

A Killer 561

Chapter 561: A crisp slap

Time passed by every minute.

In a small room alone in Chengxi District in Northern Liaoning Province, I saw Li Tian and his brothers quietly waiting for the sunset.

Once the sun sets, they will prepare to "hard drive" and leave this northern Liaoning Province.

"What time is it now?" Li Tian asked suddenly there.

But I heard that Chen Qiaozhi over there looked at his watch and said, "It's more than 4 o'clock!"

After listening to Li Tian, he slowly got up from the seat, and then walked outside with pacing. At the same time, the expression on that face became a bit ugly for an instant.

After he walked out alone, Tang Xiaolong blinked his eyes looking at Li Tian from the back and said to Chen Qiaozhi beside him: "Sick ghost, do you think the little boss has something to worry about?"

Chen Qiaozhi frowned slightly and said, but did not speak too much.

The moment Situ Ningbing, who was standing on the other side, saw Li Tian walking out with a depressed face, he couldn't help but slowly follow him out.

When Situ Ningbing walked out, he saw Li Tian standing outside silently, and then stretched out his hand to hold a cigarette and inhaled deeply.

"What's wrong? Is there something on your mind?"

Situ Ningbing's voice slowly came from behind Li Tian.

The moment he heard Situ Ningbing's voice, Li Tian slowly turned around, and then looked at Situ Ningbing affectionately in front of him.

"Ningbing... Actually, I am sorry for something!" A word suddenly came out of Li Tian's mouth.

When Li Tian said this suddenly, Situ Ningbing slightly raised her beautiful eyes and looked at Li Tian's eyes deeply.

Li Tian was originally a man who was not good at lying. When he suddenly said this, Situ Ningbing's heart suddenly trembled, because she could feel that Li Tian's current expression was true... as if something really was hiding herself. Like.

But she still made everything ready to stare at her beloved Li Tian, smiled there and said, "What's the matter?"

Li Tian hesitated, a painful look appeared on his face.

Then slowly said there: "I...I...I'm in Liaobei Province...with...a...woman named Han Yun..."

Li Tian didn't know how to speak!

The moment he said something, Situ Ningbing's face instantly turned pale.

"What are you talking about?" Situ Ningbing's voice suddenly became trembling, and his eyes looked at Li Tian with unbelievable enthusiasm.

Li Tian is like a sinner at this moment!

In fact, he is indeed a sinner, especially in front of Situ Ningbing, but he is a man, a man who dares to do it has to be dare!

So Li Tian told Situ Ningbing in front of him all the things that had happened to him and Han Yun.

When Situ Ningbing heard this, she was stunned for a moment, and the whole person was shocked there, motionless.

Of course Situ Ningbing knew what Li Tian meant, and her delicate body suddenly trembled at this moment.

"Ningbing...I...I...I'm sorry you!" Li Tian looked at the trembling Situ Ningbing in front of him and didn't know how to tell what was in his heart... His mouth seemed to become clumsy in an instant.

Snapped!

Just when Li Tian said this sentence, Situ Ningbing hit Li Tian's face with a crisp ear scraper.

The crispy ear scrape is not very heavy, but it is enough to make Li Tian feel a hot pain on his face.

Li Tian, who was slapped with a sharp slap, didn't even move. He just raised his eyes and looked deeply at his favorite woman in front of him.

Where is Situ Ningbing? After hitting Li Tian's crisp ear scrape, she also stood there with a trembling body.

A drop of crystal clear tears like pearls slowly dripped from her face.

Looking at her tears, Li Tian's heart was cut at that moment.

He wanted to say something to comfort her in front of him, but he didn't know what to say, his mouth moved, but in the end he didn't speak.

"I told you... I don't allow the person I love to have other women, don't you know?" Hearing a word suddenly came out of Situ Ningbing's mouth.

After she said it, Li Tian in front of her bowed her head deeply.

"I'm asking you now, do you really love her?" Situ Ningbing asked with tears.

Hearing Situ Ningbing's question in front of him, Li Tian stood there dumbfounded.

How should he answer?

The matter between him and Han Yun was completely accidental... But since it has been "done", Li Tian has to be responsible. Could he just avoid it like this? Just discard that Han Yun like this?

Li Tian can't, Li Tian is a man!

The man is responsible for everything!

So Li Tian stood there at the moment, facing Situ Ningbing in front of him...

"I don't know if I love her...but I know I have done something wrong, since I have done it, then I must be responsible...so...so...I don't want to let her down!" Li Tian lowered his head and said.

"You don't want to disappoint her? You just don't want me, do you?" Situ Ningbing said suddenly with a pale face.

"No! I love you! Ningbing... In this world, I love you the most. How could I not want you?" Li Tian said painfully.

"You lied to me!" Situ Ningbing said with tears.

"Really! If I lie to you, I won't die for the rest of my life!" Li Tian swore there.

"Then tell me, now that I and that woman are in front of you, who do you choose..." Situ Ningbing said suddenly.

When this question came out of Situ Ningbing's mouth all of a sudden, Li Tian seemed stunned.

To be honest, what he feared most was Situ Ningbing in front of him asking this question.

But Situ Ningbing really asked.

Women are careful!

That woman would share her beloved man with another man? It is estimated that there are none in this world.

So of course Situ Ningbing would be jealous.

"Say, who do you choose?" Situ Ningbing asked forcing him there.

Li Tian in front of him had a bitter face, and said helplessly: "Choose you!"

"You are my favorite person." Li Tian said silently.

He was telling the truth. I believe that in this world, Li Tian's favorite is Situ Ningbing.

When Situ Ningbing heard Li Tian say "choose yourself", she finally got a little comfort!

"it is good!"

"Since you chose me, don't think about that woman anymore." Situ Ningbing said suddenly.

Li Tian stood there awkwardly, without saying a word.

"What's the matter? Are you reluctant?" Situ Ningbing asked suddenly.

"I'm not... I just... just, I feel a little sorry for her." Li Tiandao.

Chapter 562: Attack

"I ask you, does that woman really love you?" Situ Ningbing asked fiercely.

"Well, it seems to be." Li Tiandao.

"Well, it seems to be." Li Tiandao.

"Then I will kill her." Situ Ningbing said suddenly.

"Huh?" Li Tian was stunned.

He knows Situ Ningbing's character best. If she wants to kill someone, who can't stop her, know that she was a cold-blooded killer before.

"Why, are you reluctant to let me kill her?" Situ Ning said coldly.

Li Tian in front of him was helpless.

"No...what are you... why are you killing someone?" Li Tian said depressed.

"Who made her fall in love with you?"

"My man will never share it with others." Situ Ningbing said stubbornly.

Listening to Situ Ningbing's words, Li Tian was both hesitant and happy.

What is hesitant is, will Situ Ningbing really do some terrible things for himself? And what was exciting inside was that now Li Tian knew how much Situ Ningbing loved himself.

"Fool! Stop talking, I only love you in this life!"

Li Tian walked over slowly while talking, and took hold of Situ Ningbing's delicate hand.

Situ Ningbing struggled for a while, trying to get rid of it, but was held tightly by Li Tian, Situ Ningbing gave Li Tian a white look.

Li Tian smiled with relief, and then deeply hugged the person he loved most in his arms.

"In fact, I also know that the man I love is very good, and there will be many women vying to love you...including the daughter of Duanmu family Duanmuying, but I really don't want to share you with other women!"

