

## A Killer 4851

### Chapter 4851: : Hong Zhanfawei

To solve Li Tian, General Sanlu must rush to the forefront!

The revenge of the broken arm must be reported!

When he was in the Colosseum, General Sanlu was hard to support, but now he is completely turned over.

At this time, with so many powerful helping hands behind General Sanlu, he is not afraid that Li Tian will not die!

"Hey, Li Tian, it's not that the time has not come yet. I see how you die today!" General Sanlu looked at the spacecraft that was flying closer and closer, with a sneer flashing across his face.

Sanlu Taibao flew in front of General Sanlu, looking at the flying treasure ship in the distance, "Let me help the general!"

"Then thank Master Taibao! If there is a chance to \*\*\*\*\* Li Tian's artifact, then it will belong to Master Taibao!"

"Hahaha, then we'll make a decision!" Sanlu Taibao said with joy.

Such scenes today are rare in the past.

Being able to see the patriarchs of the four super \*\*\*\*\* families at the same time, as well as the top players in the other clan in the legend, the new generation forces of the Sanlu super \*\*\*\*\* family are excited.

Everyone is gearing up, wanting to have a big fight.

The performance of San Lu Shuai is especially obvious.

He is the grandson of Sanlu Taibao for an unknown number of generations, and has a blood relationship with Sanlu Taibao. Coupled with his less than ten thousand years of cultivation, he is already at the mid-level of the superdomain master first level, and he is also a rare genius among the younger generation. .

Huh!

Shulan Sanlu teleported to the side of Shulan Sanlu, with a hint of arrogance on his face, but he looked at Shulan Sanlu with a look of diligence, and said: "Sister Shulan, haven't you always wanted to see Li Tian? This opportunity is here today. After the battle begins, let my San Lu commander cut off Li Tian's head and give it to you! How?"

Sanlu Shulan frowned slightly, she was disdainful of the new generation of Sanlu Super God Family.

Especially seeing the self-righteous idiot San Lushuai, since becoming a super domain master-level powerhouse, he doesn't put anyone in his eyes and looks self-righteous.

"Hehe, there is a way to trouble Li Tian on your own, and what is the ability to follow the strong and patriarch in the clan."

"Hey, if it were not for the restraint of the clan chief and the elders in the clan, Li Tian's head would have been screwed off by me." Sanlu Shulan's temperament that refused to be thousands of miles away made Sanlu Shuai more and more fascinated. I like the appearance of Sanlu Shulan. Only by conquering such a woman can I have a real sense of conquest. As for the other women who are posted upside down, just play with them, "But it's not too late, wait a moment to see me fight alone. Li Tian, cut his head!"

San Lu Shulan sneered, and the expression on her face was even more disdainful, "Ha ha, the dignified Super Domain Master level powerhouse is attacking the Domain Master Level powerhouse..."

"Then there is no way. Who calls us a cultivating genius, we have reached the super domain master realm in less than ten thousand years!" This guy is not humble either.

Anyway, Li Tian will die sooner or later. If he could die in the hands of his Sanlv commander, then his Sanlv commander's reputation in the four super \*\*\*\*\* families will be beaten out. Maybe the Sanlv Shangqing patriarch will be happy when he is happy. Lu Shulan betrothed to him.

Of course, this is just his best wish.

But it doesn't matter. If Li Tian really died in the hands of his San Lu Shuai, other beautiful girls from the Super God family, wouldn't he take the initiative to send it to the door?

At that time, see if she Sanlu Shulan will still be so arrogant!

San Lu Shuai seems to have seen Li Tian die in his hands, and it seems that he has seen many Huang Hua elder daughters of the Super God family stripped of their clothes, shyly lined up in a row, let him pick, where is the handsome face of this guy The smile is stronger.

"Li Tian, you are mine!"

...

On the flying treasure ship, Li Tian shuddered all over.

Standing on the bow of the flying treasure ship, looking in the direction of the Nether Cry Sea, Li Tian could feel the breath of those strong men near the Nether Cry Sea.

"Dad Li Tian, I'm afraid it's a super \*\*\*\*\* family, what should we do?" Xiao Tianyi looked into the distance and asked. Behind Xiao Tianyi, several Super Territory master-level powerhouses, such as the Waterbird and Sea-Monster Clan, have already felt the Nether crying sea. The strong breath from the direction could not help showing a trace of tension on his face.

Li Tian actually had a hunch in his heart. He knew that this trip to the Nether Continent might not be smooth, but he did not expect that just after arriving in the Nether Cry Sea, there would be a big battle waiting for him.

"This is the end of the matter, there is no way back, ready to fight, fight to the death!"

Now that he has arrived in the Underworld, no matter what Li Tian wants from time to time, this battle seems to be unavoidable. What Li Tian can do is to prepare for the battle and take his people to escape into the Nether Sea of Weeping with minimal cost.

As long as you enter the Netherworld Cry Sea, there is the existence of the Sea-Monster Clan, and you will be afraid of coming to the Super God Clan!

Obtaining Li Tian's order, the floating stones in the hearts of super masters such as Xiaoyasha, Xiaoqingwa, Waterbird, and Sea-Monster clan fell to the ground!

"Fight! Even if there is a demigod powerhouse? Our patriarch Haiqin is also a demigod-level powerhouse. If the patriarch Haiqin comes to meet us, we will lose if we don't have any!" The clan cheered himself up, but when these three Sea-Monster clan powerhouses spoke, they didn't feel confident in their hearts.

Not long ago, their Sea-Monster tribe was defeated by the two super \*\*\*\* families, Xiuyu and White Horse, and the Sea-Monster tribe suffered heavy losses.

The past battles are vivid, and it is reasonable for the Sea-Monster Clan to have no confidence.

Tang Xiaolong is still full of confidence, and he coldly snorted, and said, "Yes, you will fight! People are dead and birds are in the sky, everyone is human, we are still afraid that they will not succeed?"

"Little dragon! You said this is the battle of super domain master-level powerhouses. You are a small character in the early stage of the domain master, don't follow it!"

"Little boss, what happened to the little character in the early stage of the domain master? Isn't the little boss also at the domain master stage? What the little boss can do, and I can do it, Tang Xiaolong, I want to fight side by side with the little boss!" Tang Xiaolong vowed. .

Then... Tang Xiaolong was sent by Li Tian into the space of the Qiong Spear of the Sky!

Situ Ningbing was also sent into the Qiong Spear Space of the Sky along with Tang Xiaolong.

Although letting Tang Xiaolong participate in the war now might be helpful to Xiaolong's cultivation, Xue Ji's affairs sounded the alarm for Li Tian.

Li Tian is holding the Qiong Spear of the sky, standing on the bow of the flying treasure ship, still standing upright, the strong wind blowing the red cloak of red cutting, hunting and screaming, "Little dragon, freezing ice, sorry, my strength is not enough to protect you When it's safe, I won't stop you from following me on adventures."

The Nether Sea of Crying was close at hand, and the members of the four super \*\*\*\* families appeared one by one. Li Tian did not know the leaders of the four super \*\*\*\* families, but he recognized the loneliness of Xiuyu, the White Horse King Kong, and San Lu. The general also recognizes the family totem patterns of the four super \*\*\*\* families.

Seeing the four super \*\*\*\* families gather again, Li Tian couldn't help feeling a little numb on his scalp.

This was the first time that he was simultaneously enemies with the four most powerful families in the Netherworld.

However, Li Tian also saw the dark and soft and the sea-monster girl Haiqin.

This made Li Tian's heart a little relieved. In his hands, the Qiong Spear of Heaven was clenched tightly, but he involuntarily released a murderous aura, "Prepare for battle, Little Blue Tile, Little Tianyi, you are responsible for cover, and the flying treasure ship rushes over at full speed. The battle begins, as long as there is a chance, immediately rush into the sea of crying!"

Ouch!

The super domain master level experts behind Li Tian let out a roar at the same time.

The battle is about to start.

The powerhouses of the Sanlu Super God family did not wait for Li Tian's flying treasure ship to approach the Nether Cry Sea, and several super domain master-level powerhouses simultaneously performed their weights on the flying treasure ship! Although Xiao Tianyi and other super domain master-level powerhouses broke through the weight of the Sanlu super \*\*\*\* family powerhouses in an instant, the flying treasure ship still made a creaking sound.

The flying kinetic energy of the flying treasure ship was instantly destroyed, and then it rushed towards the ground head down.

Huh!

Huh!

Whoosh!

Whoosh!

Li Tian and others flew from the flying treasure ship at the same time.

The pilot of the flying treasure ship, a noble class powerhouse, used a teleport to escape, and then fled without looking back.

It is a normal phenomenon to fly separately when the disaster comes.

No one would care if this little bug escaped. The goal of everyone in the Sanlu Super God family was Li Tian.

"Little Li Tian, prepare to die!" San Lu Shuai seemed to have only Li Tian in the eyes of this stupid man. He even ignored all the powerful superdomain masters such as Xiao Qing tile and Xiao Tianyi around Li Tian. His figure flashed. Rush to Li Tian.

This guy is really taking the lead and looking for death with all his heart, Li Tian will naturally not miss such an opportunity!

