

A Killer 471

Chapter 471: The Yuwen family is here to find something

From then on, she and Li Tian began to meet.

Although they experienced few winds and rains along the way, and spent less time together, no matter what, their friendship had a deep foundation in their hearts.

"Why don't you speak?" Duanmuying asked, looking at Situ Ningbing.

Situ Ningbing said: "I have nothing to say."

"What a weird person."

"Then what you did in the past should you tell me?" Duanmuying continued to ask.

"I previously?"

"Ok."

"Okay, let me tell you! I used to be a killer! A killer who specializes in organizing murders." Situ Ningbing said word by word.

Listening to what Situ Ningbing said in front of him, Mu Ying was really taken aback.

"Wow? Really? Are you really a killer?" Duanmuying in front of her asked with curious eyes.

Situ Ning sneered: "What? I don't like it?"

"Don't tell me, you are really alike, you are ruthless, and the tricks are vicious...everything will kill you, it seems that you have killed many people before." Duanmuying said.

"Aren't you bad? Your tricks are no worse than mine... and vicious enough." Situ Ningbing laughed.

That Duan Kiyong laughed.

"To each other."

The Rashomon Kungfu of their Duanmu family was originally fierce, but dark, so Duanmuying's tricks were naturally extremely vicious.

The two beauties just like this, you quickly climbed towards the dense forest.

The two of them sneaked out of the Duanmu family this time and set off towards the northern province of Liaoning.

Although they didn't know that Li Tian was in Liaobei Province, they knew that Li Tian's target was the Yuwen family.

So the two beauties in front of them rushed towards the northern province of Liaoning.

In the past few days, Li Tian and his brothers have been blindly searching for the sick scholar Chen Qiaozhi.

And the black and white Shuangsha who was watching Li Tian seemed mysterious, sometimes suddenly appearing, and sometimes disappearing suddenly.

Because of the orders from the Duanmu family, Li Tian and the others could only temporarily run aground against the Yuwen family.

It is now in a stable stage.

The Shenhua Group is still operating as usual. Since Li Tian and Na Han Yun encountered the "savages" last time, the relationship between the two has become a little awkward inexplicably...

Because of looking for Chen Qiaozhi, Li Tian hasn't seen Han Yun very much these days.

And Han Yun? I still work in the Shenhua Group, but it's obvious that both the sales department and the employees in the company can see that their sales manager Han Yun seems to have something on their minds. These days, they have been depressed and unhappy.

The employees also discussed in private: Did Han Yun have something to do with his "boyfriend"? in argument? Or something?

Although they were talking, they were all very quiet. No one dared to speak up, let alone let their manager hear.

At the moment, Han Yun is in the office, with her delicate cheeks in her hands, thinking about her thoughts.

Her willow eyebrows were deeply frowning, and the cup of steaming coffee next to her was getting cold right now... But she didn't take a sip, just staying in that silly, IBM business computer in front of her. The moment I entered the office, I didn't even open it...

She has been in a trance for these two days, as if she had something on her mind.

Han Yun, who was in a daze in the office, suddenly knocked on the glass door of the office twice.

Han Yun just woke up from a daze, rubbed her temples with her delicate hands, and said slightly, "Please come in."

As the voice uttered, the glass door of the office was gently pushed open.

"Mr. Han, it's not good."

What came in was a female clerk from the sales department, and she said with a pale face with an unusually ugly expression.

When Han Yun heard this, she wondered and asked, "What's wrong? What happened?"

Just listen to the female employee saying: "People from the Yuwen family have come to our company to make trouble."

"Yuwen family?"

Everyone in Liaobei Province knows the huge and mighty Yuwen family. The Yuwen family belongs to the kind of absolute domineering existence in the entire Liaobei Province, and no matter who it is, it is the kind of bull-fork-level figure who wants to make face.

Who would dare to provoke the Yuwen family, which occupies half of the economy in northern Liaoning?

So when Han Yun in front of her heard that the Yuwen family was making trouble, she couldn't help standing up from her seat.

"What the ***** is going on? How could the Yuwen family come to our company suddenly?" Han Yun asked, puzzled.

The female employee looked at Han Yun timidly and said, "It seems, it seems..."

"If you have anything to say as soon as possible," Han Yun said, looking at the female employee.

Just listen to the female staff member plucking up the courage to say: "Mr. Han, the Yuwen family seems to be coming for you."

"At me?" When Han Yun heard Han Yun in front of him, Liu frowned.

"What do you mean?"

"It's not someone else who is making trouble this time. It was the flower girl who gave you flowers to President Han every day, Yu Wenjie."

Hearing what the staff in front of him said, Han Yun suddenly remembered Yu Wenjie.

Yes, she has been thinking of Li Tian in her heart these past two days, and she simply ignored that there were no roses on her table in these two days... I remember that Yu Wenjie sent roses almost every day, although Han Yun was disdainful. Gu, but when I suddenly remembered this time, she suddenly felt something was wrong.

I heard the staff in front of me say that it was Yu Wenjie who was making trouble? Han Yun secretly shouted badly.

"Are they there now?" Han Yun asked, looking at the female staff member at the door.

The female clerk in front said, "It's downstairs in our company."

"Okay, I'll go take a look." Han Yun, who was counting, was about to go out and went downstairs.

The female employee in front of her looked at Han Yun and frowned and said, "Mr. Han, are you really going to go down?"

Han Yun said, "What's wrong?"

"Mr. Han, those members of the Yuwen family are all arrogant and unreasonable... and I heard from the security guard downstairs that a lot of people have come... I'm afraid of you..."

The female employee is for Han Yun's safety considerations. Who knows in Liaobei Province that the Yuwen family goes to the municipal government and goes to the street gangsters... So she is afraid that Han Yun will be hurt.

But when she saw Han Yun, she smiled slightly: "Don't worry, I'll be fine."

Speaking, Ben Guo really walked downstairs quickly alone.

In the reception hall of Kobe Group Company.

But seeing a lot of people gathered.

From a distance, you can hear an arrogant and domineering voice yelling: "Call me Han Yun from your company..."

As soon as he spoke, he saw that it was the subordinate that Yu Wenjie had brought.

And Yu Wenjie? It was like an uncle sitting in the middle of the reception room with Erlang's legs crossed, with a hint of evil on his head-like face.

I don't know if they were street ruffians or mad dogs from the Yuwen family, yelling there.

Chapter 472: Li Tian came

Yu Wenjie brought a total of 78 people.

On the Shinhwa Group side, 56 security guards were also standing in the field, but they were all standing there silently who didn't dare to show one.

The female staff member at the reception desk was so scared that she did not dare to say a word, especially in the face of the wealthy Yuwen family, she did not dare to say a word.

This Yu Wenjie came to make trouble this time, and he was clearly aimed at Han Yun who didn't get his hands.

And for his own humiliation last time, Yu Wenjie must report back this time.

While these people were clamoring to find Han Yun, suddenly her Qian Yingguo really walked over the corridor.

"Who is looking for me?"

A clear and beautiful voice came from there.

Looking along the voice, she saw Han Yun, the ol beauty in professional attire, walking from the aisle, black stockings, high heels, **** slender figure with her delicate and flawless face.

The guys brought by Yu Wenjie who were yelling couldn't help turning their heads to look at that Han Yun at the moment, and they were all stunned when they saw this beautiful goddess.

I was completely conquered by the beauty of Han Yun.

At this time, Yu Wenjie also slowly turned that evil face and looked at Han Yun with a playful expression.

Of course Han Yun also saw him.

"Mr. Han..."

The female clerk at the reception desk saw Han Yun coming down from the stairs, and hurriedly walked behind Han Yun and shouted in a low voice.

