

A Killer 971

Chapter 971: Go to Baifu

There are so many romantic heroes buried in the great rivers east of China!

In front of him, Ouyang Longyan in purple, as well as the drunkard and the ecstatic messenger who covered his face and couldn't see his true face in Lushan. The three stood in the cold wind without words, let alone talking, each of them thought of themselves. No one knows what they are thinking about.

"time to go."

"Let's go to Yongzhou." After the ecstasy spit out these words coldly, his black figure suddenly shot into the distance like a sharp arrow.

Ouyang Longyan, the purple-clothed man behind him, and the drunkard did not speak any more, and at the same time displayed a fast and unparalleled body technique to follow.

"Auntie Hua, I want to go to the White House."

Suddenly, Haojue nightclub just listened to Li Tian looking at the Baihua Fairy and said.

The Baihua Fairy and Du Guxie and others sitting nearby were taken aback.

Then the pair of doubtful eyes stared at Li Tian in front of him at the same time.

"Tian'er? Are you going to the White House?" The fairy Baihua was slightly surprised when he heard Li Tian say this.

The ghost servant next to him also quickly said: "Young Master, do you want to kill the guy with the surname Bai? If this is the case, I will go with you."

But Li Tian smiled faintly and shook his head.

"Do not!"

"I'm not going here to do something...I just want to tell Bai Long that I'm here, I'm here to find him for revenge." Li Tian said softly.

Hearing Li Tian actually said that, the fairy Baihua and the ghost servant in front of him were slightly puzzled.

"Young Master, if you do this, wouldn't it be a bit of a horror?" the ghost servant asked.

He only heard Li Tian smile and said, "I want this effect."

"Because only in this way, Bailong will show his feet, and will be more eager to contact his behind-the-scenes master." Li Tiandao.

After listening to Li Tian's words, both the Duguxie and the Baihua Fairy in front of them thought about it.

"Tian'er is really right."

"Although the golden hand Bailong is now stepping up his defenses against himself, he may not know that we are already watching him. It seems that we really have to give him some news to let

him know that we have come. He's going to do it right away, and if that's the case, he will be even more afraid...and he will also be more anxious to contact the people at the gate of hell."

"Yeah!" Du Guxie on one side also nodded slowly, quite in favor of Li Tian's suggestion.

Li Tian saw that everyone agreed, so he said: "Then I will go to the White House tonight."

"Young Master, I'll go with you." The ghost servant over there stood up and said.

Li Tian shook his head slightly.

"No, I can go by myself."

"No, let me go with Young Master." Du Guxie said slowly there suddenly.

"Ghost servant, stay here with Sanmei...I will accompany the young master to the White House tonight."

Listening to Duguxie's words, the ghost servant shook his head and said, "Okay."

"Since the second brother has already said so, I will stay here tonight with the third sister."

When the Baihua Fairy heard that Duguxie was with Li Tian, he felt relieved in his heart, walked over gently, took Li Tian's hand, and said: "Tian'er, although Aunt Hua knows you No longer a child, but you still have to be careful tonight, you know?"

"Well! Aunt Hua, I know." Li Tian said with a smile.

Fairy Baihua smiled when he heard Li Tian's promise.

In this way, Li Tian and that Duguxie are going to the White House tonight.

Time passed quickly, and night came quickly.

After 9 o'clock in the evening, Li Tian decided to set off.

Fairy Baihua arranged a car for them. The driver in front was a healthy man in his 30s. He was a medium-sized man. Although he didn't speak much, he could see that he should have good driving skills.

After Li Tian and Duguxie got into the car, the car turned around and drove towards the White House.

The mansion of Jinshou Bailong is located in the most prosperous area of Yongzhou.

This most prosperous area belongs to the economic hub of the entire Yongzhou City, where the International Building and the Trade Center are held here.

But the surrounding area of Bailong's mansion is empty. It's not because of anything else, but because Bailong bought this huge golden land, so no one would dare to build it here without his order. what.

The white mansion, which occupies a huge area, is brightly lit from a distance.

Where the cars lined up at the door are parked, there are 67 guards in suits at the gate alone, guarding the gate.

It was said that Li Tian's car did not drive directly to the door of the White House, but stopped gently near a location that was not easy to be found.

After stopping, the driving man said to Li Tian and the others: "I'm here waiting for you two..."

Li Tian nodded, and then walked out of the car quickly with Du Guxie.