When it comes to killing other superdomain master level powerhouses, Li Tian may not be sure, this guy with only the superdomain master level 1 realm has also come to die, this head Li Tian accepted!

"Xiaoshuai beware!" Sanlu Taibao and General Sanlu shouted behind him at the same time.

But San Lu Shuai had already approached Li Tian, and Li Tian could already see this guy's face.

Whoosh!

The Qiong Spear of Heaven in Li Tian's hand stabs forward suddenly, but it is easily avoided by the commander San Lu.

"It's just territorial trash, let me send you on the road!"

San Lu Shuai sneered, his spiritual power was released, two beasts of spiritual power burst out of his arms, and rushed towards Li Tian.

At this moment, Hong Zhan moved slightly with Li Tian's mind, as if he was suddenly blown in front of him by the strong wind blowing from behind Li Tian.

Huh!

A red light flashed, and the two beasts of spiritual power released by the commander Sanlu hadn't reached Li Tian before they were instantly cut in half by the red cut.

And Hong Zhan went up, and a red sword aura slashed out, slashing towards San Lu Shuai.

Shuai Sanlu's pupils dilated involuntarily, and he didn't expect that Li Tian would have this kind of magic in his body.

This sword aura carried a terrifying aura of death, and the commander Sanlu wanted to teleport to avoid him, but found that he seemed to have lost control of his body instantly.

puff!

Hong Zhan Daoqi opened the protective layer of spiritual power in front of San Lushuai, and cut a shocking wound on his chest.

Ah~!

Commander Sanlu let out a scream, and fell from the sky, life and death unknown!

Chapter 4852: : Try to move him

"Little handsome!"

Sanlu Taibao never expected that Sanlu Shuai would be cut in front of him.

What made him even more unexpected was that there was such a powerful superdomain master as Xiao Tianyi beside Li Tian.

At this time, Xiao Tianyi's pupils were dark, as if being swallowed by endless darkness!

In front of Xiao Tianyi, the pupils of a giant skeleton were also black, and at this moment, a layer of black mist appeared on the body of the giant skeleton.

boom!

boom!

boom!

Sanlu Taibao wanted to smash the giant skeleton into pieces, but he found that his attack was only barely able to blast the bones of the giant skeleton out of the cracks.

Xiao Tianyi was obsessed with Sanlu Taibao, he had no way to help Sanlu Shuai, but only to watch Sanlu Shuai be killed!

General Sanlu lost an arm and his cultivation level was damaged, which made him also have to go all out when facing the attack of Xiaoqingwa!

Ouch!

The death of Xue Ji was still remembered in Xiao Qingwa's heart. When she saw General Sanlu, a trace of blood appeared in the crystal-like pupils. The golden light of Xiao Qingwa's body was

flourishing, and her limbs seemed to be stepping on. Like the five-color ribbon, he kept rushing towards General Sanlu, trying to tear off General Sanlu's other arm.

"Animal! If I hadn't lost an arm, I would have killed you with my giant axe!" General Sanlu couldn't help but feel a little angry, shouting at the little blue tile.

Huh!

The five-colored ribbon under the forelegs of Xiaoqingwa suddenly turned into a mirror as thin as a cicada's wings, across the cheek of General Sanlu!

General Sanlu was aware of the danger and was already trying his best to avoid it, but the colorful mirror still left a hole on his face, and blood flowed out of the wound instantly, and the pain was good enough, but General Sanlu dared to suffer. It was a great insult, and the spiritual power on his body spewed out uncontrollably.

You know, when General Sanlu's arm was not cut off by Red Chop, Xiao Qingwa was not his opponent at all.

But now he was hurt by Xiaoqingwa on his cheek, which is even more painful than a face-slapped face for him, the top five strongman with the Sanlu Super God family on his back!

General Sanlu is now Nipusa crossing the river and it is hard to protect himself, let alone save Sanlu.

As for the other new members of the Sanlu Super God Family, they are even worse.

Their cultivation base is also the second and third level of the superdomain master. When they encountered the three sea-monster clan superdomain master masters and waterbirds, it was a blessing not to be killed by a spike.

Sanlv Shulan was still standing behind Sanlv Shangqing, looking at the direction Li Tian was in, but she felt a moment of emotion in her heart, "You should marry a man who is indomitable and indomitable like Li Tian, and you should give birth to a child like Li. God such a genius!"

"Shulan, he is Li Tian! He is the man who has been in the Nether Realm for a few years, and has turned the Nether Realm upside down!" Sanlu Shangqing did not get angry because the commander Sanlu was cut and fell, but pointed. Li Tian said to Sanlu Shulan.

"Father, why do we have to be enemies with Li Tian? If such people can become our allies, wouldn't they be better than other ambitious but incompetent super \*\*\*\* families?" Shulan asked where he was.

Sanlu Shangqing said with regret: "It's only the fault that our Sanlu Super God family has taken a wrong move, and we have taken a wrong step. Now that we are the San Lu Super God family, it is impossible to become an ally with Li Tian again. Only if he Li Tian died here, can we guarantee the future status of our Sanlu Super God Family, otherwise, once Li Tian is turned over, his disposition will inevitably bring our San Lu Super God Family into a dead end! This is what General San Lu would rather The reason why abandoning an arm will kill the woman next to Li Tian!"

Sanlv Shulan did not speak any more.

She admired Li Tian, but the family's interests were above all else. Since the entire Sanlu Super God family wanted to kill Li Tian, then Li Tian had a reason to die.

unfortunately.....

When Sanlu Shangqing saw that the Sanlu Super God family was not beaten by Li Tianjun like a dog, he was still passive at all times. As expected, no one from the other super God families came to help the Sanlu Super God family, so his face was somewhat different. Can't hang it anymore.

"Shulan, you are in the group of Uncle White Horse first, I will go and kill Li Tian!" Sanlu Shangqing said.

Hum!

The powerhouse of the ninth level of the super domain master, San Lu Shangqing, who was only a step away from the demigod, suddenly released a majestic murderous aura, and then his figure flashed and took Li Tian directly.

At the same time, the other side.

Haiqin, a girl from the Sea-Monster clan, saw Li Tian being besieged by members of the Sanlu Super God Family. He wanted to save Li Tian, but she had more than enough energy! Xiuyu was lonely and Donggong was shaking the sky. The consciousness of these two semi-god powerhouses locked her at the same time. She hadn't moved yet, Donggong Zhentian and Xiuyu's loneliness had already stood in front of her.

The sea-monster clan girl knew that she could not be cloned, and she had no time to take care of Li Tian. All she could do was to contain the shaking of the East Palace and the loneliness of repairing fish, so that Li Tian would be less distracted.

"Go! Go to the island in the middle of the sea!"

Hai Qin motioned to You Anrou to leave here quickly.

You dark soft is not stupid, she is a good domain master-level power, but now this is a super domain master-level battle, she, the domain master-level powerhouse, can no longer intervene.

Whoosh!

The dark and soft figure flashed and flew towards the island.

The Donggong Tigers and Donggong Longteng of the Donggong Super God Family were just about to stop You Yinrou, but Donggong Zhentian waved her hand to stop her, "She is just a small person, and our target is Li Tian, the Sea-Monster Clan! You and me will deal with this evil girl !"

As for assisting the Sanlu Super God Family, Donggong Zhentian has never thought about it.

Haiqin, a girl of the Sea-Monster tribe, was immediately surrounded by the strong men of the two super-god families, Donggong and Xiuyu.

At this moment, Sanlu Shangqing rushed to Li Tian, and Haiqin subconsciously shouted at Li Tian: "Li Tian, be careful!"

Donggong Zhentian sneered, "Hey! You will all die here today, it's just that you died and reborn early! Since you are in such a hurry, then let us go on the road..."

With that, Donggong Zhentian winked at Xiuyu's loneliness, Xiuyu's loneliness understood, and immediately released a surge of spiritual power from the two of them, and at the same time attacked the sea-monster girl.

Haiqin can't take care of herself!

Li Tian is in danger!

At this moment, the air in the sky of the Nether Weeping Sea suddenly vibrated violently, as if the sky was boiling instantly, and the clouds became undulating.

Huh!

A figure instantly appeared behind Sanlu Shangqing, and when she saw this figure, she grabbed Sanlu Shangqing who was flying fast, pulled and lost, and Sanlu Shangqing could not help flying towards the East Palace. Zhentian et al.

boom!

Sanlu Shangqing slammed into Donggong Tiger's body, and the two of them whirled seven or eight times in mid-air before they stopped!

"It's... it's you..." Seeing this figure, all the strong men of Sanlu, Donggong, Xiuyu, and the White Horse Super God Family screamed out in unison.

"The kid just wants to go to the Sea-Monster Clan to play and play, so many of you super-powers of the Super God Clan shamelessly act on him, do you still have a face? Just as Li Tian has no elders to rely on? Now I am here. You try to move him again!" The figure said domineeringly.

Chapter 4853: : The Great Escape

Everyone stopped involuntarily and looked at this figure.

Ten thousand years ago, it was this figure and another man who nearly slaughtered all the strong men in the Netherworld.

If it weren't for the four super \*\*\*\* families to join forces to kill that man and wound this figure, then the Netherworld had already fallen into their hands.

