

A Killer 551

Chapter 551: Opportunistic

Tang Xiaolong slowly raised his eyes and looked at the black eagle.

"You are going to see our little boss?"

"Yes! He was injured, and the Yuwen family is still searching for him throughout the city... If we don't help him, who else can help him?" Black Hawk said slyly.

Tang Xiaolong in front of him heard Black Eagle say this, and he was secretly happy, because he knew that "the fish has slowly taken the bait", so he thought about it and said, "Well then!"

"Actually, I came to you this time just to tell you what our little boss is now... now in Liaobei Province, only you can help us."

"The little boss and our group of brothers are now in the xxxx hotel." Tang Xiaolong said the address to the 15th and 10th.

After Tang Xiaolong suddenly said where Li Tian and his brothers lived, a sinister smile slowly appeared on the face of the Black Eagle in front of him.

But still pretending to say: "That's good!"

"Go, let's find him now."

The black eagle who was talking was ready to take the black and white double evil spirits to find Li Tian and others.

Hearing the black eagle, he immediately prepared to take the black and white double evil spirits to find Li Tian and the others. Tang Xiaolong said quickly, "Not now."

"Why?" Black Eagle looked at Tang Xiaolong in front of him questioningly and said.

Tang Xiaolong then said: "You don't know something. When I came just now, I saw the Yuwen family searching in the front place. If you follow me to find the little boss now, it will definitely attract attention... Once discovered by the Yuwen family, the matter will be difficult to handle."

Hearing Tang Xiaolong's words, Black Hawk frowned tightly, and couldn't help but glance back at the black and white Shuangsha in front of him.

But seeing that the two men blinked suspiciously at the moment.

So Black Hawk slowly turned his eyes to look at Tang Xiaolong and asked, "Then when shall we go to Li Tian?"

"Well, tonight!"

"We will be there waiting for you tonight." Tang Xiaolong said.

"Anyway, I've already told you the address... Then you just go, we will have someone to meet you."

After hearing Tang Xiaolong's words, the Black Hawk couldn't help but ponder for a while, and finally thought about it and said, "Okay, that's it."

"You go back and inform Li Tian, saying that we will go back to meet him tonight, and then leave this place of right and wrong together." Black Hawk said at last.

"Good Le!"

"If there is nothing wrong, I will leave first," Tang Xiaolong said at last.

The Black Hawk didn't say much, and nodded.

In this way, Tang Xiaolong left the Siber Hotel in front of him.

After Tang Xiaolong left, the black hawk suddenly smiled.

"Dark Lord, do you think what the kid said just now is true?" Bai Wusha in front of him suddenly asked cautiously.

Black Hawk condensed his brows, thought for a while and said: "In my opinion, 80% of it should be true."

"The kid surnamed Li broke into the Yuwen family secret room. The Yuwen family secret room was full of institutions. Since he can survive from there, he must be immortal, but he must have suffered extremely important injuries."

"They were in Liaobei Province, alone and helpless except for us, and they are still wanted by the Yuwen family throughout the city. I guess it is true that they asked us for help this time." Black Hawk thought.

Bai Wusha blinked his eyes and said, "If that's the case, then it really helped me! Unexpectedly, the kid named Li was seriously injured this time!" Bai Wusha suddenly said with a wicked smile on his face.

"Dark Lord, let's take this opportunity to catch them all at once tonight, slaughter the boy named Li, and then **** Xuanyuanjian back."

Bai Wusha said in that sinister way.

But seeing Black Hawk with a sneer on his face, he said, "You are right. Tonight is indeed a good opportunity."

"The kid surnamed Li was seriously injured this time, and he must be lying there now...As for the few unweatherable things next to him...They will all be killed at that time."

"Then we took the Xuanyuan Sword together and left Liaobei Province! Unconsciously..." Black Hawk said gloomily.

Bai Wusha showed a pair of fierce eyes and said, "Tonight is the death date of that surname Li!"

After the Black Hawk made this decision, he ordered his Anbu members to make all preparations.

Tonight, they will start to kill Li Tian, Tang Xiaolong and others, and rob Xuanyuanjian.

But Black Eagle and the others didn't know that Tang Xiaolong suddenly came to look for them this time, and he had already prepared everything.

The so-called mantis catches the cicada and the oriole, who is the mantis this time? Who is the cardinal again? I must know after tonight.

After Tang Xiaolong drove back to the small hotel where he was staying, he quickly told Li Tian and others in the hotel.

"Little boss, those bastards, it seems really not a good thing. When I said that you were seriously injured, the black eagle's eyeballs were bleeding... I wish you died." Tang Xiaolong smiled there. Say.

Li Tian in front of him also smiled slightly and said, "Then they should be caught, right?"

"definitely!"

"If I'm right, they will definitely send someone to surround us tonight and ***** Xuanyuan Sword." Tang Xiaolong said.

"It seems that I really guessed nothing wrong."

"Since they want me to die, then it seems that we can only do better." Li Tian decided to say.

"Yes, little boss, let's kill these ***** tonight!"

"Grandma's, I thought they were not pleasing to the eye."

"Xiaolong, Qiaozhi, you two should check the surroundings here, and you will be here tonight!"

"Starting from this evening, we officially began to challenge the Duanmu family. I want to get back what this family owed me and what it did to me." Li Tian said with his fist tightly clenched.

"Ok."

After nodding their heads, Tang Xiaolong and Chen Qiaozhi quickly walked out to check the terrain.

Tonight is their fierce night...Who will live and who will die? It is estimated that only God knows.

The Duanmu family in Jinghai City was undoubtedly the most excited since they learned that Li Tian had received Xuanyuan Sword.

A dark room in the Duanmu family, but seeing Duanmu Heiming sitting motionless there.

Standing beside him was the coquettish and charming Hua Sanniang.

She was wearing a turquoise skirt, which blended with her glamorous figure...The black viper on her thin white arm was still wrapped around her thin white wrist, looking hideously people.

Chapter 552: Duanmu Sakura in the Dungeon

"Hei Ming, it is said that the kid surnamed Li has already obtained the Xuanyuan sword of the Yuwen family?" Hua Sanniang asked suddenly there.

A smile slowly appeared on Duanmu Heiming's cold face.

"Not bad!"

"It seems that I did not misread this kid." Duanmu Heiming said with a smile.

"Then since Xuanyuanjian has already been acquired, what will you do next?" Hua Sanniang asked suddenly.

Mu Heiming was silent for a while, then suddenly raised his eyes: "Kill him!"

"Kill the kid surnamed Li?" Duanmu Heiming said suddenly.

"Kill him?" Hua Sanniang was taken aback.

"Of course I want to kill!"

"If he doesn't die, it will affect our Duanmu family. Now we don't have to confront the Yuwen family directly." Duanmu Heiming said sinisterly.

What he said was really good, you must know that Duanmu family dominated Li Tian to steal that Yuwen family's Xuanyuan sword.

If Li Tian is not killed, if Li Tian and others are caught by the Yuwen family, then it will undoubtedly affect the Duanmu family.

Therefore, Duanmuhei in front of him will make all preparations tomorrow morning. He is now waiting for Li Tian to **** the Xuanyuan Sword back. Once Xuanyuan Sword gets his hands, he can kill Li Tian.

And now, this is the moment.

"But, Heiming, if you kill the kid named Li, wouldn't your dear daughter be sad?" Hua Sanniang said to Duanmu Heiming with a smirk on her face suddenly.

When Duanmu Heiming heard what Hua Sanniang said, a huge hatred appeared in his eyes!

