

A Killer 621

Chapter 621: Terrifying toxicity

"The ghost servant is right!"

"From now on, I and the ghost servant will follow you and protect you." Du Guxie said suddenly.

Listening to the ghost servant and the Duguxie in front of him saying this, Li Tian was subconsciously stunned.

Xie Jian: Duguxie, and the "shadow" ghost servant who will follow him in the future? And protect yourself? This is of course an extremely glorious thing for him.

This is not only a glorious thing, but also what an awesome thing.

You must know that the evil sword Duguxie was the man who made a fortune in those days! Of course, the shadow ghost servants were already famous and ruthless characters more than 20 years ago. Now these two people want to follow themselves? How can you keep him from getting excited?

"You... Are you really willing to follow me wronged?" Li Tian was shocked.

The Duguxie and the ghost servant suddenly laughed.

"Young Master, we are not wronged!"

"Yes, young master, we originally followed your father. Now that the eldest brother is still in a state of disappearance, then of course our brothers must protect you!" said the ghost servant next to him.

Listening to their words, Li Tian knew that all this was true at this moment.

Facing such two sturdy people and following himself, Li Tian was of course extremely excited.

"Young Master, we have a good idea. Next, let's take action on the **** of the dark Duanmu family!"

"Yes, the dark Duanmu family was swept once by the elder brother more than 20 years ago... It's just that there was a wizard in the Duanmu family: Duanmu Jingzang."

"Speaking of the character of Duanmu Jingzang, it's really good! The eldest brother didn't act on the entire Duanmu family because of this person's face... But I didn't expect these guys to dare to use such a viciously broken palm against the young master. !"

"That **** Duanmu Heilong, I must have him die under my hands." The ghost servant said hoarsely.

At the same time, the terrifying aura that permeated him was exposed,

Li Tian was slightly stunned when he heard the ghost servant say this.

His face hesitated for a moment. Seeing the hesitant expression on Li Tian's face, the Duguxie in front of him couldn't help but curiously asked, "What's the matter? Young Master?"

But seeing Li Tian slowly said: "It will be a matter of time before the Duanmu family is attacked, but what I am most worried about now is my brothers."

"So I want to find my brothers first." Li Tiandao said.

Hearing Li Tian's words, the ghost servant suddenly said, "Okay!"

"The young master really emphasizes love and righteousness, really exactly the same as the big brother back then." Ghost servant said excitedly.

"Yes, eldest brother did everything for our brother back then... hey, even the last time, eldest brother was trapped by so many masters for the safety of our brother! If it weren't for us, the eldest brother... Hero, how can you be trapped by those bastards!"

Recalling the past more than 20 years ago, that Duguxie was full of excitement, and the hand that held the three-foot bronze sword in his hand was trembling.

Seeing Duguxie's excitement, Li Tian slowly stepped forward, and then stretched out a hand to hold Duguxie's hand tightly.

"Although I haven't met my parents, although I don't know what my parents are like now, I firmly believe that they are definitely not dead! They are definitely still alive, and I swear that Li Tian will find me in this life Parents."

Words full of vows came out word by word from Li Tian's mouth.

For more than 20 years, for more than 20 years, Li Tian has lived without fathers and mothers. It used to be that Li Tian was thinking about his parents and who they are in the middle of the night. ? What do they look like...

Now that he finally knows the news of his parents, how can he not get excited? How could he not find his parents?

So as long as Li Tian handles the things on his hands, he will immediately find his parents!

Look for the awesome character who has disappeared for more than 20 years: Cthulhu!

"That's it! Let's follow the young master to find his brother first." The ghost servant in front of him said there.

Duguxie nodded deeply.

"I guess your brothers should all be in the Ouyang family, so we can go directly to the Ouyang family in the next step." Just listen to the words of Duguxie in front of you.

Li Tian smiled and nodded.

Then when Li Tian opened his mouth and wanted to say something, suddenly a piercing and clogged pain suddenly surged from his heart to his forehead.

Without even a bit of consciousness, Li Tian's eyes went black, and his whole body thumped and fell to the ground.

So suddenly, so fast, without any signs of sex, she fell to the ground like a dead person.

When suddenly seeing Li Tian fall to the ground in such a straightforward manner, the ghost servants and Duguxie were stunned.

"Little Lord!"

The two rushed towards Li Tian who fell to the ground lifelessly.

After the ghost servant jumped over in one step, he quickly stretched out a hand to help Li Tian up.

"Young Master, Young Master, what's the matter with you?" The Ghost Servant shouted excitedly, with endless care in his voice.

And that Duguxie was also stunned.

"What's wrong with Young Master? What's the matter with him?" Duguxie knelt on one leg and half-kneeled on the ground, roaring at Li Tian who fell to the ground unconsciously in front of him.

But seeing the ghost servant carefully checked Li Tian's coma, and quickly flipped Li Tian's pupils with his hands!

But seeing that Li Tian's black pupils had been completely retracted, as if they were dead.

The ghost servant was shocked, and at a glance he saw a black line in Li Tian's neck, rushing straight into Li Tian's forehead like a poisonous snake.

The ghost servant opened Li Tian's chest, and at the moment he opened it, he was taken aback!

Gosh!

But seeing that Li Tian's chest was completely black.

And even the blood vessels seem to have turned black, crawling all over Li Tian's chest like ears!

"Sanshengmen Poison!"

When the ghost servant in front of him saw it, he recognized it at a glance.

When Du Guxie next to him heard the ghost servant say so, he was immediately astonished.

"what did you say?"

The ghost servant hurriedly said: "The young master seems to have hit the chronic deadly poison of the Duanmu family's Sanshengmen... Now the toxicity has just started, so the young master will suddenly fainted just now! But fortunately, the young master is The chronic poison of the Duanmu family, so this coma will not be fatal."

Hearing what the ghost servant said, the bronze sword in Duguxie's hand suddenly plunged into the ground with a hurried sound!

Chapter 622: I want you to die

The hard ground was inserted more than an inch by the bronze sword in Duguxie's hand!

"Damn Duanmu family!" Du Guxie said angrily with a very cold murderous aura.

The ghost servant hurriedly helped Li Tian in front of him and walked quickly towards the basement.

After gently putting Li Tian on the iron bed, Duguxie asked with a worried expression, "Will he be okay? I heard that the Sanshengmen poison of the Dark Duanmu family is the most poisonous. Poison, and only members of their family can crack it."

After the ghost servant next to him put Li Tian on the bed, he nodded slowly.

"Second brother, you are right!"

"It seems that Young Master really has a lot of trouble this time."

"These Sanshengmen poisons have always been the most pungent poison in the Duanmu family. I didn't expect these **** to dare to use such a vicious poison against the young master!!" The ghost servant suddenly said angrily.

"kill!"

"This time I must make the Duanmu family pay the price of blood!" Duguxie roared.

Fortune Wushuang comes, misfortune never comes singly!

Unexpectedly, when Li Tian's arms became "scrap people", the Sanshengmen toxicity in his body suddenly began to attack again.

It's just that Li Tian's luck is still better. Among him is the chronic Sanshengmen poison of the Duanmu family. If it is acute, it is estimated that Li Tian has already been poisoned and died!

No one dares to doubt the toxic power of the Duanmu family Sanshengmen Poison, even the ghost servant dare not challenge it!

And the most terrible thing is that this Duanmu family's Sanshengmen poison cannot be eliminated by outsiders at all. Only Duanmu family members can have this antidote. Except for the Duanmu family, whoever gets the poison of these Sanshengmen dead!

So now that the ghost servant and Duguxie in front of them knew that Li Tian had been poisoned by the Sanshengmen, the two of them began to become anxious inside!

Can't wait to kill the Duanmu family at this moment and force the antidote of the Sanshengmen to come over.

