

A Killer 641

Chapter 641: Good sister

Regarding Chen Qiaozhi's recognition of the problem with his arms, Li Tian can only perfunctory at the moment, because he is afraid that there will be unnecessary troubles after telling his brothers that his arms are "disappeared", so he temporarily conceals it. .

"Qiaozhi, there is something for you to do." Li Tian suddenly turned his head and looked at Chen Qiaozhi's way seriously.

"Now that Xiaolong and Aqiu are not there, you can only have trouble with Ge Lao."

Hearing what Li Tian said, Chen Qiaozhi raised his eyes and asked, "What's the matter?"

"Get Xuanyuanjian back." A word came out of Li Tian's mouth.

Xuanyuanjian?

Yes, since Li Tian stole the Yuwen family's Xuanyuan Sword, he hid it after arriving in Jinghai City for the first time. On the one hand, to prevent the Duanmu family from taking it, on the other hand it was for safety reasons. Xuanyuanjian was placed in an extremely secret place.

Chen Qiaozhi and Old Monster Ge over there heard Li Tian say this, thought for a moment, and then nodded.

"Okay! Old Ge and I will go to get Xuanyuan sword." But I heard Chen Qiaozhi said.

Li Tian smiled: "Well! Once Xuanyuan Sword is retrieved at that time, Xiaolong and A Qiu can be exchanged..." Li Tian sighed softly.

After Li Tian made such a decision, Chen Qiaozhi and Old Monster Ge didn't have too much delay. After a simple cleanup, they immediately walked out of the Ouyang family, ready to get the hidden Xuanyuan sword.

As soon as Xuanyuanjian got it, Li Tian could quickly exchange his brother back.

For Li Tian, there is nothing more important than his brother's safety.

Now that the Ouyang family had already let out the wind, they also said that Li Tian was going to return Xuanyuanjian!

If nothing else, the Yuwen family hidden deep in Jinghai City should have heard the news... If the Yuwen family could hear the news that Li Tian was going to return that Xuanyuanjian, would he not do anything stupid?

But all this is just a hypothesis, what will happen in the real result? No one knew before this moment.

"Shiqing, why don't you see him?"

Inside Ouyang Shiqing's exquisite boudoir, but seeing that Situ Ningbing stood there silently looking at the glamorous Ouyang Shiqing standing here and asked.

It turned out that Situ Ningbing came to Ouyang Shiqing by himself, no wonder Li Tian couldn't find her.

But seeing that Ouyang Shiqing saw that it was Situ Ningbing, a smile appeared on her delicate face: "Sister Ningbing, I don't have any...I just, I was just a little uncomfortable at the time... so... "

The man they said in their mouths was of course the man they like, Li Tian.

Situ Ningbing certainly knew she was prevarication.

Slowly walked over, and then gently stretched out a slender hand to hold Ouyang Shiqing's wrist.

"Poetry, I know if you are angry at me?" Situ Ningbing said suddenly.

Ouyang Shiqing was shocked, and quickly said: "Sister Ningbing, I don't have..."

Situ Ningbing smiled: "Actually, I understand how it feels when my beloved man is with other women... I have also deeply experienced it."

"Jealous, angry, I will have it too, I know we are all women, so if you are angry with me, jealous of me, it is the most normal, I do not blame you." But listening to Situ Ningbing in front of me suddenly said slowly Say.

Ouyang Shiqing shook his head slightly.

"Sister Ningbing... I really don't!"

"I just feel... I feel a little regretful... Do you remember what I said to you that day? Although I really like him and love him very much... But shouldn't loving someone make him happy? Shouldn't he be happy? Now I can see my beloved and sister Ning Bing laughing together and having fun together. This is what I wish most sincerely at the moment." Ouyang Shi said kindly.

Listening to her words, Situ Ningbing was deeply moved there.

"You are so kind." Situ Ningbing said involuntarily.

Ouyang Shiqing smiled bitterly, with happiness.

"But... how about you?" Situ Ningbing asked, looking at Ouyang Shiqing suddenly.

Ouyang Shiqing pretended to be there and smiled and said, "Me? I'm fine, it's good."

"Fool, don't lie to yourself... I know your heart hurts, and your heart hurts!"

"Sister, I have been with you for such a long time... I know you are a good girl... I also know your heart for him, and the most important point is that I can see that he cares about you too!" Situ Ning Bing said suddenly.

When I heard Situ Ningbing say so all of a sudden, Ouyang Shiqing in front of me was really taken aback.

"Sister Ningbing...I..."

Before Ouyang Shiqing finished speaking, Situ Ningbing smiled and stretched out his hand to stop her.

"Listen to my sister, if you really love him, then love it boldly... I have to admit that I am a little jealous of sharing my man with a woman... But I want to be happy with each other more... Especially you ... and there was more than one woman who loved him!" Situ Ningbing suddenly thought of Duan Muying again.

The girl from the Duanmu family also did everything for Li Tian... and at the beginning she risked her family's risk and let her go. Although Situ Ningbing rarely said all of this, she remembered it all in her heart.

She was a kind-hearted woman, but so many years of assassin's career allowed her to hide all her initial emotions, but after meeting Li Tian, and after experiencing so much true love with him, Her share of the kindest heart buried in her heart finally revealed.

So she no longer resents, no longer jealous...

Listening to what Situ Ningbing said to him, Ouyang Shiqing didn't know what it was like.

He just raised his eyes and looked at Situ Ningbing: "Sister Ningbing..."

"Observe, if you love him! Then love! My sister won't say anything...Don't forget, aren't we all good sisters now?" Situ Ningbing took the hand of Ouyang Shiqing and said with a smile .

To be honest, the Ouyang poetry in front of me is excited and grateful!

She knew that if a woman said something like that just now, how much measurement and courage needed... and she had to thank Situ Ningbing for all this.

"Yes, it is!"

"No matter what, you are my good sister Ouyang Shiqing's life!"

Two women, two superb beauties seemed to have become a family harmony at this moment.

I really don't know how happy Li Tian would be in his heart if such a lens were to be seen!

Chapter 642: The mysterious man in purple

After 4 o'clock in the afternoon, Old Monster Ge and Chen Qiaozhi finally returned.

However, Chen Qiaozhi was holding a wooden box about four feet long, wrapped in a black cloth.

Old Monster Ge also cautiously followed Chen Qiaozhi.

However, the two finally entered the Ouyang family safely.

After they entered the Ouyang family, a hanging heart finally fell. You must know that they were holding ancient relics!

If this thing is to be spread, the outside world doesn't know how many people are jealous and want to take it, so of course the two of them have to be careful.

Fortunately, nothing major happened along the way.

However, the careful Chen Qiaozhi still felt something was wrong!

I don't know what happened, Chen Qiaozhi felt a pair of swish eyes on the way, as if watching him and Old Monster Ge... But whenever Chen Qiaozhi wanted to turn his head to look, he couldn't see each other. ...Because there is nothing behind.

Chen Qiaozhi also thought, did he feel that something went wrong? Or is it because you are too nervous?

But the weird feeling really made him extremely uncomfortable, as if a ghost was following him, causing his whole body to stand up cold.

Isn't this? After Chen Qiaozhi and Old Monster Ge finally reached the Ouyang family, his heart finally fell, he took a breath, then turned his head and looked at the road behind.

The old monster Ge, who was walking in front of him, watched Chen Qiaozhi suddenly look behind him, and he asked, "Sick ghost, what's the matter?"