"This dead girl!" A word suddenly roared from Duanmu Heiming's mouth.

"Heiming, how are you going to punish her this time?" Hua Sanniang asked suddenly.

Duanmu Heiming suddenly roared in his mouth.

"Shut me up!"

"My own daughter, I know how to discipline myself, so there is no need for you to interrupt me." Duanmu Heiming said angrily.

Although Hua Sanniang in front of her was unwilling, she could only close her mouth at this moment.

Since Duan Muying left Li Tian, she went back to the Duanmu family alone.

When Duanmuying returned to the Duanmu family by herself, Duanmu Heiming was really taken aback.

But more really irritated.

After all, Duanmuying actually betrayed the Duanmu family.

Duanmu Ying is now locked in the dungeon by Duanmu Heiming.

Inside the dungeon, but seeing Duanmu Ying sitting there quietly like a stone... Outside is a member of the Yuwen family guarding it... Although it is a dungeon, the Duanmu family personally sent three meals a day. .

The door to the dungeon suddenly opened at this moment.

"Patriarch!" But the guard member standing in the dungeon suddenly saluted a dark shadow who walked in there.

It was Duanmu Heiming who walked in.

After Duanmu Heiming walked in, he slightly raised his hand, and then the guarding members of the Duanmu family retreated one by one.

Duanmu Heiming then slowly walked in towards the cell where Duanmu Ying was closed.

Looking at his Qin's biological daughter in the prison, Duanmu Heiming sighed suddenly and bent into the cell.

But seeing Duanmuying in the jail with a pale face and messy hair, sitting there stupidly, she seemed indifferent to her father coming in.

"Ying'er..."

Duanmu Heiming suddenly called his daughter distressedly.

Then he walked over slowly, and gently smoothed Duanmuying's messy hair with his hands.

"Ying'er, do you still hate your father?" Duanmu Heiming in front of him suddenly said distressedly at Duanmu Ying.

But seeing Duanmuying slowly turned her delicate pale face, staring at her father.

"Hey! You have to know, I do this for my father for your own good..."

"Why did you just fall in love with that kid... and even the family betrayed for him..." Duanmu Heiming said in a slight anger.

Duanmuying didn't say a word while standing.

"Ying'er, tell me, what are you thinking about?" Duanmu looked at his daughter in a puzzled way and asked.

But seeing Duanmuying slowly raised her eyes to look at her father.

"Daddy, why did you kill Li Tian..."

"He has done so many things for our family... Why do you have to kill him? What kind of deep hatred do you have with him?"

Hearing Duanmuying's sudden questioning, Duanmu Heiming roared in front of her.

"These things, you better leave them alone!"

"All you need to know is that Dad did everything for our family...for the Duanmu family's sake."

Duanmuying said: "For the family? Do you want to kill for the family... Besides, Li Tian has helped you steal things from the Yuwen family this time... Why are you killing him? Why!"

"Ying'er!" Duanmu Heiming roared suddenly.

"I'll repeat it again. You'd better leave it to me in the future about that kid named Li!"

"Daddy doesn't need to teach you what to do, you just need to remember it to me, from now on, don't give me contact with the kid surnamed Li, not at all! Do you hear it?" Duanmu Heiming said there.

Duanmuying did not speak but her eyes slowly turned red.

She originally wanted to come back and persuade her father not to attack Li Tian again, but now she realized that her words turned out to be so pale and powerless, she could not persuade her father at all.

"Ying'er, if you listen to your father's words, I will release you from here... okay?" Duanmu Heiming said in front of him.

But Duanmuying remained motionless there.

"You still don't listen to me, don't you?" Duanmu Heiming suddenly said angrily as he watched Duanmuying unmoved.

Duanmu Ying said nothing.

"Okay! Since you want to stay here, then you can stay here for me!"

Duanmu Heiming, who threw a sentence fiercely, suddenly turned and walked outside the prison.

The remaining Duanmu Ying continued to stay alone in the dungeon...

She is also sad, falling in love with someone who shouldn't be loved, but her father is about to kill him himself? What can Duanmu Ying do?

What else can she do except heartbreak?

Would Li Tian, who was far away in Liaobei Province, think that this silly girl would return to the Duanmu family for herself?

Li Tian knows, but he doesn't care about the time to consider these now! Because the things in front of him are enough for him...

Maybe after Li Tian has solved everything from Liaobei Province, he will come back to look for that Duan Muying!

Chapter 553: Malingering

Inside the Siber Hotel, but seeing that the Black Hawk, Black and White Shuangsha and others were preparing there.

They were waiting, waiting for it to be dark, because after dark, they were going to kill that Li Tian and the brothers, and then take back that Xuanyuan sword.

Time passed by, and the sky soon dimmed.

Following the black eagle's order, a dozen members of the dark side, and the black and white Shuangsha immediately followed the black hawk in front of him and quickly left the Nasiboer Hotel.

There are already four black Chevrolet business cars parked outside the Siber Hotel, four in total, lined up.

After the black eagle and the Anbu in front of them got into the car in front of them one by one at this moment, the car groaned and started to drive quickly towards the distance.

"Dark Lord, do you want to inform the clan owner about this?" Bai Wusha sitting in the car suddenly looked at the black eagle and asked.

The Black Hawk sneered and said, "The clan leader is eager for the boy named Li to die early!"

"Don't worry. Tonight, just give the guy named Li to someone who doesn't keep it and kill me."

After the vicious words came out of the black eagle's mouth, the four cars drove towards the distance.

After getting the address from Tang Xiaolong, the vehicle of Black Eagle and others had gradually arrived near the hotel where Li Tian was staying after driving for about an hour.

But seeing this block at night seemed a bit desolate.

Through the window of the car, the black hawk glanced with cold eyes, and then said, "How far is it?"

A member of the Duanmu family who drove in front said: "The place in front should be."

"What a remote corner." Bai Wusha murmured in his mouth looking at the dark alley ahead.

The Black Hawk didn't worry too much. After the four commercial cars drove there quickly, he saw the small hotel in the middle of the two ends of the residential building.

"It's here." I saw a member of the Duanmu family who was driving in front, pointing and saying.

The black eagle in front of him and the black and white double brakes sitting in the car couldn't help turning his head to look at the small hotel at this moment.

The corner of the black eagle's mouth snorted coldly: "I'm still hiding pretty much..."

"But it's okay. It's a remote place. After they were slaughtered, they ended up clean."

"Get out of the car!"

The Black Hawk and the others jumped out of the car one by one.

After a dozen members of Anbe jumped down, the black eagle in front of him glanced around the hotel.

Then he whispered to the members of the Anbu under his hand: "You guys go over there and guard!"

"Remember, no one can let me go tonight! As long as they get down, they will kill me, have you heard clearly?" Black Hawk said coldly.

The people in front of him nodded quickly and said, "Listen clearly."

"Just listen clearly."

"Black and white Shuangsha, you guys come with me."

The black eagle who was talking brought the black and white double evil spirits and several other members of the Anbe towards the hotel.

And when their vehicle just drove towards Li Tian's hotel, Li Tian, who was above the hotel, had already spotted the Black Eagle and others through the outside window.

When seeing a lot of Anbu members coming from four powerful vehicles, Li Tian knew what the black eagle was playing.

At this moment, he winked at Tang Xiaolong and Chen Qiaozhi in the room.

"According to the old plan." Just listen to Li Tiandao.

Tang Xiaolong showed a smirk at the corner of his mouth, and said, "Don't worry, little boss, you must let those ***** lie here one by one tonight!"

Soon, I heard messy footsteps walking towards the hotel.

