

A Killer 491

Chapter 491: Duguxie and Phoenix

Walking up the stone stairs, the first thing that caught your eye was the grand hall.

The interior is full of luxury and magnificence, the crystal chandelier in the middle is as bright as a pearl, and the murals on the walls in the room are priceless.

This is the Yuwen family, a very rich family.

Everyone in the Yuwen family knows that there is an old immortal whose name is: Yuwen Huangji!

The reason why everyone calls him "Old Immortal" is because he is almost 100 years old now...but his body is still extremely tough, definitely not like an old man over a hundred years old, so far he is still in charge of the Yuwen family.

Yuwen Huangji was at the helm of the Yuwen family in the 1970s. After so many years, Yuwen Huangji is still the first person in their family.

This old man is an ancient figure in the same generation as the old man of the Ouyang family, but it is a pity that the old man of the Ouyang family has long been out of the world, but what about Yuwen Huangji? He is different from the old man Ouyang, the ups and downs of the Yuwen family are still managed by him up to now, so I have to say that this old guy is indeed an immortal.

Yuwen Huangji was in the minds of the older generation, and everyone knew that he was a famous and difficult figure, and his eyes were extremely small.

Who offends him if it's okay? There must be no trouble.

Although Yuwen Huangji is not a simple old monster, but his heirs? But there is no such thing.

Yuwen Huangji has two sons in total. The eldest son is Yuwennuo, who is a trash. Apart from managing their family's affairs, he can't do anything else.

Where is the second son? In the United States, I was also a bastard. I rarely returned to the Yuwen family for so many years. I heard that I joined some gang in the United States... I became a little boss in it, so I didn't want to come back.

In addition to the two unsatisfactory sons, Yuwenhuang is very fortunate that there are two fierce generals under his hand: Duguxie and Phoenix.

Don't underestimate these two characters, because the Yuwen family has been standing for so many years, and the credit of these two people is indeed indispensable.

Especially that Duguxie.

Perhaps few people know the name of Duguxie in this century, because he rarely appears again, but in the last century, the name of Duguxie is even more terrifying than the devil.

No one knows the origin of Duguxie, nor what Kungfu Duguxie uses.

The only thing I knew was that Duguxie was the only living person in the Dugu family, and later I didn't know why he followed Yuwen Huangji.

Duguxie uses a sword, a bronze sword! Cut iron like mud.

In the battle of the four major families in the last century, I don't know how many awesome people died under his bronze sword...

Yijian Fenghou, Duguxie sword, is talking about his title back then.

The other is Fenghuang, obviously a woman, and heard from the outside world that she is a very beautiful woman, is a woman who let a man take a look, this life will never forget her face.

It is said that a woman's beauty is a natural weapon for killing people. Perhaps for Phoenix, she is a weapon for killing people, but what is even more terrifying is her weird martial arts.

This is the three most powerful figures in the Yuwen family at present.

In addition to these three people, there are still many branches of the Yuwen family, such as Yuwenjie who was looking for a beautiful girl from Han last time.

He is the son of an elder in the Yuwen family branch...

Since Yu Wenjie, who was almost repaired by Li Tian, returned to the family last time, he has often told his father how abhorrent Li Tian is, and that Shinhwa Group simply looks down on him.

Fortunately, he has a bit of IQ, so he ignored his son, who spends his time outside.

Besides, the Yuwen family is now discussing business with people from Myanmar, how can they spend time with him?

So now Yu Wenjie can only have hatred in his heart, but is there any way to deal with that Li Tian? He hasn't figured it out yet.

Han Yun has always been known as a strong woman in Shinhwa Group, and even more as a noble beauty.

But when she met Li Tian, her feeling of being in love with Li Tian suddenly opened... Maybe she herself didn't realize that she had fallen in love with that Li Tian.

In the office these days, she always seemed to be out of touch, thinking of Li Tian in her heart.

"Is this the feeling of being in love?" Han Yun asked herself often.

Most of the employees of Shenhua Group firmly believe that their Han goddess and Li Tian are mysterious men and women. Although the two people did not clearly state them, they were convinced through Li Tian's rescue of Han Yun these two times. .

Moreover, Han Yun didn't see Li Tian in the past two days and seemed to be out of touch. Those Shenhua Group employees even thought they were a couple.

Han Yun didn't expect that the person she fell in love with for the first time would be a man who hadn't met for half a month.

And most importantly, she still doesn't know anything about this man, apart from knowing his name, she doesn't know anything about him.

She is the kind of extremely strong woman, but also the kind of active woman. Once she falls in love with others, then she will fight for it like a business.

And now Han Yun is ready to fight for her love.

Today, she is not wearing a professional skirt, but an ordinary white shirt. What about her lower body? It is a pair of tight-fitting black jeans.

The two slender legs are perfectly presented, especially the plump buttocks... It is even more mesmerizing. With a long black hair draped over his shoulders, after getting in his bright red Fiat car, Drive quickly to the Nasibo Hotel.

She is going to see Li Tian and tell him face to face.

The current Li Tian has finally let go of his heart since Old Monster Nage joined his team.

The only thing he had to do now was to know as soon as possible what Duanmu Heiming let him steal from the Yuwen family.

After getting to know Old Monster Ge, Li Tianzhen felt that this man was a monster. He either quarreled with Tang Xiaolong or quarreled with Chen Qiaozhi.

However, Old Monster Ge always squinted at Li Tian sometimes. Li Tian looked a little uncomfortable with such a look. He didn't know if this guy was watching?

Hearing from Tang Xiaolong, Old Monster Ge used to be a liar who set up a street stall. He also told fortune-telling for others. It was nonsense, but Old Monster Ge was really good at Feng Shui.

From the current knowledge of Old Monster Ge, Li Tian deeply realized that there is really nothing strange in the world.

Chapter 492: Intoxicating wine

Talents like Elder Ge are indeed scarce.

Li Tian, who was staying with his brothers in the room, suddenly heard the hotel bell jingle.

"I'll open the door." Tang Xiaolong said as he walked toward the door of the room.

Li Tian didn't care too much, they all thought it was a waiter.

The moment Tang Xiaolong opened the door suddenly, he suddenly screamed.

"Wow, it's a beautiful Han girl."

Li Tian and Chen Qiaozhi both turned their heads as they listened to the call of the servant, even Old Monster Ge squinted and turned his head.

Li Tian was taken aback when he saw that Han Yun was coming.

"Little boss, beautiful girl Han is here."

While talking over there, winking at Li Angel with a wink.

Han Yun also walked in at this time, seeing Li Tian and his brothers, she was a little surprised.

"You are here!" Li Tian hurried over and said hello.

But seeing Han Yun smiled slightly, Meisou looked at Li Tiandao and said, "I'm here to find you and want to say a few words to you alone."

Li Tian was startled slightly: "Look for me?"

"Yeah." Han Yun said.

"Oh, well..."

Li Tian, who was talking, turned around and said to the brothers: "Then I will accompany Miss Han out to say a few words."

Tang Xiaolong smiled behind him: "Go, go."

Li Tian led Han Yun out of the room. As soon as he left here, Old Monster Ge squinted his eyes and said, "Wow, what a beautiful woman."