Chen Qiaozhi didn't pay attention to Old Monster Na Ge directly, but looked at the street behind him intently. When he was sure that there was no suspicious person, he turned his head slightly, his face with gold glasses looked a little bit Not pretty.

"What's wrong? Are you talking?" Old Monster Ge complained to Chen Qiaozhi there.

But seeing Chen Qiaozhi finally said slightly, "Old monster, do you feel that something weird is following us along the way?"

Suddenly hearing such weird words from Chen Qiaozhi, Old Monster Ge was shocked.

"Fuck, what do you mean?"

But seeing Chen Qiaozhi frowned and said: "I don't know what's going on. On the way, I always feel that something gloomy seems to have been following me, and... and it seems to be watching me from behind. I feel that the visitor is unkind."

Listening to what Chen Qiaozhi said, the old monster Ge quickly looked back.

"Why didn't I feel it?"

"You didn't feel it?"

"Yes!" Old Monster Ge said angrily.

"Oh....."

"Is your kid thinking too much... nervous?" Old monster Ge haha patted the shoulder of Chen Qiaozhi and said.

Chen Qiaozhi shook his head vigorously, and said to his heart: Maybe he really thought too much!

If the horrible feeling just now is true, then he is absolutely certain that the fierce man behind is definitely a first-class master! And the horrible feeling just now... just like the horrible feeling that the ghost servant gave when he was angry, he was a master with a sharp edge.

"Maybe I think too much." Chen Qiaozhi finally said so comforting himself.

"Let's go, Li Tian is still waiting for us." Just listen to the strange old Ge said.

Chen Qiaozhi nodded, so he held the Xuanyuanjian in his arms tightly, and followed the old monster Ge towards the inside of the Ouyang family.

When the two of them slowly entered the Ouyang family, they suddenly saw a very strange shadow flashing away.

The speed of that shadow reached a shocking level, like a gust of wind, perhaps faster than the speed of the wind.

In a blink of an eye, I saw that the shadow had already arrived outside the Ouyang family.

Purple clothes, tall and thin body, a pale face like a knife, like an animal that haunts at night.

The two hands that came out of the purple robe were sickly white, and the nails were weirdly pointed...like zombies.

Those eyes are as cold as a knife, and when they look at people, they make people shudder.

What's more weird is that you will see a long and narrow sword mark on his face... that sword mark slid down from his left eye to the chin... He could be said to be a handsome man. , But this sword went down, but his face became extremely terrifying.

And now this weird character is standing outside coldly, holding a pair of weird eyes and looking at the entering Chen Qiaozhi and Ge old monster!

After watching for a few seconds, a cold smile suddenly appeared at the corner of his mouth...

That smile seemed to be a kind of irony, but also a disdain, and the sword marks on his left cheek seemed weird.

His compelling eyes also looked at the Ouyang family in front of him with weird gazes... I don't know why, when his sharp eyes were looking at the Ouyang family, suddenly his eyes flashed A weird and messy look, as if that look is like seeing something familiar...

Then, before seeing exactly why his eyes were like this, his body flashed suddenly...hidden in the crowd, nowhere to be seen.

Who is he?

Could it be that Chen Qiaozhi and Old Monster Ge who were holding swords followed him?

Could it be that this guy can make Chen Qiaozhi's whole body hair stand up cold?

Although it is not clear who this guy is, the only thing that is certain is that he is definitely a master in a million, and he is definitely a top master.

If the guess is correct, his ability is almost as good as that of the ghost servant who has just been born, and the duguxie.

But who is he? And what is his purpose? No one knows at present.

"Li Tian, we are back." But seeing the Ouyang family, you can hear Chen Qiaozhi's voice from a distance.

Li Tian heard his brother's voice in the room and walked out quickly.

At a glance, I saw the unharmed Chen Qiaozhi and Old Monster Ge, as well as the Xuanyuan Sword in Chen Qiaozhi's arms.

"Sword, we brought it intact." Hearing Old Monster Ge said with a smile there.

"Thanks for your hard work." Li Tiandao.

"give."

Chen Qiaozhi, who was speaking, handed the Xuanyuan Sword in his arms to Li Tian.

Li Tian stretched out his hands and took it slowly.

At this time, Duguxie and ghost servants also came out from inside.

"Xuanyuanjian..." the ghost servant whispered in a hoarse voice.

Duguxie also glanced at the Xuanyuan Sword in Li Tian's hand, his expression slightly ugly.

"Well, it is this sword!"

Chapter 643: The old drunkard and the man in purple

"Now that the sword is in hand, it seems that we will be able to exchange for Xiaolong and Aqiu soon." Li Tian said with relief.

"Qiao Zhi, you can quickly ask the Ouyang family to see if they have found a clue to the Yuwen family!"

"Also tell them that Xuanyuanjian has already gotten it...If they contact the Yuwen family, I hope to negotiate as soon as possible." But after listening to Li Tianzhe's instructions, Chen Qiaozhi said.

Chen Qiaozhi nodded, and then quickly ran towards the main hall of the Ouyang family.

After Chen Qiaozhi went to inquire about the news, Li Tian walked into the room with Xuanyuanjian in his hand.

Ghost servants and Duguxie also slowly followed in.

After entering the room, Li Tian slowly opened the sword box with both hands.

Xuanyuan Jian Guo really revealed it.

When the Xuanyuan Sword engraved with ancient patterns was opened, it carried the breath of the king and rushed toward the crowd.

Touching the Xuanyuan Sword in front of him, there was always a weird feeling.

On the contrary, the Duguxie and the ghost servant didn't seem to have much interest in Xuanyuan Sword. The two of them simply glanced at it and didn't say much.

"Ghost servant, why do you all seem to be unhappy one by one?" Li Tian suddenly noticed the ghost servant and Duguxie in front of him, and not only asked there.

But seeing the ghost servant smiled bitterly.

"Young Master, it's not that we are unhappy, but because we saw this sword and remembered the original thing..."

Hearing what the ghost servant said, Li Tian suddenly realized.

Yes, his father had obtained this Xuanyuan sword more than 20 years ago.

Of course the ghost servants and Duguxie at that time had seen this sword with their father... Now when they saw this sword again, of course they would think of their father, no wonder they were sad.

Li Tian thought for a while, put away the Xuanyuan sword in front of him, raised his eyes to look at Duguxie and the ghost servant and said, "Don't worry! I believe my father is definitely not dead yet... He must be alive. "

"Yeah!" The ghost servant and Duguxie also uttered a word.

Duguxie watched Li Tian inadvertently put the Xuanyuan sword in his hand aside, and said, "Young Master, put this sword away properly...Don't lose it!"

"If it is lost, then it will be a little trouble for the Yuwen family that will not be simple at that time, when the time comes, I believe that many hidden monsters will come out one by one to fight for him."

Li Tian nodded, and slowly put the Xuanyuan sword in his hand into the sword box on the other side, and then put it away.

Inside a weird room, but there was a strong smell of alcohol in it.

In the blink of an eye, in the rather messy room, there are piles of empty wine bottles, all of which are extremely high-grade spirits.

Those who live in such a room know at a glance that it must be a drunkard's room, and it must be a desperate drunkard.

Looking ahead, I saw a chubby, slightly bloated old man lying on a shabby sofa, asleep.

The old man's face was red, his hair was sparse like straw, and what's more terrible was that this guy was spraying heavy alcohol in his mouth.

