

A Killer 761

Chapter 761: They are coming

"Hei Ming... how is it? I heard that the fourth elder is dead! The second elder and the third elder were all seriously injured by that Duguxie?"

Inside the inner hall, I saw a woman wearing a glamorous and ***** outfit, and asked the extremely ugly Duanmu Heiming who had just walked in there.

She is no one else, but the woman who is embarrassed with Duanmu Heiming, Hua Sanniang.

It's just that Hua Sanniang's face is no longer the usual charming and coquettish. On the contrary, there is indeed a shock, a fear,

She is afraid of the demise of her family!

Duanmu Heiming heard what Hua Sanniang said, and finally nodded helplessly...

"Yes... Our family is defeated... Completely defeated..." Unwilling to say a word from Duanmu Heiming's mouth.

When Duanmu Heiming said so, Hua Sanniang was taken aback.

Then he looked at Duanmu Heiming with a pair of scared eyes: "Heiming...then what shall we do?"

"Does the Duanmu family really can't keep it?"

Duanmu Heiming sighed, his eyes unwilling to despair.

After a few minutes of deep silence, Duanmu Heiming suddenly raised his eyes and looked at Hua Sanniang in front of him...

"Sanniang... where's the antidote?" A word suddenly came out of Duanmu Heiming's mouth.

After Duanmu Heiming said so all of a sudden, Hua Sanniang was slightly stunned. Antidote, is it the antidote of Sanshengmen?

"The antidote?"

"Heiming...Are you going to compromise with the kid surnamed Li? Are you going to give him the antidote to the Sanshengmen?" Hua Sanniang said with a horrified face.

A bitter smile appeared at the corner of Duanmu Heiming's mouth, looking at Hua Sanniang in front of him.

"Do you have other ways?" Duanmu Heiming said desperately.

That Hua Sanniang was also stunned!

All the masters of the Duanmu family are now defeated!

If you don't hand over the antidote to the Sanshengmen now... I am afraid that their entire family will perish today...

"But..." Hua Sanniang wanted to say something, but was stopped by Duanmu Heiming's hand.

"Take out the antidote... I hope that after I give the boy named Li, my Duanmu family can escape today's disaster!"

"But I swear by Duanmu Heiming...One day, all these **** hatreds will be returned to them all!"

After Duanmu Heiming said so, Hua Sanniang couldn't help it...

I saw Hua Sanniang slowly turning around, pointing to a square red box not far in front and saying:
"The antidote is there!"

Duanmu Heiming's eyes slowly looked at the red box!

What is installed there is the famous Sanshengmen antidote of the Duanmu family... Only the antidote installed there can let Li Tian continue to live!

And brothers, and everything Li Tian did, also for that red box.

However, because of the death of the fourth elder and the serious injuries of the second and third elders, the entire Duanmu family members have already been in panic.

The black night filled the entire Duanmu family, and the members of those families were guarding their homes with a deep fear.

They don't know right or wrong, they only know whether the enemy should be killed!

But seeing that there are 78 members of the Duanmu family guarding the main hall, their eyes are filled with deep fear, afraid of the attack of a powerful enemy, standing there one by one with their eyes wide open.

But at this moment, two figures suddenly appeared in front of them like ghosts.

"who....."

After these two ghostly figures suddenly arrived in front of them, the members of the Duanmu family who were originally afraid were stunned...

One by one looked at the two people in front of him with horrified eyes.

But who would be the two people who suddenly came to this Duanmu family site?

Looking closely, one of them was a fat man with a pale complexion. He, who used to laugh, had a tight face at the moment, as if he had been injured... There was a huge wine gourd slung on his waist.

The other is a handsome man in purple clothes with a cold face.

But there was a deep and hideous sword scar on his left cheek.

The gate of hell!

Drinkers and Ouyang Longyan?

Unexpectedly, the two of them would suddenly arrive here.

When the members of those families saw the strange two strangers suddenly come here, one by one became nervous.

"You...who are you?"

"How dare... how dare to break into my Duanmu family at night?" Just listen to those family members one by one.

Suddenly I saw that purple-clothed Ouyang Longyan coldly said: "I'm looking for your clan leader, Duanmu Heiming!"

When the indifferent words were spoken word by word from his mouth, the members of those families were all taken aback, and then you looked at me one by one, and I looked at you.

"Who are you... why... why do you want to see our clan leader?" the family members asked in surprise.

I saw the indifferent Ouyang Longyan, with a faint murderous expression on his face.

"Don't talk nonsense! Let him come out and see me!" Ouyang Longyan said in a cold voice.

The members of the Duanmu family saw that these two people were not good, not to mention the provocative tone in their words, and at this moment they were ready for everything.

"We won't let you trespass into our family...unless you tell your intentions!" those Duanmu family members said cautiously.

But they didn't know that they had completely angered the terrifying two people in front of them at this moment!

"Things that live and die!"

A deep roar suddenly came out of Ouyang Longyan's mouth.

When the words exited, the soft sword swished out of the scabbard...

Scream!

Suddenly, the necks of the two members of the Duanmu family suddenly felt cold... Then the two family members clutched their necks, their eyes widened in an instant...

The blood flowing out of his fingers instantly dyed his entire neck...

There was a plop, not even a groan... Then the two corpses fell to the ground slumped!
died!

Directly cut his throat by Ouyang Longyan's vicious soft sword!

"If you don't want to die, please quickly notify your clan leader..." Ouyang Longyan said coldly with a murderous face.

Those who saw their companions face these two horrors at all, those who had no room to fight back... all of them were stupid at first... and then began to back away in panic and fear...

One of them hurriedly ran towards the Duanmu family.

They can't resist...

They couldn't resist, they could only find Duanmu Heiming at this moment.

Chapter 762: Help you

"Patriarch, Patriarch, it's not good, the enemy is coming in!"

Just as Duan Mu Heiming was about to take the antidote to the Sanshengmen, a member of the family suddenly ran in, shouting in surprise.

After Mu Heiming and Hua Sanniang around him suddenly heard the exclamation of family members, they were stunned.

"What?" Duanmu Heiming said angrily that his entire face suddenly became ugly.

The enemy came in?

Could it be said that the ghost servants and Duguxie have really come in?

"Who is it? Could it be that Duguxie killed him again?" Duanmu Heiming asked in shock.

He now feels a headache when he hears the name of Duguxie! He was afraid that Duguxie would come in again. If he really did, who would be able to resist it?

The Hua Sanniang on the other side was also a family member looking at him with an ugly face.

Just listen to the family member hurriedly saying: "It's not... not that Duguxie... but two complete strangers!"

"Two strangers? What do you mean? Aren't they Li, the kid?" Duanmu Heiming suddenly asked, his face increasingly ugly.

The man nodded quickly.

"Yes, Patriarch!"

"We have never seen those two people... but they are extremely fierce... We have slaughtered our two family members just now, and now they are outside."

The members of that family said there.

Listening to Duanmu Heiming and Hua Sanniang who said this all at once, frowned.

"Two strangers?"

"Why did you suddenly deal with my Duanmu family at this time?"

Duanmu Heiming was really puzzled, and at the same time he was angry! How can anyone dare to trouble their Duanmu family at this juncture?

"Go, take me to see!"

"I want to see who those two **** are!"

Just listen to Duanmu Heiming's roar.

