

A Killer 941

Chapter 941: Get help

Listening to what Cai Wuye said in front of him, Song Yong looked unconvinced.

"Uncle Wu, my nephew has something to say that I don't know should be said inappropriately." Song Yong said suddenly.

Cai Wuye said: "Let's talk about it."

"I don't think the son of the evil **** is so powerful at all! Hmph... Just now, Sanglong, and Ma San said that the kid is so amazing, I think it is because the two of them didn't do their best this time, or they were afraid of the evil god. The reason." Song Yong said.

Listening to Song Yong's words, the face of Cai Wuye suddenly became unhappy.

"Nonsense!" A roar suddenly came out from Cai Wuye's mouth.

After Cai Wuye suddenly became angry, Song Yong hurriedly closed his mouth and lowered his head.

"A Yong, how can you say that Ma San still has a Dragon?"

"I'm telling you... These two people were your father's right-hand man back then!" Cai Wuye said angrily.

"For so many years, the two have treated your Song family loyally...A Yong, remember that they do not owe you the Song family, but their respect for your father."

Listening to Cai Wuye's sudden reprimand, Song Yong lowered his head and said nothing.

"Sanglong's fiery sword fight, and Ma San's powerful eagle claw skill can be said to be a top-notch skill in the world. Even they can't take the son of the evil god. Try to think about your 64-style Zhang Qiankun, is it sure to take down the son of the evil god?" Cai Wuye said to Song Yong, staring.

Although Song Yong was not convinced, he nodded silently when facing Cai Wuye's words.

"What Uncle Wu taught is."

"Always remember to me, people who do great things must not give me impulse." Cai Wuye said.

Then Song Yong thought for a while, raised his head and asked, "Uncle Wu, isn't my revenge for killing my father still reported?" He clenched his fists tightly, and said with a fiery hatred in his eyes.

"Report! Of course you must report!"

"Big Brother Song's hatred must be paid with blood and blood." A word suddenly came out of Cai Wuye's mouth.

"It's just that we have to find another way." Cai Wuye suddenly said again.

"Think of a way?" Song Yong was taken aback.

Just listen to Cai Wuye squinting his sharp eyes and nodding there.

"Of course we have to find a way... if we want revenge based on our current strength, it is impossible!"

"Not to mention how powerful the evil god's son is. The evil sword Duguxie and the shadow ghost servant around him are extremely difficult to deal with... So if we want revenge, we must find a helper."

"Uncle Wu, are the evil sword Duguxie and the shadow ghost servant really that scary?" Song Yong asked curiously.

Cai Wuye suddenly burst into laughter, as if he felt that the question Song Yong asked was extremely stupid.

"One is the most famous evil sword in the world, and the other is the undead servant beside the evil **** back then. Do you think it is amazing?" Cai Wuye said.

Song Yong was stunned, and did not speak any more.

After a long silence, he slowly asked, "The fifth uncle, who do we call for help?"

"Who can deal with the descendants of the evil **** with us?" Song Yong couldn't help asking.

Then Cai Wuye suddenly smiled playfully.

"Now we are in Yongzhou... If you really want someone to help, you have to find him!"

Song Yong became even more curious after the word "he" was uttered from the broken knife Cai Wuye's mouth.

"Who?"

"The underground emperor of Yongzhou City, Golden Hand, White Dragon!"

Golden Hand White Dragon?

When Song Yong heard this name, he was shocked immediately! Of course he knows the name of this golden hand Bailong, who is a famous tycoon-level figure in Yongzhou City.

In Yongzhou City, there has always been the title of "underground emperor", that is, the golden hand white dragon in the mouth of Cai Wuye just now. Whether it is the white road or the underworld in Yongzhou, this white dragon can cover the sky with one hand and is powerful. It is absolutely unique in Yongzhou City.

Legend has it that this golden hand Bailong was only a swordsman more than 20 years ago, a murderous murderer who only recognizes money but does not recognize people. But I don't know why, more than 20 years ago, this golden hand Suddenly Bailong took a foothold in Yongzhou, and he became the king. No one knew where his money came from...not to mention how his huge network was established. The only thing everyone knows is Since he came to Yongzhou City, all the people on the road here died overnight... Even the family members disappeared... Later, it was said that all this was done by him. All the characters who were in the underground world of Yongzhou City were slaughtered overnight, and even the family members were buried alive, so I couldn't find it... and I heard that he was good at using both hands with two-handed swords , Suddenly a hand broke! And the broken hand was put on a golden hand... Therefore, later Taoists called him the golden hand and white dragon.

Almost half of the underground world in Yongzhou is owned by Bailong, pornography, gambling and drugs, all of which are under the supervision of Bailong. Some people say that the underground world in Yongzhou can roll hundreds of millions of income in one night... I want to know how rich this white dragon is and what position he should have in Yongzhou City.

Having said that, when Cai Wuye talked about the golden hand Bailong of the underground emperor in Yongzhou City, Song Yong over there frowned slightly.

"Uncle Wu, but our Song family has never dealt with this person? Will he help us?" Song Yong asked suspiciously.

Then Cai Wuye squinted slightly and smiled and said, "Don't worry about this matter... leave it to me!"

"At that time, I will tell him...I believe I can convince him." Cai Wuye said confidently.

"Since Uncle Wu is already confident, that's great!"

"If there can be the help of the golden hand white dragon in Yongzhou City, I believe it would be extremely simple if we want the life of the evil ***** son." Song Yong said.

"By the way, the gang of descendants of the evil ***** are there now? Are they still in Yongzhou?" Cai Wuye asked suddenly.

Song Yong smiled in front of him.

"Don't worry, Uncle Wu, they will be inseparable from Yongzhou for a while." Song Yong said.

"Why?" Cai Wuye was taken aback.

"Because they are now locked in the detention center in Yongzhou City." Song Yong said with a smile.

Cai Wuye said in a daze, "Why are you locked up in a detention center?"

"Because they didn't leave immediately after we made a noise at the train station, they were taken away by a group of police." Song Yong said.

When Cai Wuye heard this, he laughed loudly: "It seems God really helped me!"

"As long as they can't leave Yongzhou City for a while, we will have plenty of time to find someone to deal with them!" Cai Wuye said in front of him.

"Well, Uncle Wu!"

"Then everything depends on Uncle Wu!" Song Yong said.

Chapter 942: Here comes a woman

Li Tian and his brothers are still trapped in this detention center.

They wanted to get out through some means, but the police had no choice but to detain them for 15 days before they were willing to let them go. This made Li Tian and his brothers suddenly depressed.

As the day passed, the brothers who were kept in the detention center were very annoyed.

"His uncle, these **** are imprisoning us indiscriminately!" Tang Xiaolong kicked fiercely on the iron fence with his feet.

Li Tian and Du Guxie on one side were sitting quietly in the corner of the wall.

"What should I do?"

"You can't really hold back in this mouse hole for fifteen days, right?" Tang Xiaolong said while cursing.

Chen Qiaozhi over there looked at him helplessly and said, "You can do nothing?"

"I ***** want to rush out, catch the policeman who held us and give him a vicious beating!" Tang Xiaolong said.

Old Monster Ge on one side laughed haha.

"We have been in Yongzhou for three days, but a lot has happened in these three days." Li Tian suddenly opened his eyes and said slightly.