Obviously it was the Black Hawk and the others, this Black Hawk and his Anbu's subordinates, who were also quite cautious, slowly moving up the stairs step by step.

Suddenly at the entrance of the stairs, the Black Hawk saw Tang Xiaolong standing motionless at the entrance of the stairs.

The moment he saw Tang Xiaolong, Black Eagle couldn't help but was taken aback, and the members of the Anbu behind him were also stunned, their arms suddenly squeezed into his arms, as if they were about to do it.

The Black Hawk hurriedly waved at his reckless subordinate.

"Is that you?" said Tang Xiaolong who was looking at him with a wicked smile at the corner of Hei Ying's mouth.

Tang Xiaolong sneered at the corner of his mouth, looking at the so many members of the dark part that Black Eagle was carrying behind him, and said with a twitching tongue: "I asked you to see our little boss, why are you bringing so many people here... ..Do you have any thoughts about our little boss?"

Suddenly hearing this Tang Xiaolong say this, the Black Hawk smiled awkwardly.

"This brother really misunderstood."

"We are just afraid that the Yuwen family will find this out in case...that's why we sent so many people to protect the Fifth Elder." The black eagle said with a lie in his mouth.

Of course Tang Xiaolong knew that this treacherous guy was lying, but he didn't expose it, but he smiled and said, "Oh? That's how it is..."

"Li Tian is there now?" Black Hawk asked suddenly.

"Our little boss is in the hotel in front of you."

"Come in." Tang Xiaolong turned and walked forward.

The Black Hawk saw Tang Xiaolong really lead him to see Li Tian and the others in front of him, couldn't help but show a sinister smile, and nodded at the black and white Shuangsha beside him.

The black and white Shuangsha certainly understood what it meant, and after nodding slightly at this moment, he followed the black eagle in front of him to the room.

After the black eagle followed Tang Xiaolong to the room, he saw Li Tian lying on the bed over there.

Li Tian put half of a quilt on his body, as if he had been seriously injured.

In the room besides Li Tian, there was Na Qiu standing beside Li Tian coldly, but Chen Qiaozhi, Old Monster Ge, and Situ Ningbing were not in the room.

"Our little boss is here." Tang Xiaolong who walked in pointed to Li Tian who was lying in front of the "patient bed" and said suddenly.

When the black eagle in front of him saw Li Tian lying on the bed as if he was seriously injured, the corner of his mouth inadvertently showed a sinister smile.

Schematically, he glanced at the black and white double evil spirits. Of course, the black and white double evil spirits understood what it meant. At the moment, they were standing at the door one by one.

The Anbu members under his staff also stood at the door in a semi-enclosed shape.

"Fifth Elder... how? Is the injury severe?" Hei Ying, who was half lying in bed, approached Li Tian's bed with a hypocritical expression as soon as he came in.

As soon as he approached Li Tian's hospital bed, Tang Xiaolong hurriedly blocked the Black Eagle.

Chapter 554: You are a fool

"Our little boss's injury is still very serious now, it is not pleasant to approach..." Tang Xiaolong said there.

Black Hawk frowned slightly and glanced at Li Tian who was lying on the hospital bed.

But seeing that Li Tianzhuang really seemed to be seriously ill, he sat up slowly.

"Fifth Elder... Are you injured there?" Black Eagle continued to squint at Li Tiandao.

Li Tian clutched his chest and said, "I was hit by the organs in the Yuwen family...At this moment, I won't be able to move for a while."

"Oh! That's the way it turns out." Black Hawk squinted and muttered in that mouth.

"By the way, Fifth Elder, where is the Xuanyuan Sword you stole?"

"The clan master said that we want us to protect Xuanyuan Sword." The black eagle said there immediately.

Hearing that Black Eagle suddenly said his true purpose, Li Tian continued to pretend to be seriously ill and said, "Xuanyuanjian..."

"It's true that we have already got it." Li Tianyou said quietly.

"There?" The Black Hawk suddenly said with bright eyes.

The black and white Shuangsha at the door also opened a pair of cold eyes and looked at Li Tian unblinkingly.

But seeing that Li Tian was very "difficult", slowly leaning up there, and then said slightly to Tang Xiaolong who was on the side: "Xiaolong, take out the Xuanyuan sword?"

Tang Xiaolong nodded when Li Tian said this.

Then he took out a handful of long things tightly wrapped in cloth from one side, and handed it to the black eagle.

When Black Eagle and the others saw the Xuanyuan Sword handed over by Tang Xiaolong, his eyes glowed.

The black and white Shuangsha behind him were also staring at the sword firmly at this moment.

But seeing Tang Xiaolong walking towards the black eagle step by step, the black eagle's hands had already been raised up as if expected, and he almost went to grab it.

"Here." Tang Xiaolong, who was speaking, passed the Xuanyuan sword in his hand.

The moment it passed, the Black Hawk took it over.

Then he hurriedly opened the cloth that was tightly wrapped around Xuanyuanjian with his hands.

After he quickly uncovered the whole cloth with his hands, he really revealed a sword, a sword that looked really awesome...

"This is Xuanyuanjian?" The Black Hawk eyes in front of him said with bright light.

The black and white Shuangsha behind that also blinked and stared motionlessly.

They had never seen the "Xuanyuan Sword" before, so they couldn't tell whether the "sword" in their hands was really Xuanyuan Sword at the moment. They saw that the sword was engraved with a dragon-shaped pattern and looked quite alike. .

After the Black Hawk looked at it, a wicked smile appeared at the corner of his mouth.

Then he stretched out his hand, and the Xuanyuan Sword in his hand fell into the hands of the Anbu members behind.

Then he turned his head and smiled at Li Tian in front of him and said, "Since Xuanyuan Sword is already in hand, I will keep it for the fifth elder temporarily."

Li Tian smiled lightly and said, "Since you want to keep it, that's fine."

"Xuanyuanjian, I have already obtained it for you... and please go back and tell the clan leader that what he promised me... must be done." Li Tian in front of him said slowly.

But seeing the black eagle at this moment did suddenly laugh.

"What do the five elders mean? What did the clan leader promise you?" The black eagle in front of him said suddenly.

After his sudden change of words, the black and white Shuangsha took a step forward almost at the same moment, and the Anbu members behind also slowly closed the door in front of them.

Li Tian's eyes scanned the situation in the entire room, and he knew what the Black Hawk wanted to do?

Then Tang Xiaolong and A Qiu also guarded Li Tian at the same time.

But Li Tian continued to say there, "The clan master once promised me that as long as I help him steal the Yuwen family's Xuanyuan sword, he will give me the antidote to the Sanshengmen poison...Did you forget?"

Hearing Li Tian's words, the Black Hawk laughed wildly.

"Fifth elder, it seems that the three-life poison among you will not be solved for a while." Black Hawk suddenly revealed his nature and said.

Hearing what Black Hawk said, Li Tian's expression became cold and said, "What do you mean?"

Haha!

The Black Hawk laughed wildly.

"Fifth Elder, don't you really know what I mean?"

After he said these words, the Anbu members beside him simultaneously pulled out the knife hidden in the body from his arms!

A handful of bright machete surrounded Tang Xiaolong and A Qiu in front of him.

And the black and white Shuangsha also bullied Li Tian in front of him at the same moment.

Li Tian looked at the situation, and suddenly sighed long.

"It seems that I guessed it all right! Hey... the Duanmu family are really crazy."

Faced with Li Tian suddenly saying so, Black Hawk smiled slightly.

"Li, you should have guessed that one day, do you think you will really escape the palm of our family? Haha... I tell you, today is your death date!"