The words fell, but seeing that at this moment, Duanmu Heiming took a stride to walk outside, Hua Sanniang behind him glanced at the red box containing the Sanshengmen antidote, and after thinking about it, he quickly followed out. .

Besides, when Duanmu Heiming and the Hua Sanniang in front of him hurried out, he saw a few screams from the main hall.

Then I saw several family members wearing black robes dying on the ground, motionless...At the same time, the whole ground was completely dyed with blood.

Duanmu Heiming was shocked when he saw the tragic death of a member of his family.

who is it?

Who killed his family members?

Then when he was shocked, two figures suddenly shot in from the outside like sharp arrows.

When the two figures suddenly came in, Duanmu Heiming was stunned for an instant.

Because he didn't even know the two people in front of him!

Of course these two are not others, but the alcoholic in the gate of **** and Ouyang Longyan.

"The patriarch...they are!"

The family members around saw that Ouyang Longyan and the drunkard pointed and said viciously.

But seeing the moment, Duanmu Heiming also saw the two at a glance.

"who are you?"

"Why are you against my Duanmu family?" Just listen to Duanmu Heiming's accumulated energy and coldly looking at Ouyang Longyan and the drinker in front of him.

He is ready to fight.

When the alcoholic over there and Ouyang Longyan felt the murderous aura radiating from Duan Mu Heiming's body, they only heard the alcoholic suddenly smile weirdly.

"The Duanmu clan lord... don't be nervous! The two of us are here today to help you Duanmu clan!" A strange sentence came out of the drunkard's mouth.

After the alcoholic suddenly said this, Duan Mu Heiming was faintly startled, and a pair of stern eyes stared at the alcoholic. How did he know his identity? And it seems that I still know a lot about my family!

What's going on? Who are they? Duanmu Heiming said silently.

"Help me Duanmu family? Why didn't I feel it!" Duanmu Heiming said angrily.

"You killed a member of my family... and you said to help me Duanmu family?"

But seeing the alcoholic laughed.

"Don't get me wrong... We are not here to see you soon... Besides, your family members will die sooner or later! Death now is the same as death later!" The drinker said with a smile .

When Duanmu Heiming heard this drunkard utter these words like a joke, he was really furious.

"What do you villain say?"

Duanmu Heiming who roared wildly is about to make a move!

But just as he was about to make a move, Ouyang Longyan, who was standing on the side indifferent, suddenly shouted, "Does the Duanmu clan master really want to do it?"

When he said these words, an invisible murderous aura suddenly enveloped his whole body!

That Duanmu Heiming had already accumulated a lot of energy at this moment...Ready to make a move at any time, at this moment, Hua Sanniang by his side suddenly gently pulled Duanmu Heiming's sleeve.

"Heiming... wait a minute!"

"I don't think these two people really came to trouble our family!" Just listen to the Hua Sanniang whispering to Duanmu Heiming.

Duanmu Heiming didn't want to do anything at all. He hasn't completely settled the matter of Li Tian and Duguxie, of course, he doesn't want to make enemies at this juncture!

So he really slowly put the raised palm down slightly, but his stern eyes still stared at Ouyang Longyan in front of him and the alcoholic.

"Two, I don't know what it means to come to our Duanmu family late at night?" Just listen to that Hua Sanniang suddenly looked at the drinker and Ouyang Longyan and asked.

The drunkard suddenly laughed and said, "I have already said that, help you!"

"Help us?" Hua Sanniang giggled, almost like a fairy when she laughed.

"Not bad!" The cold words suddenly came out from the indifferent Ouyang Longyan mouth again.

"But our Duanmu family doesn't seem to use others to help!" Hua Sanniang continued.

The drunkard suddenly smiled weirdly and said: "Really? Is there anyone in your family who can resist the evil sword Duguxie? And the shadow ghost servant?"

"As far as I know, the four elders of your Duanmu family have all been defeated, and one of them is dead...Is there any expert in the Duanmu family who has not been born? Can you resist those two peerless figures?" While talking, the alcoholic smiled and looked at Duanmu Heiming and Hua Sanniang.

Duanmu Heiming was stunned for an instant when he heard that the alcoholic said so!

How could he know everything about his family?

How would he know everything?

Chapter 763: Join the gate of hell

Who are these two guys? Why did you suddenly come to your family at this time?

This is now Duanmu Heiming is most surprised!

He didn't know who the two characters in front of him were... But these two people actually knew so carefully about the affairs of their Duanmu family.

So Duanmu Heiming of this meeting was shocked all at once, and even Hua Sanniang on the other side was completely stunned.

Staring at Ziyi Ouyang Longyan, and the alcoholic smiling in front of him...

"Who on earth are you? Why are you so knowledgeable about my family's affairs?" Duanmu Heiming asked in horror.

He just listened to the alcoholic smile, then glanced at the family member in Duanmu Heiming, and suddenly said in a weird voice: "Do you really want to know who we are?"

"Of course!" Duan Mu Heiming said solemnly.

After Duanmu Heiming uttered these words, I saw the alcoholic look at Duanmu Heiming weirdly, and then slowly said: "Unfortunately, if you want to know, I can only tell you, as for the others... Hehe!"

The alcoholic said that he suddenly looked at the family members around Duanmu Heiming and Hua Sanniang with weird eyes.

Duanmu Heiming frowned, glanced at the family members around him, and thought for a while: "Okay!"

After Duanmu Heiming uttered these words, he slowly turned around and looked at his subordinates beside him and said, "Go down first!"

After Duanmu Heiming uttered this sentence, those subordinates were slightly taken aback, but they all nodded there.

"And her!" The drinker suddenly said with a strange smile and pointed at Hua Sanniang in front of him.

That Hua Sanniang heard that the alcoholic said that she also let herself avoid... His face became extremely ugly right now.

"Heiming..."

Hua Sanniang just wanted to talk, but seeing Duanmu Heiming in front of him, he looked at Hua Sanniang slightly: "Sanniang...you also step back first!"

"but....."

"Don't worry about me... I'll be fine here." Duanmu Heiming said again.

Listening to Duanmu Heiming's words, Hua Sanniang cast a vicious look at the alcoholic, then snorted, turned her tender body and walked towards the inner hall.

In a blink of an eye, only Duanmu Heiming, the drinker and Ouyang Longyan were left in the huge dark hall.

After everyone left, Duanmu Heiming slowly turned his face and gloomily looked at the alcoholic and Duguxie in front of him and said, "My people are gone, now you can talk about it... you in the end Who is it? Why do you know so well about my family's affairs?"

The drunkard smiled weirdly and said, "The gate of hell!"

Three terrifying words suddenly came out slowly from the mouth of the alcoholic.

When the drunkard suddenly uttered the three words for ***** gate, Duanmu Heiming was shocked instantly.

The gate of hell?

The gate of hell?

Duanmu Heiming has certainly heard of this organization that has existed in terror for decades! He also knew that this organization used to recruit experts from all over the world, but he didn't expect that this terrorist organization, which has almost disappeared for more than two decades, would suddenly appear here now? How can this not shock him?

"You... are you from the gate of hell?" Duanmu Heiming said with an extremely unbelievable face looking at the drinker and Ouyang Longyan.

The alcoholic smiled slightly and nodded.

"Not bad!"

After the alcoholic confessed his identity at once, Duanmu Heiming had a thump in his mind, and everything understood.

