

A Killer 541

Chapter 541: Wan Jian Qiming

Tang Xiaolong and A Qiu also kicked away the stones with their feet, and then slowly crawled out of the corner.

After crawling out, he quickly slapped the dust all over his body.

"Are you not hurt?" Li Tian asked the brothers who looked at him with concern.

"It's okay, we are all fine." The brothers said.

"That's good."

Then they raised their eyes and looked at the Ten Thousand Sword Caves that seemed to have been hit by an earthquake... Those iron swords that had been quietly inserted into the stone were damaged a lot.

Some were crushed underneath by big rocks, while others were smashed deep into the rocks.

Looking at everything that was shocking in front of him, Li Tian couldn't help sighing deeply. It was indeed somewhat shocking just now.

"It's so dangerous! Fortunately, the collapse has stopped, otherwise I think we don't want to go out alone today." Old Monster Ge gasped and said.

"Well, it is."

"Did Xiaolong meet the Yuwen family's organ just now?" Chen Qiaozhi frowned and asked.

Tang Xiaolong was full of embarrassment, and said aggrievedly: "Maybe..."

Hearing Tang Xiaolong say this, Chen Qiaozhi didn't say much.

But Li Tian saw the weird scene in front of him at this moment. A huge hole was suddenly opened on the surface of the collapsed area, and a sparkling light could be seen on the surface of the cracked ground.

"Look over there!" Li Tian suddenly said with a horrified face.

The brothers who heard Li Tian suddenly said this suddenly all turned their heads, but where they saw Li Tian's fingers, a gleam of light appeared.

The light appeared from the cracked ground in front, as if there was something weird in the cracked ground.

"What is it?" Old Monster Ge asked, squinting his eyes in surprise.

"Could it be... it... was born?" Old Monster Ge suddenly murmured, and at the same time a pair of eyes suddenly radiated light.

"Go, go over and take a look."

Li Tian, who was talking, ran to that side first, and the brothers behind him also followed at the same time. After they all ran over, they were shocked there.

Gosh!

It was indeed born, and this thing, which was only heard in legends in the past, finally revealed its name.

A "sword!"

An ancient sword with golden light!

At the moment this sword was born, the swords around the Ten Thousand Sword Cave suddenly began to hum... Ten thousand swords hummed together, and at the same time the surrounding swords suddenly began to shake, as if they were welcoming this ancient **** soldier. Like.

Li Tian had seen such a strange sight, and he was completely stunned at the moment. If he hadn't seen it with his own eyes, would he believe that it turned out to be true?

And Chen Qiaozhi and Old Monster Ge in front of them also looked at all of this with horror.

"Could it be the ancient magic weapon: Xuanyuan sword?" Old Monster Ge's eyes widened, and his sweat came out and said.

Chen Qiaozhi also rubbed his eyes and looked at the gleaming ancient sword in disbelief.

"Is this Xuanyuan Sword?" Li Tianzhen looked at the ancient sword below the cracking.

But seeing that ancient sword quietly placed on a piece of bluestone, the body of the sword is carved with the sun, moon and stars on one side, and the mountains and plants on the other side. The carved patterns are like life, the image is extremely, and the hilt is still ancient. The text... is densely packed and cannot be seen clearly.

"Yes, it seems that the legend of ancient relics is true."

"This sword is really the legendary Xuanyuan sword." Old Monster Ge said suddenly with his eyes widened.

The lying down dragon over there also put his eyes on the light and said: "Unexpectedly, we finally found this sword!"

Looking at the "Xuanyuan Sword" only heard in the legend, Li Tian was very excited and excited.

They knew that between hits and collisions, that Tang Xiaolong touched the mechanism in the secret room... and caused the thousand-year-old magic weapon to reappear in the world again.

Looking at the Xuanyuan sword in front of him, Li Tian slowly stretched out his hand to touch it.

When the finger suddenly touched this "Xuanyuan Sword", suddenly Xuanyuan Sword made a buzzing sound, as if resisting Li Tian, and then Xuanyuan Sword, which was originally glowing with golden light, suddenly disappeared...

The gleaming sword body suddenly became ordinary.

Faced with this shocking change, Li Tian was shocked and quickly retracted his fingers.

He said in astonishment, "What happened?"

"It is rumored that Xuanyuan Sword is an ancient **** soldier, with spirituality...it recognizes people!"

"It is said that only people approved by this magic weapon can it emit immense power... but if it doesn't approve it... then it will be an extremely ordinary sword in anyone's hands."

Old Monster Ge said there.

After hearing Old Monster Ge said this, Li Tian couldn't help but froze for a moment. He couldn't help but secretly said in his heart: So, the Xuanyuan sword in front of him doesn't seem to recognize himself?

Li Tian's guess is not bad.

Xuanyuanjian is a thousand-year-old soldier!

People who hold Xuanyuan swords are all righteous people, but what about Li Tian? He is the evil star! His astrology is a magic star.

So when Li Tian touched my Xuanyuanjian now, that Xuanyuanjian would make a conflicting sound.

But now Li Tian would know what to say? He just looked at the Xuanyuan Sword in front of him curiously.

Once Xuanyuan Sword lost the extremely bright light, it immediately became like an ordinary iron sword.

It's just that there are clear patterns engraved on his sword body!

Li Tian stretched out his hand and slowly squeezed the Xuanyuan sword... and then held it in his hand.

After Xuanyuanjian reached Li Tian's hands, it became a scrap of iron, which looked like an ordinary iron sword.

Li Tian frowned slightly and looked at the pattern on the Xuanyuan sword, but he saw the sun, moon and stars on one side, and mountains and trees on the other...

Touching these patterns with his hands, Li Tian suddenly shook his heart violently. He didn't understand why his heart shook suddenly.

"Finally I got the Xuanyuan sword, little boss, your Sanshengmen Poison seems to be saved." Tang Xiaolong said with joy on his face.

Li Tian also laughed.

What Xiaolong said was really good. As long as he got the Xuanyuan sword of the Yuwen family, Li Tian could exchange the "sword" in front of him for the antidote to his Sanshengmen!

Once that time, his poison will be completely eliminated, of course, by that time, no one can stop Li Tian.

Li Tian with Xuanyuan Sword in his hand only felt something was wrong. I don't know why. When he held this magic weapon in his palm, he faintly felt that this magic weapon was consciously or unintentionally resisting him... although Xuanyuan sword at this moment He had lost all its luster, but Li Tian could still feel it, this Xuanyuan Sword didn't seem to like himself very much!

Chapter 542: No Exit

When Xuanyuanjian was born, there was a carved golden dragon in the middle lobby of the Yuwen family. A bead in its mouth suddenly fell from the golden dragon's mouth.

It was a blood-red bead, and when it fell to the ground, with a snap, the blood-red bead shattered to pieces.

In the hall, Yuwen Huangji, who had been sitting still like a mountain, suddenly stood up when he saw the blood-red beads falling from the golden dragon's mouth, his expression horrified.

"Did they break into the secret room?" Yuwenhuang said with eyes full of eyes and suddenly couldn't believe it, and his whole body was suddenly filled with horror and murderous intent.

"impossible!"

"impossible!"

"There is Duguxie sitting in the secret room. Could it be that even Duguxie can't stop the invading people?" Yuwen Huangji's face was pale and bloodless.

Suddenly there was a furious cry: "Where are the Four King Kong?"

After the roar of his dragon chant, four men with cold faces suddenly ran in from outside the hall.

These four kings are the powerful warriors of the Yuwen family...have been committed to protecting Yuwen Huangji's personal figures, and now after Yuwen Huangji summoned these four people in front of him, I saw endless eyes in his eyes The murderous roar said: "Go, follow me to the secret room."

