

## A Killer 711

Chapter 711: Death knell ringing

The Duanmu family had already known that the famous evil sword Duguxie and the shadow ghost servant had returned from the arena.

And Duanmu Heiming is also extremely worried that these two peerless characters will suddenly deal with their family.

If this is the case, the Duanmu family may have to face the disaster of genocide!

More than 20 years ago, the Duanmu family suffered a severe injury, and the evil sword Duguxie and others were the ones who severely injured the Duanmu family... But fortunately, the Duanmu scripture was hidden in the past... But what about the first 20 years? The Duanmu family is about to face the disaster of extinction once again. How should Duanmu Heiming solve this major disaster this time?

For those two peerless characters, apart from the great elder Luohe Futu in their Duanmu family, I am afraid that no one can be their opponent, so this period of time used to be arrogant and vicious Duanmu family became low-key.

Except for Duanmu Heiming sending members of the Anbu out to search for news about Li Tian and others, now the entire family has given up everything.

They are now focusing their spearheads on Li Tian and others. They are afraid that Li Tian will really bring the evil sword Duguxie and the shadow ghost servant to kill this Duanmu family.

Although many members of the entire Duanmu family don't know what big things have happened, they can feel from the face of the head of the family that what happened this time is definitely not a small thing, but a big one.

Inside the Duanmu family, but seeing that clan leader Duanmu Hei Mingzheng sitting on a black chair above with a gloomy look.

The fingers of the skull ring he wore on his left hand pressed against one end of the black chair, trembling slightly.

Beside him was his woman, Hua Sanniang.

Hua Sanniang is still charming and enchanting, but at the moment she has a slight hesitation on her former coquettish face.

The turquoise viper wrapped around her right hand also seemed to feel the master's unhappiness wrapped around her thin white wrist.

In the middle of the hall, in addition to a few family members wearing black robes, there is also a man in strong clothing standing in the middle.

This man, of course, obtained information from the Duanmu family, a member of the Anbu.

At this moment, I only listened to this member of the dark side saying in that slightly: "The clan master... we have found clues to Li Tian and others. At present, Li Tian and Duguxie and his party have left the Ouyang family."

When the members of Anbu said so, Duanmu Heiming's handsome face wrinkled in an instant.

At the same time, the expression became ruthless in an instant.

The hand wearing the skull ring suddenly moved up, and then asked in an unpleasant voice: "Do you find out where they are going next?"

After the members of the Anbu heard the clan leader's question, their expressions hesitated for a moment, their mouths froze, and did not say anything.

"Say!" Duanmu Heiming roared angrily.

"Yes, Patriarch!" The subordinate quickly answered.

Then he said word by word: "Patriarch... Then Li Tian and others... It seems... as if the next destination is ours."

When the members of the Anbu told the truth all at once, Duanmu Heiming's entire tall body suddenly stood up from the black chair.

He has never hoped that Duguxie and ghost servants will deal with his family, but now it seems that the trouble has really been found.

No matter how much he hides, I'm afraid he can't hide.

"The one that should come is here after all." A word suddenly came out of Duan Mu Heiming's mouth.

Suddenly a horrible breath exuded from him.

Of course the Hua Sanniang who was standing there knew what had happened, and at the moment she had the same ugly expression and said: "Heiming...do the Duguxie and the ghost servants really want to deal with our family?"

Duanmu Heiming sighed deeply.

"I never thought that these two men would be born...hehe." Duanmu Heiming said with a smile on his face that was somewhat self-deprecating.

"And what shocked me the most was that they all followed the boy named Li! What a jerk!"

The roaring words suddenly roared from Duanmu Heiming's mouth.

Yes, he absolutely did not expect that such worldly figures as Duguxie and the Shadow Ghost Servant would follow Li Tian well?

He did not understand the reason for this.

But now all of this is not important anymore. The important thing is that their enemies are now coming towards them, and this wave of enemies is the catastrophe that their Duanmu family will face again after twenty years.

"Heiming, what shall we do now? Do you really want to fight the evil sword Duguxie and the Shadow Ghost Servant?" Hua Sanniang said hesitantly.

"If you really want to fight, I'm afraid it's not right... After all, the evil sword Duguxie and the shadow ghost servant are super characters... Our family, apart from the old fellow Luohe Futu, I am

afraid... I am afraid there is no one in our family. Can withstand them." Hua Sanniang said in front of her with eyes full of worry.

What she said is not bad. Yes, at this moment, apart from the Great Elder Luohe Futu, no one in the Duanmu family can resist the shadow ghost servant and the evil sword Duguxie.

Duanmu Heiming did not directly answer this sentence.

Rather, he stood with his hands on his back, pacing there with an ugly expression...thinking about the current troubles.

What should he do?

How to solve the current contradiction?

Suddenly after he hesitated for almost a minute, he suddenly raised his eyes: "War!"

"Since I can't avoid it, I don't believe that our Duanmu family will suffer the genocide this time." Duanmu Heiming roared.

Hua Sanniang didn't speak any more, and the whole person stood behind Duan Mu Heiming.

"Blow the death knell...Call the four elders and let them reach me quickly."

A word coldly roared from Duanmu Heiming's mouth.

After Duanmu Heiming said so, the members of his staff nodded quickly, and then said: "Yes!", and then ran out quickly.

The death knell is a warning sign of the Duanmu family.

The ringing of the death knell will only sound when something major happens in the Duanmu family, just like the last time the Duanmu family held the Raksha Conference once every ten years.

But now Duanmu Heiming is about to ring the death knell... It can be seen that he is really determined this time to fight Li Tian, Duguxie and others to the death.

Hum

Buzzing

The sound of the death knell suddenly spread throughout the Duanmu family.

Chapter 712: Will he really make a move?

When the members standing around the Duanmu family heard the death knell for an instant, all of them stood there with shocked faces.

Then he heard the death knell clearly in his ears.

The sound of the death knell has a smell of death, as if as long as the death knell rings, someone will die.

At the moment, the eyes of those family members were open in shock, looking at the place where the sound came, no one knew what happened to the Duanmu family.

On the far left of the Duanmu family is the simple house where the great elder Luohe Futu lived.

At this moment, when the sound of the death knell suddenly floated, Luo Changfeng, who was outside the house, stood up for an instant, staring at the position of the Duanmu family's chief rudder with surprise...

At the same time, the expression on a face became horrified, and he murmured, "How could this be?"

"How could the death knell of the Duanmu family ring suddenly?"

When thinking of this in his heart, he suddenly felt something was wrong.

Then immediately put down the things he was busy with, and walked quickly towards the simple house.

"Uncle..." Luo Changfeng walked quickly closer to the room, whispering to the Luohe Buddha from his mouth.

Just after Luo Changfeng turned and entered the house, he saw that the blind elder of the Duanmu family Luohe Futu had walked out of the inner room.

His old face, which looked like an ancient book, became solemn, and his blind eyes turned up slightly...

"Uncle, the death knell of the Duanmu family..."

Luo Changfeng wanted to tell his uncle about the death bell ringing, but he hadn't said what he said yet, but seeing the Luohe Buddha in front of him suddenly stretched out an embarrassed hand and raised it slightly to stop Luo Chang in front of him. wind.

Luo Changfeng was taken aback for a moment, and quickly closed his mouth, without speaking any more.

Hum

Hum

The chime of the death knell was thrown back in the air unscrupulously.