No wonder these two people exude such a powerful murderous aura!

No wonder these two people are so fierce...

It turns out that they are from the **** gate of the terrorist organization that has existed more than 20 years ago!

"Your people at the gate of hell... why did you suddenly come here?" Duanmu Heiming said in shock.

The drunkard said: "I said before, we are here just to help you..."

"Help me?" Duanmu Heiming was surprised.

"Yes!"

"How do you help me?" Duanmu looked at the alcoholic and Ouyang Longyan in puzzlement.

The drinker suddenly smiled weirdly: "Join us at the gate of hell!"

When this sentence suddenly came out of the drinker's mouth, Duan Mu Heiming was taken aback for a moment, and then suddenly couldn't help laughing wildly.

"What are you laughing at?" The drunkard suddenly turned displeasure on his face and said while looking at Duanmu Hei Ming.

"I laugh at you... You actually asked me to join the gate of hell! I don't even know what kind of organization you are, you actually asked me to join the gate of hell? Besides, don't you know that I am the master of the Duanmu family?" Duanmu Heiming said angrily.

He is also one of the patriarchs of the four big families!

Now someone wants him to join some **** gate, he is willing! Accept it there!

"Are you still the head of the Duanmu family?" The drinker suddenly said with an evil smile.

Duanmu Heiming became angry when he heard the drunkard say this, and his whole body filled with energy.

"What do you mean?"

The alcoholic didn't seem to be worried at all, he just continued slightly, "I mean...Can your Duanmu family really survive this time?"

"I can tell you clearly...Duguxie and the shadow ghost servant are outside the wild wolf valley...Once you wait until dawn, your Duanmu family will all be killed! Besides, you may not know that the evil sword Duguxie is Enchanted... He will become even more brutal and violent after enchanting... At that time, your family will probably not want to survive alone!"

Listening to the alcoholic saying this word by word, that Duan Mu Hei Ming's entire face became extremely ugly in an instant. Is what he said true?

Yes, everything is true.

The Duanmu family is now completely abolished!

The four great elders have all been defeated now...The remaining family members still have themselves, how can they resist the enchanted Duguxie? And the shadow ghost servant?

Is it true that the Duanmu family will disappear today?

"You... why do you have to join the **** gate?" Duan Mu Heiming suddenly raised his blood-red eyes and looked at the alcoholic in front of him and Ouyang Longyan.

"Because you are useful!"

"Furthermore, our master appreciates your family's Sanshengmen poison!" Only the alcoholic laughed.

Duanmu Heiming's face changed and then said, "Really?"

"But what if I refuse to join your **** gate?" Duanmu Heiming suddenly raised his eyes and stared at the alcoholics in front of them.

Chapter 764: Vicious person

The alcoholic frowned slightly.

"Then you just wait to die!"

"And your whole family will perish..." the drinker said coldly.

"Oh, by the way, I forgot one more thing to tell you..."

Duanmu Heiming asked in surprise: "What's the matter?"

"That's how you got your Duanmu family position... I believe the members of your family are very surprised why your last generation of clan leader Duanmu Jingzang disappeared for no reason... why suddenly overnight The disappearance of... If I tell them that all of this was done by you Duanmu Heiming... You Duanmu Heiming viciously killed your brother and occupied the position of clan lord, hehe...The consequences, I don't know what it will be like... I don't know if you can still sit in the seat of Duanmu clan lord?"

Heiming Duanmu was completely horrified when he listened to the drunkard uttering these dusty past events one by one!

His tall body trembled suddenly.

"You nonsense..." Duanmu Heiming roared suddenly with blood red eyes.

The drunkard said with a cold face and said coldly: "I'm nonsense? Duanmu Heiming, don't think that no one knows the evil things you do... We are here to regain you today, but you just think you are still useful! We can do something later... If you insist on not entering our **** gate, then hehe..."

The drunkard said that his whole body had exuded a horrible aura, and Ouyang Longyan, who stood aside indifferently, was now looking viciously at Duanmu Heiming.

kill!

If Duanmu Heiming really refuses to enter the gate of hell, he must be killed by the alcoholic and Ouyang Longyan now!

What should he do?

Duanmu Heiming suddenly stood there as if he was paralyzed.

All the evil things he did, scene after scene, reappeared in his mind.

Yes, he is his own brother who killed him personally, occupying the position of clan leader!

Looking at the alcoholic and the indifferent Ouyang Longyan, Duanmu Heiming completely lost!

He didn't expect that the gate of **** would have dug up so many scandals that he had done back then... and threatened himself... Although he was extremely resentful, he knew that the two people in front of him were definitely not easy characters.

The terrifying aura emanating from two people is enough to explain everything.

So at the end Mu Heming compromised.

He slowly raised his eyes and looked at the family in front of him... Suddenly he sighed and said, "Okay... I promise you to join the gate of hell!"

A word came out of his mouth.

After he said it, the alcoholic laughed strangely, and the murderous aura of Ouyang Longyan gradually reduced.

"Heiming... don't!" When Duanmu Heiming said that he was going to join the Duanmu family, Hua Sanniang suddenly ran out of the back room.

It turned out that the Hua Sanniang had been hiding behind, eavesdropping on the three of them.

Seeing Hua Sanniang in front of him suddenly ran out of the inner hall, the eyes of the alcoholic and Ouyang Longyan showed vicious eyes.

"Heiming, don't join them... If you join them, what shall we do? What will our family do?" Hua Sanniang said as he looked at Duanmu Heiming beggingly.

Duanmu Heiming stood there in shock.

His heart aches, he can't let go of his family, but what else can he do now?

The family is already facing the disaster of extinction, even if the alcoholic in front of him and Ouyang Longyan don't kill him, then Duguxie and the ghost servants will also come in, and the Duanmu family will also die!

So when I heard Hua Sanniang say this, Duanmu Heiming was silent in front of him.

He did not speak.

"Heiming... Heiming... You have something to say!" Hua Sanniang said as he looked at Duanmu Heiming pleadingly.

But seeing the alcoholic in front of him, he smiled strangely and looked at that Duanmu Heiming continued saying: "Duanmu Clan Master, it's time for you to make a decision..."

"Our **** gate only accepts you!"

"As for the others...hehe!" The alcoholic suddenly laughed grimly.

After hearing the weird laugh of the alcoholic, Hua Sanniang suddenly felt a chill from her whole body.

What do you mean?

Could it be that... Could it be that... except for Duanmu Heiming, everyone here is going to die?

"You...what do you want to do?" Hua Sanniang suddenly looked at the alcoholic in front of him and Ouyang Longyan with extreme fear.

The indifferent Ouyang Longyan suddenly said coldly: "Duanmu Clan Lord, it's time for you to make a decision..."

Duanmu Heiming trembled suddenly.

What is he going to do? The alcoholic in front of him and Ouyang Longyan clearly killed his wife next to him without him... But how could he be able to do it? That's his wife!

"You thieves..." Hua Sanniang suddenly roared.

The five fingers suddenly grabbed at Ouyang Longyan in front of him like lightning. ,

"Sanniang..." Duanmu Heiming exclaimed.

But just when Hua Sanniang attacked Ouyang Longyan with one move, he saw Ouyang Longyan's murderous air suddenly appearing all over his body, and then there was a loud noise, suddenly there was a sharp and deadly soft sword in his cold hand.

