

A Killer 901

Chapter 901: Meet

"Yes! Dove Demon was a powerful demon from many years ago... Since the characters who could fight my elder brother back then are definitely extremely masters." Duguxie said.

"The little boss, wouldn't you be unable to escape in the hands of that old demon?" the brothers said puzzledly.

Li Tiandao: "When I first started, I thought so too, but what I didn't expect was that my body would be safe and sound after the palm of the old demon, and it seemed to be able to automatically recover. I am very strange."

"So the next day I started to compete with the old demon again... the next day, I took a dozen tricks in the hands of the old demon... but in the end I was beaten to the ground. But unexpectedly This time the situation is the same as last time, I still have no injuries..."

Hearing what Li Tian said, the brothers in front of him didn't understand what was going on.

But the Duguxie and the ghost servant deeply understand that only when a person's physical strength is very strong, then external forces will not harm the body. Could it be that the young master's physical strength is really already Has it reached such a strong point? This makes the two people a little bit unbelievable.

What about Li Tian? Then I explained all the events of the subsequent martial arts competition. When I talked about the clutches of the book on the book that I learned that day, I was shocked by the brothers one by one. They didn't expect it. Li Tian had such an adventure.

"Later, I competed with the old demon for the last time... The old demon also felt that something was wrong with me, so he wanted to solve me fiercely this time... But I have learned the weird skills on the heavenly book pill scroll, he wants It's not that simple to kill me..."

"To be honest, I didn't even think that the palm of the book was so profound that day. He asked me to catch a hundred moves in the hands of the demon..."

"Little boss, after you catch a hundred moves in the hands of that old monster, will he let you go?" Tang Xiaolong on one side asked.

Li Tian's face became a little unhappy at this time and said, "No!"

what?

"That old devil's words don't count! Although I caught a hundred moves in his hands, he said that he didn't have to deal with me...so I was almost killed by him... But what I didn't expect was that I At the last critical juncture, I realized the last stroke of the Demon's Palm! So I used it...The last palm I and the old demon were both hurt..."

Li Tian spoke slowly.

After Li Tian said this, the Duguxie and the ghost servants were all shocked and unbelievable!

"Devil's palm? Heavenly book pill scroll? Is it true that the ancient legendary heavenly book pill scroll really has a peerless martial arts?" This shocked all of them in front of them.

Li Tian defeated the Dove Demon?

Can Li Tian defeat that demon?

How can this not shock the Duguxie and the ghost servant! You have to know what a terrifying figure that Dove Demon is... Let alone Li Tian, even Duguxie and the ghost servant are not necessarily the opponents of the old demon, but they were defeated by Li Tian, so how can this not be? Shock them?

The brothers on the other side didn't know what kind of superior the Dove Demon was. Hearing Li Tian said this, he was naturally very happy.

But seeing them smiled and said: "Great!"

"It's time to teach that old monster... Grandma's dare to take our boss away." Tang Xiaolong said in that awesome voice.

Li Tian just smiled faintly.

After Li Tian finally told the brothers all the strange and dangerous stories he encountered, the brothers finally understood and finally knew what was going on.

"Okay, okay, okay! No matter what, the young master came back safely... and the most unexpected thing is that the young master's arm has recovered, which is really great." said Duguxie in front of him.

The ghost servant nodded in relief.

Li Tian glanced around, "Ningbing, where is Duanmu Ying?"

Li Tian kept thinking of the two girls in his heart, and wanted to see them all the time on the road, so he asked quickly.

Tang Xiaolong on one side said, "They are in the room upstairs."

"Go, I'll take the little boss to find them. I believe that as long as they hear that you are back, they will definitely be very happy!" Tang Xiaolong who was talking was going to take Li Tian to the place upstairs.

And Li Tian quickly stood up, and said to Duguxie and the others: "Then I will go upstairs to see them..."

"Well, yes, young master!"

So Li Tian followed Tang Xiaolong to the place upstairs.

After Li Tian left, the Duguxie and the ghost servants were sitting there quietly, as if they had something in their hearts.

"Second brother, the young master's arm is finally healed... It's really unexpected... Hey, I really didn't expect the young master to be able to save the danger in the hands of the old demon this time, and it is a miracle that he can get this good fortune. ,miracle."

Duguxie also said slowly: "Yes! It was indeed beyond my expectation! It would be great if the eldest brother could be here and see the changes of the young master now." Duguxie suddenly sighed.

The ghost servant also sighed slightly.

"To be honest, I was still worried about the young master's safety before. It seems that I am superfluous." When Du Guxie finished this sentence, a smile appeared on his face.

"Second brother, what level do you think Young Master's skill can reach now?" The ghost servant suddenly asked.

Duguxie thought for a while and said, "I don't know either!"

"But I can feel that Young Master's skill is definitely not what it used to be. Think about it, since Young Master can shock the old monster and escape from his hands, I believe the Young Master's strength is already incredible."

"Yes, I see Young Master the same as I see Big Brother! Hey!" Ghost servant sighed there.

"In these two days, I will see to what extent the Young Master's strength has reached... If the Young Master's kung fu has really broken through to the top, then we can really start dealing with the gate of **** from now on. ."

"Yes, brother, I think so too."

"The gate of hell... the **** gate of hell, the blood debt 20 years ago, we are finally here to avenge!" The ghost servant said fiercely with his fist clenched.

After Tang Xiaolong took Li Tian upstairs, he told Li Tian about the room of the two girls.

But Tang Xiaolong himself quickly went downstairs, leaving Li Tian alone.

Li Tian walked quickly to the door of Situ Ningbing's room...

After standing for a few seconds, he slowly stretched out his hand and gently knocked on the door.

The sound of bang bang went inside.

"Who?" Situ Ning's cold and noble voice suddenly came from inside.

Chapter 902: Vinegar soaring

After Li Tian heard this sound that hadn't been heard for a long time, his heart throbbed and said slightly outside the door: "It's me, Ningbing, I'm back."

Li Tian?

Is it Li Tian?

Suddenly Situ Ningbing there suddenly seemed to be a little bit unbelievable in his ears, and then quickly opened the door of the room.

With the bang of the door of the room, it opened in an instant, and then Situ Ningbing inside looked at Li Tian who was smiling at the door with a pair of completely unbelievable eyes.

"Really...really you..."

"You... are you back?" Situ Ningbing's eyes suddenly reddened, and even the whole body began to tremble slightly, looking at this Li Tian who was thinking about it at the door...

Li Tian stood at the door of the room with a smile and said, "Yes, I'm back."

After seeing Li Tian earnestly, and seeing the man he was thinking about, Situ Ningbing could no longer suppress the excitement in his heart, and ran towards Li Tian, and then the whole body suddenly pounced. Into Li Tian's arms, he hugged him tightly.

"You are finally back...Finally!" Her voice began to tremble and choke.

The arms holding Li Tian's body are getting tighter, as if afraid of Li Tian's escape.

As for Li Tian, he also held his lover deeply and quietly.

At that moment, he felt so happy.

Ten days is not long, but for the two of them, it is so long.

"How are you?" A greeting came out softly from Li Tian's mouth.

Situ Ningbing hugged Li Tian tightly, his head lightly lit in his chest, and then a trembling voice said, "I'm fine, I'm fine."

