

A Killer 4591

Chapter 4591: : Leaning towards Tiger Mountain (3)

The children and farmers still knelt on the ground, still reluctant to leave.

"Since I have promised this matter, then I will definitely help you solve it!" Li Tian said.

Li Tian said it, but Li Tian was not as optimistic as threatening God.

The ghost beast in the Tiger Mountain needs the villagers to worship the beautiful girl. This is definitely not the ghost beast storing food for the winter, nor is it a sacrifice for all living people for insurance.

Li Tian guessed that nine out of ten Nether Beasts had reached the realm of the domain master and could already be transformed into a human form.

Only in this way can this ghost beast covet human beauties.

After asking the location and direction of Tiger Mountain, Li Tian disappeared instantly!

Huh!

In a teleport, Li Tian left the farmland and appeared in the mountain stream of Tiger Mountain a hundred miles away.

...

After Li Tian disappeared, the farmers slowly stood up from the ground. By this time, their minds had been confused.

These farmers have not finished their farm work, but they still have to continue their farm work, but they are uneasy and can't afford to do the farm work.

"Hit me!" said one of the farmers.

"What?"

"Hit me, I want to confirm if I am dreaming!" the farmer said.

Snapped!

Slap in the face, the farmer who was looking for abuse was hit by a slap on the head, and there was a fiery pain on his face.

"Hey, not a dream! Haha, not a dream!"

The farmer stroked his cheek, but he couldn't help but smile.

"Guys, the fairy has come, and our Niuja Village has been sheltered by the fairy again. We must return to the village as soon as possible and tell the village chief and other villagers,

Kill chickens and sheep, worship them, and wait until the fairy triumphs. "

"By the way, we have to build the immortal's longevity rank for home!" the farmer suggested.

The other farmers nodded in deep concern.

Farmers carrying farm tools and oxen, often rushing around the villages and towns.

There was joy on their faces, as if the world was suddenly full of hope.

Behind the farmers, the children looked forward to the fairy and imagined how the fairy beheaded the monster.

"I want to guard this village, I want to guard those important people, I want to become strong!"

Li Tian's unintentional act planted a seed in the hearts of these children, a seed that wanted to become stronger!

When a person becomes stronger, it is not because he wants to become stronger, but because he has a belief and a motivation in his heart!

Of course, just like the seeds sown in the farmland, these seeds may rot over time, and I am afraid they will not germinate. However, as long as the external conditions are suitable, these seeds will take root and sprout, and they will burst out of the soil. Grow, it may even grow into a towering tree!

...

Let's talk about Li Tian.

The Tiger Mountain is a branch of a mountain range, and the mountain is not towering or steep.

However, the ancient trees in the mountains are towering and lush, and they have a scene of their own.

If the mountain is not high, the immortal is the name, the water is not deep, the dragon is the spirit.

This Tiger Mountain is the most famous mountain within a few hundred kilometers, and the reason is precisely because of the monsters in this mountain.

When teleporting to the mountain stream, Li Tian could feel a swell of air, as well as the faint energy fluctuations deep in the mountain stream.

"Obscene god, now you tell me the truth, are you sure of dealing with the domain master-level powerhouse?" Li Tian asked.

"Haha, rest assured, rest assured! I am a god, even if it is a **** with broken godhead, this strength is far stronger than ordinary domain masters. We are a cooperative and win-win relationship, will I cheat you?" Talking full, but then, the voice of this guy turned and continued: "Besides, isn't you still here? Isn't there a small blue tile, a small hot pot, and a dark soft in your space?"

"By the way, there is your vicious mount dog! I propose to let your vicious dog and Xiaoqingwa participate in the battle! Boy, this is my training opportunity for you, you must take it! Don't thank me, mine The name is Red Scarf!"

I rub!

Li Tian suddenly felt pitted.

"You won't really be unable to deal with the domain master level powerhouse?" Li Tian asked.

"Young man, your thinking is very problematic! I am a god, a great and wise god! How could I not be able to deal with the domain owner? In my eyes, let alone the domain owner, even if it is beyond the domain owner, it is just a chicken tile. It's just a dog!"

"haha, really?"

"Young man, your expression is very dangerous. Have you forgotten Wang Changqing? The domain he used was broken by me in an instant. If I don't have the strength of the domain master realm, can I do it?"

"Juvenile, since it is cooperation, then the most important thing for us is to trust each other. You are full of doubts about me like this, I am very troubled!" said the obscene god.

Li Tian that this lewd ***** said is a bit embarrassed!

That's right, it's time to let the vicious dog show its fangs!

Vicious dog, that is the existence that even Wang Changqing of the domain master level is quite jealous, coupled with the strength of the ninth-level mid-level of the little blue tile, and the little hot pot, the emperor, the dark and soft one can break through at any time There is absolutely no problem with the powerhouse in the realm of the domain master.

Thinking of this, Li Tian immediately entered the Qiong Spear space of the sky and brought these guys out, and then Li Tian briefly told the story of the matter.

"Haha, Boss Li Tian, it's finally my turn to take action! Ever since I became an emperor-level powerhouse, I can't wait to fight against a domain-master-level powerhouse. I want to see, Huangzun and How big is the difference between domain owners!" Little Hot Pot said excitedly.

Xiao Qingwa's body has been fully opened, but after all, Xiao Qingwa is only two years old and less than three years old. He still likes to be cute. He rubs Li Tian's head with his head, and will open his mouth from time to time. Tian's head is in his mouth.

At this time, Li Tian would be worried, worrying that if Xiao Qingwa's teeth were itchy and grind his teeth, Li Tian's brain would be bitten by Xiao Qingwa's sharp teeth like bones.

It was the vicious dog that made Li Tian unhappy, and as the strength of this product increased, this product became increasingly disdainful of Li Tian. With those eyes and expressions, seeing Li Tian was like looking at trash.

In fact, it is no wonder that the evil dog is upset.

Back in the Netherworld, it brought back the sad memories of the vicious dog in the past.

The culprit of all this is because of Li Tian.

The current vicious dog feels that Li Tian is ignorant and does not practice well all day, which slows down the process of turning him back into a human form.

Fortunately, this guy can't speak, otherwise, this guy must be a posture of criticizing and cursing.

The moment You Dark Rou came out of the space, she involuntarily frowned slightly.

"How can there be a master-level ghost beast expert here?"

Chapter 4592: : Lean towards Tiger Mountain (4)

Youanrou is the domain master in the dark forest, and has a history of thousands of years in the middle layer of the dark forest.

Many domain master-level Nether Beasts and Youanrou in the core layer of the Undergrowth Forest are also quite familiar with it. It is precisely because of this that Nether Beast has a sense of smell that is beyond ordinary people!

"The elder of the Nether Academy said before that there are also domain master-level Nether Beasts in the human society of the Nether Realm!"

"It's just that I didn't expect that the ghost beast in the realm of the domain master can already transform into a human form, possess a human mind and consciousness, and be capable of cannibalism!" Li Tian said.

"Li Tian, are you sure?"

Youanrou knows that Li Tian likes to pretend, but Youanrou thinks that Li Tian is right to pretend this time.

If there is such a chance next time, You Yinrou will encourage Li Tian to continue to pretend.

Non-vegetation, ruthless Practice makes perfect!

It's true that the weak and the strong in the Nether realm. For the strong of the noble level, ordinary humans are like ants.

However, there are very few strong men who are as powerful as the venerable realm, who will deliberately embarrass those ants, just like human beings. Except for children, who is so boring to use urine to feed ants' nests?

Now the domain master level ghost beast in Tiger Mountain is just such a product!

If you **** really control a country by yourself, when the emperor in this venerable country, You Dark Rou believes that the master of the Nether Beast must have cattle and sheep that can't be eaten, and then build a harem, in the kingdom he controls, all People will happily send their beautiful daughters to the palace.

To use an inappropriate sentence to describe it is that this guy can obviously rely on his ability to feed, but the non-fuckin will do a lot of evil.

For this kind of Nether Beast, You Dark Rou certainly wanted to get rid of it quickly.

It's just that the ghost beast in this mountain is a domain master-level powerhouse, and the most powerful person next to Li Tian should be the small hot pot, the realm of the emperor.

Does it really matter?

Li Tian knew what You Anrou was worried about, but sometimes it wasn't because of worry. You can shrink from being afraid.

If you pretend to be forced, you will continue to act with tears.

