

A Killer 511

Chapter 511: Is it a dream?

Li Tian glanced at the member of the Yuwen family who was chasing him, swish open the door of the car, and said to Chen Qiaozhi and Tang Xiaolong in the car: "Xiaolong, you should drive away as soon as possible... ..I'll go to Elder Ge."

"Little boss..."

Before Tang Xiaolong finished speaking, Li Tian had already jumped out of the car.

Elder Ge is still at the switch room over there, and Li Tian must of course be saved. He has never left his brother behind.

After jumping out of the car, Li Tian hurriedly rolled on the spot and concealed to one side.

Those members of the Yuwen family are also extremely smart. They saw that the other party had already gotten in the car and left. If they wanted to chase, it might be impossible, so they stopped chasing.

Quickly returned one by one.

"You two, go check the switch room..." said a member of the Yuwen family over there.

Listening to the members of the Yuwen family going to check the switch room, Li Tian suddenly said to himself: Not good.

Old Ge is still in the switch room... If a member of the Yuwen family finds him, he will be depressed, but what can he do? Seeing that their traces have been exposed, if you want to save Ge Lao now, unless you kill...

The two Yuwen family members over there were already approaching the switch room at the moment, and one of them was taken aback when he saw the red light on the electronic door of the door.

"No, someone broke into our main switch." Then he shouted.

Then I saw the guard members over there quickly running over.

"Who did it?"

"So bold?"

"There seems to be someone here!"

"Catch him out!" he roared, but the members of the Yuwen family suddenly found Ge Lao hiding in the switch room.

Li Tianyi saw that Old Ge was about to be arrested, and rushed out desperately at this moment.

Shenfa leaped towards the door of the electric gate like a ghost.

One of the Yuwen family members hadn't reacted yet, and then he was hit by a sudden Li Tian with a palm, and he fell to the ground with a bang, making it difficult to get up.

From here, someone actually attacked a member of their Yuwen family, and they immediately surrounded this side, running, and shouting, "Here is another..."

"Grab them, don't let them run."

"I will notify the Patriarch."

While speaking, a group of people quickly appeared from inside the Yuwen family and ran towards the switch room. At a glance, there were not as many as a dozen people.

Li Tian glanced at him, and said to his heart: No, I quickly said to the strange old Ge who was still hiding in the switch room: "Old Ge, we have to get out of here right away...If we don't leave, it will be too late."

Old Ge swishfully revealed his head.

"Your kid is okay, I haven't forgotten my old man..."

Li Tian smiled faintly, then said: "Old Ge, let's run away."

After speaking, the two rushed forward, but the Yuwen family members behind that also began to chase them.

One of the Yuwen family members who caught up quickly hit Li Tian's back with a fist... Li Tian flickered his footsteps, and at the same time turned around, kicked the opponent's chin with a sharp flying kick.

With a scream of wow, that member of the Yuwen family kicked to the ground.

With Old Monster Ge rushing forward, they really don't know if they can escape this time? Seeing that the members of the Yuwen family behind are chasing after each other, if they don't get rid of those members, they both will probably be caught tonight.

There is a spacious highway ahead, and vehicles on the highway are still driving fast.

Li Tian took Old Monster Ge and glanced at the busy road, and said directly: "Cross through!"
what?

Old Monster Ge was shocked.

But before he had time to think, Li Tian had already rushed towards the middle of the highway for the first time.

The piercing sound of the horn was endless, but Li Tian passed through it anyway.

Elder Ge looked at Li Tian who ran to the opposite side, and then at the Yuwen family member who was about to catch up. In desperation, he gritted his teeth and rushed towards the road with his eyes closed... "Your mother, take it away. Up."

He said that he rushed over. To his surprise, Old Monster Ge reached the opposite side safely.

Old Monster Ge, who wiped a cold sweat, gasped heavily and said, "What should I do?"

"Continue to escape."

"Can't escape, his grandmother, look ahead..." Old Monster Ge said with a weeping face, pointing his finger at the front.

Li Tian raised his eyes and saw that there were members of the Yuwen family chasing them in front of him, and he said in his heart: That's bad.

"Old Ge, you can run away first, these people will be handed over to me to deal with." Li Tian can only do this at the moment. He has to leave someone behind to restrain these chasing Yuwen family members, otherwise, they Both will definitely be caught.

Old Ge gasped and looked at Li Tian: "Then what do you do?"

"I'm fine, don't worry." Li Tian said as he stood in front of him.

"Hey! You really have a good heart..."

"Forget it, today my old man will accompany you hard." Ge Lao did not choose to go by himself, but with Li Tian, which really surprised Li Tian.

Seeing that the members of the Yuwen family had surrounded the two of them from all sides, at this moment, suddenly a Ford sedan rushed towards the road sideways.

Those passing by were all taken aback, and quickly stepped away...At the same time, they were shocked by the Ford car that suddenly rushed over from the highway: Who is this? Do you want to die? How dare to drive like this.

The Ford car that rushed with a sturdy arrogance, hissed, and stopped in front of Li Tian and Ge Lao.

This caused Li Tian and Ge Lao to be stunned.

Friend or foe? The two of them haven't figured it out yet.

As the door behind the car opened quickly, a familiar voice came into Li Tian's ears.

"Get in the car quickly..."

When this sweet voice came, Li Tian was stunned... the whole person stood there stupidly.

At the same time, when the sound came, Li Tian saw her through the car window glass...

Gosh?

It turned out to be her?

Are you dreaming...

Situ Ningbing! It was the top killer, Situ Ningbing, who savagely drove to rescue them.

Old Monster Ge saw that there was a "good-hearted person" to rescue him, of course he was extremely happy, and got into the car.

But Li Tian was still standing in astonishment, his eyes full of can't believe how Situ Ningbing appeared here... Is this a dream?

"Get in the car." Old Monster Ge suddenly shouted.

Seeing that the members of the Yuwen family had chased him, Li Tian was suddenly stimulated by Old Monster Ge's loud voice, and then he became aware and jumped into the car quickly.

After Li Tian jumped into the car, Na Situ Ningbing then turned the steering wheel with both hands, the car turned sturdily, and went straight to the lane.

Chapter 512: It turned out to be her?

Those Yuwen family members who caught up had already succeeded, but they never thought they would be rescued halfway...

The members of the Yuwen family who watched the car taking Li Tian and Old Monster Ge away...can only roar.

"Hey, girl, who are you? Thank you for saving us." In the car, Old Monster Ge said excitedly to Situ Ningbing, who was driving in front of him.

Situ Ningbing had no words, just staring at the shocked Li Tian behind him unblinkingly through the reversing mirror.

What about Li Tian? It took a long time to react slowly, this...this...this is not a dream...this is true!

The person in front of me who drove to rescue me is really my favorite!

Situ Ningbing...Oh my God! It's incredible!

Li Tian, who was completely shocked there, paused for about a minute without responding...

"you you....."

"How will you be here?"

Li Tian only felt that he had become uncomfortable speaking, and he had too many questions in his heart.

He didn't know how Situ Ningbing suddenly appeared here? Appeared in Liaobei Province? For him, this is something he can't even think about...

After Li Tian asked out the shocked words, Situ Ningbing slowly said, "Because I am looking for you..."

Yes, Situ Ningbing did come here to find Li Tiancai.