"Bah, you old pervert, I can make it clear to you, that beautiful girl in Han is the little boss woman... If you dare to think about the ***** thing, I will chop off the little brother below you ."

"Your uncle! Old man, I am so old, am I that kind of person?" Old monster Ge scolded as he went up.

"That's hard to say, I don't know someone's temperament." Tang Xiaolong said with a smile.

"You know a shit, you brat."

"But that woman is really a little beauty, if my old man is twenty years younger...tsk..."

Tang Xiaolong laughed haha.

"You smile with a hammer."

The two cursed there and said that Chen Qiaozhi was too lazy to talk to them.

After Li Tian followed Han Yun to the lobby of the hotel, they found a quiet corner to sit down.

Looking at the big beauty Han Yun in front of him, Li Tian told the truth and liked her very much.

Especially her dress today is even more beautiful, and the two slender legs are more prominent.

Looking at Han Yun, Li Tian smiled and asked, "Aren't you busy with work today?"

Han Yun blinked her beautiful eyes and said, "It's okay."

"Oh, why did you think of looking for me?" Li Tianxiao asked.

Han Yun's delicate face blushed slightly, and then slowly raised her beautiful eyes and stared at Li Tian: "I came to see you today, but I actually want to ask you something."

"What's the matter?" Li Tian asked curiously.

Han Yun moved her mouth and didn't say anything.

Li Tian couldn't help being surprised, what happened to Han Yun today? How do you talk a little hesitating, doesn't it look like her personality?

Just as she was about to ask her, Han Yun raised her beautiful eyes and stared at Li Tian, as if she was determined to look at him, and suddenly asked, "Do you like me?"

When this sentence was uttered, Li Tian almost fell to the ground.

what?

This was Li Tian's first reaction.

He didn't expect Han Yun to ask himself so directly.

But Han Yun was looking at Li Tian's eyes with a serious face...

"I just want a word from you, do you like me?" Han Yun said again.

That beautiful face that was so delicate and flawless was staring at Li Tian.

As for Li Tian, he was embarrassed with a woman for an instant... he didn't know what to say.

In the face of such a beautiful beauty, if he says that he doesn't like it, it must be nonsense. The Han Yun in front of him is indeed the best among beauties, and he is so capable. I would like to ask if such a beauty, the man in the world like What?

So Li Tian sighed lightly and smiled and said, "You are so beautiful and capable, of course I like..."

Listening to Li Tian saying like, Han Yun suddenly felt like a warm current rising in her heart, flowing into her heart along her body.

She smiled, she smiled with happiness.

She thought that Li Tian would be with her if he said that he liked it, but she did not expect that Li Tian would suddenly say: "It's just...just...I have a wife..."

A word suddenly came out of Li Tian's mouth, and the glass water glass in Han Yun's hand fell on the table with a creak.

Li Tian was taken aback, and quickly reached out to hold the cup that was about to fall, looked at Han Yun and said, "What's the matter? Are you okay?"

Han Yun's face turned pale in an instant, and she quickly said, "It's okay..."

Having said that, Li Tian still saw the disappointment in Han Yun's eyes,

"So... so... you have a wife?" Han Yun said slowly for almost a minute.

Li Tian didn't want to lie to her, so he could only tell the truth: "Well, I promised her that I will protect her anyway in this life... so I want to marry her as my wife."

Han Yun smiled suddenly, the smile was so miserable.

"She's so happy!" Han Yun suddenly said silently from her mouth.

Li Tian smiled faintly, thinking of Situ Ningbing, Li Tian felt a little pain in his heart...because Li Tian didn't know where Situ Ningbing was until now? Is she still hating herself,

"To be honest, you are the first man I like..." Han Yun suddenly said with a wry smile.

From her lonely smile, Li Tian could feel her sadness.

"Sorry..." Li Tian said regretfully.

Han Yun in front of her smiled bitterly and waved her hand.

"Nothing sorry...but I might not be lucky enough."

"Waiter..." Han Yun suddenly called the waiter over there.

Li Tian was taken aback for a moment, wondering what Han Yun was going to do.

Just listen to Han Yun saying to the waiter who came over: "Bring me a bottle of wine..."

Li Tian frowned slightly when he heard that Han Yun was about to drink suddenly... It seemed that he really hurt her. Thinking of this, he couldn't help sighing. For Han Yun, to be honest, Li Tian likes her. , She is so beautiful? Can that man not like it? It's just that Li Tian is even more of a man who speaks.

No matter what, he had promised Situ Ningbing... he wanted to protect her and love her for the rest of his life, so he could only do this at the moment.

The waiter who came by heard Han Yun asking for wine, and couldn't help asking, "I don't know what wine this lady wants?"

"Intoxicating wine, any wine is fine." Han Yun said.

The waiter was stunned for a moment and had to say: "Okay."

Chapter 493: drunk

The waiter then retreated, and after a while he brought a bottle of 2001 diageo and put it on the table.

This bottle of diageo and Bailan are the same degree, strong enough, spicy enough, it is famous in foreign wine!

After the waiter took it, Han Yun grabbed the bottle of Diageo and poured it into her glass.

Grumblingly poured a cup slowly.

The waiter next to it was taken aback.

"Miss... don't you add some ice cubes?" the curious waiter asked there.

This kind of high-density foreign wine, as well as Bailan's, is generally drunk with ice water, otherwise it is easy to get drunk.

Han Yun waved his hand: "No, it's all about you here," the waiter heard Han Yun say so, so he could only step back.

Li Tian looked at Han Yun in front of him and wanted to stop her, but he couldn't find a good reason. After thinking about it, he could only pick up the bottle of Diageo and pour himself a glass.

"Come on, for the first time I like someone, I think you should accompany me to drink one." Han Yun smiled and raised a cup of Diageo in his hands and said to Li Tian.

Li Tian also raised it up: "I'm sorry..." he said sincerely.

Han Yun smiled lightly: "It doesn't matter! Can you tell me the truth, I already thank you very much..."

After speaking, the two of them touched, and after the glass wine glasses made a crisp sound, the two began to drink.

Li Tian drank foreign things for the first time...just after taking it, he felt so spicy that he couldn't eat it.

He glanced at that Han Yun, only to see that Han Yun closed her beautiful eyes and poured a mouthful into her neck.

A whole glass of spirits entered her body just like that.

Li Tian was taken aback.

He also held back a drink, and he swallowed a glass of spirits just like that. After drinking, Li Tian only felt that his stomach was burning like fire, and his throat was extremely spicy.

Looking at that Han Yun's pretty face instantly turned red... and because she drank too hard, she was choked and coughed.

The coughing eyes are flushed... as if tearing.

"Han Yun..." Li Tian called her with concern.

But seeing Han Yun gently touched her chest with her hand, caressed twice, pretending to be okay and said: "I'm fine... Don't worry."

"Come on, drink again."

While speaking, Han Yun held up the Diageo in front of him and prepared to continue to pour.

When Li Tian saw that she was really going to pour the wine, she quickly grabbed her hand.

"Don't drink anymore...you will dizzy if you drink it again." Li Tian said concerned.

But what about Han Yun? Really lost a smile.

"Are you caring about me?" Han Yun asked Li Tian with those blurred eyes open.

Li Tian nodded, feeling a little guilty for Han Yun.