A fierce sword light suddenly stabbed at that Hua Sanniang!

Swordsmanship is extremely vicious, it is clear that it is a trick to kill Hua Sanniang...

Although Hua Sanniang's skill is not weak, she did not expect that the sword in the hands of the man with the sword marks on his face was so terrifying and so cruel, it was too late to shoot and avoid...

Flop!

The whole soft sword pierced Hua Sanniang's chest. Hua Sanniang opened her incredible eyes and looked at the sword that pierced her entire chest... Jiao Chu suddenly trembled, and then her eyes With unwillingness in the middle... the body fell to the ground with a splash!

died!

Duanmu Heiming's wife was killed by Ouyang Longyan.

Duanmu Heiming, who watched his wife die under the sword of Ouyang Longyan, was stunned for a moment.

"Sanniang...Sanniang!" Duanmu Heiming suddenly ran over, holding the tragic death of Hua Sanniang.

But that Hua Sanniang was already dead, and the body began to gradually become cold.

After killing Hua Sanniang, Ouyang Longyan and the alcoholic stood there calmly, as if killing someone was like doing the simplest thing for them.

"Duanmu Clan Lord, people are already dead, why bother to be so sad?" The drinker suddenly said with a weird smile.

Chapter 765: The antidote is gone

Duanmu Heiming's eyes were red at the moment, looking at the corpse of Hua Sanniang on the ground...He slowly stood up.

"Do you still want me to do it? What do you want to force me to do?" Duanmu Heiming suddenly roared.

The alcoholic smiled.

"We won't force you, we just get rid of the trouble around you!"

"Now that you are worry-free, you don't have to worry so much... you can join us at the gate of **** with peace of mind!" The drunkard said with a smile.

Duanmu Heiming roared, "But what about my family members?"

"What if there are still such people in my family?"

The indifferent Ouyang Longyan suddenly said fiercely: "They are all going to die!"

Duanmu Heiming was stunned for a moment when the cold Ouyang Longyan said so suddenly.

"Yes! They all must die! Even if they are not killed by us, they will be killed by Duguxie and the Shadow Ghost Servant... So..."

"Patriarch, don't worry... We have done everything for you. We have placed a lot of explosives around your family. As long as you and us leave here, this place will be razed to the ground... Everything will disappear. , Any grievances will come to an end here!" The alcoholic suddenly said with a weird smile.

"what?"

"You...you... actually planted explosives in my family?" Duanmu Heiming was completely shocked when he suddenly heard the alcoholic say that.

He could think that the people at the gate of **** were so cruel, so poisonous!

"Yes! Aren't we all for you to relieve your worries?" Only the alcoholic said with a strange smile.

"Duanmu Clan Lord, you must know that after you join our Hell Gate, you must cut off all the things you had done before... So for the Duanmu family that you have now completely abolished... it has become meaningless! "

Where is Duanmu Heiming? Hearing these words of the drunkard, his whole person stood there blankly.

Is it right or wrong to take this step yourself?

Looking at the body of Hua Sanniang on the ground, and then at his family...

He was there in a daze.

He knows that his Duanmu family is over, and it is really over. The four elders have all been defeated by Duguxie, and the four elders have died tragically. Now all that are left are family members who are not rivals at all...

"Duanmu Clan Lord, has it been decided?"

"If you make up your mind, then go with us!" The alcoholic in front of him said suddenly.

But seeing Duanmu Heiming slowly straightened up, and then looked at everything in front of him, his heart was twisted at this moment, and at this moment it became even more vicious!

"it is good!"

"I'll go with you!"

When he said this sentence, it meant that he really gave up his Duanmu family and gave up everything he had!

He is really ready to join the mysterious and terrifying organization Hellgate!

"Let's go!" After Duanmu Heiming agreed, the alcoholic in front of him was ready to take him away!

But seeing Duanmuhei clearly and slightly stunned.

"Wait!" he said suddenly.

The drunkard and Ouyang Longyan slowly turned around, looked at the Duanmu Hei Ming with yin eyes, and said, "What's wrong?"

"I still have one thing to do!" Duanmu Heiming said suddenly.

"whats the matter?"

"It's the poisonous thing about the boy named Li Sanshengmen!" A word suddenly came out from Duanmu Heiming's mouth.

He hated Li Tian ten thousand times, and he wanted to remove Li Tian's skin and eat his flesh.

When Duanmu Heiming suddenly said Li Tian's name, Ouyang Longyan and the alcoholic were suddenly startled.

But seeing the drunkard suddenly raised his gloomy eyes and looked at the Duanmu Hei Ming and said: "What do you mean? Could it be that the boy named Li has also been poisoned by your family's Sanshengmen?"

"Not bad!"

"The kid surnamed Li brought the evil sword this time, and the shadow ghost servant came to trouble with my Duanmu family in order to get my Sanshengmen poison antidote!" Duanmu Heiming said with full of hatred. Say.

"So that kid surnamed Li has really been poisoned by the Sanshengmen of your Duanmu family?"
The drinker said with excitement on his face suddenly.

"Well! He has indeed been poisoned by our family's Sanshengmen!" Duanmu Heiming said.

The drunkard and Ouyang Longyan glanced at each other suddenly after hearing Duanmu Heiming say so.

The drunkard suddenly laughed.

"Okay, great!"

"What a coincidence!"

When Duanmu Heiming saw the alcoholic laugh wildly, he was not only taken aback.

"What's the matter? Do you know the kid named Li?" Duanmu asked inexplicably.

"Of course we know, and not only do we know him, we still wish him to die!" Only heard the drunkard hate.

"It's easy to want him to die! As long as you don't give him the antidote to the Sanshengmen, he will definitely die!" Duanmu Hei said.

"That's great... I didn't expect the Duanmu clan master to make a great contribution as soon as he entered our ***** gate. It's really gratifying!" The drinker said with a grimly smile.

"What's the antidote for the Sanshengmen now?" Ouyang Longyan asked suddenly.

"right here!"

Duanmu Heiming said while pointing his finger at the inner hall area.

After speaking, he walked towards the inside first... the alcoholic behind him and Ouyang Longyan also quickly followed closely.

He said that after Duanmu Heiming walked in, he said, "The antidote is here."

As he said, he looked at the place where Hua Sanniang told him the antidote to the Sanshengmen...

But just as he cast his eyes to the past, a weird scene happened!

The antidote to Sanshengmen is gone?

The red antidote box just disappeared in an instant?

At this moment, Duanmu Heiming was shocked.

"What about the antidote?"

With an exclamation, he hurried to the place where the antidote was placed just now, but where is the red antidote on this cabinet?

The Sanshengmen antidote that was clearly placed here just now disappeared miraculously?

What's going on?

Could it be stolen by someone?

But if it is stolen, what kind of character can steal the antidote to the Sanshengmen poison here?
And don't forget that there are still drunkards and super masters like Ouyang Longyan?

The alcoholic in front of him and Ouyang Longyan also looked at Duan Mu Heiming with gloomy eyes.

"It seems that your family is not very safe... Obviously your antidote has been stolen!" A word suddenly came out of the drinker's mouth.

Duanmu Heiming suddenly changed his face.

"how is this possible?"

"Who can steal the decompression of Sanshengmen Poison without making a difference?"

The drunkard suddenly smiled strangely.

