

A Killer 851

Chapter 851: Looking for three sisters

"Twenty years, for a full twenty years, although the ghost servants and I don't want revenge all the time...but we have never had a chance...now I think it's time for us to take revenge!" Duguxie said angrily.

"It's just a huge crowd, let's go there to find the gate of hell!" Li Tian suddenly sighed.

Yes, the world is so big, where do you go to find your enemy? Besides, the mysterious gate of hell?

That mysterious and terrifying organization at the Gate of Hell was so secretive twenty years ago. Now twenty years later, where should they look for it?

After Li Tian said these words, Duguxie suddenly said: "Young Master, don't worry! Leave this to me and the ghost servant."

"I know where to start searching!" Duguxie said suddenly.

Listening to Duguxie's words, Li Tian suddenly became excited.

"Really? Do you really know how to find the Hell Gate organization?" Li Tian asked incredulously.

Duguxie nodded there looking serious, and said "Um" in his mouth.

"Where to start?"

"Although I don't know this yet, as long as I find her... I can find the clues I should have! After all, she has tracked down the news of my eldest brother for almost 20 years, just like us!" Duguxie said suddenly. , And also said her weirdly?

After hearing Duguxie say this all of a sudden, Li Tian was taken aback.

"she was?"

"Who?" Li Tian asked puzzledly.

But seeing Duguxie's cold bronze face when she mentioned her, a slight smile appeared, as if he would be happy whenever he thought of that person.

"She is the third sister..." Duguxie said suddenly.

Third sister?

Could it be the third sister of Cthulhu back then?

I remember that Duguxie once mentioned that she, and said that after the **** night 20 years ago, that she and Duguxie and the ghost servants also survived. Twenty years have passed... Ever since the evil **** disappeared that night After that, the three of them wandered all over the world, looking for the enemy who once killed their eldest brother until now.

I didn't expect Duguxie to talk about her suddenly!

After hearing what Duguxie said, Li Tian suddenly became interested.

"So you were talking about her!"

"Yes! Duguxiedao.

"Oh, has she been tracking down my father's news for so many years? Like you?" Li Tian continued to ask.

"um, yes!"

"After our ghost servants separated from Sanmei, we decided to wander around the world to find clues to our enemies... After so many years, Sanmei must have found it too."

"Really? How do you know that she has found a clue?" Li Tian asked curiously.

Duguxie smiled slightly: "Before I met you in Jinghai City... The third sister contacted me... and said that she had found first-line clues at that time... It's just that she hadn't determined yet. That's it!"

"At that time, I was planning to leave the Yuwen family... to find the third sister and find clues with her... But what I didn't expect was that at the time of the Yuwen family, I met the young master you... also from At the beginning, I put the matter of the third sister aside for the time being, and you must know the remaining things, Young Master."

After listening to Duguxie saying this, Li Tian suddenly understood.

It turns out that this is the case, it turns out that Duguxie had already contacted the so-called "three sisters."

Li Tian quickly asked, "Then do you know she is there now?"

"know!"

"I believe if I guessed correctly, she is still there..." Duguxie said.

"Okay! That would be great!"

"If this is the case, let's look for her next... to see if she really has clues about the gate of hell." Li Tiandao said.

Duguxie said: "I think so too!"

"Furthermore, there is another big event, the third sister doesn't know yet!" Du Guxie said suddenly.

Li Tian was slightly stunned when he heard Duguxie say this: "What's the big deal?"

"You! It's you, the young master!" Du Guxie said with a smile.

"You think, at the moment I and the ghost servant know you... The third sister still doesn't know that I and the ghost servant have already found you, the young master... I believe she would be even happier if she knew that we found you..." Said with a smile.

Li Tian also felt extremely curious about the one she used to be under his father!

Li Tian now knows about Duguxie and the ghost servant... he really can't understand what the "third sister" looks like? Even more puzzled, what kind of woman is that? Therefore, he is becoming more and more curious about the third sister in Duguxie's mouth, and at the same time, he hopes to see her soon!

I don't know why, Li Tian always feels as if he has a close relationship with that "she"... When Duguxie said it, he felt that way, and he still does.

The next day, when the sun rose first, the brothers were already sober.

On this day, the weather was very good. After yesterday's pattering rain, the sky was clear and the air seemed to be fresher.

The brothers went out and chatted early in the morning.

At this moment, Li Tian followed Duguxie and slowly walked out from inside.

After the overnight conversation last night, Li Tian's mood was obviously much better. When he saw his brothers, he would have a happy smile on his face.

"Brothers, I have to tell you something!" After coming out, Li Tian said to Tang Xiaolong and the others in a hearty voice.

When the brothers heard Li Tian say this, they all turned their heads and looked at Li Tian. No one knew what Li Tian was going to say.

"We should leave this place! Go to the next place." A word suddenly came out of Li Tian's mouth.

After Li Tian said so, the brothers were suddenly taken aback.

"Where are you going? Little boss?"

"Yeah, shall we go there now?" they asked.

"Go to Yongzhou!" Duguxie said suddenly.

"Yongzhou?" When the brothers heard Duguxie suddenly say this, they all felt a little taken aback.

Yongzhou is a provincial-level key city located in the south. Its prosperity is comparable to or even worse than that of Jinghai City. Yongzhou has more mountains and rivers, and there are also many tourist attractions. It has always been whether it is transportation or freight. They are among the top three civilized and prosperous cities in China.

Of course, the brothers in front of me knew what kind of city Yongzhou was. At this moment, they were all slightly surprised, how suddenly Li Tian and Du Guxie suddenly decided to go to Yongzhou!

"Hey, Senior Dugu, why are we going to Yongzhou?" Tang Xiaolong asked puzzledly.

Chapter 852: The Past of the Third Sister

The brothers were also curiously looking at Duguxie right now.

Just listen to Duguxie said: "Go find someone!"

"Go find someone who can help us prepare for revenge! Because the clues she found should be very helpful to our revenge plan." Duguxie said loudly.

"Who is it?" the brothers were all asking there.

"It's my third sister!" Du Guxie said suddenly.

what?

Is it the third sister of Senior Dugu?

The brothers were suddenly stunned! Everyone was shocked there, and they couldn't help thinking in their hearts, where is the sacred third sister of Duguxie?

At this moment, I saw that ghost servant also came over.

"Maybe none of you have seen our third sister... But if you meet her, I believe you will never forget her looks... Haha! Let alone her! Haha!" Ghost servant Suddenly laughed wildly and said.

"Why? Master?" Tang Xiaolong asked with a smile there.

The old monster Ge and Chen Qiaozhi next to him were also curiously listening to the ghost servant.

"Because my third younger sister not only has the face of the country and the city, but her person is even more heroic...a hero in the female middle school! Back then, the big brother Cthulhu once said...the world can be worthy of my third sister. A man has not been born yet!" said the ghost servant boldly.

After hearing what the ghost servant said like this, the brothers became even more curious about the "three sisters".

No one knows what that woman is such an unforgettable woman... and even Cthulhu once said so!

"That's good! Since the little boss has made this decision, of course we will follow!"

"Yeah! Then we prepare things! Let's set off right away."

So just after the brothers decided, they began to prepare to go.

The so-called tidying up, there is actually nothing to tidy up... and soon they will handle it!

Only Li Tian stood at the door, looking at the small room he used to live in, a slight sadness suddenly appeared in his heart. This room has been living since Li Tian left the orphanage at the age of 13. Here, it is not easy to come back now, but it is a pity that he is leaving again!

