

## A Killer 86

Chapter 86: stranger

After cleaning his face, Shen Feng said to Li Tiandao: "Brother, go and have breakfast."

Then he took Li Tian and walked outside.

Originally, Li Tian wanted to tell Shen Feng what he was going to leave. After all, the dew meets. It is not a problem to follow Shen Feng. Besides, he doesn't even know what Shen Feng does, so... But he didn't have the opportunity to say it.

After following Shen Feng out, the sun has reached the top of his head.

The weather today was not bad, but there were a lot of pedestrians outside. After coming out of the alley, Shen Feng led Li Tian to the front.

"Brother, do you have a job?" Shen Feng looked at Li Tian and asked.

Li Tiandao: "Just resigned."

"oh, I see."

"If you don't dislike it, let's mix up together for the first time. Anyway, I'm pretty idle. It's pretty boring to be alone." Shen Feng said with a smile.

Hearing what Shen Feng said, Li Tian was a little depressed, and he secretly said: What can you do with such a vagrant?

Li Tian, who just wanted to say it, heard Shen Feng continue to say: "I, belong to the kind of temperament, see the right person, a hundred cross-hearted! Just like you brother, but if I don't like it. People, I won't get along with him even if I'm killed, maybe this is the fate in the legend."

"Brother, if you don't mind, we'll be together from now on." Shen Feng said with a smile on Li Tian's shoulder.

Seeing Shen Feng's boldness, Li Tian originally had concerns in his heart, but he disappeared without a trace at this moment. Anyway, he is now a person with nothing. Since he is so worthy of himself, he can't help but give others face.

So Li Tian said: "Okay."

"Okay! From now on, the two of us will be brothers!"

As they talked, the two had already walked towards the small restaurant of Xia Xue.

Xia Xue's small restaurant still looked a little deserted, and when Shen Feng walked in with Li Tian, there was only a table of diners. On the other hand, Xia Xue had an account book standing in front of the front desk, as if she was doing the final accounts there.

Today's Xia Xue changed into a pink tight-fitting T-shirt. Her hair was \*\*\*\* yesterday, but it was indeed scattered on her shoulders today. Her black hair hangs down from her waist, and the bottom is still That slender pair of jeans.

Li Tian didn't know what was going on. He seemed to be anxious to see Xia Xue's beauty in his heart.

Isn't this? After following Shen Feng in, his eyes were cast on Xia Xue's pretty face.

Shen Feng walked in with a smile.

"Sister Xue, morning."

When Xia Xue heard Shen Feng's cry, she raised her pretty face slightly, and gave Shen Feng a white look.

"It's early? It's almost 11 o'clock? It's early? You are just pigs." Xia Xue said with a smile.

Shen Feng smiled shamelessly and said, "Tsk tsk, what Sister Xue scolded was that if I didn't listen to Sister Xue scolded by Shen Feng, I would feel sick all over."

Xia Xue giggled, smiling like a flower.

Li Tian also laughed.

"What are you eating?" Xia Xue looked at Li Tian and said to Shen Feng.

"Whatever you want." Shen Feng said.

"Well, all right, let's sit there for a while." Xia Xue walked inside as she said.

Li Tian and Shen Feng found a place and sat down slowly.

"Brother, how about Sister Xue?" Shen Feng said to Li Tian with a smirk in front of him.

Li Tian smiled and said, "It's really good."

"Hey, who can marry a superb beauty like Sister Xue in this life is a lifetime blessing." Shen Feng sighed in front of him.

"Brother, let me tell you, I have been pursuing Sister Xue for almost five years, but it is a pity that Sister Xue has never birdied me, hurt me, and now I want to understand it, this relationship between men and women can't be achieved by hard work. Brother, I don't have this blessing in this life anyway." Shen Feng, who was talking, shook his head and sighed.

Li Tian couldn't help thinking: Is Xia Xue single? Such a beauty? How can you be single?

"Shen Feng, why did Sister Xue open a small restaurant here?" Li Tian asked curiously.

Shen Feng shook his head: "Actually I don't know."

"I was quite curious before. I asked Sister Xue several times, but Sister Xue didn't seem to be happy, so I didn't ask again." Shen Feng said.

"Hey, in fact, everyone has everyone's secret, and we don't have to ask too much.

Li Tian said, he didn't ask any more, but in his heart he secretly said: What is the reason?

When the two were talking, that Xia Xue had already walked out carrying a drawer of steamed buns.

"What are you two talking about? Are you talking bad about me?" Xia Xue asked this when she put the fragrant buns on the table and looked at Shen Feng with beautiful eyes.

Shen Feng hurriedly smiled and said, "No."

"We dare not."

"If you dare to speak ill of me, you don't want to eat with me next time." Xia Xue said.

Shen Feng and Li Tian nodded quickly.

Xia Xue retreated now.

"A woman is really a tiger. Sister Xue is the tiger among tigers." Shen Feng said with a smile.

Soon the buns were dried up by two people, and then they drank some porridge.

While they were talking here, a big crowd on the street outside drove aggressively toward this side.

While thinking about driving here, while honking the harsh horn, the sound of cars rang in the crowded small streets.

Through the black car window glass, you can see that the man driving inside is a wretched man with a sharper head, with a sallow face, a pair of mouse eyes staring at the front, slowly driving the car.

And behind the car sat a fat and bloated man.

The fat all over his body made him look like a pig, his head was round, his face was greasy, and the meat circle around his neck was like a car tire, sitting on the car.

On the other hand, the platinum Rolex (ROLEX) worn on the wrist seemed to blink, and the other hand also wore a bright gemstone ring.

There was also a charming woman with her arms around. The woman belonged to the kind of very coquettish woman, painted in a very thick costume, and had a very hot body. A pair of plump \*\*\*\* of white flesh were vigorously rubbing against the fat man.

The fat man hugged the woman in his arms, and touched the woman unscrupulously with his dishonest hands, but what about the woman? He seemed to enjoy the ravages, making a series of small breathing sounds,

Who is this fat guy?

If you have stayed in this area for a while, you must know the name of the fat man.

Fatty man: He is a real bastard, a rich pig.

Many properties in this area belong to the fat guy, so he is very arrogant here.
