored by Li Tian!

"As long as he dies, there is no requirement! Of course, if you can leave his beast crystals to me, I will give you double the wines sold at today's auction!" Li Tian said.

Since the ant king is domineering, then Li Tian is not stingy.

As long as Jiuling Green Eyed Territory Lord can die here today, even if he takes out half of Li Tian's stored wine, Li Tian will be willing!

"Hahaha, it's so happy to decide! Just type it!" Another message appeared in Li Tian's mind.

...

Seeing the appearance of the ant emperor, a trace of panic flashed across the face of the Green-eyed Terminator Jiuling.

The Jiuling Green-eyed Sparrow is the natural enemy of the Oolong Fire Ants. I don't know how many oolong fire ants have died in the hands of the Jiuling Green-eyed Sparrow. Don't say that Li Tian crushed the small wooden sign, even if Li Tian didn't. The ant emperor of the broken wooden sign will also besiege the lord of Jiuling Green-eyed Sparrow.

Boom!

Suddenly a loud noise came from the ground!

The whole earth shook, and then countless spiritual powers rose from the cracks in the underground, and then condensed in midair, just like a bird cage!

Immediately afterwards, there were constantly crawling oolong fire ants on the ground!

"Dead sparrow, this is the ant-eating array specially prepared by Lao Tzu for you! Don't say you are the domain master, even if you are an existence beyond the domain master, today Lao Tzu will eat you without bones!" A piece of information appeared in everyone's mind.

"Li Tian, this birdcage is not bad! This is the design of our Oolong Fire Ant Clan to deal with the \*\*\*\*\* sparrows. Generally, it only needs a thousand soldier ants to deal with the dead sparrows in the realm of the domain master. If you vent your anger, I arranged nearly 10,000 soldier ants underground!"

A smile finally appeared on Li Tian's face.

You Anrou grabbed Li Tian's hand, just holding it!

From the initial panic to the panic, Jiuling Green-eyed Territory Master, his spiritual power was a little unstable, and suddenly changed back to its original form, it was a Nine Ling Green-eyed Bird!

The nine-ling green-eyed bird flew up from the ground suddenly, his body was just installed on the line of spiritual power like a birdcage, and he was immediately bounced back, and a few gorgeous feathers flew down from him!

"Damn Oolong Fire Ants, you are looking for death!"

The nine-ling green-eyed sparrow suddenly released the domain, creating a space that belongs to him around his body, and then hiding in the domain, digging the ground frantically, taking the underground oolong fire ant out with a sharp beak, and then took a bite. Swallow into the stomach.

"Hahaha, Lao Tzu is now a strong man in the realm of the domain master. In my domain, I am the absolute master. You oolong fire ants are just seeking your own death!" said the green-eyed bird with a wild smile.

One...

Two...

three.....

Oolong fire ants were constantly digging out from the ground by him, and then swallowed by him.

The king of ants looked as before, without the slightest panic.

"Don't worry, tens of thousands of soldier ants are underground. If he is at his current speed, these soldier ants will be enough for him to eat next year! However, before tomorrow, he will be eaten by our oolong fire ants without any bones left. !"

The King of Ants sent another message and appeared in everyone's minds.

Nine Ling's green-eyed sparrow's pride did not last for a few minutes. He knew that after the emerging domain was formed, spiritual power would continue to flow out. In these few minutes, his domain was actually smaller than one-third!

And the oolong fire ants he swallowed were only seven or eight!

"Impossible! Damn, we are the natural enemies of your Oolong Fire Ants, how could you weak reptiles be my opponents!" Jiu Ling Green-eyed Sparrow hissed in horror!

boom!

The domain made by the dead sparrow was shattered in the great array of ants and spirit devourers of Oolong Fire Ant!

Jiu Ling Green-eyed Sparrow felt that the spiritual power in his body was constantly being lost unknowingly, and as he moved his spiritual power faster, the faster the loss of spiritual power was!

It was as if it was spinning, invisibly, these spiritual powers were sucked into the ground!

And these spiritual powers are the best food for those oolong fire ants underground!

"No, it can't be like this!" Jiu Ling green-eyed bird roared in horror: "Imperial Tree Elf, you promised me that you will not participate in the conflict between Li Tian and me!"

If at this rate of loss of spiritual power, it is very likely that the Jiu Ling Green-eyed Sparrow will fall below the realm of Huihuangzun before rushing to dark, and it may fall below the eighth of the Lord by midnight. Level realm!

This is absolutely unacceptable to him who has finally become the domain owner!

The Emperor Tree Elf flapped its wings and said: "You are right, I did not participate in the conflict between you and Li Tian! I will not participate in the conflict between you and the Oolong Fire Ant!"

