

A Killer 751

Chapter 751: saved?

Who is hiding in the endless black night?

Who can have such a strong strength?

Picking leaves and flying flowers, this effort is considered superb...but it can release three leaves at the same moment...and the energy carried by each leaf is so strong, this effort is even more outstanding. The superb.

The three masters in the gate of ***** in front of them all know that the hand exposed by the people in the dark is enough to explain...It shows that his degree of strength has long exceeded their imagination.

Isn't this? After the situation changed in an instant, the ecstasy made his face suddenly ugly.

Especially his eyes are cold and dazzling, looking around carefully in the dark night.

Even an awesome character like him has to beware of people in the dark!

The soft sword in the hands of Ouyang Longyan, the purple-clothed man, had been pulled out...slightly trembling in the wind, a pair of ears listened carefully to all the surrounding movement, as if facing an enemy.

And the drinker was even more shocked... The leaf hit his elbow just now, almost breaking his arm... What a strength, how domineering!

Quiet!

Deathly silence envelops the entire darkness.

No one knows who is hiding in the dark?

"What to do?" Hearing the ecstasy of the drunkard who looked at him with a calm face.

The Ecstasy stared at the surrounding darkness with her gloomy eyes, and suddenly the corner of her mouth said strangely: "Go!"

The moment the word was exited, his body suddenly jumped to the ground and jumped into the darkness... and Ouyang Longyan, the purple-clothed man behind him, and the drunkard also had an instant body like a meteor, swiftly towards the direction where the ecstasy escaped.

They are gone!

The master of the gate of ***** has gone?

Chen Qiaozhi and his brothers stood there in horror, looking at the darkness in front of him with a pair of confused eyes.

Who?

Who helped them?

Who can push back the three masters of the ***** gate with just one move in the dark?

The darkness around is still quiet, deadly quiet.

It seemed that no one appeared around here at all.

After Chen Qiaozhi slowly helped Tang Xiaolong up, he finally raised his eyes and looked at the darkness around him and said, "Thank you, the master, for helping us brother..."

"Although seniors don't want to show their true colors... but I am still extremely grateful." Chen Qiaozhi said sincerely.

Yes, if it weren't for an expert hiding in the dark, I am afraid that the current Tang Xiaolong and his brothers will all die here.

But who in the dark saved them?

There is no echo, and there is no sound! The only thing I can hear is the sound of the leaves blowing in the wind...

"Gone? Did he go?" Old Monster Ge blinked while looking around and muttered.

Chen Qiaozhi didn't know if he had left, and did not answer.

Besides, when the brothers met the master in the gate of ***** and was almost murdered, then Li Tian and the ghost servants didn't know what happened here, and they were rushing back at this moment.

When Li Tian and the ghost servant just arrived here, he was suddenly stunned, because there were no brothers beside the fire... While Li Tian still had the ghost servant in surprise, a loud shout came over.

"Who?"

Listening to the voice, Li Tian immediately recognized the voice of Chen Qiaozhi.

"It's me!" Li Tian said quickly.

After his voice came out, Chen Qiaozhi and Situ Ningbing slowly emerged from the side of the big tree... It turned out that Chen Qiaozhi and others were afraid that the master in the gate of ***** would return, so So I hurriedly found a place to hide.

"Li Tian...Li Tian, you guys are finally back!" The moment he saw Li Tian still have ghost servants, the brothers like Chen Qiaozhi said happily.

Situ Ningbing also hurried to Li Tian's side.

Li Tianyi saw the panic expressions of his brothers, and A Qiu over there supporting Tang Xiaolong, whose expression was extremely ugly, was immediately stunned.

"What's wrong? What happened?"

"What happened to Xiaolong?" Li Tian said in a startled voice, and hurriedly went over to see the seriously injured Tang Xiaolong.

But seeing that Tang Xiaolong was seriously injured, but fortunately he had good bones, so there was nothing serious at the moment. He looked at Li Tiandao with a pale face and said: "Little boss...we...we were attacked by a bunch of bastards. !"

"Sneak attack?"

After hearing Tang Xiaolong say this all of a sudden, Li Tian's expression changed suddenly!

"What happened? What happened?"

Then Chen Qiaozhi told Li Tian and the ghost servants all about the scene that happened just now.

"...The three people named you by name and wanted to find you... and they said they would kill you... kill our brother!" Chen Qiaozhi.

After hearing this, Li Tian clenched his fists tightly, a hot flame appeared in his eyes, and said angrily: "Who are they? Who will attack you?"

"We don't know who they are... We only know that these three people are extremely powerful... We are not their opponents at all!" Chen Qiaozhi said.

"What do they look like?" The ghost servant who had been silent on the side suddenly asked coldly.

Chen Qiaozhi said: "One of them is covered with a face...looks like a ghost... the other is a fat man, and there is a wine gourd on his waist... the other has a narrow sword mark on his face... His weapon is a soft sword!"

After Chen Qiaozhi suddenly said this, the ghost servant's expression suddenly changed.

"People at the gate of hell!"

"Drunkard, and Ouyang Longyan!"

A few words came out of the ghost servant's mouth.

And after Li Tian heard that Chen Qiaozhi said so, he immediately understood that it was the **** gate that was making trouble for the brothers!

"I didn't expect them to come..." The ghost servant said with shock in his voice.

The brothers on the other side didn't know what happened, let alone what kind of mysterious organization this **** gate was. They couldn't help but ask, "What **** gate?"

The ghost servant said to the brothers: "This is a long story. I will tell you bit by bit in the future... Now I only tell you a little bit... The Gate of Hell is a very powerful and mysterious organization... and All the people in it are extremely masters... and they are still famous people for a long time!"

"The two people I mentioned just now are those who have become famous twenty years ago."

Listening to what the ghost servant said, Chen Qiaozhi and Old Monster Ge suddenly understood!

No wonder those three people were so powerful just now?

"Then you...you...how are you saved?" Li Tian and the ghost servants in front of them looked at the brothers in surprise and asked.

Chapter 752: Disappointed

If it is true that the masters in the gate of **** are here... the brothers can't compete with them at all!

But now the brothers are all safe and sound, except for Tang Xiaolong... It seems that they have nothing to do with each other. What is going on?

After listening to Li Tian's question, Situ Ningbing said slightly: "We were saved by an expert! Otherwise... today we may all die here!"

"The expert saved?" Li Tian and the ghost servants were completely stunned when Situ Ningbing said so suddenly.

"Who saved you?" The ghost servant couldn't help asking in surprise, because he knew in his heart how powerful the three people in the gate of **** were... Except for him and Duguxie, I am afraid that no one can be that. The opponents of the people in the gate of hell... But Situ Ningbing actually said that a master saved them? This not only made the ghost servant feel more and more curious, but also felt more and more strange.

"We don't know who it is...because he didn't show up at all!" Situ Ningbing continued.

When the ghost servants and Li Tian heard Situ Ningbing say this, their complexions suddenly became extremely strange.

"I saved you without showing up?" the ghost servant asked in surprise.

"Yes, and he just used one move to force the three people back!"

Listening to Situ Ningbing's words again, the expressions of the ghost servant and Li Tian suddenly changed.

one move!

The three masters in the gate of **** were forced back with just one move?

Is this true?