But Ge Lao, who was depressed over there, felt that something was wrong. He frowned and looked at the glamorous beauty, Situ Ningbing, who was driving in front, and then looked at Li Tian behind.

"You didn't know each other?" Old Ge suddenly realized it clearly.

Raising his eyes and looking at Li Tian next to him, and then at the glamorous beauty who was driving in front of him, Old Monster Ge frowned slightly because he felt that the atmosphere between the two was a little different.

The Ford cars shuttled like arrows on the road, leaving the Yuwen family members far behind.

In the silent carriage, no one spoke.

But seeing that Situ Ningbing suddenly turned sharply and drove the Ford car in front of him to a hotel not far in front.

The old monster Ge in the car was taken aback for a while, looking at the hotel in front of him, his heart was secretly: What is this place?

After the car slowly stopped there, Situ Ningbing walked out of the car.

Li Tian and Old Monster Ge also walked out of the car.

When Li Tian got out of the car and saw Situ Ningbing's beautiful face again, he finally realized that all of this was true. The woman standing in front of him was the woman he was thinking about.

"It should be safe here. Come in first." Situ Ningbing said, looking at Old Monster Ge and Li Tiandao.

Old Monster Ge blinked, then nodded silently, and followed.

Li Tian stared at Situ Ningbing unblinkingly. Li Tian, who saw her for the first time, was completely excited at this moment.

He didn't know whether Situ Ningbing still hated him? Do not know how she appeared in northern Liaoning Province? And they were saved by such a coincidence... To be honest, all this happened so suddenly that Li Tian had no defense.

At this time, Situ Ningbing also slowly turned his delicate face to stare at Li Tian.

The evening breeze was blowing on her delicate and flawless face, and her black hair was gently raised.

"Do you know? I've been looking for you all the way..." Suddenly a word came out slowly from Situ Ningbing's mouth.

The smile that had never appeared on her face appeared at this moment, it was so beautiful...the beauty seemed to melt ice and snow.

Hearing Situ Ningbing's words, Li Tian was taken aback.

"I'm so stupid... so stupid... until now I understand the truth of the matter... I know that you were forced to join the Duanmu family for me... I also know that you ate the poison of their family's Sanshengmen to save me... ...I know you used your life for my life...Do you know? I almost missed the person who loved me most in my life, and almost wrongly blamed the best person in my life... But now I finally Got you!"

While she was talking, the tears in her tears suddenly fell drop by drop from her pretty face. Are those tears of happiness? Or tears of excitement? Nobody knows.

Listening to her words, Li Tian was heartbroken at that moment.

Desperately ran over, hugged her delicate body, and held Situ Ningbing's delicate body tightly with his powerful hands...as if afraid that she would slip away again...

At this moment, Li Tian's worries were completely eliminated, and Situ Ningbing finally knew everything and knew everything he had done.

And Situ Ningbing? The first time she was held by a man, the first time she was held by a man she loved, she just buried her head gently on his chest...feeling his beating heart, feeling all his body temperature.

"Fool, didn't I promise you when I saw you for the first time... No matter what happens, I will protect you."

While talking, Li Tian hugged Situ Ningbing tightly.

Situ Ningbing felt love for the first time, and felt that she was still happy.

Having been a killer for so many years... Maybe from this moment, she understood love.

"Don't let yourself be wronged and lie to me in the future... don't leave me... okay?" Situ Ningbing raised that beautiful face and stared at Li Tian in front of him.

Chapter 513: seen

After killing Li Tian, he never thought that the savage and willful girl would help Situ Ningbing to come here...

"It's her." Situ Ningbing said again.

"My God... how did you know her? Where did you meet her?" Li Tian couldn't help but curiously asked.

"I went to the Duanmu family alone to find you... I was unfortunately caught by someone from the Duanmu family." Situ Ningbing said.

"You went back to the Duanmu family again?" Li Tian asked, looking at Situ Ningbing in front of him.

Situ Ningbing blushed slightly and said, "Yes."

"Aren't you afraid that they will kill you?" Li Tian said distressedly looking at Situ Ningbing.

Situ Ningbing smiled indifferently: "I didn't think so much at the time, I just wanted to find you..."

"Fool." Li Tian gently hugged Situ Ningbing in his arms again.

Situ Ningbing continued: "Later, I went to your palace, Changchun Palace, and found Miss Duanmu... I thought she was a bad person at the time, so I took a big shot with her... As a result, I was driven by the Duanmu family. The members of was caught, and then they were imprisoned in the dungeon by the Duanmu Patriarch..."

"I thought I had no hope of looking for you. I never expected Miss Duanmu to come and rescue me alone... and also took me to escape from the Duanmu family. To be honest, if it wasn't for her, I might I won't see you." Situ Ningbing told the truth.

But Li Tian frowned when Situ Ningbing said so.

In his mind, Miss Duanmu should be more savage, headstrong, and always jealous... She lost her temper if nothing happened, but she didn't expect that girl to save Situ Ningbing this time?

What's wrong with her? Has it changed...

"To be honest, I am quite surprised that that girl saved you." Li Tian said with a smile.

Situ Ningbing slowly turned her beautiful eyes, staring at Li Tian's eyes, and then said slightly, "She is actually quite good."

"Especially for you." Situ Ningbing added again.

When suddenly hearing the words behind Situ Ningbing, Li Tian smiled awkwardly and said, "She is good to me? I didn't see it..."

"Do you know that she betrayed their family for you this time?" Situ Ningbing said suddenly.

Li Tianyi was taken aback, wondering in his heart: "For me?"

"Yes."

"The reason Duanmuying betrayed their family this time is to tell you something. She was afraid that you would be in danger... so she left their family." Situ Ningbing said.

"whats the matter?"

"She will tell you then."

"It turned out to be like this." Li Tian said silently.

I couldn't help thinking to myself, how could that crazy girl do this?

"Don't you feel it?" Situ Ningbing asked, staring at Li Tian with her beautiful eyes suddenly blinking.

Li Tian was stunned immediately, not understanding what Situ Ningbing was talking about, he couldn't help asking in surprise, "What do you feel?"

"Duanmuying may like you." A word slowly came out of Situ Ningbing's mouth in front of her.

After Situ Ningbing said this all at once, Li Tian was stunned.

"No...impossible.....impossible!" Li Tian said quickly.

Situ Ningbing said nothing, but looked at Li Tian deeply.

"That girl is sometimes pretty stubborn...and wayward...but I don't think she will like me." Li Tian said with an awkward expression.

Situ Ningbing thought about it and didn't say too much, so he turned his head and said, "Then, let's go upstairs."

"Danmu Ying and I live in this hotel now."

Situ Ningbing who was talking led Li Tian and Old Monster Ge to the hotel.

Li Tian was muttering in his heart as he walked this way.

"Danmuying really betrayed their family?"

"Really for yourself...Is it even dangerous for your life?"

Thinking of this, Li Tian was undoubtedly moved in his heart. Thinking of the time he spent with Duanmuying, although the two were noisy all day, the girl was really good to herself... She was completely different from her father. People.

Just now, Situ Ningbing suddenly said that Duan Muying liked herself... For Li Tian, it was undoubtedly a little caught off guard.

He didn't know what to say.

Li Tian and Old Monster Ge, who followed Situ Ningbing up the stairs, quickly reached the front door.

Standing at the door, Situ Ningbing said slightly, "Duanmuying is inside."