Both of them were dressed in black costumes, and walked quickly towards the white mansion in the dark like a nightwalker.

From a distance, you can see the guards in front of the white mansion and the brightly lit white mansion.

The two stopped at the front and glanced at the 67 guards of Bailong at the gate. Li Tian frowned slightly and said: "It seems like it is impossible to enter through the front gate."

"Yes." Du Guxie also whispered.

Then after he finished speaking, his eyes saw the wall around the mansion.

The wall is four meters high in total and extremely smooth.

If an average person wants to climb from above, it is definitely impossible.

But after Duguxie glanced at the wall, he whispered: "Young Master, let's enter from here."

Li Tian also looked up at the high wall in front of him, and then nodded. Perhaps for others, the four-meter-high wall is very difficult, but for Li Tian and Duguxie, that is. It's a trivial matter.

"okay."

After they said this, they saw Duguxie preparing to go in first.

Standing under the wall, he didn't even have a run-up. He had enough luck, his toes and then suddenly tapped the ground. Suddenly, his body flew quickly toward the four, how high the wall, and his feet slammed on the wall. Then he got to the top of the four-meter-high wall. After reaching the top of the wall, Duguxie leaned down and looked around the white mansion cautiously. He was right when he was sure that there was no danger here. Li Tian nodded.

Chapter 972: Lurking in

Li Tian gestured, and then climbed up from below quickly.

Li Tian was still a little awkward when he came up. He crawled on the wall with both hands, and was a little unstable when he stepped on the smooth ground with his heels. But fortunately, his vitality in his body was very strong. It also reached the top of the four-meter-high wall.

After they both got to the top of the wall, they saw Duguxie whispering: "Young Master, let's go in."

Li Tian nodded, and then the two of them fell straight down from the four-meter-high wall.

When the light body technique fell to the ground, there was no sound.

Then they hurriedly found a hidden place and hid first, then raised their eyes and looked at the environment in the White Mansion carefully.

I saw this huge white mansion, with a garden in front of it, and inside it was a rockery with the sound of water. On the left side of the rockery were standing two men in suits, walking back and forth.

And a little farther away there are patrols where Bai Long's men are back and forth.

After seeing these things, Li Tian frowned slightly.

Although he knew in his heart that the White Mansion was heavily guarded, he never expected that there would be so many Bailong men guarding here, and he was not only a little depressed at this moment.

"Let's go!" Li Tian whispered, and then ran toward the garden with his body arched like a cat.

The Duguxie from behind also quickly followed.

The very light footsteps on the ground were all obscured by the sound of flowing water from the rockery.

The two Bailong's men who walked back and forth over there did not see that the two dark shadows had slowly started to bully them.

After Li Tian and Duguxie arrived here, the two men bent and looked at the two in front of them, and then looked around.

"Young Master, it looks like you have to get rid of the two people in front." Duguxie said in a low voice.

Li Tian nodded.

Yes, the two people in front guarded the exit here. If you want to go inside the White Mansion, you must pass through here, but if you want to pass through here in an open and honest manner, you will definitely be discovered by those two people, so, At the moment, they had no other choice but to knock down those two guys unknowingly, so that they could walk forward.

But seeing the two people in suits walking back and forth in front of them, one of them still had a cigarette in his hand, smoking and laughing while talking to the other.

"Liangzi, how was that girl last night? How about bed work?" He said, smoking a cigarette and smiling.

Another man named Liangzi was a tall, thin man with a sallow complexion. He smiled when his brother said so.

"It's okay, the point is that the mouth is pretty good... it makes me very happy."

"Haha, isn't it? That girl, I'm going to ask her out tonight, so cool..."

The two of them were talking these unbearable words, while walking back and forth there.

Suddenly there was a clicking sound in the dark place here.

Although the sound is not very loud, it is enough for the two guys over there to hear.

"Who?" Suddenly the man named Liangzi snorted coldly, then turned his head and looked carefully at the dark place with his eyes.

"What's the matter? Is there any movement?" another subordinate asked there.

Liang Zi said, "I seem to have heard something."

As he spoke, he blinked and looked at the dark place over there, but unfortunately because it was a garden location and there was not enough light, he couldn't see clearly.

"Well, you watch here, I'll take a look over there."

Liangzi who was talking was going to take a look, so he walked towards the middle of the dark garden over there.