There are piles of empty wine bottles on the table next to it... 56 degrees old white dry spirits!

There are 67 bottles in total, empty bottles.

Could it be said that this chubby old guy drank all these wines? Too terrible.

The old man's attire is very strange, like that of a minority ethnic group. What's even more strange is that there is a wine gourd hanging on the old man's waist.

What kind of alcoholic is this old guy? It's so drinkable?

But no matter who he is, he is definitely a talent who wants to drink.

It was just such a room full of strong wine smell, and suddenly a purple shadow from the window floated in, like a gust of wind.

The speed was as fast as lightning, and when he fell in the room, he didn't even make a sound.

You can see how pure his kung fu is.

Who is he?

Looked carefully, but saw that he was wearing a purple robe all over his body, and there was a hideous sword mark on his handsome face with a sharp sword.

This guy... isn't this guy the same horror figure who has been following Chen Qiaozhi and them just now? How come here suddenly?

After this strange and indifferent man floated in, his star-like face suddenly wrinkled slightly, as if he was extremely disgusted with this alcohol-filled room.

"Xuanyuanjian was really born..." Suddenly a cold word came out of his mouth without any emotion.

Is he talking to himself? Or is he talking to someone else? Is it... Is it that drunk chubby old man?

After a pause of about a few seconds, the old man who was lying on the broken sofa snoring like a pig fell asleep, his mouth full of alcohol suddenly snorted in his mouth.

Then he slowly opened those fluffy eyes... bloated and ugly, he got up from the sofa, as if he was struggling.

"Good, good, good!"

Three words came out of the chubby old drunkard.

He spoke with a red smile on his face.

Whoosh!

No one could see clearly how he lifted his hand. Suddenly, a bottle of white wine, about three meters away, came into his hand. The only thing he could see was a shadow flashing away. !

Gosh!

Who could have imagined that this old drunkard who seemed to be easy to get up from the sofa was so agile, so agile to an incredible level.

After the bottle of spirits reached his hand, he stretched out his hand and twisted it slightly, and the bottle cap fell to the ground.

He raised his head and started to drink.

This old drunkard was drinking just like drinking water... a bottle of wine went into his belly for half of it all at once.

"Hey...this wine is not as good as my fire wine!"

The old drunkard suddenly sighed and said, then he glanced at the wine gourd he was hanging around his waist with his eyes full of satisfaction, and suddenly he smiled and said, "It's still my own baby."

This old drunkard looked a little crazy, and I don't know if it was because of being drunk, or because he was so crazy, but the indifferent man standing beside him didn't say a word all the time, as if he didn't even bother to talk He was talking.

"When do you do it?" Suddenly a sentence finally came out of the chubby old drunkard.

The indifferent man in purple clothes standing beside said coldly, "Soon."

"Yeah! Good too..."

"I heard that the famous Duguxie, and the shadow ghost servant are all born, right?" The old drunkard in front of him suddenly smiled strangely, and he continued to look at the purple-clothed man with his mouth spraying alcohol.

"Yes!"

"Wow!"

"Then there will be a good show...hehe." The drunkard suddenly laughed strangely.

What are they talking about? What does it mean? No one knows it yet.

Chapter 644: Hell gate

"At that time, remember, you don't need to have a head-on conflict with those two people, you just need to grab the sword." The cold words suddenly came out of the purple-clothed man's mouth.

After the person in purple had finished speaking like this, the old drunkard suddenly showed a weird smile on the corner of his mouth, and then said with a drink of alcohol in his mouth: "Yes, too, those two guys are so powerful, it's better not to do it..."

The person in purple did not say anything.

The old drunkard reached out his hand and took out his own wine gourd from his waist, then slowly opened the lid, and a steaming aroma of wine came out from inside. The old drunkard did not drink directly, but leaned on his nose. Suddenly, he took a deep breath of the strong taste of wine, then slowly closed the lid, and said, "Comfortable, comfortable."

"Ouyang Longyan, I have a question that the old drunkard has never understood. I don't know if you can tell me the old drunkard today?" The old drunkard squinted his eyes and snorted in his mouth, smiling and looking at the purple clothes in front of him.

His last name is: Ouyang!

And the name is Ouyang Longyan!

This purple-clothed man with a purple dress and a long and narrow sword mark on his face turned out to be called Ouyang Longyan.

After the old drunkard suddenly said this, the indifferent man named Ouyang Longyan suddenly snorted: "Say."

The old drunkard grinned.

Then he blinked his eyes and said slightly: "I have always wondered, with your life experience and your ability, why did you abandon the wealth of the Ouyang family and the position of the head of the family, and choose to enter the gate of hell? Hey... What a pity, what a pity, if I am an old drunkard, I won't leave that kind of place even if I kill me... Hey!"

As the old drunkard said so, the purple-clothed man suddenly had a strong killing intent in his eyes, and the fierce killing intent suddenly filled the whole room. Even the old drunk who had just spoken suddenly lost his smile and looked cautious. Looking at that Ouyang Longyan.

"My business, you'd better ignore it and ask less!"

"If you dare to say one more thing later... I will kill you." The sharp cold words came out word by word from Ouyang Longyan's mouth.

No one dared to doubt him, and the fierce killing intent from him alone was scary and terrifying.

The old drunkard heard Ouyang Longyan in front of him saying this, an awkward smile suddenly appeared on his face: "Okay, okay, since you don't want to say... then I won't ask!"

"Hey, it's all your own business anyway... Why do I want to mix things up with an outsider? Haha, I still have to drink every day." The old drunkard said as he grabbed a half bottle on the table beside him. The strong wine suddenly drank it with his mouth back.

What did this old drunkard mean?

What is Ouyang Longyan? With the wealth of the Ouyang family and the position of Patriarch, he chose to enter the gate of hell!

Who is this man wearing a purple suit with a long and narrow sword mark on his face? Does he really have a great relationship with the Ouyang family?

If you know the history of the Ouyang family, you can definitely know the secrets in front of you.

Everyone knows that the old man Ouyang actually has four children, the eldest: Ouyang Zhengtian, the second child: Ouyang Hua, the third child: Ouyang Lie, the fourth child: Ouyang Longyan!

According to legend, more than ten years ago, the fourth son Ouyang held the most value and favorite: Ouyang Longyan, suddenly disappeared.

No one knows why Ouyang Longyan went missing, and no one knows where Ouyang Longyan went. The only thing he knows is that old man Ouyang has been in retreat since his fourth son disappeared!

From then on, he gave up the position of Patriarch to the boss, Ouyang Zhengtian.

There are many legends about the mystery of Ouyang Longyan's disappearance. Some say that it was caused by family disputes, and some say that he was too smart, so Father Ouyang didn't value him... and so on!

But what is the real mystery about the disappearance of Ouyang Longyan? The outside world seems to know no one.

The only thing I know is the four sons of the Ouyang family: Ouyang Longyan is an extremely clever genius. He has learned piano, chess, calligraphy and calligraphy since he was a child. He is proficient in everything, and it is said that his martial arts cultivation is also terrifying. When Long Yan was a teenager, he was able to perform hundreds of tricks under Mr. Ouyang!

Is this Ouyang Longyan wearing purple clothes really the fourth son of Old Man Ouyang?

Now that I heard the old drunkard's words, it seemed to be so.

Who can imagine that a character that has disappeared for so long will suddenly appear?