"How about you? Are you injured?"

Only then did Situ Ningbing remember that Li Tian had escaped from the old monster with powerful martial arts. At this moment, he quickly looked at Li Tian and said worriedly.

Li Tian stood in front of her and said with a smile: "I'm fine, I'm fine!"

"Really? Are you really not injured?" Situ Ningbing was still a little worried.

Li Tiandao: "I'm really fine!"

"That's good, then I can rest assured."

"How did you escape? Did that old demon let you go?" Situ Ningbing still looked at Li Tian in disbelief and asked. She heard Duguxie say that the man who took Li Tiandi was the best. An extremely expert, so Situ Ningbing has always worried about Li Tian.

So Li Tian talked to Situ Ningbing about his strange experience.

Situ Ningbing heard the ups and downs of Poland in his heart, and was even more astonished at all what happened to Li Tian.

Fortunately, her lover finally returned, and finally returned safely.

So Li Tian followed Situ Ningbing into the room in front of him. They seemed to have a lot of endless words after they hadn't seen them for many days, just like that, the two people were talking about lovesickness in that room.

The room not far from Situ Ningbing was the room of Miss Duan Muying.

Duanmuying at the moment did not know about Li Tian's return.

After a while, I saw that Duan Muying and the girl Xiaohuan came out of the room.

After walking out, he saw Tang Xiaolong who happened to be walking through the corridor.

Seeing that Tang Xiaolong's face full of brows, Duanmu Ying was slightly startled, this guy was worried about Li Tian in the past, and he has never had such a happy expression on his face during this period of time, but why is it so happy today? .

So Duanmuying in front of her curiously looked at Tang Xiaolong who just came by and asked, "Little Dragon..."

Tang Xiaolong heard Duanmuying greet him, so he walked over with a smile.

"What's wrong? Miss Duanmu?" Tang Xiaolong said, walking towards Duanmuying.

Duanmuying looked at Tang Xiaolong in front of her and said, "See you are so happy today? What happened?"

After listening to Duanmuying's question, Tang Xiaolong in front of him suddenly said, "Of course we are happy that our little boss is back!"

what?

"what?"

When she heard Tang Xiaolong suddenly telling the news of Li Tian's return, Duan Muying was stunned, and even the girl Xiaohuan beside her was completely shocked.

"You said... Li Tian is back?" Duanmuying couldn't believe Tang Xiaolong who was looking in front of her, said.

Then Tang Xiaolong grinned and said, "Yeah, what, don't you know Miss Duanmu?"

"Hey, the little boss just said he came to you."

"Really? Did Li Tian really come back? Is he injured? Is he okay now? Where is he now?"

The Duanmu Ying in front of her was excited all at once, and even her pretty face turned flushed and said.

The girl next to Xiaohuan also looked at Tang Xiaolong with surprise eyes.

Tang Xiaolong opened his mouth and said, "My little boss has come to you... I brought him up personally just now."

After Tang Xiaolong said this, Duanmuying in front of her was stunned.

"You said Li Tianshang came to us?" Duanmuying asked in disbelief.

Tang Xiaolong said, "Yes!"

"Then why didn't we see him!" Duanmuying said suspiciously.

Tang Xiaolong said, "It's impossible, I obviously brought the little boss up just now."

After Tang Xiaolong said this again, Duanmuying in front of her was stunned... Then she raised a pair of weird eyes and suddenly her eyes were placed at the door of Situ Ningbing's room not far in front...

Looking at the tightly closed door of Situ Ningbing, Duanmuying in front of her shook her heart.

Just now because she was excited about hearing Li Tian's return, she suddenly became lonely and disappointed at this moment...

Because she already knew in her heart, where Li Tian is now, if she guessed correctly, then Li Tian must be in Situ Ningbing's room now.

After thinking this way, Duanmuying suddenly became angry!

"Forget it... Xiaohuan, let's go!" Duanmuying said suddenly angrily.

The girl Xiaohuan in front of her was taken aback for a moment. She still didn't understand what happened. She looked at Duanmuying whose anger suddenly soared in surprise and said, "Miss, what's the matter? Don't we look for Li Tian?"

"Look for him?"

"Huh! What am I looking for that unscrupulous!"

A word suddenly roared out of her mouth.

When Duanmuying suddenly said this in anger, and was still yelling at Li Tian for having no conscience, not only the girl Xiaohuan in front of her was depressed, but even Tang Xiaolong was stunned.

What's the situation?

What happened to Miss Duanmu? Why did it suddenly become like this?

They certainly wouldn't know how terrible a woman's jealousy would be after she came up, and the current eldest lady Duan Muying is undoubtedly so jealous.

Chapter 903: Where to go

"Miss...what's the matter?" The girl Xiaohuan asked the eldest lady who looked at her puzzledly.

And the jealous Duanmuying, who was going crazy, stared coldly at the little ring in front of her.

"Bad girl, you talk so much... I just ask you, go or not?"

When Xiaohuan heard his lady say this, she said depressed: "But...but...Miss..."

"How can there be so many!" Duanmuying said angrily, staring at Liu Mei.

The girl Xiaohuan was so frightened that she didn't dare to make a sound. She lowered her head and said, "Well, miss."

So Duanmuying in front of her turned around suddenly, and then walked angrily towards the staircase of the hotel with her ring around her.

"Miss Duanmu...what's wrong with you?" Tang Xiaolong stood there with a confused look and cried out in confusion.

"Hey, hello, Miss Duanmu, where are you going?" Tang Xiaolong shouted depressed behind.

But no matter how Tang Xiaolong shouted, Duan Muying didn't respond to him anymore. She just turned around stubbornly, and then walked outside the hotel with the little girl next to her.

Duanmuying took the girl Xiaohuan and left the hotel in front of her angrily.

However, after that Duan Muying left here because of jealousy, Li Tian, who came out of Situ Ningbing's room, didn't know what was happening outside.

"Li Tian, go see Miss Duanmu... To be honest, she has been worried about you for so many days!" Situ Ningbing said softly while looking at Li Tian.

Li Tian smiled slightly, in fact, in his heart he was going to see Duan Muying.

So he nodded there and said, "Okay!"

Having said this, Li Tian slowly walked towards Duanmuying's room in front. Situ Ningbing at the back just glanced at Li Tian's back and then gently closed the door.

After Li Tian walked to the door of Muying's room, he paused for a while, then slowly raised his arm and knocked on the door gently.

After Li Tian knocked on the door with his hand, there was no movement in the room.

This not only made him stunned, and then reached out and knocked again, but unfortunately there was still no answer in the room of this meeting.

"Hey, that's weird, where is Duanmuying that girl?"

"Isn't it no longer the room?"

Li Tian, who was thinking like this, suddenly heard footsteps coming from behind.

Turning his head, he saw Tang Xiaolong walking toward this side quickly.

"Little boss." Tang Xiaolong at this meeting also saw Li Tian shouting there.

After he shouted out, Li Tian responded slightly.

"Little boss, are you looking for Miss Duanmu?" Tang Xiaolong said suddenly.

"Yes." Li Tiandao said.

"But this girl doesn't know what's going on, why isn't she here?" Li Tian asked curiously.

But seeing that Tang Xiaolong said quickly: "Little boss, it's not good..."

