

A Killer 861

Chapter 861: Black magic

While he was frowning and thinking about his thoughts, suddenly the Dove demon no longer knew when he had arrived by his side.

"Hey, kid, why don't you just stay in the cave, why do you come out?" Dove Demon looked at that Li Tian with a gloomy smile and said.

Li Tian really didn't bother to talk to him, so he didn't speak, and sat quietly on the side.

But seeing that Dove demon continued to say: "Hey, I ask you, did your kid see my domineering skill just now?"

Li Tian was slightly startled when he heard this Dove Demon say this. He thought to himself that he had seen arrogant people and shameless people, but he had never seen a shameless fellow like this Dove Demon... How can anyone boast of their kung fu when they come up?

So Li Tian snorted in disdain.

Dove demon was taken aback for a moment, and his face looked a little unhappy: "Hey, what shall I ask you? Boy, did you see my open palm just now? What do you think?" Dove demon went from Li Tian to the stone cave entrance. In an instant, I felt Li Tian... so I couldn't help but proudly look at Li Tianwen at that moment.

Li Tian was taken aback for a moment, then raised his head to look at the Dove Demon: "Do you want me to praise you?"

"Of course!" Haha Haha laughed and said,

"Boy, tell me, if my split palm is now compared with your Lao Tzu's skill, which one of us is stronger and who is weak?" The Dove demon blinked his eyes and asked Li Tian.

Li Tian was depressed all of a sudden, and he secretly said that this old monster wanted to compete with his father, so he suddenly laughed.

"Hey, you yellow-haired boy, what are you laughing at?" Dove Demon looked at Li Tian in surprise and asked.

"I laugh at you!" Li Tian said suddenly.

"Well, you stinky boy, do you dare to laugh at me?" The Dove demon said angrily.

"Of course I laughed at you... I laughed at you for being too self-proclaimed..." Li Tian said with a smile.

"Good boy, do you dare to hurt me?"

"You mean my kung fu is not as good as your Lao Tzu's kung fu, right?" But seeing that Dove demon said with resentment.

Li Tian stopped laughing and looked at Hao Modao and said, "Do you want to hear the truth? Or do you want to hear lies?"

"Nonsense, of course the old man wants to hear the truth." Hatomo said.

"Well, since you want to hear the truth, then I will tell you the truth... Just your little effort just now, if it really comes to my father, hehe... If you don't have fifty moves, I'm sure you will definitely fall into the trap. Run away!" Li Tian laughed and deceived him. In fact, Li Tian is just trying to lie to him... This Dove Demon's skill has already reached a terrifying level... Li Tian can't know, but he must say so at this moment. If he wants to say this Dove Demon is powerful, It is estimated that this old monster must not arrogantly find his father to compete, besides, Li Tian felt that this old man was too proud, so he was deceiving him there.

Suddenly hearing Li Tian taunting himself so much, then Yu Mo suddenly became angry.

"Your kid is looking for death!" The voice fell, and a terrifying palm suddenly hit Li Tian on the top of the head.

But what about Li Tian? But it is not evasive, as if it is not afraid of death.

But seeing the terrifying palm of the Dove Demon when it reached the top of Li Tian's head, it suddenly stopped.

His face was so ugly that he wanted to eat Li Tian alive, but he finally endured it.

He suddenly jumped to the open ground below the stone cave: "Boy, didn't you just say that my chopping palm is not good, right? I now show you another kind of martial arts of mine!"

"You better stare wide at me... see clearly!"

"Look at whether it is my kung fu or your Lao Tzu's kung fu!"

Following the roar of the Dove Demon Oh, his figure suddenly danced.

What about Li Tian? At this moment, staring at his eyeballs carefully watching every movement of him.

The current Li Tian is no longer the Li Tian of the year. After he was taught the Unknown Mind Method by the mysterious expert, his perception of various parts of the body, as well as his eyesight, ears, eyesight, and memory have rapidly increased. At this moment, I was concentrating on watching every terrifying move of the Dove Demon, and at the same time, he silently wrote down in his heart.

But after seeing that Dove Demon used his second terrible skill, his figure swayed quickly like a ghost, every move and every style was terrible and vicious, and all moves were ruined. The ultimate move of heaven and earth.

"Black Demon Magic Technique!"

There was a strange whistle, but seeing that all the hands of the Dove Demon turned into terrible black, the entire black horror atmosphere filled his arms, and then he saw him roar!

boom

With the terrifying power of destroying the world and destroying the earth, it blasted forward!

Click, click

The few thick and sturdy trees in front of the bowl were all shattered by his terrifying black magic magic!

With a plop, several trees were shattered alive and all fell to the ground.

Terrible strength, terrible black magic magic!

Most people may not know that when the Dove Demon and the Heretic God fought in Laoshan, they used this terrible Black Demon Art. One can imagine how terrible this Black Demon Art was?

And Li Tian was completely speechless when he saw the dove demon perform this terrifying black demon magic!

He was really shocked! Shocked the terrible strength of this ugly guy.

But after seeing that the Dove Demon had used this terrifying black demon magic in front of Li Tian, he suddenly jumped to Li Tian's side, grabbed Li Tian's clothes and lifted him up.

"Hey, boy, can you see my magic?"

"Isn't it amazing?" Dove Demon asked Li Tian, staring at it.

Li Tian said the truth: "Awesome!"

"Haha!" When the Dove demon heard Li Tian finally confessing that he was great, he couldn't help laughing wildly, seeming very happy, as if he would be very excited after being praised.

Then he grabbed Li Tian's hand and sent it away at the same time.

"You guys have eyesight... Hmph, I can tell you... The Black Demon Divine Art I used just now is my unique skill. There are definitely not a few people in the world who can handle my Black Demon Divine Art tricks!" Dove Demon said arrogantly.

In fact, what Have Demon said was not bad. The Dark Demon's divine art he had just displayed was indeed terrifying and powerful. Looking at the world, there are absolutely few people who dare to really face this blow.

But what about Li Tian? Suddenly there was another word that caused the demon to collapse directly.

He just thought about it and wanted to look at the Dove Demon there, smiling with a very sincere face, and said, "Your Dark Demon's magical skill is indeed amazing, but you can be too bragging!"

Chapter 862: I won't fight you

"What does it mean that few people in the world can catch your black magic? I think you are a frog at the bottom of the well, so arrogant." Li Tian said disdainfully.

Listening to Li Tian saying this to himself at once, the devilish spirit almost jumped.

"What are you talking about? Isn't my Dark Demon's magical power still good? Do you dare to say how many people in the world can catch my Dark Devil's magic?" Hatomo said angrily.

But seeing Li Tian smiled and said, "As far as I know, there are many people who can catch it!"

"Huh! You stinky boy, arrogant, you have the ability to try with the old man, see if the old man can beat you to death!" The Dove demon seemed to be trying to compete with Li Tian and said angrily.

But seeing Li Tian smiled and said, "Shall I fight you?"

"I'm too lazy to fight you!"

"Why?" Dove demon roared.

"Because I'm afraid of defeating you... By that time, you will never have the face to go out and fuck." Li Tian said with a smile.

When Li Tian said that he was going to defeat him, the demon seemed to have heard a big joke, suddenly the whole person laughed wildly.

"Boy, can you beat me? Oh, my goodness..."