Hey!

When people go and the house is empty, when will they come back by themselves?

Come back and live the ordinary life before?

Standing here with slightly sentimental Li Tian, Situ Ningbing came over quietly and stood side by side with him.

Smelling the scent of Situ Ningbing's body, Li Tian knew that she was the one she loved the most and walked to her side.

"Ningbing, do you still remember this door?" Li Tian suddenly said warmly.

Listening to Li Tian suddenly saying this, Situ Ningbing smiled on her extremely delicate and glamorous face.

"of course I remember!"

"I still remember that someone saved me desperately here...so I almost lost my life." Situ Ningbing said.

Li Tian also laughed.

But he said that Li Tian was talking to Situ Ningbing here, and Duanmuying, who was standing next to the van, was pursing a red and **** mouth with anger, and Liu eyebrows were horizontal, stomping her feet there.

"Huh...what's to say!"

"Trouble... Trouble is dead!" Duanmuying said jealously.

The girl next to Xiaohuan knew that her lady was angry, so she didn't dare to interrupt. If she did, she would definitely provoke the savage lady, so she could only stand quietly watching her jealous.

The brothers over there are already in the car, waiting for Li Tian.

Finally, they all got in the car, and after Li Tian greeted the neighbors around here, he was about to leave here.

Those neighbors saw Li Tian hurriedly come back for only a day or two, and now they are ready to leave. They are all reluctant to say: Xiao Li, you should come back more if you have a chance!

Li Tian smiled and greeted them and said, "Sure it will!" He got into the car in front of him.

Finally, they drove the two cars slowly towards the outside of Liaocheng.

After all, Li Tiantian felt a little disappointed in his heart! After all, this small county is the small county where Li Tian has lived for so many years. There are people he knows and everything he knows. Now Li Tian is leaving again... I don't know when and how long he can come back. Thinking of this, his heart Of course there will be a little sadness.

The car finally left Liaocheng while slowly moving forward and Li Tian's perseverance.

Looking at Liao Cheng further and further away, Li Tian sighed deeply and turned his head.

Now they drove to the nearest city of Beitang...Because Liaocheng is very remote, there is no car, and no airport, so if Li Tian and the others arrive in Yongzhou, they can only go to the nearby city!

The nearest city is Beitang, the once haunted city.

So now Li Tian and his brothers drove quickly toward the highway.

On the way, Tang Xiaolong and his brothers have been talking about who the "Three Sisters" are? What kind of strange woman is it?

"Master, Senior Dugu, you are telling us, who on earth is that Senior Third Sister?" Tang Xiaolong couldn't help his inner curiosity, and finally asked.

The brothers beside him were also curiously waiting for the Duguxie and the ghost servant in front of them.

But seeing that ghost servant and Duguxie smiled at each other.

The ghost servant turned his head slightly to look at them and said, "You really want to know?"

"Yes, of course I did!" Tang Xiaolong said anxiously.

Li Tian also came over curiously.

Just listen to the ghost servant saying: "Well, since you want to hear the deeds of my third sister, then I will tell you briefly..."

"But after you listen, don't be shocked!" Ghost servant said with a smile.

So the brothers were listening carefully, waiting for the ghost servant's words, even Li Tian was listening curiously.

The ghost servant cleared his throat and said, "Where's my third sister? The nickname is: Baihua Fairy! You should be able to hear her name, what kind of woman is she?"

Listening to the ghost servant suddenly uttering the nickname of the "Three Sisters", Tang Xiaolong, Li Tian and others in front of them suddenly appeared a fairy-like figure.

"It must be very beautiful!"

"Yes, I think so too." Even Old Monster Ge said.

The ghost servant said: "It is natural to be beautiful... I can tell you... Twenty years ago how many people pursued our third sister... Speaking out scared you... That black and white two Dao people pursue her almost every day! "

"Hey, it's a pity that my third younger sister has never been attracted by anyone!" said the ghost servant.

Just listen to the ghost servant continuing to say: "Sanmei, not only is extremely affectionate and righteous, but also a good person! Good woman! I remember clearly that she liked the young master the most..."

Listening to the ghost servant in front of him talking about himself like this, Li Tian was taken aback.

Embarrassed and said: "Me?"

"Yes!"

"Do you know? The third sister has liked to hold you since childhood... At that time, you were just born... The sister-in-law has a poor health, so the third sister has been watching over you... Young Master, don't you have any impression?" Ghost The servant blinked and said.

Chapter 853: Weird

Li Tian shook his head depressed, and to be honest, he really couldn't remember what happened when he was a child.

The Duguxie next to him turned his head and said to the ghost servant, "You are stupid. At that time, the young master was only 12 years old. How could he remember our third sister?"

Ghost servant smiled: "Yes, too!"

"Sanmei is not only a good sister of our elder brother Cthulhu, but also martial arts is outstanding!"

"Her one-handed hundred girls scattered flowers, used to rampage the world, is the snake of the Western Regions powerful? It was not defeated by the third sister! She was slaughtered by the third sister." The ghost servant smiled and said the "Hundred Flowers Fairy" The majestic deeds.

The Snake of the Western Regions was a terrifying woman in the first two decades. She liked to use poison and hidden weapons, and it could drive those weird women like poisonous insects. It is said that this woman had done several big cases in China. Then he fled to the remote desert... Later, I

heard that the terrifying woman had disappeared inexplicably... I didn't expect that it was killed by the "three sisters"!

Listening to the ghost servants describing the mysterious third sister in front of them like this, the brothers are more and more curious about the "Haihua Fairy" that they have never met.

What about Li Tian? It was even worse, because he really wanted to meet the once powerful soldiers under his father, especially this Baihua Fairy.

Hearing the ghost servant said that Fairy Baihua was so kind to herself when she was a child, of course Li Tian hoped to see her sooner and see her beautiful face.

They talked all the way like this, and drove quickly towards the far road.

The surrounding area of Liao City is full of wild mountains and ridges. At a glance, except for the bare mountains, it is the lush trees.

And this road also looks quite barren.

Because Li Tian and his car had not reached the Naliaotang Expressway, the road was quite rough.

But they said that while the brothers were jogging forward in the car, suddenly they saw a dark shadow in the middle of the road.

Tang Xiaolong looked intently while driving the car.

"Looks like a person?"

But the strange thing is, how could there be someone lying across the middle of the road in this wilderness?

"Hey, someone seems to be falling backwards in the middle of the road ahead!" Tang Xiaolong suddenly said in surprise.

Following his voice, the brothers all raised their eyes and looked in the direction ahead.

Sure enough, I saw a black figure lying motionless in the front 200 hundred meters.

"Little boss, someone seems to be hiding there in the front." Tang Xiaolong said while driving, pointing his finger at the black shadow in front of him.

Li Tian also saw it, and not only looked at it in surprise at this moment.

"Quickly drive over and see what happens." Li Tiandao.

So Tang Xiaolong accelerated the accelerator, and the car quickly drove towards the front.

The brothers also looked at the front with curious eyes at this moment.

"How can someone suddenly lie in the middle of the road in this wilderness?"

"Is it dead or alive?" The brothers couldn't help thinking there.

Soon Tang Xiaolong drove the car to the place in front of the lying person. With a hiss, after Tang Xiaolong stepped on the brakes, the car stopped right in front of him.

After stopping, Li Tian, Duguxie and Guimu quickly got out of the car.