"If there are difficulties, you must go up, and if there are no difficulties, you must go up!" Li Tian said.

...

The gurgling water and beautiful scenery!

In the depths of the Tiger Mountain, the Tiger Terrier lay lazily on a rock by the stream, looking at the sun through the mottled trees.

Not far from the edge of the stream, several young girls are playing laundry in the stream!

Looking at these young girls, the face of the tiger's domain master showed a smug smile.

"This is the life I want, unfettered, carefree, do whatever you want, do whatever you want! The ghost is willing to be the emperor of Raoshi!" Hujiao Domain Master thought in his heart.

Seeing the tiger dragon domain master watching them, the laughter of the girls who were playing stopped abruptly, and they shivered involuntarily, looking at the tiger dragon domain master tremblingly, not daring to move.

The Hujiao Domain Master couldn't help but get a little angry.

It has been so many years, these girls are still full of fear of him.

Hujiao Domain Master thought in his heart: "Can't we play happily? Don't you like playing in the water? In fact, I also hear that you like playing in the water, so let me play with you!"

The tiger flood domain master's fingers moved slightly, and the gurgling water was like silk being thrown out by an invisible hand, and it slammed on these girls.

In an instant, these girls were soaked all over, and you could see the girls' Miaoman figures through the clothes!

"Tsk tusk, it's fun! This is just play!"

play?

Play with your sister!

The girls were so frightened that they were drenched in water and trembling in the breeze.

However, none of these girls dared to resist.

Hujiao Domain Lord is not a human!

Of course, in a strict sense, he is not a ghost beast, but a monster flood that is neither a fish nor a snake in the water.

Tiger Jiao is extremely rare, but like the blue-eyed lion, it has always existed magically.

According to the Netherworld's "Shan Hai Jing", the tiger's body resembles a fish, but it has a snake-like tail, and it sounds like a mandarin duck. If a person eats its meat, it can prevent swelling and hemorrhoids can be treated.

These girls don't know what "Shan Hai Jing" is, and they don't know that Tiger Jiao has such an effect.

What they know is that the long, dog-like guy in front of them is actually a monster!

There are not a few sisters who have been swallowed by this guy in recent years, so even if the whole body of this guy is soaked now, these girls still show ugly smiles!

The girls' smiles are far-fetched, and it is better to laugh than cry, but this is their way to save their lives. Those sisters who can't laugh have already been eaten by the tiger's domain master!

Sure enough, as long as these girls laughed out loud, the tiger dragon domain master was satisfied, and continued to control the water splashing these girls, until these girls were crumbling and fell to the ground, the tiger dragon domain master no longer continued to entangle. .

"You guys did a good job. Tonight, the domain owner has allowed you to serve the domain owner together!" Tiger Jiao domain master licked his tongue and said.

These little sisters were immediately frightened.

Among them, a 17-year-old girl who was sent into the mountain stream by a few nearby villages this year, heard the words of the tiger's domain lord, and recalled the various perverted non-human abuses of the tiger's domain lord. This girl shivered and endured. I kept crying.

The Tiger Dragon Domain Master suddenly jumped up from the rock and stretched out her palm, and the crying girl flew into the Tiger Dragon Domain Master's hands automatically, and was instantly grabbed by the Tiger Dragon Domain Master's clothes!

"Asshole, dare to spoil Lao Tzu's mood!"

"The adults are forgiving! The adults are forgiving! The little girl, I cry with joy! Weep with joy!" The crying girl forced a smile, crying for mercy.

"Humph!"

With a cold snort, the lord of Tiger Flooded Territory threw the **** the rock.

"Then I will give you a chance to perform today. If I can't serve Lao Tzu comfortably, the village you are in will be the next Gejia Village!" The Tiger Dragon Domain Lord said coldly.

Gejiacun is a village within a few hundred miles.

However, the current Gejia Village no longer exists. Thousands of people in Gejia Village have been swallowed by the Tiger's Domain Lord.

The reason for the tiger's anger is very simple. Ten years ago, Gejia Village did not dedicate the beauties in the village on time. The tiger's landlord personally went to the village and talked to all the girls in the village who were 16 to 22 years old. The young women exchanged affectionately!

How could the men of Gejia Village endure such humiliation? The whole village, men, women and children holding various farm tools, knives and knives are fighting desperately with this tiger domain master.

As a result... Gejiacun now has to detour even mice!

"Big...sir, I will definitely behave well, and I would like to ask your lord a lot..." the crying girl cried and begged for mercy.

The Tiger Dragon Domain Master smiled lustfully and said with satisfaction: "Don't worry, the domain master believes in what he says. However, the domain master has not played by this stream for a long time. Today you are considered blessed. When playing with you, The domain owner will let you see the real body of the domain owner!"

Chapter 4593: : Admire Xu Xian and dare to crystal snake

Hearing these words from the Tiger Dragon Domain Master, these girls couldn't bear the fear in their hearts anymore, and burst into tears.

When the tiger is in human form, even if he is not handsome, he can even be said to be ugly.

But after all, the Lord of the Tiger Flooded Territory is still a human body, these girls endured and endured, closing and opening their eyes, and they passed!

Think of it as being jian (qiang) by the mob!

However, if the Tiger Dragon domain master reveals his original face, it will be like a monster that has turned back to its original form.

Then this **** changed completely.

This feeling is like asking a woman, are you willing to have a physical relationship with an ugly man? Or are you willing to force a physical relationship with an animal?

Normal people's answer is definitely...

The old lady is not willing!

These girls are also normal people, but for the sake of their families and the village, they have to give up their dignity and have to cater to the various requirements of the Tiger's Domain Lord.

However, if the tiger flood domain master returns to their original form, these girls will have no way to be as calm as they are now.

For example, Xu Xian, the man in the legend of China World!

Li Tian admired Xu Xian for daring the snake, but if the white lady became a ***** snake, let Xu Xianri take a look!

There is also Ning Caichen, this guy dares to be a ghost, but again, if you let the female ghost return to her original form and let Ning Caichen take a look at it, if he doesn't scare him, it will be considered that he has strong psychological endurance. Up!

"Looking at your expressions, you seem to be very unhappy! Okay, then I will go to your village..."
The Tiger Flood domain master threatened.

Sure enough, a word from the Tiger Dragon Domain Master made these girls have to succumb.

Several girls came to the rock with aggrieved expressions, reaching out their hands and groping for the body of the tiger's domain master.

However, at this moment, the Tiger Dragon Domain Master suddenly raised his head and looked down the mountain stream, suddenly stretched out his hand to push the girls away, and said with a sneer: "It's such a lifeless thing, dare to rush into my territory! It ruined Lao Tzu's interest! But hey, that's fine. I haven't eaten fresh food for a long time! Since you have brought it to your door automatically, then I'm not welcome!"

"You go back to the cave mansion first!"

Huh!

The Hujiao Domain Master disappeared instantly.

...

In the Tiger Mountain, the small blue tiles and vicious dogs are moving forward quickly along the mountain stream.

The Vicious Dog's body is too large, and only this stream and valley can accommodate his such a huge body.

Of course, being big also has the benefit of being big.

For example, it can be used as a mount.

Li Tian is holding the spear of the sky, and the dark and soft holding the longbow. The two stand on the backs of the vicious dog in a brave posture and pretending to be. Their long hair swings with the wind, and the fluttering hair increases in opposition. a bit!

However, at this moment, Li Tian suddenly felt a sense of alertness.

"You dark soft, be careful!"

Li Tian's voice just fell, huh! A figure suddenly appeared on the back of the vicious dog.

The person who came was the Tiger's Domain Master!

The tiger flood domain master's palms turned into claws, attacking the dark and soft back.

Li Tian slipped, his body straightened forward, and the Heavenly Qiong Spear in his hand slammed into the Tiger's Domain Master!

After more than a month of cultivation, Li Tian's body and veins were finally no longer empty, and several purple electric dragons followed the heavenly spear with a powerful aura.

The Tiger Dragon Domain Master sneered, turning his palm, and slammed it on the Qiong Spear of the sky. The purple electric snake was slapped to pieces by the Tiger Dragon Domain Master's palm. A purple electric arc passed through the air, and those spiritual powers flowed into Li Tian's body veins again along the Qiong Lance of the sky like flowing water.

A look of fear flashed across Li Tian's pupils, he flew back and withdrew a few steps, and cursed involuntarily, "Damn it!"

