

A Killer 461

Chapter 461: Moving

"Miss Han, have you come to eat duck blood fans again?" The sister Li who bought duck blood fan soup said with a smile.

Han Yun smiled.

Li Tian next to him listened, and couldn't help thinking to himself: "It seems that Han Yun does come here often..."

Looking at Han Yun at this moment, Li Tiantian suddenly felt a strange feeling in his heart, and the hand held by Han Yun couldn't help holding her slender hand.

"Sister Li, do you want me to help you?" Han Yun said while looking at the busy Sister Li.

Sister Li hurriedly waved her hands and said, "No, no, no, it's not good to get Miss Han's clothes dirty."

"Sister Li, it's okay." Said Han Yun really ignored her short skirt dress, so she lifted her snow-white lotus root arm and went to help Sister Li.

Sister Li was so moved that she didn't know what to say, and said slightly, "Miss Han is such a good person..."

Han Yun smiled, so she helped Sister Li get busy.

Li Tian looked at that Han Yun was busy there, and felt her beauty more and more. At this moment, he couldn't help but look crazy.

At this moment, Li Tian's pants were suddenly pulled.

Li Tian was taken aback and turned his head cautiously. Then he saw a 78-year-old boy with a shaggy face looking at him with twinkling eyes.

And a small dirty hand was still there, reaching out towards him.

"Uncle, give me some money, I want to buy something to eat." The little boy looked at Li Tian pitifully.

Li Tian was stunned for about a second, then bent down and looked at the poor child. He couldn't help thinking: Is such a small child coming out to beg? It's really pitiful.

So he quickly took out some money from his body and stuffed it to the little boy.

The little boy reached out and took it nimbly, with a grateful look in his eyes and said to Li Tiandao: "Thank you, uncle..."

Li Tian smiled.

Reached out and hugged the little boy in front of him, regardless of his dirtiness, picked him up.

"So young? Didn't you go to school?" Li Tian couldn't help asking.

The little boy seemed a little scared. He looked at Li Tian vigilantly, clutching the money Li Tian gave him tightly, as if he was afraid that Li Tian would go back again.

Sister Li, who was making duck blood fan soup, raised her eyes and said immediately: "This gentleman, don't give these kids money!!"

At this moment, Han Yun also turned his head and saw Li Tian holding a dirty child in his arms.

Li Tian couldn't help being surprised when she heard the words of Sister Li who made duck blood fan soup.

"Sir, you must seldom walk around in this area. These children are actually not begging. They are a gang that scams money. Don't think they are young, they can be sophisticated... Sir, you'd better watch it quickly. See if the wallet on your body is still there? I have been working in this area for so many years, and I know all these little ghosts." Sister Li glared at the little boy and said,

Listening to what Sister Li in front of him said, Li Tian suddenly frowned.

I thought, no, are these kids really liars? Still stealing things?

He touched the pocket where he had just paid for the money, and was stunned. The wallet in his pocket was indeed gone.

Blinking an unbelievable gaze, he looked at the little boy in front of him. The little boy suddenly appeared a little scared. The other hand was put behind his back. With a glance, he could see that the little boy no longer knew when to put it on. Li Tian's wallet is gone...

At this moment, the little boy was seen through his trick of stealing things, and he was immediately frightened, struggling constantly, and at the same time yelled, "Let me down, let me down..."

Li Tian smiled suddenly.

Then slowly put the little boy on the ground.

"Listen to Uncle." Li Tian put his hands on the little boy's shoulders gently, with a friendly smile on his face.

The little boy stepped back involuntarily, holding Li Tian's wallet tightly with his small right hand, and looking at Li Tian cautiously.

"If you want money, uncle will give it to you. I can't help but give you the money just now, and even my wallet... But you have to promise uncle one thing, otherwise, I will give you the wallet. I'm back!"

Listening to Li Tian's words, the little boy blinked at Li Tiandao in fear and said, "Really?"

Li Tian smiled and nodded: "Yeah."

"What's the matter?" the little boy asked timidly, standing there.

"Promise uncle that you won't be allowed to steal anything in the future, okay?" Li Tiandao.

The little boy didn't expect Li Tian in front of him to say so, a pair of round eyes blinked flickeringly: "Um..."

Listening to his promise, Li Tian slowly let go of his hand, and said with a smile: "Okay, remember, you can promise me. The man said that one is one, and two is two. You can't go back, Although you are still young, you are already a little man, you know?"

Listening to what Li Tian said in front of him, the child didn't know if he understood it, blinked and nodded quickly, then looked at Li Tiandao vigilantly and said, "Then can I go?"

"Of course." Li Tian said with a smile.

The little boy turned around and ran towards the crowd, leaving only Li Tian's smile.

Watching this scene, Sister Li, who makes duck blood fan soup, couldn't help but also looked at Li Tiandao moved and said: "This gentleman is also a good person!" She said sincerely.

Li Tian just smiled faintly.

As for Han Yun, when she experienced the scene of Li Tian just now, she found that her heart suddenly began to feel some beating. It was an emotional beating, a beating of true feelings in her heart.

"Miss Han's boyfriend is just as good as you!" Sister Li, who was making duck blood fan soup, suddenly said with a smile to Han Yun.

Suddenly when she heard that Sister Li mistakenly thought that Li Tian was her boyfriend's Han Yun, she blushed, like a beautiful cherry.

"Sister Li, you misunderstood, we are not...that kind of relationship." Han Yun said in a low blush.

At the same time, her pair of beautiful eyes looked at Li Tian inadvertently at this moment.

Then Sister Li laughed and said, "Sister Li is a person who came here. This can still be seen. Haha, Miss Han, don't deny it. When you came just now, I saw you holding hands. ..."

Listening to the words of Sister Li in front of me again, Han Yun blushed all of a sudden. Just now, in order to bring Li Tian here to eat duck blood vermicelli soup, he took the hand of Li Tian by mistake, but he did not expect that he would buy duck blood. Sister Li of the fan soup saw it.

She wanted to tell the sister Li that this is not the case, but her lips moved in the end, she didn't say anything... She secretly acquiesced...

Chapter 462: Savage showdown

"Miss Han, although I don't know which gentleman does what, but I can feel that he is a good man... Hey, two people like you are together, it's a natural fit."

Where's Han Yun? But like a little woman, she lowered her head and blushed, what about her heart? But it is as sweet as eating a mystery.

Sister Li here was discussing Han Yun and Li Tian, but Li Tian sat on the side and did not hear.

He was just looking at the people passing by, thinking about his thoughts silently in his heart.

After a few minutes of busy work, the two bowls of duck blood vermicelli soup that exuded a tantalizing aroma were really ready and served.

Han Yun also came over and looked at Li Tian with a smile and said, "How about it, is it Xiang?"

Li Tian took a deep breath: "Fragrant, it is really fragrant."

"Haha, have you eaten it before?" Han Yun handed Li Tian chopsticks.

Li Tiandao said: "I have eaten it, but I was poor before and couldn't afford it, so I ate it a few times."

Listening to Li Tian's words, Han Yun was slightly startled, she did not expect that Li Tian would not be able to eat duck blood fan soup.

In fact, Li Tian was telling the truth. When he was in Liaocheng, he didn't have anything. He was just a bitter child who grew up in an orphanage.

He has been relying on his own hands to maintain it until now. Perhaps he alone understands the bitterness of more than 20 years.

The two of them were eating duck blood vermicelli soup on the side of the road like a little couple.

Perhaps this meal, which cost less than 20 yuan, was the most memorable and romantic meal for both of them in their lives.