"Duanmu Clan Lord...In your wild wolf valley, there are not only peerless characters like Duguxie and Shadow Ghost Servant... but there are even more powerful characters hidden here! It's just that you don't know!" A word suddenly came out of the drinker's mouth.

Chapter 766: Duanmu family is dead

More powerful characters are hidden in the wolf valley?

What do you mean?

Listening to what the drunkard said, Duanmu Heiming was stunned!

Could it be said that in this wild wolf valley there are some experts who are more powerful than the enchanted Duguxie?

When Duan Mu Heiming was shocked, he saw Ouyang Longyan, the man in purple, and the drunkard silently glanced at the room at the moment, and then said with a weird look on his face:
"It's better not to stay here for long! Let's go! "

Listening to the drinker and Ouyang Longyan suddenly saying this strangely, Duan Mu Heiming felt that they were a little weird.

Why do their faces show such a panic look?

Duanmu Hei Minggang can feel the terrifying power of Ouyang Longyan and the alcoholic, but why are the two of them so afraid now?

Could it be said that there are really more terrifying figures in this wild wolf valley than Ouyang Longyan and the alcoholic?

"go!"

"If you don't go anymore, it won't be good if you run into that mysterious guy!" The drinker suddenly turned his ugly face and strode outside and said.

Ouyang Longyan also followed up step by step with a silent face at this moment.

That mysterious guy?

Who?

Who would make alcoholics and Ouyang Longyan so scared?

Although Duanmu Heiming was puzzled, he could feel the horror of that person, so he didn't say much and followed the alcoholic in front of him and Ouyang Longyan to the front.

After the three of them arrived outside, the members of the Duanmu family who were guarding outside looked at their clan leader, the alcoholic in front of them, and Ouyang Longyan in amazement.

"Clan master... who are they?" The members of the Duanmu clan looked at Duanmu Heiming in a daze, and then looked at the alcoholic and Na Ouyang Longyan in surprise.

But seeing Duanmu Heiming turned his head to look at his family members, and then said: "Don't ask, you can just stay here!"

"Yes, patriarch!" Just listen to the members of these families saying there.

Then Duanmu Heiming in front of him followed the alcoholic and Ouyang Longyan towards the dense forest of the Wild Wolf Valley with a swift attitude.

These members of the Duanmu family were left looking at their clan masters leaving with weird expressions.

"What's wrong with the patriarch?"

"Yes, why is the clan leader with those two people who killed our family members?"

Although the members of these families have weird thoughts in their hearts, they still don't know that the real catastrophe will come to them immediately.

The black night enveloped the entire Duanmu family!

In this night, the Duanmu family, the darkest in the past, suffered an unprecedented hit at this moment!

And there will be even greater disasters shrouding the entire Duanmu family.

Seeing one end of the Wild Wolf Valley from a distance, the three figures stopped instantly.

Aren't these three people Ouyang Longyan in the gate of hell, and the drunkard and Duanmu Heiming three people.

Looking closely at that Duanmu Heiming, he lifted a pair of desperate and sad eyes, blinked at the direction of the Duanmu family, and looked deeply.

"Duanmu clan lord...how? Have you decided?"

"Time is coming soon... the explosives will immediately razed it to the ground!" The alcoholic said with a weird smile.

Duanmu Heiming didn't speak, standing in the black night, the whole person seemed to merge with the whole darkness.

The Duanmu family is about to be razed to the ground, and no grass will grow!

From now on, the darkest Duanmu family among the four dignified families will completely disappear in a few minutes!

Does Duanmu Heiming really bear it? Do you have the heart to watch your family members get blown up alive?

He can't bear it!

I can't bear it, but what can I do?

He has joined the gate of ***** and has left the Duanmu family.

So at the moment Duanmu Heiming glanced at the Duanmu family, he slowly turned around, and said nothing!

He is poisonous!

The poisonous eyes watched his entire family being blown up alive, and he would never ask about it again!

The drinker and Ouyang Longyan saw that Duanmu Heiming turned around, and of course they understood what he meant. A strange smile appeared on the corner of the drinker's mouth, looking at the Duanmu family that was full of night...

"Almost... it's time to blow up!"

The night slowly became darker and darker!

Li Tian and his brothers felt a little drowsy at this moment after experiencing this extraordinary night.

They can't find the enchanted Duguxie now, so they can only wait until dawn before going to the Duanmu family to look for Duguxie.

As time goes by every minute and every second!

Suddenly, the sound of an explosion burst into the entire Wolf Valley.

Then I pray you heard the explosion sound of booming, booming, booming, coming from the direction of the Duanmu family over there.

The flames spreading at the same time rushed to the sky...

After hearing this continuous violent explosion, Li Tian and his brothers were suddenly shocked.

Huo suddenly stood up from the ground.

"What's going on?" I saw the brothers' expressions change in shock as they looked at the explosion from the Duanmu family and said.

Li Tian frowned at the moment, looking at the explosion place of the Duanmu family, and was stunned.

"It's the Duanmu family!"

"There seems to be something wrong with the Duanmu family!"

Listening to Li Tian's words, the brothers hurriedly raised their unbelievable eyes and looked over there.

"How could the Duanmu family suddenly explode?"

"What the ***** happened?" The brothers said in horror.

Tang Xiaolong in front of him murmured, "Could it be Senior Dugu?"

After suddenly mentioning the name of Duguxie, brothers look at me one by one at this moment, and I look at you.

"Go, go over and see what happened!"

Li Tian, who was talking, ran quickly towards the place of the Duanmu family.

The ghost servants and brothers behind him quickly followed right now.

None of them knew what happened just now in the Duanmu family, let alone how the explosion happened?

They thought that the explosion was caused by the insulted Duguxie...

At this moment, I saw that the brothers rushed to the flames that soared in front of the sky in order to worry about the enchanted Duguxie!

Seeing the site of the Duanmu family from afar, the fire has skyrocketed, and the scope of the explosion seems to be huge...The raging fire illuminates the entire Wild Wolf Valley, as if the entire Duanmu family has burned. Similar,

Yes, the entire Duanmu family has been completely plunged into the sea of fire, and the sound of explosions in the deepest part of the sea of fire can still be faintly heard...

The Duanmu family was over, and the Duanmu family was destroyed like this!

Chapter 767: The weird voice sounded again

What happened?

In the end what happened?

Li Tian didn't know at all.

Just when they quickly reached the Duanmu family with a quick body technique, they were completely stunned.

All you can see is the destroyed houses and the burning fire.

There were even some miserable screams coming from inside... Those people were covered in fire, struggling in the fire... Finally they were burned alive!

Looking at all this, Li Tian and his brothers were all shocked.

Even the ghost servant looked at this scene with weird eyes at this moment!

The fire was still burning, and the Duanmu family's rudder and the surrounding family houses were all destroyed... The flames were still flying upward, and thick smoke accompanied the sparks flying in the air.

"Duanmu Family...Duanmu Family...was destroyed?" Tang Xiaolong said with his eyes wide open, looking at the burning fire in front of him unbelievably.

Li Tian was also completely shocked there.

"How could this be?"

"How can the Duanmu family suddenly explode on such a large scale...people? What about the people from Duanmu Heiming? And the people of the four elders..."

Li Tian looked around at the flames soaring to the sky, what he saw was the miserable situation and the blazing fire.

Who can imagine that the Duanmu family, one of the four major families, was ruined like this overnight?