As soon as Han Yun walked over, all the people brought by Yu Wenjie who had originally yelled stopped talking, and they were all there waiting for Yu Wenjie, the eldest son of the Yuwen family, to speak.

"Young Master Yuwen, why do you think of coming to our Shinhwa Group today?" Han Yun just walked forward pretty, looking at Yuwenjie with a smile on her face and said.

Her frown and smile were enough to make Yu Wenjie crazy, especially a woman that Yu Wenjie didn't engage in.

At this moment, Yu Wenjie slowly turned his sinister face to look at Han Yun.

"Han Mei, are you finally willing to see me?"

"Unexpectedly, I, Yu Wenjie, gave you roses for almost a month. Are you finally down and willing to see me?" He said with an evil smile on his mouth.

Han Yun also smiled faintly.

"Thank you, Mr. Yuwen, for the roses, but I really don't like roses very much...so I can only say regret for the kindness of Mr. Yuwen."

Han Yun said those words with a smile.

What about Yu Wenjie? Hearing Han Yun's words, a face instantly became extremely ugly.

But immediately became smirk.

"Do you know? You are the first time I Yu Wenjie didn't chase the woman..." He told the truth.

That Han Yun smiled faintly: "I just don't have that blessing."

"Don't tell lies in front of real people, I know you already have a boyfriend, right?" Yu Wenjie said suddenly.

When Yu Wenjie suddenly said that she had a boyfriend, Han Yun couldn't help frowning.

"How about, take your boyfriend out today? Let me see Yu Wenjie, he is better than me, Yu Wenjie to get there? Can you make you beautiful Han Damei so heartbroken?" Just listen to Yu Wenjie evilly said .

The Han Yun in front of her was speechless at the moment. What boyfriend did she have there, and she didn't even know who the character Yu Wenjie said was referring to.

"I don't have a boyfriend, how do you meet?" Han Yun said with a wry smile.

"You lied to me? Han Yun, if you lied to me, wouldn't it be great, right?" Yu Wenjie said suddenly.

Han Yun is really speechless. She doesn't have any boyfriends, so how could she lie to him?

"I really don't, whether you believe it or not, but I'm telling the truth." Han Yun said.

After Han Yun said this, Yu Wenjie in front of him suddenly stepped forward and suddenly leaned close to that Han Yun, and at the same time he grabbed Han Yun's delicate arm with one hand.

Han Yun was startled, and couldn't help backing back.

But Na Yu Wenjie grabbed his delicate arm.

The company security guards of the Shenhua Group next to them watched them being caught by Yu Wenjie one by one, all of them looked embarrassed and wanted to go up to help, but unfortunately they didn't dare to stand there timidly.

Han Yun was so scared that her pretty face turned pale when she was caught. Yu Wenjie, who was staring at the evil in front of him, said, "You, what do you want to do?"

Na Yuwenjie showed a wicked smile, and suddenly his mouth was close to Han Yun's ear and said: "Hand over that kid to me, I will let you go today!"

Of course, Han Yun didn't know who Yu Wenjie was talking about, and asked in a daze, "I don't know who you are talking about."

"It's the ***** who went out to eat with you hand in hand one day!" Yu Wenjie in front of him suddenly said with a gloomy expression.

Suddenly hearing what Yu Wenjie said, Han Yun suddenly understood.

He turned out to be that Li Tian?

Could it be said that one day when I went out with Li Tian in the snack street, this Yu Wenjie actually knew?

How would he know? Han Yun was stunned.

"Do you admit it now?" Yu Wenjie said with a grim look on his face suddenly.

At the same time, his hand, which was holding Han Yun's delicate arm tightly, slowly increased his strength.

Han Yun's delicate arm was pinched by a big man like this, and she suddenly felt pain, and wanted to break free, but unfortunately he couldn't break free...

"What do you want to do?" Han Yun said angrily.

Then Yu Wenjie sneered and said, "I just want to meet your little boyfriend... Is it so excited?"

When Yu Wenjie, who was here, was pulling Han Yun's arm extremely roughly, a voice suddenly rang from behind.

"You want me?"

Suddenly when this sentence came out, I didn't know that Li Tian, Tang Xiaolong, and A Qiu wearing sunglasses suddenly appeared.

When Li Tian came out all of a sudden, Han Yun was completely shocked.

How could he suddenly appear here?

Han Yun knew that since the moment Yu Wenjie came to the company to make trouble, the employees of Shenhua Group hurriedly called their boss.

As soon as the boss heard it was from the Yuwen family, he quickly reported to Li Tian.

Isn't this? When Li Tianyi, who was in the Siber Hotel, heard that it was from the Yuwen family, he wondered how did the Yuwen family suddenly come to Shinhwa Group? When Hu Rui finally heard that these people were coming for Han Yun, Li Tian was shocked.

So he quickly took the brothers to the Shinhwa Group.

I saw the scene before me soon after I arrived.

Li Tian held a pair of cold eyes and looked at Yu Wenjie coldly... Tang Xiaolong beside him had already started gearing up, and he whispered in his mouth, "I despise the guy who bullies women, especially bullies. Jerk of the woman."

Chapter 473: Arrogant and domineering

When Li Tian came over, Yu Wenjie couldn't help but raised his eyes and stared at his face.

The 78 members who had brought him by his side also looked at Li Tian with bad eyes at this time, as if they were ready to shoot at any time.

"You... why are you here?" Han Yun looked at Li Tiandao in surprise.

Li Tian smiled slightly, did not answer this sentence, but turned his head and looked at Yu Wenjie coldly.

The moment Yu Wenjie saw Li Tian, he could not wait to eat Li Tian raw, because this kid robbed his own woman! ! !

"You finally came out like a man? I thought you would only be a tortoise with a shrunken head hiding behind a woman..." Yu Wenjie said to Li Tiandao with a mockery in his voice.

Li Tian smiled faintly, and didn't care!

"I heard that you are from the Yuwen family?" Li Tian asked slowly.

Na Yuwenjie snorted coldly: "I didn't expect your dog eyes to be quite acquainted, so you know me."

"What the **** are you talking about? You have the ability to curse again?" Tang Xiaolong was the first to stand up unconvinced and said angrily when he heard Yu Wenjie's insulting Li Tian.

A sloppy guy beside Yu Wenjie reached out his hand unconvincingly as if he was about to push Tang Xiaolong.

As soon as one hand stretched out, before the words came out, Tang Xiaolong grabbed his arm with a grabbing hand, and then heard a scream...The boy's arm was suddenly broken!

Tang Xiaolong flew and kicked the guy under Yu Wenjie directly, and fell to the ground with a bang, clutching his arms and starting to scream, the whole person screamed like a thousand swords.

"Come on for those who are not afraid of death!" Tang Xiaolong yelled and shouted.

As soon as Tang Xiaolong acted, the other men beside Yu Wenjie eagerly wanted to rush up, but they were stopped by Yu Wenjie with an ugly face.

Because Yu Wenjie knew in his heart that Li Tian was definitely not an easy character, and now Tang Xiaolong suddenly appeared.

Don't forget, in the scene at the snack street, Li Tian in front of him easily beat his bodyguard, Lei Ba, to the ground...

So he is very self-aware to stop the people around him.

The current Yu Wenjie can't help feeling regretful, regretting that he brought so many wastes today...

Where is Li Tian over there? He also gave Tang Xiaolong a slight gesture, and motioned him not to act rashly.

"Let go of her arms..." Li Tian said, staring at Yu Wenjie in front of him suddenly.

Yu Wenjie is also a figure in the four big families, how can he let it go.

"You let me let me go? Why are you?"

As soon as he spoke a word, Li Tian suddenly felt a chill in his eyes, and before he could see what the movement of his hand was, Yu Wenjie suddenly felt his arm gripping Han Yun suddenly numb. Can't help but open his hand.

