

## A Killer 741

Chapter 741: Terrible mistake

Besides, after Duguxie's sudden change like this happened here, even the girls on the side of Wuyin Guinu were stunned.

They looked at the Duguxie who looked like a madman, and their faces were speechless in shock.

"Master, what happened to them?" The girl over there suddenly couldn't help but ask.

The Wuyin Ghost Girl was depressed and didn't know what was going on, she shook her head slightly.

"I don't care about our business anyway!" Wuyin Ghost Girl said suddenly.

Lan Ruor blinked her beautiful eyes and said, "Didn't the master stop Li Tian and the others?"

The Wuyin Ghost Girl glanced at the anxious Li Tian and others, thought about it for a while, and said: "Forget it, let's retire..."

"Hey! Even the Great Elder can't stop them, how can we stop them?" The Wuyin Ghost Girl said in a deep voice.

When Lan Ruor heard the master say this, she didn't say anything. She blinked a few times, then glanced at Li Tian, who was anxious, with beautiful eyes, took a deep look, and then retired with the misty ghost girl. Go down.

Li Tian and his brothers here didn't even notice that misty ghost girl.

All their thoughts are now on that Duguxie body.

They were worried about Duguxie, and no one knew what had happened to him.

"Master, Senior Dugu...what's the matter?"

"Just now... he just... looks good... terrible? Like... like a devil." Tang Xiaolong muttered while looking at the place where Duguxie disappeared.

At this moment, Li Tian and the other brothers not only turned their heads and looked at the ghost servants in surprise.

"Ghost servant, what happened?" Li Tian couldn't help but quickly ask there.

To be honest, after meeting Duguxie, Duguxie is like Li Tian's relatives.

Not only is Duguxie and his father the best brothers, but at the same time he treats him like an elder, so Li Tian has already regarded Duguxie and ghost servants as his relatives. At this moment, seeing his "relatives" suddenly go crazy, how can he not panic?

I saw a long sigh of the ghost servant, a pair of eyes looked at the place where the Duguxie disappeared, and his mouth silently said: "Hey...I really shouldn't let the second brother deal with the Naluo River Buddha... Brother used his Overlord Sword Art!"

Hearing what the ghost servant said, Li Tian and the brothers in front of him were taken aback.

"What do you mean? Could it be that the way he just became like that was related to the Kung Fu he used? It was related to the Tyrant Sword Art that finally dealt with the Luohe Buddha?" Li Tian frowned and asked while looking at his face in Nanan.

But seeing the ghost servant sighed deeply, then nodded slightly.

"Yes!"

"How could this happen?" Li Tian couldn't help but ask with curiosity.

The ghost servant did not directly answer Li Tian's words, but was silent for a while.

His expression was ugly. After a long silence, he suddenly raised his face and looked at Li Tiandao and said, "Young Master...Do you know what kind of martial arts the Naha Sword Art was used by the second brother just now? ?"

Li Tian said the truth is not clear, but he can feel the powerful power of Naha Sword Art, this is the most powerful martial arts he has seen so far!

Overlord Sword Jue!

"Let me tell you... The Overlord Sword Technique used by the second brother is the unique skill of the second brother family! The highest sword technique of the Dugu family." The ghost servant said hoarsely.

After listening, Li Tian nodded silently.

"No wonder that sword technique is so powerful... so powerful."

"But I don't think people who don't understand him suddenly become like that. What does it have to do with the Tyrant Sword Art he trained?" Li Tian couldn't help asking curiously.

The brothers beside him were also blank.

But the ghost servant continued: "Because if a person wants to practice the Overlord Sword Art, he must be ruthless and unrighteous, and kill people without blinking...Only in this way can he use the sword art that destroys the world and destroys the earth. ."

"Relentless and unjust?"

"Why is this? Can it be said that a person can only practice such a peerless swordsmanship without any feelings?" Li Tianzhen said in shock.

The ghost servant nodded silently.

"Yes!"

"Young Master, you have to know how many people want to reach the top through the ages... but they don't know that the higher they go, the lonelier they will be, and they will even slowly change...they will not even change their feelings."

"The second brother made the biggest mistake in his life, the biggest regret in his life, just to temper this Overlord Sword Art, and this mistake also directly led to the use of his peerless sword art. At that time, he would go crazy...because of regret and heartache, he had another demon in his heart, a cold-blooded, merciless, murderous demon! Once this demon was released by his second brother,

he would kill desperately. , Seeing people and killing people, seeing ghosts and killing ghosts." Ghost servant said.

After the ghost servant said so at once, Li Tian finally understood.

It turned out that Duguxie made the biggest mistake of his life to temper this Overlord Sword Art.

After thinking for a while, Li Tian raised his eyes and looked at the ghost servant and asked, "Can you tell me what big mistake he made?"

"Can't it make up now?"

Hearing what Li Tian said, the ghost servant suddenly gave a wry smile.

"Young Master, what you think is too simple... You have to know that there are some things in the world that there is no way to make up for it!"

"For example, the monstrous mistake made by the second brother!" Gui servant sighed.

Li Tian was startled.

"A terrible mistake?"

"What kind of mistake can be a terrible mistake? And can it turn a good person into a demon?" Li Tian certainly didn't understand.

So he couldn't help asking, "What kind of mistake did he make?"

The ghost servant seemed unwilling to say it, but there was no way, since his young master had already asked, he could only tell the truth all the time.

He cleared his throat slightly, staring at Li Tian and the brothers behind him slowly saying: "Young Master, and you...I hope that after I have said these things today, you will never again. Don't mention it... and remember not to mention it in front of my second brother!"

Listening to the ghost servant speaking so seriously, Li Tian and Chen Qiaozhi in front of them nodded cautiously.

"Don't worry, we will never say.

"Well, that's good, then I'll tell you..."

"The monstrous mistake that the second brother made back then... is... but... he was so crazy in his practice that he wanted to achieve the dignity of the sword, in order to practice the peerless swordsmanship, and...and... Cold-blooded and cruelly killed 23 members of his family with a sword!" The ghost servant said these words in a low voice.

what?

When this sentence was spoken, everyone's horror was there!

Chapter 742: The whole story

what?

how is this possible?

How could Duguxie murder his family members cruelly? And killed 23 people?

How could this fact be believed by Li Tian, Tang Xiaolong and others.

Isn't this? Li Tian, Tang Xiaolong and others were completely shocked after hearing what the ghost servant in front of them said.

"Impossible! I absolutely don't believe that he is that kind of person!" Li Tian said suddenly with an extremely ugly face.

How can he now accept the fact that Duguxie killed so many people in his family?

Then Tang Xiaolong said with an ugly face, "Master, it's impossible... Senior Dugu...How could Senior Dugu do such a thing?"

When the two asked in horror, they saw the ghost servant in front of them slowly saying: "I know you may not believe it! But I tell you this is the truth!"

"You may not understand the second brother's family..."

"The second brother's family is a sword-using family, calling themselves the Dugu family. Everyone in this family learns swords, and the swordsmanship is very skilled. The most important thing is that their family can do everything in order to practice the supreme swordsmanship!"

"To tell you the truth, half of the reason why the second brother practiced Tyrant Sword Art back then was due to the second brother's father: Duguyi, let him practice it!" said the ghost servant.

When the ghost servant in front of him said so, the brothers were even more puzzled.