Just as he was walking towards this side, a black shadow quickly walked around like a ghost from the side to the guard member of the rockery behind.

Because Liang Zi's attention was completely here, he couldn't see the ghostly figure.

But he said that the man smoking behind was smoking one mouthful at a time, but what he never expected was that at this moment, a cold hand suddenly grabbed his throat, and another cold hand. It directly covered his mouth.

Wanting to call it completely too late, he just dilated his pupils instantly.

There was a click, and then he didn't even react, his head was directly twisted, and his body was quickly dragged aside by the black figure.

However, he said that after the guards behind were suddenly killed, Liangzi, who was walking in front of the dark place, hadn't noticed it. He had already reached the dark place here. When he looked around and found no movement, he shook depressed. Shook his head.

"Grandma's, it seems that I have been worrying too much." He turned his head slowly as he said.

Hey, after he turned his head, he suddenly discovered why his companion had disappeared?

Frowning to look, I could only see a cigarette that had fallen from the ground and was still burning, smoking slowly.

Just as he was puzzled and was about to speak to his companion, suddenly there was a sudden pain in the back of his head, and the piercing pain instantly hit his whole body, and then his person, like the guy in front, didn't even shout hostility, directly. Fell to the ground.

died.

After these two Bailong's men were killed all at once without a sound, only their figures slowly revealed in the darkness.

It was naturally Li Tian and Du Guxie who killed Bai Long's men.

After they successfully killed these two people, the two quickly walked towards the inside of the White House in front.

After passing through the rockery and reaching the place in front, I suddenly saw the white dragon mansion in front of him.

There are 78 guards in front of the White Dragon Mansion, but it clearly seems to be a lot more relaxed here.

Because these men who followed Bai Long all the year round naturally knew the strength of their Long Ye, who in Yongzhou would dare to go to the White Mansion in the middle of the night?

It must be the impatient people who dare to do this, so although they are there, they are completely lazy.

Li Tian and Duguxie at this meeting took a look at the few people, and then the two looked at each other. After each understood their minds, they moved quickly around the place behind.

Their physique is fast, as fast as a shadow, so Bai Long's men over there didn't find it at all.

Chapter 973: A scene of erosion

After arriving at the mansion smoothly in this way, the place in front was a window. Li Tian and Duguxie lightly looked at the situation inside the mansion through the window. After confirming that there was no one inside, the two immediately went straight. He got in and reached the interior of the mansion.

The mansion inside is extremely luxurious. A large crystal chandelier hangs in the middle. The middle is a leather rhino sofa. It is placed on both sides. The steps leading to the second floor are all carved from white ivory, elegant and beautiful.

After Duguxie and Li Tian came in, the two hurriedly found a place to hide.

At this moment, there was a sound of footsteps from the side.

I followed the sound, but saw a 4050-year-old man approaching from there.

He is Li Shiye under Bailong.

Behind him were three **** women in revealing dresses, with bumpy figures, fair and smooth skin, one by one following Master Li like a lotus flower.

"Wait for the three of you to meet Long Ye, you have to take care of Long Ye, do you understand?" I just listened to Li Shi Ye leading the way while speaking to the three charming women.

When the three tall beauties heard Master Li say this, Yingying smiled and said: "Master Li can rest assured, our sisters promise to serve Master Long tonight comfortably."

Then Master Li laughed, and then walked towards the second floor with the three exposed women in front of him.

When seeing this scene, Li Tian and Duguxie both frowned slightly.

Just now I heard that the Dragon Lord in Master Li's mouth must be the golden hand white dragon.

Presumably these three girls should be given to Bai Long to enjoy.

It turned out that this golden hand Bailong was extremely enjoyable. Every night he would look for beautiful students from Yongzhou Art College to wait on him, and he would always find three at once.

As long as Bai Long's subordinates know this hobby of Long Ye, color.

And at the moment, Master Li took the three beautiful women who had just received from the art school to the second floor as usual.

But said that the Duguxie hiding in the dark and Li Tian, after seeing this situation, the two of them walked slowly towards the second floor with a cat.

There are several large luxury rooms on the second floor.

The door of the largest room in the middle was slightly concealed. After Li Tian and the Duguxie came up, the two of them raised their eyes on one side and looked at the situation inside through the small gap.

Through the cracks in the door, it can be clearly seen that there is a huge bathroom inside.