Li Tian frowned slightly and said, "What? You don't believe it?"

The demon turned his face and said angrily: "I want to believe in you, am I just a fool!"

"Haha, if you don't believe me, then I can't help it!" Li Tiandao said.

"Stop talking nonsense, you have the ability to fight with me!" The Dove Demon suddenly roared in a posture, as if to eat Li Tian in words.

Then Li Tian frowned slightly, saying that he wanted to defeat the Dove Demon just now was just a verbal dip... if he really did something with the Dove Demon, it would not be a dead end! With his current strength, how could he be the opponent of that Dove Demon!

"I won't fight you!" Li Tian said suddenly.

Hearing that Li Tian didn't fight with him, Dove Demon suddenly became mad.

"Smelly boy, why don't you fight me? Do you still look down on me?" Dove Demon said with blood red eyes.

Li Tiandao: "I won't fight you anyway!"

"You stinky boy, isn't this a rogue?" Dove demon was so angry that he was dying.

What about Li Tian? If he ignores him, he won't be foolish to fight this terrifying guy. If he wants to fight, wouldn't he be asking for his own death?

The Dove demon sees Li Tian being soft or hard, and there is really no way he can do it. After thinking about it, he suddenly said: "Boy, let's go, if you can beat me, I will let you go immediately! Okay?"

Suddenly hearing this Dove Demon say this, Li Tian suddenly became interested.

"what?"

"You said you let me go?" Li Tian said excitedly, originally he wanted to leave, he wanted to leave this ghostly place as soon as possible, and now he heard this dove demon say so, of course he was even more happy.

Seeing Li Tian's interest, the Dove Demon laughed and said, "Yes! But the premise is that you have to beat me!"

Li Tian suddenly felt a pain when he heard the words of Hao Mo!

How could he have defeated this terrible monster in front of him?

Not to mention that Li Tian's arms are useless, even if his arms are good, it is estimated that he is definitely not the opponent of Dove Demon. There is no way, this Dove Demon's kung fu Li Tian has never seen it, terrifying! It's terrifying!

But now this is Li Tian's only hope, the only hope of escape.

So Li Tian would hesitate!

The Dove demon looked at Li Tian silently sitting there, hehe smiled and said, "I knew that your kid was bragging...Don't you dare? I'm afraid I will kill you with the palm of my hand...Haha!"

Facing the ridicule of Dove Demon, Li Tian, who had already prepared to give up, suddenly angrily said: "Fight, just fight! Am I still afraid of you?"

"There is a kind!"

"Boy, did you agree with that?" The Dove demon said with a strange smile.

Li Tian also said angrily at this moment: "Of course I agree!"

"Old monster, listen to me, if I can really defeat you... will you really let me go?" Li Tian asked,

The demon chuckled: "Of course! My demon's words always count, so I don't want to be the kind of tortoise **** who doesn't count!"

"Don't say you beat me... As long as you can hold 100 moves in my hand, I will let you go!" Hao Mo said.

Listening to this Dove Demon said this, Li Tian suddenly felt energetic.

"This is what you said, a hundred strokes. As long as I insist on a hundred strokes in your hands, you have to let me go. If you don't let me go, if I can live in the future, I have to see people. Saying that you are a tortoise **** who doesn't speak much." Li Tian said with a smile,

"Damn, am I the kind of shameless person?"

"That's good! That's good!" Li Tiandao.

But at the same time Li Tian was depressed again!

It is not easy to talk about it if you want to hold a hundred tricks in the hands of this demon without falling!

You must know that this dove demon was a sturdy demon who was able to fight the evil **** day and night decades ago. Moreover, for so many years, this old demon has not been born, and has been practicing his black demon magic. There is no doubt that his current strength has already reached the level of shocking and terrifying... With Li Tian's skill, how can it be possible to hold a hundred moves?

It is estimated that even ten tricks will not last!

But there is no way. Li Tian really has no choice now. He can't just follow this old monster in this **** cave every day, right? So Li Tian was ready to make a break.

"Come on, let me see how powerful your bragging kid is." The Dove Demon smiled and said to Li Tiandao, as if now he wanted to kill Li Tian with a palm.

But what about Li Tian? It was true that he didn't even move, and he still sat there quietly, with no intention of wanting to do anything with this monster.

"Boy, what are you doing? Why don't you stand up and fight me?" Dove Demon not only said angrily as he looked at Li Tian who was motionless.

What about Li Tian? Suddenly sighed: "Hey!"

"I can't fight you!" he said suddenly.

Upon hearing that Li Tian, who had promised him just now, the devil suddenly repented again, and suddenly became angry.

"What are you talking about? Do you dare to lie to me?" With a roar of anger, Dove Demon suddenly lifted Li Tian to the whole person. Those eyes full of anger seemed to give Li Tian alive. It's like eating.

But seeing Li Tian being picked up by the demon like a chicken, he said helplessly: "I didn't lie to you!"

"Then why didn't you fight me?"

"Could it be that you were afraid to die?" The Dove demon looked at Li Tiandao with contempt.

Li Tiandao: "I am not afraid of death, nor am I not going to fight you, but I can't fight you!"

Chapter 863: I will heal you

"Why?" When Dove Demon heard Li Tian say this, he asked slightly.

"Because my two arms are useless! Hey!" Li Tian suddenly sighed.

"What?" When Li Tian said that his two arms were useless, Dove Demon suddenly became depressed.

Then a pair of gloomy eyes glanced at Li Tian's arms.

"Good boy, you don't even know how to lie. Your arm is obviously good, how could it be abolished? Humph, I think you are a trash... You are still the son of the evil god, and I didn't expect it to be this kind of greed and fear. A dead thing!" Dove Demon looked at that Li Tian's arm could move intact, thinking that Li Tian's arm was good.

But he knew that Li Tian's arm had indeed been abolished.

Hearing Hao Demon cursing himself like this, Li Tian was not angry. On the contrary, he smiled bitterly, then looked helplessly at his two arms and muttered, "Hey...you are right. I am indeed a useless person... useless!" He said suddenly in pain. Especially when he thinks of his abolished two arms, I feel extremely depressed.

After Li Tian said this all of a sudden, the Dove demon looked at Li Tian and felt something was wrong, and his head turned darkly: Hey, why doesn't this kid seem to be lying? Could it be that his two arms are really useless?

After this Dove Demon thought about it so much, he suddenly deceived himself to Li Tian's side.

Li Tian was stunned, but he didn't expect that the Dove Demon would suddenly come to him, and then he was stunned: "What are you doing?"

The Dove Demon did not pay attention to Li Tian, but suddenly stretched out a withered hand, grabbed Li Tian's arm, and then pressed it slightly on Li Tian's arms... Suddenly, there was a wave in his cold eyes. With a weird look, his hands were quickly sent away.

"How can your boy's arm be like this? How can the muscles and veins be so strange... and the muscles and bones of the arm are so fragile?...?" The Dove demon looked at Li Tian in disbelief. Just now, the Dove Demon felt that Li Tian's arm was wrong, so he couldn't help asking.

What did Li Tian think this Dove Demon was doing just now? He didn't expect that he wanted to see if his arms were abolished. At this moment, after hearing the words of the Dove Demon, Li Tian smiled bitterly and said, "I said that my two arms were abolished... .."