But Han Yun said slowly: "If you really care about me, then make me drunk... I'll be numb when I'm drunk, and when I'm drunk, I don't need to think about you anymore..."

Listening to Han Yun's words, Li Tian slowly moved his finger away.

"Okay, then I will accompany you."

Speaking, Li Tian grabbed the bottle of Diageo and poured himself a glass first, and then poured another glass for Han Yun.

Han Yun blushed and said with a pretty face: "Is this right...Come on, do this cup."

After speaking, he touched the cup in Li Tian's hand again, and drank it with his head up.

This time, Han Yun was still bored.

And Li Tian also endured the spicy cracking wine and drank it in one sip.

After the spicy spirits entered Li Tian's stomach, his head began to swell unconsciously. There was no way. This wine was originally spirits and needed a bit of ice, but at the moment they only drank it dry. Strange thing...

Han Yun over there was almost vomiting when she drank it. Her appearance was obviously very uncomfortable... her face was red to the base of her neck, her speech became unclear, and she continued to drink,

A bottle of wine was quickly divided between the two of them.

That Han Yun was completely dizzy... She was lying on the table at the moment, looking extremely uncomfortable. After all, Li Tian is a big man, slightly better.

But my head was a little swollen, and my body was hot.

Looking at the uncomfortable and painful Han Yun lying on the table, Li Tian couldn't help but slowly stand up, walked up to Han Yun, and lightly patted her on the shoulder: "Is it uncomfortable?"

Han Yun didn't speak, but one hand was shaking there...

Li Tian looked at Han Yun and sighed helplessly: "Han Yun, you are drunk..."

He said that he came over to help Han Yun.

Han Yun was indeed drunk and dazed, but she still said in a daze, "I...I...not drunk..."

"I still want...and...drink..."

Li Tian could not support Han Yun, so he could only bend over and hug Han Yun's delicate body. In this way, the beautiful girl of Han was hugged by Li Tian.

Han Yun put his arms around Li Tian's neck in secret, and the alcohol in his mouth kept saying: "Let go of me... let me go... I want to drink..."

Li Tian looked at her blurred eyes and smiled bitterly.

"Stop talking, I will send you to the top to rest for a while...when you wake up from the wine, then go home."

While talking, he hugged Han Yun and walked towards the front desk.

After asking the waiter to open another room, Li Tian was about to send Han Yun into the hotel to rest. There was no way, so the drunk Han Yun could not drive back at all, so he could only stay at the Siber Hotel temporarily.

He held the beauty in his arms and walked towards the room step by step.

After arriving in a newly opened room, Li Tian slowly put Han Yun in his arms gently on the bed. Han Yun seemed to be awake, speaking inaudible words there...

Li Tian put Han Yun on the bed, then took off her high-heeled shoes, put the quilt gently on her body, and then looked at her red and ***** face, and smiled bitterly: "You have a good rest..."

After speaking, Li Tian was about to leave, but when he was about to leave, Han Yun suddenly grabbed his hand.

"Don't go... don't leave me..." Han Yun said with blurred eyes and tightly pulling Li Tian's arm.

Li Tian, who was being pulled by his arm, was helpless and could only sit back.

"Okay, okay, I won't go! I'm here to guard you...you have a good rest..."

Han Yun breathed out alcohol in her mouth. She didn't know if she heard Li Tian's words. She still said vaguely in that mouth: "Don't... go... don't..."

Li Tian sat beside Han Yun, guarding her.

One arm was pulled tightly by Han Yun.

"You... why do you have a wife..."

"Why... you don't like me..." Han Yun muttered to herself there.

It seems that the first time she was hurt for love, she was indeed hurt very deeply.

Li Tian slowly turned around and looked at her ***** and glamorous face. He couldn't help but stretched out his hand and touched it lightly. With a lonely smile in his mouth, he said, "Fool, what a little fool."

When his finger touched Han Yun's face, Han Yun reflexively embraced Li Tian with both hands.

"Don't go... Don't leave me... Even if you stay by my side for a while..." She put her arms around Li Tian, so tight, as if she was afraid that Li Tian would slip away.

Li Tian was held tightly by her tender body, and with the side effects of drinking those strong alcohols, his body suddenly began to feel hot.

His hands wanted to hug the seductive her in front of him, but he didn't dare, so he could only stand stiffly in the air.

Torture is definitely torture.

Li Tian was enduring the torture of "inhuman" at this moment.

Suddenly hugged Li Tian's Han Yun tightly, the cherry lips came to Li Tian's ear and said softly: "I like you..."

"I want...I want you..."

Exhale Ruolan's voice gently echoed in Li Tian's ears, Li Tian suddenly seemed to be unable to hold herself, her body clinging to Han Yun's rugged and ***** body, coupled with the stimulation of alcohol...it was difficult all of a sudden. control.

Chapter 494: Gave him everything

Listening to Han Yun's coquettish and breathless voice in his ear, Li Tian almost lost himself.

Fortunately, there is still a hint of sobriety in his head: I can't! I can't do this... I hurt her by doing this!

But when he was struggling hard, suddenly Han Yun's active and enthusiastic lips kissed his mouth.

Li Tian's head just felt like a bang!

I tried hard to control my sober consciousness, but it collapsed in an instant.

He couldn't help but greeted her, kissed her sweet nectar-like lips, and then his hands tightly hugged her soft body.

No way, he is really hard to control.

Her lips were so warm and sweet, and she kissed Li Tian, but they looked strange, obviously this was Han Yun's first kiss.

Maybe even Han Yun herself would not have thought that her first kiss would be to Li Tian presumptuously when she was drunk.

Li Tian was also completely confused at this time...He was completely drunk by alcohol, and subconsciously became active.

A hand followed her smooth back and began to slowly fumble down, and then the slender thigh...to that plump, swollen hip...

Han Yun is an out-and-out beauty, every inch of her body, every muscle, is so sexual.

After being violated by Li Tian's fingers for the first time, Han Yun, who was in the female body, convulsed her whole body... her face became more flushed, and her delicate, panting voice became more harsh.

Li Tian was completely in madness at this moment, a mouth began to kiss Han Yun's lips and neck... and then a hand was evil to untie her low, chested shirt...

As the fingers slowly untied, her black lace underwear was revealed... Two hemispherical shapes emerged from the undefiled Saintess Peak... so charming, so ecstatic.

Then Li Tian's evil mouth leaned close to her chest...Two hands were even more unscrupulously demanding from her.

Han Yun flushed her pretty face, holding Li Tian's head in front of her chest deeply, feeling his love.

Li Tian "bullies" the little lamb in front of him like a beast...

The clothes on her body have been faded by her, and the white and beautiful skin like suet jade appeared.

Li Tian held that glamorous and **** body, and started to take off his coat with the other hand.

The confused Han Yun also helped him take off with one hand... Soon Li Tian's bronzed skin was exposed, with deep scars on his body, three stab wounds and one gunshot wound, looking hideously. It's like an ancient totem.

Han Yun also kissed his body, and the other slender hand touched Li Tian's "where".

Li Tian suddenly felt that his body was about to explode, and could no longer resist the evil thoughts. He stretched out his hand and took off the jeans on Han Yun's two slender legs.

It was completely rude and savage, tearing off Han Yun's jeans.