After that, he took a look at Li Tian.

Li Tian was a little embarrassed and touched his nose with his hand.

Then Situ Ningbing knocked on the door lightly... After a few seconds, the door opened with a bang.

"little bastard....."

Then the words of excitement came out from the woman's mouth.

Wasn't it the Duanmuying with excitement on her face? A perfect little melon face...cherry red lips, **** and coquettish, shouting at Li Tian there.

Li Tian also saw Duanmu Ying, startled slightly, and smiled.

"Finally found you!" Duanmuying said happily there.

Old Monster Ge was stunned. He glanced at Situ Ningbing, and then at Duanmuying in front of him. He muttered, "What's the situation...a man and two women?"

"You, why are you here?" Li Tian said with a frown, looking at the side of Mu Ying.

"Nonsense, if we didn't do it for you, who would love to come to such a broken place?" Duanmuying said with aggrieved expression.

Li Tian became more depressed.

"for me?"

"Of course... If I didn't do it for you... Forget it, forget it, I won't tell you so much." Duanmuying said half of what was in her mouth, and suddenly remembered something, but stopped.

After Old Monster Ge came in, no one talked to him, and he couldn't help feeling a little depressed at the moment, so he said to himself: "Can someone tell me what is going on... What are these two beauties?"

When Li Tianyi heard Old Monster Ge say this, he smiled slightly and said, "These two are...my...my friends."

"She's Situ Ningbing, where's she? Duanmuying."

Old Monster Ge glanced at the two beauties and said, "You all know each other?"

"Ok."

"It's good to know... If you know, my old man will feel more at ease." Old Monster Ge said with a smile.

"Hey, do you know? Yesterday I saw you, and I kept calling your name on the road... Unfortunately, you didn't even look back at me." Duan Muying said to Li Tiandao at the moment.

When Li Tian heard this, he suddenly understood: "Oh! It turned out that it was you yesterday!"

"No wonder the taxi driver told me that someone seemed to call me from behind... It's a pity that I turned my head and didn't see you." Li Tiandao.

"Dizzy! You haven't seen this." Duanmuying said.

Chapter 514: She likes you

"By the way, how do you know that I will come here?" Li Tian looked at Duanmuying and Situ Ningbing in surprise.

Duanki Sakura said, "Nonsense, of course I know."

"I came to Liaobei Province to find you, just to tell this." Duanmuying said immediately.

Li Tian asked slightly in a daze, "What's the matter?"

Duanmuying said: "You don't want to attack Yuwen family anymore."

When a word suddenly came out of Duanmuying's mouth, Li Tian and Old Monster Ge were slightly shocked.

"What's wrong? How did you know that I started with the Yuwen family this time?" Li Tian asked, looking at Duanmuying curiously.

Duanmuying's face was a little ugly, and she said: "Anyway, you can just listen to me... Don't attack the Yuwen family anymore."

"And... you take her, it's best to fly far away, don't return to our Duanmu family again."

Duanmuying suddenly looked at that Situ Ningbing and said slowly.

Hearing this girl suddenly say this, Li Tian was stunned for an instant.

What do her words mean? Duanmuying actually told Li Tian not to attack the Yuwen family? Even if he is now taking that Situ Ningbing away and flying away...why?

Li Tian thought for a while, slowly raised his eyes and looked at Duanmuying who was pretending that nothing happened next to him and slowly asked, "Did you know something?"

Duanmuying turned her head and said nothing.

Li Tian's heart jumped suddenly, because he had already noticed why Duanmuying said that.

But after seeing Duankiyong's silence for a while, she suddenly turned her pale face slowly... and said slowly, word by word: "You are right... I do know something."

"I tell you, whether you succeed or fail this time in the Yuwen family, my father will never let you go... will kill you... I don't want you to die... I don't want you to die with us In the hands of the family, so I want you to go." Duanmuying had no choice but to tell the truth.

After she said it, Li Tian was not surprised at all.

Because of these results, he had guessed it a long time ago... His only surprise now is that this willful and stubborn girl can actually summon such courage to tell himself this... and betrayed their family for herself... Is it true? As Situ Ningbing said in her mouth, did she like herself?

Thinking of this, Li Tian stood there silently, looking at Duanmuying with a smile: "Don't worry, I will be fine, your father can't kill me for the time being."

"but....."

Li Tian shook his head to stop Duanmuying's words, and smiled and said, "I know that everything you do is for my good...Here, I am very grateful to you... But this time, I will pay attention to the Yuwen family. Going to do it."

"Are you going to do it? Are you not afraid of death?" Duanmu Ying said angrily with her eyes open.

Li Tian was silent and did not speak. Does anyone know his difficulties?

Should he attack the Yuwen family, the Sanshengmen poison in his body? Who gave him the antidote?

But Duanmuying in front of him didn't know. He became angry when Li Tian said this. She was under tremendous pressure against her family's original intentions, but she didn't expect that after telling Li Tian the truth, he would do it again. Time was angry from his mouth.

"You're a pig..." Li Tian's Duanmu Singing red eyes ran to the door.

But Li Tian stood there quietly, with a bitter smile at the corner of his mouth.

Elder Ge, who was next to them, watched their conversation and understood what was going on. At this moment, seeing Situ Ningbing and Li Tian still in the room, he was a bit speechless, so he left.

At this moment, only Li Tian and Situ Ningbing were left in the room.

Situ Ningbing, who was wrapped in a tight black leather jacket, was tall and plump, and his extremely beautiful face looked at Li Tian in front of him.

"Why don't you listen to Duanmuying? Why do you still attack Yuwen family?" Situ Ningbing asked suddenly.

Li Tian smiled bitterly: "If I don't attack the Yuwen family, how can I negotiate with the dark Duanmu family?"

"Negotiating, what do you mean?" Situ Ningbing looked at Li Tian and asked.

"I was poisoned by their family's three-sect family."

"This time Duanmu Heiming wants me to help him steal the Yuwen family's treasure...If I can steal that thing, I can exchange the antidote...Only in this way can I escape the control of the Duanmu family. ."

Listening to what Li Tian said, Situ Ningbing's heart suddenly hurt, because she understood that the Sanshengmen Poison in Li Tian's body was exchanged for her life at that time.

"I'm sorry... it's all because of me." Situ Ningbing suddenly repented.

Li Tian looked at his favorite woman and said, "Fool, don't say that."

"Then what are you going to do? Are you really going to attack the Yuwen family this time?" Situ Ningbing looked at Li Tian and asked.

Li Tian nodded silently.

"Yes, I have no choice but to do this."

"But as far as I know, the Yuwen family's secret technique organs are very powerful...If you want to deal with this family, I am afraid it will be very difficult." Situ Ningbing said worriedly.

"Well, this is indeed a problem."

"Actually, if there wasn't a little accident tonight, I'm afraid we have now entered the Yuwen family." Li Tiandao said.

"Oh, now the Yuwen family has discovered that someone wants to enter their family. I guess they will definitely step up their defenses in the two days... If you want to enter again, I'm afraid it will be very sleepy."

Li Tian nodded: "You are right. I am also worried about this matter."

"Li Tian, what do you think of Duanmuying?" Suddenly Situ Ningbing next to Li Tian asked, raising her beautiful eyes while staring at him unblinkingly.

Li Tian was slightly taken aback when Situ Ningbing said this.