"Who did this?"

"Who razed the Duanmu family to the ground?"

"Is it Senior Dugu?" Tang Xiaolong looked at Li Tian and the ghost servant in horror.

But seeing the ghost servant snorted: "No! The second brother definitely did not do it!"

Yes! Smart people can see at a glance this is definitely not something that Duguxie can do alone.

Because Duguxie itself has been enchanted... only knows to kill!

How could he want to razing the Duanmu family to the ground?

But if Duguxie didn't do it, who would it be?

Could it be them? Is it the man in the gate of hell? Li Tian and the ghost servants suddenly frowned and wondered.

But if the **** gatekeeper did it, why did they do it? Shouldn't the gate of **** deal with Li Tian? How could the entire Duanmu family be ruined for no reason?

All of this is now an unsolved mystery!

The only thing the brothers saw and knew was that the entire Duanmu family was destroyed! Completely ruined.

"What about the Duanmu family? Shouldn't they all be killed?" Tang Xiaolong said as he raised his eyes and looked at the depths of the sea of fire.

The blazing fire couldn't let Li Tian and others approach at all.

Even if they are worried about the innocent people of the Duanmu family, they can't do anything about it.

"That said, wouldn't the Duanmu clan leader also died?" Old Monster Ge beside him blinked and said.

"He is dying, who will give our little boss the antidote?"

"Shall we go to find the antidote to the Sanshengmen poison for the little boss?" A word suddenly came out of Tang Xiaolong's mouth.

After hearing this sentence all at once, the brothers were all stunned.

Yes, the Duanmu family in front of you has indeed been destroyed. What about the antidote? Could the antidote of Sanshengmen be ruined together?

Li Tian suddenly felt cold, looking at the burning fire.

The ghost servant next to him also showed an extremely ugly look in his eyes for a moment, and he didn't know what to do at this moment.

The brothers in front of them all looked at Li Tian with worry in their eyes.

"It's okay, it will be okay, I believe there must be an antidote, and there must be an antidote that can solve the three-life poison on the little boss." Tang Xiaolong said loudly.

The sound was covered by the crackling and burning sound.

Situ Ningbing looked at his lover, her beautiful eyes filled with worry and concern, and walked over and took Li Tian's hand.

She wanted to say something to comfort Li Tian, but when the words came to her mouth, she didn't know what to say.

No cure?

Li Tian would undoubtedly die if he didn't have the antidote to the Three-Shengmen Poison, everyone knew about it.

Could it be said that Li Tian will really die this time?

The Duanmu family has been completely burned. No one knows how many people were killed or injured in this catastrophe... No one knows whether Duanmu Heiming was also burned to death?

Facing the raging fire in front of him, Li Tian stood alone blankly.

What should he do?

Without understanding the medicine, would one really die?

Li Tian is unwilling. He still has so many ***** and deep revenge, how can he die? How can you just die like this?

Just when Li Tian fell into despair in his heart, a strange voice suddenly came into his ears.

The distant voice seemed to come from the depths of the Wolf Valley, but it was so familiar in his ears.

It was an old but strong voice.

At this moment, the voice said clearly in his mind: "Come here...Come here..."

The secret technique of sound transmission of thousands of miles!

When Li Tian heard this mysterious voice all of a sudden, he was shocked!

It was this voice, this mysterious voice before... Li Tianshi didn't expect that the voice that was teaching his own mysterious mind mantra would appear here for no reason?

Could it be that he has been following himself?

Who is he?

When Li Tian was horrified, the weird voice still said clearly in his ears: "Come here...Come here..."

Suddenly, Li Tian turned his head and looked at the depths of the dark wolf valley behind.

Facing Li Tian's strange changes, the brothers in front of him couldn't help but stunned. The ghost servant also felt Li Tian's change. At this moment, he blinked his sharp eyes and looked at Li Tiandao and said, "Young Master, what's wrong?"

Li Tian did not directly answer the ghost servant's words, but blinked his eyes and looked at the dark Wild Wolf Valley forest behind with a skeptical look.

"Have you heard?" Suddenly a sentence came out from Li Tian's mouth in shock.

When I heard Li Tian say this all of a sudden, the brothers in front of me were all surprised. You look at me one by one, and I look at you.

Situ Ningbing beside him couldn't help but look at Li Tiandao and said, "What happened to Li Tian? What did you hear?"

"sound!"

"That voice has appeared again!" Li Tian said suddenly.

Hearing what Li Tian said, the ghost servant took a step forward.

"Young Master, what are you talking about is that clear voice? The voice using the Secret Technique of Thousand Miles of Sound Transmission?" The ghost servant suddenly said with an uneasy expression in his eyes.

Li Tian nodded slightly there.

"Yes! That voice appeared again."

Just after Li Tian said this, the ghost servant's uneasy eyes looked nervously at the surrounding night.

Chapter 768: Guide them

"Young Master, what did he say to you?"

Li Tian said truthfully: "He only said the words let me pass."

"What? Let you pass?" Hearing Li Tian's words, the brothers suddenly became nervous one by one.

"Master, what's the matter? Is there anyone near us?" Tang Xiaolong said in shock.

The ghost servant looked at the darkness of the surrounding wolf valley and silently nodded.

"Everyone, be careful!"

"If I didn't guess wrong, the other party is currently near us." The ghost servant said suddenly.

Hearing what he said, the brothers became nervous in an instant.

In the face of the dark night, who knows whether the master who uses the secret technique of Thousand Miles of Sound is an enemy or a friend?

Why does it appear here?

Quiet all around! very quiet!

The only thing that can be heard is the sound of the raging fire from the Duanmu family house that is burning behind...but there is no sound from the depths of the Wild Wolf Valley here.

"Come here...Come here..."

Just as the mysterious voice of Li Tian's horror suddenly disappeared, suddenly that extremely weird voice appeared clearly in his mind again.

Still say those two words: come, come...

Listening to the mysterious voice saying so, Li Tian suddenly walked forward as if stupidly...He followed the voice step by step and started walking slowly.

Of course the brothers could not hear that weird voice.

At this moment, when they were surprised to see Li Tian stepping forward suddenly, they were slightly taken aback.

"Little boss...where are you going?"

"Li Tian, what are you doing?"

"Young Master, what's wrong?"

Whether it was the brothers, or Situ Ningbing, or the shadow ghost servant, Li Tian was walking in front of him looking surprised at this moment.

But what about Li Tian? But he didn't pay attention to them, but listened to the weird voice and walked forward step by step.

The mysterious voice still yelled in his ears: Come here, come here...

The weird voice seemed to be guiding Li Tian.

Li Tian followed that voice and walked slowly and slowly toward the front.

Although the brothers and the ghost servants in the back felt extremely weird, for Li Tian's safety, they still followed him closely.

That voice is going to direct Li Tian there?

Can anyone know?

In front is endless darkness and dense jungle.

But that voice kept echoing in Li Tian's ear over and over again: Come...come...

Li Tian then followed that voice slowly forward... He wanted to see who was guiding him! What the **** did that voice want him to do?

Besides, in the deep of Li Tiantian's heart, he really wants to see this mysterious figure. Why is he following him?

As he moves forward step by step, the brothers and ghost servants behind are closely following him. At the same time, they are also carefully looking around, taking all precautions one by one, because after all, no one Know that the weird voice is the enemy? Or friends?