They are just eating like that, eating sweetly.

But they never expected that a huge disaster was approaching them.

The crowded neighborhood in front suddenly became noisy.

Then I heard a scream, and the sound of chaos.

I followed the voice, but I saw a figure on the left rushing towards this side.

The people who stood in his way were all shot directly by his mighty fist and fell to the ground. Those innocent passers-by and the people doing small businesses next to the neighborhood were hit hard.

Li Tian glanced at him and frowned.

And Han Yun beside her was also stunned, blinking a pair of unbelievable eyes to look ahead.

But seeing a burly figure, like a savage running out of Shennongjia, he would hit people when he saw him. Those who blocked his way, regardless of men and women, young and old, were all pregnant and young, and all were beaten to the ground by him.

The small cart that was blocking his business was also kicked over by him...

Suddenly the whole street was in chaos, and the crowd screamed in panic, avoiding this ugly and vicious man.

This man has a hideous appearance, a black mole in the center of his eyebrows, and strode towards Li Tian and the others with a fierce look.

When Li Tian frowned and looked at it, he felt something was wrong.

That "savage" seems to be directed at himself? But he didn't panic, and still sat there quietly.

Han Yun next to her was shocked.

Who is that person? Of course, Yu Wenjie sent to kill Li Tian's savage.

At the end of the street, I saw Yu Wenjie sitting in the silver jaguar cool sports car with a sinister smile, holding a military binoculars in his hand, looking at the sent savage like a theater. Destroying the entire street, with a smirk on his face.

"Han Yun, stand behind me."

Seeing that the savage rushed towards Li Tian who was sitting here, and judging from his fierce eyes, he was when he came to Li Tian, Li Tian said to Han Yun who was next to him without changing his face.

Han Yun was stunned for a moment, and before he could react, the hunk on the opposite side had already revealed a murderous intent.

An iron hand suddenly and fatally grabbed Li Tian.

what!

Han Yun was terrified, facing the savage who ran out of Shennongjia, of course she was afraid.

Han Yun screamed, suddenly she only felt a warm arm on her Xiaoman waist, and then she only felt her body suddenly retreat back quickly...

It turned out that Li Tian grabbed her small waist and flew back in order to prevent Han Yun from harming her.

At this moment, Li Tian, who the beauty is holding, really has no time to enjoy the tenderness. He stared at the savage in front and said to Han Yun, "You have to stand behind me, and I will deal with this person."

Han Yun was stunned for a moment. The tender body being hugged was a little hot and hot, but he nodded there quickly, and slowly retreated behind Li Tian.

At this moment, she suddenly realized that the man in front of her seemed to be glancing at a tall wall, as if she would not be harmed as long as she stood behind her at any time...

After the "savage" caught the space and was evaded by Li Tian, he appeared quite angry.

Boom!

Lifting off his legs directly kicked the table of Li Tian and Han Yun fans eating duck blood in front of him.

The flying table smashed towards Li Tian.

Li Tian snorted and banged the corner of his mouth. He kicked the table to pieces with his legs, and the huge table was kicked to pieces by his domineering kick. The Han Yun in front of him was dumbfounded.

Why is he so powerful?

I used to see martial arts only on TV or in Hong Kong and Taiwan movies, but I didn't expect Han Yun to see it with his own eyes.

Besides, after the savage arrived, Li Tian asked coldly: "Who are you? Why are you looking for me?"

Li Tian could feel that this evil-looking wicked person was clearly directed at him.

But the "savage" with a mole in the middle of his eyebrows did suddenly grin, revealing a black scary tooth, and laughed weirdly.

Then, without a word, he slammed his body and grabbed Li Tian's neck.

This move is extremely fast.

The crowd onlookers screamed, and Sister Li, who just bought duck blood fan soup over there, flew back with a pale face.

When the fierce man like a "savage" attacked, Li Tian's left hand swayed slightly, and his footsteps suddenly moved forward.

A beautiful gossip palm move immediately attacked the ugly "savage" with invisible energy.

The "savage" seemed to feel that Li Tian was far beyond his imagination, his huge body was slightly startled, and then there was a muffled cry in his throat, and the whole person suddenly moved to the side at a very fast speed.

The fierce wind blew the "savage" side and hit the air.

Li Tian missed a move, slammed his left elbow, and at the same time quickly changed his right hand. The steps under his feet changed strangely with the rapid movements of his body.

That savage was a little hurriedly attacked by Li Tian's series of onslaughts...

The huge body backed back again and again, and the crowd who had been watching from behind couldn't help flying back in fright.

Chapter 463: I can't tell you

Li Tian was forced to retreat by this "savage", and he was completely angry.

His eyes widened suddenly, a weird cry came from his throat, and he suddenly grabbed a table next to him with both hands and threw it at Li Tian fiercely.

Li Tian dodged quickly, and the wooden table fell to the ground with a click.

Seeing that the table could not hit Li Tian, the savage roared and ran towards the crowd.

Li Tianyi was taken aback, his mouth lined up: Not good.

Seeing that the savage had already rushed towards the crowd of onlookers nearby, but seeing those people were scared and screamed back, there was a thin man who had not had time to retreat, yet he did not understand what happened, and was suddenly caught by the "savage" by the collar. , A hand suddenly lifted up.

He severely smashed his whole person towards Li Tian.

Facing the brutality of this "savage", he threw a living person at Li Tian.

Li Tian knew that if he avoided the person who threw him in front of him, that person would definitely fall to the ground, and even if he did not die, he would be severely disabled.

So Li Tian could only let his body bear a huge impact, and suddenly both hands took it forward.

I saw that the body of the man who threw it was suddenly grasped by him, and the huge impact shook Li Tian's body uncontrollably back...

But the man who was thrown over was safely picked up by Li Tianan, and the whole street screamed.

After Li Tian reached out his hand to catch the man who threw it over, he quickly put down the guy in his hand. At this time, Li Tian was completely angry. He now has to find a way to attack the "savage!"

He moved quickly towards the "savages".

The ugly and hideous guy with a mole in his eyebrows roared, and suddenly grabbed the two people around him with both hands again, and was about to throw it towards Li Tian again...

But before he had time to catch the neighbors around him, Li Tian had already approached him like a ghost.

"You bastard!" Li Tian roared.

The whole body leaped into the air, and a fierce flying leg slammed into the chest of the "savages".

The "savage" did not expect that Li Tian's speed was so fast, with a bang, Li Tian slammed his foot on the "savage"'s chest.

Immediately afterwards, with a bang, the "savages" were kicked into the air and threw them towards the cold street behind.

This kick is cruel enough.

After the savage suffered a heavy foot from Li Tian, he got up from the ground with difficulty.

His ugly and hideous face was filled with endless anger and unwillingness, and his mouth was roaring hoarse like a beast.

But there was a trace of scarlet blood flowing out of the corner of his mouth.

He seems scared...

On the street, when Yu Wenjie sitting in the silver jaguar cool sports car saw this scene, he was deeply shocked.

Can not help but shocked and angry, bang bang bang, clenched his fist against the steering wheel of the car and smashed several punches.

"Asshole, bastard..."

"Damn, what the **** is this bastard? It's so powerful?"

At the same time, he was astonished in his heart. What was the background of the kid who had robbed his "woman" and defeated his personal bodyguard, Lei Ba.

He didn't know Na Lei Pa's ability, he belonged to that kind of extremely destructive and cruel character, extremely cruel.

But just now he used binoculars to see with his own eyes that Leiba was not at all that kid's opponent? Who is he?

How come you have never heard of such a powerful character in northern Liaoning Province?