After a roar, he quickly rushed to the secret room with the four people under him.

How could Yuwen Huangji tolerate the theft of his family heirloom?

This is simply unbearable! So he is angry now! Very angry!

If he were to know that it was the one who didn't have long eyes who dared to attack his Yuwen family, then the Emperor Yuwen would desperately hunt him down.

Even at the ends of the world, the Yuwen family would not let him go.

At this moment, Li Tian and his brothers had already obtained Xuanyuan Sword.

"I think we should leave here quickly... The Yuwen family must have discovered us by this time." Chen Qiaozhi said there.

Li Tian nodded.

But then Tang Xiaolong became depressed and said: "How do we get out? You forgot, we jumped in from that black hole... It's impossible to get out..."

Listening to Tang Xiaolong's words, the brothers suddenly woke up.

Yes!

How to get out

You should know that they entered this secret room but jumped down from above... and the length of the vines was not enough for them to climb up.

Thinking of this, Li Tian was stunned.

I should have thought of this long ago, but I just ignored it...what can I do?

"It seems that it is impossible to go out the same way." Old Monster Ge said with a frown in front of him.

"What can I do then? Doesn't this mean that we are trapped here to die?" Tang Xiaolong was shocked.

"Not necessarily!" Li Tian said suddenly.

At the same time, a pair of eyes looked around the Wanjian Cave and said: "Let's look for it here and see if there is any exit! I believe that our brothers have gone through so much and will never fail!" Li Tianjian said. Say.

So the brothers followed Li Tian's instructions and began to constantly search around, looking for a way out.

The Duanmu Family Black Hawk who acted as a cover had already left!

They hadn't planned to fight against too many people from the Yuwen family, so when all the powerful forces of the Yuwen family came out, the Black Hawk ordered the black and white double evil spirits to leave quickly.

The current Black Hawks have returned to the Siber Hotel.

"Dark Lord, can you say that the kid surnamed Li can get the Xuanyuan sword of the Yuwen family?" But seeing Bai Wusha in the Xiboer Hotel looking at the black eagle and saying.

The black hawk's eyes blinked twice, and then hoarsely said: "Humph, if he can't get it this time, there will be only a dead end."

"Our Duanmu family has spent so much effort to ***** Xuanyuan Sword... absolutely can't just leave it halfway! If the kid surnamed Li really didn't do it, then don't blame my ruthless men, I must kill it myself. he."

A vicious smile appeared on Bai Wusha's face.

He was a hundred cruel to Li Tian, and he wanted to give Li Tian thousands of swords and cuts, so he wished that Li Tian would die in his heart.

"Dark Lord, there is one more thing." Bai Wusha said suddenly.

"What's the matter?" Black Hawk asked.

But Bai Wusha said, "It is said that the eldest lady seems to have returned to the family."

Hei Ying's face changed when she heard that the eldest lady Duanmuying returned to the family.

"What? Missy went back by herself?" The Black Eagle asked with an ugly face in front of him, who couldn't believe it.

Bai Wusha nodded in front of him.

"Yes."

"According to the reliable information received by the subordinates, it seems that the eldest lady had indeed returned by herself." Bai Wusha said in front of her.

"What about the other woman?" Black Hawk asked immediately.

Of course, the other woman he asked was referring to Situ Ningbing who escaped from the Duanmu family with Duanmu Ying.

But when he heard that Bai Wusha shook his head slightly, he said, "The other woman seems to have not found her trace so far."

"That's weird!" Black Hawk said grimly.

"Since the eldest lady has gone back, did the other woman go there?" Black Eagle thought silently.

"Is there any news coming from the head of the clan?" Black Eagle suddenly raised his eyes and asked Bai Wusha in front of him.

Bai Wusha silently shook his head and said, "Not yet."

"Oh!"

After the black hawk made an oh, he didn't ask any more.

"Forget it, don't worry about other things, let's just get the Xuanyuan sword of the Yuwen family now!"

"When the boy named Li gets Xuanyuanjian, hehe, that's when he will die." The black eagle in front of him suddenly said with a grinning smile.

Besides, Li Tian and the others have been searching in this secret room for almost an hour without finding an exit.

The faces of the brothers trapped in this Ten Thousand Swords Cave now showed hopelessness. Perhaps only Li Tian was still looking for exits on the stone walls with hope.

Tang Xiaolong and Old Monster Ge, who had searched for a circle and failed to find an exit, had already given up hope...At this moment, one by one was sitting on the ground lost.

"Little boss... don't look for it... I think we are out of luck this time! It seems we are going to be trapped here alive." Tang Xiaolong said in despair.

"Xiaolong, you can't just give up like this, we won't die, absolutely not!" Li Tian comforted him.

When Tang Xiaolong heard the elder brother say this, although he didn't say anything, he sighed deeply.

Chapter 543: Life in despair

Then Chen Qiaozhi also raised his eyes and looked around... eyes full of silence and speechlessness, it seems that he also gave up.

Not to mention Old Monster Ge.

Right now, the only one looking for an exit was Li Tian, and the cold Aqiu wearing sunglasses.

Ah Qiu is a very cold person. In his heart, he seems to only listen to Li Tian. He does what Li Tian asks him to do.

To be honest, Situ Ningbing also gave up hope. At this moment, looking at his beloved, he was still busy looking for an exit... I couldn't help feeling regretful.

Why is their time in love so short!

Why is it so difficult for them to be together? Unexpectedly, after all the hardships, when Li Tian finally found Xuanyuanjian, they couldn't get out... they were trapped here to die!

This is really a huge irony...

Thinking of this, a bitter and helpless smile appeared at the corner of Situ Ningbing's mouth.

But seeing Li Tian over there is still looking for an exit!

He carefully searched the places the brothers had searched one by one...Although he also understood in his heart that maybe all of this he did was in vain, maybe they would really be trapped here this time!

But, to be honest, Li Tiantian is unwilling!

He is not willing to be trapped here alive like this.

But is he looking for it? Except for the hard stone walls, there is nothing else around.

He seemed to be truly desperate... At this moment when he didn't even have the confidence to find an exit, he suddenly heard a "weird voice!"

The sound made his whole mind startled.

His eyes lit up immediately.

"I seem to have found it." Li Tian suddenly exclaimed in front of a rock wall.

Hearing Li Tian's exclamation, the brothers who had fallen into despair were taken aback. They all turned their heads quickly and looked at Li Tian.

"Really?"

"Is there an exit?"

But seeing the brothers in unanimously asked excitedly that this exit is about their lives...Of course they will be excited.

But seeing that Li Tian did not answer their words, but carefully put his head on the stone wall in front of him, listening to something.

"Little boss, what are you listening to?" Tang Xiaolong grumbled and got up from the ground, and asked with a horrified face.

Old Monster Ge, Chen Qiaozhi and that Situ Ningbing couldn't help but quickly walked towards Li Tian curiously.

But seeing that when the brothers came over and were about to ask Li Tian curiously, Li Tian suddenly raised his hand to stop them.

"Shhh..."

"Don't talk." Li Tian said without turning back.

At this moment, the brothers are even more depressed, no one knows what Li Tian is doing? I don't even know why Li Tian put his ear on the stone wall in front of him...

But they still listened to Li Tian's words, and each of them tightened their mouths, not daring to make a loud noise.

Suddenly, Li Tian, who had his ear on the stone wall, said excitedly: "I heard it! This should be the exit." He suddenly said excitedly.

The brothers in front of him looked at Li Tian and almost thought he was crazy.

But seeing Tang Xiaolong frowning and asking, "Little boss, what did you hear?"

"Water! Sound of water!"

Li Tian suddenly turned his head and said with excitement.

