

A Killer 581

Chapter 581: Awakening of Vampire Spar

Pushing and sending with both hands, holding the strength in one hand, and holding the feminine power in the other hand, grabbed the two arms of the blood monk.

"Huh! Want to catch me?" When the blood monk saw Li Angel come out of this ancient and strange ancient martial arts, he backed quickly on one side of his body.

At the Raksha Conference, when Li Tian played against Wang Kun, the powerful disciple of the second elders, he used this gossip trick. Of course, the blood monk at the Raksha Conference saw it clearly.

Although the blood monk saw Li Tian's weird moves, he didn't know where this kid learned such a weird skill... But his soft and rigid weird movements, the blood monk is still fresh in his memory. .

So when Li Tian used this gossip slap again all of a sudden, the blood monk was not stupid, and his body retreated quickly.

After the blood monk retreated quickly, Li Tian continued to take the lead and grabbed the blood monk with ease.

The blood monk was forced to retreat again and again by the several tricks learned by Li Tian on this heavenly book pill scroll... At this moment, he was extremely angry, and he suddenly roared, and his body suddenly rose from the ground!

Then just as he stood up from the ground, one hand was clenched tightly with five fingers, forming a fist, while the other hand made an eagle-claw-like weird move.

"God cover art!"

A burst of shouting came from the blood monk's mouth. When the burst of shouting came out, it seemed that the blood of the monk was shining brightly, and his blood-red robe seemed to glow with a strange luster.

Suddenly, the whole person was angry with Dantian, and his hands were straight down, pressing against the top of Li Tian's head.

God cover work?

What kind of effort is this?

If you have ever been to the Western Xinjiang region, you must know the famous and extremely slaughter Gorefiend, Sect Master!

At that time, the Sovereign of the Blood Demons used this: God cover art!

According to legend, more than 20 years ago, the blood demon sect of Xijiang, the suzerain, did not know how many heroes and heroes were killed by this cruel martial arts... That blood demon was always an evil sect, so most of the people on the road. They all hate the blood demon head, but hate to hate, but no one can really stop the blood demon head.

But in the end, there was one person, carrying a sword, and drove through the Gorefiend alone.

That person was called by later generations: Cthulhu!

According to legend, the Heretic God had one man, one sword, and he was alone in the blood demon head, who had thirty-four heads of blood demon heads, and all the corpses were all over the field that night...the blood was flowing there.

One night!

In just one night, the Cthulhu took one person and one sword and left the head of the blood demon. Since then, the blood demon of Xijiang has disappeared from the roads of the rivers and lakes forever...

Because all the people of the Gorefiend were killed by him.

No one can describe the tragic situation that happened that night, and no one can describe how Cthulhu single-handedly challenged the Gorefiend that night. The only thing everyone knows is that the Cthulhu is 6pm. The Gorefiend, who ordered one person and one sword to enter, came out at 5 o'clock in the morning!

And the blood demons all died and fell to the ground with more than 30 demon heads... but what about the Cthulhu himself? It is said that he suffered only slight skin injuries.

These are all previous legends!

Having said that, let's just say that the blood monk in front of him suddenly used this: when the gods were covering the power, Li Tian only felt a strange hostility on his head.

There was a vicious killing intent in this hostility, and the attack speed was at least twice as fast as when the blood monk used his cotton palm.

Of course Li Tian didn't dare to be careless, and he flew back... He wanted to avoid the past.

But just as his body was retreating rapidly, the blood monk suddenly had a grinning smile at the corner of his mouth, and his right hand fist suddenly opened with five fingers...stretched forward quickly, and grabbed Li Tian's arm!

Then there was a sullen smile on the corner of the blood monk's mouth: "Boy, your arm is gone?"

Li Tian's mouth was not well lined with the voice!

But it was too late, there was no way that blood monk's trick was too strange and too fast.

The strange thing is that how he fist suddenly turned into a grab, and the speed is so fast.

At this time, Li Tian, who was grabbed by the blood monk, wanted to break free, but it was too late...

Situ Ningbing next to him saw that Li Tian's arm had been grabbed by the blood monk. As long as the blood monk twisted, Li Tian's arm would definitely be useless.

At this moment, he couldn't help shouting in shock: "Li Tian, be careful!"

At the same time, the whole person rushed towards the blood monk.

But her speed is so fast...

No, seeing that Li Tian's arms will be alive and destroyed by the blood monk... But what can Li Tian do?

He can only watch!

The blood monk showed white and hideous teeth, and suddenly the palm of Li Tian's arm was about to break Li Tian's arm!

But just as his arm was suddenly exerting force, a weird "suction" suddenly passed from Li Tian's palm.

The blood monk who just tried to break Li Tian's arm alive just now suddenly felt that the strength of his body was like a big bang on the bank, pouring out!

Was sucked!

The strength of his body is being sucked away by Li Tian in front of him?

Once the blood monk noticed it, his face suddenly changed!

"You...your boy...what...what effort did you use?" The blood monk in front of him said in shock.

The moment he spoke, the strength in his body was still being sucked away by that Li Tian's body!

What about Li Tian?

At this time, I was completely stunned.

To be honest, he was already ready to abandon this arm! He thought his arm was hopeless!

But I never thought that the "cold current breath" deep in my abdomen that hadn't reacted for a long time suddenly burst out of my body like an awakening.

And at this same moment, Li Tian's cold breath passed through his own internal organs and suddenly all transferred to his arm that was grasped by the blood monk.

As a result, the blood monk's vigor was absorbed.

Vampire spar?

Not bad!

This thing that sucked the blood of the monk was exactly the "blood-sucking spar awakened in an instant!

It turned out to be so!

But at this moment, the blood monk is at a loss!

I saw that he only felt the energy in his body being sucked away by Li Tian little by little, and the whole body seemed to be tilted...this shocked him!

Facing the sudden awakening of the blood-sucking spar in Li Tian's body, would this blood monk be sucked up by Li Tian just like Wang Kun during the Raksha Conference? Will Li Tian **** up everything in his body?

Chapter 582: Do you dare to kill me?

Seeing that the strength in his body began to leak out, and was also sucked into Li Tian's body?

How can this blood monk not be surprised?

He quickly slammed his arm, but the whole arm was soft and weak, and the blood monk found that the harder he was, the faster the energy in his body would leak out!

This weird situation made the blood monk completely shocked there.

At this moment, Li Tian's blood-sucking monk's arm was cold. Since the "blood-sucking spar" had penetrated his arm, he could only feel that he was moving from within the blood-sucking monk's body. Little by little, it is absorbing endless energy.

Situ Ningbing, who originally thought that Li Tian's arm would be refracted by the blood monk, stood there in shock when he saw this scene suddenly appear.

"How could this be? Then what effort did Li Tian use?"

"And why does the blood monk look so painful...Even puffy beads of sweat appeared on his face, as if he was struggling violently...What the **** was going on?" Situ Ningbing was puzzled. Looking at everything in front of me.

"It seems... it seems to be sucked alive by Li Tian?"

Situ Ningbing's beautiful eyes opened wide and looked at the scene in front of him!

However, Li Tian sucked away the blood monk's body over there continuously, bit by bit, and the blood monk was frightened and impatient.

He has cultivated the vitality for so many years, how could he be sucked all at once by Li Tian in front of him?

Just as Li Tian was allowed to inhale all the energy of his body, the blood monk finally used the strength of his whole body and suddenly roared, wearing a blood-red robe, his whole body inflated like a balloon.