The ghost servant blinked extremely suspicious eyes at the Situ Ningbing in front of him... because as far as he knew, except for his big brother Cthulhu, anyone who wanted to force back the three **** gates within one move Great masters, it's an unlikely thing...so he doubted!

And Li Tian was also full of horror! He once saw Ouyang Longyan and the strength of the drunkard with his own eyes, and knew that the masters in this **** gate were all figures who had become famous decades ago... Naturally, their strengths needless to say! But now Situ Ningbing actually said that the "superior" used one move to force back the three masters of the **** gate?

true? Or fake?

"Yes! That mysterious expert used a trick!"

"He used three leaves to force the three people back!" Situ Ningbing continued.

Three leaves?

Use three ordinary leaves?

how is this possible?

Then Li Tian and Duguxie were completely stunned.

"Look here!" Situ Ningbing knew that Li Tian and the ghost servants were a little hard to believe the truth in front of them, and at this moment he could only point to the traces left on the ground just now.

I saw a leaf in two halves on the ground... The leaf was a leaf that Ouyang Longyan used to cut through the middle with a soft sword.

With a pair of horrified eyes, the ghost servant slowly picked up the two halves of the leaves on the ground, and his eyes were horrified for an instant.

And Li Tian looked at this scene unbelievably.

"Sure enough it was cut open by the sword... it really was leaves..."

"What a great skill... what a great person!" The ghost servant suddenly murmured, and his words were full of unimaginable horror.

Even the Shadow Ghost Servant had to admit that the mysterious superiority... and it was far beyond his imagination! It's just that he really can't understand now, who else in the world can have such a powerful skill?

Looking at everything in front of him, Li Tian also stood there suddenly.

For some reason, a little sadness suddenly appeared in his heart... He suddenly felt that he was so small... His strength was so low...

Now he has not only two arms broken...not even a normal person! And even if his two arms are healed... his skill is not very high!

But now the characters he faces are all extremely masters? And one is better than the other?

What should he do?

How to avenge your own blood and blood?

Thinking of this, he couldn't help hating himself!

Situ Ningbing on the other side saw Li Tian's expression suddenly change strangely, and quickly walked over, took Li Tian's arm and said, "What's wrong with you?"

Li Tian was held by Situ Ningbing's hand, turned his head slowly, a bitter smile appeared at the corner of his mouth, and shook his head slightly: "I'm fine!"

"I was just shocked that there could be such a character in the world... Hey! I really don't know who he is!" Li Tian sighed.

"No matter who he is, he doesn't seem to be very malicious to us at the moment!" Ghost servant said there.

"Yes, if he is really malicious towards us, I am afraid that even if all of us add up, he may not necessarily be his opponent!" Chen Qiaozhi also said.

"Yeah! That's pretty good!" Even the ghost servant said so!

Although the brothers don't know who the expert who rescued him is at this moment, they don't worry too much, because it seems that the mysterious expert does not have much malice towards them!

No, after seeing Tang Xiaolong's injury, the brothers sat back next to the campfire again.

After the attack on the gate of **** just now, the ghost servant of this society has been sitting there with an ugly face, not knowing what he is thinking.

"Young Master... It seems that the road ahead is getting worse and worse!" The ghost servant suddenly turned his head and looked at that Li Tianzai.

Yingying's fire shining on his ghost face looked strange.

Li Tiandao said, "Why do you say that?"

"If I'm right, then the people at the gate of **** must already know your identity!" A word suddenly came out of the ghost servant's mouth.

Identity?

Li Tian's identity?

Yes!

Twenty years ago, so many masters from the gates of **** besieged Li Tian's father Cthulhu. More than 20 years later, they knew that Cthulhu had descendants alive. How could they not rush to kill him?

So the ghost servant can guess it all at once. This time the people from the gate of **** came to find Li Tian by name and surname. It is estimated that he already knew the identity of Li Tian.

If Li Tian's identity is known by the **** gate people, then **** gate will definitely send more masters to deal with Li Tian in front of him!

Li Tian's arms now look like that, and his kung fu can't be resisted...That's why the ghost servant is worried! Worried about the safety of my young master!

But what about Li Tian?

He has blood and blood for the gate of hell! Although he wanted to take revenge, it was a pity that his skill was so weak, and his two arms were still useless, what should he do?

Sitting by the fire suddenly, he clenched his fists tightly, and no one knew what he was thinking.

Chapter 753: Can't be evil god

After the brothers experienced what happened in this weird night, they were all silent at this moment, and no one spoke too much!

The bonfire was burning blazingly on one side...The luminous fire shining on their faces, what are they thinking about at the moment? Maybe only they know it.

"By the way, Li Tian, you just went there, what happened to the screams over there?" Chen Qiaozhi looked at Li Tian and the ghost servants in surprise and asked.

Li Tian thought for a while and said, "It's nothing! It's just that when we got there, there were two **** corpses!"

"The corpse?" Chen Qiaozhi and his brothers were surprised when he heard Li Tian say that.

"Well! It's the corpse of a member of the Duanmu family!" Li Tian continued.

"Will that be killed by the enchanted Dugu Senior?" Chen Qiaozhi said suddenly.

Li Tian nodded silently.

"should be!"

"Does that mean that Senior Dugu killed the Duanmu family alone?" Chen Qiaozhi said in shock.

"It's not so sure yet!"

"You can only draw a conclusion after dawn."

"It's too dark now... I can't find him if I want to find him!"

After listening to Li Tian's words, Chen Qiaozhi and his brothers couldn't talk too much.

Now they can only wait. At present, there is endless darkness on all sides. It is impossible to find the enchanted Duguxie, so they can only wait...

The Wolf Valley is full of endless darkness.

And because the bottom of the Wolf Valley was very deep, a thick mist began to gradually grow from the bottom of the valley.

But seeing the three strong wind figures in the mist swiftly moving forward with a swift and unparalleled body technique.

They are so fast, they are faster than animals.

Suddenly, a black shadow in the front suddenly stopped in the thick fog.

Upon closer inspection, he was astonished as the masked figure in the gate of hell, the seducer.

The other two figures also stopped in front of him instantly, one was an alcoholic with an extremely ugly complexion, and the other was the purple-clothed man Ouyang Longyan.

After the masters in the three **** gates stopped suddenly, they took the lead to carefully observe the surroundings! As if they were afraid of something...

Among them, the face of the alcoholic is the most ugly. After the eyes carefully looked around, he suddenly said in an unpleasant voice: "disappeared...the one who followed us disappeared..."

He was panting, and said with an ugly face.

Follow them? Who is following them?

Could it be the mysterious expert who used the horrific trick of "plucking leaves and flying flowers" just now?

"Damn it!" The Evil Envoy suddenly said angrily with his mouth hoarse!

"Unexpectedly, there is an expert secretly protecting the kid named Li! It seems that I was too careless!"

Listening to the words of the ecstasy, the drinker and Ouyang Longyan's faces changed color.

"What kind of person is the other party? How could he use such a powerful skill?" the alcoholic asked with a ugly face.

"Looking at the world, besides the Cthulhu, who else can use such a powerful energy?" The silent Ouyang Longyan suddenly said.

"Do you mean it is the evil god?" The alcoholic said suddenly, his entire face turned horrified.

Could it be that the person who mysteriously protects Li Tian is his father? Is it an evil god?