The shocked face is there!

What about Li Tian? After a move, the other hand gently embraced Han Yun's waist to one side.

Han Yun was stunned right now, leaning against Li Tian's chest, only feeling that Li Tian's chest was so wide and so warm.

Na Yuwenjie wanted to scold, but suddenly he felt something was wrong.

Because of the cold breath emanating from Li Tian, that Yu Wenjie couldn't help being stunned... an icy chill from the soles of his feet straight up, cold and terrifying, holding those incredible eyes. Looking at Li Tian without blinking: He didn't know why, how could the guy in front of him give people an extremely terrible feeling?

Who is he? Why have you never heard of this character in the entire Liaoning Province? And can you attack yourself with gestures? It was terrible, Yu Wenjie thought to himself.

"Who are you?" Yu Wenjie suddenly looked at Li Tian coldly and asked.

Li Tian smiled faintly.

"Who am I? You will know soon."

"Don't pretend to be a fool in front of Lao Tzu... I tell you, boy, if you want to spread wild on this land in northern Liaoning Province, at least you have to pee and see if you have this ability... Offending our Yuwen family you would be dead ."

"You **** better put your mouth clean on Lao Tzu. You dare to say a word of dirty words to my little boss. Lao Tzu will be the first to kill you." Tang Xiaolong shouted.

Na Yu Wenjie took a step back subconsciously, and he did feel that the people around Li Tian felt a little unprovoking.

"Okay, you have a seed! I, Yu Wenjie, remember you." Just listen to Yu Wenjie's sudden hatred.

Li Tian just showed a faint smile on his face, looked at Yu Wenjie and said, "Just remember me."

"Oh, yes, and you better not harass her in the future." Li Tian pointed to Han Yun and said word by word.

Then Yu Wenjie turned his head and looked at Li Tian angrily: "Are you really her boyfriend?"

"So what?"

Li Tian suddenly admitted.

When he suddenly admitted that he was Han Yun's boyfriend, Han Yun was stunned, and then that beautiful and delicate face turned blushing in an instant.

I just listened to Li Tian, who admitted that it was Han Yun's boyfriend, continue to say: "I'll tell you again, if you dare to come to the Shenhua Group to cause trouble, or dare to trouble her, I promise you will Make you regret it."

Listening to Li Tian's vicious words, Yu Wenjie only felt that what he said was definitely not a joke.

Yu Wenjie, who had always been arrogant and arrogant in Liaobei Province, couldn't help swallowing deeply when faced with a stranger who suddenly felt terrifying all over his body.

"Okay! You have a seed!"

"You wait for me..."

"From now on, if my Yuwen family doesn't take care of you, my last name will be with you!"

After Yu Wenjie uttered a cruel word at the end, he led his men and left quickly.

He was so careless today that he brought so many low hands over. If he really wants to start, his small houses are not worthy of others to clean up.

So Yu Wenjie can only leave here with self-knowledge.

But because of this incident, it was the first time that Li Tian and the Yuwen family had a positive contact.

In fact, according to Li Tian's budget, he did not want to have positive contact with the Yuwen family at this time, because this would hinder his next plan.

But what Li Tian in front of him did not expect was that these people would dare to come to Shenhua Group to find Han Yun's troubles.

So Li Tian had to come forward to help Na Han Yun.

Besides, after Yu Wenjie left with his own person in a desperate manner, Tang Xiaolong said with a dissatisfied expression: "Little boss, why don't you fix that **** bastard?"

Just listen to Li Tian said lightly: "It's not necessary."

"It's not the time for a head-on conflict with the Yuwen family! Besides, the guy just now is just a small character in the Yuwen family. There is no need to ruin our trip to Liaobei for this inconspicuous role. "

Chapter 474: Overcast

What Li Tian said was pretty good. Although Na Yuwenjie was known as the Great Young Master in Liaobei Province, he was indeed a very small role in the Yuwen family.

Li Tian turned his head slowly and looked at Han Yun behind him with a smile and said, "Are you okay?"

At this moment, Han Yun dared not look up at Li Tian, but lowered her head slightly and said, "It's okay! Thank you for helping me."

Li Tian smiled sincerely: "It doesn't matter,"

"You're okay, I'm relieved."

When Han Yun heard Li Tian say this, she finally lifted that delicate face slowly and looked at Li Tian: "Why are you here?"

Li Tian smiled faintly: "You Dong Hu called me and said someone was harassing you, so I rushed over as soon as possible." Listening to Li Tian's words, Han Yun suddenly understood what happened.

"In the future, you can rest assured, I promise that Yu Wenjie will not harass you again! Because I will protect you." Li Tian said slowly.

When Li Tian said to protect her, Han Yun's pretty face turned red again.

Her heart throbbed even more.

Two people stood there without talking.

Tang Xiaolong next to him watched with satisfaction as his elder brother was talking to the beautiful Han, and stretched out his hand for the cold Aqiu who was standing next to him, and then blinked twice at that Aqiu.

The meaning of course is not to destroy the current atmosphere.

Na Qiu seemed to feel it, and the cold face wearing sunglasses glanced at Tang Xiaolong in front of him, then followed, and the two walked to one side.

Li Tian and the beautiful Han Han are fighting here.

After this incident, both of them were obviously embarrassed, especially Han Yun.

She stood there blushing a little at a loss, and finally raised her head and said: "If there is nothing going on... Then I will go back to work at the company."

Listening to her leaving, Li Tiandao said, "Is your arm okay?"

Han Yun shook her head lightly, and said, "It's okay." Then she hesitated for a while, but still walked upstairs to the company.

On the contrary, Tang Xiaolong and A Qiu came over at once.

"Little boss, why don't you talk more about conversation?" Tang Xiaolong said with a smile.

Li Tian said slightly, "What to say? There is nothing to say."

"I'm going, I really don't understand my daughter's mind." Tang Xiaolong said to Li Tian contemptuously.

Li Tian laughed haha.

"Let's go, let's go back to the hotel."

Li Tian brought his brothers back to the hotel in Nasibo.

After arriving at the hotel, they saw that the black and white Shuangsha just came out of the hotel with an ugly look.

When they saw Li Tian, the two of them just faintly called: the five elders.

Then he turned around and hurriedly wanted to leave.

"Wait..." Li Tian suddenly stopped the black and white Shuangsha.

"What's the matter with you two?" Li Tian couldn't help but asked, looking at the weird faces of the two.

Then Bai Wusha quickly changed his face and said with a treacherous smile: "What's wrong with our brothers?"

"Really?" Li Tian frowned and looked at them.

Just listen to Bai Wusha chuckling: "Fifth Elder, if there is nothing else, our brothers will go out and do something else."

After speaking, they followed the impermanence and quickly walked out of the Siber Hotel in front of them.

Watching the black and white pairs leave the Siber Hotel in a hurry, Li Tian couldn't help standing there silently, looking at them.

"Little boss, what's the matter? Did those two **** do something bad behind you?" Tang Xiaolong stepped forward and asked.

Li Tian nodded slightly and said, "Forget it, just ignore them."

"The only thing we need to do now is to find Qiao Zhi quickly." After Li Tian finished speaking, he walked quickly to the Silber Hotel in front of him.

After the black and white Shuangsha quickly left, the two of them turned around and quickly walked towards the other block.

On the road, the black impermanence had a gloomy face and never said a word, but Bai Wusha frowned and said suddenly: "Hei, you said that Missy will not come to Liaobei Province, right? ?"

"I don't know." Hei Wuchang said coldly.

"But what the clan owner said is true, the eldest lady may have really left the Duanmu family, and it is likely that she has already come to Liaobei Province.