"Hey! Now you believe it? Now do you know why I can't fight you?" Li Tian sighed.

The Hatomo frowned and stood on the side, looking very depressed, pacing over and walked over.

"Boy, tell me, how did your arm abolish? How could you connect it again?" Hatomo asked in surprise.

Li Tianxian was bored, so he told the demon about his previous experience back and forth, and also talked about the ghost servant taking his own bones and muscles.

"My arm is like this..." Li Tian finally finished the explanation.

After hearing Li Tian's words, the Dove demon frowned and thought for a while and said, "Hey, this is not easy!"

"If your arm is scrapped, wouldn't it be impossible to fight me? If I force you to fight me now, wouldn't it be at the risk of others...no, no...how can I take advantage of this kid? "The devil was pacing there as he thought.

After Dove Demon was silent for about a few minutes, his face suddenly became happy, as if he had thought of a good idea.

Li Tian was slightly startled at the strange expression of the Dove demon, and was about to ask, but saw that the Dove demon suddenly walked towards him with a smirk on his face.

"What are you doing?" Li Tian felt that the devil's smile was too evil...not only made him feel a little awkward.

But when I saw Hatomo, he smiled: "Don't talk, don't move!"

Speaking suddenly, one hand suddenly pressed the acupuncture point of Li Tian's shoulder well. After being pressed the acupuncture point suddenly, Li Tian couldn't move his whole body, but could only speak with his mouth.

"You...what are you...what are you doing?" Li Tian yelled depressedly when he saw the old monster tapping his acupoint.

But the Dove Demon smiled weirdly: "You kid, please be quiet...I want to heal your arm!"

"As long as your arm is good, you can hit me..." Dove Demon said suddenly.

what?

"You want to heal my arm?" Li Tian was stunned when he heard the demon suddenly say so.

"Do you know how to heal?" Li Tian asked in a puzzled way. He thought that his arms had been completely abolished, and even the ghost servants and Duguxie couldn't heal the weird crazy guy in front of him. Do you know how to heal it? But at the same time he was carrying a surprise in his heart, thinking, if this old monster could really help him heal his arm, wouldn't it be a good thing?

No, Li Tian, with a pleasant surprise, was ready to listen to the answer from that Dove Demon.

Who knew that Dove demon shook his head and said, "How would I know that I am not a doctor!"

"I rub... you can't heal, why are you holding me down?" Li Tian suddenly felt that he was about to collapse, and he couldn't wait to scold this weird and ugly guy for eight years.

But the Dove demon didn't pay attention to Li Tian anymore, instead he said to himself in that weird way: "Do I just need to put my body's dark demon energy into a part of his body and let him? His arms slowly get better?"

"Yes, my black demon's energy is so strong, I believe it will definitely work after being input into his body." The Dove demon said as he pushed Li Tian to sit on the ground.

Li Tian listened to the muttering in the Dove Demon's mouth, and immediately cursed his mother.

"Your uncle...you old monster...what are you doing? Don't heal me..." Li Tian cursed.

Of course he didn't want this weird Dove Demon to heal himself! If the cure is not good, then Li Tian will add to the illness, then Nima will be unlucky! Moreover, Li Tian was even more worried when he heard that the old monster behind him wanted to inject the true energy of the Black Demon into his body.

"Please...please...you don't treat me indiscriminately?" Li Tian almost begged the old monster.

It's a pity that Li Tian's cursing and begging voices, the old monster Dove Demon really ignored the Internet, not even listening.

He just sat down on the ground with Li Tianji, and suddenly his hands slowly gathered in front of his chest, and then a strong black energy began to accumulate in the palms of his hands. When that energy became stronger and stronger, he Suddenly stick it towards Li Tian's back!

Chapter 864: fainted

However, after the palm of the Dove Demon suddenly pressed tightly on Li Tian's back, a strange and extremely powerful aura rushed towards Li Tian's body!

This vigor carried a wave of evil power. After suddenly rushing into Li Tian's body, Li Tian felt an extremely uncomfortable feeling all over his body.

"You...you...stop..." Li Tian couldn't help but said in shock!

Because Li Tian felt that the true energy that the Dove Demon had input to him could not be combined with the energy of his own body at all. On the contrary, his physical energy had begun to violently reject the energy of the black demon from outside.

So he yelled in horror, but only listened to the Dove Demon behind that coldly saying: "Shut up your kid!"

"If you don't shut up anymore, wait a minute, your anger leaked, causing your internal organs to burst and die, then I can't be blamed!"

Hearing what Hao Mo said, Li Tian didn't dare to speak anymore.

Yes, it's a critical juncture, so he can only close his mouth. Although he is extremely worried inside, he still tries to keep quiet.

As the Dove Demon slowly input his black demon energy into Li Tian's body, Li Tian could only feel the surging powerful energy robbers entering his body...

And Li Tian's original body's vast true energy suddenly started to collide after encountering the black demon true energy of the Dove Demon.

Li Tian's original physical qi was left over when the mysterious old man taught Li Tian Wuming Mind Method, and it also contains the weird energy on the Heavenly Book Pill scroll Li Tian learned, so how powerful it is. Isn't this? At this moment, once he encountered the black demon qi of the dove demon, he swallowed all the black demon qi of the dove demon at once.

What about Hato? After seeing his powerful black demon energy enter Li Tian's body, he was swallowed up suddenly, and his heart was shocked and angry!

Can't help but lining up: dear, this kid's body is not simple, he deserves to be the son of a Cthulhu, the original strength is so powerful...but even if your body has the domineering qi, it's hard to match my black devil Really angry!

Isn't this? After thinking about it like this, the Dove Demon accumulated more powerful strength, and the more powerful black demon energy poured into Li Tian's body...

Li Tian's already uncomfortable body was suddenly suffering from this Dove Demon's more powerful black demon innocent energy input, and suddenly the whole body began to tremble, and the middle of his chest seemed as uncomfortable as a raging fire!

After the powerful black demon energy of the Dove demon entered Li Tian's body, it collided with Li Tian's own true energy. The swallowing of each other gradually began to grow stronger and more entangled...

Seeing that Li Tian was very uncomfortable to die, it was a pity that the Dove Demon didn't mean to give up. On the contrary, it continuously poured and input the black demon's true energy into Li Tian's body.

Li Tian's body seemed to explode as a whole, and at the same time he felt the strange acupuncture points under his abdomen begin to ache and hurt! Heartache!

This acupuncture point is the most important gate for Li Tian to break through the limit of his body.

You must know that once this life gate is opened, his people will be reborn like a golden cicada.

But don't forget, the life gate is closely connected with the death gate of the human body... and now Li Tian's body life gate has been touched, and severe pain entangles Li Tian, just when Li Tian's body is suffering endless torture. Suddenly, the dead door in the middle of his chest also began to feel a needle-like pain in an instant.

It felt like a knife was cutting Li Tian's heart fiercely... it was cutting **** with one knife.

His entire face suddenly turned red and suddenly black... The hideous expression made Li Tian look like a beast now, and his body was also being severely damaged.

And what about the old monster Dove? Still fiercely entering the black devil's true energy at Li Tian's body.

I don't know how long it has been!

I don't know how much pain Li Tian endured... I only know that there was sweat on the face of Dove Demon who input the true energy of the Black Demon towards Li Tian.

suddenly,

Wailing

There was a loud roar from Li Tian, who could not bear it, and roared out of Li Tian's mouth...Oh my God, all white energy came out of his mouth!