This figure is the mysterious woman who was brave and invincible in the battle of Wanshenshan!

The strength of the mysterious woman has been restored, but the four super \*\*\*\* families are no longer what they used to be.

A sentence of 'move him and try it' is like pinching the necks of the powerful men of the four super \*\*\*\* families. Let alone move Li Tian, they feel that breathing becomes difficult. The patriarchs of the Super God family performed well, and those with weaker strength couldn't help shaking all over.

"This...this... how did her injury heal?"

"The most worrying thing finally happened! Could it be...Is this woman going to have revenge?"

"If this woman wants revenge, will the elites of our four super \*\*\*\* families all fall here?"

The patriarchs of the three super \*\*\*\* families, Donggong shaking the sky, Xiuyu lonely, and Sanlu Shangqing thought with fear.

White Horse King Kong placed this woman infatually, looking at the rosary in her hand!

The mysterious woman also noticed the white horse King Kong's expression, and the corners of her mouth turned up slightly, and said with a sneer: "What? Does the White Horse Super God Family want to take this thing back? Then use the lives of your entire clan for it!"

King White Horse couldn't help but shiver.

This rosary is an artifact, and it is not an ordinary artifact. It is an artifact that the original patriarch of the White Horse Super God family Baima Buddha has cultivated for tens of thousands of years with his mind.

There is already a deity equivalent to the white horse Buddha clone in this artifact, and this deity can use this rosary to calculate more than ten thousand years.

Ten thousand years ago, at the Battle of Wanshen Mountain, the White Horse Buddha, the patriarch of the White Horse Super God Family, fell to Wanshen Mountain. This rosary has disappeared since then, and I did not expect it would appear here today.

"The White Horse Super God family knows that they have no strength to retrieve this rosary, and White Horse King Kong does not dare to exchange the lives of the whole family for this rosary, so let this rosary remain in your hands to redeem our White Horse Super God family. The sin!" White Horse King Kong said with his hands folded.

White Horse King Kong once estimated the whereabouts of this rosary, and finally it turned out to be Li Tian. It is precisely because of this that White Horse King was willing to help Li Tian just now, but he did not want to kill Li Tian as an enemy. Now this rosary is indeed true. Because Li Tian was born.

Since the rosary will finally fall into Li Tian's hands, why should the White Horse King Kong rush for a while!

"Humph!"

The mysterious woman snorted coldly, completely disdainful of King White Horse King Kong. As for the patriarchs of other super \*\*\*\* families, they were still arrogant just now, but now they dare not even let go.

The mysterious woman looked at Li Tian without much expression on her face, "Li Tian, we finally met, but I didn't even think that we would want to meet in this situation! Now you may be full of doubts, there are many I want to ask me the question, but..." The mysterious woman glanced back at the super \*\*\*\* family behind her, made a helpless expression, and continued: "Obviously, this kind of occasion is not appropriate now, waiting for you to come one day Wanshen Mountain, then all the doubts in your heart will be solved!"

"come back!"

The mysterious woman suddenly raised her hand, and the Qiqiong Spear in Li Tian's hands immediately let go.

Whoosh!

The spear of heaven returned to the mysterious woman's hands in an instant.

Li Tian looked at this woman in surprise!

He had seen this woman in the underground palace on the battlefield of death.

There is this woman in the picture screen like a movie.

Killing a domain master-level powerhouse is as simple as cutting a leek. I didn't expect this woman to be able to deter even a semi-god-level powerhouse.

As she said, Li Tian's heart is full of curiosity now. He has many things to ask this woman, but he doesn't know how to say it.

Moreover, at this time, this place is indeed not a good place for them to talk about it, a good time.

Seeing Li Tian's surprised expression, the mysterious woman smiled slightly, "This is mine! It was originally borrowed from you, and now it can be returned to the original owner!" Then the mysterious goddess moved, Situ in the Qiong Spear of the Sky Ningbing, Tang Xiaolong, the vicissitudes of life, the stars and the moon all appeared out of thin air.

Whoosh!

Whoosh!

A few people flew to Li Tian instantly, standing behind Li Tian, and even You Yinrou, who had already flown towards the island, flew back.

Li Tian still didn't hold back, and asked, "Who are you?"

"When you are qualified to step into the Ten Thousand Gods Mountain, and when you have the strength and no other god-level powerhouses help you out, I will naturally tell you who I am! But now, you should go and go to the Sea Monster Race To become stronger, I will be waiting for you at the top of Wanshen Mountain!" The mysterious woman did not answer Li Tian's question.

"Little boss, let's go!"

"Li, it is not suitable to stay here for long!"

"Master Li Tian, let's go!"

Behind Li Tian, everyone had rushed over and persuaded Li Tian.

There was a trace of anger on Dong Gong Zhentian's face. He is the patriarch of the Donggong Super God Family, the most powerful family in the Underworld. It was he who joined the other three super God families to do something against Li Tian, but now, because this mysterious woman appeared, These super \*\*\*\* families did not even dare to put a fart, which made Donggong Zhentian feel aggrieved.

"You...you...can't go!" Donggong Zhentian gritted his teeth and said.

The mysterious woman suddenly laughed!

Suddenly, the mysterious woman flashed and appeared in front of Donggong Zhentian in an instant, bang! The mysterious woman kicked out and hit the middle of the palace's abdomen. The east palace shook the sky and spewed a mouthful of blood. The body was like a falling meteor, smashing it down on the cliff on the coast of the Nether Cry Sea.

boom!

With a loud noise, a large cliff collapsed, instantly burying the East Palace shaking the sky.

Donggong Zhentian was not dead, but he was shocked by the sudden attack and shivered in the boulder, afraid to come out easily.

"Huh! East China Sea Tyrant's powerful existence is dead in my hands. You, the trash that just broke through into the demigod realm, dare to be presumptuous!" A murderous aura was suddenly released from the mysterious woman's body. The murderous intent was released, and the clouds in the sky rolled more severely.

"Who else?"

A cold word came, and the strong men of the Super God Family retreated unexpectedly.

This is strength!

Li Tian wanted to know how strong this mysterious woman turned out to be, but with his current strength, he couldn't see through it at all!

The mysterious woman looked at Li Tian again and said: "Li Tian, hurry up and become stronger! Don't let me wait too long! Also, I won't help you until you become as strong as mine! "Suddenly, the mysterious goddess turned to the strong men of the Super God family again, "So... these strong men of the Super God family, if you want to hunt down Li Tian, go to the territory of the Sea-Monster Clan!"

My day!

Li Tian did not expect that the mysterious woman would suddenly say such a sentence, causing the flame that had just been extinguished to kill Li Tian to start burning again.

"Go! Go to the sea-monster clan secret realm!" Li Tian roared.

Whoosh!

Whoosh!

Under the leadership of Haiqin, Li Tian and others flew like dumplings into the sea of crying!

Li Tian looked back at the mysterious woman, "Become stronger! I, Li Tian, will become stronger! One day, I, Li Tian, will have such a realm, and the patriarchs of the Eastern Palace and the Sanlu Super God Family will be dead in front of me. Like a dog! Don't dare to be arrogant!"

Chapter 4854: : Undersea Monster City

Nether crying sea, bottomless.

After entering the sea, several super-domain master-level powerhouses of the Sea-Monster Clan returned to their original form and became giant sea beasts. Li Tian and the others only need to stand on the back of the giant sea beast, grasp the body of the sea beast, and then the sea beast can sneak continuously to the bottom of the sea.

The strange shapes of these sea beasts are completely different from the fish in the sea that Li Tian saw on the earth. They feel more like a combination of fish and beasts. We can call them "hybrid". Of course, if you want, You can also call him a bastard!

But Li Tian didn't dare to call these superdomain master-level strong sea beast hybrids like that, ha ha, you know the reason!

Li Tian was very interested and wanted to know what kind of sea beast the sea-monster girl was, but unfortunately... the sea-monster girl did not transform!

Hehe... The sea water soaked her clothes, which is full of temptation!

Li Tian knew that this was intentional by Haiqin, a girl from the Sea-Monster clan!

After all, she is already a god-level powerhouse, if it weren't for her purpose, the sea would not be able to soak her clothes.

Well, Li Tian is now running for his life, and he has no time to care about such details!

But... it's really tempting!

...

I don't know if Li Tian and others' cultivation base has been enhanced, or whether this sea of crying is indeed different from the sea in the earth world. At this time, Li Tian and others have been deep into the sea for at least a kilometer, but the sea is still clear and translucent, and it even feels like the sun is there. The top of the head shines the same.

Li Tian felt that they were constantly swimming in the ocean with this sea beast, and he could no longer feel the breath of the other strong behind him.

At this time, Li Tian and the others were at a distance of several hundred nautical miles from the coast, and at least several kilometers from the sea.

However, everyone is super strong, and the weakest cultivation is in the mid-level ninth level of the Venerable. Even if there is no water drop, it can be a long time without breathing, and is not affected by the sea. Besides, although Li Tian has lost the Qiong Spear of the Sky, the soldiers do not mean that Li Tian has no space. If anyone feels unwell, Li Tian can immediately send them into the space of Void Yasha.

Such as the black smoke group!