Duguxie and the ghost servants nearby looked at Li Tian.

"Young Master, do you want to go out?"

"If we want to go out, let's rush out of this detention center!" Du Guxie said suddenly.

"It's not so easy for a small prison to trap me."

But!

Although Li Tian and his brothers were tightly closed by this iron fence, it was indeed harder to trap the evil sword Duguxie and the shadow ghost servant.

That's why Duguxie of this society said that.

Of course Li Tian knew Duguxie's ability, and when he heard him say that, he smiled slightly.

"Don't... wait two more days!"

"If they have to detain us at that time, then it will not be too late to leave!" Li Tiandao,

The Duguxie and the ghost servants in front of them nodded, "Okay, everything depends on the young master."

"By the way, I think the Song family is still waiting for me to get revenge in Yongzhou." Li Tian said suddenly.

"should be!"

"The hatred between the Song family and us has been for twenty years... It seems that the Song family is determined to avenge Song Haotian back then." Du Guxie said slightly.

Li Tian said, without much words.

"Young Master, how do you deal with the Song family's past?" The ghost servant on one side suddenly blinked his eyes and looked at Li Tian and asked.

Li Tian smiled: "The soldiers are here to cover the water!"

"Since I have misunderstood my father twenty years ago, Li Tian will not be afraid of them continuing to misunderstand him twenty years later!"

Listening to Li Tian's words, the Duguxie and the ghost servant stared at Li Tian in a daze. For some reason, in the feelings of the two of them, they found that Li Tian became more and more like their older brother's temper... !

And this weird feeling is even more domineering than the Cthulhu back then!

Is it because Li Tian inherited the evil spirit of the evil god? Or is it because of what? This made the Duguxie and the ghost servant in front of him completely ignorant.

But in their minds, they are still worthy of joy, because they can see that Li Tian has indeed grown up.

"The only thing I worry about now is to find her!" Li Tian said slowly

The she he was talking about was undoubtedly the "Fairy Baihua".

Yes, Yongzhou is so big, it is indeed difficult to find the "three sisters" Baihua Fairy who was once under the evil ***** in the vast crowd.

"Young Master, please leave this to me. I believe we will find the third sister soon!" Du Guxie said with confidence.

"Hehe, why are you so sure?" Li Tianxiao asked Duguxie in front of him.

Duguxie said: "Because the third sister probably also heard the news about your birth...so I think she will definitely do everything possible to contact us when I think."

"Oh? Is that so?" Li Tiandao.

"Yes!"

"The young master may not know her very well... but the ghost servants and I know her best!"

"If there is someone in this world who cares about the young master, then that person is undoubtedly my third sister! Baihua Fairy!" Duguxie said.

When Li Tian heard Duguxie say this, his heart was warm.

He knew that Baihua Fairy loved himself since he was a child. Although he could not remember the face of Baihua Fairy, he had already dreamed of seeing Baihua Fairy in his heart, and wanted to see her beautiful face.

On a highway outside the detention center in Yongzhou City, two black cars drove up for no reason at this moment.

The two cars appeared to be driving directly towards the detention center.

No, after the two cars quickly reached the door of the detention center, as the door opened, two men in suits and a woman came out of the car.

The woman looks more than 20 years old, delicate and beautiful.

It's just that the makeup on her face is a bit thick, giving her a coquettish feeling, and the tight stockings on her two beautiful legs make her look like a girl in a nightclub.

After she got out of the car Yingying, she frowned Liu's eyebrows and glanced at the detention center in front of her, and then walked forward.

The high heels stepped on the ground and made a crisp sound of stepping, stepping, and stepping.

The members of the guard outside the detention center were taken aback when they saw such a coquettish and charming woman and the two people behind them walking towards this side.

Then quickly ran over.

"Hello, what do you do?" I saw the policeman in uniform asked.

The glamorous woman in front of her gave a charming smile, then took out something from the red short leather jacket and shook it in front of the policeman.

"I want to see your Captain Wang." Her voice sounded ecstasy and charming.

I don't know why, when the policeman saw this thing, his affection suddenly changed, and his questioning attitude suddenly became easy-going.

"Ok, yes!"

"I'm going to tell us the king team!"

The uniformed policeman who was talking quickly ran towards the front office.

After a while, I saw the policeman running over again with a smile on his face.

"Miss, please... the king team is waiting for you inside!"

The glamorous woman in front of her smiled slightly, her red lips spitting out: "Thank you!"

Then he twisted his waist and walked towards the front office.

The policeman left behind was staring at the back of the glamorous woman, whose heart was burning like a raging fire.

But she said that the charming woman in front of her brought the two men in suits with her. After arriving at the office, she saw the king team at a glance!

The guy called Captain Wang was the guy who arrested Li Tian and others at the train station.

Chapter 943: Let them go!

The guy called Captain Wang was the guy who arrested Li Tian and others at the train station.

At this moment, he had already walked out of the office, with a flattering smile on his face, and said: "What wind is blowing Miss Liu... It's a great honor!"

Captain Wang smiled and walked out.

The charming woman called Miss Liu in front of her smiled faintly, her whole person was very charming, and she said in a crisp voice there, "Captain Wang, don't come here unscathed!"

"Miss Liu joked... I, a little policeman, can only be busy all day long! Hey!" Captain Wang sighed as he said.

"Miss Liu, please go inside, please go inside." The captain Wang who was talking quickly let in the charming woman.

So the ***** and coquettish Miss Liu walked in generously.

I really don't know what kind of character this Miss Liu is. She actually went in and out of the detention center like a common meal, and it seemed that even the captain of the detention center respected her.

After Miss Liu sat down, Captain Wang smiled and asked, "Miss Liu, why did you come to my little detention center today?"

Although Captain Wang respects this Miss Liu, he does not prove that he is a fool!

This woman surnamed Liu came here today for no reason. There must be something wrong.

But when she saw that Miss Liu smiled, "Actually, it's nothing big! It's just Captain Wang to give something away!"

"Xiao Hei, bring things here!"

As Miss Liu spoke softly, the stiff man standing behind her quickly walked up, and then took out a black plastic bag from the black leather bag in his hand and placed it in it. On the desk in front of me.

Captain Wang was taken aback, blinked and looked at the black plastic bag and said, "This is?"

As he talked, he stretched out his hand and looked at it. After he pulled out his hand, he saw that there was a wad of money in it, and it would cost a hundred thousand less!

After seeing so much cash, Captain Wang was taken aback.

"Miss Liu, what does this mean?"

Then Miss Liu continued smiling there and said: "This is our master's little heart to Captain Wang!"

"It can't be done, it can't be done..." Captain Wang suddenly declined there.

"Miss Liu, please tell Madam Rose, if there is anything I can work for Madam Rose, please tell me directly... As for the money, I really can't collect it!" Captain Wang said in a panic.

Hearing what Captain Wang said, the charming woman surnamed Liu didn't mind too much, and said, "Well, since Captain Wang insists on not wanting it, then I can't help it!"

"Xiao Hei, put things away."

As she said, the man in the suit next to him slowly put all the cash in the plastic bag just now into the black leather bag.

The charming woman surnamed Liu also slowly turned her pretty face to look at Captain Wang and said, "Then I will tell you what the master said!"

"Please speak, please speak!" Captain Wang said as if scared to the owner of the Liu woman.

