

A Killer 481

Chapter 481: Rogue

Duanmuying and Situ Ningbing who sat down quietly glanced at the two people beside them and did not speak, just stayed quietly.

Duanmuying bent her body and beat her delicate calf constantly, complaining in her mouth that her leg hurts.

Situ Ningbing ignored her and remained silent, as if thinking about her thoughts.

"Hey, I have been with you for so long. I still don't know your name. What is your name?" Duan Muying looked at Situ Ningbing curiously and asked.

"Situ Ningbing." She said her name.

Duanmuying frowned when she heard it.

"Situ?"

Duanmuying stared at Situ Ningbing in horror...

"What's the matter?" Situ Ningbing turned his head and looked at Duanmu Ying.

"Are you related to the Situ family of the four major families?" Suddenly a sentence came out from Duanmuying's mouth.

Who knows that the four major families in China are common surnames, and they are all double surnames.

The Ouyang family, the Duanmu family, and the royal family: Yuwen family, and the Situ family located in the northwestern region... If the other three families are fighting over and under, then for the Situ family, this family looks much lower-key.

I heard that the Situ family has always been doing business for the purpose.

The Situ family has always been in the cotton spinning business in the northwest area. Whether it is domestic or foreign, the cotton spinning business belongs to the Situ family.

Because this family is geographically remote, in the northwest area, it rarely travels around the Central Plains, and the members of the Situ family are more approachable, so they rarely conflict with the outside world. On the contrary, they are among the four major families. The best reputation.

Even in the battle of the four major families ten years ago, the Situ family did not participate, nor did they indicate that their family would stand on the side...

Isn't this? When Duanmuying suddenly heard Situ Ningbing say that her surname was Situ, Duanmuying asked curiously, is she a member of the Situ family?

But after Situ Ningbing listened, that cold face from beginning to end instantly became ugly, and then coldly said: "I am not..."

Listening to her indifferent words, Duanmuying was slightly taken aback.

He murmured, "Isn't it? As for being so excited..."

She did not notice the weird changes on Situ Ningbing's face!

"Hey, by the way, was it fun to be a killer before? In my mind, I always think that the killer is the coolest..." Duanmuying asked Situ Ningbing like a little sparrow.

She was originally a person who likes to be busy, but now she is staying with Situ Ningbing, she can only find something to say.

"Do you think killing is fun?" Situ Ning said coldly.

Duanmuying suddenly frowned, "What's so funny about that...the blood is sparkling, I look sick."

"That's it..."

"you....."

"Hey, it's boring to be with someone like you...not interesting at all." Duanmuying complained and stood up and said.

Situ Ningbing also ignored her.

"I have a good rest, let me buy a ticket!" Duanmu Ying said without turning her head.

Not far in front was the ticket office of the train. I saw Duanmu Sakura and walked quickly towards the ticket office over there.

The train station is crowded, and the place in front is a gangster selling scalper tickets.

The train station is usually a mixed place. Which street ruffians are most prone to appear in this place, as well as general chaos.

There was a long line of people at the ticket office in front.

Duanmuying was still queuing to buy train tickets this time, and she couldn't help but feel a little uncomfortable. They lined up behind that, but she was muttering: depressed.

At this moment, suddenly a man's voice came towards her.

"Hey, beauty, where are you?"

With the voice coming, Duanki Ying turned her head and saw a man who looked like a gangster, wearing a sleeveless black T-shirt and a fancy insect tattooed on his shoulder. With a pair of wretched eyes, she looked at Duanmuying's body up and down in front of her.

When Duanmuying saw this kind of stuff, she was extremely annoying.

So immediately he said angrily: "Go away, don't bother this lady."

This gangster is a well-known gangster in the railway station...usually only when he bullies someone, when it's his turn to be bullied by a "lady" there.

I was angry right now.

"Smelly bitch, don't be shameless... I ask you if you are worthy of you... 38!"

This guy was insulting immediately.

But just after he scolded, Duanki Ying suddenly made him regret it.

One hand squeezed his neck like a ghost, and the other slender flying leg kicked directly, hitting his chin.

With a bang, he kicked the bastard's chin with a crisp and vicious kick.

With a scream of wow, the ***** flew out with his mouth full of blood and fell to the ground.

Painful screaming...

When the crowd waiting in line heard that there was a fight, they all gathered around to watch a joke.

Especially when I saw this woman with the national beauty and natural beauty making a stunning shot, I was even more shocked, and there was a lot of discussion there.

The ***** who was kicked in the chin, both front teeth were kicked off, with blood in his mouth, and he kept backing...At the same time, there was a scream from his mouth.

Suddenly the same gangsters ran over from the right side.

"Liao Zi, what's the matter?" Hearing a few shirtless, bald-headed young ***** who came running, they asked in shock when they saw his companion lying on the ground, his mouth full of blood.

The ***** named Liao Zi, his mouth full of blood, pointed at Duanmu Ying in front of him with his fingers and said, "This stinky lady..."

"It's her... it's her..."

The four gangsters who ran, all of a sudden turned their hateful eyes on Duanmuying's forehead.

"Is it you Liaozi who beats in three to eight?" One of the sturdy guys looked at Duanmuying viciously and asked angrily.

The people next to me couldn't help being a little worried for Duanmuying at this time. Some onlookers still whispered: "Girl, hurry up... This group of people are famous street ruffians in the train station... You can't beat them. ."

But Duanmuying didn't even look at those gangsters.

"This lady warns you again, now I am in a bad mood, it is best not to mess with me, if anyone messes with me, I will let you go around."

Facing Duanmuying's words like this, the gangsters wanted to laugh right now.

The four of them are such rascals, can't they overcome a charming little beauty?

"Unexpectedly, this girl is quite fanciful, so she dare to say such things."

"Yeah, big brother, get her back and see if her abilities are as good as those on the bed." Another extremely wretched man said evilly while staring at Duanmu Ying.

Chapter 482: abscond

The guy next to him, known as the big brother, looked at Duanmuying with a lewd smile: "Little girl, you are unlucky this time, dare you to provoke me here?"

"Go on, clean her up."

Following this sturdy fellow uttered, the three ruffians around him who were not afraid of death rushed towards the Duanmu Ying.

They think that a beautiful chick like Duanmuying should be a vase character, so they don't take it seriously.

But when the three of them were about to surround the Duanki Ying, they suddenly felt wrong.

And it's wrong.

When the three of them surrounded the Duanmuying, Duanmuying suddenly snorted: "Things that do not live or die, let this lady take care of you today."

After the cold words came out, he suddenly raised his arm and grabbed the arm of one of the street ruffians, and then twisted his wrist fiercely.

But there was a crisp sound of the bones being broken, a click, and even a violent scream was heard, the scream was so heartbreaking.

Then he fell to the ground, clutching his broken arm alive, screaming in pain.

Another street ruffian saw that his companion was brought down at once, and he dared not take it carelessly. He cursed and said: "You stink girl, I will kill you."

After speaking, he grabbed a stick beside him and slammed it towards Duanmuying's back.

Duanmuying had her back to him, but she seemed to have eyes behind her, she turned around quickly, and a sharp flying kick hit the cheek of the guy holding the stick.

With a bang, the man was kicked and thrown out, and his mouth was bloody.

The boss who just yelled here, and another street ruffian, was completely stunned, looking at the two brothers who had not been soaked in the clothes of other beautiful women but were brought down like that.