"It was his father who asked him to practice? Didn't his father know that it would be dangerous to practice that peerless swordsmanship?" Li Tian asked in astonishment.

The ghost servant said with an ugly face, "He knows!"

"He knows? He knows how to let Du Guxie practice Na He Jianjue?" Li Tian felt more and more strange about this matter.

Just listen to the ghost servant said: "Because their family worships swords and the supreme power...so they can do anything to practice the supreme swordsmanship! In other words: Dugu Yiming knows those two. It may be very dangerous for me to practice the Tyrant Sword Art, but he will let him practice! Nothing else, just because his father wants the second brother to practice the Tyrant Sword Art."

After listening to the ghost servant saying this, Li Tian understood it completely! Even Tang Xiaolong and others around him finally understood it!

It turned out that the reason why Duguxie trained half of the family's most supreme Overlord Sword Art was his father!

In order to fulfill his long-cherished wish, his father did not hesitate to allow Duguxie to practice the Overlord Sword Art when his swordsmanship was at its purest. It was precisely because of his father's misleading that Duguxie, who was young and energetic, practiced for sword practice. Got crazy!

His people, as well as his sword, became vicious and acrid, and became emotional.

In the end, it was to practice the most supreme Overlord Sword Art of the family, and Duguxie, who had reached the madness, took up the sword in his hand, and killed all the 23 members of the family...

That night was a miserable night! It was a night that made Duguxie regret all his life.

That night, the Dugu Family's blood ran into a river, screaming again and again...

Everyone who died under the sword of Duguxie was once his most beloved relative!

It was precisely because of that night that Dugu Xie practiced the masterful Sword Art Sword Art.

That night was the night he successfully practiced the sword art, and it was also the night he felt most heartbroken and regretted...

It is said that on the night that Duguxie became the Overlord Sword Art, the sky and the earth changed, the wind was strong, and heavy rain fell in an instant. When the heavy rain fell and the cold rain hit Duguxie, his talent was slow. Slowly recovered his mind.

After Duguxie recovered his sanity, he saw with his own eyes that the sword in his own hand was soaked with so much blood... and the corpses of his family, he was completely taken aback. He didn't know who was it. He killed it with his own hands, and when his consciousness became clear, he fully understood...

Turns out... Turns out... The people who killed your own family are all yourself?

The moment he fully understood, he suddenly went crazy!

He regrets distressed crazy!

Then he escaped from the Dugu family like a madman, and the Dugu family who was powerful with the sword was also destroyed by Duguxie himself that night.

Since Duguxie got into the devil, he has been killing continuously!

The surrounding villages and people were killed by him...

The enchanted he saw who killed who...

At that time, Duguxie had been completely enchanted, just like him now!

When Li Tian and his brothers heard the ghost servants telling all these ancient past events word by word, everyone stood there in horror, and everyone was completely stunned.

I didn't expect that the famous Evil Sword would experience such a tragic deed.

No wonder he got into the demon, no wonder he became so slaughter after using the Naha Sword Art. It turns out that all this was because of his heartache, because he regretted...

Li Tian frowned and thought for a while, looked at the ghost servant in front of him and asked, "Then he killed a lot after he became a demon... In the end? How could he suddenly get better in the end?"

"That's because of your father! It's also my big brother Cthulhu!" The ghost servant suddenly said with relief in his mouth.

When Li Tian suddenly heard the ghost servant say this, he was not only shocked immediately.

"My father?" Li Tian asked in surprise.

Just listen to the ghost servant in front of you with a smile, and then said: "Yes!"

"It is because of the eldest brother, the second brother slowly recovered his sanity!"

Thinking of the past, the ghost servant's face was filled with a spirited expression.

"After the second brother got into the demon, he killed very hard, and he saw whoever killed anyone, good or bad, both black and white wanted to kill him... But because the second brother had already trained the master swordsman sword art, those Those who wanted to kill him were all slaughtered by the second brother under his evil sword... so from then on, although many people wanted to kill the second brother... but no one was his opponent!"

After hearing this, Li Tian not only asked differently: "How did you meet my father?"

The ghost servant smiled and said: "At that time, my eldest brother and I happened to go to meet your mother along the way... When passing by the local area, they realized that there was a demon here who saw who killed whom, and his martial arts were extremely high. , And also know that this demon killed a lot of people... When my eldest brother and I arrived here, most of the people here had already moved... because they were afraid of being killed!"

"After we learned some information locally, we learned that this person was originally a sword master of the Dugu family... and has become a demon."

Chapter 743: See who kills

"My eldest brother and I had nothing to do, so I thought we would meet that demon, who is now Duguxie, so we went to the place where he frequented and waited for him... At that time, the second brother was completely enchanted and he was alone. Living in my own empty family...the whole lone lone family is dead...When my eldest brother and I got there, I heard a stern cry...The cry was extremely miserable and painful... I heard it with the eldest brother That cry, I thought that someone had been killed here, and quickly prepared to save...but we never thought that when we got to the inner courtyard, we discovered that the person who made those tragic and screams turned out to be the demon, or Duguxie."

"When my eldest brother and I saw that it turned out to be him, we were not only stunned, but at that time, the second brother saw us at a glance... At that time, he was in the same way as he is now, and his face appeared demon-like. Black air, and a terrifying killing aura... after seeing us, without saying a word, he just lifted the sword and killed us!"

"To be honest, I never thought that my second brother was so powerful back then... Even the eldest brother was slightly startled after fighting him... I didn't expect his sword moves to be so vicious and so terrifying... Especially after the second elder brother became a demon, it was even more terrifying."

Li Tian heard what the ghost servant said, and quickly asked, "What about the last?"

"Finally? Haha, although the second brother has already practiced the mastery of swordsmanship, but he is facing the eldest brother... still invincible! I clearly remember that the second brother used it in Feitianyi at the end. When the Peerless Swordsman Swordsmanship Sword Art, the eldest brother was in the sky full of sword aura, he just covered the sky with one hand and saved the situation. That battle was the most shocking battle my ghost servant has seen so far! Vicious and

pungent, plus he was already enchanted at the time, and the sword in his hand was even more terrifying. What about the eldest brother? But standing in the sharp sword aura like a god, after several hours of hard work...Finally The second brother can't fight the eldest brother,"

"Even though the second elder brother acquired the Overlord Sword Art, he was severely injured and injured by the elder brother... Although he was enchanted, he was restrained by the elder brother!"

"Originally, the eldest brother wanted to kill the second elder who was in a demon... But when he saw the black aura on his face and the hideous expression on his face, the eldest brother softened! Because the eldest brother can see that the second elder brother may be demonized... .."

"In the end, the eldest brother fainted the second brother... and then tied his whole person with a rope... I was surprised at that time, wondering why the eldest brother didn't kill this person, the eldest brother told me... human nature is good, he just enters Demon! Later, my eldest brother and I went to interview someone and asked him what happened. A person who knew the situation told us everything...After listening, we knew the truth of all this!"

"We waited with the eldest brother for the soberness of the second brother at that time... He really became sober in the end. After sober, he knew nothing about the killings he had done, and just sat there with a painful face... Don't say In a word, I asked my eldest brother, but he didn't say a word... I and eldest brother had nothing to do, so we had to wait. One time, my second brother wanted to commit suicide... but he was saved by the eldest brother!"