Na Luohe Buddha's body trembled slightly, and then suddenly murmured: "It seems that the Duanmu family's catastrophe is coming..."

After Luohe Futu said these words, he suddenly let out a long sigh, that sigh carried an endless sense of desolation, and then he fell silent.

Luo Changfeng in front of him certainly didn't understand why the old man spoke like this, let alone why the old man's expression became so ugly at this moment.

The only thing he knew was that every time the death knell of the Duanmu family rang, something great happened!

For example, the last ten years: Raksha Conference.

We must know that in the dark Duanmu family, the death knell represents extraordinary meaning. Under normal circumstances, it is absolutely impossible for anyone to dare to touch the death knell.

But now it actually rang, it was actually rang...

What happened to the Duanmu family? Why is the death knell ringing at this moment?

he does not know.

"Uncle, what happened? Why did the Duanmu family's death knell ring suddenly?" Luo Changfeng couldn't help asking the question in his heart while looking at the gray-haired Luohe Buddha.

But seeing that Luohe Buddha did not directly answer his words, but turned around slightly, and then crouched and sat down slowly on a bamboo chair.

With an ugly expression, he said, "Because the Duanmu family is in trouble."

When a word came out of the mouth of the Luohe Buddha, Luo Changfeng in front of him couldn't help being taken aback.

"Trouble? Big trouble? Uncle, I don't understand what you said." Luo Changfeng said in confusion.

The Luohe Buddha said: "Have you forgotten something that the insidious Duanmu Heiming forced me out of the mountain some time ago? If I didn't guess wrong, they must have come."

Are they coming?

After Luo Changfeng suddenly heard Luohe Futu say this, he suddenly realized it in his mind.

Yes, he remembered it. He remembered that the insidious Duanmu family forced his uncle out of the mountain not long ago.

"Could it be that Li Tian, the famous Duguxie and Shadow Ghost Servant are here?"

Luo Changfeng finally understood.

Of course he still remembers that Li Tian wanted revenge.

Hearing the death knell ringing in front of him and his uncle's words, Luo Changfeng in front of him finally understood why the death knell of Duanmu family was ringing at this moment.

It seems that, as his uncle said, the Duanmu family is in big trouble.

You must know that the evil sword Duguxie was once a famous god-level figure, and how many masters in the world have been hit hard by one of his evil swords.

Although Luo Changfeng has never seen the true face of Duguxie, nor has he seen the power of an evil sword in that Duguxie's hand... But he has heard from his uncle's mouth the heroes of the world. .

He once heard Luohe Futu comment on the heroes of the world like this. Luohe Futu said that in this world of talented people, three people could be judged as true heroes!

These three people are not only known as peerless heroes in martial arts, but also in terms of life, they are also heroes who have said everything and are difficult to chase.

And among the three characters in Luohe Buddha's mouth, one of them has: the evil sword Duguxie!

Imagine in this way, what kind of character can be admired by such an awesome character as Luohe Futu?

Must be a master of masters.

After Luo Changfeng thought about it this way, he slowly turned his head and looked at Luohe Buddha with a solemn brow and asked, "Uncle...I don't know if I should ask about something."

Luohe Buddha said slightly: "Ask."

"Uncle, if Li Tian really brought Duguxie and Shadow Ghost Servant into the Duanmu Family this time, you will...will you really fight against them?"

When Luo Changfeng finished speaking, he blinked his eyes and looked at the Luohe Buddha in front of him.

Na Luohe Buddha did not reply, nor did he say any words. He just sat there blankly, crouched, and the blind blinds turned slightly...No one knew what he was thinking at the moment. Something.

Will he really fight the Duguxie and the ghost servant?

do not know!

Seeing that Duanmu Heiming threatened him with the vows made by Duanmu Jingzang and Luohe Buddha, what could he do?

But the Luohe Buddha Tu knew that Duanmu Heiming was extremely insidious, and also knew that Li Tian was not a bad person... what should he do?

"Uncle, I actually think Li Tian is pretty good...Uncle, your old man is really trying to stop Li Tian and the others?" Luo Changfeng asked with a surprised look at the Luohe Buddha in front of him. Say.

But seeing the Luohe Buddha sighed slightly.

"Changfeng...Stop talking."

"What should happen will always happen...I only hope one thing at the moment...that is, I don't want the Duanmu family to stop bloodshed this time...Hey!"

After Luohe Futu slightly said this, he didn't want to say more.

Chapter 713: Why does the death knell ring?

The ringing of the death knell marked the occurrence of major events in the Duanmu family.

At present, everyone of the four largest elders in the Duanmu family heard the death knell ringing.

As the Duanmu family, in addition to Luohe Futu, the most respected second elder Duanmu Black Dragon, after hearing the ringing of the death knell, his eyes were cold and ugly.

Because he knew in his heart what happened.

In the Heilong Palace where the second elder lived, but seeing that Duanmu Heilong heard the chime of the death knell, he suddenly stood up.

The disciples of the second elders in the Black Dragon Palace were also stunned, and they listened to the ringing of the death bell with their eyes wide open.

"What happened?"

"The death knell rang. What happened?"

"Yeah, what is the big day today? What's wrong, why does the death knell ring suddenly?"

The disciples of these two elders in front of them asked each one with a stunned expression.

"Master, what happened? Why did the family's death knell ring?" The second elder's disciples all looked at the wooden black dragon with horrified expressions and asked.

But seeing Duanmu Heilong's swish face suddenly an unnatural smile appeared.

Then slowly said, "Because something big is going to happen to the family."

"A big deal? Master, what is a big deal?" these disciples asked questioningly.

"It's going to die!"

The four cruel words suddenly came out of Duanmu Heilong's mouth.

Dying?

Hearing these words in the ears of his disciples, those disciples were depressed one by one.

What is dying? Is the Duanmu family dying? Or are people from outside dying?

"master....."

Those disciples still wanted to know what happened to their master, but Duanmu Heilong suddenly said coldly, "You all retreat..."

After speaking, those disciples no longer dared to say a word, and then one by one regressed obediently.

At the moment, Duanmu Heilong was the only one left in the Black Dragon Palace.

I saw Duanmu Heilong staying in the palace for about a few minutes, then he suddenly turned and walked outside the palace...

No one knows where he is going.

Palace of Fog!

It is the palace of the third elder of the Duanmu family, the ghost girl of Wuyin.

Everyone knows that Wu Yin Gui Nu is under the banner of some girls, and they are all extremely beautiful women.

Like the frosty Lan Ruo'er, and that Sun Tian'er, they are both beautiful and beautiful.

At this moment, I saw only a few girls with graceful figures and charming faces in the Wuyin Palace, chatting and talking.

Although they are all covered with a layer of black robes, they can still be seen that their figures are all charming and charming.

Just listen to the beautiful girl with willow brows and apricot eyes in the front, and said in surprise: "The death knell of the family is ringing...what the \*\*\*\* happened? Do you know?"

She said while blinking Liu's eyes while looking at the beauties in front of her.

On one side a sweet-looking girl who belonged to a lovely type suddenly said, "Sister Yingying, did you hear the death knell ringing too?"

Wasn't it the Sun Tian'er who had participated in the Raksha Conference before?

This Sun Tian'er was at the Raksha Conference last time, and she was also favored by Li Tian. Ever since Li Tian left the Duanmu family, this lovely little girl has been thinking of Li Tian in her heart.