But when Li Tian over there severely injured the "Savage" Lei Ba, he was completely angry.

I have seen a lot of cruel characters along the way, but Li Tian, a cruel character like Lei Ba today, is the first time I have seen him, even the innocent people on the roadside dare to harm...

"Come on, bastard!" Li Tian forced the "savage" Lei Ba step by step.

Lei Ba was like a bull who had lost a fight, roaring in his mouth, and his ugly and hideous face showed a look of fear.

Suddenly he turned around abruptly and ran back desperately.

He also yelled hoarsely, as if he was angry.

Watching that Leiba escape, Li Tian didn't plan to chase him, and the street was already crowded, so he couldn't chase him at all.

Na Lei Pa's figure was quickly submerged in the crowd on the street. Li Tian saw through the gap of the crowd that Na Lei Pa quickly got on the car parked on the street, and then the silver flat sports car, fast Drove away.

After the Lei Ba left, the citizens on both sides of the street cast gratitude towards Li Tian.

"thank you....."

"Thank you for saving me." A thin man who was thrown by that Lei Ba just now looked at Li Tian gratefully.

Li Tian turned his head and reached out to support him.

"Are you not hurt?"

"I'm fine, I'm fine," the man said.

Han Yun over there is also helping the innocent residents of the neighborhood who were just hurt by Leiba. This originally lively snack street was caused by the brutal Leiba. Many stalls were knocked down and messed up. , The innocent and injured citizens are no longer a minority.

Finally, with Li Tian and Han Yun busy working together, the injured citizens went back one by one, some went to the hospital, and some were bandaged at home.

Most of the snacks were closed one by one, and everyone on the street had an extremely frustrated expression on their faces.

Looking at these innocent people in front of him, an infinite hatred coming from the bottom of his heart hit Li Tian's heart.

It's just that he still doesn't know that the **** is dealing with him? If you want him to know, he will catch him personally, and then kill him alive.

Han Yun next to her turned her beautiful eyes and looked at Li Tian in front of her. Her moving eyes flashed with strange eyes staring at Li Tian.

Li Tian turned his head and saw Han Yun, and smiled: "What's the matter?"

I saw Han Yun slowly spit out a few words from her mouth after thinking for a long time: "It's okay, I just didn't expect that... you are so powerful!"

Hearing what Han Yun said in front of him, Li Tian smiled slightly without explaining.

"Can you tell me, who are you?" Han Yun asked, staring at Li Tian in front of him again.

Li Tian turned his face and looked at Han Yun in front of him and said softly: "Don't worry, I am not a bad person."

"I know... I just... I just... want to know more about you." When a word came out of Han Yun's cherry lips, her pretty face turned red.

But what about Li Tian? He sighed slightly.

"It's not that I don't want to tell you, but there are some things I really can't say... If I say... it will be extremely detrimental to you and me." Li Tian told the truth.

Chapter 464: Like her

What he said is true. If he tells the whole story about his identity and the control of the Shenhua group by the Duanmu family, then there is no doubt that for the mysterious Duanmu family, if an outsider knows their family secrets, Han Yun is bound to be dangerous, so Li Tian can't say.

When Han Yun heard Li Tian say this, although her face was disappointed, she didn't ask too much.

She was originally a strong woman with strong self-esteem. Since Li Tian didn't want to tell her, why should she be aggressive?

Besides, Li Tian has just an ordinary relationship with himself! !

Thinking of this, Han Yun could only smile bitterly, and then walked towards the front lonely.

Li Tian glanced at Han Yun who was a little disappointed in front of him, but shook his head helplessly, and followed her to the front.

The whole snack street has gone from the hustle and bustle just now, but it looks quite cool.

After leaving the snack street, Han Yun drove Li Tian back to the Xiboer Hotel.

Along the way, Han Yun was silent, not speaking, and she didn't know what she was thinking in her heart.

However, Li Tian has been frowning solemnly, he is thinking about today's affairs.

Today, the "savage" obviously came to trouble him. This was the first time Li Tian had an accident when he arrived in Liaobei Province. He couldn't figure out, who did he provoke? Or does the other party recognize him? That's why I came to trouble myself...

Li Tian, who had thought about it, thought it was impossible!

It's only been such a short time since I arrived in this northern Liaoning province, and I rarely show up all the time. Why would the "savage" suddenly have to deal with himself?

Suddenly Li Tian looked at Han Yun who was driving in front of him. Could this matter have something to do with her? Li Tian suddenly thought of this in his mind.

But Li Tian didn't ask, he just hid the doubt in his heart.

Soon, Han Yun drove Li Tian to the Xiboer Hotel.

After arriving at the hotel, Han Yun did not go upstairs, but stood at the door of the Siber Hotel and said to Li Tiandao: "My company has something to do. If I want to go back first, I won't accompany you."

Li Tian smiled and nodded, and said in his mouth: "Thank you for inviting me to dinner today."

Han Yun smiled.

"Well, goodbye."

Said Han Yun got into the car, and after the car started with a grunt, it drove forward quickly.

Li Tian looked at Han Yun who disappeared and walked away, and suddenly there was a slight loss in his heart... He shook his head, and then quickly walked towards the Siber Hotel.

And Li Tian certainly would not have thought that the beautiful Han Han was also looking at him through the car's reverse mirror at this time...until he entered the Siber Hotel.

After arriving at the Siber Hotel very quickly, Li Tian walked towards his hotel room.

When I arrived at the door of the room, I found that the door was not locked. I knew it might be Tang Xiaolong and Aqiu who came back.

After opening the door, I saw Tang Xiaolong at a glance like the second uncle, sitting on the sofa with Erlang's legs tilted up and smoking, while Ah Qiu on one side was sitting there coldly.

Seeing Li Tian's return, Tang Xiaolong immediately became energetic, and got up from the sofa.

"Little boss, how...how...?" Li Tian frowned slightly and said, "How about what?"

"Of course it's that beautiful girl from Han."

Li Tian laughed and stretched out a hand and said, "Take me to smoke."

Then Tang Xiaolong quickly took out the package of Double Happiness from his pocket, and handed it to Li Tian.

"Boss, you're talking about it, what's the beauty of that beautiful Han?"

"What's the matter with you?" Li Tian said with a smile while lighting a cigarette.

Tang Xiaolong said: "I have a grass, I will tell you that I like that beautiful Han Han?"

Li Tian was taken aback for a moment: "Really?"

"Really, such a beautiful beauty, if I don't like it, I'm a big idiot." Tang Xiaolong said, smoking a cigarette.

Li Tian smiled and said, "Well, turn around, brother to help you lead the red line."

"Really?" Tang Xiaolong was so excited that he almost jumped up.

Li Tiandao: "But let me just say it, it's another matter for Han Yun to agree not to."

"I'm not afraid, I am naturally not afraid of setbacks." Tang Xiaolong said with a smile.

Li Tian also laughed.

"Little boss, what do you think of Han Dabei?" Tang Xiaolong suddenly looked at Li Tian and asked.

Li Tian took a deep breath with the cigarette in his hand, the pungent smell of smoke swirled around his throat, and then sprayed out of his nose and said, "It's good."

"She can't help but looks pretty, and she has a high degree of education, a master's degree, an American MBA, and in my opinion, she doesn't seem to have any boyfriends yet." Li Tiandao said.

"Fuck, little boss, how do you understand so clearly?" Tang Xiaolong shouted there.

Li Tiandao: "This is what people told me."

"Huh? Beauty Han told you in person?" Tang Xiaolong said in surprise.