Listening to Tang Xiaolong's sudden words, Li Tian frowned, "What's wrong? What happened?"

"Miss Duanmu seems to be gone," Tang Xiaolong said suddenly.

"What?" When Li Tian suddenly heard Tang Xiaolong in front of him actually say that Mu Ying is gone, he was stunned for a moment.

"How could she leave? Didn't you just say that she was here?" Li Tian looked at Tang Xiaolong speechlessly and asked.

Tang Xiaolong then said: "Miss Duanmu was indeed here just now... and I asked you... But, I don't know what happened, Miss Duanmu suddenly became angry... and just walked away angrily. I can't stop it even if I want."

Listening to Tang Xiaolong's words, Li Tian was suddenly depressed.

"How could this be? Why did she leave suddenly?"

"Is it...Is it because of myself?" Li Tian said curiously.

Tang Xiaolong on one side moved his mouth, thought about it, and said to Li Tiandao: "Little boss, to be honest, it seems that Miss Duanmu is really angry because of you."

Li Tian turned his head and thought, and instantly guessed what happened in his heart.

It is estimated that the young lady Duanmuying must be jealous.

"When did she leave? How long has it been?" Li Tian asked quickly.

Tang Xiaolong in front of her immediately said: "Miss Duanmu has just left, and it takes only half an hour to die."

Then Li Tian hadn't heard Tang Xiaolong finish, so he ran towards the stairs.

"Little boss, where are you going? Are you going to find Miss Duanmu?"

"Ok!"

"Don't worry, when I find her, I will come back soon."

Inside, he went downstairs quickly and said in his mouth, then, soon, his figure ran towards the place downstairs.

It is already 18 o'clock!

The sky has also slowly dimmed, and the bustling city of Beitang has already begun to appear in a bustling light.

I saw that in the crowded crowd, the extremely angry eldest lady Duan Muying walked forward aimlessly and stubbornly while cursing.

"He who has no conscience... what a little bastard... I am so worried about him... care about him so much!"

The girl Xiaohuan behind, finally understood what happened.

It turns out that the person scolded by the lady's mouth turned out to be Li Tian.

"Miss... I don't think Li Tian is that kind of person!" I just listened to the timid voice of the girl Xiaohuan.

Listening to his girl's defense for Li Tian, Duanmuying in front of her became even more angry.

"Why is he not?"

"Don't you see him coming back, didn't you plan to pay attention to me?" Duanmuying became more and more angry, and her eyes became red.

Seeing the appearance of her own lady, the little girl couldn't bear it, so she hurriedly said to the lady who comforted her: "Miss, don't be sad... it's okay... it's okay!"

"I am sad...I am not sad yet!"

"I won't have to be sad for him anymore. From today, the two of us will leave here...Leave this ghost place." Duanmuying wiped the teardrops from the corner of her eyes, while walking stubbornly toward the front.

The girl behind, although she knew that her eldest lady was so angry at the moment, she didn't dare to say a word and could only follow her closely.

I don't know how long they have been walking, the sky slowly dimmed, and the two of them were still walking in the brightly lit downtown.

"Miss, where are we going?" The girl Xiaohuan, who was walking blindly, suddenly looked at the lady in front, Duanmuying and asked.

Duanmuying was slightly stunned when Xiaohuan said this.

"Yeah, the world is so big, but where do you want to go? Her home has been completely ruined... All the people and relatives are gone... now except for Li Tian, she has no kindness People...but she is leaving Li Tian now? Where should I go now?"

Suddenly thinking of this, Duanmuying suddenly stood there blankly.

Chapter 904: What the hell?

Yeah, where should I go?

The world is so big, doesn't it mean that there is no place for oneself?

Thinking of this, a silent sadness came out of her heart, and her beautiful eyes reddened.

She originally thought that with Li Tian, she didn't need to be aggrieved or worried, but she didn't expect this to happen.

The **** the other side, Xiaohuan, saw the dignified eldest lady of the Duanmu family, now that she didn't know where she was going, she was also sad and her eyes turned red.

"Miss...or else, let's go back." Just listen to Xiaohuan's choked voice.

But what about Duanmu Ying?

But for a moment, his eyes were red and angrily said: "Go back? Why are you going back?"

"Even if I die outside Duanmuying this time, I will never return to him."

Duanmuying, who had finished speaking stubbornly in this way, stepped forward towards the night.

The black night gradually covered her delicate body... slowly and completely covered her lonely figure...

Since Li Tian knew that Duanmuying had left because she was jealous and angry, she hurriedly chased her out.

Although he didn't know where Duankiying went, he wanted to see her so much and wanted to tell her that he actually really cared about her.

Now Li Tian is looking for the shadow of Duanmu Ying on the highway like crazy.

Since the left side of the hotel here is a prosperous area, and the place on the right is a barren suburb at all, Li Tian felt that, in the style of the lady, she should be heading towards the prosperous downtown area on the left.

Thinking of this, Li Tian quickly chased to the place on the left.

But on this crowded street, is Li Tian really that easy to find the lady?

Time passed by every minute.

The brothers were all very happy for Li Tian to return safely, but when Tang Xiaolong told his brother Li Tian to chase after the Duanmu Miss, they were all slightly depressed.

At this moment, I saw my brothers sitting in the room, waiting for Li Tian.

Looking at the clock hanging on the wall, it is now more than 9 o'clock in the evening, but Li Tian has not yet returned, which not only makes the brothers a little depressed.

"Hey, how could this be?"

"Xiaolong, tell me, what is going on with Miss Duanmu? Did you say something that provokes Miss Duanmu?" Chen Qiaozhi on one side said to Tang Xiaolong.

Tang Xiaolong felt like he was wronged.

He opened his mouth and said: "I'm the **** one who said something wrong... I told Miss Duanmu that the little boss is back... That's it."

"Hey! It seems that it is for Li Tian!" Chen Qiaozhi said suddenly.

"The most tormenting love word in the world!"

"Even Li Tian, he can hardly escape... Ha ha, normal, normal." Old Monster Ge said leisurely on the side.

"Old ghost, what do you mean? You mean that Miss Duanmu is in conflict with our little boss?" Tang Xiaolong on one side blinked and said.

Old Monster Ge looked at Tang Xiaolong contemptuously and said, "Your kid is just an elm head... Is this obvious... That Miss Duanmu also loves Li Tian so much, and being a beloved woman, I see How does her own man feel when she is with other women?"

"Eating wrong!" Tang Xiaolong laughed suddenly.

"Haha, your kid is finally a little smarter." Old Monster Ge said, squinting.

"Grandma's, how can I say that Miss Duanmu is wrong... It turned out to be eating the wrong thing... Haha."

While their brother was laughing and talking, Situ Ningbing walked in slightly from outside.

When Situ Ningbing walked in, the brothers quickly closed their mouths tightly, and no one dared to talk too much.

But seeing that Situ Ningbing didn't know if he heard the voices of the brothers. After walking in, he just looked at the brothers slightly and asked, "Where is Li Tian? Hasn't he come back?"

Tang Xiaolong smiled awkwardly and said, "Yet...not yet!"

"However, I guess the little boss will be back soon."

"Oh, all right!"

Situ Ning smiled slightly on her cold and pretty face.

"Then I'll go back to the room first... I hope you will tell me when he comes back." Situ Ningbing said.