Longing, longing is always a disease that cannot be quit... it is an addiction!

After Sun Tian'er asked this sentence, the Yingying girl with a pair of willow eyebrows nodded there and gave a hum.

"Yes, I was surprised just now, how come the family death knell rang, did everyone hear it?" The girl named Yingying raised her beautiful eyes and looked at the middle girl.

The beautiful women in black robes around nodded.

"Hey, this is weird...Why does the family's death knell sound at this time?" Yingying said with a tsk in her mouth.

While these girls were vying to discuss the death knell ringing, suddenly a Qianli figure walked in from the side with a lotus step.

Her exquisite features are the same as the beauty on the lady's picture, exquisite as if the sculptor has carefully sculpted them, with a melon seed face, willow eyebrows, and a pair of beautiful eyes that look like a cold feeling although they are moving...

She is also like the girls around her, wearing a black robe, but it is difficult to conceal her graceful curves.

After she walked in, the voices of the girls who were still discussing just now became quieter.

"Sister Ruo..."

The girls whispered when they saw her coming.

She is the number one beauty under the banner of Wuyin Guinu, and she is known as the cold beauty: Lan Ruoer.

At the Raksha Conference before, Lan Ruoer's stunning blow shocked everyone present. To be honest, in the Duanmu family, how many young Duanmu family members pursued her, and how many young Duanmu family members thought she was. goddess.

It's a pity that this Lan Ruoer is too cold, as if he has no emotion at all.

But, after all, she is a person, how can people have no feelings? Wouldn't it be a walking dead if there is no emotion?

She is also affectionate, but she will hide her feelings.

Who is her love?

Who knows?

But everyone knows that since the last Raksha Conference, Lan Ruoerhui often stood alone on the sacrificial square of the Raksha Conference, silently staring at the place where he stood...

Perhaps there is a figure of a person hidden deep in her frozen heart, but on her face and in her mouth, she never wants to show it, never wants to talk about it.

But he said that after Lan Ruo'er arrived in front of the girls in front of her, she saw that Sun Tian'er smiled and walked over, with a smile on her sweet pretty face, yelling, "Sister Ruo...you are not going out to work Huh? Why did you come back suddenly?"

But seeing that Lan Ruoer said in the cold voice that he used to say, "Because I heard the death knell ringing.

"Sister Ruo... have you heard that too?"

"Do you know what happened to the family?" Sun Tian'er asked, blinking in front of her.

But seeing Lan Ruoer slowly shook his head.

"do not know."

"The reason why I came back is to ask the master what happened to her old man." Lan Ruoer said.

Hearing Lan Ruoer also said that he didn't know, all the beauties under the banner of the misty ghost girl were all surprised...

Why does the death knell ring suddenly? What happened to the Duanmu family?

Chapter 714: Thinking of him

"Dear beauties, are the three elders here?"

While these beauties were discussing there, suddenly only a man's voice came in.

When suddenly heard the voice of a man, all the beauties in front of him were taken aback.

Then he saw a member of Anbu wearing a black robe standing there.

When Lan Ruoer glanced at the Anbu member in front of him after turning his head, Liu brows wrinkled tightly.

Because there are very few people who come to Anbu in this Mist Palace, how come the people from Anbu suddenly come here at this moment?

After seeing the members of the Anbe come here, the beauties in front of them were all taken aback.

Lan Ruoer also turned his head weirdly to look at the member of Anbu in front of him.

"You people from Anbu, why did you suddenly come to our Wuyin Palace?" Lan Ruoer asked, looking at the Anbu members in front of him with a cold voice.

The rest of the girls also looked at the member of Anbu with strange eyes.

But seeing that the dark robe member of Anbu smiled weirdly and said: "It's true that I am here to meet the third elder by the order of the clan leader."

"See our master?" Lan Ruo'er said slightly puzzled.

"Exactly."

"I don't know if several beauties can tell me, where is the third elder?" the Anbu member asked.

Just as he spoke, a beautiful voice suddenly came over.

"The clan leader is looking for me?"

Following the sound, he saw that the Third Elder, known as the ghost girl of the mist, came out.

She is still wearing a black costume, and the whole face is covered with a black veil... Although no one can see her face clearly, she can feel from her seductive figure that this misty ghost girl is definitely among the beauty Beauty.

Besides, after the Third Elder Wuyin Ghost Girl came out, Lan Ruoer and the other girls not only bowed their bodies respectfully, and yelled, "Master."

The misty ghost girl nodded slightly, and then the face wearing the black veil slowly turned around, looking at the Anbu member standing in the middle.

"Three Elders."

But seeing Wuyin Ghost Girl asked in her mouth: "The clan leader is looking for me?"

"Yes!"

"Presumably the three elders should have heard the death knell ringing... the clan leader asked the four elders to go to the rudder as soon as possible, and said that there are major issues to discuss." The member of the Anbu said.

After the member of the Anbu said so, the misty ghost girl in front of her paused slightly.

Lan Ruoer and the other girls around him also showed a shocked look in their eyes.

What happened?

Why did the death knell of the Duanmu family ring suddenly? And what does this clan leader urgently need to find the four elders at this moment?

Let's say that after the misty ghost girl heard the members of Anbu say this, she hesitated for a while, and then asked: "Has the other three elders gone?"

The Anbu member replied: "Our Anbu people have already notified us. If there is no accident, we should have arrived."

"Oh!"

"Well, since they have all gone, I will also go to the general rudder." The misty ghost girl didn't delay too much.

She knew in her heart what it meant to ring the death knell of the Duanmu family...

Although she is still not sure what is going on with this Duanmu clan, judging from the current momentum of the Duanmu clan leader summoning the four elders, something must have happened.

So the misty ghost girl in front of her followed the members of the Anbu and quickly walked towards the rudder of the Duanmu family.

On the contrary, Lan Ruoer and the others were extremely puzzled. No one knew what happened to the Duanmu family at this moment, let alone what big things would happen next.

"Miss..."

"Miss...Don't do this anymore, okay? If you don't eat or drink like this, the clan master will definitely blame me."

In a very exquisite boudoir, but seeing that girl Xiaohuan was there to comfort a beautiful figure.

Her back is so beautiful, so haggard.

It looks pitiful and distressing.

In front of her were planted poppies, and those beautiful poppies were as beautiful as hers... It's a pity that they also felt a little haggard.

She is the eldest lady of Duanmu family Duanmuying.

The silly girl who had betrayed the Duanmu family for Li Tian.

Moreover, after Duanmuying betrayed the family, she was put under house arrest by Duanmu Heiming in the dungeon. Although Duanmuying is Duanmu Heiming's biological daughter, for the dark and cold-blooded Duanmu family, no matter who it is or who does it. Wrong things will be severely punished, and Duanmu Ying will be punished.

Duanmu Ying, who had been imprisoned in the dungeon for a period of time, was finally released by Duanmu Heiming.

After all, blood is thicker than water, she is his biological daughter.

Duanmu Sakura changed after being released!

She seldom talks anymore. The cute and trouble-loving girl in the past sits alone in front of these poisonous poppies all day, not knowing what she is thinking.

Her pretty face looked haggard a lot... and obviously thinner.

Depressed, she just sat stupidly, looking at the beautiful poppies in front.