Embarrassed smiled and said: "What do you mean?"

"I'm asking you, do you like her?" Situ Ningbing said more bluntly this time.

This made Li Tian completely embarrassed.

There was a sudden panic in his heart, and he said, "Ningbing, what are you talking about...How could I like her..."

"But Duanmuying likes you, but I can see it deeply." Situ Ningbing continued.

"You...you may be wrong, right?" Li Tiandao.

"In your heart, you should understand that the eldest lady Duanmuying has obviously fallen in love with you. If she doesn't love you, how could she betray the whole family to save you... And also betrayed her biological father told you these things? "

How could Li Tian not understand the heart of Duan Muying, he was just standing there in consternation.

Chapter 515: Love that dare not speak

He did not dare to face the love of Duan Muying, besides, he had his favorite woman Situ Ningbing beside him, and there was another Han Yun who innocently took possession of someone's body for the first time... Li Tian now treats himself Feelings seem a little dazed.

So he stood there in confusion, not knowing what to say.

"Go and comfort that Duan Muying..." Situ Ningbing suddenly said to Li Tian.

Li Tian was stunned and looked at Situ Ningbing, but saw that Situ Ningbing's eyes were sincere, not jealous.

After thinking about it, Li Tian slowly nodded. Duanmuying, regardless of betraying the family and his biological father, came to tell Li Tian the news. How could Li Tian not be moved in his heart?

After walking out, Li Tian saw Old Monster Ge smoking outside.

Of course Old Monster Ge knew exactly what Li Tian was doing when he came out. He pointed his finger at the corner in front of him and muttered, "Where is it..."

Li Tian smiled slightly, and then walked towards the corner over there.

After reaching the corner of the corridor, Li Tianguo really saw Duanmu Ying at a glance.

Duanmuying stood with her back to him, unable to see her face clearly.

"Thank you...Thank you for doing so much for me." Li Tian didn't know what to say, at this moment he only knew that he was grateful for Duanmu Ying,

But Duanmuying suddenly turned her face.

Her eyes were ruddy again, as if they were crying just now... The teeth bit her lower lip tightly:

"Nothing to thank... I just don't want to see you die in the hands of our family That's it."

Duanmuying said stubbornly.

"You can't escape from the family so far to find me? Is the reason that simple?" Li Tian raised his eyes and stared at Duanmuying in front of him.

At this moment, Li Tian wanted to know her inner thoughts. If she dared to say the words "like", then Li Tian might dare to make a bold decision.

But what about Duanmu Ying? But slowly turned that pretty face to the side, blinked a few times with the reddish eyes and said: "It's that simple... This lady always likes to do what she likes..."

When she said this, her voice changed and she became trembling...with a crying voice...but Duanmuying still suppressed her grievances and everything in her heart, and did not say it...

"Hey..." Li Tian suddenly sighed deeply.

Silence, the common silence seemed a bit embarrassing, and Duanmuying finally broke the deadlock.

"In fact, you should really thank me, at least I brought your sweetheart." Duanmuying said suddenly there.

Duanmuying may only know the bitterness in this sentence, but she has a smile on her face at the moment.

Li Tian stood there without speaking.

"Forget it, I have already told you what I should tell you... Dealing with the Yuwen family, I advise you not to do it, you should go away and fly with your killer wife as soon as possible." Duanmu Ying said lonely. .

"I don't know how to say some words...but I still have to thank you for helping me in this way." Li Tiandao.

"I have never owed anyone Li Tian...but I owe you today...I owe you...I owe you...If I can, I will try my best to pay you back in my life... Keep going..."

A bitter smile appeared at the corner of Duanmuying's mouth.

She knew what Li Tian meant... Gently raised her arm and wiped the tears from the corner of her eye, turned around, and walked slowly towards the other side of the aisle alone.

After the encounter between Situ Ningbing and Duanmuying, Li Tian can be said to have surprised him.

But fortunately, Li Tian finally found his love, Situ Ningbing.

But invisibly hurt the savage young lady Duanmu Ying...

Duanmuying has always been lively and savage, but in this relationship, she backed down... She didn't even dare to tell herself that she liked Li Tian... She just took her share to Li Tian Deeply buried in my heart.

Situ Ningbing had already seen Duanmuying's affection for Li Tian.

As a woman, no one knows more about the pain of loving someone and the tiredness of loving someone...so she is more sympathetic to Duanmuying.

Duanmu Ying that day hid in the room and spoke very little.

And because of this "accident" incident, Li Tian was destined to delay the start of the Yuwen family.

Tang Xiaolong and Chen Qiaozhi had already safely arrived inside the Xiboer Hotel, while Old Monster Li Tianhaiyu was currently with Duanmuying and Situ Ningbing.

However, Old Monster Ge has already called Chen Qiaozhi and the others, telling them that they are safe now.

When Old Monster Ge said on the phone that he and Li Tian were safe, then Chen Qiaozhi and the others were relieved.

At the same time, he couldn't help asking on the other side of the phone, "Old monster, where are you and Li Tian now? Why didn't you go back to the hotel all night?" Chen Qiaozhi asked curiously on the other side of the phone.

Old Monster Ge said to the phone: "We are in a hotel near the Yuwen family..."

"And Li Tian doesn't know where to seduce these two beauties...hehe..." Old Ge strangely said.

Chen Qiao felt depressed when he heard it.

"What? Two women?"

"Yeah! These two women are not easy. One of them is said to be the big daughter of the Duanmu family... The other woman is even more sturdy... cold, like a fairy... even more numb." Old Monster Ge said.

"Huh, that's weird."

"Who are you talking about?" Chen Qiaozhi asked on the phone.

"I don't know what a ***** thing, but my old man can see that the two beauties have a crush on that kid...100%."

Chen Qiaozhi smiled faintly on the other end of the phone: "Okay, where are you? I and Xiaolong will look for you now."

So Old Monster Ge told Chen Qiaozhi the address here.

After Chen Qiaozhi and Tang Xiaolong got the address, they were taken aback for a moment, and they secretly said: Why is this address near the Yuwen family?

But they still didn't think much, grabbed the clothes and walked outside.

When I opened the door, I saw the members of the Duanmu family standing coldly at the door of their room.

At the same time, he also saw the dark eagle in the corridor.

When seeing these Duanmu family members surrounding the door, Chen Qiaozhi couldn't help frowning, and held the gold wire glasses frame on the bridge of his nose.

Tang Xiaolong looked at those people in disgust,

"Where is Li Tian? Where is he?" Suddenly a word came out strangely from the black eagle's mouth.

Hearing the Black Hawk asking Li Tian where he was, Tang Xiaolong was the first to stand up.

"Just ask our little boss? Why should I tell you? How old are you?" Tang Xiaolong said to the black eagle.

Chapter 516: Meet brothers

The two Anbu members behind Hei Ying saw that Tang Xiaolong was so arrogant, they suddenly roared and wanted to do it.

But it was coldly restrained by the Black Hawk.

"You failed last night, you know?"

"That was an accident, an accident, do you understand?" Tang Xiaolong said unconvincedly.

Black Hawk said grimly: "Even if it's an accident... Isn't it a failure?"

"Also, Li Tian hasn't appeared until now. What the **** does he want to do!" Black Hawk said furiously.

"Our little boss is tired, and we are resting now...Are you in charge?"

"Okay, yours."

