

A Killer 951

Chapter 951: Bailong is here!

The Bailong behind suddenly laughed, stretched out his hand and pushed the coquettish woman beside him rudely, saying: "No hurry, no hurry!"

"This rose, I am more and more interested in her... so there is no need to be so cruel to her!"

"Long Ye, I am extremely interested in her right now... Wouldn't it be better if you could get her to the bed and follow me in the future?" The white dragon treacherously laughed.

Then Master Li laughed hehe.

"Long Ye's idea is also good!"

"It's a pity that the rose seems to have thorns...Long Ye hopes you be careful when you play." Master Li said.

Bai Long said: "Don't worry, she just has poisonous thorns on her body, and I will remove all of them from Lord Long!"

As they said, the car drove quickly towards the Haojue nightclub.

When we arrived at the door of Haojue Nightclub, the car door slammed open.

Then he walked out of the first car, the golden hand Bailong and the others.

Next to him were the sharp and treacherous Li Shiye, and the first bodyguard who could fight, Wang Hu.

Behind him was 56 men in black suits.

When the white dragon arrived at the door of Haojue nightclub, he raised his eyes and glanced at the nightclub in front of him, then walked towards the nightclub with a cold snort.

The security guard at the entrance of the Haojue nightclub just wanted to step forward, and only listened to the people behind the white dragon yelling: "Get out of here..."

The security guard of the Haojue Nightclub certainly recognized that the man in front of him was the underground emperor of Yongzhou City.

After Bailong led his men into the hall of Haojue Nightclub in front of him, there were still deafening DJ sounds on the dance floor of Haojue Nightclub, as well as the shouts of men and women.

Bai Long took a look and waved to his hand.

Then the few men in suits understood what it meant, and quickly walked towards the tuner who was playing the deafening sound equipment in front.

The tuner, who was dancing with headphones on his two ears, didn't understand what was going on, and suddenly he was grabbed by his neckline with a cold hand.

"You... what are you... doing?" the tuner who played the sound in front of him suddenly asked in horror.

The people under Bailong snorted coldly, "Go away!"

With a roar, he grabbed the tuner by the neckline and threw him to the side, then lifted a chair beside him and slammed it against the audio equipment.

With a loud bang, the entire dance floor, which was deafening just now, was instantly quiet and there was no sound.

Immediately, all the lights were turned on...The men and women who were originally happy on the dance floor were slightly stunned at this moment, and they all said in surprise: "What's wrong?"

"What happened?"

The people watching the scene in Haojue Nightclub were also stunned... They all ran over in confusion, but they just ran over, and they were suddenly stopped by Long Ye's men.

"If you don't want to die, just stand honestly for me, don't move me!" said Long Ye's humanity.

Although these people who watched the scene at Haojue Nightclub were also the people who walked over the knife head, but at the moment they saw that these people were the subordinates of the underground emperor of Yongzhou, the golden hand Bailong, naturally they didn't dare to move anymore, just ass. I dare not put another one.

Just as they were horrified, suddenly a ghastly voice sounded.

"It's time to play, and all that should be jumped... Now you all get out of here one by one." It was Master Li who was standing in front of him, his sharp eyes with a smile, said to everyone on the dance floor.

These people on the dance floor looked at Master Li, and then looked at the golden-handed Bailong beside Master Li. It was Master Long!

They were all dumbfounded... so they rushed to the outside of Haojue Nightclub one by one like monkeys.

Of course they know how powerful this dragon is. Who dares to find faults here if there is nothing wrong with him? Doesn't that mean looking for death!

So soon, the Haojue nightclub, which was still full of explosive DJ sounds just now, suddenly became deserted. Only Bailong and his people, as well as the pale waiters who had been scared, stood there.

At this moment, a beautiful and ***** woman suddenly walked out from one side, with two men behind her.

This person is the Yue'er girl who picked up Li Tian.

After she walked in, she looked at this posture, with a beautiful smile on her face, and said: "Long Lord is here...it really makes our Haojue nightclub splendid."

That Bailong and Master Li beside him also saw this month.

Bailong laughed at Yue'er and said, "Xiaoyue'er, you are out!"

The beauty of Yue'er smiled charmingly and said, "Long Lord is here...how can I not come out to meet Xiao Yue'er?"

"Haha, the small mouth is sweet enough! I like it!" Hearing that Long Ye laughed and said.

"Come, come and sit in my arms!" The Bailong suddenly patted his thigh and said.

What about the beautiful moon? I didn't mind at this moment, I actually walked over with light steps, and just like that, the buttock sat in the arms of Lord Long all at once.

The white dragon hugged Yue'er in front of him, and with one left hand, he grabbed the waist of that glamorous Yue'er. The rude hand stroked the waist of that glamorous Yue'er unscrupulously. Extremely.

"Xiao Yue'er, where is your wife?"

"Madam is inside!" Yue'er said with a smile in Bai Long's arms.

"Really? Long Ye, I miss her...!" Bai Long said.

Yue'er, who was sitting in Bailong's arms, smiled.

"But Longye, I miss you a lot!" With wretched words in his mouth, the white dragon touched that Yue'er's two slender legs with one hand.

But she said that Yue'er suddenly stood up from Bai Long's arms with a slight smile on her face and said, "Long Master is good or bad!"

"Since Long Ye misses my master, then my Yue'erji hastened to call our master down!"

The Bailong didn't taste the sweetness, but he was not angry either. He just laughed and said, "Well, Xiaoyue'er, go ask your wife to come out."

Then Yue'er walked lightly towards the third floor of Haojue Nightclub with Lianbu.

After she left, Bailong's eyes became cold.

"Lady Sao...Sooner or later, I will let you and your master lie down on my bed!" The gloomy words came from the corner of the golden-handed Bailong's mouth.

Chapter 952: Meet an enemy for the first time

On the third floor, Li Tian, Duguxie and Gui servant were talking cordially with the first sighted Fairy Baihua.

Suddenly I heard a knock on the door outside the room.

Vernacular now Liu frowned slightly: "Who?"

"It's me, madam!" Yue'er's beautiful voice came from outside.

"Come in!" Fairy Baihua said slightly when she heard that she was her own.

Then the door opened, and the beautiful Yue'er walked in from outside with an ugly face.

After Yue'er walked in, she saw her wife holding Li Tian's hand, and she was slightly startled, and she said to herself: Hey, what is going on with Madam today? How to hold hands with a stranger, so close?

Although I thought so in my heart, he still said quickly: "Madam, it's not good! That golden hand white dragon has brought someone to our nightclub."

"Golden Hand White Dragon?"

When Baihua Fairy heard the name of this golden hand white dragon, she was not only slightly startled.

The ghost servants and Duguxie on the other side stood up all at once.

"Is it him?" the two said in unison.

"Sister, I was looking for this person, but I didn't expect this person to come? Just so, I went down and killed him!" The ghost servant who roared suddenly said there.

After the ghost servant suddenly said that, the fairy Baihua said, "Hold on!"

"Fourth brother, now is not the time to act rashly!" Just listen to Fairy Baihua said slightly.

"Yes, what the third sister said is not bad!" Du Guxie also stopped the reckless ghost servant.

"I just don't know why this golden hand Bailong suddenly came to Sanmei you here?" I just listened to Duguxie asked coldly.

Fairy Baihua smiled softly: "This old treacherous thing... must come to me, it must be to regain my territory."

"Bastard stuff!"

"Sooner or later, I will personally kill him!" the ghost servant roared.