Standing behind her was the girl Xiaohuan.

She was looking at her young lady there, her eyes filled with great care...

"Miss, don't you want to be like this? If you feel uncomfortable, you can hit Xiaohuan twice...or scold Xiaohuan a few words..." The little ring with a round face looked at her anxiously. Said the eldest.

At last, Muying cried out in silence, turning her head slowly, looking at the girl who followed her since childhood, Xiaohuan, and a smile suddenly appeared on her lips.

"Silly girl, why should I beat and scold you? Hey..."

"Miss, you finally spoke..."

"As long as the young lady can be happy, before she recovers...the young lady wants me to do whatever you want," said Xiaohuan excitedly after seeing Duanmuying finally smile on her face.

But seeing Duankiyong smiled at the corner of her mouth, then a pair of beautiful eyes blinked twice, and then she fell into a panic expression.

"Miss... are you still thinking about him?"

A word was said timidly from the little ring's mouth.

he? Who is that? Is it Li Tian?

Yes, since Duanmuying's separation from Li Tian, Duanmuying has been thinking about Li Tian all the time.

She not only missed Li Tian, but also worried about the poison in Li Tian's body.

Because no one knows better than her that her family's Sanshengmen is poisonous, it is a first-class poison, and there is no antidote to the outside world except for their family.

Chapter 715: Is it Li Tian?

The reason why she left Li Tian last time and returned to her family was to find an antidote for Li Tian.

It's a pity that Duanmu Heiming was too sinister and vicious. Not only did Duanmuying fail to get the cure, but she was also put under house arrest by her biological father.

Although the current Duanmu Ying has been released by Duanmu Heiming, Duanmu Heiming sent many members to guard outside her boudoir... in order to restrict Duanmu Ying and prevent her from going out to find Li Tian again. .

Having said that, after Xiaohuan mentioned Li Tian, a sadness appeared on Duanmuying's pretty face...

"Hey... I don't know how he is now? The Sanshengmen poison in his body is about to break out..."

Yoyo's words came out from Duanmu Ying's mouth in front of her.

When Xiaohuan heard the eldest lady say so, her eyes were filled with concern.

"Miss...I think Li Tian is a good person!"

"I believe that a good person will be rewarded...so I think he should be fine." Xiaohuan comforted the Duan Kiyong there.

Duanmu Yinggu smiled bitterly to herself.

"Perhaps....."

"I hope he can avoid this disaster..." Duanmuying said silently.

"Miss, do you think Li Tian will be there now? Will he be thinking of you just like Miss you?" Xiaohuan said.

Hearing Xiaohuan's words, Duanmuying suddenly felt sad.

In my heart, I couldn't help but ask myself in a daze: Is he thinking of me too?

"I don't know." Duanmuying said slowly at last.

Xiaohuan said oh, and didn't ask too much.

"By the way, miss, did you hear our family's death knell ringing this morning?" The little ring said suddenly.

"The death knell?"

When Duanmuying heard Xiaohuan say this, she was taken aback for a moment, turned her head and looked at Xiaohuandao in horror.

Xiaohuan blinked his eyes twice and said, "Yeah."

"Just this morning... the death knell of our family was sounded inexplicably... Miss, I don't understand. Under normal circumstances, don't our family say that the death knell will be sounded only when something big happens? The death knell rang this morning for no reason... and, even when I saw people in our family recently, they felt they were weird. Everyone seemed to be particularly nervous, as if something happened."

Hearing Xiaohuan's words again, Duanki Ying fell into deep thought.

Of course, she knew in her heart that the death knell of the family would never ring under normal circumstances, except for the big day accident of the Duanmu family, but it was ringing today. Could it be that something serious is going to happen to her family?

"How could this be? Why does the death knell ring suddenly?" Duanmuying whispered and wondered there suddenly.

The little ring in front of him is also at a loss.

"I want to go out and have a look. I want to know what happened to the family." Duanmu Yingguo turned around and walked outside.

The small ring at the back also quickly followed out at this time.

The current Duanmuying certainly doesn't know what great things their family is facing at this moment.

And Duanmuying still doesn't know, who will come this time? When Duanmuying really sees Li Tian, what should I do then?

One is Li Tian who has returned \*\*\*\*\* revenge, and the other is the daughter of the Duanmu family?

What kind of ending will it be? Who knows.

When the members of the Anbu brought the third elder of the Duanmu family: Wuyin Guinu to the general rudder.

But in the general rudder, the four elder blood monk and the second elder Duanmu Heilong had already arrived early.

The two sit on each side, one on the left and the other on the right.

The most central place is Duanmu Heiming with a gloomy face.

When seeing the three elders coming, Duanmu Heiming's mouth showed a slight smile.

"The Three Elders...coming."

The Wuyin Ghost Girl stood there and said: "The clan leader has an order, of course I have to come."

"It's just that I don't understand why the death knell of our family suddenly sounded today?" Just listen to the ghost girl in the fog asking there.

Following the question of Wuyin Guinu, the Fourth Elder Blood Monk suddenly raised his eyes and looked at Duanmu Heiming unblinkingly.

To be honest, the four elders don't know what happened at the moment...

So this meeting all looked at the Duanmu Clan Master with horror.

I saw Duanmu Heiming let the three elders sit down first, and then suddenly sighed and said: "Our family is going to face a big disaster this time."

A word suddenly came out of Duanmu Heiming's mouth.

After Duanmu Heiming said so suddenly, the four elders and the third elders were depressed.

"What do the words of the patriarch mean?"

"Does anyone want to deal with our family?" I only heard the ghost girl of Wuyin asking inexplicably.

But seeing Duanmu Heiming nodded slowly, with an unnatural expression on his face, he said:

"What the Three Elders said is not bad... Yes, someone is ready to deal with us, and soon they will come."

When Duanmu Heiming finally told the truth, the blood monk and the ghost \*\*\*\* the other side not only looked at each other.

Neither of them spoke.

They have been in the Duanmu family for so many years, of course they know who Duanmu Heiming is, and they know the strength of the Duanmu family.

For so many years, some people want to deal with the Duanmu family, but the result? Isn't it all failures?

But this time, why is Duanmu Heiming so worried? And even the death knell of the family has sounded. Could it be said that the enemy they will face this time will really be very powerful?

"Patriarch, who really wants to deal with us? Who has such courage?" The blood monk finally couldn't help but suddenly asked in that question.

"Li Tian!"

Suddenly the two words came out from Duanmu Heiming's mouth.

When Li Tian said the words, the blood monk screamed in excitement.

"It's him?"

The blood monk cried out all of a sudden.

To be honest, he did not expect that the character that would worry the Duanmu clan leader would be Li Tian.

And what about the misty ghost girl? When she heard that it was Li Tian, she was shocked.

She never thought that the person who made Duanmu Clan Lord fear this time would be that Li Tian?

"Will it be him?" The Wuyin Ghost Girl asked with a puzzled look at the moment.

I saw that Duanmu Heiming said angrily, "Yes, it's this bastard."

"I really regret that I didn't kill him... so that it has caused a catastrophe now!" Duanmu Heiming said angrily.

Hearing Duanmu Heiming confessed that it was when that person joined the Duanmu family Li Tian, the two in front of him were finally speechless.