"The eldest brother asked him why he committed suicide, so he told his eldest brother all the things he had done... the eldest brother was shocked when he knew it, and then enlightened him... and said that in this life, who can not make mistakes? The key is after making mistakes, What should I do in the future?"

"After the second brother listened, he didn't say much. He just looked at his elder brother blankly and asked him if he defeated himself? The eldest brother laughed and nodded! The second brother was disappointed... ..He really didn't expect that he would still be unable to defeat this person after he had cultivated his family's most supreme Overlord Sword Art... He looked up to the sky and smiled, his face full of despair..."

"Later, the second brother knew who the eldest brother was! He didn't know who he was defeated... You must know that at that time, the evil god's name was already well-known both at home and abroad... In the end, I don't need to talk about everything... From then on, the second brother After that, I changed my mind and followed my eldest brother... He was a good-hearted person, but he was just going crazy in practice..."

When the ghost servant told the whole story for a long time, Li Tian and his brothers were shocked. Now they finally understand everything!

It turns out that Duguxie had such a painful experience... It turns out that he knew this way from the evil god?

No wonder Duguxie regarded Li Tianru as his own life, and would not give up everything to protect Li Tian... It turns out that his life, including his whole person, was given by Li Tian's father, the evil god.

"Hey, I don't think Senior Dugu has experienced so many painful things." Tang Xiaolong sighed there.

Li Tian also stood there blankly, looking at the disappearing figure of Duguxie...To be honest, his heart is now only worried about the enchanted Duguxie. He doesn't know what will happen to Duguxie or his safety. ?

"Ghost servant, tell me, what will happen to him after he is demonized?" Li Tian suddenly looked at the ghost servant and asked.

I saw the ghost servant with an ugly face and said: "Second brother... after being in a demon, he will be even more mad, whoever kills whom you see! You should have seen just now... if it hadn't been for the second brother's devilish nature to penetrate his body Inside... I guess he would just kill you guys!"

Listening to the ghost servants saying this, Li Tian was completely shocked.

Even the brothers around him were all stunned.

what?

"See who kills whom? Isn't that the enemy and me are the same?" Tang Xiaolong said in shock.

The ghost servant nodded with a ugly face.

"Yes! The second brother will return to the night decades ago after being enchanted... even his closest relatives dare to kill, and his skill will be at least twice as high as before." Ghost servant said.

Hearing what the ghost servant said, the brothers were speechless.

Originally, the current Duguxie is already the world leader. If he doubled his magic power, would it be worth it?

What if he really saw someone kill someone then?

No, they were all shocked! Look at me with each other, I look at you!

"Then, what shall we do?" Tang Xiaolong said with fear in those eyes.

"Little boss... let's... shall we go to the Duanmu family now?" Tang Xiaolong suddenly turned his face to Li Tiandao, who was looking in front of him.

Li Tian is also looking ugly at the moment! To be honest, he did not expect to encounter such a thing today.

Did Duguxie suddenly become enchanted?

After thinking about it, he looked at the direction of the Duanmu family and said slightly: "Forget it... let's not go to the Duanmu family! Let's find him first..."

"Looking for Senior Dugu?" Tang Xiaolong said suddenly, his eyes widened.

"Little boss, who did Senior Dugu see and kill whom right now? If he sees us...With the swordsmanship of Senior Dugu, we probably won't survive!" Tang Xiaolong said in shock.

Chapter 744: He is mad

Li Tian nodded silently.

"I know!"

"But I still can't let go of him! After all, he is my elder, or my relative!" Li Tian finally decided to say.

When the ghost servant heard what his young master said, his face showed a relieved smile.

"The young master really has the same affection and righteousness as the big brother!"

"Then let's go to the second brother quickly..."

The ghost servant who was talking then followed Li Tian and the others and hurriedly chased in the direction where the Duguxie disappeared.

They must find the enchanted Duguxie! Because only they can stop the invading Duguxie... But now the Duguxie has completely invaded the body with a demon nature. By then, if he sees Li Tian and others, will he really kill him cruelly?

So far, no one may know the answer.

"What happened to Duguxie? How could something like that happen suddenly?"

A weird voice suddenly came from the top of the Wild Wolf Valley, and the question was the \*\*\*\* gate master alcoholic of the mysterious terrorist organization.

The Ecstasy, the alcoholic and Ouyang Longyan, who mysteriously watched below in the Wild Wolf Valley, all saw everything that happened below.

Especially after seeing that Duguxie became like that.

But seeing the ecstasy makes that hoarse and unpleasant voice like a baby suddenly smile.

"He's mad..."

"He is back decades ago..."

After the ecstasy said these words in a stern voice, the alcoholic and Ouyang Longyan were not only startled.

"What do you mean?" Just listen to the alcoholic asked.

The ecstasy said with a smile: "Have you never heard of Duguxie's brutal killing back then?"

The drinker and Ouyang Longyan shook their heads, saying they didn't know.

The Ecstasy also said with a gloomy smile at the corner of his mouth: "I tell you, back then, when Duguxie slaughtered sentient beings after being in a demon, I heard that once he was in a demon, he saw who would kill whom.

"See who kills whom? Do you even kill people you know?" the alcoholic asked depressed.

"Not bad!"

"You should have seen it just now, Duguxie almost wanted to kill the kid surnamed Li and the others!" The Ecstasy said with a smile.

The drinker and Ouyang Longyan did see the scene just now, no, now after hearing the ecstasy say so, the two of them are also full of horror.

"It seems like a godsend... our chance is here." The Ecstasy said with a hoarse smile suddenly in an unpleasant voice.

The drunkard stared at the ecstasy and asked, "What do you mean?"

But seeing the ecstasy said gloomily: "Now that Duguxie has become a demon, and his whereabouts have long since disappeared, there is only a ghost servant beside the boy named Li at this moment... Hey, if we intercept the boy named Li now If you do, you will definitely succeed 100%!"

It turns out that this ecstasy is going to kill Li Tianxia!

Now Li Tian is indeed the only one left with the ghost servant. Although there are brothers beside him, what if he compares with the master in the gate of hell? , They also have three great masters here, an alcoholic, an Ouyang Longyan, and a martial artist who has no idea how tall he is...

This disparity in power is obviously compared right away

So if Li Tian and others were really intercepted by this \*\*\*\* gate master once, the consequences would really be unimaginable.

"Then let's kill the boy named Li now?" The drinker suddenly squinted and said.

"of course!"

After the two characters suddenly came out of the ecstasy, his black figure stretched, and then his fierce stature floated towards the bottom of the wild wolf valley, and the purple-clothed Ouyang Longyan and the alcoholic's fast stature followed suit. It followed up.

The figures of the three of people quickly descended into the Wild Wolf Valley like shadows, and then quickly chased after the place where Li Tian and others disappeared.

"Clan leader, clan leader..." In the hall inside the Duanmu family, a member of the Anbu ran towards the family's main hall with a look of astonishment.

After hearing the sound, Duanmu Heiming, who was fidgeting in the main hall, suddenly turned his head and looked at the Anbu members who ran in.

"What's the matter?" Duanmu Heiming asked quickly.

"Great Elder... Great Elder... Going to fight!" The Anbu member in front of him said suddenly.

what?

"The Great Elder really went to fight?" After hearing this news, Duanmu Heiming was shocked. The second elder Duanmu Heilong and the four elder blood monks were also shocked at the same time.

"Yes! The Great Elder has just stopped Li Tian and others." Anbu members said there.