"I admit that I am selfish, but when it comes to relationships, isn't that woman selfish?"

"Besides, you are the first man I love in my life. I don't want you to hurt me. If one day you really hurt me, I will kill you myself." Situ Ningbing buried his head deeply in Li Tian In her arms, she said the most true words deep in her heart.

Li Tian hugged his favorite tightly, and muttered: "Fool, you have to believe me, I will never lose you in my life... absolutely not!"

If lovesickness is forgotten, both hurt!

For Han Yun, who is now working at Shinhwa Group, the illness she missed is indeed tormenting her.

She doesn't know how Li Tian is now?

She didn't know what happened to Li Tian, she only knew that the photos posted everywhere in the streets and alleys were photos of Li Tian and his brothers.

Moreover, it is heard that Li Tian also killed people, and now the police are trying their best to arrest them.

After hearing about this, it was undoubtedly a major blow to Han Yun, who was working at Shinhwa Group.

She didn't know what Li Tian did... and she had never heard Li Tian talk about what he did.

But she was deeply worried for Li Tian.

The colleagues who used to think that Li Tian was Han Yun's boyfriend in Shinhwa Group were all deeply shocked when they saw the news of Li Tian's murder.

And the gossip in the company suddenly spread...

In the face of all this, Han Yun was suffering from controversy and distress, and Han Yun, who had no choice but to take time off, did not go to work temporarily.

This is all the unfortunate things that happened to the poor woman in front of me.

And Li Tian really couldn't bear to hurt Han Yun. He wanted to see Han Yun, who had been a dewy couple with him before he left... He wanted to hug her, but he couldn't do it. .

Because he can't go back at all. As long as he shows up, he will definitely be discovered by the police and the Yuwen family. Once he finds out, he will be in great trouble.

Li Tian is not a person without feelings, but what can he do in the face of all this?

That night, Li Tian admitted that he drank too much, maybe Han Yun drank too much, that's why the scene happened.

But no matter what, Li Tian has already done it! Since he has done it, he has to be responsible... Maybe Li Tian will be responsible in the future!

After Li Tian confessed his unfaithfulness to that Situ Ningbing for the first time, Li Tian understood completely.

Don't offend the woman you love, or the terrible things she has to do are simply horrifying.

Today's Li Tian was slapped by Situ Ningbing for the first time.

However, it seems that Situ Ningbing cannot be blamed, and Li Tian himself can only be blamed.

As time passed, Tang Xiaolong had already gone outside to check the situation at the bus station.

After the sky slowly dimmed, Tang Xiaolong ran back from the bus station.

"How's it going?" Chen Qiaozhi asked Tang Xiaolong there.

But I heard Tang Xiaolong say in front of him: "There are four policemen guarding over there, but there are no people in the rest."

"Very good." Chen Qiaozhi said with a slight smile.

Then slowly raised his eyes and looked at Li Tian in front of him: "Do you do it now?"

"Ok!"

"Pack up things, let's go."

Li Tian who was talking should walk outside first.

After the brothers packed their things, they quickly followed.

After the group quickly reached the deserted bus station, they saw four uniformed policemen standing there on the platform of the bus station.

There are not many people in the car, only a few scattered people waiting in the waiting room with large bags.

The four police officers here are standing here and laughing.

One of the policemen still had a cigarette in his mouth, taking deep mouthfuls.

Li Tian and his brothers were hiding in the dark. They took a look at this side. Except for the lights on the platform, the other places in the train station are dark.

After looking around and there was no one, Li Tian winked at Tang Xiaolong.

"Go from behind and let them down." Li Tiandao said.

Tang Xiaolong and Ah Qiu nodded silently there.

"Remember, don't start too hard, just knock them out." Li Tian told the two brothers.

Tang Xiaolong turned his head and smiled at Li Tian: "Don't worry, little boss."

After speaking, he followed Ah Qiu beside him, and walked quickly towards that side.

But after seeing that Tang Xiaolong and the enemy ***** arrived at the station unconsciously, the four policemen still didn't see them at all, and they were still chatting and laughing.

Tang Xiaolong stretched out his hand and pointed at the two policemen on the right at A Qiu, and nodded in a gesture.

Of course Ah Qiu understood what it meant, and after a slight nod, the two of them immediately started.

That Tang Xiaolong lunged at the two policemen on the left like a sharp arrow.

The two police officers here were chatting, but they never thought that someone would attack behind them.

Chapter 563: Commoner

With a bang, one of the policemen who was drinking mineral water in his hand hadn't realized what was going on. He felt a sudden pain in the back of his head, and then fainted.

The mineral water in his hand also fell to the ground in an instant.

When another policeman saw an attack, his mouth wanted to yell, but he hadn't fully screamed, but he saw Tang Xiaolong's quick eyes, covering the policeman's mouth with his hands, and then pressing his knees against the policeman's abdomen. The policeman's mouth was covered, and he snorted in pain, and then Tang Xiaolong elbowed it directly on the policeman's head.

Suddenly the policeman who was covering his mouth by him fainted to the ground.

After Tang Xiaolong resolved the two police officers in front of him smoothly, Ah Qiu over there was even more clean, punching and kicking the two police officers.

After all the four police officers fainted, Li Tian and the others just walked out of the dark.

"Are they okay?" Li Tian looked at the four policemen lying on the ground and asked the brothers there.

Tang Xiaolong smiled and said, "It's okay, it's just a momentary dizziness."

"That's good!"

"Bring them over there." Li Tian said, pointing to a dark corner in front.

As he said, the brothers in front of him quickly carried the stunned policemen slowly.

After carrying it over, the brothers walked towards the waiting hall in front.

It seems that they are really leaving Liaobei Province.

This bus station was originally the most remote railway station in northern Liaoning Province. At this moment, Li Tian and the others started selling tickets after they entered the bus station.

Fortunately, they made it in time, and there was exactly one long-distance bus leaving Liaobei Province.

So they sat there and officially left Liaobei Province.

Early in the morning, I saw one of the Yuwen family members in suits running towards the main hall like crazy.

After he quickly reached the main hall, he was still breathing heavily.

"Patriarch! I found... I found their trail..." I heard that the Yuwen family member who was running like crazy was breathing heavily in his mouth and facing the Yuwen Emperor Jidao who was sitting on top and was eating breakfast. Say.

When Yuwen Huangji heard what his subordinates said, he immediately turned his eyes and asked urgently, "Are they there?"

"According to the information received by the police station, those guys showed up at the bus station west of the city last night."

"And also knocked out some policemen on the spot!" Just listen to the subordinate said.

"What? At the Chengxi Bus Station?"

"Is there such a bus station?" Yuwen Huangji said with a frown.

The subordinate said: "Return to the Patriarch, this bus station does exist! But it is a small station, very remote, and there are very few vehicles there, and it will only lie down 56 if it is dead in one day.

Facing his subordinates said so, Na Yuwen Huangji suddenly stood up from the dragon chair.

"Then according to what you said, didn't those **** have left Liaobei Province?" Yuwen Huangji said suddenly and furiously.

Hearing what Yuwen Huangji said, the subordinates in front of him didn't dare to hide a little bit and said quickly, "This... subordinates don't know."

"We only know that after the gang knocked out a few police officers, there was no news."

"Asshole!"

A roar suddenly came out of Yuwen Huangji's mouth, and the member of Yuwen family quickly lowered his head, not daring to make one.