"Well, good!" Tang Xiaolong said.

Then Situ Ningbing turned his graceful posture slightly and walked outside.

After she left, the brothers let out a sigh of relief.

"Hey, old ghost, did you hear my voice just now?" Tang Xiaolong asked the old monster Ge in a low voice at this moment.

When Old Monster Ge went up, Tang Xiaolong gave a glance: "How do I know?"

"But I know that your kid's voice can be heard by all the people upstairs!" Old Monster Ge said.

"Oh, that's terrible... If someone hears it, I'll lose my face..." Tang Xiaolong said depressedly, patting his thighs there.

Besides, the Duguxie and the ghost servant who were sitting quietly didn't pay attention to them, but just sat quietly.

Tang Xiaolong over there thought he was really bored, so he got ready to sleep on the sofa after a visit.

But after he lay down just now, he uttered a big curse.

"Nima...what's the matter, Ge is dead to me!" He just got up from the sofa while rolling over.

It turned out that after he lay down just now, he didn't look at the top of the sofa, so that's why he was pricked in the back by that hard thing.

After Tang Xiaolong sat up with a grunt, his eyes were stunned, and he suddenly saw that the long thing that had been padding him was originally a long thing wrapped in black cloth...

"Hey, what is this?" Tang Xiaolong asked curiously at the thing on the sofa.

Hearing his voice, the brothers were all taken aback, and then they all turned their eyes to look around, even the ghost servant and Duguxie slowly turned their eyes.

But after seeing that Tang Xiaolong glanced at the thing wrapped in black cloth, he suddenly remembered.

"Oh, yes, this is what the little boss brought when he came back." Tang Xiaolong remembered, he clearly remembered that Li Tian was holding such a thing in his hand at the time, but at that time Tang Xiaolong was too happy to see Li Tian's return, so he didn't take the things Li Tian was carrying into his heart.

Now after seeing this suddenly, he became curious.

So he stretched out a hand and picked up the thing wrapped in black cloth.

"Xiaolong, what is it?" Chen Qiaozhi on one side looked at the thing wrapped in black cloth and asked.

The Duguxie and the ghost servants here also looked at the mysterious thing in Tang Xiaolong's hand in surprise.

Chapter 905: All hostility

Listening to the questions from Duguxie and his master in front of him, Tang Xiaolong frowned and said, "I don't know what this is."

"I'll open it and take a look."

Tang Xiaolong who was talking stretched out his hand and began to untie the black package in his hand.

As he slowly unwrapped the black cloth layer by layer, the Duguxie, the ghost servant and the brothers on the other side blinked their eyes and looked deeply there. Everyone now I was also wondering in my heart, what is the thing that Li Tian brought back?

Gradually, from Tang Xiaolong's hands, the wrapped thing came out, the black iron thing...

Something is wrong...it seems to be, it seems to be, sword! ! !

It turned out to be a black and weird sword.

When he saw that the thing wrapped in black rags was a strange sword, Tang Xiaolong was stunned.

"Your mother, it turned out to be a sword..." He only heard his mouth in astonishment, and at the same time a pair of eyeballs carefully looked at the black body in his hand, looking at the weird sword in front of him.

"What kind of sword is this Nima? Why is it so ugly!" Tang Xiaolong muttered in that mouth.

The brothers over there were also slightly taken aback, turning their eyes to look at the black sword.

"Huh, what kind of sword is that?"

"Did Li Tian bring it back?" asked Chen Qiaozhi on one side.

Tang Xiaolong said, "Yes, this sword should be brought back by the little boss."

"It's just that this sword looks really ugly." Tang Xiaolong said with a smile in disdain.

"I guess it was a broken thing the little boss picked up."

Looking at the sword in front of you from the outside, it was indeed as Tang Xiaolong said, it was very ugly, it was jet-black, without dragon patterns, and no marks, just a black sword.

But when the Duguxie and the ghost servants saw this sword at first glance, their expressions changed in an instant, becoming extremely weird.

It was as if I saw something unbelievable.

"Xiaolong, take the sword in your hand and show it to me." The ghost servant suddenly said in a strange voice.

Listening to his master suddenly saying this, even though Tang Xiaolong was puzzled and didn't understand what was going on, he quickly passed the "ugly sword" in his hand.

After Tang Xiaolong handed the sword in his hand, the ghost servant immediately took it.

Then he looked at the black sword in his hand with strange eyes.

Tang Xiaolong and his brothers on the other side looked at the ghost servants and Duguxie here with puzzled eyes, and they didn't understand what was going on.

But he said that after the ghost servant got this "ugly sword", he looked at it carefully, as if there was something rare in this ugly sword.

After he looked at the sword with weird eyes, he suddenly handed the "black sword" in his hand to that Duguxie.

"Second brother...Do you look like that sword?" The Ghost Servant suddenly looked at Duguxie with a very strange look in his eyes.

Duguxie slowly reached out and took the sword in his hand.

Then he looked at the sword with a pair of eyes as strange as the ghost servant.

He took a close look at first. The scabbard of the sword in front of him...there was nothing on the black scabbard.

Then he raised his eyes and began to look at the hilt of the sword...the same, it was also jet black, nothing.

"Red Lian"

"Unexpectedly, the Chilian Sword would actually reappear in the world!" A weird word suddenly came out of Duguxie's mouth.

At the same time, there were fiery gazes in his eyes...

He was originally a sword lover, and he had been immersed in swordsmanship all his life. At this moment, after seeing this legendary "Red Lian" sword, he was of course very excited.

But what kind of sword is this "Red Lian"? Can Duguxie and Ghost Servant be so shocked?

After Duguxie suddenly took the black and ugly red sword in his hands, the bronze sword beside him seemed to have received a strong reaction, and suddenly the bronze sword quietly on the ground began to buzz strangely. The sound of the ringing.

After the weird sound of swords rang, the brothers around were all stunned.

Looking at the ugly sword in Duguxie's hand incomprehensibly, no one knew what happened.

"Master, Senior Dugu...what happened?"

"Yes, Senior Dugu, how come your sword sounded for no reason?" The brothers around were all surprised by Duguxie who was looking in front of him.

After listening to Duguxie groaning for a while, those eyes suddenly burst into **** and said: "A thousand swords are supreme, and all the swords are ringing together, it is God's will!"

what?

Listening to Duguxie suddenly saying this, the brothers were all stunned.

"Wan Jian Zhizun? What do you mean? Could it be that... Could it be that... the black and ugly sword in the hands of Senior Dugu is the Wan Jian Zhizun?"

Chen Qiaozhi, Tang Xiaolong and others muttered to themselves in horror.

"Senior Dugu...You said that ugly sword is the Supreme Thousand Swords?" Tang Xiaolong asked in disbelief as if he had heard a dream.

But when I heard that Duguxie suddenly laughed wildly, then his majestic body stood up all at once, and said boldly, "Yes!"

"This sword is the red sword in the world, known as the king of swords!"

Red sword? Chi Lianjian!

After Duguxie said this all at once, the brothers were all shocked and speechless.

"I have been immersed in kendo all my life by Duguxie, and have seen countless famous swords... but I really never expected to see this red refined sword in my lifetime!" The Duguxie in front of him seemed to be excited.