"Hey, I want to learn from others to be a hero even if I don't have a long hair, are you qualified? Oh, you are still a strong person in the early stage of the sixth level of Venerable, which really surprised me! But... how about this strength? Enough?" Tiger Dragon Domain Master said with a sneer.

The bow and arrow in You Yinrou's hand shot three heavy arrows at the same time, this heavy arrow with a ray of tail, shooting towards the tiger's domain master!

A hint of astonishment flashed across the face of the Tiger Flood Master's face, and his figure flickered, avoiding the heavy metal arrow, and said with a sneer: "Hey, the cultivation base of the ninth-level mid-level realm of Venerable is not bad! It's a pity that you face That's right, but I, the domain master-level powerhouse, no matter how powerful the venerable is, there is only one dead end facing the domain master!"

As he said, a vigorous spiritual power gushed out from the body of the tiger dragon domain master instantly!

"area!"

Following the screaming of the tiger's domain master, the domain released by the tiger's domain master has instantly covered the wheels of Li Tian and Youanrou.

"This is the domain? There doesn't seem to be much feeling!" Li Tian said suspiciously.

The Hujiao Domain Master looked at Li Tian like an idiot, and said with a sneer: "Yes, you don't feel anything, but I believe this beautiful lady will definitely not think so!"

Only then did Li Tian discover that the three heavy metal arrows shot by You Yinrou were floating motionless in the air, and had lost the powerful murderous aura just now.

"In my domain, I am the master! No matter how hard you struggle, it is impossible to break free from my domain!" The tiger dragon domain master flashed and appeared in front of Li Tian.

Li Tian retreated in shock, but found that his body was fixed in an instant. He couldn't do anything to retreat, evade, or escape.

"Boy, thank you for bringing yourself to my mouth, so that I can eat fresh food like you! In addition, I also want to feel that you can deliver this beautiful little girl to my hands, those mountain village women, I have already played I'm tired! Hahaha!" Hujiao Domain Master patted Li Tian's face, but said with his eyes fixed on You Yinrou.

There is no one in the tiger's eye, this is because he can see through the strength of Li Tian, You Yinrou, Xiao Qingwa and Vicious Dog at a glance.

Xiao Qingwa and Youanrou might still cause some harm to him when he was careless, but Li Tian and Vicious Dog were completely free of charge.

The vicious dog didn't know that the lord of the tiger's domain despised him. When the lord of the tiger's domain was hitting Li Tian's face, the bony tail of the vicious dog had already stabbed down like lightning, and it stabbed the lord of the tiger heavily!

The Hujiao Domain Master sneered and said, "A beast is a beast, and I can't even understand what I said! You are already in my domain, and I am the master!"

With a move of the tiger's heart, a powerful force instantly shackled the bone tail of the vicious dog. He continued to slap Li Tian in the face, thanking Li Tian for his noble spirit of death.

At this time, Li Tian was full of anger.

This anger is not all because of the tiger dragon domain master, but because of the molestation of God!

Obscene **** is not a thing. When Li Tian and the others fell into the domain of the tiger's domain master, they sat on the ground and raised the price and talked to Li Tian about his conditions.

The **** of obscenity asked Li Tian to give up the 50% commission, saying that he gave Li Tianyicheng the spiritual power of the tiger's domain master at most. The reason was that he was worried that Li Tian could not control so much spiritual power, and he was afraid that Li Tian would burst into death!

I went to your mother's body and died!

"Obscene God, you are too unkind if you are so rebellious!"

"Boy, I'm telling you again what is cunning!"

"Obscene God, I'll give you one last chance! If you really want to shoot and break, then I will stay with you to the end!!" Li Tian said with a sneer.

Chapter 4594: : New proposal of molesting God

"Youth! Are you angry?"

"nonsense!"

"Then have you considered why I did this? As you said before, our cooperation is a win-win situation. Now you need me and I also need you. If you can become a god, maybe we are still in the gods. My closest partner! So why should I make such a request?"

"Boy, do you think I'm an idiot?"

As soon as the sound of the obscene mythology fell, the domain cast by the tiger's domain master was instantly broken by the obscene god!

Hujiao Domain Master was shocked!

"Impossible! You are only in the realm of venerables, how could it break my domain?"

At this moment, the Hujiao Domain Master was a little shaken about his past knowledge.

For a moment of stunner, the long-bone tail of the vicious dog was like a whip and drew heavily on the tiger's domain master.

The Tiger Dragon Domain Master was like a broken kite, spinning a few times in the air, and then smashed into the river valley. The few huge rocks behind him were instantly smashed into pieces and flew around.

The vicious dog, the little blue tile, the little hot pot, and the dark soft all swarmed up, and jointly launched an attack on the tiger's domain master.

In Li Tian's mind, the obscene ***** continued to say to Li Tian: "Young man, what do you say is the basis of our cooperation?"

"Is it the absorbed spiritual power distribution?"

"Is it mutual use?"

"No! It's trust!"

"I'll just ask you a question, will you trust me unconditionally now?"

The obscene ***** asked and answered himself, and continued: "No! It's like I can't trust you unconditionally! But this way our cooperation will be subject to a lot of restrictions! This is not what I want, and I believe this is not what you want. need!"

"What are you trying to say? What do you want to do? Before that, I still trusted you very much, but you suddenly proposed to redistribute spiritual power, which makes me very unhappy!" Li Tian said.

The obscene ***** said: "Youth, don't panic! Listen to me continue to tell you!"

Don't panic your sister!

"Now Lao Tzu is fighting desperately against the domain master-level powerhouse! Although this domain master's domain has been broken, but in terms of strength, this domain master-level powerhouse is always stronger than the noble one!"

"Youth, don't panic! Your vicious dog mount and a small hot pot can be tied to this domain master. Trust me, my judgment is definitely not wrong, so continue our topic!"

"Juvenile, in order to show my sincerity for cooperation, I decided to make some concessions! This domain lord's spiritual power belongs to you, and you will occupy 80% of all spiritual power you absorb in the future, and the other 20% belong to me!" said the threatening god.

Li Tian is already a little messy.

This is not like an obscene style of God!

This stuff can't wait to absorb all the spiritual power that Li Tian has cultivated himself!

"Really? You won't be thinking about it again?" Li Tian asked suspiciously.

The tone of the obscene ***** did not change the slightest, and he said: "Seeing that, you have never trusted me. No matter what I say, you are always skeptical!"

"I rub! Don't forget how much pain I have suffered from you in the past year? Without you, now my cultivation base should have reached at least Venerable Level 7 or above! You have lost a year of precious time!" Li Tian Said.

"Youth, I will be responsible for you!"

Responsible for your sister!

"Young man, you know that I am a god! It is a very long process for me to restore my god's strength, and in this process you may fall, so that all my efforts will be abandoned! This is not worthwhile. Therefore, I decided to support you with all my strength and let you become an existence beyond the domain master first!" said the ***** of obscenity.

The obscene ***** said it seriously, and Li Tian almost believed it!

"Juvenile, I actually have a question here, so I won't let it go for you to listen to it! After you hear it, maybe you will understand my difficulties!"

"You speak!" Li Tian said.

"Young man, have you ever thought about what to do with your brothers and women after you ascend in the daytime? Like the earth world, do you create another clone and let this clone stay in the underworld to accompany them?" Indecent God asked.

Li Tian smiled and said: "No, I just need to send them into the space of the Heavenly Qiong Spear and take them into the God Realm together!"

"Young man, you are too naive. One person can ascend to heaven. When have you heard that one person can ascend to heaven, relatives and friends follow the way! This is the rule of the gods!" said the ***** of obscenity.

Li Tian had never become a god, so naturally he didn't know that the gods had such rules.

"what do you mean?"

"I mean you know very well. If you ascend in the daytime and enter the realm of God, your mounts, the vicious dog, the little blue tile, and the three small Yashas, can follow you into the realm of God, but these dark and soft, small hot pots ...They can only stay in the Nether Realm!" said the **** of obscenity.

Li Tian couldn't help but fell into thought.

Fortunately, the **** of obscenity raised this issue in advance, otherwise Li Tian would practice blindly, and one day he would really ascend in the day. After entering the realm of God, Li Tianke would become a lonely man!

As sung in the lyrics: Even if you stand at the top of the world without anyone by your side, so what!

What is becoming a god? What's the point of becoming a **** if you don't even have loved ones around you?