Listening to their words, it seems that they must have heard the news of Duanmuying's escape from the Duanmu family.

"Hey, this eldest lady is also true, how could she betray our Duanmu family?" Bai Wusha sighed slightly.

"Don't worry about so much, the two of us only need to execute the order..." Hei Wuchang said with a cold face.

"Then what if I see the eldest lady showing up at the airport?",

"Grab!"

A word was spit out from the impermanent mouth.

It turned out that the black and white Shuangsha at the moment received an order from the head of the Duanmu family this morning, ordering the two of them to guard the airport for these two days.

Because it is said that Duanmu Ying, the eldest lady of the Duanmu family, has escaped from the Duanmu family and released the prisoners in a dungeon.

It is very likely that they are coming towards Liaobei Province, so Duanmu Heiming issued an order to let the black and white Shuangsha go to the airport to intercept Duanmuying and the others.

Now the black and white Shuangsha has contacted the members of the Duanmu family underground in Liaobei Province. The exit of the Liaobei International Airport is guarded by members of the Duanmu family. Once the Duanmuying really came to Liaobei by plane If you do, you will definitely be caught.

Now even the black and white Shuangsha are rushing to the airport over there, it can be seen that this matter is an extremely important matter for the Duanmu family.

The Duanmu family in Jinghai City has been in a state of perpetual cloud.

The faces of every family member are heavy, because everyone knows that their family's eldest lady "betrayed" the family.

In the family hall, but seeing Duanmu Heiming ugly sitting on the black wooden chair at the front.

Next to him stood the Black Hawk in Anbe, and on the other side stood the charming Hua Sanniang.

In the center of the hall are several members of the Duanmu family who are wearing black robes kneeling, a total of 4 people.

The four of them knelt down motionless as if they had done something serious.

"Tell me, what kind of trash you are, let her escape?" Duanmu Heiming on the black wooden chair roared.

The language full of infinite anger echoed for a long time throughout the dim hall.

The four Duanmu family members in black robes in front of them were the guards of the dungeon...one by one kneeled on the ground and did not dare to show one.

"Say!" With Duanmu Heiming's roar.

Chapter 475: Find Chen Qiaozhi

One of the Duanmu family members, who was kneeling in the middle, finally said slowly from his mouth: "The head of the clan... the subordinate **** it!"

"But... the subordinates never thought that the eldest lady... the eldest lady would... rob the dungeon."

When he uttered a word, Duanmu Heiming suddenly showed a black terrifying aura, and that terrifying murderous aura filled his whole body.

"Didn't I say that no one can enter the dungeon without my order?" Duanmu Heiming said coldly suddenly.

The four men kneeling in the middle were all speechless at this time, and their heads were deeply lowered.

"Asshole!"

"I don't think you have taken my words to heart... come, pull them out of me and bury them!" Duanmu Heiming said angrily.

At this moment, the four Duanmu family members who were kneeling on the ground completely slumped up...

"Clan Lord, please spare your subordinates..."

"Patriarch..."

But no matter how they begged, Duanmu Heiming didn't look at them directly. A dozen members of the Duanmu family came from outside, dragging the four members who were kneeling on the ground and shouting hoarsely, and quickly turned toward them. Pull it out of the hall.

Buried alive!

If you do something wrong in the Duanmu family, you will only be punished by death!

So these four people must die.

After pulling down the four people, Duanmu Heiming angrily slapped on the black chair in front of him, with a click, the black hard wooden chair was directly interrupted by his powerful and terrifying palm.

Hua Sanniang next to her was smiling viciously.

Suddenly, he said, "Heiming, it seems that this dungeon robbery was really done by your precious daughter."

Listening to Hua Sanniang's words, Duan Mu Heiming snorted, his five fingers clenched tightly, his eyes exuding scary eyes.

Hua Sanniang continued: "Heiming, I know you love her, but she actually did something that goes against you... It's better now, not only letting the woman in the dungeon contain the woman surnamed Li Xiaozi let go, but also Your face has also been lost to the entire Duanmu family... hey..."

"Shut up your mouth!" Duanmu Heiming suddenly roared.

As soon as the words were spoken, the Hua Sanniang hurriedly shut up, not daring to say more.

"You don't say those cool things in front of me, the owner knows how to do this." Duanmu Heiming said angrily.

The black eagle, the leader of the Anbu on one side, suddenly took a step forward and said: "The patriarch, at present, I have notified the black and white Shuangsha, and asked them to send people to stare at the airport in northern Liaoning Province for 24 hours. If you find the lady, you will definitely There is another woman who can catch her."

"Yeah!" Duanmu Heiming said in a low voice.

"This dead girl... actually did such a rebellious thing." Duanmu Heiming said angrily.

"Patriarch, do you think it's the kid whose eldest lady likes the luggage?" Black Hawk said boldly.

Hearing that Black Hawk suddenly said so, Duanmu Heiming suddenly turned the pair of ferocious eyes and stared at Black Hawk: "What did you say?"

The Black Hawk couldn't help taking a step back, slowly lowered his head, and said, "The subordinates are just telling the truth..."

"If it wasn't for the eldest lady who liked the boy named Li, how could she betray you? I guess the eldest lady must have known our plan to kill the boy named Li, so she left the Duanmu family and went to northern Liaoning. The province lied to the boy named Li."

Black Hawk said without fear of death.

Is there any reason why Duanmu Heiming is so treacherous? Regarding everything Black Hawk said, he knew it was true in his heart, but he couldn't believe it!

He couldn't believe that his daughter of Duanmu Heiming would actually like a "chess piece" he used, and it was a "chess piece" about to be killed.

So he is angry now!

"Black Eagle, I now order you to hurry to Liaobei Province." Na Duanmu Heiming said suddenly.

"And prevent her from meeting Li Tian as much as possible! Bring her back to me no matter what... Even if it's caught, you must catch her back to me."

The black eagle in front of him was taken aback, stood there and nodded: "Yes!"

"The subordinates will start now."

After Black Hawk received the order, he quickly left the Duanmu family, and then led the Anbu people to rush towards the northern province of Liaoning.

Now Duanmu Heiming certainly can't let his daughter tell Li Tian about his plan.

Because once he tells Li Tian, Li Tian will probably not help him again, then the perfect plan he has been expecting all the time will be completely destroyed.

So now, no matter what, he has to send people to the northern province of Liaoning to prevent Duan Muying from meeting with Li Tian.

Duanmu Heiming I was a hero, but he never thought that his daughter would betray him. How could he not hate it! Not angry!

Li Tian didn't know now that Duanmuying had betrayed their family for him, and despite the danger, she rescued Li Tian's favorite woman "Situ Ningbing."

He is still worried about the plan of Liaobei Province.

Inside the Siber Hotel, since Li Tian first dealt with the Yuwen family today, his face looked very solemn.

Always sit in the hall and smoke.

He is not clear about the power of the Yuwen family now. He knows that his first contact with the Yuwen family today has clearly exposed his identity. Fortunately, Yuwenjie is just a young man, he is not worried, but he still Worried about what happened to him in Northern Liaoning Province, besides, he has not found Chen Qiaozhi yet.

Li Tian, who was smoking in the room, suddenly saw Tang Xiaolong coming from the room over there holding the phone and running over excitedly: "Little boss, finally found the sick ghost." Tang Xiaolongman Said excitedly

When Li Tian heard this, he found Chen Qiaozhi, and was immediately excited: "found it?"

"Yes, just now my buddy called me and said that he saw the sick ghost on Huachuan Road." Tang Xiaolong said with a smile.

"Grandma's, where did this sick ghost run away for so many days? It hurt our brother all the way to find it."

Ah Qiu also walked out of the room.

