

A Killer 81

Chapter 81: Sister Xue

Such a handsome looking man, and a guy with extraordinary temperament on his body, it is hard to imagine that he is the one who eats the king's meal without paying for it.

When Li Tian was surprised, the man suddenly stared at Li Tian.

"Brother, why didn't you help me just now?" the man suddenly said, a bit of resentment in his slightly magnetic male voice.

This made Li Tian suddenly depressed.

"I help you? I don't even know you, don't know who you are? How can I help?"

"Besides, if the three of them look fierce and evil, the fool will help you." Li Tiandao said.

The man stared at Li Tian with his brows and eyes. It took a long time before he let out a long sigh, "That's what you said."

"After all, I ate people's food for nothing, and the woman who slept for nothing in the clubhouse, hey, it's worth the meal." The man sighed.

Hearing this guy talking to himself like this, Li Tian was immediately depressed, and he couldn't help but secretly say that there are such people in the world, it is really rare.

At the moment when Li Tian was depressed, the man had already turned his head to look at Li Tian, and suddenly burst into laughter.

"What are you laughing at?" Li Tian asked, staring at him displeased.

"You are more downhearted than I am, and the whole thing is down." The man laughed and pointed to Li Tian, who was covered in water.

Li Tian was really drenched at the moment, and he didn't care too much, so he turned and left. For someone he met on the road, Li Tian didn't have the time to talk to him too much.

"Hey, brother, are you going there?" the man suddenly followed up and asked.

"You look like you just arrived in Kyoto, right?" The man looked at Li Tian with bloodshot eyes.

Li Tian was taken aback for a moment, then turned to look at the man and said, "How do you know?"

The man smiled.

"You are carrying a torn bag and wearing very cheap clothes. Anyone with a little eye can see what you do."

"You laugh at me?" Li Tian said with a slight irritation when he heard him say this.

The man hurriedly waved his hand and said, "No, no, don't get me wrong. You see that we are basically the same virtues, and I can't get better. If I laugh at you, wouldn't I just laugh half-heartedly and insult myself? ."

Hearing what the man said, Li Tiancai was satisfied.

"My last name is Shen, and I have a single name. How about making friends?" The man introduced himself, and politely extended a hand.

Li Tian didn't shake hands with him, but simply said, "My name is Li Tian."

"Oh." The man named Shen Feng slowly retracted his hand.

"It hasn't been long since you came to Kyoto City?" Shen Feng asked, wiping the blood from the corner of his mouth with his hand.

Li Tian nodded: "Yeah."

"Hey, this big city is not so messy, what do you think?" Shen Feng looked at Li Tian with a smile.

Li Tian: "It's okay."

"It's hard for us to make friends, how about going to have a drink?" Shen Feng looked at Li Tian and said with a smile.

"Have a drink?" Li Tian was taken aback.

"What's the matter? Are you afraid that I can't afford to pay? You will be chased and beaten again?" Shen Feng seemed to say that he didn't care about what he was beaten just now.

Li Tian really thinks so, but now he doesn't know what to do. After thinking about it, he said, "Okay, let's go."

Saying that the two strangers really walked towards the block together.

One was covered in water, just like Luotangji, and the other was dirty. His suit was still torn and his face was bruised. It was funny for two people like this to walk together.

But they don't care.

On the way, Li Tian couldn't help asking: "Why were you beaten by those few people just now?"

After hearing Li Tian's question, Shen Feng suddenly stopped and looked at Li Tian.

"It's okay, if you mind, you can leave it alone." Li Tian said with a smile.

Who knows that Shen Feng said it.

"It's okay to tell you. I took a bath in the Guangdong Clubhouse, and then I found the most beautiful woman in their clubhouse and slept all night. When I got up early in the morning, I suddenly found that I had no money on my body, so I was given by them. After fixing the meal, what I said was the truth of what I said."

Finishing these words lightly made Li Tian depressed.

I thought to myself, this guy is really an individual talent, that's all right.

As they talked, they had already turned a few blocks, and the place in front was a residential area in District Nine.

There are people from the Three Religions and Nine Classes living here, and it is also a rather backward area in the Nine Districts.

There are shops and shops on both sides of the street that sell things, and there are also women holding children who bargain.

Poverty area.

Yes, this is the only poverty-stricken area in the Ninth District, and it is also the area with the largest flow of people.

But don't underestimate this place, because there are many people here.

Li Tian followed Shen Feng all the way and walked inside. When he walked in, the eyes of those people looking at him were a little strange, but how about Shen Feng? Bringing Li Tian in front as if nothing happened.

And Shen Feng seemed very familiar in this area, and several naked men were greeting him.

"Shen Feng is back."

"Shen Feng, did your kid go looking for the lady in the Yuehai Club..."

These people seemed to be particularly familiar with Shen Feng, greeted and joked.

And Shen Feng just walked in with Li Tian with a smile.

Soon we arrived in front of a small restaurant.

"How about drinking here?" Shen Feng said with a smile and pointed to the small restaurant in front of him.

Li Tian glanced at the small restaurant. He didn't know whether it was because of the bad business or something else. Now it is very clean and there are no people.

Nodded, Li Tian followed Shen Feng in.

"Sister Xue, I'm here."

Shen Feng shouted while pulling his throat, and walked in toward the small restaurant.

After Li Tian, who followed Shen Feng, walked in, he found that the small restaurant was very clean. There were a total of 6-7 tables in it, and there were no people at the front desk.

"You find a place to sit down first." Shen Feng said to Li Tian.

Li Tian also found a place freely and casually and sat down.

And how about Shen Feng? He walked towards the restaurant in a carefree manner.

As he walked, he shouted, "Sister Xue, how about people?"

"What is it called, soul?"

As soon as Shen Feng entered, Li Tian heard a beautiful woman's voice.

As the beautiful woman's voice came out, Li Tianqing couldn't help turning his head to look, but he saw a woman coming out from the left, a very beautiful and familiar woman.

An extremely glamorous milf, wearing a very ordinary shirt, a pair of slender skinny jeans under her body, the outline of the plump buttocks vividly and vividly.

Those who look closely at her, the slender jade neck, the facial features are exquisite to the extreme, the small cherry mouth is not dotted, delicate and beautiful, the two strands of hair on the cheeks are gently blowing in the wind, with a somewhat alluring style, and The flexible eyes turned wisely, adding a bit of wildness out of thin air.

When Li Tian first saw this woman called Sister Mo, he was shocked by her peerless beauty.

There are such beautiful women in such a place?
