

## A Killer 631

Chapter 631: Father come forward

Tang Xiaolong was a special force before, and of course he was also a good gunner, isn't that? Suddenly he was aimed at by the scope, and subconsciously felt a bad breath... he suddenly turned his head to look, but saw that a sniper was aiming at him motionlessly.

"Not good!" Tang Xiaolong screamed in surprise...

He hadn't waited until he staggered and walked away with a muffled noise! The bullet whizzed out from the 9.7mm large caliber, and then the fast bullet hit Tang Xiaolong's chest accurately.

Tang Xiaolong was hit by that high imitation sniper rifle at close range, and his overbearing force made him fly upside down, and then fainted to the ground.

After Tang Xiaolong was shot down by this inadvertent cold gun, Ah Qiu over there was shocked.

"Little Dragon!"

Ah Qiu thought that Tang Xiaolong was shot to death!

When he shouted angrily, he desperately rushed towards Tang Xiaolong.

But before he got to the place where Tang Xiaolong's body fell, he only heard a muffled sound again!

Then a bullet that came quickly hit Ah Qiu's shoulder accurately...A Qiu was attacked by a sniper rifle, he flew back two meters away, and then fell heavily to the ground.

He clutched his shot shoulder and tried to get up...

It's a pity that the place where he was shot suddenly became numb, and then Ah Qiu felt that his whole body began to become numb... and then his head slowly fell into a coma, unconscious, banged, and the whole person was also That Tang Xiaolong fell to the ground, and then became unconscious.

After the guy holding the sniper rifle quickly got rid of Ah Qiu and Tang Xiaolong with two shots, he waved his hand slightly at the Yuwen family members in front of him and said, "Take them away!"

After speaking, I saw the members of the Yuwen family hurried over, and then dragged the unconscious Tang Xiaolong and A Qiu to the car quickly.

Then after looking around again, he started the car with a grunt and drove away!

In this way, Tang Xiaolong and Ah Qiu were taken away by the Yuwen family again.

When Chen Qiaozhi and Ouyang Zhengtian quickly rushed to the door of the Ouyang family, Na Qiu and Tang Xiaolong had already been taken away by the Yuwen family.

"What about people?" Ouyang Zhengtian asked depressedly, looking at the empty street outside the Ouyang family gate.

Chen Qiaozhi looked around in the same way, and then a pair of eyes saw the blood on the street in front.

Immediately ran over.

"There are blood stains... and there are also traces of fighting." Chen Qiaozhi said there with an ugly face.

Ouyang Zhengtian frowned slightly and said, "Then you mean that the Yuwen family has already taken action first... Tang Xiaolong and the others have probably been taken away by the Yuwen family?"

Chen Qiaozhi nodded silently in that ugly face.

It seems that A Qiu and Tang Xiaolong have been arrested.

"This stinky boy... I told them not to let them out... The Yuwen family must be here and waiting for them! It's good now... I was taken away!" Chen Qiaozhi in front of him roared.

Then Ouyang Zhengtian looked at the situation in front of him and muttered for a while: "It seems that we have to take a long-term view."

"You can't help it if you are anxious now. I believe that Yuwen family must have left the Yuedu Hotel." Ouyang Zhengtian said.

At present, Chen Qiaozhi really has no choice, so he can only sigh deeply, and can only pray that Tang Xiaolong and Ah Qiu don't get hurt by the Yuwen family.

"It's not good, Tang Xiaolong and A Qiu were arrested." Ouyang Shiqing saw Ouyang Shiqing running into a house in a panic and said.

Sitting in the room were the beautiful Situ Ningbing, and Old Monster Ge smoking a cigarette.

"What?" When Old Monster Ge heard the words of Ouyang's poetry, he suddenly jumped up.

"I heard from the people just now that Tang Xiaolong and Aqiu were outside of our family and they were taken away by the Yuwen family." Ouyang Shiqing said with a pretty face.

"How could this happen? Didn't you tell that stinky boy before? Don't act rashly, and don't leave the door of the Ouyang family? How can you get caught?" Old Monster Ge said depressed.

Ouyang Shiqing said: "I am not very clear about this either."

"But they are in the lobby now, we can go and ask them to see what happened."

"Okay, let's go."

The old Monster Ge who was talking suddenly stood up, and Situ Ningbing quickly stood up, and then the three of them walked quickly toward the hall of the Ouyang family.

When they came to the Ouyang Family Hall, Chen Qiaozhi and Ouyang Zhengtian were both in the hall.

Sitting on the uppermost chair of the Grand Master was the old man Ouyang.

Old Monster Ge quickly walked to the front of Chen Qiaozhi and asked in a low voice, "Did Xiaolong really be taken away by the Yuwen family?"

Chen Qiaozhi said with a face and nodded.

"That brat doesn't listen to me, and I can't help it."

"Idiot! I knew that something was going to happen to that kid who was reckless...!" Old Monster Ge also sighed there.

"Then what should we do now?" Old Monster Ge said with low prestige at Chen Qiaozhi.

Chen Qiaozhi snorted: "I don't know either."

When they were talking, they saw that Ouyang Zhengtian had told Father Ouyang all about Tang Xiaolong and A Qiu being taken away by the Yuwen family.

But seeing Old Man Ouyang frowning slightly at this moment, he lowered his head to discuss the matter with Kunlun Fengqingzi beside him.

After the two whispered a few times, they saw that Old Man Ouyang suddenly raised his head and looked at everyone.

"Don't worry about it, everyone."

"I have discussed with Feng Lao... this time your people were taken away by the Yuwen family, and I will follow Feng Lao to solve it." Ouyang said slightly.

Hearing that Old Man Ouyang personally promised to help solve the kidnapping of Tang Xiaolong and A Qiu, the gloomy mood of Old Monster Ge and George Chen in front of them became clear.

After all, if the old man Ouyang can come forward to solve the matter personally, he is undoubtedly sure. With the deterrent power of the old man, even if the emperor Yuwen is arrogant, he would not dare to do anything against Tang Xiaolong and A Qiu. !

"Since the old man came to help, then we really thank you." Chen Qiaozhi said gratefully below.

Father Ouyang waved his hand slightly with a smile, and said with a smile: "Don't worry, as long as you stay in my family safely, no one will dare to come here to trouble you a little."

Chapter 632: Embarrassing ride

"Sister Ningbing, are you still worried about... him?"

A soft cry came out of the beautiful Ouyang Shiqing's mouth, her beautiful black hair like a waterfall draped straight over her tender shoulders, and her upper body was a small waist slim brown suit with a small waist. The highlight is vivid, the lower body is a pair of light blue skinny jeans covering her slender legs, and the vermilion lips under the straight bridge of the nose gently activates the concentrating Situ Ning Bing.

Ouyang Shiqing is really a superb beauty. Both her figure and face are definitely the superb.

Standing in front of a icy beauty like Situ Ningbing was not inferior at all.

And it highlights the difference in beauty between the two.