Then, the blood monk's right palm quickly lifted up, and he slammed his palm against the arm that Li Tian was sucking into!

Then I saw that Li Tian, who was sucking the blood of the monk's vitality, was suddenly blocked by an external force! With a bang, the hand that was sucking the blood of the monk suddenly broke away from the blood of the monk's arm, and the extremely cold blood-sucking spar also quickly returned to Li Tian at this moment, like a naughty kid filling his stomach. Abdomen.

And look at the blood monk again?

Finally used all the strength of his body to break away that Li Tian's arm sucked.

At the moment he broke away, the blood monk seemed to be decadent, his short and chubby body was bent, his face was pale and terribly...Standing there, he was gasping heavily in his mouth.

When the surrounding Duanmu family swordsmen saw their "Blood Sovereign" suddenly become like this, they were deeply shocked and rushed to the blood monk.

"Blood Lord, what's wrong with you?"

As he spoke, he kept everything in front of the blood monk.

The blood monk seemed to have no strength to speak, but he was panting violently, staring at Li Tian over there with his stubby waist, those extremely sinister eyes.

"How could this be? How could this be?"

"I have cultivated Qi Jin for so many years, how could I be sucked away by this **** kid for no reason... Almost half of my energy... Oh my God! If I hadn't tried all my strength just now to break away from the kid's arm, Wouldn't all my life's cultivation be sucked away by him?"

"Horrible, terrible! What kind of evil did this kid use?" The blood monk in front of him gasped violently while he said in dissatisfaction.

Li Tian, who sucked the blood from the monk's body, was blushing abnormally at this moment, just like the skin color of a newborn baby. Especially his whole body was filled with a very strong external force.

This power was like fresh blood flowing, making Li Tian's emotions surge as if he wanted to vent.

Suddenly he turned his face suddenly, and the blood-red eyes with extreme hatred also stared at the blood monk in front of him for an instant.

At the pace of death, he suddenly walked towards the blood monk step by step.

He wants to kill!

Kill everyone here.

Li Tian is now on the verge of hatred, especially when he saw that his two brothers did not know whether they were alive or dead.

All the hatred filled his heart. At this moment, he had no mercy, no sympathy, and only killing and blood.

When the Duanmu family swordsmen standing in front of the blood monk saw Li Tian walking toward them like a **** of death step by step, they couldn't help but step back, and no one dared to step forward.

At the same time, Li Tian was deeply shocked by the breath of death exuding all over his body.

Seeing Li Tian approaching step by step, the Duanmu family swordsmen who could not retreat were like cattle and sheep to be slaughtered...Finally they couldn't bear it.

Unable to hold back the intense fear in his heart, he yelled, holding a sharp machete in his hand and slashed towards Li Tian.

Li Tian didn't even look at the swordsman, and waved out a palm.

The huge palm force burst from the palm of his hand, directly causing the sword hand that had not rushed to his body to fly upside down.

With a screaming scream, Sayama's body flew backwards for a full 45 meters before falling down.

The person who looked at him again, after falling to the ground, Qiqiao bleeds, and his pupils have begun to shrink, slowly, slowly, and die.

When this swordsman was beaten to death by Li Tian with a slap, the remaining swordsmen who wanted to rush were all startled there.

One by one, their faces pale, you look at me, I look at you, no one dares to go up again, no one dares to die again.

"Retreat..." Suddenly a low voice came out of the blood monk's mouth.

When this sentence came out, the swordsmen of the Duanmu family were taken aback for a moment, and then they couldn't help turning their heads to look at their blood sage.

"Blood Sovereign." These swordsmen could be regarded as affectionate and righteous, and couldn't help shouting there.

The blood monk slowly raised his extremely weak hand, and waved it at his subordinates slightly, indicating that they would all retreat.

After seeing the blood monk's command, the subordinates stepped back one by one.

Only the blood monk, bending his short and chubby waist, was facing the murderous Li Tian in front of him.

"Asshole, I want you to die." Li Tian suddenly said harshly.

He really wanted to kill the blood monk in front of him.

The blood monk stood there, and when he heard Li Tian say this, he took a deep breath, and the hideous and pale face suddenly smiled strangely, and he didn't look scared at all.

This situation can't help but feel slightly startled.

"You kill me? Do you really dare?" The blood monk suddenly said weakly.

Chapter 583: Leave you a dog

"Why not dare?"

"You hurt my brother, how can I not kill you." Li Tianan said.

"Don't forget, if you kill me, you don't want to get the antidote to the Sanshengmen in your life... Even if the Duanmu clan master gives up the Xuanyuan sword in your hand... it will let you die and let you die alive. Under the poison of the Sanshengmen." The blood monk said with a grim look.

Hearing the blood monk threatening himself, Li Tian suddenly lifted his palm.

"Even if I am poisoned to death, I will kill you first and avenge my brother."

When a roar came out of his mouth, his palm suddenly lifted up, and the strong palm hit the blood monk in front of him hard.

The blood monk was also completely dumbfounded, he never thought that Li Tian in front of him would really dare to kill him.

Seeing this deadly palm hit him, the blood monk now has the strength to block it, and at this moment he can only watch himself die.

But at this moment, Situ Ningbing next to him suddenly stopped.

"Li Tian, don't kill him..."

When he called out, Situ Ningbing quickly stopped Li Tian at the same time.

Li Tian, who had already decided to slaughter the blood monk in front of him, eased slightly when he heard the voice of his favorite woman.

Slowly turned his head to look at Situ Ningbing who was running over.

"Li Tian, don't... don't kill him!"

"If you really kill him, what should you do if Duanmu Heiming really doesn't give you the antidote to the Sanshengmen?" Situ Ningbing said worriedly about Li Tian.

Yes, if Li Tianzhen slapped the blood monk to death at this moment, then if Duanmu Heiming really no longer gives the antidote to Li Tiansansheng's poison, then will Li Tian be alive? Of poisoning?

Yes, there is no antidote for the Sanshengmen poison of the Duanmu family except their family themselves!

If Li Tian really killed the blood monk sent by Duanmu Heiming this time, it would be really bad.

Therefore, Situ Ningbing in front of him desperately came to stop Li Tian.

Li Tian was still taking care of himself at the moment, he just wasn't reconciled to see his two seriously injured brothers being severely injured by the cruel blood monk.

He roared, "But this ***** hurt Xiaolong and Qiaozhi like that...If I don't kill him, how can I be worthy of my brothers?"

"Li Tian, calm down!"

"Xiaolong and Qiaozhi don't necessarily have anything right now...We don't need to delay their injuries for this gangster now!"

"If we don't treat them both in time, the consequences would be disastrous," said Situ Ningbing in front of him.

Listening to Situ Ningbing's words, Li Tian, who seemed to have "slaughtered into a demon", suddenly felt a shock in his heart.

What Situ Ningbing said is pretty good!

Although the current Chen Qiaozhi and Tang Xiaolong said that they are dying, they are still not sure whether they really had an accident...So what they are doing now is not to kill people and avenge them, but to send the two brothers to the hospital as soon as possible. If Li Tian really delayed the treatment of the two brothers because of killing the blood monk, then he should not regret his life?

"Yes, she was right!"

"I have one life, if it is for two lives of your two brothers, I am afraid it is not worth it?" The blood monk said with a grinning smile on his suddenly pale face.

"Shut up for me!" Situ Ningbing said angrily at the talking monk.