"Did you detain a group of people in the detention center in recent days?" The woman surnamed Liu blinked and looked at Captain Wang in front of her.

When Captain Wang heard this, he was stunned.

"Uh? Yeah!"

"It's a group of rioters from outside... I was arrested for a fight at the railway station a few days ago." Captain Wang in front of him suddenly remembered and said.

"These guys dared to make trouble in the train in broad daylight, so I kept them locked up."

The charming woman surnamed Liu smiled softly.

"My master asked me to come over today because of this," she said suddenly.

"For this matter?" Captain Wang was a little surprised.

"Yes! Our master hopes that your Captain Wang can release them today!" The woman who only listened to Liu suddenly said

"Huh?" Captain Wang obviously didn't expect this beautiful woman surnamed Liu to come today for this matter.

He thought for a while and asked, "Miss Liu, do these outsiders know Mrs. Rose?"

Hearing the question of Captain Wang in front of her, the beautiful woman surnamed Liu suddenly showed an unhappy expression on her pretty face and said, "You shouldn't know this!"

"I just want to ask, can I take people away today?"

Suddenly hearing this beautiful woman surnamed Liu say this, Captain Wang quickly said: "Yes, yes!"

"Since Mrs. Rose wants to release people, there is no reason why my surname is Wang!" Captain Wang said.

"I'll tell someone to release it!"

Just listen to the words of Captain Wang.

The glamorous and **** Miss Liu smiled when Captain Wang said so.

"Okay! Then I'll wait for you!"

"Well, Miss Liu is here for a while, I'll tell people to go and let them go!"

The captain Wang who was talking quickly released his subordinates!

Li Tian and his brothers are depressed in this detention center at this moment!

While they were depressed, they suddenly heard the sound of footsteps coming from the corridor.

Looking in the direction, I saw two police officers in civilian clothes walking towards this side.

When they came over, Li Tian and his brothers were slightly taken aback, because they didn't know what the policemen were doing.

The two police officers who came by took a look at Li Tian and others, then slowly opened the prison door in front of them.

After the prison door was opened, I only listened to one of them saying: "You all come out!"

Li Tian and his brothers were slightly taken aback when they heard this policeman say this.

"What are you going to do?" the brothers on one side asked.

"Which so much nonsense, let you come out just take care of it..."

As the policeman said so, Li Tian and his brothers walked out of the detention center one by one, puzzled.

They followed the two policemen in front of them along the way.

They were all wondering, what is going on?

"Brother, ask, where are you taking us?" Chen Qiaozhi, who was walking in front, looked at one of the policemen and asked.

The policeman glanced at Chen Qiaozhi, who was wearing glasses, and then said: "Someone has come to bail you...so let you out."

"Huh? Let us out?" When he heard the news all of a sudden, Li Tian and his brothers were even more puzzled!

Someone actually bail them? Who? This made Li Tian more and more puzzled.

"What? Isn't it happy to let you go out? Do you still want to be detained for 15 days?" a policeman said, frowning at his brothers.

But seeing Chen Qiaozhi quickly shook his head and smiled: "No, no, no... Of course we are happy, of course we are happy."

Chapter 944: Madame Rose

To be honest, the brothers are really happy, but they are more surprised. They really don't understand who will bail them.

In Yongzhou City, they were originally strangers who didn't know anyone, but who could imagine someone came to bail them today.

The brothers in this club were all surprised, wondering in their hearts, who is the bailer?

After the brothers and Li Tian followed the two policemen to the open space outside, they saw the charming woman not far in front, Miss Liu.

Miss Liu's slender figure, wearing a black leather short skirt, black **** stockings on her slender legs, and pink high heels under her feet, she has a **** dress, plus she is already very thick. No matter how you look at her makeup, she looks like a woman in the dust. She is standing there looking at Li Tian and the others smiling.

Behind her stood two men in suits, and on the other side was Captain Wang from the detention center standing.

Besides, when the brothers saw this charming woman and the captain Wang, they were all stunned.

"Goodbye...Couldn't we be released on bail by that woman?" Tang Xiaolong murmured with blinking eyes.

My brothers couldn't believe it.

Even Li Tian is extremely puzzled. Hey, this woman has never known herself? How could she bail herself and her brothers for no reason?

Only Duanmuying and Situ Ningbing over there frowned when they saw such a coquettish woman standing there with such **** clothes and smiling.

"Who is this woman?" The girl Xiaohuan next to her couldn't help but whispered.

"How would I know!" Duanmuying didn't seem to like that charming woman very much.

"However, it looks like a vixen type." Duanmuying added in a low voice.

Besides, after Li Tian and his brothers were all brought out, he heard the policeman in front say:

"Go ahead!"

The words were directed at that side, which obviously meant that the charming woman came to bail Li Tian and others.

Although Li Tian and others are curious, they don't know who that charming woman is? She didn't even know why she wanted to bail herself, but she still walked over.

Captain Wang over there was talking with a charming woman surnamed Liu with a smile, and seeing Li Tian and others approaching, he raised his eyes and glanced at Li Tian and others, and didn't say much.

"Miss Liu, where's the people? I have brought them all out..." Captain Wang smiled at the woman surnamed Liu beside her.

The charming woman surnamed Liu smiled slightly: "Thank you Captain Wang, then!"

"After I get home, I must tell the master about this please!"

Captain Wang said: "A trivial matter, I should and should!"

The charming woman surnamed Liu did not greet too much with Captain Wang, but raised her beautiful eyes to look at Li Tian and others in front of her, and then said, "You follow me!"

As he spoke, he took his men and walked out of the detention center.

This Li Tian and his brothers could only follow the woman in front of him to the outside of the detention center.

When they finally got out of the detention center in front of them, there were two black cars parked outside the detention center.

The beautiful woman surnamed Liu stood beside the car and looked at Li Tian and others with a smile.

"This girl...Thank you for helping us get out of this detention center!" Duduguxie said slowly over there.

Although in their hearts they still don't know who this beautiful woman is, is it an enemy or a friend? But it was people who helped them out of the detention center.

Hearing Duguxie's words, the glamorous woman named Liu gave a charming smile.

"This gentleman is polite...I'm just following orders!" said the charming Liu woman.

"According to orders?" After she said this, Li Tian was not only taken aback.

"Yes!"

"I don't know if this young lady can tell us, which kind person came to bail us?" Li Tian asked.

The woman surnamed Liu said slightly, "My master!"

"Your master?" Hearing her say this, the brothers became more confused, and they didn't know who she was talking about.

"Yes!"

"My master's name is Madame Rose... I wonder if you have heard of it?" Only the beautiful woman said.

Mrs. Rose?

The brothers are all chanting four words, but unfortunately they don't know it! Not only did they not know, but even the Duguxie and the ghost servant did not know.

So Li Tian and others could only shook their heads in embarrassment.

To be honest, they don't know who Mrs. Rose is!

Although they don't know the Madam Rose, the four words Madam Rose are famous for the Taoists in Yongzhou.

There are two tyrants in Yongzhou City, one of which is the underground emperor: Golden Hand White Dragon.

The other is this: Mrs. Rose!

In the underground world of Yongzhou City, although a large part of the road business is under the jurisdiction of the white dragon, only one street is owned by Mrs. Rose!

And that street is also a famous man happily, Gentle Township, the name of that street is: Huajie!