Chapter 716: Horrible Ecstasy

"Clan Lord, let me say something I shouldn't say... Although Li Tian said that he was young and promising and his kung fu is rather weird, but if he wants to embarrass our family, I am afraid he does not have that strength yet?" Just listen to Wu Yin Gui Nu Suddenly tell the truth there.

What she said was really good.

According to Li Tian's strength at the time, he could not threaten the Duanmu family at all.

Although Li Tian has learned the Duanmu family's supreme martial arts Luoshengmen nine styles, but if he wants to compete with the entire Duanmu family, he will be invincible!

That's why the misty ghost girl in front of me wondered, what happened to this Mu Clan Lord? How could you be so afraid of a Li Tian?

And even the death knell of the family has sounded?

When the Wuyin Guinu asked so directly, the second elder Duanmu Heilong who had been standing quietly on the side finally spoke.

"What's so scary about a Li Tian?"

"If it hadn't been for those two masters who were born some time ago, he would have died under my broken heart." Duanmu Heilong said suddenly furiously.

Thinking of the embarrassment that he was forced to run away that day, Duanmu Heilong still feels angrily in his heart in retrospect.

He hates Li Tian and the two "seniors", but what if he hates it?

Is he really not the opponent of those two "superiors"!

Hearing Duanmu Heilong who had not spoken suddenly said something like this, the blood monk and the three elder Wuyin ghost girl in front of him were depressed.

What did the second elder Duanmu Heilong's words mean?

Two masters?

What kind of expert?

"How come I didn't understand the words of the second elder, what two masters were born? Is there someone like you, the second elder, who can't hold it?" Wuyin Ghost Girl couldn't help but ask nicely.

She knows that Duanmu Heilong is a powerful Western witchcraft, but back then he was able to fight against Duanmu Jingzang.

She really couldn't understand, what kind of character could make Duanmu Heilong so caring?

The Duanmu Heilong suddenly grunted coldly in his mouth, turned his head, and did not answer the words of the Wuyin Ghost Girl, as if he had a grudge against the two masters.

Wuyin Guinu felt curious, and now turned her face to look at Duanmu Heiming in front of her.

Duanmu Heiming slowly said: "The Three Elders don't know something... Those two masters are peerless figures who have been famous for more than 20 years!"

"To be honest, this time I sounded the death knell of my family because I was afraid that these two people would deal with us..."

Listening to the words of the Duanmu clan master, the misty ghost girl felt more and more strange.

Asked: "Clan Lord, who are those two people? They are so capable?"

"Evil sword, Duguxie! And immortal servants, ghost servants."

The two cold names suddenly came out of the Duanmu Heilong's mouth.

When Duanmu Heilong suddenly said the names of the two, the ghost girl of Wuyin, and the blood monk of the four elders, the two were instantly stunned.

what?

Evil sword?

Ghost servant?

When the blood monk's past red and bloated face heard these two great names, that face suddenly turned pale.

Bai's is like hearing the name of a ghost.

It's them?

It turned out to be them?

Are they dead? Hasn't it already disappeared? How could he be born?

The blood monk whispered in surprise.

The misty ghost girl in front of her was also completely shocked.

The evil sword Duguxie, and the shadow ghost servant.

Regarding their names, the misty ghost girl has certainly heard of them, and she also knows their deeds in the past.

The ghost girl of Wuyin finally knows why the Duanmu clan leader is so worried? So scared.

"Oh my God, how could it be them? Haven't all their legendary characters disappeared? How could they suddenly come out... and want to deal with us?" The misty ghost girl in front of her said in shock.

Duanmu Heiming's complexion was extremely ugly, and he said, "It's all because of that \*\*\*\* Li Tian."

"If it weren't for him, how could our family cause such a big trouble!"

Listening to the Duanmu clan leader, the misty ghost girl and the blood monk were all wondering there.

"Patriarch, I really don't understand, how could Li Tian mix up with these two peerless characters?"

"And why do we have to deal with our family?" Wuyin Ghost Girl continued to ask.

In fact, Duanmu Heiming knew better than anyone else in his heart that he was the first to harm Li Tian, but he did not expect that Duguxie and the ghost servant would be born, and what makes him most depressed is that those two peerless figures following Li Tian, the current Duanmu Heiming regretted not killing Li Tian in time...just angrily.

"I do not know!"

"I only know that the current Duguxie and the ghost servants have brought Li Tian to our family immediately."

"And what our family will face this time is an unprecedented catastrophe."

How to do? What should they do?

Sitting in the room, the three elders were all embarrassed.

Because everyone knew that the evil sword Duguxie and the shadow ghost servant were powerful.

"That clan master, what should we do?" The blood monk suddenly looked at Duanmu Heiming and asked.

Duanmu Heiming's face became extremely solemn...

Finally, after a few minutes of silence, he said silently: "Now I only hope that the Great Elder can come out of the mountain...If the Great Elder can come out of the mountain, then I will rest assured!"

"After all, looking at our entire family, apart from the great elder who can resist the evil sword Duguxie, and the shadow ghost servant, there is no one else." Duanmu Heiming said slowly.

Listening to Duanmu Heiming's words, the other three elders were silent.

They knew that the Duanmu clan master was telling the truth. At this moment, apart from Luohe Futu, no one can be the opponent of the evil sword Duguxie, and no one can escape the shadow ghost servant's kill. ,

It's a pity that the Naluo River Buddha will actually come out this time? Duanmu Heiming still can't guarantee it.

After all, that vow has passed for so many years...If Luohe Buddha does not abide by the vow, the Duanmu family will face annihilation this time.

"I heard that the kid surnamed Li still has an evil sword. The ghost servant has already left?"

In a gloomy room, I saw a gloomy man with a black veil speaking in an extremely unpleasant voice.

He is no one else, but the first-class master sent by the mysterious organization Hell Gate: Ecstasy Messenger.

No one knows his name, no one knows his surname, even the purple-clothed Ouyang Longyan standing beside him, and the drunkard don't know who the face-covered ecstasy messenger is? I don't know what kind of face he will have after he lifts the veil on his face.

The only thing Ouyang Longyan and the drunkard knew was that his skill was very high, and he was unpredictable to the extreme.

He rarely makes shots, but every shot is enough to kill.

Chapter 717: So strong

Having said that, let's just say that after the ecstasy messenger suddenly said this, the drunkard took a sip of the strong wine in his hand and squinted and said, "They must be dealing with the dark family, right?"

"The Duguxie and the shadow ghost servants have now been born. The Duanmu family did such vicious things to their young masters before. I am afraid this time the Duanmu family may have a catastrophe." The drinker said nonchalantly while drinking. .

"There is no harm in dying some waste."

A weird and eerie word suddenly came out of the ecstasy messenger.

His whole person seemed to have a smell of death, and even the voice of words also had a smell of death... As if his people would bring death there whenever they went.

"What about killing Li Tian?" The drunkard suddenly turned the red face and asked while looking at the ecstasy.

The purple-clothed Ouyang Longyan on the other side slowly turned that cold face at this moment, looking at the ecstasy in front of him.

But seeing the ecstasy smiled playfully, then slowly said: "No hurry, no hurry..."

"Now let them bite the dog..."

"I heard that the old Luohe monster is also in the Duanmu clan." Ecstasy said suddenly.

When talking about the old Luohe monster, the drinker frowned slightly.

"The person mentioned by the Ecstasy is a blind old man who has the sentient beings of the Buddha as soon as Luohe came out?" The drunkard suddenly asked, a hot light flashed in his eyes.