Duanmu family!

Since the last time that Duanmu Heilong attacked and killed Li Tian and failed, the current Duanmu family has fallen into a clouded state!

Because Duanmu Heiming already knew that the real strongman was born!

What's more frightening is that these abnormal level masters who have disappeared for nearly 20 years are now on Li Tian's side, which makes Duanmu Heiming very depressed and very scared.

What was depressing was that he didn't understand that this awesome character who had obviously disappeared for more than 20 years, Evil Sword: Duguxie, and why did the "shadow" ghost servant suddenly appear? The scary thing is that these two perverted characters are now standing with Li Tian!

If then Li Tian really got into trouble with his Duanmu family, it would be fine.

So now Duanmu Heiming can't even rest.

All day long alone in his secret room where he practiced Kung Fu, staying alone.

In the dark secret room, but a graceful figure suddenly walked in slowly.

In the secret room, I saw the head of the Duanmu family, Duanmu Heiming sitting motionless in front of the spiritual position in front.

The place in front of him was the spiritual seat of the master of the Duanmu family, and the current Duanmu Heiming was sitting in the middle.

While he was sitting quietly, a charming and slender figure behind him suddenly walked towards him quietly like a ghost.

"Heiming... why sit here alone?" A coquettish voice came from the slender twisted figure behind.

With the dim light, it was the vicious woman who was walking: Hua Sanniang!

When Hua Sanniang walked toward this side step by step, Duanmu Heiming groaned in his mouth, but did not speak. He just sat motionless in front of the spiritual seat of the Duanmu Patriarch of the past.

"Heiming...what's the matter?" Duanmu Heiming asked when Hua Sanniang approached him.

But seeing the sitting Duanmu Heiming suddenly his whole body rose from the ground and stood there coldly.

The slightly pale face slowly said, "Nothing..."

When Hua Sanniang heard Duanmu Heiming's refusal to tell her, a slightly resentful expression appeared on his face.

"Heiming, why don't you tell me what happened? I'm your wife..." Hua Sanniang complained.

Duanmu Heiming turned his head abruptly: "What can I tell you? Can you prevent this horrible thing from happening?"

Listening to Duanmu Heiming's roar, Hua Sanniang was surprised and said, "What's the matter?"

"What else can happen? Isn't it the damned Li kid." But Duan Mu Heiming said angrily, clenching his fists.

Hearing that Duan Mu Heiming was worried about Li Tian, Hua Sanniang who was next to him was slightly startled.

"Heiming...why do you worry about a dying guy?" Hua Sanniang said suddenly.

Hearing this sudden sentence from Hua Sanniang, Duanmu Heiming suddenly looked at Hua Sanniang with a gloomy expression.

"What do you mean? What makes him dying?"

"Heiming, can't it be that you have forgotten that the Sanshengmen poison of our family in that kid's body, if I guess right, the Sanshengmen poison in his body should be about to break out... if he doesn't beg you by then? If you do, there is only a dead end." "So you don't have to worry about that **** kid...because he will come and beg you sooner or later." Hua Sanniang said with a wicked smile.

Suddenly, when Hua Sanniang in front of him talked about the Sanshengmen Poison, Duanmu Heiming suddenly remembered.

For so many days, to be honest, Duanmu Heiming almost forgot the Sanshengmen poison he used to give Li Tian, but now Hua Sanniang suddenly mentioned it.

"Yeah! I almost forgot." But seeing Duanmu Heiming who was slouched just now, he said with excitement like a dose of doping.

"The antidote to the Sanshengmen in that kid is about time. I guess his toxicity should begin to break out!" Duanmu Heiming suddenly said with a grimly smile.

"Yes, Heiming, once the toxicity happens, that kid will know the serious consequences! At that time, I guess he will listen to us obediently... and that Xuanyuan sword will also fall into our hands." Hua Sanniang said with a smile.

"This matter can never be careless again!"

"The last two things, I really underestimated that kid... The Xuanyuan Sword that caused the damage has not yet fallen into our hands! But this time, I won't!"

"The kid surnamed Li, I see how you can escape this calamity this time... The antidote to the Sanshengmen poison, only my Duanmu family has it in the sky and the earth! I don't believe you can go against the sky this time. Heiming said coldly.

Chapter 623: Luohe Futu out of the mountain?

"Hei Ming, I heard that the kid surnamed Li has a master guarding him...what kind of master is he who didn't even kill Li Tian like Duanmu Heilong?" Hua Sanniang was surprised at him. Asked.

Hearing Hua Sanniang's words, Duanmu Heiming's face became extremely ugly in an instant.

Duanmu Heiming was a little bit embarrassed when he thought of the names of the two perverted people in his mind.

"Hey! Those two characters are masters that our Duanmu family can't afford to provoke!" Duanmu Heiming said with a sigh suddenly.

When Hua Sanniang heard Duanmu Heiming say this, she was not only taken aback.

Ever since she followed Duanmu Heiming, who has never seen Duanmu Heiming fear? Not to mention who has the entire Duanmu family feared? But now, Duanmu Heiming actually said that those two people are cruel characters that their entire Duanmu family dare not provoke at all?

Where are those two people sacred? Did Duanmu Heiming tremble so much?

"No...Who on earth can have such great ability?" Hua Sanniang asked in surprise.

"Know that more than 20 years ago, the man who was known as the righteous and evil person: Cthulhu?" Duanmu Heiming said suddenly.

When he said it, Hua Sanniang's beautiful eyes were dumbfounded.

"Cthulhu...Cthulhu..."

"Are you talking about the monster that has disappeared for more than 20 years?" Hua Sanniang's cherry mouth was open with eyes full of unbelievable.

But seeing Duanmu Heiming in front of him, he nodded silently.

"It's him! It's him!"

"Oh my God! Isn't that person dead... Heiming, why are you talking about him suddenly?" Hua Sanniang asked with a surprised face in front of him.

"I said him, that's because you know who are the two masters who prevented the second elder from killing Li Tian's kid this time?" Duanmu Heiming said with a snort.

"Who?" Hua Sanniang asked, staring.

"They are the brothers who followed the Cthulhu more than 20 years ago, Evil Sword: Duguxie, and the immortal servant of the Evil God, the shadow ghost servant!" Duanmu Heiming said.

When Duanmu Heiming said this all at once, Hua Sanniang seemed to be stunned!

"No...No... They are not dead...Aren't they all...have... disappeared for almost twenty years...? Why... how come they were born now?" Hua Sanniang Asked there with a look of horror.

When she heard that Duguxie and the name of the ghost servant, she really shocked her.

No way, those two names were already in the air more than 20 years ago, but I didn't expect that they would reappear more than 20 years later!

"This is what I am most depressed!"

"I never thought that these perverted-level figures who have disappeared for more than 20 years are now coming back out of the world..." Duanmu Heiming said with his fist tightly clenched.

"And what I hate most is that they all have something to do with the kid named Li! They all stand on their side."

"Why? How could it be?" Hua Sanniang couldn't believe it with eyes full of her.

"What is their relationship with that kid named Li?"

Duanmu Heiming roared, "How do I know!"

"Damn bastard!" he scolded.

This Duan Mu Hei clearly didn't know that Du Guxie had the relationship between the ghost servant and Li Tian, so he was so angry at this moment.

"So, then, what should we do?" Hua Sanniang said with a worried expression on her face.

Duanmu Heiming turned his head and said dully: "What should I do?"

"Hei Ming, since you said that Duguxie and the ghost servants are all standing on Li Tian's side... But, but, Li Tian is now poisoned by our family's Sanshengmen... To deal with our family... Isn't that... Isn't it... Our family will suffer unprecedented..."