The reason why Mrs. Rose is so famous in Yongzhou City is not only because of her strength not to be underestimated, but also because of her powerful methods. It is said that as long as a man goes to Huajie, no one dares to make trouble. Dare to hit the place, because it is said that in the past few years, there were a few foreign land ruffians who wanted to make trouble in Huajie. As a result, the few people disappeared inexplicably the next day...Later, they were found near the Panjiang River in Yongzhou City. The corpse, the corpse was dismembered and dismantled...tragically died there. Some people say that Mrs. Rose did this thing, and since this thing, no one dared to make trouble in Huajie.

People on the road still legend that Mrs. Rose is the number one beauty in Yongzhou!

She is more beautiful than any woman! Even the golden hand Bailong has been pursuing her hard, but unfortunately he has not caught up...

But now Li Tian and his brothers don't know the Madam Rose at all.

"How many people, please here?" Suddenly the beautiful woman named Liu pointed to the two cars in front of him and said to Li Tian and the others.

Li Tian and the brothers were confused, and said, "May I ask this young lady...Where are we going?"

"Go and see my master!" the beautiful woman said with a chuckle.

"My master has already ordered...After a few come out, I will take you to see her!" she said.

When Li Tian heard this, he said to himself: Why does Mrs. Rose want to see himself and brothers? I don't know her before, so why on earth?

Chapter 945: Flower Street

But now that the other party has already invited them, Li Tian couldn't refuse, so he said: "Okay!"

"Since your host is so kind, my brothers and I went to visit her and thank her face to face!" Li Tian said with a smile.

So he boldly took the brothers to the two cars in front of him.

Li Tian, Duguxie and the ghost servant were sitting with the beautiful woman...in one of the cars, the brothers, Duanmuying and they got in the other car.

After getting in the car, the woman surnamed Liu said to the driver in front: "Let's drive."

The driver nodded slightly, so he started the car and drove forward quickly.

"What's the name of this lady?" Hearing Duguxie asked in the car.

The woman surnamed Liu smiled softly and said, "My name is Yue'er, everyone can call me Yue'er!"

"Miss Yue'er... can you tell us, why does Madam Rose save us?" Du Guxie asked slowly.

The ghost servants at the moment and Li Tian also blinked and stared at the girl named Yue'er in front of them motionless.

I saw Yue'er sitting in front of him, did not directly answer this sentence, but slowly took out a flower from a small black leather bag beside him!

A golden rose.

The golden rose has five petals, and each petal is studded with sparkling diamonds.

After taking it out of that girl's hand, she took it over with a smile,

"My master said... as long as you see this, you will know everything!"

Li Tian looked at the golden rose in Mei Yan Yue'er's hand in surprise, and he was taken aback. Of course he didn't know what this golden rose meant.

But what about Duguxie and ghost servants beside him?

When they suddenly saw the golden flower, the two of them were shocked!

Moreover, both of them had an extremely strange expression on their faces, staring at the golden rose in Yue'er's hand unblinkingly.

But seeing that Duguxie slowly stretched out a trembling hand and took the golden rose in Yue'er's hand.

A pair of eyes were filled with excitement and could not believe it.

"The golden flower appears, the fairy is out!"

This was once a representative symbol of "her" and her favorite thing, but she did not expect to be here now!

"Sanmei!" Suddenly he whispered two words from the mouth of Du Guxie.

Although his voice is extremely small, it can still be heard clearly by Li Tianqing in front of him.

And Li Tian was also stunned at this moment.

"Second brother... is the third sister! It is the golden flower of the third sister!" The ghost servant who had been silent for a long time over there suddenly said in shock.

"The third sister knows about us... it was the third sister who helped us!" the ghost servant shouted in the car suddenly excited.

Third sister?

Could it be the one who once followed the Cthulhu: Fairy Baihua?

Could it be the woman who used to be the best to Li Tian?

"Yes! It's the third sister!" Du Guxie also said from his mouth suddenly.

But Li Tian was stunned after hearing the shocking truth that they had once again said.

Third sister? Baihua Fairy?

Could it be that she sent someone to this detention center to pick up herself and her brothers?

"Is it really her?" Li Tian asked, looking at Duguxie quickly.

Duguxie's bronze face was flushed with excessive excitement, nodding his head and saying, "Yes! It's definitely the third sister!"

"Young Master, it's the third sister, definitely the third sister! With the golden flower of the third sister, it must be her."

Li Tianwan didn't expect that they came to Yongzhou City and were worried about the search for the "Hundred Flowers Fairy", but he did not expect that the Hundred Flowers Fairy had known them in advance. How could this not shock them?

"Miss Yue'er, my three younger sisters are there now?" Duguxie said, looking at the beautiful Yue'er sitting in front of her suddenly excitedly.

But seeing that Yue'er smiled and said: "The master is waiting for you at home!"

"And also said that I will help you to clean the dust!"

The Duguxie and the ghost servants were all happy when they heard Yue'er say this.

In this way, Madam Rose must be the former "Fairy Hundred Flowers!" Although this truth is too unexpected, it shocks Li Tian and the Duguxie and others in front of him, but it really makes Li Tian. They were surprised and delighted.

Since we are about to see the "Fairy Hundred Flowers", everything will come to light soon.

On the way, after Li Tian, Duguxie and others knew the truth, their hearts were throbbing with excitement.

It's been nearly 20 years, and neither Duguxie nor the ghost servant have seen Fairy Baihua. How is she now? Is it still as beautiful as before? Who knows?

Twenty years ago, since the evil **** was brutally attacked that night, the three of them wandered around the world individually, but were looking for traces of their enemies!

When I look for it, I look for it for twenty years.

For more than 20 years, the three of them have not heard from them, but they all have the only determination in their hearts, that is to find the enemy of the year... and then revenge!

Now the three of them are about to get together again, I really don't know how much influence this will have on the whole river and lake after the three figures who were in awe of the power behind the Cthulhu.

Li Tian in the car was even more excited.

He is about to see another woman in his life who is very important to him. This woman has loved herself so much since she was a child, just like her mother, and she is the fairy of Baihua, I really don't know how much I will be when I see her. excitement.

The car quickly walked towards the bustling Yongzhou City.

After entering the busy city of Yongzhou, after a turn, the car quickly drove towards the most prosperous area.

The vehicle behind is closely following.

Li Tian looked at the tall buildings through the car window, and his heart was quite peaceful.

Soon, the car finally drove towards a very prosperous neighborhood, this neighborhood can be seen from far away the huge sign!

Flower Street!

This flower street is indeed well-deserved, all beautiful people! All are beautiful beauties.

On both sides of the street are nightclubs, ktv, discos and other places.

In the doorway, there are glamorous and **** women standing there waiting for guests.

There is no doubt that this flower street is a red light district! It is the largest red light district in Yongzhou City.

The owner of the largest red light district in Yongzhou City is: Mrs. Rose!

This fact made Li Tian, Duguxie and the ghost servants a little unacceptable. Looking at the glamorous women on both sides of the street, Duguxie frowned slightly.

It is really hard for him to imagine that his third sister is sitting on this place?

Chapter 946: Haojue Nightclub

"It's coming soon!"

The beautiful Yue'er girl sitting in the car in front said with a smile.

Li Tian and Duguxie behind both smiled and nodded.