Jiu Ling Green-eyed Territory Lord helpless, turned around and said to the Emperor Ant: "The Emperor Ant, I have no regrets or regrets when I die in your hands. This is also my destiny, because our two races are natural enemies and there is a huge contradiction. But you can't be used by foreigners!"

"You wait for death slowly! This is your destiny!"

A piece of information appeared in his mind,

Huh!

A powerful energy fluctuation appeared around Li Tian's body. With this energy fluctuation appeared a strong man who was nearly two meters tall and wore a gray-brown costume with some thunder and lightning runes. There were two purple lines behind the strong man. Lightning-shaped weapon.

This person is the domain master of Ziyan Thunder Bear!

"Hahaha, little friend Li Tian, I'm really sorry, your wine is so beautiful, I can't help but drink it, and I didn't control it for a while. There are a lot of good drinks. Now my head is still a little dizzy! Oh, yes, I The small wooden sign for you was crushed by you. What are you looking for?" The main voice of the Purple Flame Thunder Bear Region was like thunder, giving people a rough and bold feeling.

"There is nothing for you here! Go back and continue drinking!" A message appeared in the mind of the domain master of the Purple Flame Thunder Bear.

The purple flame thunder bear domain master discovered that there were emperor tree elves, ant kings, and dark domain masters beside him.

Looking at the Territory Jiuling Green-eyed Sparrow who had been controlled by the Ten Thousand Ants Spirit Devouring Array in the distance, everything became clear.

At tastings and auctions, these nine feathers and green-eyed finches targeted Li Tian everywhere, and the domain owner of the Purple Flame Thunder Bear didn't ask who was right or wrong. Since Li Tian crushed the small wooden sign, then he must To help Li Tian, this is his rule!

"Hahaha, killing such a little domain master, is there still a problem with the ant king? Leave this to my old bear, and promise to fight his shi!"

Li Tian saluted the Lord of the Purple Flame Thunder Bear Territory, thanked him, and then said: "Now that the ant king has controlled the situation, I also want to watch the Territory Jiuling Green-eyed Sparrow slowly die here in despair! Xiong, if you really want to help me, then go to the Jiu Ling green-eyed finches and spread the wine madness!"

Chapter 4500: : He must die

"Hahaha, yes, I am indeed a little drunk, and I have to give it a good vent! When I come back from alcohol, Brother Li Tian, you have to pick up the dust for me, otherwise the old bear won't agree!"  
Ziyan Leixiongyu After the Lord smiled and said, the figure flickered and disappeared.

"No! No! You can't unite outsiders to deal with me like this!"

"I am the domain master in the dark forest. Even if I am wrong, you can't do this to me!"

Jiuling Green-eyed Sparrow Territory Lord is full of anger. On his body, surrounded by rich spiritual power, the nine tail feathers are like nine meteors, flying high with his wings, and hitting the bird cage heavily!

boom!

There was a loud noise, and the birdcage shook a few times.

Under the ground, dozens of Oolong fire ants were shaken and flew out.

However, after the birdcage was shaking, it was safe and sound!

But the Green-eyed Sparrow Territory Master Jiuling hit his head and bleed, and the whole body of the hitting feathers flew randomly.

Click!

Click!

The blood kept flowing, falling on the ground, like bright flowers.

Jiuling green-eyed sparrow domain master is not reconciled!

No one would be willing to become a domain master in the face of death, even the most talented ghost beast would need thousands of years, even tens of thousands of years of hard work.

However, it took a few days for the domain master to fall!

Nine Ling green-eyed finch, how willing!

He flickered his wings, stood up swayingly, struggled a few times again, and rushed to the birdcage!

Ten thousand ants spirit devouring array is not a profound array.

If the Jiu Ling Green-eyed Sparrow wasn't focused on Li Tian, how could he be easily trapped by this formation?

However, it is too late to say anything now!

This large formation designed specifically for the Jiuling Green-eyed Bird Clan cannot be broken by his most powerful attack!

If you don't hit the south wall or look back, Jiu Ling Green-eyed Sparrow Territory master hit his head and broke blood, but this ant spirit-devouring array is still motionless!

In this moment, the spiritual power in his body's veins was lost more quickly. Vaguely, the Green-eyed Terminator Jiu Ling felt that he was about to fall on the threshold of his realm.

Jiuling Green-eyed Sparrow Domain Master is desperate!

He mistakenly overestimated his strength and his influence in the Dark Forest, and mistakenly underestimated Li Tian's strength and determination to get rid of him!

"Do not....."

"Do not....."