"You rubbish... actually let those **** slip out of Liaobei Province!" Yuwen Huangji suddenly turned over the dining table in front of Xuan, his face looked like murder.

Of course Yuwen Huangji knew clearly that since the policemen guarding the bus station were knocked out, they must have done it!

And they must have left Liaobei Province, so the Yuwen Emperor in front of them will exhaust the anger of Stiri.

"Patriarch, that... that... what should we do now?" the family member asked cautiously there.

"Get out!"

Yuwen Huangji roared there.

The people under his men didn't dare to say much, and they really hustled their heads and walked out.

After he withdrew, Na Yuwen Huangji kept pacing in the hall.

"What should I do now? What should I do?"

"Those **** slipped out of Liaobei Province? What should I do?"

He was there thinking depressed.

Ever since the Yuwen family's "Xuanyuan Sword" was stolen, the entire family has become unprecedentedly nervous.

Even the members of the Yuwen family guarding the gate are extremely cautious.

But at this moment, I saw a taxi slowly approaching the gate of Yuwen family.

When the taxi stopped slowly at the gate, I saw a sloppy old man in a cloth jacket walking out of the taxi.

The old man has a pair of thick and thick eyebrows. Below the thick eyebrows are a pair of dragon piercing eyes. They look piercing, but the stubble on his face makes him look a little desolate.

It's like a beggar on the street in northern Liaoning.

His upper body was an eccentric earthy-gray cloth, which looked like an old monk in a monastery, with a pair of torn cloth shoes under his feet.

Although he looks slightly hunched due to his age, there is no doubt that his figure is extremely tall.

If you only look at his back and don't look at his clothes, you will definitely think that he is a fierce man with a strong history, but this tattered clothes makes him look a little nondescript.

It was such a person who walked out of the taxi slowly, and then raised the twin dragon eyes, glanced at the Yuwen family mansion in front of him, and sighed slightly.

"Hey, it's been almost ten years..." The old man whispered slightly in his mouth, and then walked vigorously towards the main entrance of the Yuwen family.

When the old man walked towards the main entrance of the Yuwen family step by step, those family members who guarded the main entrance of the Yuwen family saw him at this time.

"What does that old man do?"

"It looks like it's from our Yuwen family."

"Fuck it, isn't it a beggar?"

...

Several family members at the door were talking and talking there.

But seeing that the old man in Commoner really walked towards the main entrance of the Yuwen family step by step, when he approached the main entrance of the Yuwen family, a kind smile appeared on his face, waiting to speak...

Before the words came out, I heard the Yuwen family member who was guarding the door suddenly saying: "Hey, hello, old man, what are you doing?"

"Quickly go away, go away! This is a private place!"

"If you want food, go somewhere else."

The members of the Yuwen family suddenly said to the old man in front of him.

Chapter 564: Kunlun, Feng Qingzi

When they heard these Yuwen family guards say about themselves, the old man in commoner didn't have any angry expression at all. Instead, he stood at the door with a kind smile.

"Hey, I said you old man is deaf... Didn't you hear me?"

"I'll tell you again, this is a private place, if it's okay, get out of here!" The Yuwen family member who was guarding the main entrance said arrogantly.

I thought that the old man in Commoner would be shocked by these words and leave, but he didn't expect that the old man in Commoner not only didn't walk away, but said with a smile, "Brothers, please tell your patron, just say Kunlun Mountain is coming An old friend wanted to see him."

Kunlun?

The members who were guarding the main entrance couldn't help laughing when they heard that the old man in Commoner opened his mouth and asked for their Patriarch, and said that it was their Patriarch's old friend.

"I said, old man, are you singing? Or what?"

"Just because you are worthy to call our Patriarch's old friend?" The member who guards the front gate looked at the scruffy body of the old man in commoner and said with contempt.

The old man in commoner was not angry because the dogs of these young people looked low.

He just said slightly: "Please trouble a few brothers to inform me! I think your family will come out to see me after listening to me."

"Hey, you old man is getting more and more interesting."

"Do you really think of yourself as a terrible person? I tell you, you hurry up and get out! I have seen a lot of old beggars like you, so I will tell you again, before I have Lose your temper, get out of here."

The door member in front of him said fiercely.

But seeing that the old man in commoner standing at the door heard the young man at the door say so, he couldn't help sighing slightly, and then shook his head.

"Hey! Young people nowadays, how come they are all like this..."

"Couldn't the few brothers bring me a message for the old man?" The old man in Commoner asked again.

"roll!"

"Don't leave yet, tell you, I'll be long here again, don't blame us for being impolite." The guards standing at the door of the Yuwen family said.

When he was shouting at the doorway, suddenly a middle-aged man in his 30s walked out from the front door of the Yuwen family.

This man is an internal steward of the Yuwen family, and a prostitute of Yuwen Huangji.

When he walked out and saw the clamor at the door of the Yuwen family, he suddenly said angrily: "What are you clamoring for?"

Suddenly, these members who were guarding the main entrance of the Yuwen family turned their heads quickly after hearing this roar.

"Hall Master!"

"Hall Master, there is an old beggar here who can't drive him away... and he threatened to be a friend of our Patriarch! I think he is an old liar... so I want to push him away!"

When the middle-aged man called the hall master heard the guard at the door say so, he couldn't help being taken aback.

He raised his eyes and looked at the old man in commoner who was standing at the door.

But seeing that the old man in commoner also looked up at the middle-aged man in his thirties.

The middle-aged man walked out slowly from the front door, looked at the old man in commoner in front of him, and slowly said, "You said you know our head of the house?"

After he suddenly asked, the old man in commoner nodded silently with a kind smile on his face.

"Yes! I had a meeting with your Patriarch ten years ago..."

After the middle-aged man listened to the old man's words, he was a little dubious.

I don't know why, the intangible aura emanating from the sloppy old man in commoner, as if with a speechless domineering...This made the middle-aged man very strange.

But when he looked at his nondescript dress and threatened to have a meeting with the head of his family ten years ago, he felt a little unreliable.

However, he cautiously asked, "I don't know how the old man is called?"

"Kunlun Mountain, Xuanmen, Feng Qingzi!"

The old man in commoner slowly said his name.

Kunlun? Xuanmen? Feng Qingzi...

Perhaps these names are so unfamiliar to the Yuwen family members in front of them, but in the hearts of the older generation of people, who does not know this name? Who doesn't know?

Isn't it the Feng Qingzi that you are talking about?

And it has always been said that there are masters living in the lofty Kunlun, is this Feng Qingzi a master outside the world!

Not bad!

He is indeed a master outside the world, and a real master outside the world.

If you look at the face of the old man carefully, you will recall that when Li Tian set foot on the train leaving Liaocheng for the first time to change his life, he had a fate on the train, and he gave Li Tian a fortune-telling. When the old man who left a "broken book" is left behind, you will definitely remember that the old man is him!

Kunlun, Feng Qingzi!

Besides, when the middle-aged man in front of him heard Feng Qingzi's report about his family, he frowned slightly.

To be honest, he didn't know about Kunlun or Xuanmen. At this moment, he couldn't help but glance at the old man in commoner in front of him again, and then slowly said, "Well, old sir, you can wait here for a while. I'll go in and tell our owner."

When the middle-aged man said so, Feng Qingzi finally smiled.

"Trouble."