Sitting in the second car were Tang Xiaolong and Duanmuying.

But they said that they didn't know what the situation was. They couldn't help wondering when they saw the car driving towards this depraved atmosphere, and so many bars, KTV and the flower street of nightclubs.

"Hey, why are we here in this place?" Tang Xiaolong on the side blinked and said.

Chen Qiaozhi and Old Monster Ge also frowned and shook their heads.

Duanmu Ying on the other side looked at the **** girls on both sides of the road, her eyes showing extreme disgust.

"What dirty place?"

"Why did that vixen bring us here?" she muttered as she said.

The girl next to Xiaohuan looked at the glamorous girls on both sides of the road with a pair of envious eyes and said in a low voice, "Wow, these girls are so beautiful..."

"Bad girl! Do you know what these women do?" Duanmuying glared at the girl Xiaohuan and said.

Xiaohuan hurriedly lowered her head, looking very aggrieved, and said, "What's the matter?"

Duanmu Ying gave her a white look... Some words are inconvenient to say because she is a girl. After thinking about it, she said, "Anyway, they are not serious things..."

Oh!

The girl Xiaohuan uttered a cry and stopped talking.

Besides, Li Tian's car in front has stopped in front of the most luxurious nightclub.

The name of the nightclub with a height of 6 floors and a huge area is: Haojue Nightclub!

The few Maseratis and Ferraris parked at the entrance of Haojue Nightclub alone are worth tens of millions...It can be imagined that the crowds who consume in such places are the owners of luxury.

After the two cars arrived, Li Tian and the others had already followed Yue'er out of the car.

Tang Xiaolong and his brothers all followed quickly.

"Little boss, what is this place?"

"What does this woman do? Why do you bring us to such a place?" Tang Xiaolong asked, who ran over.

Of course they don't know the truth yet.

Because of his excitement, Li Tian wanted to see the Baihua Fairy eagerly, so he didn't explain too much to him, but said indifferently: "You'll know later."

"How many people please!"

The beauty of that month had already greeted them in front.

And Li Tian, Duguxie and Ghost Servant were not polite, and walked directly towards the Haojue Nightclub in front of him.

A few bunny girls in ***** dresses standing at the door... When they saw the beautiful Yue'er approaching, they all smiled and said: Yue sister!

The beauty of that month just smiled faintly, and then continued to walk inside.

Walking into this huge nightclub, at first glance, people feel prosperous and depraved.

The first floor is the dance floor, where all kinds of men and women writhe their bodies wantonly with the sound of irregular music, and the smoke from their mouths fills the entire space like clouds.

When Li Tian, Duguxie and others walked in, they all frowned slightly.

The beauty of Yue'er in front of that obviously has a high status in this nightclub. Whether it is the waiters or the security guards in the nightclub, they will call her: Sister Yueer!

This month, I took Li Tian and Duguxie all the way to the second floor!

The second floor is a little better. It is an entertainment place. There is a billiard room and some large gambling machines...

The place on the third floor is the VIP box. When the beautiful lady arrived on the third floor that month, she turned her head to Li Tian and others behind her with a smile and said: "Please wait a moment in the box here... I'll go and notify my house. master!"

"Ok!"

So the brothers were taken into a VIP box and sat there quietly, while the Yueer girl went to look for their master.

"Little boss, what the ***** is this woman? How did you bring us to this place?" Tang Xiaolong, who was always curious along the way, couldn't help asking again.

Faced with the doubts of the brothers, Li Tian told them what had happened on the road just now.

When the brothers heard the real truth all of a sudden, they were all stunned.

"what?"

"Senior Baihua Fairy is here?"

"And the master of the woman just now?"

Tang Xiaolong and the other brothers asked in disbelief.

Li Tian smiled and nodded.

"Yes!"

"Even I can't believe it. It seems to be dreaming... but it seems to be the case. She should be here."

"Well, the young master is right! My third sister should be here." Du Guxie also said.

Hearing Li Tian and Senior Dugu say this, then Tang Xiaolong and his brothers were completely convinced.

"Oh my God, I didn't expect Senior Baihua Fairy to be in such a place!"

"Yeah, I didn't expect it!" they said one by one.

Everyone of them now knows that this place is a fallen place, and it is a red light district. It is hard to imagine that the former Baihua Fairy became the Lady Rose here!

When they were talking here, they saw the door of the room opened gently.

The beauty of that month stepped in pink **** high heels.

"Which is Senior Dugu? Senior Ghost? And...Li Tian? Young Master Li?" As Yue'er walked in, she said lightly.

At this moment, Li Tian, Duguxie and Ghost Servant slowly stood up.

"We are!"

The beauty of that month actually almost felt it, and looked at the three of them in Yingying and said: "The master is waiting for you on the fourth floor...please follow me!"

He turned around and wanted to take Li Tian and others away.

Tang Xiaolong and his brothers were stunned.

"Wipe, what about us?"

"Sorry everyone, I guess you will have to wait for a while!" The beauty of that month smiled when Tang Xiaolong said.

Then Tang Xiaolong and Old Monster Ge were obviously a little uncomfortable in their hearts, and they snorted...

"Xiaolong, you stay here with them first, we will come out soon." Finally, the ghost servant spoke.

Then Tang Xiaolong heard his master say this, so he nodded: "Okay, Master!"

So just like that, Li Tian, Duguxie and the ghost servant followed that Yue'er beauty out of the VIP box in front of her, and walked quickly toward the corridor in front.

After passing through the corridor in front of him, he went up the stairs directly to the fourth floor.

While the beauty of that month was leading the way, she pointed to the largest box in the middle and said, "Our master is here waiting for the three..."

Chapter 947: Tianer

After the beautiful girl Yue'er in front of her had finished speaking, Li Tian, Duguxie and the ghost servant looked at the biggest VIP box in front.

The door of the VIP box was hidden there.

After the beauty Yue'er finished speaking, she smiled, and quickly retreated, which obviously meant to let them pass by herself.

Li Tian glanced at the Duguxie and the ghost servant in front of him, and then walked slowly towards the VIP box.

Gently pushing open the door of the VIP box, the first thing that came to you was a fresh and pleasant floral fragrance, as if the whole room was shrouded in thousands of flowers.

The space in the box was very large and spacious. Through the dark blue light, a woman with her back facing them was standing motionless.

The woman was wearing a brown mink coat with mink fur draped over her soft shoulders, and underneath was a very **** mesh stockings. The two slender legs were full of endless temptation.

The slender body stood motionless there, with a noble temperament.

"Three sisters!"

The moment Duguxie walked in, he suddenly cried out with excitement.

Because he recognizes that figure, recognizes her back.

Although she now seems to have completely changed from twenty years ago, even her dress has changed, but there is no doubt that she is indeed her third sister, Baihua Fairy.

"San Jie!" The ghost servant suddenly cried out excitedly.

Following the exit of the two of them, the beautiful figure with his back facing them trembled suddenly...

Then her delicate body slowly turned around!

What kind of a charming face is that?

Allure? Harming all beings?

Yes!

She is so beautiful! She is so beautiful that she can hardly be described by any adjective in the world.

There is no blemish on the delicate face, just like a jade of exquisite workmanship, the eyes are as beautiful as water and tender, and the standard face of melon seeds is fat and thin, and thin, well-proportioned. The red lips are full of **** allure.