Two slender and white thighs were exposed, and then a certain man pressed desperately on her.

Han Yun was like a shy little lamb, her perfect body like a goddess appeared in front of Li Tian... Li Tian looked at such a charming and **** body, he could bear it.

Desperately pressing on her body.

Han Yun seemed a little scared for the first time, pushing Li Tian gently with both hands, while her mouth was panting...

But Li Tian, who has been completely confused, has taken care of so much, and drove straight in, all of a sudden deep into her secret...

Ah, a cry of pain.

Han Yun cried out in pain, and at the same time, one of her hands tightly grasped Li Tian's back, and the other hand was tightly holding the sheets...

For the first time, he was so rude, how could Han Yun not hurt?

Hearing Han Yun's painful cry, Li Tian seemed to wake up a little bit.

With her body pressed against her sweet and sweet body, she didn't dare to move anymore: "Does it hurt?"

Han Yun shyly buried her little head in Li Tian's arms, panting and saying, "It's...well..."

"You slow down...people...this is the first time for others..."

After speaking, he buried his head deeply in Li Tian's chest like a little woman.

Li Tian hugged the beauty in his arms with one arm, and gently touched the blushing face of Han Yun with the other hand... Li Tian lay on her and began to move gently.

He was afraid of her pain.

The slow movement made Han Yun feel comfortable slowly, her mouth was gasping gently...Two hands held her broad back, silently bearing all the love Li Tian gave her.

Finally when she no longer felt the pain, Li Tian galloped on her tender body again like a wild horse.

There was a breath of love in the whole room.

Finally, after Wushan Yunyu, Li Tianzhu stopped.

One hand is holding Han Yun in his arms, and the other is gently caressing her beautiful body.

What about Han Yun? She was drunk, her face flushed long ago, her small head was buried in Li Tian's chest, her eyes closed as if she was enjoying something, and she fell asleep.

Li Tian also held the beauty in his arms and quietly closed his eyes and started to rest.

This night, she gave Li Tian her innocent body that she had guarded for more than 20 years, and all her love was given to him.

When the Ming Dynasty sunrise rose, Li Tian's drinking spirit had disappeared.

He slowly opened his eyes, and at first glance he saw the beauty next to him...

She was also very awake and closed her eyes, her dark hair covered half of her delicate face, and her sleeping posture was lovely and beautiful.

Of course, Li Tian clearly remembered everything that happened last night in his head...but now he was shocked by a large part of his heart.

"How can I do such a ridiculous thing?" He was shocked.

But looking at Han Yun in front of him...what can he do? Since Han Yun has given him his innocence, he should always be responsible to them!

Looking at Han Yun in his arms, Li Tian couldn't help holding her lovingly.

Finally, she woke up too.

When Han Yun was sober, she found that she was naked, and when the man in front of her was Li Tian, she was ashamed as a little rabbit.

Shrink the whole person under the quilt and dare not come out.

At the same time, my heart was shocked: "Oh my God, what have I done..."

Although she did drink too much yesterday and was still confused, she still vaguely remembered the scene last night, her madness and addiction...

Thinking of this, her whole heart was beating there.

"Does he think he is too...too indulgent...too frivolous?" Han Yun thought to herself.

"Are you awake?" Finally Li Tian hugged Han Yun and said slightly.

Han Yun's face was ashamed, hiding in the quilt, afraid to see people or speak.

Li Tian just hugged Han Yun gently.

Finally, after a long time, Han Yun slightly exposed her delicate face from the quilt, blinking her beautiful eyes and staring at Li Tian in front of her.

"me....."

She wanted to say something, but she couldn't.

Li Tian held her in his arms tighter.

"Fool...Don't say it, I understand your intentions! Although I don't know if this matter is wrong or right... But I promise Li Tian that from today onwards, you, Han Yun are my woman..."

Li Tian is a daring man, since he has done all this, of course he has to be responsible to the end.

Listening to Li Tian's simple words, there is no pride, no sweet words, but a simple promise.

But this promise is more convincing than any words.

Perhaps from this moment, Han Yun has become Li Tian's woman.

Chapter 495: sweet Nothing

Hearing Tang Xiaolong's words, of course Li Tian knew who he was talking about in black and white? Of course it was the black and white Shuangsha that Duanmu Heiming sent to monitor him.

"Are they there now?" Li Tian asked.

"It's in the hotel room." Tang Xiaolong said.

"Go, let's go over."

Li Tian, who was talking, took Tang Xiaolong in front of him and quickly walked towards the room.

After quickly walking to the room where they lived before, they really saw the black and white double evil standing like a stone inside the room.

On the contrary, Old Monster Ge in the room and Chen Qiaozhi did not even glance at the two of them...

"Fifth Elder." After Li Tian came in, the black and white Shuangsha whispered.

Li Tian nodded slightly.

"Excuse me, Fifth Elder, who are these people?" Bai Wusha said with a gloomy face and a pair of vicious eyes, looking at Chen Qiaozhi and Old Monster Ge slightly.

"They are my brothers, what's the matter?" Li Tian said lightly.

Then Bai Wusha coldly snorted: "The Fifth Elders must not forget our trip to northern Liaoning... but the clan owner has repeatedly emphasized that outsiders should not be mixed into this matter... Now these outsiders It must be wrong to get here rashly, right?"

Chapter 496: Arguing again

Listening to Bai Wusha's words, Tang Xiaolong was the first to say that when he was not convinced, but was slightly stopped by Li Tian.

"At this point, you go back to tell the Duanmu clan leader, you tell him, just rest assured, and I will definitely get what he wants." Li Tian said lightly.

Bai Wusha groaned, obviously unhappy.

"But, the fifth elders... how do our brothers explain the origin of these people to the clan leader?"

"Once the clan leader does not allow it, then please let the fifth elders leave these strangers as soon as possible."

Li Tian suddenly became angry when Bai Wusha said this.

"Don't you hear what I just said? Don't forget, I was responsible for this trip to Liaoning."

"You can just convey my words to the patriarch."

Li Tian finished these words coldly.

Listening to Li Tian's words of black and white Shuangsha, he was only annoyed, but he didn't dare to act in vain, so he could only stand there with a groan.

"Right, there is one more thing I want to ask you." Li Tian suddenly turned his head to look at the black and white Shuangsha and asked.

Bai Wusha said gloomily, "What's the matter?"

"I want to ask, when we came to Liaobei this time, what exactly did the Duanmu clan master tell us to steal from that Yuwen family?" Li Tian asked suddenly.

After Li Tian asked, the black and white Shuangsha in front of them glanced at each other.

Heiwuchang, who had been standing quietly on the side, suddenly snorted and said, "We don't know."

"You really don't know...?" Li Tian looked at the black impermanence with eyes open in disbelief.

Bai Wusha smiled sullenly: "Our brothers really don't know, but the fifth elder, don't worry... the clan master will tell you when that happens."

"That's best."

"You turn around and convey a message to the Duanmu clan master for me. If you want me to help him get something as soon as possible, you'd better tell me what I want to steal... Only by telling me can I do everything. ready."

"Otherwise, I can't be blamed for the failure of this mission." Li Tiandao said.

Then Bai Wusha smiled and said, "Fifth elders, don't worry, if you say, we will ensure that we will tell the clan owner verbatim."

