

A Killer 48

Chapter 48: Missy looking for me?

Li Tian has been depressed since he came out of the detention center.

He did not expect that the bailer would turn out to be his former "enemy",

Especially when he thinks of Feifei who is playing with herself, he is even more angry.

"Damn, it turns out that this guy is still a manager, and he is still taking care of himself? Fuck! Isn't it just rich? What's so great about rich and TMD?" Li Tian cursed a man in the bathroom after taking a shower. , Came out from the bathroom naked.

After the fight, the corner of Li Tian's eyes was still a little swollen. After returning, he wiped it with Zhao's safflower oil, and some parts of his legs were also scratched...

"Li Zi, what's the matter with you just now? How did you see Mr. Zhou's expression? It seems that someone has a grudge against you." Xiao Zhao said to Li Tian while cutting his toes with nail scissors.

Yu Dahai, who was lying on the bed over there, turned over and looked at Li Tian and asked, "Xiao Zhao is right, Xiao Li, what's the matter with you? Do you know Mr. Zhou? You know that our company's manager this week is not ordinary. Character, he is a big hit in front of our company boss."

When Li Tian heard them say this, he snorted: "I don't care about him. He is the celebrity in front of the boss and cares about me."

Hearing Li Tian's words, Xiao Zhao and Yu Dahai couldn't help being taken aback.

"Plum, what the **** is going on? Are you telling us?"

"Yes."

After thinking about it, Li Tian couldn't help sighing: "In fact, it's nothing, but it's a bit misunderstood with Zhou who sent us back this morning."

"Ah, do you really know Mr. Zhou?" Xiao Zhao said, feeling puzzled.

Yu Dahai was also quite puzzled, looking at Li Tian.

Li Tian smiled helplessly: "Hey, don't mention it."

After speaking, Li Tian slowly lay down on the small iron bed, quietly thinking about his thoughts.

Although he was always worried about Feifei and Xiao Zhou's affairs, he felt an unprecedented excitement about the strange changes in his body...

Now that my body has become stronger and stronger because of reading the broken book, I must take advantage of this and quickly research the broken book.

—

On the streets of Kyoto City, that bright red Lotus (LotusCars) sports car swiftly drove towards the Down Enterprise.

Driving this limited-edition Lotus Cars in the world is a beautiful to delicate girl.

Of course she is no one else, but Tang Feifei, the daughter of the CEO of the Tang company.

LotusCars was running like a wild horse. Tang Feifei in the car was blown back by the gust of wind. She was wearing a bright red dress and matched the whole car: coquettish and sexy.

As for her, she was sitting in the car with anxiety and excitement in her heart.

The worry was that he was afraid that that guy would be angry with him. After all, Feifei had no choice but to deceive him at the time. Although it was said that he was helpless, it was not good to deceive.

Especially when thinking of the guy spitting out from his mouth fiercely at the time: Fuck, that word, Feifei was a little worried about the anger bursting out of her eyes.

But she still bit her head and drove the car (LotusCars) quickly towards the Tang company.

Soon, (LotusCars) went to the square of the Tang company.

The car stopped in the square with a hiss.

Feifei opened the car door and went down.

Xiao Zhao, who was staying in the security room of the parking lot, was stunned when he saw Feifei stepping down from the car.

I remember that when the Tang company opened its annual meeting last year, the eldest lady appeared once at the conference. At that time, it drew the cheers of thousands of people from all over the company, and Xiao Zhao also clearly remembered the beauty of the Tang company eldest lady. Content.

He blinked his eyes and looked carefully. He couldn't believe it. He couldn't believe that it turned out to be Tang Feifei, the eldest of the Tang company.

Xiao Zhao, who trot out quickly, nodded and bowed to Tang Feifei: "Miss? You are the eldest..."

Excitement and excitement were all in the voice.

What about Tang Feifei, she glanced at Xiao Zhao: "Are you the security here?"

Xiao Zhao nodded quickly, his neck was almost broken, and said: "I am, I am."

"Is Li Tian here?" Tang Feifei asked when she went up.

When he suddenly heard Li Tian's name, Xiao Zhao was stunned.

"Li Tian?"

After killing him, he didn't expect that the eldest lady of the Tang company would find a small security guard, and that security plum was sleeping on the bunk with herself?

"I'm asking you, is Li Tian there?" Tang Feifei repeated that with disgust for Xiao Zhao's hesitation.

"Yes, yes, Li Zi is in the dormitory." Xiao Zhao said as he went up.

"Call him out." Feifei said there.

Hearing what the eldest said, Xiao Zhao nodded quickly, but there was a bit of disappointment in his heart: Why did the eldest find Li Zi suddenly? Why can't it be for me?

Although I thought so in my heart, I still ran all the way to the dormitory, yelling, "Plum, plum, come out quickly..."

In the dormitory, Li Tian, who was attentively watching the "broken book", heard Xiao Zhao's roar like a wolf from a distance.

Li Tian slowly closed the book and hid it under his pillow, then put on his shoes and waited for Xiao Zhao.

Xiao Zhao ran into the dormitory panting, and grabbed Li Tian.

"Plum, who the **** are you?"

Li Tian was taken aback, looking at Xiao Zhao like a cow, clutching himself, and frowned slightly.

"What's wrong?"

Xiao Zhao put his hand down, patted his chest and cried out, "Fucking, why did the eldest lady suddenly come to you? I'm just wondering about him..."

"Um? Miss? That young lady?" Li Tianzhen didn't know what was going on.

On the contrary, Xiao Zhao glared at Li Tian with jealousy: "You and his uncle still pretend to be stupid with me."

"Miss, there is still that eldest lady, who else can be besides the eldest lady of our Tang company?" Xiao Zhao said with jealousy in his voice.

Yeah, anyone has to be jealous of this matter.

The eldest lady from the Tang company suddenly came to look for a security guard, and this security guard had been a security guard for so few days. How could Xiao Zhao, who is also a security guard, not be asked by the eldest? Besides, there are more than one hundred security guards in the Tang company, so why did they look for Li Tian?