"So as I said earlier, now I'm going all out to support you, let you become the existence of Transcendence Domain Master, and after you become the existence of Transcendence Domain Master, you need to support me with all your strength! The most ideal state is our group 'Become a god, so we won't fight alone when we enter the realm of the gods!" said the obscene god.

Li Tian is still thinking about the words of molesting God, he doesn't know if he can believe in molesting God!

False is true and true is false.

"What are you going to do?" Li Tian asked.

"Trust me! If you are fainted or unconscious, lend me your body! Give me a platform and I will give you a surprise!" said the **** of obscenity.

boom!

boom!

At this time, the Tiger Dragon Domain Master was very angry, fully showing his domain master realm strength.

Xiao Qingwa was bombarded by the tiger's domain master, and his body was blasted out. Some blood stains had leaked from the corners of its mouth, and his body was embarrassed.

The three heavy arrows that Youanrou shot out were actually discounted by the Tiger's Domain Master, and only one heavy arrow returned to Youanrou's hands.

Although the small hot pot is a powerhouse at the emperor's level, it is equally uncomfortable now.

The spiritual power magma released by this cargo was instantly extinguished by the water system spiritual power of the Tiger Dragon Region Lord, and the entire valley was filled with white mist!

Vicious dogs only have the cultivation base of the 7th-level Venerable. Although they can be weakly defeated to Wang Changqing, it is because Wang Changqing did not move to kill. Now the tiger's domain master moves to kill, and the Vicious Dog is a little confused!

The scales on the leg of this cargo were beaten up again, and they were blown away continuously. The trees on the valleys and hillsides have suffered!

At this time, Li Tianzhen wanted to pull out the obscene ***** and beat the goods severely.

Didn't you ***** tell me to trust your judgment? Why is the situation completely one-sided now!

"Young man, it's time for us to trust each other for the postgraduate entrance examination! To borrow, or not to borrow!" said the ***** of obscenity.

Chapter 4595: : Li Tian's first time

Does Li Tian have any choice?

Without borrowing, could Li Tianneng watch You Dark Rou, Little Hot Pot, Little Blue Tile, and Vicious Dog die in the hands of the Tiger's Domain Master? Or could Li Tian pretend to force himself, swallow it alive, and hide?

Damn, it's a knife to stretch your head, and a knife to shrink your head!

"Cheap!" Li Tian said.

At the moment Li Tian yelled these words, Li Tian watched the liquid meteorite in his heart instantly change. Things like water continued to flow out of the meteorite, moving fast in the direction of Li Tian's spiritual power. .

In just a few seconds, as long as it is in Li Tian's body, there is this kind of liquid.

Gradually this liquid penetrated from Li Tian's pores, forming a layer of transparent substance on the surface of Li Tian's body.

Li Tian's spirit is still normal, but Li Tian has lost control of his body.

But Li Tian didn't feel fear. On the contrary, Li Tian felt a faint sense of comfort in his heart.

"Youth, be optimistic, I now let you know how powerful God is!" said the ***** of indecency.

Huh!

A figure flashed past, and Li Tian appeared in front of the tiger dragon domain master instantly!

"Damn boy, although I still don't know how you broke the domain I am showing, do you really think you can hurt this uncle with these rubbish-like things?" The tiger dragon domain master sneered and sneered. Said.

Li Tian wanted to use the sharpest words to squirt the Tiger Dragon Domain Master, but unfortunately now he is really a puppet. He has lost control of his body and the ability to speak with his mouth.

The ***** of obscenity did not let it go, and kept spraying the tiger's domain master with trash, but what the guy said would only appear in Li Tian's mind, and Li Tian couldn't tell whether the guy was spraying the tiger's domain master. Still spray him again.

"What are you trying to force? Do it now?" Li Tian said to the ***** of obscenity with his mind.

"Youth, it's only a little bit before I can fully control your body! Wait a moment!" said the ***** of obscenity.

"Fuck your sister...ah!"

Before Li Tian finished speaking, he let out a scream.

The Hujiao Domain Master blasted Li Tian's body with a palm, blasting Li Tian directly out of several hundred meters.

Behind Li Tian, dozens of thick and thin trees were knocked down by Li Tian, and Li Tian slowly stopped.

pain!

What a **** pain!

Although the **** of obscenity has controlled Li Tian's body, this body is still Li Tian's body after all. If it weren't for the protection of a layer of liquid flowing from a meteorite around Li Tian's body, Li Tian would have been bombarded. The ashes are gone!

"Obscene God, I'm going to your uncle! Not ready, what did you teleport to him for? Is it to let Lao Tzu be beaten?" Li Tian said to Obscene God angrily.

"Hey, sorry, mistakes, mistakes!"

The obscene **** said he was embarrassed, but this guy didn't have any embarrassment at all. As soon as he finished speaking, Li Tian's body had teleported to the tiger's domain master again.

Hujiao Domain Master laughed wildly!

He has no reason not to laugh!

The Hujiao domain owner felt that this group of goods was definitely an old birthday star eating arsenic, and he was impatient to live.

"You little scumbags, if you don't want to die, just follow this uncle obediently, this uncle occupies the mountain as the king, and you follow this uncle to eat fragrant and spicy food together!" Tiger Dragon Domain Master said with a wild smile.

Is this the way Hujiao Domain Master thinks?

Of course not!

The only things that the Hujiao Domain Master wanted to conquer were Little Hot Pot, Little Blue Tile and Vicious Dog.

As for Li Tian, it's food!

Darkness and softness are beautiful foods that can have physical relationships!

"With your sister...ah~!"

Li Tian let out a scream again, and his body was blown out again!

The obscene **** is absolutely deliberate!

"Asshole, did you control my body to fight or to kill you? If it's to kill you, I don't need your control, I fight by myself!" Li Tian yelled at the obscene god.

"Young man, this is a real mistake, you have to believe me! Didn't you realize that you just screamed this time, but didn't fly far?" said the **** of obscenity.

Li Tian really noticed what the **** of indecency said!

And at this moment, the **** of obscenity has completely controlled Li Tian's body!

Huh!

Li Tian's body teleported to the front of the tiger dragon domain master again.

The Tiger Dragon Domain Master laughed wildly and said, "Are you addicted to being beaten? This...what is this..."

However, the first half of the words of the tiger jade domain master was full of arrogance, and the second half was full of surprises!

That's right, when Li Tian teleported to the tiger's domain master for the third time, dozens of small tentacles suddenly stretched out from Li Tian's body. These little tentacles instantly blasted the tiger's domain master towards Li Tian's double The palms entangled, completely dissolving the attack of the tiger's domain master.

The Tiger Dragon Domain Master was only surprised at first, but when he felt that those little tentacles seemed to be covered with barbs, piercing his skin, and the spiritual power in his body flowed into Li Tian's body along these little tentacles. When, his surprise turned into panic!

"You all get out of the way, he, let me solve it!" Li Tian's finally said a very compelling sentence!

This habit of speaking is somewhat like Li Tian, but the voice of this speaking is quite strange.

Xiao Hotpot, You Anrou looked at Li Tian in surprise.

"What kind of changes has Boss Li Tian gone through after being there for more than a year? Why do I fail to understand Boss Li Tian more and more? The guy in front of me is a powerful domain master, a majestic man like me. The noble and powerful are helpless, how did Boss Li Tian do it?" Little Hot Pot asked to himself.

Dark and soft shook his head slightly!

Through the small hot pot, it can be analyzed that the current Li Tian is no longer the Li Tian he was familiar with before the small hot pot, and the dark soft can also feel that the current Li Tian is completely different from the Li Tian in the dark forest.

Now that Li Tian had handed it over to him to deal with by the domain master in front of him, You Yinrou did not continue to attack.

The vicious dog stared at Li Tian with doubts in his eyes, but he also stopped attacking.

The only one who didn't stop attacking was the little blue tile, but the target of the little blue tile's attack turned out to be not the tiger dragon domain master, but Li Tian.

Xiao Qingwa gritted his teeth, and constantly pounced on Li Tian, trying to throw Li Tian down, and then biting Li Tian's arm, as if he wanted to tear off those tentacles on Li Tian.

The little blue tile now is really biting!

If it hadn't been for the dark and soft little hot pot rent to stop him, Xiao Qingwa would probably bite Li Tian's head off, and instead would help the Tiger Dragon Domain Master escape.