But seeing Duanmuying still hadn't finished her anger, she suddenly moved quickly, and suddenly a viper-like arm grabbed the throat of the boss who just clamored.

"Do you dare to provoke this lady again?" Duan Muying pinched his neck with one hand, and as long as she squeezed her five fingers, the boss of the street ruffian would definitely be cut off by her alive.

The boss of the street ruffian, who was pinched by his neck, only felt that his throat was about to break immediately, and his face had begun to turn pale and blue.

With his mouth open, he said with difficulty, "...I...I dare not..."

"Huh, it's better not to stay in the world for a scum like you."

Duanmuying, who had finished speaking coldly, was ready to kill the killer.

She didn't care whether she was in front of the train station, let alone in the eyes of everyone. If Duanmuying wanted to kill, she would dare to do it mercilessly even at the police door.

And now she is ready to slaughter this street ruffian.

At the moment when she was about to squeeze the throat of the street ruffian, suddenly a cold hand was on her wrist.

"Forget it, let him go."

A pleasant voice came into Duanmuying's ears. Although the voice was good, it was a little cold, but it was Situ Ningbing who came by with a hand on Duanmuying's arm.

Duanmuying glanced at the street ruffian she was holding in her hand: "He is a villain, it is a curse to keep it, it is better to kill him."

"Do you want to be taken away? This is the train station. Are you crazy? Killing people here." Situ Ningbing said there, taking care of the overall situation.

Seeing so many onlookers around, if Duanmuying really pinched the street ruffian to death at this moment, even if the two of them could escape, it is estimated that they would not be able to take the train anymore.

So Duanmuying finally thought about it and let go.

After letting go, the street ruffian boss knelt on the ground, covering his neck with his hands, and panting violently.

"roll!"

"If my lady sees you next time, I will kill you myself."

Duanmuying, who had finished speaking fiercely, no longer looked at those street ruffians.

The gangsters immediately helped their badly injured brother and left here in a trot.

The onlookers around were all there applauded. Most of these people who took the train didn't dare to provoke the street ruffians, especially some small vendors who didn't dare to offend them easily.

Of course, they were extremely happy when Duanmuying sighed for them.

Duanmu Ying also smiled.

On the contrary, Situ Ningbing's face was extremely cold: "Buy tickets quickly, let's leave here as soon as possible."

"Why? What's the hurry?" Duanmuying said.

Situ Ningbing whitened her and said, "Why don't you know your safety at all? Don't you know that we are on the run? Besides, you are still here to provoke so many things with great fanfare, in case your family's If someone comes after him, they will definitely find us first!"

Listening to what Situ Ningbing said in front of her, Duanmuying could only snorted unwillingly, she didn't care about that much? But now she has no choice but to listen to Situ Ningbing.

"Okay, okay, it's up to you."

"Really, I don't believe it is really that dangerous."

While talking, Duanmu Ying was still buying tickets reluctantly.

Jinghai Airport.

From a distance, you can see several cold men in black suits wandering back near the airport gate.

They seem to be looking for something, they have been here since yesterday.

Everyone's face is expressionless, as cold as a stone.

The security guards near the airport were surprised to ask these men in neat suits what they were doing? But when the security asked, one of the men answered him coldly: Let him go away.

Although the security guard was stunned, he suddenly saw the cold light in the opponent's eyes, and he subconsciously frightened him.

Who are these people who came to Jinghai Airport inexplicably? Why are you lingering back and forth here?

Outside the airport, two black Audis could be seen quickly approaching here.

When he arrived at the airport gate, he stopped with a hiss.

After the two Audi cars stopped quickly, the doors opened with a bang, and then a few men in black suits walked out from inside, just like the men who lingered in the airport as if they were watching something.

Look carefully, but who is the one who saw it?

Isn't it the leader of the dark part of the Duanmu family, Black Hawk?

It turns out that these people at the Jinghai Airport are from the Duanmu family, and they were sent by the Duanmu clan master to capture Duanmuying.

Chapter 483: clue

Fortunately, Duanmuying at that time heard Situ Ningbing's words, otherwise, the two of them must be caught right now.

It turned out that Black Hawk had already guessed that their eldest lady was someone who did not want to suffer, so she would definitely take a plane. So when the clan leader of the Duanmu family ordered him to catch Duanmu Ying, the first thing he thought of was Jinghai Airport. .

So he sent someone to guard here overnight, but to his surprise, the young lady hadn't appeared yet.

After the Black Hawk walked out of the Audi car, he then walked towards the airport lobby, followed by 56 dark members of the Duanmu family who came out of the Audi car coldly behind him.

After arriving at the airport, the members of the Duanmu family who had been arranged to monitor here quickly ran over.

"The Dark Lord!" I only heard the Anbu members yelling there.

Black Hawk looked at them as they arrived, then raised the pair of Senhan's eyes and asked, "How is it, have you found the trace of Missy?"

The two men on the side suddenly bowed their heads and said, "I haven't found it yet."

Hearing this, Black Hawk frowned.

At the same time, those sinister and evil eyeballs blinked, and I couldn't help thinking secretly: It's impossible. According to the truth, from the Duanmuying escaped from the Duanmu family until now, if the young lady goes to Liaoning Province, she must It should be here now... how could there be no one?

Black Hawk stood there thinking.

But right now, I really didn't find that Duan Muying, and that Situ Ningbing.

"Could it be that they don't take a plane to Liaobei Province?" A weird thought suddenly emerged from the black eagle's head in front of him, while his evil eyes turned there.

Suddenly he turned his head and said to the subordinates behind him: "You guys stay at the airport and continue to monitor... the rest of you will follow me and go to the train station."

Listening to the Black Hawk issuing the order, the people under him were taken aback.

"train station?"

"Don't talk nonsense, follow me quickly!" Black Hawk said coldly.

Those subordinates hurriedly did not dare to ask more, and said quickly: "Yes!"

Then quickly followed one by one.

The treacherous Black Hawk has realized that Duanmuying probably didn't fly by plane. Although he knew the eldest lady well, he didn't expect Duanmuying to be "very smart" knowing not to fly!

If you are not flying, you must choose the train.

The current Black Hawk hurried to the train station with his men.

The distance between the train station and the airport in Jinghai City is not very far. If you take the highway, you should arrive in less than half an hour.

The current Black Hawk hurried to the train station in Jinghai City with his men.

The train station is still crowded with people.

But at this moment, two domineering and sturdy Audi cars drove toward this side quickly.

When we arrived at the train station, we saw 67 ruthless men in black suits coming down from the two cars, as well as the leader of Anbu, Black Hawk.

After getting out of the car, the Black Hawk swept away the crowded train station coldly, and said coldly, "Search!"

"Remember, if you find the trace of the eldest lady, don't act rashly, remember to notify me as soon as possible."

After the Black Hawk gave the order, the subordinates said: "Yes!"

Then they quickly dispersed and began to patrol the entire train station.

Black Hawk was also standing on the square of the train station and patrolling around.

The train station that the crowds go to is looking for people. It seems that it is not so easy to find, but Black Hawk knows in his heart that the country is like Duanmuying's purple, and if another beautiful woman appears in such a place, Will definitely attract everyone's attention.

So he is not worried about finding it.

If Duanmu Ying is at the train station, you should be able to find it.

When Black Hawk took his men and looked for it for about ten minutes, suddenly one of his men quickly ran over.