Not to mention her body, it is simply the embodiment of the devil!

From her entire appearance, it is impossible to confirm her age, because she is so beautiful, so beautiful that you can hardly tell how old she is.

She was like a fairy, a fairy who could only be seen by men from a distance, and could hardly bear to blaspheme.

She was recognized twenty years ago: the first beauty! Baihua Fairy!

The moment Baihua Fairy turned her pretty face, the water-like eyes were red at this moment... teardrops flowed out!

Those teardrops were teardrops of excitement, staring at Duguxie and the ghost servant without blinking.

"Second brother, fourth brother!"

A voice like a natural sound came out of her mouth.

Then she ran over, and the Duguxie and the ghost servant in front of her stayed tightly!

Duguxie's bronze-colored face that had never had any expressions also changed at this moment...Even the most indifferent eyes were slightly moist, not to mention the ghost servants, they were already in tears.

More than twenty years!

After more than twenty years, they finally got together.

This hug is their true hug, they hug for the reunion of meeting.

Twenty years ago, they vowed to wander around the world on their own, looking for the traces of the big brother Cthulhu, looking for the traces of their enemies... Hey, it's a pity that the eyes are dazzling, and it will be twenty years! Now their three siblings are finally reunited.

"Sister, how are you doing well for so many years?" Suddenly Duguxie looked at the rosy-eyed Fairy Baihua and asked like a dearest brother, and at the same time stretched out a kind hand and gently caress Fuck that Baihua Fairy's hair.

With tears in her beautiful eyes, Fairy Baihua nodded excitedly.

"I'm fine! I'm fine!" she said.

Duguxie smiled bitterly.

He knew in his heart that his third sister was the most stubborn woman in the world. Even if she had suffered a lot, she would never say in front of others...

"What about you? Second brother, fourth brother, how are you? Have you been wandering outside for so many years?" Fairy Baihua looked at the ghost servant and Duguxie and asked with concern.

"Okay, so do we!" Ghost servant and Duguxie said there.

When Baihua Fairy heard this, his face showed a happy expression.

But from the corner of her eye, she suddenly found that Duguxie's sleeve on one right hand was empty, and her beautiful face suddenly changed at this moment. She stretched out a trembling hand and suddenly touched that Duguxie. The empty sleeve on the right...

"Second brother...your arm?"

"How could your arm...how could it...none?" The fairy Baihua's body trembled suddenly, looking at Duguxie's broken right hand and said in shock.

Duguxie smiled lightly and said, "My hands are fine!"

"Second brother, tell me? Who is it? Who caused you to lose an arm? I want to avenge you! I want that life is better than death!" The terrifying words suddenly roared from Baihua Fairy's mouth.

If the gentle and beautiful Baihua Fairy was a fairy, the Baihua Fairy who is full of hatred at this moment is like a witch from hell.

This made Li Tian, who saw Fairy Baihua for the first time, completely shocked there.

I only heard that Duguxie smiled slightly and said, "Sister, second brother's hand was cut by myself to repay the gratitude!"

"Huh?" Upon hearing Duguxie's words, Fairy Baihua was completely shocked.

"Yes! Third sister, the second brother's hand was indeed cut off by himself in order to repay the gratitude...Otherwise, who can cut off my second brother's hand in the world?" said the ghost servant.

Hearing what the ghost servants and Duguxie said, even though the fairy Baihua had a little more comfort in her heart, she still felt distressed by Duguxie's arm, and tightly pulled his empty sleeves there.

"Sanmei, look at who this is?"

Following Duguxie's words, he suddenly stretched out his left finger and pointed at Li Tian who had been standing there quietly.

The fairy Baihua in front of her turned her beautiful face slowly.

"Big Brother?" This is the first sentence of Fairy Baihua!

She suddenly mistaken Li Tian for the evil ***** back then?

But when she took a closer look, she suddenly found that she was wrong, because he was not an evil god.

But how could he have the shadow of an evil ***** so much on his body?

Could it be that he is? he is.....

The Baihua Fairy was stunned.

What about Li Tian? Just standing there smiling and looking at Fairy Baihua... For Li Tian, this is his relative!

"You...you...you are Tianer?" Suddenly Baihua Fairy recognized it.

Chapter 948: Enemy

The tears in her excited beautiful eyes all at once fell, and even her voice trembled.

Li Tian nodded deeply, "I am, I am!"

"Tian'er!" With a cry, the Baihua Fairy couldn't help it anymore, and suddenly hugged Li Tian in his arms like a mother.

Her charming body fragrance completely covered Li Tian in front of her, and her whole body tightly held Li Tian in her arms.

Li Tian was hugged tightly by the excited Baihua Fairy, his handsome face suddenly showed some embarrassment...but he still hugged the Baihua Fairy in front of him.

Because he knows that this is his relative!

"Tian'er, let Auntie Hua look at you!" said Baihua Fairy, looking at Li Tian's face carefully.

She is like a loving mother, and she treats Li Tian as her own child.

Perhaps in the eyes of seniors' relatives, Li Tian may always be a child.

Li Tian also stood there, letting the fairy Baihua look at him...Although he was a little embarrassed, he still didn't move.

"Tian'er really grew up... grew up... and became handsome."

"Oh my god, I thought you were so big back then! This time you have grown so big..." the fairy Baihua said with gestures, dancing and dancing, and the sense of happiness and joy on his face was undoubtedly revealed.

"If this is to let the eldest brother and sister-in-law see you...you can't make them happy to die?" Fairy Baihua said with tears of excitement.

"Sanmei, it's been twenty years...Hey, in twenty years, the young master has naturally grown up." Du Guxie said suddenly.

Listening to Duguxie suddenly talking about twenty years, Fairy Baihua suddenly showed a trace of sadness on her pretty face.

"Yeah, it's been twenty years!"

"Twenty years!"

She murmured.

She held Li Tian's palm on one side, and said to Li Tiandao kindly, "Tian'er, do you remember me? When I was young, I liked to hold you the most!"

Li Tian blushed, but still nodded there.

He knew that he had lied, because he was really young at that time and really couldn't remember anything.

"Hey, it's a pity that I can't hold Auntie Hua now. You grow up, you really grow up." The fairy Baihua looked at Li Tian and said.

Beautiful eyes looked up and down Li Tian's body, as if wanting to see how Li Tian grew up.

"How have you lived for so many years? How's your life? Good? Has anyone bullied you?" The fairy Baihua looked at Li Tian and asked with concern.

Li Tian smiled and said, "Auntie Hua, I'm fine, I'm having a good time!"

"Really?"

"Did you really have a good time?"

"Twenty-four years ago, in the **** battle, we were separated from the big brother and you...for so many years...for so many years...To be honest, Aunt Hua thought you...you were already dead in that battle. A...Unexpectedly, I didn't expect God to bless my family Tian'er to be alive! Still growing up like this." The fairy Baihua said tears from his eyes again.

Then Li Tian hurriedly supported the Baihua Fairy in front of him.

"Auntie Hua, I'm fine! I've really had a good time for so many years!"

"Sanmei, no matter how hard the young master came here before...but I will swear from now on Duguxie that I will never let the young master suffer any more in the future!" Duguxie said boldly.

"My ghost servant too!" The ghost servant also said there.