In this way, Li Tian followed that voice step by step, and didn't know how long he had walked...only knew that they had reached the deepest part of the Wild Wolf Valley.

There are towering old trees all around.

Li Tian also stopped abruptly.

At the moment Li Tian stopped abruptly, the brothers were all taken aback.

"What's wrong? Little boss?" Tang Xiaolong looked at Li Tian and asked in surprise.

The ghost servant also quickly turned his head to look at Li Tiandao and asked, "Young Master, what's wrong?"

Li Tian frowned suddenly and said: "The voice has disappeared!"

"What?" Tang Xiaolong exclaimed when Li Tian said so suddenly.

The ghost servant beside him frowned instantly.

How could this be? How could the voice that directed Li Tian just disappear for no reason...

What about Li Tian? Still doing?

Just as Li Tian and his brothers were feeling weird, a weird voice suddenly came from the depths of the darkness on the left.

Li Tian and Tang Xiaolong were all startled, turning their heads and looking over there.

Li Tian wanted to go and see for himself, but was stopped by the ghost servant.

"Young Master, let me see."

The ghost servant who was afraid that Li Tian would be in danger planned to go over and see what happened to that noise.

No, Li Tian nodded slightly after hearing the ghost servant say so.

Then the ghost servant cautiously and slowly walked forward.

When the ghost servant opened a pair of sharp eyes and walked step by step toward the darkness in front of him, suddenly a gasping voice came out from the darkness.

"Who?" The ghost servant screamed, and then his body skills became more and more impeccable and plunged into the darkness.

Li Tian, the brothers and others here heard the voice of the ghost servant and hurried over.

No one knows who is making the sound?

Just when Li Tian and his brothers ran over, the ghost servant suddenly let out a scream again.

"Second brother..."

When these two brothers suddenly yelled out of the ghost servant's mouth, Li Tian and the brothers who ran behind were suddenly speechless.

Second brother?

Is it Duguxie?

Gosh!

how is this possible?

Just when Li Tian and all his brothers were surprised, the ghost servant suddenly exclaimed in ecstasy, "It's the second brother... the second brother is here!"

After his words roared out, Li Tian and the brothers in front of him were suddenly shocked.

Then one by one hurriedly walked over, and after running close, he looked up!

It really is Duguxie!

It was him, really Duguxie.

But seeing Duguxie at this moment lying quietly among the trees as if in a coma, his face flushed and serene, the bronze sword in his hand was still tightly clutched in the hand of one of his arms.

"What happened?"

"Why the evil sword Duguxie is here? And lying quietly here as if dizzy?"

"What happened to all this?"

All the questions flooded into the minds of the brothers and Li Tian.

All of them were surprised.

But shocked to shocked, they were still very happy, because after all, the brothers finally found Duguxie.

But Li Tian stood there all of a sudden in a daze!

What happened to all this? Now Li Tian suddenly recalled the weird voice in his mind...could it be...could it be...that weird voice was planning to guide himself here and to see Duguxie here?

Why does he do it?

Why are you so good to yourself?

What kind of an expert is he? Why do you help yourself so secretly?

Li Tian raised his eyes and looked at the dark jungle around... He wanted to shout loudly and tell the mysterious master to thank you! But he held back... he knew that maybe the mysterious expert was around him right now, looking at him there.

Chapter 769: wide awake

"Second brother, second brother..."

"Senior Dugu..."

Tang Xiaolong, his brothers and ghost servants over there were shouting Duguxie who seemed to be in a coma.

No one knew how the enchanted Duguxie suddenly appeared here, and no one knew what happened?

On the other side, Li Tian stared blankly at the darkness around him. He wanted to know the origin of the mysterious person, wanted to find the mysterious expert, and asked him why he helped him in this way?

But the surroundings are so dark, so quiet, where to find the mysterious expert?

While Li Tian was in a daze, Du Guxie who was in a coma over there suddenly shook his body.

"Second brother...Second brother..."

"Second brother is awake!"

"Second brother is sober!" Then he heard the ghost servant's exclamation.

Follow his eyes to look, but seeing that Duguxie who was lying on the ground just now in a coma, his body suddenly moved slightly at this moment.

Then, amidst the worried shout of the ghost servant, Du Guxie suddenly sat up with his whole body.

The bronze sword in his hand was also lifted up in an instant.

Tang Xiaolong and his brothers next to him were shocked, and they hurried back, they were all scared...

Fear that the enchanted Duguxie would kill them with a single sword.

Only the ghost servant was looking at the Duguxie in front of him, and said worriedly: Second brother...

When the suddenly clear Duguxie saw the ghost servant around him, he was suddenly stunned.

Then he looked at the ghost servant in front of him with a pair of unbelieving eyes.

"Ghost servant?"

After Duguxie suddenly called the ghost servant's name, even the ghost servant was excited for a moment.

"Second brother... are you alright?"

"You have changed back?" The ghost servant said in astonishment.

He looked at that Duguxie with a normal look... The black devil qi that had originally appeared on Duguxie's face had long since disappeared. Now Duguxie is exactly the same as the former Eduguxie. Violent, crazy.

Listening to the ghost servants saying this, the brothers in front of them were not only staring at the present Duguxie.

Yes!

"Senior Dugu really seems to have changed back...you see that his face...has returned to normal?" Tang Xiaolong said in astonishment.

The old monster Ge and Chen Qiaozhi next to him also blinked at this suspicious scene.

What's going on?

Could it be that Duguxie really changed back from being in a demon?

But what about Duguxie? After hearing the ghost servant next to him say this, he frowned.

"What do you mean? What's wrong with me? What happened to me?" Du Guxie said there as if he could not remember everything.

The ghost servant looked at the sober Duguxie and said: "Second brother...have you forgotten everything?"

That Duguxie raised his hand and touched his still slightly painful head, trying to think about it, but his mind was blank.

"I can't remember..."

Hearing that Duguxie really couldn't remember what happened before, the ghost servant fell silent for a moment.

"Second brother, do you know? You used the Tyrant Sword Art to deal with the Luohe Buddha, and...then...you are insane!"

The ghost servant finally told the truth to the one-to-one.

After the ghost servant suddenly said this, Duguxie suddenly remembered.

"Am I in a demon?" Four words came out slowly from his mouth.

Everyone around him was watching him right now.

But seeing Duguxie's face flashed with grief for an instant, his hand holding the bronze sword also soared in an instant... as if he was particularly excited, and then scenes after scenes suddenly appeared in his mind. The scene of killing...There is a fierce man with a magical aura in the middle of that mind is killing all the characters he saw in the wild...

The screams and the **** sword sounds all echoed in his mind at this moment!

Suddenly the fierce Duguxie's whole body shook violently, and he remembered.

Thinking of my own killing, thinking of my madness after being enchanted...

"Second brother, what's the matter with you?" The ghost servant beside him looked at Duguxie worriedly and quickly asked.

Li Tian and his brothers also ran over quickly, looking at Duguxie at this moment.

Duguxie's face was twisted, with a sorrow... as if he couldn't stand him who was in a demon at that time...

"I remember it, I remember everything..."

"I killed so many people... Unexpectedly, my hands were stained with so much blood this night..." Duguxie looked at his hand and the sword in his hand incredibly.

With a scream, the bronze sword he was holding tightly slipped from his hand and fell to the ground with endless grief in his eyes.