"Then let's find Qiao Zhi now."

After saying nothing, Li Tian squeezed out the cigarette **** in his hand, quickly opened the door of the hotel, and then quickly hurried towards Huachuan Road with Tang Xiaolong and A Qiu.

Huachuan Road is not very far from Xiboer Hotel.

If you take a taxi, if the road is not blocked, you can get there in 20 minutes.

Now Li Tian took his brothers into a car and hurried to Huachuan Road.

"Do you know where Qiao Zhi lives?" Li Tian in the car asked Tang Xiaolong.

Chapter 476: Brotherhood

Tang Xiaolong said: "Yes, my brother said he lives in that one."

"That's good."

Soon they took a taxi to Huachuan Road.

After getting there, the three of them quickly got out of the car. Then Tang Xiaolong took the cell phone out of his arms, called his brother, and drove a dilapidated Ford car from the other end of Huachuan Road in a short while.

"Is this your brother?" Li Tian blinked and looked at the Ford driveway.

Then Tang Xiaolong smiled and nodded, then ran over quickly.

After the Ford door opened, a young man of about 2425 came out from inside.

He was a little thin, his eyes squinted, and he walked out of the car.

"Brother Long." The young man shouted to Tang Xiaolong after getting off the bus.

It turned out that this person was also in the army before, only one term later than Tang Xiaolong, and he was also a special soldier.

Tang Xiaolong smiled and walked over, and Li Tian and A Qiu followed in the same way. The young man couldn't help but blink and looked at Li Tian and A Qiu.

"Introduce, this is my elder brother, this is my brother." Tang Xiaolong pointed to Li Tian and Aqiudao.

The young man looked at Li Tian and Na Qiu smiled: "Hello, big brothers."

Li Tian also smiled faintly: "Hello."

Tang Xiaolong asked: "By the way, the person I asked you to find, are you sure it is him?"

"Of course I'm sure, brother, don't worry about my affairs."

"Haha, where is the sick ghost now?"

"just in front."

"Find it now?" The guy looked at Tang Xiaolong and asked.

"Nonsense, of course go now." Tang Xiaolong said.

"Then, get in the car and I will take you there."

The young man who was talking got into the car, and Li Tian and Tang Xiaolong followed suit.

After the car quickly adjusted its head, then stepped on the accelerator, and the car quickly drove forward.

When he reached the front row of low-rise bungalows, the young man stepped on the brake and the car stopped.

"Brother Long, the person you asked me to find lives in the house in front." He said while pointing to a bungalow not far away.

"Haole, thank you." Tang Xiaolong just listened to his brother as he opened the door.

The brother smiled slightly: "It's okay, help Brother Long with this small favor... it should be."

"Brother Long, if there is nothing wrong, I will withdraw first. If you have anything to ask my brother to help you later, don't hesitate to talk." The young man said while starting the car.

"Okay, bye."

Tang Xiaolong waved at the brother behind.

Li Tian also looked at the brother who drove away and said, "Unexpectedly, your brother is pretty good..."

"Hehe, when that kid was bullied by others when he first joined the army, I had a meal with that group of people. From then on, he had to recognize me as the big brother..."

"It turned out to be like this." Li Tian said with a smile.

"Let's go, let's see the sick ghost, I want to see what the **** is he doing this time?"

Tang Xiaolong, who was talking, took Li Tian and Aqiu quickly towards the place the young man pointed at.

After the three people came to the bungalow door, they found that the door was closed and not locked.

Tang Xiaolong smiled badly and said, "Damn, I want to see what the dead and sick ghost is doing here all day long!" As he said, he pushed the door open, and the first body flashed. Go in.

As soon as he flashed in, he suddenly felt a strong wind hitting his face.

Looking closely, a claw-shaped hand grabbed his eyes, clearly trying to blind his eyes. Tang Xiaolong was shocked, and at the same time, he shot quickly, blocking the fatal blow.

Then he saw the sick scholar Chen Qiaozhi who shot at him in the room.

"Fuck you, uncle...you die sick, do it as soon as you meet." Tang Xiaolong almost jumped up and cursed there.

It was Chen Qiaozhi in the room. When he saw that it was Tang Xiaolong, he put his hands away slightly, still wearing a pair of gold glasses, and his pale sick face gave Tang a calm look. Xiaolong said quite surprised: "Why are you here?"

"I'm **** your sister...you're a sick ghost, how long I have been looking for you, you still say that!" I only heard Tang Xiaolong say.

And what about the sick scholar Chen Qiaozhi? He held his glasses slightly with his hand, and then looked at the door with surprised eyes.

Because he suddenly discovered that Tang Xiaolong was not here alone this time, and there were people outside the door.

Ah Chou!

Chen Qiaozhi frowned slightly when he saw Ah Qiu.

"Sick ghost, guess who's here?" Tang Xiaolong said with a mysterious smile, leaning on a table and looking at Chen Qiaozhi, while looking at Chen Qiaozhi's residence with his eyes, there are books everywhere in the room. The heavy books and some medicine bottles filled the room with a smell of medicine.

At the moment Tang Xiaolong said it, he saw a familiar figure finally walked out from the door.

He looked at his long-lost brother with a smile and excitement on his face.

Li Tian.

When Li Tian's figure came out from there, Chen Qiaozhi was completely stunned.

Looking at Li Tian with a pair of surprised and unbelievable eyes: "Li Tian..."

"You...you...you are not dead?" Chen Qiao was there with a shocked face.

"Fuck, how could the little boss die?" Tang Xiaolong said aside.

Li Tian in front of him slowly shook his head: "I'm not dead, I'm fine now."

Chen Qiaozhi, who finally saw Li Tian again, was speechless except for excitement.

"What the **** is going on? How could you suddenly appear here?"

Li Tian smiled and said, "I came to you with Xiaolong and the others."

"You are not dead, that would be great."

One of Chen Qiao came over and tightly grasped Li Tian's hand.

"I thought...when you were in Jinghai City, you...you..." Chen Qiaozhi said with a choked voice.

Li Tian also held his brother's hand tightly: "I didn't expect that I would survive at that time, but no matter what, I finally survived, and finally I can see you alive."

"It's better to live, it's better to live than anything else!"

"Stop talking...Fuck, it's so fleshy, sick, the little boss brought us to you this time but let you do something." Tang Xiaolong said on the side.

Chen Qiaozhi hadn't eased his excitement yet, but he didn't pay attention to Tang Xiaolong.

Looking at Li Tiandao, he said, "Did you not be taken away by the Duanmu family that day? How could you be well now?"

Chapter 477: Real brother

Li Tian hadn't spoken yet, but Tang Xiaolong took the lead and said: "You don't know, how awesome the experience you know, do you know who the little boss is now?"

Chen Qiaozhi was slightly taken aback: "What do you mean?"

"I tell you, the little boss is now one of the no-big elders of the Duanmu family," Tang Xiaolong said.

Listening to Tang Xiaolong saying this, one of Chen Qiao was stunned, and his mouth was upside down in shock: "What? One of the five elders of the Duanmu family?"

"That's not it?"

"Our little boss entered the dark and evil Duanmu family that time, and he was a blessing in disguise, and now he has achieved the position of elder." Tang Xiaolong said with a smile.

Chen Qiaozhi couldn't believe it.

"Is what this guy said is true?" Chen Qiaozhi looked at Li Tian questioningly and asked.

Li Tian smiled faintly: "I was indeed forced to join the Duanmu family because there are many things..."

So Li Tian told once again all the experience he had experienced after leaving the brothers. When he said it, Chen Qiaozhi couldn't help being completely speechless.

The magnificent experience really shocked Chen Qiaozhi in front of him, "I can't imagine you have experienced so much along the way!!" Chen Qiaozhi said sincerely.