Duanmu Heiming heard the members of Anbu confirm the words again, and said with joy, "Great!"

"I thought the Great Elder would not play... I didn't expect that he would really play for our family!" Duanmu Heiming said excitedly.

He had been hiding like a tortoise in the Duanmu family from beginning to end, and of course he didn't know what was happening outside.

"Although the Great Elder is out...but...but..." the Anbu member suddenly said hesitantly.

"But what?" When Duanmu Heiming heard something wrong with his subordinates, he asked with an ugly face.

The members of the Anbu looked nervous and said, "The Great Elder is defeated..."

what?

"what?"

"The Great Elder is defeated? How could it be possible?" The excited Duanmu Heiming suddenly stepped over and pinched the neckline of his hand, roaring with murderous expression on his face.

You must know that Luohe Buddha was originally Duanmu Heiming's last trump card!

He originally wanted Na Luohe Buddha to defeat Duguxie... but now? I heard my last trump card was defeated...

Lost?

Is it true that the Duanmu family is going to face an extinction this time?

I only heard that the Anbu member was held by Duanmu Heiming's neckline with one hand, and said with a face full of fear: "It's true, Patriarch!"

"The Great Elder was really badly injured by the Duguxie of that hand..." the member of the Anbu repeated.

Duanmu Heiming was stunned for a moment, and the hand that held his neckline tightly was also sent away in an instant... His face had a heavy and ugly look, and he stood there speechlessly.

The second elder Duanmu Heilong behind him, and the fourth elder blood monk were also there for an instant.

It's like death in the air...no one speaks.

No one knows what to do now?

"The patriarch... one more thing..." the members of the Anbu said with trembling voices in fear.

Duanmu Heiming didn't know if he heard it or not, and he just stood there blankly.

"That... that... the Duguxie who defeated the Great Elder... doesn't seem to be better..."

"He seems crazy..." A word suddenly came out of the members of Anbu.

Duanmu Heiming, who had been desperate, and the two elders behind him, suddenly heard the Anbu members say so, they turned their heads in horror.

"what did you say?"

"Duguxie is crazy...what does this mean?" Duanmu Heiming said with excitement at the members looking at Anbu.

The members of the Anbu then told everything they saw.

"Patriarch, that Duguxie doesn't know why, after defeating the Great Elder, he suddenly screamed like a lunatic... and... and ran away alone!" Anbu member said there.

Chapter 745: Her love

"What? Duguxie ran away?" Duanmu Heiming, who listened to the members of his Anbu talking like this, asked in surprise.

The second elder Duanmu Heilong behind him, as well as the blood monks of the four elders, all looked shocked.

"What the \*\*\*\* happened?" Duanmu Heiming quickly asked. Now this is about the fate of his entire family. Of course he dare not take it lightly.

The members of the Anbu then said the truth: "The Patriarch... Actually, we don't know what happened. We just saw that after Duguxie defeated the great elder, suddenly fled like crazy... As for the others, we don't know."

Listening to the members of Anbu saying this again, Duanmu Heiming frowned deeply.

What happened? He really didn't know.

"What about Li Tian and the ghost servants and others?" Duanmu Heiming then quickly asked.

The member of the Anbu said, "Li Tian and the members of the Anbu have already left..."

"Leaving? What do you mean? Did they leave?" Duanmu Heiming said with excitement.

"Yes! They seem to have left our family too."

After the members of Anbu finally said this, Duanmu Heiming was startled for a moment, and then a strange smile appeared on his face.

"Good! Great!"

He said with excitement.

The Duanmu family, who was already in desperate situation, did not expect to come back from desperation at this moment, which is of course a thing to be congratulated for.

But seeing the Fourth Elder Blood Monk over there smiled and said: "It seems that God is really blessing my Duanmu family!"

"Patriarch, now the enemy has left...presumably you shouldn't worry about it." Hearing the blood monk looking at Duanmu Heiming with a smile said.

Duanmu Heiming let out a sigh of relief...

"I didn't expect things to develop like this..."

"Although Duguxie and the ghost servants have already left, they still cannot be taken lightly!" Duanmu Heiming said.

The blood monk and the second elder Duanmu Heilong nodded silently.

"Well, you all go down..." Duanmu Heiming looked at the two elders and said.

The blood monk and the second elder Duanmu Heilong nodded, and then stepped back.

Duanmu Heiming turned his face to look at the Anbu members in front of him and said: "You Anbu continue to monitor the actions of Li Tian and others... as soon as there is news, remember to notify me as soon as possible!"

"Yes, Patriarch!"

After speaking, the Anbu members quickly retreated.

In the whole hall, only Duanmu Heiming stood alone in an instant...

His face was gloomy, and he was silently thinking about his thoughts.

The enemy of the Duanmu family is gone!

This news spread quickly throughout the Duanmu family...

There was a gloomy atmosphere permeating the Duanmu family. After the news was released, the members of the entire Duanmu family were extremely happy.

They all knew in their hearts that the enemy that the Duanmu family faced this time was an unprecedentedly powerful enemy, but they didn't expect that the enemy was gone now...How could this not make them happy?

Not only are these Duanmu family members happy, even Duanmu Heiming himself is extremely surprised by this sudden change.

"Miss!" In Duanmuying's boudoir, I saw that girl Xiaohuan quickly ran over here.

Duanmuying's delicate face in the room turned slightly, looking at the girl Xiaohuan who ran in with excitement, and asked, "What's the matter?"

"Miss...Miss... something big happened!" When the girl Xiaohuan ran into Duanmuying's boudoir, she panted out of breath and said, at the same time there was a blush on her round face. color.

"What's the matter?" Duanmuying blinked her eyes curiously and asked the girl Xiaohuan who ran in.

Just listen to Xiaohuan after taking a breath, and quickly said: "Miss... I heard that our family's powerful enemy has already left."

"They're gone... our family is safe." Xiaohuan said excitedly and surprised.

After listening to that, Duanki Ying showed a faint smile on her face, and then turned around indifferently and said, "Oh."

Duanmuying now is different from her before, especially after she learned about her father's deeds.

"Miss, aren't you happy?" Xiaohuan said, looking at Duanmu Ying in surprise.

Duanmuying didn't speak, just raised her beautiful eyes and looked aside.

"Miss... one more thing... I don't know if I should tell you." Suddenly, Xiaohuan looked at the back of Duanki Ying with an embarrassed look on his face and slowly said.

When Mu Ying heard her say this, she said lightly: "Let's talk about it!"

The girl Xiaohuan thought for a while, and then said hesitantly: "Miss...do you know this time...who is our family's strong enemy this time?"

Duanmuying shook her head indifferently when she heard Xiaohuan say this. ,

"Who is he? It has nothing to do with me!" Duanmuying said coldly.

"Miss, you are wrong... he has something to do with you!" The girl Xiaohuan said suddenly.

Suddenly after hearing what Xiaohuan said, Duanmuying was taken aback for a moment, then slowly turned her exquisite face to look at Xiaohuan and said, "It has something to do with me? Who? Who has it with me? relationship."

"Li Tian! He is Li Tian!" Xiaohuan didn't want to say it, but now seeing her eldest lady depressed all day long, she only thought of the "him" in her heart, so Xiaohuan told the truth all at once. .

"what?"

When Duanmuying heard Li Tian's name, she got up from her chair with excitement.