Yes, the brothers in front of you all know something about Duguxie. They all know that the Dugu family is a family that specializes in swords. So at this moment, after Duguxie said this sword all at once, the brothers except Shocking is marveling.

They would never have thought that such an ugly sword would be the supreme among the swords.

Chi Lianjian!

"Senior Dugu, this... this sword is really so powerful?" Tang Xiaolong couldn't believe it.

But seeing Duguxie suddenly laughed wildly, his voice seemed to shock Jiuxiao.

Suddenly he squeezed out of his hand and pulled out the red sword.

At the moment he pulled it out... a black, cold breath rushing towards his face, like a cold hell, rushed towards the faces of the brothers... Then the entire space was suddenly affected by this red sword. The heavy murderous aura was completely covered up.

Even the bronze sword on the other side began to ring even more...

"How hostile..."

"What a murderous look!"

Chapter 906: Supreme Sword

Just now, Tang Xiaolong and his brothers who couldn't believe it was just when the Duguxie sword in front of them was unsheathed...their entire faces changed color in amazement.

Gosh!

When have they seen such a fierce sword? Even before he took a shot, he already felt the horrible suffocation...If someone else kills with him, isn't it a matter of a sword?

After the Chilian Sword was pulled out, the hostility instantly soared, filling the entire room.

Chen Qiaozhi and Tang Xiaolong's face gradually covered a black sword...

Seeing that the more exposed this red sword is in the air, the more you can feel its endless hostility. Duguxie suddenly raised his hand, and with a scream, the red sword was again inserted into the scabbard, as if even him He didn't dare to expose this sword to the air for too long.

After the red sword was sheathed, the ferocious aura that had been in the air just now began to slowly dissipate, and the suffocation on the faces of the brothers just now disappeared instantly. ...

"How about? See the power of this sword? Now I think you should know why this sword is called the supreme sword in the sword!" That Duguxie suddenly laughed wildly.

The brothers were stunned and never dared to doubt the power of this sword.

"Too tough..."

"This sword is too powerful." Tang Xiaolong couldn't help but exclaim.

"Senior Dugu...what is the origin of this sword? Why is there such a fierce sword spirit?"

"Just to tell the truth... Our brother almost suffocated when he saw this unsheathed sword... Even breathing was a little difficult." Chen Qiaozhi asked with a pale face over there.

Duguxie smiled slightly, stared at the supreme sword with a weird look, and then slowly said, "Do you really want to know its origin?"

"Of course." said the brothers.

"Okay, then I will tell you." Duguxie said.

"According to legend, in the vast ancient times, there was a legend that there was a fine iron... the whole body was black, but it was extremely hard. At that time, no one knew what this fine iron was... Then I didn't know how many years passed, finally A famous swordsmith discovered this fine iron...so he was overjoyed, because he knew that this fine iron was a spar in the South China Sea, so he wanted to use the spar to make a peerless sword...he It took ten years to finally create a sword, named this sword: Chilian... This sword is extremely sharp and cuts iron and gold. Later, because this sword became more and more famous, it was named by the dynasty. A great king knew it! So that great king sent someone to **** this sword... Although the swordsmith possesses such a sharp sword, it is difficult to be the opponent of the soldiers... So, not only was he slaughtered alive by the whole family. , Even he himself was chopped off by those soldiers...At the same time the Chilian Sword was also snatched away."

"It is said that after the red sword was taken away, the swordsmith used the remaining blood to cast a vicious curse for eternity. Soon after, the swordsmith died! And his red sword was taken to the palace. , Became the sword of the great king."

"Later I heard that I didn't know what was going on. The king wore this sword to sleep every day. He could always hear the sound of the sword sound in his dream... The buzzing sound of the sword sound seemed to be coming for life... After that, the king became mad... What's even more frightening is that the king suddenly called the soldiers who had robbed the sword into the palace one by one... Then he used the red chain in his hand madly. , Kill all the soldiers one by one!"

"After killing those soldiers all at once, the whole palace was bloody...The guards of the palace and the maids were shocked...but the scene that scared them even more was still behind... After refining the sword cruelly killed so many soldiers, the king suddenly laughed like crazy... Then he shouted three times: This sword will never live without blood! Then after he shouted, he used it all at once. The Chilian Sword wiped off his neck... and died on the spot!"

When listening to Duguxie telling these nihilistic stories like the legend, the brothers were all stunned.

"Ah? Unexpectedly that this sword has such a legend?" Tang Xiaolong said with wide eyes in confusion.

Chen Qiaozhi next to him also frowned.

Duguxie smiled slightly: "Of course, these are just legends... As for whether they are true or not, they are no longer known!"

"By the way, Senior Dugu, what happened later? What about this Chi Refined Sword?" Tang Xiaolong on one side asked curiously.

He only heard that Duguxie said, "Later...because this sword caused so many deaths, it was called an ominous thing! Abandoned."

"Abandoned?"

"Yes?" Duguxie said.

"But more than a hundred years ago, this sword suddenly reappeared in the world... As far as I know, when it was born, many people still grabbed it... And many people lost their lives for it. I don't know anything about ..." Du Guxie said.

After listening to Duguxie in front of him saying these words, the brothers in front of him finally understood the origin of this red sword!

Although the story of Duguxie is very legendary, it doesn't matter whether it is true or not for the brothers. The important thing is how did this unusually fierce red sword get into Li Tian's hands? It was really unexpected.

"Since Dugu Senior said... then this sword must be a peerless sword, hey, don't you know where our little boss got this sword from?" Tang Xiaolong said puzzledly.

"Yeah! I don't know either." Duguxie sighed as he looked at the legendary red sword in his hand.

"It's really weird. I didn't expect such a magical sword to fall into the hands of our little boss. It seems to be fate." Tang Xiaolong on the side said with a smile.

The Duguxie here also said slightly: "Yes, it is really strange. I can't think of the supreme sword that was contended by so many people a hundred years ago. I can't think of it now falling into the hands of the young master..."

"If the eldest brother is still alive, I can see the young master's ability... then how happy it would be."

His voice was filled with relief.

The ghost servant beside him also nodded and said, "Yes."

"Why isn't the little boss coming back? It's already past nine o'clock..." Tang Xiaolong muttered while looking at the clock on the wall.

"Don't worry, now Li Tian's arm has recovered... He will definitely be fine. I think he should be looking for Miss Duanmu now." Chen Qiaozhi said in front of him.

Chapter 907: Sad woman

Tang Xiaolong thought for a while, yes, after all, Li Tian's arm has recovered... and his martial arts has also improved very high, so his worries are a bit overwhelming.

"Then let's wait, wait for the little boss to come back, and then ask him carefully, where did he get this awesome sword...haha."

But what about Li Tian? Now indeed looking for the leaving Duanmu Ying in Beitang City.

But the crowds go to the crowded streets, how hard is it to find them two?

But Li Tian didn't feel hard, he just warned himself side by side in his mind that he must find the Duan Muying.

Just look for it in the crowded street, look for...

The place in front is two blocks, one is an ordinary pedestrian street, and the other is a colorful entertainment block.

Li Tian thought for a while, and according to the character of the eldest lady Duanmuying, it is estimated that she would not go to the kind of pedestrian street, so he turned and walked quickly towards the entertainment district full of roaring music.