Look carefully at the figure lying in front of him. He is wearing a darker black dress. His whole body is weirdly shrunk and curled up on the ground, because his head is covered by the body, so he cannot see his face clearly, the only thing you can see is his body trembling...

After Li Tian and his brothers got out of the car, they all froze when they saw such a strange situation.

"What's the situation?" The brothers in front of me were extremely curious.

But Duguxie and the ghost servant wrinkled their brows slightly, and at the same time carefully looked at the desolate surroundings, they couldn't help but secretly line up: How could this weird person be on this road for no reason? Blocking their way?

In the van behind, Duan Muying, Situ Ningbing, and Old Monster Ge also walked out of the car at this moment, and they were all stunned when they suddenly saw a trembling strange man in the middle of the road.

"Hey, what does this person do? How come you are here?" Duanmuying blinked her beautiful eyes and said in surprise.

Situ Ningbing in front of him was also looking at the figure in front of Liu with frowning.

"Miss, do you see that person is trembling? Could it be that he is sick?" Girl Xiaohuan said with her round eyes.

Duanmu Ying gave her a white look: "Is sick? Will I lie down on the road when I am sick? You are really stupid!"

Xiaohuan, who was said by the eldest lady, quickly closed her mouth.

At this moment, everyone looked at the strange man who was lying in the middle of the road in front of him and was still trembling with surprised eyes. No one knew what was going on.

"Hey..." Suddenly Tang Xiaolong shouted to the weird man lying in the middle of the road.

It's a pity that the guy who was lying in the middle of the road shivering and curled up there didn't reply.

"Who are you? Why are you lying here?" Tang Xiaolong continued to ask.

Who knows that the shivering person still did not speak.

Li Tian and the brothers felt a little weird. At this moment, you look at me and I look at you... They all feel a little strange.

"Grandma's, what's the situation, let me see what happened." Tang Xiaolong who was talking was about to come closer, he wanted to see what this guy was doing.

"Wait!" Li Tian suddenly said a word.

Just after Li Tian suddenly said these words, Tang Xiaolong's steps abruptly stopped.

"What's the matter, little boss?" Tang Xiaolong looked at Li Tian questioningly and asked.

Li Tian frowned deeply and said, "I think something is wrong!"

"In such a wilderness, how can anyone appear here for no reason... and it is still the case?" Li Tian said, looking at the figure in front of him.

Yes, he was right. Except for the barren hills, the surrounding trees are the lush mountain forests. Like this barren road, under normal circumstances, only drivers would pass by, but now? A person appeared here for no reason? Isn't it weird?

Listening to Li Tian's words, Tang Xiaolong turned his mind and said, "That's it!

"But don't worry, there are so many of us... Besides, there is also my master, and Senior Dugu is here, I don't believe it, what else can this guy do?"

"Little boss, let me see what he is doing!" Tang Xiaolong said in his mouth.

Chapter 854: Taken away

Listening to Tang Xiaolong's words, Li Tian thought for a while, too, after all, so many of them are here...Are you still afraid of this person?

Maybe I think too much! Li Tian secretly lined up.

So Tang Xiaolong slowly walked towards the weird figure curled up.

As he walked forward, Tang Xiaolong was still there and said to the weird guy: "Hey, did you hear me talking? What are you doing? Why are you lying here?"

Tang Xiaolong, who was talking like this, had gradually approached the weird figure in front.

At this time, the brothers also looked at that with curious eyes, and no one knew what was going on.

"Hey, did you hear me talking?" Tang Xiaolong couldn't help saying again after approaching.

Just as he said this sentence, the trembling weird guy suddenly let out a weird laugh.

"You" Tang Xiaolong just uttered a word.

Suddenly the weirdly nestled figure moved suddenly, the speed was so fast, it was so fast that Tang Xiaolong could hardly see clearly.

Then, when Tang Xiaolong did not react at all, a hand that was as cold as a ghost, suddenly reached Tang Xiaolong's chest, and with a bang, Tang Xiaolong's body was directly hit and flew backwards. Get up... With a strong and domineering palm, Tang Xiaolong's blood spurted out of his mouth, and at the same time, his body flew back like a cannonball.

Faced with this weird surprise, the brothers were completely stunned.

"Little Dragon..."

How could he not be shocked when he saw that his brother was suddenly seriously injured by that weird guy? At this moment, desperately ran towards the fallen body of Tang Xiaolong.

And Duguxie and the ghost servant also suddenly shot at that moment, rushing towards the weird guy.

I saw that weird guy saw his face clearly at the moment his body suddenly jumped.

It was an extremely ugly face, with a collapsed nose, a pair of vicious and stern eyes, and many pockmarked pits on his thin, dry face.

The moment he saw Duguxie and the ghost servant suddenly rushing towards him, a sneer suddenly appeared at the corner of his mouth.

Then the body quickly rotated, swish, swish, and shoot a vicious and deadly hidden weapon from the five fingers at the Duguxie and the ghost servant in terror, even though the Duguxie and the ghost servant were so powerful, but faced With such a deadly hidden weapon in the sky, the two of them had to retreat sharply.

Just as Duguxie and the ghost servant were forced to retreat by that vicious hidden weapon, the weird man with his nose collapsed and extremely ugly suddenly screamed and shot Li Tian suddenly and quickly.

Gosh!

So his goal turned out to be Li Tian?

"Young Master..." When Du Guxie and the ghost servants saw the weird guy suddenly rushing towards Li Tian, they suddenly exclaimed, desperately past to save!

"Li Tian..." When the brothers at this moment saw this shocking scene, they were completely stunned.

The two women Situ Ningbing and Duanmuying also desperately went to rescue Li Tian.

But how can their speed match that weird guy?

The strange man swayed to Li Tian's side. Li Tian was shocked, but it was too late for him to escape.

A ghost-like hand suddenly grabbed Li Tian's wrist pulse. The moment he grabbed it, Li Tian only felt that his whole body suddenly became stiff...the whole body was suddenly numb, and it felt all right. No more.

Then Li Tian was shocked to see his extremely ugly face, and looked at him with a grin.

"Boy, come with me!" he said in a nasty voice.

Then his body suddenly turned backward, clutching Li Tian as if holding something that could be easily lifted, and rushing backwards suddenly.

That ugly weird man is going to take Li Tian away?

The Duguxie and the ghost servants were stunned when they saw Li Tian suddenly taken away by that weird guy!

At this moment, desperately rushing towards the ugly weird, Situ Ningbing and his brothers also hurriedly chased him.

But just when they were about to chase wildly, the strange man suddenly shot two small bullets from the skeleton's dry fingers!

Bang bang

The strange thing like a projectile, when it fell on the ground, suddenly exploded with an explosion, and then the surrounding dust was flying and thick smoke was everywhere.

The Duguxie and the brothers who wanted to save Li Tian were completely obscured by the smoke.

"Duguxie, ghost servant, if you want this kid's life, let the evil ***** come to the old man...haha!"

Suddenly, the whistling voice came from a distant place, and it was from the mouth of that weird ugly man. Then he saw several ups and downs of his figure already far away.

After the Duguxie and the ghost servants struggled to get out of the thick smoke, they only saw a little black shadow in the distance in front of them, leaping towards the mountain forest with a swift and unparalleled body...

"Young Master!" Seeing Li Tian being taken away, the ghost servant cried out in surprise, his eyes red and desperate to chase forward!