Those beautiful eyes were full of surprise and disbelief.

"Who do you mean?" Duanmuying asked the little ring again in disbelief.

Just listen to Xiaohuandao said: "It's Li Tian! The strong enemy of our family this time is said to be Li Tian..."

Duanmuying heard that girl Xiaohuan say this again, and her jaws were suddenly there...

"Li Tian... is it Li Tian?" She muttered to herself there, and she stood there stupidly as if she was demented.

We must know that Duanmuying has been thinking about Li Tian all the time since she separated from Li Tian... But there has been no news of him. Now that I finally heard his news, how can we not let Duanmuying get excited?

"Yes, it is him! I heard the family members who went out to fight say that they saw Li Tian with their own eyes, and also saw him taking a bunch of strangers to deal with our family." Xiaohuan said every word in that way. Said.

Chapter 746: What should I do?

After Xiaohuan said this, Duanki Ying stayed there as if she was staying.

The girl Xiaohuan continued to ask, "Miss, what happened? Why did our Five Elders betray our family for no reason? And to deal with our family?"

Of course, this girl Xiaohuan didn't know what was going on, she couldn't help but blinked at that Duan Muying.

Duanmuying can still hear her words clearly, she has been stunned since she heard Li Tian's name.

"Is he there now? Where is Li Tian?" Suddenly Duanmuying asked with excitement on the shoulders of the girl Xiaohuan, like crazy. ,

Xiaohuan was taken aback by Duanmuying's shoulders, but she quickly said, "I don't know..."

"I heard family members tell me...it seems like Li Tian and others have left...they retired!" Xiaohuan said.

"left?"

When Xiaohuan said this all of a sudden, Duanmuying felt a huge disappointment in her heart.

Then she didn't say anything, and pushed away the girl ring next to her, and ran outside desperately.

After the little girl ring was pushed away by her own eldest lady, she looked blank, and she was stunned when she saw the eldest lady running outside desperately.

"Miss...Miss...Where are you going?"

Xiaohuan yelled and chased after... But the figure of Duanki Ying had already ran into the distance.

She is looking for Li Tian...

She is looking for her lover!

After so many days of lovesickness, so many days of waiting, and now finally hearing his news, how can Duanmuying not get excited? So at this moment, she desperately ran to the outside of her family, she vowed to find Li Tian.

Time goes by every minute!

For the Duanmu family, this day is an extremely long day after all.

On this day, they experienced too many complicated emotions, first of all despair... Facing the despair of the powerful Duguxie of martial arts and the despair of the shadow ghost servant... But never expected that Duguxie's sudden madness in the eyes of this knot... ...Leave suddenly!

This caused Li Tian and his brothers to be in a mess. They had planned to deal with the Duanmu family and suddenly became helpless, and they could only find the Duguxie who had already become enchanted.

But the Wild Wolf Valley is so big, where can you find the Duguxie who has been enchanted?

Now Li Tian and others are looking for the trace of Duguxie in the Wild Wolf Valley.

The sky slowly got dark.

Occasionally, a few wolf calls can be heard in the Wild Wolf Valley...

Among the lush and towering old trees, but saw several figures slowly searching there.

They are Li Tian, ghost servants and others.

"Where did Senior Dugu go?" Tang Xiaolong muttered in his mouth while blocking the branches around him with his hands.

Chen Qiaozhi and Old Monster Ge who followed were also frowning deeply, and they didn't know where Du Guxie had gone.

Li Tian and the ghost servants here continued to walk forward, looking for the Duguxie.

"Little boss, the sky is already dark...I'm afraid it's not the way for us to find this way?" Tang Xiaolong looked at the dimmed sky and couldn't help but said to Li Tiandao.

Li Tian also felt that their blind search like this was no way.

Besides, now the sky has completely dimmed... It is not a good way for them to search blindly in this wild wolf valley.

So Li Tian stopped at this moment. He raised his eyes and glanced at the dense woods that could not be seen clearly in front of him, and then said: "Forget it, it's already dark...We don't have anything to illuminate at this moment... Look for it tomorrow."

The ghost servants and the brothers also nodded.

Everyone knows that there will be no results after such a search.

So they all listened to Li Tian's words and stopped.

"Let's stay here for one night tonight... When tomorrow morning, we will continue to look for it!" Li Tiandao said.

So the brothers planned to stay in this wild wolf valley all night!

They found the withered branches and used a lighter to make a fire, so they surrounded the fire and sat quietly.

The blazing fire light shining brightly in the wild wolf valley. The brothers and others sitting next to the fire were all ugly and did not speak... Originally they were a happy day, because they had already brought the Duanmu family. Get off the horse, and defeated Luohe Futu, the most powerful master of blocking... Seeing that they would be able to rush into the Duanmu family and return to Li Tian's Sanshengmen antidote... But what I didn't expect was that Duguxie was at this juncture. Suddenly enchanted?

So the brothers in this society are a little unhappy in their hearts.

Li Tian snuggled with Situ Ningbing next to him.

Situ Ningbing tightly grasped Li Tian's arm in front of him with a slender hand, and his beautiful eyes did not leave his lover from beginning to end.

"Don't worry... I believe Senior Dugu will be fine!" Situ Ningbing looked at Li Tian and said softly.

Li Tian turned his head to look at the beloved woman, and smiled slightly.

"Ok!"

"I'm not very worried about his safety, I'm just worried that he didn't know where he was at the moment..."

Li Tian knows that the world is so big that not many people can hurt Duguxie! Moreover, the current Duguxie is even more enchanted... his skill is even more terrifying than before... Who can hurt the evil sword Duguxie now?

What Li Tian is worried about at the moment is that after Duguxie enters the devil, no one knows what to do?

How can he restore his sanity at that time? Revert to before?

"Ghost servant, tell me, did he have this situation before?" Li Tian suddenly asked, looking at the ghost servant there.

But the ghost servant shook his head.

"Second brother hasn't been in the demon for a long time...because since he followed the eldest brother, the eldest brother once forbidden the second brother to use his overlord sword art, so the

second brother never used that sword art in the later days... Today the second brother was forced to be helpless, and finally used this masterpiece sword art!" The ghost servant sighed.

Hearing what the ghost servant said, Li Tian was even more depressed.

"What should we do then? How can we restore his sanity then?" Li Tian murmured.

The ghost servant also sighed deeply.

"Hey...If the eldest brother is still there, it will be fine...because only the eldest brother can control the second brother who lives in the demon!" The ghost servant sighed.

The eldest brother he was talking about was of course Li Tian's father Cthulhu! But the Cthulhu has disappeared for more than 20 years, how can it come out now?

What will happen after Duguxie enters the devil this time, and what will be the result? Who can know?

Chapter 747: Trail: Bloody killing

Time passed quietly!

The night was slowly dimming, and a mist gradually emerged in the Wild Wolf Valley, and the temperature of the night air in the Wild Wolf Valley was extremely low, isn't it? If it wasn't for Li Tian and the others, there was a bonfire, I'm afraid they would still be frozen.

I don't know how long it has been... the brothers also gradually felt a little sleepy.

Tang Xiaolong and Old Monster Ge beside him have obviously started to doze...

Li Tian here also held his lover's hand tightly, cuddling together, and slightly closed his eyes thinking about his own thoughts.

Just when the brothers were staying quietly, suddenly a strange scream came from the left side of the silent Wolf Valley...