Hujiao Domain Master felt very desperate!

He had already shown his best, but he couldn't get rid of the tentacles on the ***** in front of him anyway. On the contrary, the more he resisted, the faster the spiritual power in his body would be lost!

"Why is this? I have been very careful to pretend that I am afraid of angering the existence of the super powers in the Nether Realm, but why is there such a perversion in this place where the bird does not shit!" The tiger dragon domain master desperately Thinking about it.

"My lord is forgiving! My lord is forgiving! I beg my lord, you forgive me, I am willing to do my best for the adults!" Hujiao domain master begged for mercy!

Li Tian raised his mouth slightly, and said with a sneer: "Don't, how boring you are to beg for mercy like this! You are my first time!"

Chapter 4596: : Domain Master's First Kill

"What's the first time?" The Tiger Dragon domain master looked at Li Tian with a look of horror and doubt, and continued to beg for mercy: "My lord, you have already subdued so many famous beasts, why don't you subdue me too! If it's yours There is a strong entourage at the domain master level by your side, so you have a lot of face, and how cool you are!"

If Li Tian was the one who subdued the Tiger Floodmaster, then Li Tian might really be tempted.

After all, there is a Nether Beast entourage of the domain master level, that can definitely pretend to be a new height!

It's a pity that the one who controls Li Tian's body now is an obscene god.

Li Tian had already pleaded for mercy to the obscene ***** on behalf of the tiger jade domain master, but the obscene ***** did not have a bird Li Tian.

"Young man, you are still too naive! Even if you are following ten master-level ghost beasts, but you are not a domain master, what can you do? In the end, what can bring you is not the pleasure of pretending, but The joy of being abused by others!"

"Youth, listen to me and complete the first kill at the domain master level, you will be more happy!"

"Think about it, you are a character with only the early stage of the sixth level of the Venerable, who can leapfrog and slay a strong master of the domain master. If this news is spread, will the effect be great?"

"Moreover, without the spiritual power of these domain masters for you to absorb, how can you quickly break through to the realm of the emperor and the realm of the domain master? If you have no way to break into the realm of the domain master and encounter other domain masters to kill you, you Are you still fleeing?"

"Boy, I won't harm you!"

Li Tianyi thought, really!

kill!

Must be killed!

Then, the Hujiao Domain Master was sadly reminded!

In less than ten minutes, the loss of spiritual power in the body veins of the tiger's domain master was less than half!

At this time, the body of the tiger dragon domain master finally changed.

He was originally a rough and ugly man, but now he has turned into a monster!

"It's really **** a monster!"

After turning back to his original form, the Tiger Dragon Domain Master also lost the ability to speak, and there was only death waiting for him!

After a few more minutes, the Tiger Dragon Domain Master was sucked up and turned into powder just like the former Kang Lubu!

Although the small hot pot not far away had already been prepared, he was still shocked.

"Boss Li Tian, don't take you to play like this! You are only in the early stage of the sixth level of the Venerable, and you can kill the powerhouse at the domain master level. Where do you put the face of my emperor?" Little Hot Pot One Said with aggrieved face.

You dark soft laughed, and said to the small hot pot: "The power of the emperor level is not the opponent of the power of the domain master. This is normal, okay? I feel that I am communicating with you more and more! Is it mine? Is the idea too naive?"

It's right to think about the little hot pot!

There is still a strict and huge gap in the level of strength of the Netherworld, especially from the realm of the cultivator to the realm of the nobleman, and the realm of the emperor to the realm master.

I only blame the evildoers like Li Tian for being too unreasonable, that's why Little Hot Pot has such an idea.

The cultivation base of the current small hot pot has reached the realm of the emperor, this is a height that the previous small hot pot has never reached, but this person has always been cultivating when this mountain looks at the high mountain, and has never been satisfied.

The vicious dog lay down in the valley, licking the wound with his tongue, and his eyes glanced over Li Tian from time to time.

The Vicious Dog can also feel a little different in Li Tian's breath, but this is not the point for the Vicious Dog. His task is to protect Li Tian's safety and guard Li Tian's early breakthrough to the realm of the domain master.

As for Li Tian's body is Li Tian, Li Tianyi, and Datianer, this is not the scope of the evil dog's consideration.

"Get to the realm of the domain master earlier, only if your realm is above the domain master, I can..."

Li Tian's most worried thing did not happen.

After sucking up the Tiger's Domain Lord, the Obscene God controlled the liquid meteorites and slowly retreated, condensed into a meteorite state again, and landed in Li Tian's heart!

Li Tian regained control of his body, and Li Tian's veins and atrium were filled with the spiritual power of the tiger's domain master.

Li Tian felt that his body was about to explode.

Although these spiritual powers have been absorbed into Li Tian's body, these spiritual powers are not under Li Tianlai's control, as if they are self-conscious, they are running wildly.

Although the spiritual power of water flow and the spiritual power of black flame that originally existed in Li Tian's body veins was sturdy, but the number was too small, there was no way to control these spiritual powers.

what!

Li Tian let out a scream!

The spiritual power in Kang Lubu's body absorbed last time by the obscene ***** was not so much. Li Tian's veins could bear it, but now it was absorbed by a domain master.

Li Tian felt the fiery pain in his veins, as if those spiritual powers were trying their best to escape, trying to break the shackles of the veins.

For an inappropriate example, Li Tian's context is now a small (an) qi (quan) ball (tao). Now you put a cucumber or banana into the small balloon. The small balloon means that there is no pressure at all.

If you stuff an eggplant inside, the small balloon will indicate a lot of pressure, but now if you stuff a winter melon inside, the pain can only be known to whoever stuffed it!

Explosion is not impossible.

"Young man, quickly absorb these spiritual powers according to the cultivation method of "Blue Spirit Scroll", otherwise the consequences will be disastrous!" Dangerous God said to Li Tian.

Li Tian is the person involved. He is suffering now, and he naturally knows this truth.

Li Tian didn't dare to neglect, enduring the pain, seated on the ground cross-legged, and started to run the "Blue Spirit Scroll" exercise.

Some people may ask, hasn't Li Tian absorbed spiritual power into his body veins? Why is it still refining?

Because spiritual power is not money!

The banknotes are taken out of other people's pockets and put into their own pockets. The banknotes do not have long legs and he will not run away. The banknotes are his own!

And spiritual power?

It is like a homing pigeon raised by someone else. Li Tian now uses illegal means to bring the homing pigeon home, but if Li Tian could not domesticate the homing pigeon, the homing pigeon would have flown away!

What Li Tian is doing now is refining!

"Come on! Young man, the spiritual power of this domain master is enough for you to refining for three to five years! When you refining to these spiritual powers, you will soon break through to the realm of the emperor!" said the obscene god.

Three to five years?

Does Li Tian need to endure this pain for three to five years?

For a while, Li Tian even wanted to give up a little bit. He wanted the **** of obscenity to take away these spiritual powers, and he only needed to leave him with an achievement.

But Li Tian would not say this sentence.

Up to now, Li Tian still does not fully believe in molestation, and even Li Tian suspects that this is the plan of molestation!

"Junior, it's good for you to have such thoughts, but I will be very sad! It seems that I didn't take the initiative to absorb these spiritual powers! Young man, play slowly by yourself! After you finish refining these spiritual powers, Let's continue!"

The obscene **** continued: "Oh, yes, boy, this blue-eyed lion is not bad! I think it has potential! I am optimistic about it, maybe this blue-eyed lion will have a higher future than a vicious dog!"

"Trust my vision!"

Chapter 4597: : Family Fun Night Tour

Li Tian hehe!

Obscene the eyes of God?

Who the **** was saying just now that a vicious dog and a small hot pot can deal with the tiger's domain master? The results of it?

The vicious dog and the little hot pot almost got shit!

There is no time to take care of the little blue tile, Li Tian's top priority now is to refine the spiritual power in the body's veins as soon as possible.

As Li Tian operated his spiritual power in accordance with the "Blue Spirit Scroll", these spiritual powers gradually operated in Li Tian's vein for at least twelve weeks, and these spiritual powers were only slightly stable.

"This "Blue Spirit Scroll" is really a technique for refining spiritual power. The spiritual power of a domain master-level powerhouse is now under my control! Haha, as long as the refining continues, all these spiritual powers will be Transformed into my spiritual power!"

Emperor? This is the starting point!