And also to **** Xuanyuan Sword? Who are they?

What kind of terrorist organization are they?

The gate of hell!

If you heard it correctly, the old drunkard said the name of a scary Shenren organization, Hellgate.

Why is this name so weird? And why have you never heard of the name of this terrorist organization in the domestic underworld?

Judging from the current situation, no one knows what kind of terrorist organization this ***** gate is, but the only thing that can be seen is Ouyang Longyan in front of him, and this guy who loves to drink and loves his life is hell. The people at the door, and the most important thing is that they are here for Xuanyuanjian!

Inside a magnificent high-end hotel, but seeing that Yuwen Emperor is enjoying the usual quietness lying on the sofa of real leather.

Standing behind him was the man who looked like a wolf and could use a sniper rifle.

At this moment, I saw the electronic pilot door ding dong outside.

The moment the electronic door remembered, the man with wolf eyes standing behind Yuwen Huangji turned and walked towards the door.

Gently opened the door, but saw a man in a suit whispered a few words in the ear of the guy who opened the door, and then the man with wolf eyes was slightly startled, and then quickly walked towards Yuwen Huangji come.

"Patriarch, the people outside have something important to report." He just heard him walk over and whispered to Yuwen Huangji, who had his eyes closed slightly.

Yuwen Huangji closed his eyes slightly there, then the corners of his mouth moved slightly and said, "Let him come in."

"Yes!"

Then he walked towards the door.

Soon the guy who informed him walked in quickly.

"Patriarch."

"Why? Did those two boys recruit? Tell me about the whereabouts of Xuanyuanjian?" I saw Huang Yuwen slowly opening his eyes and looking at his men and asked.

Who knows that the subordinate said: "No... Patriarch, the two boys have not recruited yet."

Hearing that Tang Xiaolong and A Qiu still didn't tell the whereabouts of Xuanyuanjian, Emperor Yu Wen suddenly roared.

"Asshole!"

Chapter 645: good news

"If they don't tell the whereabouts of Xuanyuanjian, they will chop off all their hands and feet one by one. I don't believe they don't say it!" Yuwenhuang said viciously.

The next one suddenly said, "Patriarch, don't let it!"

"What? What did you say?" Hearing his subordinates suddenly begging for Tang Xiaolong and Aqiu, Yu Wenhuang's face suddenly became extremely ugly, and his subordinates screamed at him.

"Patriarch, you may not know something, we just received news from outside today."

"What news?" Yuwen Huangji asked.

"External reports say that Li Tian, who stole the Xuanyuan sword of our family, is going to return the sword to us!"

After the subordinate said so all of a sudden, the emperor Yuwen stood up from the leather sofa in astonishment, and said with horror: "What did you just say?"

"Return to the Patriarch, what I said is that Li Tian seems to be ready to return the sword to us." The subordinate repeated it again.

When Yuwen Huangji heard his subordinates say this again, he was stunned.

He couldn't believe everything in his eyes, how could he believe that Li Tian would suddenly return Xuanyuanjian to him?

"Where did you get the news?" Yuwenhuang asked suddenly and cautiously.

After Yuwen Huangji said this, the staff hurriedly said: "We heard it from the people of the Ouyang family."

After Yuwen Huangji heard what his subordinates said, his brows frowned: "Why did the kid with the surname Li remember to return my family Xuanyuanjian?"

The Emperor Yuwen couldn't figure out what was going on, not only said depressedly.

The man standing behind him with wolf-like eyes suddenly said in a low voice, "Patriarch, is there any fraud?"

"Their people are in our hands now, are they trying to induce us to go out... and then save their people?" The guy said with a sullen face.

Yuwenhuang thought for a while, and felt that what the subordinate said made sense.

"There is such a possibility."

"I asked him before for Xuanyuan Sword, but he didn't give it. How could he return it for no reason this time?" Yuwen Huangji muttered.

"Patriarch, is it because the kid surnamed Li is afraid of us?" said another man in a black suit.

Yuwen Huangji snorted, he knew what the subordinate said just now, it was fart!

How could Li Tian be afraid of the Yuwen family? Want to know how powerful the two awesome characters next to Li Tian are? How could he be afraid? This is totally unreasonable.

Is it really that Li Tian wants to lure himself out?

But how could the Ouyang family get involved in this matter!

Yuwen Huangji was very clear about the old man Ouyang, he knew that the old man was a fair person, since the current news was released by the Ouyang family...This shows that the old man Ouyang must know this.

Therefore, the Emperor Yuwen in front of him was extremely depressed.

He doesn't know if this disappearance is true or not? But he must take this matter seriously at the moment.

Yuwen Huangji, who was silent for a long time, finally said, "You guys who contacted the Ouyang family with me."

"Patriarch..." The subordinates were slightly taken aback.

"The Patriarch meant to believe that Li Tian would really hand over our family's Xuanyuan Sword?" the man with wolf eyes asked there.

Yuwenhuang raised his eyes slightly and said, "I don't believe it."

"Since the Patriarch doesn't believe it, why should I contact the Ouyang family? Once it is a trap, our whereabouts can be completely exposed." The guy said.

Just listen to Yuwen Huangji laughed and said, "Don't worry."

"Since this news came from the Ouyang family, the elder of the Ouyang family must have known about this...I believe that he will not be able to do such a thing because of his personality. Moreover, Ouyang once promised to return Xuanyuanjian. So this time I took a risk and I will see if the news is true or false."

"What does the Patriarch mean?"

"You send a few people to contact the Ouyang family. If the surname Li really wants to return Xuanyuanjian, let them give you the sword. If they cheat us, don't worry, I won't be easy. Who showed up, and the two of them are still in our hands."

Hearing what Yuwen Huangji said, the man nodded quickly.

"Yes, since the Patriarch ordered that, I will do it now."

After speaking, the man in a suit quickly walked out.

The Ouyang family has completely released the news outside, and now it is waiting for the Yuwen family to contact them.

As long as they connect the head, of course Li Tian will return Xuanyuanjian back.

Li Tian and his brothers are now waiting for news from the Yuwen family.

"Li Tian, do you think that old Yuwen would believe us? Will he really show up?" Old Monster Ge in the room frowned slightly, raising his eyes and looking at Li Tiandao over there.

Li Tian tells the truth, he dare not say for sure at this moment.

But he was optimistic after all, so he smiled and said, "I believe Yuwen Huangji should try it."

"As long as we treat them sincerely, they should release Xiaolong and Aqiu."

"Hope." Old Monster Ge said with a sigh.

But seeing the ghost servants and Du Guxie over there whispering words.

Li Tian saw them talking there, walked over slightly, and then asked, "What are you talking about?"

But seeing that Duguxie slowly turned his head, he looked at Li Tian worriedly: "Young Master, how is your Sanshengmen Poison?"

Li Tian heard that it was Duguxie and the ghost servant who was worried about him, not only showed a sense of happiness in his heart.

"I'm fine, nothing happened lately."

"Hey! Young Master, don't take it lightly."

"The Sanshengmen poison in you is a chronic poison. Although this kind of poison is usually invisible, once it happens, it can be fatal... So please let the young master promise us, as long as we deal with your brother's affairs. , Immediately go to the Duanmu family to get the antidote." Ghost servant said.

Li Tian nodded: "Well, as long as the matters here are finished, we will go to the Duanmu family."

While they were talking here, but seeing the youngest third of the Ouyang family, Ouyang Lie, with a red complexion, strode towards this side.