"water?"

After hearing Li Tian's words, Tang Xiaolong was taken aback for a while, but he hadn't fully reacted yet.

On the contrary, the smart Chen Qiaozhi next to him coughed softly twice and helped his glasses there and said, "You mean, there is the sound of water behind this stone wall?"

"Yes! It's the sound of water!"

"You'll know when you come over and listen." Li Tian said excitedly there.

Chen Qiao was taken aback, hurriedly walked over, and then put his ears on the stone wall in front of him. After he put his ears on the stone wall, the brothers here did not dare to make one. Looked in surprise.

But seeing Chen Qiaozhi's eyebrows, his head pressed against the stone wall in front of him, after listening for a while, he did hear a very small sound of water in his ears.

The moment he heard the same, he became happy for an instant.

"Li Tian is right! There is indeed a sound of water here!!" Chen Qiaozhi also said excitedly there.

"Really?" Tang Xiaolong couldn't believe it, and quickly walked over, putting his ear on the rock wall and listening.

After listening for a while, he suddenly shouted excitedly: "Fuck, there is really a sound of water."

"If there is water on the other side of the stone wall, I guess this flowing water should lead to the outside." Li Tiandao said.

"Yeah! I think so too."

"It seems that we need to dig through the stone wall in front of us... Only after digging, can the water flow in, and then we can use the water to get out." Li Tiandao said.

"Good idea! I think it's OK." Old Monster Ge said suddenly.

"Then do it!"

The brothers who were talking then began to prepare to cut the stone wall in front of them...

Originally, they had no other way to escape from the Ten Thousand Sword Cave in front of them. At this moment, although they were not sure that the current on the opposite side of the stone wall would surely allow them to escape, at least they would have a little hope!

Since there is hope, they cannot give up! So the brothers started looking for something to dig through the stone wall in front of them.

There is not much in this Ten Thousand Sword Cave, but there are only many swords!

So Tang Xiaolong and Old Monster Ge picked up an iron sword from the ground, but they chiseled the stone wall in front of them.

A sharp blade stuck on the top of the stone wall, and soon, the debris of the stone wall began to fall down.

As the brothers kept cutting through the rock wall with the iron sword in their hands, after a while, they saw that the rock wall had already been cut through by the brothers with a huge hole.

"Look, the stone wall has begun to seep." Tang Xiaolong in front of him suddenly pointed to the stone wall and said.

But seeing that the stone wall in front of me had already begun to slowly seep water marks, it was obvious that they were about to dig the stone wall soon.

"Everyone get ready!"

"Once the rock wall is cut open, no one knows how huge the water flow will be behind the rock wall, but I still hope that everyone will hold hands together and don't leave anyone behind, and then let's use the buoyancy of the water to slowly Climb out of here." Li Tian said in front of him.

After hearing Li Tian say this, the brothers nodded one by one there.

Then I saw them staring at the stone wall in front of them.

But seeing Tang Xiaolong in the front with an iron sword in his hand, he turned his head and glanced at Li Tian and Old Monster Ge behind him. Li Tian nodded at him.

After seeing Li Tian nod his head, an iron sword in Tang Xiaolong's hand began to slash towards the stone wall!

Chapter 544: Battle of the four families (beginning)

When the iron sword in his hand was inserted into the stone wall suddenly, there was a crash, but a hole was cut in the stone wall, and then the fierce water began to flow in towards the Ten Thousand Sword Cave.

Tang Xiaolong hurried back.

The stone wall that was chipped away all at once could not stop the surging pillars above. At this time, the whole stone wall was blasted by the water and opened a gap of more than two meters wide!

The turbulent water column suddenly poured into the Wanjian Cave like a waterfall.

Li Tian and his brothers hurriedly held hands at this moment, biting the bullet and watching the water slowly flow in.

More and more water poured in, filling the entire Wanjian Cave!

Slowly, the water flowed to Li Tian and their feet, and then their knees...to their breasts...

In the end, they filled the water.

When the huge current filled the Ten Thousand Sword Cave, Li Tian and his brothers in the water took advantage of the situation and began to swim slowly toward the gap just opened!

Each of them closed their breath tightly, and then they kept swimming in the water with their hands!

With the help of the buoyancy of the water...Li Tian and the others quickly crossed the rock wall in the water.

Then came the deep blue water!

After crossing the stone wall, they continued to swim desperately upwards.

To be honest, they don't know where the water came from? I don't even know if they can go out alive...

At the moment they are saying that they are gambling!

It's just that the bet this time is a bit big... it's a bet on their fate!

Keep moving upstream...

The brothers have all exerted their strength!

If they cannot get out of the water in front of them, they will be drowned alive in the water.

So they can only swim upwards desperately!

tour!

Finally, Li Tian, who had been swimming in the water for a long time, saw the light on the water above...

He closed his mouth tightly, pointed at his brothers in the water, and then kept swimming under his feet, toward the bright spot!

Shattered!

But a figure suddenly jumped out of the water.

Wow, he spouted a sip of water from his mouth, because he held it in the water for too long, it made him look out of breath after he got out of the water.

Huhhhhhh, sucking in the fresh air outside!

Li Tian is finally out of the water!

Besides, after Li Tian suddenly jumped out of the water, he quickly looked around to find his brothers.

Shattered!

But seeing a figure over there suddenly jumped out of the water, and after coming out, he began to gasp like him.

Take a closer look, it was Chen Qiaozhi.

"Qiaozhi, are you okay?" Li Tian said there quickly.

Chen Qiaozhi wiped the water off his face with his hand and shook his head.

Then I saw Tang Xiaolong, Old Monster Ge, and Situ Ningbing all jumping out of the water. Like Li Tian, they all had difficulty breathing after they came out, and they were gasping for breath. After all, they were in the water. After holding back for so long, they really almost killed them.

"Out!"

"It's finally out!" Tang Xiaolong yelled in excitement.

Li Tian was also full of excitement to tell the truth, but he was still relatively calm.

At this moment, I can't help but look around, but I see tall buildings standing around.

And there is still a bridge in front of them!

On the bridge, you can see the endless traffic...

Looking at the water they were staying in, it turned out to be the moat of Liaobei Province!

It turned out that the deep water was poured in from the moat in northern Liaoning Province. No wonder the water is so fierce.

At this moment, Li Tian couldn't help turning his head and looking at the position behind!

Yuwen family!

Yes, the backyard of the Yuwen family is indeed located near the moat... No wonder Li Tian and the others were lucky enough to survive. It turns out that everything is like this.

"Let's go ashore." Li Tian said there.

As he said that, he led his brothers slowly and quickly to the front shore.

In the front of the moat, they saw a few old men who were fishing. When they saw a few people in the moat "swimming" in the moat during the day, they couldn't help but become curious.

"Look, there are a few people swimming in the moat over there... It's interesting."

One of the old fishing men said there.

The other old man on the other side squinted his eyes, then said contemptuously: "Hey! Young people now...really, they swim in the moat during the day... Hey! It's detrimental!"

He didn't look at Li Tian and the others.

Li Tian and the others didn't notice the old man here either. At this moment, after swimming to the shore one by one, they climbed onto the shore.

When the brothers finally went ashore, they all sat wet on the shore and couldn't help laughing.

"We escaped!"

"We came out alive..." Tang Xiaolong said with a happily smile.

Old Monster Ge also smiled.

"Yeah, I didn't expect that we could live out of the Yuwen family's secret room. This is a ***** surprise... What a ***** thrill."

"Old monster, see if I'm right, it's right to follow our little boss." Tang Xiaolong said with a smile.

"Now that Xuanyuanjian is in hand, what shall we do next?" Chen Qiaozhi is still a person who puts important things first. At this moment, he can't help but wipe his glasses there while looking at Li Tian and ask.