Then the powerful own power suddenly rushed towards the surroundings, but saw a bang, Li Tian's body seemed to explode, and suddenly the Dove demon who was continuously inputting the black demon's true energy into his body It was so shocked that it flew up to a distance of 56 meters...It made the old monster of Domo demon plop and fell to the ground. The surrounding sand and stones were all shaken by the deadly energy and scattered to the surroundings.

What about Li Tian? Did his body explode?

No, it's not that his body exploded! It was that his body couldn't stand the fight between the dark demon energy in his body and his own energy, and it burst suddenly.

The powerful explosion of energy directly broke Li Tian's body and clothes... but seeing him now sitting there with his bronzed chest and eyes closed and shaking...

His body was even more faintly glowing with red and black energy, as if these two true auras were constantly struggling to torment him in his body.

What about Hato? After being shaken down and sitting on the ground, he was taken aback.

Looking at Li Tian who was trembling violently at the weird moment, he couldn't believe it, and muttered, "What's the matter with this kid? How could the strength of the body be so strange?"

Looking closely at Li Tian's body, the bronze chest is slightly undulating, and there is a faint vigor floating in the middle of the chest...flowing from the whole body to the arms.

Suddenly Li Tian was shaking violently, as if his body had reached its limit.

Bang's whole body fell to the ground at once, unconscious.

Looking at Li Tian who suddenly fell to the ground, the Dove demon was stunned.

He quickly jumped up from the ground, then quickly reached Li Tian's side, and quickly touched Li Tian's breath with his hands.

"Fortunately...not dead!"

When he felt that Li Tian still had a breath, the Dove Demon hurriedly helped Li Tian into the cave... and let Li Tian lie down quietly.

And he? He was sitting on the side with a depressed face.

"How could this be? How could my powerful black demon Zhenqi not cure this kid? And how could this kid explode with such a powerful force for no reason? He even shook himself up... and how did he I'm fainted again? It's really weird... weird." Dove Demon whispered to himself.

Chapter 865: Open the door of life and death

This Dove demon knew that the black demon's true energy he had injected into Li Tian's body was simply harming Li Tian!

Because the true qi cultivated by Li Tian and that of the black demon qi cannot be combined into one at all, how can there be two different qi coexist in the human body?

This led to Li Tian's complete coma.

And this Dove Demon? He still doesn't understand what happened, he just walked back and forth there, staring at Li Tian who had passed out with his brows, hoping that Li Tian would be sober.

Because he thinks Li Tianjie is interesting.

But what about Li Tian? After being in a coma, he is still suffering from the infuriating qi in his body. You can also see his whole body trembling violently, with a painful expression on his face. At the same time, if you look carefully, you will see him. The floating energy in his body is constantly flowing in his body.

In this way, Li Tian didn't know how long he was in a coma. Occasionally, he would suddenly wake up, but within a few minutes of waking up, he would soon pass out again. No one knew what happened, no one. I don't know what major changes are taking place in his body.

The Dove demon saw Li Tian not awake at all, and thought that Li Tian was going to die. He seemed rather depressed at this meeting. After all, the Dove demon had been alone in the mountains for so many years, and it was not easy to catch someone who could follow him. When he talked and said he was going to fight with him, but now he is dying, how can he not be depressed?

While looking at Li Tian lying in the stone cave as if he was dying, Dove Demon touched the black pockmark face and said: "Boy, even if you die, you can't blame me... I Dove Demon didn't harm you!"

Seeing that Li Tian was half-faint and half-dead all day, the Dove demon decided that if Li Tianru was not sober in two more days, he was going to bury Li Tian! According to Domo's understanding? What he meant was that he wanted Li Tian to enter the soil for the sake of peace and good for Li Tian.

While Li Tian had been missing for several days in a row, Du Guxie had been searching for his trace, and the brothers had already reached Beitang City at this moment.

They were deeply worried about Li Tian's safety, but they were worried, and no one knew where to find Li Tian.

Isn't this? From a distance, I saw that Duguxie's figure in the middle of the mountain forest was still searching for the trail of Li Tian and the Dove Demon.

His tall back looks a little thinner, and the bloodshot eyes can clearly be seen on the bronze face. He has not rested for a long time, and at this moment, he is still looking for clues of Li Tian's disappearance among the mountains and forests.

There were vast mountains and dense forests in front of him. I really didn't know where Duguxie should go to find his young master.

Two days passed quickly!

In these two days, Li Tian has been in a state of half-dead, and occasionally at night, he will suddenly go crazy, screaming like he has been tortured endlessly, but it is only a momentary thing, and then he People will faint again, always like this.

Isn't this? After the Dove demon watched Li Tian fainting for another day, he finally decided to bury Li Tian.

Because he felt that Li Tian was in such painful life, it would be better to have died a hundred, how good. At least it will not be painful to die.

So he would take a look at Li Tian who was fainted on the ground, and muttered: "Boy, I'm here to help you relieve your pain... If you are in hell, thank me!"

The murmured Dove Demon walked towards Li Tian in the cave, and then stretched out a pair of thin hands to grab Li Tian and bury it outside.

But when his pair of thin hands suddenly touched Li Tian's body, he suddenly didn't know why his hands seemed to be shocked by an electric shock. They retracted all of a sudden, and at the same time his dark and ugly face It becomes difficult to look.

"How could this happen?" A weird sentence came out of Hatomo's mouth.

After he said it all at once, he saw his eyes blink sharply, looking at Li Tian's body that was motionless and dead.

What happened?

It turns out that at the moment when Dove Demon's fingers touched Li Tian's body, he suddenly felt an extremely powerful vigor in Li Tian's body flowing inexplicably, and it also produced a rebound effect. ? Just now, the Dove Demon shook his arms and flinched back. That weird force was so powerful that even the Great Demon Dove thought so.

What's the situation?

Hatomo was suddenly depressed.

Blinking his eyes and looking at the half-dead Li Tian curiously, Hao Mo paced around: "How can this kid have such sturdy vigor? And it looks stronger than before. What a weird thing!"

Dove Demon really couldn't understand what happened to Li Tian.

He said that he originally wanted to bury Li Tian alive, but now that he felt the strong energy in Li Tian, he hesitated again.

Forget it, I'd better not bury you! Wait and see, Dove Demon murmured in his mouth, and walked out of the cave alone.

Anyway, what happened to Li Tian?

How can such a strong energy be generated in the body for no reason?

Just outside the dove demon out of the cave, Li Tian's body suddenly began to float again inexplicably... Then a scream came out from his mouth... The powerful energy erupted from his body directly The sand and stones around him are directly shaken up to all...

What a domineering energy! What an arrogant energy!

Just when he screamed, his body suddenly bounced from the ground by itself, and then sat firmly on the ground. The exposed bronze skin could see the black and red inside of his body. There was a strange flow of Zhen Qi, one on the left side of the chest and the other on the right side of the chest.

So weird, so weird!

Then you can see that Li Tian's two arms began to tremble violently without knowing what happened, and at the same time, he can hear the creaking of the muscles and bones in his abandoned arms, like a rebirth of muscles and bones.

There was also pain on his face, but he resisted.

What happened to his two arms? Is it really getting a new life?