Li Tian just smiled faintly.

"Qiaozhi, I came to you this time, but I actually want you to help me this time." Li Tian looked at Chen Qiaozhi and said slowly.

Chen Qiaozhi in front of him did not say anything, and nodded directly.

"No problem, if there is anything I can do, I will definitely do it." Chen Qiaozhi said.

Listening to what Chen Qiaozhi said before him, Li Tian finally felt relieved.

"We came to Liaobei Province this time because we wanted to get something from the Yuwen family!"

A word suddenly came out of Li Tian's mouth.

"Yes, and it was taken without knowing it." Tang Xiaolong added at the back.

Hearing what they said, Chen Qiaozhi frowned, his face was ugly, and his mouth was horrified: "What? Stealing something from the Yuwen family?" Chen Qiaozhi showed such an ugly face for the first time, and at the same time looked at Li in surprise. There is still Tang Xiaolong.

"What's wrong? Don't you dare?" Tang Xiaolong said aside.

Li Tian also looked at Chen Qiaozhi in front of him, waiting for his words.

Chen Qiaozhi was silent for a while, then raised his eyes. Those smart eyes with glasses stared at Li Tian and asked, "Are you not familiar with Yuwen family?"

Li Tianque didn't know the Yuwen family very well, so he nodded faintly, and said, "Yeah."

"No wonder, no wonder you are going to the Yuwen family to steal things!" Just listen to Chen Qiaozhi.

"What do you mean?" Li Tian asked.

Just listen to Chen Qiaozhi said: "Although I don't know why you are going to steal something from the Yuwen family, if it were me, I would never make such a stupid decision, because as long as it is an outsider, everyone knows. If you want to steal something from the Yuwen family, you'd better prepare the coffin first."

Chen Qiaozhi told the truth.

But Tang Xiaolong was unhappy when he heard it, and immediately cursed: "Sick ghost, you know a bird, do you know that the little boss has poisoned the Duanmu family's Sanshengmen poison? If you don't steal the Yuwen family Anything, the Duanmu family will definitely cause the little boss and death."

"What the **** do you think we want to steal from the Yuwen family? If it wasn't for the big brother, who would have nothing to provoke that family." Tang Xiaolong said angrily.

When Chen Qiao heard this, he slowly raised his eyes and looked at Li Tian.

"What he said is true? Are you really poisoned by the Duanmu Family Sanshengmen?" Chen Qiaozhi asked Li Tian with horrified eyes.

Li Tian smiled bitterly.

"I'm fine!"

"I have always heard that trying to steal things from the Yuwen family is very difficult and dangerous. Listening to you today, it seems that it is really difficult and difficult."

"Sorry brothers, I shouldn't take your lives to take this risk. From now on, you don't want to get involved in this matter anymore."

"I know the brothers' love for me, and I also deeply remember it, but this action, I hope you can all listen to me."

Li Tian said sincerely looking at the three brothers.

Although I heard that Tang Xiaolong said before that the Yuwen family is quite strict and has many institutions. If you want to steal something from it, you are probably risking your life, but Li Tian

always feels that Tang Xiaolong sometimes speaks too much. , But after I found Chen Qiaozhi again today, Li Tian understood it completely when he heard him say this.

Because Chen Qiaozhi was originally an extremely cautious person, and he was very good at planning. Even a character like him said that it is impossible to steal from the Yuwen family, so there is no doubt that the Yuwen family is really very Difficult to deal with.

So Li Tian didn't want to let his good brothers intervene in this matter anymore. If he failed, he would probably hurt his brothers.

But when Li Tiangang said it, Tang Xiaolong was unwilling.

"Who is **** afraid of death? Besides, isn't it just going to the Yuwen family to steal something? I don't believe it anymore, it's so **** hard!"

"If someone is scared, they don't need to be a tortoise! I'm fucking...do you need to beg him?" Tang Xiaolong said contemptuously to the Tao of Chen Qiao.

Chen Qiaozhi smiled bitterly, and slowly held his glasses with his hands.

"Who said I was scared? Who said I can't **** go?" Chen Qiaozhi, who has never lost his temper like a scholar, suddenly lost his temper and said angrily.

His sickly white face became even more pale in an instant, staring at Tang Xiaolong viciously.

Tang Xiaolong laughed suddenly.

"Sick ghost, didn't you just say not to go?"

"Fuck! What did you say when you didn't listen to me? I just said that trying to steal something from the Yuwen family is dangerous and difficult, but this matter is about Li Tian's fate, can I just not do it? ? Even if it is dead, can I not do it?"

"That's right, is this our brother! Haha." Tang Xiaolong said with a smile.

"Shut up to me, you are a stubborn brain." Chen Qiaozhi shouted at Tang Xiaolong.

On the contrary, Li Tian looked at his three brothers with satisfaction, his heart was moved besides the silent gratitude.

"I really shouldn't let you get involved in this matter..." Li Tian said guiltily.

"Brother, don't say that if you are a brother." A Qiu suddenly said.

"Yes, Ah Qiu finally said something human." Tang Xiaolong said from the side.

Chen Qiaozhi also looked up at Li Tiandao and said, "Can I see the Sanshengmen Poison on your body?"

Li Tian nodded slightly, and then slowly opened the clothes on his chest!

But seeing that a black line thick with a thumb on his bronze chest has almost penetrated into his heart...Sick student Chen Qiaozhi frowned at the black line on Li Tian's body, and sighed slightly.

Chapter 478: Forbidden area and secret room

"Sure enough, it is the deadly Sanshengmen poison of the Duanmu family."

"And it's been a long time... If you want to save it, you can only rely on the unique antidote of the Duanmu family. No other medicine can cure it."

Listening to what Chen Qiaozhi said, Li Tian smiled bitterly at that, and he knew in his heart that the Duanmu family's Sanshengmen was very poisonous.

"I'm fine." He said as he buttoned his clothes.

But the brothers showed ugly faces, because everyone understood that Li Tian's words were only words to comfort them.

"Little boss, don't worry, there are brothers, even if you lose this life, they will help you get the antidote." Tang Xiaolong slapped his chest and said with a vow.

Li Tian smiled.

"Sick ghost, I have already said what I should say, what do you think?" Tang Xiaolong turned his head and looked at Chen Qiaozhi in front of him.

Chen Qiaozhi's pale face turned slightly, and then he held the golden glasses on the bridge of his nose with his hand.

Slowly said: "If you really want to attack the Yuwen family, you must find him!"

A word suddenly came out of Chen Qiaozhi's mouth.

Tang Xiaolong next to him heard Chen Qiaozhi say so, he laughed suddenly.

"Is it Old Monster Ge?"

Chen Qiaozhi nodded silently.

"If there is one person in this world who can enter the Yuwen family and come out unharmed, that person must be him."

"Old Monster Ge."

Chen Qiao said word by word.

Listening to Chen Qiaozhi's evaluation and what he had learned from Tang Xiaolong's mouth before, Li Tian felt that the character called Old Monster Ge was a very interesting person.

"That's right, I think so too. If the old pervert can join our action this time, I believe that the guards of Yu Wenjie's family are so strict, and I can guarantee that we can enter safely." Tang Xiaolong said. .

"The Yuwen family is one of the four major families in China. In terms of financial resources, it can be called the first of the four major families."

"It is said that the Yuwen family has always had treasures, and they are still hidden in the Yuwen family's secret room, Li Tian, if we really want to go to the Yuwen family, what are we going to get?" Chen Qiaozhi in front of him looked at Li Tian and asked. .

But when asked by Chen Qiaozhi, Li Tian was depressed, because he didn't even know what he was going to get from the Yuwen family.