But seeing Li Tian slightly raised his eyes, looked into the distance and said: "Fight against the Duanmu family!"

"This dark family, what owes me and what I am cruel to, I have to personally repay everything!"

"Also, I once promised a senior... promised him to avenge him, I think maybe now the opportunity has arrived!"

When Li Tian finished saying these words, the terrible murderous aura from him couldn't help making the brothers startled.

They all felt the evil aura in Li Tian's body.

"Little boss, who are you avenging for? That senior?" Tang Xiaolong asked with a look of surprise there.

Li Tian slowly turned his head to look at Tang Xiaolong and said, "I promised that the old man can't tell anyone...so...I can't tell you."

When Tang Xiaolong heard Li Tian say this, he smiled: "It's okay, I just ask casually."

Although they don't know how much hatred Li Tian has with the Duanmu family, it must be from this moment that he is destined to start a real battle with the dark Duanmu family!

But he didn't know that the moment he stole the Yuwen Family Xuanyuan Sword, one of the four big families, had triggered the fuse of the battle of the four big families..

Chapter 545: The truth about Duguxie

"Let's go, let's find a place to settle down first." Li Tian suddenly stood up and said.

"Aren't you going back to Naxiboer Hotel?" Tang Xiaolong asked in surprise.

Chen Qiaozhi glared at that stupid Tang Xiaolong: "You idiot, now that Xuanyuan Sword is in hand, why are you going back to the Xiboer Hotel?"

"You need to know that inside the Xiboer Hotel, the Duanmu family is still there."

Facing Chen Qiaozhi's words, Tang Xiaolong's expression turned bitterly.

"Oh, that's how it is."

As he said that, he followed Li Tian and his brothers to the front.

After the brothers arrived on the street in their wet clothes, they attracted a lot of attention, but fortunately, Tang Xiaolong promptly arbitrarily took a taxi.

The man who drove the taxi didn't want them to ride when he saw Li Tian and the others were covered in water.

But Tang Xiaolong stood in front of his car all at once, making him unable to walk, and the helpless taxi driver could only open the door.

So the brothers got in the taxi, and then they mentioned a random place, and the taxi took them to the front quickly.

After this shocking change, the Yuwen family can be said to have suffered a big loss.

Not only did 78 members of the Yuwen family died tragically at the front entrance, more than a dozen Yuwen families were injured, and most importantly, even the forbidden area of the Yuwen family and the secret room were patronized.

Especially the treasure of Yuwen family, Xuanyuanjian was stolen away.

When Yuwen Huangji stood at the tomb in the secret room, looking at the unraveled gossip universe, he screamed furiously.

"Is that **** stealing my family treasure!"

"Who is it!!!"

His roaring voice seemed to tear the world apart, Yuwen Huangji with blood red eyes, his fists clenched tightly, and he stood there with hatred.

"I want to kill you... No matter I chase you to the end of the world, I will kill you all!! Recapture Xuanyuan Sword!!"

The words of eternal hatred came out from Yuwen Huangji's mouth.

The subordinates in front of him looked at the madness-like Patriarch who became angry for the first time, and they all stood there in fear.

"Get Duguxie for me!!!"

"I want to know why anyone would enter the secret room..." Yuwenhuang said furiously.

The subordinate standing in front of him quickly said: Yes!

To be honest, the Emperor Yuwen never thought of the stolen "Xuanyuan Sword", the treasure of the Yuwen family.

He had already opened the door to the restricted area, and sent his most trusted Duguxie to guard the entrance to the secret room! But what I never expected was that the famous Duguxie Sword didn't stop those people!

What is going on?

So Yuwen Huangji in front of him wanted to ask for an explanation, he was looking for Duguxie.

In a delicate room, but seeing Duguxie with a cold face standing motionless in the middle, and in front of him was the pacing Yuwen Huangji.

"Tell me, tell me what you did...!"

"Why...why...that group of people can rush under your nose..."

"I don't believe it, the famous Duguxie, who was once the first warlord of Cthulhu, would let a few thieves pass through...what the **** did you eat!!" Yuwen Huangji finally couldn't help it. The excitement in his heart cursed at that Duguxie.

Duguxie stood motionless like a red bell.

His icy face didn't show the slightest expression, but raised those cold eyes slightly and looked at Yuwen Huangji in front of him.

"Sorry... I didn't guard the secret room!" A few words came out briefly from his mouth.

Listening to Duguxie's words, the Emperor Yuwen suddenly clenched his five fingers in extreme anger, and roared and said, "You trash!"

With a bang, suddenly the Yuwen Emperor burst out his palm, and his roaring palm hit Duguxie's chest heavily, and his vicious and domineering palm directly flew Duguxie away.

With a click, Duguxie's body suddenly smashed onto a large transparent crystal table. The entire table was directly smashed, and Duguxie's body was also heavily knocked to the ground at that moment.

Duguxie, who was hit **** her chest with a palm, turned pale, and vomited blood.

Scarlet blood flowed out from the corner of his mouth.

Duguxie didn't wipe the blood from the corner of his mouth, nor complained, but slowly got up from the ground, still standing in front of Yuwen Huangji like a big tree.

"My life...you took it back...now...you want to take it back anytime!"

When Duguxie finished saying this sentence, with a sound from his right hand, the bronze sword suddenly popped out of the sheath and fell in front of the Yuwen Emperor.

The bronze sword suddenly made a buzzing sound after it was unsheathed, and the whole body of the sword was trembling slightly, as if to drink human blood hungry.

And Duguxie stood there motionless, as if he was about to die! !

What did Duguxie mean? His life was actually picked up by Yuwen Huangji? What is going on?

It turns out that all of this has to be pursued 16 years ago.

One night 16 years ago, Yuwen Huangji suddenly saw a man lying in deep water covered in blood in the northern part of Tibet, so Yuwen Huangji was curious to save the life of the dying person.

When Yuwen Emperor rescued this man, what shocked Yuwen Emperor was that the character he saved was the famous Duguxie!

You must know that twenty years ago, the name of Cthulhu went through China and foreign countries! Who doesn't know? Who doesn't know?

To say an exaggerated remark, the names of the four major families at that time were incomparable with the names of "Cthulhu". The name of Cthulhu had already become a symbol of "God" in people's hearts! Even people from the four major families have to bow their heads after seeing the evil god!

As the first combatant under the "Cthulhu", Duguxie Sword, of course, is also a character that the four major families absolutely dare not provoke.

Therefore, when Yuwen Huangji found out that the character he had saved was the famous Duguxie, he was taken aback.

Later, after many years, Yuwen Huangji realized that the reason why Duguxie was seriously injured and dying was because the evil god's enemies came to the door.

Since the evil **** disappeared for no reason 20 years ago, whether it is at home or abroad, it has become a huge tornado, sweeping the entire underworld world.

And the underground world controlled by the evil **** in the past also became chaotic in an instant.

Especially when the time of Cthulhu's disappearance is getting longer and the news that the Cthulhu is dead is rumored by people... Then the whole underworld world began to be in chaos.

Those underworld worlds that had opinions on evil gods in the past have all started sophisticated revenge plans.

Legend has it that that night, Duguxie and a member of the other evil spirits faced the top ten masters at home and abroad alone!

Outside there were the red archbishops sent by the Pope of the Vatican, and inside there were top domestic killers... jointly killed Duguxie, and Duguxie finally escaped alive after hitting several masters with a bronze sword.

But he is undoubtedly dying... and fortunately he met Yuwen Huangji that night and was rescued by Yuwen Huangji!

Chapter 546: Man of steel

Duguxie is a man who values love and justice!