Situ Ningbing is a tight black leather jacket, with a tall and slender figure like a goddess, and a cold and glamorous goddess.

On the other hand, Ouyang Shiqing wears a pair of exquisite black glasses on her straight nose. This talented woman who originally obtained a Ph.D. from the Mba School of Business overseas has an intellectual and beautiful temperament.

The two are completely evenly divided.

At this moment, in Ouyang's poem: After Sister Ning Bing called out, she saw that Situ Ningbing, who was like a sculptural beauty, slowly turned her delicate face.

Then there was a faint smile on his face, a rather reluctant smile, and then he nodded.

"Yes!"

"He was hit by a heart-breaking palm as heavy as the Duanmu Heilong, and also by the Emperor Yuwen...two arms...arms were twisted...To be honest, I am really worried about her."

"Hey, I don't know what happened to him?"

Thinking of the severe injuries that Li Tian suffered at the time, Situ Ningbing's heart felt like a knife cut, as if the pain Li Tian was experiencing was the same as she herself was experiencing.

Listening to what Situ Ningbing said, Ouyang Shiqing was also uncomfortable inside!

She also saw Li Tian's pain with her own eyes, especially the pain after being twisted by Yuwen Huangji's two arms at once.

To be honest, Ouyang Shiqing is also extremely concerned about Li Tian now. She doesn't know what happened to Li Tian's hands? Will it really...really useless? Will he really be life-threatening if he was injured so badly...

She still has so many things to say to Li Tian, and so many things to do. How could this be?

But Ouyang Shiqing still comforted Situ Ningbing with a bitter smile.

"Sister Ningbing, I believe, I believe he will be fine."

"Think about it, how many setbacks and dangerous things you and him have experienced all the way... but didn't the results always survive? So I think Li Tian can survive this time, he will definitely It's okay." Ouyang Shiqing deceived herself, while comforting Situ Ningbing in front of her.

Situ Ningbing did not speak, she was just silent.

She also understood that the Ouyang poetry in front of her was there to comfort herself.

"Thank you for comforting me." Situ Ningbing said suddenly, staring at Ouyang Shiqing.

This cold, murderous Situ Ningbing never expected to have such a good relationship with Ouyang Shiqing.

Then Ouyang Shiqing said: "No need!"

"Don't forget, the two of us will be good sisters in the future." A word came out softly from the lips of Ouyang Shiqing.

Good sister?

Is it really hard to imagine that Situ Ningbing will have such a good relationship with Ouyang Shiqing?

Why did Situ Ningbing, who used to be jealous and trained to be a cold-blooded killer since childhood, suddenly changed her relationship with Ouyang Shi? And the two have become sisters wanting to call?

This obviously happened in the middle, but to them no matter what happened, it seemed to be a good thing.

The hearts of the two beauties are tied to Li Tian's body at this moment. I really don't know how Li Tian will feel when he knows that he is deeply worried by these two superb beauties?

"Master, take us to the house of the Ouyang family." On the quiet suburban street, Li Tian said when he saw Li Tian blocking the taxi lane in front of a car.

The taxi driver was full of panic and fear, looking at Li Tian and the ghost servants and Duguxie beside him like a ghost.

He is really scared!

Because he saw the "Ghost servant!" wearing a grimace mask.

Who is not afraid to see such a guy in black clothes and such a scary mask on his face in the daytime?

Besides, beside the ghost servant, there is a Duguxie with a cold hand and a face.

Such a weird combination certainly scares these normal drivers.

The driver's face was pale, his eyes looked at the ghost servant and Duguxie... He wanted to escape without carrying passengers. Unfortunately, there was no way, because Li Tian blocked the car directly in front of the taxi.

In fact, Li Tian couldn't help it, because this was the fifth taxi he blocked.

For the first four cars just now, Li Tian blocked the taxis in the same way as in the past, but it was a pity that the taxi looked like a ghost servant and didn't even stop and drove away.

There was another driver yelling with his neck stretched out: pretending to be a fool.

Therefore, Li Tian was forced to stop the car in such an extreme way.

But he said that the driver who was stopped in front of him really had no choice. He couldn't run over Li Tian directly. At this moment, he looked at the ghost servants and others with a pair of horrified eyes...

"You...you...you want to take a taxi?"

"Yes." The indifferent Duguxie snorted.

The driver subconsciously glanced at the ghost servant next to him, with a cold sweat on his face.

"Pull it?" The hoarse voice suddenly came out of the ghost servant's mouth.

The ghost servant's voice was extremely unpleasant, but he suddenly said this while wearing a grimace mask, and the driver was frightened and nodded quickly: "Pull, pull, pull..."

"That's good!" The ghost servant smiled grimly.

In this way, the ghost servants, Li Tian and Du Guxie finally got in the taxi in front of them.

"Go to the Ouyang family." Just listen to Li Tian sitting next to the driving seat and say.

The driver wiped a cold sweat from his face, glanced vigilantly at the ghost servant behind... and nodded slightly.

"Ok, yes!"

Shaking hands and holding the steering wheel in front of him, started the car with a hum, and the taxi finally drove towards the center of Jinghai City.

After Li Tian finally took a taxi, they heard Li Tian sigh and say, "Hey, I really don't know what happened to Xiao Long's injury? When I was seriously injured, Xiao Long and Qiao Zhi returned. All in the ward."

"Don't worry, your brother will definitely be fateful and can't die." The ghost servant said hoarsely.

Li Tian smiled awkwardly.

Recommend a brother's book, one finger breaks the world, very exciting, very beautiful!

Chapter 633: To the Ouyang family

The taxi driver also admitted that he was unlucky, but he didn't expect Lahuo to attract such weird people today!

A guy who looked like a ghost in a grimace mask, another looked like a stone and had a broken arm.

Of course he was very worried, afraid that Li Tian and Duguxie and others were not good people.

Li Tian also noticed the taxi driver's expression, but he didn't explain too much, because even if he explained it, he wouldn't understand it, so it's better not to explain it.

On the contrary, the ghost servants and Du Guxie sat in the taxi extremely calmly.

The car drove fast on the road and quickly reached the center of Jinghai City.

The taxi driver, who was up and down all the way, finally relaxed after the car entered the downtown area, and said: Today, it seems that my luck is not too bad. Although the two sitting behind here are extremely weird, But anyhow it's not a bad person.

After the car entered the city, it drove directly to the mansion of the Ouyang family along the way.

There was a slight worry on Li Tian's face along the way. He was worried about his brother and even more worried about his lover.

Duguxie, who was sitting in the back of the car, saw Li Tian's worried expression slightly and said, "Young Master, don't worry."

"With the old man Ouyang Wujiang, I believe no one dares to move your brothers." Du Guxie said slowly.

"Ouyang Wujiang?" Li Tian knew that the Ouyang family had Ouyang Zhengtian, and Ouyang Lie and others... But he had never heard of the name Ouyang Wujiang, so at this moment, when Duguxie said it, he was not only slightly startled.