He didn't like the feeling of being soaked in the sea water, and directly entered the space of Void Yaksha and continued to practice.

As the sea beasts continued to dive, everyone in front of them became brighter and brighter. A huge, endless city suddenly appeared on the bottom of the sea. The buildings in this city were almost exactly the same as the buildings on the ground. The difference was that each building seemed to be Enlarged hundreds of times, and these buildings are covered with a layer of spiritual energy condensed bubbles.

The entire city was once again shrouded in a larger bubble of spiritual power, just like soap bubbles.

The outside of this bubble is the ocean, but inside the bubble is an isolated city, with sunlight, green plants, and roads inside... the outermost bubble is crystal clear, emitting a white light, separated by the bubble Li Tianneng I saw people coming and going on the streets of the city, just like an ordinary human city.

Undersea monsters!

A city belonging to the Sea-Monster tribe.

Li Tian and others were shocked by the city in front of them.

Who would have thought that such a city would exist in the deep sea of this deep sea of crying?

Moreover, from the perspective of the sea, the living habits of these sea-monster tribes on the bottom of the sea are much different from ordinary humans.

The sea-monster clan girl stopped, and several huge sea beasts also turned into human forms.

"Master Li Tian, this is the territory of our Sea-Monster tribe. The city you see now is almost the same as the city of the human world. And this layer of spiritual power in front of us is just to block the sea and water. Fish and sea beasts do not have any blocking effect on humans. Like us, as long as they are transformed into human form, they can enter and leave the sea monster city freely. But the ghost beasts like Xiaoqingwa that have not yet transformed into human form may not be able to pass through this A layer of spiritual power..." Haiqin, a girl from the Sea-Monster clan, explained.

Going to the countryside, now that you have come to the territory of the Sea-Monster Clan, and since this layer of the Sea-Monster Clan has such a function, Li Tian can only send the little blue tile into the space of the Void Yasha.

"Please come with me!"

Hai Qin came to the spiritual power cover and stretched out his hand to press on the spiritual power cover.

The spiritual power cover immediately released a thin layer of spiritual power to surround Hai Qin's body, and...the next second Hai Qin had already entered the spiritual power cover.

The spiritual power shield on Hai Qin had disappeared, and then she was suspended in mid-air, waiting for Li Tian and others.

"Does it need to be so troublesome? Just teleport directly to get in!" Tang Xiaolong said disdainfully.

"No..." Tang Xiaolong was already using Teleport before the strong of the Sea-Monster tribe could stop him.

Duang!

Tang Xiaolong's head slammed heavily on the spiritual power cover, and then he was directly bounced back. A big bag appeared on his head, grinning with pain at this guy.

Tang Xiaolong looked surprised, "How...how is this possible? Can't even the powerful of the venerable level teleport in?"

"Unless you are a demigod-level powerhouse, how can you teleport through a domain released by a demigod-level powerhouse?" The sea-monster clan powerhouse's face was full of pride.

Demigod powerhouse?

Does the Sea-Monster Clan have another demigod-level powerhouse?

It seems that this Sea-Monster Clan is really strong.

But... Since there is another demigod-level powerhouse, why doesn't this demi-god-level powerhouse participate in the battle?

If there is this demigod powerhouse, plus the Shanghai Demon Girl, it shouldn't be difficult for the Sea-Monster Clan to return to the ground!

Li Tian kept wondering in his heart, but since the Sea-Monster Clan didn't say anything, Li Tian couldn't ask questions easily.

Li Tian and others followed the other three strong sea-monsters through the spiritual power shield in the same way as the sea-monster girl Haiqin.

Suspended in mid-air, with the city of the Sea-Monster tribe below your feet, and the sea above your head, this feeling was really amazing.

Especially the swarms of fish of various colors swimming overhead, giving Li Tian a feeling of visiting the underwater world playground.

"Monster One, you take Li Tian and others to visit the Sea-Monster City first. They are the noble guests of our Sea-Monster tribe. We must not let other Sea-Monster tribes collide with them. We must arrange it properly." Haiqin faced. One of the super domain masters of the Sea-Monster clan said.

These guys have been following Li Tian for so long. They have never said their names or asked about their names. These guys don't say anything. On weekdays, Li Tian can only call them "hey" who is, but he didn't think of them. The name turned out to be so simple.

The demon nodded, stretched out his hand to Li Tian and others and said, "Lord Li Tian, please come with me!"

"How about you? Don't you accompany us to visit the underwater world?" Li Tian looked away

"Every time the Sea-Monster Clan comes back from the outside world, the first thing is to visit the clan elder. Moreover, since we have decided to let you go to the secret territory to try, then it should not be too late. The clan elder is still sober now, or Open the secret realm as soon as possible, and start your secret realm trial!"

#### Chapter 4855: : The Commission of the Elder (1)

Li Tian and the others followed Yao Yi and flew in the sky of the sea monster city. Under their feet, the many sea-monster tribes who could transform into human form looked up at Li Tian and the others with curiosity.

The Sea-Monster Clan is a magical race, and powerful people of the venerable level can transform into a human form...Eh, well, it's actually not entirely human, and it's slightly uglier than the appearance of the water ghost clan, but these seas The demons all wear clothes and live like human beings.

According to Yaoyi's explanation, this is a custom that the Sea-Monster Clan has always maintained, in order to let all the Sea-Monster Clan powerhouses who can reach the level of the venerable know that they were once part of the Underworld, and they can also be like humans. The purpose of living on land is to allow these people to remember the suffering that the Sea-Monster tribe has endured.

What an admirable race!

Through Yaoyi's explanation, Li Tian and others also know that the buildings with small bubble wheel covers are actually filled with sea water. Those are the areas where the sea monsters who have not reached the realm of the nobleman live, and those who have not reached the noble state. The advanced siren can live out of water, but every once in a while, the body must be soaked in sea water, otherwise the skin of these siren clan will be dry and even cracked.

Yaoyi also led Li Tian and the others into those buildings for a tour. The display in the house is not much different from ordinary human houses, except that there is seawater everywhere, like... a bathtub! And these siren tribes are like fishes living in the bathtub.

The sea monsters are vast, majestic, and spectacular. Compared to the map of the ancient seabed city that Li Tian saw in the Pacific Ocean of the earth world, it is not known how many times larger. This is probably because the sea monster race has many giant sea monsters. , A giant sea monster is more than 100 meters tall, not much more than the giants.

After visiting the Sea-Monster Capital, the demon Li Tian and others arranged in a residence near the Shrine of the Sea-Monster Capital. This residence seems to be specially designed for humans, and the houses are slightly smaller than those of ordinary Sea-Monsters. Some, and there are no bubbles on these buildings, so naturally there is no sea water inside.

Behind this house, there is a small courtyard. What is rare is that there are some plants from the Nether Realm even in this small courtyard.

It's just maybe because this is an underwater world after all, and the sun can't reach here. These plants are so sick that they might die at any time.

"Master Li Tian, you will live here temporarily, because you are the first human visitors of our Undersea Monster Capital. Therefore, the Sea Monster Clan will inevitably have a strong interest in you. They are likely to spy on you, my monster. I apologize to you here first, and please forgive me!" Yaoyi poured tea and water for Liangtian and others, and then bowed again.

"It's okay, the Sea-Monster Clan is curious about us, why aren't we curious about the Sea-Monster Clan!" Li Tianbai said.

"Then everyone, please do it yourself, the demon will quit!"

As soon as the demon left, it didn't take long for the building to have more small eyes around it, and various sea monsters poked out their heads, curiously looking at Li Tian and others in the small courtyard.

"Are you a ladyboy?" One of the milky voices came from the other side of the wall, but Li Tian saw a fleshy sea-monster clan struggling against the wall and saw Li Tian watching him. As soon as the Kraken became nervous, Gulu rolled down!

After a while, this sea monster climbed up again and shouted at Li Tian and the others: "Are you guys?"

Li Tian was full of black lines, and didn't know how to answer this sea monster.

What the \*\*\*\* is a ladyboy?

Humans are humans, demons are demons, and human demons are human demons. Does Lao Tzu look like human demons?

"Come here, I promise not to kill you!" Li Tian frightened the sea monster.

The sea monster was taken aback and grunted again and fell.

After a while, the Kraken climbed up again.

"Are you monsters?"

Ok! Li Tian felt that he was about to be defeated.

"Humans are born to their mothers, and demon are born to their mothers. If... your mother is your mother!"

Since this Sea-Monster Clan's uneasy routine has played out the cards, Li Tian also talked with each other.

"My name is Rouqiu, what do you want my mother to do? Are you my father?"  
puff!

Situ Ningbing and others who were drinking tea burst into laughter instantly!

Xingchen Xiaoyue's face and neck were flushed, but she did not dare to laugh!

"Little boss, it turns out that you are this kind of person!" Tang Xiaolong frowned and said seriously.

"I go!"

Does this guy have a brain? He also believes this Sea-Monster Clan's words!

"You are definitely not my father..." Rouqiu said.

In fact, the meatball race is like...fish.

(And the progeny of their race are also very similar to fish. The slight difference is that these siren races will go to a fixed place in the sea every few hundred years to discharge their sperm and eggs. Together, when the sea is swimming, the sperm and the egg meet, and then...a magical life is born.)