"Ok!"

"Well, there is nothing wrong with you here, you can go." Just listen to Li Tiandao.

Bai Wusha seemed to want to say something, but when Heiwuchang over there pulled his sleeves, Bai Wusha closed his mouth again.

"Well, then our brothers will not disturb the fifth elders."

Okay, Bai Wusha, who was talking, retreated with Heiwuchang beside him.

After the two of them quit, Bai Wusha's face suddenly became extremely ugly, and his face was full of resentment.

"Bastard! Damn bastard... If the clan chief kept this kid alive, I really want to kill him now."

The extremely cruel Heiwuchang beside him said coldly from his mouth: "Don't worry, one day he will die in our hands."

"Damn, he thought he was already the fifth elder..."

"Forget it, let's do important things," Hei Wuchang said.

Bai Wusha in front of him walked forward and said to Heiwuchang: "Why didn't you ask that kid just now? If the eldest lady has really arrived here and met with him, it will be troublesome. ."

Listening to Bai Wusha's words, it seemed that the two of them were worried that Duanmu Ying came to Liaobei Province to tell Li Tian the secret.

But seeing Heiwuchang did shook his head slightly, the cold face spit out a few words: "I think the eldest lady hasn't arrived yet."

"Not to find him."

"Why are you so sure?" Bai Wusha said.

"If the eldest lady has really met him, then I believe he will definitely not speak to us in this tone today."

"So I'm sure, he still doesn't know about Missy's leaving the Duanmu family. If you want to ask him at that time, then you will definitely be surprised, and the kid will definitely wonder why we will suddenly ask... If he guesses the clues, then it will be troublesome."

Hei Wuchang really makes a lot of sense. Li Tian in front of him does not know that Duanmuying escaped from the Duanmu family, let alone that Duanmuying escaped with Situ Ningbing. If today, Bai Wusha would suddenly ask If he started, Li Tian would definitely be suspicious.

Bai Wusha nodded slowly.

"Then what should we do now? The train station and the airport are all guarded there... But the only lady is not showing up? Can she go there?" Bai Wusha snorted.

He was impermanent and did not speak for a long time.

"Keep looking..."

"Even if you look through Liaobei Province, you must find Missy."

After the two of them finished speaking, they walked step by step toward the front.

After the black and white Shuangsha left Li Tian's room, Tang Xiaolong couldn't help but angrily said in his heart: "Little boss, those two **** should really teach me a lesson! Damn, what pretends... Who do they think they are?"

Li Tian smiled faintly.

"There is no need to froze the relationship now, not yet."

"If I heard correctly, you seem to be talking about the dark Duanmu family, one of the four big families, right?" Suddenly, Ge Lao squinted his eyes and stared at Li Tianzai and asked.

The current old Ge still didn't know Li Tian's identity, let alone all of these things, so he couldn't help but wonder there.

Li Tian smiled: "Well, it is indeed the Duanmu family."

"The two people just now belonged to the Duanmu family."

Listening to Li Tian's words, Old Monster Ge's brows suddenly frowned.

"What the **** are you doing... even the Duanmu family is involved... And you, those two guys just called you the fifth elder... What do you mean? Are you also a member of the Duanmu family?" Ge Lao Guai blinked his eyes and looked at Li Tian in disbelief.

"Wipe, Old Monster Ge, you don't know anything."

"I know what a shit, I was fooled by this guy to get here, my **** still hasn't figured out what happened." Old monster Ge said with a depressed look.

Tang Xiaolong laughed loudly.

"Okay, okay, let me tell you the ins and outs of all this."

So Tang Xiaolong told the old Monster Ge in front and back, including the experience of getting to know Li Tian from the beginning to the end, and everything he has done now.

Old Monster Ge's expression was shocked. After listening, he was taken aback and looked at Li Tian in front of him.

"So you have experienced so many things."

Li Tian smiled faintly.

"The dragon and the phoenix among the people, really the dragon and the phoenix among the people!" Old Monster Ge exclaimed there.

"Stop flattering in front of our little boss..." Tang Xiaolong said with a smile.

"Fuck off, you know what a fart... Old man, I used to be a person who specializes in interpersonal relationships and fate."

"Come here, you, you're just the people who haven't seen the world in the street...you tell fortunes? If you can tell fortunes for others, why don't you count yourself?"

"Nonsense, haven't you heard that gods do not count themselves?"

Chapter 497: The cleverness of Situ Ningbing

It is reasonable to say that Situ Ningbing and Duanmuying, who should arrive at the train station in northern Liaoning by train yesterday, are unfortunately surprised that these two beauties have not yet appeared at the train station in northern Liaoning.

Those members of the Duanmu family who had been instructed to monitor the train station by the dark-collar leader of the Duanmu family are still searching there.

But so far, no one has found any clues to that lady and Situ Ningbing!

What is going on?

Obviously that Duan Muying and Situ Ningbing were sitting on the high-speed train. How could there be no one at the train station?

In the past two days, members of the Duanmu family have been monitoring the train station firmly, saying an exaggeration. It is estimated that even a fly in the past could be spotted by the Duanmu family, but now? Two big people were not found.

What is going on? Could it be that Duanmuying and Situ Ningbing have not arrived yet?

At the railway station in northern Liaoning Province, I saw several members of the Duanmu family in black suits standing coldly at the exit of the station. Every passenger in the past was watched by them.

And there is definitely more than one place, and you can see the Duanmu family monitors everywhere.

At this moment, I saw several members of the Duanmu family in black suits and followed Black Hawk quickly walking towards this side.

After arriving here, one of the burly men in a black suit ran over quickly.

"Dark Lord."

The Black Hawk coldly scanned the Liaobei Railway Station in front of him, and then asked coldly: "Have you not found the lady and that woman?"

"Damn your subordinates! Until now, I haven't found any trace of the eldest lady and that woman."

"How is it possible!!" Black Hawk said angrily.

A pair of eyes exudes endless killing intent.

"I have already arrived in Liaobei Province, how can they not show up yet?" Black Hawk said coldly.

"Did you not find out? Did you let the lady slip away?" Black Hawk suddenly looked at his subordinates with murderous expression.

The subordinate quickly said: "There is absolutely no subordinate!"

"Since we received the order, we have been monitoring it 24 hours a day...If the eldest lady really gets here by car, the subordinates will use their heads to ensure that they will never slip away."

Listening to the words of his subordinates, Black Hawk felt that something was wrong more and more.

"What the **** is going on? Why does the eldest woman always play cards according to common sense? Obviously at the train station in Jinghai City and found the clue of the eldest lady... But why did the train station here still rushed to nothing...?"

The black eagle in front of him was really unwilling.

He glanced at the crowded train station in front of him and said coldly, "You continue to monitor here!"

"I don't believe they can fly their wings to the sky!!"

After Black Hawk finished speaking, he coldly turned and left the train station in front of him.

As he walked towards the car in front, he said to the subordinates behind him: "Call to inform the black and white double evil...Let him tell me the hotel where Li Tian is staying. I will see Li Tian right now."

"Yes!" said the subordinate.

Black Hawk, who had first arrived in Liaobei Province, didn't expect that he hadn't caught the Duan Muying and Situ Ningbing on the way... This made him extremely angry, as if being tricked.