Hua Sanniang wanted to say: The disaster of extinction! But she finally held back, she just couldn't believe it, looking at Duanmu Heiming beside her with that eye.

Duanmu Heiming suddenly let out a low growl in his throat.

"Do not!"

"impossible!"

"My Duanmu family will not be defeated so easily!"

"No matter what method is used this time, I will protect the family!"

"So, I must ask him out!"

Luohe Buddha!

A word suddenly came out of Duanmu Heiming's mouth.

The northernmost place of the Duanmu family is the residence of the Great Elder Luohe Futu.

This legend, as the elder of the Duanmu family, has long been out of the world, and his eyes are already blind, so now he is rarely out of his simple cabin!

In the Duanmu family, everyone knows the real reason why Luohe Futu stayed in the Duanmu family.

That's because Luohe Buddha has a knot in his mind!

The knot: Duanmu Jingzang, his once best friend, disappeared for no reason.

For so many years, Luohe Buddha has not been searching for the mystery of the unexplained disappearance of Duanmu Jingzang? But so far he has not found it.

But at the moment, in the Luohe Buddha Residence, only he and Luo Changfeng lived there.

Luo Changfeng was actually an orphan picked up by Luohe Futu when he was young. Later, he followed Luohe Futu and changed his name to Luo! In order to repay his gratitude, Luo Changfeng always followed Luohe Futu and served the blind old man.

Luohe Buddha's hair is all gray, and his tall body is slightly hunched. The traces left on his face by the years are like an ancient book, with layers of deep historical wrinkles. .

Now this old man, who is old, would sit in the small courtyard outside quietly basking in the sun when he was fine, looking at him from a distance like an old **** living in seclusion.

At this moment, on the side of the simple room facing the Luohe Buddha, the figure of Duan Mu Heiming was walking towards this side step by step.

Luohe Futu was sitting quietly in the courtyard, his old face, which had been looking up from the vicissitudes of life, was basking in the sun, suddenly his ears moved.

Just when this ear flicked, he moved his body slightly, and then the hand holding the dragon head cane gently smashed the ground, unmoved.

He muttered, "Why did he come?"

After speaking, Luohe Buddha turned slightly to the place behind him and said, "Chang Feng...take a chair out, someone is coming."

After Luohe Buddha's words came, the thin and handsome Luo Changfeng who was in the room was slightly startled.

Then raised his sword eyebrows and looked at the distant place... Sure enough, only a figure was walking towards this side step by step.

Chapter 624: Change

Luo Changfeng was taken aback, and his heart was dark: Uncle's ear power seemed to be getting better! Unexpectedly, I heard the sound at such a distance.

"Okay, uncle!"

Then Luo Changfeng swiftly moved a chair and placed it on the opposite side of the Luohe Buddha, and he himself slowly retreated to the back of the Luohe Buddha, standing, waiting for the visitors.

As the figure gradually approached, Luo Changfeng had already seen Duanmu Heiming.

"Uncle, the Duanmu clan master is here..." When Luo Changfeng told Naluohe Float in a sign, a smile appeared on the corner of Luohe Float's mouth.

In fact, when Luohe Futu heard the powerful stride, he could guess that Duanmu Heiming had come. At this moment, he was only slightly silent, and he couldn't help but secretly: What is he doing here suddenly?

"Great Elder!"

From a distance, I could hear the black clothes, and the scholar Duanmu Heiming said with a smile and said, thinking of Luohe Futu as he walked over.

Luohe Buddha was slightly ready to stand up.

"Patriarch..."

"The Great Elder doesn't need to get up... You don't need to get up..." Duan Mu Heiming said with respect like a younger generation saw an elder.

Na Luohe Buddha was not restrained either, smiled slightly, and sat down slowly.

"Patriarch, why are you fortunate enough to come to the place where the old man lives today?" But seeing the Luohe Buddha in that pair of eyes that had already been blind, said slightly.

Duanmu Heiming also smiled and said, "I haven't seen the Great Elder for many days. I don't know if the Great Elder lives here? So this time I came here to take a look."

"Thank you clan master." Luohe Buddha said with a faint smile.

"Elder, isn't this house a bit rudimentary...Should I look back and find a few people to come over and repair this house?" Duanmu Heiming pretended to be very concerned about the Luohe Buddha.

Luo Changfeng next to him was slightly surprised, and his heart was filled with surprise: This Mu Clan Master, what happened today? I have never seen this guy come to visit his uncle before. What is wrong today? He even cared about his uncle.

Naluo River Buddha was slightly curious when he heard Duanmu Heiming say this, but still said with a kind smile on his face: "Thank you for the kindness of the clan master, but the old man is used to living here... no need. Troubled the Patriarch."

"Oh, that's it! Okay, since the elder said so, then I won't make trouble." Duanmu Heiming said.

"Patriarch, there must be something to come to see me today?" Luohe Futu finally spoke out.

When he heard that Duanmu Heiming came to him for the first time since he hit his ears, he had guessed that Duanmu Heiming must have something to look for him?

Luohe Futu understands that all the polite words spoken before are perfunctory words, so the current Luohe Futu will pick out the words and ask questions there.

Duanmu Heiming is naturally a wise man. After hearing what Luohe Buddha said at this moment, he laughed.

"The great elder is indeed a magical calculation, in fact, I came to the great elder this time, there really is something!" Duanmu Heiming said there.

"If you have anything to say about the clan owner," Luohe Buddha said slightly.

Hearing this Luohe Futu asked directly, Duanmu Heiming didn't delay any more.

But seeing him sighed slightly, he slowly raised his eyes and looked at the Luohe Buddha in front of him and said: "Actually, this time you shouldn't trouble the Great Elder... but now it's impossible to trouble the Great Elder! "

After Duanmu Heiming said so, Na Luohe Buddha frowned slightly.

"I want to invite the Great Elder out of the mountain!"

Suddenly Duan Mu Heiming said a word from his mouth.

When Duanmu Heiming uttered such a sentence, it really made Na Luohe Float in a daze, and even Luo Changfeng who was standing behind was slightly shocked!

Unexpectedly, this Duanmu Heiming came to look for his uncle this time, but he actually wanted to invite his father out of the mountain?

But he said that after Duanmu Heiming finished speaking, he raised his eyes and looked at the Luohe Buddha in front of him without blinking.

But seeing that Luohe Buddha raised his hand slightly, and then gently stroked the gray beard on the chin and said slightly: "The clan lord...Is something serious happened to the Duanmu family?"

What kind of expert is Luohe Buddha? Now that I heard Duanmu Heiming say this, I certainly understand that something big may have happened to the Duanmu family.

He knew in his heart who Duanmu Heiming was! Since Duanmu Heiming can be helpless by insidious characters, it must be an extraordinary character.

"Hey, what the great elder said is not bad!"

"Now the Duanmu family is about to have an unprecedented disaster!" Duanmu Heiming sighed.
disaster?

Suddenly hearing Duanmu Heiming say this, the Luohe Buddha became more and more puzzled.

The Luohe Buddha at this moment not only said: "I don't know what the disaster the clan leader is referring to?"

"Evil Sword: Duguxie, and shadow: Ghost servant is born!"

When Duanmu Heiming suddenly said the names of the two people, the Luohe Buddha's hand holding the dragon head cane suddenly trembled slightly, and at the same time the kind old face that was originally smiling was also Instantly became ugly.

"What? Duguxie and ghost servants were born?" Luohe Buddha repeated this sentence in shock.

"Yes, Great Elder!"

"If they weren't born, I wouldn't dare to trouble the Great Elder... That's why I would say this is an unprecedented disaster for the Duanmu family."

"As you always know, these two people have become famous 20 years ago...especially the evil sword Duguxie, a bronze sword has no idea how many people's blood has been stained." Duanmu Heimi said.

