

A Killer 64

Chapter 64: I don't want to be a security guard!

Yu Dahai sat on the iron bed while smoking a cigarette while looking at Li Tianwen.

Li Tian didn't speak, and sullenly took two puffs of cigarettes.

Seeing Li Tian being silent, Yu Dahai sighed slightly.

"Xiao Li, I'm older than you, and it's your eldest brother. You listen to what the eldest brother said, remember everything and don't be the best, especially for people like us who have just come out of the countryside."

"This life in a flowery city, sometimes I think it's really not suitable for poor people like us to stay. These rich people try every means to make fun of us to make money, and do everything to harm us."

"For example, when you met Miss Tang Family this time, do you have any friends around you now? If they are not jealous of you, or they will harm you, whether they are rich or not, in their eyes, they are inferior. People simply cannot tolerate more people than themselves, so Xiao Li, you have to remember that sometimes there are things you still don't want to do and don't provoke them, otherwise you will definitely be the one who suffers, the poor."

Listening to the words in front of the sea, Li Tian didn't know why an anger that had never happened before came out of his heart.

"Brother Yu, do you believe it? One day I will let these ***** be under my feet, and I will step on their necks."

The vicious words popped out from Li Tian's mouth, his fists were tightly clenched, the blue veins on his arms violently violently, those terrifying eyes gave people a fierce look. .

When Yu Dahai didn't know why he saw Li Tian's eyes, his heart throbbed, it was a shock.

"Xiao Li, what are you going to do now?" Yu Dahai suddenly looked at Li Tian and said.

Li Tian thought for a while and said seriously: "I don't want to be a security guard anymore."

When he said a word, Yu Dahai couldn't help being taken aback, staring at Li Tian in amazement and said: "Don't be a security guard? Xiao Li, what can you do if you don't be a security guard?"

Li Tian took a deep breath and shook his head: "I don't know. But I know that security is not the way I go."

He was telling the truth.

When he first arrived in Kyoto, he knew what he should do there?

Yu Dahai paused and did not speak. After a while, the cigarette ***** in his hand was still on the ground. He stood up and patted Li Tian on the shoulder: "The road is under my feet, and my life is my life. In the hands of him, where you are going, Brother Yu, I won't stop you, but in this Huahua City, you just need to be careful."

After speaking, Yu Dahai walked out of the dormitory in front of him, leaving Li Tian alone in the dormitory.

After Wang Feng drove away in the car, his heart was full of anger.

He had never thought that his dignified Prince Wang would be reduced to a jealous fight with a security guard. It was ridiculous.

With irritation, he quickly put on his Bluetooth headset and dialed a phone expertly while driving the car.

"Hey, Huang Mao."

Hearing Wang Feng's voice, the other party hurriedly said: "Wang Shao, the information on the campus flower of the Industrial and Commercial University has been checked. Single, parents are workers..."

Listening to Huang Mao's words over there, Wang Feng suddenly interrupted: "Shut up and listen to me."

The guy called Huang Mao over there quickly closed his mouth, not daring to say more.

"Listen to me. From now on, hurry up and find me a few more cruel characters. I'm going to abandon someone."

"Who is it?" the Huang Mao over there asked smartly.

"Stop a **** who doesn't have eyes long." Wang Fengnu said.

Huang Mao over there suddenly smiled and said: "Wang Shao, don't worry, I have a few brothers who have just come out of prison these days and are watching that there is nothing to do."

"That's good." Wang Feng's mouth showed a cold meaning.

"At that time, I will tell you the address of that person, remembering to mutilate him, if not, I will mutilate you." Wang Feng dropped a word fiercely.

Huang Mao over there quickly said: "Wang Shaoda can rest assured that this matter is guaranteed to be done smoothly for you by the brothers."

After speaking, Wang Feng unplugged the Bluetooth headset plugged in his ears, and muttered: "Guardian, look at how I play you this time..."

In the afternoon, Feifei drove to the Tang Group to look for Li Tian.

After Li Tian was called out by a security guard, he saw Feifei.

However, Li Tian did not seem particularly happy today, but his face was not very good-looking.

Seeing that Li Tian's face is not so good, Feifei looked at him in wonder and asked, "What's wrong? Why is his face so ugly?"

Li Tian didn't speak and walked towards the square.

Feifei followed.

"What's the matter with you?"

Hearing Feifei's words again, Li Tian suddenly turned his head to look at Feifei and said, "Why do you come to me over and over again? What is the purpose?"

"Purpose?" Feifei was taken aback when she heard Li Tian say this.

"What do you mean? You mean I'm using you?" Feifei said with apricot eyes.

Li Tian looked at her: "Isn't it?"

"The surname is Li, don't say things so badly, okay?" Feifei said angrily.

Li Tian snorted coldly: "I Li Tian is just a pauper who has nothing. How could you, a rich and powerful young lady run to me again and again, until today I didn't understand that you were always there. Use me."

"What do you mean? What do you mean today?" Feifei stared at Li Tian.

"Do you want me to be clearer?"

"You said... the surname is Li, if you want to make it clear to me today, I will never finish with you." Feifei said angrily, flushed.

Li Tian said suddenly: "Okay, then I will tell you clearly."

"This morning, a kid came to me inexplicably? What kind of boyfriend did he say I am? Yes, I promised to pretend to be your boyfriend, but you can't hurt me like that? If I guess If yes, that kid must have heard the rumors between us, so he came to find me." Li Tiandao said.

Feifei couldn't help being stunned when she heard Li Tian say this.

"What kind of person is looking for you?"

"A man who drove a good car, dressed a lot and was handsome," Li Tian said coldly.

After Li Tian said this, Tang Feifei suddenly thought of Wang Feng.

"It's him, it must be him."

"He really came."

Her face seemed to be so excited when she knew it was Wang Feng.

This can't help making Li Tian, who has been watching Feifei, feel extremely depressed, and he secretly said: Is she really using herself?

(Important reminder): If you don't drop the ticket, I will scream at the waste! If you don't collect it, I'll hit the wall if you don't collect it. Brothers, you can figure it out, cut!