"Ouyang Wujiang is the father of the Ouyang family."

"This old guy is not an ordinary person, he was considered a famous person more than 20 years ago." Duguxie said slightly.

The ghost servant next to him suddenly smiled and said, "Second brother is right, but it's a pity that this old guy is an old stubborn and admits death! He likes to focus on the overall situation in everything, but people are pretty good."

"To be honest, he is also the only role I can look up to in the four major families of the ghost servant." But the ghost servant said in a strange voice.

After Duguxie and the ghost servant said so, Li Tian was slightly surprised, wondering how good old man Ouyang was?

I have never seen it once!

In fact, he and the old man Ouyang have met more than once, but it's a pity that he never noticed it.

"In fact, one of the four big families is a ruthless character." A word suddenly came out of the silent Duguxie.

Hearing this sentence, the ghost servant was slightly startled, turned his face wearing a grimace mask, and asked the Duguxie beside him suspiciously: "Oh? Brother, won't it? Among the four big families Who else is a ruthless character? Why don't I remember?"

"He! Luohe Buddha!"

The four words of mighty power suddenly came out of Du Guxie's mouth.

When he uttered the four words "Luohe Futu", Li Tian and the ghost servants couldn't help being taken aback.

Of course Li Tian knew the great elder in the Duanmu family: Luohe Buddha!

And I definitely knew in my heart that the blind old man was a peerless expert, and now I heard Duguxie say that, not only suddenly realized.

The ghost servant on one side also said suddenly, "Oh, it's that old thing! Don't tell me, I almost forgot him."

"Yes, Luohe Buddha is indeed a ruthless character." The Ghost Servant changed what he had said before.

"I once fought with Luohe Buddha more than 20 years ago, and they were evenly divided. No one can win."

"At that time, although my Evil Sword hadn't reached the final level, I could see that Old Man Luohe didn't use his true strength at all..." Duguxie said, recalling the past.

Li Tian was really taken aback when Du Guxie said this.

He knows how powerful the Duguxie sword is. It's not that he hasn't seen it before. No one can describe the horror of his sword. It seems that the sword is like a flying fairy from the sky. Even though he has not used all the martial arts in his body, it is conceivable how capable is the Luohe Buddha?

It seems that rumors say: As soon as the Luo River came out, the Buddha, these eight words with great momentum were really not blown out!

What makes Li Tian a little depressed now is not how powerful the Luohe Buddha is, but that Luohe Buddha is the elder of the Duanmu family.

He had been in contact with Naluo River Float and knew that Luohe Float was not that kind of treacherous person. On the contrary, he still felt that Luohe Float was quite kind, but after all, he was the elder of the Duanmu family. After finding his brother, if he wants to deal with the Duanmu family immediately, then... will Luohe Futu help the Duanmu family by then? Will you be against yourself? This is what Li Tian is most worried about.

During their conversation, they saw that the taxi had already swiftly headed for the super luxury villas of the Ouyang family in front.

"Here, right here." The taxi driver said vigilantly to Li Tiandao beside him.

Li Tian glanced through the window glass, and he arrived at the door of the Ouyang family.

The sidewalk said: "Okay, just stop here."

The taxi driver did not dare to neglect, and slowly stopped the car.

Li Tian took out a 100 yuan sheet from his pocket and handed it over. The driver frowned slightly, took it, and quickly retrieved Li Tian's ten dollars, and Li Tian took the ghost servant behind him. , And that Duguxie walked out of the car.

The three of them just got out of the taxi door, but saw the driver stepping on the accelerator with a grunting foot and fleeing straight away, as if they wished to leave Li Tian and the others far away.

Li Tian looked at the taxi driver who was leaving quickly and smiled slightly.

Turning to face the ghost servant beside him, and Duguxie said: "Let's go, this is the Ouyang family."

The Duguxie and the ghost servant didn't talk too much, just raised their eyes lightly and glanced at the door of the mansion before them, and then followed Li Tian forward.

When the three of them just got out of the car, the security guards at the electronic gate of the Ouyang family saw them.

One of the security guards, wearing a dark blue uniform, glanced at Li Tian, Duguxie, and the three ghost servants who walked straight toward this side, and was taken aback.

"Hey, what do you think those three weird guys do?" He was seeing the ghost servant wearing a grimace mask, and the broken hand, while the other hand was holding a handful of ancient At the time of the three-foot bronze sword, he was not only slightly stunned and said.

Chapter 634: They are coming

The other security guard beside him frowned.

"Fuck me, isn't it a filmmaker?"

"Fart and film! Go, go out and have a look." The two security guards who were talking quickly walked towards the gate of the electronic door.

When the two security guards arrived at the door quickly, Li Tian and the others had already walked over.

Li Tiangang wanted to open his mouth to speak...but the words had not yet come out, and one of the security guards suddenly pointed at him and said: "Hey, hello, hello, what are you doing?"

"Don't you know this is a private place?" The security guard said there without a good temper.

Hearing such arrogant words from the security guard, the ghost servant who had always had a bad temper suddenly groaned.

However, Li Tian was afraid of the ghost servant's action. He quickly stepped forward and smiled and said to the security guard: "Hello, my name is Li Tian, and I am a friend of your Ouyang family eldest lady... so I would like to ask the two of you to help tell. "Li Tian said politely to a security guard in front of him.

The security guard was disgusted when he looked at the ghost servant's weird dress, and when he saw the ghost servant wearing such a grimace mask on his face, he was even more annoying. I thought it was okay to put such a thing on the face for two hundred and five? Are you still playing performance art? moron!

At this moment, I didn't even listen to Li Tian's words and said with a disdainful face: "Just do you know my eldest lady of the Ouyang family? Come on, you..."

"I repeat, this is a private site, you three quickly get out." The security guard said angrily.

As soon as he said this, the ghost servant became angry!

A savage character like him who has not been born for many years is now being insulted by a small security guard who guards the gate? Of course it was extremely angry.

The little security guard is also extremely unlucky, hasn't seen what happened yet? Suddenly, only a black shadow came towards him.

Then he subconsciously felt that his neck was being held tightly by a hand that was as cold as a devil... Then the whole person lost his center of gravity, and he was even pinched and lifted by one hand. stand up.....

You must know that the security guards guarding the gate of the Ouyang family are all directly selected from the armed police forces. I can't say that all of them are awesome, but they are all nurtured in the army anyway, but now they don't even have a shadow of the other party. Seeing it clearly, he was pinched by his neck and lifted up like a chicken, suddenly startled.

When the other security guard next to him saw the fierce man wearing a grimace mask, he was stunned when he was faster than the lightning technique, and he was frightened to stay there.

"Boy, you have the ability to tell me what you just said again!" The ghost servant suddenly said in a hoarse voice.

One hand pinched the boy's neck and lifted him one foot from the ground.

The security guard's neck was pinched by the ghost servant's cold hands, his eyes widened, and his eyes were filled with unbelievable fearful gazes... so scared as if he could not even speak, his body was constantly struggling.