So he wanted to repay his favor, so Duguxie followed Yuwen Huangji from then on.

But he promised to Na Yuwen Huangji that he would first find his eldest brother, the evil **** who had disappeared for many years.

So Duguxie spent 5 years, traveling the whole world looking for his "big brother"... but he did not find the disappeared "Cthulhu". Later, after Duguxie's five-year appointment, he returned. In the Yuwen family, became a member of the Yuwen family!

He is a man with a wealth of money, and the words he has said have always been true.

This is the real reason why the famous Duguxie became one of the members of the Yuwen family, one of the four big families!

If the Emperor Yuwen hadn't saved that Duguxie's life unintentionally back then, how could he let Duguxie be his subordinate with the power of his Yuwen family? ?

Besides, after the current Yuwen Emperor lost the family treasure "Xuanyuan Sword", he was extremely angry.

His eyes were red as if bleeding, and his five fingers were tightly clenched, coldly betting on Duguxie in front of him.

He thought that letting the famous Duguxie sit at the entrance of the secret room would be foolproof. No one would step into the secret room alive, but he never expected...Duguxie didn't guard the secret room? Of course it was extremely angry at the moment.

After Duguxie took the hand of Yuwen Emperor in front of him, he still slowly stood up and stood there indifferently.

"You tell me, who is it that makes your famous Duguxie unable to guard my family's secret room?" Yuwenhuang said angrily.

Duguxie did not speak, but just stood there.

How can he speak?

How can he tell the identity of "him"?

You must know that Duguxie has been looking for the traces of his elder brother "Cthulhu" all his life... and only yesterday, Duguxie finally saw "him" and the most familiar thing on his neck...exquisite jade pendant.

That was the love of the former "Cthulhu" and his sister-in-law!

So if Duguxie's guess is correct, that "he" should be the son of his elder brother "Cthulhu"!

So the Duguxie in front of him was silent.

"Say it? Why don't you say it?" Yu Wenhuang roared there like a lion that was completely angry.

The pair of wide-eyed eyes seemed to eat the Duguxie in front of them.

But seeing that Duguxie was finally silent, he suddenly raised his eyes slowly and stared at Yuwen Huangji in front of him.

"Sorry! I can't say!"

A few simple words came out word by word from his mouth.

"If you don't tell me, I'll kill you..." Yuwen Huangji suddenly raised his palm and said to the Dugu Xie in front of him.

Because Yuwen Huangji, who was overly angry, had bruises on his face, and even his body was filled with a terrifying aura. At this moment, he really had the determination to kill the Duguxie.

But seeing that Duguxie did stand straight there, motionless like a mountain like a bell.

He did not speak or complain, as if the Emperor Yuwen who was waiting in front of him killed him extremely.

"you....."

Yuwenhuang was extremely annoyed and suddenly punched the face of Duguxie.

Bang!

The extremely fierce fist hit Duguxie's face straight, and Duguxie immediately splashed scarlet blood from his mouth, and at the same time the body that was beaten back suddenly... Hold your feet.

"Get out of here!"

"From today, you are not allowed to step into my Yuwen family for half a step!" The roaring Yuwen Huangji roared from his mouth.

Yuwen Huangji did not kill the Duguxie in front of him, but wanted to drive him away.

Since Duguxie followed Yuwen Huangji more than ten years ago, he and Yuwen Huangji have a deep relationship. Although Duguxie has always been extremely cold, he does have love and grace! Besides, Yuwen Huangji once saved his life.

But can Duguxie tell his identity? Can you tell that he stole the treasure of the Yuwen family?

Can't!

So Duguxie could only stand here silently, and even if the Emperor Yuwen in front of him killed him, he did not say.

When Yuwen Huangji suddenly wanted to drive him away from the Yuwen family, Duguxie was expressionless.

Instead, he slowly stepped forward, facing his abrupt behavior, the furious Yuwenhuang was taken aback.

But seeing Duguxie walking a few steps forward, suddenly kicked the bronze sword that fell on the ground...

Whoosh!

But seeing that the bronze sword that had fallen on the ground was kicked by Duguxie, it flew towards the palm of his hand without error.

Then I saw that Duguxie lifted his resolute face and stared at Yuwen Huangji in front of him: "I once owed you a life... and received your favor... Here, I thank you!"

"My Duguxie has never been favored by anyone in my life. The only favored one is you, and the other is my old brother Cthulhu. If you want to drive me away today... Then I will pay you back!!!"

When he finished speaking the last word, the bronze sword in his hand suddenly rose.

The Emperor Yuwen in front of him was suddenly taken aback.

I haven't seen clearly what he is going to do, but saw that the bronze sword in Duguxie's hand suddenly draws a perfect arc in mid-air, and then hiss.

With a bang, the bronze sword fell towards his own right arm.

Puff!

With a sword down, blood was splashing, it was a living arm that fell to the ground!

The sword is his sword, and the broken arm is his own arm.

In order to repay Yuwen Emperor's kindness, Duguxie cut off one of his right arms alive.

The bronze sword on his left hand hummed and pierced his ears after being stained with blood, and his entire left hand was still trembling slightly.

And what about Yuwen Emperor? At this moment also completely stunned.

Looking at the severed limb of Duguxie in front of him, he stood there in horror.

Duguxie's face was pale and bloodless, and his entire steel body trembled slightly because of a sword cutting off his right arm, and he did not even frown.

This is a man with a steel will, a man who used to dominate the situation.

But at this moment, he cut off his arm alive.

For what? Is it just to repay Yuwen Emperor's kindness... Maybe he did it for something else.

"Duguxie...what the **** are you doing...do you have a problem with your brain...what kind of **** can you not even have your own arms?" Yuwen Huangji roared.

He knew that the reason Duguxie cut off his arm was because he didn't want to say who broke into the Yuwen family's secret room!

Chapter 547: Offer a reward

Duguxie did not speak, nor did he speak. He just turned around slowly with his mutilated body, and then slowly walked outside the Yuwen family with the bronze sword in his hand.

He left the Yuwen family.

Looking at his lonely back, he couldn't help looking desolate and lonely, full of desolation.

Who would have imagined that the once domineering Duguxie would break his own arm! !

For what?

For whom?

Maybe when Li Tian knows the truth of everything in the future, he will be at a loss to discover how many iron-blooded men in this world are silently paying for him behind his back.

Duguxie's departure was undoubtedly an event that caused the Yuwen family to suffer.

Since the Xuanyuan sword, the treasure of the Yuwen family, was lost, a state of emergency has begun to appear in the entire city of Liaobei Province.

Going up to the government, going down to the local gangsters, all began to become the eyeliner of the Yuwen family.

Money can pass the sky, and it can also guard the sky.

The Yuwen family has a lot of money and almost monopolizes the entire Liaobei Province, so now both the police in Liaobei Province and the people on the road are busy searching for the lost treasure.

The entire airport, railway station, and major bus stations in northern Liaoning Province are also guarded by members of the Yuwen family.

Once they find a crowd with suspicious trails, they will definitely go up and arrest them.

"Patriarch, we have found out."

In the magnificent hall of the Yuwen family, a man in a black suit quickly reported to the Yuwen Emperor.

But at this moment, Yuwen Huangji quickly asked: "Is that ***** stealing my family's treasure?"

"We saw from the surveillance camera in the backyard, it turned out that these people broke in." Only the man in the black suit said there, holding a disc in his hand.

"Hurry up and let me see if it's that ***** who dares to break ground in front of the Yuwen family."

As Yuwen Huangji spoke, the subordinate quickly inserted the disc in front of him into an ultra-thin computer next to him.