The voice was far away, but it was extremely miserable, as if being killed by someone!

After hearing the voice suddenly, Li Tian stood up for the first time, and the ghost servant beside him also jumped up at the same time.

"Have you heard?"

"There is a miserable voice!" Li Tian said suddenly with solemn brows.

The brothers around him also woke up at the same time.

"I heard it, the sound seems to be coming from over there!" Chen Qiaozhi only listened to Chen Qiaozhi pointing to the left side of the Wild Wolf Valley.

Li Tian looked at the place over there, suddenly frowned.

"There is the site of the Duanmu family.....!" A word suddenly came out of Li Tian's mouth.

When hearing about the Duanmu family site, the brothers were all taken aback.

Why is there a scream suddenly coming from the Duanmu family's site? What happened to the Duanmu family?

"Young Master...I'm going to see what happened!" The ghost servant suddenly stepped forward and said.

"I'm with you!" Li Tian followed all of a sudden.

"Little boss, master, let's go too!" Tang Xiaolong saw that Li Tian was about to go, and he immediately jumped from the ground and said.

But seeing Li Tian turned his head and said to the brothers: "No...you stay here first!"

"My ghost servant and I just went to see the situation... to see what happened there..." Li Tian said there.

"But..." Tang Xiaolong wanted to speak, but was stopped by Li Tian in front of him.

"Listen to me! You all stay here...I will come back soon after I went over with the ghost servant to take a look!"

After listening to Li Tian, Tang Xiaolong and his brothers wanted to go, but they had no choice but to listen to Li Tian's words, so they nodded.

Li Tian glanced at the ghost servant and said, "Let's go over and take a look."

The ghost servant nodded silently, then raised his steps, and ran to the left side quickly.

Li Tian followed closely behind him.

"Do you think it is Duguxie?" Li Tian asked while looking at the ghost servant as he walked quickly.

The ghost servant was silent for a while before slowly saying, "I'm not sure!"

"But I know that after the second elder brother is enchanted, he will definitely kill people! And he will kill whom..."

Listening to the ghost servant saying this, Li Tian was suddenly depressed.

Because he is now afraid that the scream just now is the masterpiece of Duguxie! If that's the case, it means that Duguxie actually broke into the Duanmu family...At that time, Duguxie broke into the Duanmu family alone, and if he really saw someone kill... Then it would be a big trouble!

After all, there are so many people in the Duanmu family...and Duguxie is in a state of demons!

If someone from the Duanmu family used despicable means to kill Duguxie all at once, that would be Li Tian's greatest regret in his life! So he is very nervous inside now.

But they said that the two of them rushed to the place where the screams had just been heard.

Although Li Tian had lost his hands, the pace under his feet was extremely fast...Although he couldn't keep up with the shadow ghost servant at this moment, it was almost the same.

The ghost servant with superb physical strength has already arrived at the place where the miserable cry just came...

After he arrived, he stopped for a while, then blinked his sharp eyes and looked around.

Li Tian also quickly followed, this period of rushing made him feel a little bit of breath...

"The sound just came from here." Only the ghost servant said in a hoarse voice.

Li Tian nodded and looked around cautiously.

"Young Master, let's look for it separately, there must be clues here!" said the ghost servant.

Li Tian nodded, so the two of them carefully searched eastward and westward.

Li Tian looked around cautiously, listening to the small movements around... Suddenly his eyes saw red blood stains on the ground for a moment... When he suddenly saw the red blood stains, he was stunned for a moment. Up!

"Ghost servant!" Li Tian whispered.

When the ghost servant over there heard the young master's cry, his body flashed to Li Tian's side.

"What's wrong? Young Master?" the ghost servant asked.

Li Tian pointed to the blood on the ground and said, "Look at here... there is blood!"

The ghost servant squatted down quickly, blinking his sharp eyes and looked at it... As expected, there was a trace of red blood on the ground...

Then carefully follow the bloodstain in front of you to look forward, and a shocking scene suddenly appeared in the eyes of two people!

Oh my god, I saw two \*\*\*\* corpses lying in the grass 45 meters away...

The two \*\*\*\* corpses were so ugly that they were cut off from the waist with a sharp weapon, and the whole body was divided into two... The hideous bloodstain was left all over the place, and it seemed to make people feel inside. There was a chill, and the eyes of the two who had died were widened, full of horror... as if they saw something more terrifying than the devil before they died...

Moreover, the two corpses can be seen at a glance as members of the Duanmu family...because their bodies are still wearing black robes...

After the ghost servants and Li Tian saw the hideous corpse, they were stunned.

But seeing the ghost servant frowned and bent down, took a closer look at the dead man's wound...

The countdown murmured: "It's the second brother... the second brother killed it!"

"Their wounds were wounded by the sword..." a word suddenly came out of the ghost servant's mouth in a nasty voice.

And after Li Tian heard the ghost servant say so, he was stunned for an instant.

Duguxie really killed it! He really killed it by the enchanted!

"It's really him? He's really still in this wild wolf valley." Li Tian said with a frown.

"Second brother is already in the demon... he really has started to kill!" A few cold words came out of the ghost servant's mouth word by word.

Listening to the ghost servant in front of him, Li Tian stood there in horror!

Kill! See who kills...

Is the enchanted Duguxie really preparing for \*\*\*\* killing?

## Chapter 748: Man in the dark

The current ghost servants and Li Tian already know that the two \*\*\*\* corpses may have been killed by Duguxie after being enchanted.

The two stood there, looking at the \*\*\*\* corpse on the ground, without words for a long time.

I saw Li Tian bent over and looked at the traces on the ground.

Following the direction of the trace, he looked at the place in front. The place in front was the site of the Duanmu family... When he saw this, Li Tian frowned suddenly.

"Did he really kill into the Duanmu family alone?" Li Tian muttered in disbelief in front of him.

The ghost servant also looked ugly at this moment, looking at the Duanmu family site in front of him.

"If the second brother really gets in, then the Duanmu family will suffer this time."

"The second brother might bloodbath the entire Duanmu family." said the ghost servant.

Li Tian knew that Duguxie's skills would be more powerful after he became a demon... and he knew that his sword would be more vicious, but if he faced so many Duanmu family members, would he really be safe?

"But after all he is alone...?" Li Tian couldn't help but worry.

I saw the ghost servant faintly said: "Young Master, don't worry! I have been with my second brother for so many years, and I believe in his ability...If the second brother has really joined the Duanmu family, I will assure you... Absolutely no one in the Duanmu family can harm the second brother after being enchanted!"

"You would never imagine how powerful the second brother's sword is... how terrifying... especially after he was enchanted!"

Hearing how the ghost servant said so confidently, Li Tiancai was relieved!

Originally, he was a little worried about Duguxie, but when he heard the ghost servant say that, his heart was finally settled.

Yes, he really doesn't know how powerful the evil sword of Duguxie is after entering the devil... You must know that after entering the devil, his entire skill will be doubled, and the sword moves are even more cold-blooded... The original Duguxie can already It is said that he is the only one in the world. Now that he is enchanted, who else could harm him?

What's more, a small Duanmu family?

"Then shall we go back first?" Li Tian looked at the ghost servant and said.

The ghost servant glanced at the surrounding darkness, and the quiet Duanmu family in front said slightly, "Hmm!"

"Tomorrow... tomorrow we will go to the Duanmu family together and find the second brother!"