And in the bathroom braving the steaming white gas, I saw a man wearing a golden hand lying on his back comfortably, and the three women who had just been brought up beside him were standing motionless in front of him. , It seems extremely restrained.

"Long Ye, are you satisfied with these three people?" I just listened to Master Li, who was bending over there, and asked Long Ye lying in the bathroom.

The three people he said are naturally the three young girls in front of him,

The three girls brought out from art school are obviously still a bit shy, but they are indeed immaculate in shape. Their white jade-like skin is extremely elastic and looks extremely beautiful.

However, after Master Li finished speaking, Bai Long in front of him slightly raised a pair of eyes and looked at the three girls in front of him.

"Take off your clothes, let me see." Bai Long suddenly said to the three girls.

The three girls who came out of the art school were naturally taken aback when they heard what Long Ye said. Obviously they were still a little shy and embarrassed.

"Why don't you take it off?" Master Li over there suddenly said angrily when seeing the three girls dragging along.

The three girls didn't dare to be disobedient, so they quickly faded the veil clothes wrapped around them.

The firm...chest..., the slender white jade legs, and the plump hips and hips are all flawless. The three girls and three mutton jade-like bodies are displayed in the eyes of the white dragon.

Bailong's squinted eyes glanced at the unobstructed bodies of the three girls, and then a smile appeared at the corner of his mouth.

"Ok!"

He snorted softly.

The word "um" means that the three women are already satisfied.

After seeing Bai Long's hum, Master Li naturally understood what it meant. With a smile on his face, he bowed his body and said slightly: "Then Long Master, you have a good rest, I will retreat first. It's down."

Long Ye waved his hand and said, "Retreat."

Then I saw that Master Li retreated slightly.

After he was about to walk out, the Duguxie at the door and Li Tian's body quickly dodge... Hidden in an unobtrusive corner on one side.

After Master Li walked out, he went downstairs,

Besides, what about in the room?

The three girls were still standing there shyly.

At the moment, Lord Long, lying in the vast bathroom, looked at a girl with the most plump body and the most beautiful face with a wicked smile and said, "Look up and let me take a good look at you."

The girl smiled shyly and raised her delicate face slightly.

"Put your hands down." Long Ye continued.

But seeing that the girl was stripped of all her clothes, she covered her private parts with her hands. At this moment, she heard this Long Ye say let her hands go down, and she suddenly seemed embarrassed and restrained.

But there is no way, the Long Ye in front of this is the famous underground emperor in Yongzhou City, how dare she be a girl to provoke?

So she could only slowly put her hands off her body.

Na Long Ye saw the perfect martial arts body and smiled treacherously.

"Come on, come in my arms."

As he said, he moved and said to the three beauties.

The three beauties only hope to serve the dragon master tonight, and then they will be able to leave here peacefully. If not, they know the consequences, just like they were with them some time ago. The girls in the school were kept in a prison room because they didn't take good care of the Lord Long. Then they let his men round x her one by one to live with the girl who had been tortured for a week, and finally went crazy...

This is the consequence of not taking care of the white dragon, so even if the three girls have the courage to make a mistake.

After the three girls got into Long Ye's bathroom, they lay down gently with the white dragon.

With a rough and savage hand, Bai Long went up and hugged the waist of one of the girls, then savagely and violently fell into his arms, opened his mouth and kissed with that disgusting mouth.

Chapter 974: Bailong is scared

What about the three beautiful girls from the art school facing this white dragon? It can only match.

Although they are still students and still in their cardamom years, they must make some coquettish moves to please this white dragon at the moment, otherwise they will end up miserably.

But seeing one of you is the tallest and most fair-skinned girl lying on the white dragon, her smooth body is against the ugly body of the white dragon, and a little cherry mouth can't help kissing the white dragon. chest.

The other two girls are below.

What about Bailong? But I would really enjoy it, lying there like an emperor with his eyes closed slightly.

While he was comfortably enjoying the nourishing life of an emperor, suddenly a girl who was possessing her body lying on him suddenly screamed, it felt like seeing a ghost.

A yell of ah came from the girl's mouth.

Then she hurriedly covered the important part of her body with two hands, and the whole person stepped back for a moment, staying in fear.

A pair of beautiful eyes stared at the person who came out in horror.

Who?

Who dares to have the courage to enter Bailong's room?

But he said that with this scream, the white dragon with his eyes closed slightly felt something wrong in an instant, and his eyes suddenly opened.