Fairy Baihua stood up slightly, patted the ghost servant's shoulder and said, "Fourth brother, be calm and restless, let me go out and see what he wants to do?"

"I'll go out with you!" Du Guxie suddenly stood up and said.

Fairy Baihua said: "Second brother, how can you go out?"

"Don't forget... that white dragon can know you..." Fairy Baihua reminded.

Yes, the famous Duguxie, how could Bailong not know him? Don't forget, the **** hatred more than 20 years ago!

When Fairy Baihua said so, Duguxie nodded.

"Okay! Third sister, I will listen to you!"

So the Baihua Fairy prepared to go out to deal with the golden hand white dragon.

Just as Fairy Baihua was about to go out, Li Tian suddenly followed from behind.

"Auntie Hua, let me follow you!" Li Tian said with a smile suddenly.

"Tianer..." Baihua Fairy Lai Qinghua was startled slightly.

"That Bailong definitely doesn't know me... Hehe, let me follow you... I want to see who was involved in the blood debt more than 20 years ago!" Li Tian said.

Hearing what Li Tian said, Fairy Baihua thought for a while and said, "Okay, Tian'er, then you follow me!"

After Baihua Fairy agreed to let Li Tian follow, so they walked downstairs

As he walked, the Baihua Fairy reminded Li Tiandao that his current nickname is: Mrs. Rose, remind Li Tian not to make a mistake when it comes. Li Tian nodded and walked downstairs behind Baihua Fairy. On the other side is the beautiful moon girl.

After they got down the stairs in front of them, they saw the golden hand white dragon and the people standing in the nightclub at a glance.

The white dragon also heard the footsteps at this moment, and turned his head to see "Mrs. Rose".

The moment he saw "Mrs. Rose", the white dragon had a smile on his face, looking at her, watching her up and down.

"Unexpectedly, Lord Long came to visit today...It's really an honor for my Haojue nightclub!" Fairy Baihua said as she walked down the steps with a smile.

The white dragon also haha stood up from the seat.

"I didn't want to see my wife!" Bai Long said with a smirk.

Fairy Baihua naturally knew what virtue this white dragon was, so he smiled and said perfunctorily: "Really?"

"It's a good thing to make Lord Long think about it!"

While talking, walked down the stairs.

Li Tian also saw this golden-handed white dragon right now...He was his father's enemy more than 20 years ago! Right in front of him, Li Tianqiang took a cold look at Bai Long, holding back the flame of revenge in his heart, then looked at the bodyguard Wang Hu beside Bai Long, and Li Shiye on the other side.

"Madam, how good is your Huajie business during this time?" Bai Long asked the fairy Baihua with a smile.

Baihua Fairy smiled, turned all beings upside down, and said, "Tuolong's blessing, it's OK!"

"Madam is too modest!"

"I walked all the way and found that the flower street you manage is becoming more and more familiar...Haha, it's really good!" Bai Long said with a smile.

"It's just madam, I have a proposal to tell you!" Bai Long suddenly changed his voice.

Fairy Baihua said, "Long Lord, please tell me..."

"Although your Huajie business is good, you are all a bunch of women... Hey, if you are bullied at any time, then it's not good? Madam, did you say I was right?" Bai Long suddenly Said with a grinning grin.

Bai Hua Fairy Way of Nature, what a treacherous white dragon meant, said with a faint smile, "Long Ye is actually very worried!"

"Hey, our Huajie is indeed a gang of women... but fortunately, friends on the road have given me a bit of face for Mrs. Rose, so no one has made trouble with me so far.

"Really?" Long Ye said with a sneer suddenly.

"But Madam still have to be careful... If someone suddenly makes trouble, it will be troublesome! After all, this year, no one can tell about trouble." Bai Long said with a smile.

Mrs. Rose smiled lightly and said: "Long Ye is really good! People have been unsure these days, maybe when that wolfish ambition comes to me to take a bite... it really hurts!"

"But since my Madam Rose has done this, I am not afraid of wolves, dogs, come and bite me..."

"As long as he dares to bite me one point, I dare to make a three-pointer. If he dares to hit me on one place, I will turn my head on his three places!" Baihua Fairy said and laughed.

What about the white dragon? At this moment, his face became extremely ugly for an instant.

"Mrs. Rose, do you really think you have this ability?" The Master Li, who looked like a poisonous snake, suddenly said, looking at Fairy Baihua gloomily.

Fairy Baihua smiled lightly, looked at Master Li and said, "If you don't believe it, try it and you will know."

Chapter 953: Who taught his kung fu?

Seeing Li Tian nodded, Fairy Baihua didn't say much.

But what about the white dragon who left?

Since he left the Haojue nightclub in front of him, there has been a cold look on his face, as if he wanted to kill someone.

The golden-handed Bailong sitting in the car snorted, and a pair of vicious triangular eyes narrowed his mind.

Thinking of Li Tian.

I don't know why, Li Tian's face seemed so familiar in his mind... as if he had actually seen it before, but who was it? He can't remember it anymore.

"Why does that kid look so familiar?" Bai Long whispered suddenly in his mouth.

Master Li, who was sitting in the front co-pilot, turned his head and said, "Is it possible that Master Long is talking about the kid next to the lady?"

"Well! It's him!" Bai Long snorted coldly.

"That kid seems to have just followed Mrs. Rose. I have never seen him before." Master Li said there.

Bai Long didn't speak, but he felt more and more curious in his heart.

What he was curious about was not because he felt Li Tian's face was familiar, but because he was curious about why he was uncomfortable when he saw that kid, as if he were a demon.

This Bailong is also the underground emperor of Yongzhou City anyway. He has never seen a big scene, but now when he suddenly sees a strange boy, why does he feel so awkward? This makes him really do not understand.

"Long Ye, if you think that kid is getting in the way, let's kill him." I only heard Master Li suddenly say grimly in front.

The Bailong waved his hand slightly, and said with weird eyes: "No!"

"Don't worry about it!"

"I want to know why this kid looks so familiar!" Bai Long said.

"Familiar? Did Long Ye meet that kid before?" Li Shiye asked.

Bai Long wrinkled his triangular eyes and thought for a while and said: "I have seen it before...but the impression that the kid gave me is that he looks like a person...who is he like? I'll still be for a while now. Can't remember it."

"Oh, it turned out to be like this." Master Li said.

"Wang Hu, you should have done it just now... let that kid know that our Lord Long is amazing." The Master Li in front of him suddenly turned his head and looked at Wang Hu, who was quietly driving by his side, with a dull face.

The silent Wang Hu spit out a few strange words from his mouth after hearing Master Li say this.

"Master, that kid is not easy!"

Master Li was quite surprised when he heard Wang Hu say this, and said, "Hey, isn't it? Unexpectedly, I can say this from the kid?"

That Wang Hu said indifferently, "I'm telling the truth."

"If I'm right, that kid is absolutely terrifying."

"Is it so serious?"

Master Li in front of him said with a disdainful face.

When the two of them were talking, the Bailong sat quietly behind the car, without saying a word, with strange eyes thinking about his heart...thinking about Li Tian.

After Jinshou Bailong left Haojue nightclub with his people, Li Tian followed the Baihua Fairy to the third floor.

"How is it? What about the guy named Bailong?"

After Fairy Baihua and Li Tianyi walked in, the ghost servant asked.

Fairy Baihua smiled and said, "It's gone!"