"Dark Lord, we found the clue."

"What clue? Did you find the trace of Missy?" Black Hawk asked excitedly.

He only heard that the subordinate slowly shook his head.

"Although we didn't find the eldest lady, we found a few street scumbags... I know from their mouths, it seems that two hours ago, a beautiful woman who looked like the eldest lady taught a bunch of street scumbags here. ... and the shot was vicious, almost killing them." The subordinate said.

"The street rascals are there now?" Black Hawk asked suddenly.

"It's just ahead," said Anbu's subordinate.

"take me to."

So the subordinate quickly walked forward with the Black Hawk in front of him.

When I quickly arrived at the entrance of an alley in front, I saw the man who led the way in front of him and said to the black eagle: "Dark Lord, those gangsters are here."

Speaking of lunch, first walked towards the alley.

Black Eagle followed and walked into the alley to take a look, but saw that several other members of the Duanmu family had firmly controlled the two street ruffians.

One of the street ruffians still had bruises on his face, and the other had a broken arm and was wrapped around his broken arm with gauze straps.

Looking carefully at the appearance of these two people, aren't they the two street rascals that Duanmuying was very taught?

Unexpectedly, he was caught by the Black Hawk in front of him.

"The dark master, it is these two gangsters who were beaten up by a woman who looks very much like the eldest lady, and heard from them, there is another stunning beauty beside them."

Listening to the black hawk who said this, coldly glanced at the two gangsters in front of him.

Suddenly stretched out a hand and violently lifted that arm by the man who was discounted by Duanmu Ying.

"Tell me, what does the woman who hit you look like?" Black Hawk asked him coldly as if he was holding a chicken.

There was a trace of fear in the eyes of the street ruffian in front of him, and he looked at the black eagle in front of him: "You...you...who are you?"

"Don't talk nonsense, just say it!" Black Hawk clasped his five fingers, and the terrifying force from his fingers made the street ruffian cry out in pain.

"Okay, I said, I said..." his voice screamed sternly.

The black eagle's mouth sneered.

"That woman... is fierce and beautiful..."

Hearing what this guy said, Black Hawk said angrily: "Speak carefully."

The street ruffian had met the evil star, and recalled helplessly: "She is tall and slim... and that face is very delicate... especially that lips are very red, very red, and she claims to be the eldest lady."

Hearing what the street ruffian in front of him said, the black hawk's eyes shot a sharp light, because he already knew that the woman was indeed Miss Duanmuying.

Chapter 484: Lower set

"Are they there now?" Black Hawk asked coldly.

"I don't know." The street ruffian said hoarsely.

"If you don't say anything, I will kill you." Black Hawk said absolutely not like a joke.

The street ruffian shook his head with a frightened look in his eyes and said, "I really don't know... I only know that they are queuing to buy tickets..."

Hearing what the street ruffian said, Black Hawk let go of his hand coldly.

He looked up at the train station in front of him, and muttered: "It seems that the eldest lady is really going to take the train to the northern province of Liaoning."

"The dark master, since the eldest lady and the others are still here in two hours, then I think they shouldn't get in the car yet."

One of the Duanmu family's men said.

"You are right."

"Now you go to the waiting room and check the train schedule there. Remember, it's the train to Liaobei Province."

After Black Hawk finished speaking, several members of the Duanmu family around him nodded quickly.

"Dark Lord, what do these two guys do?" Just listen to one of his subordinates pointing at the two street ruffians in front of him.

A stern smile appeared at the corner of Black Hawk's mouth, and then he made a gesture of wiping his neck with his hands.

Of course, the subordinate understood what it meant, and quickly took out the knife from his arms, and before the two street rascals had fully reacted, he made a slap, and the spicy knife had penetrated their hearts.

The two street ruffians had their eyes widened, and fell into the alley with unbelievable gazes.
died!

Maybe for these two dead street ruffians, they don't even know why they died...

After slaughtering the two street ruffians in front of them, they rushed to the waiting room.

When they arrived in the waiting room, they first looked at the train schedule above.

The big red train table shows the train schedule of the day.

After taking a look at the train schedule above, Black Hawk frowned, because he saw that half an hour ago, a train bound for northern Liaoning had already departed.

"Dark Lord, isn't the eldest lady already in that high-speed train, right?" Just listen to the subordinates.

Black Hawk stood there with a cold face, his vicious and pungent eyes glanced at the huge waiting room, and then slowly said, "I guess so."

"Call and inform the black and white Shuangsha in Liaobei Province... to send someone to the train station to catch the lady... Once they see another woman showing up, they will be caught."

The Black Hawk said coldly.

The subordinate was saying: Yes, then he quickly started making calls.

The black eagle in front of him looked into the distance with vicious eyes, and murmured: "This time I want to see if you can escape there!"

Fortunately, the ticket that Duanmuying bought was an advance ticket, and it was the same high-speed train headed to Liaobei Province.

If she were to delay for a while, she would most likely be discovered by the Black Hawks.

The current Duanmuying and Situ Ningbing are temporarily safe, and the two have already boarded the train bound for Liaobei Province.

The train from Jinghai City to Liaobei Province will probably arrive in Liaobei Province at noon tomorrow.

In other words, it seems that from now on at noon tomorrow, Duanmu Ying and Situ Ningbing shouldn't have anything wrong.

But once the train arrives in Northern Liaoning Province, will it be caught by the black and white Shuangsha and others? This is hard to say.

Where are Li Tian from Liaobei Province?

After finding Chen Qiaozhi and listening to him, Li Tian can be considered to have a better understanding of the Yuwen family.

The thing that Li Tian is most worried about now is the old monster Ge in the mouth of Chen Qiaozhi.

Will this perverted figure who has a special research on secret rooms and side-by-side skills help? No one can tell.

In the past two days, Chen Qiaozhi did contact many people in order to find Old Monster Nage. Fortunately, Chen Qiaozhi's efforts were not in vain.

found it.

"I found Old Monster Ge. I think he will automatically find us in the afternoon." Chen Qiaozhi smiled and said to the brothers in the room after just answering a call.

Hearing that he found Old Monster Ge, the brothers suddenly became excited.

Tang Xiaolong smiled and said, "Old Monster Ge agreed? Does he say he will come over this afternoon?"

Chen Qiaozhi smiled: "I haven't seen him yet, I just asked the brothers on the road to help me pass a message."

"What?" Tang Xiaolong couldn't help but asked curiously.

"What I asked people on the roads outside to help me spread was that I found a cemetery of the prince in the late Ming Dynasty..." Chen Qiaozhi said.

"Huh?" Tang Xiaolong was depressed when he heard Chen Qiaozhi's words.

"Just by passing such a sentence, can you be sure that the old monster will come to you?" Tang Xiaolong said with a look of disbelief, even Li Tian looked at Chen Qiaozhi in surprise.

But what about Chen Qiaozhi? But he nodded very seriously.

"Just this sentence."

"Oh, I'm fucking, you sick ghost, I thought you **** had found the old Ge monster, I didn't expect you to say something bullshit... You just use it for the birds." Tang Xiaolong scolded his mother there.

Li Tian was also curious and thought, Qiao Zhi was the smartest in the past, but how did he spread such a sentence now? Saying that he found a cemetery of a prince in the late Ming Dynasty, is it just a sentence that the old monster Ge will come to look for him obediently?

Looking at Tang Xiaolong and their unbelieving eyes, Chen Qiaozhi smiled slightly in front of them.

