

A Killer 46

Chapter 46: Meet the "enemies"

Of course they didn't understand what was going on in their hearts, and they walked forward with curiosity and fear.

Xiao Zhao still whispered to Li Tian behind him, "What's the matter? Are we going to be sentenced?"

"Impossible." Li Tian said.

Although he has never experienced anything like this before, he is still sure of this situation. Isn't it just a crowd fight? Not so much.

After Li Tian followed the uniformed police officer in front to the lobby, they saw that there were quite a lot of people in the lobby. Most of them were police officers working there, and they didn't even open their eyes to see the three of them.

And a thief who had just caught in over there was still sitting there with cold handcuffs on his hands.

After Li Tian and the others followed the police, they saw the policeman in front saying to them, "Sign here and you can go."

After the policeman said so, Li Tian was still shocked by Yu Dahai and the others.

"what?"

Xiao Zhao said depressedly.

"Your company released you on bail, and you are all right now." The policeman looked at Li Tian and said.

After he finished speaking, Yu Dahai suddenly realized that it was the company who had released them on bail, and he was immediately excited.

"Let's sign it."

Then the police handed over a document, and Li Tian and the others hurriedly signed their names on it in turn.

"You can go now."

After speaking, he stopped paying attention to them and walked inside.

But Li Tian and the others didn't mention how excited they were, and hurriedly walked outside.

Walking out of the detention center, I once again saw the sun outside, breathed in the fresh air, and there was an unprecedented excitement and excitement in my heart.

"Wow, no wonder people say that the prison is a **** of humans. It seems to be right. I don't want to enter this place after killing me." Xiao Zhao said there.

Yu Dahai also laughed and said, "Yes."

"In the future, it is better for us to visit less frequently."

The three of them laughed and said to walk outside the detention center.

A car was parked outside the detention center, and a gentleman with glasses was leaning against the car, waiting quietly.

When seeing Li Tian and the three of them come out, his body moved slightly.

And here Yu Dahai saw who that person was at a glance.

"Isn't that our boss' personal bodyguard? Xiao Zhou?" Yu Dahai saw Xiao Zhou at a glance.

Following his voice, Li Tian and Xiao Zhao also looked towards this side.

Xiao Zhao looked at Xiao Zhou with a look of envy, but what about Li Tian? The whole person was stunned.

"It's him?"

"It's definitely him." Li Tian suddenly burst into anger from the bottom of his heart.

Yu Dahai and Xiao Zhao were taken aback for a moment, looking at Li Tian with a weird appearance, and asked, "What's the matter, Li Zi, do you know Xiao Zhou?"

Li Tian stared at that Xiao Zhou firmly: "Of course I know, even if he turns to ashes, I know him."

There was a wave of anger in his voice.

There was no way that Xiao Zhou threw Li Tian to the ground three times last time. How could Li Tian forget this hatred?

Yu Dahai and Xiao Zhao were stunned.

"Li Zi, we must have been released on bail by Xiao Zhou... Xiao Zhou is the personal bodyguard of the CEO of our Tang company."

Yu Dahai said there.

When talking on their side, of course, Xiao Zhou also saw Li Tian. Although Li Tian's face was slightly swollen and he was wearing a torn blue safety harness, Xiao Zhou recognized him at a glance. It was the kid who desperately protected the eldest lady some time ago.

I couldn't help wondering: No wonder I didn't find this guy when I first went to find this guy. It turns out that he actually worked as a small security guard in Mr. Tang's company?

Although Li Tian had an antagonism with Xiao Zhou, it was inconvenient to get angry at this moment. Following Yu Dahai and Xiao Zhao walked towards Xiao Zhou.

"Zhou..." Yu Dahai said as he looked at Xiao Zhou with a smile.

(Although Xiao Zhou's identity is President Tang's bodyguard, in the eyes of the company people, they all call him President Zhou because he has a name in the company)

Xiao Zhou symbolically held the gold-wire glasses on his eye sockets, focusing on Li Tian's body, and Li Tian was also staring at the moment, facing Xiao Zhou with his fists tightly clenched.

It seemed as if the two were about to do it.

Both Yu Dahai and Xiao Zhao next to him were so conscientious that they didn't dare to show one. Xiao Zhao even pulled Li Tian's clothes quietly, fearing that he would make trouble.

"Are you okay?" Who knew Xiao Zhou was looking at them as if he was concerned and asked.

Hearing what Xiao Zhou said, Yu Dahai and Xiao Zhao suddenly let out a sigh of relief.

Quickly smiled and said, "It's really troublesome for Mr. Zhou, so you can come here in person."

Xiao Zhou smiled slightly: "It's okay if you are all right. I already know everything about this. I will look back with them to settle the accounts with those gangsters, so you can go to work with peace of mind. "

"Thank you very much Mr. Zhou and Mr. Tang." Yu Dahai bent over and said, and so did Xiao Zhao.

Originally, they thought that the company would fire them for this fight, but they did not expect that nothing happened.

And the company protects them in this way, which makes them grateful, but Li Tian on the other side doesn't care about these things at all. He is a person who bears special grudges, and now he still hates Xiao Zhou before him.

"Get in the car, I'll take you to the company."

As Xiao Zhou said, he got into the Mercedes Benz next to him.

The Yu Dahai and Xiao Zhao in front of them were simply lucky to have the opportunity to sit in a Mercedes-Benz sedan, nod their heads and get into the car. Li Tian didn't want to get in the car, but Xiao Zhao was dragged into the car in front of him.

After getting in the car, Li Tian has been a little unhappy, and Xiao Zhou, who was driving in front, didn't say a word.

For Li Tian, he just treated him as if he didn't know him, didn't mention the last time, and didn't say anything else, and drove quickly towards the Tang company.

Soon the Mercedes-Benz car stopped in front of the entrance of the Tang company. After that Xiao Zhou drove them over, Yu Dahai and the others got out of the car, and after thanking them, they walked towards the dormitory.

Originally, Li Tian was a little reluctant to let Xiao Zhou go, but when he thought about it, since he was working as a security guard in another company, he didn't say much.