Li Tiandao said: "Yeah, how else would I know, should I still ask myself?"

"Damn, it's broken, it's broken..." Tang Xiaolong shouted suddenly.

"What's wrong?" Li Tian asked.

"I guessed that beautiful woman Han might like you, the little boss." Tang Xiaolong said suddenly.

"Bah! What nonsense?" Li Tianbai gave Tang Xiaolong a look.

Just listen to Tang Xiaolong saying: "What I said is true."

"If a woman tells a man so many things about herself, it shows that she has subconsciously liked the other person deep in her heart."

"Fuck off, nonsense." Li Tiandao said.

Tang Xiaolong said solemnly: "I really didn't talk nonsense, but from the perspective of love psychology."

"Furthermore, as mentioned above, in general, under such circumstances, the woman will be reserved, and she can't help asking the other person about the specific situation...because she is testing the other person to see if she is liking herself, little boss, I guess, Beauty Han must have asked you about your situation, right?" Tang Xiaolong asked with a smirk.

Listening to what Tang Xiaolong said, Li Tian was taken aback, wondering if what he said was true or false?

After Han Yun talked about her situation at the time, she did ask her situation again and again...Could it be true?

But his mouth hurriedly said: "You are just talking nonsense there, I won't tell you."

Tang Xiaolong jumped up suddenly.

"Really, Little Boss, I think it's true. In fact, Beauty Han is really good... if you have a figure, a face and a face, you may not be able to find such a beauty even with a lantern. Or, you Just accept her?"

Chapter 465: plan

Listening to the dragon lying down and telling him to accept that Han Yun, Li Tian cursed and said: "Accept your sister!"

"Didn't you just say that you like it? Why do you withdraw from me now?" Li Tiandao said.

Tang Xiaolong smiled and said, "Isn't this based on size? You are the boss, of course the good girl is for you!"

"Fuck off!" Li Tian laughed haha.

But he was happy in his heart. He was really satisfied to have a brother like Tang Xiaolong.

Regardless of whether Tang Xiaolong liked it or not, it seemed that he was determined to put that Han Yun into his elder brother Li Tian's arms.

He is such a person, a good brother with blood and righteousness!

"By the way, how about you two going to see Qiao Zhi today?" Li Tian just listened to Li Tian, who turned the serious topic and asked.

Tang Xiaolong also recovered his austere appearance, sat down on a sofa and said, "We haven't found it yet."

"The sick ghost gave me an address last time. Who knows that after our brothers went, he has moved away. As for moving there, we haven't figured it out yet." Tang Xiaolong said.

Li Tian frowned slightly and said, "It seems that we may not be able to find Qiaozhi in a short while."

"Don't worry, little boss, even if we dig through the entire northern Liaoning Province in the past few days, we still have to find out the sick ghost." Tang Xiaolong vowed.

Li Tiandao: "That's good. After you find Qiaozhi, you should find the hidden weapon, the secret room, and the experienced Ge Lao as soon as possible."

"Ok."

"This trip to Liaoning Province, things far exceeded my imagination..." Li Tian said suddenly.

Tang Xiaolong was startled and looked at Li Tiandao in front of him and said, "What's the matter, little boss?"

Just listen to Li Tiandao said: "Today I played against someone."

"Huh?" Tang Xiaolong couldn't help being a little surprised when he heard Li Tian talk about fighting against others, and Ah Qiu over there suddenly turned his face to look at Li Tian.

"That **** is so courageous?" Tang Xiaolong said angrily.

Li Tiandao: "I don't know what the other party's background is, but I can feel that it is definitely not an ordinary character. I can't help being fierce and brutal, and with extremely high skill."

"And I can feel that the other party is clearly calling for my life."

Listening to what Li Tian said, Tang Xiaolong frowned slightly and said, "We have only been in Liaobei Province for 2 days, so how can anyone deal with us?"

"This is exactly what I am wondering about."

"Isn't our whereabouts exposed?" Tang Xiaolong said curiously.

"Impossible." Li Tiandao.

"Then how can anyone deal with the little boss for no reason?" Tang Xiao asked.

Li Tian shook his head: "I am not very clear now, but I will find out as soon as possible."

"As for the trip to Liaobei, everyone must be careful." Li Tian said at last.

He still doesn't know who is the one who attacked him today? Presumably Li Tian would never have thought that it was a member of the Yuwen family who was on the wrong road, and it was because of Han Yun's affairs... If Li Tian knew that he was assassinated because he was misunderstood as Han Yun's boyfriend, I guess Li The sky is depressed to death.

"Grandma's, what the **** is the **** who dares to move our little boss so boldly? Don't let Lao Tzu catch him, or I will definitely pull him!" Tang Xiaolong said fiercely. "

The whereabouts of the black and white Shuangsha in the past two days is also erratic.

No one knows what the **** these two characters are doing, but what about Li Tian? He didn't care, the only thing he was thinking about now was to find Chen Qiaozhi quickly, and then find a way to contact the strange man Tang Xiaolong said: Old Monster Ge! A perverted character who has studied secret rooms, hidden weapons, and evil ways.

Since Li Tian followed that Han Yun in and out of the Shinhwa Group, the entire Shinhwa Group is now circulating about the two of them.

They all say they are boyfriend and girlfriend.

And because of what happened after Liu Jing was fired on the spot by the chairman of the Shenhua Group for driving Li Tian, the whole Shinhwa Group was full of rumors, and they all said that Han Yun was the real "big money". .

Some say that Li Tiannai is the son of a big company...so even big companies like Shenhua Group dare not easily offend him.

Some say that Li Tiannai is the son of the mayor of XX city, so he has such a big face, and he can also get the goddess in the hearts of the dicks: Beautiful Han.

...

There are too many rumors about these.

But the common point is that Li Tian is definitely a character with an extremely strong background and Han Yun.

As one of the parties involved, Han Yun, when she heard these remarks, she used to ignore it on the Internet, but how about these few days? She appeared to be in a particularly bad mood. Especially when she heard colleagues talking about Li Tian and her being a target, she would lose her temper on the spot, and then warned those colleagues that she and Li Tian are not a relationship between men and women.

Although the employees of the Shenhua Group were suspicious, they dared to talk more nonsense.

Regarding their sudden temper tantrum, those people said in private: Maybe Han Yun had a quarrel with Li Tian? That's why I get angry.

These people are like this, and they can often tell an extremely common thing to evil, even if it is not true, it will become true immediately.

Duanmu family.

After Duanmu Heiming sent Li Tian to Liaobei Province to do something secret, the Duanmu family's recent external dynamics began to slowly decrease.

It seems that their most important energy now is on Li Tian's body.

Within the family, due to Situ Ningbing's rash intrusion, the entire Duanmu family became more and more strict.

Duanmu family members guarded back and forth are also more.

And that Situ Ningbing, who forcibly broke into the Duanmu family for his lover, was now locked in the Duanmu family's dungeon.

Now Duanmu Heiming didn't make it difficult for Situ Ningbing, but just imprisoned her.

Because he still doesn't know if Li Tian's mission to the north of Liaoning can really be completed?

You must know that Situ Ningbing is a huge bargaining chip for Duanmu Heiming to control Li Tian...

"Miss, are you going there?"

In Duanmuying's boudoir, the daughter of the Duanmu family heard the voice of the little girl who asked the eldest to ask.

But seeing the glamorous eldest lady Duanmu Ying standing at the door and preparing to go out, she opened her **** and glamorous lips gently and said: "I'm going to my father's place..."

"Hmph, that **** dark eagle, dare my prisoner to take it away. I want him to look good."