Li Tian wanted to enter the Ouyang family peacefully, but he didn't expect that this fierce-tempered ghost servant would still take action. At this moment, he not only sighed slightly.

"Ghost servant, let him go." Li Tian said slightly, afraid that the ghost servant would hurt the Ouyang family member.

When the ghost servant heard Li Tian's words, he snorted coldly. The evil eyes under the grimace mask took a cold look at the guy he was holding. Then he let go of his hand, and the security guard threw himself. He fell to the ground with a sound.

After falling to the ground, the security guard looked like a ghost, and couldn't help but retreat quickly, while touching his neck with one hand, panting heavily, and his eyes were full of terror.

"Go and tell your old man, just say that our young master is here, let him pick it up quickly!" Only the ghost servant said in a hoarse voice.

Originally, his face with a grimace mask looked terrifying, and coupled with his hoarse voice, it looked a little scary at the moment.

With a single word, the two security guards who guarded the gate did not dare to speak any more, let alone look at the three people in front of them with disdain... and quickly stepped back.

One of them trot all the way to the villas of the Ouyang family.

"Patriarch, Patriarch!"

In the main hall of the Ouyang family, but I saw many people sitting quietly in the hall.

On the Grand Master's chair, there are old man Ouyang, and Feng Qingzi, and here are Chen Qiaozhi, and Ouyang Shiqing... They were discussing about the Tang Xiaolong who was taken away by the Yuwen family, but now they suddenly heard it outside the door. Screaming, so everyone turned their heads and looked outside.

But seeing a security guard in uniform ran in from outside with a panic expression.

"What are you panicking?" Ouyang Zhengtian said angrily when he saw his family's doorman behaved so panic in front of so many people.

The security guard who ran in suddenly turned pale and lowered his head.

"What's wrong? What happened?" Ouyang Zhengtian continued to look at the security guard and asked.

After taking a deep breath, the security guard said with an ugly face: "Patriarch... at the door... three weird people came at the door!"

When everyone in the whole hall heard the security guard saying that there were three weird people at the door, they were taken aback.

"Weirdo? What do you mean?" Ouyang Zhengtian frowned and asked.

"The three people... are simply not human! One of them wore a grimace mask... terrifying, the other looked like a stone, and also had a broken arm, and he was holding a sword in that hand. One said he, his name is Li Tian, and what else did he know about Miss Ouyang..."

"Li Tian?"

"Big brother?"

"Duguxie...Ghost servant?"

Suddenly, the people sitting in the hall were suddenly stunned.

"It's Li Tian, it's Li Tian, he is here." Na Ouyang Shiqing said with excitement suddenly.

And Situ Ningbing, who was standing next to her, was also taken aback at this moment, and then desperately rushed to the outside of the hall... Ouyang Shiqing followed.

Old Monster Ge also said with a haha smile: "It's that boy Li Tian! He's not dead... He really isn't dead... I know that kid is dead and nothing will happen!"

"Sick ghost, let's go see him quickly."

The old Monster Ge who was talking followed Chen Qiaozhi and the two quickly ran out of the hall.

Seeing so many people suddenly running outside, the security guard was dumbfounded and looked at this scene in disbelief.

"Could it be that I really misunderstood the wrong person... those three... or what big role is the three?"

But seeing the old man Ouyang sitting on the top of the master chair, suddenly smiled slightly, turned his face to Feng Qingzi next to him and said: "The one that should be here finally comes..."

Chapter 635: Something is wrong

Feng Qingzi also stood up slightly, probed the commoner lightly with her hand, and said lightly, "It seems that the Yuwen family is really going to be in big trouble this time!"

"Yeah! I hope Yuwen Huangji will not do anything stupid now..." Father Ouyang said slightly.

"Yes, hey..." Feng Qingzi even said with a sigh.

What do the two old words mean?

Why do you hope that Yuwen Emperor will not do stupid things?

In fact, how old are the two, how can you not know what Li Tian's purpose is for returning to the Ouyang family this time? It must be to find his brothers.

And now don't forget that Tang Xiaolong and that Aqiu have been taken away by the Yuwen family. If Li Tian knows about it, he will definitely save his brother. Li Tian is not too scary for the Yuwen family. It was the two "killers" around Li Tian, the evil sword: Du Guxie, and the shadow ghost servant!

At that time, if it was true that Yuwen Emperor had committed a murderous hand to Tang Xiaolong or Na Aqiu, how could Li Tian spare Yuwen Emperor? Wouldn't the evil sword Duguxie and the ghost servants around him kill them?

If that were the case, it is estimated that all the members brought by the Yuwen family this time will lose their lives in Jinghai City.

No wonder Mr. Ouyang just said that.

"Let's go, let's go out and have a look too." Old man Ouyang stood up from the master chair and said.

Feng Qingzi nodded, and then the two elders followed.

At the moment, at the gate of Ouyang family, but Li Tian, Duguxie and ghost servants were all standing there.

The remaining security guard at the gate had an ugly face and looked at Li Tian and the three of them with a frightened look in his eyes.

"Bastard! How dare you let Young Master wait so long here!" The ghost servant suddenly said angrily.

The reason why he was angry was because when he followed the "Cthulhu" before, where did he not break through? When have you waited like this at the door of another family?

Li Tian frowned slightly, looked at the ghost servant beside him and smiled and said: "It's okay, wait a minute, anyway, we're fine."

So Li Tian and Duguxie continued to wait here.

"Li Tian..."

Suddenly her voice came from a distance!

That day's Lai-like voice carried deep thoughts, excitement...and endless love!

The moment Li Tian heard this sound, his whole body seemed to be shocked, and he trembled, then quickly turned his head and saw her.

Situ Ningbing.

At that glance, he finally saw his favorite woman and saw her running towards him desperately.

What about Li Tian? At the same time, he ran towards her quickly.

Then the two hugged tightly.

Their hearts were once again tightly connected together, deeply embraced, and the deep friendship was all revealed at this moment.

The ghost servants and Duguxie all smiled when they saw this situation.

When the young master is happy, of course they are also happy.

At this time, but seeing another beautiful shadow ran over with excitement behind.

Ouyang Shiqing.

After she ran, her beautiful eyes suddenly saw Li Tianyu and Situ Ningbing hugging each other tightly...Her footsteps stopped abruptly, and then the whole person stopped, the joy and excitement on the beautiful face just now Became a little disappointed...

But she still couldn't help but smiled bitterly, and slowly raised her beautiful eyes to look at the embracing Situ Ningbing and Li Tian, with blessings and happiness in her eyes.

When the ghost servant and Duguxie saw a beautiful girl coming from behind, they were not only slightly surprised, especially when they saw the strange change in Ouyang Shiqing's expression just now.

The ghost servant suddenly whispered to the Duguxie next to him with a hoarse voice: "Second brother...It seems that our young master is really exactly the same as the eldest brother back then... It's a natural and passionate life."

The ghost servant laughed while talking.