"You give me a message for Li Tian...Tell him that our clan leader is very upset now...If once he does not attack the Yuwen family anymore, then the Sanshengmen poison in his body is uncertain. When will it happen?" Black Hawk said with a hoarse voice with a wicked smile.

Hearing this black hawk say so, Tang Xiaolong was immediately angry.

However, he was stopped there by the rational Chen Qiaozhi around him.

After the Black Hawk said these words, he left with his people.

"Damn, this bastard... why didn't I just teach this **** well." Tang Xiaolong said angrily.

Chen Qiaozhi said slowly: "Now it's better not to cause trouble casually, but to focus on big things."

"A **** big thing... The Sanshengmen in the little boss's body can happen at any time... What can I do?" Tang Xiaolong said with a displeased face.

"That's why we have to calm down."

"Let's go, let's find Li Tian and them first and meet them."

As he was talking, Chen Qiaozhi walked quickly to the outside of the Siber Hotel. Although Tang Xiaolong behind was extremely annoyed, he had to hold back his anger at this moment and followed A Qiu to the front.

After driving for a while, the car reached the address given to them by Old Monster Nage.

Tang Xiaolong blinked his eyes and looked outside and said, "Isn't this near the Yuwen family?"

"Ok."

"How to choose such a place?" Tang Xiaolong said, frowning slightly.

"how could I know."

"Let's go."

As soon as Chen Qiaozhi said, he turned the car to another street.

In less than 5 minutes, they arrived in front of a hotel.

"It's here?" Tang Xiaolong asked, raising his eyes and looking in front of him.

Chen Qiaozhi nodded.

Then he opened the door and walked out of the car. Tang Xiaolong and A Qiu also quickly followed out of the car at the same time.

After the three of them got out of the car, they walked towards the hotel.

"The old monster said on which floor they lived?"

"Fourth floor, room 407."

While saying that the three brothers quickly walked towards the 4th floor.

After quickly reaching the fourth floor, they blinked and saw room 407 over there.

"That's it?" Tang Xiaolong pointed to the door in front of him and said.

"Well, it should be." Chen Qiaozhi nodded.

"I'll knock on the door." Tang Xiaolong, who was talking, stretched out his hand and knocked on the door gently.

After knocking, I heard footsteps coming from the room.

After the door squeaked open, then he saw Old Monster Ge, who was full of chin and scum, standing in the doorway with his eyes squinted.

"You are here." Old Monster Ge stood at the door and said with a smile looking at Tang Xiaolong and the others.

"Old monster Ge, why did you come here with the little boss?" Chen Qiao asked suspiciously.

Tang Xiaolong, who was next to him, frowned slightly at this moment and said, "Yes, where is the little boss?" Tang Xiaolong smelled it out.

"I am here."

Hearing Tang Xiaolong's voice, Li Tian in the room responded at this time.

The old monster Na Ge slightly opened the door. After opening it, Tang Xiaolong and Chen Qiaozhi discovered Li Tian at once. Not only did they find Li Tian, but also the two stunning beauties behind Li Tian. .

"Little boss..." Tang Xiaolong's mouth was half-opened for an instant, his eyes staring at Situ Ningbing behind Li Tian.

At that moment, he almost froze there!

is her? It turned out to be the last time the little boss desperately lost his life from the underworld man in Jinghai City?

"It's you...?" Tang Xiaolong looked at Situ Ningbing in surprise and said.

"You are the woman who was chased by a gangster in Jinghai City...woman? Why did you suddenly appear here?"

Situ Ningbing also saw Tang Xiaolong, a slight smile appeared at the corner of his mouth, but that face was extremely cold and gorgeous.

Chen Qiaozhi also saw Situ Ningbing at this moment, and then glanced at Li Tian again, thinking about it, and then he understood what was going on.

"Ningbing saved me this time." Li Tian said on the side.

Maybe the two beautiful women mentioned by Old Monster Ge on the phone came to the rescue, it should be these two.

"You don't know each other, let me introduce to you."

Li Tian smiled and walked forward and said, "This is my brother, Tang Xiaolong, and Chen Qiaozhi, A Qiu...here? It's also my friend... Situ Ningbing."

"I have seen them... Thank you for saving me last time." Situ Ningbing thanked Tang Xiaolong and Chen Qiaozhi and the others.

Tang Xiaolong and Chen Qiaozhi suddenly felt flattered, and couldn't help but smile awkwardly.

"This is Duanmuying." Li Tian pointed to Miss Duanmuying who was standing silently and said.

"Duanmuying?" When the brothers heard the surname Duanmuying, they couldn't help but startled slightly.

"Is she the daughter of the Duanmu family?" Chen Qiaozhi suddenly turned his face to look at Duanmu Ying and said.

Tang Xiaolong immediately cast a pair of enemies' eyes on that Duan Muying,

But Li Tian quickly explained there, "She is standing with us, and besides, she is here this time just to save me..."

Hearing what Li Tian said, the brothers slowly relaxed.

"Little boss, what shall we do now? The Yuwen family will definitely take precautions because of this incident. If we want to go in again, it will probably be even harder." Tang Xiaolong said in front of him.

Li Tian frowned slightly.

"You are right...This is also the issue I am most worried about right now." Li Tiandao said.

"And that black eagle bunch of **** are still urging us... He also said that if we don't do anything again... he, he will threaten you with your Sanshengmen Poison." Tang Xiaolong clenched his fist. Say.

Hearing Tang Xiaolong's words, there was a fierce light in Li Tian's eyes.

"This bastard..."

Situ Ningbing and Duanmuying behind were standing there quietly without speaking.

At this moment, everyone already knew about the Duanmu Family Sanshengmen Poison in Li Tianshen...including Duanmuying also knew, but they had nothing to do.

"Observe the movement of that Yuwen family first in these two days, and look for opportunities to continue to act." This was Li Tian's last decision.

Chapter 517: she left

After the first "accident" happened, the Black Hawk also relayed all the news here to the Duan Mu Clan Master.

Duanmu Heiming looked quite angry after hearing the first defeat. He asked Li Tian to steal Xuanyuan Sword in the shortest possible time.

The Black Hawks now are also more depressed, because they suddenly lost Li Tian's trail, and even his brothers did not know where they were.

This made him wonder if Li Tian had escaped?

Because now Li Tian and his brothers did not live in the Siber Hotel.

Fortunately, Li Tian still had the poison of the Sanshengmen of their Duanmu family, even if he ran, he would definitely die.

After an inexplicable attack, the Yuwen family was indeed more tightly guarded.

Now the Yuwen family has not only deployed additional manpower at the front gate, but also added some preventive measures to the power grid at the fence.

In a magnificent room, all the furnishings are extremely precious.

The murals hanging on the walls include famous Chinese and Western paintings, a splash of ink painting worth hundreds of thousands of dollars... and the ceramic horses placed on the crystal table next to them... The sculptures are like life.

On a dragon chair in the middle place was an old man with white hair sitting slowly.

In the blink of an eye, there was a sense of immortality.

His age is indeed not young, his hair is completely white, and the wrinkles on his face are like a book that describes the vicissitudes of life.

But he has a pair of eyes that are sharper than eagle eyes, radiating brilliant light.

Two big skinny hands are firmly placed on the dragon chair, and a big white jade finger is also worn on the right hand.

Who is he?

Could he be the old man of the Yuwen family? Yuwen Huangji...