And if these want to return to the sea monster city, they need to fight constantly in the sea of crying and become stronger. In the end, only these sea monsters who have reached the realm of the noble can return to the sea monster city!

Therefore, although the meat ball in front of me is inconspicuous, and the voice is so milky and milky, it feels like there is no weaned child, but the cultivation base has reached the peak of the ninth level of the Venerable, that is, the realm of the Emperor.

"Meatball, don't talk nonsense! I know them, they are the humans who lead us to the secret realm? Although they are much uglier than us, they are also a kind of human." Next to the meatball, a very casual sea monster Said with a smug face, he saw Li Tian and the others a little dazed, and then added: "At that time I will also go to the secret realm, so we will become friends at that time! My strength is very powerful. Maybe I can help you get through by then, no wonder it!"

"Chaihuo, how did you know?" Meatball stopped paying attention to Li Tian, and instead asked about the casual guy beside him, who seemed a bit similar to Coral, but had a nose and eyes.

"Hey, I overheard it! When the clan elder was talking with Sister Haiqin, I accidentally heard it! And I also know...you...is the ugliest one, then your name Call it Li Ji? The clan elder will summon you soon!" Chai Huo said.

Tang Xiaolong and others are already laughing!

Li Tian gloomy.

You are anxious, your whole family is anxious!

Also, what is the ugliest one? Is Lao Tzu's Zhang's ugly?

What the \*\*\*\* is this aesthetic?

"My name is Li Tian! Do you know why the clan elder summoned me?"

"I didn't call your mother, but you..."

I will endure!

"Why are you calling me?"

"Well, it seems to be going to marry Sister Haiqin... But Sister Haiqin is very good, just you...tsk..."

Chapter 4856: : The Commission of the Elder (2)

What does this kid mean?

Could it be that I can't surrender Haiqin?

No... the elder wants to marry Haiqin to me?

Li Tian felt that this happiness came too suddenly!

Regardless of whether Haiqin is a human or not, the appearance of this girl as a human is still beautiful. Of course, the most important thing is that this lady is a powerhouse in the realm of demigod, which means that Li Tian just lost the guardian of the mysterious woman, a powerhouse of god-level, and there is another powerhouse of demi-god level. Wife!

Haha! Demigod wife!

At this moment, Li Tian thought of many martyrs!

Tribute to Xu Xian!

Tribute to Dong Yong!

Tribute to Ning Caichen!

Now Lao Tzu Li Tian is finally about to enter the ranks of these awesome legends!

But... why is my heart so disturbed?

Li Tian looked at Situ Ningbing, but saw Situ Ningbing, Liu Jimeng, Ye Meijing, Youdanrou, and Xingchen Xiaoyue all looking at him with strange eyes.

"Oops, am I being too obvious? Although they are not opposed, they are also women approaching! I should keep a low profile and should not be so excited to avoid being disgusted by them, otherwise, if they unite to resist I, by then I will really want to cry without tears!" Li Tian thought quickly in his mind.

"Are you so excited?" Xingchen Xiaoyue asked coldly.

"Don't dare, I am actually very distressed!"

"Then you refuse?"

"I have a guilty heart, but I am a demigod-level powerhouse!"

"What do you mean?"

"Should we vote democratically?"

Tang Xiaolong immediately raised his hands and said excitedly: "Little boss, this is a good thing! If you can marry a girl from the Sea-Monster clan..."

It wasn't that everyone was against Li Tian and the Sea-Monster Clan girl producing some stories, but... Situ Ningbing always felt that there seemed to be something else in it.

The Sea-Monster Clan took the initiative to form an alliance with Li Tian and actively invited Li Tian and others to the Sea-Monster Clan's secret realm trial. Now he still wants to give Haiqin to Li Tian. If there is nothing in it, then hell.

Li Tian said with a righteous expression: "Don't look at me with such strange eyes. If the big man does something, he can do something. The old man of the Sea-Monster clan says he wants to marry me. , I will really marry her..."

Before he finished speaking, Hai Qin suddenly appeared in this small courtyard. Hai Qin should have heard Li Tian's words, but the expression on her face was very natural, without a trace of fluctuation.

This made Li Tian suddenly feel very embarrassed!

your sister! Come as you say, you are faster than Cao Cao!

"Master Li Tian, how disturbed, our Sea-Monster clan elder wants to see you..." Hai Qin said like a okay person.

Li Tian thought Haiqin would lead the way for him, but he didn't expect Haiqin to just point to the majestic temple not far from the small courtyard, and said: "The clan elder is in the temple, you go by yourself! And... the clan elder I did not agree with what I said!"

its not right!

Is Haiqin misunderstanding?

Who said that any sacrifices could be made for the Sea-Monster Clan?

Li Tian just wanted to know what the Sea-Monster Clan actually planned, and he didn't really say not to marry Haiqin.

But now Li Tian has no face to explain to Hai Qin, he can only leave the courtyard and fly to the temple!

...

The Sea-Monster Temple is the most magnificent building in the Sea-Monster Capital.

This temple is a columnar building with a smooth surface like a mirror.

Only on the surface of this temple, there are some weird patterns. Li Tian looked at these patterns and felt that these patterns seemed to be alive, and he was also looking at him. Moreover, these patterns did not seem to be static. It is slowly operating according to certain specific laws.

When they first came to the sea monster city, Li Tian and others saw the most magnificent building in the sea monster city, and they should regard this temple as a pillar supporting the spiritual power shield. Later, they heard the monster explain and realized that this was the sea monster clan. The most noble place is where the elders of the Sea-Monster tribe are.

Li Tianfei left the small courtyard and arrived in front of the temple without flying for a few seconds.

At this moment, Li Tian is still close to a hundred meters away from the front of the temple, but Li Tian can immediately feel the surging spiritual power in the temple. Those spiritual powers seem to want to break through the shackles of the temple, and it seems that the temple is But those patterns can trap the restless spiritual power in the temple very well.

"Come in!" An old voice came from the temple.

Before Li Tian had time to find the main entrance of the temple, he felt a flower in front of him.

In the next second, Li Tian had appeared in the main hall of the temple.

It was dark all around, Li Tian couldn't even see anything.

Only a faint gleam came from the top of the head.

Li Tian looked up, and Li Tian actually saw the spiritual power cover that covered the sea monster capital.

Isn't this amazing?

Could it be... I wiped it, this temple was built according to the giant chimneys in the factory, right?

Of course, this thought flashed through Li Tian's mind.

This is a temple, and it still cannot tolerate Li Tianlai's blasphemy.

Li Tian gradually adapted to the darkness in front of him. Although he still couldn't see the surroundings, at least it was no longer completely dark.

Li Tian wanted to release his spiritual sense and feel what was in the temple, but when his spiritual sense was just released, it was like being stabbed with a needle a few times. Li Tian felt a burst of nerve pain, almost. Li Tian called out in pain.

Sure enough, as Li Tian had felt before, there was surging spiritual power everywhere in this chimney-like temple.

These spiritual powers contain surging demigod power!

If it wasn't for the masters of these spiritual powers that didn't mean to hurt Li Tian, just these spiritual powers with the power of a demigod could easily tear Li Tian to pieces.

"What a powerful spiritual power, you deserve to be a demigod-level powerhouse! The clan elders don't test me anymore, my cultivation base is limited, otherwise I won't make a special trip to the

sea-monster clan for trials, and the improvement My own cultivation!" Li Tian bowed slightly and said.

Li Tian's voice echoed in the temple.

After a while, Li Tian suddenly felt that the spiritual power in front of him seemed to be rapidly condensing, as if he wanted to condense into an object.

Li Tian didn't dare to make trouble, so he could only stand in place obediently.

I don't know how long it took before those spiritual powers finally condensed into a human form! It was pitch black here, and Li Tian just probably felt that it should be a person.

"I made you laugh! My time limit is approaching, and now I can no longer control these spiritual powers at will. If it were not for this temple, I would have been wiped out by this time!" An old voice came from the figure.

"The clan elder has a strong cultivation base, and the spiritual power released at will is that Li Tian can't match the dust. How can I make fun of the clan elder!" Li Tian said.

The old voice laughed a few words, his voice was full of unwillingness and loneliness, and said: "Your mouth is not stupid, but this time you are wrong. My limit is approaching, that is, I am already fast. Dead, once I die, the entire undersea monster will die and collapse with me. At that time, the last human-related things of our Sea-Monster clan will also disappear..."

#### Chapter 4857: : Commission of the Elder (3)

The clan elder told Li Tian the story of their Sea-Monster clan. This is definitely a history of blood and tears, with blood and tears and...

The clan elder knew that she didn't have much time, but all she could do was to give the Sea-Monster Clan the TOEFL to a trustworthy person.

This person must be human first, and trustworthy second.

The Sea-Monster tribe finally confirmed Li Tian as the best candidate after the sea election.

There are several important reasons for choosing Li Tian. Firstly, Li Tian is a human being. Secondly, Li Tian and the four super \*\*\*\* families do not deal with it. Thirdly, Li Tian and his legion are of ordinary strength and great potential. The fourth is that Li Tian is a girl.