At the same time, the body's instinctive reaction suddenly began to recede.

"Who?"

He subconsciously felt a cold murderous aura attacking from behind him.

At this moment, the two girls beside them screamed, because they also saw people, and they didn't know when they had stood in the middle of the room like ghosts.

But who are the two strangers who suddenly stood in the room?

Look carefully, isn't that Li Tian still has Duguxie?

The two stood there coldly, looking at the naked white dragon in front of them.

"Dugu...Duguxie..."

The moment that Bailong saw Duguxie, his voice became trembling...and he looked at him with a pair of incredible.

Yes, he recognized it.

For more than two decades, he certainly remembered the appearance of the evil sword and the name of the evil sword.

"Fortunately, you still remember me." Duguxie said coldly, standing there.

The indifferent face revealed endless killing intent.

The Bailong felt cold for a moment.

Then he felt a dark murderous aura coming from the side.

Those are a pair of eyes, a pair of eyes that are almost cannibalistic.

When these eyes looked at the white dragon, he seemed to feel that he was torn apart.

He turned his head to look, and then saw him.

"It's you?"

The Bailong recognized Li Tian suddenly.

At the Haojue nightclub at the time, Bai Long clearly remembered Li Tian. At that time, he felt strange. Why did this kid look so familiar? Now when he saw Li Tian again, he suddenly felt a little in his heart.

Because he remembered all of a sudden, he remembered who he was like.

His face became extremely distorted in an instant, and his eyes were full of disbelief.

"You...you...you...are the son of the evil god?" Bai Long exclaimed suddenly at this moment.

Li Tian looked at Bai Long and nodded lightly.

"It seems you do know me."

"How is it possible? How is it possible? You haven't died? You obviously died more than twenty years ago." Bai Long said in disbelief.

Li Tian, who was swaddled at the beginning, was indeed caught by the people at the gate of hell, but how could he not die now?

Of course, Bai Long wouldn't know. Later, in order to lure the evil **** out, the owner of that **** gate gave Li Tian to the poisonous scorpion. At this moment, Bai Long was just asking inexplicably.

Li Tiandao: "How can I die? If I die, who will avenge the **** revenge twenty years ago?"

"You killed my father, and my mother. How can I not take revenge on this blood debt?"

After Li Tian finished speaking, the white dragon suddenly moved.

Since Li Tian and Duguxie in front of him had found him, of course he knew that there must be a battle today.

Either life or death.

So he just wants to save his life at the moment.

Seeing a sudden blow to his body, the iron hook on the golden hand suddenly drew a weird hook in the air, hitting Duguxie on the other side.

Duguxie didn't even look at it. The bronze sword in his hand raised slightly, and with a bang, the scabbard hit the hook of the golden hand.

Then the white dragon retreated extremely quickly, accompanied by the screams of the three naked beauties...His body retreated quickly.

"Young Master, let me deal with him." Hearing Dugu Xiechang's cry, he pulled out the bronze sword in his hand.

Li Tian nodded silently.

At the moment the bronze sword was unsheathed, the white dragon's face changed in shock.

"Come on... come on." The shouting voice came out of his mouth.

How could he be Duguxie's opponent? Although he was also a first-rate master, and he was a master of masters 20 years ago, he was invincible in the face of Duguxie, so he could only ask for help at the moment.

That Duguxie didn't care about his screaming sound, but the bronze sword pierced the void and slammed towards the white dragon.

Bailong is not a weak hand. He can be an underground emperor in Yongzhou for more than 20 years, so he is naturally not a waste.

The golden hand and iron hook in his hand suddenly stopped.

With a bang, sparks flew everywhere.

The bronze sword hit the golden hook and sparked.

Duguxie's sword flicked, and quickly attacked two swords. What about Bailong? It is the retreat of the body step by step.

Facing Duguxie's weird swordsmanship, the white dragon seemed unwilling to collide with it, but kept backing away. Since he was not clothed on his upper body, he who had just crawled out of the bathroom at the moment appeared to be extremely embarrassed, just like a one. Like a falling dog.

In the Duguxie sword tricks, it seemed that the sword aura had been reduced a lot, which was obviously different from his previous cold sword aura, as if he did not want to kill the current white dragon.

As for Bailong, he also tried his best.

The golden hook in the right hand is extremely fierce in the air, and it is indeed a master of the master.