So the middle-aged man really walked towards the Yuwen family in front of him.

After he walked in, the members of the family guard at this door stood depressed one by one.

"What's the matter with the hall master? You really believe this old man's nonsense?"

"I also wonder! How could the hall master believe his words!"

"Hey, forget it, let's just leave it alone."

The members of the Yuwen family who were talking closed their mouths one by one, but they still looked at the Commoner: Feng Qingzi with contemptuous eyes.

When the middle-aged man quickly entered the Yuwen family, he saw that Yuwen Huangji was furious about Li Tian and the others escaping from the northern province of Liaoning.

"Patriarch!" Only the middle-aged man who walked in said respectfully, bowing his head.

"Get out of here, a bunch of useless things!" Hearing Yuwen Huangji roared there with a roar.

Hearing the Patriarch's roar, the middle-aged man in front of him stood there with a pale face.

"I told you to get out. Didn't you hear what I said?" The Emperor Yuwen in front of him suddenly became full of murderous aura and said again!

Chapter 565: Natural change

"Patriarch, there is someone outside who wants to see you." The middle-aged man said in a low voice while seeing the emperor Yu Wen being furious.

"No, I don't see anyone now!" Huang Yuwen said angrily.

Hearing Yuwen Huangji's roar, the middle-aged man could only retreat quickly to the door.

When he was about to withdraw from the door, the Emperor Yuwen in front of him suddenly repented and said, "Wait!"

The middle-aged man, who was about to step out, stopped directly at the door at this moment.

For a moment, he looked at Yuwen Huangji in front and said, "Patriarch...what's the order?"

"What did you just say? You said someone came to me?" Yuwenhuang turned his head to look at the middle-aged man and asked.

The middle-aged man swallowed deeply, then took a deep breath and slowly replied, "Yes, the patriarch."

"The man is outside the gate now."

Hearing what the subordinates in front of him said, Yuwen Huangji asked, "Who is looking for me?"

"He claims to be from Kunlun..." The middle-aged man wanted to tell the behind: Xuanmen, Feng Qingzi.

But when he uttered the word Kunlun, Yuwen Huangji's eyes suddenly appeared.

"what did you say?"

"Kunlun...you said he was from Kunlun?" Yuwen Huangji said in his voice, filled with endless shock.

The middle-aged man in front of him quickly said, "Yes, yes!"

"He also claims to be: Feng Qingzi of Xuanmen!"

When the middle-aged man in front of him once again said the identity of the old man in commoner clothes, the face of Yuwen Huangji in front of him suddenly became horrified: "It's Feng Lao, is Feng Lao here?"

"The wind is always there?"

Yuwen Huangji suddenly changed his entire name in that horrified Tao.

The middle-aged man saw that when his patron changed his name to the old man, he was taken aback for a while, and quickly said, "It's at the door!"

"Quick... take me to see Feng Lao!"

As if he had seen his relatives, Yuwen Huangji suddenly walked towards the outside of the hall.

The middle-aged man behind that quickly followed in quickly.

What kind of relationship does Yuwen Huangji have with the "Xuanmen Fenglao" outside the gate? No one knows.

But from Yuwenhuang's extremely surprised attitude, it can be seen that the relationship between the two is definitely not simple.

But the mysterious door who saw this meeting: Feng Qingzi, still standing quietly at the door, with a smile on his face from beginning to end, like an old **** who is indisputable in the world.

"Old wind!"

But when he heard the honorific name suddenly came out from the door.

The moment the guard members at the door heard the sound, the whole person was stunned.

"Ah? It's the Patriarch, it turned out that the Patriarch of the Yuwen Family called that old man!!!"

These guards were suddenly astonished there, turning their unbelievable eyes to look at Fu Kiyoko, who looked rather sloppy and dressed in a uniform in front of him.

At that moment, Xuanmen Fengqingzi turned his head slowly, and saw that Yuwen Huangji.

"Patriarch Yuwen...!"

Na Yuwen Huangji immediately ran out from the front door, walked over quickly, and then stretched out a pair of big hands to hold the old windy hands tightly.

"The wind is coming, why don't you notify me in advance? I'll pick you up anyway!" The Emperor Yuwen in front of him said very happy.

Listening to the words of Yuwen Huangji, Feng Qingzi smiled and said, "Don't be so troublesome!"

"I just passed by here, so I want to come and see you!"

"Hey! A good ten years... I didn't expect to see Feng Lao today. It's really my honor to see Yuwen Huangji." Yuwen Huangji said with a smile.

Feng Qingzi in front of her smiled and said, "Farewell for ten years, just a click away!"

"Patriarch Yuwen is not old at all...hehe." Feng Qingzi said with a smile there.

"Old, old!" Na Yuwen Huangji said with a smile.

"Please come in." The emperor Yuwen who was talking then invited Feng Qingzi in there.

Feng Qingzi in front of him was not polite, and walked straight into it with vigorous steps.

After the two entered, the shocked expressions of the guard members at the door only eased!

"That...that...that old man...what is the origin of the old man?"

"It's so stylish?" The guard member in front of him said in shock.

In addition, the guy next to him who had just spoken inconspicuously at Feng Qingzi with disdainful eyes just now turned pale at this moment, astonished.

But said that Feng Qingzi followed Yuwen Huangji in front of him after entering the Yuwen family hall.

The two reminisced about the past...

It turns out that everyone knows that Kunlun, Xuanmen's Feng Qingzi is an outsider.

Moreover, during the battle of the four major families ten years ago, they once intervened. The four major families, no matter which family they were, had a respectful attitude towards this old man. Even the dark Duanmu family did not dare to grow old here. Put garlic in front of you.

"Patriarch Yuwen, look at your complexion, it seems that you haven't been so good recently?" Feng Qingzi suddenly said, a vicissitudes of old face turned slightly to face the Emperor Yuwen in front of him with a smile. .

When Feng Qingzi suddenly said so, Yuwen Huangji suddenly sighed.

"Don't hide from Feng Lao! I really didn't have a very good time recently!" Yuwen Huangji said with a pained face.

"This time I went out of Kunlun, only because I saw a natural vision...the north's hostility was soaring, so I went down to Kunlun Mountain."

"Patriarch Yuwen, if you don't dislike it, you can tell me your troubles." Feng Qingzi said slowly in front of him.

Patriarch Yuwen knew that Feng Qingzi was an expert from outside the world, so after a deep sigh, he finally said it.

"Feng Lao..."

"I... we... lost the treasure of our family!" Yuwen Huang said with a very ashamed face.

When Na Yuwen Huangji was saying that his family treasure had been lost, Na Feng Qingzi didn't feel a little surprised, but slowly turned the twin dragon's eyes, looked into the distance and said:

"Ancient magic weapon, Xuanyuan sword Right?"

Na Yuwen Huangji lowered his head and said, "Yes!"

"Oh! No wonder..." Feng Qingzi suddenly sighed slightly.

"What's the matter? Feng Lao? Do you know about this?" The Emperor Yuwen in front of him asked Feng Qingzi who was looking at him in surprise.

Feng Qingzi smiled slightly, and said: "Natural change, I have already felt it in Kunlun, that magic soldier was born!"

Chapter 566: Hurry to Jinghai City

"Old Feng, can you help my family retrieve this thing? You know, this is the family's heritage, but I never thought that someone could break into my Yuwen family and steal him." Said Yuwen Huangji, while clenching his fist tightly, at the same time the whole person appeared quite angry.

