

## A Killer 82

Chapter 82: beauty

Where is the Xue sister who came out? When I saw Li Tian, I just glanced at him plainly.

Then he turned his head and shouted in a sweet voice: "Shen Feng, get out of here."

Shen Feng, who heard the sound, walked out with a real smile.

"Sister Xue, prepare a drink for the two?" Shen Feng said with a smile while looking at the beautiful woman.

The woman called Sister Xue, Liu Mei stared at Shen Feng.

"The money you owe Lao Niang Restaurant is more than 3,000, right?"

Shen Feng suddenly frowned, "Sister Xue, my friend is here, can we not mention this for now." He glanced at Li Tian.

Li Tian pretended not to hear anything, and still sat there alone.

Sister Xue turned her face to look at Li Tian, and said in a low voice, "Friend? How many good friends are there with you?"

"Hey, Sister Xue, you don't understand that... This friend is different from the previous friends. Really, Shen Feng will never read it wrong."

"Just you? Xia Xue will admire you if you can see people accurately."

The beauty gave Shen Feng a white look.

Shen Feng smiled and said, "Hey, why is Sister Xue so beautiful when she scolds people? I'm thinking, who is blessed to marry a capable and beautiful woman like Sister Xue in this life?"

"Bah, don't be here to flatter my old lady." Sister Xue said with a smile.

That smile is nothing short of beauty.

Shen Feng smiled and walked towards Li Tian with a few bottles of beer beside him.

As soon as the beer was placed on the table, the lid of the bottle was opened.

"Come on, let's drink first."

He clinked glasses as he spoke, and started drinking at the beer bottle.

Li Tian also took a sip.

"Brother, don't worry, although I Shen Feng has no money, no one here dared to beat me like just now, so don't worry." Shen Feng said to Li Tian while smiling.

Li Tian smiled and nodded.

He could already see that Shen Feng was doing well in this area, especially since he had a close relationship with the boss.

"How long have you been in Kyoto?" Shen Feng asked Li Tian, looking at him.

Li Tian said truthfully: "It didn't take long, it's almost a month."

"No job?" Shen Feng continued to ask.

Li Tian nodded: "Well, just resigned."

"Then what are you going to do next?"

Li Tian thought about it for a while and said, "It's not clear right now, just take one step and count one step."

"oh, I see."

"Come on, let's drink one more." As he said, he raised the bottle of wine in his hand and continued to drink with Li Tian.

During this period, the big beauty who claimed to be Xia Xue brought two cold dishes to the two people for them to eat.

Li Tian couldn't help but look at that Xia Xue, and couldn't help but secretly lined up: such a beauty opened a small restaurant is really a violent thing.

"Is the lady boss pretty?" Then Shen Feng suddenly smiled and said to Li Tian.

Li Tian smiled faintly and nodded: "Pretty."

"Sister Xue is not built. I can guarantee that in the entire nine districts, no one can compare to the beauty of Sister Xue. Even the top beauties of Lauder's Night Market are not as beautiful as Sister Mo."

"Hey, it's just that Sister Xue likes to be low-key and never dresses up much. She lives in this small restaurant. If Sister Xue enters the modeling world or the interpretation world, she is guaranteed to let those who claim to be beautiful women shiver to death."

Li Tian hehe laughed.

Xia Xue had paid more attention to it.

They drank very quickly. The two of them drank 6 bottles of beer very quickly. Li Tian's alcohol volume was not bad. After three bottles, nothing happened, but his face was slightly red.

On the contrary, Shen Feng was a little drunk. After all, this kid was drunk before he met Li Tian. He continued to drink now, of course he was dizzy.

Isn't this? After drinking it all, Shen Feng began to talk nonsense, and even talked nonsense to Li Tian as brothers and sisters.

Li Tian just had a sentence, he didn't cater to a sentence, and didn't pay too much attention to it.

But from the lines of Shen Feng's words and his random words, he could feel that this kid seemed to be a non-ordinary character, especially his hands were so rough that he seemed to be constantly tempered.

"Brother, I'm Shen Feng...Although I am a nasty person, I am really a good person, right?" Shen Feng squinted and said dazedly while holding his beer there.

Li Tian stretched out his hand and grabbed his wine bottle: "Yeah."

"Don't drink, you will be drunk if you drink it again."

"It's okay." Shen Feng shook off Li Tian's hand suddenly, his hand strength was really big enough, even Li Tian didn't hold his wrist, and then he raised his head and continued to drink.

After drinking, he banged his head straight on the table like a wood, and he was so dizzy.

Looking at Shen Feng who was dizzy, Li Tian smiled bitterly.

To be honest, this is the first time I have seen such a weird person in my life.

After eating the King's meal, the woman who slept in the clubhouse was beaten by a group. This guy did not complain at all, and said that it was natural for others to beat him. Now he is dizzy and treats Li Tian like a brother...

Thinking of these Li Tian makes it funny.

"Drunk?" Just as Li Tian was thinking, a pleasant voice came into his ears.

The voice was like when Lai Yin from the outside world reached Li Tian's ears, he couldn't help but shake his whole body, turned his head to look, but saw that Xia Xue came over.

When her slender figure walked step by step, Li Tian's heart actually jumped.

And that Xia Mo'er just looked at Shen Feng with a hint of resentment in her beautiful eyes.

"This kid, hey." Xia Xue sighed softly.

Then Meimu turned to look at Li Tian.

"Are you a new friend?" Xia Xue asked Li Tian, raising her beautiful eyes.

Li Tian nodded: "Yeah."

Xia Xue did not speak any more, and pushed the Shen Feng who was sleeping next to him like a dead pig with her hand, and then gently sat on Li Tian's ground by herself, and then took out a box of More( from the tight jeans pocket. Moore, also translated as Mo female) women's cigarettes.

She held it in that \*\*\*\* mouth and fumbled gently on her body.

"Is there a lighter?" Xia Xue asked Li Tian with a cigarette in her mouth.

Li Tian was taken aback for a moment, and quickly said: "Yes, there are."

Then he took out the lighter from his pocket. Li Tian, who originally wanted to pass the Xia Mo'er lighter, didn't expect Xia Xue to move her body with a cigarette in her mouth, and a woman's fragrance immediately directed towards Li Tian's nose. Came.

And looking at Xia Xue's bent body from this angle, you can see a large area of white flowers...big enough, white enough, and elastic enough.

Li Tian took a deep breath and quickly turned his eyes back, then lit the lighter, slapped as the flame was beating, Xia Xue took a deep breath.