Chapter 466: I'm going to Liaobei Province

Duanmuying said, and then walked out angrily.

It turned out that Duanmuying still had a grudge against the black eagle who had taken Situ Ningbing to walk the last time.

So she is going to Duanmu Heiming to discuss an explanation.

Soon after arriving at Duanmu Heiming's house, the Duanmu family members on both sides respectfully called her the eldest lady.

Duanmuying didn't even look at those people, and walked directly toward her father's room.

Duanmuying, who was about to enter, suddenly saw the **** Black Hawk walking quickly towards her father's room.

Duanmuying was taken aback for a moment, and she couldn't help but think to herself: How could this **** **** come to her father at this time?

Duanmuying thought for a while, and walked slowly toward the front with light steps.

She didn't show up, but paused at the door, hiding like a kitten, eavesdropping.

She wants to see what the **** Black Hawk is doing with his father?

After hiding somewhere, Duanmuying soon heard the voice of her father inside.

"Hei Ying, how is Li Tian and the others in Liaobei Province?" A word suddenly came out from Duanmu Heiming's mouth in that room.

When she suddenly heard her father say this, Duanmuying was taken aback.

I couldn't help but secretly lining: It turned out that the little **** was sent to Northern Liaoning Province by his father...

Duanmuying, who was hiding at the door, was very happy. At least she now knew where Li Tian was going, and then she continued to hide and listen.

Following the question of Duan Mu Heiming's question, he only heard the black eagle replied there: "Return to the clan lord, now the surname Li has settled down in northern Liaoning province."

"Furthermore, the black and white Shuangsha has already conveyed the clan leader's order to the kid, waiting for the clan leader's order at any time." Black Eagle said there.

Duanmu Heiming said in his mouth.

"You tell them, don't act in the past few days... it's better to wait for the opportunity first." Duanmu Heiming said coldly.

The Black Hawk nodded there and replied: "Yes."

"Clan Lord, I heard the news from Black and White Shuangsha. It is said that the boy named Li is now looking for his own staff in Liaobei Province... and I heard Black and White Shuangsha said that he found two of them when he was in Jinghai City. My own, a young man named Tang, and another named A Qiu." Black Eagle said.

Suddenly a wicked smile appeared at the corner of Duanmu Heiming's mouth and said, "Oh? Who are those people?"

"According to our investigation, one of the surnamed Tang is a powerful figure in the former special forces unit. He once had the title of king of soldiers. The other is called Aqiu. There is very little information. But according to Black and White Shuangsha, that is called Aqiu. Characters should also be not simple characters."

Hearing what the black eagle in front of him said, Duanmu Heiming groaned softly.

"Unexpectedly he was so smart..."

"I also know to find my own person!" Duanmu Heiming said sincerely.

The Black Eagle stood there and said, "Clan Lord, could the kid surnamed Li have already noticed our plan? So he is looking for his own?"

Duanmu Heiming said coldly, "What can I do if I detect it?"

"Don't forget, he still has the Sanshengmen poison of our Duanmu family in his body!"

"Besides, now we have another woman in our hands!" Duanmu Heiming said sinisterly.

"If he dares not listen to my orders, or if he can't get anything from the Yuwen family, I will definitely send them all to the west."

Outside the door, when she heard her father saying these dark and vicious words word by word, Duanmuying was completely stunned.

She never thought that her father would be so vicious that he would kill Li Tian and Situ Ningbing.

Suddenly Duanmuying was stunned.

The black eagle in the room said: "It's still the clan owner's thoughtful consideration."

"In this way, the kid surnamed Li is firmly in the hands of the clan leader, and when the clan leader wants him to die, he must die!"

Duanmu Heiming chuckled inwardly.

"He is just a stepping stone for Duanmu Heiming... If once he helps me get something from the Yuwen family, I might show kindness to make him die more comfortable. But if he travels to the north of Liaoning. If his mission fails, then I will let him die!"

"Patriarch, then I will go and tell the black and white Shuangsha what to do next." Black Eagle said there.

Duanmu Heiming nodded slightly in front of him: "Go! Remember, tell Li Tian that they don't act now and wait for my order."

"Yes!"

After the Black Hawk received the order, he quickly retreated.

And Duanmuying, who was hiding outside and hearing all the words, dodged and evaded, and quickly disappeared from the door.

Duanmuying was completely stunned by the eavesdropping this time.

She never thought that her father was so vicious that he wanted to kill Li Tian.

When she thought of killing Li Tian, Duanmuying felt that her sky was about to collapse.

"No! No! I can't let him kill Li Tian..."

"Although Li Tian is not a member of our Duanmu family, he hasn't done anything to harm our family? Besides, isn't he still doing what his father said?"

"Why? Why do you say that even if Li Tian succeeds, his father will kill him?" Duanmuying was completely stupid.

She felt her whole body numb now, but her heart was tingling like a knife.

"I want to ask Daddy to make it clear, and tell him not to kill Li Tian..." Duanmuying suddenly wanted to do this.

But when she took two steps, she paused again.

"But what should I do if my father doesn't agree? Will he really kill Li Tian?" Duanmuying suddenly became scared when she thought about it.

What should I do? what can we do about it? Duanmu Ying was completely in a state of confusion.

She didn't want Li Tian to be hurt so much, so she didn't want to...

Duanmuying, who was finally enduring her inner pain and torment, finally made a bold decision in her heart after repeated hesitations.

"I want to tell Li Tian..."

"Don't let him return to the Duanmu family, in that case, he won't die! Yes! That's it... If you go to find the truth about everything Li Tian told him, let him go quickly, in that case, he won't die."

Duanmuying, who was facing this way in her heart, knew that she had completely betrayed her father's order by doing so, but in order not to let him die, she felt it was worth it.

I'm going to Liaobei Province!

An unexpected idea sprouted in the heart of Duan Kyo-ying.

She decided to leave the Duanmu family and go to Liaobei Province to find Li Tian. Only when she finds Li Tian and tells him the truth will he not die.

Chapter 467: Save her

After making such a decision in her heart, Duanmuying quickly returned to her boudoir.

Then began to pack his own things.

The girl Xiaohuan on one side was stunned: "Miss, what are you doing to pack your things?" The girl Xiaohuan blinked and asked.

Duanmu Ying head in front of her said without turning back, "I'm going to leave here for a while."

As soon as she said it, the girl Xiaohuan was shocked there, her bright eyes widened and she looked at the end of Ki Sakura in disbelief and said, "Miss... are you going out of the valley?"

"Yeah." Duanmuying said.

"By the way, you are not allowed to tell anyone about my going out." Duanmuying turned her head and said cautiously to the small ring in front of her.

Xiaohuan was taken aback for a moment, then nodded silently.

"But, miss, what are you doing out there?"

"This...I won't tell you for the time being. Anyway, you just need to remember it to me, no matter who is coming to see me these days, I will say that I am no longer." Just listen to Duanmuying saying there.

Xiaohuan stood behind silently looking at the eldest lady Duanmuying, her mouth moved as if she wanted to say something, but after all she didn't say it.

Although she didn't know why Duanmuying was going out, she hadn't followed the eldest lady since she was a child, and listened to her. Basically, she did what she asked her to do.

After a brief packing of her luggage, Duanmuying was ready to leave.

The ringlet looked at Duanmu Ying and said, "Miss, are you going out alone?"

Duanmu Ying said, "Yeah, who else is there but me?"

"Oh..." Xiaohuan nodded.

Duanmuying on one side suddenly turned her head. No, should I let her out?