Feng Qingzi slowly shook his head and said, "Now it seems that Xuanyuanjian has left Liaobei Province."

"Old Feng, do you feel it?" The Emperor Yuwen said in amazement.

Feng Qingzi smiled slightly and continued: "Hmm!"

"The magic soldier headed all the way to the south, it may have gone to Jinghai City." Feng Qingzi said lightly in front of him.

"Jinghai City?"

"There is the Ouyang family in Jinghai City, as well as the Duanmu family, Feng Lao, will these two families steal my treasure this time?" Yuwen Huangji immediately asked.

Feng Qingzi slowly shook his head: "You can't talk nonsense about this."

"When anything hasn't waited for the truth, everyone can't speculate randomly. You also know the tragedy of the battle of the four major families ten years ago, so I don't think it will happen again after ten years."

Listening to Feng Qingzi's words, Yuwen Huangji was silent for a while without speaking.

"But what should I do now?"

"Xuanyuan Sword has been discarded? If it falls into the hands of a gangster, wouldn't it cause thousands of harms?" Emperor Yuwen said.

"Patriarch Yuwen, don't worry!"

"I know whom Xuanyuanjian fell into." Feng Qingzi said with a slight smile in front of him.

When Feng Qingzi suddenly heard in front of him saying that he knew whose hands the Xuanyuan Sword was in, Emperor Yuwen couldn't help being stunned.

"Who?"

"Hehe, this person once had a relationship with me!"

"It's fate too." Feng Qingzi said with a smile, squinting in front of him.

"Old Feng, who is this person you are talking about? Why did he steal my family's Xuanyuan Sword?" The Emperor Yuwen in front of him said angrily.

Feng Lao said: "The Yuwen family must not be angry."

"If I'm right, there must be his reason why he stole your family's Xuanyuan Sword! But as for why, I don't know..."

"But I can confirm one thing to you." Feng Lao in front of him looked at the Emperor Yuwen and said.

"What's the matter?" Yuwenhuang asked in amazement.

"That is, this person is definitely not a treacherous! Patriarch Yuwen can rest assured... and I believe that one day, he will definitely return it to you himself." Feng Qingzi said.

"Ah? He will return it to me personally? Impossible, right?" Yuwen Huang said with a face full of disbelief.

Feng Qingzi laughed haha.

"You believe me! If I say yes, he will definitely!"

"At this point, I can use my reputation for so many years as a guarantee." Feng Qingzi said slightly in front of him.

Hearing what Feng Qingzi said in front of him, Yuwen Emperor hesitated for a moment. Although Yuwen Huangji in front of him was indeed a little unbelieving, since Feng Qingzi said so, he didn't argue too much.

"Old Feng, although I don't know who the person you are talking about is, I still hope he can give me the Xuanyuan sword of my family as soon as possible!"

"You always know... If the world knows that my family has Xuanyuan Sword, it will definitely cause chaos... After all, many people know the mystery of the ancient legend." The Emperor Yuwen sighed slightly.

Feng Qingzi nodded silently: "You are right."

"Actually, I am here this time just for this... Regarding the legend of ancient relics, I Feng Qingzi has been studying carefully for so many years. Now it seems that some people want to open the old accounts more than 20 years ago." Feng Qingzi said with a slight sigh.

"Feng Lao, this time the family's Xuanyuan Sword is discarded, won't it have anything to do with things more than 20 years ago?" That Yuwen Huangji's entire face became ugly and said.

"I guess not." Na Feng Qingzi said with a frown.

"Well, Patriarch Yuwen, I will leave for Jinghai City immediately." Feng Qingzi said suddenly there.

"Go to Jinghai City?"

"Okay! I will go with you Yuwen Huangji." Yuwen Huangji suddenly stood up and said.

"Are you going too?" Feng Qingzi frowned slightly.

"of course!"

"Someone steals the treasure of my family. If my Yuwen family does not go, won't they be laughed at by the people of the world? So this time I will also go! I want to see who dares to steal the treasure of my Yuwen family. ."

Feng Qingzi slowly stood up from the seat, did not speak, but looked at the distant sky with her eyes, not knowing what was thinking in her mind.

The Ouyang family, one of the four big families, sits in Jinghai City and is the head of the four big families.

The head of the Ouyang family is currently in charge of Ouyang Zhengtian.

Since the last incident, Ouyang Zhengtian feels a little guilty about Li Tian... But after all, those are trivial things. For a huge family that has stood for a hundred years, those things are all in the slightest. micro.

But in the Ouyang family, there was one person thinking of Li Tian from beginning to end.

She is Ouyang Shiqing.

She never understood why Li Tian joined the dark Duanmu family...Of course, she didn't even know what Li Tian did.

Until now, Ouyang Shiqing didn't know the true grievances between Li Tian and the Ouyang family. Of course, the current Ouyang Shiqing thought that Li Tian was a member of the Duanmu family.

But just a few days ago, when news came from Liaobei that the treasure of the Yuwen family had been lost, Ouyang Shiqing heard about Li Tian again.

And the news I heard this time is definitely more shocking news than ever.

That is the person who stole the treasure of the Yuwen family. According to legend, it is said that Li Tian did it!

No, when Na Ouyang Shiqing got the news, she immediately sent someone to Liaobei Province to find out the situation, but when she checked it out, she never thought that the matter turned out to be true.

The treasure of the Yuwen family was really stolen by Li Tian, and the people on the Yuwen family even found the portrait, which made Ouyang Shiqing stunned.

"Why would he steal the treasure of the Yuwen family?"

"Why is this? Is it true that Li Tianzhen has been doing things for the dark Duanmu family?"

"The reason why Li Tian went to the Yuwen family to steal their family treasure, is it because the Duanmu family behind it controls it?"

Because of the discarding of the treasures of the Yuwen family, it has not only become a huge sensation in Liaobei Province, but also the Ouyang family in Jinghai City.

Chapter 567: Old man is out

In the lobby of the Ouyang family's villa, but I saw Ouyang Zhengtian and the youngest third, Ouyang Lie, sitting quietly in the lobby, and there was the worried Ouyang poetry next to it.

"Lao San, what do you think?" Suddenly, in the hall, Ouyang Zhengtian in an olret suit was there and asked Ouyang Lie next to him.

Ouyang Lie had a purple face and stared at him and said, "How could that kid steal the treasure of the Yuwen family?"

"You know that the Yuwen family's secret room is number one in the world! Who can get in alive? And come out alive? It's incredible!" Ouyang Lie said.

"I think it's the Yuwen family who made the rumor? How could someone steal something from their family!"

Ouyang Zhengtian said: "No matter what, judging from the current tense situation of the Yuwen family, I guess their family's treasure may have really been lost."

"That really did that guy named Li Tian?" Ouyang Lie said with eyes full of disbelief.

"It seems it should be!"

"Hey!" Ouyang Zhengtian sighed suddenly.

"But the impression that kid left me at the beginning is not like this kind of person!" Ouyang Lie recalled the Li Tiandao he had seen before.

"Humans will become! Maybe... he is really in the same way with the Duanmu family." Ouyang Zhengtian said with a deep sigh.

"What a pity! What a pity!" Ouyang Lie also sighed, shaking his head there.

"Boss, you are wondering about stealing the treasure of the Yuwen family this time. Did the Duanmu family instigate behind the scenes?" Ouyang Lie asked in front of him.