After Li Tian and the ghost servants left, only Tang Xiaolong and Situ Ningbing were left beside the fire at this moment.

Because the scream just now awakened the brothers from sleep, all of them were sitting there with wide-eyed eyes around the fire.

Occasionally, a slow cool breeze blows...and also with a chill.

But seeing Tang Xiaolong stretched his waist, blinking his eyes and looking at the place where Li Tian and the ghost servant went, he said: "Why haven't the little boss and my master come back?"

"It should be soon," Chen Qiaozhi said on the side.

"Sick ghost, you said that the scream just now...Did someone have been killed? That's why you made such a scream?" Tang Xiaolong crouched and said to Chen Qiaozhi, who was looking aside.

Chen Qiaozhi picked up a dry branch next to him and threw the branch into the blazing fire, saying, "Maybe!"

"Do you think that person was killed by the enchanted Dugu Senior?" Tang Xiaolong continued to ask.

Chen Qiaozhi frowned slightly this time, and then shook his head.

"I don't know anymore!"

"But to be honest, Senior Dugu is really terrible after being demonized!" Chen Qiaozhi said sincerely.

Tang Xiaolong also said, "Yes!"

"It's really horrible..." Tang Xiaolong thought of the black hideous aura of Duguxie's face after being enchanted... and his pungent sword skills, he felt an inexplicable coldness on his back...

That is a kind of fear born from the bottom of my heart.

The brothers had a conversation, and they continued to wait for Li Tian and the ghost servants around the fire in front of them.

Besides, while the brothers were waiting for that Li Tian and the ghost servants, a cold wind mixed with strange aura suddenly came towards them.

This cool breeze is completely different from the previous cool breeze... When it blows on their faces, they feel a tingling pain on their faces...like murderous!

Terrible murderous!

The blazing fire was also rushed by this strong murderous intent... The flame was blown out of a sudden... Leaning to one side.

When the brothers suddenly felt something was wrong, Tang Xiaolong's expression suddenly changed, and he stood up from the place in front of him, quickly turned his head and looked around the dark surroundings, exclaiming in his mouth: "Who? "

Just when Tang Xiaolong screamed out, Ah Qiu and Chen Qiaozhi beside him quickly stood up, looking at the black surroundings with a pair of vigilant eyes.

They all felt strange...but they couldn't see exactly what was near them.

Just as the brothers were suspicious and shocked, suddenly a weird and unpleasant voice like a baby suddenly came from the darkness.

"Hey, why are these few people... the boy named Li?" The weird voice suddenly rang in the darkness.

Who is he?

Who is in the dark?

The boy named Li he said was referring to Li Tian?

When he heard this weird voice all of a sudden, Tang Xiaolong and his brothers looked shocked.

Just now they suspected that they felt wrong, but now after hearing the other's voice, they suddenly knew that someone was near them.

"Who? Who is talking? Get out of the little master!" Tang Xiaolong roared, looking at the darkness around him.

A Qiu by his side also clenched a pair of fists tightly, looking at the darkness in front of him, the brothers also felt an unprecedented bad premonition.

After the weird voice sounded like a baby, there was a sudden silence.

Then another voice continued to say: "It seems that the boy named Li is no longer here..."

"What should I do? Are these people staying or not?"

"They seem to be with the kid named Li!"

"Hey, since we are together, let's send them to the west by the way, anyway, they will die sooner or later, so let's die early and live longer!"

The two voices in the dark ignored the brothers at all, but spoke for themselves.

Listening to such crazy words of people in the dark... and from their words, the brothers have already heard that the other party is definitely not their friend... but their enemy! All of a sudden the brothers were shocked there!

Are they going to kill themselves?

But still close together.

Chapter 749: The people at the gate of \*\*\*\* are here

That Tang Xiaolong had a hot temper. Hearing that weird baby-like voice was so arrogant that he wanted to send his brothers to the west, he was furious: "Asshole!"

"You have the ability to get out of the little master... hiding in the dark like a shrunk bastard... Why is he shouting?"

"Get out!"

Facing Tang Xiaolong's curse, a muffled voice suddenly came from the darkness.

"Does that kid want to die?" the weird voice suddenly sounded.

"I look like it!"

"All right, then I will kill him first!"

After the words fell, a ghost-like figure suddenly attacked Tang Xiaolong from the dark side.

The speed is so fast...It is almost invisible to the naked eye, especially in the darkness.

But seeing that the black shadow that attacked like a ghost carrying a terrifying aura suddenly hit Tang Xiaolong with a heavy blow, Tang Xiaolong was immediately shocked!

He never expected that the other party would do it as soon as he said it, and he would use such a terrible move when he came up.

"Little Dragon, be careful!" Chen Qiaozhi suddenly exclaimed when he saw the dark shadow attacking Tang Xiaolong.

But how could Tang Xiaolong, who hadn't had time to defend himself, withstand such a quick and unparalleled blow?

Isn't this? Tang Xiaolong wanted to retreat and dodge, obviously it was too late...At this moment, he could only bite the bullet and smashed a fist against the dark shadow.

But seeing that ghost-like black shadow did not dodge, Tang Xiaolong suddenly hit the air with a punch, and then a white and cold hand reached his chest... with a bang!

Tang Xiaolong suddenly screamed, and his whole body flew out...

With a loud thump, his body was stunned a few meters away!

Looking at Tang Xiaolong being beaten like this? The brothers were stunned!

"Little Dragon..."

Chen Qiaozhi and Na Qiu quickly ran towards Tang Xiaolong.

But seeing Tang Xiaolong being knocked to the ground, his face was as pale and ugly as dead gray... There were still blood stains at the corner of his mouth... His body couldn't help shaking.

Chen Qiaozhi and Ah Qiu quickly helped Tang Xiaolong up.

"Xiaolong, how are you?" Chen Qiaozhi asked quickly.

Tang Xiaolong's face looked like a dead person, standing there shaky, but still trying hard to endure the fiery sting in his chest, shook his head slightly...

"I...I...can't die!"

Look here again...

Who was the person who attacked Tang Xiaolong like a ghost just now?

Looking through the yingying firelight, I saw that this person was tall and thin, covered in black clothes, and even more strangely, his face was covered with black cloth!

The only exposed pair of eyes did not look like human eyes at all, blinking gloomily there.

He stood there with his hands on his back.

Who is he?

The ecstasy in the mysterious organization Hellgate?

No wonder it was so bad, no wonder Tang Xiaolong was injured so badly in one blow!

Turns out to be a master in the gate of hell!

But the brothers in front of me don't know who this guy is!

But he said that after he suddenly emerged from the darkness, two figures also appeared out of the darkness at the same time.

Looking at the two carefully, one of them was bloated, a fat man with squinted eyes and a smile... His dress was very strange, and there was a wine gourd on his waist! The other is in purple. Although his face is handsome, there is a long, narrow and hideous sword mark on his left cheek! drinker!

Ouyang Longyan!

They are coming! Sure enough, someone from the gate of \*\*\*\* is here.

When the drinker and Ouyang Longyan suddenly appeared, the brothers were completely stunned.

They don't know who these guys in front of them are? I don't know why they are here for no reason.

"Who are you? Why are you following us?" Chen Qiaozhi's ecstasy and the alcoholic three asked.