There is another important reason. The Clan Lao Zang did not say in his heart that if Li Tianzhen and Hai Qin are married, then their offspring will have human blood and can stay in human society with integrity.

"Li Tian, now the Sea-Monster Clan is at stake, and your Li Tian Army is also struggling in the Nether Realm. As long as we support and help each other, this will enable the Sea-Monster Clan and your army to tide over the difficulties! So, if you object, , I will be the master and betroth Haiqin to you..."

If Li Tian is not tempted, it is fake!

Perhaps because Haiqin is the Sea-Monster Clan, this girl has a seductive feeling in her body, which is fatal to any mature man. Moreover, if you really marry Haiqin, the Li Tianjun regiment will have a strong back-up, as well as a wife of a demigod powerhouse.

But correspondingly, Li Tian will have to fight the Super God Family of Xiuyu!

Pros and cons!

However, the four super \*\*\*\* families were originally Li Tian's goal, and this did not seem to be a problem.

Li Tian didn't consider it for too long and chose to agree!

There was a little smile in that old voice, "Li Tian, can the Sea-Monster Clan return to the Netherworld Continent again before I disappear? Now I have all my hopes on you. It is better to hit the sun if you choose another day. , Today you and Haiqin will be married!"

"This...it's too sudden, I...I'm not mentally prepared, the clan elder should discuss with Haiqin first, after all, this kind of thing can't be slapped..." Li Tian was rather embarrassed.

Hahaha!

The clan elder suddenly laughed with joy, "Hai Qin has already agreed, don't worry, now I'll take you back and wait in your residence! When you are married, you will have a real husband and wife. At that time, I was working with Haiqin to open the secret realm and send you to the secret realm for trial! When you come out of the secret realm, I think..."

I rub, what do you mean?

Wouldn't it be when I came out of the secret realm, the child was born?

Before Li Tian had time to inquire carefully, he felt a flower in front of him. The next second Li Tian had already returned to the small courtyard where the Sea-Monster Clan arranged for them.

The small courtyard is full of lights and colorful, so lively.

The Sea-Monster tribe, which has transformed into a human being, is constantly carrying boxes to the small courtyard.

The lid of the box is not tight, and you can see that there are various treasures stacked inside.

The most common treasures are some decorations, such as fist-sized and round pearls, fine corals that are intact like small trees, and so on.

If these things were taken to the earth world, or the kingdom of non-cultivators in the Nether Realm, everything taken out would be extremely valuable.

And these treasures are just a celebration and auspiciousness.

The whole treasure is the sea floor stone produced by the Nether Cry Sea. This kind of thing is used to improve the cultivation of the noble level powerhouse, and it is similar to the beast crystal of the Nether Beast.

"My deed, if all these things are taken to the Netherworld and thrown in the ordinary Venerable Nation, it won't take a few hundred years, and the cultivation level of this Venerable Nation cultivator can't be doubled?" Li Tian thought to himself. .

This kind of thing is of little use to Li Tian and others now, but it is still very useful to Liu You, Xiao Hotpot and other friends who used to follow Li Tian. Since it is the mind of the Sea-Monster

Clan, Li Tian naturally does not Will be polite, greet Void Yasha directly, and send all these things into the space of Void Yasha.

How can there be no wine on the day of rejoicing!

Li Tian asked Void Yasha to send out the wine in the space non-stop, not to mention dozens of boxes!

Let the whole Sea-Monster clan follow Li Tian to rejoice and have fun!

"Huh? What about Xiaolong and them?"

Li Tian discovered that he had only gone to the temple once, and it was only more than ten minutes before and after returning, but Situ Ningbing and others were not seen.

In the small courtyard are all sea monsters giving gifts.

The faces of these sea monsters were filled with joy, and they bowed their hands to congratulate Li Tian.

"congratulations!"

"congratulations!"

"Tongxiongxi!" Li Tian bowed his hands to socialize.

At this moment, Yaoyi walked in from outside the courtyard with four or five sea monsters in a red festive dress.

"Yaoyi, have you seen many ladies in my family? And my brother?"

The demon clasped his hand and smiled and said, "Lord Li Tian, today is your marriage with my family, Haiqin. Your other ladies are here to join in the fun. They have been invited to live in another residence, Li Lord Tian, don't worry!"

your sister!

You seem to be the rhythm of forced marriage!

Don't I, Li Tian, don't agree to take Haiqin, what else can you do with them?

"Hey, Lord Li Tian, don't get me wrong. According to the clan elder, you and the patriarch must get married as soon as possible... the bridal chamber, so it's not convenient for other people to stay here! At that time, the residence will be closed. Only you and our patriarch will be left!" Yaoyi explained.

Li Tian was a little confused!

what does it mean? Even if it's a wedding, shouldn't it be a treat for the guests?

What kind of etiquette is to seal up this residence?

Is it the peculiar etiquette of the Sea-Monster tribe?

"Master Li Tian, don't be stunned anymore. Patriarch Haiqin is already waiting for Master Li Tian at the door. Should Master Li Tian also put on a festive outfit? Come here, don't give it yet. Master Li Tian changed clothes?" Regardless of whether Li Tian was willing or not, the sea-monsters behind

Yaoyi rushed forward and almost pulled Li Tian out of it twice, and then put a set of big red robes on Li Tian.

your sister!

All of them are in the realm of Super Domain Master, even if Li Tian wants to resist!

Seeing Li Tian change his clothes, the demon nodded and nodded, and said, "Master Li Tian, let me go and welcome Patriarch Haiqin in!"

Li Tian already regretted a little!

He felt that this did not seem to be the happiness he wanted!

But regardless of whether Li Tian was willing or not, Li Tian was directly erected by these sea-monster clan powerhouses, and carried them out of the small courtyard.

Outside the small courtyard, several sea beasts draped in red cloth and big red flowers that resemble seahorses are pulling a carriage that is crystal clear and suspended in mid-air, while Hai Qin is also wearing a red dress sitting in the carriage.

As soon as Li Tian came out of the small courtyard, countless spiritual energy exploded in the sky of the Undersea Monster City, like colorful fireworks, although it was daytime, it was absolutely beautiful. This Sea-Monster clan left the Netherworld for too long. They just managed the marriage between Li Tian and Haiqin according to the 'legend'.

And this marriage can be done like this is not easy!

"Master Li Tian, now go and take our Master Haiqin back to your place. This marriage is considered a gift!" The demon reached out and pushed Li Tian.

Your sister!

Li Tian has never married so hastily.

Seeing Li Tian stunned in place, Haiqin, a girl of the Sea-Monster tribe, jumped directly from the carriage.

"This is what the clan elder meant, you think I am willing!"

Hai Qin stretched out his hand to lift Li Tian and walked into the small courtyard in a stride. The door behind the small courtyard closed tightly. The first, second, and third layers of spiritual energy bubbles covered the entire small wheel, and the sea monsters immediately entered the dark night. .

Li Tian wants to cry without tears!

Oh, how does Li Tian feel like he was caught by a fairy?

"Thank you, please, I am afraid of pain..."

"Shut up! Can't eat you!"

Chapter 4858: : Painful

There is a worry in Li Tian's heart.

If by any chance he and Hai Qin are burning passionately, Hai Qin becomes excited to return to the original form of the Sea-Monster Clan, then what should he do?

Then Li Tian was caught in the bridal chamber by Haiqin in this panic!

boom!

Li Tian was rudely thrown onto a huge collapse by Haiqin.

Simple and rude!

"Sister, this is the bridal chamber, can you be gentle?"

Haiqin ignored Li Tian, flipped it casually, and found a dark green vial in his hand.

"Hurry up, take two pills from the bottle first, and then take two if you can't..." Hai Qin threw the vial to Li Tian, his expression on his face said without any fluctuations.

Li Tian felt as if he was greatly insulted!

Your sister!

Lao Tzu is a super fierce man who can take care of more than 20 women in one night. You still need medicine for this kind of thing?

"Come on, get to bed with Lao Tzu, and see if Lao Tzu won't grab the railings and tear the sheets!" Li Tianhuo, jumped up from the collapse, and tore his jacket away, revealing a strong body, facing the sea Qin greeted.

A sneer smile appeared at the corner of Hai Qin's mouth, and said: "I advise you to take a few pills of this pill, otherwise you will finish it sooner or later!"

"Yeah, I'm Li Tian, who is known as the jade-faced Xiaolangjun, and the golden gun is not the king! Don't say you are the only one, even if there are dozens more, I can still easily conquer! Come on, spring night is worth a thousand dollars, no more Wasting time, let you see how powerful Li Tian is now!" Li Tian thought of Haiqin's wet temptation not long ago. A flame under his abdomen began to burn slowly, and the little monk took the initiative to ask for work. Tian Litian would never refute the little monk's face, so he roared and rushed towards Haiqin.

Originally, Li Tian definitely didn't have the guts to use hands with demigod-level powerhouses, but now he is in the bridal chamber, if Li Tian doesn't use hands, then he really is not a man.

A group of spiritual power emerged from Hai Qin's body and directly bounced Li Tian back onto the soft collapse.

"If this is the case, then don't blame me for violating you!" Hai Qin said.

"Come on! Let's see who is the murderer today!"