"No! It can't be a Cthulhu!" The ecstasy suddenly said grimly.

"Why is it impossible?"

"You have to know that we besieged him more than 20 years ago... he is not dead!" Ouyang Longyan suddenly said in a cold voice.

Twenty years ago, that night twenty years ago...

It turns out that Ouyang Longyan really participated in the siege of the evil ***** more than 20 years ago.

And it seems that Cthulhu did not die because of being besieged by so many masters that night!

Listening to Ouyang Longyan's words, the ecstasy suddenly smiled strangely.

"Although he is not dead... but now he is not much different from the dead...!"

What do you mean? Could it be said that the famous evil ***** is really not dead?

Could it be said that this mysterious expert is really not an evil god?

And why does this face-covered ecstasy say that although the evil ***** is not dead, it is like dead?

What does this ecstasy know?

Does he know everything?

When Ouyang Longyan and the alcoholic heard the news of the evil ***** from the ecstasy, their faces changed in horror.

"How do you know? How do you know that Cthulhu is not dead? And you also know that he is like a dead man now?" I just listened to Ouyang Longyan's suddenly indifferent face, full of shock, looking at the ecstasy.

The masked ecstasy made a weird smile, and said faintly: "You still don't know these things!"

"I just need to tell you... the mysterious master just now will definitely not be a Cthulhu!" Ecstasy said again.

"Who would it be?" Ouyang Longyan asked with a cold face.

"Who else in the world can be so powerful?" the alcoholic asked with a look of horror.

He had witnessed the power of the mysterious figure with his own eyes... he almost broke his entire arm when he hit with a leaf!

The alcoholic who had been famous for so many years was completely shocked by the other side's terrifying martial arts for the first time!

Except for Cthulhu, no one can make alcoholics so scared!

But now suddenly there is such a mysterious and terrifying opponent, who will he be? Who is he?

"No matter who he is, he has now become our opponent of the gate of hell!" A word suddenly came out of the ecstasy.

The voice is full of cold killing intent!

"Then what should I do now? The kid surnamed Li currently has the protection of an expert... It seems that he wants to kill him, it is a little troublesome!" Just listen to the alcoholic saying there.

The purple-clothed Ouyang Longyan in front of him also raised his eyes and looked at the masked Ecstasy in front of him.

But seeing the Ecstasy after being silent, he suddenly raised his head and slowly said with that strange voice: "I think, I should go back..."

"Go back?" The alcoholic in front of them and Ouyang Longyan were taken aback when they heard the Ecstasy suddenly say this.

"Yes!"

"Now the descendants of the Heretic God have been born... and the master still knows nothing... Besides, there are still masters born now... I think the master will be very interested in this matter!" The Ecstasy was suddenly weird. Say.

"What about us?" Just listen to the sudden drunkard.

The Ecstasy glanced at the alcoholic in front of him and Ouyang Longyan: "You guys, you stay here first!"

Chapter 754: Enchant, kill

"What are you doing here?" Ouyang Longyan asked with a cold face.

Hehe!

The ecstasy suddenly laughed strangely, and then a pair of eyes suddenly bet on the direction of the Duanmu family over there...

"Now Duguxie has been enchanted... and has already entered the Duanmu family... I want you to gather Duanmu Heiming!" Hearing the seductive envoy suddenly said.

"Close Duanmu Heiming?" The drinker and Ouyang Longyan were not only taken aback after hearing the ecstasy in front of them say so.

"Yes!"

"That Duanmu Heiming is also the number one person... treacherous and poisonous enough! Besides, his family's Sanshengmen Poison is indeed very useful... so when the master let me out this time... Enter the gate of hell!"

"Let Duanmu Heiming enter the gate of hell?" The drunkard also looked surprised by Ouyang Longyan in front of him.

"But what if Duanmu Heiming refuses to join our **** gate?" Ouyang Longyan said in a calm voice suddenly.

"Does he still have a choice?"

"Don't worry...Duguxie, and the ghost servant will definitely make the Duanmu family face a peerless catastrophe this time..." Ecstasy said strangely.

Listening to the ecstasy, Ouyang Longyan and the drunkard in front of them glanced at each other, and then they said nothing.

Since Duanmuying knew about Li Tian's news, she wanted to find Li Tian immediately.

So many days of waiting, so many days of missing... Now, after finally knowing the news of him, she was of course desperate.

Regardless of the family's opposition, regardless of the obstacles of those family members, she decisively went to look for Li Tian's trail.

But the sky is completely dark in the Wolf Valley... Where should Duanmu Ying go to find Li Tian?

She thought of her lover in her heart and wanted to see Li Tian, she just ran desperately... ran forward desperately...

Just as she was about to rush out of her family's territory, she suddenly heard an exclamation sound from a place in front of her family... Those exclamation sounds seemed to have seen the devil...

Then she heard a scream! Those voices are extremely tragic...like being killed alive.

After Duanmuying heard the weird sound all of a sudden, she was stunned, blinking a pair of clear beautiful eyes and looking at the distance ahead.

My heart can't help being gloomy: what's wrong? What happened in the front place?

With the wonder in her mind, she suddenly saw the members of their family fleeing here desperately, one by one, like crazy...

While running away, the mouth was still screaming...

Their faces were scared... as if they had seen something terrible.

Suddenly, Duanmuying was stunned!

What happened to your family members? crazy?

Those members of the Duanmu family who ran away seem to have something terrible behind them...

What terrible thing is it?

When Duanmuying was shocked, a sword blasted through the air suddenly!

Then I heard a sad scream from the jungle in front...

sword!

It's the sound of the sword!

Puff! Blood splatter...

With the sound of the sword singing, there will be a terrible scream accompany it!

kill!

Who brutally killed members of his family there?

When Duanmuying thought of this, she was stunned.

Then she saw a guy who didn't seem to be a human suddenly popped out of the jungle... He was mixed with blood... The blood was obviously not his blood... It was other people's blood sticking to him.

He is crippled, with only one arm left...and the remaining arm holds a deadly sword!

The sword is a three-foot bronze sword, and the sharp blade is still stained with drops of blood...

The whole sword also seemed to feel the master's murderous aura, humming to cater to his killing.

The person who was looking at him, his entire face was enveloped by a terrifying black aura...

Except for those eyes, his face has become black...

Horrible and hideous!

"magic....."

"devil....."

Those members of the Duanmu family who flee desperately fled like crazy...

No one dared to approach that devil's body!

Yes!

He is a devil!

He is already a complete devil, whether it is his appearance or his **** killing, he is fully worthy of the title of devil.

Because if you look behind him, you will find how many corpses lying on the ground and how much blood is left.

He, Duguxie!

Duguxie enchanted.

It seems that the enchanted Duguxie really killed himself into the Duanmu family.

The whole person has been completely engulfed by Duguxie. At this moment, he sees who kills, his sword is even more terrifying, and the whole person has become more violent. Who stops him to kill, who does not stop, he also kills, he is already complete Become an evil god.

Those family members who fled desperately, with extreme horror on their faces, rushed over when they saw the eldest lady who was stunned here, and tremblingly said to the Duan Kiying,

"Miss...Miss... ..Run away!"

"Get out of here..."

Duanmuying suddenly awakened from her astonishment, and stared at Duguxie who was carrying the **** bronze sword in her hand for a moment.

"What's wrong? What happened?"