That Duguxie didn't speak much, a cold face was expressionless, really like a frozen stone.

Li Tian and Situ Ningbing, who were hugging each other tightly, felt each other's body temperature, and they were happiest at that moment.

"Do you know? How much I worry about you..."

"I'm afraid...I'm afraid that something will happen to you..." Situ Ningbing tightly buried his head in Li Tian's arms, muttering in his mouth.

Li Tian gently held her in his arms and gently lifted the hair around her cheeks with his hands.

"Fool! I promised you to protect you forever, how could something happen to me?"

Listening to his lingering words, Situ Ningbing hugged him tighter. At that moment, what cold-blooded killer was Situ Ningbing? She is nestled in the arms of her lover like a little woman.

"Li Tian..."

"Li Tian, are you okay?" Chen Qiaozhi and the cries of Old Monster Ge could be heard from a distance.

Li Tian raised his eyes and saw Chen Qiaozhi and Old Monster Ge who were smiling and excitedly running.

Situ Ningbing also knew that Li Tian's brother was coming, and hurriedly left Li Tian's arms and stood aside.

But he said that Old Monster Ge and Chen Qiaozhi ran over crazy when they saw Li Tian standing in front of them intact.

But seeing that old monster Ge Old Wei hugged Li Tian: "I knew that your kid must be fine... Great, great!"

When Old Monster Ge was excited, his hand inadvertently pulled Li Tian's arm, and he used too much force.

Just as he was pulling Li Tian's arm, Li Tian suddenly heard a painful muffled sound, and at the same time the arm that Old Monster Ge was pulling too hard, suddenly trembled. But he still had a smile on his face, enduring the pain.

Old Monster Ge did not notice the slight change in Li Tian due to his excitement, but Chen Qiaozhi beside him was extremely cautious. At a glance, he saw that Li Tian's arm seemed to be something wrong, and he also noticed that Li Tian's face suddenly appeared just now. The painful look coming out.

He quickly walked over: "Li Tian, are you okay?" Chen Qiao said one, while subconsciously glanced at Li Tian's arm.

Li Tian couldn't bear to tell his brothers that his arm was "disappeared", so he smiled and said, "I'm fine."

"Oh!" Chen Qiaozhi nodded doubtfully, and took a deep look at Li Tian's arm. I don't know why, Chen Qiaozhi always felt that something was wrong with Li Tian!

But what's wrong in detail, Chen Qiaozhi still cannot tell.

He just blinked his eyes to observe Li Tian, looking at his arms.

Chapter 636: Descendants of Cthulhu

"Great, my old fellow is so happy to see you all right!"

"Moreover, your body is really awesome, you have suffered such a serious injury, and you have been twisted by that \*\*\*\* old man Yuwen. Can't you expect to recover so quickly?" Old strange Ge thought that Li Tian's body was intact. No damage, he said, patting Li Tian's arm there at the moment.

Li Tianqiang endured the pain in his arm, with a smile on his face, his body dodged a little, and said: "It's okay, okay!"

When the ghost servant standing on the other side saw Old Monster Ge manipulating Li Tian's arms, he suddenly stepped forward to stop him.

But he was stopped by the hand of that Du Guxie, and he shook his head slightly at the ghost servant.

The ghost servant didn't speak, and stepped back again.

"By the way, does Xiaolong still have a Qiu? Why didn't they come?"

"How about Xiaolong's injury?" Li Tian suddenly discovered that Tang Xiaolong and A Qiu were missing from the brothers, and he was not only asking there at this moment.

When suddenly mentioning Tang Xiaolong and the enemy, Na Ge and Chen Qiaozhi's complexion suddenly turned ugly, and the two not only bowed their heads.

Li Tianyi saw their expressions, and his heart was shocked. He suddenly felt that something bad might have happened.

Suddenly asked there, "What's wrong? What happened?"

"Is it Xiaolong's injury..." Li Tian said in fright.

When Li Tian was in a coma and was taken away by Duguxie and a ghost servant, Li Tian didn't know the life and death of Tang Xiaolong, so at this moment, when he didn't see Tang Xiaolong appearing, he thought that something big happened to Tang Xiaolong... !

Then Chen Qiaozhi slowly raised his eyes and looked at Li Tiandao and said, "Xiaolong's injury has completely recovered."

When Chen Qiaozhi said that Tang Xiaolong's injury had completely recovered, Li Tianxuan finally fell with a heart, and said with a long sigh: "Scare me to death! I thought Xiaolong..."

"But..." Chen Qiaozhi didn't know how to tell Li Tian, his face was a bit ugly.

Hearing Chen Qiao's tone of voice suddenly changed, Li Tian was slightly startled: "But what? Is there something else happened to Xiaolong?"

"Hey! Tang Xiaolong and Ah Qiu were taken away by the Yuwen family." Old Monster Na Ge suddenly sighed and said.

Suddenly hearing Old Monster Ge say so, Li Tian was shocked there.

"I was taken away by the Yuwen family? How could this happen?" Li Tian suddenly said with an extremely ugly face.

He knows the hatred of the Yuwen family towards him. Just imagine that he took his brothers into the Yuwen family's forbidden area, destroyed their secret rooms, and stole their family's most treasured "Xuanyuan Sword". What happened to the Yuwen family? Can you spare Li Tian and his brothers? Now that Tang Xiaolong and Ah Qiu have been captured by the Yuwen family, what kind of disaster will they suffer? Li Tian knew the terrible consequences without thinking about it! So he stood there with a horrified face and asked urgently.

"Aren't you all here? How could Xiaolong and Aqiu be captured?" Li Tian asked in horror.

He knew that the brothers were staying in the Ouyang family and were also being protected by the Ouyang family, but how about Tang Xiaolong and Ah Qiu being arrested alone?

I saw Chen Qiaozhi holding the gold-rimmed glasses on the bridge of his nose with his hand, and then slowly said: "That's it! We are indeed staying in the Ouyang family...and protected, but Xiaolong is ill. After recovering, I learned that you were injured by the Duanmu Black Dragon at the time, and even after being broken by Yuwen Huangji, his mood has been unstable... He has always blamed himself that it is his responsibility! So he wanted to leave for a while. The Ouyang family went to find your news... At that time we also persuaded him not to let him leave the Ouyang family, because we knew that the Yuwen family was guarding us outside... just waiting for us to go out, but Xiaolong never thought In spite of our dissuasion, insisting on going out...In the end this unfortunately happened!"

Listening to Chen Qiaozhi's words, Li Tian showed a deep guilt look on his face.

"It's all my fault! It's me who made Xiaolong..." Li Tian said with a guilty expression on his face.

"Li Tian, this is not your responsibility!"

"Yeah, don't do this... I believe that Xiaolong and Aqiu will never do anything for the time being!" Chen Qiaozhi said to Li Tiandao, who was also in front of him.

Li Tian suddenly turned his face to look at Chen Qiaozhi and asked, "How long have Xiaolong and Aqiu been arrested?"