The blood monk snorted. He used to be a brutal killer, but now?

His physical strength was sucked away by Li Tian for a little and a half, and now his body is weak, how can he fight again? So at this moment, I can only close my mouth tightly, and dare not say any more.

"Li Tian, listen to me once... let go of this bastard!"

"Let's save the little dragon first, and Qiao Zhi." Situ Ningbing said again to discourage Li Tiandao.

But seeing that Li Tian had been moved by Situ Ningbing at this moment, the blazing slaughter light in his eyes began to slowly fade away, and the blood red color that was originally exuberant in his eyes began to disappear.

But seeing Li Tian slowly turned his head and glanced at the two brothers who were lying on the ground as if they were dead, his heart finally softened.

Looking back, cold eyes glanced at the blood monk in front of him.

"Okay! I won't kill you today!"

A word suddenly came out of Li Tian's mouth.

When the blood monk heard Li Tian say not to kill him, a flash of excitement flashed in his eyes, but the pale face turned out to be quite fine, as if this guy really didn't care about life and death! In fact, he cares most about his own life and death.

"But, you go back with me and tell Duanmu Heiming!"

"If he wants Xuanyuan Sword, he has to give me the antidote to Sanshengmen's poison... If he doesn't give me the antidote, even if I die, he won't even want to get Xuanyuan Sword in his life!"

Li Tian added one last sentence there.

The blood monk in front of him squinted and nodded silently, raising his white face.

"Okay, I will pass your words to the clan owner verbatim." The blood monk said.

"Get out!" Li Tian finally spit out two words coldly.

Then he never looked at the blood monk again, turned and ran towards his two brothers.

Situ Ningbing here followed.

After Li Tian forgave the blood monk in front of him, there was endless hatred in the blood monk's eyes, but there was no other way. The Duanmu clan swordsman under his hand hurriedly ran towards the blood monk.

"Blood Sovereign." While shouting, he helped up the weak blood monk.

After helping up the blood monk, they hurried to drive away desperately.

After climbing into the commercial vehicles quickly, he quickly left the place of right and wrong like a wild dog running away.

However, Li Tian here has already ran to the two brothers.

But seeing Tang Xiaolong lying on the ground, his face covered with blood, at the same time the whole person had no reaction at all.

"Xiaolong...Xiaolong..." Li Tian called out loudly.

But what about Tang Xiaolong? However, he seemed to be asleep and motionless. There were two stab wounds on his arm, and the **** monk's fatal cotton palm hit his chest. Now he saw a purple patch in his chest. color.

Chen Qiaozhi over there was not much better either. The blood stains on half of his cheeks did not know whether it was his own or someone else's. He lay motionless there... dying.

After a few calls from the brothers and no response, Li Tian could only reach out and hug his brother, and quickly ran towards his house.

"Little dragon, hold on, you can't die!"

"Never die! Big brother doesn't allow you to die."

Chapter 584: Find clues

So Chen Qiaozhi and Tang Xiaolong were brought back quickly by Li Tian and Situ Ningbing.

The Old Monster Ge, who was sitting leisurely in the room, and A Qiu cried out in horror when they saw Li Tian holding Tang Xiaolong who was covered in blood and Chen Qiaozhi all of a sudden.

"what happened?"

"How could this be? What happened to the two of them?"

Old Monster Ge asked in surprise.

Na Aqiu also hurriedly helped Tang Xiaolong up. He, who had rarely spoken before, couldn't help but whispered Tang Xiaolong's name at this moment.

"They were attacked by members of the Duanmu family," said Situ Ningbing next to him.

"A member of the Duanmu family?"

"Did they chase here?"

"Yeah!" Situ Ningbing nodded quickly.

"Sick ghost...how are you?" But seeing Old Monster Ge there holding Chen Qiaozhi's cheek, he kept calling Chen Qiaozhi's nickname.

But Chen Qiaozhi did not move, as if his body had lost all movement.

"They have to be sent to the hospital...or else the consequences would be disastrous," Situ Ningbing said.

"um, yes."

"Aqiu, go out and call a taxi! Send Xiaolong and Qiaozhi to the hospital immediately." Li Tian ordered there.

A Qiu heard Li Tian's words and ran out quickly.

In a short while, two taxis were called, so Li Tian and Old Monster Ge hurriedly carried the dying two brothers to the taxi, and then a few people followed in the car and swiftly moved towards Go to the hospital in Jinghai City.

When the car drove to the gate of Jinghai City Hospital, it quickly hugged Tang Xiaolong, who was covered in blood, and Chen Qiaozhi and ran towards the hospital.

When the nurses saw the critically ill patient, they hurriedly pushed past the old stretcher trolley, put Tang Xiaolong and Chen Qiaozhi on top, and then quickly pushed towards the emergency room.

"Little Dragon, hold on! Don't hold on."

"Sick ghost, you too... don't die!"

...

At the door of the emergency room, the nurse stopped the brothers.

"Sorry... we need to perform the operation right away. You can only wait outside." The nurse said to the brothers.

So the brothers could only glance at the two people lying on the hospital bed one last time, and then slowly waited outside the emergency room.

The red light in the emergency room slammed on, and Li Tian and his brothers were waiting anxiously outside.

No one knows that when the door of the emergency room opens next time, what they hear should be bad news? Or happy news?

"What happened, how did the two of them hurt so badly?" Old Monster Ge asked Li Tian with a blank face.

Li Tian is in an extremely bad mood now, sitting on the bench in the corridor with his hands holding his head.

Then Situ Ningbing told Old Monster Ge what happened just now.

After hearing Situ Ningbing tell the old monster Ge about the past 15 to 10, he understood, and sighed deeply.

"Damn the Duanmu family, really vicious!"

"Wait...this **** hatred, one day I will liquidate them." Li Tian suddenly raised his blood-red eyes and said with his fists tightly clenched.

Since the Yuwen family arrived in Jinghai City, they began to search for clues to Li Tian and others.

Because they vowed to find the Xuanyuanjian left by the family.

Because there are portraits of Li Tian and others, it is quite convenient to find all of them. In addition, this Yuwen family is already very wealthy. It didn't take a few days to get to Jinghai City. A lot of money was stuffed in.

Now not only the entire Yuwen family are trying their best to find clues about Li Tian and others, but the police in Jinghai City are also looking for clues in this regard.

And what about the Ouyang family,

Of course Ouyang knew all day that it was Li Tian and others who stole the Yuwen Family Xuanyuan Sword this time.

However, Ouyang Zhengtian did not directly tell the people of the Yuwen family, nor did he tell the origin of the Ouyang family with Li Tian.

The current Ouyang family looks at the development of things as an outsider. Regarding Li Tian and Yuwen's family, it is entirely from the perspective of a bystander, neither helping anyone nor participating in anything.

The Yuwen family currently lives in a four-star hotel in Jinghai City.

The name is "Yuedu Hotel".

When the Yuwen family came to the Yuedu Hotel, they directly covered the two floors of the 2030 Yuedu Hotel.

There are more than 40 single rooms in total, and 6 luxury private rooms.

All the people standing on the 20th floor of the single room were members of the Yuwen family...Even the waiters at the Yuedu Hotel were shocked when they saw this situation.

To be honest, these waiters have ever seen such a magnificent scene?

At this moment, two members of the Yuwen family in straight suits came quickly from the elevator, and walked quickly toward the corridor.

The two people looked anxious and quickly arrived at one of the VIP rooms, and asked the members on both sides of the guard, "Is the Patriarch here?"