"Really?" Li Tian suddenly jumped off the bed and said with a smile at the corner of his mouth, looking at the black eagle.

The moment Li Tian jumped off the bed in front of him, the Black Hawk and his dark part members were taken aback.

How is he doing well? Didn't you just say that you were seriously injured?

At this moment, seeing the black eagle suddenly standing intact in front of him, made the black eagle startled slightly.

"Are you not injured?" The Black Hawk in front of you suddenly asked in surprise.

But seeing Li Tian suddenly smiled at the corner of his mouth and said: "What you said is correct! I really didn't get hurt."

"Dare you lie to me?" The Black Hawk said suddenly and furiously.

"If I don't lie to you, how can you let your horrible things show their true shape..." Li Tian said cruelly.

The black hawk's conspiracy has been thoroughly exposed at this moment, and I can't cover it up at this moment, and said with a sneer: "Since you know what can be done? Xuanyuan sword is now in my hands...Today, no matter what, don't you either. I want to get out of here alive."

"Really?" Li Tian said with a sudden laugh.

Seeing Li Tian's full laughter, Black Hawk suddenly felt something was wrong.

"Why are you laughing?"

"I laugh at you, I am a fool, I am even more foolish than a pig!" Li Tian scolded.

"You..." The black eagle's five fingers suddenly opened, revealing a black terrible aura from all over his body... as if he was about to do it right away.

Look at Li Tian again? But he continued to say in a hurry, "Do you think you really got the Xuanyuan Sword?"

Faced with Li Tian's words, the Black Hawk was stunned.

Can't help turning his head to look at the sword held tightly by the subordinate behind him.

"You...what do you...isn't this Xuanyuan sword?" Black Eagle said in shock.

Chapter 555: Rival

"You are stupid, you still don't believe it! You think I will really deliver Xuanyuan Sword to your hands... I tell you the truth, the sword I gave you is fake! The real Xuanyuan Sword has already been hidden by me. Get up." Li Tian said with a smile,

"Asshole, you dare to tease me?" It was the first time that Black Hawk made such a big fire at this moment.

"Yes, what you said is correct, I am teasing you... and I can't help but teasing you today, even your lives, I will stay together today." Li Tian said suddenly.

"on!"

"Kill them for me!!!"

The black eagle in front of him finally couldn't bear the anger in his heart. With a roar, he slapped Li Tian with a big blow.

This palm was condensing all the anger of the Black Hawk, and the palm was like an overwhelming attack on Li Tian.

But seeing Li Tian dare not care, his body dodges.

Boom!

The black hawk's violent palm and the vigor that he played directly caused the wooden bed behind Li Tian to be shattered.

And at the same moment, the black and white Shuangsha also shot at the same time!

And Tang Xiaolong beside Li Tian, and A Qiu also started.

"Asshole, let Xiaoye play with you!"

With a roar, Tang Xiaolong immediately stopped Bai Wusha over there.

Bai Wusha looked at this Tang Xiaolong coldly, and to be honest, on the way to Liaobei, the two people had frictions, but they never fought.

And now? The enemy and us have been divided, and it seems that they are really going to do it.

"Things that do not live or die! I am going to die in my hands today." Bai Wusha suddenly revealed his hands from his sleeves.

The two white palms stretched out like a pair of zombie palms.

Tang Xiaolong clenched his fists tightly, and smiled faintly at the corners of his mouth: "Dead white ghost... I've long seen you not pleasing to your eyes. Today I will let you taste the power of my fist."

After saying this, he immediately attacked that Bai Wusha like a dragon and a tiger.

Bai Wusha's gloomy face showed a strange smile.

Then the five fingers of his right hand pointed straight towards Tang Xiaolong and quickly grabbed it, with vicious and strange tricks.

This black and white Shuangsha was a first-class master in his early years. At this moment, he collided with that Tang Xiaolong for the first time, and he was indeed a master of the master.

But seeing Tang Xiaolong's right hand blocking, his left fist hit the white Wusha face with a fierce punch.

Bai Wusha didn't even look at it, turned around quickly, and then suddenly grabbed Tang Xiaolong's throat with both hands.

Tang Xiaolong was startled, his heart secretly lined up: How did this white ghost use such a trick? Why have I never seen this trick?

Isn't this? Tang Xiaolong was forced to retreat into the corner by Bai Wusha's several weird tricks.

After Tang Xiaolong on this side fought Na Bai Wusha, Na Aqiu had already started with several knives of the Anbu member.

Click!

But a scream came out from the mouth of an Anbu member.

Then he saw A Qiu twisting the arm of a member of the Anbu alive, the guy with the broken arm screamed to the ground and couldn't help screaming.

The other two Anbu swordsmen picked up the machete in their hands and slashed at A Qiu's body in front of them.

Ah Qiu Fei kicked.

With a bang, he kicked one of the guys' chests with a bang, but saw that guy's body was kicked alive and flew out, falling to the ground heavily, making it difficult to get up.

Another swordsman took the opportunity to attack Na Aqiu's back.

"A Qiu, be careful behind." Li Tian said in astonishment.

A Qiu heard the voice of his elder brother, and he sprinted forward, then quickly turned, his left hand suddenly protruded out of the clothes that grabbed the chest of the swordsman, and then he violently tugged his arm, making the swordsman's feet unstable. , Suddenly planted towards A Qiu's body.

But seeing Ah Qiu's knees fly up!

With a bang, a flying attack directly hit the swordman's chin, and the swordman screamed on his back, spouting a mouthful of scarlet blood, and flew out.

Just as this Aqiu hit the Anbe's swordsmen, the black impermanence who had been silently standing aside suddenly shot.

This man with a cold, suffocating face looked like a corpse, and once he got up, he was vicious and deadly.

Suddenly attacked Ah Qiu with a sudden blow.

Ah Qiu heard the cold wind behind him, and quickly turned around to block.

But his speed was not as fast as the black impermanence. With a bang, the black impermanence slammed Ah Qiu's shoulder.

Ah Qiu's indifferent body was shaken by the huge palm strength.

At the same time, the whole face suddenly became pale.

But facing the black impermanence, he was really indifferent.

After eating the palm of the black impermanence, A Qiu violently raised his leg and kicked, and a raised leg swept towards the black impermanence.

Hei Wuchang groaned in his mouth, his two hands quickly blocked, and he also hit two punches.

Ah Qiu dodges two punches and hits hard, but is blocked by Hei Wuchang...

The situation here has become a melee situation. Li Tian faces the black eagle in the dark part and those swordsmen alone, while Tang Xiaolong is against the white Wusha.

Ah Qiu here is resisting the impermanence.

But it said that during the melee here, there were a few miserable screams from below the hotel...

I looked down, but saw that the members of the dark part arranged by the black eagle under the hotel were falling into a pool of blood.

But I saw a cold woman in a pool of blood wearing a black leather jacket, holding a deadly weapon in her hand: deadly silk!

And those who fell beside her were 78 dark members of the Duanmu family... all of them had their throats cracked... fell to the ground tragically!

Situ Ningbing!

These Anbu members who were guarding outside, of course, Situ Ningbing killed them one by one.

Chen Qiaozhi originally wanted to help that Situ Ningbing, but when he saw this "cold-blooded" woman, he was stunned after he solved the hidden swordsman one by one in a short time.

Old Monster Ge next to him was even more dumbfounded.

He stared at Situ Ningbing with wide eyes and said, "Hey, what is this woman's background? Why is she so powerful?"

Chen Qiaozhi frowned slightly and said, "I don't know either."