After the disc was played, the position of the backyard camera on the machete clearly showed a few people sneaking into the backyard of the Yuwen family!

After Yuwen Huangji saw it, his face looked ugly for a moment and wanted to kill.

"Who are these bastards?"

"Why don't I know one of them!!"

Yuwen Huangji pointed at the person in the picture and said angrily.

The man in front of him pointed to one of the men wearing glasses in the picture and said, "Patriarch, I know this person."

"Who?"

"His name is Chen Qiaozhi... the nickname is the sick scholar. He seems to have been mixed up in Jinghai City before. He is a very intelligent guy, and he is also related to the large-scale robberies in the country." The man in black suit in front of him said there. Say.

"Asshole!" Yu Wenhuan said suddenly and furiously.

"Who are those few people?" Yuwen Huangji continued to ask.

The man in the black suit shook his head suddenly and said, "I don't know these people very much..."

"Check it out for me!"

"Even if I turn over the entire Liaobei Province, I will find these bastards!"

"I must slaughter them by myself." Yuwenhuang said angrily.

After receiving the order, the subordinate quickly walked outside.

After the subordinate left, a man from one of the Four King Kong standing next to Yuwen Huangji, about 180 cm tall, with a burly physique like a giant bear, walked slowly to Yuwen Huangji's side. He asked, "Patriarch, are these the thieves who stole the Xuanyuan sword of our family?"

What he was referring to, of course, was Li Tian, Tang Xiaolong and others shown by the computer surveillance video.

Yuwen Huangji was silent at the moment with a gloomy face. To be honest, he couldn't believe it. He once thought that the people who visited his Yuwen family this time might be from the other three families, especially the evil darkness. The Duanmu family, but the characters shown in the surveillance video turned out to be completely strangers!

Yu Wen Huangji had never heard of these people, and had never seen them.

Moreover, I have never heard of the recent Jianghu Dao. With such a few figures, how could it be possible that these few people have such capabilities and can break through their own family? And can he defeat the famous Duguxie and break into the secret room?

This is almost impossible!

"I thought it was the dark Duanmu family who robbed our family this time, but I never thought it was these **** who are not afraid of death?"

"Give me an order, once you find these people, kill without mercy!"

"And you must find the lost Xuanyuan Sword." Yuwen Huangji finally said angrily.

In this way, the entire northern Liaoning province fell into chaos.

Yuwen Huangji asked his men, Li Tian, Chen Qiaozhi, Tang Xiaolong who photographed the surveillance camera...their images were quickly distributed to the police, and at the same time to the people on the road in Liaoning Province. In hand...

Obviously, once Li Tian and the others show up in Liaobei Province, they will soon be discovered their faces.

By that time, Li Tian and the others will definitely be in huge trouble.

And not only that, the Yuwen family also issued a reward order. Once Li Tian and one of them are caught, the Yuwen family will have 1 million in cash as a direct reward.

The cash prize of 1 million yuan is an unimaginable amount for both the police and the gangsters in northern Liaoning Province.

So at this moment, the characters on the North Liaoning Provincial Road suddenly fell into madness... They were desperately looking for the trail of Li Tian and his brothers.

As long as they catch one of them, or kill one of them, they can get a general of 1 million yuan.

If you are lucky, you can grab 23 of them, doesn't that mean you can win millions of prizes for no reason...

Faced with such a big temptation, who is not tempted?

So at this moment Liaobei Province began to fall into a crazy situation.

Inside the Xibor Hotel in Liaoning Province.

But seeing the Duanmu family's Black Eagle sitting in the room inside the hotel with a very ugly face.

The black and white Shuangsha was still standing beside him, standing there in a gloomy moment.

"Is there any news about that kid named Li?" Black Hawk said suddenly angrily.

The black and white Shuangsha in front of him suddenly lowered his head and said, "Report to the Dark Lord, we haven't found it yet."

"Bastard!"

"Could they still be able to fly their wings to the sky?" Black Hawk roared suddenly.

It had been almost two days since Li Tian and the others attacked the Yuwen family, but now the Black Hawk and the others did not know the clues of Li Tian and others.

Chapter 548: One word: kill

This of course made Black Hawk extremely depressed.

"Dark Lord, according to our observations of the Yuwen family these past few days, the kid surnamed Li may have succeeded from the Yuwen family! Xuanyuan Sword must also be in his hands." Bai Wusha suddenly said coldly.

"I know this."

"The Yuwen family is now jumping the wall in a hurry. The entire northern Liaoning province is conducting a carpet search for them. Presumably, Li Tian must have stolen Xuanyuanjian from the Yuwen family!"

"It's just that I don't understand, this bastard, why didn't you come to round with us!!" Black Hawk said with an angry face.

"Dark Lord, will this guy with the surname Li swallow Xuanyuan sword?" Bai Wusha next to him suddenly said.

"Dare he?"

"If he dares to swallow Xuanyuan sword privately, the clan master will definitely not let him go! Even if he is chased to the ends of the world, he will be cut all the time." Black Eagle said coldly.

"But it's been almost two days, why doesn't that kid with the surname Li come to join us?"

"If they don't come to play with us again, then the Yuwen family will definitely find our traces in Liaoning Province these days." Bai Wusha said worriedly.

There was nothing wrong with what he was worried about.

The Yuwen family now has all the people on the road in Liaobei province looking for Li Tian and others with all their strength, so there will be people searching one by one in all major hotels and guesthouses, and they will undoubtedly find the hotel in Siber. .

If you didn't find Li Tian and the others, but found someone from the Duanmu family here, wouldn't it be another big trouble.

Hearing Bai Wusha's words, the Black Hawk in front of him felt very reasonable.

His expression was ugly as if he wanted to kill now, hesitating there.

Suddenly Black Hawk turned around suddenly, and said, "I want to contact the clan leader."

After that, the Black Hawk suddenly turned around and walked quickly to another separate room.

After arriving in the room, the Black Hawk quickly took out a mobile phone from his arms.

Then skillfully dialed a number on it with his finger.

Soon the phone rang after a few rings!

"Clan Lord." Hearing Black Hawk said on the phone.

"How is it? I heard that there is a lot of movement in Liaobei Province now, and the Yuwen family is also under martial law in the city. Has Li Tian succeeded?" Duanmu Heiming said quite excitedly on the phone. .

After hearing Duanmu Heiming say this, the black eagle here hesitated, but still quickly said, "Yes, the clan master, maybe Li Tian has already got the Yuwen family Xuanyuan sword. Up."

After hearing the black eagle in front of him say this, Duanmu Heiming suddenly yelled "OK" on the other side of the phone!

"Yes! Sure enough, Duanmu Heiming didn't misunderstand the wrong person! I knew that this kid could definitely get that Xuanyuan sword from the Yuwen family."

"But the clan leader, the boy named Li hasn't contacted us so far." Black Eagle said suddenly.

When this sentence was suddenly spoken, Duanmu Heiming on the other end of the phone was taken aback.

"what?"

"Return to the clan leader, the kid surnamed Li has not contacted us yet." The Black Eagle in front of him continued.

"What do you mean? Didn't Li Tian get in touch with you yet?" Duanmu Heiming asked depressedly on the other end of the phone.

Black Eagle said in silence on the phone: "Yes, the clan leader."

"Patriarch, we are wondering if we will find a kid named Li who knows the secret of Xuanyuanjian? So we are going to swallow that Xuanyuanjian?" Black Eagle said suddenly.

After Black Hawk said so, Duanmu Heiming on the other end of the phone suddenly said angrily: "Dare he?"

"Even if I give him 10,000 courage, will he dare to swallow that Xuanyuan sword by himself?"