Ouyang Zhengtian said: "Apart from them, who else do you think?"

"That's what I said! I think the dark Duanmu family did it too!" Ouyang Lie said with his fists tightly clenched.

"Duanmu Heiming is ambitious. If he wants to cause a battle between the four major families, then we will accompany him to the end! I want to see how the Duanmu family ends this time!" Ouyang Zhengtian said righteously. Say.

"Dad, I don't think it's that simple!" Ouyang Shiqing, who had been standing there quietly, suddenly interrupted.

"Oh, isn't it? Tell me your opinion." Ouyang Zhengtian turned his head and looked at his daughter in front of him and asked.

I just listened to Ouyang Shiqing in front of me for a while and said: "I think the Duanmu family stealing that Yuwen family's treasure is definitely not that simple."

"Dad, think about it, apart from us, only the Duanmu family has the biggest suspicion of stealing the Yuwen family's treasure. Now that the Duanmu family has risked an enemy to the Yuwen family and gave their family treasure to steal out, I guess, Duanmu family must have a huge conspiracy..."

"Dad, I want to ask you one thing, what exactly is the stolen item of the Yuwen family?" Ouyang Shiqing asked Ouyang Zhengtian, who was looking in front of her with her smart eyes.

When Ouyang Shiqing asked this, Ouyang Zhengtian was silent for a while, without a direct answer.

After thinking about it, he slowly said, "What the Yuwen family lost is a treasure handed down! And it's passed down from the ancient times."

"What is it?" Ouyang Shiqing asked her father, who was staring at her with her beautiful eyes.

"It's an ancient sword!"

"Ancient sword?" Ouyang Shiqing was taken aback.

"Ancient God Soldier, Xuanyuanjian." Ouyang Zhengtian suddenly said it.

When Ouyang Zhengtian said it all of a sudden, the beautiful eyes of Ouyang Poetry and Qing became round, as if they couldn't believe it.

"Xuanyuanjian?"

"Is it the Xuanyuan sword of the ancient relic legend?" Ouyang Shiqing asked in surprise.

Ouyang Zhengtian nodded there.

"Yes, it is the Xuanyuan sword."

"Oh, my goodness! It turns out that there really is Xuanyuan Sword in the world! I always thought that the descriptions in the book were all fake, but I never thought that Xuanyuan Sword turned out to be true." Ouyang Shiqing read the books, of course She knew about the Xuanyuan sword, but she thought it was a ridiculous legend, but she never thought that this sword really existed in the world.

So not only was it stunned.

"The ancient Xuanyuan sword is said to be one of the three great weapons..." Ouyang Zhengtian said there.

"It is one of the three great soldiers? Doesn't it mean that there are two other... what are those two?" Ouyang Shiqing continued to ask.

Listening to Ouyang Shiqing's question, Ouyang Zhengtian shook his head slightly.

"As for the other two ancient relics, I actually don't know very well... I heard that some people searched for this legend more than 20 years ago... but they suddenly disappeared. So far, I know about this. There are not many people." Ouyang Zhengtian said there.

"Yes! What your father said is pretty good. The three ancient artifacts, apart from a few people other than the older generation, probably know very few people in the world!"

Suddenly an old voice came in from outside the hall like a thunder that pierced the sky.

Then he saw an old man with a childlike face, standing with his hands on his back, wearing a navy blue Tang suit, walking in from the outside.

His hair was already grey, and even his beard was slightly white, and he looked like an old **** living in seclusion.

Who is he?

He is of course the fascinating old man Ouyang from the Ouyang family.

"father!"

When Ouyang Zhengtian, and Ouyang Lie in front of them saw the old man appear, they quickly got up from the front chair and said to the old man's respectful title.

"Grandpa!" When Ouyang Shiqing saw her grandfather, she couldn't help but ran to the old man Ouyang with excitement, and she nestled her head in the arms of the old man like a little girl very affectionately. Said with a smile.

The old man Ouyang touched his granddaughter's hair comfortably, then looked around with deep eyes, and walked towards the front dragon chair.

Since this old man Ouyang gave his seat to Ouyang Shiqing's father, Ouyang Zhengtian, he has rarely left his old house, and has always been in a state of retreat, but he did not expect that now he suddenly came out. .

To be honest, this made Ouyang Zhengtian and that Ouyang Lie in front of him for a moment. They never thought that his father would come out of the old house in the backyard, and he even said it right now.

Although the old man rarely came out all year round, although the two of them were shocked at the moment, they were still extremely happy.

Chapter 568: Ancient legend

"What did you just say, keep talking." He just listened to the old man Ouyang sitting on the front dragon chair suddenly saying to his two sons.

Ouyang Zhengtian slowly said, "Father, we were talking about the theft of Xuanyuanjian from Yuwen family."

"Now the Xuanyuan sword of the Yuwen family is lost...that's why we are here to discuss."

Old man Ouyang reached out his hand and touched the gray beard on his chin. He smiled and said, "Old Yuwen has always claimed that his secret room is unparalleled in the world, but I never thought that the Xuanyuan sword hidden in the most secret room would be stolen. Come out... Hey! I must be angry now that Mr. Yuwen is about to jump up, haha." Old man Ouyang said with a laugh.

"Father, I think it might be the Duanmu family's hand against the Yuwen family's Xuanyuanjian!" Ouyang Zhengtian said in front of him.

Father Ouyang blinked his eyes slightly without saying anything.

"Father, if the Duanmu family really steals the Yuwen family's Xuanyuanjian this time, I am afraid it will cause a war!" Ouyang Zhengtian said with some worry.

"War is war!"

"Since the old ghost of the Duanmu family disappeared, his younger brother Duanmu Heiming has been sinister and cunning, constantly provoking our family... This person is several times worse than his brother!" Old man Ouyang said angrily.

Although the old man Ouyang rarely goes out of the old ancestral house in the backyard, he is very clear about the outside world.

"I believe it won't be long before the Yuwen family members will come to Jinghai City." Father Ouyang said slightly.

"Grandpa, just now I heard my dad say that the Yuwen family's Xuanyuan sword is one of the ancient gods, is it true?" Ouyang Shiqing asked with a beautiful eye while standing beside him.

Old man Ouyang laughed and said, "Your dad is right."

"Xuanyuanjian is of course one of the ancient divine weapons!" I just listened to Old Man Ouyang saying there.

"Then grandpa, what are the other two ancient relics?" Ouyang Shiqing asked again.

Listening to the question of his most beloved granddaughter, the old man Ouyang in front of him could only say: "The other two ancient relics, one of which is: the most important celestial scroll, according to legend, the celestial scroll has ancient martial arts... What's more, there are ancient

treasures, and the second is a phoenix picture that is said to be able to see through the future and the past!"

Listening to his grandfather's words, Ouyang Shiqing was full of shock and excitement.

"One is the Tianshu Danjuan? The other is a phoenix picture?" Ouyang Shiqing muttered silently.

"Well, these are these two things."

"If you really want to add a third ancient relic, Xuanyuan Sword, then these three things can open the door to the restricted area on the top of the Tianshan Mountains." He just listened to the old man Ouyang smiling and saying there.

"what?"

"The gate to the restricted area on the top of the Tianshan Mountains?" Ouyang Shiqing said in horror.

"What is that?" Ouyang Shiqing asked with a puzzled face.