However, Duguxie grabbed his arm all at once!

"Ghost servant, calm down, we can't catch up..." Duguxie said in an unpleasant voice.

"Second brother...Aren't we chasing it? Do you just watch the young master being taken away by the thief?" The ghost servant in front of him said with red eyes as if he was about to kill.

Duguxie stood coldly in the wilderness, looking at the weird figures that had disappeared in the distance and the shadows of Li Tian and others, sighed helplessly, without words!

He knew that he could not catch up, even if he used all the strength of his body, he might not be able to catch up!

"Li Tian..." Situ Ningbing, Duanmuying and the brothers ran over in shock.

Looking at the trail of being taken away far away...They were stunned for a moment.

"I'm going to find him!" Situ Ningbing said suddenly, running forward with red eyes.

How could she watch her beloved be taken away by bad guys?

"No! You can't go!"

"Now we don't even know who the other party is, let alone where Li Tian was taken into captivity...Where are you looking for?" Then Chen Qiaozhi quickly grabbed Situ Ningbing.

Duanmuying also stood there blankly, and muttered: How could this be? How could this be? Who? Who is that guy?

In this way, Li Tian was taken away by the weird and ugly guy!

No way, this incident is too unexpected, it is beyond the imagination of the brothers!

Who can imagine that such a weird villain would burst out on such a road? And the skill is so high? Even the ghost servants and Duguxie can't stop him for a while!

Chapter 855: Domo

And it was obvious that the other party had come prepared, otherwise, that ugly guy wouldn't be able to grab Li Tian from the hands of Duguxie and the ghost servant so easily.

But who is that ugly weirdo? Why did you want to take Li Tian suddenly?

"How is Xiaolong?"

"Let's take a look at Xiaolong's injury first." Chen Qiaozhi over there suddenly remembered that Tang Xiaolong was still seriously injured. No, he ran to help Tang Xiaolong from the ground.

But seeing the blood stains on the corner of Tang Xiaolong's mouth, he fainted to death on the ground, but his life was carefree, but he was stunned by the thick palm of the opponent.

Looking at the kidnapped Li Tian, Duguxie and the ghost servant stood motionless with deep self-blame on their faces.

No one feels more uncomfortable than they feel at this moment!

They were originally protecting Li Tian, but never thought that Li Tian would still be killed.

The ghost servant's eyes were blood red, and his whole body was trembling uncontrollably.

"Second brother, what should I do?"

"Young Master was taken away...what should I do?" The ghost servant asked while looking at Duguxie anxiously.

As for Duguxie, he was standing motionless. There was no expression on his green face at the moment, and the bronze sword in his hand was also roaring slightly in the wind.

"Maybe the young master won't happen for a while!" A word suddenly came out of Du Guxie's mouth.

"Second brother, why do you say that? Just now you saw that the gangster is definitely not a good kind... and his martial arts are extremely high!" Ghost servant said.

"In case, in case that person is a thief in the gate of hell, that would be terrible!" The ghost servant said in fear.

What he feared most was that Li Tian would fall into the hands of that **** gate! Because in that case, Li Tian will undoubtedly die.

But Duguxie shook his head suddenly.

"No! Definitely not from the gate of hell!"

"Because... I have almost guessed who he is now."

Listening to Duguxie suddenly saying this, not only the ghost servant was stunned for a moment, but even the brothers around him all came together.

"Second brother, how do you know who that person is?" Ghost servant asked in surprise.

Just listen to Duguxie's sullen expression: "Did you hear the last words he left behind when he was kidnapping the young master?"

Listening to Duguxie's words, the ghost servant woke up in an instant.

Yes, after the ugly weird guy did take Li Tian away, he left a sentence, which is: If you want this kid to live, let the evil **** come to me...

Could it be that his purpose of taking Li Tian abducted was to force the evil **** to come out?

Does he know the evil god? But why did he persecute the evil **** that had disappeared for more than 20 years to be born?

"Second brother, can it be said that that guy knows our eldest brother?" The ghost servant said with shocked eyes.

Duguxie said: "More than knowing... if I didn't guess wrong, he was the demon who was defeated by his elder brother in the battle in Laoshan, Dove."

"Dove Demon?" When hearing the words "Dove Demon", the ghost servant's eyes suddenly widened.

It seems that the name is terrifying.

Yes, the name is really terrifying. If you can travel through time and go back twenty years ago, you must know that there is a demon of the demon on the road...

The Dove Demon is a demon who is both righteous and evil, and it can be said to be exactly the same as the evil god.

But Dove Demon is far more evil than Cthulhu, more than twenty years ago, because he has always killed people as commonplace. As long as he offends him, no one will die in peace.

Therefore he was also called: the killer.

According to legend: Dove Demon was born with five sense defects from a young age, so it looks strangely ugly, but his techniques are quite scary and terrifying.

"Second brother...Is the he just now the Dove demon who was defeated by the eldest brother?" The ghost servant said unbelievably at this moment.

He couldn't believe that the demon who had done a lot of evil 25 years ago would suddenly come back out of the world.

"Yes!"

"Although I haven't seen his true face, I heard my elder brother once talked about this person... this person is extremely ugly, and his skills are terrifying. In the battle at Laoshan, my eldest brother felt sorry for him, although he defeated him. But he did not kill him! But the eldest brother once said that there are 5 people in the world who must be guarded...and this Dove Demon is one of them!"

"My eldest brother once said: Although Dove demon was defeated in Laoshan, he has very small eyes. One day he will come to me for revenge again, so he has been telling me!"

"I think that this person just now has an extremely ugly face, nine out of ten. It may be the demon who was defeated by the eldest brother in Laoshan, Dove demon, and I guess that the dove demon was born, maybe because he heard the young master's The news!" Duguxie suddenly sighed.

what?

Could it be said that Li Tian is the son of the evil god, has it really been spread out?

If this is the case, then the world may really be in chaos!

You must know how many evil spirits the Cthulhu had killed, how many underworld figures who had offended him... If those demon heads really knew that in this world, the Cthulhu's son still existed... Then there is no doubt that they will all come. Looking for Li Tian!

When the time comes for Li Tian's troubles, it will be more than one thing.

"Second brother, what do you mean is that the evil thief Dove demon caught our young master for revenge?" The ghost servant said in shock.

Because he was afraid of Li Tian's safety.

"No! I think it might not be!"

"I think the Dove Demon may be looking for our big brother!" said Duguxie.

"Looking for Big Brother? But Big Brother has disappeared for so many years..." Gui Pu said.

"You know, Dove demon still doesn't know these things... He thought that we two were born, and we both were protecting the young master along the way... So he might also think that our eldest brother was born... So I guess, The reason why he took away our young master this time is to find the big brother and to report the humiliation of the failure that year!"

After being defeated by Cthulhu in the Battle of Laoshan that year, the Dove Demon never appeared in the arena again.

He was originally a very small-minded and extremely vicious demon. He must remember the humiliation of failure back then!

"Even if the Dove demon wants to find our big brother... for now, he won't touch the young master, but he has already said... the young master will definitely suffer a lot in his hands!" The ghost servant said worriedly.

Duguxie slowly looked into the distance and said, "Don't worry!"

"Leave this to me! I will look for Young Master!" Du Guxie said suddenly.

"Second brother, I'll go with you!" Ghost servant said.

But Duguxie shook his head: "No! You stay, stay to take care of them... Just leave it to me to find the young master!"