"Don't forget, he was poisoned by the Duanmu Family Sanshengmen. If he doesn't hand over Xuanyuan Sword, I will let him die!" Duanmu Heiming said fiercely.

"Well, since the head of the clan said that, the subordinates know how to do it." Black Eagle said here.

"Remember for me, find Li Tian for me as soon as possible! Take back Xuanyuan Sword to me and leave Liaobei Province." Duanmu Heiming repeated.

"Well, the subordinates know." Black Hawk said here.

"And don't underestimate the Yuwen family, now Liaobei Province is in great chaos... You should get the Xuanyuan Sword back as soon as possible, so as not to sprawl."

"I don't want to use force with Yuwen Laoer at this time." Duanmu Heiming said at last.

After he finished speaking, he hung up the phone severely.

After Black Hawk hung up the phone, he walked out of the room in front of him.

The black and white Shuangsha outside was still standing inside the house. After seeing the black eagle coming out from inside, they asked, "What did the clan master say?"

"The clan owner said that we should find the boy Li Tian as soon as possible, and then take Xuanyuan Sword back." Hei Ying said.

A dark smile appeared at the corner of Bai Wusha's mouth.

"Then what if we want to kill the kid surnamed Li? The patriarch won't be angry?"

The Black Hawk laughed.

"The clan master only said that we can get the Xuanyuan sword! As for whether the kid surnamed Li is dead or alive, the clan master would not take it too seriously." said the black eagle in front of him.

Black and White Shuangsha heard Black Hawk say so, and looked at each other. The two of them coincided with each other, obviously knowing what they were thinking in their hearts.

"Okay! Let's check the clues of the kid surnamed Li. We will definitely bring Xuanyuanjian back." Black and white Shuangsha said there.

Now not only the people of the Yuwen family in northern Liaoning Province are looking for clues to Li Tian and the brothers, even the Duanmu family at this moment is also looking for Li Tian and others.

It's just that the Yuwen family's method of finding people is relatively high-profile, while the Duanmu family is very low-key looking for Li Tian in secret.

There is a street called Changting Street in the pedestrian street in northern Liaoning Province.

Changting Street is a neighborhood where residents live, with residential buildings on both sides, as well as supermarkets and markets.

There is a petite hotel in the middle of the residential buildings.

Because this small hotel is surrounded by residential buildings on both sides, business is not very good.

There are very few people staying in this hotel so far.

But what was unexpected was that a few days ago, there was a group of rich people who suddenly contracted the entire small hotel. This small hotel had not many rooms. I didn't expect that group of rich people would give the whole room to all of them. Booked it down.

The owner of this hotel is a woman in her 40s. At this moment, she was very happy to see someone paying for a long-term house, so she quickly rented out all the rooms.

But who was the renter? It turned out that it was Li Tian, the brothers and others. After coming out of the Yuwen family, the brothers did not plan to return to the Nasiboer Hotel, so they chose this place.

Chapter 549: revenge?

From that time on, Li Tian did not plan to return to the Nasiboer Hotel.

And now Li Tian stayed with his brothers in this small hotel.

In the hotel, there are a total of two floors, with seven or eight individual rooms vacant above, and a few vacant rooms below.

Li Tian and his brothers live on the second floor.

In the room, you can see the brothers there from a distance.

But seeing the old monster Ge holding an ancient sword in his hands, he was studying intensively. At the same time, he kept muttering in his mouth, "Good sword, it's such a great sword!"

"Old monster, let me see what's so strange about this ancient magic weapon!" Tang Xiaolong in front of him said, he was about to come over to grab the Xuanyuan sword in Old Monster Ge's hand.

The old monster Ge retracted his hand suddenly.

"You know what a shit!"

"Illiterate like you, it's useless to look at it." Old Monster Ge said sarcastically to Tang Xiaolong with his big yellow teeth grinning.

Tang Xiaolong scolded all of a sudden: "I ***** you uncle, you are not dead."

"If you don't let me see it today, I'll never finish with you."

Then he robbed old monster Ge.

In the end, Old Monster Ge was useless to ***** Tang Xiaolong, and Tang Xiaolong stretched out his hand to ***** the Xuanyuan Sword in his hand.

After Tang Xiaolong took it, he looked at the Xuanyuan Sword in his hand as if holding a treasure.

This ancient ***** soldier is very heavy and heavy.

And they couldn't tell what exactly the Xuanyuan Sword was made of, it was not iron or steel...

But it was extremely heavy in his hands!

They certainly wouldn't know that this ancient Xuanyuan Sword was forged by "Sparer" and made by pure crystal.

Holding the Xuanyuan sword in his hand, Tang Xiaolong stroked the clear pattern on it with his hand, and couldn't help muttering, "This sword is strange."

"It feels a lot to hold it in my hand." Tang Xiaolong muttered there.

"Hey, the patterns on this are also more interesting... You see here are stars... and the moon... On the other side, there are mountains and rivers."

Tang Xiaolong pointed to the Xuanyuan sword in his hand and said to the brothers around him.

The brothers had already discovered the pattern on the Xuanyuan sword, one side was the sun, the moon and the stars, and the other side was the mountains, rivers and trees. At this moment, they heard Tang Xiaolong say this and ignored him.

Chen Qiaozhi over there sat motionless, frowning as if thinking about something.

As for Li Tian, he was standing at the window inside the hotel, keeping his eyes out of the window and wondering what he was looking at.

"Li Tian, what are you thinking about?"

Situ Ningbing's pleasant voice suddenly passed into Li Tian's ears, who was standing at the window.

Li Tian turned his head slowly, looked at Situ Ningbing and smiled slightly.

Tao said: "I'm thinking, what should I do next."

"Are you really planning to deal with Duanmu family?" Situ Ningbing asked again suddenly, his eyes revealing his concern for Li Tian.

She didn't know how powerful the Duanmu family was. Once Li Tian made the decision to deal with the dark Duanmu family, it was likely that the road ahead would be even more dangerous.

But what about Li Tian? When Situ Ningbing said so, a slight wry smile appeared at the corner of his mouth, and then silently nodded.

"Ok!"

"You have to know, even if I don't do anything to the dark family, the Duanmu family will definitely not let me go."

"If I deliver Xuanyuan Sword to them now, I guess they will send someone to kill me." Li Tiandao.

When Situ Ningbing heard Li Tian say this, the corners of his mouth moved, as if he wanted to say something, but in the end he couldn't say it.

Chen Qiaozhi, who had been quietly silent next to him, stood up slowly at this moment and said to Li Tiandao: "The Yuwen family has been increasingly rigorously searched in Liaobei Province these days. I think we should leave the Yuwen family as soon as possible. The site is good, so as not to have long nights and many dreams."

Li Tian nodded slightly when Chen Qiaozhi said this.

Did he not know that Yuwen family was so powerful, he was lucky to be able to steal Yuwen family's Xuanyuan sword this time! And it's a great fortune in luck!

He never thought that Duguxie would let them go so much, and let Old Monster Ge take advantage of the drug to stun him, if it wasn't for Old Monster Ge to stun the Duguxie with a crooked way. , I guess they can't get the Xuanyuan Sword in their hands now.

Now that Xuanyuan Sword is in hand, how could the Yuwen family let it go?

So what Chen Qiaozhi said just now is not bad, they can only leave this place of right and wrong as soon as possible at this moment, so as not to have many dreams at night and be hunted down by the Yuwen family.

After thinking about it, Li Tian said, "Actually, I can't stand the Yuwen family."

"Hey! For the sake of my own selfish desires, it seems that I can't help the Yuwen family." Li Tiandao said.

To be honest, Li Tian has nothing to do with the Yuwen family, he just exchanged for the Xuanyuan sword of the Yuwen family for the antidote to the Duanmu family's Sanshengmen.