"Yes!" the people on both sides replied.

Then one of them didn't say anything, and directly raised his hand to ring the bell on the door.

After they touched the electric bell, they heard the voice of Yuwen Huangji coming from within a short while.

"come in."

The two opened the door gently and strode in.

But in the luxurious room, I saw a large crystal chandelier.

The furnishings inside are all based on the furnishings of a five-star hotel. The place on the right is a real leather sofa, and Yuwen Huang, wearing a bathrobe, is sitting quietly on the sofa. In front of him is A bottle of 83 years old Lafite.

There is also a crystal clear wine glass containing half a glass of red wine next to it.

"Patriarch." After the two men came in, they bowed respectfully and shouted.

"What's the matter?" The Emperor Yuwen raised his eyes slightly, and asked after taking a look at the two of them.

The two subordinates said there: "Patriarch, yesterday, there was a bloodbath in the Dongcheng area of Jinghai City."

"According to the information we got from the police, there were 6 lives at the scene..." the Yuwen family member in front of him said there.

"Then what's the matter?" Yuwenhuang said with a muffled disdain.

The two men continued to say: "Patriarch, according to the police investigation of the identities of the dead, they did not find out what the identities of the dead guys were. Moreover, we transferred

an unclear surveillance from the transportation department. The video shows...it seems to be the gang who stole the treasure of our family."

Chapter 585: Soaring anger

"what did you say?"

"Could it be those bastards?" Yuwen Huangji said angrily.

The two subordinates said: "Well! We did image analysis from the transportation department. Although the footage taken by the surveillance video is not very real, but after our technical comparison, it should be confirmed that the person who kills is coming in and out of us. That group of Yuwen family.

"Asshole! I finally found you." Yuwen Huangji suddenly said angrily.

"Is it found out that they are there now?" Yuwen Huangji asked immediately.

"not yet!"

"Patriarch, one more thing." One of the Yuwen family members said suddenly.

"what's up?"

"It's those people who were killed. According to our investigation, they are probably from the dark Duanmu family in Jinghai City." said a member of the Yuwen family.

When he suddenly said that those who were killed by Li Tian and others turned out to be members of the Duanmu family, Yuwen Huangji immediately frowned deeply.

"A member of the Duanmu family?" Yuwen Huangji muttered suddenly.

"How could this be?"

"Could it be that the Duanmu family was not the mastermind behind the stealing of my family Xuanyuanjian this time?" Yuwen Huangji muttered.

It turned out that Yuwen Huangji had always guessed in his heart that Li Tian might have been instructed by the Duanmu family to steal his family Xuanyuanjian, but he never expected that Li Tian and the Duanmu family were fighting in Jinghai City.

And also killed so many members of the Duanmu family, what happened?

Could it be said that all his inferences were wrong, and Li Tian was not instigated by the Duanmu family?

To be honest, Yuwen Huangji was a little confused.

Of course, I don't even understand the grievances between this Duanmu family and Li Tian.

He snorted in his mouth and said, "Don't worry about the Duanmu family for now, you guys will put all your energy into finding that **** kid from now on!"

"No matter what, I must catch this kid... As long as I really catch him, I can know the truth behind the scenes!"

"I want to see if the one who doesn't have long eyes dares to attack the Xuanyuan sword of my Yuwen family." Yuwen Huangji roared.

"Yes, Patriarch."

"Then we will check it out." Just listen to the humanity of his subordinates.

"Okay, go ahead."

After Yuwen Huangji said so, those subordinates quickly retreated and began to continue to trace the clues of Li Tian and others.

The blood monk was defeated!

The slayer of one of the famous four elders: Blood Monk was defeated by Li Tian.

Following the defeat of the blood monk and Li Tianyi, the news spread across the entire Duanmu family like bacteria.

Duanmu Hei Ming never expected that the blood monk, one of his four elders, would be defeated this time! !

The last time the Black Hawk was defeated after Li Tian's battle, who could have imagined that even the Killer: Blood Monk was also defeated this time?

How can that kid Li Tian be so good?

how is this possible?

But when Duanmu Heiming saw the blood monk who came back pale and looked tired and prostration at the same time, he was deeply shocked!

The blood monk is really defeated!

In a gloomy residence, but I saw the fourth elder blood monk who came back standing in the center of the hall.

His chubby body was a little bent, as if he was carrying something heavy on his back.

The face that used to be treacherous and cruel, at this moment, was full of pale and loss, standing there.

On both sides of the room were members of the Duanmu family wearing black robes. In the middle, I saw Duanmu Heiming, who looked like a scholar, sitting motionless with a gloomy face.

One of his hands tightly grasped one end of the black seat, as if to crush the entire chair, and the other hand was curled up there.

His eyes were staring at the blood monk.

"Four elders...even you were defeated by that kid? To be honest, I can't believe it."

Duanmu Heiming in front of him suddenly said in a low voice.

The blood monk who used to be arrogant and domineering was like a **** that had been defeated at this moment, and the whole person slowly lowered his head.

"Patriarch, I was wrong... I was too careless!"

"I never thought that this kid would have such a strange skill... unexpectedly, he had sucked so much of my energy of practicing for so many years!!" The blood monk said there.

"Really?" Duanmu Heiming suddenly coldly snorted.

"Yes."

"There are so many of you, plus your four elders yourself, can't deal with the kid surnamed Li? Haha..." Duanmu Heiming suddenly laughed while talking.

The blood monk just bowed his head deeply and said no more.

"waste!"

"Do you know? You are all his trash!"

"Even one of the four elders of my Duanmu family can't deal with that kid? Do you want me to go out in person?" Duanmu Heiming said suddenly like crazy.

"Clan leader, the subordinates know that they are wrong, please give me another chance." The blood monk in front of him said with his head down deeply.

The previous arrogant and arrogant attitude all vanished at this moment.

The standing members of the Duanmu family in black robes on both sides stood still as cold as rocks.

The entire dark room was filled with a breath of suffocation.

After Duanmu Heiming had cursed the blood monk again at this moment, he suddenly looked up at the sky.

Two hands were clenched on the black wooden chair he was sitting on, and the force from his hands made the guard of the wooden chair creak, as if to be crushed alive by him.

"I'll ask you again, did the kid surnamed Li tell you about Xuanyuanjian?" Duanmu Heiming suddenly turned his face and looked at the blood monk and said.

I saw Monk Blood took a deep breath, then raised his head and looked at the Duanmu Hei Ming and said, "He said..."

"What did he say?" Duanmu Heiming asked quickly.

The blood monk said: "That kid said, he wants... he wants to exchange Xuanyuan sword for the antidote to the Sanshengmen poison in his body!"

Hahahaha!

When Duanmu Heiming in front of him suddenly heard what the blood monk said, the whole person suddenly laughed wildly there.

"He wants an antidote? Want an antidote to Sanshengmen's poison?"

Duanmu Heiming suddenly repeated in his constant mouth as if he had heard a huge joke.

Suddenly, his laughter stopped abruptly!

In exchange, it was an extremely ugly expression.

"Asshole, **** it!"

"Dare to negotiate a deal with Duanmu Heiming... Who does he think he is? He is just a **** at his will, and the **** dares to make a deal with me now!!"

"I'm going to kill him, I'm going to kill him myself." The roaring words suddenly roared from Duanmu Heiming's mouth.

Chapter 586: Hospital emergency

How can Duanmu Heiming not be angry?