"Also, you take them to Beitang City first... If I find the Young Master at that time, I will definitely join you! Duguxiedao.

"but....."

The ghost servant seemed to want to say something more, but Du Guxie shook his head slightly.

"The second brother, let's put the matter of looking for the third sister aside for now?" asked the ghost servant.

Duguxie nodded: "It can only be done right now! Finding the Young Master first, and rescuing the Young Master from the hands of the Dove Demon is the current important thing!"

"Okay, I listen to your second brother!"

After talking about Duguxie, he suddenly slid his body, and quickly chased him in the direction where Li Tian and Qiu Mo had gone just now with a swift body technique. He quickly rose and fell, his lonely figure, Also disappeared into the distance.

Chapter 856: Weird cave

The brothers who watched Duguxie suddenly leave, all came over.

"Senior Ghost... Where did Senior Dugu go?"

"Looking for Young Master!" The ghost servant said slightly.

After Chen Qiaozhi listened to them, they made a slight oh.

"Hey! I really don't know who robbed Li Tian..." Chen Qiaozhi said with a sigh.

"Don't worry, my second brother has already gone after him. I believe the young master will be fine." Ghost servant said.

"By the way, how is Xiaolong?" The ghost servant quickly turned to look at Chen Qiaozhi in front of them and asked.

"Xiaolong was knocked unconscious, but his life is fine, but his body is not small."

"People are okay, then I can rest assured." Ghost servant said.

In this way, Li Tian was taken away by the mysterious and ugly guy. Although the brothers were worried about Li Tianzhi in their hearts, it was useless to worry about them. The other party's kung fu and strength were far beyond their imagination, so they are now He could only listen to the ghost servant's words, staying silently one by one, obeying the ghost servant's instructions.

But where did Li Tian be taken captive by that mysterious and ugly stranger?

After Li Tian was suddenly restrained by the strange man, Li Tian's whole body suddenly stiffened, and there was no feeling at all.

In the middle of the mountains and forests far away, only a black shadow can be seen rushing forward like the wind... A closer look reveals that it is the weird man who kidnapped Li Tian, and where is Li Tian? It was caught in the arm by that ugly weird and ran forward.

Li Tian's body couldn't use any strength at this moment, he could only feel the strong wind coming from his ears rushing forward.

I don't know why, Li Tian doesn't feel scared in his heart now... He just feels the extreme difference, wondering why this weird person wants to take him away?

I don't know how far the weird man took Li Tian to run wild...how long did he run wild...

Finally, when he was approaching the dense forest ahead, the weird man suddenly stopped.

After stopping, Li Tian only heard the sound of running water coming from his ears.

Just when Li Tian was astonished, the strange man suddenly threw his body to the ground.

Li Tian's body was stiff, and when he was thrown down, he fell to the ground with a plop, and at the same time he made a cry of pain in his mouth.

The ugly weird didn't even look at Li Tian, but silently looked at the place in front.

But what about Li Tian? After being brought here all of a sudden by this weird ugly guy, he was taken aback for a moment, then blinked and looked around.

But the place in front of me suddenly turned out to be a natural stone cave, and the place in front was a huge pool with rushing water flowing on it.

After Li Tian suddenly saw this place, he was stunned.

"This is where?"

"What does this weirdo do to bring himself here?"

After Li Tian took a round in his mind, he took a slow look at the strange man standing in front of him who seemed to be in a daze, and then his body began to slowly vibrate his legs...the steps were very light and light.

He wanted to take the opportunity to run away.

"Boy, don't you want to run in front of me?" Suddenly the ugly weird smiled with his back to Li Tian.

Li Tian was stunned!

He was going to sneak away, but he was speechless.

Since he couldn't run away, Li Tian could only face this ugly weird person.

"Who are you? Why do you want to catch me?" Li Tian asked, looking at this weird guy with his back facing him.

But seeing the weird guy suddenly turned his head.

And Li Tian also saw his extremely ugly face completely at this moment... To be honest, when Li Tian looked at it at first glance, he was really taken aback! Because his face is really ugly, ugly, to the point of indescribable ugliness.

The pitted pockmarks on the sauce-purple face are prominent on his face. The nose is completely collapsed, as if he was slapped with a brick. Those eyes are like mouse eyes. But it exudes an evil and sinister light, staring at Li Tian in front of him unblinkingly.

After seeing his extremely ugly face, Li Tian almost died of disgust.

At the moment the weird and ugly guy suddenly turned his face, his ugly eyes stared at Li Tian's whole body unblinkingly, and Li Tian looked uncomfortable.

"You... what are you looking at me for?" Li Tian faced this weird person, wondering why something was going to happen.

But seeing that ugly weird man suddenly smiled.

"Boy, let me ask you, who is your last name?" The ugly weird suddenly looked at Li Tian and asked.

When Li Tian heard this ugly guy, he didn't even know what his name was, so he caught himself, and immediately became depressed.

"What is my name, whatever your business!"

"I want to ask you... Why did you catch me back?" Li Tian was not afraid to face the ugly guy in front of him and asked.

The ugly guy heard Li Tian speak so presumptuously in front of him, and suddenly snorted: "Good boy, dare to talk to me like this, don't you fear that I will pinch you to death?"

"Really? You pinch me to death if you have the ability!" Li Tian also said angrily at the moment.

"Good boy, do you think I dare not kill you?"

The ugly guy suddenly roared, and his low body suddenly deceived Li Tian's body. A cold right hand suddenly grabbed Li Tian's neck, which immediately suffocated Li Tian, but Li Tian did. He didn't say a word, his eyes were staring, and his entire face was pale when the ugly guy pinched his neck, but he didn't ask for mercy.

Seeing Li Tianning's death and refusing to beg for mercy in front of him, the ugly guy suddenly said: "There is a kind, you have a kind! You deserve to be his son!" The ugly guy said to himself. , And then his cold right hand was sent down slightly from Li Tian's neck.

After Li Tian's neck was loosened, his neck was pinched to appear purple and blue, and after a few loud gasps, he slowly raised his hateful eyes to look at this weird and ugly guy.

However, after the weird guy let go, he suddenly grabbed Li Tian's arm... and then said weirdly: "Come with me!"

As his voice fell to the ground, his body suddenly jumped, and Li Tian, who was caught, was also taken up suddenly, and his body suddenly jumped towards the stone cave in front of him.

Because the speed was so fast, when Li Tian was dragged and fell into the cave, his feet were unstable and fell to the ground.

Chapter 857: Fudge him

The ugly weird looked at Li Tian who fell to the ground, and suddenly snorted coldly in his mouth: "Useless things!"

"I really didn't expect the Cthulhu to have such a waste son! Hey!"

Then he walked forward on his own.

What about Li Tian? I also heard that ugly guy insulting himself like this, and he was extremely resentful in his heart, but he hated it, but he did marvel at the strength of this ugly guy in his heart, how could he be so powerful? When I lifted myself up, he felt as if he was effortless.

Then Li Tian slowly climbed up from the ground at this moment and looked at the cave in front of him. The cave is a naturally formed cave. Because of the flowing water, it looks a little wet, but the light is quite sufficient. of.

Li Tian was really curious about why this monster suddenly brought himself here.

When Li Tian was curious, the ugly weird suddenly turned his head and said with a gloomy smile: "From now on, I will live here!"

what? Live here? Does this ugly guy live in a cave?

Li Tian stared at this ugly strange man with a pair of horrified eyes at this moment.