"Li Tian...there is good news, good news." When Ouyang Lie came in, he shouted excitedly with a loud voice.

That Li Tian and the ghost servant were talking there, they couldn't help turning their heads when they heard Ouyang Lie's cry.

Chapter 646: Old Town of Jinghai City

"What good news?" Li Tian asked quickly when he went up.

The brothers and the ghost servants and Du Guxie next to him were all blinking Ouyang Lie looking in front of him.

But seeing Ouyang Lie grinning there and saying: "There is news from the Yuwen family."

"Huh? Really?" Li Tian said excitedly.

"of course it's true."

"People are in the hall now." Ouyang Lie said with a smile.

"Go, go and take a look." Li Tian, who was talking, took the ghost servants around him, and the Duguxie and they quickly ran towards the main hall.

Li Tian had been waiting eagerly for the news of the Yuwen family, but now he finally waited, how could he not be excited?

So he hurried to the main hall of the Ouyang family.

In the main hall of the Ouyang family, but I saw Father Ouyang and Feng Qingzi from Kunlun were there.

There was a strange man in a suit standing in the middle. He seemed to be the messenger of the Yuwen family.

"Where are the people?" Li Tian and the voices of the brothers could be heard from a distance.

Accompanied by the messy footsteps, but seeing Li Tian, they have quickly ran to the hall.

"They're here." The old man said with a smile to the Yuwen family messenger standing in the middle.

The Yuwen family member in a suit turned his head and saw Li Tian and others.

Li Tian also saw him at the same time.

"Everyone is here... Since everyone is here, let's start talking about business." But seeing Old Man Ouyang said with a smile on his face.

Li Tian and others nodded silently.

I just listened to Old Man Ouyang continuing to say: "The cause of this incident is a long story, but it is undeniable that Li Tianxian stole your Yuwen family's Xuanyuan Sword before... Now? If Li Tian and the others return Xuanyuanjian As for your Yuwen family, I believe your Yuwen family should not have much opinion?"

The old man Ouyang said while squinting at the courier of the Yuwen family in the middle of the hall.

The Yuwen family member wearing a suit glanced at Li Tian in front of him and slowly said, "Our Patriarch doesn't have much opinion."

"Patriarch, his elder said, as long as you are willing to return the original Xuanyuan Sword to us, then we will release your people."

Listening to the members of the Yuwen family, the old man Ouyang smiled and said, "Okay!"

Then slowly turned his head to look at Li Tian in front of him and asked, "Li Tian, do you have anything else to say?"

Li Tian thought for a while, raised his eyes and looked at the Yuwen family member and asked, "How are my brothers?" What he worries most now is the safety of Tang Xiaolong and Aqiu.

After he asked, the member of the Yuwen family slowly said, "Don't worry, they are not dead yet."

"As long as you are willing to return Xuanyuan Sword to us, we will definitely release your brother immediately." The Yuwen family member said.

"Good!" Li Tian agreed.

"Well! In that case, at 3 o'clock tomorrow afternoon in the old town of Jinghai City, our people will be there waiting for you. At that time, I hope you can bring Xuanyuan Sword." The Yuwen family member in front of you said.

"Don't worry, I will definitely go." Li Tiandao said.

After hearing Li Tian's promise, the members of the Yuwen family raised their heads slightly to look at the top man Ouyang and said, "Then since everyone has already negotiated, I won't bother you...Master Ouyang, Then I retire first."

"Okay, go slowly." Old man Ouyang smiled slightly.

Then the Yuwen family member left here.

After watching the Yuwen family member leave, Li Tian's heart finally calmed down.

Now he has initially known that his two good brothers have no worries about life...As long as his brothers are fine, he doesn't care about anything.

"Li Tian, since Patriarch Yuwen said so, I believe he will do what he says. When that time comes tomorrow, you will just return Xuanyuan Sword. I believe that the conflict between you and Yuwen family will soon Will resolve." Old man Ouyang said with a smile.

"um, yes."

"Thank you Ouyang for your help this time!" Li Tian said gratefully.

Old man Ouyang laughed loudly.

Time passed by every minute.

Tomorrow at three o'clock in the afternoon is an impatient time for Li Tian to arrive, because as long as it is after three o'clock in the afternoon, he may see Tang Xiaolong and Aqiu and the others.

As time passed bit by bit, Li Tian was ready to set off when he finally reached 2 o'clock in the afternoon.

Those who followed were Duguxie and ghost servants.

Originally, Chen Qiaozhi, Old Monster Ge, and his favorite Situ Ningbing were also going to follow, but they were all dissuaded by Li Tian.

He said: This time there is no contradiction with the Yuwen family. There is no need to go to so many people... and comfort the brothers just to wait for them here without worry.

Old Monster Na Ge and Chen Qiaozhi saw Li Tian with the famous Duguxie and the shadow ghost servant, they didn't say much.

They knew in their hearts that as long as these two powerful characters were in front of Li Tian, even if the sky collapsed, they would guarantee Li Tian's safety.

Therefore, at this moment, only Li Tian, Duguxie, and the ghost servants are the only ones to return the sword.

The Ouyang family arranged a car for Li Tian and they were driven by an internal member of the Ouyang family.

After Li Tian, Duguxie and Guipu got in the car, the driver drove quickly towards the old town of Jinghai City.

The journey time from here to the old town takes less than half an hour!

So soon they arrived at the meeting place.

This old city of Jinghai City, once extremely prosperous, is now as desolate as the withered grass in autumn...

There are no longer many shops and few pedestrians on the streets.

Moreover, most of the old residential areas here have moved to the prosperous area of Jinghai City. In a word, the current old city of Jinghai City is quite desolate, and one or two pedestrians can occasionally be seen walking around the street.

After Li Tian and their car drove to the old city block here, the car slowed down and moved slowly on the deserted block.

Li Tian, Du Guxie, and the ghost servants in the car were blinking their eyes and carefully looking outside the car.

The ghost servant held the Xuanyuan sword in his hand. When he looked around and there was no one around, he not only said hoarsely, "Why is there no one?"

"Are the children of the Yuwen family playing us?" The ghost servant said in an unhappy voice.

Duguxie coldly snorted, "They dare not."

Chapter 647: Indifferent eyes

As the car slowly drove towards an alley in front, I suddenly heard the sound of car horns at an alley on the side!

In a blink of an eye, I saw two black bentleymotorslimited cars parked at the entrance of the alley.

"It's them." He only heard Du Guxie whispered.

Li Tian also saw the two cars, and at the same time recognized the Yuwen family.

At this moment, he said to the person driving in front: "Drive the car over."

The driver nodded, then slowly turned the car around and drove over.

After Li Tian and their car entered the entrance of the alley, they slowly stopped a few meters away from the Yuwen family member.

As the car door slammed open, Li Tian walked out of the car with Duguxie and the ghost servant behind him.

The members of the Yuwen family over there also came out of the car one by one, a total of 89 people, but Yuwen Huangji, the head of the Yuwen family, did not come.

Li Tian glanced at the Yuwen family member who got out of the car over there, not only frowned slightly.

Then he asked, "Where are my brothers?"

Of course he wanted to see Tang Xiaolong and Ah Qiu immediately.

But after he said this, the Yuwen family members over there were tall and thin, dressed in a black suit, and the man who looked like the leader said, "Where is the Xuanyuan sword of our family?"