If you can get into his body now, you can definitely realize that Li Tian's life and death profound door has been completely opened up in the painful death struggle these days!

The door to the limit of his body, the door of life and the door of death, after the Dove demon accidentally used the black demon's true energy of his body to suddenly enter Li Tian's body, thus forcing his body's conditioned reflex, not only stimulating it. Li Tian's body originally had vigorous vigor, and he also opened up the profound gate of life and death because of a blessing in disguise.

Chapter 866: My hands recovered?

Now that Li Tiansheng's death profound door has been opened, then his body is like a new born from a cocoon, beginning to grow continuously.

Two of his arms that were abolished by the old man Yuwen... also began to reshape the muscles and bones at this moment.

So now I can feel the squeaking sound of Li Tian's arms creaking, and at the same time he can feel a new change in his body.

When Li Tian's body changed strangely here, of course the Dove demon didn't know. At this moment, he didn't know how long it had passed. The Dove demon came back from the outside with a pheasant in his hand.

After arriving in the cave, I saw Li Tian quietly sitting cross-legged on the ground at a glance, and he could also see his whole person as if his face was radiant, practicing martial arts there.

His complexion was more energetic than before, and at the same time, he could vaguely feel the aura of his whole body as if it were different from the two before.

When that demon saw Li Tian sitting there practicing exercises, he was suddenly excited.

"Good boy, are you alive again?" Dove devil threw away the pheasant in his hand and ran to Li Tian excitedly.

But seeing Li Tian quietly closed his eyes, did not speak, and still sat motionless.

"Hey, hello... brat, why did you suddenly survive?" The Dove Demon asked in surprise at the silent Li Tian.

But seeing Li Tian finally wake up slowly!

After a few days in a coma, he finally opened his eyes.

I saw him slowly opening his eyes, and at the moment he opened his eyes, he could clearly see the light flickering, and then he let out a light breath and jumped up from the ground.

After seeing Li Tian suddenly stand up, the Dove demon was taken aback, just about to ask, what's the situation, but what about Li Tian? But suddenly he uttered words that made the Dove demon feel that he was about to collapse!

"I'm hungry!"

"I'm very hungry!"

Li Tian said in his mouth suddenly, and then a pair of sharp eyes began to look for food!

Fortunately, the old monster Dove has left half a roasted wild rabbit in the past few days, isn't it? After seeing the wild rabbit, Li Tian took the lead and rushed forward like a wolf, and then he gobbled it up like a starving ghost, as if he hadn't eaten anything for centuries!

The old monster Dove Demon was completely depressed. Looking at Li Tian who was gorging and eating, Dove Demon frowned and sat there, watching Li Tian eat!

In a blink of an eye, Li Tian ate half of the roasted wild rabbit meat!

Seeing Li Tian ate the half of the wild rabbit all at once, he seemed to be hungry, looking for food in the cave.

"Anything else? Is there anything to eat?" Li Tian looked for food there like crazy.

This made the Dove Devil Egg hurt! What's wrong with this kid? It's not like this after a few days of dizziness? How do you look like a starving ghost? Dove knows that Li Tian's body has been completely hollowed out these days, especially after his body has been reborn, his physical energy has been fully charged... What he needs now is to quickly replenish energy and eat. of

Looking at Li Tian, who was like a starving ghost, the Dove demon stretched out a thin hand and grabbed Li Tian's wrist at once.

"Hey, hello, what's wrong with your kid?" Dove Demon said while preparing to hold Li Tian.

It is a pity that Li Tian's arm shook suddenly, and a weird force from his arm suddenly shook towards the wrist of the Dove demon... Dove demon was taken aback, and he was holding Li Tian's arm. He couldn't help being shaken by the inexplicable strong energy, and stood there with horror at the moment.

"So powerful!"

"What a terrifying power!" Dove demon suddenly muttered to himself.

What about Li Tian? It was as if I didn't feel the general, and I was still looking for food there.

Huh, something is wrong! Isn't this kid's arm scrapped? How... How... Suddenly there is such a powerful force?

Ji Mo was raising his eyes and looking at Li Tian weirdly for a minute, then suddenly raised his hand to grab Li Tian's chest.

Li Tian saw the Dove Demon hit his chest suddenly, and was stunned. Instinctively, his left hand suddenly lifted, blocking the Dove Demon's arm with a bang.

"You...what are you doing?" Li Tian asked blankly at the Dove Demon.

But when he saw the demon, he attacked, and then slowly retracted his skinny hand, with a pair of eyes looking at Li Tian's arm strangely.

Be good! Is this kid's hand really restored?

And there is strong energy in his arms? Hao Mo was immediately surprised. You know, he had touched Li Tian's arm before. Li Tian's arms at that time were completely useless and fragile. How could it be possible to contend with his own attack?

"Boy...your hand? Is your hand restored?"

After Hao Mo suddenly blinked strangely and said a word from his mouth, Li Tian was also stunned for a while, then raised a pair of unbelievable eyes to look at his arm...

hand?

my hand? Li Tian suddenly froze!

Yes, I got the power suddenly? Can you resist it?

Am I dreaming?

No, no, this is not a dream, this is not a dream!

Gosh! I just used my hands to exert my energy, and I also caught the trick of this monster? There was a thud in Li Tian's mind that seemed to explode, an explosion that was extremely surprising.

"I...my...arm...recovered...recovered...?"

"My arm... unexpectedly... recovered!" Li Tian suddenly laughed wildly like a lunatic.

Then he raised his palm, accumulated strength, and slammed towards the stone wall on the side!

But after hearing a bang, the hard rock wall, after being hit with a palm by him, the stone chips on it were all shaken to fly...crush, and there were broken stones falling from above.

His arm recovered miraculously!

He suddenly jumped wildly in the cave like a madman. All the pain and helplessness he had had before was released by him at this moment!

Even he himself did not expect that he would heal his hands by such a coincidence... healed his two arms that had been abolished. Now Li Tian is eager to tell the people of the world the good news, tell the world People, he Li Tian has recovered from before.

It turned out that after the Profound Gate of Life and Death was opened because of a blessing in disguise, his body seemed to be reborn from a cocoon, and the arm that was originally abolished was completely healed after reshaping the muscles and bones.

Chapter 867: You fight with me

Li Tian is now back to the previous one!

No, it should be more powerful than before, because his body's life and death profound door has been opened up. To be honest, even Li Tian himself can't guess how strong his current physical strength is... he can only What I feel is that his body is like a vast ocean, where there is a steady flow of energy, as if it will never end.

After seeing Li Tian's arm recover, the Dove Demon was stunned for a moment.

"Hey, your boy's arm is really healed?" Jiu Mo asked Li Tian with an incredulous look.

Li Tian smiled and turned his head, looking at the Dove Demon at this moment, he "loves" and hates this weird old monster in his heart.

If it hadn't been for the madness of the Dove Demon who had to input the black demon's true energy into his body, it is estimated that Li Tian would not be able to recover so quickly, and of course he would not open his body's life and death mysterious door because of a blessing in disguise.

So Li Tian must be grateful to this old demon no matter what.

I only heard that Dove demon laughed and said: "Boy, I told you that... the old man's black demon is absolutely powerful. I said that it can heal your arm. Don't you believe it? Now? Believe it?"

The old monster saw that Li Tian was in good health right now, and said to show off.