But Li Tian had been standing on the other side, and he didn't mean to come to help.

With a bang, the golden hook and Duguxie's bronze sword collided again, making a sound of gold and iron, but seeing Duguxie suddenly raised the bronze sword in his left hand, the word sword tactic suddenly pierced the white dragon.

Seeing this sword, Bai Long was shocked, and his body quickly backed away. At the same time, the golden hand suddenly didn't know how it was going, and it burst out from the middle of the golden arm with a dense swish of hidden weapons.

Chapter 975: All over the sky

The murderous and deadly hidden weapons all shot at that Duguxie like raindrops.

The hidden weapon contains poisonous needles, dark nails, and arsenopyrite.

It's raining all over the sky!

Yes, this hidden weapon is known as the most poisonous and domineering in the world.

This is exactly what the golden hand Bailong did in the world.

When this trick is used, the damage range is huge, and the density is also very terrifying. As long as it is hit by any hidden weapon on the sky, it will definitely die immediately.

"Be careful!"

Li Tian screamed behind him, he never thought that the white dragon, who had nothing on his body, would hide all the hidden weapons in his golden hand.

At this moment, seeing the hidden weapon shooting towards Duguxie, Li Tian was shocked.

But what about Duguxie? Facing the dense concealed weapon like rain, his mouth suddenly snorted, and suddenly he hugged the sword and returned to one. The whole body suddenly rotated, and a strong energy was formed all over the body.

The hidden weapon that spurred at him was blocked by the strong energy that hit him bang bang bang.

Because the range of the sky and rain was too large, the hidden weapon suddenly shot on the three naked girls over there.

Just listened to the screams of the three girls.

Looking carefully, the three girls' originally fair bodies, at this moment, are like hedgehogs. They are all poisoned needles... their bodies fell to the ground with a plop, and the blood flowing from them instantly dyed the whole ground red.

The three young girls who were still in the cardamom years just now all died in a blink of an eye.

The death was so miserable that when Li Tian saw this scene, his entire eyes became blood red.

"I killed him."

With a roar, Li Tian was suddenly full of endless murderous aura.

But what about the Duguxie here? One move resisted the horrible hidden weapon of the white dragon flooding the sky, and then went to see the white dragon, and suddenly the white dragon in front of him disappeared.

It turned out that the treacherous Bailong had already slipped out when Li Tian and Duguxie blocked his overbearing hidden weapon.

"Come on, come on."

The white dragon's scream sounded outside.

The subordinates of Bai Long outside heard the sound of exclamation and had already ran over here.

While running, he yelled: "Long Ye.,"

"Damn, kill me...they are upstairs." Bai Long said angrily when he saw his subordinates running over.

Among them, 67 little brothers hurriedly protected the white dragon and ran downstairs.

The first person who rushed to the second floor was a few Bailong's men just now. As soon as they ran in, they heard a scream, which suddenly came out from the second floor.

Then I saw the corpses thrown out like stones.

Accompanied by a screaming scream, all three of Bailong's men who had just rushed in were all butchered.

Look closely at the wound on their bodies, it is a fatal sword mark.

Every sword pierced the throat, impartially, piercing the throat straight.

Then in the shock of Bai Long's men, the two figures slowly appeared on the second floor.

One is Li Tian, and the other is Duguxie holding a bronze sword.

There was still blood on his sword, scarlet blood.

When they saw these two people at a glance, the subordinates of Bailong suddenly roared, "Kill! Kill them."

Then he rushed towards the second floor with the sharp machete in his hand up like crazy.

Duguxie coldly glanced at the situation in front of him, and the bronze sword became buzzing with the accumulation of his sword energy.

Suddenly a move swept across the thousands of troops, the bronze sword in his hand was pierced horizontally, and the invisible and terrifying sword aura suddenly shot at the subordinates of Bailong who charged up like a suffocating hurricane.

With a bang, the few Bailong's men who had just rushed up were stunned by the powerful sword aura, and fell down the stairs one by one, and couldn't get up again.

The rushing in Master Li saw the opponent's formation, and immediately yelled and shouted downstairs: "Come on, kill them."

"Kill these two people."

The people under Bai Long were really desperate, and they would all rush towards this desperately.

But they are Li Tian and Du Guxie's opponents.

Duguxie's bronze sword was invincible, and wherever the sword went, there were screams repeatedly.

He just cut a **** path in the entire hall.

No one dared to be killed.