Li Tian couldn't help feeling a little proud. When he opened his eyes, Li Tian found that there was darkness in front of him, and the little hot pot and the dark soft were also practicing, and Xiao Qingwa was playing with the vicious dog!

Li Tian can now do two things with one heart, but in fact, there is no need to sit here to refine these spiritual powers, even if Li Tian is sleeping or doing other things, it will not hinder Li Tian's refining.

"Youth, don't get overwhelmed! Refining these spiritual powers is not as simple as you think. Only by pulling away the cocoon can you gradually take these spiritual powers for yourself! This is a slow process, and you must stand loneliness. !" said the obscene god.

The obscene ***** is absolutely unbearable and lonely, even if Li Tian is refining spiritual power, this guy will continue to talk nonsense to Li Tian, it is definitely a chatter!

Obscene God hopes that Li Tian can concentrate on refining these spiritual powers and speed up the speed of refining. Only Li Tian can quickly refining spiritual power, quickly improve his cultivation level, increase his strength, and reach beyond the realm of the domain master. Obscene God can make Li Tian wholeheartedly He serves!

However, Li Tian can do two things with one heart, and there is no need to sit here and concentrate on refining, so Li Tian doesn't agree with the idea of obscene God.

Li Tian has already made other crooked ideas!

During the battle, Li Tian noticed that the tiger dragon domain lord did not carry any skin.

A strong master of the dignified domain does not even have a skin on his body. This is definitely not justified.

If there is no treasure on the domain master level, is he embarrassed to tell others that he is a domain master level powerhouse?

Therefore, Li Tian suspected that the Tiger Dragon Domain Master must have come out in a hurry and did not bring any treasures.

The tiger dragon domain master has been beheaded, if you leave now, you might have missed the tiger dragon domain master's treasure. That would be a shame!

Li Tian stood up and came to the dark and soft little hot pot.

"Although we have killed this domain master now, our mission has not been completed. This ghost beast domain master asks nearby villages to contribute young girls to his ***** every year. We must rescue these girls from the magic cave. !" Li Tian said bluntly.

You Yinrou couldn't help nodding to herself.

She has been moved by Li Tian's kindness!

Li Tian likes to pretend to be true, but Li Tian is completely trying to rescue nearby villages and rescue these girls this time.

Little Hot Pot looked at Li Tian suspiciously, and sneered, "Boss Li Tian, if I didn't know you, I would have almost believed what you said! Honestly, do you think about the treasure of the domain master? ?"

"Haha, this is not the point, the point is to rescue those girls! As for the treasures, if there are any, we will just go hand in hand and get the ill-gotten wealth back!" Li Tian said cheeky.

Regardless of whether Little Hotpot believes what Li Tian said, Li Tian himself believed.

A few people discussed briefly, and Li Tian decided to act arbitrarily.

To say where the treasures of the tiger's domain master are most likely to be hidden, then when people are the tiger's domain master's cave mansion, where can I find this cave mansion in this mountain range?

At this time, Li Tianzhen's mother missed the mutant crow!

If the mutant crow is here, this guy who understands bird language hooks up a bird casually, and he can get the information he wants.

"I don't know how the mutant crows are now, have those dark saint crows been subdued by him!"

"The other three elder brothers who worshipped, they penetrated the stele on the top of the holy peak, I don't know if they have gained!"

"The third son of the Netherworld has also been operating in the dark forest for more than a year, almost two years. It seems that I need to find time to find the treasures that I have searched back!"

"Boss Li Tian, isn't the focus now to find the Dongfu?" Little Hotpot said.

"Well, look for the cave mansion!"

Although this mountain range is wide enough, but there are so many people!

Li Tian brought Situ Ningbing, Xueji, Tang Xiaolong, Liu You, He Feng, the vicissitudes of life, the stars and Xiaoyue all out, and with the assistance of three small Yashas, he just looked for one in the nearby mountains. The number of caves is sufficient.

The vicissitudes of life and Xingchen Xiaoyue did not leave Li Tian, but returned to the Netherworld Academy.

They are hard to come by once, and naturally want to follow Li Tian to see the great rivers and mountains of the Netherworld.

As for the domain master-level powerhouses chasing and killing Li Tian, for them, kill them. Anyway, they are not the ones who killed.

Use treasure hunting as an excuse, but not exactly treasure hunting.

Li Tian has no shortage of treasures!

The harvest in the gloomy forest is enough to make Li Tian's treasures proud of all domain master level powerhouses.

In addition to the idea that mosquito legs are meat, Li Tian is more willing to explain this cave search as a family night tour.

As a result, it really became a night tour.

Canghai Cangtian was holding Tang Xiaolong's arm, and the two of them were graciously, me and me. It was not his mother who would ride the little blue tiles for a walk under the moon.

If you don't want to be a loving couple, if you have to be a dog man and a dog, Li Tian can only agree.

Of course, there are more people around Li Tian.

You Yinrou, Situ Ningbing, Xue Ji, Liu Jimeng and Ye Meijing, the five great beauties surrounded Li Tian, the sourness is really incredible.

Xingchen Xiaoyue followed Li Tian and the others, staring at Li Tian resentfully.

"What a slut, it's right for you to show affection, and I have to follow you too!" Xingchen Xiaoyue thought in her heart.

Of course, Xing Chen Xiaoyue can also follow Liu You and He Feng, but these two are quite afraid of Xing Chen Xiaoyue, just like Xing Chen Xiaoyue is a tigress, hiding far away!

Li Tian sent hundreds of female students into the Qiong Lance of Heaven. As soon as these students entered this space, they liked the three cities in this space.

Especially in this space, there will be many items and industries that don't exist in the Netherworld.

For example, small inner inner and small cover for women, women's perfume, high heels, beautiful dresses, etc.!

In the end, there were more than 100 female students who were willing to leave with Wang Changqing because they wanted to go home to report safety to their parents, so they had to leave and return to the students.

The other female students quickly integrated into these three cities, and they have quickly found their position in these three cities.

Or maybe they found their other half.

Such as Liu You, Li Letian and others.

The most excessive one is He Feng. This guy is the lord of a city. When there are such good things, he will naturally not forget the little lame and the little blanket.

As a result, even the little lame and the little blanket have their favorite girls!

The saddest thing turned out to be Meng Guang's kind of counsel.

This guy didn't know how to strike up a conversation with the female students from outside, but after consulting Li Tiantian, it seemed to be rushed.

Then this guy didn't know if his head twitched, and he used his wonderful hand to the extreme.

"Girl, did you drop this little Nei Nei?"

Snapped! A slap in the face!

"Girl, did you drop this little hood?"

Snapped! Another slap in the face!

"Girl, did you drop this aunt's towel?"

call! His aunt gave him a look!

Chapter 4598: : Refining Spiritual Power

The cave mansion of the Tiger Dragon Domain Lord was quickly found by the Earth Xing Yasha.

Li Tian sent everyone into the space of Qiong Lance of Heaven and the space of Void Yasha, and then Li Tian pretended to swagger into the cave.

The cave is a natural karst cave, and after artificial processing, a wooden door was built outside the cave.

The role of this wooden door is probably at most a decorative role, let alone a strong man like Li Tian, I am afraid that even an ordinary beast can't stand it.

But there are no ordinary beasts around here.

Since the tiger's domain master came here, the ordinary beasts in this attachment have been eaten by the tiger's domain master.

Walking into the cave, Li Tian immediately smelled a stink!

The smell has both the smell of rotten flesh and the smell of excrement.

After the end of the world, Li Tian smelled this disgusting smell for the first time, and he couldn't help but walked out of the cave again. After breathing several breaths of fresh air outside the cave, he held his breath and walked in again.

The cave is very large. The tiger's domain owner used some logs to divide the cave into dozens of spaces of different sizes. Li Tian took a look at it. These spaces were divided into storage areas and living areas.

Through the gaps in the logs, Li Tianneng could see a young woman living in every space in the living area.

There is a dark area in the cave. These young women can hear outside sounds, but they cannot see Li Tian, but Li Tian can clearly see that when he walks through these spaces, the young women in the space seem to be able to She curled up in the corner very afraid, staring at the door.

Only after Li Tian walked through the door, these girls would relax slightly!

In fact, Li Tian feels that these young women are like canaries trapped here by the lord of the tiger's eye, and these small spaces are their cages.

Although the door of the cage was not locked and the wooden door outside the cave could be easily pushed open, no one dared to escape.