This entertainment district, most of the urban bars, KTV, and nightclubs.

Although the consumption level here is not as prosperous as that of Jinghai City, it still looks quite impressive.

When you walk into this block, you can see men and women in beautiful costumes walking here.

There was a depraved state under the neon lights.

In front of the entrance of the nightclub stood a few nightclub girls with very little dress, with heavy pink makeup, extremely charming and coquettish... They winked at the pedestrians, showing off their coquettishness.

Some people with money in their pockets go in and spend happily, holding charming and plump beauties in their hands can be very happy all night, and some without money can only stare at those female bodies full of temptation... Then one by one, **** in his eyes, went home.

This world is like this, full of endless desires.

But Li Tian is different from the people who come to entertain the neighborhood... His steps are hurried, while walking fast, while looking for the shadow of his beloved with those worried eyes.

At the entrance of the dark alley, there are women who are wearing revealing clothes... Pulling guests there, sometimes they keep whispering and charmingly hello to passing pedestrians: "Brother, can you play? It's cheap..." It's guaranteed to make you up and down... only 200 yuan..."

...

Looking at these depraved people, Li Tian's heart was filled with a violent sense of rejection.

He hated it, so he thought to himself, after looking a little bit ahead, he would leave here.

When Li Tian frantically searched for Duanmuying, he said where is Duanmuying who stubbornly left because of a mistake?

A KTV doorway that looked a little more serious, but saw a shadow wobbled out of it.

It seems that there is too much to drink... even the stride is a bit unstable.

"Miss...Miss...how are you doing?"

While looking at that beautiful shadow, he heard a round-faced girl with full of worry on her face, and hurriedly followed the KTV.

Take a closer look, the person who ran from behind turned out to be that girl Xiaohuan.

And the drunk person in front of him was obviously her eldest lady Duan Muying!

It turned out that after that Duan Kiyong left with stubborn sadness, she took the girl Xiaohuan to leave Li Tian...

But in such a dark sky, such a confused city, where can the two girls go? So Duanmuying found a quieter KTV by the way, and after going in, she began to drink as if she was crazy...

I've been drinking two bottles of red wine... Then I walked out of it crookedly.

This girl Xiaohuan couldn't control her eldest lady, even if she persuaded it, it was useless...So Duanmuying at this meeting was completely dizzy and drunk.

At this time, I saw that girl Xiaohuan shouted Miss, while preparing to come over and help that Duan Muying.

But what about Duanki Sakura? She was crooked and twisted, but she didn't let the little girl ring help her...

"Get out... Don't help me..." At this moment, Duanmuying's mouth was full of alcohol, and that exquisite face that was already perfect was even more blushing after she was drunk...

Beauty is simply a drunk beauty.

Watching the eldest lady walking vainly, Xiaohuan was afraid that she would fall, and hurriedly said: "Miss, you are drunk, let Xiaohuan support you."

"I don't want to..." Who knew that Duanki Ying pushed the approaching ring aside.

Xiaohuan's tears were streaming out quickly.

But Duanmuying, who was completely drunk, said in her mouth: "I'm...not drunk...I want to drink...I want to drink myself to death."

She said, squinting her dimly drunk eyes and walking crookedly.

Although this little ring was worried about the eldest lady, but was helpless and could not go up to help, she could only follow her timidly, taking care of her safety.

Suddenly, Duanmu Ying, who was walking in front, was inattentive, her feet soft, and her entire body fell to the cold concrete floor.

"Miss!" After seeing her eldest lady suddenly fall to the ground, the small ring in front of her rushed to help her worriedly.

"Miss, how are you...does it hurt?"

But just after that Duan Muying fell to the ground, she suddenly cried out sadly.

The voice was full of sadness and pain... as if something extremely sad had happened.

This girl Xiaohuan suddenly saw her eldest lady and she started crying sadly, thinking that the eldest lady had hurt herself because of the fall... So she ran over to help the sad and crying Duanmu Ying: " Miss... Are you hurt there? Where do you hurt?"

But what about Duanki Sakura?

Is it really because of physical pain that you cry like this?

Do not!

No, she was because of her heartache.

But seeing that Duan Muying lay on the ground, not letting the little girl ring support her, she was crying dizzy...

A sad voice came from her mouth.

"Miss, miss, what's the matter with you? Tell Xiaohuan?" Xiaohuan listened to her young lady crying, and her tears flowed drop by drop from her eyes...

What about Duanki Sakura? The more I listened to her advice, the more I cried.

A sad voice rang through the darkness.

Finally Duanmuying was tired from crying... She was lying on the cold concrete floor, unconscious as if she was asleep.

But she can hear a name muttering in her mouth.

"Li Tian... Li Tian... you have no... conscience..."

Suddenly hearing the young lady's voice came out of her mouth, Xiaohuan suddenly understood that her young lady was so sad because of Li Tian.

Chapter 908: drunk

A whining cry rang in the dark night.

The voice was so sorrowful and sad... as if she was the most heartbroken person in the world.

The girl next to Xiaohuan watched the young lady cry, her own eyes were also red, and the teardrops fell like broken beads.

"Miss... don't cry... If you cry, Xiaohuan will be sad." Xiaohuan said with tears supporting Duanmuying there.

Duanmuying's mouth was spitting alcohol, her red and pretty face blurred with tears, she slowly helped her from the ground.

Standing there, her footsteps seemed vain...like she would fall down with her legs limp at any time.

The little ring desperately supported her, and first let Duanmuying sit down quietly on the side. After Duanmuying sat down, looking at the black night, she wept again...

The two poor masters and servants now just stayed out in this darkness.

The family is already broken...now they don't even have a place to go, thinking about these Duanmu Ying's sadness, and the girl Xiaohuan next to them is the same.

"Miss... You're drunk... I'll find a hotel for you, can you go in and take a good rest?" The girl Xiaohuan wiped the tears from the corner of her eyes while preparing to support that Duan Muying. After all, the two girls are a little wrong to stay on this road on such a night.

But Duanmuying, who was already drunk, didn't listen to Xiaohuan's words at this moment.

"I'm not going... I want to drink... I want to drink." Duanmu Ying roared there like crazy.

Loud drunken words spread throughout the street.

She is such a drunk beauty, it really makes the passers-by feel a little different.

Isn't this? From the aisle in front, a man in a jacket with a cigarette dangling from his mouth, looked at the drunk Duanmu Ying, and walked toward this side.

When Xiaohuan saw a stranger coming, she hurriedly protected her young lady.

But she knew in her heart that the entertainment street in front of her was not a good place. There were all kinds of people, and now her lady was already drunk... If she met a group of gangsters, it would be a big trouble.

So the small ring of this meeting quickly and cautiously looked at the people who passed by.

Besides, the smoking man who walked by just raised his eyes and glanced with curiosity, and then he was about to leave.

But just when the man was about to leave, the drunk Duanmuying suddenly jumped up... Then she ran over with vain steps, grabbing the passing man.

"Miss..." Seeing that Mu Ying grabbed the passing man like crazy, Xiaohuan was stunned and ran over quickly.

And the strange man who was caught by the drunk Duanmu Ying all of a sudden was shocked at this moment.