"Your uncle..."

"You, an old monster, almost killed me. I haven't asked you to settle the account. You complimented yourself here first." Li Tian wanted to curse the devil, but he still endured it after thinking about it. Living!

Because of everything that I have encountered, no matter what, the result is good! So to some extent, he was still grateful to this Dove Demon.

"My arms are healed...I will be able to use my martial arts again in the future!" Li Tian said confidently with his energetic fists tightly.

While Li Tian was still saying this, suddenly the Dove Demon had no idea when he arrived at Li Tian's side. When Li Tian was not paying attention, he suddenly grabbed Li Tian's with a withered hand. Arm, suddenly dragged him out of the cave.

"Boy, now your hands have recovered... can you fight me?" After the demon dragged Li Tian to the open ground outside, he said with a smile.

Li Tian was depressed when he heard that this old monster was actually going to compete with himself.

Because he knew the strength of this old monster was unfathomable.

"What's the matter? Why isn't your kid talking? Do you want to go back?" Seeing Li Tian's silence for a while, Dove Mo said suddenly angrily.

Li Tian quickly smiled and said, "No, no!"

"It's just me..."

"It's just a fart! You used to lose your hands. I can't bully you. Now that you have your hands, do you still want to deny it?" Dove demon roared.

"Are you really going to fight me?" Li Tian said as he looked at the Dove Demon.

The Hatomo said: "Of course! You thought I was joking with you..."

"Aren't we all done... As long as you can perform a hundred moves in my hands, I will let you go..." The Dove demon said wildly.

Li Tian's arms have recovered at this moment...for so long, and Li Tian hasn't made any moves for so long... Actually, he has long wanted to use his hands and feet in his heart! So Li Tian finally nodded!

"Okay, I'll fight you!" A word came out of his mouth all at once.

Hearing that someone finally had a fight with him, how happy it was.

It turned out that this old demon was hidden deep in the mountains for more than 20 years. Although martial arts were terrifying, he rarely fought against people because he felt that only the evil **** under the world could cooperate with him.

Now when he suddenly finds someone to fight him, can this old monster be unhappy?

"Hey, since you are the son of the evil god, I will let you first!" But seeing the demon laughed wildly.

Li Tiancai doesn't care about his three seven twenty one?

He has recovered his arms now. This has been the most surprising thing for him. He hasn't shot for a long time. Now he also has an urge to stretch his arms... and legs and feet.

Therefore, Li Tian at this meeting has accumulated all the energy in his arms, ready to fight this old monster.

"Come on, boy, let me see how capable the Cthulhu's son is...will it be the same as Cthulhu?"

As the demon said a word, Li Tian immediately attacked the demon with his body skills.

As soon as he came up, Li Tian used the powerful tactics of Rashomon's nine styles. Although he hadn't used martial arts for a long time, he was still so familiar with Rashomon's martial arts.

With a black horror in the palm of his hand, he attacked fiercely towards the Dove Demon. This Rashomon Nine Styles is the ultimate martial arts in the Duanmu family. Once used, the whole body will be full of black aura, and at the same time give people an extreme A stern feeling.

At this moment, Li Tian's body was covered with black aura, and even the strength of the palms of the car also had black vigor, and he quickly attacked the Dove Demon.

Seeing Li Tian quickly attacked, Jiu Mo had a cold smile on his mouth... Then he greeted him with his palms, not knowing how his hands moved, and then solved Li Tian's Luosheng tactics so strangely and easily.

"Boy, isn't it good?"

"You actually learned the Rashomon martial arts among the four big families?" He just listened to the smile of the devil's mouth.

As soon as Li Tian heard this, he was stunned. He didn't expect this old monster to recognize his martial arts at a glance, and how could he solve his Rashomon moves so easily?

You know, when Li Tian used this Rashomon nine styles before, everyone was scared, but now in front of this old monster, he has become like a kid playing around?

Li Tian knew that when he wanted to dominate the Dove demon back then, the four big families were not worth mentioning, so the Dove demon was naturally very clear about the nine Rashomon styles. And who is this Dove demon? He was once a famous demon, a madman who could fight the evil ***** for a day and night.

At this moment, Li Tian just quickly changed his weird body style, using different tricks to attack the Dove Demon.

But what about this old monster Dove? It's really terrifying!

No matter how quick and surprising Li Tian moves, he can easily dissolve it in front of the old monster Domo, and this Domo has never moved from the beginning to the end.

After shocking and the terrifying forces of the entire old monster Dove Demon, Li Tian suddenly screamed, and then the figure danced like a night demon, and the black aura that permeated the whole body suddenly rotated toward the Dove Demon.

Chapter 868: Knocked out again

The dance of death!

This is one of the more powerful horror moves among the nine Rashomon styles.

At the moment when the death dance envoy came out, a weird smile suddenly appeared on the corner of the Dove Demon's mouth, and then the body that had not moved at this moment moved!

"Boy, it's time to pick me up!"

The words fell, and the figure suddenly drew near Li Tian who was performing the dance of death like a ghost.

Li Tian saw this Dove demon rushing towards him, his body didn't even have the effort to dodge?

The black aura permeated by the dance of death was completely suppressed by the sharp figure of this old monster!

God, how could this old monster's speed be so fast! It quickly reached the point of complete incredibility, and swish in front of Li Tian.

Isn't this? With a bang like this, without the slightest suspense, the Dove Demon slammed Li Tian's chest firmly with a palm.

Then I saw Li Tian, who was still full of horrible black aura just now, suddenly flew out like a broken kite, and fell to the ground with a thump. At the same time, he was shaken. , Extremely embarrassed.

Without five strokes, Li Tian was defeated? Was beaten down?

This this

Nima! Too strong!

Li Tian couldn't even handle the five tricks of the Dove Demon?

At this moment, he was slapped!

Seeing the Dove demon who was beaten down by himself and couldn't stand up, he laughed wildly at this moment.

"Boy, now you know how good I am?"

"You will dare to say that my kung fu is not great...I will see you once and beat you once, haha!"

But what about Li Tian at this moment? After being slapped in the palm of the hand, he thought he would be seriously injured, so he would lie there quietly without daring to move his body.

He had seen the empty palm of that old monster before, that was a domineering palm that could smash a big rock.

That's why Li Tian at this meeting thought he was finished, and thought that his body would be shaken and heartbroken.

But after Li Tian lay on the ground for a while, he suddenly felt like he was all right! There was just a slight pain in the chest, nothing else.

Huh? How could this be?

Then, how could the terrifying palm power of Hao Demon hit him safely? Is this wrong? Moreover, and not knowing what happened, Li Tian felt the vigor in his chest, as if rolling slowly.

No, Li Tian, with a strange feeling, suddenly got up from the ground again.

Seeing Li Tian stood up from the ground all of a sudden, and his face remained unchanged, the old monster Haemo's face suddenly changed.

"Your kid... how... how can you stand up?" The Haupo asked Li Tian with an ugly face.

"You can stand up even after you take my palm?" Dove Demon continued to look at Li Tian silently.

Where is Li Tian? In fact, it is also very surprised!

He didn't know what happened to him, but he didn't have any physical problems.

"Good boy, I don't see that you have two more troubles!" The Dove Demon suddenly said gloomily.