Duanmuying suddenly thought of Situ Ningbing, who was held in the dungeon of the Duanmu family.

Suddenly thinking of Situ Ningbing, Duanmuying's heart would be inexplicably jealous and jealous, especially when she remembered that the "little bastard" had taken poison for that woman, regardless of life and death, Duanmuying felt a little lonely.

But she was innocent after all, if Situ Ningbing really stayed in the Duanmu family, it would undoubtedly be death.

Regardless of whether Li Tian's mission in Liaobei Province was completed or not, she was a dead end. Duanmuying suddenly hesitated when she thought of this.

What should I do?

Save her?

But if it is not saved, will the little **** resent himself? Besides, he treats her so well, if he learns that she is trapped in the Duanmu family, will he not listen to him and come back to the Duanmu family?

After thinking about this, Duanmuying could only mutter helplessly in her mouth: "It seems that I have to rescue her... Hey! It's really troublesome."

The little girl next to Xiaohuan asked wonderingly: "Miss, who are you going to save?"

"Forget it, don't worry about it, it's not good for you to ask too much,"

"Xiaohuan, you must remember that no matter who is asking you where I am going, don't tell them, and they want to ask you if you know the news of my departure. You must say that you don't know... remember clearly. No?" Duanmuying told her little maid there.

The little ring nodded slightly with her bright eyes, "I know, miss. If anyone wants to ask me, I will say I don't know anything, and I haven't seen anything."

Duanmuying smiled: "That's good!"

"I'm leaving now," Duanmuying said.

The little ring in front of her looked at Duanmu Ying and couldn't help but feel a little dismayed.

"Miss... Slow down on the road, pay attention to yourself..."

"Don't worry, this lady is not a three-year-old."

As expected, Duanmuying walked toward the door, leaving the small ring standing alone at the door.

The dungeon of the Duanmu family and the blood prison are two different places.

The location of the dungeon is in the center of the Duanmu family, and there are many members of the Duanmu family guarding it, and it is extremely difficult to get out of it.

The dungeon has a total of three floors, the building is huge, directly connected to the ground, and there are people on each floor.

After Duanmuying came to the dungeon alone, she was still a little excited, after all, this was the first time she had "betrayed" her family.

Duanmuying, who took a long sigh, got ready for everything, and then swaggered towards the entrance of the dungeon.

At the guard of the dungeon, there were 67 members of the Duanmu family standing there coldly wearing black robes.

When they suddenly saw that the eldest lady came to the door of the dungeon today, several members of the Duanmu family couldn't help being taken aback.

Then he couldn't help shouting respectfully, "Miss!"

Duanmuying shook her hand slightly, looking at the entrance of the dungeon that was locked with a chain, and said, "Open the door, I want to go in."

Hearing Duanmu Ying suddenly say this, the guard members of the dungeon couldn't help being taken aback.

"Miss, the clan owner has an order...no one except the clan owner himself can enter without authorization..."

One of the members of the Duanmu family was half-talking when he was severely interrupted by Duanmuying.

"Let you open the door and you will open the door for me. There is so much nonsense. Don't you know that I am the eldest lady of the Duanmu family? Are you afraid that this lady will release the prisoners inside? What a bunch of fools. ."

The members of the Duanmu family who were scolded fiercely by Duanmu Ying in front of them bowed their heads one by one.

One of them thought for a while, the eldest said that was really good, could it be that the daughter of the Duanmu family dare to release the prisoner inside?

So he said to his men: "Since the eldest has spoken, you should quickly open the dungeon door."

The member of the Duanmu family nodded quickly and said, "Yes!"

Then he took out a large bunch of iron keys from his arms, and slowly opened the iron door of the dungeon.

Duanmu Ying, who stood at the door of the dungeon, was extremely happy.

As the door of the dungeon opened, only the member who asked to open the door of the dungeon just said: "Miss, the prisoners inside are extremely vicious, do you want me to accompany you in."

Listening to what I said, Duanmuying gave him a blank look.

"Does this lady need you to accompany you? Just look at the door honestly for me."

"Well, I won't tell you anymore, I'm going in.

Duanmuying who was talking walked in toward the door of the dungeon.

To be honest, this was the first time that Duan Kyo-sakura entered this dungeon. As soon as he reached the entrance, a tangy rancid smell spread into Duan Kyo's nostrils.

Duanmuying, who was most afraid of dirty and smelly, immediately pinched her nose, and her eyebrows frowned.

"This is too bad..." "This is too bad..."

Chapter 468: You save me?

Duanmuying, who was muttering in her mouth, walked towards the bottom of the dungeon.

Below the dungeon is a cold stone staircase, and on the smooth stone wall there are still yellow light bulbs shining slightly.

Duanmuying walked down the stone stairs step by step.

After Duanmu Ying walked down the stone stairs, she reached the first floor of the dungeon.

However, on the first floor, there were two narrow and dark passages on the left and right, and there were people guarding them, but they were far apart.

Duanmuying took a look, then turned and walked to the right.

In the tunnel of the dungeon stood two burly men. Because of the high temperature below the dungeon, they were all shirtless, showing strong and powerful arms, standing there fiercely.

When I saw the eldest lady come to the dungeon, I couldn't help being taken aback.

"Miss!" Two shirtless strong men on the left and the right said respectfully.

Duanmuying glanced at the two of them, then glanced at the inside of the dungeon, thinking about raising her eyes and staring at one of the strong men and asking, "I'm asking you, the woman who came in in this dungeon a few days ago is here. There?"

Listening to Duanmuying's inquiry, one of the strong men said in unfluent words: "Woman, oh, yes, a woman was indeed imprisoned the other day." The strong man hesitated.

Duanmuying frowned slightly and said: "Where is she locked up now?"

The burly man stretched out a finger and pointed to the place in front of him and said, "I'm detained in front."

Looking at the dark corridor in front, Duanmu Ying glanced at her.

"You take me over." Duanmu Ying said.

The brawny man in front of him could only obey the orders of the young lady, and then walked towards the dark passage with Duanmu Ying in front of him.

After quickly passing through the dark corridor, the strong man stopped in front of a smaller prison door.

"That's it." The strong man said, pointing his finger at the smaller prison in front of him.

Duanmuying frowned and walked over.

After coming over, I saw a figure inside sitting motionless in a dim corner of the wall.

Because it was too dim inside, Duan Muying couldn't see clearly the faces of the people detained inside, let alone confirm that it was Situ Ningbing.

Duanmuying, who frowned and glanced at it, said to the strong man in front of her, "Open the prison door."

The brawny man was taken aback for a moment, looking at Duanmuying with a pair of unbelievable eyes.

"Miss..."

"Why, didn't you hear what this young lady said? I asked you to open the prison door." Duanmuying only heard her anger.

The brawny man had no choice but to pull out a bunch of long keys, and then slowly opened the small iron prison door in front of him.

After opening, Duanmuying slowly walked towards the small iron jail door, and as she slowly walked into the small iron jail door step by step, the dark shadow sitting in the corner remained motionless.

"Hey..." Duanmuying who walked in suddenly shouted at the shadow in the corner.

But the shadow was motionless.

Duanmu Ying was stunned for a moment, wondering if it was the woman who was locked here?

Duanmu Ying, who was about to ask again, hadn't spoken yet, suddenly the black shadow in the corner suddenly moved.

"What are you doing here?" Suddenly a cold voice came into Duanmuying's ears.

The moment she slowly turned around, Duanmuying suddenly saw Situ Ningbing in front of her... she was indeed!

After confirming that she was indeed the Situ Ningbing, Duanmuying smiled badly and said, "I'm here to see if you are dead..."