How could the Luohe Buddha in front of him not know the Duguxie sword?

More than twenty years ago, he had never seen the power of the Duguxie sword. When the Duanmu clan leader was the Duanmu Jingzang, because someone in the clan offended the legendary "Cthulhu" and caused an unprecedented catastrophe for the Duanmu family. , Cthulhu himself took his brother and killed the Duanmu family in one fell swoop!

At that time, how many people in the Duanmu family were splashed with blood, under the sword of Duguxie!

At that time, how many people had seen his sword, their legs were frightened!

Now suddenly recalling that ***** afternoon more than 20 years ago, even the Luohe Buddha Temple was deeply horrified by the earthquake.

But I never expected that after 20 years, Du Guxie would once again come out of the arena.

Is the situation changing? Or does the world move?

"I didn't expect these people who had disappeared for more than 20 years to be born now..." Luohe Buddha suddenly sighed in his mouth.

"Elder, it is precisely because of this that I want to invite you to come out!" Duanmu Heiming said sincerely.

Chapter 625: force

"Because looking at the entire Duanmu family, except that you can always resist the evil sword Duguxie... I guess no one can resist his evil sword." Duanmu Heiming told the truth.

Yes, what he said is not false!

In addition to Luohe Futu, the four great elders of the Duanmu family, who can resist the evil sword Duguxie in the world?

Is Duanmu Heilong's western sorcery awesome? But when I saw Duguxie, he still slipped away!

The blood monk is violent and cruel enough, but no matter how cruel he is, how much blood is on his hand? No.

Therefore, Duanmu Heiming came to request Luohe Buddha to come out of the mountain this time, which was a last resort.

But when Naluo River Buddha heard Duanmu Heiming say so, he was silent and did not speak.

Duanmu Heiming also looked at the Luohe Buddha in a panic. He didn't know if this old man who had not been born for many years would come out.

But seeing the Luohe Buddha in front of him slightly raised his eyes to look at Duanmu Heiming in front of him.

"As far as I know, this evil sword: Duguxie has a shadow: Ghost servants, although the killing is extremely heavy, they are not big rapists... The tragic past of the front wood family for more than 20 years must be Should the clan owner remember?" Luohe Buddha said suddenly.

Duanmu Heiming in front of him heard that Luohe Futu said so, his face turned pale and ugly.

Duanmu Heiming certainly knows the catastrophe suffered by the Frontend Mu family for more than two decades!

At that time, if it wasn't for the Duanmu Scriptures, it is estimated that the entire Duanmu family had been razed to the ground by the evil god.

So when he heard Luohe Futu say so, Duanmu Heiming nodded with an ugly face.

"This time the evil sword Duguxie, and the shadow ghost servant, although it reappears in the world, it does not necessarily have to trouble the Duanmu family...I don't understand why the clan master is so worried?" Luohe Futu Weiwei To be honest.

But seeing that Duan Mu Heiming's face became more and more ugly when he heard Luohe Futu say so.

Is he going to tell the truth about Luohe Futu now? He wants to tell Luohe Futu that all the things in between are because he wants that Li Tian to die, so he will provoke Duguxie, and is there a ghost servant?

But after seeing Duanmu Heiming groaning and groaning, he finally told the truth.

"That's because... we provoke them." Duanmu Heiming said slowly.

After he said these words, the blind Luohe Buddha's brows suddenly frowned.

"To provoke? What do you mean?" Luohe Buddha asked.

Duanmuhei said clearly, "I wonder if the elder still remembers the kid whose surname is Li?"

"You mean Li Tian some time ago?" Luohe Buddha asked in surprise.

"Yes, it is this person!" Duanmu Heiming said.

"What's wrong with him? Hasn't he already joined the Duanmu family?" Luohe Futu had stayed here for a long time and didn't know everything that had happened to Li Tian, and of course he didn't know what Duanmu Heiming used to treacherously persecute Li Tian.

But seeing that Duanmu Hei Ming said: "The kid surnamed Li has already betrayed my Duanmu family!"

"Because he betrayed my Duanmu family, so I sent someone to kill him... But I never thought that this kid surnamed Li was actually related to that Duguxie and the shadow ghost servant."

Listening to Duanmu Heiming's own lies, the Luohe Buddha statue remained silent. He just slightly touched the dragon's head cane in his hand and thought about his thoughts.

"Li Tian has something to do with the evil sword Duguxie?" Luohe Buddha suddenly said slightly in surprise.

"Yes! Because of this, I worry that Duguxie will trouble our family because of our killing of the traitor Li Tian. If that happens then, our troubles will be great." Duanmu Heiming continued. Said the Tao.

Hearing Duanmu Heiming's words, Na Luohe Buddha pondered slightly.

"So I want to invite the great elder to come out of the mountain this time." Duan Mu Heiming once again pleaded with Luohe Buddha.

Luohe Buddha naturally had many questions in his mind after hearing this Duan Mu Heiming's words.

It's not that he has never stayed with Li Tian. As far as he knows, Li Tian doesn't look like such a person... But the Duanmu Heiming in front of him is a veritable treacherous villain, so Duanmu Heiming's words made Luo He The Buddha did not believe it to a large extent.

"The Great Elder... this time I am thinking of our entire Duanmu family, so I also ask the Great Elder to go out of the mountain this time." Duanmu Heiming continued to force him.

But what about Luohe Buddha? Finally, after he was silent slightly, he laughed.

"The clan lord...It's not that the old man doesn't want to go out of the mountain, but the old man is so old... I am afraid that even if he comes out, he can't change anything." Luohe Futu politely refused to say there.

Listening to the Luohe Buddha in front of him suddenly refused, Duanmu Heiming continued to say: "I know that the great elder is already very old. It is not appropriate to ask you to go out at this moment, but the Duanmu family is really in crisis at this moment At the moment...so I Duanmu Heiming would like to implore the Great Elder once again to come out of the mountain and make a relief.

"Because only you can resist the evil sword: Duguxie."

Luohe Buddha stretched out a hand and swayed gently.

"Do not!"

"Patriarch, you are wrong! In fact, I was fortunate enough to fight the Duguxie sword more than 20 years ago... At that time, the eyes of the old man had not gone blind... At that time, I fought with Duguxie, although it was counted as Discussing, but I also failed to win the Duguxie, it can only be regarded as equal shares, now the old man's eyes are already blind...Moreover, I am old, I am afraid that I can no longer stop Duguxie." Luohe Futu slightly. Say.

What he said is true? Or lied to Duanmu Heiming?

Duanmu Heiming doesn't know at this moment, he just feels depressed, because he now wants to invite this old guy out of the mountain and it seems difficult.

After thinking about it, Duanmu Heiming said there, "The elder is really going to ignore the life and death of my Duanmu family this time?"

"It's not that I don't care! It's that I can't be jealous... Patriarch, I still said that, although Duguxie and ghost servants belong to the masters who are both righteous and evil, they are definitely not the kind of villains who bully others... so I firmly believe that if Duguxie and the ghost servants know the truth, they will definitely not make any arbitrary decisions, let alone kill the Duanmu family."

"Elder, you are wrong!" Listening to Luohe Buddha's words, Duan Mu Heiming suddenly groaned.

The Luohe Buddha felt the coldness of Duanmu Heiming's body, but he didn't care at all. He still said with a smile on his face, "Oh? Really? I don't know if the clan owner thinks the old man made a mistake. ?"

Chapter 626: contract

"The great elder thinks that Duguxie and the ghost servants are good people... But twenty years later, who can guarantee that they are still the same as before? In case they attack my Duanmu family, then I will be my Duanmu family. Wouldn't it be an unprecedented disaster!"

"Elder, no matter what, we must be prepared for everything, don't you think so?" Duanmu Heiming said gloomily.