"Boy, what do you look at? You will stay here with me in the future." The weird man said with a smile.

"Ah? Do you want me to live here with you?" Li Tian was suddenly depressed.

He still has so many things to do, and so many great feuds that he has not yet reported. How could he live here with this ugly guy?

"You... why are you doing this to me? Why are you arresting me?" Li Tian asked suddenly.

He really couldn't figure out what kind of hatred he had with this ugly monster, this weird person actually dealt with him like this.

"To blame... blame your father!" The ugly weird suddenly said in a bad voice.

As soon as Li Tian heard that he was swearing like this, he was furious at the moment: "You thieves are going to scold me! Although you are a hundred times stronger than me, I must not be insulted by you! Even if I die!"

But after seeing that ugly guy listened to Li Tian saying this, not only was he not angry, but on the contrary he was very confused and said: "I scold you? Boy, when did I scold you?"

"You obviously scolded me just now...you said you didn't?" Li Tianan said.

The ugly weird suddenly thought, and then laughed wildly.

"Oh! What do you mean, I just said your dad? Haha..."

Li Tianyi heard this ugly monster saying so again, and roared angrily: "Evil thief, dare you still say?"

"Boy, you can listen to me clearly... I give your father the hatred, which is what a hairy kid like you knows? So you'd better just shut your mouth honestly for me... if you upset me ...Be careful, I killed you ahead of time!" The ugly guy suddenly whispered.

Suddenly hearing this ugly weird roar so loudly, Li Tian was slightly startled.

Is he talking about his father?

Could it be said that he knew his father?

Then Li Tian suddenly thought of the words that ugly guy said when he took them away, and was stunned.

It seems that this monster is indeed because of his father, so he caught himself here.

But what kind of hatred does his father have with this ugly guy? Li Tian still doesn't know the truth.

But after seeing the ugly weird taking a look inside the cave, he suddenly turned his head slowly and looked at Li Tian.

"Boy, come here, let me ask you a few things!" The ugly monster suddenly looked at Li Tianzai and said.

When Li Tian heard the monster say this, he felt resentful and didn't bother to pay attention to him.

"Hey, kid, didn't you hear me?" the ugly guy said suddenly in displeased voice.

Li Tian turned his head slowly, looked at the ugly guy and said, "What do you want to ask?"

"I want to ask you, where is your father? Where is he now?" The ugly weird suddenly asked.

When Li Tian heard this, he was immediately depressed, and he secretly said that this ugly guy does not know anything.

"Do you want to ask my father?" Li Tian said suddenly.

"Nonsense! If I don't ask him...why did I catch you!" Hearing only the ugly voice said displeased.

Li Tiandao: "Then do you know who my father is?"

"You kid pretending to be stupid in front of me? Do you think his evil god's name is really invincible? Huh? You dare to show off in front of the old man..." said the ugly weird.

Listening to the ugly weird saying this all of a sudden, Li Tian suddenly understood that this ugly guy indeed already knew who his father was! It seems that he must have come with a purpose this time, but it seems that this monster does not understand the disappearance of his father for so many years.

So Li Tian said: "You arrested me, is it just to see my father?"

"Of course." said the ugly weird.

Li Tian suddenly laughed.

The ugly guy was slightly taken aback when he saw Li Tian suddenly laughed.

"Boy, what are you laughing at?"

Li Tian smiled and looked at the ugly guy and said, "I laugh at you!"

"Laugh at me? Do you dare to laugh at me? Don't you want to live anymore?" the ugly guy suddenly said angrily.

"Haha! Who doesn't want to live anymore? Maybe it's not necessarily!" Li Tian said suddenly.

The ugly monster heard Li Tian say this, even more strange: "What do you mean?"

"I mean, you are dying, dare to catch me!" Hearing Li Tiandao only said.

That ugly monster listened to Li Tian saying he was going to die? Right now I laughed wildly: "I'm dying? Boy, you can't tell lies? I can die? I told you that the person who can kill me Dove demon hasn't appeared in this world yet!"

When this ugly guy suddenly revealed his identity and his name was Dove Demon, Li Tian was indeed shocked. Although he didn't know who this Dove Demon was, he could vaguely feel that this person was definitely not ordinary. Demon.

"Boy, tell me, why did I die?" After admitting that he was the Dove Demon, he couldn't help looking at Li Tian curiously.

Li Tian said, "You just arrested me just to see my father?"

"Yeah! What's the matter?" Domo demon asked in confusion.

"Do you know who my father is? He is a Cthulhu... the only Cthulhu in the sky and the earth! Think about it again... If my father knew that I was caught by you, he would definitely come to you... Measure for yourself, are you my father's opponent?" Li Tian said with a smile.

The clever Li Tian wanted to use his father's fame to shock the Dove demon in front of him! Although he didn't know what kind of demon this Dove demon was, Li Tian could feel that this Dove demon still didn't know the news that his father had disappeared for so many years, so he deceived the Dove demon to say that.

Chapter 858: Dove deceived

But the Dove Demon suddenly laughed when he heard Li Tian say this.

"Boy, don't you know, I arrested you to prove that I am better than him? I just want to defeat him once." Dove Demon said suddenly.

what?

When Li Tian heard this ugly Dove demon say so all of a sudden, he was speechless right now

It turned out that this ugly guy caught himself in order to find his father? And he even said that he would defeat his father!

Why? Li Tianzhuo couldn't understand, he could only see the anger on the face of the Dove Demon, as if he was hostile to his father.

"Why do you have to prove that you are better than my father? And you have to beat him?" Li Tian asked curiously.

Listening to Li Tian's words, the Dove Demon suddenly became angry.

"Nonsense! I want to report the humiliation of my failure, of course, I have to beat him once." Hatomo said angrily.

"Ah? So you were defeated by my father before?" Li Tian understood.

No wonder this guy has been threatening to find his father, and he has been talking about defeating his father. It turns out that he lost to the evil **** long, long ago...

What about Hato? When he mentioned his shameful past, he became angry in his heart, but there was no way. Although Dove Demon was a great demon, he did say that one was one and two was a iron-blooded man... This was also the evil **** back then. The reason why he didn't kill him.

"Hmph, kid, don't be too happy! I came out this time to defeat your father... to repay my failure in the past!" Najimo sneered.

When Li Tian heard this, he thought about it and asked, "What if you can't see my father?"

"Huh? I caught your kid, can't you force him out?" The Dove demon looked at Li Tianjian and said with a smile.

Hearing what the Dove Demon said, Li Tian was depressed! It seems that the Dove Demon does not know the disappearance of his father for so many years...

"I said, if my father doesn't come to me, what are you going to do?" Li Tian continued to tentatively look at the Dove in front of him and asked.

Dove Demon was taken aback, and his mouse-like sharp eyes glanced at Li Tian and said: "Then I will kill your kid first! Then I will look for him!"

what?

When Li Tian heard this dove demon say so, it hurts to lay the egg!

What can I do?

This Dove Demon is now wholeheartedly looking for his father to avenge his failure, but the news of his father, now even Li Tian himself does not know... and he has never seen his appearance since he was young, this Nima How could he come to save himself? Is it really going to be unlucky this time? Unlucky in the hands of this ugly guy?

Thinking of these Li Tian was depressed.

But he still didn't give up hope, frowning and thinking deeply about a way there.