"Hey, hello... what are you doing?" the man said silently while backing away. ,

But what about Duanmu Ying? But she was clutching him like crazy, her mouth was full of alcohol, and her eyes were slightly squinted, dizzy.

At the same time, the mouth was even more strangely angry.

"You unscrupulous... why don't you even look at me... why?"

"Don't you know, I have been waiting for you for so many days... I am worried about you..."

Duanmuying said these crazy drunken words, which made the stranger depressed. Of course, the stranger would not have thought that the words spoken by the drunk in front of her at this moment were basically to that Li Tian. .

Seeing that he was entangled by this drunk woman, the stranger stepped back and said in his mouth:

"Hey...hey...this lady, you have admitted the wrong person...I don't know you...you this What are you doing?"

"I don't even know you... let go... let go!" the man said as he retreated.

The little ring here has also ran over, holding Duanmuying's arm there, and quickly said:
"Miss...Miss...You have admitted the wrong person, she is not Li Tian, she is a stranger."

"Miss, please, don't be like this." The small ring of anxious tears streamed down, pulling Duanmu Ying there.

Duanmuying seems to be really drunk, yes! She was stuffed with the figure of Li Tian all in her heart... She thought it was Li Tian when she saw anyone.

Now after hearing what her girl said, she seemed to be a little more sober... She was holding the clothes of the strange man, and slowly moved her fingers away.

After the unfamiliar man broke free, he ran forward quickly, turning his head and saying angrily as he ran, "Neuropathy...it's just a neuropathy."

"Sorry, sorry sir." Xiaohuan apologized to the man who was walking away.

What about here? Duanki Ying stood there dizzy with disappointment...Standing in the dark night...

She missed Li Tian so much, that Li Tian could be in front of her now, but what about Li Tian?

The little ring supported the sad young lady. He didn't know how to comfort him, but was crying silently on one side...

"Miss...Don't think about it, don't torture yourself like this?"

In the dark night came the sad and cold cry of Duan Kiyong...

Where is Li Tian now? Desperately looking for the figure of Duan Kinzakura in this entertainment district.

He has been looking for more than 4 hours...

Although he knew that he was searching blindly like this, it was impossible to find that Duan Muying, but he was thinking of her in his heart and worried about her.

Her family is ruined... There are no relatives around her... If she leaves herself at this moment, where can she go?

Thinking of these Li Tian's heartache, I can't wait to find that Duan Muying.

Li Tian, who walked from one end of the block to the other end, finally gave birth to a despair in his heart...because he looked blindly like this, it was simply not a solution.

In such a big city of Beitang, he is undoubtedly looking for a needle in the sea to find the Duanmu Ying.

Now Li Tian has passed through the entire entertainment street block. If he can't find it anymore, he will turn around and leave here and look for the next place...

Just as Li Tian was about to leave this entertainment street and look for another block, he suddenly heard two men standing beside him greeting people.

"Old Liu...what are you doing? Why did you come here so long?"

The two of them greeted the man who came by, while still slightly complaining in their mouths.

But seeing that the man who came over was a man in a leather jacket, after he came over, he said with a frustrated face: "Hey...don't mention it! I just met a drunk crazy woman... I have to pull me... ..It's not just a delay,"

Chapter 909: Meet for a moment

"Ah? So..." the two people said there.

"Yeah! Or else, can I come here so late?" the man in the leather jacket said depressed.

"Why is that woman pulling you?" the person waiting for him asked.

"How the **** do I know?"

"It's probably because of a broken relationship... so I drank too much..."

"Forget it, forget it, don't mention it, bad luck. Go, let's go." The man looked quite depressed, so they turned and walked to the other side.

Li Tian, who was already going to leave, frowned slightly after hearing the conversation of the men just now.

"Drunk woman?"

"It shouldn't be her... I have never seen her drinking before, besides, there is still that little ring around her!" Li Tiantian thought to himself.

But he still looked at the small street that the man in the leather jacket had just walked over... He hesitated in his heart... and then walked towards the small street.

He was going to go to see the situation. Although he wasn't sure what was going on there, he still wanted to see it with his own eyes. After all, he was looking for it aimlessly now.

On the cold street, but seeing the drunk Duanmuying lying on the side of the cold wall, she felt a little uncomfortable because of drinking too much.

Xiaohuan standing beside her has been supporting her worriedly.

"Miss... are you better?"

"Let's go, get out of here... Find a place for you to take a good rest first." Xiaohuan said to his lady.

Where is Duanmu Ying? At this moment, I felt a little unconscious, dizzy there.

"I won't... I won't go..."

"Miss, but you are drunk, you have to rest?" Sai Xiaohuan worried.

"I want to wait for him... wait for him..." Duan Muying said dazedly.

When talking about him, Duanmuying couldn't help being sad.

"Miss... Li Tian will not come... Besides, even if he finds... it is impossible to find us, Miss, why are you torturing yourself like this?" Xiaohuan persuaded.

Yes, in fact, what this girl said is pretty good.

The two of them left the hotel without leaving a word... After walking so far here... Then how could Li Tian find them?

Listening to the small ring in front of her, Duanmu Ying, who was already drunk, didn't care about it.

She just shook her head, her mouth full of wine said: "No...I have to wait...I have to wait for him..."

Xiaohuan knew her own young lady's temper and had nothing to do, so she could only accompany the drunk Duanmu Ying in the dark.

Li Tian had already walked over here at this time.

On the dark street, he looked around as he walked.

While he was looking for it, he suddenly heard a familiar voice over there.

"Miss... go and rest... don't torture yourself like this anymore."

When he heard this sound suddenly, Li Tian's heart suddenly thumped.

Ringlet?

It's Xiaohuan's voice!

When he heard this familiar voice suddenly, Li Tian's whole body was boiling.

"Xiaohuan..." Then Li Tian yelled and ran towards the darkness over there as if seeing his relatives.

But it said that Xiaohuan here was comforting that Duan Kiyong... At this moment, when she suddenly heard a voice calling her name, she was stunned for a moment.

Then I subconsciously couldn't believe my ears.

Is it Li Tian?

Li Tian? Is he really looking for a lady? Did you really find it?

"I'm here!" Suddenly Xiaohuan exclaimed happily like a sparrow.

Then I saw a figure from a distance, rushing towards this side like flying.

Of course he is not someone else, it is Li Tian who has been looking for him all night.

"Xiaohuan...I finally found you... Where's Duanmuying? Where's your lady?" Li Tian asked quickly after running over.

His voice is so anxious, so excited.

The moment that Xiaohuan really saw Li Tian, of course he was extremely happy at the moment.

"You really found it! I didn't expect you to find it."

"Our lady is here..." said Xiaohuan happily, and pointed to the dizzy Duanmu Ying in front of her.

Li Tian saw Duanmuying lying on the cold wall over there.

"Miss...Miss...You will wake up soon, Li Tian is here...Li Tian is looking for you." Xiaohuan said while supporting Duanmu Ying in that excitement.

Duanmu Ying was already unconscious, and she didn't know if she heard the sound of the small ring in front of her, she was still squinting her eyes dizzy...

"No...you lie...you lie to me...you all lie to me..."

"He has no conscience... how could... why would he come to me?" Duanmuying said with her eyes blindfolded and her mouth vomiting heavy alcohol.

The little ring said, "Miss, it's true... Li Tianzhen came to you, and he is right in front of you now!"