Hai Qin really pounced on this time... As Hai Qin pounced, Li Tian saw that a huge wave appeared behind Hai Qin. These sea waters appeared out of thin air, and the whole house was filled in an instant. Sky suspended in sea water.

"I didn't expect the Sea-Monster Clan to be so good at playing..." Li Tian thought in his heart.

At this moment, several water arrows in the sea shot at Li Tian's body.

"My day, isn't it a bridal chamber? Is this Haiqin trying to murder her husband?" Li Tian was a little flustered, he wanted to hide, but the sea water was like a water ghost clan's water prison, Li Tian couldn't move at all. Only let the water arrow shoot on him.

puff!

puff!

When the water arrow shot on his body, Li Tian only felt his skin numb, and a piercing pain came over. In an instant, he lost consciousness at the place where the water arrow hit, and even the spiritual power in the body's veins was instantaneous. Stopped operation.

Li Tian's pupils dilated, he didn't know what Haiqin wanted to do!

puff!

puff!

Water arrows shot Li Tian continuously.

No shots, no wounds, but this kind of pain makes Li Tian unbearable!

He wanted to scream and yell, but the voice couldn't come from his throat.

"Could it be... Haiqin wanted to help me refine the spiritual power in the veins of my body? If this is the case, is it possible that Li Tian's cultivation level can be one step closer? "There is no pain in my body. It made Li Tian lose his thoughts, he could feel that Haiqin's way was somewhat similar to that of Shuiguiguzi and Chu Jiangnan when they helped him refine spiritual power.

At this moment, an arm stretched out from Hai Qin, a transparent arm condensed from spiritual power.

This arm is almost invisible in the sea, but Li Tian can still clearly feel the existence of this arm.

Hai Qin's body flashed, and he appeared beside Li Tian in an instant!

Then her arm formed by the condensed spiritual power slammed towards Li Tian. This arm penetrated Li Tian's clothes, penetrated through Li Tian's body skin, entered Li Tian's veins, and began to follow the veins. Wandering around, as if trying to find something.

"Could it be... Does Haiqin already know that there is an obscene \*\*\*\*\* in my body, she wants to catch the obscene god?" Li Tianxin asked.

Sure enough, this transparent arm of spiritual power kept walking along the veins, and soon entered Li Tian's heart.

In Li Tian's heart, the obscene \*\*\*\*\* who had already condensed a human form looked at the arm that appeared suddenly with horror. He could naturally feel that the arm was a strong man from the semi-god realm. It was hard to refine the spirit with the obscene god. Power, cultivated to the realm of the super domain master is far from the opponent of the demigod powerhouse.

"Li...Li Tian...What is going on? Could it be...Are you going to unite with outsiders to kill me?" In the panic, the obscene \*\*\*\*\* asked Li Tian in a trembling voice.

But he did not get Li Tian's answer.

It's not that Li Tian doesn't want to answer, but that he has no way to answer the molestation.

The obscene \*\*\*\*\* wanted to turn around and escape, but his body was instantly held down by this transparent arm!

"No... Li Tian... You can't do this to me! I can make you stronger... You will regret it if you treat me like this!" The \*\*\*\*\* of obscenity screamed, and he stretched out his hand, trying to take the old man Bai Guang The demigod-level beast crystal forcibly refined, trying to resist Hai Qin's transparent arm.

However, that demigod-level beast crystal was floating in the sky of the atrium, drifting farther and farther!

"Li Tian... Li Tian... We have something to say! Although I used to be sorry for you, but... But I definitely didn't want to harm you! I can come out of your body now, I won't be lodged with you In his body, you..."The \*\*\*\*\* of indecency is completely panicked!

In fact, after refining the spiritual power of the members of the Sanlu Super God family, the obscene \*\*\*\*\* has already condensed a human form and can already leave Li Tian's body.

It's just that the obscene \*\*\*\*\* was a bit greedy, he tricked the old man Bai Guang's beast crystal into his hands with fancy words, he still wanted to stay in Li Tian's body to refine the beast crystal, and only after refining the beast crystal, he molested the \*\*\*\*\* Only in order to reach the ninth-level peak realm of the super domain master, infinitely close to the demigod.

Li Tian could hear the screaming of indecent god.

But Li Tian couldn't help it!

Haiqin's transparent arm has grabbed the body of the \*\*\*\*\* of obscenity, and with a violent force, the body of the \*\*\*\*\* of obscenity moved continuously with the transparent arm, and retreated from Li Tian's heart!

what!

Li Tian screamed.

But the sound still didn't come out. As soon as he opened his mouth, the sea water not only poured into his throat!

Gurgle!

Gurgle!

"Come out for me!"

Hai Qin's complexion was cold, his figure flashed back, and the transparent spiritual arm instantly pulled the obscene \*\*\*\*\* from Li Tian's body!

Chapter 4859: :Bridal anthurium

The obscene \*\*\*\*\* was dragged out of Li Tian's body. Li Tian immediately felt that the meridians all over his body were unsealed, and his spiritual power could flow unimpeded, while the demigod crystal that had been handed over to the obscene \*\*\*\*\* was left behind. In Li Tian's heart.

Haiqin was not in control of Li Tian either. The sea retreated and Li Tian fell wet and sat on the collapsed cave. The bridal chamber was like this. Li Tian is definitely no one before, but Li Tian is now Can finally speak.

"Don't kill him!"

"Why?"

Haiqin is not a bird, Li Tian is still holding an obscene \*\*\*\*\* in his hands, as if he is holding a dead dog.

Why?

Haiqin asked why, not why!

This greatly challenged Li Tian's macho heart.

Damn it, if it wasn't for Lao Tzu's inability to beat you, Lao Tzu would have put you on the soft spot, and let you know why.

Li Tian is actually very contradictory to the \*\*\*\*\* of obscenity, because the \*\*\*\*\* of obscenity threatened Li Tian, Li Tian was 'imprisoned', and he always did some obscene things, but the \*\*\*\*\* of obscenity was also Li Tian's helper and saved him, If he watched Haiqin destroy the obscene god, Li Tian would be a little bit reluctant.

"He... he is my pet!" Li Tian blurted out.

The spiritual power on the obscenely obscure face suddenly fluctuated, he really wanted to kill Li Tian.

Lao Tzu used to be a god-level man, much stronger than the cultivation level of the chick in front of him.

Now you \*\*\*\*\* actually said Lao Tzu is your pet? Believe it or not I killed you!

But looking at Li Tian's current appearance, he couldn't get mad when he molested God.

He knew that Li Tian couldn't help himself now. People had to bow their heads under the eaves. Even if they were gods, once the realm of cultivation plummeted, there were many people who were inferior to dogs.

And the obscene \*\*\*\*\* can control Li Tian by chance, and through Li Tian, the current cultivation level has reached the initial state of the super domain master. This is a blessing. Compared with many gods who have completely fallen in the ashes, the obscene \*\*\*\*\* is much stronger. .

When God's dignity and life conflict, the obscene God chooses to save his life!

"Yes...Yes...Yes, I am Li Tian's pet!" When I said this, the body of the \*\*\*\*\* of obscenity was trembling, but when the words were finished, the \*\*\*\*\* of obscenity suddenly felt relieved. , The 'idol baggage' bound to him completely disappeared.

Li Tianzhen was worried that the obscene \*\*\*\*\* was furious and he was desperate. If that was the case, then he would not be able to save the obscene god.

Fortunately, obscene the knowledge of God.

"Yes, he is a pet fostered in my body. Don't look at his current appearance as a dog. When I sacrificed him with the spiritual power in my body, he was a broken meteorite! These years, we Depend on each other, although he is my pet, I have always raised him as my son. As long as I can devour other people's spiritual power, I will definitely give him a part! You see, his cultivation level has now reached a super level. In the initial stage of the domain owner, as long as he continues to train, he will definitely become a helper like Xiaoqingwa!"

Hai Qin's fingers loosened slightly, and said to the obscene god: "I don't care if you are Li Tian's pet, but from now on, Li Tian is my Hai Qin man. If you dare to understand Li Tian a little bit crooked Mind, I will kill you by myself by then!"

"Don't dare! Nor!"

The obscene \*\*\*\* felt like he had walked through the door of a ghost, and what he said was true.

Following the years of Li Tian, the obscene \*\*\*\* finally knows that Li Tian is definitely not an ordinary dick, he is clearly the second generation of gods, and those with strong backgrounds are afraid of people, otherwise there will be no god-level powerhouses. Jump out to help Li Tian.

When the obscene \*\*\*\* is in the \*\*\*\* realm, he is a little \*\*\*\* who walks alone and fights alone. He knows how terrifying the gods who are in groups are.

"So much the better!"

As soon as Haiqin's words fell, the \*\*\*\* of obscenity suddenly disappeared, but it had been sent out from the residence by Haiqin's power.

Then... Haiqin flipped it over, and there were dozens of egg-sized night pearls in her hand. She threw these dozens of night pearls into the air, and as Haiqin's spiritual power fluctuated, these night pearls slowly floated. In mid-air, like a starry sky.

There was a faint light gradually in the dwelling house already covered by darkness.

The soggy Hai Qin didn't watch Li Tian walk straight ahead of the collapse, sitting on the edge of the collapse, lowering his head slightly, in a twisted posture, "Husband, tonight is a day of great joy for us. Let down the great time!"