Luohe Buddha sighed softly.

"Hey...this matter is still the clan master to worry about!"

"Since the old man was blind, he decided not to worry about the mundane affairs of the rivers and lakes...so the clan owner, the old man can only say sorry to you." Luohe Futu refused.

He knows that Duanmu is heily in front of him! He is a character who can do whatever it takes to achieve his goal.

The lie that Duanmu Heiming fabricated this time, even if you think about it with your toes, the Luohe Buddha must be false. As for the truth, what is it? Since Duanmu Heiming refused to tell him, then Luohe Futu must be able to guess it, all this is definitely Duanmu Heiming's conspiracy!

He must have provoke the Duguxie and the shadow ghost servant!

Hearing Luohe Futu refused, the face of Duanmu Heiming in front of him suddenly became extremely ugly.

In fact, he had already predicted that the Luohe Buddha would reject him! He also knew in his heart what the old guy thought of him.

So he can only come up with his own assassin at the moment.

"Is the great elder really not going to help the Duanmu family this time?" Duanmu Heiming said suddenly.

Luohe Futu's eyes, which had been blind for a long time, blinked slightly.

Dao said: "The old man has already said... Please forgive me!"

"But the great elder must not forget the contract 15 years ago!" Suddenly a word whizzed out from Duan Mu Heiming's mouth.

After he said it, the Luohe Buddha was slightly startled, and the hand holding the dragon's head cane couldn't help but clenched slightly.

contract?

What contract?

Even Luo Changfeng, who was standing behind the Luohe Futu, was slightly surprised, and his heart was secretly: Why did this damned Duanmu clan leader force his uncle out of the mountain?

But seeing that Duan Mu Heiming suddenly said that sentence, he suddenly put one of his hands into his arms, and then took out a black iron box.

The moment the iron box was taken out, not only did Luo Changfeng be puzzled by him, but he couldn't help thinking: What the **** is this Duanmu clan master doing?

"Elder do you remember this?" Duan Mu Heiming suddenly had a weird smile on his face, and slowly stretched out his hand to pass the iron box in his hand to the Luohe Buddha.

Luohe Buddha suddenly looked up at the sky, fell silent for a moment, and then slowly stretched out a withered hand to take the iron box in Duan Mu Heiming's hand.

The moment he held the iron box with his dry hands, his body trembled slightly. Although the movements were very small, they could still be seen by careful people.

"Fifteen years...Fifteen years..." Suddenly a strange low voice came out of Luohe Buddha's mouth.

His two hands tightly grasped the iron box in front of him, and suddenly an old face with white hair and beard turned around: "Okay! I promise you to go out of the mountain!"

A word like this suddenly came out of Luohe Buddha's mouth.

When the shocked words came out of the mouth of the Luohe Buddha, Luo Changfeng behind was decisively shocked.

"Uncle...you..."

But seeing that Luo Changfeng hadn't spoken yet, he saw that Luohe Buddha had raised his hand slightly to stop him from continuing.

But at the moment, Duan Mu Heiming was full of treacherous smiles, stood up slightly, smiled evilly and said, "Okay!"

"Since the Great Elder has decided to go out of the mountain, I can rest assured that Duanmu Heiming!"

"Thank you, elder..."

After that Duan Mu Heiming finished speaking, he laughed and walked away.

The remaining Luo Changfeng blinked his surprised eyes and looked at the Luohe Futu next to him, and then at Duanmu Heiming who was walking away and laughing wildly, his whole body was stunned!

"What happened?"

"Why did Uncle agree to that despicable Duanmu Heiming all of a sudden? What's wrong with this?"

With Luo Changfeng thinking like this, he not only blinked his eyes and looked at the iron box in the Luohe Buddha's hand in front of him!

What is this iron box? What was in it that made Luohe Buddha, who had just refused to go out of the mountain, suddenly agreed?

But seeing the Luohe Buddha, both hands just tightly grasped the iron box in his hand, and a weird look appeared on the old face of Long Jiong.

Who knows what he is thinking?

He clearly knew that Duanmu Hei Ming was extremely treacherous, but why did he agree to him at this moment?

And it was Li Tian, Xie Jian, and Dugu Xie who had to deal with.

"Uncle, what's the matter?"

"Why did you suddenly agree to that treacherous Duanmu clan master just now... I think everything that Duanmu Heiming said is false, and I personally think that Li Tian is definitely not that kind of villain..."

While Luo Changfeng was talking, the Luohe Buddha suddenly grunted, his aura like a dragon chanting loudly.

Luo Changfeng hurriedly did not dare to say another word, but blinked slightly at his uncle.

But seeing that Luohe Buddha suddenly stood up, his waist and spine were slightly hunched, but it did not affect his worldly temperament. The dragon head crutches held tightly in his right hand suddenly violently fiercely. Pound the ground!

The entire hard ground was smashed by the leading cane in his hand, and there was a loud bang!

The abrupt ground burst open.

"Dare to force me..." Luohe Buddha suddenly fluttered with white hair.

The vigor that permeated him swept over like a violent wind.

When Luo Changfeng in front of him saw his uncle getting angry for the first time, he couldn't help being stunned. He didn't know how all this happened? I don't even know what method Duanmu Heiming used to threaten the Luohe Buddha in front of him.

"Uncle, how can Duanmu Heiming threaten your old age?" Luo Changfeng asked suspiciously.

But seeing the iron box held by Luohe Buddha's hand suddenly lifted up.

"Because of it!"

"It? What is this iron box?" Luo Changfeng asked puzzledly.

"There is an oath inside!" Luohe Buddha suddenly sighed.

Luo Changfeng was stunned slightly: "Oath? Uncle, what oath?"

"You'll know when you open it." Following the Luohe Buddha statue in front of him, he slowly passed the iron box in his hand to Luo Changfeng.

Luo Changfeng stretched out his hand to take it, looked at the iron box in front of him in surprise, and then reached out to open the lid.

Chapter 627: I want to find my brother first

At the moment I opened it, I saw that there was a black token inside the iron box.

Looking at the token in the iron box, Luo Changfeng in front of him was taken aback for a moment. He looked at the token and asked, "Uncle, what is this?"

"Hey! This is a long story." But seeing Luohe Buddha statue there, he sighed slightly.

"Changfeng, you know that I have a deep friendship with the previous generation of the Duanmu family's clan owners!" Luohe Buddha suddenly said.

The person he was referring to was of course the leader of the Duanmu family of the previous generation, Duanmu Jingzang.

After Luohe Futu said so, Luo Changfeng nodded slightly.

"Yes."

"Do you know what this thing is?" Luohe Buddha suddenly withered his finger at the iron box next to it and said slightly.

Luo Changfeng shook his head, saying that he didn't know.

"This is the token I once promised Duanmu Jingzang!" I heard the Luohe Buddha suddenly said.

"Creditable? What do you mean?" But seeing that Luo Changfeng asked inexplicably.

"Fifteen years ago, the Duanmu Jingzang hadn't disappeared at that time. I promised him that no matter what happens to the Duanmu family, as long as you come to me with this token, I will do something for him! But I didn't expect this token to fall into the hands of treacherous people like Duanmu Heiming." Luohe Buddha suddenly sighed.

When Luo Changfeng heard it, he finally understood what happened!

No wonder the uncle who had always refused would suddenly agree to the treacherous Duanmu Heiming.

He deeply knew that Luohe Buddha was an extremely trustworthy person, and he was the same. Now that Duanmu Heiming had found the token of the year, of course he could dominate the Luohe Buddha in front of him.

"Then, Uncle, do you really have to deal with Li Tian and that Duguxie?" Luo Changfeng in front of him asked while looking at the Luohe Buddha.

Luohe Buddha frowned and stood there blankly.