But seeing that Situ Ningbing ignored the two of them, after getting rid of the swordsman of the Anbu member below the hotel, he quickly ran towards the hotel.

Chen Qiaozhi and Old Monster Ge followed closely at this moment.

But in this hotel, the screams of members of the Duanmu family continued to be heard.

After that Situ Ningbing entered the hotel, but seeing that Tang Xiaolong here was forced to retreat by Bai Wusha...

Although Tang Xiaolong was brave, he still seemed a little powerless to face this Bai Wusha for the first time!

Chapter 556: Bai Wusha is dead!

After all, this black and white Shuangsha has been famous for decades... and it is still a master of masters!

Seeing that Tang Xiaolong here was struggling to face Bai Wusha, Chen Qiaozhi was immediately ready to help.

But before Chen Qiaozhi took the shot, Tang Xiaolong said stubbornly: "Sick ghost, stand aside for me! I don't need your help..."

Chen Qiaozhi, who was going to help, was slightly startled when he heard the roar.

"Well, I won't help if I don't help, I'm too lazy to help you!"

Said Chen Qiaozhi decisively not to help Tang Xiaolong, but he jumped over here and started manually at the knife in the Duanmu family.

Situ Ningbing here also quickly joined the battlefield.

When Black Hawk saw suddenly Li Tian jumped out so many people to help him, he was shocked.

"It's you? You are here?" His eyes saw Situ Ningbing, and at the moment he said with a horrified face.

Situ Ning faced him with cold eyes.

"I'm here to take your dog's life!"

"Huh... it depends on whether you have this capability!" Black Hawk let out a violent rage, and both palms came out!

A huge energy burst out from his palms, Li Tian and Situ Ningbing did not dare to resist, their bodies quickly backed away.

But seeing the black eagle here is one enemy two, it seems to be in a hurry.

Although he is the leader of the Anbu of the Duanmu family, facing Li Tian and Situ Ningbing, he does appear to be somewhat powerless.

Li Tian alone is enough for him!

At this moment, coupled with Situ Ningbing in front of him, the black hawk was even more dangerous.

But seeing the life-threatening silk in Situ Ningbing's hands, he was inseparable from the black hawk's vitals, and he clearly wanted to take the black hawk's life.

However, Li Tian seemed to be at ease. He didn't use his Rashomon Kungfu, on the contrary, he used the Eight Diagrams Palm on his Heavenly Book Pill scroll.

There are yin and yang in this gossip palm, and the use of fortitude makes the black eagle have no power to fight back.

When the Black Hawk on this side was in a deadlock, but seeing that Bai Wusha and Tang Xiaolong on the other side had reached a white-hot stage.

Tang Xiaolong had a breath of blood, facing the white Wusha.

Bai Wusha gave him a heavy blow in the chest, his face was pale...the arm was also slightly injured.

Although Bai Wusha was not injured, he still had a headache facing an indomitable tough guy like Tang Xiaolong.

"Master, I have to let you lie here today."

At this moment, Tang Xiaolong let out a roar, and his whole body desperately attacked that Bai Wusha.

Two angry fists clenched tightly, and rushed towards Bai Wusha on this side.

Bai Wusha flew a leg, and then pierced Tang Xiaolong's throat with his right hand like a snake.

Xiaolong didn't dare to be careless. He made a quick turn at his feet and suddenly arched his body, attacking Bai Wusha like a cow!

Bai Wusha was taken aback for a moment, and he didn't expect this kid to be crazy, hitting him with his head...At this moment, he had to step back, and at the same time Fei kick kicked Tang Xiaolong's body.

Tang Xiaolong was hit hard.

But obviously there was nothing serious about it, and at this moment, despite the danger, the whole person hurriedly hugged the white Wusha waist.

Bai Wusha was stunned for a moment, before he could react, he was suddenly hugged by Tang Xiaolong's waist. He was shocked and lifted his palms and hit Tang Xiaolong's back fiercely.

Bang!

Tang Xiaolong spouted scarlet blood from his mouth.

"Little Dragon!"

Seeing Tang Xiaolong being beaten and bleeding from his mouth, Old Monster Ge beside him shouted worriedly.

But seeing that Tang Xiaolong was stubbornly like a calf, regardless of his own injury, he just grabbed the waist of Bai Wusha, and then he went crazy and lifted that Bai Wusha. stand up.

Facing such a shocking change, Bai Wusha couldn't help but shake.

Then Tang Xiaolong in front of him slammed his body to the ground.

Plop!

But seeing Tang Xiaolong and Na Bai Wusha both fell to the ground...

Bai Wusha was severely smashed by Tang Xiaolong, and he slowly got up from the ground.

That Tang Xiaolong was also seriously injured, but at this moment he was gritting his teeth tightly, and desperately rushing towards that Bai Wusha again.

Like a hungry wolf rushing for food.

Isn't this? After Bai Wusha in front of him was thrown down again by Tang Xiaolong, the two of them fought tightly together.

Only Tang Xiaolong could do such a rogue style of play.

But seeing him hugged his white waist and fell heavily on the ground... and his body was also experiencing tremendous pain.

Suddenly pounce!

But suddenly a scream came from that Bai Wusha's mouth!

I looked at it suddenly, but saw a dazzling head stuck in the white back!

A military head with blood.

It turned out that Tang Xiaolong pulled out the military head in his arms and stabbed it into the white Wusha back in front of him.

How could Bai Wusha, who had been so famous decades ago, actually died in Tang Xiaolong's hands today?

Facing the deadly head behind him, Bai Wusha's eyes kept widening...

The blood flowing from behind kept dyeing the whole ground red, his white mouth was open, and his eyes were still very unwilling to look at...

It is a pity that he eventually fell to the ground with his head crooked.

died!

In this way, Bai Wusha, who was stabbed to death by Tang Xiaolong, fell in a pool of blood.

Tang Xiaolong got up with difficulty, and spit heavily at the dead Bai Wusha on the ground.

"Pooh!"

"Damn, I told you long ago not to provoke me, you want to provoke me, you deserve it!"

Tang Xiaolong said while slowly wiping the blood on his face with his sleeve.

The Black Hawk who was resisting here and the Hei Wuchang couldn't help being shocked when he saw the tragic death of Bai Wusha.

The Black Hawk, who was originally supported by the two masters of Black and White Shuangsha, suddenly felt a sense of "failure"... Could it be that they would really fail today?

Turning his head to look at his Anbu brothers, one by one either died on the ground or was seriously injured there.

At this moment, apart from the Black Hawk and the black impermanence who was resisting there, there was no other one under him.

Black Hawk suddenly felt a chill in his heart!

With a roar, he attacked Li Tian with a palm.

But seeing Li Tian didn't dodge, he slammed into his palm!

With a bang, Li Tian's palm collided with the palm of the black eagle... With a bang, the huge vigor that shook up spread to the surroundings like a huge wave...

And when the black eagle was also withstanding Li Tian's palm, the floor on which his feet were stepped violently cracked open...At the same time, his face suddenly became blue and ugly.

Chapter 557: murderer

When Li Tian's palm cracked the floor under the black eagle's feet, his own expression was the look of leisurely clothes.

"go to hell!"

Li Tian suddenly roared, his left hand attacked suddenly, mixed with fierce strength, and attacked the black eagle's chest with a vicious move.

Black Hawk can't avoid it, with a bang!

Li Tian's chest was hit with a fierce move, and then he heard him wow, a mouthful of blood spurted out of his mouth, and his body flew out...

With a clatter, the flying body hit the hard wall.