How can those subordinates still have time to explain all this to Duanmu Ying.

Just kept urging Duanmu Yingdao there, "Miss...you run away...get out of here...it will be too late if you don't leave..."

"That person... that person... has become a devil..."

devil!

Duanmuying said silently, while a pair of eyes looked at the Duguxie holding the sword.

Suddenly a sword hissed!

The entire space seemed to be cut apart by the fierce sword aura... and then I saw two family members who had not had time to run away were cut and killed by a vicious sword, and the bodies separated!

The blood was spilling in the suffocating air...

The fallen limbs rolled grunting to the feet of Ki Sakura at the front of his eyes.

Looking at the **** head in front of her, Duanmuying's heart trembled... and she woke up.

The screams and screams filled Duanmuying's ears. What she saw in her eyes was a terrible scene...

What I saw was his crazy killing situation.

That killing has completely surpassed human limits, like a monster, like a devil...

Duguxie, who was full of devilish aura, saw who killed who, as if there was only killing in his eyes.

Carrying the sword, step by step, he went crazy towards the family members here.

Chapter 755: Kazakura

The **** killing filled Duanmuying's eyes.

She didn't know who the demon in front of her was? Don't know why he would be so cruel to family members?

"Miss...Hurry up!"

When the members of the Duanmu family saw that Duanmuying was still there with dumbfoundedness...Suddenly one of them hurriedly pulled their eldest lady!

Duanmuying suddenly woke up at this moment, her face changed in fright, and she stepped back step by step.

"He... what kind of monster is he...?"

"Why... why is it like this?" Duanmuying asked in a whispered voice.

A scream of sorrow suddenly awakened Duanmu Ying from the shock!

Following her eyes, she saw the demon Duguxie, the bronze sword in her hand directly stabbed a member of the Duanmu family...The cold and sharp blade passed through the member of the Duanmu family. body.

A member of that family was stabbed to death on the spot.

The Duanmu family members here kept retreating, and no one dared to besiege.

They all looked at the demon Duguxie in front of them with terrifying eyes.

Suddenly a grim smile appeared at the corner of Duguxie's mouth, and the black aura that filled his face began to evaporate slowly and continuously like water vapor.

"Quick...run...if you don't run...it's too late..."

One of the Duanmu family members shouted.

But can he run in time? Before the body ran away, the bronze sword in the hands of the demon Duguxie made a cold sword mark in the air.

Where Jianguang went, he heard a scream, and then saw the screaming kid... The whole stiff neck flew up suddenly, drawing a perfect arc in the air, and thumping his head. Grumblingly fell to the ground.

died!

The entire head was chopped off instantly.

So cruel, so violent!

The Duanmu family members who were backing saw that they could no longer escape... They were all red eyes at the moment.

The sharp blade in his hand trembles slightly because of excessive fear: "Fight with him..."

"Fight!"

They shouted at the moment.

There was a roar, but seeing these **** members of the Duanmu family suddenly rushed towards the enchanted Duguxie.

Running is also dead!

Not running is dead! Not so hard...

The sound of shouting and killing suddenly flooded the entire darkness, but how could those members of the Duanmu family who rushed past that be the opponent of the evil Duguxie?

The sharp sword whistling in the air, accompanied by screams, pierced into the bodies of the members of the Duanmu family coldly... Blood flowed out of their bodies like water.

With a scream, a corpse fell.

His brutality, his fierceness, have merged with the entire darkness.

The sword falls and people die.

Duanmuying watched the demon Duguxie slaughter his members like crazy. She, who was originally afraid, could no longer help her anger!

"You monster... I'm fighting with you!" Duanmuying, who uttered a soft voice, rushed toward that Duguxie desperately at this moment.

After all, Duanmu Ying is the blood of the Duanmu family...

How could she not be angry when she saw her family members being massacred?

So at this time, she was not afraid of life and death, and the whole person rushed towards the enchanted Duguxie.

Duanmuying's skill is not weak, coupled with the anger at the moment, she used extremely vicious killer moves as soon as she came up.

Both hands were like a poisonous snake and attacked towards that Duguxie's neck...a sharp blade in the palm of her right hand stabbed at that Duguxie with a vicious move.

Duguxie is killing wildly.

Suddenly he felt a strong wind on his left side. He didn't even turn his head back, but the bronze sword in his hand was cut backward.

The black sword aura suddenly swept towards that end of Kyo Sakura with a terrifying aura...

Duanmuying never thought that this "monster" could be so powerful, and her body drew back quickly!

A loud bang!

The black horrible sword energy didn't cut on that Duan Muying's body, but on the icy ground...The entire hard ground was cut into a huge crack by this vigorous cut!

Seeing the cracked entire surface layer, Duanki Ying was completely stunned!

Is he still human?

How can a person use such a terrifying sword move? How can a person use such terrifying martial arts?

A complete monster!

Just as she was surprised, suddenly the demon Duguxie had turned to face her.

A dozen ***** corpses had fallen behind him.

His sword is still stained with blood... The whole face is still filled with a black horror... Those eyes that exude fiery killing are looking at Duanmu Ying in front of them without moving.

An icy horrible chill instantly penetrated Duanmuying's body, as if she was facing not only a person, but a completely dark creature.

Her people wanted to move, they wanted to retreat, but they were surrounded by this huge fear...Two legs seemed to be soft and could not move.

But what about him?

Where is the dungouxie who is insulted? At this moment, the evil sword in his hand has been raised, and the black demon on his face now only knows about killing.

He wants to kill Duanmuying in front of him with a single sword!

Cut down with a sword.

Duguxie, with a terrifying sword aura, didn't feel any pity for Xiangxiyu, and the bronze sword in his hand slashed towards Muying's head with a howling sound!

Where is Duanmu Ying?

The whole person has already been completely stunned. At this moment, they still know how to dodge, and besides, she can't avoid it... The entire body is filled with this terrifying sword aura, watching the vicious sword. Come to my body again...

She felt death!

The **** of death seemed to be waving at her...

So she closed her eyes and waited for death!

She knew that she could not dodge this sword.

Seeing that the evil sword in the hands of the enchanted Duguxie was about to kill Duanmuying with a single sword, at this moment of kung fu... a sudden cry!

"Miss, be careful!"

The voice fell, but a fast figure swept over, and then grabbed Duanmuying's arm and quickly dodged to one side!

There was a loud bang.

Duguxie's magic sword pierced into the air... did not pierce the body of that Duan Muying...

Look at that Duanmu Ying who escaped from the dead? She rolled on the ground together with the person who rescued her... She looked very embarrassed. Although the two of them had escaped the deadly sword of Duguxie, they were still shocked by the terrifying sword energy to make their chests stuffy... As if a mouthful of blood was about to come out of his mouth, his face was as pale as a zombie.

But who is the one who saved her?

Chapter 756: Last Stand

Looking closely, the person who saved her turned out to be Lan Ruoyer.

It turned out to be the beauty Lan Ruoyer under the banner of Wuyin Guinu!

Why did she suddenly get here?

When he saw Lan Ruoyer rescued herself, Duanmu Ying was taken aback...

Looking at Lan Ruoyer in front of him with a pair of surprised eyes: "It's you..."

Then Lan Ruoyer quickly got up from the ground and looked at Duanmu Ying and said, "Miss...you go back!"