"Don't you all believe it?"

Tang Xiaolong cursed immediately and said, "If I believe you, I will be a two hundred and five."

"Don't tell me, you are really two hundred and five." Chen Qiaozhi said.

"Your uncle."

"If you say you are stupid, you still don't admit it. I ask you, what do you think Old Monster Ge likes the most?" Chen Qiaozhi looked at Tang Xiaolong and said.

Tang Xiaolong was stunned for a moment, and then said, "What can that old pervert do? What else can he do besides sneaking, digging and digging graves?"

"That's not right!" Chen Qiaozhi said with a smile.

"What do you mean?" Tang Xiaolong was taken aback for a moment, but he still didn't understand.

"You don't know what Old Monster Ge likes. What he likes most is to do something exciting. Do you remember the last time we were in the Northwest, we found a tomb of an official in the late Qing Dynasty... Old Monster Ge even if someone interrupted his legs, this old boy would crawl to see what...What does this mean? It means that Old Monster Ge is particularly fond of Tomb Robber."

"Now I ask my brothers on the road to help me tell me that I found a tomb from the late Ming Dynasty. If you were Old Monster Ge, what would you do if you liked tomb robbers so much?"

Hearing what Chen Qiaozhi said before him, Tang Xiaolong suddenly woke up.

Looking at Chen Qiaozhi with wide eyes, he said, "You, his uncle, turned out to be the old monster Ge? Let him come and find you by himself..."

Chapter 485: Sloppy old man

"Aren't you talking nonsense? People like him are perverted who can't come and are forced to stay away, so they can only use this trick." Chen Qiaozhi smiled.

"Haha! You're so **** treacherous... No wonder people say that they would rather offend anyone than offend the sick. It seems that this is not false at all." Tang Xiaolong laughed suddenly.

"It is estimated that Old Monster Ge will be fooled by you again this time."

Li Tian on one side also understood what happened, and couldn't help but secretly praise Chen Qiaozhi for his resourcefulness.

It turned out that Chen Qiaozhi knew the temperament of Old Monster Ge, and knew that the strange man had fallen in love with tomb robbers recently, so he specially released the news that he had recently learned of a cemetery of the prince in the late Ming Dynasty, and once the Old Monster Ge heard the news At that time, I will definitely find Chen Qiaozhi as soon as possible.

Thinking of this, Li Tian also smiled and said: "Qiao Zhi really is extremely clever."

Chen Qiaozhi smiled slightly: "This is the only way for such people."

"So it seems that Old Monster Ge will look for you today."

"Don't worry, I've already told my brothers on the road where we live, and it will definitely be passed into the ears of Old Monster Ge by then. Everyone just wait and get hit."

"Old Guai Ge has always liked evil things in his life, especially recently he has been deeply in love with tomb robbers. This old boy doesn't know what's going on. He just went to the wilderness to dig out those century-old graves. It's okay, always whispering that there is any treasure..."

Chen Qiaozhi and Old Monster Na Ge have been working together for the longest time.

They used to be very good partners, Chen Qiaozhi is resourceful, and the old monster Ge is a character with a lot of wicked ideas.

So the two people must have been working together for a short time, isn't it? After the two fell out last time, they haven't seen each other until now.

If it wasn't for Li Tian this time, I guess Chen Qiaozhi would not find Old Monster Ge if he was killed.

On the contrary, Li Tian was full of curiosity. He only wanted to see what kind of talent that Old Monster Ge was, and hoped that Old Monster Ge could help him during this operation.

So Li Tian and Tang Xiaolong stayed in the hotel all afternoon.

It's a pity that I didn't see Old Monster Na Ge until after 5 o'clock in the afternoon.

Tang Xiaolong, with a cigarette in his mouth, said to Chen Qiaozhi: "Sick ghost, could that old kid see through your trick? So it's not coming?"

Chen Qiaozhi said indifferently, "Don't worry."

"I can't rest assured, it's 5 o'clock in the fuck, I guess that old kid won't come..."

Chen Qiaozhi ignored Tang Xiaolong in front of him.

Tang Xiaolong wiped out the cigarette **** in his hand, and said with a cloud of mist in his mouth: "Forget it, you continue to wait, I'm tired, I will go back to the room to sleep first."

He walked towards the room alone.

Li Tian also sat for the whole afternoon, feeling a little uncomfortable in his waist, and slowly stood up and said, "I went to the door to exercise my muscles and bones."

As he finished speaking, he walked outside alone

After Li Tian got out of the room, he stretched out, took out the cigarette from his arms, held it in his mouth, then took out the lighter, lit it, and took a deep breath.

Li Tian frowned slightly when he glanced at the hotel where the black and white pairs were tightly closed.

"What are those two guys doing these two days? Why are they mysterious?"

"Didn't Duanmu Heiming send the two of them to monitor him? Why have you been so lax with yourself these past two days?"

Li Tian couldn't help thinking in surprise.

But he didn't pay much attention to it. Without the black and white double evil surveillance, it was undoubtedly a better thing for Li Tian.

But Li Tian didn't know at this moment that the black and white double evil spirits were chasing the Duan Muying and Situ Ningbing...

When he arrived at the lobby of the Nassiber Hotel alone, he sat in the lounge area and smoked quietly thinking about his thoughts.

I don't know how long it took, and suddenly I heard a quarrel at the hotel entrance.

Li Tian turned his head to look, but saw two security guards at the entrance of the hotel looking at a sloppy guy who looked about 50 years old, dressed nondescript, with fluffy hair, elongated beard, and a dusty rag bag behind him.

The wrinkles on his face and the scum on his face give people the feeling of an old man on the street.

This Siber Hotel is also a five-star hotel in Northern Liaoning Province.

Such a big hotel, of course, would not let a guy dressed like a beggar come in!

Obviously the security guards at the entrance of the hotel are blocking the sloppy old men who are going in.

Li Tian couldn't help turning his head to look interestingly, but heard a security guard say there: "You go out quickly...If you don't go out again, don't blame us for being polite..."

The sloppy old man in his 50s suddenly seemed a bit angry when he heard the young security guard say this.

"Aren't you a hotel? Your door is open and your business is doing. Why can't you let guests in?"

The security guard looked at the sloppy old man contemptuously and said, "Just you deserve to be a guest of our hotel?"

"Why? Young man... look down on my old man?" But seeing the sloppy old man said unconvinced.

"To be honest, I really look down on you."

"I won't talk nonsense with you, you'd better go out as soon as possible, and let's do it for the sake of saving." The security guard said bullishly.

The sloppy old man suddenly became angry, and sat down at the gate of the Nasibir Hotel, just sitting there with four feet and saying: "Hi, I'm not leaving!"

"I want to see what you guys dare to do with my old bone?"

The sloppy old man sat on the ground like a rascal and said.

"You old man, are you playing a rogue?" the security guard said angrily there.

Another security guard said impatiently: "Don't look good with this guy, let's kick him out."

As he said, they prepared to drag the sloppy old man together.

The sloppy old man was suddenly reluctant, waving his hands and cursing in his mouth: "You little bastards, who dare to touch me, I will be killed at the door of your hotel today, so that everyone knows about your hotel. The security guards forced me to death as an old man... I think you dare to move me?"

While saying that it really seemed as if the head was about to hit the ground.

The two security guards were taken aback and were about to play sideways.

Suddenly a voice came over: "Don't do it!"

