

A Killer 92

Chapter 92: City West

Embarrassment, common embarrassment.

Both were silent there, without saying a word.

In the empty small restaurant, Li Tian and Xia Xue didn't know what to say.

In the end, Li Tian broke this awkward situation.

"Just now, what is the origin of the knife mentioned by those gangsters just now?" Li Tian asked.

Then Xia Xue returned to her previous appearance and said there: "The Little Sword Club is a gang of southerners. Most of them are vagrants and gangsters. These gangsters often bully these little ones in this area. There are also some honest people like small stalls in the restaurant, so they charge some protection fees."

"It turned out to be so." Li Tian said.

Xia Xue turned around and walked to the counter, blinking beautiful eyes and looking at Li Tian, who was facing her back, a strange light shining in her eyes.

"Sister Xue."

Li Tian turned his head.

As soon as she turned her head, Xia Xue immediately turned her beautiful eyes to another place and said, "What?"

Li Tian didn't see Xia Xue's face turning red for an instant, and slowly asked, "Will Shen Feng really go to fight the black market at night?"

"Of course, he has already promised others." Xia Xue said.

Li Tian frowned. To tell the truth, he was a little worried about Shen Feng. After all, Shen Feng was a pretty good person. Although he was a little bit confused, he was pretty good to him.

Li Tian didn't know how capable Shen Feng was. Hearing Xia Xue said that the black market boxing was cruel and bloody, he couldn't help but worry about Shen Feng.

"Aren't you going with Shen Feng tonight?" Xia Xue said, blinking at Li Tian.

Li Tian was stunned, yes, it happened that he had nothing to do with him, and he would go with Shen Feng, and at that time he would have a look after him.

After thinking of this, Li Tian quickly said: "Yes, I will go with him tonight."

"Well, that's good, I believe that with you, Shen Feng will definitely be fine." Xia Xue said, looking at Li Tian.

After Li Tian's amazing shot just now, Xia Xue thought in her heart that Li Tian was a real master. But she knew that Li Tian was telling the truth. He really hadn't practiced boxing before. Even if he did, it was only what he saw in his book yesterday and this morning.

Li Tian smiled awkwardly, and was too embarrassed to tell Xia Xue.

"It's getting late, I'll go see that kid." Li Tian said goodbye to Xia Xue.

Xia Xue nodded.

Immediately after Li Tian went out, after Li Tian went out, Xia Xue's pair of beautiful eyes were still staring at the doorway where Li Tian disappeared.

Like a lover.

What is thinking in this woman's heart, no one knows, and no one knows how a superb beauty like her would be wronged to open a small restaurant here, and she is alone.

After Li Tian went out, he quickly returned to Shen Feng's small broken house.

Inside the room, Shen Feng was playing with his gloves.

"I will go with you tonight." Li Tian said suddenly, looking at Shen Feng after walking in.

Hearing what Li Tian said in front of him, Shen Feng was stunned for a moment, and then suddenly laughed.

"What are you laughing at?" Li Tiandao said.

Shen Feng said, "What are you going to do? That place is messy, brother, there is nothing fun."

"It doesn't matter, I don't mind." Li Tiandao said.

Shen Feng turned towards Li Tian: "Do you really want to see me punch?" There was a serious expression in his voice.

Li Tian nodded: "Yeah."

"Well, then you have to listen to me." Shen Feng said.

"Do not worry."

"Okay, I'll take you tonight."

In this way, Shen Feng decided to take Li Tian to the black market boxing match tonight.

The sky soon dimmed.

The two casually ate something at Xia Xue's small restaurant. Xia Xue kept watching them after eating before finally telling Shen Feng and the others: "Be careful."

Shen Feng smiled, and said, "Sister Xue, don't worry, you don't know what I can do."

Xia Xue curled her lips: "You? Your ability is probably not as good as him."

Speaking, Meisou looked at Li Tian.

Shen Feng suddenly laughed.

"Sister Xue, stop joking, my brother can't play with this thing."

While talking about Shen Feng, he raised his sturdy fists, put on a very powerful pose, smiled and said, "Sister Xue, wait for me to return in triumph."

After speaking, he took Li Tian and walked outside.

Xia Xue didn't say much.

After Shen Feng brought Li Tian out, Li Tian asked Shen Feng, "Where is the black market boxing?"

Shen Feng smiled: "West of the city."

The simple words came out of his mouth.

West of the city?

Li Tian certainly didn't know where the west of the city was.

The west of the city, to put it plainly, is the Xicheng District of Kyoto City, but the Xicheng District has been demolished. In the past few years, the government has always said that the Xicheng District is undergoing thorough planning, so basically everything about the houses there has been demolished, and the residents and residents have also been demolished. I moved out of that place, but unfortunately, the crackdown happened that year. The mayor of Kyoto City was caught in the evidence of corruption. The mayor of Kyoto City was sent into the bill, and the Xicheng District was demolished to build the Xicheng District. Things have not been implemented.

Although most of the city's west has been demolished, no building or house has been built. It has become the most desolate corner of Kyoto City.

The place where Shen Feng fought the black market boxing was in the west of the city.

When Shen Feng brought Li Tian to the interface, Shen Feng asked Li Tian to wait here for a while, and then he went to the public phone next to him to make a call, and soon walked over.

"Someone will pick us up later." Shen Feng said to Li Tian.

"Is that the fat guy this morning?" Li Tian asked.

"Yeah." Shen Feng nodded.

Li Tian didn't speak too much, and soon saw a black Santana driving towards this side.

Facing Li Tian and Shen Feng drove over, the car stopped when it came to the front.

A man with mouse eyes came out from inside.

This guy is the little brother who drove with the fat guy in the morning, and his name is Paiqiang.

After Paparazzi drove over, he glanced at Shen Feng and Li Tian.

Finally his eyes rested on Li Tian's face: "Who is he?"

"My brother." Shen Feng said.

"He's going too?" Paparazzi asked.

Shen Feng nodded: "Yeah."

The paparazzi raised the mouse eyes and glanced at Li Tian, without saying much, and then said to Shen Feng, "Fat brother, we are already there, let's go."

After speaking, he got into the car, and Shen Feng and Li Tian also sat in.