Hearing what he said, the ghost servant gave a cold snort, and then raised the Xuanyuan sword in his hand.

"I have brought your family's Xuanyuan sword... now I want to see my brother." Li Tiandao said.

After Li Tian said this, the thin and tall man over there laughed: "Sorry, our Patriarch said, you have to return Xuanyuanjian to us first. We will release Xuanyuanjian only after you return it to us. your brother."

"Damn! Are you shameless?" The ghost servant suddenly roared.

The whole person looked like he was going to kill.

When he screamed out, the members of the Yuwen family were shocked, and they all had a deep fear of the man with a grimace mask on his face.

Li Tian also had an ugly face. He originally thought that the Yuwen family would fight swords with one hand and others with the other. He didn't expect that the guy from Yuwen Huangji would be so careful that he wanted Li Tian and the others to hand over the Xuanyuan Sword first.

"We are only acting on the orders of the Patriarch," said the Yuwen family member over there.

"What to do?" Li Tian said with a ugly expression.

The ghost servant snorted coldly, "I think if I teach these guys, they won't know how to be afraid."

The ghost servant who was talking was ready to do it. Just when the ghost servant was about to do it, Du Guxie suddenly grabbed him with one hand.

"stop!"

The Ghost Servant paused, glanced coldly at the Yuwen family member over there, and snorted, but he had to listen to the words of Duguxie.

But seeing Duguxie slowly turning his head and looking at Li Tiandao in front of him, he said, "Young Master, trust them once...I think if you return the sword to them, they shouldn't do anything stupid."

"If he dares, I will swear by Du Guxie here that I will make them regret it."

Listening to Duguxie's words, then Li Tian frowned and thought about it, so he said, "Well, just do what you say."

"Listen to me. Since your Patriarch said you want to get Xuanyuan Sword back, then I promise you! Xuanyuan Sword, I can give it to you... But I said in front of you, if I give you Xuanyuan Sword back, if you are If I dare to hurt a vellus hair of my brother, I will definitely pay it back again." Li Tian said coldly.

After hearing Li Tian say this, the Yuwen family members over there did not say much, and nodded there.

"Don't worry, as long as you return to Xuanyuanjian, we will immediately start releasing people."

"Okay! Ghost servant, return the sword to them." Li Tian ordered.

The ghost servant in front of him held the Xuanyuan sword in his hand and walked towards the Yuwen family member step by step. When he was approaching them, he suddenly raised his hand and said hoarsely, "Next!"

The Xuanyuan sword in his hand suddenly shot towards the Yuwen family member like flying.

Whenever the members of the Yuwen family saw such a domineering flying sword, they hurried back and did not dare to reach out to pick it up.

Cang's cry!

The entire Xuanyuan Sword plunged into the hard ground in front of the Yuwen family member, and one foot into the ground, the hard ground beside it was also shaken by the strong force of the ghost servant.

When the ghost servant showed his martial arts domineeringly, it completely made the members of the Yuwen family dumb.

The members of the Yuwen family were taken aback for a moment, and one of them hurriedly pulled out the Xuanyuan Sword, which was a foot deep into the ground.

After pulling it out, his staff checked it carefully.

"It's our family's Xuanyuan sword!" One of them said slightly as he watched the sun, moon and stars pattern carved on the Xuanyuan sword.

"Yeah! Put it away quickly," said another tall and thin man.

After the Yuwen family really got their family's Xuanyuan sword, one of the few Yuwen family members said, "Thank you for returning the sword to our family. Don't worry, we will immediately notify the owner. Let him put your brother back there."

After hearing the Yuwen family member say this, Li Tian nodded silently: "Yeah! I hope I can see my brothers as soon as possible."

"Yeah! I definitely will."

"Then since things are all set, then we'll leave."

The Yuwen family members who were talking were about to leave here. Although Li Tian said he was still a little worried, since Duguxie had already spoken, he couldn't say more. It seemed that he could only go back and wait for the Yuwen family to let his brother go. They.

So Li Tian nodded, turned around and took the ghost servant, and Duguxie was also preparing to leave here.

"Go back." Li Tiandao said after getting in the car.

The driver who was driving there nodded, and then slowly turned the front of the car in one direction. After turning around, the car drove forward with a hum.

As soon as the car on Li Tian left the alley, a pair of cold faces suddenly emerged from a deserted house.

Looking closely at his face, it was an extremely handsome man's face, except that there was a long, narrow and hideous sword mark on his left cheek. He looked at Li Tian and their car leaving in a purple dress, and suddenly looked at that with indifferent eyes. The Yuwen family members who have not left the alley at the other end.

Chapter 648: Bloody killing

"Should I do it?" Suddenly a drunk voice sounded behind him.

Look carefully, the guy behind him is the old drunkard. He narrowed his eyes and said, while slowly picking up the wine gourd around his waist, and then took a sip with a weird smile on his face. Looking at the purple-clothed man Ouyang Longyan said.

"It's almost there." Four cold and simple words came out of Ouyang Longyan's mouth.

Then suddenly his figure flashed and disappeared, and the old drunkard who was looking at him could not see him at this moment.

The members of the Yuwen family got in their car after Li Tian and the others left.

"Unexpectedly, the boy surnamed Li actually returned Xuanyuanjian to us." One of the Yuwen family members sitting in the car said with a smile.

"Yes, I thought it wouldn't be so easy, but I didn't expect it to be so easy, hey! It made us falsely alarmed."

"Forget it, since people have kept their promises and returned the sword to our family, we should notify the owner as soon as possible and put their two brothers back." A Yuwen family member in a suit said there.

"Ok!"

"I called the owner of the house."

One of the members was about to take out his mobile phone and call Na Yuwen Huangji.

After pulling out the mobile phone neatly, he dialed a number skillfully...

"Hey, Patriarch!"

Yuwen Huangji's voice rang on the other end of the phone: "How is it?"

At the moment when Yuwen Huangji's words came out... the member who called here hadn't spoken yet... but a loud bang came from the roof of the car they were sitting on.

The entire roof was forced into a big pit by an unknown weight.

The guy who called was also scared by the loud noise, and the phone slammed to the ground.

Looking at the horrified scene in front of me with a panic face...

At the same time, Emperor Yuwen, who had just received the call on the other side, also heard the loud noise just now, and the blind tone of the phone falling to the ground.

"Hey, hello..." Yuwenhuang exclaimed at the phone with a very ugly face. He didn't know what happened here, let alone what happened to his men.

"Patriarch, what's the matter?" The subordinates around him quickly looked at Yuwenhuang and asked in shock.

Yuwenhuang looked ugly, and suddenly stood up: "Quickly...sell someone to pick them up...I feel that something very bad has happened! Our people seem to have something wrong!"

"Could it be that Li Tian and the others repented and started to deal with our people?"

"I don't know! Hurry up to summon people for me now, hurry up to meet them." Yuwen Huangji's face became horribly ugly.

"Yes!" After hearing what Yuwen Huangji said, the people rushed to the outside of the hotel, ready to rush to meet their people.

What about here? The roof of the car was hit by an unknown heavy object, and the alarm buzzed.

"What happened?"

"Look at the front...someone...someone..."

Following the man in the driver's seat in front of him screamed.

But a chubby figure really appeared in front of them.

Looking closely, it turned out to be an old man with a wine gourd hanging from his waist, wearing a fancy ethnic clothes, walking crookedly towards them step by step, as if drunk.