No one knows what he is thinking at the moment...

Li Tianwan did not expect that the Sanshengmen Poison, which he had never paid attention to, would suddenly attack!

And there was no sign at the time of the attack, so he passed out directly.

When Li Tian, who was finally awake, saw the black lines on his chest, he was stunned.

That is poison. The poison of the Sanshengmen has begun to spread slowly. Although it has not completely spread across his chest, it is almost fast.

If this kind of Sanshengmen poison spreads to Li Tian's body, then Li Tian will undoubtedly die.

Looking at the Sanshengmen Poison in his body, Li Tian suddenly smiled bitterly. He didn't expect that he would be so unlucky. Now his two arms are "useless", and even the **** Sanshengmen Poison has also attacked. .

"Young Master, the Sanshengmen Poison in your body can't be delayed any longer."

"In my opinion, let's kill the Duanmu family now and let them surrender the antidote." The ghost servant next to him said with a murderous look, as if wishing to kill the Duanmu family alone now.

"Yes, the ghost servant is right! The poison of your body must not be delayed... If there is an accident, then we will regret it."

The Duguxie and the ghost servant in front of him were persuading Li Tiandao at this moment.

Li Tian slowly walked off the small iron bed.

Then I thought for a while: "No, I still decided to find my brothers first..."

"Young Master..." The ghost servant wanted to interrupt, but was stopped by Li Tian's hand.

Then he turned his head slowly, looking at the ghost servant and the Duguxie in front of him, and said: "Although my body is indeed poisoned by the Duanmu family's Sanshengmen, I think I will not die for a while. After all, this is a chronic poison!"

"But don't forget, my brothers still don't know the life and death situation..."

Yes! Li Tian was really worried about his brothers.

Especially Tang Xiaolong, and George Chen.

Tang Xiaolong and George Chen were severely injured by the blood monk that day and died. Li Tian had been waiting for news from the two brothers in the hospital, but he never expected that the Yuwen family would come suddenly at that moment... Everything is disrupted!

So that Li Tian still doesn't know his good brother, Tang Xiaolong and the critical condition of George Chen, are they two good or bad? Is it life or death? Now for Li Tian it is the most important matter.

Besides, not only them, but also his lover Situ Ningbing. Although Li Tian was rescued by the master Duguxie and the ghost servant, his lover still has Ah Qiu, and Ge Laoguai them? Don't forget that Yuwen Huangji wanted to kill himself.

At that time, I was rescued by Duguxie and the ghost servant, would Yuwen Huangji make things difficult for his lover? Make things difficult for them? This is what Li Tian is most worried about.

So he would rather be in danger by himself, and go to the Ouyang family to find his brother and lover at this moment.

Hearing Li Tian say this, the ghost servant and Duguxie were a little depressed.

For the two of them, of course, they were most concerned about the safety of the young master, but seeing the young master insisted on finding his brothers first, they had no choice.

Who made Li Tian's temper so like his father Cthulhu?

"Well, since Young Master has made this decision, let's find your brother first." Du Guxie said helplessly.

"Well, but you must find them as quickly as possible, the Sanshengmen Poison in your body must not be delayed!" Du Guxie repeated there.

Li Tian was naturally very happy when he heard that Duguxie and they agreed to find their brothers first, so he nodded quickly there.

So Li Tian, the Duguxie in front of him, and the ghost servant decided to look for the brothers first.

Since the last time Li Tian and his brothers were suddenly attacked by the Yuwen family, Li Tian has been seriously injured, and Situ Ningbing and Ah Qiu have also suffered more or less severe injuries.

But fortunately, there was old man Ouyang present that day, so even if the Emperor Yuwen wanted to use Li Tian's brothers to perform the operation and force the whereabouts of Xuanyuanjian, there was no way.

And after Tang Xiaolong and Chen Qiaozhi beat Li Tian and sent them to the hospital, their dying condition was finally brought under control.

Then Tang Xiaolong was also spared a death, and his body gradually recovered.

And they are all now arranged in the Ouyang family.

In order to protect Li Tian's brother and Situ Ningbing's quarrel with Yuwen's family, the current Ouyang family is very stiff and unhappy.

Na Yuwen Huangji always wanted to retrieve his family's Xuanyuan Sword, but unfortunately he could not blatantly oppose the Ouyang family, so the current Yuwen Huangji was quite angry.

But there is no way, the old man in the Ouyang family has been out of the mountain, and even if he gives him the courage, Yuwen Huangji will not dare to break into the Ouyang family and persecute the brothers of Li Tian.

Chapter 628: Brothers

At the moment, but see in the Ouyang family.

From a distance, I saw several figures standing there.

Upon closer inspection, he saw Tang Xiaolong who had recovered from his serious illness.

There was still a trace of sickly paleness on his face, and George Chen, who was standing there facing him, seemed to be arguing about something.

You can hear Tang Xiaolong's roaring voice from afar: "We can't keep waiting like this, right? The little boss doesn't know whether he is alive or dead now. Why is my mother not at ease..." Just listen to Tang Xiaolong being there. Tao said.

"Sick ghost, let me ask you, are you going to find the little boss with me?"

The injury of Chen Qiaozhi next to him has not fully recovered, and at this moment one arm is still tied with a white bandage.

"and many more....."

"Don't be so reckless!"

"Miss Shiqing has already said that Li Tian was rescued by two masters...so I don't think he should have any major issues now." Chen Qiaozhi said there.

"Fart!" Tang Xiaolong said suddenly angrily.

"Even if it was rescued by an expert, have you heard Aqiu say how bad the little boss is? Moreover, two arms were broken by the **** old Yuwen..." When he was there, Tang Xiaolong's eyes were **** red.

Standing beside him was Ah Qiu, and he lowered his head slightly when he heard Tang Xiaolong say this.

Chen Qiaozhi sighed.

"Ji Ren has his own vision, I believe he will be fine."

"Don't you **** talk jokes here!"

"If you are timid and dare not go out, I will go by myself, I will find the little boss now..." Tang Xiaolong who roared out suddenly desperately walked outside the Ouyang family.

He was originally a warm-blooded man. When he recovered from his illness, he learned that Li Tian had suffered a broken heart from the duanmu black dragon, and that Li Tian's arm was broken by the vicious Yuwen Emperor. Human blood almost burned.

Especially when he knew that Li Tian was to protect himself lying unconscious in the hospital and Chen Qiaozhi, Tang Xiaolong was even more ashamed. If it weren't for himself, how could the little boss's skill like that be blocked? How could it be possible to break both arms alive?

So he hated, hated everyone who hurt Li Tian.

Tang Xiaolong, who had been waiting here for so many days, finally couldn't help the anger in his heart without knowing that Li Tian was in danger. He was going out to find Li Tian now.

Then Chen Qiaozhi saw Tang Xiaolong being so reckless, and went up and grabbed his arm.

"You wait for me!"

"You stupid, don't you know that the Yuwen family is waiting for us now? Didn't you go out like this to let the Yuwen family catch you?" Chen Qiaozhi rebuked Tang Xiaolong in front of him.

"I **** fuck!"

"Whoever dares to stop me, I'll fight hard...I have to go out to find the little boss today." But seeing Tang Xiaolong yelling, at the same time he broke away Chen Qiaozhi in front of him, and strode out desperately. go with.

That Chen Qiaozhi's original injury hadn't fully recovered yet, so pushed by Tang Xiaolong, he almost fell to the ground and staggered.

When Ah Qiu saw Chen Qiaozhi almost fell, he walked over and looked at Chen Qiaozhi in front of him: "Are you okay?"

Chen Qiaozhi shook his head and looked at Tang Xiaolong who was striding forward and said, "A Qiu, hurry up and stop that idiot!"