Li Tian also wanted to explain, and also wanted to tell this old monster that his chest was inexplicably swollen... as if the palm of the Dove demon just hit him and bounced back...

But the Dove Demon didn't give Li Tian a chance at all, so the whole person suddenly rushed towards Li Tian again.

His body is fast and unrivaled, he truly deserves to be a demon of a generation, and the strong wind carried by his body hurt Li Tian's cheeks.

Li Tian didn't dare to be careless at all, and quickly dodged to avoid...

At the same time, he thought to himself: He can no longer use the nine-style martial arts of Rashomon! Because he could feel that this old monster seemed to know Rashomon's martial arts

well, if he used Rashomon's martial arts again, he would undoubtedly be beaten to the ground by this old monster.

So Li Tian hurriedly changed his posture and used the ancient martial arts skills he had learned on the Tianshu Danjuan.

When Li Tian suddenly opened and closed his hands, stepped on the seven-star pace under his feet, and used these gossip moves with his hands moving in and out, the Dove Demon was taken aback.

"Hey, what is your kid's move?" The Dove demon suddenly couldn't understand it!

The Dove Demon, who knew Li Tian's moves just now, was not only surprised when he saw Li Tian's weird skills.

Yes, although this old monster is a master who has been famous for many years, he has never seen the ancient martial arts like Li Tian learned from Tianshu Danjuan.

At this moment, but seeing that Dove Demon rushed towards Li Tian while asking in that puzzled mouth.

Li Tian faced the impenetrable attack of Dove Demon Water, there was still a little chance to speak.

At the moment, he ignores the Dove Demon, just a single-minded opponent.

After seeing Li Angel's weird kung fu, the demon was actually both strong and soft. It was really doubtful, because he really didn't understand this kung fu trick? It is not surprising that Li Tian has been struggling to support nearly fifteen strokes under the hands of the demon!

Maybe the Dove Demon is really angry!

Perhaps the Dove Demon is impatient.

But when the Dove demon suddenly roared, his hands were as vicious and sharp as an eagle grabbing towards Li Tian's shoulder: "Boy, do you really think you are great?"

Li Tian quickly dodged, and at the same time, Fei kicked out quickly to block.

But he didn't expect that the body of the demon would suddenly rotate, and the black demon's magical power suddenly burst out of his palms.

Black magic magic!

Didn't expect this old monster to use his Dark Demon magic?

After the Dove Demon used the Black Demon's divine art all of a sudden, his whole body suddenly looked like a demon shrouded in black clouds, pressing against Li Tian.

The black energy that filled his palm suddenly struck Li Tian in terror.

Li Tian wanted to dodge it, but it was a pity that the Dove Demon was too fast, and his entire body was enveloped by the black demon's magic.

Then there was a boom...

But seeing that Li Tian hadn't had time to figure out what was going on, suddenly he only felt that his body suddenly lost his center of gravity, then his chest hurt, and the whole person flew out with a plop.

After the body rolled twice on the ground, then it stopped moving!

fainted!

The beaten fainted?

This time Li Tian didn't get up again...because he had indeed been stunned to death by the powerful Black Demon's magical power.

Good deed, this old monster Dove is really amazing!

There was no time for fifteen strokes to knock Li Tian stunned!

When the demon saw Li Tian finally being knocked out on the ground by himself, he laughed.

"Boy, thought I really can't deal with you...huh...!"

Chapter 869: Beg

After defeating Li Tian, the old monster looked very excited.

Holding the stunned Li Tian in one hand, he dragged it into the cave like a chicken, and then happily ate it by himself.

This Li Tian was also really unlucky. He didn't expect that he would be so devastated by this old monster after he had just gotten a blessing in disguise and his hands were healed.

Isn't this? Li Tian, who had been in a coma for a full half day, finally woke up slowly.

As he slowly opened his eyes, he could still feel a deep pain in his chest.

As soon as he looked up, he saw the Dove Demon eating roasted pheasant on the other side.

Li Tian slowly got up from the ground.

"Hey, how come you brat waking up so fast?" The Dove Demon said with a horrified expression when he saw Li Tian awake so quickly.

Li Tian touched his dizzy head and glanced at the old monster.

"How long have I been in a coma?"

"It's only half a day!" Domomo said with rare eyes.

Li Tian didn't speak after listening, and walked over to the fire here.

"You kid, why do I feel more and more weird..." The Dove demon suddenly put down the pheasant in his hand that he was eating with relish, and blinked suspiciously at Li Tian's body and said.

Li Tiancai didn't want to pay attention to this old monster. After he got to the fire, he grabbed the remaining half of the roasted pheasant and ate it.

"Hey, hello, brat, let me ask you... Why did you get my black demon magic skill, nothing happened? Isn't that right?" The dove demon suddenly looked at Li Tian speechlessly.

Li Tianyi raised his eyes and glanced at the old monster contemptuously, while he couldn't help cursing the old monster, Nima, beat me like this? Say I'm okay?

"Fuck me, I didn't catch the fifteen moves in your hand, and I was knocked out by you, and I was in a coma for a long time. What do you want?" Li Tian remembered the difference in strength between himself and this old monster. , He was depressed, wishing to yell at this old monster.

To be honest, Li Tian thought that his kung fu was pretty good before!

Especially after he learned the Rashomon nine styles, what a pity is he now? Encountering such an old monster, he couldn't handle it with 15 strokes? And the other party was still in the attitude of letting him... so Li Tian suddenly felt that he was too useless! How can I avenge my own strength? How to avenge your father?

But where did they know, what kind of demon was the old monster Dove he was facing? Maybe after Li Tian learns about the past, he will know what an old monster Dove demon is, what a great demon.

"No! Nothing!" The Dove Demon suddenly said there.

"Do you guys know what would happen to ordinary people if they were hit by my dark magic?" The Dove demon suddenly said arrogantly.

"What will happen?" Li Tian asked indifferently while chewing on chicken bones.

Just listen to the stern face of the Dove Demon saying: "If the average person is hit by my black demon magic, they will surely break all their internal organs, break their veins, and die!"

"Ah? Really?" Li Tian was taken aback when he heard the Dove Demon say this.

But seeing Hatomo turned his head and said angrily: "Nonsense, am I still lying to you, the yellow-haired boy?"

Li Tian saw the old monster get angry, and quickly touched his chest depressed, his heart lined up: Is what the old monster said true or false? Is the black magic magic really that powerful? But I really got a palm in my chest just now! How can it be okay? Could it be said that this monster is showing mercy? But why is there always an unknown energy floating back and forth in his chest?

Although Li Tian thought so in his mind, he still said: "Hey, Senior Dove Demon, I think, you must have been merciful to my subordinates just now! That's why Li Tian took my life back!" But I heard Li Tianxiao Looking at the Hatomodao, even the name has changed a lot.

In fact, the Dove Demon just now didn't show any mercy at all. Although he did retain some of the strength of the Dark Demon's magical arts, just hitting Li Tian's palm was enough to vomit blood from Li Tian.

But now Li Tian seemed to have nothing at all, and he didn't show any serious injuries at all, except for the slight pain in his chest, so this made the old monster Dove more and more strange.

But there is no way, this Dove Demon is a very face-saving person. This will hear Li Tian flattering himself. Of course he is very happy. At this moment, he laughed and said: "You kid knows it!"