Sitting in the car, he kept thinking secretly, how is it possible?

How could the lady appear here unexpectedly? Has the eldest lady become clever... knowing that she was tracking her with someone along the way? impossible.

To say that Duanmuying will become smart, it is definitely an impossible thing.

But why did Muying and Situ Ningbing at the end of Liaobei Railway Station not show up?

If it was Duanmuying herself, then 100% of the current Duanmu family members had caught her at the train station in North Liaoning Province, but don't forget that there is another person beside her, that is the killer Situ Ningbing.

How smart is this glamorous and beautiful Situ Ningbing? And know that she was a killer before.

Can a top killer fail to predict even the simplest danger?

Of course not! Therefore, the reason why Duanmuying and Situ Ningbing did not appear at the Liaobei Railway Station as expected by the Black Hawk was because Situ Ningbing's anti-reconnaissance ability was much better than the members of the Duanmu family.

At the bus station in northern Liaoning province, two Qianli figures can be seen walking off a bus from a distance.

This bus came from a neighboring city to Liaobei Province.

After following these two shadows, they recognized them as Duan Muying and Situ Ningbing.

Are they riding a bus? Isn't it the train before?

It turned out that all of this was the attention of Situ Ningbing.

Clever, she predicted early that the Duanmu family might be fortified along the road to monitor their tracks, so when the train was about to reach Liaobei Province, Situ Ningbing decisively asked to get off at the nearest station.

At that time, Duanmuying didn't mention how depressed she was, she once suspected that Situ Ningbing had delusional persecution.

It was also said that Situ Ningbing had been a killer for too long, and that's why it caused this disease.

Situ Ningbing ignored the young lady Duan Muying, grabbed her arm and dragged her off the train.

Isn't this? The depressed Duanmu Ying was forced to get off the train.

It was 11 o'clock in the evening after the two got off the train. At that time, there was no car to reach Liaobei Province, so the two of them could only live in a dirty car hotel.

The car hotel was originally a cheap room for rent, which made Duanmuying, who was the eldest lady, depressed.

I clamored and said: I won't live in the broken house if I'm killed.

However, this small county town around Liaobei Province did not have any place to live at this time. Situ Ningbing was a little better. As long as there was a place to live, it didn't matter to her.

So she moved in, but Duan Muying was unwilling to live.

In the end, there was no way, Situ Ningbing could only say: You can't live in love, anyway, this night, if you don't live, you will stay outside for the whole night.

After speaking, he checked into the motor hotel in front of him alone.

And what about Duanki Ying? Seeing that Situ Ningbing really went into the dirty motor hotel alone, and threw herself out of the dark, she was depressed right now.

Finally, after a fierce ideological struggle, Duanmuying finally decided to move into this motel first.

No way, she can't really stay out all night alone, right?

After staying in the motel in this way, Duanmuying didn't know how to stay up all night. After the whole night, her eyes were red, and it was obvious that she did not sleep well.

I left there early the next morning, and said that I would never live in that kind of place again...

Chapter 498: Waiting for Li Tian's appearance

The next day, Duanmuying was leaving this broken motel early in the morning. According to her original words, she would rather die than stay in this broken hotel.

Situ Ningbing didn't say much, but took her to find the car bound for Liaobei Province.

Because I didn't sleep well yesterday, my eyes were all red and red. After that Situ Ningbing finally found a bus, and the two of them took a bus and drove quickly toward the northern province of Liaoning.

After arriving in Liaobei Province, Duanmuying complained on her face, and she was full of resentment when she got out of the car.

"I'm all to blame for the fuss. Who is chasing us on this road? I am so mad, I have suffered so many sins." Duan Muying said while staring at Situ Ningbing over there.

Situ Ningbing did not pay any attention to her, with a pair of beautiful eyes blinking vigilantly at the bus station exit in northern Liaoning Province.

After checking to make sure that there were no Duanmu family members at the bus station, she was relieved.

"I finally arrived in Liaobei Province." Situ Ningbing said silently.

"Let's go." She glanced at Duanmuying behind.

Duanmuying walked over quickly and cast a blank look at Situ Ningbing and said, "I said, do you always be so scared? Are you afraid of someone harming you?"

Hearing Duanmuying's words, Situ Ningbing suddenly turned his head and said coldly, "Yes!"

Duanmuying was taken aback by her cold tone and said, "It's so pitiful..."

"You are persecution delusion... Looking back, I will find a psychiatrist for you to take a good look." Duanmuying said with a smile.

"Humph!"

"Just for a self-righteous person like you, someday one day you don't even know how to get caught, and you still say me here? Stupid." Situ Ningbing replied viciously.

When Mu Ying heard Situ Ningbing said that she was stupid, of course she was extremely dissatisfied.

He clamored and said: "You are not stupid, obviously you should have arrived two days ago by plane. You have to take the train, and you have to transfer halfway and then take the car. Are you sick?"

"Who is wrong, who knows it in his own mind, and doesn't bother to care about people with common sense like you."

After Situ Ningbing finished speaking, he walked forward alone.

Duanmuying behind was gritted her teeth with hatred, wishing to go up and bite Situ Ningbing, and the two of them went to Liaoning Province noisily along the way.

"I finally arrived in Liaobei Province."

Looking at the tall buildings and the crowded streets in front of him, Situ Ningbing said slightly.

Li Tian is currently in this city, but in the huge northern province of Liaoning, how should he and the lady in front of Duanmu find? Situ Ningbing thought for a while, and suddenly raised his eyes to look at Duanmuying who was pouting with a red mouth just now because of the fight.

"Hey, do you know where Li Tian was sent here by your father?"

Duanmu Ying turned white and Situ Ningbing said with a glance: "How would I know."

"I only know that my father asked him to deal with the Yuwen family."

Situ Ningbing frowned slightly when she heard Duanmuying say this.

It seems that it is impossible for the two of them to find Li Tian in Liaobei Province for a while.

"Let's go." Situ Ningbing just thought about it before making a decision.

Duanmuying in front of her asked slightly in a daze, "Where are you going?"

Situ Ningbing turned his head and said, "Don't you find a place to live first?"

When Situ Ningbing said so, Duanmuying gave a cry and followed.

After the two stopped a taxi on the endless street, they got in. Situ Ningbing said to the master driving in front: "Master, where is the Yuwen family?"

Hearing Situ Ningbing's sudden question, the taxi master smiled and turned his head to look at Situ Ningbing and said, "The two young ladies are not locals, right?"

"We are not. We are here to travel. I have always heard that the Yuwen family is magnificent, so I wanted to see it."

"Oh, that's right! In our northern province of Liaoning, the best, largest, and most brilliant building is the Yuwen family...hehe, I will take two young ladies over."

The driver who was talking drove toward the street in front of him.

Duanmuying, who was sitting with Situ Ningbing, was slightly surprised, and whispered to Situ Ningbing next to him: "What are you doing? Why are you going to Yuwen family now?"

Situ Ningbing whited Duanmuying and said, "Are you stupid?"

"Isn't Li Tian's goal to be the Yuwen family? If we want to find him, we have to stay near that Yuwen family, because only in this way can we have the chance to meet him. If we live elsewhere, how can we find him? ?"