"Can't you respect the elderly?"

While talking, he saw Li Tian's figure walking towards this side.

When Li Tian walked over, the security guards at the two doors suddenly did not dare to speak much. After all, Li Tian was a guest of the Siber Hotel.

On the contrary, the sloppy old man raised his wrinkled old face and stared at Li Tian, and Li Tian also smiled at him.

When I saw the sloppy old man's eyes, Li Tian couldn't help but startled slightly.

Who would have thought that such a sloppy old man would have such a pair of sharp eyes? Sparkling...like a torch.

And what about that sloppy old man? When he saw Li Tian's face, his eyes suddenly brightened as if he saw a gem, and his brows with many wrinkles wrinkled for an instant.

Chapter 486: Old Monster Ge

He looked at Li Tian and felt very strange.

Li Tian didn't pay attention, and said to the security guards who slapped the sloppy old people: "Let him come in!"

"I will pay for how much he spends here."

Listening to Li Tian's bold words, the security guards certainly did not dare to say more.

Since someone is paying, of course their hotel has to let people come in.

The two security guards thought for a while, and finally backed away speechlessly.

After the two security guards left, Li Tian turned his eyes to look at the sloppy old man sitting on the ground, and smiled: "It's okay now...you can come here to eat and drink as you please. Will pay you."

Listening to Li Tian's bold words, the old man was naturally happy. He bounced from the ground and smiled, showing a row of big yellow teeth caused by excessive smoking, smiling and saying: "Really? I pay the bill?"

Li Tian smiled: "Don't worry."

Hearing Li Tian say this again, the old man was relieved.

He smiled and said: "Young people have a very good heart, yes, yes."

Li Tian pointed to the front and said, "What do you want to eat or drink, you can get there. I will sit in the lobby and wait for someone. After you have eaten, let the waiters come to me to pay the bill."

Li Tian was about to go back to the rest area to continue sitting.

But I heard that the sloppy old man didn't go there to eat, but said slightly, "Thank you, boy!"

"It's a pity that I'm not hungry, old man. I'm not here to beg for food. I just want to come here to find someone."

The sloppy old man said as he walked to the front desk of the hotel over there.

Hearing what he said, Li Tian was stunned for a while, blinking his eyes and looking at the back of the sloppy old man, suddenly felt that this old guy had a very strange breath all over his body.

That breath is like an expert hiding outside the world.

Is it... Is it... he is?

When Li Tian was horrified, I heard that the scruffy old man had already arrived at the front desk of the hotel.

"Girl, let me ask, is there a guy named Chen Qiaozhi living here? He lives in that room?"

Just listen to the sloppy old man blinking his eyes and asking.

The lady at the front desk looked at the image of the sloppy old man and she showed a look of disgust.

"We can't tell the guests the room number casually here... So if you want to find someone, you should look elsewhere." The waiter said without looking at him there.

The sloppy old man in front of him was not angry, and smiled and said, "That's good...that's good..."

He said that he was ready to really turn around and leave.

"Are you looking for Chen Qiaozhi?" Suddenly a voice came from behind the sloppy old man.

The sloppy old man turned his eyes to see, was it the kind young man who was asking himself to eat just now? Li Tian.

At this moment, Li Tian looked at the scruffy old man with a pair of excited eyes, because he had guessed that the scruffy and weird old man in front of him should be the old monster Ge?

I saw the sloppy old man slowly turning his head, and his gleaming eyes glanced at Li Tian.

"Do you know that sick scholar?" The sloppy old man asked Li Tian suspiciously.

Li Tian smiled suddenly.

"Of course I do."

"Are you old Ge?" Li Tian in front of him asked, looking at the sloppy old man.

The sloppy old man looked at Li Tian cautiously, and then said, "How do you know my name?"

When the sloppy old man admitted that he was the old monster Ge, Li Tian was secretly happy, thinking that Chen Qiaozhi was really clever, but he didn't expect old monster Ge to actually appear in the Siber Hotel.

"I heard Qiao Zhi tell me." Li Tiandao said.

"What is the relationship between you and Chen Qiaozhi? Why haven't I heard the sick scholar mention you?" Old Monster Ge in front of him looked at Li Tian and said.

Li Tian smiled awkwardly, and said slightly, "We are friends and brothers."

"Well, if you want to find Qiao Zhi, he will be upstairs, go, I will take you to find him."

Old Monster Na Ge thought for a while and said, "Okay."

Then Old Monster Ge followed Li Tian to the elevator.

After entering the elevator, Li Tian always wanted to talk to this old monster Ge for a while, but it was a pity that this strange person didn't seem very interested, but kept staring at Li Tian with those twinkling eyes.

As if looking at something...

When the elevator was about to reach the upper floor, Old Monster Ge suddenly made a strange word from his mouth.

"Young man, forgive me for the old man's talk, are you going to do something big in the near future?" Old monster Ge looked at Li Tiandao unblinkingly with a pair of bright eyes.

Li Tian was taken aback for a moment, and he was surprised, and said to himself: "Why did this old monster Ge guess what happened to him all at once?"

Can't help asking in surprise: "Old Ge, what do you mean by this?"

Old Monster Ge squinted his eyes, took a deep look at Li Tian, and then sighed: "I think you have a good heart. Let me tell you this. If you are really told by my old man, I will persuade you. You'd better not do anything more."

Listening to Old Monster Ge suddenly saying this, Li Tian was taken aback.

"Old Ge, tell you the truth, I do have to do a big thing in the near future, and I also ask Mr. Ge to make it clear." Li Tian said sincerely.

Although Li Tian doesn't know if what Ge Lao is saying is true or not? Or maybe he is the kind of liar, but Li Tian still wants to hear him finish.

Na Ge smiled mysteriously, then opened his eyes and looked at Li Tiandao and said, "I said, don't mind you."

Li Tian smiled indifferently: "It's okay, please tell me."

"Well, then my old fellow just started talking nonsense."

"Yeah." Li Tian listened.

I just listened to Old Na Ge slowly saying: "My old man has traveled north and south for so many years, and has read countless people. To be honest, it is the first time I have seen the face of a person like you. It is the first manifestation from the face of the person, and from your face, my old man said something that is not pertinent. You are incredible in this life! Very incredible, if you don't become the overlord of the king, you must be a unicorn..."

"And you are the evil star... You hit a **** omen, and the killing was very heavy. As for what kind of person you will become in the future, my old man dare not make any comments. He was wrong, he was condemned, and he was right. You will suffer retribution, but judging from your current appearance, I advise you not to do the big thing at hand, because once you do it, it will cause chaos! As for the state of chaos... My old man can't see this, but someone will definitely die, and many, many people will die..."

"You were a guilty omen, such a killing will only make you more regretful and guilty for the rest of your life..."

Chapter 487: Two weirdos

After Old Monster Ge finished speaking, he closed his mouth tightly and stopped speaking.

Li Tian in front of him listened to Old Monster Ge, and to be honest, the reaction was not great!

The only possibility that made him react was: Old Monster Ge also said he was a evil star?

I remember the earliest time, when Li Tianhuai left Liaocheng with a dream to go to Kyoto to fight hard, he met a weird old guy at the train station.

That old guy was more mysterious than Old Monster Ge said. At that time, Li Tian still clearly remembered that the old guy said that he was: the evil spirit was the devil's life, and he said that his life was cruel and cruel.