"Let us deal with this demon!"

Following her words, she saw a lot of people pouring out from behind...

Duanmuying looked back, and all of a sudden she saw the second elder Duanmu Heilong, the fourth elder blood monk, and the third elder Wuyin Guinu all coming.

And behind them were more than twenty members of the Duanmu family.

Looking at the three major elders already here, and so many members of her own family, Duanmuying stood up from the ground in horror.

A pair of surprised eyes looked at them.

The sound of killing here has already been heard by the Duanmu family!

The Duanmu family, who originally thought that the enemy had already left, never expected that in this dark night, the enchanted Duguxie would suddenly break in... and who would kill whom?

Isn't this? After the three elders learned the news, they all arrived here quickly.

When the enchanted Duguxie saw so many people suddenly come with brutal and killing eyes, that face filled with demons suddenly showed a hideous smile.

"Duguxie..."

"Oh my God! It's the evil sword Duguxie!"

I don't know who among the crowd recognized the face of Duguxie, and suddenly exclaimed.

The members of the Duanmu family in the audience saw Duguxie's devilish face, and their faces changed in shock. No one knows what happened to Duguxie? How could it be so black...

"He is called Duguxie?" Duanmuying, who had recovered her life, stared blankly at the enchanted Duguxie.

Lan Ruor said: "Yes!"

"Who is he? Why did we slaughter members of our family?" Duanmuying at the moment looked at the enchanted Duguxie angrily.

Lan Ruor said, "He was brought by Li Tian... I only know that he is a long-standing and superb... Other things are not very clear."

"Li Tian... is the one brought by Li Tian!" Duanmuying was shocked when Lan Ruor said so.

"Where is Li Tian? Where is Li Tian now?" Duanmuying suddenly grabbed Lan Ruor's arm and asked.

Lan Ruor was taken aback for a moment, looked at her eldest lady and said, "I'm sorry, eldest lady, I don't know."

Listening to Lan Ruor saying this, Duanmuying's pretty face suddenly showed disappointment.

Let's say that after seeing the Duguxie after being enchanted.

When the second elder Duanmu Heiming saw the demon Duguxie, his brows frowned deeply, and his mouth murmured: "Could this be the demon Duguxie..."

The Fourth Elder Blood Monk by his side also looked at that Duguxie and did not dare to speak loudly.

Only the Three Elder Wuyin Ghost Girl over there watched the Duguxie after being enchanted, and shouted and said: "Duguxie...you are so brave, you dare to kill the lives of our Duanmu family...today We will take you down even if we die!"

When the words were spoken, the disciples and girls behind her took out their weapons and faced the enchanted Duguxie.

But seeing the enchanted Duguxie suddenly laughed wildly after hearing the words of the ghost girl in the fog.

The laughter was like a demon, and with his wild laugh, the blood-stained sword in his hand was lifted.

"kill him!"

"I don't believe that so many of us can't kill him alone!"

Following the roar of the misty ghost girl, several beautiful disciples by her suddenly attacked the Duguxie.

The figure of San Tiao Qianli had just arrived in front of Duguxie, but when she saw Duguxie, the long sword in her hand suddenly buzzed.

Then he saw his whole body suddenly jumped up... Brushing, the bronze sword held in the air and quickly pierced three swords.

The sword fell, and the screams fell at the same time!

There was a plop, but seeing the three living beauties who were still beautiful just now, they suddenly turned into three **** corpses.

died!

He was killed alive by Duguxie without a single move!

"Yingying... Yaner!"

When Lan Ruo'er over there saw the tragic death of the sister in a different place under Duguxie's magic sword, she suddenly screamed... desperately ran towards the three corpses.

Holding three **** corpses, Lan Ruo'er's eyes flowed with crystal tears.

The ghost girl in the fog was also stunned for a moment, and her body trembled uncontrollably at the same time.

Her disciples died all at once, and was killed with just one sword?

Impossible, impossible...Why is Duguxie getting more and more powerful, when did his sword become so terrifying?

The ghost girl in the fog knew that the Duguxie sword technique after being enchanted would be more fierce and violent than ever!

Therefore, she asked her disciples to deal with the Duguxie who had become a demon.

And what about the Duguxie over there?

His sword is still dripping with blood...

And those members of the Duanmu family? One by one, they were completely stunned...the terrifying killing intent instantly filled their bodies.

Death, the smell of death enveloped the entire audience.

Duguxie, who was bloodthirsty like a devil, stood there with a blood-stained sword in one hand, and his devilish face revealed a hideous color, and at the same time, he walked towards the three elders step by step.

"Kill them all..."

"Kill all of them!"

There seemed to be a voice urging him in his heart.

When Duguxie walked towards these three elders like a **** of death step by step, everyone in the Duanmu family couldn't help backing back.

Who is not afraid of death?

Who wants to die?

"Second elder, fourth elder, what are you waiting for? Do you really wait until this demon kills all our doormen before you are willing to take action?" Wuyin Ghost Girl suddenly roared with red eyes.

The frowning second elder Duanmu Heilong and the fearful fourth elder blood monk suddenly glanced at each other after hearing the Wuyin Guinu say so, and then the two looked at another one on the ground. With the corpses of those Duanmu family members lying down...

Although the two really didn't want to fight with this enchanted Duguxie, what else could they do now?

They have nowhere to go!

Seeing that this enchanted Duguxie had already begun a brutal and crazy killing, they could only fight now!

I saw the second elder Duanmu Heilong suddenly stand up.

"it is good!"

"Since a battle is inevitable today, then the three of us will go up and kill him together! I don't believe that his evil sword can dominate the world!" When the second elder said this, he suddenly began to accumulate everything in his body. Vigor.

Chapter 757: Three elders vs Duguxie

The three elders fought together against the evil spirit

Yes!

From the current situation, it seems that the second elder Duanmu Heilong is ready to take action and unite with the three elders, Wuyin Ghost Girl!

The Blood Monk of the Fourth Elder over there also slowly stood up at this moment.

His whole body was full of vigor, and he was wearing a large blood-red robe, and at this moment, he was filled with the swelling vigor, and walked over step by step.

When the three big elders here were about to deal with the invading Duguxie, the members of the Duanmu family not only stepped back one by one!

They know that the strength of the three elders is not trivial, and the unity at this moment is an unprecedented situation...

So they felt that with the combined abilities of the three elders, they should be able to deal with the demon in front of them!

Moreover, after the three major elders all of a sudden wanted to deal with the evil Duguxie together, the three of them became a "Pin" shape to face the Duguxie.

Where is Duguxie?

With a devilish atmosphere, his fiery eyes swept across the three of them, and suddenly there was a sense of murderous enthusiasm in his eyes.

"on!"

They must start first!

Following the second elder's muffled grunt, he saw his palms attacking the enchanted Duguxie quickly.

Destroy the palm!

He is the most venomous and deadly palm technique when it comes to use.

The vigorous palm wind accompanied his weird figure and quickly hit Duguxie.

The misty ghost **** the side was also a sudden attack at this moment, her figure suddenly flashed, and then a layer of faint clouds was engulfed, and her delicate body suddenly disappeared...

The misty lore?

Yes!

The fame stunt of the misty ghost girl!

This misty lore relies on the clouds and mists around to block the opponent's sight, and then use the blind spot of the opponent's sight to inflict the deadliest blow on the opponent.