I think in order to get the Rashomon from Li Tian: Nine Style Kungfu, he spared no effort to save Li Tian, and he also received his Duanmu family.

Although Li Tian did not do much in the Duanmu family, at least during the Duanmu family period, Duanmu Heiming did not kill him, but he never thought that Li Tian, whom he had been using, suddenly turned his head back. Took him a bite.

The evil thoughts he used to deliberately deliberate, now all are in vain.

Not only did he not get the ancient relic Xuanyuan Sword he most wanted, but he also injured several masters.

In the black and white double evil, Bai Wusha was killed, and the black eagle was defeated!

Now that even the blood monk among his own four great elders was defeated by Li Tian, how could Duanmu Heiming not be angry!

To be honest, Duanmu Heiming was very angry.

The angry now just wants to kill.

But what can he do?

Don't you really want the ancient relic Xuanyuan sword you most want to get? Don't give Li Tian the antidote, let Li Tian be tortured to death by the Sanshengmen poison?

Duanmu Heiming was plunged into worry, his gloomy eyes stared at the corner in front of him, no one knew what he was thinking at the moment.

"it is good!"

Suddenly, he spit out from Duanmu Heiming's mouth after two minutes of silence.

In the deadly dim room, only Duanmuhei said, "Okay, I'll change with him!"

"Use his life in exchange for Xuanyuan Sword."

Li Tian still has Old Monster Ge, A Qiu and Na Situ Ningbing are guarding outside the emergency room.

An hour has passed!

Two hours passed!

...

But the door of the emergency room was still tightly closed, and no one knew what was going on behind this door.

"Sick ghosts and Xiaolong will be fine! Absolutely not." Old Monster Na Ge sat on the bench in the corridor alone as if praying, muttering silently.

Na Qiu stood aside indifferently, without speaking or speaking, and no one could see the expression on his face.

Li Tian was full of pain on his face, and he felt distressed when he thought of his brother being injured like that for himself!

Is there anything in this life more painful than the injury of your real brother?

As time passed by, Li Tian and his brothers were waiting here quietly.

While Li Tian and Old Monster Ge, and Na Aqiu were waiting here, they didn't see a guy in a suit looking at them sneakily at the other end of the hospital corridor.

But seeing the man in a suit, when he saw Li Tian's appearance, he was deeply shocked.

Then he turned around and quickly walked out of the hospital.

After he walked out of the hospital quickly, he quickly took out a phone call from his arms.

"Hello." The phone dialed quickly.

"I found them." Hearing this guy eagerly said to the phone.

The other party answered the phone with a cold voice. After hearing what he said, he was slightly taken aback: "Are you sure? They are there now? You have to know that the Patriarch has been in a bad mood recently. If you dare to say something wrong, Be careful that the Patriarch punishes you!"

The man in a suit holding the phone here quickly said, "I promise you're right!"

"It's definitely them. Just now, I personally compared the photos, those who entered our Yuwen family."

After hearing the sound on the other end of the phone, the man quickly said to the phone: "Okay! I will tell the owner immediately!"

"And you have to keep a close watch on them there, remember, before we have passed, we must not startled and startled." said the other end of the phone.

"Yes."

The guy in the suit finished speaking, so he hung up the phone quickly, raised his eyes and took a look at Li Tian, who was still waiting at the entrance of the emergency room, and Chen Qiaozhi and others. The corners of his mouth curled and continued. Walked into the hospital and monitored Li Tian and Situ Ningbing.

Yuedu Hotel.

"Patriarch, did our people find the guy who stole the family Xuanyuan sword?" In the luxurious room, he saw a burly, wheat-skinned strong man who said to the emperor Yuwen.

"Really? Where?" Yuwen Huang said with excitement as soon as he heard it.

"In the Jinghai City Hospital." The man said.

"In the hospital?" Yuwenhuang frowned slightly.

"Yes! Listening to our people, it seems that the boy's subordinate was injured, so they are in the hospital."

After Yuwen Huangji heard this, his eyes suddenly revealed murderous intent.

"Great!"

"Finally let me find these bastards." Yuwen Huangji suddenly laughed and said.

"You go and inform everyone, within five minutes, they will all be downstairs and gather for me!"

"This time, if I don't catch those little thieves, I won't have the surname Yuwen!" Yuwenhuang said furiously.

He is more than 60 years old with his beard and gray hair, but he still looks full of energy at the moment.

So there were so many people from the Yuwen family in front of them, and they really quickly began to gather and march towards the Jinghai City Hospital!

It seems that they are really going to the hospital to find Li Tian to settle the accounts.

It's a pity that Li Tian and his brothers don't know that someone is coming towards them. They are just waiting at the door of the emergency room, waiting for the news of Tang Xiaolong and Chen Qiaozhi's critical illness.

Finally, half an hour later, the red light in front of the emergency room on the right finally went out.

"Come out," said Old Monster Ge excitedly when he first saw the red light in the emergency room go up, and at the same time he got up from the seat and trot towards the door of the emergency room. .

At the same time, Li Tian ran over quickly.

Both men stood guard at the door of this emergency room.

This emergency room was the ward of Chen Qiaozhi. From the current state, Chen Qiaozhi suffered slightly better injuries than Tang Xiaolong, because even the operation time was faster than Tang Xiaolong.

Besides, Li Tian and Old Monster Ge were all waiting for news from the emergency room at this moment, staring at the door stubbornly.

Bang!

As the door was pushed open, a few doctors and nurses in white coats walked out slowly as expected.

"Doctor, how is my brother?"

"Doctor, is the patient okay?"

...

The few doctors and nurses who just came out were immediately blocked by Li Tian, Old Monster Ge and Ah Qiu and asked impatiently.

The middle-aged doctor in the front who appeared to be in his 40s and wearing glasses slowly took off the mask on his face, and then reached out and gently wiped the sweat off his forehead, looking at Li Tian and others and said: it is good!"

"Fortunately, you sent it in time! If the patient is a little late, the blood on his body will drain...Now? From the current state, he is still relatively stable!" He was in his 40s. Middle-aged doctor said slowly there.

Chapter 587: Great Beauty: Ouyang Poetry

Suddenly hearing the middle-aged attending doctor say this, the old monster Ge and Li Tian became excited.

I heard Old Monster Ge said with a very excited expression on his face: "Doesn't that mean that the sick ghost is all right?"

"No!" The middle-aged doctor interrupted Old Monster Ge.

The faces of Old Monster Ge and Li Tian next to him were suddenly startled.

The middle-aged doctor continued: "Your friend was injured badly and bleeds too much. Although he has stabilized now, he still must not be paralyzed because his body is still very weak. If it is stimulated, the consequences will be unimaginable."

"So you, as his friends, should take this into consideration for him. During these two days, don't let it be a little irritating or hurt. Only in this way will he slowly get better." The doctor said slowly.

Hearing what the middle-aged doctor in front of them said, Li Tian and Old Monster Ge nodded quickly.

"Don't worry, doctor, we will definitely not irritate him." Old Monster Ge said aside.

"Oh, in that case, it would be the best," the middle-aged doctor said slightly.

After speaking, he walked forward in a white coat.

"Hey! The sick ghost finally stabilized." Old Monster Ge said with a deep sigh.

"Yes."

"But now I don't know what happened to Xiaolong." Li Tian suddenly remembered Tang Xiaolong, and his heart was full of worry.