"Second brother... don't think about it!"

"After all, you are in a demon!" said the ghost servant looking at Duguxie worriedly.

"Furthermore, the people you killed were originally from the Duanmu family...it's nothing to be a pity!" Only the ghost servant continued.

But seeing Duguxie slowly standing up, don't know why, his body looked weak at the moment, as if he had experienced a great battle last night.

After Duguxie stood up silently, he suddenly walked step by step toward the darkness in front of him.

This made Li Tian and the ghost servants all stunned.

"Second brother, are you going there?" the ghost servant in front of him quickly asked.

But that Duguxie seemed to be complaining, and still walked forward step by step...

Where is he going? What is he doing? The brothers in front of me didn't know anyone.

Just when Duguxie walked forward weirdly alone, the ghost servant wanted to follow him quickly, but only saw Li Tian walk by the ghost servant's side.

"Ghost, I want to ask you something." Li Tian said suddenly there.

The ghost servant was taken aback for a moment, then turned his head to look at Li Tiandao with a weird face and said, "Young Master, what's wrong?"

"Don't you think it's weird?" Li Tian said suddenly.

The ghost servant was slightly taken aback when he heard Li Tian say this.

"Strange? What do you mean?"

"Think about it, why did Duguxie appear here for no reason? And why did the voice that tempted me just now led us here? If I guess it's correct, everything seems to be near us. What a mysterious expert did!" Li Tianmeng said.

The ghost servant who listened to Li Tian's words also blinked strangely.

"Listening to what Young Master said, it is indeed such a thing."

Chapter 770: He saved me

"It seems that the mysterious expert near us who refuses to show up is helping us all the way!" The ghost servant suddenly lifted the drowning and looked sharply around the dark surroundings.

"Well! I think so too!" Li Tiandao.

"From the very beginning, the mysterious expert made a move to save the brothers... until now, I feel that the other party is deliberately helping us!" Li Tiandao.

"It's just that I don't know how sacred he is, let alone how to thank him!"

The ghost servant looked around and said, "Since the other party is unwilling to show up, there must be his reason! I believe we will be able to see him one day..."

"Well, so did you!"

"By the way, there is one more thing I want to ask you." Li Tian said suddenly.

"What's the matter?" Ghost servant said.

"It's the Duguxie after being enchanted... Have you seen him before? How did he get rid of the demonic nature of his body in the past?" Li Tian suddenly asked a crucial question.

Yes!

Li Tian obviously saw Duguxie entering a demon during the day... But suddenly now Duguxie has appeared again, and the demon nature of his body has completely disappeared? What's going on? Could it be said that the magic will be automatically eliminated?

Hearing Li Tian's words, the ghost servant frowned slightly.

"In the past, the second brother was usually restrained by the eldest brother... and then he would be better if he calmed down for a while!" the ghost servant thought.

Li Tian asked again: "Then what if no one stops him?"

The ghost servant's face became ugly and said: "In that case, the consequences will be unimaginable! Because if no one stops the second brother, the second brother will always be in a state of physical expansion, killing people, killing people... until he is exhausted. , He will stop when all his strength is exhausted..."

"Doesn't that mean that he was about to die at that time?" Li Tian said suddenly in shock.

The ghost servant nodded silently.

"Yes!"

"So the second elder brother is very terrifying..."

Li Tian thought for a while and said, "Then what do you think about his sudden devilish elimination? Now he is obviously not exhausted..."

"Young Master, what do you mean is that someone deliberately stopped the second brother, and then the second brother's devilish nature was eliminated?" Only the ghost servant suddenly said in surprise.

"Well, I think it should be!"

"Think about it, he was already enchanted... If you are right, he should be still enchanted now, but now he is lying here safe and sound... and you should have seen him in a coma just now... So I think someone should have stopped him from getting into the devil." Li Tiandao.

"But who can stop the second elder brother who got into the demon? After the second elder brother got into the demon, the power of the evil sword is obviously extremely vicious... see who kills who!" The ghost servant said in shock.

Is there really an expert in this wild wolf valley who is more powerful than the Duguxie after being enchanted?

who is it?

Could it be the mysterious him?

Both Li Tian and the ghost servant stood there in horror.

When the two people were shocked by the unexplained truth, Tang Xiaolong's cry suddenly came over there.

"Little boss, master, come here!"

Following Tang Xiaolong's exclamation, Li Tian on this side and the ghost servant gave a slight stun, and then took a quick step toward the front voice.

After arriving, I saw Tang Xiaolong, the Duguxie who was walking weird just now, and his brothers all standing there.

"What's the matter?" Li Tian asked after rushing over.

"Little boss, look at this place... my goodness!"

Following Tang Xiaolong's words, the ghost servant in front of him and Li Tian couldn't help turning their eyes to look over there at the same time...

In the huge jungle, but I saw some trees were broken...and the surrounding flowers and plants were trampled in an improper way...Leaves falling from the ground, and the surrounding branches that were cut off by sharp tools...The ghost in front of me The shock that the servant and Li Tian shared was there!

"Here is a fierce battle!"

"Yes! There is still a terrifying sword aura in the air..."

The ghost servant in front of him suddenly said.

Yes, what he said is not bad! Although the surrounding leaves and branches were not cut by sharp swords... but the ghost servants could still see the fallen leaves, the branches were created by sharp sword energy...

A wrist-sized tree next to it was chopped off... You can see how terrifying the swordsmanship of the people in battle is!

Why are there obvious marks of fighting here? How could there be such a powerful sword spirit? What's going on?

I don't know why, everyone's eyes are on that Duguxie!

Could it be that the fighting here was done by Duguxie?

But seeing that Duguxie standing there in silence, looking at everything in front of him... Suddenly a ghostly figure appeared in his mind... That figure was surprisingly fast, but he was constantly chasing that figure, at the same time The violent magic sword in his hand is waving at that sword and sword...

But he couldn't stab the ghostly figure.

When these fragmentary memories suddenly appeared in his mind, Duguxie suddenly raised his eyes and said, "I remember...I remember..."

"Second brother, what do you remember?" The ghost servant over there suddenly ran over and asked in surprise.

The brothers and Li Tian also stared at the Duguxie in front of them with horrified eyes at this moment.

But seeing Duguxie suddenly sighed softly, his eyes looked at the scene in front of him and said: "It was him...he defeated the enchanted me...he saved me..."

A weird word suddenly came out of Duguxie's mouth.

When Du Guxie said this sentence, the ghost servant, Li Tian and others were all horrified.

The ghost servant just now was still thinking about this world except his eldest brother...It is estimated that no one can defeat the Duguxie after entering the devil... But now I heard that Duguxie himself said that some people have defeated the devil. ! Someone saved Duguxie's life...

Who?

In the sky and the earth, besides the evil **** who once stood on the peak, who else can defeat the enchanted Duguxie? Who can defeat the magic sword in his hand?

"Second brother, who on earth defeated you and saved you from the devil?" The ghost servant in front of him looked at that Duguxie with an incredulous look.

Li Tian is also full of excitement at this moment!

He hoped that Duguxie could tell who that person was...Of course, he hoped that...it was him...his father!

But what about Duguxie? But after silence, he suddenly shook his head.

"I don't know who he is... I can't see his face!" Just like that, a sentence came out of Du Guxie's mouth.