Isn't this? At the moment when her figure suddenly disappeared, she suddenly appeared behind Duguxie, and her hands attacked behind Duguxie like a ghost.

A ruthless move, a poisonous move.

And what about the blood monk?

He was swollen with strength, and also used his blood shadow magic!

The entire blood-red robe seemed to be inflated in an instant, with a fierce color on the flushing face, and a vigorous blow hit Duguxie at the same time.

The combined force of the three masters.

All three are extremely powerful martial arts attacking the Duguxie together.

How overbearing, how powerful!

As soon as these three elders took action, the faces of the surrounding Duanmu family members showed excitement... They all thought that the combined force of the three elders should be able to kill the demon Duguxie.

But what about the facts?

What will the fact be like?

Besides, with the combined blow of the three, they attacked the Duguxie who stood motionless in the middle.

But seeing that the corner of the enchanted Duguxie's mouth suddenly showed a weird and hideous smile, and then when that hideous smile came out, the bronze sword in his hand suddenly rose.

The point of the sword points to the sky!

The black breath instantly spread to his bronze sword... the original white and sharp bronze sword was wrapped around the bronze sword with the black breath.

The whole sword turned into a black sword at this moment.

A sword soaked in endless magic!

With a bang, Duguxie's body suddenly turned, and a black breath immediately enveloped his entire body.

Is it defense?

Just as those black auras filled his body, the heart-destructive palm of the second elder hit the black air current!

When the extremely strong palm strength hit the black air current, Duanmu Heilong was stunned for an instant.

Because he could feel that his palm was lost...because he didn't hit Duguxie at all.

The four elder blood monks on the left and right, and the misty ghost girl are almost the same as the Duanmu Heilong, and they hit the black aura together at the same time... All the same tricks were wasted... because none of them hit the Duguxie !

Just when the three of them were shocked, suddenly a strong and terrifying sword aura swept towards them.

Then he saw the magic sword in the hands of Duguxie, fatally stabbing at the three of them.

The three elders were shocked, and hurriedly backed away!

Fortunately, their stamina is extremely fast, otherwise it is estimated that all three of them will be killed by Duguxie!

After the three of them retreated, they were completely stunned.

Those family members who thought that the three elders could easily deal with the demon Duguxie after they joined forces just now saw that the three elders were actually forced to retreat by that Duguxie, one by one was stunned...

Gosh!

Even the three elders can't take this demon together?

One by one, they looked at the situation with extremely horrified eyes.

Duanmu Heilong, and Wuyin Guinu...They failed a move, and at this moment they could only change their skills and continue to attack the Duguxie.

The three of them desperately died in order to take Duguxie's life, so they all used their best efforts at the moment.

The Duanmu Black Dragon who has trained in Western sorcery, his hands have turned blood red...Every move and every style is extremely weird and poisonous.

Dealing with the now enchanted Duguxie can be said to be deadly.

Coupled with his original heart-destructive palm, at this moment, his body opened and closed to fight the lonely evil spirit.

Although the ghost girl in the fog is the only female among the three elders, her skills are definitely not weaker than any of them!

On the contrary, her Mist-Hidden Killing Skill, when the three of them besieged the Dugu, was even more powerful, and attacking Duguxie was even more deadly.

The blood monk kung fu is a bit weak! Moreover, Li Tian had previously sucked away part of his skill, but at the moment it was a desperate battle, and he had to use his own solutions to deal with Duguxie.

The four shadows entangled quickly like a dragon, and gradually couldn't tell which of them was.

In the shadows all over the sky, only the strong winds of their every move and every style can be heard rustling.

The three elders who had just started to dominate in the figure were completely filled with the devilish energy of Duguxie.

Who knows that this Duguxie is actually getting more and more mad...The black magic sword in his hand, every time when the sword is cut out, it is mixed with the extremely horrible atmosphere of the forest.

And his sword moves have become more and more poisonous!

Recruitment cannot be separated from the fatalities of the three elders...

If he was stabbed with a sword, it is estimated that these three elders would die on the spot!

This is a battle between man and devil!

This is also a peerless battle between the three elders and Duguxie.

Suddenly there was a loud noise! There was an explosion from the figure...

It turned out that the magic sword in Duguxie's hand pierced into the air, and the collision between the vitality attacked by the three elders in the sky and his magic sword caused the four of them to suddenly separate!

Chapter 758: The power of Overlord Sword Art

The four fell on the ground almost at the same time!

The surrounding members of the Duanmu family were completely stunned...and Duanmuying was completely stunned, blinking those bright and water-like clear eyes to look at the Duguxie after being enchanted...

OMG, he is terrible! so amazing!

Then put your eyes on the four people... who is strong and who is weak at a glance?

Look carefully, but see that the second elder over there is pale and ugly, and that indifferent face is standing there with endless hatred.

And what about the ghost girl in the fog? I can't see her face clearly, but judging from her demeanor after landing, it is obvious that she is not better.

And look at the blood monk with the weakest skill? There was a trace of scarlet blood at the corner of his mouth!

Was injured?

The blood monk, whose face was as pale as white paper, also stood motionless.

The three elders turned out to be like this? What about Duguxie?

What will happen to the enchanted Duguxie?

Look in the direction of Duguxie, my God! The black aura on his body has enveloped his whole person...not only his sword at the moment, but even the whole person is enveloped in a dark atmosphere!

He is completely enchanted!

Completely become a demon!

But seeing that at this moment, the eyes of Duguxie who was covered in black aura had completely turned into a hot blood red, revealing terrifying hideous eyes.

Suddenly the corners of his mouth smiled weirdly, and the black breath that permeated him began to expand rapidly at this moment.

Then the sword in his hand suddenly flicked towards the sky!

As the black aura continued to expand, the bronze sword in his hand seemed to skyrocket several times in an instant. The surrounding air seemed to be surrounded by sword aura, and the cold sword aura suddenly gave everyone. A feeling of suffocation.

When Duguxie used this trick, the misty ghost girl's eyes suddenly changed.

"Ba Jian..."

"Ba Sword Jue!"

Gosh! The enchanted Duguxie is about to use the most powerful Overlord Sword Art!

When Wu Yin Gui Nu's horrified mouth said this Tyrant Sword Art, the blood monk and the Duanmu Black Dragon in front of him also changed their colors in an instant!

Among them, except for the ghost girl in the fog, although the two elders have not seen the true power of the Tyrant Sword Art, they have heard the rumor that the Tyrant Sword Art of the Dugu family came out and destroyed the world.

At this moment, I saw that Duguxie used the Tyrant Sword Art all at once, and the whole world seemed to change color.

The sword is a magic sword that has skyrocketed several times!

Man is a demon after being enchanted!

The true power of Tyrant Sword Jue was fully demonstrated at this moment.

Domination, sword, tactic!

One sword destroys the world, and one sword is invincible.

A powerful sword boom accompanied the thunderous noise and slashed towards the three elders in terror.

Facing the terrifying sword moves, the three elders instantly transported all the energy of their bodies to resist this sword!

But can they resist it? Can they resist the power of the Duguxie Tyrant Sword Art after being enchanted?

The sky seemed to turn black.

The earth also seemed to be shaken by this overbearing sword in an instant.

The air was filled with the cold and murderous sword aura.

boom

Scream!