"To be honest, I feel that Xiaolong's injury seems to be heavier than Qiaozhi's." Old Monster Ge raised his head and said.

Li Tian nodded without comment.

Elder Ge was telling the truth, but Tang Xiaolong suffered more injuries than Chen Qiaozhi.

Now they really don't know what will happen to that brother Tang Xiaolong?

Waiting in front of the door of the emergency room on the left, Li Tian kept walking back and forth, staring at the red light on the emergency room all the time... I hope it can be on, so he can know. The safety of his brother.

Although Situ Ningbing, who was standing on one side, also cared about Li Tian's brother, he had not yet reached the point where he devoted himself wholeheartedly like Li Tian.

She stood with those beautiful eyes and looked around, and suddenly her beautiful eyes looked at the place behind.

What she saw was a corridor, but there was a man in a suit holding a newspaper in the corridor looking at them.

When Situ Ningbing's eyes suddenly stopped on his body, the man in the suit coughed slightly, then turned his head slightly, and continued to pretend to look at the newspaper in his hand.

This situation made Situ Ningbing feel that something was wrong.

She took a deep look at the man in the suit, but saw that Situ Ningbing was still staring at him from the corner of his eyes, so she stood up, put away the newspaper, and walked towards the lobby of the hospital. Go over there.

"Li Tian, I think something is wrong here."

A word suddenly came out of Situ Ningbing's mouth.

Li Tian, who was originally wholeheartedly worried about his brother's injury, suddenly heard Situ Ningbing next to him say this, startled slightly, then turned his head to look at Situ Ningbing and asked, "What's wrong? Ningbing?"

"I just saw a sneaky guy staring at us here all the time."

"At first I didn't notice him, but when I suddenly stared at him, the guy showed his feet and hurriedly left here... Although I don't know who that person is, I think we can't stay here. For too long."

Listening to Situ Ningbing's words, Li Tian frowned slightly, then turned his head and looked at the corridor in front of him.

"Could you be wrong?" Li Tiandao said.

"No! Absolutely not." Situ Ningbing was very convinced to say there,

Li Tian knew what Situ Ningbing said "no" twice.

You must know that Situ Ningbing was a top killer in the past. Her intuition, as well as her sense of smell for judging the enemy, may sometimes be more sensitive than Li Tian, so when Situ Ningbing said twice in a row that no, Li Tian knew he might be in serious trouble this time.

"In this case, we will be in great trouble." Li Tian suddenly muttered.

"Or, let's leave this place quickly? If I'm not mistaken, that person must be watching us here just now. I don't expect someone to come here in a while." Situ Ningbing looked at it. Said around.

"But what if we leave, Xiaolong and Qiaozhi?" Li Tian said suddenly.

In fact, how could he not know the danger of his situation.

In Jinghai City, not only people from the Duanmu family are looking for them like crazy dogs, but even the Yuwen family and the Ouyang family are also looking for him.

Now Li Tian dared to show up in a crowded place like a hospital, which is of course extremely dangerous.

But if he does not show up, what will his brother do?

Could it be that Tang Xiaolong and Chen Qiaozhi were so dead?

Hearing Li Tian talking about his brother, Situ Ningbing went silent, her beautiful eyes looked at the ground without speaking.

After a while, she slowly lifted her beautiful face and looked at Li Tian, with a soft smile at the corner of her mouth: "I listen to you."

"What do you say, I will do it."

A faint word, how much true feeling is in it!

Li Tian was deeply moved there, and he hugged the beauty Situ Ningbing in front of him, and hugged him tightly.

"Fool! Follow me and make you suffer." Li Tian said silently distressed.

Situ Ningbing shook his head slightly in Li Tian's arms.

"As long as I am with you, I don't care about anything."

Two people, two hearts, are tightly tied together at this moment, even if the mountains and the ground are broken in this life, they will be tightly together.

Ouyang family.

A beautiful pink Maserati drove in quickly toward the villa area of the Ouyang family.

Everyone in the Ouyang family knows who these two beautiful red Maserati belong to.

She is the great daughter of Ouyang, Ouyang Poetry who was once known as the most amazing talented girl in the Ouyang family.

When Ouyang Shiqing drove the two beautiful red Maserati quickly to the door of one of the most luxurious villas of the Ouyang family, the door opened with a bang.

Then I saw a pair of beautiful legs in **** black stockings first exposed from Maserati.

Sexy legs like a pencil, looking ecstasy.

Then I saw Ouyang Shiqing walking out of the car in a black professional skirt.

Chapter 588: Her love

In the past, she rarely wore this kind of professional dress. Today, she only wears this kind of professional dress because Jinghai City is holding a grand cultural festival. It is said that even the mayor of Jinghai City participated in the attendees.

So today's Ouyang Shiqing will wear such a formal.

Take a closer look at Ouyang Shiqing. She is so beautiful in such a short professional dress, and the beauty is almost flawless.

The two slender legs, coupled with the slender, almost perfect S-shaped figure, really can be called amazing.

A pair of black delicate black-rimmed glasses straddled her straight bridge of nose, and the red cherry lips underneath were like roses in full bloom.

But I don't know why, but Ouyang Shiqing's exquisite face seems to have something big, which is very solemn.

After coming down from the Maserati in front of him, he stepped on black high heels and quickly walked towards the main hall of the Ouyang family.

"dad....."

Ouyang Shiqing's delicate voice can be heard from a distance.

In the main hall, holding a real estate industry report in his hand, Ouyang Zhengtian, who was watching, was taken aback after hearing his daughter's call, then put down the newspaper, and then saw the beautiful and moving Ouyang poems Love walked in quickly from outside.

The moment he saw Ouyang Shiqing, Ouyang Zhengtian suddenly frowned slightly.

"Poetry, why are you back? Didn't it mean that you were going to participate in the cultural festival in the city today?" Ouyang Zhengtian asked curiously in front of him.

It turned out that the end of this cultural festival was almost 1 o'clock in the afternoon, but now it's only after 11 o'clock in the morning, how did this Ouyang Shiqing come back halfway?

But seeing Ouyang Shiqing walking quickly into the main hall, she immediately said: "Dad, do you know that the Yuwen family has found clues to Li Tian?"

Following Ouyang Shiqing's words, Ouyang Zhengtian suddenly frowned slightly.

He never thought that his daughter would come back from the cultural festival halfway because of the surname Li Xiaozhi.

At this moment, Ouyang Zhengtian snorted slightly in his nose, which seemed very unpleasant, as if Ouyang Shiqing cared so much that Li Tian made Ouyang Zhengtian very dissatisfied.

"Well, I know." A word came out of Ouyang Zhengtian's mouth.

"Dad, do you know that?" Ouyang Shiqing said in disbelief.

"what happened?"

"Since that Li Tian has the courage to steal things from the Yuwen family, it is natural for the Yuwen family to find him." Ouyang Zhengtian said slowly.

"But...Dad..."

"You should...should understand Li Tian...he is definitely not that kind of person..." Ouyang Shiqing said with anxiety on her face.

"Huh? Why isn't he! People Yuwen Huangji took out the photos, how does he want to deny? That Yuwen family's Xuanyuan sword was clearly stolen by Li Tian." Ouyang Zhengtian said there.

"Dad, even if it was stolen by Li Tian, I believe he must have something unspeakable..." Ouyang Shiqing said.

Hearing what his daughter said, Ouyang Zhengtian raised his brows and looked at his daughter.