Although the members of the Yuwen family were panicked, they were well-trained characters.

"Quickly, go out and see what happened."

"And you, protect Xuanyuanjian." One of the figures who seemed to be the leader of the Yuwen family exclaimed there, he already felt something was wrong.

After he finished his instructions, his men quickly opened the car door.

With a bang, as the car door opened, one of the Yuwen family members quickly got ready to jump out of the car.

But at the moment his head just exposed, a deadly cold light suddenly appeared from the roof of the car.

The speed is so fast, the murderous intent is so heavy!

With a flutter, he only saw the cold light flashing in front of him. He suddenly felt some pain in his throat... Then he felt that his throat pipe was spraying some liquid, so he touched it with his hands... ..blood!

Scarlet blood gushed from his erect neck.

He didn't even feel the pain, his whole head tilted and his body fell to the ground slammed and died.

Who is the one watching to kill him?

It turned out to be Ouyang Longyan wearing purple clothes.

Is he on the roof? Yes, the heavy object that fell from the sky just now was his body.

Standing on the roof of the car, he held a sword more than 2 feet long.

That sword was a soft sword, very thin, sharp, and poisonous.

There was still a little blood on the soft sword... After the purple-clothed Ouyang Longyan wiped the Yuwen family member's neck with a sword, his body suddenly fell from the roof of the car like a shadow.

That face with deep sword marks was extremely distorted, and his eyes were full of fiery killing looking at the members of the Yuwen family.

The members of the Yuwen family were all stunned...

The Yuwen family members who got out of the two cars were all startled when they saw that their own person had been killed.

Then he rushed up, shouting, "Protect Xuanyuanjian."

But they were wrong!

They rushed up without a doubt looking for death. They never knew how cruel and brutal the role they were facing at the moment.

Before the two members had reached the front of Ouyang Longyan in purple clothes, but seeing that the soft sword in Ouyang Longyan's hand suddenly turned into a violent wind, the sword stabbed at them strangely like a poisonous snake.

Puff, puff!

No screams, no screams, only the sound of the body being stabbed by the soft sword.

Looking at the two Yuwen family members, their fists have not been opened yet, but the people are standing there stiffly.

Then after 2 seconds of dead silence, the body fell to the ground with a plop and died...

There is a narrow sword mark in their neck, very thin, but very deep, and they have seen the cold and white bones after the neck has been cut.

The Yuwen family members who wanted to rush up were completely shocked when they saw such a **** scene!

When have they seen such a powerful master?

All of them had their legs weak, and they didn't even have the strength to scream. The air seemed to be full of **** death.

Members of the Yuwen family don't know who these two monsters are? They don't even know what they are going to do... but the only thing they know, they seem to be sure to die today.

The moment the purple-clothed man's vicious soft sword was swung again, a violent wind swept over, accompanied by a scream of screams, and a rain of blood floating in the air, drifting into the distance.

In the silent old town of Jinghai City, a brutal and inhumane killing is taking place at the entrance of this alley.

Chapter 649: Terrifying opponent

Who knows that such a **** and cruel scene is being staged in the alleys of this old city?

Li Tian and the ghost servants sat in the car and drove out of this block.

Along the way, the ghost servants and Duguxie rarely spoke.

Suddenly, the car was driving forward, and when it was about to turn into another block, a stern wind suddenly came from the street.

Since the windows of the car were all open, this harsh wind blew towards Li Tian and the others.

At the moment when this stern wind suddenly blew, Duguxie, who had quietly closed his eyes, suddenly opened his eyes, and his eyes flashed with dazzling light in an instant.

"murderous look!"

"What a murderous intent." A word suddenly came out of Duguxie's mouth, and at the same time his face became extremely ugly.

There was a ghost servant wearing a grimace mask sitting next to him. At this time, he also said in deep thought, "Second brother, too?"

"Hmm!" Duguxie snorted.

"It seems that there is a master nearby." The ghost servant suddenly said.

Li Tian listened to their words without falling a word.

To be honest, he also fully felt the stern cold wind just now, and he also felt the sharp and pungent sensation brought by the cold wind blowing across his face... Although he could feel this, he was not sure that it was sharp. Murderous.

Now when he heard this Duguxie and the ghost servant say so, he suddenly understood.

After he suddenly understood it, an extremely bad premonition suddenly surged into his heart, making his whole heart annoyed.

Something is wrong!

The old city is already off the beaten track, how can such a strong murderous in such a place appear?

Could it be said that there is really no such thing as a top-notch master in this place?

After thinking about this, Li Tian suddenly looked back.

"Stop!" When he glanced at the back, he suddenly called out a word.

The man driving in front was taken aback. After hearing Li Tian's voice, he hurriedly stepped on the accelerator, and the car slammed to a halt.

"What's wrong, Mr. Li?" The driver who was driving in front looked at Li Tian in surprise and asked.

The Duguxie and the ghost servants here are also looking at Li Tian.

"Turn around and go back." Four words came out from Li Tian's mouth resolutely.

After Li Tian said it, the driver was stunned, but after all, the driver himself couldn't talk a lot. He just whispered in puzzlement: "What happened? Why did you suddenly turn around?"

Slowly turning the steering wheel, the car quickly turned its head.

"Did you feel it?" Li Tian turned his head and looked at the Duguxie and the ghost servant in front of him with solemn brows.

But seeing Duguxie nodded deeply.

"felt it."

"A master is nearby..." Duguxie said silently.

The ghost servant thought for a while and said, "Could it be for us?"

"I don't think so, but I'm even more afraid of coming at them." Duguxie said suddenly.

Li Tian's face suddenly became extremely ugly, and he said, "You mean the other party may have come for the Yuwen family?"

"Maybe it's not just that..."

"Sword? Could it be Xuanyuan Sword?"

After Li Tian and them suddenly felt it, they were all uneasy, because if the other party really came to Xuanyuan Sword, it would be terrible, because they understood that with the wave of people from the Yuwen family just now, Can't resist the master who exudes such a powerful murderous aura.

So at this moment, they can only speed up the throttle all the way, and drove quickly towards the alley where they had negotiated with the Yuwen family just now, hoping they could still make it in time.

The closer the car was to the entrance of the alley, the more you could feel the Xiao killing breath in the air, and it was accompanied by a tangy smell of blood.

When Li Tian and the others were smelling the **** scent, they all showed extremely ugly expressions.

That Duguxie suddenly grasped the bronze sword in his hand with his left hand.

A scream of "Ah!" came from the front alley.

The scream was stern and terrible, as if death was particularly painful.

When this sound came from the alley, Li Tian and the Duguxie and ghost servant in the car were shocked.

Hiss!

When Li Tian and their car rushed to the entrance of the alley, a shocked and **** scene appeared in their eyes.

Looking ahead, my God, what a cruel situation is that.

A blood-sparkling corpse fell in a pool of blood... It was terrible.

The two black cars were also completely destroyed, and 67 members of the Yuwen family were all killed.

And in the front place, an indifferent man dressed in purple, with a soft sword in his hand, was stuck in the neck of one of the Yuwen family members who was holding Xuanyuan Sword tightly. The scream must have come from his mouth. From here.

On the other side, there was a guy in weird clothes with a huge wine gourd slung around his waist.

When Li Tian and their car suddenly arrived, the indifferent Ouyang Longyan wearing purple clothes and the old drunkard frowned at the same time.

Roujian pulled out from the neck of the Yuwen family with a swish.

