

## A Killer 63

### Chapter 63: Rage of Fury

Li Tian was in the security room. Hearing the sound of cars outside, he walked out.

As a security guard of the parking lot, under normal circumstances, it is to find a suitable parking space for the car owner to park there.

No, Li Tian who walked out saw the beautiful black Jaguar parked in an unreliable place in the middle.

Li Tian, who came out, politely walked forward and said to the owner of the car inside: "Hello, please park in this parking space."

When Li Tian finished speaking, he saw that the black Jaguar didn't park on one side according to his instructions, but the black mirror was slowly rolled down, and then a handsome face appeared. Looking at himself unblinkingly.

There is a sense of disdain and sarcasm in his eyes. Of course he is not someone else, it is Wang Feng.

Li Tian has long been accustomed to the contemptuous and sarcastic attitude of these wealthy people who drive to themselves, so he didn't think too much, and smiled and said: "Hello, please park your car on B12, you stop. This position is the roadway, which will affect the entry and exit of vehicles." Li Tian said politely.

But after Li Tian finished speaking, the rich driver who drove, as if deliberately embarrassing Li Tian, still looked at him with contempt on his face, which made Li Tian very upset.

"Are you the security guard?" When Li Tian was about to speak, Wang Feng suddenly said coldly, and at the same time, those eyes that looked down upon Li Tian's face,

Li Tian was taken aback for a moment: "What did you say?"

"I said you are the little security guard." Wang Feng's voice revealed a compelling meaning.

"I'm sorry, I didn't understand what you said." Li Tian didn't want to be familiar with this kind of person. After working as a security guard for almost a month, Li Tian certainly knew the faces of some rich people, so he didn't intend to be angry.

Who knew that Wang Feng opened the door with a slam and got off the Jaguar, his eyes swept across Li Tian's body.

"Are you Li Tian?" Wang Feng asked with his frivolous eyes open.

Li Tian was surprised how this kid knew the name?

"How do you know my name?" Li Tian asked puzzledly.

"Huh, your little security guard's name is very popular recently." Wang Feng said with a sneer on his face.

Hearing what Wang Feng said, Li Tian didn't care too much. Regarding the discussion about himself in the Tang company these two days, Li Tian remained silent, so he is also silent now.

"Sir, I'm at work now, and I don't have the time to talk to you. It's best for your car to park in the B12 parking space as soon as possible. This is the roadway." Li Tian said slowly.

Wang Feng laughed suddenly.

"Boy, let me tell you, I parked the car here today, what's the matter?" Wang Feng pulled out the car key, and the car turned off suddenly, leaning against the Jaguar door and looking at that with contempt. Li Tian.

"What do you want to do?" Li Tian suddenly raised his eyes and looked at Wang Fengdao.

"I want to find the difference." Wang Feng said straightforwardly.

Li Tian smiled helplessly.

"Why are you looking for me? Have we had a festival before?" Li Tian said, looking at Wang Feng.

Wang Feng glanced at Li Tian: "You are a small security guard who is worthy of having a holiday with me. I tell you, you are really unworthy."

"I came here just to see what kind of stuff you are, so that Tang Feifei can make rumors with you? I can't believe that a poor ghost like you can make rumors with her?" Wang Feng said angrily.

After hearing Tang Feifei's name, Li Tian suddenly understood what was going on. It turned out that it was because of that girl.

"You better keep your mouth clean." Li Tian said suddenly coldly.

Then Wang Feng smiled suddenly, a very sinister smile.

"Boy, let me advise you, you'd better leave here quickly and leave Kyoto City. If you have such rumors with Tang Feifei, I will let you die without knowing how to die?" Wang Feng suddenly said grimly .

"You threaten me?" Li Tian said, looking at Wang Feng.

"Not a threat, but a warning."

"Then I will answer you now, no matter who you are, no matter how rich or powerful you are, you have nothing to do with me for half a dime. Want to threaten me? Come over and kill me with the skill Check it out!"

"I'm telling you, about Feifei, it's best to let her come over and tell me, what are you?"

The first time I heard Wang Feng who was insulting himself, a wave of anger surged from the bottom of my heart.

"Are you \*\*\*\* looking for death? Smelly security guard."

With a roar, Wang Feng waved his hand as an uppercut, slamming Li Tian's face quickly and fiercely.

Wang Feng, who was invited by the old lady to train as a special army instructor since he was a child, did not train after suffering too much, but the foundation is good, isn't it? With a domineering force, his fist hit Li Tian directly with an uppercut.

Li Tian's body is instinctively retreating.

Although the posture of retreat was a bit awkward, but at the most it was not able to suffer and retreated to the side.

"Fight..."

After Li Tian retreated, he suddenly heard a voice coming from there. Upon closer inspection, he saw Yu Dahai running over with a few security guards.

After all these security guards ran over, Wang Feng could only stop.

Li Tian stared coldly at him: "Boy, you wait for me to see how I play with you."

After dropping a vicious word, Wang Feng jumped into the Jaguar car in front of him, then made a domineering turn around, and the car drove quickly toward the street.

Li Tian was left standing there alone.

Then Yu Dahai ran over with the security guards and looked at Li Tian: "Xiao Li, are you okay?"

Li Tian shook his head slowly.

Li Tian knows the 6-7 security guards next to them. These security guards are internal security guards of the Tang company, but Dahai is the security captain. They were training outside before they saw Li Tian quarreling with others. Get up, so I came here quickly.

"Xiao Li, you can take a break today. I will let Xiao Zhao take your shift." After Yu Dahai finished speaking, he took out his copycat version of his mobile phone and called Xiao Zhao and asked Xiao Zhao to come over to work.

After Li Tian looked at Yu Dahai and said thank you, he returned to the dormitory.

After a while, Na Yu Dahai also returned to the dormitory.

Seeing Li Tian sitting on the bed in a daze, he also sat down slowly beside him.

Zhongnanhai took out 5 yuan from his pocket and handed it to Li Tian. Li Tian reached out and took it and held it in his mouth.

Na Yu Dahai also took one out and put it in his mouth. With a pop of a lighter, a blue flame jumped out, then lit, took a deep breath, and a thick smoke burst out of his mouth.

"Xiao Li, what's going on today? Why did that guy do it?"