So he could only shook his head and said distressedly: "I don't know now."

"Huh? You don't know?"

"The patriarch of the Duanmu family is extremely sinister. He said that only when he acts, will the black and white Shuangsha tell me what is what." Li Tian said truthfully.

"Mother, really treacherous." Tang Xiaolong said angrily.

"This is not easy, because now we don't know what the Yuwen family stolen..."

"Fuck it, no matter what you steal then, let's steal it." Tang Xiaolong said brainlessly.

Chen Qiaozhi gave him a deep white.

"No matter what you steal this time, it's best to remember that there are two places in the Yuwen family that you absolutely cannot go to."

"One is a place called the restricted area by the Yuwen family. According to legend, there are endless institutions in the restricted area. Except for the elders of the Yuwen family and the elders of the Yuwen family, no one knows how to break through the restricted area. , Even people from the Yuwen family dare not enter without authorization. Anyone who enters will undoubtedly die." Chen Qiaozhi said slowly.

He didn't seem to be joking, but his face was very serious.

Li Tian and Tang Xiaolong next to them were all shocked when they listened.

"Then there is another place?" Tang Xiaolong asked.

"You can't enter another place!" Chen Qiaozhi said with an ugly face.

"Why?"

"Because to enter the second place, you must first break through the restricted area!" Chen Qiaozhi.

"Nima, what do you mean is that if you want to go to the second place, you have to go through the restricted area?" Tang Xiaolong asked depressed.

Chen Qiaozhi nodded.

"The second place is the secret room of the Yuwen family... It is said that there are ancient treasure maps and rare treasures in the secret room of the Yuwen family. These rumors are still circulated in the Tao, but I can guarantee that no one dares to fight at will. Pay attention to the Yuwen family, because everyone knows that since ancient times, people who want to enter the Yuwen family's secret room have not yet come out alive."

Listening to Chen Qiaozhi's words, Li Tian and his brothers were speechless.

Now they have only one thought in their hearts: that is, the things Li Tian wants to steal should not be in these two places, especially the secret room... Even Li Tian thinks this way.

Tang Xiaolong blinked his eyes and said to Chen Qiaozhi: "Fuck, don't scare people, we haven't gone yet? You said the Yuwen family so much...your mother."

"You don't have to believe it, but you'll know when you try."

"As one of the four major families, the Yuwen family, do you think he can stand for so many years for no reason? And it is still extremely prosperous now?" Chen Qiaozhi said to Tang Xiaolong contemptuously.

Tang Xiaolong was originally a rough person, so he didn't consider these details at all.

Li Tian thinks what Chen Qiaozhi said is not bad.

He didn't know the four major families in China. The Ouyang family, the wealthy and powerful family, was in Jinghai City...domineering and mighty! The clan can't help but have the god-level Ouyang family elder, as well as the famous four elders.

What about the dark Duanmu family? Sinister and vicious, worshipping hell... Li Tian personally stayed in the Duanmu family for so long, so he knew the true power of the four big families better than anyone else.

Now that they were dealing with the Yuwen family, which was side by side with the Duanmu family and the Ouyang family, thinking about it with their toes could also feel how powerful they were to face.

"Qiao Zhi's analysis is good, this time I am going to steal something from the Yuwen family, I am sure it will never be that simple, so everyone must be prepared for everything first."

"Sick ghost, since you know the Yuwen family is so difficult to deal with, don't hurry up to find the old monster." Tang Xiaolong said in front of him.

He obviously meant to let Chen Qiaozhi find Old Monster Na Ge.

Chen Qiaozhi gave Tang Xiaolong a glance and said, "You think I don't want to find him!"

Tang Xiaolong frowned upon hearing this: "Then you mean, don't you know he is there?"

"Nonsense, he is him, I am me, why should I know he is there?" Chen Qiaozhi said displeased.

"Fuck, haven't you two been working together before?" Tang Xiaolong said.

"The gang has broken up. I don't even bother to work with him for the old man."

Chapter 479: Two beauties

"Aren't you making trouble again? Hey... Sick ghost, don't quarrel over those trivial matters. Let's find the old monster as soon as possible. Although we have time, the little boss does not have much time." Tang Xiaolong saw the Sanshengmenpo poison in Li Tian's body just now.

Listening to Tang Xiaolong's words, Chen Qiaozhi thought he was right.

He raised his eyes and looked at Li Tiandao and said, "Don't worry, even if I give up this face, I will bring that old monster to see you in the past two days."

Li Tian listened to Chen Qiaozhi's vows and smiled.

"Fuck, is this a sick scholar..." Tang Xiaolong said with a laugh.

And Li Tian was also more happy in his heart, and at the same time he couldn't help wondering in his heart, what kind of strange person Ge Old Monster they were talking about? Is it so coquettish?

After finding Chen Qiaozhi, of course Chen Qiaozhi followed Li Tian.

When Chen Qiaozhi left, he found all the medicine bottles in his room in a pocket, and then put them all in, and put the books on the shelves neatly stacked one by one, there were two big bags before leaving. .

Li Tian looked at the piles of books and medicine bottles, and couldn't help thinking in his heart, why did Chen Qiaozhi bring so many things there?

Especially how does he always look sick? And you don't take medicine?

He took a taxi and put all the luggage in the trunk at the back, and then the brothers sat in the compartment.

After talking to the taxi master to go to the Nassibar Hotel, the driver started the car, and the taxi in front of him quickly drove forward.

Several brothers talked and laughed on the road, and the three first brothers finally got together. Of course they were relatively happy.

"Sick ghost, do you know? Now there are two extremely disgusting guys with the little boss, one is Heiwuchang and the other is Baiwusha... Grandma, how do I think these two people are not pleasing to my eyes? , If the little boss hadn't let me do anything before, I would have to beat those two **** to the ground."

Chen Qiaozhi just nodded slightly.

"Are those two people from the Duanmu family?" Chen Qiaozhi asked.

"Of course, they are the characters sent by the clan master of the dark family to monitor the little boss. This time we go to the Yuwen family to steal things, obviously these two **** will also follow."

"Really?" Chen Qiaozhi was taken aback, raising his eyes to look at Li Tian.

Li Tian nodded slowly there.

"Xiaolong is right."

"Those two are indeed the ones sent by the Duanmu clan master to monitor me... I'm afraid they will follow this operation."

Chen Qiaozhi thought for a while and said, "Do you want to find a way to get rid of those two people?"

Li Tian smiled faintly: "I don't need it now."

"Since they want to follow, let them follow. Now we still have to showdown with the Duanmu family. If it is true that once we enter the Yuwen family, then the two might be able to help us."

Chen Qiaozhi thought for a while and nodded: "That's the truth."

After saying this, he coughed suddenly...

While coughing, he took out a white pill bottle from his arms, then poured a white pill out of it and put it in his mouth.

Li Tian looked at him and frowned.

"Qiaozhi, what's the matter with you? If you are sick, why not cure it?" Li Tian asked curiously.

Before Chen Qiaozhi spoke, Tang Xiaolong in front of him laughed on the side.

"Little boss, you don't know anything about that. This sick ghost always treats medicine as a meal... three meals a day."

Chen Qiaozhi ignored Tang Xiaolong. After swallowing the pill in his mouth, he slowly said, "My disease is a strange disease that I got since I was a child... I went to all the hospitals in our city when I was young. The method was cured, so I stopped believing in any hospital from then on... I am used to so many things. This disease will not kill me. On the contrary, if I suddenly get better now, I am really uncomfortable. "

When he said that, the brothers laughed.

Li Tian couldn't help thinking in his heart that he was a ***** freak.

Several people took a taxi back to the Siber Hotel and took their luggage out of the trunk of the car.