Li Tian is really a little dazed this time, the changes before and after this woman are too great!

"I... what can I do for you?"

"My husband, don't want to laugh, the bridal chamber is festooned, and there are lone men and widows in the same room. What else can you do?"

"Hey, what you said is right! In that case... let's practice together!"

Hai Qin glared at Li Tian fiercely, "Such a beautiful day, does your husband have to say these irritating things?"

"Haha, if you don't say, I'll forget it. On our big day, my brother Ye Liangchen was not here! Be sure to ask him to make up a generous gift for me later. As for Ye Meijing, if you don't mind, She invited over to practice with us, and I have no complaints!"

Damn, you're a demigod-level powerhouse, yes, your strength is awesome, it's right, I can't afford to offend you, but since I marry you, I can still decide some things!

Like playing wet temptation?

Ha ha!

"Does your husband have to be so angry?"

"Don't dare! You are a god-level powerhouse, why should I dare to \*\*\*\* you off?"

Seeing Li Tian's slack look, Hai Qin couldn't help sighing slightly.

Then, the spiritual power of Haiqin suddenly fluctuated, her wet clothes instantly dried up, and the moisture on the soft buttocks under her hips was constantly evaporating, and it quickly dried out. Then, with a bang, Hai Qin's clothes burst open, shattered into strands of silk threads flying into the air and slowly falling.

Haiqin's perfect ketone body is completely exposed.

That kind of seductiveness, that kind of ecstasy...

"Since the husband is unwilling to take the initiative, then let the concubine serve him!"

Hai Qin stretched out his hand, and Li Tian couldn't help but flew towards Hai Qin. While he was still in the air, his clothes exploded and flew out. Then Li Tian was directly pressed to the collapse by Hai Qin. Hai Qin stood up and rode up!

"Husband, bear with me, the concubine may be a bit savage doing this kind of shy thing for the first time. If it hurts your husband, don't blame the concubine!"

As soon as the voice fell, Li Tian's body floated slowly, Hai Qin rode on Li Tian, his legs wrapped around Li Tian, and...there was no more!

Chapter 4860: : Enter the Secret Realm

This is really a long night!

Li Tian felt as if he was in a hallucination, and that kind of pleasure made Li Tian reluctant to think about it.

And Haiqin seemed to be entangled with Li Tian with a certain purpose. Li Tian didn't know how many times he worked this evening.

In the end, Li Tian was exhausted, so he fell asleep.

Li Tian didn't know how long he slept. When he woke up, the sky was still dark and the night was still outside the house.

"Husband, it's still early, and the concubine is very boring. Why don't we continue to play the shy game just now!"

"Haiqin, I really don't have enough energy to spare! Or let's rest first..."

"Husband, the spring night is worth a thousand dollars, don't let down the good times!"

"Haiqin, I..."

"You refuse me one more try?"

Can Li Tian refuse?

If he dared to refuse, Hai Qin would definitely rush over him again and directly strengthen him.

Oh, my own wife, she must do her husband's responsibility with tears in her tears!

Then... Li Tian was entangled by Hai Qin again, and started doing those shameful things again.

One, two, three, four, two, two, three, four...change a posture, another posture, another posture...

What a long night!

Li Tian can be sure that this night is longer than any day, week, or month he has experienced in the past.

In other words, in this long dark night, Li Tian had only two things to do, sleeping or doing shameful things.

Sometimes even if Li Tian pretends to sleep, Haiqin will think of ways...

Woo, as a man, it's...what a shame to be dealt with by such a fairy!

Marriage is rape. Since Li Tian is unable to resist, he can only bear it silently!

This night, Li Tian conservatively estimated that he worked actively at least more than 99 times, and passively worked more.

Even if it is a domain master-level powerhouse, it is not a \*\*\*\*\* after all. When you do this kind of thing less, you still have a sentiment, and if you do too much, it is really suffering.

Li Tian's legs were weak. As long as he saw Hai Qin's desire-filled eyes and looked at him with a charming expression, he felt scared.

Fairies, worthy of being fairies.

Li Tian finally understood why the ancient emperor was not early when he was charmed by the fairy.

In this way, I don't know how long it took, and finally... it was finally dawn.

Li Tian felt that he was a 'sex slave' who was imprisoned. When he saw the dawn, he had a feeling of regaining freedom, and he had an urge to cry.

"Husband, it's dawn, the concubine will go to meet the clan elder, and work with the clan elder to open the secret realm!"

Li Tian really didn't want to stay in this residence for a moment, "Madam, go now, it's a serious matter to improve your cultivation!"

"The Secret Realm of the Husband Sea-Monster Clan is extremely dangerous. For tens of thousands of years, our Sea-Monster Clan has lost countless sages and domain master-level powerhouses in the Secret Realm. After entering the Secret Realm, the husband must pay attention to safety, and... I wish to give our children a good name before entering the secret realm. By the time you come out of the secret realm, our children will definitely be able to call father..."

The Sea-Monster tribe's rapid rise and the emergence of so many super-domain master-level powerhouses is precisely because the Sea-Monster tribe has a huge tribe, and they use various treasures in the seabed for their cultivation, and finally pass through the sea-monster secret realm. This is the cruelest way to cultivate those super domain masters.

But Li Tian's focus is not this. He doesn't know how cruel the Sea-Monster Clan's secret realm is.

Li Tian looked at Hai Qin in surprise, and pointed his finger at Hai Qin's abdomen, "I fuck! Don't you already have one, do you?"

There was a shy expression on Hai Qin's face, and she nodded slightly, "Well, after a night of hard work, the seeds of the husband have now begun to germinate in the body of the concubine!"

My day, can you not say that pregnancy is so fresh and refined?

"One night? Are you sure you can get pregnant overnight?"

"A night of the Sea-Monster Clan, if calculated according to human time, it is less than half a year!"

I fuck!

Li Tian was completely stunned by this sentence.

Who the \*\*\*\* could have imagined that this night in the bridal chamber had passed nearly half a year, no wonder...

Well, Li Tian can't help it!

After all, this is controlled by Haiqin, he is more passive!

To put it bluntly, Li Tian seems to be a stallion.

"You should start the name!" Li Tian said angrily.

"My husband is angry?"

"No!"

It is absolutely false to say that you are not angry!

If Hai Qin could explain things clearly before, Li Tian might not be angry if he was mentally prepared, but how much grievance Li Tian has endured during this long night.

"The husband does not know something. The concubine is a special race in the Sea-Monster tribe. Even if the rain and dew of the husband is daily, it is hard to look like... The secret realm that the husband enters is very dangerous, and the concubine body must let the husband's heart all worry about it. Let the husband suffer and be affected, the concubine also hopes that even if the husband forgets the concubine body in the secret realm, don't forget that the concubine is carrying your flesh and blood..." Hai Qin's body is half-leaning on Li Tian, with a little grievance in her charm.

Sinister!

What a crime!

Li Tian felt that his defeat was incomplete, and Li Tian felt that he was a cheap bone.

You said that Li Tian has been \*\*\*\* by Haiqin for so many days. When he saw Haiqin's expression, Li Tian really couldn't get angry.

"Well, I'm really not angry! No matter how cruel the secret is, I can assure you that I will come back safely!" Li Tian said.

Hai Qin's face was only slightly better now, and after a few words with Li Tian, he turned and left.

After Haiqin left, Yaoyi brought Situ Ningbing and the others to the small courtyard. With them, there were more than two hundred sea-monster clan venerables and domain master-level powerhouses, including Li Tian. The meat ball and firewood I saw yesterday.

If calculated according to the time of the Sea-Monster tribe, this is the second day of Li Tian's wedding, but these Sea-Monster tribes, Situ Ningbing, Tang Xiaolong and others, do not seem to want to congratulate Li Tian on a happy wedding. They all seem to have forgotten that Li Tiancai just married Haiqin.

Even if Li Tian hinted at Situ Ningbing and others, they couldn't remember at all, but looked at Li Tian curiously.

The demon bowed slightly to Li Tian and said, "Master Li Tian, the patriarch has entered the temple, and the secret realm of our Sea-Monster tribe is about to open. Please be prepared, let us go to the secret realm! Because of the Sea-Monster tribe. The secret realm of can only be entered by powerful people at the venerable level and the domain master level. Xiaotianyi, Xiaoqingwa, and the water bird certainly cannot enter the secret realm. Even if they enter the secret realm through the space of Lord Li Tian, they cannot be summoned in the secret realm..."

I fuck!

Li Tian realized that the situation did not seem right.

But it's too late!

Li Tiangang sent Xiao Tianyi and others super domain master-level powerhouses into the space of Void Yasha, Li Tian and others only felt a flower in front of them, and they had already arrived in the temple.

Aura is permeated in the temple, but there is an extra metal door in this pervasive aura.

At this moment, the door had been slowly opened, and a lingering cold wind blew out from the door, icy cold, and everyone present, the Sea-Monster, shuddered involuntarily. Then Li Tian felt as if he had been pushed from behind by someone. Li Tian turned his head back to see if it was the grandson who pushed him, but as soon as he turned his head, he was already sucked in by this metal door.