But seeing the ecstasy over there glanced at Li Tian's brothers on the court with stern eyes, and then slightly said with that ugly voice: "It seems that the kid surnamed Li is really no longer!"

His words were spoken by looking at the alcoholic over there and Ouyang Longyan.

"Impossible! We followed them all the way... There is no reason not to stop!" The alcoholic over there squinted and frowned, looking at the court.

Then after he finished speaking, he suddenly smiled and turned his head to look at Chen Qiaozhi and the others here and asked: "Hey... I ask you, that kid named Li Tian? Is there a ghost servant there now?"

When Chen Qiaozhi heard the guy with the wine gourd slung around his waist suddenly ask like this, he was not only taken aback, but also secretly said: Why do these three people know so well about his own affairs? And do you know Ghost Servant and Li Tian?

"Why should I tell you!" Chen Qiaozhi said with a cold face.

Although shocked the strange three people who suddenly appeared, they still looked at them without fear.

The drunkard suddenly laughed.

"Because if you don't tell me, I will make you dead ugly... ugly." When the alcoholic said these things, it was as simple as drinking cold water.

Although Chen Qiaozhi was a little scared in his heart, he still summoned the courage to say: "Who are you anyway? Why do you want to deal with us?"

"Who are we, don't worry about that! I just want to know the kid named Li and the shadow ghost servant there?" The drinker suddenly said in a cold voice.

Chen Qiaozhi already felt the murderous in the air!

He clenched his fists, ready to fight to the death!

Now he doesn't have too many ways, at this moment he only hopes that Li Tian and the ghost servant will come back quickly.

"Say? Or don't you?" The alcoholic suddenly said sternly, and walked towards Chen Qiaozhi.

Chen Qiaozhi and Old Monster Ge's face gradually became extremely ugly...

Hands on? Still not doing it?

Fight or not?

At this critical moment, a sound of breaking through the air suddenly attacked the alcoholic!

I looked at the light of the light, but saw a life-threatening silk as thin as a poisonous snake piercing the alcoholic's body.

is her?

It was Situ Ningbing who made the shot.

It turned out that Situ Ningbing was already ready to go. She knew from the three of them that she would definitely not be able to hide today... These three weird people were obviously directed at Li Tian... So Situ Ning of this meeting Ice can only take the lead!

Her weapon is a venomous and life-threatening silk, attacking the drunkard like lightning.

Although Situ Ningbing's tricks were poisonous enough and fast enough!

But she didn't know what kind of master she was facing?

Chapter 750: Mysterious master

At this moment, the drunkard suddenly showed a weird smile after hearing the sound of the breaking wind behind him. Then he didn't even turn his head back directly. Instead, his body spun around suddenly and he avoided the Situ Ningbing. A deadly move.

"Hey, is the kung fu pretty good?" The drinker suddenly looked at Situ Ningbing with a joking smile.

"Come again, come again!" The alcoholic said with a wicked smile suddenly.

Listening to the alcoholic being so arrogant, that Situ Ningbing was really furious, the life-threatening silk in his hand was shot out again like lightning, brushing, and the tricks were acrimonious and vicious towards the deadly place of the alcoholic. Stab.

Although the drunkard was a master who had been famous for a long time, facing the series of killer moves of Situ Ningbing at this moment... it was also a slight step back!

But the corner of his mouth kept a stern smile from beginning to end and said, "I didn't expect this girl to have a pretty ruthless trick!"

"Come on, take my trick!" The drunkard suddenly turned around on the spot, and his right palm suddenly accumulated energy like Taibai drunk, and at the same time, his left palm immediately attacked Situ Ningbing from the side.

Situ Ningbing felt this dead fat man's vigorous skill and did not dare to accept this move, so he backed away quickly!

The deadly silk in his hand pierced towards the face of the alcoholic with a whistle... The alcoholic saw this poisonous weapon attack his face and had to retreat... But he did not expect the deadly silk in Situ Ningbing's hand. As if possessing spirituality, he suddenly deviated from the direction and pierced towards the left shoulder of the alcoholic!

The drunkard was a little careless... never thought that Situ Ningbing's work was so good!

The bloated body quickly flew back...

Flop!

No matter how fast he retreats... But his shoulders were still rubbed by the life-threatening silk... There was a small blood mark on the coat...

The alcoholic is actually injured!

There was a blood mark on his left shoulder...Although the scar was extremely small, it was undoubtedly embarrassing for a master like a drunkard.

Isn't this? The alcoholic who was bruised on his shoulder by the deadly silk in Situ Ningbing's hands suddenly became angry!

Suddenly roared in his mouth: "You are looking for death!"

When the words were spoken, the whole person suddenly changed, becoming arrogant and irritable!

The tiger-like figure immediately attacked Situ Ningbing.

The alcoholic just now didn't use his true strength at all. He originally wanted to play with Situ Ningbing... But he didn't expect that he would be bruised... How could this not make him angry?

So at this moment, I wanted the life of Situ Ningbing!

Situ Ningbing also felt that the other party was really angry! And I can feel the horror of the opponent's tricks... I dare not care about it at the moment, the life-threatening silk in his hand quickly attacked again.

The drunkard was like an angry tiger, and his moves were extremely heavy, as if he wanted the life of Situ Ningbing.

Although Situ Ningbing was a cold-blooded assassin before, but now facing the famous alcoholic... of course she seems a bit invincible!

Isn't this? After more than a dozen moves, Situ Ningbing already looked a little embarrassed!

The drunkard took advantage of the victory and pursued Situ Ningbing's life.

So when Chen Qiaozhi and Ah Qiu saw Situ Ningbing in crisis, how could they not take action?

A Qiu groaned and was about to rush forward, but suddenly a dark shadow stopped him!

"You'd better stand here honestly for me...otherwise, I'll kill you all!" It was the ecstasy who covered his face.

He stood in front of Ah Qiu coldly at this moment.

Ah Qiu doesn't care who he is? It doesn't care how good he is... He kicked the ecstasy with a sweeping leg.

The Ecstasy didn't even evade, and with a faint lift of his left hand, with a bang, he blocked a heavy leg of Ah Qiu...Then his left hand suddenly used its strength...The strong energy directly slammed Ah Qiu's One leg bounced over.

What a great skill!

What a scary person!

Although Ah Qiu was shocked in his heart and knew that he could not be this guy's opponent, he still rushed forward at this moment!

Even if he is dead, even if he is dead, he will not watch his boss's woman being killed by others!

But it was said that Situ Ningbing here had been in danger a few times... There was no way, the strength of this alcoholic was not something that Situ Ningbing could resist.

"I see what else you can do... Go to hell!"

With a sudden shout, suddenly the drunkard's right palm was furiously hitting the Situ Ningbing.

Situ Ningbing was already at the end of a strong crossbow. At this moment, facing the drunkard's vigorous blow, he was stunned...

She can't avoid it!

Her kung fu did not reach the level of hiding.

Is she going to die?

Will Li Tian's favorite woman be killed by the alcoholic at this moment?

Seeing that the drunkard's tricks were so vicious and so heavy, if this blow really hit Situ Ningbing, wouldn't she be killed alive?

Just when Situ Ningbing was about to be killed by the Xiangxiaoyu beaten by this alcoholic!

In the suffocating darkness, suddenly there was a sound of breaking through the sky!

Whoosh

An inexplicably terrifying and powerful object of strength in the dark suddenly shot towards the alcoholic!