Tang Xiaolong helped carry a pocket book of Chen Qiaozhi, complaining all the time: Nima's, so many broken books are useful for birds...

Then Chen Qiaozhi looked at Tang Xiaolong contemptuously from behind and said, "Illiterate like you will definitely find it useless."

"Your uncle is illiterate..."

After the four arrived at the hotel, they settled in the room next to Li Tian.

Tang Xiaolong asked Chen Qiaozhi to find the old monster Ge as soon as possible, but Chen Qiaozhi said: What are you worried about? No matter how urgent it is, I will naturally bring that old monster back.

The four of them simply ate lunch and then rested.

On the streets, the attractiveness of beautiful women is often the greatest.

But if there are two stunning beauties like gods in the street together, it will be even more eye-catching.

Two such beauties appeared on the streets of Jinghai City at this moment.

Their beauty is the kind of natural beauty, not makeup

There is absolutely no trace of pink on the two beautiful faces that are so delicate and flawless, but they look ten times better than those beautiful women with heavy makeup.

One of them has a delicate face with melon seeds, and on that glamorous face there are ***** lips that are extremely sexual, red and eye-catching.

Her beauty belongs to the kind of wild beauty, the kind that makes people know to be bold and ***** at first glance, just like a black poppy in full bloom, beautiful and poisonous.

The beauty on her side is an elegant temperament beauty. If the poppy flower beauty next to her is a ***** concubine, then she must be a noble queen.

The beauty of her body has reached every inch and every muscle, but her person feels really that kind of profanity that can only be seen from a distance, but not close...

The two of them are Miss Duanmuying and Situ Ningbing who escaped from the Duanmu family.

These two beautiful women walking on the bustling streets of Jinghai City undoubtedly attracted the eyes of all men.

Facing those people's wretched gazes, Duanmuying couldn't help but snort coldly.

"These stinky men... one is more nasty than the other, which is really annoying."

On the contrary, Situ Ningbing next to him didn't even look at those men, as if in her beautiful eyes, those men seemed like they didn't exist.

"Hey...Why don't you say a word all the way, it's really depressed." Duanmuying complained with her red and **** cherry lips as she complained to Situ Ningbing beside her.

Chapter 480: By train

Situ Ningbing turned the delicate face like cold ice slightly: "What?"

"Halo, you are really boring." Duanmuying said angrily.

Then he stepped forward reluctantly.

After walking for a while, the two slender legs of Duan Kiyong got tired, so she stopped walking and said: "I'm exhausted, I don't want to go..."

Situ Ningbing next to him slowly turned and said, "Okay, let's take a taxi to the front."

"Well, that's the truth..."

Duanmuying was happy again when she said that.

When the two big beauties got to the street, they really took a taxi, and then they both got in.

The driver saw the two top beauties getting in the car, his eyes straightened, and he hurriedly asked cordially, "Where are the two beauties?"

"Airport." Duanmuying said by the way.

"Wait..." Situ Ningbing on the side suddenly interrupted Duanmuying's words.

The driver was taken aback for a moment and asked, "Beauty? Didn't you go to the airport?"

Duan Muying was also curiously blinking her eyes at Situ Ningbing and asked, "What's the matter with you? Don't you go to Northern Liaoning Province?"

"Go to Liaoning Province."

"But we'd better not go by plane." Situ Ningbing said suddenly.

Duanmuying was stunned for a moment, and then laughed: "I said you are really strange. If you don't take a plane, do you still take the train... dizzy!"

"Master, go to the airport." Duanmuying said stubbornly.

But seeing Situ Ningbing's pretty face suddenly became cold.

"I said you don't have any brains..." Situ Ningbing said angrily.

Duanmuying was anxious all of a sudden: "Why do I have no brains? You are telling this lady... to go to Liaobei Province so far, don't you have to take a plane, take a train to suffer?"

"I said Miss Duanmu, you are really stupid! Think about how the two of us left your family? We escaped, you think we are traveling..."

"Furthermore, both of us have been out for so long. Do you think your father and the Duanmu family have found that the two of us have escaped? If it were you, what would you do? You would definitely Intercept us half way! And your Duanmu family is so powerful, if I am not wrong, not only the airport in Jinghai City, your people may be searching for us secretly, even I guess there will be people in Northern Liaoning Province who are looking for us. we."

Listening to Situ Ningbing's analysis, Miss Duanmuying stopped talking.

Because she knew that Situ Ningbing was right, no one knew her father better than him.

Now that she and Situ Ningbing escaped, her father must have known about it, and by this time he had already sent people to look for them...

Thinking of this, Duanmuying's pretty face couldn't help but feel a little embarrassed.

"Then we really take the train?" Duanmuying said reluctantly in front of her.

Situ Ning said coldly: "If you want to be caught back, let's go by plane, but if you want the two of us to reach Liaobei Province in peace, take the train."

Duanmuying suddenly wrinkled her pretty face.

Then he reluctantly said to the driver in front, "Well, I'll listen to you this time, go to the train station!"

Although Duanmuying's pretty face was full of reluctance, she didn't even want to be caught back as soon as she escaped.

The driver froze for a moment: "Are you not going to the airport?"

"No, go to the train station." Duanmuying said at last.

The driver was also obedient, so he croaked and started the car and drove quickly toward the train station in Jinghai City.

On the way, Kiyong looked glum, because the last thing she wanted to ride was the train, and a lady like her could never stand the messy atmosphere on the train.

But she seemed to be aggrieved at the moment.

Fortunately, Duanmuying was very clever to listen to Situ Ningbing's words this time. If Duanmuying really took a plane, she would be caught immediately.

She knew that now not only was it near the airport in North Liaoning Province, there were many members of their Duanmu family, and even Jinghai City guarded many family members.

Once Duanmuying showed up, they would definitely be caught.

In this way, under Situ Ningbing's clever choice, they chose a train that even the Duanmu family had never thought of.

According to their usual habits, they would think that if the lady was going to Liaobei Province, she would never take a slow and dirty train, she would definitely take a plane, but this time they did not expect Duanmuying to choose a train...

It can be said that Duanmu Ying made a very correct choice this time.

When the two took a taxi to the train station, the train station was really crowded with all kinds of people.

There are peasants carrying large bags and small packages to work, and there are also those staff who carry computers on business trips...and the hawkers, the cars are clamoring there...

When two superb beauties like Situ Ningbing and Duanmuying came to the train station in Jinghai City, they suddenly attracted a lot of attention.

Many people were staring at these two superb beauties with blinking eyes.

Looking at the crowds in front of you, and the people in front of them who were lying on the ground with their packages and waiting for the train... Duanmu Ying felt disgusted...

She doesn't like such a place very much, but now she seems to have no other choice, so she can only endure it.

But he muttered in a low voice, "Broken place... hey!"

Situ Ningbing next to her was much better than her and stood there silently.

"Let's go, take a rest in that pavilion," said Situ Ningbing in front of him.

Mu Ying nodded, and then the two beauties walked towards the pavilion over there.

In the pavilion sits a middle-aged woman with a 34-year-old child in her arms. On the other side is a middle-aged man in his 40s carrying two snakeskin bags, squatting Smoking there.

When Duanmuying and Situ Ningbing two superb beauties came, the woman holding the child and the man smoking on the ground couldn't help but blinked at them.

Then his body shrank uncontrollably.

Situ Ningbing looked in her eyes, feeling sad for some reason.

She knew in her heart that these people were born in poverty and might have gone to work elsewhere. When I saw them just now, she must have felt a little inferior, so she couldn't help but shrink her shoulders.

Also, these poor people originally had an obvious generation gap with characters like Situ Ningbing and Duanmuying...How far away it is to climb from this poor world to another world.