What about Li Tian? Standing behind him, looking at Duguxie, he suddenly whispered: "Almost, it's time to go."

Duguxie nodded silently.

It turns out that the two of them came here today and they had no intention to kill the white dragon. If they really wanted to kill the white dragon, it is estimated that ten white dragons would have been slaughtered long ago. They came here today to remind the white dragon... Warn him, and then let him contact the people at the gate of **** quickly!

Because Li Tian's goal is not only Bailong, his goal is the entire **** gate.

Only by pulling out the door of hell, then Li Tian can hope to avenge all his real grievances.

After Li Tian and Duguxie decided to leave, they walked towards the door all the way.

Wherever he went, no one could stop him. Although Bai Long's subordinates were numerous and powerful, how could they be the opponents of these two men?

Soon, the two went all the way to the gate of the White House.

Upon reaching the gate of the White House, a black car suddenly drove over here quickly.

With a hiss, the violent noise caused by the friction between the tires of the car and the ground stopped in front of the door.

"Get in the car." The man who called Li Tian to get into the car was the man who drove them.

After Li Tian and Duguxie took a look, they ran to the car quickly, and then quickly jumped into the car. The car suddenly turned around and turned around and drove directly toward the night.

Those Bai Long's men who were chasing behind, saw that Li Tian and Duguxie had gone far, and they all stopped.

This night, finally came to an end with the heavy casualties on Bailong's side.

In the past, the luxurious and powerful White Mansion looked dim and pale this evening, and the hands of those white dragons were all hanging their heads and looking dejected.

Inside the hall, I saw that Bailong's left hand was wrapped with white cloth. It was obvious that his hand was injured by Duguxie today, but it didn't seem to be very serious, but it was a shame.

His face was full of anger and murderous intent.

Chapter 976: I'm happy

For more than 20 years, for more than 20 years, Bai Long has not been so ashamed, but today, he is ashamed, he is ashamed in front of his brothers.

Standing in front of him was the Master Li, who used to be able to speak well and cut his mouth full of good things, also closed his mouth tightly at this moment, and did not dare to make one.

On the other side was the first bodyguard beside Bai Long, Wang Hu, who also lowered his head.

Wang Hu was not by Bai Long's side today because he had been sent elsewhere. After a great battle, Wang Hu drove back, but it was too late because Li Tian and Du Guxie and others had already left.

The more than 20 Bailong's subordinates standing in the hall were all silent like bereavement dogs that had been defeated.

"Asshole!"

"I want revenge... I must revenge."

A roar suddenly came out from the white dragon's mouth.

The golden hook of his right hand violently hooked on a large red sandalwood table and chair in front, and a deep groove was also drawn on the entire tabletop.

"Long Ye, I will send people to look around for the clues of those bastards." Li Shiye finally said there.

"It's a fart!" Bai Long roared.

Then Master Li's face suddenly stiffened and stood there.

"Do you know who the two were just now?"

"With you people? How could it be their opponent." Bai Long continued to roar.

Everyone in the hall was breathing, and no one dared to speak too much. They had indeed seen the terrifying power of the two people just now. To be honest, that terrifying and rare power was indeed theirs. Unheard of.

Master Li, who was scolded by Bai Long like this, stood there with a stiff face and awkwardly, and he didn't dare to put a fart.

At this moment, no one in the whole hall dared to speak anymore.

Bai Long didn't bother to talk to this bunch of useless people, and suddenly his whole body stood up and walked inside angrily.

Wang Hu closely followed and walked in.

After Bai Long arrived in the room alone, he appeared to be fidgeting.

His face was weird and scared, but also with a wave of anger.

After twenty years, I never thought that the thing I feared the most was still coming.

Why is he still alive?

Duguxie and the ghost servant have found themselves?

No way! I must contact them as soon as possible and tell my "master" as soon as possible that they are still alive.

Bai Long was thinking about it himself.

Haojue nightclub.

"Tian'er, they are back." The beautiful voice of Baihua Fairy came from the third floor of the nightclub.

Looking along the eyes, I saw Tang Xiaolong and others, as well as ghost servants, all rushing down from the third floor.

Then I saw Li Tian and Du Guxie who had just entered Haojue Nightclub.

"Little boss." Tang Xiaolong ran over in a stride, and said with a smile on his face.

Here Chen Qiaozhi and Ah Qiu also ran over.