"Sister Sister, why are you letting that **** go... Shouldn't we catch him now and force him to tell the clues to the gate of hell?" the ghost servant asked a little depressed.

Fairy Baihua shook his head gently: "No!"

"It's not the time yet."

"Yes, the third sister is right, it is indeed not the time... According to what I have known about the Hell Gate for so many years, every member of this mysterious organization is loyal and will not easily reveal the Hell Gate even if it is dead. Clues...So if we rashly show our identity, it will undoubtedly be a horror in Yongzhou!"

"It's easy to kill a white dragon, but it will be extremely difficult to find the master behind the gate of hell."

After listening to Duguxie saying this, the ghost servant in front of him finally nodded, but he was still unwilling in his heart. He felt that as long as he was an enemy, he should die immediately!

After Li Tian stayed in the room for so long, thinking of his brothers in his heart, he said to the three of them, "I want to go downstairs and take a look at the brothers."

Fairy Baihua and Duguxie also nodded slightly.

So she asked the beautiful woman to walk downstairs with Li Tian in front of her.

The Baihua fairy Lai Qinghua has been staring beautifully at Li Tian's back and disappearing, and there is an unprecedented sense of happiness on her delicate and flawless face.

"It's so fast... The time is so fast, I don't expect Tian'er to grow so big all at once!" Baihua Fairy said with her lips lightly open.

The fragrance emanating from her is alluring.

Duguxie on the other side also said slightly, "Yes!"

"Young Master has indeed grown up!"

"If Big Brother could see the current Young Master... how happy he would be!"

"Yes!" Fairy Baihua said softly.

"Second brother, have you taught Tianer Kungfu?" Baihua Fairy asked Duguxie, who was staring at her with her beautiful eyes suddenly blinking.

Duguxie asked his third sister suddenly, and then smiled and shook his head.

"Fourth brother? How about you?" Fairy Baihua looked at the ghost servant again.

The ghost servant shook his head, saying that he did not teach the young master kung fu.

"Hey, that's weird... Just now Tian'er followed me downstairs and saw the golden-handed white dragon, I felt a terrifying aura suddenly emanating from him..."

After Fairy Baihua said so, the ghost servants and Duguxie in front of them all smiled, gratified.

"I can feel that Tian'er's kung fu should be very powerful!"

"But you both said that you didn't teach him Kung Fu? I wonder...who taught his Kung Fu?" Bai Hua Fairy asked in surprise at this moment.

Duguxie said: "Sanmei, it is true that the young master has suffered a lot along the way! He has also suffered a lot... But he learned all his kung fu by himself, and I have never taught him with the ghost servants. !"

"The current Young Master's strength, to be honest, even the ghost servants and I don't know how powerful he is..." Duguxie said slightly.

Baihua Fairy was quite surprised when his second brother said so.

You must know that his second brother's evil sword was a powerful force twenty years ago, but now you can tell from the words in his mouth that he actually said that his Kung Fu Li Tian's Kung Fu is even stronger?

Chapter 954: Three women

Has Tian'er really become so powerful? Where did he learn his kung fu? How could it be so terrifying? This is not scientific!

When Bai Hua Fairy was surprised, the ghost servant on the other side began to slowly tell Bai Hua Fairy what happened to Li Tian on the road.

I also talked about the fact that Li Tian's hands were abolished by the Yuwen Family Patriarch... When it came to this, Baihua Fairy screamed, of course she was worried about Li Tian.

Later, fortunately, because of a blessing in disguise, Li Tian opened the life and death profound door of his body by that chance and coincidence, which caused his skill to suddenly rise to the next level, and his two abolished arms were healed...

"...This is what happened to Young Master along the way!"

"The kungfu used by the young master now is the kungfu on the ancient Qishu Tianshu pill scroll, so it is so powerful!" said the ghost servant.

After Baihua Fairy listened thoroughly, she was surprised and delighted in her heart.

What was shocking was that Li Tian had encountered ups and downs along the way, and what was happy was that Li Tian was able to completely turn the danger into a breeze in the end.

So she was happy in the end.

"Hey, I really didn't expect that Tian'er would have suffered so much!" Fairy Baihua said distressedly.

"Yes!"

"But now it's finally all right... Our three brothers and sisters are finally reunited... I believe that the Young Master will never suffer again in the future." Duguxie said.

"um, yes."

"There will be three of us to protect Tian'er from now on... I don't believe anyone in the world dares to touch him!"

At this moment, Li Tian has followed the beautiful Yueer girl to the brothers' room.

After seeing Li Tian, the brothers quickly stood up.

"Little boss, why did you go? Why did you go so long?"

"Yes, Li Tian."

The brothers around all asked.

So Li Tian told them all about Fairy Baihua.

When they heard Li Tian finished speaking, they were all excited.

"Really? Is that senior Baihua Fairy in this nightclub now?" Tang Xiaolong asked excitedly.

Duanmuying on one side and Situ Ningbing also blinked at Li Tian.

Li Tian nodded: "Yes!"

"Not only that, even this nightclub and the entire flower street are her site." Li Tiandao said.

Hearing what Li Tian said, the brothers were all happy.

In my heart, I even imagined how the Baihua Fairy was, what a woman who came into the world and came out of dust.

"Then when can we meet Senior Baihua Fairy?" the brothers on one side asked.

Li Tiandao: "I'll see you later!"

"That's great! That's great," Tang Xiaolong said with a big grin.

After a while, the fairy Baihua had already walked down from the third floor with Duguxie and the ghost servant.

Her face was as beautiful as a fairy, and at the moment when the brothers all saw her, they all looked silly and stupid...a smile and a smile almost turned all beings upside down.

Not only did these big masters look silly, but even Duanmuying and the two big beauties like Situ Ningbing were deeply shocked when they saw Fairy Baihua: It's so beautiful! It's so beautiful!

"Miss... she's really beautiful... like a fairy!" The girl Xiaohuan said, looking at Fairy Baihua with wide eyes.

Duanmuying's former eldest lady's character, at the moment when she saw Fairy Baihua, she also had to be convinced... Yes, she was really beautiful! The beauty has almost reached its limit. Every inch and every muscle on her body feels a bit suffocating beauty.

Not even she murmured in that mouth: "It's so beautiful, it's so beautiful!"

Such a stunner in the world is indeed a goddess in a man's mind.

Such a beauty is enough to make the strongest man surrender.

Looking at the people who looked at him stupidly, Fairy Baihua chuckled lightly, her lips lightly said, "Hello..."

Then Tang Xiaolong and his brothers reacted, and said awkwardly, "Senior Flower!"

Although the Baihua Fairy is very old, her beautiful face makes her even more beautiful and moving than the 1819-year-old young girl, so the brothers in this club called out the Baihua Fairy Senior, Making them a little awkward.

"You are all good brothers and friends of my Tian'er... Here, as an elder, I thank you for helping my family Tian'er share the adversity along the way." Baihua Fairy said Yingying.

The speech was full of doting for that Li Tian.

This made the brothers very curious, but they also felt happy. After all, Li Tian found another relative.

"This is my place. You can play whatever you want or eat what you want!" Baihua Fairy said with a smile to everyone.

The brothers cheered.

This Haojue nightclub was completely closed for one day because of Li Tian and others coming today.

Fairy Baihua arranged for everyone to drink and eat and greet them.

The brothers struggled along the way, and finally got here and started to eat and drink.

They all drank a lot of wine, and they were all famous wines... Fairy Baihua didn't discourage them, let them drink hard.

