

A Killer 70

Chapter 70: Bastard

Listening to Feifei's curse, Li Tian could only be speechless.

Although Xiao Zhou heard it, he didn't say a word, just drove the car quietly there.

"The two rascals just now, you, did you kill them?" Li Tian suddenly came out, looking at that Xiao Zhou and asked.

Xiao Zhou turned his head and glanced at Li Tian, then nodded lightly, as if the two people killed just now were as simple as killing two chickens for Xiao Zhou.

But when Li Tian heard that the two people who were still alive just now were slaughtered by Xiao Zhou with bare hands in a blink of an eye, he couldn't help but beat his heart.

To be honest, this is the second time that Li Tian, who has lived for twenty years, has personally seen someone kill.

"Those two people are like worms. Living makes people sick and nauseous. When they die, they make people feel comfortable. Damn." Xiao Zhou, who was driving in front, continued to say in a flat voice.

After he said these words, Li Tian couldn't help but feel waves, but he didn't say too much.

Along the way, the car drove quickly to the Tang Enterprise Company and stopped in front of the drunken nonsense of the two men in silence with Feifei.

"I went back to sleep."

Li Tian drove out while talking, and then walked to the dormitory in his basement alone.

Just a few steps out, I heard the rear door slam open.

"Your name is Li Tian?" Xiao Zhou's voice came from behind.

Li Tian turned his head to look at him and nodded.

"You are very good!" Xiao Zhouyi said word by word.

When the words that were not praiseworthy were heard in Li Tian's ears, there was a weird feeling, and Li Tian smiled faintly.

The previous "feud" with Xiao Zhou also disappeared in this smile at this moment.

"But..." Xiao Zhou stopped talking, he didn't say the remaining half, and his expression became solemn.

Li Tian was startled slightly, staring at him: "But what?"

Xiao Zhou's solemn expression just now suddenly returned to its original coldness, and he shook his head.

"It's getting late, you'd better go back and rest quickly." Xiao Zhou turned around and opened the car door after speaking, and started the car.

Lotus Cars was activated with a grunt, then turned and drove away.

Looking at Xiao Zhou and the others who were driving away, Li Tian said depressedly: "This guy is really weird."

After speaking, he turned his head and walked towards the dormitory.

When Xiao Zhou drove Feifei back to Tang's villa, it was almost 3 in the morning.

But the lights of Tang's mansion were still on, and Tang Zheng, of course, did not sleep either.

When Xiao Zhou came back with the help of a drunk and unconscious Feifei, Tang Zheng was shocked and hurried forward and asked: "What's wrong with Feifei?"

"Ms. Tang, the eldest is okay, just drinking too much." Xiao Zhou said.

Tang Zheng then relieved his mind: "I was scared to death. It's fine if it's fine, it's fine if it's fine."

"Come here, quickly bring the eldest lady into the bedroom."

"Slow down."

Tang Zheng ordered to start.

The old nanny and servant hurriedly helped the dizzy Feifei to the second floor.

While being supported, Feifei still snorted alcohol in her mouth and said: "The surname is Li...you...you...you are a little bastard."

The words reached Tang Zhenger's ears, making Tang Zheng depressed all of a sudden.

"The surname is Li? Who is the surname Li? What happened to Feifei today?" Tang Zheng said with an extremely ugly expression.

Xiao Zhou on the side slowly said, "The one with the surname Li is the security guard before."

"Is it him?" Tang Zheng was puzzled.

I don't even understand why my daughter is still cursing that kid after being drunk.

"What the **** is going on? How did that kid provoke Feifei?" Tang Zheng asked angrily.

There was a tantrum in his voice, as if Li Tian had done something to sorry Feifei.

So Xiao Zhou told Tang Zheng the whole thing. He looked at each other positively, especially when he heard the two old **** insult Feifei, Tang Zheng even clenched his teeth. Boom boom.

The clenched fist seemed to be cannibalistic.

But when he heard that Li Tian finally came out to help Feifei, his eyes were full of surprise again.

"So that rural kid named Li saved my daughter again?" Tang Zheng said with a face full of confusion.

Xiao Zhou nodded slightly.

"Mr. Tang, to be honest, that kid is really nice, but looking at the appearance of the eldest lady...like...like..." Xiao Zhou hesitated and didn't say it.

Tang Zheng couldn't help but stared at Xiao Zhou with an ugly expression.

"How do you talk and become hesitating? Just say anything."

After Tang Zheng's cold voice came, Xiao Zhou quickly said: "Back to Mr. Tang, Missy seems to like that Li Tian a little."

"what?"

Tang Zheng who suddenly heard these words seemed to have been bitten by a poisonous snake, and almost jumped up.

An ugly face said loudly: "How is it possible?"

Xiao Zhou's face turned pale, and he slowly lowered his head.

"The rural kid surnamed Li, although he said he saved Feifei, how could Feifei like that rural kid? Impossible, absolutely impossible." Tang Zheng in front of him refused.

Xiao Zhou, standing next to him, said nothing.

Tang Zheng suddenly raised his eyes: "I asked you to drive that kid out of Kyoto city last time. Why haven't you done it yet? Now Feifei likes that poor kid a little bit...how can this be done?"

Following Tang Zheng's words, Xiao Zhou slowly raised his eyes in front of him and looked at Tang Zheng, with a trace of hesitation in his eyes, as if he wanted to say something.

Tang Zheng stared at Xiao Zhou as he wanted to speak again.

"Do you have something to say?"

Xiao Zhou paused and nodded.

"Say quickly if you have something. Don't learn to be a woman. This will only disgust me." Tang Zheng angrily said.

The expression in Xiao Zhou's eyes suddenly became decisive, and he raised his head to look directly into Tang Zheng's eyes: "Mr Tang, I know there are some things that are wrong, but I have to say it."

"Mr Tang, in fact, I think whether the eldest lady likes everyone else? Or she likes the mountain village boy. This is the will of the eldest lady. It is inevitable that everyone has a time of inferiority, and the mountain village boy is not necessarily destined to be at the feet of people all his life. President Tang, have you forgotten that you also came from the countryside back then? Didn't you also get up step by step back then?"

"Bastard!"

A roar suddenly roared from Tang Zheng's mouth.

Xiao Zhou suddenly lowered his head.