"Boy, let me tell you... Twenty-six years ago, the old man was defeated in the hands of your father in Laoshan... Well, at that time, I only blamed me for being unprepared and too careless. I didn't expect him to be so young in martial arts. Great...otherwise, whoever loses and who wins is not necessarily true!" Dove demon said in retrospect, he said,

Li Tian smiled slightly on the side.

Seeing Li Tianxiao, Dove Demon's anger soared.

"What is your kid laughing at? Are you laughing at the old man?" Domo said angrily.

Li Tian didn't seem to be afraid of him, and he continued smiling there and said, "Yes? But I heard my father once said that when he defeated you, he only used half of his skill!" The Dove Demon with a bad brain deceiving him.

When Dove Demon suddenly heard Li Tian say this, he almost jumped up with anger.

"Fart... fart! Who did you listen to?"

"That **** dares to say such crazy words? How dare to slander the old man so much?"

The roaring dove demon roared like crazy, and the palm of the roar suddenly slammed into the large bluestone next to it! Hearing only a bang, the huge bluestone was burst open by his domineering palm.

Gosh!

What a terrible palm, what a powerful palm!

When Li Tian watched this ugly monster turned out to be so powerful, he was stunned right now, dear, this old monster is really powerful! Such a big bluestone was broken into pieces by his palm!

But his words have already been said at this moment. If he repents again, the old monster must hate himself even more, so Li Tian continued to lie to him and said, "You don't believe what I said?"

Of course the Hatomo doesn't believe it! But he suddenly thought of the situation when he was defeated in the Laoshan World War, and he was trembling with anger, and even a terrifying murderous aura emerged from his whole body.

"What I said is true! Hey!"

"If you don't believe it, it's all right... But I still remind you... If you really see my father, then you will lose again, then you will be ashamed!" Li Tian smiled and stimulated the demon.

"Asshole, I lost once more than 20 years ago, how can I lose again this time?" said Domo angrily.

Li Tian laughed and said, "It's because you lost once 20 years ago, so you will lose again this time!"

"If you yellow-haired boy dare to say a word? I'll slap you to death!" The Dove Demon glared at Li Tian angrily.

Li Tian can only shut his mouth temporarily, he knows that this old monster can't provoke... If he really gets angry and gives himself a palm, then what?

So Li Tian would stop talking and stay silent.

The Dove Demon looked very depressed, pacing back and forth in the cave, seemingly worried, as if worried about something.

But Li Tian was sitting leisurely with that face, while mumbling some words in his mouth.

I don't know how long it took, the Dove Demon suddenly walked to Li Tian's side and asked, "Boy, is what you just said is true or false?"

When Li Tian heard this suddenly said, not only was he happy in his heart, but his face was pretending to be normal, and he asked indifferently, "What do you mean?"

"I ask you, your father really told you that it took only half of his skill to beat me back then?" It's hard to believe the Dove Demon, but it is a pity that he is a suspicious person and a very face-loving weird... Otherwise, he would not have to find the Cthulhu to settle accounts for the humiliation of a failure more than 20 years ago.

Just listen to Li Tian slowly say: "Hey! Of course what I said is true! You think, I am in your hands now, if I tell lies, you will surely see it all at once with your intelligence. Didn't I seek my own demise at that time? You said yes?"

Chapter 859: I won't let you go

Hao Demon wrinkled his dark pockmarked face and thought for a while, too, this kid is currently in his own hands, does he dare to lie to himself? Besides, how clever I am, how can I be deceived by this kid.

However, Dove Demon felt something was wrong!

I fought with the evil ***** back then, but the whole battle lasted almost a day and night, how could the evil ***** defeat him with only half of his skill? This is not scientific.

Something is wrong! Hao Mo clearly remembered that even though the Heretic God inflicted a heavy wound on him back then, he was not better than that... Could it be that all of this was pretended by the cunning Heretic God?

The more he thinks about it, the stranger it gets!

"No, no! I think you kid seems to be lying to me!" The demon said suddenly.

Li Tian quickly said: "I lied to you? Ha... If you think I lied to you, I can't help it!"

"Dare you say that you didn't lie to me?" Ji Mo raised his eyes and stared at Li Tian's eyeballs.

"Do you know that although your Lao Tzu defeated me back then, he was more or less injured...How could he only use half of his skill?" Hatomo said,

Li Tiandao: "How could I lie to you... Think about it for yourself, if my father was really hard back then, and defeated you with great effort... How could he let you have a way out? It would definitely be straightforward. Kill you! Isn't my father still waiting for you to find him for revenge?"

"I tell you, the reason why my father defeated you and didn't kill you was because he gave you face... He once told me that although you are a villain, you are not a villain, and you are still a senior ... so he deliberately let you! And he accompanied you to pretend to fight for a day and a night... In the end a small victory over you... in order to give you enough face, not to make you too ugly, you understand?"

Listening to Li Tian's flicker, the Dove Demon was completely stunned!

Originally, he was bent on finding the evil ***** to fight against, in order to repay the humiliation of the failure of the year, but after listening to Li Tian's words, he hesitated for a moment.

I saw him frowning there, walking around there with a lot of thoughts...I couldn't help but lining up in his heart: Is what this kid said true or false? Could it be that the evil ***** really defeated me with only half of his power back then? If that were the case, it would be terrible...Although I have worked hard for more than 20 years, I am still not his opponent! Is it true that he will lose again this time in his hands?

Shame, no shame can have a second time! Dove Demon thinks so deeply.

So he is depressed now.

And what about Li Tian? After deceiving the Dove Demon, he seemed very happy. He knew that this old monster was now scared... Now he only hopes that this old monster will let him go because he is afraid of his father's reputation.

Seeing that Hao Demon walked over for a long time, Li Tian finally couldn't help but said, "Hey, do you really want to understand?"

Dove Demon was taken aback, slowly turned that ugly face, looked at him and said: "What are you kidding talking about? What do I want to understand?"

"I mean, you can't beat my father! Twenty years ago, you will still be like this twenty years later! If you use me to threaten my father now, you must be wrong..." Li Tiandao said .

The Dove demon was stunned and said: "If you can't beat it, you can't beat it, what's the matter!"

"Hey! Why are you so stupid, think about it, if you can't beat my father, what's the use of arresting me?"

Hearing this, Hao Mo looked at Li Tiandao with sharp eyes like a knife and said, "Then what you mean by that kid..."

"Release me as soon as possible! In that case, my father will not resent you... and will not trouble you! If you don't let me go... then once my father knows that I was caught here by you ... Then I don't need to talk about the consequences, you must know it very well!"

Listening to Li Tian's words, the Dove Demon was depressed, and his heart was secretly lined: Hey, this kid seems to be right!

But suddenly the Dove demon felt something was wrong again. Isn't this kid trying to escape?

"Do you want me to let you go?" Dove Demon suddenly squinted at Li Tian and said.

Li Tian hurriedly said, "If you don't let me go, you will weigh yourself. What about me? I have already said it, so you can handle the consequences yourself."

"Hey, kid, it's not that easy to let me let you go!"

"Why? Don't you want to let me go? You want to be defeated once under my father's hands? Don't you feel ashamed?" Li Tiandao said,

The Dove demon suddenly smiled evilly and said: "What a shame, I am not ashamed! I tell you boy, even if I am ashamed this time, I will not let you go."

"Also, even if your Laozi defeated me with only half of his skill back then, I won't let you go..." Dove Mo said.

Li Tianyi was immediately depressed when he heard the Dove Demon say this.