Then he saw Situ Ningbing who was detained, his hands and feet were firmly locked with heavy iron chains.

"Hmph! You vicious woman!" said Situ Ning, looking at her coldly.

"You are vicious!" Duanmuying said angrily.

The strong man next to him watched the eldest lady inside arguing with the woman, and couldn't help but frown slightly.

Inside, Situ Ningbing had heavy chains on her hands and feet. For Duanmuying who suddenly came to her, she didn't know what she was going to do, but she knew that Duanmuying was the daughter of the Duanmu family... ..So she doesn't have much affection for Duanmuying.

"Listen to me, now you stay here honestly, and I have something to tell you later." Duanmuying said suddenly.

Situ Ningbing raised his cold eyes and glanced at this Duanmuying, wondering what she was going to do? Do you want to torture yourself?

"If you want to kill or cut, hurry up..." Situ Ning said coldly.

Duanmuying smiled happily: "You wait and see how I tortured you..."

While talking, Duanmuying suddenly turned her head and pointed to the strong man guarding outside the door and said, "You come here for me."

The strong man outside the door was slightly taken aback, wondering what the eldest lady suddenly asked himself to do.

But it still came in step by step.

"Why is the eldest called the younger?" The strong man in front of him blinked his eyes and said.

But I saw that Duan Muying suddenly showed an extremely charming smile. The strong man was taken aback for a moment, almost fascinated by it, and when he was still fascinated, Duan Muying suddenly shot.

A hand swiftly hit the back of the strong man's head like a ghost. The strong man just didn't understand what was going on, and his entire huge body fell to the ground crookedly.

fainted!

At the moment Duanmuying stunned this strong man, Situ Ningbing in the prison was also stunned for an instant.

Opened a pair of surprised eyes and looked at Duanmu Ying in front of her: "You...what are you doing?"

"Shhh! Don't talk." Just listen to Duanmu Yingdao.

Then a pair of eyes glanced at the other strong man standing in the corridor. The strong man didn't seem to notice anything unusual, and he was still standing there motionless.

Duanmuying was delighted, and hurried back to search for the key on the brawny man.

And that Situ Ningbing was completely stunned, she didn't understand what the **** this Duanmu family eldest lady was doing? Why stun the member of the Duanmu family who was holding him?

Could it be that she came to save herself? impossible! Situ Ningbing looked suspiciously.

But when her eyes saw that Muying had found the key from the brawny man, she was stunned for a moment.

"you....."

As soon as she uttered a word, Duan Muying walked towards her holding the key she had touched from the strong man.

"I want to save you." Duanmuying whispered.

"Ah? You save me?" When Situ Ningbing knew the truth, he was really shocked to hear that there were ghosts in the world.

Oh my god, did you make a mistake? She is the daughter of the Duanmu family. She even said to save herself from the Duanmu family. What is going on?

"Why do you want to save me?" Situ Ningbing asked in confusion.

Chapter 469: Don't lose it

Just listen to that Duan MUYING used the key in her hand to quickly open the handcuffs of Situ Ningbing in front of her, and said, "Could you not ask me in a hurry, leave here now and say it later? It's really troublesome." Duanmu Yingdao said.

Situ Ningbing had experienced strange and weird things, but to be honest, she had encountered things like today for the first time.

But although she was shocked, she really didn't ask too much.

When Mu Ying used the key to open the ankle chain on her ankle again, Situ Ningbing stood up suddenly and moved her hands and feet.

"Are you really going to let me go?" Situ Ningbing asked Duanmuying with low prestige.

Duanmuying turned her head and smiled: "Of course it is true, but you have to remember that you owe me this time."

Situ Ningbing was stunned. Although she didn't know what Duanmuying was doing in front of her, she didn't know why Duanmuying betrayed their family and let her go, but Duanmuying had at least left it in her heart. Made a good impression.

"If you want to go out safely, you'd better listen to me." Just listen to Duanmu Yingdao.

Situ Ningbing nodded, she knew in her heart that no one knew their family terrain better than Duanmuying.

"There is another guy out there, I'll go and clean him up." Duanmu Ying said.

Then Duanmu Ying walked out of the prison door.

Situ Ningbing behind was watching.

After Duanmuying walked out, she walked directly to the strong man, who was standing in the stunned dungeon.

When he saw the eldest lady walking towards him with a smirk, he suddenly felt something was wrong, and then carefully glanced at the cell door over there. When he saw that his companion did not appear, he slightly surprised.

Then his eyes suddenly became cautious: "Miss..."

But just as he had just spoken, Duanmuying made a sudden move.

A hand quickly attacked the strong man's neck. The strong man was taken aback, but fortunately he was prepared and quickly backed away. At the same time, Kong Wu's powerful hand slammed towards Duanmu Ying's front door.

Unexpectedly, Duanmuying's speed was much faster than him. A big hand hadn't caught Duanmuying's face, but seeing Duanmuying kicked the strong man's head with a flying leg.

With a bang, his head hit the cold wall again, and then he fell to the ground with a thump, unconscious.

When Mu Ying smoothly killed the other strong man in front of her, she beckoned to Situ Ningbing over there, and said in a low voice, "Come out." Situ Ningbing really followed out. .

"We need to leave the dungeon as soon as possible," Duanmuying said.

"Where to go?" Situ Ningbing asked.

"Of course you left our family, do you still want to stay here and wait for death?" Duanmuying said.

Situ Ningbing did not speak.

The two people quickly walked towards the exit of the dungeon. When they reached the exit, Duanmuying signaled Situ Ningbing's footsteps to slow down.

Then he said in a low voice: "There are six other members of our family out there."

When Duanmuying said so, Situ Ningbing frowned.

"What to do then?" Situ Ningbing asked.

But seeing that Duan Muying smiled: "Don't worry, I've been prepared, it's up to me."

Situ Ningbing looked at this girl with suspicious eyes, but saw her tiptoe towards the exit of the dungeon. When she reached the exit of the dungeon, she suddenly took out a red medicine bottle from her pocket.

The medicine bottle was covered with a sealed lid. After Duanmuying took it out, she turned her head to Situ Ningbing and said, "Wait a minute, once I open this bottle, you must remember to hold your breath."

Situ Ningbing nodded in surprise, looking at the small red bottle in Muying's hand, wondering what she was going to do.

After seeing Situ Ningbing nodding her head, Duanmuying slowly reached out and unscrewed the small bottle cap in front of her.

After twisting the meeting, she quickly pinched her nose with the other hand, and then stuffed the small bottle toward the door.

Situ Ningbing at the back also tightly closed his breath at this time, blinking and staring at the small bottle motionlessly.

But a white smoke suddenly appeared from the small bottle, hushing towards the door.

Duanmuying gave a smirk when watching the white gas drifting outside.

The members of the Duanmu family guarding the dungeon were originally standing outside, but when these white gas floated out, they suddenly smelled a strange smell.

One of the guards standing at the door of the dungeon took a deep sniff. He still didn't react. He only felt that his eyes were dark and his body crashed to the ground. What about the other members of the dungeon? At this time, all eyes suddenly became blurred, and the feet began to float...with his mouth open and wanting to scream, but the whole body has no strength...

Finally, all of them fainted to the ground.

Inside, listening to the members of the Duanmu family who fell to the ground outside the door, Duanmuying quickly beckoned to that Situ Ningbing.

"Go! I've fascinated them..."

Speaking of lunch, he opened the door of the dungeon first and rushed out.

Situ Ningbing also quickly escaped with closed breathing.