The entire space seemed to be covered by the invisible sword aura... Then I heard the screams of the members of the Duanmu family who were killed by the invisible sword aura...

Those members of the Duanmu family with weak skills have not been killed by the power of Tyrant Sword, and have died under the invisible sword aura first.

All the dust on the ground flew up.

With the howling wind in the air...

It seems that the only thing that can be seen in the whole world is the black magic energy on Duguxie's body.

Next is Jing!

Death-like silence permeated the entire space.

When the dust fell, the black magic energy disappeared... What about the whole ground? A deep gully over ten feet long was cut by Tyrant Sword!

On both sides of the gully are all the tragic members of the Duanmu family... Some of them have already bled to death. I don't know if they were killed by the invisible sword aura or by the

powerful deterrence of the Tyrant Sword Art. Shattered my heart and died. Although some are not dead, they are still wailing and screaming on the ground.

Even Lan Ruoeer over there fell to the ground...

She was pale at the moment, who was originally beautiful, with a trace of scarlet blood hanging on the corner of her mouth.

Because she was standing farther away from the center of Tyrant Sword, there was nothing serious about it... It's just that the internal organs were injured...

Isn't this? After getting up, Lan Ruo'er stared at the corpses, except for the wailing family members...

She was stunned! Completely stunned there.

"Master...Master..."

Suddenly she roared wildly and desperately ran in the direction of the misty ghost girl.

But seeing the misty ghost girl over there lying on the ground like a dead person...because they resisted the power of this overlord sword... they didn't evade at all, so they suffered the most severe damage!

At this moment, after Lan Ruoeer ran over with an exclamation, she hurriedly supported the ghost girl in the misty ghost!

I saw that after being helped up, the ghost girl in the mist was dying...

"Master... Master... wake up... wake up your old man..." Lan Ruo'er exclaimed in shock.

Let's see that after a few seconds of silence, the ghost girl in the fog suddenly moved slightly...

Then, before Lan Ruo'er spoke, the ghost girl of Wuyin sprayed blood out of her mouth...

She was seriously injured!

It's terrible!

Look at the two elders again? He also slowly got up from the ground, but the old Duanmu Heilong was like a defeated rooster at this moment... He stood there dejected, his internal organs were also shaken seriously... Forcibly stand there.

"Unexpectedly...unexpectedly, the result would be like this..." he said suddenly sadly.

And the blood monk with the weakest skill over there?

The whole person fell to the ground, and his body was covered by a large, blood-red robe, and he remained motionless there as if dead.

Is it dead? Is it alive? Who knows?

Tragedy!

I didn't expect that the three elders of the Duanmu family would be killed by Duguxie after being enchanted...

It can even be said that the entire Duanmu family was overturned by Duguxie!

How horrible...how powerful...

Just when Lan Ruo'er and the second elders just stood up, suddenly the enchanted Duguxie walked towards them step by step with the devil sword in his hand.

He wants to kill! Kill everyone he saw!

His eyes were still full of evil gazes, with endless demonic energy on his face...Step by step, he walked towards Lan Ruo'er and the seriously injured Duanmu Black Dragon like a **** of death.

Chapter 759: Back view man! !

Duguxie, holding a black magic sword in his hand, walked step by step towards the living Lan Ruo'er and the dying misty ghost girl,

The space was filled with the smell of death and black magic.

The magic sword in Duguxie's hand was still buzzing, as if to drink human blood impatiently.

Looking at Duguxie step by step towards him... Lan Ruo'er stood up all at once, and blocked the dying misty ghost girl, yelling like a fierce woman and said: "The devil... Dare to look forward, even if I die, I will fight with you!"

Lan Ruo'er said with a pale face.

Her body was also shocked by the power of the Duguxie Tyrant Sword Art. She just barely stood there at the moment, facing the enchanted him.

But what about the enchanted Duguxie? Who cares who is there?

Do you know that she is a weak woman?

He only knows to kill now! Kill all the people he saw...

So after Duguxie heard what Lan Ruo'er said in front of him, his hostility suddenly increased.

Then he wanted to lift the sword to kill Lan Ruo'er in front of him.

The black magic sword was slowly lifted up by him...

He wants to kill!

The misty ghost girl behind that has long been unable to move, and now wants to persuade her apprentice to let her go... But her mouth opened but she didn't have the strength to say anything.

Seeing that Duguxie is already crazy, whoever sees it takes his life!

Just when Lan Ruo'er died under the magic sword of Duguxie, some strange sounds suddenly came from the jungle of the Wild Wolf Valley behind.

The sound is weird because it was not made by humans at all, but it seemed to be made with internal force...

Hiss

When the weird voice suddenly came from the far-away wolf valley, the black magic sword that Duguxie with his hideous face was suddenly holding stopped, because that internal force seemed to be calling the evil spirits. The Duguxie.

Lan Ruoer and the second elder who was seriously injured were also completely stunned.

Because they also heard the weird sound coming from the jungle in the Wild Wolf Valley... Lan Ruoer didn't know what that sound was because of her youth... But Duanmu Heilong could hear clearly, that The sound was not made by a person at all... it was made by the other party with extremely strong internal force.

At the same time, Duanmu Heilong and Lan Ruo'er in front of him were even more shocked that the enchanted Duguxie in front of him stopped the magic sword in his hand...

Could it be said that Duguxie also heard the internal voice in the jungle?

What's going on?

Who is it in the deep forest of Wolf Valley?

Who made such weird sounds with extremely strong internal force, and why did he make these weird sounds?

Turning his head and carefully looking at the Duguxie in front of him, suddenly his whole body turned around in a daze like a wooden stake...The direction he turned around was just facing the weird one coming from the jungle of Wild Wolf Valley. Internal force voice.

Then in the shock of the severely injured Duanmu Heilong and Lan Ruoer, suddenly the enchanted Duguxie actually put down the magic sword in his hand!

And suddenly the whole person ran towards the wild wolf valley jungle like crazy.

Looking at the Duguxie who ran away like crazy, Lan Ruoer was completely shocked there. She didn't know what happened, let alone why the fierce Duguxie just left suddenly?

"What the **** is going on?"

"What the **** happened?"

The wounded Duanmu Heilong was also staring at the Duguxie who disappeared with horror... But he was more lucky!

Fortunately, that Duguxie suddenly left!

Although Duanmu Heilong was surprised that the extremely strong internal voice from the jungle came from, I don't know where the expert made it? But he can't think about so much at this moment!

He just hopes he can live now!

But he said that after the enchanted Duguxie suddenly heard the weird inner strength sound, he rushed towards the place where the sound came.

It seemed that the voice had some attractive power.

Who is it that radiates such strong internal energy in the jungle of the Wolf Valley? To provoke the Duguxie?

Is it to attract Duguxie specifically?

After the enchanted Duguxie suddenly jumped into the dense jungle of the Wild Wolf Valley here, he then opened his fiery eyes and looked for a place to make a sound...

At the same time, he was screaming in a low voice, like a monster.

But when he was looking for it, the weird sound made with internal energy suddenly disappeared.

This caused the enchanted Duguxie to plunge into darkness all at once.

After he couldn't hear the sound, he suddenly appeared irritable... His mouth roared, and the black magic sword in his hand was also buzzing.

Just when he was manic, a figure suddenly stopped in front of him.