Hearing Situ Ningbing's words, Duanmuying in front of her was taken aback, thinking it seemed to be the reason.

So he didn't speak either.

The taxi quickly brought the two girls to the vicinity of the Yuwen family mansion.

The driver rolled down the window of the car and pointed to the area of the large mansion outside and said: "Two young ladies, if you see it, it is our Yuwen family in Liaobei Province."

Situ Ningbing and Duanmuying in front of them turned their heads and gave a cry.

"All right, Master, let's get off here." Situ Ningbing said.

"Okay." The driver pulled the taxi aside and stopped.

After stopping, the two got out of the car.

Looking at the Yuwen family over there, Duanmuying murmured: "So this is the Yuwen family."

"Is it incomparable to your Duanmu family?" Situ Ningbing said sarcastically.

Duanmuying knew what she meant, and she snorted coldly: "Don't ridicule me... Our family always likes to be indifferent to the world, so we live under the wolf valley... Our family is not like some people, who likes to be so swagger. ."

Situ Ning sneered.

"Okay, let's go, find a hotel nearby, let's stay first." Situ Ningbing said slowly.

"Hotel...I can tell you that if you stay in the same hotel as yesterday, this lady will not live even if she is killed." Duan Muying said while following Situ Ningbing.

Situ Ningbing smiled slightly: "Don't worry."

Talking about the two big beauties, they walked towards the front place.

The two of them really found a hotel nearby. It was not bad. Although it was not a five-star hotel, it was still a three-star hotel. So, Kazura was satisfied.

After staying in the hotel, the two people were ready to rest here first, and then began to look for Li Tian and the others.

They don't know where Li Tian is in Northern Liaoning Province, so there are some headless flies. Fortunately, they know Li Tian's goal in Northern Liaoning Province. Now they can only stay here and wait.

Chapter 499: Black Hawk is coming

The Black Hawk has now come to Liaobei Province.

After the unsuccessful follow-up of the young lady Duankiyong along the way, he appeared angry and irritable. How could a character like him be fooled by the young lady?

However, he still has to turn with Li Tian and the others as soon as possible, because the Duan Mu clan leader is already preparing to start this action plan, and the matter about the young lady can only be temporarily stranded.

From a distance on the wide streets of Liaoning Province, you can see several black Audi Q7 arrogantly rushing towards the Siber Hotel.

Sitting in these awesome Audi q7 cars is the Black Hawk who came from the Duanmu family.

In the middle car, I saw the black eagle sitting with a cold face. Under the pair of hands, he suddenly said, "Has the black and white double brakes been notified?"

"It has been notified, presumably they will be waiting for the dark master at the door of the hotel at this time." The subordinate said.

The Black Hawk nodded silently.

When the car quickly arrived at the Siber Hotel, you could see the black and white double evil standing outside the gate of the Siber Hotel from a distance, followed by Hu Rui, the chairman of the Shinhwa Group.

It's just that Hu Rui was like a little follower, bowed slightly, waiting there.

After the convoy arrived at the Siber Hotel, they saw the Black Hawk and the group of a dozen people slowly walked out of the car.

Black and white Shuangsha quickly walked over.

"Dark Lord."

The two people shouted in a low voice.

Black Hawk raised his head and glanced at the two of them: "You have worked hard this time... The clan owner said that when this task is completed, I will definitely reward you both."

The black and white double evil spirits said in unison: "Thank you, the clan master."

"By the way, the kid surnamed Li lives here, too?" Black Hawk raised his eyes and looked at the black and white Shuangsha.

"in."

"Just be here."

"I'm asking you about the eldest lady, is the kid surnamed Li aware of it now?" Black Hawk suddenly turned his face and looked at the black and white Shuangsha and asked.

Black and white Shuangsha quickly said, "No!"

"The subordinate promises that the surnamed Li hasn't noticed it yet."

"That's good. If the eldest lady tells the kid our secret, then this matter will be a big trouble..."

"Remember, for these two days, I still guarded the train station firmly. Regarding the trace of the young lady, you must not take it lightly." Black Hawk said.

Black and white Shuangsha nodded and said: Yes!

"Go, take me to see Li Tian." Black Eagle strode forward.

"Yes."

The black and white Shuangsha who was talking took the black eagle in front of him to see Li Tian in the Nasiboer Hotel.

When the group of them arrived in front of Li Tian's door, black and white Shuangsha pointed and said, "He and his people live here."

"Knock on the door." Black Hawk said coldly.

Then the man in front of him went to knock on the door.

Li Tian and his brothers were all in the room and did not go out that day.

Hearing the doorbell ringing, Tang Xiaolong got up from the sofa and said, "I'll open the door."

When he said that, he walked towards the door, and when he reached the door, after opening the door, Tang Xiaolong was slightly stunned. He couldn't help seeing the black and white double evil spirits in front of the door. At the same time, he also saw the stranger Black Eagle and he was carrying Of a dozen guys in black suits.

"Xiaolong, who is it?" Li Tian asked.

Tang Xiaolong frowned and said, "I don't know these people."

Hearing Tang Xiaolong's words, Li Tian and his brothers couldn't help but turn their heads in surprise.

Li Tian then saw the black eagle at the door.

The moment he saw the black hawk, he couldn't help but startled slightly, why did this guy from the dark part suddenly arrive here?

"Who is he?" The Black Hawk at the moment looked at Tang Xiaolong with a cold face and asked.

Black and white Shuangsha glanced at Tang Xiaolong in front of him.

"He is the helper the Fifth Elder asked for." Bai Wusha deliberately said the word "helper" very clearly.

Black Hawk looked at Tang Xiaolong with a venomous smile at the corner of his mouth, and then turned his gaze to Li Tian who came by.

"Fifth elders, long time no see."

While talking, Black Hawk looked at everyone in the room with a sullen smile. His sinister and venomous gaze swept over Chen Qiaozhi, Ah Qiu, and Old Monster Ge one by one. .

Li Tian also glanced at Black Hawk.

"Why did you come here suddenly?"

Black Hawk laughed: "I am sent by the clan leader to assist the fifth elder."

Li Tianyi asked in a daze, "What do you mean?"

"The head of the clan said that he was afraid that there might be a mistake in this mission, so we sent people from the Anbu to assist the Fifth Elder. Why? The Fifth Elder looks a little dissatisfied?"

Li Tian also smiled faintly: "There is nothing dissatisfied, but I am afraid that your Anbu people will drag me back."

Hearing Li Tian's sarcasm, Hei Ying groaned, but didn't say anything.

Leng Li's eyes glanced at the house owner in front of him and said, "Fifth Elder, are these the helpers you invited?"

There was a sense of disdain in the words.

"They are my brothers." Li Tian corrected.

"Really?" Black Hawk glanced at everyone with a look of despise.

"Fifth elders, can you tell me briefly about the origin of these people?" Black Hawk stood there and asked.

Li Tian shook his head decisively.

"My brother, you still don't want to know. But I want to ask you, when did the clan master tell you to start attacking the Yuwen family?" Li Tian turned the subject and asked.

The Black Hawk smiled, then sat down on the sofa by himself, and said slowly, "I will act in a few days."

"Oh, isn't it?"

"Did the clan leader tell you what the **** did I go to the Yuwen family to steal this time?" Li Tian asked directly.