"Yes, we are reunited. Our three brothers and sisters are finally reunited." Fairy Baihua also said excitedly.

"No one will dare to bully my Tian'er... whoever dares, I will kill anyone!"

Li Tian, who saw Fairy Baihua for the first time, was still a bit unfamiliar to the truth, but he knew this relative!

He knew that the people in front of him were his dearest and dearest elders. These people were all good brothers and sisters who had followed his father to the world and lived and died together!

Fairy Baihua, who had always held Li Tian's hand, seemed unwilling to separate for a moment, and held it tightly like a mother.

"Sanmei, how do you know that my young master and ghost servants have arrived in Yongzhou City?" Du Guxie asked curiously.

Just listen to the fairy Baihua saying: "Second brother, how could I not know?"

"Hey, for so many years I have been tracking down the news of my eldest brother and his enemies... Since a few months ago, I suddenly heard someone on the road saying that you and your fourth brother were born. I was shocked!"

"And the most important thing is that I also heard the news that Tian'er was born... To be honest, I didn't believe it at the time, but in the end I sent someone to inquire, it turns out that everything is true! I was excited... ..I wanted to leave Yongzhou right away to find you and reunite with you, but I found out that our enemies have already begun to move around... They want to find us revenge! So I continued to hide my identity as soon as I was cruel. Yongzhou City secretly investigated the traces of those people... Finally, I learned that the Song family had sent people here to hunt you down... Then I knew that you had also arrived in Yongzhou!"

After listening to the words of Fairy Baihua in front of him, this Duguxie realized that everything turned out to be like this.

"No wonder we just arrived in Yongzhou, you knew us." Duguxie said with a smile.

"By the way, Sanjie, why did you suddenly take root in this Yongzhou?"

"And what do I hear that girl named Yue'er call you, Mrs. Rose?" the ghost servant over there asked curiously.

In fact, Li Tian and Duguxie are also a little depressed about this question. Yeah, she is obviously Fairy Baihua, but why is she called Mrs. Rose here?

I saw Fairy Baihua suddenly smiled bitterly, and said: "Second brother, fourth brother, you don't know anything!"

"After the **** battle twenty-four years ago, the three of us wandered around the world and started looking for the traces of our elder brother and our enemies... At that time, I came to the south. When I first started, I had been pursuing our enemies in secret... Then I found a clue by accident!"

When Fairy Baihua gave the clue all of a sudden, Li Tian, Duguxie and others were shocked, and they all hurriedly listened carefully.

"I accidentally discovered one of our enemies that night twenty-four years ago!" Fairy Baihua suddenly said viciously.

"Who?" Duguxie and the ghost servant asked angrily.

The fierce murderous aura also diffused from the two of them in an instant.

Hatred, the hatred of blood for more than 20 years, how can they not get excited when they hear it now?

Just listen to Fairy Baihua saying slowly: "A man with a hidden weapon...I clearly remember that on the night 24 years ago, he used to use the trick of flooding the sky, even though those enemies were deceived With a face... but the hidden weapon that floods the sky with rain is still unforgettable to me!"

Chapter 949: Cause and effect

As Fairy Baihua said so, suddenly she stretched out one of her white and tender arms, and then slowly raised her sleeves. Randomly she could see that there was a very small piece on her white arm like lotus root. Scars!

Obviously, this scar was injured by the hidden weapon that year.

"Where is he? Is he still alive?" Hearing the ghost servant suddenly roared and asked.

Fairy Baihua sneered and said, "He's alive, and he's alive and well!"

"I killed him!" A roar suddenly came out from the ghost servant's mouth.

"Fourth brother, you are too impulsive!" Baihua Fairy said suddenly.

The ghost servant forcibly resisted the anger in his heart, calmed down there, and continued to listen to the fairy Baihua in front of him.

"Since I learned that he was one of the enemies of the year, I have been following him... but his power is getting bigger and bigger... more and more territory..."

"Second brother, do you know? Why have I not killed him for so many years?" Fairy Baihua asked, looking at Duguxie suddenly.

Duguxie pondered for a while, slowly raised his head and looked at Fairy Baihua and said, "I guess, you should be investigating the rest of the enemies!"

"Yes! The second brother is right!"

"We had too many enemies back then... and each of them was a great master with a face covered... So I have been tolerant, and I have been holding back, I want to find out who was behind the scenes. , Who is controlling so many masters to deal with Big Brother and us."

"So I didn't do anything, I changed my name completely in Yongzhou City, and then I started to live here for a long time."

"I got a nickname called Mrs. Rose... I have been investigating secretly in Yongzhou City for so many years. I have finally found out some information about the enemy and some clues." Fairy Baihua said slowly.

It turned out that Fairy Baihua had hidden his identity for so many years to investigate the murder of the evil god. He had always been preparing for the final revenge.

"Sanmei, who is that enemy? What is his name? Is he in Yongzhou now?" Du Guxie asked coldly.

Fairy Baihua said: "His name is Golden Hand Bailong!"

"It is indeed in Yongzhou City now! And he is also respected as the underground emperor of Yongzhou City!" Fairy Baihua slowly said the enemy's name.

Hearing this golden-handed white dragon, an invisible horror and murderous aura emerged from that Duguxie's body.

"I have been hiding in Yongzhou for almost fifteen years. During this time, I have been investigating the golden hand Bailong... I found that every three months a mysterious car would come and sit in the car. An ugly woman...I can see from her words and deeds that this golden hand Bailong who dominates in Yongzhou City has great respect for that ugly woman and mysterious people..."

"If I didn't guess wrong, I believe that the person in the car should be the person who dealt with us back then!"

"And through so many years of searching, I know what the organization that dealt with us was called!" The fairy Baihua said again.

When Fairy Baihua said so, Duguxie and Gui servant all smiled.

The fairy Baihua in front of her saw the two suddenly laughed. There was a big difference: "Second brother, fourth brother, what are you laughing at?"

"Three sisters, it is true that we have found out the details of our enemies, and their organization is called Hell Gate!" The ghost servant suddenly said.

Fairy Baihua laughed when he heard the ghost servant say this: "It seems that you also found out! Yes, the name of that organization is called Hell Gate!"

"In that case, this guy called the Golden Hand White Dragon should be the person in the gate of hell!" Du Guxie said suddenly.

"Yes!"

"Because the current Golden Hand White Dragon has a very strong underground power in Yongzhou City, I dare not act rashly for fear of getting rid of the grass, so I will send you a message then... I hope you can come and help!"

Listening to Fairy Baihua saying this, Duguxie finally understood.

It's a pity that the Duguxie just found Li Tian, and when he was most excited, he didn't have time to find the Baihua Fairy, but now it's all right, they are finally reunited now, and they have found their enemies.

"Golden Hand White Dragon... I must kill him!" The ghost servant over there suddenly roared.

Li Tian, who had not spoken and listened quietly, suddenly spoke at this moment.

"It's easy to kill his life... The most important thing is to get some important clues from him... I want to know what kind of organization Hellgate is, and I want to know who was involved in the assassination of me back then. During my father's battle, I want none of these people to escape. They all have to return with their lives, and all of them will die! Blood debts are paid." The vicious words came out of Li Tian's **** tone.

Duguxie next to him looked at Li Tian who was mad, and felt a little bit inside, but he still agreed with Li Tian's words.