Because these girls know that behind them is the whole village.

These girls use their delicate bodies to carry the safety of the entire village.

Li Tian felt very depressed!

If he had not experienced the end times, it would be difficult for Li Tian to imagine this kind of life.

Li Tian turned out some candles casually, lit the candles with a lighter, put them on the platform, and then rescued these young girls from the cage one by one.

These young women huddled together and looked at Li Tian in horror.

"You are free! The bird domain master has been killed by me, you can go home!" Li Tian said to these women.

No one dares to leave!

The strength of the tiger's domain master is far beyond their imagination, these girls do not believe that Li Tian can kill the tiger's domain master.

"Follow me home, your family is still waiting for you!"

Li Tian stretched out his hand and dragged a young girl a few steps, but the face of the girl who was dragged by Li Tian was even more horrified, pouting! He knelt down in front of Li Tian.

"I won't go! I can't go! Please don't do this to us!"

Li Tian was very helpless about this!

Li Tian explained to these women that he was a god. He had heard the prayers of the farmers, and he came from the sky to rescue these girls!

None of these girls believed what Li Tian said!

Okay, Li Tian doesn't look like a ***** anymore. A pure white Armani has been hung up and rags during the battle. It is also stained with the green of leaves and weeds, and there is some dirt. Embarrassed, looks far away from God!

Reluctantly, Li Tian could only invite Youanrou out of the space again, and let Youanrou persuade these young girls.

"Yes, that domain owner has been killed by Li Tian, you are free! Your village is free!" You Yinrou said.

But these girls fear Li Tian even more.

Even seeing the dark and soft hiding far away!

Li Tian just thought about whether to show his ability to go to the sky and make these girls more convinced of him. Now it seems to be forgotten. Don't scare these children into something wrong.

What a mistake!

If it hadn't been to ***** the tiger's domain master dry, but cut off the tiger's domain master's head, then Li Tian would have explained it more easily.

Now that the Tiger Dragon Domain Lord has been completely destroyed by Li Tian, it is strange that these children can believe Li Tiancai.

"You are really free. It's dark outside. You don't want to follow me. Then I don't force it. You can leave by yourself after dawn tomorrow! Of course, you can also stay in this place and wait until your family comes. Take you out!" Li Tian said.

After speaking, Li Tian didn't care about the reactions of these girls, he strode towards the storage area.

Opening the wooden door of the first room in the storage area, Li Tian was a little dumbfounded.

There are fifteen wooden beams in the room, and each wooden beam is densely hung with strips of meat.

I don't know if it is a beast, cattle or sheep or human flesh.

The ground was oily, there were still a few flies flying around in the air, and a few maggots fell from the meat from time to time.

Li Tian just felt nauseous and almost vomited.

Li Tian opened the wooden door of the second room again, and some bones were piled in it.

"It's a ***** thing, what do you want these bones to do? Is it to stay and chew the bones to eat and replenish calcium?" Li Weather cursed.

There were some rotten wood piled in the third room. Li Tian really couldn't figure out what was thinking in the head of the tiger's head. Fortunately, Li Tian found a piece of wood with a little mushroom growing on it, which was a solution to Li. The doubt in Tian's heart.

"I didn't expect that this Nether Beast Domain Master could grow mushrooms! Tsk Tsk, it's a high-tech talent!"

There are some miscellaneous grains stacked in the fourth room...

In the fifth room are some cloths and finished clothes...

Some daily necessities are stacked in the sixth room...

...

Li Tian is really about to cry.

Is this Hujiao Domain Master too incompetent? You said that you are a powerful person at the level of the domain master. If you don't search for treasures and store them, are you correct to name your domain master?

Fifteenth room! Something worthwhile finally appeared in it, which was the domestic metal currency of certain venerables in the Netherworld, piled up with several large boxes.

"Your sister! You are the Lord of the Netherworld, do you want these metal coins to be useful? You can find some jewels, and I can still use them to coax a few wives!"

"I wiped it, this time I really lost money! I lost my money!"

"No, how could I have such an idea? I have absorbed so much spiritual power. After I am fully refined, my cultivation level will be stronger. Moreover, this is a good thing for the benefit of the people. I am too vulgar! "

Li Tian muttered to himself and went to the last room of the storage area and gently opened the wooden door!

"I wiped it, what is this? It's blinding my eyes! Haha! Hahaha! Hahahaha!" Li Tian stood at the door and giggled like a fool.

Chapter 4599: :key

Never expected, la la la la~

There is only one stone platform in this room. There is a wooden box on the stone platform. The wooden box is open, and there is a key in the square!

That's right, really the key!

Li Tian quickly walked to the stone platform and confirmed whether there was any mechanism on the stone platform. After confirming that there was no mechanism, he took the wooden box in his hand.

This wooden box is exactly the same as the one given to Li Tian by the elder, and the key inside is almost exactly the same.

That's right, this turned out to be the key to open the door to the underground library of Nether Academy.

Although there was only one, it was enough to make Li Tian excited.

"Haha, it takes no effort to break through the iron shoes and find no place to find a place. I didn't expect to find the key here! I'm too fucking! This key seems to have appeared here just to wait for me!"

Why did this key appear here, no one can answer Li Tian.

There is no need for Li Tian to investigate the cause, just like the eggs are delicious. You have to see the old hen laying eggs with your own eyes. This is to cause trouble for yourself.

In a great mood, I feel that this cave is not so disgusting.

Li Tianshun took away all the other things except for the maggot meat and bones that he didn't know what it was.

These things may not be of much use to Li Tian, but to ordinary villagers, they are of great use!

Li Tian returned to the cave living area again.

These young women were so frightened that they huddled together and looked at Li Tian tremblingly. Once Li Tian raised his head to look at them, these girls immediately dropped their heads.

Li Tian didn't go but said these girls.

In the earth world, there are psychological counselors who can help children who have been overly frightened to get out of their psychological shadows. It is estimated that there is no such profession in the Netherworld.

Besides, Li Tian had already helped them kill the Lord of the Tiger and Flood. Li Tian was already of immense merit. As long as these girls could get out of their psychological shadows and laugh at the future life, that was beyond Li Tian's control.

There was no words for a night, as Li Tian continued to refine his spiritual power, a new day of sunrise came outside the cave.

"The bird domain master has been killed by me. Believe it or not, will you leave? If you leave, I can send you out of the Tiger Mountain. If you don't leave, I will go back and tell the people in Niujia Village. Let the people in Niujia Village notify your corresponding village chief!" Li Tian said.

These girls are still curled up and haven't slept all night, their spirits are a little weak.

Seeing that these girls didn't react at all, Li Tian was not reluctant, and strode out of the cave.

Just walking outside the cave, Li Tian saw a familiar figure: Child Erniu!

Li Tian suddenly felt hell.

This child is only five or six years old. Although the children of the Netherworld are a little bit earlier than those of the earth world, how did this child get here overnight?

This is totally unscientific!

"Fairy, please teach me immortal skills! I am willing to worship you as a teacher!" Er Niu knelt on the ground and said to Li Tian.

and many more!

"Child, tell me first, how did you get here? In one night, how could you rush from Niujia Village to the valley a hundred miles away?" Li Tian asked.

"One night? Oh yes, the time of the immortal must be different from our time! For ordinary people, it has been seven nights and eight days." Er Niu said.

"Impossible! Absolutely impossible!" Li Tian said decisively.

The boy Erniu did not argue with Li Tian, saying: "The fairy thinks it is impossible, this is impossible!"

"Juvenile, this kid didn't lie!" The ***** of obscenity spoke at this moment.

"Come on, then you explain it to me? Is it true that I am a goddess? Is my time slower than others' time?" Li Tian said.

"Juvenile, you didn't watch the "Blue Spirit Scroll" carefully when you saw it. In the process of refining spiritual power from the "Blue Spirit Scroll", your time will be much slower than others. If you don't believe it, you can ask about it. You dark soft, she can definitely answer your doubts!" said the ***** of obscenity.

Li Tian looked at Er Niu and saw that the child was a little stronger than ordinary children, with a little dark skin, but his clothes were a little ragged, and there were some wounds on his face and arms.

"Child, tell me, how did you get here? How did you discover this cave?" Li Tian asked.