"Not long! I was taken away yesterday afternoon."

Listening to what Chen Qiaozhi said before him, Li Tian finally felt a little relieved.

It seemed that Tang Xiaolong and A Qiu had just been taken away by the Yuwen family, and there shouldn't be much happening now.

While Li Tian was telling his brothers about the kidnapping of Tang Xiaolong and A Qiu, he saw that Old Man Ouyang, Feng Qingzi, and Ouyang family members had all come out.

"You are here." But I saw Old Man Ouyang smiling and looking at the Duguxie standing in the distance and the shadow ghost servant.

Here, Ouyang Zhengtian and Ouyang Lie couldn't help being slightly surprised when they saw these two people who hadn't been out of the world for more than 20 years.

But the ghost servant laughed out loud.

"Thank you brother Ouyang...for so many days, helping our young master look after his brother." The ghost servant said gratefully in a hoarse voice.

When the old man Ouyang heard the name "Young Master" in the ghost servant's mouth, his expression was startled, and then the vicissitudes of Long Jiong's face suddenly turned to look at Li Tian.

Suddenly, eyes flashed with surprise and murmured, "Young Master?"

"So he... he is... the son of the evil god?" Father Ouyang was suddenly shocked there.

A pair of sharp gazes were suddenly placed on Li Tian over there, and they carefully glanced at Li Tian: "Like, it really looks like! I always felt that this kid looks like someone...but I never remembered it. Who is it like? Now I finally understand... It turned out to be him, his descendants."

"That's the way... That's the way it is, no wonder... no wonder..." Old man Ouyang suddenly burst into laughter.

The Kunlun expert on the other side, Feng Qingzi also looked at Li Tian with horror.

"The dragon begets the dragon, the phoenix begets the phoenix, it seems that what he said is really right... No wonder his palms meet so weird, he is a descendant of the evil god, hey!" Feng Qingzi also sighed slightly there. .

On the contrary, Ouyang Zhengtian and Ouyang Lie over here were stunned!

They don't know what they are talking about in front of them...Who else is the Young Master?

Could it be that Li Tian is the young master of this Duguxie and ghost servant?

Chapter 637: One person missing

At the moment when he suddenly realized the truth, Ouyang Zhengtian was deeply shocked!

Since Li Tian is the young master of the evil sword Duguxie and the ghost servant... Doesn't it mean that he is the son of the man who drove the sword more than 20 years ago?

Now Ouyang Zhengtian was completely shocked there.

Chen Qiaozhi and Old Monster Ge over there, of course, also heard Du Guxie and the "Young Master" in the ghost servant's mouth.

At this moment, both of them looked at Li Tian in wonder.

Obviously they hadn't understood how all this happened, but the two of them knew in their hearts that the evil sword in front of them: Duguxie, and that ghost servant was definitely an expert outside the world!

Isn't the person who can let old man Ouyang come out to greet him personally?

But now Duguxie and ghost servants are calling young master Li Tian? This...this...what the \*\*\*\* is going on?

But seeing the old man Ouyang over there, the ghost servant, and Duguxie greeted slightly for a while, and then smiled and said, "Since they are all here, then please come to my Ouyang family to sit for a while!"

While talking, gestured for please!

The Duguxie and the ghost servant nodded slightly, and then they did not go directly, but looked at Li Tian

Li Tian was quite embarrassed, of course he was a bit awkward when he received such a heavy treatment for the first time.

But he still took the people around him and his favorite Situ Ningbing and walked forward.

"What about poetry?" But Ouyang Zhengtian, who was walking next to him, suddenly asked Ouyang Lie next to him. He just started to see his daughter first come out with his own eyes, but how could she not be seen?

Ouyang Lie, who had a face like a leopard, blinked those big eyes and looked around, and said, "Hey, wasn't this Nizi the first to come out just now? Why is she missing?"

Ouyang Zhengtian also frowned deeply, and then turned his eyes inadvertently. When he saw Li Tian and Situ Ningbing holding hands, he suddenly understood.

"Hey...I understand." Suddenly a long sigh came out from Ouyang Zhengtian's mouth.

Ouyang Lie next to him was taken aback and looked at his elder brother.

"What's the matter?" Ouyang Lie looked at Ouyang Zhengtian in surprise and asked.

"My sons and daughters have a long relationship with...! Forget it...Don't tell me." After Ouyang Zhengtian said vaguely in his mouth, he stepped forward.

On the contrary, Ouyang Lie, who used to have a fiery temperament, did not know what Ouyang Zhengtian meant, and muttered depressedly, "What kind of love for children..."

Of course Ouyang Zhengtian knows why poetry is no longer here suddenly?

As the father of Ouyang Shiqing, he knows his daughter's thoughts deeply, knows his daughter's deep concern for that boy Li Tian some time ago, and knows that Ouyang Shiqing cared about Li Tian from the beginning... Now I see Li Tianyan The other girl held hands, of course he understood what happened.

So at this moment Ouyang Zhengtian could only sigh softly.

The young people's affairs should be left to the young people to handle this matter Ouyang Zhengtian's current thinking.

However, Situ Ningbing, who was walking side by side with Li Tian, actually noticed that Ouyang Shiqing was not present at this moment.

She blinked at her beautiful eyes, but she couldn't see the shadow of Ouyang Shiqing... A slightly weird expression appeared on Situ Ningbing's face, whose eyebrows suddenly wrinkled slightly.

In the Ouyang family for more than a month, she has a very good relationship with that Ouyang Shiqing.

Especially after the two experienced that conversation.

Since then, the two of them want to be called sisters... Although Situ Ningbing is sometimes colder and rarely speaks, she still has a lot of gratitude for Ouyang Shi.

Now when I suddenly couldn't see Ouyang Shiqing showing up, I don't know why, Situ Ningbing felt a slight guilt in his heart.

"What's the matter? Ningbing." Li Tian looked at Situ Ningbing's pair of beautiful eyes and kept looking around, and asked Situ Ningbing in surprise.

But seeing Situ Ningbing quickly turned his head after hearing Li Tian's voice, a faint smile appeared on his face and said, "It's nothing."

"Oh!"

Hearing that Situ Ningbing said nothing, Li Tian didn't think much about it.

"Li Tian, do you think there is one less person at the scene today?" Situ Ningbing asked Li Tiandao, who was walking forward with her beautiful eyes suddenly blinking.

Li Tian was taken aback, frowned slightly, and said in surprise: "One less person? What do you mean?"

"I mean, do you feel that some people should have appeared in such a place, should have seen you, but have not seen her now?" Situ Ningbing continued to blink her beautiful eyes and looked at Li Tiandao.

Li Tian was stunned when Situ Ningbing said so.

Ask yourself, does he really feel that she is missing?

Yes! Li Tianneng felt that when he planned to come to the Ouyang family, he wanted to see her in his heart... He still remembered that when he was dying in the hospital, she pleaded for him and stood in front of him desperately... He shed tears!