Yes, he is the 33-generation Patriarch of Yuwen Family, Yuwen Huangji.

This old man, who is careful in the outside world, is vicious, and famous, is definitely not an easy character... It is said that his kung fu has reached the realm of transformation decades ago.

And it has gradually been on the same level as the old man of the Ouyang family... After so many years, I don't know how much effort this old guy has increased?

After a while, I saw a tall middle-aged man walking in from outside.

As soon as he entered this house, he immediately became cautious, and at the same time he walked lightly towards this side.

When I reached the place two meters away from the Yuwen Emperor's pole, I stopped, then slowly bent down and said, "Patriarch, regarding the attack last night, we initially discovered that it was the main switch room at the main entrance. They were pried away... and several people from unknown sources wanted to take the opportunity to sneak in, but fortunately, members of our family found them... As for who the other party is? We are still investigating."

After listening to the middle-aged man in front of him having finished speaking, Yuwen Huangji, who was sitting on the dragon chair, suddenly bet on the man with a sharper look than Hawkeye.

"What kind of feeling do you think it will be against my Yuwen family?" Yuwen Huangji suddenly squinted at the middle-aged man and asked.

"Subordinates can't guess." The middle-aged man lowered his head and said silently.

"Then why am I still keeping you?" Yuwen Huangji said in a cold voice suddenly.

The middle-aged man suddenly turned pale and ugly and said, "Subordinates damn..."

Yuwen Huangji suddenly raised his head and pondered.

"Even if I lend him courage, no one dares to break ground on my Yuwen family. Obviously this time it was done by someone with a background." Yuwenhuang said very slowly.

Like his Yuwen family's forces in northern Liaoning province, who would dare to come to the Yuwen family to make ground without problems? Could it be death? So Yuwen Huangji can think of someone else beating their family's attention.

"Patriarch, what should we do now?" the middle-aged man asked silently.

"Let's watch the changes." Yu Wenhuang spit out four words from his mouth, narrowing his sharp eyes.

"I want to see what these people want to do."

The present moment is a difficult time for Li Tian and the others. They can't help but face the Yuwen family and worry about the Duanmu family on the other hand.

After all, Li Tianshen couldn't delay the Duanmu family's poisonous affairs.

During this day, Li Tian stayed in the room with his brothers to discuss countermeasures.

Situ Ningbing and Duanmuying were in another room.

Duanmuying appeared in a trance that day. Sometimes she was in a daze and didn't speak. The talkative and troublemaker in the past felt as though she had changed herself.

She just stared at Li Tian and was in a daze when she was okay...sometimes she sighed constantly.

"If you don't have the Sanshengmen Poison of our family, don't you have to risk dealing with the Yuwen family here? Will you leave our family and gain freedom?" Duanmuying suddenly looked at Li Tian who came by and asked.

Li Tian stared at Duanmuying for a moment, then nodded after thinking about it: "Yes."

"Your father has trespassed, if he hadn't threatened me so far, would I have stayed in the Duanmu family?" Li Tian said harshly.

Duanmuying lowered her head in silence, without saying a word.

She knew in her heart that Li Tian's words were true, and she had heard her father's treacherous and vicious words... However, after all, she was Duanmu Heiming's daughter. After all, Duanmu Heiming belonged to her. father.

So she just stood there silently, with a wry smile on her lonely pretty face...

"I understand." She just uttered a few words, then turned and left.

Li Tian looked at Duanmuying's back and sighed deeply... He regretted a little bit. Did he say too much? After all, Duanmu Ying's heart is still very good, for her own father even betrayed her!

At the moment, Li Tian, who was in the room discussing countermeasures with his brothers, suddenly opened the door of their room.

Then I heard Situ Ningbing's voice and said with surprise: "Li Tian... Duanmuying is gone."

"what?"

Suddenly Li Tian heard what Situ Ningbing said, Huo suddenly stood up from the sofa and looked at Situ Ningbing with horror.

"What? Did she go there?" Li Tian asked quickly.

But seeing Situ Ningbing said with an ugly expression: "She may, may have returned to their family..."

"Why?" Li Tian suddenly felt a pain when hearing Situ Ningbing's words.

That Duankiyang had betrayed their family this time and escaped to help Li Tian, but she didn't expect that she would suddenly go back? Why is it all?

Situ Ningbing said slowly, "Maybe...maybe she is for you..."

Chapter 518: final decision

"For me?" Li Tian was puzzled after hearing this.

"What do you mean?"

"Remember yesterday, did you talk about Sanshengmen Poison on your body?" Situ Ningbing suddenly reminded.

After Situ Ningbing reminded Li Tian all at once, Li Tian suddenly realized.

Yes, when talking about the poisonousness of the Duanmu family's Sanshengmen in his body yesterday, he did notice the change in Duanmuying's complexion...but Li Tian didn't think too much about it at the time. He could think of that. "Stupid girl" returned to their Duanmu family again for his Sanshengmen Poison...

"So, he took the antidote for me..." Li Tian was stunned.

Situ Ningbing nodded suddenly.

"Well, it probably is."

"When I was resting last night, she said to me... Will you be free only after getting the antidote... You don't need to be controlled by their family anymore? I said to her at the time, yes, Only when you get the antidote, you will leave their family, but I didn't even notice that she wanted to go back alone." Situ Ningbing said.

Listening to Situ Ningbing's words, Li Tian only felt that he owed that Duan Muying too much.

That "stupid girl" couldn't think of preparing to return to their family again for Li Tian... She ignored the family's punishment of her this time, regardless of the danger, and even got the antidote to the Sanshengmen poison for Li Tian?

Thinking of this, Li Tian felt heartache.

At this moment, everyone looked at Li Tian, who had an extremely ugly face, and wanted to comfort him, but they couldn't find a word.

"Little boss, it's okay. I think Miss Duanmuying will be fine. Don't forget that she is the daughter of the Duanmu family... No matter how ruthless the Duanmu clan master, she won't do anything to his biological daughter, right?" Tang Xiaolong said in front of him.

"Xiaolong was right this time. After all, Duan Muying is a daughter, and I don't think she will do anything."

Listening to their comforting words, Li Tian was still a little nervous.

After a long silence, he suddenly raised his eyes.

"In the past two days, I have dealt with Yuwen Family... this time I must get the Yuwen Family Xuanyuan Sword!"

"The Duanmu family...Once I get rid of their control, I will count with his new hatred and old hatred. I want the entire Duanmu family to be destroyed!"

The ***** and cold words came out word by word from Li Tian's mouth, his eyes were full of murderous intent, and a terrible and ominous feeling shrouded his whole body, even the brothers around him were fainted. Feel the dark breath.

After Li Tianxin finally made up his mind, he was really ready to risk the Yuwen family this time.

Because he had to get the Xuanyuan Sword, and only if he got the Xuanyuan Sword of the Yuwen family, Li Tian was qualified to negotiate with that Duanmu family. In that case, he could use the Xuanyuan Sword that Duanmu Heiming wanted in exchange for his own lethality. Antidote.

Once his antidote is in hand, Li Tian can do whatever he wants, and do whatever he wants. If the Duanmu family wants to control Li Tian, it will be difficult to reach the sky.

In the past two days, in addition to letting Tang Xiaolong and A Qiu constantly monitor the movements around the Yuwen family, Li Tian and Chen Qiaozhi have been studying how to enter the Yuwen family.