"Dark Lord..." The two Duanmu family members who were still alive hurriedly helped up the bloodless Black Eagle, and cried out worriedly.

But seeing the blood stains on the corner of the black eagle's mouth, his face was full of anger, but now he is at the end of the crossbow, facing Li Tian, he is no opponent at all!

Glancing at the situation in front of him... he suddenly felt that he had really failed this time.

"Kill them!" Although Tang Xiaolong over there was seriously injured with Bai Wusha desperately, he still roared at this moment.

Several members of the dark team saw that Li Tian and others were about to kill their dark lord, they immediately covered in front of the black eagle and said, "Dark lord, run away... we will cover you!"

These Anbu members who were talking really rushed towards Li Tian and others, regardless of life or death.

But they were Li Tian's opponent. As soon as they got to Li Tian's side, he was kicked by Li Tian.

The other one was directly hit in the chest by Li Tian's strong palm, and the whole person immediately fell to the ground like a thrown stone...

But at this juncture, I saw that Black Eagle Guo really jumped towards the window next to him.
Shattered!

The glass at the huge window was all shattered by him... But seeing his figure, Guo really jumped off the second floor.

Want to escape?

Just after the black hawk was about to flee quickly, Hei Wuchang, who was still fighting fiercely, roared, palms out, and used all his strength to attack Na Qiu.

A Qiu felt the huge energy, so he didn't dare to take it hard, so he could only dodge and avoid!

Na Hei Wuchang took this opportunity to turn his body, and at the same time quickly fled towards the bottom of the hotel.

Li Tian had already arrived at the window at the moment, but seeing the black lacquer outside, the black eagle turned a grunt on the ground after jumping down, then he got up numbly, and ran towards the distance...

And that black impermanence also fled from the stairs.

"That guy is going to run!"

Old Monster Ge roared there.

At the same time, he is ready to chase...

"Forget it!" Li Tian said suddenly in the room.

When the brothers and others who had already stepped out heard Li Tian say forget it, they couldn't help being slightly startled, and their steps abruptly stopped.

"Little boss...why don't you kill them? Why let them go?" Tang Xiaolong asked with a pale face in front of him, puzzled.

But seeing Li Tian said: "No hurry, sooner or later I will kill them one by one, now there is no need to make such a big move."

"If we chase it out, it will definitely cause riots outside... You know that the Yuwen family is now tracking us throughout the city. If the Yuwen family discovers it because of them, it won't be worth it."

What Li Tian said was really good.

Their fighting here has already attracted the attention of the neighbors in the surrounding neighborhood...If they still chase out and kill the black impermanence, and the two black hawks, it will definitely cause a sensation on the streets outside! If it is discovered by the Yuwen family, it will be troublesome.

Listening to what Li Tian said, Chen Qiaozhi nodded slightly.

"Li Tian is right!"

"We still focus on the overall situation."

Hearing what they all said, then Tang Xiaolong and the others didn't say much.

"Clean up the corpses here. It is not suitable to stay here for a long time. Let's leave this place of right and wrong as soon as possible." Li Tian said there.

"Ok!"

Then the brothers in front of them began to quickly clean up the corpses of Duanmu family members on the ground.

Their corpses were carried back to the hotel one by one... After all the corpses were brought in, Li Tian slowly walked to the corner of the wall, but when he saw that he reached out and touched it, he found out the hiding place. In the corner, the ancient **** soldier "Xuanyuan Sword" wrapped in cloth.

After getting Xuanyuan Sword, Li Tian stretched out his hand and threw it towards Chen Qiaozhi and the others.

"Here, you collect it."

One of Chen Qiao raised his hand, caught the Xuanyuan sword, and hugged the sword tightly.

"Let's go... let's get out of here."

After speaking, Li Tian quickly left this small hotel with his brothers in front of him.

In the small hotel, more than a dozen **** and hideous bodies were piled up, so that when they were discovered the next day, they caused a panic!

Soon the police in northern Liaoning Province intervened in this massacre.

But seeing that a dozen people died in this hotel, it immediately attracted high attention from above, and the armed police could not help but send an armed police to seal off the entire area of the hotel firmly, and also brought all the neighbors around the neighborhood. Come over for interrogation one by one.

Especially the person in charge of that small hotel.

But seeing the horn of the police car, the owner of the small hotel was "invited" here.

When the woman in her 40s in that hotel heard that so many **** incidents had happened in his hotel, her face was so frightened that she changed color.

"I ask you, who have lived in your hotel these days? What are they from? And where are they now?" I saw the policeman interrogating this 40-something woman there. .

The 40-something-year-old woman reacted, and quickly turned pale in fright and said, "They...they are a group of outsiders."

"Outsiders?"

"What does it look like? How many people are there in total?" The police continued to ask there.

"Six people in total, five men and one woman." The woman in her 40s said there.

"You tell us the details of their stay in your hotel." The policeman said to the woman there.

The woman in her 40s began to say: "I remember these people suddenly came to me to rent a hotel two days ago... At that time, I didn't pay much attention to them because they weren't so vicious in their faces... And they said at the time that they would take down my small hotel, so I agreed, but never thought...They, they turned out to be a bunch of murderers."

He was scared when the 40-something woman in front of him thought of the dozen or so dead bodies in his hotel.

Chapter 558: Can't do without Liaobei Province

"Do you remember the looks of the people who lived in your hotel?" the policeman in front of them interrogated.

"remember!"

"Do you see if there is anyone who matches their appearance?" the policeman said, opening a few pictures from the portable laptop he was carrying.

Above are the faces of several people.

"It's him!"

"They live in my hotel."

The woman in her 40s suddenly pointed to a few pictures in the computer and said.

When I heard the woman in front of me pointed her finger at the picture in the computer and recognized it aloud, the policeman in front of me frowned, then turned his head, and said to a leader who might be theirs. Director, it seems that these people are the ones who stole the treasures of the Yuwen family!"

"Are you sure?" The chief of the police station in front of him turned his head in horror and asked.

The policeman nodded: "This woman has been recognized, it seems it should be them."

"You hurry up to inform the Yuwen family, and let all the people give me immediate blockade of the surrounding streets... Remember, find me one by one, and be sure to put this gang of gangsters. Find it out for me."

After the police chief issued the order, the police officer in front of him hurriedly followed his instructions.

Within the Yuwen family.

But I saw the ringing of the telephone ringing suddenly.

After the men picked up, they heard that it was from the chief of the police station in northern Liaoning Province, and they told the owner.

"Patriarch, it's a call from Director Wang." The housekeeper of Yuwen family said to Yuwen Emperor Jidao.

Emperor Yuwen walked over very vigorously, then reached out and answered the phone.

"Hey..." Yuwenhuang's extremely strong voice rang on the phone.

"Mr. Yuwen, we have found the clues to those who stole your family's treasures." Just listen to the police chief over there saying that.

After Yuwen Huangji suddenly heard him say this, he immediately asked, "You found those bastards?"

"Not yet, but we have gotten their preliminary clues."

"But as far as we know, they appeared here last night... and they also caused a large homicide case in a hotel." The police chief over there said.

"What? They killed people?" Yu Wenhuang said in a little surprised.

"Yes."

"Who did you kill? It happened there?"

"It's in the **** block... these people who died seem to be all outsiders, not like people from Liaobei Province, and they don't look like ordinary people in terms of their clothes." said there.

After hearing the police chief over there say so, Yu Wen Huangji narrowed his eyes.

"Well, I'll send someone to you to take a look at the situation... I want to see who is dead... Also, please trouble Director Wang to put all the traffic exits in Liaobei Province under martial law... I definitely don't I hope these **** escape from Liaobei Province!" Yuwen Huangji said there.