Tang Xiaolong and the others did drink a lot. They not only drank 6 bottles of Remy Martin but also a few bottles of gold Maotai. They were a little dizzy at this meeting, so the Baihua Fairy asked the waiter to help them all. Rest in the box.

Li Tian drank the same, because he was too tired during this period, so he went into the box to rest.

Maybe the only ones who didn't drink were the two beauties, Duan Muying and Situ Ningbing.

Fairy Baihua seemed to have something to say to the two beauties. After the brothers had left, she suddenly raised her beautiful eyes and looked at the two women and said, "You two will come with me."

Situ Ningbing and Duan Muying were slightly taken aback, but they nodded with a smile.

So they followed the Baihua Fairy in front of them and walked forward.

The three of them arrived in an exquisite boudoir, which was filled with pleasant fragrance of flowers. Upon visual inspection, this exquisite and elegant room should be where Fairy Baihua lived.

There are not only many gorgeous roses, but also bunches of Begonia flowers.

After Duanmuying and Situ Ningbing walked in with Fairy Baihua, they saw that Fairy Baihua stretched out a soft palm like white jade, and kindly grabbed the delicate hands of the two at once. For such a kind Fairy Baihua, The two were not only a little embarrassed.

"It's really beautiful!" Hearing only one sentence, the fairy Baihua suddenly said it.

As she said, she stared at Situ Ningbing and that Duan Muying.

Chapter 955: Broken knife is coming

Listening to the Baihua Fairy complimenting them all at once, Situ Ningbing and Duanmuying blushed.

Duanmuying blushed and said: "We are not beautiful...you are the most beautiful!"

Fairy Baihua smiled gently at the two women.

"I can see that Tian'er cares about you very much."

"At the same time, I think he must also like you very much," Baihua Fairy said slowly.

As Fairy Baihua said so, their faces blushed suddenly.

"When we meet for the first time, I have to give you two little gifts as a senior!"

Fairy Baihua said as she walked towards the delicate cabinet on one side.

After she got there, she slowly took out two jade bracelets from a box studded with gold.

Two crystal-clear white jade bracelets, smiling while holding them, walked towards the two women.

When Mu Ying and Situ Ningbing saw that Baihua Fairy wanted to give her something, they said, "Senior Flower, this can't be done...we can't ask for it!"

"Yeah! We can't ask for such a valuable thing!" Duanmuying on one side also said in surprise.

But the fairy Baihua shook his head slightly.

"Accept it! Obedient!" he said, pushing the white jade bracelet into the hands of the two.

"You are the people Tian'er likes...that's who I like Lai Qinghua... I can see that you are both good girls...good girls...it is his blessing that Tian'er can have you, and I am also I hope you will be together well!" Baihua Fairy said and laughed.

Situ Ningbing and this Duan Muying originally thought that Baihua Fairy was what kind of heroine, but she didn't expect to see him in person now that she was so approachable. At this moment, the hearts of the two were not only warm.

This Baihua Fairy is Li Tian's elder, and naturally also the elder of Duanmuying and Situ Ningbing, so when she first saw Situ Ningbing and Duanmuying, she loved it.

White House!

It is the site of the Golden Hand White Dragon.

The White House, which covers a huge area, is the most prosperous and expensive place in the entire Yongzhou City. A mansion,

This magnificent villa covers a total area of 2,000 square meters, with private parking, gardens, and swimming pools...

Luxurious luxury is undoubtedly evident.

Outside the White House, you can see those bodyguards in black suits standing at the door.

These people are Bai Long's subordinates, and they are all characters who followed him to death.

At this moment, it was on a highway outside the White House, but a black car was driving towards this side.

When the car drove to the grand gate of the Bai Mansion, it was immediately stopped by Bai Long's men.

"Who?"

"Get off the car!" Bai Long's subordinates roared there, staring at the vehicle that dared to drive into the Bai Mansion site.

The car stopped slowly, and as it stopped, only a few men came out of the car.

One of them was short, with two long ape-like arms tucked inside his sleeves.

The other is tall, with a shaved head, and the weird blood lotus flower tattooed on the top of the head reveals a weird look, standing there in a daze.

On the other side of the car came a middle-aged man in his 30s. The man was wearing luxurious clothes and standing behind one of the old men.

After these four people got out of the car, one of Bai Long's men was taken aback.

Of course, these guys are also roles in the arena. At this moment, when you look at the four people in front of you, you can naturally see that they are definitely not ordinary roles.

And who are these four people?

Of course it is from the Song family!

Ma San, and the Sanglong who knows the flame sword art, and Song Haotian's son, Song Yong.

The last one is the predecessor of Jianghu, Broken Blade: Cai Wuye.

But he said that after their arrival, the few Bai Long's men who had called to stop the car just looked at the four of them.

"What are you doing? Don't you know that this is our private site?" Although Bai Long's men can see that these four people are not ordinary characters, they still said fiercely there.

After all, on the site of Yongzhou City, no one really dared to break ground on Bailong's head!

Listening to the arrogant words of the people in the White Mansion, Song Yong, who had been the young master since he was a child, groaned and felt that Bai Long's subordinates were simply looking down upon others!

However, Cai Wuye, a famous figure in the rivers and lakes, walked over there with a smile.

"Several brothers...to be honest, we took the liberty to come here to find Lord Long!"

Hearing what Cai Wuye said in front of him, the four Bailong men standing at the door looked at Cai Laowu.

"Do you know who our Lord Long is? How can you see you when you meet?"

As Bai Long's subordinates said so arrogantly, the eyes of Ma San beside him suddenly became poisonous, and at the same time, he took a step forward suddenly, as if he was preparing to teach the guy who had spoken wild words.

However, Broken Blade Cai Wuye glanced at Ma San, and Ma San immediately backed away.

Cai Wuye continued with a smile and said, "Since we have come to find Lord Long, we naturally know who he is!"

"Please also this little brother trouble to help the old man...just say that Broken Blade Cai Laowu, and people from the Song family are coming to visit Lord Long!" Cai Wuye said with a smile, still squinting.

Cai Wuye still lowered his identity here. While speaking respectfully, one of the doorkeepers over there seemed to be able to tell that this group of people was a bit difficult.

So he whispered to his companions beside him: "I feel that these people have some background...or else, go and inform Lord Long?"

The people around them thought for a while, and they also felt that this visitor seemed extremely promising, so they nodded there.

"Well, you guys wait here with me first... I'll go in and inform our Lord Long!"

"But I warn you in advance... Our Lord Dragon is usually very busy... If you don't have time to see you, you should leave here as soon as possible!"

After speaking, Bai Long's subordinates turned and ran towards the mansion.

Listening to the arrogant words of his subordinates here was naturally extremely annoying, especially the young master Song Yong.

His face was ugly, and he whispered angrily there, "Huh, a bunch of dog minions, dare to look down on us so much?"

"A Yong..." Then Cai Wuye groaned when Song Yong said this.

"You have to remember to me at any time, forbearance, forbearance!"

"Besides, you have to know that we are here now to seek help from others... Bailong's power in Yongzhou is definitely not what your head imagined... He is a hero!"

Listening to Cai Wuye's reprimand, Song Yong blushed and said awkwardly: "Uncle Wu, I was wrong!"

Chapter 956: Introduction

Inside the White Mansion, in a magnificent main hall, but the staff at the door were quickly running towards this side.

From a distance, you could see Master Li, who was squinting, standing at the door.