Old man Ouyang laughed and said: "It is a legend that has not been penetrated yet. How many people want to confirm this legend is true, but so far no one has confirmed it."

"Father, I have also heard this legend, but I think the legend of the gate of the Tianshan Forbidden Zone is just fake!" Ouyang Zhengtian said in disbelief.

"It is true and true, false and false, whether it is true or false? I am afraid that no one will know until the truth is known." Father Ouyang said slightly.

"I once remembered that more than 20 years ago, there was an outstanding man of the first generation. He used to find the gate of the restricted area on the top of Tianshan Mountain and disappeared..."

"Hey! This character can be said to be a hero of the first generation... To tell the truth back then, even the four big families can't match him! This man is a young hero and a unique talent... If it were not for his sudden disappearance that year, the whole world might be All in his hands!"

Following my grandfather for so long, I have never seen my grandfather evaluate a person in such an exciting language. To be honest, Ouyang Shiqing is now infinitely curious!

She couldn't understand in her heart, who was the character that her grandfather was evaluating more than 20 years ago? What kind of hero is it?

"Father, what you're talking about is the man who was called the First Evil God twenty years ago?" Ouyang Zhengtian said with his eyes widened suddenly.

Cthulhu?

Could it be that what Elder Ouyang said was that the hero of the world that couldn't even be matched by the four big families 20 years ago was an evil god?

But seeing the old man Ouyang nodded slightly, and then sighed deeply.

"Although he is unparalleled, but at an instant, he fell like a passing star... It's a pity, a pity."

Father Ouyang still sighed slightly in retrospect.

He is a person who cherishes his talents. Thinking back to the great power of the year, the evil **** who was called evil and righteous by people on the road can't help but feel extremely sorry.

Because he was indeed a unique talent.

"Father, isn't it the legend that the evil **** was killed by the enemy? How can it be linked to that legend?" Ouyang Zhengtian asked curiously.

"The enemy killed?"

"Dare to ask the people of the world, who can kill him single-handedly?" Old man Ouyang said with high spirits.

"All the rumors you have heard are false..."

Hearing the words of Old Man Ouyang in front of him, Ouyang Zhengtian's face was speechless.

Isn't that evil **** really killed by people? Is it related to that ancient legend?

"Father, did that evil **** really disappear because of the top of the Tianshan Forbidden Area?" Ouyang Zhengtian asked again.

"Ok!"

"The world knows very little about this!"

"But I know, because I was one of the people involved in this incident." Old man Ouyang suddenly said vigorously while touching the gray beard.

It seems that Mr. Ouyang has returned to the era when he was more than 20 years ago.

"what?"

"Father, you have also searched for the top of the restricted area of Tianshan Mountain?" Ouyang Zhengtian said in astonishment.

Old man Ouyang smiled: "Yes."

"More than twenty years ago, we searched for the door to the restricted zone far away at the top of the Tianshan Mountains!"

"At that time, the ancient legend has just been unveiled...People at home and abroad are looking for the door to this forbidden zone. Far away there are cardinals sent by the Pope of the Vatican in Europe...and the Holy Guardians of Egypt are also looking for it, and we On the one hand, there are representatives sent by the four major families, and on the other hand, the Cthulhu's own brother!"

Chapter 569: Man in the night

"At that time, because so many people were looking for the gate to the restricted area of Tianshan Mountain, we all made a big move, so that many people were killed and injured. However, our four big families finally failed to reach the end. We were hit by a cold hurricane below Tianshan Mountain. Many people were directly frozen to death during the attack, and only a few of us survived."

"From then on, we gave up going to the top of the mountain and went home! When we came back, I heard that the evil **** took his brother to the top of the Tianshan Mountain..." Old man Ouyang said there.

"Father, did the evil ***** really see the top of the forbidden area in the legend?" Ouyang Zhengtian asked with horror on his face.

"Actually, no one knows." Father Ouyang sighed slightly there.

"Because when we returned from Tianshan, we never saw the evil ***** and his brothers again..."

"As for whether they have actually reached the top of the restricted area of Tianshan Mountain, no one can say for now."

"The only thing we know is that just after the evil ***** went to Tianshan Mountain, within a few days, there was a big avalanche event in Tianshan Mountain. Tens of thousands of tons of snow fell from the top, swallowing all the square kilometers..." Old man Ouyang said slightly in retrospect.

Hearing that Old Man Ouyang said, Ouyang Zhengtian and his granddaughter Ouyang Shiqing were slightly shocked.

None of them thought that there was such a thrilling thing twenty years ago.

Especially the evil ***** that the old man said: He is a rare talent!

It's a pity that although the Heretic God is crowned among the crowd, it is like a meteor that passes by, and then it disappears for no reason.

"Then the disappearance of the evil ***** seems to have something to do with the gate of the restricted area on the top of the mountain!" Ouyang Zhengtian thought about it and said.

"It should be so now."

"What I didn't expect was that twenty years later, someone would make waves again for the things of ancient relics." Old man Ouyang said slightly.

"Father, I think the Duanmu family is just a little trouble this time!"

"After all, even if the Duanmu family snatched the Yuwen family Xuanyuan sword in front of them, wouldn't there be the other two ancient relics?"

"I don't know what the Duanmu family intends for this matter."

"Let's watch the changes first, and see what Duanmu Heiming wants to do..." Just listen to the gentleman's final words.

Hearing the old man's words, Ouyang Lie, who was on the other side of Ouyang Zhengtian, didn't say much, and nodded there.

Since the old man Ouyang came out of the mountain to sit in town, the situation has suddenly become clearer.

Although there is no direct evidence that the Yuwen family's Xuanyuan sword was stolen by the Duanmu family, judging from the current situation, they all pointed the finger at the Duanmu family.

Li Tian and the others are currently renting here in the residential area in the center of Jinghai City.

Li Tian, who had escaped from Liaobei Province, could be described as changing, changing, and then changing cars along the way, in order not to attract the attention of the Duanmu family and the Yuwen family.

Now Li Tian has finally reached the Jinghai City in front of him safely.

"Little boss, we have now arrived in Jinghai City, what do we do next? Should we directly attack the Duanmu family? Or what?" Tang Xiaolong in the room blinked and asked Li Tian in front of him.

Listening to his question, Chen Qiaozhi and Old Monster Ge were all looking at Li Tian and listening to his answer.

But seeing Li Tian thought about it silently.

"Don't worry about attacking the Duanmu family... I believe they are definitely looking for us now."

"My only purpose now is to negotiate with Duanmu Heiming... to let him hand over the antidote to the Sanshengmen poison in my body." Li Tian said slowly.

"oh, I see!"

"The little boss, how do we contact the Duanmu family?" Tang Xiaolong in front of him continued to ask.

"There is no need for us to contact him."

"They will find us."

"Xiaolong, if you go outside these two days to let the wind sound, say we are back to Jinghai City...I believe the Duanmu family will find here soon." Li Tian said slightly.

Hearing what Li Tian said, Tang Xiaolong nodded.

"That's okay! Then I'll do what you say, the boss."

After Li Tian made this decision, he was ready to negotiate with the Duanmu family! The matter of negotiation is undoubtedly the three-life poisoning thing in his body.

But when the time comes, will the Duanmu family promise him? Will he give him an antidote? This is another matter.

But now Duanmu Heiming has already ordered the entire Duanmu family to kill Li Tianxia.