"I can't break this formation! Can't break it!"

Jiuling Green-eyed Bird Domain Master knelt on the ground, raised the sky and sighed, crying in tears.

...

If nothing else, the death of Jiuling Green-eyed Territory is already a foregone conclusion.

The imperial tree elves kept turning around with a pair of large compound eyes, thinking about how to repair the relationship with Li Tian.

As a family of emperors, the emperor tree elves don't have to be like this. There is an old saying in the nether world: whoever leaves the nether world, the sun will still rise from the east!

It means that anyone who leaves can live, and it will not be the end of the world!

This is true, but not entirely true!

The imperial tree elves can be separated from Li Tian, without Li Tian, he is still the imperial tree elves, and he is still an emperor in this dark forest.

However, if the emperor of Ant Emperor is drinking noble wine, the Lord of Purple Flame Thunder Bear is drinking noble wine, and he, the emperor who first knew Li Tian and gave the small wooden sign to Li Tian, only Being able to drink the green trees of his own group will make his face a little ugly!

"This old thing is thinking about how to ease the relationship with you!"

A piece of information appeared in Li Tian's mind.

Li Tian glanced at the Emperor Tree Elf slowly, scanned the Ant Emperor, and finally returned it.

Li Tian was very disappointed with the Emperor Tree Elf!

As mentioned above, the greater the hope, the greater the disappointment!

Li Tian crushed the small wooden sign, and the elf of the emperor tree would actually shirk it.

Of course, Li Tian would also like to thank the Emperor Tree Elf.

If the emperor tree elves hadn't arrived in time, the ending of Windsor and Darkness would not be known yet!

Therefore, Li Tian will ease the relationship with the imperial tree elves, and will continue to exchange wine for the tree elves of the tree elves, and will give the tree elves a great discount.

However, it is impossible for Li Tian and them to return to the previous relationship!

Compared with the emperor tree elves, Li Tian prefers the ant emperor and the purple flame thunder bear domain master!

Feeling the information in Li Tian's mind, the king of ants couldn't help shaking his head slightly.

Li Tian is now a small person, but the eyes of the king of ants are definitely not clumsy. He can see the spear of the sky in Li Tian's hands, and can also guess the future rise of Li Tian.

"Some people, once they miss it, they never stop!"

The relationship between the Emperor Ant and the Emperor Tree Elf is good, but he can't control this kind of thing!

Sure enough, when the imperial tree elves approached Li Tian and tried to ease the relationship with Li Tian, the ant emperor could still clearly see that although Li Tian was extremely polite, he no longer had the kind of imperial tree elves in his eyes. Look.

The imperial tree elves can naturally feel it too!

But who can blame this?

"Elves, no matter what, you will always be our most important friend of the tree elves. Now the general situation is set here. There are other domain owners and emperors in the group. I will not accompany you! Keep it for you to use, and I hope you don't shirk it." After the emperor tree elf said this, he exchanged a few words with the ant emperor and the dark and soft, and turned away.

The more you lose, the more you lose.

...

time flies!

The spiritual power on the Nine Ling Green-eyed Sparrow fading faster!

When the sun slowly disappeared into the forest skyline in the distance, the realm of the domain master of the Jiu Ling Green-eyed Sparrow was not there, and it fell into the realm of the Emperor.

It hasn't died yet, but the Green-eyed Bird of Nine Ling feels that it is more fearful than death!

Watching the loss of spiritual power in his body, but he was helpless, and the person he hated the most was still watching nonchalantly, this kind of pain, who can understand!

Character determines fate.

Up to now, Jiuling Green-eyed Bird still remembered all the resentment on Li Tian.

He believed that if Li Tian didn't respect him enough, there would be no subsequent conflicts, and there would be no ending now.

Of course, if Jiu Ling's green-eyed bird was willing to die, he could completely blew himself up, so he wouldn't need to endure this kind of pain anymore.

However, the Jiu Ling Green-eyed Sparrow Domain Master knew how powerful the Ten Thousand Ants Spirit Devouring Formation was. Even if he blew himself up, apart from allowing a few \*\*\*\* Oolong Fire Ants to bury him, I am afraid that even this great formation would not be broken.

Let alone hit Li Tian, hurt Li Tian, let Li Tian die with him!

The character decides that it is impossible for the green-eyed bird to do this!

"Li Tian, Emperor Ant, I won't let you go as a ghost!" Jiu Ling Green-eyed Sparrow is now in the realm of the emperor, and he screamed in his original form.

The sound reached Li Tian's ears, it was really beautiful, as if someone had caught his neck.

"Then wait until you are a ghost!" Li Tian said with a sneer.