But the misunderstanding had already occurred, and Li Tian could only bite the bullet and continue walking all the way.

"Then when are we going to leave Liaobei Province?" Chen Qiaozhi in front of him said while looking at Li Tiandao.

Li Tianning frowned and thought for a while: "Let's go back to Jinghai City after I have handled the matter for these two days.

"Do you have anything else to do?" Chen Qiaozhi in front of him looked at Li Tiandao in wonder.

Li Tian smiled and nodded and said, "Yes."

Chen Qiaozhi did not ask much.

"The Duanmu family I guess now knows about the Xuanyuan sword that I got. If I guessed right, they must be looking for me now." Li Tian said suddenly.

Tang Xiaolong, who was holding Xuanyuan Sword in both hands, ran over after hearing Li Tian's words, and said, "Little boss, those bastards, I've long seen them uncomfortable."

"Now that Xuanyuan Sword is in our hands, I think we should take the opportunity to make these **** in Liaobei Province... Anyway, didn't you tell me? The next step is to deal with the Duanmu family. Let's kill them now to avoid It is difficult to deal with them when they return to the family."

Listening to Tang Xiaolong's reckless words, Li Tian suddenly felt that Xiaolong's words made sense.

Yes, it is not the territory of the Duanmu family in Liaobei Province. There are only people from the dark part of the Black Eagle and the black and white double evil spirits.

If he can take down the black eagle and the black and white double evil, it will also be a huge impact for the Duanmu family...

When the time comes to negotiate an antidote with Duanmu Heiming, he should also be more vigorous.

Chapter 550: hypocritical

Hearing Tang Xiaolong's words, Li Tian couldn't help thinking about it.

Chen Qiaozhi also walked over slowly at this moment: "I always think that what Xiaolong said is not very reliable, but this time I think what he said is really good."

"Anyway, we will have a tough battle with the Duanmu family sooner or later. It's better to kill these characters from the Yuwen family in northern Liaoning. If this is the case, one can solve the trouble behind the butt. It can also deal a heavy blow to the Duanmu family."

Listening to what Chen Qiaozhi said in front of him, Li Tian slowly raised his eyes.

"Since everyone decides so, let's do it."

"Kill the Black Hawk first and the black and white double evil spirits."

After Li Tianxia made a decision, Tang Xiaolong in front of him suddenly became excited.

"Okay! His grandma's, you can finally get revenge!"

"Those bastards, let's see how Lao Tzu cleans them this time."

After making this decision, Li Tian and the others made a detailed plan to deal with the black and white Shuangsha, Black Eagle and others.

In the past few days, not only the Yuwen family has been searching for clues to Li Tian and others in Liaobei Province, but even the Duanmu family members are also secretly searching.

But so far they haven't found Li Tian and their secret place.

At the moment, at the entrance of the Siber Hotel, I saw a taxi slowly approaching the Siber Hotel.

After arriving at the entrance of the Siber Hotel, the taxi stopped.

Opened the car door, but it was Tang Xiaolong who got out of the car.

How did he suddenly arrive at the Siber Hotel where the Black Hawks live?

But seeing Tang Xiaolong after getting off the car, raised his eyes and glanced at the surroundings of the Sibel Hotel, and then walked towards the Sibel Hotel.

It seems that he is really going to go in this Siber Hotel alone.

After he quickly entered the Siber Hotel, he quickly got on the elevator and went straight to the room where the Black Hawk and others lived.

When the elevator ding-dong on the 16th floor stopped, Tang Xiaolong stepped out.

After he got out of the elevator, he saw the Duanmu family members in black suits in the aisle in front of him.

Those members of the Duanmu family who had been standing quietly at the door were stunned for an instant when they suddenly saw Tang Xiaolong.

"Isn't that person under the fifth elder?"

"Yes! It is indeed him!"

"Quickly, go in and report to the Dark Lord! We finally found it." Only one of the Duanmu family members who wore a black suit said there.

But see Tang Xiaolong here? Seeing that the Duanmu family member found himself, there was a smirk at the corner of his mouth, and he still walked forward step by step.

At that moment, the Black Hawk and the Black and White Shuangsha in the room suddenly heard his subordinates come in and said: When they found the five elders' men, the Black Hawk and the Black and White Shuangsha were taken aback at the same time.

Then he quickly asked, "Where?"

"Just outside the door!" the man said.

The Black Hawk frowned immediately, and looked at the black and white in disbelief.

Then he said nothing but strode towards the outside of the room.

The moment Black Eagle quickly walked out of the room with the black and white evil spirits in front of him, he saw Tang Xiaolong standing in the corridor at a glance.

It really is Li Tian's brother!

Originally, the Black Hawk was a little bit unbelievable, but when he saw it with his own eyes, it really made him startled.

At this moment, he couldn't help raising his eyes coldly and staring at Tang Xiaolong in front.

"You finally showed up..." But seeing the black eagle suddenly said with a sinister smile at the corner of his mouth.

Tang Xiaolong looked at him with a smile, and did not speak.

"Where's Li Tian? He is there now? Why hasn't he been spotted since the attack on Yuwen's family that day?" Black Eagle suddenly asked Tang Xiaolong, who was looking at him from a cold spot.

After hearing the question from the black eagle in front of him, Tang Xiaolong said, "Our little boss is now in a safe place, waiting for you."

"A safe place is waiting for me? What do you mean?" The Black Eagle suddenly looked at Tang Xiaolong in surprise and said.

At the same time, his heart couldn't help but doubt.

Then Tang Xiaolong saw the black eagle's mind, and suddenly sighed and said, "Hey...you don't know, our little boss was seriously injured by the organ inside when he entered the secret room. You know that since After we escaped from the Yuwen family's secret room, the entire Yuwen family searched us there like a mad dog... Of course we need to find a place to hide first, don't you?"

Listening to Tang Xiaolong's words, the Black Hawk asked half-believingly, "So Li Tian was seriously injured?"

"Yes!"

"Our little boss, the injury is very serious now... but we can't go to the hospital for treatment... You also know that the Yuwen family's forces are now under martial law in the entire Liaoning Province... Therefore, we can only hide first." Tang Xiaolong continued to lie.

After hearing Tang Xiaolong's words, the Black Hawk was really cheated!

He was actually extremely happy at the moment. He wished that Li Tian was seriously injured and died. In that case, he would not have to work hard... But there was a worried question on his face, "Where is Li Tian now?" "

"Oh, by the way, and did you steal the Yuwen Family Xuanyuan Sword?" The Black Hawk in front of him suddenly stared at Tang Xiaolong in front of him and asked.

Tang Xiaolong heard that Black Eagle finally stepped into the subject, smiled and said, "We did steal it."

After Tang Xiaolong suddenly said that he had stolen the Xuanyuan sword, the black eagle in front of him suddenly showed light.

The black and white Shuangsha behind him also had a strange grin on their faces.

"Not bad!"

"Unexpectedly, the Fifth Elders did steal the Yuwen Family Xuanyuan Sword." The Black Eagle in front of him suddenly changed his tone and said.

Then Tang Xiaolong said with an unpleasant expression on his face: "Hey, it's a pity that we have suffered a bit of a heavy loss in order to help your family steal that Xuanyuan sword this time... I can't help but our little boss was seriously injured, and even our brothers, too I almost lost my life there."

Hearing Tang Xiaolong's lamenting voice, the Black Hawk pretended to be sympathetic and said, "Oh, isn't it?"

"It's really hard for you this time." Black Hawk said pretentiously.

"By the way, where is Li Tian now? How is his injury? Tell me, I'll go over and see him." The Black Eagle in front of him suddenly looked at Tang Xiaolong and asked.