When I walked out, I found the 6 Duanmu family members outside the door all fainted to the ground.

Situ Ningbing was deeply shocked, darkly lined up: That Duan Muying is really a ghost.

"Follow me." Duanmuying stepped out of the dungeon and quickly walked to the left.

Situ Ningbing kept following behind her just like that. After the two of them circumvented a few paths, they quickly reached the back mountain.

During the period they also met several pairs of Duanmu family members, but fortunately they all avoided the past in time.

Soon after reaching the back mountain, Duan Kiyong smiled and said, "Great, I finally came out."

Now the two of them are indeed some distance away from the Duanmu family, and they are not afraid of being discovered at this time.

"What shall we do now?"

"Of course I left our family." Duanmu Yingdao said.

"But I remember when I came to your family, I came down from the place in the Wolf Valley, and I remember there seemed to be an elevator there." Situ Ning said.

What she said was really good. However, the place where Duanmu Ying brought Situ Ningbing was exactly the opposite of that location, so Situ Ningbing asked in confusion.

I saw that Duan Kiyong smiled: "You don't understand this...Do you know our family? Or do I understand?"

"Of course it is you..." Situ Ningbing said.

"That's not right, I'll go wherever I say."

"Let's go, continue to follow me, don't lose it. If you lose it, I won't be responsible." Duanmu Ying said with an arrogant voice.

Situ Ningbing behind coldly snorted and said, "What's so great."

But it quickly followed.

Chapter 470: Two women

It turned out that there was another road from the Duanmu family to the outside, and the one who knew this road happened to be Duanmu Ying in front of him.

I remember that two years ago, Duanmuying accidentally discovered another mountain road in the back mountain. After crossing the mountain road, he can climb a section of mountain road to get outside.

Duanmuying had always wanted to tell her father about this passage, but then she thought about it, if one day she was bored with her family and wanted to go out to play, she could go out at any time. That would be great, so she just did not tell that Duanmu Heimeng the secret of this secret road.

And now Duanmu Ying just used this passage in front of her.

The tree at the front led the way, while Situ Ningbing at the back followed her all the way, climbing over the rugged mountain road, and their beautiful clothes became dirty.

"I want to ask you, why do you want to save me?" Situ Ningbing, who was followed by Duanmuying, was thinking about this question all the way. Now that they are a little safer, she finally couldn't help asking this question. .

Because she really didn't know why the daughter of the Duanmu family suddenly rescued herself?

"I'm not trying to save you." Duanmuying turned her head and said.

Situ Ningbing was startled slightly: "Then why did you let me go?"

"That's because I don't want you to die."

"I'm dead? Huh... it's like how good a person you are." Situ Ning hummed coldly in front of him.

"I'm telling you, I'm a good person. If I'm not a good person, can you come here? Don't you hurry up and thank me?" Nadaki Ying said with a smile.

"I thank you? You can wait... You Duanmu family poisoned me by the Sanshengmen, and the accounts that threatened Li Tian. I haven't asked your dark family to count? You want me to thank you , Delusion..."

Listening to Situ Ningbing's words in front of her, Duanmuying became furious.

"you....."

"What's wrong with me? Am I wrong?" Situ Ning said coldly.

At this moment, Muyingguo really had nothing to say. She used to admire her father very much, but when she heard her father's secret with her own ears, her heart was shocked.

She never thought that her father, whom she had always respected and admired the most, was so vicious and treacherous, she was stunned at this moment.

Looking at the dumbfounded Duanmuying, Situ Ningbing said, "Hey, what's the matter with you?"

Duanmuying's red lips tightly tightened, and she said nothing.

"Well, I was playing around with you, in fact, I should thank you." Situ Ningbing said with a sudden smile.

Her smile was as beautiful as a hundred flowers blooming, and what she smiled was such a beauty. This frosty beauty who always showed people with a cold attitude in the past could not expect her smile to be so beautiful.

"Are you saving me like this for him?" Situ Ningbing asked, raising her beautiful eyes and staring at Duanmuying in front of her.

When Duanmuying heard Situ Ningbing's question, her pretty face suddenly blushed.

"Who?"

"You understand it in your heart." Situ Ningbing said, staring at her beautiful eyes.

Duanmuying turned her face and said, "I didn't do it for that little bastard."

Situ Ningbing suddenly sighed and smiled.

"He can have someone like you who thinks for her, it's worth it." Situ Ningbing said silently.

"What do you mean? Do I use you like this? The reason I rescued you this time is because I don't want innocent people to die in my father's hands." Duanmu Ying said stubbornly.

"Why do you say that?" Situ Ningbing asked.

"Well, I will tell you the truth about everything." Duanmuying said.

"Actually, that little **** stayed in our family for you, and was threatened by my dad to join us. What about him now? My dad sent to Liaobei Province to complete a mission... if the mission is not completed If you do, then he will definitely die! And you will die with you." Duanmuying said.

Listening to Duanmuying's words, Situ Ningbing was stunned.

task?

No wonder Li Tian left the Duanmu family and was sent out to do the task.

"Then if Li Tian completes the task given to him by your father? Will he be let go?" Situ Ningbing asked with concern.

When Situ Ningbing said this, Duanmuying's complexion became a little ugly, and she did not answer.

How clever Situ Ningbing was, she guessed the answer at once when she saw Duanmuying's face.

"Does your father kill Li Tian even if Li Tian completes the character?"

Duanmuying turned her head, her eyes looked into the distance without speaking.

"Huh, it's really vicious!"

"I know that your Duanmu family members are the most cruel." Situ Ningbing said fiercely.

And what about Duanmu Ying who is a Duanmu family? Just stood there silently, without saying a word.

Finally, after a long time, that Duan Kiyong finally turned her head and said: "I know that my father has done a little too much, so I will help you... This time I rescue you just to tell him what he can do. After this task, never come back again."

"It's best to let him take you away and fly away..." Duanmuying silently said the last sentence.

Although Situ Ningbing hated the Duanmu family deeply, she couldn't help feeling that she was actually a good girl when she heard Duanmuying's words.

Although she is a little bit tricky at times, there is no doubt that her heart is still good.

And Situ Ningbing could see her affection for Li Tian.

Hey!

Situ Ningbing, who sighed deeply, looked at the mountain road ahead and said, "Let's go."

Duan Muying didn't speak too much, and walked slowly toward the outside along the rugged mountain road with Situ Ningbing in front of her.

Out of the mountain road in front of you, you can see the lush dense woods ahead.

Duanmuying pointed her finger and said, "You can reach outside through this dense forest."

Situ Ningbing nodded, so the two beautiful girls walked quickly toward the lush mountain forest.

Situ Ningbing asked on the road, "By the way, what is the mission your family has given Li Tian?"

Duanmuying said: "I am not very clear either."

"But I know that Li Tian went to Northern Liaoning Province."

"Liaobei Province? Why did he go there?" Situ Ningbing said in surprise.

"It seems to be related to the Yuwen family of the four major families." Duanmu Ying said in front of her.

"The Yuwen family?" Situ Ningbing frowned slightly when she heard the Yuwen family.

"Do you know the Yuwen family?" Duanmuying asked curiously.

"Of course I know, how could I not know the four major families in China!" Situ Ningbing said.

"Who on earth are you? And when did you meet that little bastard?" Duanmuying asked, blinking.

Hearing Duanmuying's question in front of him, Situ Ningbing's face changed slightly.

Who is she?

She was just a killer, a previously cold-blooded and merciless killer.

But just after she met Li Tian that day, her frozen heart seemed to slowly open a small gap.