"Don't let him leave the door of the Ouyang family! I'll inform others..." Chen Qiaozhi said with a worried expression.

After Ah Qiu nodded quickly, then quickly chased Tang Xiaolong in front of him.

However, Chen Qiaozhi hurriedly walked towards the Ouyang family here, he wanted to tell others about Tang Xiaolong's adventure.

It turned out that in order to retrieve Xuanyuanjian, the Yuwen family did not hesitate to guard outside the Ouyang family all day long. Although they did not dare to enter the Ouyang family dignitaries blatantly, they dared to attack Li Tian's brother outside!

These days, the Yuwen family has been monitoring Li Tian's brothers, because Li Tian was rescued by the Duguxie and the ghost servant. Of course, the Yuwen Emperor couldn't provoke those two awesome characters...

So Yuwen Huangji pointed the finger at Li Tian's brothers.

As long as he catches any of Tang Xiaolong's brothers, they will be tortured to extract a confession and force them to tell the whereabouts of Xuanyuanjian.

So Chen Qiaozhi and his brothers stayed in the Ouyang family for so many days and rarely went out.

But now, Tang Xiaolong, who was reckless to become the eldest brother, insisted on going out desperately. Of course Chen Qiaozhi was worried.

At this moment, Tang Xiaolong couldn't hear anything. Li Tian seemed to him like a family member. Now his "family" is unclear, and his arms were broken alive, how could he not be in a hurry? Don't hate it?

So now Tang Xiaolong is full of hatred blood.

His eyes glowed with blood red, and he walked towards the door of the Ouyang family with murderous aura.

Seeing that he was about to leave the door of the Ouyang family, A Qiu who followed quickly grabbed him.

"Don't go out... There are people from the Yuwen family outside!" But he saw A Qiu who held Tang Xiaolong coldly.

One hand pulled Tang Xiaolong's arm tightly.

Tang Xiaolong listened to what Ah Qiu said at the moment.

Flicked his arm there and said angrily, "Don't stop me!"

"I care about the **** Yuwen family bastards... He actually dared to twist a pair of arms of the little boss. Even if I die, Tang Xiaolong will repay this **** vengeance." Tang Xiaolong said like crazy. Say.

But Ah Qiu, who was holding Tang Xiaolong's wrist tightly, just didn't let go!

"Aqiu, don't you **** let go? Don't you go with me to find the little boss, and your mother will stop me? Are you **** or not?" Tang Xiaolong suddenly turned a pair of fierce eyes and stared angrily at Aqiu in front of him.

A Qiuhan didn't say a word with his face, letting Tang Xiaolong in front of him insult him there, but his hand was tightly holding Tang Xiaolong in front of him motionless.

"Fuck, you have to stop letting go, don't blame me for being impolite!" Tang Xiaolong roared.

After Tang Xiaolong suddenly said this sentence, Tang Xiaolong suddenly grabbed the neckline of Na Qiu's suit, and then slammed it directly against Na Qiu's chest.

Bang!

Ah Qiu snorted when he was attacked by Tang Xiaolong...

But his hands were still holding Tang Xiaolong and not letting him go out.

"Asshole, let go!" Tang Xiaolong saw Na Qiu still not letting go, and a flying leg lashed Na Qiu's face fiercely.

Ah Qiu was kicked and staggered down, and at the same time his face was kicked and swollen.

But at this moment, he grabbed Tang Xiaolong's wrist and broke free.

Chapter 629: Attack Tang Xiaolong

Looking at Ah Qiu who was kicked on the face by himself, Tang Xiaolong said with blood red eyes: "You forced me."

"Also, don't follow me! Since you are not willing to find the little boss, then I will go by myself."

Having said that, Tang Xiaolong walked towards the outside of the Ouyang family without looking back.

"We are not looking for...but...but..." A Qiu slowly got up from the ground, he wanted to say something but he said half of it and didn't say it again.

Looking at that Tang Xiaolong had walked out of the Ouyang family quickly, he could only sigh deeply, and then quickly followed him.

But he said that when Tang Xiaolong just walked out of the Ouyang family's door, outside a black Bentley Motors Limited sat two flat-headed men in black suits.

One of them saw Tang Xiaolong who came out at a glance. After seeing it, he suddenly became energetic.

"Hey, the boys are out." After seeing this guy cheering up, he quickly said to another man in a suit with a flat head beside him.

Another flat-headed man raised his eyes and took a close look. It was really after Tang Xiaolong.

"Quickly, notify the Patriarch!"

"Asshole, we waited so many days, finally waited until they came out."

The flat-headed man quickly took out his cell phone and made a call.

Who are these two guys in black suits? Why would you stay in front of the door of the Ouyang family?

It turns out that these people are the characters sent by Yuwen Huangji to monitor the Li Tian brothers.

Yuwen Huangji wanted to take back his family's Xuanyuan Sword, and he couldn't enter the Ouyang family to find the Li Tian brother's trouble, so he could only wait outside the Ouyang family and wait for the opportunity.

I didn't expect it to finally wait until the Li Tian brothers came out of the Ouyang family.

However, once Tang Xiaolong who walked out left the Ouyang family's villa, he would completely escape the protection of the Ouyang family.

He is now walking quickly to one side of the street, he wants to take a taxi, to find his little boss.

Although he still doesn't know where Li Tian is? But he felt that waiting is not always a way.

Just as he was about to stop a taxi on the side of the road, two black bentleymotorslimited from the side suddenly slammed into him with a roaring sound.

Tang Xiaolong saw the two deadly cars rammed into him at once, and then looked left, his body rolled on the spot, and he swiftly avoided the past.

Then a carp jumped on the spot.

There was a bang, and Tang Xiaolong jumped up, but the doors of the two black bentleymotorslimited cars opened quickly.

At the moment of opening, 56 healthy men who got out of the car immediately surrounded him!

Tang Xiaolong glanced at the men in front of him coldly, and he knew that they were from the Yuwen family.

"Asshole!"

"It's you **** that broke my little boss' arms! I want your life today!" The terrifying roar suddenly came out from Tang Xiaolong's mouth.

Before the 56 members of the Yuwen family who had come down quickly realized that this guy dared to be so desperate, Tang Xiaolong had already rushed towards them like a tiger.

One of the flat-headed men who had not had time to react, only saw a huge fist of anger suddenly reach his face door.

Boom! Without any signs, Tang Xiaolong directly hit the bridge of the nose with a punch!

Wow a scream!

The flat-headed man was smashed and flew out, the entire bridge of his nose was directly smashed by Tang Xiaolong's vicious punch just now, and his body fell to the ground like a cannonball, clutching his ***** face. Shouted.

Several members of the Yuwen family over there saw that Tang Xiaolong took the lead and snorted, "Go!"

Then 45 vigorous Yuwen family members suddenly besieged Tang Xiaolong.

After a big fight here, Na Qiu rushed over.

He glanced at the situation in front of him coldly, knowing who came from the Yuwen family to catch Tang Xiaolong, without saying anything, he quickly joined the battlefield.

"It's not good!" Hearing Chen Qiaozhi's cry suddenly came from within the Ouyang family.

The old man Ouyang sitting in the main hall is sitting quietly on the uppermost chair. Next to him is Feng Qingzi from Kunlun. On the other side is Ouyang Zhengtian, and the third child Ouyang Lie listens. It was Chen Qiaozhi's worried cry.

After hearing Chen Qiaozhi's voice, he has been seen hurriedly walking in.

When Ouyang Zhengtian saw that Chen Qiaozhi was in a hurry, he not only frowned slightly, but said to himself: Chen Qiaozhi used to be calm, why is he so flustered today? Could it be that something big happened?

"What's wrong? Qiaozhi?" But seeing that Ouyang Zhengtian asked after seeing Chen Qiaozhi.