"Now it is impossible to enter the Yuwen family without knowing it, Li Tian, what do you think?" Chen Qiao asked, raising his eyes while looking at Li Tian.

Li Tian said with solemn brows, he just stared at the map layout of the Yuwen family in front of him, thinking for a while and suddenly said: "Look at the distance between the main entrance of the Yuwen family and the secret room. Far away... If we divide into two groups of people, one group will harass the Yuwen family's sight at the front entrance, and focus all their attention on their front entrance, and then the other group will enter Yuwen unconsciously. In the family's secret room, will it be better if this is the case?"

Listening to Li Tian's sudden words, the old monster Ge in front of him suddenly brightened.

"This is good attention!"

Looking at the location and layout of the Yuwen family in front of him, Chen Qiaozhi also nodded slightly: "Well, this idea is really good. Let's hit the news... to draw the main attention of the Yuwen family to the main entrance. In that case, just Much easier."

"But if you want to do this, who is going to seduce them at the front entrance?" Chen Qiaozhi frowned and said.

"If you want to attract the attention of the Yuwen family, you must have a lot of manpower, but we are just a few people, and there is no time to seduce those Yuwen family members." Chen Qiaozhi said worriedly.

His worry is not unreasonable.

Li Tian now has only four people, Tang Xiaolong, A Qiu, Chen Qiaozhi, and Old Monster Ge, plus Situ Ningbing and only five people.

And Li Tian must not go to the main entrance to lure the Yuwen family member, because he must go to the secret room, and Old Monster Ge must also go to the secret room... Without him, it would not work.

Only Tang Xiaolong, A Qiu, Situ Ningbing and Chen Qiaozhi were left.

Could it be that the four of them were to lure the huge firepower of the Yuwen family? Of course something is wrong.

After thinking about it for a while, Li Tian suddenly said: "This matter, I think maybe the Black Hawks can be involved."

Chen Qiao was stunned: "But will the Duanmu family members help?"

Li Tian slowly raised his head and said, "Don't worry, I will definitely let them take action."

"I will go to Black Hawk and them now."

After Li Tian made this decision, he went to the Nasiboer Hotel alone to find the Black Hawk and Black and White Shuangsha.

I took a taxi and quickly arrived at the Nasibo Hotel, so I went upstairs.

In the corridor, I saw the members of the Duanmu family standing there one by one.

Those members of the Duanmu family were also taken aback when they first discovered the "Five Elders" who had disappeared for two days.

One of the members of the Duanmu family quickly turned around to report to the hotel room in front.

Li Tian strode towards this side.

"Fifth Elder..." The members of the Duanmu family bowed their heads and cried out seemingly flattering after seeing Li Tian walking over.

"Where is your dark master?"

"The room inside," said one of the Duanmu family members.

Li Tian stepped up and walked towards the room. Before Li Tian approached the room, the door opened with a creak.

"Fifth elder, it's been so hard for us to find you these few days!" Suddenly the black eagle walked out of the door, with a grinning smile on his face and his voice hoarse.

Behind him were two guys, black and white Shuangsha, and they glanced at Li Tian in unison.

"Really?" Li Tian said with a faint smile.

"What happened to you last time? It was discovered by the Yuwen family without actually doing it... Are you too careless?" The Black Hawk suddenly looked at Li Tiandao with gloomy eyes.

Chapter 519: start to act

"I told you what happened last time. It was an accident, you know?" Li Tian said coldly.

There was a sly in the corner of the black eagle's mouth: "Fifth Elder, do you know that the clan leader is already very unhappy..."

"I know, so I came to you this time."

Hearing what Li Tian said, Black Hawk was taken aback, his eyes showed suspicious light and turned to look at Li Tian and said, "Look for me?"

"Not bad."

"I want to find you so that you can help deal with the Yuwen family this time." Li Tian said slowly, while looking at the black eagle's face.

The Black Hawk laughed suddenly, as if he had heard a big joke.

"You asked me to help you... Didn't you forget that the clan leader said that our Duanmu family can't intervene in this matter?"

Li Tian turned his head with an ugly expression, staring at Black Eagle and said, "You tell the clan leader for me that if he wants to get the Yuwen family's Xuanyuan sword as soon as possible, you must come to help this time."

"Besides, I just want you to lure the attention of the Yuwen family from the outside...It is my brother and I who really went in to steal the Yuwen Family Xuanyuan Sword."

Hearing what Li Tian said, the Black Hawk frowned.

He blinked twice, and then was silent for a while.

"We really just lure the attention of those Yuwen families outside the Yuwen family?" Black Hawk Fox asked questioningly.

Li Tiandao: "Of course."

"As long as you agree, we will do it in the next few days. This time I will help the clan master steal the Xuanyuan sword from the Yuwen family."

After listening to Li Tian's words, the Black Hawk finally reluctantly agreed.

"Okay, I promise you."

"However, if you fail again this time, then you have no use value for my Duanmu family...I believe you should know what the consequences will be at that time."

After Li Tian and the Black Hawk decided, the plan to start with the Yuwen family was set two days later.

The plan is for the Black Eagle and Duanmu family members to lure the attention of Yuwen family members on the periphery, while Li Tian and his brothers took the opportunity to enter the Yuwen family.

Two days later, more than 3 o'clock in the afternoon.

The Black Eagle followed what Li Tian said, carrying black and white double evil spirits and more than 20 members of the Duanmu family in ambush at the main entrance of the Yuwen family... As long as they attack from here, Li Tian and the others will sneak in from the side. Inside the Yuwen family.

Hidden place, but seeing Tang Xiaolong next to Li Tian say there, "Boss, does that black hawk speak or not? Damn it, if he takes someone away by then, we will be in trouble. Up."

"Don't worry, he doesn't have the guts to do so, after all, they also want to get Xuanyuan Sword." Li Tian said in front of him.

"Oh, that's fine."

The time was set at 3:25, and as soon as 3:25, the Black Hawk started attacking the Yuwen family's main gate with both black and white evil spirits.

At this moment, the Yuwen family had already stepped up their guards because of the last attack by Li Tian and the others. There were more than a dozen Yuwen family members standing at the door, standing there cautiously.

3:25 minutes!

When the needle stayed at this moment, a heavy truck Howo a7,420 horsepower truck from the side suddenly rushed towards the front door of the Yuwen family with full throttle.

This one was the largest heavy truck in the country, and when it rushed towards the Yuwen family's front door whizzing and crazy, the members who stood at the Yuwen family's door were stunned.

"What happened?"

...

In a panic and confusion, I saw the heavy Howo a7 truck crashing into the door of the Yuwen family with a bang.

The huge impact caused the Yuwen family's main entrance to collapse... even the surrounding iron fences were shaken by the impact.

When the truck here suddenly hit the door of the Yuwen family, those members of the Yuwen family suddenly got red eyes.

He turned his head and rushed towards the truck.

They want to see if that **** is so bold and dare to attack Yuwen's family.

Just as they crawled towards the heavy truck, the members of the Duanmu family buried on both sides of this side immediately began to attack.

"Go!" Following the Black Hawk's order.

The members of the Anbu under his hands jumped out from both sides one by one.

The members of the Yuwen family focused all their attention on this large truck at first, but unexpectedly, this would suddenly be attacked from the side.

Before they could react, they were killed by the dark side members of the Duanmu family.