Now this old monster Ge says the same, can it be said that he is really a big villain in his life? Do you really want your hands to be covered with blood?

Li Tian not only smiled bitterly, thinking about these issues.

"Old Ge, what should I do according to what you said?" Li Tian continued to look at the old monster Ge in front of him and asked.

But what about Old Monster Ge? But he shook his shaggy and messy hair slightly, muttering in his mouth: "There are some things that can be said, but there are some things that cannot be said."

"For you, I don't care about talking nonsense... I'm talking too much, but I will lose my life."

Old Monster Ge said with a smile, and this smile revealed the row of big yellow teeth.

Li Tian also laughed.

Regardless of whether the old monster Ge in front of him was joking with himself, or he really said something, Li Tian would not care too much.

He is a person who never believes in fate, he only believes that his fate is in his own hands.

Li Tian, who was abandoned by his parents in the orphanage in Liaocheng since he was a child, doesn't even know who his parents are... Is this fate?

Is this God's arrangement for his own destiny?

Li Tian feels unwilling!

Sometimes he wondered why his parents were so cruel and left him at the gate of Liaocheng's orphanage when he was young. But no matter what he thought, he couldn't understand.

Since you don't understand, don't think about it, so now Li Tian doesn't want to either.

After taking Old Monster Ge upstairs, he walked directly toward his room. Now Chen Qiaozhi, A Qiu, and Tang Xiaolong should be in the room.

Old Monster Ge, who was followed by Li Tian, asked Li Tian mysteriously, "Are you familiar with that sick book?"

Li Tian was taken aback for a moment and then smiled: "It's okay."

"Then tell me something. I heard that the sick ghost recently discovered a cemetery of the prince in the late Ming Dynasty...Is this true or false?"

Hearing what Old Monster Ge said, Li Tian wanted to laugh at once, but he endured it, and then said solemnly: "I don't know about this, but Qiao Zhi has been studying things in the house alone these days. Said that as long as this is done this time, you can make a fortune..."

Hearing Li Tian's words, Old Monster Ge's eyes lit up.

"That's right! That sick ghost must have found the real tomb... and it was at the end of Ming Dynasty! Yes, yes..."

"Go, you take me to see that sick ghost."

The old monster Ge who was talking wanted to follow Li Tian to see Chen Qiaozhi.

Li Tian was happy, but he didn't expect this old monster Ge to be so interested in that tomb robber... It was so simple to deceive him.

Isn't this? After arriving at the door with Old Monster Ge in front of him, Li Tian pushed open the door.

As soon as he opened the door, he saw Chen Qiaozhi and Ah Qiu inside.

"Old Ge is here." Li Tian happily said to Chen Qiaozhi inside the house.

Then the sloppy old monster Ge walked in from the door.

After walking in, Old Monster Ge stared at Chen Qiaozhi over there with blinking eyes.

And what about Chen Qiaozhi? Staring at him unblinkingly.

The atmosphere suddenly seemed a little weird. Before Li Tian could speak any more, he first heard the Tao of Chen Qiao said: "Old monster, didn't you say that there is only one place for me in this life. Did you just talk as fart? Why did it suddenly come?"

Old Monster Ge coldly snorted and said: "Whatever you say, I won't leave today, I'm so crazy..."

"Are you a rogue?!" Chen Qiaozhi looked at the old monster Ge and said contemptuously.

Old Monster Ge chuckled, showing his big yellow teeth.

"My old man has been a rogue for so many years, what can I do with another rogue?"

Li Tian frowned at these two weird people, and said to himself: It really is a pair of life treasures, especially this old monster Ge, although he is quite old, it is really fun.

Then Chen Qiaozhi sneered: "Why are you looking for me?"

"Nonsense, I heard that your kid found the cemetery of the prince in the late Ming Dynasty, who am I not looking for you to go to?" I just listen to the old stranger Ge said.

One of Chen Qiao laughed out loud.

"What are you laughing at?" Old Wei Wei looked at Chen Qiaozhi in surprise and asked.

Chen Qiaozhi continued to lie to Old Na Ge and said, "It turns out that you are looking for me for this. Then I will send you two words: Get out of here."

"If you let me go, I'll leave, then my old man is too shameless... I tell you, I don't want to go anymore." Old Monster Ge said and then sat directly on the sofa.

Put an earth-gray bag on his back directly on the table, as if this is his bedroom.

"You don't leave? It doesn't matter if you don't leave, I won't tell you anyway." Chen Qiaozhi said.

"Sick ghost, do I say you are? Even if you know the cemetery, you don't have the ability to rob tombs. No one can help you except my old man in this world... So you might as well tell me and let us continue to be together. Work in partnership."

"I'm partnering with you? Don't think about it! Even if I can't steal by myself, I won't partner with you." Chen Qiaozhi.

"Sick ghost, what are you doing? My old man finally tears off his face and comes to you. Wouldn't you be so shameless?" Old Monster Ge said angrily.

"Give you face? Your uncle put me a pigeon in the northwest last time, did you give me face?" Chen Qiaozhi reiterated the old story.

It turns out that these two guys did an underground sale in the Northwest some time ago, in order to steal an antique. Who knew that this old monster Ge disappeared for no reason? So Chen Qiaozhi was angry.

"I can't help myself! People found me at that time. If I leave the Northwest quickly, I will definitely be caught." Old Monster Ge said aggrieved.

"Fart! Are you afraid of being caught? I'm not afraid?" Chen Qiaozhi cursed.

"Okay, okay, even if that matter is wrong with me, I apologize to you, is this always okay?" Old Monster Ge said sincerely.

Chen Qiaozhi ignored him seemingly lazy.

Chapter 488: Fight

"Don't be angry, little brother, we two have been working together for so long, you don't know me, forget it, forget it, let's not mention the past, no one else?" Old stranger Ge said with a smile.

When Chen Qiaozhi saw that the time was almost ripe, he began to hold his glasses slightly with his hand, and slowly turned his face and said solemnly: "Well, I forgive you once."

Old Monster Ge changed his mind when he heard Chen Qiaozhi's heart, and the beauty in his heart right now was like drinking honey.

"The little brother still has a measure. If you were born in ancient times, I'm sure it was the prime minister's material... definitely compared with Liu Bowen." Old monster Ge said with a smile.

"Stop flattering." Chen Qiaozhi also smiled.

"I ask you, old ghost, do you really want to steal the cemetery of the late Ming prince?" Chen Qiao looked at Old Monster Ge with a smile on his face.

When Old Monster Ge heard it, he became excited immediately.

"Of course I think about it. The funerary objects in the late Ming Dynasty were the most abundant. It can be said that looking at so many tombs in ancient times, the funerary objects in the Ming Dynasty were the most luxurious and luxurious."

"If my old man can steal the tomb of the late Ming Dynasty once in this life, it will be worth death in this life." Old strange Ge said quietly.

"Well, if you really want to steal, then you have to promise me something first." Chen Qiao's words in front of him turned and said.

Old Monster Ge was slightly taken aback.

"Promise you something? What's the matter?" Old Monster Ge is extremely clever, he asked hurriedly.

Chen Qiaozhi smiled faintly: "You have to promise me, otherwise I won't tell you."

Old Monster Ge narrowed his eyes and looked at Chen Qiaozhi: "You shouldn't be crazy about me? Are you thinking about letting me do things for you?"

This old monster Ge itself is shrewd like a fox. Hearing Chen Qiaozhi's words at this moment, he guessed it right now.