"Yes, what the young master said is pretty good!"

"Now it seems that we can only get some clues from this golden hand white dragon." Duguxie said.

Fairy Baihua frowned for a while and said, "But according to my observations for so many years, this golden-handed white dragon is quite secretive, and he has never revealed any horse feet!"

"These are not important. I believe there must be a way to let him say it at that time." Du Guxie said coldly.

Yes, now that Li Tian and them have arrived in Yongzhou City, are you afraid that the golden hand Bailong won't say anything?

"Well, that's good!" Fairy Baihua said finally.

As they all made up their minds, the next target should be the underground emperor of Yongzhou City, the Golden Hand Bailong.

"Who is this golden hand Bailong?" Li Tian asked suddenly.

Fairy Baihua said: "It's a tricky character. According to what I have known for so many years, this golden hand white dragon should be a martial artist... the methods are vicious. Now Yongzhou City's black and white Dao is his world."

"Oh? That's pretty awesome?" Li Tian said with interest.

The ghost servant next to him said angrily: "It doesn't matter what underground emperor he is... or what hegemony... As long as you say something to the young master, I will get his head!"

Facing the ghost servant's words, Li Tian smiled.

"No hurry! No hurry!"

"I've been waiting for so many years, I don't care about this moment in time!"

"I swear, as long as it is the people who participated in the hatred that night...I will not let them go! I want them all to die!"

Chapter 950: Golden Hand White Dragon

The reunion is undoubtedly exciting for Li Tian and others.

From the conversation with the Baihua Fairy, this Li Tian finally had a preliminary understanding of the current Baihua Fairy.

Her real name is: Lai Qinghua, and her nickname is from that year: Baihua Fairy.

Now she is in Yongzhou City, and the block she occupies is called Huajie.

Although most of the forces in Yongzhou City belonged to the Golden Hand White Dragon, only this flower street belonged to her.

This flower street is undoubtedly the gentle hometown of men, and it is the happy valley of men. However, although the flower street is a place for men to have fun, no man dares to look down on the women here, let alone abuse them. Ladies, it's not because of anything else, just because this street belongs to "Mrs. Rose"!

"Sister, then you have been in Yongzhou for such a long time, has the guy named Bailong troubled you?" He only heard that Du Guxie asked a crucial question.

The fairy Baihua nodded slightly: "Of course I did it!"

"And he has come here more than once and twice for trouble... He wants to dominate the whole Yongzhou city... He wants to occupy my block."

"Does that white dragon know your identity?" Du Guxie continued to ask.

But seeing Baihua fairy Lai Qinghua over there, she shook her head slightly: "No! He still doesn't know who I am!"

"Oh!" After hearing Lai Qinghua's words, Duguxie groaned slightly.

"This golden hand white dragon is quite vicious. I sent someone to assassinate me some time ago... but I killed them one by one. Since then, they have ceased, and no killer has been sent!" Fairy Baihua said softly. .

"Sanmei, don't worry about this Bailong! We will get rid of him soon."

Huajie, a famous red light district, is full of the breath of depraved desire.

One block is filled with red lights, and the **** girls on the streets on both sides are standing at the door and pulling past consumers.

At this moment, I saw two red-brown vehicles coming far from one end of Huajie.

These two cars are bright black s-class Mercedes-Benz, arrogantly driving towards Huajie from the front.

In fact, the two S-class Mercedes-Benzes are not very impressive in Yongzhou, but the key is that the license plates on the front of the two cars are quite awesome.

The first car is bk10001, and the second is bk88888.

Such a powerful license plate number must be the only one who dares to open it in Yongzhou City.

Yes, the two black S-Class Mercedes-Benzes in front of me are the cars of the golden hand Bailong.

As these two cars drove toward the center of Huajie, the surrounding girls stared at the two cars intently... They had been in Huajie for such a long time, of course, they took a look at the license plate mark. Know whose car it is.

On the side, but saw a girl wearing a **** bunny costume when she saw these two cars driving towards Haojue Nightclub, she frowned slightly, and said to another girl next to her: " Xiaomei, hurry up and inform sister Yue! The person who told her Bailong is here."

The small but still **** girl standing next to her nodded quickly, and then walked quickly towards the Haojue nightclub over there.

But are these two black S-Class Mercedes-Benz cars of the "underground emperor" of Yongzhou City: Golden Hand Bailong?

Look carefully, but see that the man driving in the first car is a strong and burly man.

The man's face was stale and indifferent. The two hands clasped tightly on the steering wheel were rough and strong. Among them, there was a blood-red skull tattooed on the wrist of his right hand.

There is no denying that this person is the first bodyguard next to Golden Hand Bailong, Wang Hu!

Everyone in Yongzhou City knows Brother Tiger's name, and he knows his greatness even more. He was once a fierce man who was born and died by Bailong's side and served him as a shotgun.

He is also the first fierce general beside Golden Hand Bailong.

The bodyguard Wang Hu in front was driving, and in the passenger seat on the side of him was a guy who was about 50 years old wearing jade fingers.

He has eyes that are sharper than that of a poisonous snake, and the corners of his thin mouth always have a sly smile.

Who is he?

If you have stayed in Yongzhou City, you must know that Jinshou Bailong is a man with a skill and a weapon, two matching characters.

The Wu man is the one who can fight and fight: Wang Hu, and the Wen man is this guy.

The name is: Li Zhang! Nicknamed Master Li.

This person is very treacherous. It is said that the reason why the golden hand Bailong can become the underground emperor in Yongzhou City, half of the insidious schemes are the ideas of Master Li. Although this person often has a smile on his face, he is Hidden knife in a smile is more treacherous than anyone else. Although he has not had blood on his hands, his heart is more cruel and poisonous than those who have blood on his hands.

"Long Ye, look at this flower street, it's really good... good!"

Suddenly a gloomy and weird voice came out of Master Li's mouth.

His sharp eyes squinted at the nightclubs on both sides, and KTV was talking slyly while smiling.

It was obvious that his words were directed at the Long Ye behind.

Look carefully at the back seat of the car, there is a man sitting, a man with triangular eyes like a king cobra.

His face is very narrow, his nose is hooked, and the first impression of the whole outline is like a bad person.

Is he the underground emperor of Yongzhou City: Golden Hand White Dragon?

Look carefully, he is holding a charming and coquettish woman in his arms. The woman is very familiar and beautiful, with her **** half exposed. The deep gully can fascinate a person, and she

squeezes in front of the golden hand white dragon's arm. Rubbing back and forth, her mouth still made extremely seductive sounds from time to time, a yellowish hair was draped over her body wearing a tulle, and the whole person was nestled in the arms of the white dragon.

Where is the Golden Hand White Dragon?

Rudely and savagely, the left hand stretched directly into the short skirt of the charming woman, and the other hand was weirdly shrunk into his wide sleeve. If you look closely at his right hand, you will be surprised to find something strange, that is His right hand is a prosthesis!

No, it should be a golden arm to be precise!

This golden arm has no hands, only a sharp and cold hook, a golden hook that can dig a human intestine!

No wonder this white dragon is called by the figures on the road: Golden Hand!

Master Li in front also smiled slightly.

"Long Ye, that girl still refuses to give in, as I told her to be cruel... Let her know who is the leader of Yongzhou City!" Li Shiye sitting in front suddenly said treacherously.