Er Niu pondered for a while, and said: "Don't hide from the fairy, I have been smarter than children of my age since I was a child, and my body is stronger than children of the same age. After the fairy left, I once asked the village private school Mr. Tiger Mountain's Direction, and then I started to walk in this direction. On the way, I met a caravan, and this caravan had a carriage. They took me to Xiajia Village and gave me a lot of kick."

"There are a few old medicine-gatherers in the summer village. They are quite familiar with the terrain of Tiger Mountain. I went to visit those old people. One of them drew me a map of Tiger Mountain and gave me a hatchet. !" While talking, Er Niu showed the small hatchet in his hand to Li Tian.

Then Er Niu continued: "I saw the fairy in the river valley, as well as her, and the fairy beast of the fairy! I saw the fairy cultivating and did not dare to disturb the fairy, so I hid in the jungle. That night the fairy used the fairy again Shushu summons more immortals, and then I followed the immortals!"

Li Tian was frightened by the perseverance and courage of Er Niu.

Such a small child dared to do things that adults would not dare to do, Li Tian had to admire this child!

"What if you can't find me?" Li Tian asked.

An awkward smile appeared on Er Niu's face, and said, "Before I had long hair, I didn't think I could not find you, but I suddenly thought of this problem on the way. The dry food I brought is even if I eat frugally. It only lasts for ten days. If I can't find you, I can only return to Xiajia Village, and then let the people in Xiajia Village send me back!"

Li Tian had to wonder if Er Niu's five or six-year-old body contained a twenty or thirty-year-old soul.

Just like the legendary traveler!

"Now I ask you two questions, first, your name, second, what do you want to learn?" Li Tian asked.

"If I go back to the immortal, I will be called Er Niu. My parents are crude and uneducated. If the immortal doesn't mind, I would like to ask the immortal to give me a name!" Er Niu said.

"So what do you want to learn?"

"I want to be as strong as an immortal, so I can protect important people!" Er Niu said.

Li Tian thought slightly, and said, "The monsters here have been beheaded by me, but I have not mastered the strength. The monsters have been bombarded by me and there is no scum left, so I have a way to prove it to you, believe me. What?"

"Believe!"

"Then you help me complete the meeting! I will give you a name and send you to a place where you can practice these exercises!" Li Tian said.

Er Niu's face was filled with excitement, and said: "Say the fairy, I am willing!"

Chapter 4600: : Give a name

Li Tian's request is simple, that is, let Er Niu go to the cave and let Er Niu convince the frightened teenagers!

After listening, Erniu agreed.

Ten minutes later, Er Niu walked out of the cave with a dozen young girls.

Puff!

Puff!

After seeing Li Tian, these young women knelt down.

"Thank you immortal for saving lives, the little ladies have nothing to do with them, but with their bodies..."

I go!

"Hurry up and stop! Don't say anything inappropriate for children!" Li Tian lifted his hand, and these women were immediately stood up lightly. Li Tian continued: "Now you should believe what I said!"

"Believe!"

Li Tian looked at Er Niu and found that Er Niu's face was as usual!

It's like convincing these girls is an extremely simple thing.

Li Tian brought the vicious dog out of the Qiong Spear of the sky again. The vicious dog is huge and has a look of makeup at close range. Although these girls were surprised, they did not show any more panic.

Li Tian sent these girls one by one to the back of the vicious dog.

Although the vicious dog was dissatisfied, he did not act too directly. After Li Tian and Er Niu also landed on the vicious dog's back, Li Tian let the vicious dog spread its wings and fly high.

Soaring upward, when the vicious dog flapped its wings and flew into the sky, these girls believed that they were finally free.

"Dead! The evil thief is really dead! Ouch!"

"Woo, don't cry, we have survived, and we are much happier than those sisters who have been eaten by thieves! From now on, we will face life with a smile, so in a life of suffering, we must face it with a smile. ."

"..."

These girls are crying and laughing.

Probably only those who have experienced this kind of life can realize their current happiness.

After a few minutes, these girls gradually calmed down.

They looked at the white clouds in the distance, the red sun in the sky, the villages and mountains underground!

"gorgeous!"

When the girls gradually got used to the life on the back of the vicious dog, they kept scanning their surroundings, and they couldn't hate to have more eyes, so that they could look at the high places.

Fortunately, it's finally quiet!

In the flying sky, Li Tian doubted whether Er Niu's body really had a passing soul.

Because this child is too calm.

When Li Tian took a plane for the first time, he was so excited.

"Please also give a name to the fairy!" Er Niu said.

Li Tian nodded slightly and said, "Er Niu, do you want to become very powerful, very powerful, even stronger than I am now?"

"miss you!"

"So how about I give you a very powerful and domineering name?" Li Tian asked.

"it is good!"

"In that case, listen carefully. From today on you, your name is Niubi! The character is shining! The best in number history!" Li Tian continued with a serious face, "This name is absolutely loud, I am waiting for your name. When it resounds throughout the Netherworld!"

Awesome!

Amazing!

The best in history!

Only a man with evil taste like Li Tian would give such a name to Er Niu, a pure child.

Er Niu was extremely happy, with an excited expression on his face, kowtow to Li Tian and said, "Thank you fairy! Thank you fairy! The fairy is really talented. I originally only hoped that Mr. could give me a bad name, but I didn't expect it. The immortal even gave me the word and name! I actually have this kind of word and name that only the gentleman in the village has!"

"Nubi, from now on I am awesome!" Niubi said excitedly!

Li Tianqiang held back his smile and said with a smug smile: "Awesome, I really am the best man!"

"Fairy, it's me who is awesome, I am awesome!" said Niubi.

Well, Li Tian gave up!

"You are awesome, you are really awesome! You are the only awesome existence in the Nether Realm, awesome, the best in history!" Li Tian said solemnly.

"Fairy, when will you begin to teach me the method of cultivation?" Niubi now has a name, but the name is just a code name. Of course, the method of cultivation really fascinates Niubi.

This Li Tian is a bit worried again.

The best way is of course for Li Tian to send Niubi to the upper academy of the Nether Academy, so that Niubi can learn the most systematic cultivation method, as long as Niubi can maintain his current talent and can practice hard. Niubi's future cultivation base will certainly not be much worse than the current Li Tian.

But Li Tian has no way to return to Netherworld Academy, and Niubi's parents may not agree to Niubi follow Li Tian to practice.

If this method does not work, Li Tian can only teach Niubi some simple cultivation methods, at least to prevent the awesome talent from being buried in this village.

Let Niubi be able to get out of the village and see the outside world.

"I will send you back to the village first, and after consulting your parents, I will make a decision at that time!" Li Tian said.

Niubi nodded and continued: "My parents don't care about me. They don't think I'm like an ordinary child, so they don't restrain me. Otherwise, I won't come to you from Niujia Village to Menghu Mountain! "

In Niubi's eyes, Li Tian saw a desire for strength!

...

Vicious dogs flew over Xiajia Village, and the peaceful and peaceful Xiajia Village was suddenly chaotic.

The ignorant villagers regarded the vicious dogs as monsters, hiding in their houses, hiding behind them and windows, nervously watching the movement outside through the gaps.

In their hearts, these villagers greeted God at least a dozen times in less than a minute!

The vicious dog landed on the ground. Li Tian did not jump off. He used his ability to send all the women to the ground steadily, and then ordered the vicious dog to continue spreading its wings and flying high.

As for the girls who fell in Xiajia Village, they would tell the residents of the Tiger Mountain to the villagers, and as to which village they belonged to, how to return to their own village, these things are not what Li Tian is going to worry about. !

As a result, Li Tian also sent the girl from Niujia Village.

Within ten minutes, Li Tian could see the location of Niujia Village.

In order to avoid causing panic among the villagers in Niujia Village, Li Tian let the vicious dog land outside Niujia Village, and then Li Tian took Niubi back to the village.

"Look at it, Er Niu is back! And that fairy!"

"Come and meet the fairy! The fairy is back!"

"Er Niu, have you succeeded?"

"Did Er Niu see my sister?"

These villagers walked out of the house one after another and hurriedly surrounded them.

They didn't dare to ask Li Tian, lest they anger Li Tian, I'm a fake fairy, so they can only ask Erniu.

Er Niu now has his own name, and he is the only man in the entire village who flies in the sky. He feels that he has seen the world, and he can't help but push himself up, and said proudly: "That monster has been killed by the fairy. , There are no bones and scum left! Now, the fairy has accepted me as a disciple and personally gave me a name. When you see me in the future, I will call me: Niubi!"