But he said that after Bai Long's men ran over quickly, they said to Master Li, "Master Li, someone at the door wants to see Master Long!"

"not see!"

"Master Long is busy now!" Master Li said without turning his head.

When Bailong's subordinate heard Master Li say this, his face was slightly embarrassed, but he nodded respectfully, "Okay!"

As I speak, I am ready to retreat.

The subordinate who had just stepped back two steps suddenly heard that Master Li turned his head and asked, "Who? Who wants to see Lord Long?"

"do not know!"

"But they claim to be from the Song family...there is another person nicknamed Duan Dao!"

As the subordinate finished speaking this sentence and was about to leave, Master Li's face changed suddenly and said, "Wait!"

The hand was taken aback, then stopped.

I saw Master Li squinted his eyes and said in a weird voice: "Die Dao, Lao Wu Cai, people from the Song family... Why did they suddenly come to Yongzhou City?" Master Li in front of him suddenly muttered in that mouth. .

"Master Li, let me send them away for those people!" said Bai Long's subordinate.

"Do not!"

"Wait here for a while, I'll tell Lord Long!" Master Li said quickly.

The subordinate did not understand what was going on, but did not dare to ask too much, so he nodded quickly.

"Ok!"

Master Li quickly turned around and walked quickly towards the magnificent main hall in front of him.

In the hall inside, you can see a large crystal chandelier, and the furnishings inside are full of luxury.

After Master Li walked in quickly, he turned to a room on the left and walked.

But at the door, the bodyguard Wang Hu was standing motionless.

"Where is Lord Long?" Master Li looked at Wang Hu and asked after coming over.

Wang Hu spit out two words on his staid and indifferent face: "Inside!"

Master Li stretched out his hand and opened the door and walked in.

Inside, I saw that the golden-handed white dragon was lying comfortably on a soft sofa, drinking tea.

"Long Ye! Someone came to see you." After entering, Master Li shouted there.

Bai Long was holding the tea cup in his forehead, and when he heard the words of Master Li in front of him, he was slightly startled and said, "Oh? Who?"

"It's from the Southern Song family, and the broken knife, Cai Laowu." Li Shiye said slightly.

"They?" When Bai Long heard the names of these characters, he was obviously quite surprised.

"This Broken Dao Cai Laowu, and why did the Song family suddenly remember that they ran to Yongzhou to find me?" Bai Long frowned and said.

"I am not sure about this!"

"But now their people are outside our door..." Li Shiye said slightly.

The golden-handed white dragon pondered for a moment, and his heart was secretly lined: This southern Taoist person rarely interacts with him... Why did he suddenly come to him today? It's really strange.

"The Song family has been buried in the rivers and lakes for so many years, why are you suddenly looking for me in Yongzhou now?" Bai Long asked in surprise.

Those sharp eyes also blinked at Master Li beside him.

Master Li thought for a while and said, "This is really strange!"

"But Long Ye, this Song family was indeed a big family in the Song Haotian era twenty years ago. And that Broken Blade Cai Laowu... also belongs to the elders in the rivers and lakes... Such a character suddenly came to Yongzhou Long Ye, in my opinion, there must be something to ask for, right?" Then Master Li squinted his vicious eyes.

Bai Long nodded in favor.

"You are right!"

"It seems I must know these people..."

Then Master Li said, "Then Lord Long meant to see them?"

"See, of course!"

"Pass the word on, let them in!" Just listen to Long Ye's order.

Cai Wuye and others, who were waiting outside the White Mansion, had already seen Bai Long's men run out quickly.

"Several people, Lord Long invites you to come in!" Bai Long's subordinates who ran out said respectfully to Cai Laowu and the others.

Cai Laowu smiled and said, "Trouble!"

After saying this, he followed the Bailong's men in front of him and walked in towards the White House.

Baifuguo is really magnificent and rich enough to be the number one leader in Yongzhou.

Even characters like Song Yong and Ma San were not shocked when they saw Bai Long's mansion.

After passing through the garden, you will soon see the imposing hall of the white dragon.

From a distance, you can see Bailong's men on both sides of the road, wearing black suits, a total of more than a dozen people standing motionless there, and the middle place is standing with a smiling face. Golden hand white dragon.

The right hand of his prosthesis glowed with strange golden light under the sunlight.

"Haha...Cai Wuye came! I didn't personally greet me, Bai Long, it's really a sin...a sin!" Bai Long said while bringing Master Li by his side, and Wang Hu smiling towards this side. come over.

Of course, Song Yong and Ma San and others in front of them also saw the underground emperor of Yongzhou City, the golden hand Bailong.

At this moment, Cai Laowu also said with a smile on his face: "Long Ye's words are too polite..."

"I have always heard of Lord Long's name, but unfortunately I have never had the opportunity to meet. It is an honor for me to finally meet Lord Long today!"

Lord Long laughed, waved his hand and said, "It's the same!"

"Come, come, come, please inside!" The Bailong smiled and said hello.

This Cai Laowu and others were not polite and followed Bai Long into it.

"Why did Wu Ye think about coming to our little Yongzhou city this time?" Bai Long, who was walking, said with a smile while looking at Broken Dao Cai Laowu.

Then Cai Laowu said: "In fact, there is nothing serious, but when I am getting older, I came out and wanted to run. This did not happen to be in Yongzhou, so I made a special trip to visit Lord Long!

"Really? Good! Good! Good!" The white dragon said with a haha smile.

The few people who said so politely have already arrived in the hall.

In the hall, Bai Long, Cai Laowu and others sat on one side, Ma San, Sanglong and others were standing behind Song Yong and Cai Laowu.

After sitting down, the servant hurriedly came up with tea.

After a little greeting, Bai Long looked at Song Yong and the two standing behind Song Yong with weird eyes.

"Fifth Master, who are these?" Bai Longyan looked at Song Yong and the others.

Cai Wuye introduced, "Long Lord, this is my nephew Song Yong!"

Hearing that this was from the Song family, Bai Long took a closer look at Song Yong in front of him.

Chapter 957: an eye for an eye

Hearing that it was from the Song family, Bai Long took another look at Song Yong in front of him.

Song Yong stood up and respectfully addressed Bai Longdao and said, "Hi, Lord Long!"

"Oh! It turns out to be from the Song family...!" Bai Long said.

"I wonder if Song Haotian, the hero of more than 20 years ago, belongs to you?" Bai Long asked with a smile.

Twenty years ago, Song Haotian was recognized as a great hero...not because of anything else, just because Song Haotian was very loyal and was good at making friends all over the world, so his relationship with the outside world has always been very good.

"It's my father!" Just listen to Song Yongdao.

Hearing Song Yong revealing his identity, Bai Long was quite surprised, and said, "It turns out that it is...no wonder I think Young Master Song has the demeanor of everyone!"

"Long Ye praised!"

"My Song family has long existed in name only...now it's just a very small family!" Song Yong said.

Of course, Bai Long knew the situation of the Song family now. Compared with Song Haotian back then, it could be said that it was a world of difference.

"It's ok!"

"The skinny camel is bigger than the horse... Although your Song family has encountered a lot of things over the years, I believe you will get better." Bai Long said there.

Song Yong also smiled slightly.

"Fifth Master, when did you come to Yongzhou?" Bai Long asked.

Then Cai Laowu said, "I just arrived soon!"

"Oh! How long do you plan to stay in Yongzhou?" Bai Long continued to ask.

Cai Laowu said: "It depends on the situation..."