After hearing what Yuwen Huangji said, Director Wang over there quickly said, "Okay."

"Mr. Yuwen, don't worry, I'm sure I'll take care of this for you smoothly."

"Ah That's good."

After speaking, Yuwen Huangji hung up the phone.

Standing with his hands on his back, he slowly paced the room, while frowning tightly there thinking about his thoughts.

"How can those **** be so bold? They stole my family's treasure and caused homicides in Liaobei Province? Are they not afraid of death? Or... they are in conflict...?"

Yuwen Huangji pondered there like an old fox,

Suddenly his eyes gleamed, and he shouted in the room: "Come here."

After he uttered a loud sentence, he then saw the Yuwen family members outside quickly rushing in.

"Patriarch!"

"You guys rush to the **** block immediately and find out who the deceased are... and their ins and outs. After checking, you must notify me as soon as possible." Yuwen Huangji said to him.

"Yes!"

Then his men quickly walked outside.

Because of the large number of homicides committed by Li Tian and the others, Liaobei Province became unprecedentedly tense.

Even the armed police stationed in the suburbs were all stationed in northern Liaoning Province.

Now the entire train station in Northern Liaoning Province, there are a few more, and all major bus stations are guarded by police officers.

Anyone who passes customs must rely on ID verification before passing.

For Li Tian and the others who are still based in Liaobei Province, the situation is quite serious.

It was near a small bus station in Xicheng District, Liaoning Province, but I saw a figure hiding in the corner looking around.

Look carefully, that person is Li Tian's brother, Tang Xiaolong.

There are still some scars on his face, and he is sticking it with band-aids, hiding in the corner and looking at the bus station.

But at the bus station here, there were only a few scattered people waiting in line... and in front of them there were a few policemen watching strictly.

The bus station in the west of the city is relatively remote, so there are generally fewer people in the car... But I did not expect that there would be police guarding in such a remote place, and the ID card was issued to everyone who got on the bus. Verification check.

When Tang Xiaolong saw these policemen guarding the bus station, he couldn't help frowning slightly, and muttered, "His grandma's, there are even police officers here. What can I do?"

Tang Xiaolong, who was talking, could only shrink back and quickly retreated.

He passed through an alley, turned around and walked quickly to a place that looked like a residential area.

Then he walked towards one of the houses in a flash.

After entering, he saw Li Tian and his brothers in the house at a glance.

It turned out that after leaving the hotel in the **** block last night, Li Tian and the others were about to leave Liaobei Province, but they never thought that the police had already restricted traffic.

Li Tian had no choice but to find the most remote station.

Originally thought that the barren station in the west of Liaoning Province would not be guarded by the police... But when Tang Xiaolong looked at it, it seemed that it was far beyond their imagination.

"How about it, Xiaolong?" Li Tian, who saw Tang Xiaolong walk in, asked there suddenly.

But seeing Tang Xiaolong sighed long.

When he heard him sigh, the brothers all knew that things seemed a little bad.

"Are there policemen guarding the station too?" Li Tian frowned and asked.

Tang Xiaolong nodded: "Little boss, it seems that we will be inseparable from Liaobei Province for a while..."

Chapter 559: Decide

"Grandma's, martial law is everywhere now, and there are still armed police patrolling the streets... Hey... It seems that we are a bit troubled this time," Tang Xiaolong muttered.

Listening to Tang Xiaolong's words, Li Tian sat there depressed. It seemed that wanting to leave Liaobei Province smoothly this time was far more complicated than they thought.

Tang Xiaolong took out a box of cigarettes from his arms and handed it to Li Tian in front of him. Li Tian took it, held it in his mouth, took out the lighter from his pocket, slapped it, lit it, and took a deep breath.

White smoke came out of his mouth.

"so what to do now?"

"The whole city is under martial law, and the Yuwen family's sphere of influence is also looking for us. If we don't leave Liaobei Province, there will definitely be danger!" Chen Qiaozhi said there.

"Nonsense, I also know the danger, but how do you get out? Every station is guarded by the police... It is impossible to pass, unless the police are brought down." Tang Xiaolong said with a cigarette in his mouth. Say.

Listening to Tang Xiaolong's words, the brothers were silent.

"In my opinion, it is actually possible to bring down those policemen! As long as we don't put a heavy hand, there is nothing wrong with it!" Chen Qiaozhi said suddenly.

"what?"

When Chen Qiaozhi said that he was going to attack the guards, the brothers were all taken aback.

They kill bad people and beat bad people, but if the people's police are used, this thing is really unreliable. After all, they are public servants of the people!

Not only Tang Xiaolong didn't want to do this... even Li Tian didn't want to attack those policemen.

But Chen Qiaozhi in front of him continued to say: "Think about it, if we don't leave Liaobei Province now, we can only be trapped here... it can only be beneficial for us!"

"Besides, don't forget that Li Tian was also poisoned by the Duanmu Family Sanshengmen. When his poison will happen, no one knows... If we have been trapped here... it will only add trouble to ourselves. , Instead of this, why don't we fight and leave here?"

What Chen Qiaozhi said is quite reasonable.

After he said this, the brothers did not speak, one by one you look at me and I look at you.

Situ Ningbing was also looking at Li Tian with a worried face. She also knew that the poison on Li Tian's body hadn't happened yet, but who could guarantee that it wouldn't happen in the future?

What if the Sanshengmen poison in Li Tian's body becomes toxic?

So when they were silent, Tang Xiaolong was the first to say: "Okay!"

"I think just do what the sick ghost said!"

"We don't have to be heavy, we can just faint the police!" Tang Xiaolong said while looking at Li Tiandao.

At this moment, everyone's eyes were on Li Tian, waiting for his response.

But seeing that Li Tian was silent for about a minute, he slowly raised his eyes, looked at the brothers in front of him and said, "Well, it seems that you can only do this."

"Ok!"

"That's the decision. We will leave Liaobei Province tonight," said Chen Qiaozhi.

After the brothers quickly made the decision before them, they were ready to do it tonight.

As for the policemen guarding the bus station here, it is estimated that they will bring them down.

"Patriarch, we have found out that the dead group turned out to be from the Duanmu family in Jinghai City." Inside the Yuwen family, but listened to those family members who had returned from the scene of the death to say to the emperor Yuwen.

When Yuwen Huangji heard that those killed were members of the Duanmu family, his eyes suddenly became suspicious.

Walking up and down the whole hall with steps, while muttering in his mouth: "How come they are from the Dark Duanmu family? And how could their people be killed here?"

"What the **** is going on?"

"Could it be that everything I had guessed before was wrong... This time the person behind the stealing of the Xuanyuan Sword from my family is not from the Duanmu family? It is by a more powerful master?"

Emperor Yuwen is constantly at the meditator.

His mind is a bit messy now. He originally thought that the real person behind the stealing of his family treasure this time was the "Duanmu Family!"

Because this family has always been evil, and dare to deal with them, but didn't expect that the Duanmu family would be killed by the gang who stole Xuanyuan Sword at this moment?

What is going on? What is the huge conspiracy in the middle? The current Yuwenhuang couldn't understand.

"Patriarch, why did the Duanmu family suddenly appear in our Liaobei Province? Haven't they been extremely mysterious? Haven't they been active in the Jinghai City area? Why did they suddenly appear here?" One of the Yuwen family members suddenly Ask in that way.

Emperor Yuwen snorted very dumbly.

"This matter seems to be strange."