"Shiqing, tell me, why do you care about Li Tian so much? Is it just because he rescued you at the train station? Even if it was, the Ouyang family rescued him from Tu Wei. I I also returned the kindness to him!"

Hearing Ouyang Zhengtian said this, Ouyang Shiqing in front of her stopped talking for a while, she lowered her head and said nothing.

"Furthermore, it was Li Tian who was unwilling to live up to his temper. He wanted to fall for himself and joined the Duanmu family. Now he is bolder to steal the Yuwen family's treasure... All of this is his own fault." Ouyang Zhengtian was angry. Say.

In fact, Ouyang Zhengtian also cherishes talents. To be honest, in Ouyang Zhengtian's heart, he doesn't want to be like this, otherwise Ouyang Zhengtian would have told Yuwen Huangji about the things before Li Tian.

The reason why Ouyang Zhengtian said so now is because he has no choice. As the head of the Ouyang family, he can't fight against the Yuwen family for Li Tian, right?

Besides, Li Tian was wrong in this matter. Li Tian first provoke the Yuwen family and stole Xuanyuanjian from the Yuwen family... So Ouyang Zhengtian could only do this at this moment.

Of course, Ouyang Zhengtian didn't know everything that Li Tian had experienced, and he didn't even know that Li Tian was forced to steal the Xuanyuan sword from the Yuwen family because of the poison of the Sanshengmen of the Duanmu family.

"Dad... No matter what, I believe him!" Ouyang Shiqing refuted her father's words for the first time.

She stood there timidly, facing Ouyang Zhengtian in front of her.

Ouyang Zhengtian was angry when he heard his daughter say this, but he couldn't get angry with his beloved daughter.

"Poetry, listen to Dad, let's not interfere in this matter."

"If you say that Li Tianzhen is like you said, then I believe he will be fine this time. If you believe Dad, it is the dragon that will fly for nine days after all...So we'd better not too much about him. Worry." Ouyang Zhengtian said to his daughter there to comfort him.

Ouyang Shi listened to her father's words, her lips moved, as if she wanted to say something, but finally she endured it and did not say it.

She just lifted her eyes slowly, and then glanced at her father.

"Okay, then I'm tired, I'll go back to my room to rest."

The Ouyang Shi's love letter said nothing too much, turned around and walked out of the main hall.

Then Ouyang Zhengtian looked at the daughter who left, sighed slightly, and didn't say much.

However, after that Ouyang Shiqing walked out of the main hall, she did not go back to her room directly, but turned and walked towards her Maserati.

Then she turned around and got into the car in front of her. After getting in the car, stepping on the gas pedal, Maserati let out a roar, then Ouyang Shiqing, who was sitting in the car, turned the steering wheel with both hands, and then the car made a domineering turn around and directly towards The Ouyang family drove away quickly.

Where is Ouyang Shiqing going?

No one really knows at this moment.

Li Tian and the others are still waiting at the door of this emergency room for Tang Xiaolong's condition.

After the previous Situ Ningbing saw someone sneaking over them, the current Situ Ningbing has been cautiously raising her beautiful eyes and looking around, looking at the surrounding abnormal conditions.

Most of the hospitals consist of patients who come to the hospital, doctors and nurses in white coats.

Chapter 589: Immediately

While the beautiful eyes of Situ Ningbing were instructing to watch carefully in the corridor on the other side, suddenly at the gate of the hospital, six black domineering bentleymotorslimited cars suddenly drove in mighty.

When these six black bentleymotorslimited cars, as powerful as whales, drove to the entrance of the hospital, they all stopped with a hiss.

Those nurses at the door have never seen such a dazzling aura.

You know that this bentleymotorslimited alone is worth more than two million yuan. Now there are six vehicles coming in at once. What kind of awesome character is it that came to the hospital?

The nurse at that door was shocked, but saw the doors of six cars slammed open at the same time.

Then they walked out of the car one by one, wearing a black suit with a cold face.

There are 45 people in each car.

Among the people who came down in the middle, I saw a vigorous old man wearing a yellow suit that looked like a dragon robe. He had thick eyebrows and hair, and a cold face with a domineering sense of not anger.

He is the head of the Yuwen family, Yuwen Huangji.

After getting out of the car, those sharp eyes glanced at the hospital in front of him and waved his hand slightly: "Block all the front and back doors of this hospital for me..."

"Whoever dares to let go of that **** today, don't come back to see me!"

After his cold voice uttered, the men hurriedly said in unison: Yes, and then ran towards the front entrance of the hospital, the back door ran to guard.

After Yuwen Huangji gave his instructions, he turned his head slightly and asked one of the people next to him: "Where is the person watching?"

"In the front," the subordinate said.

Then quickly lead the way forward.

After a while, I saw the guy who had been monitoring Li Tian and the others before, the sneaky guy in a suit ran out of the hospital.

"Patriarch." After he ran out, he respectfully yelled at Yuwen Huangji in front of him.

Yuwen Huangji asked immediately: "Did you monitor them?"

"Yes, Patriarch."

"Are they there now?" Yuwen Huangji continued to ask.

"It's right in front of the door of the emergency room," the man in the black suit said.

"Okay, go, take me to see."

The Emperor Yuwen who was talking quickly took the one or twenty men behind him, and walked quickly towards the hospital.

When Yuwen Huangji and the others reached the door of the hospital aggressively, Situ Ningbing had already seen something wrong.

"Li Tian, the people outside seem to be from the Yuwen family."

Situ Ningbing said suddenly.

When her words came out all of a sudden, Li Tian, Old Monster Ge, and Na Aqiu, who were originally concerned about Tang Xiaolong's injury in the emergency room, were deeply shocked and couldn't help turning their heads at the same time. Then they saw at a glance that Yuwen Huangji and a large group of people walked towards the hospital.

"The Yuwen family found us?" Old Monster Ge suddenly exclaimed and said there.

And the whole face of Li Tian who was standing by the side at the moment became extremely ugly.

He is not worried about his own safety. What he is most worried about now is that if the misunderstanding between them and the Yuwen family cannot be resolved today, what will happen to his two brothers in the ward?

Although Chen Qiaozhi has stabilized now, the doctor made it clear that he must not be irritated at all.

Once stimulated, it is very likely that Chen Qiaozhi will be in danger, and the most important point is that Li Tian doesn't even know how well Tang Xiaolong's safety is.

"Li Tian, what shall we do now? The Yuwen family has brought so many people here?" Elder Ge said in panic there.

To be honest, Li Tian does not know what to do now.

He slowly raised his head and glanced at it. The Yuwen family who was walking toward them aggressively and quickly could only slowly face Old Monster Ge and Na Aqiu beside him and said: "Old Ge, Aqiu, let's go first!"

"Go?" Old Monster Ge and A Qiu couldn't help being slightly taken aback when they heard Li Tian let them go.

"What about you?" Old Monster Ge looked at Li Tian curiously and asked.

A bitter smile appeared at the corner of Li Tian's mouth, and then said slightly: "It's okay, I can resist them."

"Listen to me, you should leave here first, and I will look for you later." Li Tian smiled and said to Old Monster Ge and Na Aqiu behind him.

Listening to Li Tian's words, Old Monster Na Ge and A Qiu were certainly not fools, of course they understood what it meant.

Seeing that Yuwen Huangji brought so many subordinates over, how could Li Tian stand alone?

He is not a god, how can he withstand so many good players from the Yuwen family only with his flesh and blood? The reason Li Tian said so at this moment was nothing more than to give some comfort to the brothers.