"If things go well, you will hurry up. If things go slow, you may have to stay in Yongzhou for a while."

Bai Long blinked his triangular eyes and looked at Cai Laowu in front of him and asked, "Fifth Lord, can you tell me what you did in Yongzhou?"

After Bai Long suddenly asked, Cai Wuye laughed.

"To be honest, I deliberately came to disturb Lord Long today. In fact, there is really something to do."

Of course, Bailong could guess that the broken knife Cai Laowu and the Song family suddenly came to him. There must be something to do, but now I still don't understand why they came.

So he smiled and asked: "Let's talk, what's the matter!"

Cai Wuye thought for a while and said, "Shall we come to Lord Long this time? The key is to ask Lord Long to do us a favor... In this place in Yongzhou, everyone knows that Lord Long is covering the sky... so I am here to trouble Lord Long."

"Help?" Bai Long frowned slightly when he heard Cai Laowu say this.

But he continued to laugh and said, "Fifth master, please tell me? As long as I can help, I will definitely help!"

"Okay! Since Lord Long said so, I will say it out of Cai Laowu."

"Long Ye, you must have heard the news circulating in the rivers and lakes in the near end?" Cai Wuye said while staring at the white dragon in front of him.

When Bailong heard Dao Dao Cai Laowu say so, not only his brows wrinkled!

Bai Long had indeed heard about the messages on the nearby rivers and lakes, but he really didn't know what was going on.

So he said: "What are you talking about?"

"About the evil **** once!" A word suddenly came out of Cai Laowu's mouth.

Cthulhu?

At the moment these two words were exported, the whole face of the golden-handed Bailong suddenly changed and became extremely weird, and the right hand of the golden-handed prosthesis also trembled slightly for a moment! At the same time, even his whole body suddenly filled with a strange breath.

"Cthulhu?" The two words suddenly came out of Bailong's mouth in a gloomy voice.

"I haven't heard this name for a long time...".

"Fifth Master, why did you suddenly say this person's name?" Bai Long looked at Cai Lao Wudao in front of him with a pair of weird eyes.

Then Cai Laowu said: "Because his descendants were born!"

"what?"

"Descendants of Cthulhu?" Bai Long suddenly became surprised.

"Yes!"

"It seems that Lord Long does know everything!"

"The evil sword Duguxie and the shadow ghost servants have all been born...now they are protecting the descendants of the evil god!" Cai Wuye said.

After Cai Laowu said this, Bai Long suddenly became silent, his insidious triangular eyes blinked with a fierce light, thinking about the things in his heart.

"Long Ye...Long Ye..." Cai Wuye shouted when he saw Bai Long who was in a daze.

Bai Long was taken aback and opened his eyes from a daze.

Dao said, "Where did you get the news about the fifth master?" Bai Long asked in a weird voice.

Just listen to Cai Wuye laughed and said: "I saw it with my own eyes!"

"I saw it with my own eyes? What do you mean? Did you see the descendants of the evil god? And the Duguxie and the ghost servant?" Bai Long asked suddenly.

"Yes!" said Cai Wuye.

"They are in Yongzhou right now!"

what?

After Cai Laowu said this, Bai Long suddenly stood up from his seat in shock.

The sharp hook on his golden hand also gave out a biting light at this moment!

"Really?" Bai Long asked quickly.

Then Cai Wuye said with a faint smile: "It's true!"

"I dare to use my old life to assure that what Cai Laowu said today is all true."

"The descendants of Cthulhu have indeed been born... and now they have brought Duguxie and Shadow Ghost Servant to Yongzhou City."

After listening to Cai Wuye repeating the words just now, a weird light flashed in the white dragon triangle eyes... I don't know why, after hearing the words Cthulhu, his entire face The expression becomes very weird! It seems that he is very sensitive to these two words.

"I was born... the descendants of the evil **** were born!" A strange word murmured from his mouth.

Then Cai Laowu paused and said, "Long Ye, you must also know the hatred of the Song family back then!"

Hearing what Cai Laowu said suddenly, Bai Long was taken aback, thinking of the past, he suddenly understood.

The battle between Song Haotian and Cthulhu more than 20 years ago is known to all!

And it is also well known that "Song Haotian" was beaten to death by Cthulhu!

So at this moment when he heard what Cai Laowu said in front of him, Bai Long suddenly laughed.

"I know... of course I do!"

"Back then, the evil ***** relied on kung fu to kill Song Haotian, how can I, Bai Long, forget it!"

Song Yong on the other side suddenly stood up.

"Long Ye, kill my father, do you think I should avenge it?" Song Yong said recklessly.

That Cai Laowu wanted to dissuade, but it was too late.

Bailong didn't mind the recklessness of the instigation, and smiled at Song Yong and said, "Yes! Of course you should report!"

"Thank you Lord Long for saying that!"

"It's true that we arrived in Yongzhou this time to shame my father with blood!" Song Yong said with his fist clenched.

Chapter 958: Underground darkroom

revenge!

After Song Yong said the real purpose, Bai Long finally understood what was going on.

No wonder this Song family and this Broken Blade Cai Wuye will come to Yongzhou!

It turns out that they are seeking revenge for the descendants of the evil god!

Thinking of the Bailong here, a treacherous smile appeared at the corner of his mouth.

But he was more shocked!

He was shocked that the descendants of the Heretic God were actually born... Some time ago, he did also hear this news, and he said that the son of the Heretic God was born... But he only thought it was a demon!

Because in his heart, the son of the evil ***** could not be alive!

How could it be alive? Wasn't the son of the evil ***** handed over to the master? How could the master let the evil god's son live?

But now after hearing what Cai Laowu said, he was completely depressed!

Could it be that what Cai Laowu said is true? The Cthulhu's son is really not dead... and he has already arrived in Yongzhou!

This is what golden hand Bailong never expected.

While Bai Long was thinking about these issues, the old Cai Wudao next to him said: "Long Lord... the evil ***** harmed the rivers and lakes back then and made the world intolerable... Now it has

been twenty years since he owed us blood debt... His son was finally born! Long Ye, you said this hatred, should we ask him back?"

Listening to what Cai Laowu said, Bai Long smiled strangely: "Should!"

"Long Ye said well!"

"Presumably Wu Ye brought my nephew to me this time, should it be for this, please?" Bai Long suddenly asked with a smile.

Cai Wuye said haha, "Longye is right!"

"My nephew and I are here this time because I want Lord Long to extend a helping hand for us in Yongzhou...In that case, we can deal with the descendants of the evil god!"

"Long Ye covers the sky with his hands in Yongzhou. As long as Long Ye is willing to help us, we will definitely let the descendants of the evil ***** taste the hatred of blood!" Cai Wuye said.

This Bailong understands, it turns out that this Broken Dao Cai Laowu and a group of people surnamed Song are looking for him to help himself?

The Bailong who thought of this place suddenly laughed, laughing playfully.

Then Cai Wuye looked at Bai Long and said, "Long Ye, I don't know what you mean?"

Bai Long said: "Help! Of course it helped!" A word came out of Bai Long's mouth.

Hearing that the golden hand Bailong suddenly agreed to help them deal with the descendants of the evil god, Cai Laowu, Song Yong and others, all of a sudden became excited.

"Thank you Lord Long!"

"As long as there is Lord Long's help, I think we will be able to avenge revenge in Yongzhou City!" Just listen to the old Cai Wudao.

Ma San and the Sanglong beside him were also happy.