"Well, it's the old monster."

"Twenty years ago, I personally recruited him and wanted him to join the gate of hell... It's a pity that this old stubborn didn't agree." The ecstasy in front of him suddenly said in a strange voice.

It turns out that this ecstasy had recruited the Naluo River Buddha more than 20 years ago?

When the \*\*\*\* gate was arrogant to win over the masters of the world, this ecstasy did indeed recruit the Na Luohe Buddha, but it was a pity that Luohe Buddha did not agree.

Therefore, the ecstasy in front of him made the impression of the Naluo River Buddha particularly deep.

"So, this time there are still masters in the Duanmu family?" The drinker suddenly said with a smile.

The master he was talking about was of course the Luohe Buddha.

"So I said there will be a good show this time." The ecstasy suddenly said with a weird smile.

"Luohe Buddha against Evil Sword, ha ha, this battle should be a rare and wonderful battle..." said the drinker.

After Li Tian and the others planned to deal with Duanmu family, they did not stay too much in Jinghai City, but marched directly towards the place of Wild Wolf Valley.

The Wild Wolf Valley is a nationally protected forest area. Li Tian and his brothers cannot enter from the main entrance, so they can only enter from the side by detour.

In the dense and ancient Wolf Valley, towering trees grow tall, and the lush flowers and plants inside are extremely dense.

And Li Tian and his brothers are walking in the Wild Wolf Valley at this moment.

"This Duanmu family is really hiding, hiding under the Wild Wolf Valley... Damn, no wonder the world doesn't know where their lair is." Tang Xiaolong, who was complaining while walking in front, scolded. Talking.

The thick wood jars around him are almost as tall as a person, and it looks like a hideous feeling at night.

Li Tian is now leading the way in the forefront, followed by Situ Ningbing, Duguxie and Ghost Servant, and the brothers at the end.

I don't know why Li Tian seemed to be absent-minded after seeing his brothers, always walking in a daze.

At first, the ghost servant of Duguxie Sea Territory felt that Young Master might be thinking about something, but after following Li Tian all the way, he found Li Tian dignified brows, and Li Tian paused there intentionally or unconsciously, and his whole body occasionally I could see the faint white air, this situation made Duguxie and the ghost servant very puzzled.

Because of characters like them, of course, I can feel the white qi that Li Tian occasionally faintly emits from his body, like the steaming energy in his body... It seems that he is practicing!

But Duguxie and the ghost servant couldn't understand why Li Tian was practicing?

Because the two of them knew better than anyone else that Li Tian's arm had become a useless person... It is impossible for Li Tian to practice any kind of kung fu, unless Li Tian cultivates the mantra.

Could it be that their young master is really cultivating superior kung fu? Is he cultivating mental formulas?

It is necessary to know that in order to practice good kung fu, in addition to having extremely strong energy in the body, it must also be guided by the mind. Otherwise, a person who does not practice well will give up all his previous work, and what is more, he will regret for life.

But what is Li Tian doing now? Is it really doing good kung fu?

Duguxie didn't leave Li Tian's body with a pair of eyes from beginning to end, and had been watching him with concern.

The same goes for the ghost servants, they are all afraid of something wrong with the young master.

"Second brother...what are you saying that Young Master is doing?" The ghost servant finally couldn't bear the horrified question in his heart and asked while looking at Duguxie.

Duguxie had an ugly face looking at Li Tian's back, and was silent for a long time before slowly saying: "To be honest, I can't see it now."

"But I can feel that Young Master may be hiding something from us."

Hearing Duguxie's words, the ghost servant's breath suddenly became strange.

"Second brother, let's do it? Will the young master be in danger?" the ghost servant asked worriedly.

Duguxie shook his head slightly: "No...I believe there should be no danger."

"Look at Young Master's back..." Du Guxie said in a low voice suddenly.

Following his gaze, he saw Li Tian, who was walking slowly in front, with a faint white gas coming out of his back...

Those whitish auras, if you don't look closely at it, you can't see it at all.

Fortunately, it was Duguxie and the ghost servants. If they changed to someone else, they would not be able to see the weird weather that appeared on Li Tianhou's back.

"So strong..."

"Could it be that the young master is really cultivating superior kung fu?" The ghost servant blinked a pair of unbelievable eyes and said as he looked at Li Tian's back in shock.

Duguxie didn't dare to draw a conclusion easily, but looked at Li Tian's back with a pair of eyes, silent.

"According to the truth, the young master's two arms are now invalid...It is impossible to practice good kung fu..." Du Guxie said solemnly.

The ghost servant thought for a while and suddenly said, "Could it be that the young master cultivates the mentality of superior martial arts?"

"Yeah! I guess so!"

Chapter 718: Thousand Miles of Sound Transmission

Duguxie also nodded and said.

"Second brother, why don't I ask the young master to see what kind of weird martial arts he is learning." Only the ghost servant said.

Duguxie didn't want to disturb Li Tian, but the two of them were worried about the young master... so after he thought about it, he nodded.

"Well, you go and ask the young master..." Duguxie said.

So the ghost servant quickly walked towards that Li Tian.

Besides, Li Tian seldom speaks on the way, as if he is absent-minded, even forgetting that the place he is going at the moment is the Duanmu family, is he where he wants revenge? So what is he doing along the way?

He is cultivating mental formulas!

Yes, he is indeed cultivating superior mental formulas.

Although he doesn't even know what the formula is... But since Li Tian silently read those formulas in his mind, his whole body will boil inexplicably, and at the same time follow the formulas in his mind... ..Those steaming air currents will slowly dredge to various positions in his body.

The energy that was messy in Li Tian's body in the past has been dredged out at this moment.

Li Tian may not have felt the changes in his body yet, he just felt that his muscles and bones were extremely comfortable, as if he had just taken a hot bath in a huge hot spring.

Isn't this? When he suddenly felt that the formula was so useful to him, Li Tian was completely excited.

On the way, he was silently talking about those weird minds...

He doesn't know who the mysterious expert is? I don't even know why the mysterious expert taught him such a formula, but if Li Tian had a chance to meet the mysterious expert, he would definitely thank him personally.

Just as Li Tian was thinking like this, the ghost servant's voice suddenly came from his face.

"Little Lord."

After hearing the ghost servant's voice, Li Tian was stunned, then turned his head and smiled at the ghost servant.

"Ghost, what's the matter?" Li Tian asked, looking at the ghost with a blushing face.

Observing Li Tian's expression, the ghost servant felt that Li Tian's expression was getting better and better. Not only was he more surprised, he asked, "Young Master, I don't know if I should ask?"

"It's okay, just ask, just ask if you have any questions." Li Tiandao said.

After Li Tian in front of him said this, the ghost servant cleared his hoarse throat, then lowered his voice and asked, "Young Master...I saw Young Master seem absent-minded all the way along the way... Just fixed my eyes. At first glance, I found out that something strange happened to Young Master... Young Master, I want to ask, are you cultivating some good skills?"

After the ghost servant asked bluntly, Li Tian was taken aback.

He never thought that he would have been seen by the ghost servants when he cultivated the mental formulas like this.

Originally, Li Tian didn't want to tell the ghost servants and Duguxie about his adventures, but now that they have been seen, he can't hide it, so he smiled and said, "Did you see it?"