But seeing Chen Qiao's face did not change his face, he sneered and said, "Well, I lied to you."

"Then since you think I fooled you, you can leave now." Chen Qiaozhi said indifferently with a face full of expression.

When Old Monster Ge heard it, something was wrong, could it still be true? . "

"Hey, sick ghost, you can't do this. You also know that my old man is known for being cautious. You can't just let me do things for you without telling me anything?"

Chen Qiaozhi smiled faintly and said indifferently: "It's up to you, anyway, I've already said what I have said, so you can do it or not!"

Old Monster Ge really couldn't beat this Chen Qiaozhi, and he was so anxious at the moment.

What about Li Tian? On the other hand, while watching these two shrewd people "fighting" funny while watching the show, I just wanted to watch the show.

Finally, Old Monster Ge gave in.

No way, this old monster really likes that tomb robber.

So he sighed and said, "Okay, okay, I promise you...Is this always done?"

When Chen Qiao heard that Old Monster Ge said that he had really agreed, he smiled slightly: "I don't believe you as a person."

Old Monster Ge was angry at hearing this.

"Then what the **** do you want me to do?"

"You make a poisonous oath, I will believe you." Chen Qiaozhi said with a smile.

"Stake a poisonous oath? I didn't think of it..." Old Monster Ge said depressedly.

Chen Qiaozhi smiled slightly: "Everyone knows that although Old Monster Ge often speaks and does not count, as long as he swears a poisonous oath, he will do it, because he believes his fate, so as long as you swear a poisonous oath, I believe it. you."

Chen Qiaozhi knew the old monster Ge well, how could he not play with him?

So the bitter old monster Ge could only say: "Okay, okay, you're ruthless!"

"I swear, if I repent, I will be fined to live ten years less, right?" Old monster Ge looked at Chen Qiaozhi angrily.

When Chen Qiaozhi heard that Old Monster Ge really took a vow, he secretly said, "That's it!"

"Finally done."

"Li Tian, now this old monster Ge has promised us." Chen Qiaozhi turned his head to look at Li Tian and said with a smile.

Old Monster Ge was taken aback for a moment, then turned to look at Li Tian who was smiling there, and then looked at Chen Qiaozhi.

"What do you mean?"

"Are you ganging up to defraud me?" Old Monster Ge suddenly smelled a bad breath and said.

But seeing Chen Qiaozhi smiled slightly: "For an old fox like you, if I don't lie to you, can you come to me obediently?"

"Your uncle..." Old Monster Ge cursed, his eyes widening.

"Sick ghost, I didn't expect my old man to value you so much, but I didn't expect you to get together to cheat me. You are cruel." Old monster Ge said depressed.

Haha, Chen Qiaozhi laughed.

"Don't be angry? Old Ge... I just wanted to find you, but unfortunately I couldn't find it, so I could only give birth to this way."

Old Ge was dumbfounded.

"Then what your kid just said about the cemetery of the late Ming princes is probably fooling me, right?" Old Ge said with disappointment on his face.

Chen Qiaozhi smiled faintly: "Is it true? Isn't it true?"

"Let me tell you this, I have indeed learned about the graveyard of the princes in the late Ming Dynasty from friends on the road, but it is not too accurate, so now no one can be sure whether it is true or not, but now I only I want you to do us another favor." Just listen to Chen Qiaozhi's beginning to introduce the words to the topic.

When Old Monster Ge heard it, there was no play at all, and he said angrily.

"You fool me and want me to help you. If I help you, am I a fool?"

Old Monster Ge said angrily, grabbing his ground-breaking gray pocket and preparing to leave.

"Hey, old ghost, have you forgotten your vow?"

"You promised me personally." Chen Qiaozhi hurriedly stood up and said.

I saw Old Monster Ge staring and said: "What's wrong with taking a poisonous oath? Even if my old man lives less than ten years, it's better than helping you a treacherous villain."

After speaking, he really went out angrily.

When Li Tian saw that Old Monster Ge really went out, he was taken aback and turned his head to look at Chen Qiaozhi in front of him.

"He's leaving?"

But seeing Chen Qiaozhi gently supporting the gold-wired glasses on his eye sockets, and then sitting on the side unhurriedly, he gently said, "Don't worry, he will come back automatically in less than five minutes."

"Really?" Li Tian couldn't believe it.

Chen Qiaozhi smiled indifferently: "I can't cure him? I'm not called Chen Qiaozhi."

The words are full of extreme confidence.

One of the sick scholar Chen Qiao has always been strategizing. This guy, who is known as a famous "military teacher", seems to have really come to test him this time.

Li Tian was also quite curious and stayed quietly in the room.

To be honest, he is really not sure that Old Monster Ge will come back...If the old guy gets hot and he really leaves, then it's not easy to handle, besides, Old Monster Ge is just lip service. A poisonous oath that can be ignored...

Chapter 489: Help or not?

Seeing that a few minutes have passed, but the old monster Ge did not come back at all, Li Tian couldn't help wondering: Did the sick scholar Chen Qiaozhi really predict it wrong this time?

Just as Li Tian was thinking about it, suddenly the door of the room that was closed by Old Monster Ge just now was gently pushed open again.

Take a closer look, the old monster Ge, with messy hair and dirty clothes, really lowered his head and stared at him and came back again.

When seeing Old Monster Ge really go and return, Li Tian was completely convinced, I have to say that Chen Qiaozhi next to him is really extremely smart.

Chen Qiaozhi smiled slightly when he saw Old Monster Ge.

"Old Ge, have I said anything? Let's sit down and discuss it carefully..."

Old monster Ge stared at Chen Qiaozhi with those eyes: "Forget your kid's cruel..... My old man met you in this life, it's a bad luck for eight lifetimes." Old monster Ge said with a look of resentment.

Chen Qiaozhi smiled faintly, disapproving.

"Let's talk, what do you want me to do to help you?" Old monster Ge asked reluctantly.

Old Monster Ge really believes in fate, and he also helps people to see fate. This person who has been specializing in the study of Qimen Dunjia and evil ways since he was a child can say that his only weakness is his faith in fate... and he is convinced. He admits that in one life, heaven is destined, there is a definite blessing or misfortune, so he is afraid of retribution for his poisonous oath, so he can only come back to compromise.

Chen Qiaozhi glanced at Li Tian, but when he saw Li Tian nodded slightly, Chen Qiaozhi said: "Old Ge, it's true that there is something important to ask you for this time."

"Don't make the words so nice, invite me? You are lying to me...huh!" Old Monster Ge said still broodingly.

Chen Qiaozhi laughed and said, "No matter what, you have to ask Mr. Ge to help once in this matter."

"What's the matter?" Elder Ge in front of him looked at Chen Qiaozhi and asked.

Chen Qiaozhi said slowly: "Yuwen family knows, right?"

When Old Monster Ge heard it, he was stunned: "Nonsense, one of the four dignified families, how could I have not heard of the royal Yuwen family?"

"That's good." Chen Qiaozhi suddenly smiled.

Old Monster Ge suddenly felt something was wrong.

"Sick ghost, don't you want to fight the Yuwen family for any idea, right? I can say that if it is true, my old man would rather live less than ten years, rather than die at the hands of the Yuwen family now. "

Listening to Old Monster Ge saying that as soon as he came up, Li Tian frowned slightly, and his heart was secretly lined: It seems that Old Ge is indeed guilty of Yuwen family.