They had thought that they would take the liberty of looking for the help of this golden hand white dragon this time, and they would not help, but they did not expect this white dragon to be so refreshing and agreed. It really shocked them and surprised them.

"If you are right...the evil god's son is in Yongzhou City?" Bai Long suddenly turned his eyes and said.

"Yes!" Song Yong said.

So Song Yong told all about his attack on Li Tian and others at the train station.

After Bailong heard this, he really understood in his heart that everything turned out to be true, and the descendants of Cthulhu had indeed arrived in Yongzhou City.

"Then do you know the descendants of the evil god, and the evil sword Duguxie, where are the ghost servants?" Bai Long continued to ask, raising the triangular eyes like a cobra.

Song Yong said: "I don't know the definitive news yet!"

"Because they are said to have been released on bail in the detention center."

The white dragon made a secret: Detention center?

There are people who bail them? Bai Long thought secretly in his heart.

"Okay! Let me know about this!"

"I don't know how you want me to help you?" Bai Long said with a smile at Cai Laowu and others.

Just listen to Cai Laowu said: "We only hope that Lord Long will give us more manpower...In that case, we can deal with the son of the evil ***** with 80% certainty."

"Good! This is all right!"

"You only care about revenge. Whenever you need someone, just tell me...I Bailong lacks everything, the only thing I lack is my brother." He laughed wildly.

Cai Laowu, Song Yong and others are naturally too grateful.

"Then Lord Long, that's the thing to say... Let's not disturb Lord Long!" Cai Laowu said as he prepared to leave.

Bailong didn't mean to keep them, so he said slightly, "Okay!"

"At that time, as long as you have news about the descendants of the evil god, just notify me!"

"Okay, thank you Longye!"

After Cai Laowu and Song Yong beside him thanked him, he left here with Ma San and Sanglong.

The Bailong didn't even go out to send them off, just waved his hand slightly, and then walked towards the room with a weird expression.

Master Li, who had been standing next to him, looked at Bai Long after Cai Laowu and the others had left, and said, "Long Ye really intends to help this group?"

Just heard a sudden cold snort in Bailong's mouth!

"What are they..."

"The reason why I gave them a face just now is because the news they gave me is really important!" Bai Long said coldly.

Then Master Li smiled treacherously, and did not speak.

"It really makes me wonder how the evil god's son is still alive!!" Bai Long muttered strangely.

Standing aside, Master Li asked curiously: "Long Ye, what does the life of the evil god's son have to do with us?"

"It's better not to ask if you shouldn't ask!" Bai Long, who had always respected Master Li, suddenly said coldly at this moment.

Then Master Li slumped, and quickly stood aside and no longer dared to speak.

He knew in his heart that Lord Long had a secret... and the secret Bailong had never told anyone, so Bailong's tone suddenly changed so suddenly, he must have talked too much!

After Bai Long said these words, he quickly left the hall. He turned around and went to his room alone.

At one end of the room, after he carefully looked around, he suddenly pressed his finger on the vase on one side!

Upon closer inspection, it turned out that there was a strange switch in the vase. With the push of his fingers, a bang suddenly revealed an underground passage over one meter long from the smooth floor of his room!

Hey, there is such an underground darkroom in his room!

After this underground dark room was opened by Bai Long, he shrank and turned and jumped into the dark room in front of him.

Chapter 959: Long Ye's Secret

But it said that after the white dragon in front of him jumped into the secret room of the secret tunnel, it was dark inside.

Bai Long raised a hand and gently touched the place next to the wall. As his finger touched something and gently pressed it, a dazzling light suddenly appeared in the entire secret tunnel.

The light was irradiated by the light hidden inside the wall, and the dark tunnel that was still dark just now became brighter instantly after a shot.

Take a closer look at this secret passage. It is not very big, but it is very deep.

After the white dragon jumped down, he quickly walked inside.

When I got to the inside, I saw that the space suddenly became much larger. In the empty dark room, there were two square boxes in front of them, coldly placed there.

Did Bai Long jump from the dark room for the two weird boxes?

At this moment, the white dragon fruit really walked quickly towards the two boxes.

The hook on his golden hand glowed coldly under the light. As he reached the two boxes in front of him, he stretched out his other hand and slowly opened the two in front of him. box.

After the two boxes were opened, I suddenly saw that there were two other weird golden hands in the box!

Prosthetic golden hands!

When Bai Long saw these two prosthetic golden hands, his mouth had a cold smile, then his left hand slowly grabbed the golden arm above his right hand, and gently twisted the one that was originally worn on him. The golden iron hook on the severed limb slowly twisted off his arm.

Then he pressed the golden arm in the box to his arm again.

He changed!

Yes, he replaced the previous golden arm in the box.

why?

If you look closely at his two golden arms, you will definitely find the difference.

Because he still has many buttons on the golden arm he is wearing now, but the golden arm just now looks so ordinary.

"Damn it! Unexpectedly, the son of the evil ***** is not dead yet? And he was born... It seems that I have to inform the master of the news immediately." Bai Long thought for a while and said.

Then he gently closed the two boxes in front of him, and after closing, he walked quickly toward the dark room.

Since Song Yong told about Li Tian's previous detention in the detention center, and also told Bai Long that Li Tian was released on bail by a stranger, Bai Long, who was in this meeting, was very smart and sent someone to the detention center. side!

He wants to know who is the son of the evil ***** in Yongzhou City, and he wants to understand in his heart what the descendants of the evil ***** who was so powerful in those days are like.

In the afternoon, I saw that the person who Bailong sent to the detention center had returned.

When he reached the door, Master Li saw the man.

So he asked, "How is it? Has it come out?"

"Ask it out!" the subordinate said there.

"Okay, very good! Come and see Master Long with me!" As he said, Master Li quickly walked towards the main hall with his subordinates in front of him.

When I walked in, I heard the excited voice of Master Li walking over there and shouted: "Long Lord, I found out..."

After hearing the voice of Master Li, the white dragon in front of him said with a terrifying light from his triangular eyes: "Who is it? Who is the son of the evil ***** who was released on bail in Yongzhou?"

The subordinate who came back from the detention center quickly said, "It's Mrs. Rose!"

Mrs. Rose! ! !

When these four words were uttered, the golden-handed white dragon and Master Li in front of him were stunned!

To be honest, the two of them never thought that the bailer of the evil god's son would be Mrs. Rose.

"It's her?" The golden hand Bailong couldn't believe it, and at the same time, that treacherous face became extremely weird in an instant.

"Are you sure it's really Mrs. Rose?" Bai Long raised his triangular eyes and looked down at his hand coldly and asked.

The subordinate hurriedly said: "What I said is true. I heard the director of the detention center say that the one who took the group out... is Yue'er next to Mrs. Rose!"

Listening to the subordinate in front of him saying this again, Bai Long suddenly laughed wildly.

"It seems that Mrs. Rose did it!"

On one side, Master Li frowned slightly: "Long Ye, in this case, what does the son of the evil ***** have to do with the girls?"

"Presumably it should be so!" Bai Long suddenly said with a strange smile.

"Mrs. Rose...Mrs. Rose... It seems that my Bailong really underestimated you!"

"Long Ye, do we really want to help the Song family? We really want to deal with the evil god's son for them?" Li Shiye, who only listened to one side, asked curiously.

Bailong smiled sinisterly at the corner of his mouth.

"Master, you don't understand many things..."

"Of course you don't understand the matter between me and the evil god!"

"But you only need to remember one thing for me, that is, with his evil ***** alive, including his relatives alive, my Bailong can't sleep well!"