Listening to the small ring in front of her once again, the drunk head of Duan Kyo Sakura finally got a little sober... Then the dim drunk eyes slowly broke away, and she saw him...

Li Tian stood in front of her, looking at her with a distressed expression on his face.

"Are you okay?" Li Tian suddenly looked at Duanmuying and asked with concern.

I haven't seen each other for so many days... All the longing for so many days suddenly flooded into Duanmuying's mind.

She had red eyes in a moment.

"Who told you...you came to me? You go, you go, I don't want to see you..." Duanmuying said with a squirt of alcohol, and said in a duplicity.

Although her words were roaring, the teardrops fell drop by drop.

Li Tian did not move, but stood in front of her, looking at her caringly and said: "Fool, why don't you listen to my explanation?"

"I don't listen... I don't listen to anything... you go... you go..."

Suddenly, Muying stubbornly pushed Li Tian like crazy, and at the same time stretched out her hand and pushed towards Li Tian...

But she was already drunk, and her footsteps were vacant. Just when her two hands touched Li Tian's body, she suddenly softened and fell to the ground.

Li Tian saw that Duanmuying was about to fall down on the icy road, he hugged her tender body with quick hands and quick eyes.

Li Tian gave her tender body, which was still full of strong alcohol, hugged tightly in her arms.

After Li Tian suddenly hugged her tender body in her arms, the drunk Duanmuying seemed to wake up in an instant. Her eyes that had been completely drunk now stared wide at her. He was so close that he could even hear his breathing.

Chapter 910: happy

What about Li Tian? She also looked at Duanmuying affectionately, and the two hands that hugged her waist did not relax at all.

After froze for a few seconds, Duanmuying suddenly became more and more red...After all, this was the first time he was so close to Li Tian.

The face that was blushing because of excessive drinking, when he became shy for a moment, looked even more charming and moving.

"Rogue, let me go...you let me go..." Duan Muying cursed all of a sudden, and she was still struggling violently in Li Tian's arms.

But what about Li Tian?

At this moment an amazing move was made.

He ignored the drunk Duanmuying's mischief, and ignored her talking about her own hooligans... He just slammed his mouth into her cherry mouth...

Live her!

Suddenly, Duanmu Ying was kissed so suddenly. When Li Tian kissed her **** little cherry mouth, her whole body suddenly seemed to be shocked... The whole body became trembling. For a moment...

Then those beautiful eyes widened, eyes full of horror, eyes full of unbelievable.

After a few seconds of consternation, Duanmuying tried to struggle, but was held tightly by someone. She couldn't get rid of it... so she subconsciously compromised.

Two hands that were originally struggling, subconsciously clasped Li Tian's body.

In this way, Li Tian's hot lips kissed Duankiyong's small cherry mouth.

His lips are so warm. When she kissed this girl's cherry mouth, Duanmuying was still a little surprised. It was obvious that this girl was kissing for the first time... What's even more depressing is that it was Li Tian this way. The overbearing took the past.

Her kissing was obviously rusty... but she still tried her best to cater to Li Tian's offensive.

Li Tian was in the dark, holding her small waist with both hands, and kissing her cherry mouth tightly with his mouth.

And her? No longer struggling, like a lamb that was completely tamed... She also hugged Li Tian's wide shoulders tightly, and kissed there.

At this moment, their hearts were intertwined.

At this moment, they are the happiest people in the world.

What about the small ring next to it? Faced with this scene, Qiao's face suddenly turned red... She turned around quickly, but her heart was filled with excitement, speechless excitement.

They are kissing, hugging each other happily.

Although it was dark, their eyes were filled with happiness.

They all seemed reluctant to leave each other's lips, holding them like that, hugging tightly.

Finally, Duanmuying, who was still shy, slowly left Li Tian's lips.

Her drunkenness just now seemed to be sober after this kiss.

At this moment, she was shyly in Li Tian's arms, her head lowered in a charming manner.

Li Tian held her small waist and hugged her distressedly.

"Fool, don't leave without saying a word..."

"Hey, do you know? When I heard that you left...I was so scared that I would never see you again..." Li Tian sighed.

Duanmuying, who was in Li Tian's arms, was full of alcohol in her mouth, but her mind was clear at the moment, and she was undoubtedly happy now.

"Is what you said is true? Or is it false?"

"Huh, I don't believe it, would you worry so much for me?" Duanmuying said with her head in Li Tian's arms.

"of course it's true!"

"I've been looking all the way, looking for you all the way... I hope I can find you! Tell you, I have always liked you." Li Tian said.

When that Duan Muying heard Li Tian say this, she was immediately happy. All the grievances she suffered before disappeared without a trace.

"You are not allowed to lie to me?" Duanmuying said to Li Tian with her red lips pouting.

Li Tian looked at her, really wanted to kiss her little cherry mouth again, and said there: "I didn't lie to you, everything I said is true."

"If you bully me again...make me angry again, I will kill you! Then I will commit suicide again!" Duanmuying said suddenly.

Listening to this girl's words so extreme, Li Tian was depressed, but still smiled.

"Don't worry, I won't bully you... and I won't annoy you anymore."

"Well, you promised me this?" Duanmuying said happily.

"Yeah!" Li Tian smiled.

"Then you promise me one thing too." Li Tian said, looking at Duanmuying in his arms.

Duanmu Ying said, "What's the matter?"

"No longer be jealous for no reason, no more walking like this for no reason, okay?" Li Tiandao said.

Listening to Li Tian's words, Duan Muying also thought about it, she is really a bit unreasonable...After all, Li Tian has such a deep feeling for Situ Ningbing, and Situ Ningbing was the first to know Li Tian in the earliest days. !

So Duanmuying at this meeting nodded after thinking about it.

"Fool, how much wine did you drink? Why did you become so drunk?" Li Tian said distressedly, looking at Duanmuying in his arms.

Duanmuying smiled foolishly and said: "I'm not drunk yet..."

Li Tian frowned.

"Hey, go back quickly... Brothers are still worried."

Ready to leave while talking.

Duanmuying's footsteps were vacant and couldn't walk at all... So Li Tian suddenly hugged Duanmuying in his arms.

Duanmuying became shy in an instant... but she didn't struggle.

The little ring behind that also followed happily. Seeing that her young lady's mood improved and she became less sad... She naturally became happy too.

"By the way, how did you escape? I heard that you were captured by a very powerful old demon..." Although Duanmuying drank a lot of alcohol, her mind was sober at the moment. Asked.

Li Tian held Duanmuying in his arms like this, while walking, talking to Duanmuying and the girl Xiaohuan about his experience for so many days.

The two of them were shocked when they heard Li Tian say this, but they were grateful that Li Tian came back intact.

Li Tian held Duanmu Ying and took the girl ring behind him. When he arrived at the intersection, he greeted a taxi.

The taxi saw Li Tian holding such a charming drunk beauty in his arms, thinking that Li Tian was brought out from the nightclub. With eyes full of jealousy, he glanced at Li Tian and said with a smile: "Man, good luck ... Such a beautiful person."

Li Tian smiled faintly when he heard the driver speak, and got into the car without responding to him.

After telling the driver's address, the driver started the car, and after the car hummed, they sat in the car and prepared to go back.