Due to the darkness of the sky, it can only be vaguely distinguished that it is a vague man's back... But if you want to take a closer look at what he looks like? Can't see clearly.

Moreover, the sudden appearance of this figure like lightning is also very strange.

After the frantic Duguxie suddenly saw the figure in his eyes, he suddenly roared in his mouth, and ran towards the figure with the magic sword in his hand...as if he wanted to kill the figure.

But when Duguxie quickly reached behind the figure with the magic sword, and swish, the figure moved a few meters forward in an instant!

Shenfa quickly surpassed the limit of human beings!

Is the shadow ghost servant fast enough? But if the ghost servant wants to compare with the mysterious figure in front of you... the ghost servant is like a little witch sees a big witch!

One can imagine how fast this figure is!

In this way, the mad demon's Duguxie chased the figure...The figure moved a distance of 56 meters from Duguxie every time... Then when Duguxie approached, his body moved again instantly...

As if leading this Duguxie all the way.

The Duguxie of the mad demon has completely lost his mind, and his mind is full of killing at this moment... so he doesn't care what the other party is doing...

In this way, the mysterious figure in front attracted Duguxie little by little...

No one knows who he is? I don't know why he brought Duguxie here.

But only one thing can be known!

This mysterious figure who only reveals his back is the most terrifying and possibly the most powerful character ever!

Chapter 760: Decide

"The fourth elder is dead...The second elder, and the third elder are all seriously injured, clan master, what should we do now?" A voice with grief and fear slowly sounded in the dark hall of the Duanmu family.

In the huge hall full of gloomy atmosphere, but seeing that clan leader Duan Mu Heiming was stunned there.

His eyes are full, unwilling... disbelief!

How could this be?

How could it become like this?

How could the dignified Duanmu family be defeated in such a situation today?

Duanmu Heiming seemed to be stupid and generally said blankly there!

It turned out that the enchanted Duguxie directly killed the blood monk with the weakest skill when using the horrible trick of Destroying Heaven and Extinguishing Earth Tyrant Sword Art!

Yes, the blood monk was originally used by Li Tian to absorb part of his body's power with the blood-sucking spar in his body, how could he withstand the power of the Duguxie Tyrant Sword Art after being enchanted?

So the blood monk was shaken to death on the spot!

And the three elders were also seriously injured, and probably didn't even have the strength to get up at this moment.

The second elder was also damaged by the shock. Although his martial arts was the highest among the three, he still couldn't stand the power of the Duguxie Overlord Sword Art, and he was already at the end of the battle.

The entire Duanmu family is abandoned!

Completely scrapped.

The Great Elder was defeated and retired.

The fourth elder is dead, and the second and third elders can no longer fight at this moment.

Who else in the Duanmu family can resist that Duguxie at this moment? What power is there to resist the shadow ghost servant and others?

So Duanmu Heiming is now full of despair!

Will the famous Duanmu family be destroyed in his own hands today?

"Patriarch...what should we do now?" Hearing Duanmu Heiming, who was looking in front of him, asked the family members of his family with a panicked expression.

What can Duanmu Heiming do?

What should he do?

"Daddy..."

Suddenly, when Duanmu Heiming was desperate, a soft voice suddenly came out from the side.

He watched with the sound, but saw that Duanki Ying came running with a pale face.

Why did Duanmu Ying suddenly come here? Wasn't she still on the battlefield just now?

It turned out that when Duguxie used the Tyrant Sword Art to make a terrifying cut, Duanmuying was far away from the station... so the whole person was only shaken by the sword that destroyed the world and fainted.

But when she was sober, she discovered that there were all the corpses of their family members on the ground, not only that, but also the corpses of the blood monks of the four elders... But the second and third elders were gone, even more weird. It was the terrifying "Devil" who had just gone there suddenly!

After discovering these things, Duanmuying was shocked there, worried about her father's safety, isn't this? She just ran here with her injuries.

She was afraid that the demon would kill here.

Duanmu Heiming was slightly stunned when he saw his daughter in despair.

"Ying'er... Why did you get here?" Duanmu Heiming looked at his daughter with trembling eyes.

But seeing Duanmuying walked over with a pale face, she always let out a sigh of relief when she saw that her father was okay.

Looking at her father, Duanmuying suddenly said: "Daddy, are you still insisting on resisting things now? Why... why don't you give Li Tian the antidote... You know Li Tiandai clearly With so many people coming, it's nothing more than wanting the antidote to the Sanshengmen poison in his body...Why don't you give him?"

Listening to his daughter complaining about herself all of a sudden, Duanmu Heiming's face showed an extremely angry expression.

"Don't mention that bastard's name to me!" Duanmu Heiming said suddenly violently.

He hates Li Tian and can't wait for Li Tian to hell!

Whatever the Duanmu family has suffered today, he feels that Li Tian is solely responsible...If it were not for Li Tian, how could his Duanmu family be what it is today?

So he hates, he hates that Li Tian is dead!

"Father, aren't you doing enough for him? If it weren't for you...how could our family be like this? If it wasn't for you...how could our family face such a disaster?" Duanmuying All of a sudden said fiercely.

Just as she said it all at once, Duanmu Heiming, who was so angry, slapped a crisp slap on her daughter's face!

With a fierce slap, the members of the Duanmu family around them were all stunned when it rang crisply.

And Duanmuying's pretty face was slightly swollen by her father's slap...At the same time, there was still a trace of blood on the corner of her mouth.

What about Duanmu Heiming,

He hit his own daughter in extreme anger... he was still there at the moment.

One hand trembled slightly, looking at his daughter...

He has never beaten his daughter before, since he was a child to most, but now he did not expect that he would finally do it!

"Ying'er..." Duanmu Heiming looked at Duanmu Ying suddenly worried.

But what about Duanmu Ying? But he was disheartened with his father!

She had hoped that her father would give Li Tian the antidote... in exchange for the safety of their Duanmu family... But now?

She is in pain!

Her heart is also dead!

Turning around, covering her face, Duanmuying ran outside desperately...

"Ying'er...Ying'er..." Duanmu Heiming's call can still be heard behind.

But Duanmuying is gone!

The Duanmu Heiming in front of him has no one to use anymore... He sat down on the black chair in general. The awe-inspiring Duanmu clan leader in the past has turned into a helpless person at this moment!

"Hand over the antidote to Sanshengmen?"

"Do you really give the antidote to the Sanshengmen to the kid surnamed Li?" Duanmu Heiming is now repeating these words over and over again in his mind.

He is unwilling, he is angry!

His dignified Duanmu family clan leader, is it really going to surrender to Li Tian who was once a prisoner of his rank?

You must know that Li Tian was a **** in his hand... he could kill him anytime, anywhere.

But now?

Are you asking for Li Tian now?

Can't!

Duanmu Heiming was unwilling to do this. How could he throw such a big person in front of so many family members?

Having said that, if he doesn't hand over the antidote to the Sanshengmen now...what should he do?

No way! If the antidote to the Sanshengmen is not handed over, the result will only be the destruction of the whole clan... Could it be said that the dignified Duanmu family will really perish in their own hands today?

Duanmu Heiming, who was extremely resentful, finally made a decision in his heart after thinking about it!

I saw him slowly turning around, with a look of despair, walking step by step towards the inner hall.