With a plop, the body of the Yuwen family member fell to the ground and died.

And Ziyi Ouyang Longyan also slowly picked up the Xuanyuan Sword that the guy was holding in his hands, and slowly turned around, looking at Li Tian and the others, who were quickly coming down from the car and looking shocked.

Who are they?

Why do you want to seize Xuanyuan Sword?

Li Tian looked at these two extremely cruel guys in astonishment.

"It's them!"

"It turned out to be them," Duguxie whispered coldly in his mouth suddenly, and at the same time a slight shock appeared on his indifferent face.

"Ouyang Longyan, alcoholic!" Du Guxie said the names of the two people in shock.

The ghost servant next to him also suddenly whispered there: "No wonder he has such a heavy murderous intent on him... It turns out that it was these two guys."

"Second brother, there seems to be a battle today!" The ghost servant suddenly said in a hoarse voice cautiously.

"You deal with the alcoholic, I deal with him!"

When Duguxie said these words, the three-foot bronze sword in his left hand came out with a dragon chant.

The bronze sword made a buzzing and piercing sound at the moment it was unsheathed, as if it was anxious to drink human blood, and the ghost servant over there was still watching the old drunkard in front of him carefully.

"Young Master, you step back, and you must protect yourself." Du Guxie said in a low voice.

Li Tian knew that his hands were dead, and he couldn't help out at this moment. If his arms dare to use a little bit of force, his joints would ache, so he can only step back slowly, although he still doesn't know who the other two are? What is their purpose in the end? But he could deeply feel that the two strangers in front were absolutely terrifying characters.

Chapter 650: The world's first sword

But he said that Li Tian still had Duguxie here, when the ghost servant came.

The old drunkard with a huge wine gourd hung on his waist, although he didn't even turn his head back, didn't even look at Li Tian and the others, but he shook his head slightly and sighed and said, "Hey, I wanted to hide. As for these two people, it seems that they can't escape today..."

"Ouyang Longyan, which one are you going to deal with?" The old drunkard suddenly looked at Ouyang Longyan with a weird smile in his mouth and turned around, with a long, narrow and hideous sword mark on his face.

"Evil sword, hand it to me!" The cold sentence suddenly came out of the purple-clothed Ouyang Longyan's mouth.

The soft sword still stained with blood in his hand trembled slightly, and the blood on the blade's blade was dripping on the cold concrete floor.

"Okay! Leave the other one to me!"

After the old drunkard suddenly finished saying a word, he suddenly looked up at the sky, his other hand grabbed the wine gourd in his waist, facing his mouth, he went up and took two sips...It seemed that the old drunkard was dying. I never forget to drink.

"Twenty years ago, it was rumored that the shadow ghost servant is an immortal servant. It is a great honor and honor to have my old drunkard meet again today." The chubby old drunkard suddenly said with a weird smile, smiling and cheerful.

"Is it?"

"I haven't been out of the world for more than 20 years. I never thought that you, the old immortal, are not dead yet." The ghost servant also said in a hoarse voice.

"Haha!"

"I actually want to die too, but it's a pity that no one made me die... Hey, this is really a pity." The old drunkard suddenly sighed deeply there.

"Really? Then I will fulfill your wish today and give you a ride!"

When the ghost servant finished speaking, suddenly his figure shot at the old drunkard like a shadow with lightning speed.

That weird body like light made Li Tian who was off the court unable to see how the ghost servant made the move!

But seeing the ghost servant suddenly hit the old drunkard like a shadow, the old drunkard didn't dare to be careless. The smiley face just now became serious.

Lifting his right foot forward slightly, his left toe rested on the ground, his body suddenly swayed as if drunk, and his hands made a half-drunk gesture.

Drunken Master?

Yes, if you know the name of the old drunkard in front of you, you must know how capable this person is.

Twenty years ago, what the drunkard alone was talking about was this old drunkard's single line.

According to legend, there is a weird faction living alone in the north, but there are very few people, and they all practice their martial arts in the name of drinking, so they are called Drunken Fist.

Because of the scarcity of people, this clan rarely has important contacts with people, so it is often mysterious, but it is unattractive.

Because everyone knows how powerful their drunken fists are, and the old drunkard in front of them is that single race, nicknamed: alcoholic.

Alcoholic and already famous more than twenty years ago, the title of Drunken Master Wushuang referred to this old monster back then, but who can imagine that these early fame monsters popped up one by one, and they are still on this knot... ..

Having said that, let's talk about the moment when the two suddenly met, but seeing the drunkard, he stumbled and staggered to deal with the ghost servant shadow attack.

The ghost servant's body style almost reached the point unimaginable by ordinary people, making it impossible for people to see his erratic shadow clearly.

And what about the alcoholic? Relying on the drunken fist moves that are drunk and not drunk, those who fight with the ghost servant are not to be friends.

Li Tian looked at him and was completely dumbfounded. He thought he had learned Rashomon before: After the Nine Types of Kung Fu, he achieved little success, but today he really saw the ghost servant and the alcoholic. When the master of the game played, he was dazed, because he now found how ridiculous his thoughts were.

Li Tian just stood there in horror as he watched the two thunderous moves.

At this moment, he just watched the two moves wholeheartedly, while silently remembering them one after another in his heart.

Turning the sky hand is a famous move in Zuiquan.

Suddenly the drunkard made a sky-shaking hand, and quickly and viciously grabbed the ghost servant's figure, but he had not caught the ghost servant's body yet, but the dark shadow of the ghost servant suddenly flashed to the right side of the drunkard.

The drunkard didn't need to look at it, his right hand buckled with five fingers, and suddenly grabbed it again.

Unfortunately, he still couldn't catch that ghost servant.

Since both of them are extremely masters, they will really not be able to tell at this moment, which is strong and weak, and who wins and loses.

After the ghost servant here and the drunkard fought abruptly, but seeing that the bronze sword in Duguxie's hand was suddenly raised, the sword pointed at the purple-clothed Ouyang Longyan.

The invisible sword aura suddenly echoed around Duguxie's body.

The purple-clothed Ouyang Longyan also slowly raised the snake-like soft sword in his hand.

The two of them didn't make a move, but the sharp sword aura was already entangled, and the air was filled with suffocating sword aura.

Li Tian was not only attracted by this cold sword aura, but carefully blinked at the two of them.

"What a powerful sword spirit." Li Tian couldn't help but exclaimed.

Since he debuted, he has never seen such a sharp sword aura...Although he had fought with Duguxie once before, he also knew how powerful the Duguxie sword was, but now he knew that he was wrong! He suddenly discovered how much Duguxie had let him back...because he only now saw how powerful and terrifying the sword aura that filled Duguxie was. If Duguxie really used his own in the Yuwen family that day. Real strength, I am afraid that Li Tian and the others will not even have a chance to enter the secret room of the Yuwen family.

"Everyone in the Tao says that your evil sword is the number one sword in the world. It is an honor to have the honor to fight with you today. It is really an honor for Ouyang Longyan!" Ziyi Ouyang Longyan suddenly spit out a few words indifferently from his mouth.

Li Tian was not only shocked when he heard the person in Ziyi call himself Ouyang Longyan.

His name is Ouyang Longyan? Does he have anything to do with the Ouyang family?

But he couldn't bother to think about it at the moment, just blinked his eyes and looked at them seriously.

But listening to that Duguxie suddenly said coldly, "No!"

"you are wrong!"