"Why? Do you still want to lose again under my father's hands? Are you not afraid of shame?" Li Tiandao asked.

But seeing that Hatomo condensed his brows and thought for a while and said: "I'm afraid! I'm afraid of shame! But I still can't let you go!"

"Your uncle..." Li Tian wanted to scold his mother, wishing to yell at this Dove Demon, but he still resisted it, because he was afraid that the weird Dove Demon would give himself a palm after he scolded him. If a terrifying palm really hits one's body, he won't be able to kill himself with a palm.

So Li Tiandan hurts... His stomach is full of fire, but unfortunately he doesn't know what to do.

He could only sit there helplessly at the moment, looking at the ugly Dove in front of him.

After a long time, Li Tian finally seemed to be a little compromised. He looked at the Dove Demon and asked, "Okay, I'll convince you! Tell me... how can you let me go?"

The Dove demon smiled, showing a row of ugly and disgusting black teeth: "I won't let you go anyway!"

"Fuck me!" Li Tian blurted out suddenly.

"Boy, don't blame me. If you want to blame, you blame me, who let him beat me back then and humiliate me." Domo hummed.

"You shameless old man... How did my father humiliate you? He defeated you back then, and let you have a way of life... If you are not grateful, you will avenge your gratitude. I have seen shameless people in the world. I haven't seen you so shameless!" Li Tian said angrily.

Who knows that the Dove Demon listened to Li Tian's curse, not only was he not angry, but he laughed.

"You know! I tell you, I'm shameless...what's the matter? Anyway, even if your kid says ten thousand things, I won't let you go. Haha!"

Chapter 860: Scary old monster

After the demon laughed wildly and said something, he suddenly deceived himself to Li Tian's side, and then a weird hand did not know what was going on, just a little bit on Li Tian's chest! Li Tian's whole body immediately seemed to be blocked by blood, and he could no longer move.

"You...what do you want to do?" Li Tian asked, looking at the weird guy in shock.

But seeing that Dove demon smiled: "You can just stay here honestly for me first..."

After he finished speaking, his body suddenly leaped towards the outside of the cave like a sharp arrow, and immediately disappeared!

Seeing the monster disappearing away, Li Tian was suddenly depressed, and he secretly said: This is troublesome, why did he meet such an old monster himself? Don't forget that Li Tian still has so many things to do... Besides, brothers and Duguxie, they must be worried about themselves now? But is he just trapped by the old monster in front of him? What should he do? How to do it?

Although Li Tian was anxious, he still tried to calm himself down. He must find a way, he must find a way to leave here, he can't be trapped alive in the hands of this old monster, right?

But he said that after dozens of minutes of going out, the black figure suddenly jumped and returned to the hole, but there was already a dead wild rabbit in his hand.

Li Tian frowned and looked at it, and he said to himself: It turns out that this old thing has gone out to hunt wild rabbits.

Jiu Mo lifted the wild rabbit in his hand and glanced at Li Tiandao, who was sitting quietly, and said, "Boy, do you know how to cook?" What he meant at the moment was clearly that he wanted Li Tian to do the wild he just called. rabbit.

"No! Even if I could, I won't burn you! Starve you to death." Li Tiannu said.

"Hey, you kid, so poisonous! But I like it!" Dove Demon said with a smile showing his black teeth.

So the demon was busy peeling the rabbits there, and then he found dry firewood, and then baked and burned there.

After a while, he got it right.

Don't look at the ugly face of the Hato Demon, but he didn't expect that this wild rabbit actually had a good hand, and the roast was fragrant. Even Li Tian didn't feel hungry when he heard it.

After the scented wild rabbit was roasted at this moment, the Dove demon started to eat it first, and it was delicious, but what about Li Tian? At this moment, he was indeed a little hungry, but he endured it. He couldn't ask for everything and let this **** old monster give him alms.

But he said that the demon was eating there by himself, a very fat wild rabbit, half of it was eaten by the demon in an instant.

After he was full, he squeezed his greasy mouth with his arm, then glanced at Li Tian and smirked.

Then I walked to Li Tian's side, and suddenly weird fingers poke Li Tian's body twice...Li Tian, who was originally stiff, was finally able to dredge...Finally, he was able to move. It seems that he uncovered it again. Li Tian blocked the acupoint.

After the Dove Demon completely unlocked Li Tian, he said, "Boy, you can stay here honestly... I'm going to practice qigong! If you have bad intentions, if you want to run... hehe , Don't blame me for breaking your legs!"

As Dove Demon finished speaking, his body suddenly floated towards the outside of the cave.

What about Li Tian? He was completely depressed. He knew that he couldn't run, because this old monster was really too powerful. If he really wanted to run, this old monster would really break his legs by then, it would hurt.

But he said that after being untied, Li Tian just ignored other things, he wanted to eat first.

There are wild rabbits that Hatomo just roasted by the fire.

After Li Tian walked quickly over, he grabbed the fragrant wild rabbit and ate it. While eating, he couldn't help but conceal the fact that this old monster was very ugly, but the roasted wild rabbit meat was quite fragrant.

Because Li Tian was already hungry, he ate all the remaining wild rabbit meat. After eating, he stayed in the cave with satisfaction.

Looking at this narrow stone cave, Li Tian suddenly became depressed.

"Damn old monster, will it really make me stay here forever?"

Li Tian was thinking like that, thinking, suddenly heard a thumping sound from outside.

Li Tian was taken aback, and hurriedly walked to the door of the cave to see.

At this glance, I was stunned at the moment, I saw that ugly Dove demon was doing?

He is practicing!

Yes, I saw him sitting cross-legged on the ground, and next to him were large bluestones one after another. There were several bluestones that had been crushed alive in front of him.

Li Tian felt curious, so he squatted at the entrance of the stone cave, staring at the dove demon practicing, he wanted to see how powerful the dove demon was.

But seeing the eyes closed slightly, the palms were gathered in front of his chest, and suddenly a strong wind began to appear around him... Then as the vigor of his whole body increased, the surrounding wind gradually increased. It turned into a tornado...Even the sand on the ground was shaken by the strong wind and floated in the air.

Suddenly, after hearing the roar of the monster dove, the body suddenly soared like a big Peng spreading its wings... Then the strong force erupting from both palms hit the bluestone on the ground!

Bang bang bang...

The big bluestones that were hit were shattered alive one by one, and the stone chips flew up in the air.

Be good! What kind of horrible kung fu is this?

Li Tian was completely stunned when he saw that the Dove Demon could actually shatter the bluestone on the ground with his split palm.

To be honest, since Li Tian debuted, he has seen so many masters in battle, including masters in the gate of hell, including those masters of the Duanmu family... But he has not seen a person as scary as this Dove Demon, terror!

A person actually smashed the bluestone with the power of the palm of the space. It is conceivable that if such a terrible heavy palm hits a person, what effect would it have? That would definitely shatter the heart of the human body.

Li Tian was completely shocked at the moment! If he had not read it wrong, the strength of this weird man, Dove Demon, could definitely contend with the horror of that Duguxie Ultimate Sword Art.

After seeing the terrifying strength of this strange man, Li Tian suddenly felt desperate, because he knew that he wanted to escape from this old monster. It seemed that there was no hope at all.

What should I do? This monster is so powerful that he will not be able to escape if he wants to escape in the future...Even if it is Duguxie and his brothers rushing to rescue him, I am afraid...I am afraid...It's not enough, so Li Tian will not only worry about it.