But seeing Chen Qiaozhi said slightly: "Oh, I don't think the famous Ge Lao monster will be afraid of Yuwen family?"

"You don't flatter me... Anyway, I still said that. If you really want to hit the Yuwen family's attention, I won't do it." Old Ge insisted.

"Don't tell me, old ghost, let me tell you, this time I will really pay attention to the Yuwen family." Chen Qiaozhi told the truth.

"Are you really not afraid of death? Nothing to do? Sick ghost, you are not stupid, why do you do such a stupid thing, you don't know how powerful the Yuwen family is... The Yuwen family will give you food." Old Ge in front of him looked at Chen Qiaozhi with disdain.

But seeing Chen Qiaozhi coughing twice, he said: "I have already said, what's the matter? I still have to do it. Even if I lose this life in the Yuwen family this time, I will do it." Chen Qiao said earnestly every word.

"Aren't you stupid..." Old Monster Ge said contemptuously.

But when Li Tian heard his brother say this, he was deeply moved there, and he finally spoke up after he had not spoken.

"Qiaozhi, don't be embarrassed by Old Ge...If Old Ge is really unwilling to go, then let him..." Li Tianhan said with a smile.

At this time, he felt that the danger of the Yuwen family was far above his own consideration...so he didn't want more people to accompany him to "play with fire" this time.

Chen Qiaozhi sighed slightly, then nodded silently.

At this time, Li Tian turned his head and looked at Old Ge in front of him with a smile and said, "Old Ge, sorry, I asked Qiao Zhi to invite you. This matter about the Yuwen family is actually my own business. The reason why I asked Qiaozhi to invite you over is because I have long admired Ge Lao...Since Ge Lao is in trouble, then Li Tian is not willing to stay!"

After Li Tian said these words frankly, Old Monster Ge's eyes lit up.

Suddenly stood up and said, "Is this matter with the Yuwen family that you are paying attention to?"

Li Tian smiled and nodded.

"No wonder...no wonder..." Old Guai Ge suddenly muttered to himself there alone.

Chen Qiaozhi frowned and said, "Old ghost, since you are unwilling to help, then there is no need to say cold words here, you can go..."

Old Monster Ge did not leave, but blinked and stared at Li Tian.

"I'll just say, you kid is not easy... So you really want to do this..." Old Monster Ge said to himself.

Li Tian looked at Ge Lao and said bitterly: "I don't want to provoke that family, but it's a pity that I can't help myself."

Old Ge's eyes grunted around.

"But do you know? If you do this, the consequences will be unimaginable..." Old Ge said seriously, as if he had predicted something.

Li Tian didn't speak, just stood there.

What can he do? Now he himself is poisoned by the Sanshengmen. If he does not help the Duanmu family to do this, it is very likely that he will die and be poisoned alive.

So Li Tian was helpless.

"Although I don't know the consequences of doing this, I have no choice... If I don't do it, there is only one dead end." Li Tian said word by word.

"Old ghost, don't talk nonsense here... Since you have already said not to help us, then you'd better not interfere with us anymore. I don't believe this matter without you, we can't deal with the Yuwen family. "Chen Qiaozhi looked a little angry in that way.

Old Monster Ge turned his head and glanced at the one of Chen Qiao's eyes, and said, "Don't pretend to be in front of the old man...How much do you know about the thirty-six organs of the Yuwen family, the poison room in the secret room, and the gossip crypt? "

Hearing Old Monster Ge said so suddenly, Chen Qiaozhi was indeed speechless.

Because he is really not very clear about those crooked things...

Chapter 490: Yuwen Family

Listening to the old monster Ge said, "Don't talk about these nonsense here, even if you understand it? What if you don't help us anyway, you say these are useless!" Chen Qiaozhi cursed at the old monster Ge Talking.

Old Monster Ge touched his bearded chin with a big rough hand, suddenly narrowed his eyes and smiled and said, "If my old man stays to help you, what good is it?"

Suddenly when he heard that Old Monster Ge was about to stay, Li Tian and Chen Qiaozhi were undoubtedly excited.

"Old ghost, do you have to say something? Are you really going to stay?" Chen Qiaozhi asked excitedly there.

We must know that if this old monster Ge really joins, then at least the winning rate against the Yuwen family this time will be 50% more.

Old Monster Ge squinted his eyes and smiled and said, "I just don't want to see you guys go to death for nothing..."

Listening to Elder Ge said this, Li Tian laughed.

No matter what, the old Ge now finally agreed to stay and help them. This is undoubtedly a huge help to Li Tian's action.

"That Yuwen family is indeed a bit difficult to deal with." Old Monster Ge suddenly sighed and said to himself.

Chen Qiaozhi nodded slightly.

"You are right...Although I have never dealt with the Yuwen family before, I know from outsiders that everyone in the Yuwen family is extremely arrogant, and the secret technique of their family is absolutely outstanding."

A smile appeared at the corner of Old Monster Ge's mouth.

"Organization, secret road... these are not important, what is important is what are you going to steal from the Yuwen family? Do you know that the thing is hidden there?" Elder Ge looked at Chen Qiaozhi and asked.

Unfortunately, Chen Qiaozhi shook his head and turned his eyes to look at Li Tian.

Li Tian didn't know exactly what the Duanmu family owner wanted to steal from the Yuwen family. At this moment, he said embarrassedly: "Actually, I don't know what I want to steal... let alone that kind of thing is hidden there. "

"Ah? You don't even know what to steal? You just want to enter the Yuwen family..." Old Weir Ge said painfully.

Li Tian thought for a while and said, "Old Ge, don't worry, I will immediately ask who we are doing these two days."

Hearing what Li Tian said, Ge Laocai nodded slightly.

"That's the best!"

"If you don't even know what you are stealing, and you rush into the Yuwen family, that's what a fool, a fool." Old Ge said.

When they were talking here, Tang Xiaolong suddenly stretched out from the side.

Then he saw Old Monster Na Ge at a glance.

"Old Monster Ge?"

"You **** really here?" Tang Xiaolong almost jumped up and said with a smile.

At this moment, Old Monster Ge frowned slightly and looked at Tang Xiaolong: "Why is your kid here?"

"Nonsense, how can such a fun thing save me."

"Furthermore, I followed the little boss this time." Tang Xiaolong said while looking at Li Tian with a smile.

Old Ge glanced at Chen Qiaozhi, Tang Xiaolong and the others, and then put his eyes on Li Tian.

"Are you all his little brothers?" Elder Ge blinked and looked at Li Tiandao in disbelief.

"Yeah, what's up?" Tang Xiaolong said with a smile.

Old Monster Ge raised those bright eyes again and looked at Li Tian's mouth and said, "No wonder, no wonder..."

"He was originally the destiny of the gods, and now he has the assistance of such a few dragon brothers and tigers in his hand...no wonder he will be terrible in the future... hey!" Old monster Ge seemed to see what was going on there and muttered. Whispered.

"I'll wipe it, what are you muttering there alone?" Tang Xiaolong asked.

Old Monster Ge went up and gave Tang Xiaolong a blank look: "You shut up, don't talk."

"I said..." Tang Xiaolong quarreled with Old Monster Ge.

Seeing the two people quarreling, Li Tian smiled sincerely and walked slightly to one side.

He was thinking in his heart now, what exactly did Duanmu Heiming let him steal from the Yuwen family this time?