How could Li Tian not be moved by all this? Besides, she is so beautiful. Since the first time he saw her, Li Tian has developed a heart of love for her, but today, when he came to the Ouyang family in person, he did not see she was!

Although there is a little loss in my heart, fortunately there is still my favorite woman here!

Now when he suddenly heard that Situ Ningbing said these words, Li Tian subconsciously knew that the person Situ Ningbing was talking about was: she!

Ouyang Shiqing!

But seeing Li Tian pretending to know nothing, he said with a faint smile: "Ningbing, what are you talking about? Why can't I understand."

When Situ Ningbing heard Li Tian say this, he smiled and said, "It's nothing."

The two of them didn't say anything, so Li Tian followed the old man Ouyang and Feng Qingzi in front of them, striding towards the Ouyang family.

In a garden full of rich fragrance, blooming roses flutter in the wind as if vying to show off their beauty.

They are so beautiful and so gorgeous.

In the middle of the park full of flowers, but seeing her standing there quietly, her people are more beautiful than flowers, but they are not as happy as flowers. A slight sadness brings her extremely beautiful face On...makes her look even more affectionate.

It's a pity that she is the only one standing there in the middle of the empty garden, no matter how pitiful she is, she cannot be loved.

She just stood silently among the flowers, condensing her brows thinking about her own thoughts.

Of course she is that Ouyang Shiqing.

Chapter 638: Return to Xuanyuanjian

It turned out that Ouyang Shiqing was silly at the moment she saw Li Tian and Situ Ningbing embracing each other.

She has been telling herself that if she really likes someone, even if she can't get him, as long as she can watch him happy, she is the happiest! But when she really saw the person she loved hugged with other women, she was still a little bit lost!

Maybe everyone can think of the truth sometimes, but when it comes to practice, it is not that simple, and this is the case with Ouyang's poetry.

So when she saw Situ Ningbing and Li Tian embracing at that moment, she turned and left.

Then a person quietly hid in this flowery garden, staying here stupidly.

Li Tian and the arrival of Duguxie and ghost servants shocked the entire Ouyang family.

Especially for Ouyang Zhengtian and Ouyang Lie.

And Li Tian's own brothers were also slightly surprised. Faced with that Li Tian suddenly appeared as a "Young Master", and he was still the famous Duguxie, and the ghost servant with a grimace mask called Li When the young master, they were even more depressed.

To be honest, even Situ Ningbing didn't know what was going on!

After the brothers entered the main hall of the Ouyang family with Li Tian, they greeted the ghost servant and Du Guxie to sit down.

No way, the identities of these two people are extremely high, and they are extremely difficult to provoke.

After that old man Ouyang's simple greetings, but seeing him looking at Li Tian with a kind smile, they said slightly: "Now you are finally here. There are some things and some things that everyone should sit together and say. said."

Hearing what Old Man Ouyang said, Old Monster Ge who was following Li Tian frowned slightly and said, "What's there to say!"

"The \*\*\*\* of the Yuwen family captured Tang Xiaolong, as well as that Qiu...Of course we should look for them now."

He was muttering in his mouth alone, Li Tian in front of him didn't pay too much attention to him. He blinked at the old man Ouyang who continued to talk.

But seeing that old man Ouyang continued to say: "Everyone is here today, and the old man also said a fair thing... In fact, looking at the battle between you and the Yuwen family this time, the truth is actually, the fault is really yours. , The fault is that you stole the Xuanyuan Sword of the Yuwen family first!"

Listening to Father Ouyang suddenly saying this, the whole hall instantly fell silent.

Li Tian admitted that this time the Mao section with the Yuwen family is indeed his responsibility!

Although he was indeed forced to do so by the Duanmu family, for the innocent Yuwen family, Li Tian had to say that all of this was caused by him.

But the ghost servant beside Li Tian suddenly snorted, and said unhappily, "Isn't it just a Xuanyuan sword? Our young master did not say not to return it to him... As the saying goes, yes Borrowing and repaying is justified! Doesn't he even understand this at such an old age?"

Faced with the hoarse voice of the ghost servant suddenly sounded in the entire hall, the Ouyang family over there frowned, looking at this guy wearing a grimace mask, and secretly lining: What kind of reason is this!

Father Ouyang laughed loudly when he heard the ghost servant say this.

"Ghost servants are actually right. There are borrowings and repayments, it is justified!"

"Since the Yuwen family has to return the Xuanyuan Sword now... then why don't we return it to him now? If we can return the Xuanyuan Sword to the Yuwen family now, I believe he will release your brothers immediately. ."

Listening to Father Ouyang's words, Li Tian frowned slightly.

Can he return Xuanyuanjian to the Yuwen family now?

If you still go back, how will you negotiate with the Duanmu family? How to exchange your own antidote?

When the ghost servant who wanted to talk heard this, his mouth groaned, but he didn't know how to reply.

But after seeing Duguxie's silence, he suddenly turned his head to Li Tiandao and said, "Young Master...I think there is some truth to what Elder Ouyang said...Since you are worried about your brother's safety, why don't we give Xuanyuanjian now What about the Yuwen family? I believe that

if we sincerely hand over their family's Xuanyuanjian, then the Yuwen family will never do anything out of the ordinary."

"Well, what the second brother said is really good, young master, what do you think?" The ghost servant also said slightly.

At this moment, everyone's eyes are on Li Tian's face, waiting for his answer, but at this moment, who can know Li Tian's heartache?

Don't forget that there is the Duanmu family's most vicious Sanshengmen poison in his body!

But Li Tian finally chose to compromise, only to see a bitter and helpless smile at the corner of his mouth, and then suddenly said to everyone, "Okay!"

"For the safety of my brother, I handed over Xuanyuanjian and apologized to Yuwen's family!" A word came out loudly from Li Tian's mouth.

When he said this, the old man Ouyang smiled slightly. He was very satisfied with this answer, because he knew that as long as Li Tianzhen handed over the "Xuanyuan Sword" of the Yuwen family, he would avoid a lot of the occurrence of contradictions.

The Duguxie and the ghost servant here also looked at Li Tian with joy. That Yuwen Huangji was kind to Duguxie, and of course Duguxie didn't want to have a head-on conflict with that Yuwen Emperor.

At this moment, when Li Tian said that he was going to return the Xuanyuan sword of the Yuwen family, Duguxie was of course happy.

But just when everyone's faces were happy, suddenly her voice rang.

"Do not!"

"Can't hand over Xuanyuan Sword."

Everyone listened to the voice and looked at her, but it was Situ Ningbing who was speaking.

She said coldly on her beautiful face like Frozen.

After her words were spoken, everyone looked at her in wonder.

"This girl, why do you say that? Why can't you return Xuanyuanjian to the Yuwen family?" Old man Ouyang only asked Situ Ningbing, who was looking in front of him.

But seeing Situ Ningbing Yang said: "Because if Xuanyuanjian is really handed over to Yuwen family, Li Tian will die!"

When she said that, everyone was taken aback.

Especially Duguxie and the ghost servant.