After hearing Li Tian's confession, the ghost servant was really taken aback.

"Young Master, are you really cultivating a superior mental method?" the ghost servant asked in horror.

Li Tian frowned slightly.

Tao said: "Actually I don't know."

"I only know that this mental formula seems to be practiced, and it works especially well," Li Tiandao said.

When Li Tian said that what he was cultivating was the formula of the superior mind, the ghost servant was really taken aback.

"Young Master, I want to ask, where did you learn the mental formulas of your cultivation?" The ghost servant in front of you couldn't help asking.

It is absolutely impossible for ordinary people to know the superior mental formulas, and the most important thing is that those mental formulas should be cultivated in accordance with their own kung fu foundation. The reason why the ghost servants and Duguxie are so worried about Li Tian's mental formulas, Because they were afraid that Li Tian was wrong in his cultivation, or that his cultivation was not good... then it would be a big trouble.

After listening to the ghost servant asking this, Li Tian did not hide it and said, "Actually, this matter is quite mysterious!"

"The reason why I didn't tell you is because I'm afraid you don't believe it...because even I feel a bit unreal about this matter." Li Tiandao said.

Hearing Li Tian's words, the ghost servant became even more suspicious, blinking at Li Tian.

"Young Master, you might as well tell me..."

Li Tian thought for a while and said, "Okay."

"Do you remember when I asked you to wait for me in the cafe?"

The ghost servant froze for a moment and said, "Remember."

"Just as I and you were about to meet in the coffee shop, I suddenly heard a weird sound on the noisy road..." Li Tiandao said.

"Weird voice?" The Ghost Servant frowned.

Li Tian nodded there and continued: "Yes, the reason I said he was weird was because...the road was crowded with people, and the traffic was very noisy, but it was so noisy. On the street, there was a mysterious figure clearly reaching my ears... the voice seemed to be speaking in my ears."

"At the time, I thought it was very strange, so I quickly looked back, but there was no one behind except the passing pedestrians, and I don't even know where the sound came from."

"At first I thought it was a hallucination... I thought I had heard it wrong, but when I turned my head around, the voice rang in my ears again, and this time I realized that it was not that I had the hallucinations... but There really is a voice talking to me."

"When I realized that there was a voice talking to me, I was taken aback. I don't know how the other person talked to me, because I couldn't see the other person's shadow at all, and I couldn't see it around me. There is someone who can speak to me so clearly...so I was surprised."

After the ghost servant heard it, his whole body was horrified.

"Thousand Miles Sound Transmission!"

The four words suddenly came out from the ghost servant's mouth in shock.

When the ghost servant suddenly uttered the four words "Thousand Miles Sound Transmission", Li Tian next to him was flabbergasted to tell the truth.

"Thousand Miles Sound Transmission?" Of course, he didn't know there were such martial arts skills in the world.

But the ghost servant did say in earnest word by word, "Yes, just now I heard the young master say that, and I suddenly understood that the other person must have used the long-lost sound transmission technique... .."

"This kind of sound transmission of thousands of miles can be used on people from far away, but the person who listens to the sound feels that the other party is right beside him, and the words sound extremely clear." said the ghost servant.

Chapter 719: Terrible man, terrible sword

After the ghost servant said so, Li Tian completely understood what was going on.

"No wonder, no wonder I can't find the other person's figure... no wonder his voice is as clear as speaking in my ear... It turns out that he used a thousand-mile transmission." Li Tianzhen said in shock.

And that ghost servant also became extremely solemn.

Because only he knows in his heart that a character who has lost his knowledge like Qianli Transmission is definitely not a simple character.

Although the current ghost servant still doesn't know what the mysterious character thinks about the young master, the ghost servant has already begun to worry.

Because Li Tian is the son of Cthulhu after all.

If Li Tian's life experience is now exposed to the world, the old monsters who had contradicted the Cthulhu back then will definitely pop out one by one...At that time, things will be out of control.

He was afraid that Li Tian's identity would be exposed, and he was even more afraid that the demon of the year would come to him.

"Young Master, what did that person say to you?" The ghost servant in front of him quickly looked at Li Tian and asked.

But Li Tiandao said: "He didn't say anything to me...just told me, don't ask who he is, and he also told me some mental formulas."

Hearing what Li Tian said, the ghost servant finally understood who taught him Li Tian's mental formula.

It seems that it was really taught to Li Tian by the mysterious expert.

"Young Master, do you feel that the mental formulas he told you are strange? Will he harm you?" Ghost servant said worriedly.

Li Tiandao said: "It should not be."

"I thought about it before. I don't understand how he would teach me these mental formulas for no reason, and do you know? These formulas seem to be integrated with what I learned before... Since I learned After the mental formula he gave me, I just felt comfortable all over, and the messy energy in my body before slowly began to become smooth...So I felt that the other party didn't seem to be malicious to me. "

Hearing Li Tian's words, the ghost servant finally hesitated, but he was still extremely worried.

Because he doesn't know who the other party is? Judging from the current situation, the ghost servant can only feel that the opponent is a first-class master!

Imagine, can a character who can use the lost secret skills such as the sound transmission of Qianli be an ordinary character?

Besides, if the opponent is an enemy or a friend, they still don't know clearly...

So the ghost servants of this society remained silent.

After being silent for a while, the ghost servant suddenly raised his eyes and looked at Li Tiandao and said, "Young Master...If you hear that voice again next time, remember, you must tell me and your second brother!"

"Because you need to know that we are still not sure of his identity... If he is going to help us, that's okay, but if he comes to harm us, then it will be troublesome... So please remember , If you hear his voice next time, you must tell me and second brother."

Li Tian smiled and nodded when the ghost servant was so worried about him.

"Well! If I hear that voice again next time, I must tell you." Li Tian knew that the people who were really good to him were Duguxie and the ghost servant...Although he currently holds a grateful attitude towards that mysterious figure, But who is the other party after all? Whether it is an enemy or a friend, even Li Tian himself does not know.

If it is true that the other party is here to harm them, as the ghost servant said, it would be bad.

When the ghost servant finally asked what happened to Li Tian, he quickly retreated to Duguxie's side.

"Second brother... I asked." Only the ghost servant said in an unpleasant voice.

Duguxie raised his eyes and looked at the ghost servant and said, "What's going on?"

"The young master is indeed cultivating superior mind mantras! And it was taught to him by a mysterious figure using the sound transmission technique of thousands of miles."

After the ghost servant suddenly said this, that Duguxie's face suddenly became extremely shocked.

"Thousand Miles Sound Transmission?"

"Could there be anyone in the world with this kind of lost knowledge?" Du Guxie said in shock.

The ghost servant in front of him nodded slightly.

"Yes, that's why I was horrified. I don't know what kind of expert is talking to our young master..." Ghost servant said worriedly there.

"Being able to use such a lost martial arts as Qianli Transmission, must be a first-class master!" Du Guxie said with an ugly expression.

The ghost servant also said with an ugly face: "Second brother, no matter what it looks like, the other party is the object of our attention."

"Ok!"

"I hope the other party is not our enemy..." Duguxie said in a deep voice.

Duguxie pondered for a while, and then slowly said, "No matter what, we must protect the young master during this time..."

"Well, second brother, don't worry, I have already told the young master that if he hears that voice, he will definitely notify us in advance." Ghost servant said.