"This Duanmu family has always been insidious and vicious, and that Duanmu Heiming was originally a treacherous figure... This time their people came to Liaobei Province, it must be related to the stolen treasure of my family, although the people who found them currently I die here, but I can't believe that the Duanmu family must have nothing to do with this matter!" The Emperor Yuwen in front of him said slightly to a cunning old fox.

"The Patriarch, should we also fight back against the Duanmu family?" a member of the Yuwen family said there.

Yuwenhuang said: "No!"

"It's not the time yet, because we don't have direct evidence to prove that this time the Duanmu family did it! Only when we find those nasty **** and ask what happened? We can do it!" Yuwenhuang in front of him Jidao said.

"But, Patriarch, we have now sealed all traffic in Liaobei Province...including bus stations and railway stations, but so far, we have not found any trace of that group."

"Continue to check for me!"

"I don't believe that these **** can fly to the sky! They must still be in Liaobei Province at the moment... You will remember that you will find these **** for me even if you dig the ground three feet, and I will kill them one by one. they."

The Emperor Yu Wen in front of him said fiercely.

Since Li Tian killed the Anbu member of the Duanmu family in the hotel and severely injured the Black Eagle, the Black Eagle and Heiwuchang fled Liaobei Province.

The dark Duanmu family also quickly got the news.

"Asshole, you trash." In a dark room, suddenly came the roar of Duanmu Hei Mingxian.

Chapter 560: Blood monk to kill

Following the dim light, I saw that in the dark room, the pale black eagle was standing there with his head down...At the same time, one arm was hanging down there as if folded.

The Heiwuchang around him was also full of frustration, and he lowered his head in the same way, being scolded fiercely by Duanmu Heiming.

"You didn't even grab the Xuanyuan sword... and you almost died in the hands of the kid named Li? I ask you...Are you all a bunch of shit-eating waste?" Duanmu Heiming roared.

The black eagle in front of him and the black impermanence can only lower his head, and dare not make a sound.

"Damn, a bunch of useless things!"

"Get out of here."

With a roar from Duanmu Heiming, the Black Hawk and Heiwuchang in front of them could only retreat in despair.

After they withdrew, Duanmu Heiming suddenly roared and slammed heavily on a large red sandalwood table next to him.

The huge red sandalwood table was hit with a fierce palm, and the whole table was instantly shattered.

"Give me blood to the monk..." Duanmu Heiming suddenly roared.

The Duanmu family members outside hurriedly said, "Yes!"

Then he trot and walked outside!

Soon, I saw the fourth elder of the Duanmu family, the slaughter, and the blood monk slowly walking towards this dark room.

The blood monk has been retreating in his blood cloud valley since the last "Raksha Conference" was impolite.

No one knows what he is doing this time?

But everyone in the Duanmu family knew that the blood monk hated the five elders.

At this moment, seeing the bloated, flushed blood monk slowly walking into the dark room with his eyes squinted, he saw Duanmu Heiming, the head of the Duanmu family.

"Patriarch, I don't know if you want me to come, what do you want?" The blood monk in front of him suddenly squinted, and his mouth looked at Duanmu Heiming without blinking with a smile.

But seeing Duanmu Heiming slowly turned around, a smile appeared on his face.

"Four elders, let's tell you, there is really a big thing for you this time." Duanmu Heiming said with a sudden smile.

The blood monk smiled at the corner of his mouth, revealing his white teeth and said: "Please say the clan master."

"Go help me kill someone." Duanmu Heiming said suddenly.

Hearing Duanmu Heiming said that, the blood monk was not shocked, nor surprised, as if killing was the simplest thing for him.

"Who to kill?" The blood monk asked only with squinted eyes.

"Kill Li Tian." Duanmu Heiming said slowly.

When Li Tian's name came out, the blood monk's face changed slightly.

"Kill him?" The blood monk said with curiosity.

"But as far as I know, that kid seems to be doing things for you? Why do you want to kill him suddenly now?" The blood monk asked strangely.

Duanmu Heiming smiled faintly.

"You're right! I did send this kid to do something for me, but what I didn't expect is that this **** would dare to betray me... I can't help but kill the members of our Duanmu family, and also take the Black Hawk from the Dark He was seriously injured." Duanmu Heiming said angrily.

Hearing Duanmu Heiming in front of him said so, the blood monk suddenly laughed weirdly.

"So this is ah."

"Ok!"

"Well, since the patriarch said so, then I will kill him for you." The blood monk said with a smile.

"It's just that the clan chief told him where? Where can I find him?" The blood monk added.

Duanmu Hei Ming said: "Don't worry about these things. I will tell you the trace of that kid in the next few days."

"Oh, yes, there is one more thing I want to tell you." Duanmu Heiming said suddenly.

The blood monk was taken aback for a moment and asked, "What's the matter?"

"Not only will you help kill the kid surnamed Li this time, but also get something back from him." Duanmu Heiming said suddenly.

"Something? What?" The blood monk asked slightly in surprise there.

"Xuanyuanjian!"

When Duanmu Heiming suddenly said "Xuanyuanjian", the blood monk suddenly lit up.

"What? Xuanyuanjian... but what the clan master said was the ancient relic: Xuanyuanjian?" The blood monk in front of him asked with his eyes wide open and he couldn't believe it.

I saw that Duanmu Heiming nodded slightly and said, "Yes, it's Xuanyuanjian."

"Is there really a legend of ancient relics in the world?"

"Does Xuanyuanjian really exist in the world?" Monk Blood frowned and asked.

Duanmu Heiming laughed loudly.

"Well, at this time, I won't hide it from you! What you just said is not wrong at all...The legend of the ancient relics is indeed true, and the Xuanyuan Sword does exist in the world."

"I sent the boy named Li to Northern Liaoning Province this time to steal the Xuanyuan Sword... But I never thought that the **** would dared to betray me immediately after he got Xuanyuan Sword!" Duanmu Hei Ming said angrily.

Hearing Duanmu Heiming's words, the blood monk blinked slightly, and he said to himself: So everything is going to happen like this?

"The patriarch can rest assured, since you want the kid named Li to die, then I will bring his head back to you."

"If Xuanyuan Sword is really in his hands, I will definitely bring that Xuanyuan Sword back to you." Monk Blood said with a slight smile.

Duanmu Heiming nodded silently: "That's good."

"Patriarch, there is something I don't know if I should ask." The blood monk said suddenly.

When Duanmu Heiming heard the blood monk say this, he couldn't help saying, "You can ask!"

"Clan Lord, I want to know, since the legendary ancient relics really exist, are the secrets of the top of the Tianshan restricted area also true?" The blood monk suddenly squinted and said to Duanmu Heiming, who was looking in front of him.

But seeing that Duanmu Heiming heard the blood monk in front of him say so, he smiled slightly.

"I really don't know this."

"Because so far, I have discovered Xuanyuanjian." Duanmu Heiming said in front of him.

"Oh, it turned out to be like this." The blood monk thought about it and didn't ask any more.

"What else is the fourth elder?" Duanmu Heiming said suddenly.

The blood monk said: "There are no more subordinates."

"Okay, then you can withdraw!"

"In the past few days, I will find out the clues of the **** boy surnamed Li, and I will inform you in time! Remember, before killing that boy, you must get the Xuanyuan sword first." Duanmu Heiming in front of him Finally repeat one sentence.

After the blood monk nodded slightly, he walked out.

After he left, Duanmu Heiming slowly turned his black eye pupils around, looking at the darkness deep in his mouth and muttering, "Damn Li Tian, dare to swallow my Xuanyuan sword... ...I must make you die this time!"