"What do you mean?" But seeing the ghost servant in front of him suddenly stood up and asked in a hoarse voice.

But Situ Ningbing continued, "Do you know why Li Tian wanted to steal the Yuwen Family Xuanyuan Sword? Because he was persecuted by the Duanmu Family!"

"Li Tian was hit by the Sanshengmen poison of the Duanmu family, who among you knows?"

Chapter 640: Have the ability to kill Lao Tzu!

After Yuwen Huangji's sudden arrival, those family members in the basement respectfully called: Patriarch!

Yuwen Huangji raised his eyes and looked at Tang Xiaolong, who was covered in blood and Na Qiu, suddenly said to his hand, "How is it? Did he tell the whereabouts of Xuanyuanjian?"

"Report to the Patriarch, not yet!" Just listen to the humanity of your subordinates.

"Bastard!" Yuwen Huangji suddenly roared.

The subordinates in the basement hurriedly lowered their heads, and did not dare to show one.

"There are so many people who can't even ask any clues...what can I do if I raise a bunch of rice buckets for you?" Emperor Yuwen yelled at his hand.

The subordinates in front of him were reprimanded by Emperor Yuwen extremely viciously, but none of them dared to speak back.

After severely reprimanding his subordinates, he saw that Emperor Yuwen suddenly walked towards Tang Xiaolong and Ah Qiu who were hanging all over his body.

Glancing at the two people who had died there, Yuwenhuang said coldly, "Wake them up to me, I don't believe they don't say anything."

"Yes!"

Hearing what Yuwen Huangji said, he grabbed the bucket beside him, and poured a bucket of piercing cold water on Tang Xiaolong and A Qiu.

Being poured by the biting cold water, Tang Xiaolong groaned slightly.

And Ah Qiu woke up slowly.

It's a pity that the two of them have been tortured and powerless... but seeing the dragon lying down and blinking his \*\*\*\* eyes... trying hard to raise his head, but after trying hard several times, he was still there.

After seeing the two sober, the Emperor Yuwen suddenly stepped over, and suddenly stretched out a hand to pinch the \*\*\*\* face of Tang Xiaolong, and said angrily, "Boy, tell me the whereabouts of Xuanyuanjian quickly. ...Otherwise I will let you know what is true is better than death.!"

But seeing Tang Xiaolong with his \*\*\*\* face pinched, suddenly he laughed wildly.

"Pooh!"

Suddenly a mouthful of blood spurted from his mouth!

Before Yuwen Huangji had time to escape, the blood was vomited on his body.

"Asshole, you are looking for death!"

The Yuwen Huangji who was thrown on his body was really furious, and he suddenly punched Tang Xiaolong's cheek hard.

With a bang, a fatal fist hit Tang Xiaolong's left cheek, and a scream of wow came from Tang Xiaolong's mouth.

Blood, scarlet blood spurting out of Tang Xiaolong's mouth bit by bit, his face was swollen and the entire face seemed completely distorted, looking at the indescribable distress...

But Tang Xiaolong was not dead!

He was gasping heavily... his face was \*\*\*\* and his face was puffy.

Suddenly a miserable laugh came out of that Tang Xiaolong's mouth... he smiled while still having blood in the corner of his mouth...

"What are you \*\*\*\* laughing at?" Yuwenhuang couldn't wait to slaughter Tang Xiaolong in front of him.

But seeing that Tang Xiaolong who was laughing wildly, with a \*\*\*\* breath in his eyes, he said, "I...I...laugh at you..."

"Have the ability...Kill Xiaoye...Kill me..."

"I tell you... Even if I die... I won't tell you the whereabouts of Xuanyuanjian..."

"You bastard... hurt my little boss... I will not let you go as a ghost."

Tang Xiaolong suddenly yelled like crazy.

Facing Tang Xiaolong's madness, Na Yuwenhuang became more and more angry.

"Do you think the old man really didn't dare to kill you?" Yuwen Huangji suddenly said with a vicious murderous intent in his eyes.

But is Tang Xiaolong afraid of him? Of course not afraid!

Tang Xiaolong was already dying... His whole body was covered with blood, and he no longer had any hope of life. At this moment, he said in a loud voice, "Come... come and kill me..."

Yuwenhuang was so excited by him that he couldn't wait to chop him!

But in the end, he still resisted it rationally, because he understood that it was really crucial to retrieve the lost Xuanyuan Sword by himself.

So he resisted the idea of a killer and gave Tang Xiaolong a fierce look.

"Okay, I see how long you can endure, do you want to die, right? I won't let you die... I will torture you alive, until when do you say it..." Yuwen Huangji suddenly said with a vicious smile on his face.

"Keep asking me! I don't believe how long this \*\*\*\* can last!" Yuwen Huangji finally said angrily.

The man standing in the dark basement said, "Yes!"

Then I saw that Emperor Yuwen flew away in angrily.

So the Yuwen family continued to torment that Tang Xiaolong and Ah Qiu!

"Where is Ningbing?"

In the room, but seeing Li Tian looking for Situ Ningbing said.

Sitting inside were Chen Qiaozhi, Old Monster Ge and others. After hearing Li Tian's questioning, Chen Qiaozhi said, "It seems to be here just now? It seems to have gone out."

"Oh!" Li Tian replied.

Not only was he slightly curious, this Situ Ningbing was fine just now, why did he suddenly go there?

Just as Li Tian wanted to continue searching for Situ Ningbing, Chen Qiaozhi suddenly came over and looked at Li Tian with weird eyes.

Seeing Chen Qiaozhi with weird eyes, Li Tian was taken aback.

Looking at the Tao of Chen Qiao with a smile: "What's wrong? Qiao Zhi?"

But seeing Chen Qiaozhi look at Li Tian, then a pair of eyes suddenly looked on Li Tian's arm.

"Why do I always feel that there is something wrong with your arm... Li Tian, tell me the truth... Has your arm really recovered completely since it was twisted by the Emperor Yuwen?" A smart person, and his eyes are poisonous. Under normal circumstances, he can see even the smallest details. When he first saw Li Tian, he felt that Li Tian was a little awkward.

Especially when he saw the old monster Ge inadvertently touched Li Tian's arm at the time, he observed the strange expression unnaturally on Li Tian's face, so he asked curiously at that moment. Say.

When Li Tian heard what Chen Qiaozhi said, he couldn't help being slightly surprised.

It is true that his arm has indeed changed, becoming a "waste man" arm. Now, apart from ordinary things, he can't do anything at all, and he can't even lift objects weighing more than 20 kilograms.

But in order not to let his brother worry about him, Li Tian smiled and said to Chen Qiaozhi in front of him: "My arms are good, it's okay."

In order to show that his arm was in good condition, Li Tian couldn't help shaking and said.

Seeing that Li Tian's arm seemed to be able to move and it was able to move freely, Chen Qiaozhi frowned slightly, and said to himself: It seems that there is really nothing wrong with his arm. Could it be that he read it wrong?