The members of the Anbu all use their heads, a deadly head hidden in their sleeves for assassination work.

Facing the sudden blow of the Duanmu family, the Yuwen family seemed to be in a hurry...Many family members were killed by a single knife...

That black and white Shuangsha is extremely cruel.

Although the two of them had never made a move, but seeing them for the first time, the black impermanence, a big dry hand, suddenly grabbed the head of a Yuwen family member...squeezed hard, the man suddenly bleeds from seven holes...and then He was kicked to the ground and died tragically.

Bai Wusha didn't even blink, and the Yuwen family member beside him had his throat squeezed by his five fingers before he took a shot.

Seeing that the Yuwen family guard members were outnumbered, one of them hurriedly rang the alarm bell.

At the moment the alarm bell was touched, the entire Yuwen family's mansion suddenly began to be fully guarded.

There were dozens of Yuwen family members who ran out from inside, rushing toward the main entrance.

"It's time for us to enter." Li Tian was waiting for this opportunity.

Only when the Yuwen family paid all their attention to the front door, did he and his brothers have a chance to enter the Yuwen family.

"Do it!"

When Li Tian watched the Yuwen family over there almost rushed out, he gave an order, and then rushed in from the hidden place first.

His skill is so vigorous, like a wild horse running off the rein, his body is upright, his hands are directly on the power grid that Old Monster Ge has already canceled...then his body suddenly rises, flips, the whole He jumped into the Yuwen family. After quickly jumping into the Yuwen family, Li Tian rolled on the spot, hiding himself among the flowers nearby...

And then I saw Tang Xiaolong, Chen Qiaozhi, A Qiu, they all turned over and jumped in.

At the moment Old Monster Ge and Situ Ningbing finally came in, Li Tian looked around.

"Go, go from here." Li Tian swiftly moved forward according to the map he saw at that time marking the location of the secret room.

Chapter 520: Duguxie Sword

The brothers behind him followed him as agile as cats.

After bypassing the front garden, there is a huge pool in front of which there are still 4 internal members of the Yuwen family guarding it.

Li Tian and the others took a look. If they want to reach the secret room, they must bypass the pool, which means that the four people in front of the pool must be killed silently.

Glancing around, when he didn't see anyone else, Li Tian in front of him greeted Ah Qiu and Tang Xiaolong, and then pointed at the two people on both sides.

The two nodded wisely, and then Li Tian walked silently towards the other two.

After Li Tian moved and approached the distance of three meters between the two of them, he suddenly began to move, attacking the two with a speed like a rabbit... At the same time, Tang Xiaolong was already fully prepared. , And Ah Qiu, also attacked at the two of them at the same moment.

With a bang, but seeing Tang Xiaolong, a sweeping leg directly swept the man down, and then another beautiful elbow hit the back of the man's head, and the man suddenly fainted and fell to the ground with black eyes.

On the other hand, Ah Qiu was even more clean, just hitting the head with a punch, fainting the man.

Li Tian here attacked with strange speed. Before the two people there could react, they were hit in the back of the head by Li Tian's double palms... The huge force made them fly out... and then fell heavily to the ground... ..Then fainted.

After quickly eliminating the four of them here, Li Tian motioned to drag the four aside.

Then they continued to move forward steadily...

Due to the black eagle outside attracting the attention of the Yuwen family, now most of the Yuwen family members have all rushed outside...

There was a horrible cry outside.

The interior of the Yuwen family is not too messy.

"Patriarch...someone outside has begun to attack us..." The elder of the Yuwen family who quickly ran into a magnificent room, said to the Emperor Yuwen with a blank face at this moment.

Yuwen Huangji's eyes, which were sharper than Hawkeye, narrowed slightly.

"It should be here, after all..." he suddenly muttered.

"Is it possible to find out who the other party is?" Yu Wen Huangji asked suddenly with his eyes bursting out.

"It has not been found out yet, but judging from their tactics and killing skills, it should belong to the Duanmu family!"

"Huh... I had guessed that this Duanmu Heiming treacherous villain would hit my Yuwen family's attention, but I never thought he would dare to do it so quickly... Since he Duanmu family wants to play with the old man, the old man will accompany him Play to the end."

"Notify the Four King Kong... let them guard the main entrance." Yuwen Huangji ordered.

"Yes!"

"Also, activate the forbidden area agency... inform the secret room, any intruder, no matter what." Yuwen Huangji finally ordered.

The man standing in the middle of the lobby was taken aback...

"Patriarch...why do you want to activate the restricted area?" He asked puzzled.

Yuwenhuang said coldly when he went up, "Stupid!"

"Do you really think that the Duanmu family members are so stupid that they directly attacked my Yuwen family... I guess they must be directed at it."

"Anyway, you just need to do what I said." Yuwen Huangji finally stood up slowly and said.

After the man said "yes", he quickly stepped back.

Yuwen Huangji, who stood up from the dragon chair, looked at him at this moment, and his figure was unusually tall. Although his age had reached an ancient age, his hair was white and his waist was slightly hunched, it did not affect his spirit.

After slowly getting up from the dragon chair, he turned and walked towards another room.

After he walked into the quaint room, he suddenly saw that there was no more person in the room.

A man wearing a navy blue costume... The man looks like he is 3040 years old, with a sharp face, which looks a bit old-fashioned, but it gives people a sense of daunting.

Especially one of his opponents, generous and powerful, holding a bronze sword firmly.

The sword is seven feet long and three inches wide.

The scabbard is jet black, like a crocodile skin, and the hilt has been polished and shiny...

A bronze sword, a man who was indifferent like steel, stood straight in Yuwen Huangji's room.

Yuwen Huangji didn't feel surprised at all for the man holding the sword in front of him, and sat down slightly next to him.

Then slowly raised those sharp eyes, looking at the man holding the sword: "Someone broke into our family...Do you know what to do?"

A few faint words came out of Yuwen Huangji's mouth.

The man with the sword had no change in his bronze face. He was silent like a stone. He nodded slowly, then turned and walked forward.

"and many more....."

Yuwenhuangji suddenly stopped the man with the sword in front of him.

"Don't let anyone break into the secret room... whoever enters, kill who." Yuwen Huangji finally said.

The man with a face of steel, without looking back, without words, after listening to Yuwen Huangji's words, he walked forward step by step in indifferent steps.

He walked forward like a machine, a murderous machine.

Who is he? Why is it so indifferent.

If you have heard the four names of Duguxiejian, you must know who he is.

At this moment, Li Tian and his brothers had successfully bypassed the Yuwen family's mansion and reached the backyard. According to the map of the Yuwen family, as long as they crossed the backyard in front of them, they could reach the restricted area in front.

Once through the restricted area, you can reach the last secret room.

I looked at the backyard of the Yuwen family, but saw that the backyard of the Yuwen family was a huge courtyard.

Moreover, there is a circle of marble walls surrounding the entire backyard.

What's even more strange is that the 67 members of the Yuwen family who originally watched the backyard suddenly changed their faces when they saw one of the Yuwen family members hurried over and whispered a few words to the guards.

Then they said nothing, turned around and left the guarded position in the backyard, leaving them all.

This situation puzzled Li Tian and his brothers who were hiding in the dark one by one.

"What happened?"

"Why don't those people guard their family important land one by one? Instead, they all ran away?" Tang Xiaolong blinked and stared silently.