Chen Qiaozhi was panting, his pale face was already in the main hall.

"Tang Xiaolong... that kid Tang Xiaolong has left the door of the Ouyang family alone!" Chen Qiaozhi said with a worried expression on his face.

"what?"

"Why did he go out? Didn't he say that he will not leave the Ouyang family recently... Don't you know that Yuwen Huangji is waiting at the door of our family?" Ouyang Zhengtian said with an ugly expression.

The old man Ouyang, who was sitting quietly on the master's chair, also frowned slightly, looking at Chen Qiaozhi in front of him.

Yes, Ouyang Zhengtian did remind the brothers before, and this is of course the reason why the brothers have stayed in the Ouyang family.

Just imagine, they sneaked into the Yuwen family and stole the treasures of the other family. How could the Yuwen family let them go? Now Li Tian has disappeared, and he was taken away by the famous Duguxie and the ghost servant. The Emperor Yuwen knew his abilities, so he did not dare to pursue Li Tian's clues, but he dared to tell Li Tian's brother Let's do it!

Although the old man Ouyang promised to retrieve the Xuanyuan Sword for the Yuwen family, he promised to return to his promise. That Yuwen Emperor Jiben was an extremely careful person. How could he watch the person stealing the treasure of his family in front of him? Dangling, but he did nothing?

So Yuwen Huangji has to do it, he has to attack Li Tian's brothers!

"We can't stop him!" Chen Qiaozhi said with a sigh.

"That kid has a stubborn temper and is reckless. He has to leave the Ouyang family alone to find Li Tian..." Chen Qiaozhi said.

Chapter 630: There is a "sniper rifle"

Listening to what Chen Qiaozhi said in front of him, Ouyang Zhengtian slowly turned his head to his father, Father Ouyang.

But seeing the old man Ouyang stroked the snow-white beard of his chin, he stood up slightly.

"What about the others now?" Father Ouyang asked.

"Presumably we should have left the door of the Ouyang family." Chen Qiaozhi said.

"Go and stop him...!"

"Yuwen Huangji is a famously careful eye...If you let him know that your people are out of my Ouyang family, he will definitely arrest you, and if he catches you then it will be a big trouble." Old man Ouyang Wei Wei said.

"Although you are protected by our family, you must know that this incident was originally wrong with you. It was you yourself that stole the Xuanyuan sword of the other family first. If Tang Xiaolong is really caught by the Yuwen family then , I can't talk anymore, do you understand?" Just listen to Old Man Ouyang continuing to say.

Chen Qiaozhi nodded quickly when he heard what Old Man Ouyang said.

"Okay, I know what to do."

"Well, Zhengtian, you take a few people and hurry out with him, even if they are tied, you must tie them back!" Old man Ouyang said, looking at his son.

"Remember, don't let people fall into the hands of the Yuwen family." Father Ouyang added at last.

Ouyang Zhengtian nodded quickly, then quickly stood up.

With a wave of his hand, he said to Chen Qiaozhi in front of him: "Let's go."

As he spoke, he quickly walked towards the door of the Ouyang family with vigorous steps.

What about Tang Xiaolong?

At this moment, the Yuwen family members who had captured them outside were fighting together.

And it also caused a lot of onlookers on the street.

Although Tang Xiaolong and Ah Qiu are no problem dealing with several Yuwen family members, what is even more frightening is that the hotel where Yuwen family lives is very close here, isn't it? From afar, 34 roaring cars can be seen quickly approaching here.

With a hiss, the loud noise caused by the friction between the tires and the ground made the whole car drift and stop here.

With a bang, as these cars approached quickly, the doors opened.

At a glance, he saw the imposing Yuwen Huangji stepping out of the car.

At the same time, he took a dozen of his men.

As his eyes swept the melee situation here, Yuwen Huangji's eyes suddenly became extremely ugly.

But seeing Ah Qiu over there fighting against the Yuwen family next to him, he glanced at the Yuwen Huangji and others who came here, and his heart lined up: No! Unexpectedly, this old Yuwen also arrived.

He kicked a member of the Yuwen family next to him, turned his face and shouted at the crazy Tang Xiaolong: "Little dragon, stop fighting, let's leave here quickly... Emperor Yuwen Extremely coming."

Tang Xiaolong, who had already opened a pair of blood-red eyes like crazy, grabbed a member of the Yuwen family with his hands, clenched fists bang! It hit the guy's face fiercely, and the entire face of the Yuwen family member was beaten and deformed, and at the same time he fell to the ground with blood stains.

"Yuwen Huangji?" When he heard these four words, Tang Xiaolong seemed to be crazy. He turned his head and suddenly stared at Yuwen Huangji who was standing on the side.

"Son of a bitch!"

"It's you ***** who broke my little boss's arm?" Tang Xiaolong suddenly rushed towards Yuwen Emperor Ji desperately.

A Qiu here saw that Tang Xiaolong didn't retreat, but instead slammed towards that Yuwen Emperor, crying in his heart: No!

But that Tang Xiaolong had already rushed at that Yuwen Huangji desperately.

Yuwen Huangji stood there, with a cold face on his face, and roared in his mouth: "Only you? I didn't kill Li Tian last time, but today you don't want to escape from the palm of your hand!"

After he spoke this sentence, the four King Kong beside him suddenly attacked Tang Xiaolong who was running.

One of the strong men flew over Tang Xiaolong with a terrifying kick. Although Tang Xiaolong was a demon, he was not stupid! Seeing this heavy foot hitting him, he swung his body, and at the same time his right hand suddenly grabbed the opponent's chest.

The opponent turned to dodge, avoiding his blow.

The fierce man on the other side took advantage of the situation and attacked Tang Xiaolong with both hands.

Tang Xiaolong's footsteps changed, his fists attacked the fierce man like a storm. A series of fierce attacks forced the guy to be overwhelmed. His body retreated again and again. He was retreating, but he saw Tang Xiaolong's steps suddenly bullying his body, and then he As soon as he reacted, Tang Xiaolong hit the guy's head with an elbow!

With a bang, the hunk man was hit in the head and fell to the ground.

Seeing that one of the Four King Kong here was actually fallen to the ground by Tang Xiaolong, the Emperor Yuwen screamed.

"Patriarch, do you want to clean them up!" said one of the men with cold eyes standing next to Yuwen Huangji.

He was tall and thin, and his eyes were as sharp as wolves. He was looking at Tang Xiaolong and Ah Qiu in that gloom.

When Yuwen Huangji heard him say this, he nodded slightly.

"Ok!"

"This place is the territory of the Ouyang family, so we should get rid of them quickly, lest that old guy comes out and troublesome again... After the solution is over, leave here as soon as possible!"

"But, remember, live!" Yuwen Huangji said one last word, then turned and walked into the car.

And this guy with cold eyes, after hearing the order of Yuwen Huangji, he suddenly turned and walked to the side of the car, then quickly opened the trunk of the car and took out a box that was about one meter long. !

After opening the box swiftly, I saw a sniper inside.

A sniper that imitates the domestic 95-type deterrence rifle, judging from the high imitation sniper rifle, it should have been obtained from the black market. In the country, a weapon like this is very difficult in the outside world except for the military. Get it, unless it is a high imitation.

And the sniper rifle in front of me is obviously a high imitation 95-style blocking rifle.

After this wolf-eyed guy suddenly took out such a guy, he clicked and opened the magazine, and then took out an odd bullet from inside. The oddity of the bullet was not a normal real gun. It was a bullet filled with silver water.

What kind of bullet is this?

Nobody knows!

But seeing that this guy took out such a guy all at once, he quickly put it on the side of the car body.

Then the sight was aimed at Tang Xiaolong who was fighting in front of him without moving.