"No! I'm following you, big brother." Ah Qiu, who had never spoken much, suddenly stepped forward and stood tightly side by side with Li Tian and said.

"Aqiu... listen to me, you go first! I will be fine." Li Tian continued to persuade his brother.

But Ah Qiu was stubborn like a stone, motionless there, no matter what Li Tian said, he swears to be with Li Tian.

After seeing this situation, Old Monster Na Ge sighed silently.

He understood that their troubles were really serious today. They stole the Yuwen family's Xuanyuan Sword. The Yuwen family must have hated them. If they don't leave at this moment, it is likely that today will be a desperate battle.

In addition, Chen Qiaozhi and Tang Xiaolong's two dying brothers are still in the emergency room. Whether it is external or internal, today is an extremely ominous day for the brothers.

"Well... Since you are not leaving, my old man will not leave either." A word suddenly came out of Old Monster Ge's mouth.

This old monster Ge, who has taken life the most important in the past, was also moved by the true feelings of Li Tian and his brothers.

"Ge Lao!" Li Tian looked at Ge Lao, heart moved, not knowing what to say.

Old Ge waved his hand slightly, and said with a smile on his face, "It's okay."

"We've lived and died like this all the way, it doesn't matter whether we live or die today... Hey."

Now Li Tian and others have indeed reported their determination to die, watching the Yuwen family's popularity come toward this side menacingly, and they are still motionless in front of the emergency room.

Chapter 590

"It's them." The man in the black suit next to Yuwen Huangji pointed to Li Tian and the others and said.

Yuwen Huangji's pair of sharp eyes stared at Li Tian and the others unblinkingly.

When he fixed his eyes, a terrible smile appeared at the corner of his mouth: "It turns out that these **** dared to touch the treasure of my Yuwen family..."

"Today, I want to see where they are running."

As Yuwen Huangji said so, he took the Yuwen family behind him and walked quickly towards Li Tian in front.

When the nurses of the hospital saw that Emperor Yuwen brought so many subordinates into the hospital, they couldn't help being stunned. One of the nurses in their 30s asked there, "Hey, hello, hello, you are Why...Is it a doctor?"

As soon as the nurse said this, she saw the members of the Yuwen clan next to her suddenly gave her a cold eye.

"Go away!"

A cold shout came out of the members of the Yuwen family.

After he shouted loudly, the nurse backed away with a pale face in fright, and no longer dared to say a word.

At this moment, Yuwen Huangji had arrived in front of Li Tian and the others, and his Yuwen family members had already surrounded Li Tian and others in a semi-enclosed shape.

But I saw Li Tian, Old Monster Nage and others standing there calmly, and they didn't appear panicked because these people of Patriarch Yuwen surrounded them.

"Boy, finally let the old man find you." A sentence suddenly came out of Yuwen Huangji's mouth.

After Yuwen Huangji finished speaking, Li Tian only glanced at him and the Yuwen family members with him behind him.

"What? Do you pretend you don't know the old man?" Yuwen Huangji suddenly said there.

"If I didn't guess wrong, you must be the head of the Yuwen family." A word finally came out slowly from Li Tian's mouth.

"Good boy, since you know who the old man is? Don't use too much nonsense and hand over Xuanyuan Sword quickly... Maybe the old man will show kindness, and today I will let you keep a whole body!" Yuwenhuang screamed furiously. Where to say it.

A smile suddenly appeared at the corner of Li Tian's mouth, looking at Yuwen Huangji in front of him.

"Patriarch Yuwen, to be honest, I really don't want to be an enemy of your Yuwen's house. Stealing your family's Xuanyuanjian, I admit, I did it! But I can swear in front of so many people, Xuanyuanjian, I Li Tian will definitely return it to you...but now I can't give it to you." Li Tiandao said.

Listening to Li Tian's words, Na Yuwen Huangji suddenly burst into laughter.

"Asshole!"

"You dare to sneak ***** and slippery in front of the old man, do you think that if you don't hand over Xuanyuan Sword today, would I let you leave this place alive?" Yuwen Huangji suddenly revealed endless murderous intent.

Li Tian couldn't help sighing suddenly as he listened to Yuwen Huangji's Chinese.

"Patriarch Yuwen, I'm telling the truth. If you don't believe it, I can't help it." Li Tiandao.

"I believe you? You little thief thinks the old man is stupid?"

"I'll ask you again, do you pay Xuanyuanjian or not?" Yuwen Huangji said openly.

At the moment his roaring voice was uttered, the more than twenty members of the Yuwen family behind him had already revealed a sense of war in their eyes.

They all stared at Li Tian and Situ Ningbing and the others in front of them.

Ah Qiu here couldn't help but stepped forward slightly, standing side by side with Li Tian.

Situ Ningbing's cold beautiful eyes also looked around, both hands were already clenched, ready to deal with sudden changes.

But seeing that everyone's eyes were on Li Tian at this moment, waiting for his answer.

I saw Li Tian glance at the situation in front of him. He knew that he really seemed to have nowhere to go today. He originally thought he would not have such a misunderstanding with the Yuwen family. Now it seems that this misunderstanding is certain today. To be produced.

"Patriarch Yuwen, I know that I was wrong to steal your family Xuanyuanjian this time...but I really have something to say! I still said that...If the Yuwen family can trust me once, I promise Li Tian that it will not be long before Xuanyuanjian I will return my hands to you! And I will come to the Yuwen family to plead for the crime!" Li Tian said from the bottom of his heart.

But how can Yuwen Emperor believe his words at this moment?

Imagine a person who stole his family and said something like this in front of others, no one would believe it?

Yuwen Huangji's murderous face became more and more ugly.

"Are you playing smart in front of the old man? Do you think the old man will be tricked by your rhetoric?"

"You thieves, if I kill you by myself today, I will be sorry to myself."

With a roar, Yuwen Huangji suddenly waved at his subordinates: "Go!"

The more than twenty Yuwen family members behind suddenly rushed towards Li Tian.

Li Tianyi saw that those Yuwen family members had already started, and he had no other way. It seemed that he could only fight to the death today.

"Everyone, be careful." Li Tian exclaimed.

When he uttered, Ah Qiu beside him had clenched his fists, and Old Monster Ge at the back also carefully looked at the situation in front of him.

At this time, Situ Ningbing had already taken the life-threatening silk in his hand.

Boom!

But seeing a strong man from the Yuwen family who rushed up there first, he slammed his fist toward the front Aqiu like a shock.

Judging from the power and speed of this punch, this person must be a master of the Yuwen family!

It is undeniable that the characters brought out by the Yuwen Emperor are all top masters of the Yuwen family. In order to regain Xuanyuan Sword, this Yuwen family has lost their blood this time.

So he didn't hesitate to bring all the masters of the family out in order to seize Xuanyuan Sword.

But he said that when the fierce man slammed a punch, Aqiu gave a cold eye, then moved quickly under his feet, leaning forward, and his right fist also attacked at the same time.

The fierce man made a staggered step, and his two fists violently attacked Ah Qiu again.

A Qiu flew a kick and pushed back the fierce man, and then quickly chased him up, with a bang, hitting the fierce man's chest directly.

There was a bang, and then the hunk man's body flew back like a cannonball.

After Ah Qiu here has taken the lead in the hands of the Yuwen family, the members of the Yuwen family over there immediately rushed towards Li Tian and the others. With their fierce moves, they quickly moved towards Li Tiangong. Come.