"That's best,"

"Now the master of the gate of \*\*\*\*\* has been born... The demon that we have offended with our big brother before will surely be born... If we let them know that our big brother has descendants, I believe these people will definitely come to us. Afterwards," Du Guxie said.

"Yeah! Second brother is right, but I am actually worried about this!"

"Hey....."

The two are here worried about Li Tian's safety, but Li Tian has not noticed that the danger is wrapping him layer by layer.

Does he know that there are many sinisters to encounter in the future?

Li Tian led the brothers slowly through the dense woods of Wild Wolf Valley, and then began to walk towards the cliffs of Wild Wolf Valley.

As long as the brothers reach the cliff, they can follow the mountain road on that side to reach the Duanmu family.

However, when Li Tian and the others were about to reach the cliff, Du Guxie who was walking behind suddenly groaned.

"Who thief, dare to follow us all the way? Get out of here."

The moment the thick words suddenly roared from Duguxie's mouth, he heard the sound of the dragon's chant.

Then I saw the bronze sword in Duguxie's left hand suddenly draw a fierce sword light!

The terrible Sen Leng sword aura accompanied his extremely aggressive sword, slashing vigorously towards the big tree behind.

Terrible sword!

Terrible people!

Just as this sword slashed towards the big tree behind with violent aura, suddenly a dark shadow with a scream of screams suddenly jumped out from the middle of the tree... and then he got a body. The ups and downs were 5 meters away from Duguxie.

The big tree that was slashed by Duguxie's sword had a deep and deep sword mark on the thick trunk...The fallen leaves on the entire tree fell like rain.

Chapter 720: Will he survive?

One can imagine how powerful and terrifying the sword of Duguxie is!

But who was the guy who was hiding behind and tracking Li Tian and others? How could it make such a terrifying cry like a beast?

Is it a human? Or a monster?

I looked carefully, but I saw that the person who followed Li Tian and the others was lying on the ground like an animal...

His hands and feet are all lying down like animals...

His face was pale and ugly, and there was a row of terrifying black teeth in his mouth, which looked hideous and dazzling.

He was not like a person at all, but like a beast, a cruel beast.

He lay down on his hands and feet, hissing in his mouth made a strange sound, like the low roar of a wild animal.

Take a closer look at his right leg...there is scarlet blood flowing out. It is obvious that this beast-like guy was stabbed in the leg by Duguxie's lethal sword qi...

When the brothers saw this guy like a beast, they were all stunned.

"Who is this guy?"

"Have you been following us all the time?"

Tang Xiaolong said in shock.

The ghost servant said in a hoarse voice, "No...he just followed us just now."

Hearing what the master said, Tang Xiaolong touched his head awkwardly: "Master, you already knew it."

The ghost servant laughed hoarsely, did not answer this sentence, but slowly turned around and looked at the guy like the beast.

"Are you from the Duanmu family?" A word suddenly came out of the ghost servant's mouth.

"he is!"

Li Tian came over all of a sudden and said with his eyes wide open, because Li Tian suddenly recognized this beast-like creature.

After Li Tian said so, the brothers were all taken aback, staring at Li Tian in front of them.

"Little boss, do you know this guy?" Tang Xiaolong asked on the side.

But seeing Li Tian looking at the black clothes, lying on the ground like a beast, slowly said, "Yeah!"

"This person's name is Wind Demon... He belongs to the shadow figure next to Duanmu Heiming... He followed me before, and I fought against him..." Li Tiandao said.

Not bad!

This person is the wind demon.

The guy who followed Li Tian and played against him before.

This guy is the shadow of Duanmu Heiming... and he is also the first murderous figure around Duanmu Heiming. According to legend, this wind demon bloodthirsty killed more than a dozen Duanmu family members at the Duanmu family competition five years ago. People treat him like a monster.

He is cruel and ugly.

I didn't expect that this wind demon would follow Li Tian and others here... Could it be that Duanmu Heiming sent him?

Besides, after Li Tian recognized this person at a glance, the wind demon murmured hoarsely.

He didn't seem to be able to speak, and his mouth full of black teeth looked indescribably nauseous.

"Little boss, since this monster is from the Duanmu family, let me kill him..." Tang Xiaolong clenched his fists and wanted to rush forward.

But he was stopped by Chen Qiaozhi next to him.

"Are you the one sent by the Duanmu family to follow us?" The ghost servant suddenly asked coldly while looking at the wind demon.

The wind demon screamed hoarsely...like a beast.

Just after his voice yelled out, suddenly his figure resembled a leopard and rushed at the ghost servant suddenly, reaching a terrifying speed.

It really is a monster, it really is a guy who has been known as a beast since childhood!

Just when he lunged at the ghost servant, the ghost servant gave a cold snort.

"court death!"

The moment the cold roar came out, his body moved like a shadow demon.

Momentary movement, fast and superb.

The brothers around Ren hadn't fully looked at his figure before they saw that his figure had been intertwined with that wind demon.

Then just a loud bang.

The wind demon, which was as agile as a leopard just now, suddenly resembled a broken kite... fell from the sky.

With a bang, his body fell heavily to the ground, and there was a strange cry of pain in his mouth...

And looking at that ghost servant no longer knows when he has stood back to his original position.

Tang Xiaolong in front of him was completely shocked when he saw his master show off his skills.

Now he finally knew how far he was from his master and Duguxie.

Besides, just after the ghost servant severely inflicted the wind demon with a move, the wind demon lay down on the ground, and that terrifying face became paler, with traces of blood coming out of his black teeth.

He roared... his entire body was trembling violently, as if he was dying.

"Second brother, this guy doesn't seem to be able to speak?" The ghost servant frowned slightly while looking at Dugu Xie.

The bronze sword warehouse in Duguxie's hand entered the scabbard with a sound, and took a look at the wind demon on the ground.

"Forget it... Asking him is for nothing."

"Anyway, we are going to the Duanmu family soon... don't worry about him." Duguxie said in front of him.

"Don't you kill him?" Tang Xiaolong over there asked curiously.

The ghost servant gave Tang Xiaolong a white look, and said in a hoarse and unpleasant voice: "Do you think he can live if he hits me?"

After speaking, the ghost servant suddenly laughed strangely, and followed the Duguxie to the front.

Tang Xiaolong was stunned for a moment, blinking his eyes and looking at the wind demon whose face was as pale as dead ashes, suddenly realized...

He only now understands what kind of superior his master is and how powerful he is.

Chen Qiaozhi and Ah Qiu beside that also took a faint glance at the dying Wind Demon, then turned and left.

Li Tian didn't look at the Wind Demon again.

Li Tian now hates the Duanmu family 10,000 in his heart.

Especially for Duanmu Heiming... so his revenge this time will definitely carry a cruel fire of killing.

"Patriarch... Patriarch..."

In the general rudder of the Duanmu family, several anxious and panic voices could be heard coming in from outside.

When Duanmu Heiming, who was walking inside the Duanmu family rudder thinking about his thoughts, suddenly heard such a noisy sound from outside, he suddenly roared with extremely ugly expression: "Who is roaring outside?"

"Shut up!"

After that Duanmu Heiming roared out, the Duanmu family members who ran in suddenly closed their mouths one by one.

In a blink of an eye, among the Duanmu family members who ran in, four of them were carrying a stretcher with a black corpse on the stretcher...

The family members here were extremely ugly and stood there with their heads down.