"Hmph, I'm a dignified senior, how can I bully you, such a hairy boy, if you want to spread this out, how will I get mixed up in the future?"

Li Tian also laughed.

"Yeah yeah!"

"Senior, in my opinion, seniors like you are determined not to bully juniors like us, right?" Li Tianshui said.

Dove Demon said: "That's natural!"

"Senior, look... I'm not your opponent at all. Now I have used all my abilities, but unfortunately I can't even handle 15 tricks in your hands... Senior, how about that? You first Let me go... I turn around to find someone with you, find someone who is superior, and then have a good trial with you. Are you optimistic?" Li Tian blinked his eyes and looked at the Dove Modao.

"Not good!" Dove Demon said coldly.

"Why?" Li Tian was suddenly depressed.

But seeing the devil suddenly laughed: "I like to fight you kid!"

"I think, you guys are nice, very nice...I've seen a particularly interesting person for the first time in my life...hehe, and what? Although your martial arts is really bad enough, you still learn a mess, Nondescript, but yeah, I always feel that your kid is weird, especially the strength in your body, very weird." Hatomo pondered and said.

"You xx!"

"I was knocked out by you like this? Are you going to force me to fight you?" Li Tian was so depressed that he almost scolded his mother.

Who knows that the old monster Dove demon really smirked and said, "Who told you to say it yourself?"

"Boy, I can tell you... if you can't handle a hundred moves in my hands in this life, then you don't want to leave me in this life, haha!" The dove demon suddenly laughed and turned towards the cave outside. Go outside.

Hearing the last words of this old monster, Li Tian was completely broken!

This Nima, how can he hold a hundred moves in the hands of this old monster? Just now Li Tian has already used the skill of housekeeping, but it is a pity that he has not resisted even 15 strokes? How can this be able to hold this old monster with a hundred moves?

Chapter 870: Weirdly powerful infuriating

At this time Li Tian was deeply depressed!

No way, it's a pity that he has already said it, and now he can only find a way to pick up a hundred tricks in the hands of this old monster, Dove.

But if you want to connect a hundred tricks to this old monster? How easy is it?

Isn't this? Now Li Tian was sitting there depressed, thinking about his thoughts.

Fortunately, Li Tian's arms finally recovered. Now he doesn't know what's going on. He can always feel that there is a powerful force in his body, consciously or unconsciously, but for Li Tian he doesn't know how. Use this power.

Sometimes even he himself feels curious, why after his arms suddenly recovered, his body has undergone such a huge strange change?

But thinking about it, Li Tian still didn't know that his profound door of life and death had been opened up.

He stayed in the cave for a while, it was really boring, just around and around, and then he walked out of the cave again.

When he walked out, he saw the dove demon sitting quietly on the empty ground outside and practicing. Li Tian glanced at the old demon and ignored him, and walked towards the woods on one side.

Although that Jiu Demon sat quietly and practiced, his eyes were still slightly closed, but Li Tiandi's every move was within his control, so he was not worried about Li Tian's escape.

What about Li Tian? To be honest, he didn't intend to escape, because he knew in his heart that it was not possible to escape in the hands of this old monster.

After Li Tian arrived next to a thick-mouthed tree, he sighed and leaned against the thick-mouthed uncle.

Just as he leaned against the big tree violently, he didn't know what was going on, the dead leaves on the tree and the entire tree pole were shaken, and all the leaves fell from the tree.

Li Tian was stunned!

The body quickly left the big tree, Nima? What happened? Why does this thick-mouthed tree seem to be hit by a fierce force?

This made Li Tian depressed. He looked at the fallen leaves on the tree and frowned at the big tree.

It's not right. I just leaned my body lightly on this big tree just now. How could this big tree have such a powerful reaction?

Now he knows that the profound door of his body's life and death has been completely opened, and the ultimate strength has completely filled his entire brand-new body, and it is also permeating his whole body, as long as Li Tian can't control it slightly. Live, those strong energies will involuntarily show out of his body

After Li Tian was depressed and called out, he then raised his eyes and looked at the big tree in front of him with surprise, then looked at his hands, and suddenly, he clenched his fist, and then with a strong force. An angry punch directly hit the thick-mouthed tree in front of him.

boom

Scream! When the big tree with a thick bowl mouth was smashed by Li Tian's seemingly insatiable punch, the whole tree shook violently, and all the leaves on the tree fell all of a sudden.

Gosh! When did Li Tiandi's fist become so powerful?

Even he himself was suddenly horrified!

"My fist...my fist...how can there be such strength?" Li Tian's eyes widened and couldn't believe his pair of fists.

The Dove Demon who was practicing exercises over there also heard the movement at this moment, raised those ugly eyes slightly, looked at Li Tian unblinkingly, and carefully watched his actions.

But what about Li Tian?

When he tried his fist just now to be so powerful, to be honest, he thought he was dazzled and misunderstood. At this moment, he raised his fist again and attacked the uncle's punch!

With a bang, the entire tree pole shook at the moment it was hit.

"Goodbye... is this true?"

"When did my fists become so powerful?" Now he was dumbfounded, and he looked at his pair of fists in disbelief.

Just as Li Tian was horrified at how his power became so powerful in an instant, suddenly the gloomy voice of the Dove Demon came over.

"Smelly boy, the inner strength is really strong!" Ji Mo said, squinting at Li Tian with a weird face, and then slowly walked towards Li Tian.

Where is Li Tian? His mouth was speechless, his face was full of consternation, he didn't know what was going on.

How could this be?

How could my fist become so powerful for no reason?

"Boy, let me ask you... Your body has such a strong energy, why can't even my fifteen strokes be held?" Dove Demon suddenly looked at Li Tian and asked with an ugly face.

"This Nima, how would I know?" Li Tian cursed inwardly.

But he still said slowly there, "I don't understand... I don't even know when my body becomes so strong!" He told the truth.

"Nonsense." But when the Dove demon heard Li Tian say this, he thought he was playing tricks on himself.

"You stinky boy, just now you have a strong punch, and the wind is very strong. If I am not mistaken, the power of your punch is definitely not something ordinary people can withstand... That is clearly the powerful strength of the inner master. gas....."

"Smelly boy, I underestimated you. I didn't expect that the true qi in your body was so strong." Dove Demon said with slanted eyes looking at Li Tiandao.

This Li Tian is really wronged now!

This Nima, since he woke up yesterday, has been in a daze. Now his body has undergone such weird changes, even he himself feels incredible. At this moment, I heard this old monster say that he is very energetic. Strong, I feel depressed right now.

"Strong shit! If I am very vigorous, why can't I catch 15 tricks in your hands?" Li Tian wanted to swear at this old monster.

However, after hearing what Li Tian said, the Dove demon suddenly laughed strangely.

"What are you laughing at?" Li Tian thought that the old monster was mocking himself, and said angrily.

He only heard that Dove demon laughed and said: "Say you are smart? Your kid is sometimes very smart, but you are stupid, you are really stupid!"

"What do you say?" Li Tian asked, blinking his bright eyes puzzled.

The Dove Demon suddenly turned his head and looked at Li Tiandao and said: "When I saw you punching, I saw that your body seemed to be surging vigorously, but I felt that you didn't use the breath of your body!"

After Dove Demon said so all of a sudden, Li Tian's head bounced, unexpectedly this old monster could see it all at once!