A group of people led by that blood monk are currently looking for that Li Tian and others like crazy dogs.

The night is getting deeper!

Jinghai City is still brightly lit as usual.

There was a constant stream of people passing by on the street, among the bustling crowd, but I saw a lonely figure walking slowly alone.

Looking at his back from behind gives people an extremely sad and vicissitudes of life. If you look closely, you will see that this man with a desolate back has only one arm.

His sleeves were empty, and as a cold wind blew, his empty sleeves were directly blown up.

I saw his figure in the crowd like a lonely geese, slowly turning towards an alley by himself.

Who is he?

Why are you here suddenly?

Nobody knows.

But it can be seen that the place he walked is slowly walking towards the place where Li Tian and the others live.

Could it be that this man with one arm went to Li Tian?

The night is getting deeper and deeper and darker.

His figure gradually merged with the entire darkness, slowly becoming unclear.

Li Tian and the others lived in a relatively simple room. It was a small bungalow. There were four rooms in total. Tang Xiaolong and A Qiu lived in the same room, and Old Monster Ge lived in this room with Chen Qiaozhi, and Situ Ningbing was alone. Live in one room, and Li Tian does the same.

After so many things, it is rare for Li Tian to get a good night's sleep.

A person was resting quietly in the room, and his handsome face could be seen when moonlight poured in from the outside window.

Suddenly when Li Tian was asleep, a ghost-like figure suddenly came out of his open window.

Then you can see his figure through the window.

But when he saw him outside the window, he had a cold and merciless face, and he blinked at the sleeping Li Tian in front of him.

Gosh!

Who is he?

Why did he suddenly say in front of Li Tian's door.

Through the dim light, I saw his face, but I saw that he had a cold and merciless face, and there was a sleeve missing from his large clothes.

Chapter 570: doubt

It's a broken limb!

He has only one arm.

Duguxie.

He is an evil sword, Duguxie.

Who can imagine that the one-armed man trailing behind Li Tian this way is the once famous evil sword, Duguxie.

Why should he follow Li Tian?

But seeing him like a ghost, standing outside the window looking at Li Tian who is sleeping at this moment.

His eyes looked solemn, and they stared at Li Tian's sharp face without blinking.

"Like! It really seems!"

Hearing a word suddenly came out from Duguxie's mouth.

Who is the "like" he said?

"I didn't expect him to grow up so big!" Du Guxie murmured there.

At the same time, there was a kind of light in his eyes... it seemed as if he looked at Li Tian in front of him as a family member.

"Big Brother..."

"After all these years, where are you? Brother... have you seen it? Your son has grown up..." Duguxie muttered to himself with endless sadness on his face looking up to the sky. Say.

"Twenty years, twenty years...!"

"Hey....."

A long sigh tells how much desolation the world is!

In the past twenty years, how many heroes and heroes have been flooded? Where is the Cthulhu that used to dominate the situation?

Who knows?

But he said that when Duguxie stood in front of Li Tian, Li Tian suddenly subconsciously woke up.

As he opened his vigilant eyes, he shouted, "Who?"

Then he hurriedly jumped off the bed and ran to the window position in front of him.

But despite Li Tian's timely wake-up, when he got to the window, he still didn't find a person...The Duguxie who was standing in front of the window just disappeared suddenly like air...

There was no shadow of Duguxie in the corridor outside the window.

Li Tian drew his eyebrows and looked around outside the window, and said depressedly: "I clearly felt someone standing in front of me just now, but what about people? How could they disappear so quickly?"

"Are they from the Duanmu family?"

"Impossible! The news that Xiaolong just released, it is impossible for the Duanmu family to find them so quickly... And if you are really a master of the Duanmu family, then when you were asleep just now, you should have dealt with yourself. The best time to start, but why does it disappear suddenly?"

"In this way, this person must not belong to the Duanmu family!"

But who would this person be? Li Tian could feel the person who disappeared immediately after he noticed that he jumped to the window quickly. This person is definitely a master. What kind of master would come to "visit" himself late at night?

Li Tian stood at the window, stared at the endless night outside and stayed silently for a while, and then slowly returned to the bed where he had fallen asleep before. After lying down, he could no longer fall asleep...in that mind. Inside, thinking about my own affairs for no reason.

It was dark outside, but I saw a lonely figure standing on the bungalow where Li Tian lived like a wooden pile.

In a blink of an eye, he turned out to be the Duguxie!

It turned out that when Duguxie was discovered by Li Tian, he suddenly rushed to the bungalow. No wonder Li Tian could not see Duguxie's shadow on both sides...

It turned out he was on it.

But seeing Duguxie as if he didn't want to see Li Tian now, suddenly two of his body rose and fell towards the roof of the other side of the bungalow!

Then he saw his figure falling on the street like a wild goose.

After falling, Duguxie stood in the middle of the night, looking deeply at the direction where Li Tian lived, and murmured: "Big Brother! Since your son has grown up... I found them one by one..."

After Duguxie finally left a word in the darkness, his figure suddenly walked quickly in the opposite direction.

Soon, his lonely figure merged with the darkness... Gradually, he couldn't tell whether it was him or Ye.

The second day.

Li Tian followed the brothers while eating a simple breakfast, and said slightly, "Did you hear anything yesterday?"

After Li Tian suddenly said this, Tang Xiaolong, Chen Qiaozhi and others in front of them couldn't help but stop the chopsticks in their hands at the same time, and then looked at Li Tianzai with a puzzled expression: "Little boss, what's the matter? Did you detect something last night?" Tang Xiaolong asked curiously.

Li Tian thought for a while and felt that he should tell the strange things last night.

So he said slowly: "Last night, I always felt that someone was standing in front of my window."

"what?"

When the brothers heard Li Tian say this, they were all stunned.

"Really? Little boss...you didn't scare us?" Tang Xiaolong said with a weird face.

Listening to what Tang Xiaolong said, Li Tian smiled slightly in front of him: "It's true."

"It's a pity that after I got up last night, I suddenly didn't find any trace of that person..." Li Tian said lightly.

"I'm poking, maybe someone from the Duanmu family found us?" Tang Xiaolong in front of him suddenly said depressed.

When he heard this, Li Tian shook his head slightly.

"I don't think so."

"If it's a member of the Duanmu family, then he would definitely attack me last night, but the other party didn't attack me last night, just stayed quietly for a while, and then left... so it seems it should not be Duanmu A member of the family." Li Tian said thinking.

"That's not from the Duanmu family, who would it be?" Tang Xiaolong thought, tilting his head there.

Chen Qiaozhi next to him held his glasses slightly with his hand, and then said faintly: "The person who can suddenly disappear in front of you is definitely not an ordinary person! I think it must be a master."

"Well, I think so too." Li Tian said slowly.

"No matter what, since the other party is not malicious, then we don't have to panic too much..." Chen Qiaozhi said again.

"Qiaozhi is right. I believe the other party should have no malice towards us, so let's just leave it alone."

After Li Tian finished speaking, he faintly smiled and continued to eat.

After eating a simple breakfast, Tang Xiaolong, A Qiu, and Chen Qiaozhi continued to send news in Jinghai City.

The news is of course to attract people from the Duanmu family.

The original force of the Duanmu family was in Jinghai City. After Tang Xiaolong and the others released the news, the eyeliner of the Duanmu family soon noticed the clues.