Listening to Long Ye in front of you saying this, Li Shi Ye certainly understood what happened.

"Long Ye, if that's the case, I will immediately send someone to deal with that girl...and the descendants of the evil god!" Master Li said.

"Do not!"

Bai Long suddenly shook his head.

"You underestimate Mrs. Rose... and you underestimate the evil ***** who was so powerful back then..."

"I tell you, apart from the mysterious Mrs. Rose, the two masters of the evil ***** alone are definitely not something you people can handle..."

The evil sword Duguxie...!

Immortal servants, ghost servants.

As long as these two people are in Yongzhou City, how could the group of people in Bailong's hands be their opponents.

Naturally, Bai Long knew better than anyone else... because only he knew in his heart how terrifying the ***** battle more than 20 years ago... how terrifying!

How many nights, this white dragon will wake up from a nightmare, in the nightmare he can still see the man holding the long sword, with hatred on his face, with endless killing... Suddenly, his right hand was cut off alive!

Since then, his "Golden Hand" nickname has also come from.

Thinking of the golden hand Bailong here, suddenly his whole body trembled slightly...especially his cold "golden hand".

"Long Ye, what should we do now?" Master Li didn't understand at all!

He didn't understand the secret of Bailong before him, so naturally he didn't know what to do about it.

He only heard that Bailong smiled slightly: "Don't worry... don't the Song family want to deal with the descendants of the evil god? Since they want to, let them do it first..."

Chapter 960: They are coming

"As for us... don't worry!"

"Because of their people, I believe they will come soon..." Bai Long suddenly said with a weird smile.

Master Li was stunned.

What does it mean that people who deal with them are coming soon?

Who?

Who is going to deal with the descendants of the evil god?

Master Li was puzzled, but still didn't dare to ask more, because he knew in his heart that the secret of Master Long was not something he could know.

"You go now to tell the people in the Song family... and tell them that as long as I can help, I will try my best to help them." Bai Long said.

"Good!" Master Li nodded, and then quickly retreated.

Soon Master Li brought the news to the Song family and the broken knife Cai Laowu.

Song Yong and others and Cai Laowu now live in a hotel in Yongzhou.

"Okay, great! Now I finally know that the evil god's son is hiding there." Song Yong's excited voice can be heard from a distance in the room.

"It seems that Lord Long is not bad... He really deserves to be the underground emperor of Yongzhou City. I found out their location so quickly." Song Yong said.

On the other hand, the broken knife Cai Wuye frowned slightly.

"Uncle Wu, what's wrong?"

"Why do you look unhappy?" Song Yong asked, looking at the broken knife in front of him.

Cai Laowu thought for a while and said, "I'm thinking about the purpose of that white dragon!"

Listening to Cai Wuye suddenly saying this, Song Yong asked in a daze, "Fifth Uncle, what's the matter? Isn't that Long Ye very righteous..."

"He is righteous?" Cai Wuye laughed when he heard Song Yong say this.

"A Yong, you are still too young... Do you want to know what Golden Hand Bailong did twenty years ago?" Cai Wuye said suddenly.

Song Yong shook his head puzzled.

"The golden hand Bailong was a robber who was running around twenty years ago! This man's strength was already powerful twenty years ago, and he belongs to the first-class master...especially his hidden weapon!" Cai Laowu Tao said.

"Such a person suddenly became the underground emperor of Yongzhou twenty years ago. Although a lot of strange things were said, a lot of incredible things must have happened to him.

Now he suddenly agreed to us so readily... . . .And also provided us with so many clues for a while, so I think something is wrong." Cai Laowu was a little worried.

After all, he was worried about the golden hand white dragon.

But Song Yong in front of him doesn't care so much. In his heart, Li Tiancai is now his biggest enemy!

So as long as others help him deal with Li Tian, that is his benefactor.

Just listen to him saying: "Uncle Wu, I think you think a lot... Think about it, didn't we travel all the way to Yongzhou to avenge our blood and blood... Now the Lord Long has readily agreed to us, we should Happy!"

"Uncle Wu, I don't think anything is important now. The important thing is that I want revenge. I want to bloodbath my father's hatred back then." Song Yong said with his fist clenched.

Cai Laowu didn't say much when he heard Song Yong say this.

Just listen to Song Yongdao: "Uncle Wu, I want to do it tonight!"

"Tonight? So fast?" Cai Laowu said.

"Well! The sooner the better!"

"I want the son of the evil **** to pay for it!"

"His father owes me, I want to ask for all the benefits from him." Song Yong said.

Since Li Tian and Baihua Fairy met, these few days can be said to be the happiest days in this period of time.

That Baihua Fairy was the most kind to him all day long, and even so kind that Duanmuying and Situ Ningbing were jealous!

Perhaps in the eyes of Fairy Baihua, this Li Tian seemed to be a child who never grew up.

This is family love!

Although Li Tian was very happy to see Fairy Baihua, he did not forget his **** hatred. In the past few days, he also asked Fairy Baihua to send someone to inquire about that Bailong.

He knew that Bailong was very powerful and powerful in Yongzhou City, and he also knew the various habits of the Bailong.

According to their predictions, they will be ready to attack that white dragon these few days!

They wanted to know from Bai Long who was involved in the hatred 20 years ago... and who was the real master behind the gate of hell.

The brothers are also very comfortable these days, because living in this Haojue nightclub, not only can they see the beautiful beauties of this Haojue nightclub every day, but also enjoy the supreme service, they are of course happy. .

In Tang Xiaolong's words, he almost slept with the beauty!

The night came soon.

As the most powerful nightclub in Huajie, Haojue Nightclub is of course the one with the most guests.

Before 9 o'clock, the first floor ballroom of Haojue Nightclub was full of guests.

On the dance floor, there are three **** pole girls playing and dancing, attracting the young men and women. Those men and women are also twisting their bodies with the irregular sound of music and dancing inside. , Stimulating...

Li Tian and Duguxie had been sitting quietly on the third floor.

Li Tian didn't like such a place very much... He also knew that the reason why Baihua Fairy did this was to hide her identity, so at the moment, he was just drinking quietly in the room with his brothers.

On one side, Duguxie drew out his sharp bronze sword, and gently wiped the sword body there... the sharp sword body carried a radiant light.

The ghost servant is leaning on one side, closing his eyes as if sleeping.

And Duanmuying and Situ Ningbing didn't know what they were doing in their own boxes.

"Tian'er, don't you go out to play?" From a distance, you can see the **** and charming Baihua Fairy suddenly coming down from the stairs and looking at Li Tiandao.

Li Tian looked at Fairy Baihua with a smile and said, "Auntie Hua, I won't go out to play."

"Oh, that's fine, then you are here...If you need anything, just tell Yue'er!" Fairy Baihua said with a smile.

The beauty of that month also nodded steadily.

Then Baihua Fairy walked to the other side.

At ten o'clock!

When Fairy Baihua was resting in a boudoir, suddenly a watcher in a suit ran in quickly.

"Madam, there are two weird people on the 4th floor." The person watching the scene suddenly said.

Fairy Baihua was slightly startled when she heard her say so.

"What a weird method?" she asked, raising her beautiful eyes.

"One of them is thin and has sinister eyes... the other is a bald head with a weird blood lotus tattooed on top of his head... Now they have been wandering around on the 4th floor. From the looks of them, they don't seem to come to play. That...I think it's here to find someone!" said his subordinates there.