Black Hawk glanced at Li Tian: "I will tell you these two days, the Fifth Elders can rest assured."

"Okay, I'll wait for you." Li Tiandao.

"From now on, I will also live in this Siber Hotel. If there is anything for the fifth elders, they can come to me at any time."

The Black Hawk slowly stood up and said.

Li Tian did not speak.

"Okay, then I won't disturb the fifth elders."

After speaking, the black eagle left here with the black and white double evil spirits and more than ten people behind him.

After Black Hawk left, Li Tian's eyes became full of anger.

Judging from the current situation, the Duanmu clan leader may soon let himself deal with the Yuwen family... Now that even the black eagles of Anbu have been sent out, presumably these people of the Duanmu Heiming faction are all to monitor themselves. Li Tian thought to himself.

"Who is that **** just now?" Tang Xiaolong asked suddenly.

"He is the leader of the dark part of the Duanmu family... his name is: Black Eagle, he is an absolutely cruel, murderous character." Li Tian slowly said to his brothers.

Chapter 500: Xuanyuanjian

"Then he came over this time, did he come to monitor you like the black and white Shuangsha?" Tang Xiaolong continued to ask.

Li Tian nodded silently: "It should be."

"Fuck his uncle, I didn't expect the Duanmu family to look so tight to you." Tang Xiaolong cursed there.

"Regarding them, I am not worried now. The only thing I worry about now is that Duanmu Heiming wants me to steal something from the Yuwen family." Li Tian said slightly.

"Well, Li Tian is right. So far, we don't even know what to steal. This is the most troublesome thing."

"Leave aside the Duanmu family for the time being, it is extremely difficult for the Yuwen family to get in..." Chen Qiaozhi said, holding the golden glasses on his eyes.

Old Ge was constantly complaining: "Grandma's, I didn't expect your matter to be so complicated."

"Especially the few guys just now, all of them look fierce, will they kill them by then?" Old Monster Ge frowned.

"You are afraid of a bird, if I have Tang Xiaolong here, who can move you." Tang Xiaolong said with a smile.

Old Monster Ge blanched Tang Xiaolong with a glance: "Just your three-legged cat kung fu... protect me?"

"What's the matter? Your uncle is not convinced, we two are practicing alone now." Tang Xiaolong said.

Old monster Ge didn't bother to argue with Tang Xiaolong, and stepped over to ignore him.

Chen Qiaozhi looked at Li Tian slowly and said, "Li Tian, or else, you first ask the black eagle to ask what the Duanmu family let us steal?"

Li Tian thought for a while: "Well, good."

"I also think it's time to ask him."

"Well, you stay here first, and I will ask him now." Li Tiandao said.

"But the guy just said, what if he doesn't tell you?" Tang Xiaolong said.

Li Tian smiled faintly: "I have my own method."

Talking Li Tian went out of the door and walked straight to the bedroom of the Black Hawk who had just settled down.

But seeing four Duanmu family members in black suits standing in the corridor not far away, standing at one of the doors, Li Tian blinked and knew that it must be the room where Black Hawk lived.

Turning around and walking towards the door, when the four members of the Anbu saw Li Tian coming, they all shouted, "Fifth Elder."

"Tell your dark master, and say that I have something to see him." Li Tian said to the man at the door.

The Anbu members in front of them didn't dare to neglect, so they nodded, and then one of them went in to report.

Soon I saw that the Anbu member who had reported the report came out: "Fifth Elder, please come in...The Dark Lord is waiting for you inside."

Then he opened the door of the room.

Li Tian stepped in.

As soon as I walked in, I saw the black eagle with a fake smile on his face.

"Fifth Elder, why did you want to see me all of a sudden?" Hearing Black Hawk sitting there and smiling.

"I came to you, but I think you should tell me something." Li Tian said slowly.

When Black Hawk heard Li Tian say this, he was slightly taken aback: "Oh?"

"I don't know what the Fifth Elder wants to know?" Black Hawk asked.

Li Tian asked bluntly: "The clan leader sent me to Liaobei Province to deal with the Yuwen family, but so far he hasn't told me what I am going to steal from the Yuwen family? I don't understand what the clan leader means?"

"Could it be that there is any hidden secret in this?" Li Tian said while smiling at the black eagle.

The Black Hawk laughed suddenly.

"The Fifth Elders are too worried."

"The reason why the clan leader didn't tell the fifth elder was because he felt it was not yet time."

"Once the time comes, I will definitely tell the Fifth Elder you." Black Hawk said.

"No! I need to know now." Li Tian said coldly, suddenly.

Black Hawk sneered: "Fifth Elder, it's not that I, Black Hawk, didn't tell you, but all this is the command of the clan leader."

"Don't use the clan leader to crush me!" Li Tian said suddenly.

"Do you think the Yuwen family is really vegetarian? You think it is really that simple to steal something from the Yuwen family... If the Duanmu clan master wants me to really help him get something, then you are the best Tell me... because only by telling me can I know how to steal."

Listening to Li Tian's words, the black eagle eyes became extremely cold, but Li Tian said the truth. The Duanmu family just wants an outsider to steal something from the Yuwen family... If Li Tian is really unsuccessful this time, it will definitely cause a lot of trouble, so the black eagle in front of you will slowly think about it. Dao said: "The Fifth Elders really want to know?" Black Eagle said suddenly.

"Of course, if I don't know, how can I help the clan master to steal by then." Li Tian said.

"it is good!"

"But my Black Hawk doesn't have this right. I want to ask the clan owner." Hearing Black Hawk sneered.

"Then you'd better ask as soon as possible." Li Tian said, standing aside.

Hei Ying Yin laughed, then turned around and walked towards the room on the other side. At the same time, he quickly fetched a phone from his arms. After dialing a phone skillfully with his finger on it, he entered that room.

Of course Li Tian knew that this black eagle should be talking on the phone with the Duanmu clan chief, and just sat there waiting quietly.

Within five minutes, the Black Hawk slowly walked out of the room.

Li Tian looked at him and asked, "What did the clan leader say?"

He only listened to a playful smile on Black Hawk's face.

"The patriarch said let me tell you."

Li Tian was shocked when he heard the Black Hawk saying so, he didn't expect Duanmu Heiming to agree so happily.

"But the clan owner said that once you tell you, you must steal that thing... If you fail to succeed, you should know what consequences you will bear."

Listening to the words of Black Eagle in front of him, Li Tian certainly knew what he meant.

If he fails to succeed, there is no doubt that Duanmu Heiming is likely to kill himself.

Originally, Li Tian had taken the poison from the Sanshengmen of the Duanmu family. If he didn't succeed in the mission this time, he might really die.

Li Tian looked at Black Eagle and said, "Just tell me, what are you going to let me steal from the Yuwen family."

The black eagle swished and said in a hoarse voice slowly: "The clan master wants you to go to the Yuwen family to steal their family's treasure."

"What's the treasure?" Li Tian couldn't help being taken aback when he heard that it was the treasure of the Yuwen family.

"The Emperor: Xuanyuanjian."

A word suddenly came out of the black eagle's mouth.

"Xuanyuanjian?" When Li Tiandang suddenly heard this Xuanyuanjian, he was stunned.
