

## A Killer 45

Chapter 45: Experiment

After hearing what the property manager said, Xiao Zhou thought about it and said, "Don't worry."

"I'm going to call Mr. Tang. Since it was someone from our company, Mr. Tang will take care of it." Xiao Zhou said.

So Xiao Zhou quickly called Tang Zheng.

When he heard that someone from his own company had been beaten and he was still being locked up by the police, Tang Zheng was of course extremely angry. Without saying anything, he asked Xiao Zhou to go to the police station to mention the person.

After Xiao Zhou got the order, this meeting drove to the detention center alone.

—

Li Tian, Xiao Zhao, and Yu Dahai were all locked in the detention center.

It was the first time for the three of them to enter this kind of place, all of them looked extremely embarrassed.

Among them, Xiao Zhao was the most worried. He kept squatting in the corner and said: "What can I do...what do I do..."

"Xiao Zhao, don't worry, it should be fine." After all, Yu Dahai is older and has a calmer mentality.

"Really? Yu brother, is it all right?" Xiao Zhao asked desperately.

Yu Dahai comforted him and said, "It will be fine. We are just gathering people to fight. Normally, a fine is enough."

Hearing what Yu Dahai said, Xiao Zhao finally felt relieved.

Where is Li Tian over there? Since being locked in the detention center, he has been silent, without saying a word.

Yu Dahai watched Li Tian in the corner silently, and slowly walked forward: "Xiao Li, what's the matter? Is that place hurt?"

Hearing Yu Dahai's voice, Li Tian slowly turned his face and looked at him: "I'm sorry, Brother Yu, this time I'm hurting you."

Yu Dahai originally thought that Li Tian was silent because of his injury, but he didn't expect it to be because of this. He smiled and said, "What did the silly boy say? How can you say that you are causing me?"

"If I hadn't rushed out to fight, you and Xiao Zhao wouldn't have entered this kind of place..." Li Tian said.

Yu Dahai smiled and patted Li Tian on the shoulder and said, "Xiao Li, don't think too much about what happened today, even if I was imprisoned for the rest of my life, I won't blame you, because this is what men should do. ."

"This man is different from a woman. Sometimes when there is nowhere to go, he just needs a hard screen, like today."

Yu Dahai said with a smile.

After hearing what Yu Dahai said, Li Tian finally felt better. Originally, he was a little worried and afraid that Yu Dahai and Xiao Zhao would complain about him because of this incident. Now Li Tian is more relieved.

"Xiao Li, have you practiced before?" Yu Dahai squatted down beside Li Tian and said, blinking at Li Tian.

Li Tian smiled and shook his head.

"I haven't practiced? You can all fight like this?" Yu Dahai was a little surprised.

After all, today's Li Tian has done several gangsters alone, and in the end even the strongest burly hunk fell on the ground...How can he be able to be an ordinary person? This did not cause the sea to be surprised.

Li Tian thought for a while and said, "Actually, I don't know. It was during this period that I always felt that there was an inexplicable force in my body, as if I wanted to vent..."

"Inexplicable power?" Yu Dahai blinked his eyes a few times, but did not understand.

Li Tian pointed his abdomen to Yu Dahai and said, "Brother Yu, did you see that, that's it. There is a breath of breath here in my abdomen. Whenever I accumulate this breath, I can feel it. When my strength suddenly skyrocketed several times, I actually don't even know what's going on."

Yu Dahai looked at Li Tian, only to feel that Li Tian was joking and said, "Really?"

"You don't believe Brother Yu?"

Yu Dahai shook his head and said, "To be honest, I really don't believe it."

Li Tian, who heard Yu Dahai's disbelief, stood up from the ground.

"Brother Yu, you will know if I give you an experiment."

As Li Tian said so, he looked around, finally staring at the corner of the wall.

The small house in this detention center may be old. The inside is just a wall painted with white lime. Li Tian walked over quickly.

Yu Dahai looked at Li Tian in wonder, Xiao Zhao beside him also stood up, wondering what Li Tian was going to do.

Li Tian clenched his fists tightly, looked at Yu Dahai and Xiao Zhao smiled and said, "Brother Yu, Xiao Zhao, you can see clearly..."

After he finished speaking, he slammed his fist against the cold wall.

The fierce force penetrated the cold wall with a loud bang.

After the wall that had been intact was hit by Li Tian's accumulated vitality, the wall sank deeply into a huge fist socket...The dried lime on it was about to dry and crack layer by layer. Come down.

One can imagine how powerful this punch should be.

Everyone who saw Yu Dahai and Xiao Zhao was almost dumbfounded, completely stunned.

Xiao Zhao and Yu Dahai couldn't believe it and ran up, touching the recessed wall with his hands, dumbfounded... Then he grabbed Li Tian's fist and looked at it.

"Oh my god, your kid's fist is so powerful?" Yu Dahai and Xiao Zhao looked at Li Tian in shock and amazed.

Li Tian smiled and nodded.

"In fact, having said that, I don't know what's going on. The energy in my abdomen is only a short time ago." Li Tian said with a smile.

Then Xiao Zhao and Yu Dahai glanced at Li Tian and said, "If we didn't see it with our own eyes, we would really think you were talking about things in fantasy novels."

Li Tian laughed.

On the contrary, Xiao Zhao and Yu Dahai felt respectful thoughts about Li Tian's changes. They thought that Li Tian was just as ordinary as them, but initially, this kid is different from them. Not an ordinary person.

But this does not affect the feelings between them.

As they were locked in the detention center with their heads covered and headless, footsteps came from the cold corridor.

After the voice came, Li Tian and the others quickly stood up from the ground.

Then I saw a policeman in uniform walking up the corridor.

Then he glanced at Li Tian and the others in front of him with cold eyes, slowly took out the cold key from his waist and opened the iron door: "You three come out..."

After the policeman finished speaking, Li Tian and the others were all taken aback. Then you looked at me, I looked at you, and walked out of the iron gate of the detention center.

Then the three of them followed the police in front of them to the outside.