Li Tian also saw them at this time.

"Little boss, I heard that you went to find the mixed protein dragon?" Tang Xiaolong walked over and asked for the first time.

Li Tian nodded there.

"Ok."

"Why don't you call us?" Tang Xiaolong's voice contained a little complaint.

Li Tian smiled slightly, and walked forward without explaining too much.

"Tian'er." The fairy Baihua over there walked over with concern.

"Second brother, how is it? You are not injured, right?" Fairy Baihua asked with concern.

Duguxie laughed wildly.

"With me, no one can hurt the young master." Duguxie said loudly.

Li Tian also laughed.

"Auntie Hua, I'm fine."

"Oh, that's good, that's good."

"Second brother, young master, how's that surname Bai?" Just listen to the ghost servant coming over there and asking.

"I promise to be so scared. If I guess it is correct, I must have already started contacting the people at the Gate of Hell." Du Guxie said.

"Good! Great."

"In this way, we will be able to directly catch the people at the gate of **** in the next step." The ghost servant said with a smile.

"Yes."

The group of people talking and laughing had already entered the box inside.

Inside the huge box, but seeing the brothers sitting there, Baihua Fairy asked the waiter at the Haojue nightclub to come up with some wine, and everyone drank a little.

I don't know why, Li Tian, who drank the least in the past, drinks a lot today.

Fairy Baihua glanced at the cup of Li Tian who was drinking continuously, frowning slightly.

Holding Li Tian's hand, he asked concerned, "Tian'er, what's the matter? Why are you so happy today?"

But seeing Li Tian blushing there and saying: "Auntie Hua, I finally saw my enemy for the first time today...I am happy."

After speaking, he suddenly drank a bottle of red wine again.

Although there is a smile on his face, what about his heart? Are you really happy?

Twenty years, twenty years, without a father or mother, and lonely and helpless since childhood. Why? All this is because of the gate of hell!

It was the door of **** that killed his family, and the door of **** killed him. Now he doesn't even know whether his biological father or mother is alive or not.

All this is because of the gate of hell.

The **** hatred was deeply imprinted in Li Tian's heart.

Li Tian held back such hatred for twenty years, and today he finally saw his enemy. Although the white dragon was only one of them, it had already caused Li Tian's revenge flame to start burning in his heart.

Looking at Li Tian drinking this wine glass by glass, the brothers over there stopped and looked at Li Tian.

Even the ghost servants and Duguxie were there looking at his young master.

Li Tian saw that the brothers were all looking at him, not only laughed.

"Drink? Why didn't you drink anymore?"

He talked and drank to himself.

Fairy Baihua gently grabbed Li Tian's arm and said, "Tian'er, you have been drinking too much."

"Or, go and rest first."

Li Tian shook his head.

"Do not!"

"I didn't drink too much, I was just happy today." Li Tian said.

"Young Master, you really drank too much, why don't you go to rest." The ghost servant also said while looking at Li Tian.

Li Tian blushed and said, "What's the matter? I really haven't drunk too much... I am happy today, I am happy to see my enemy."

"If I see Bailong again next time, I will kill him personally and use his blood to pay tribute to my parents."

Suddenly, Li Tian said with blood red eyes, even the brothers felt the terrifying murderous aura that filled his body.

After saying this, he suddenly raised the wine in his hand, and drank loudly.

Chapter 977: drunk

Listening to what Li Tian said just now, the ghost servant in front of him suddenly stood up.

"Young Master, since I want to drink, then my ghost servant accompanies Young Master to drink."

When he said the voice, he also grabbed a bottle full of red wine next to him, then raised his head and began to drink.

Drink the whole bottle of wine in one sip.

What about Li Tian? I didn't know what was going on, so I started drinking there.

The other brothers looked at these two people depressed, no one knew what happened.

Maybe there is only Duguxie sitting quietly on the side, and the fairy Baihua who cares about Li Tian the most. They know Li Tian's state of mind at the moment, and know the pain in his heart.

But the two did not dissuade Li Tian any more, they just watched him drink one sip.

Alcohol can be intoxicating and can also make people more sober.

Li Tian and the ghost servants even forgot how much wine they had drunk.

The only thing you can see is that the entire box is filled with empty wine bottles.

Finally, Li Tian was drunk.

He was a little drunk and unconscious.

Tang Xiaolong and Duguxie over there helped Li Tian who was drunk and walked towards the room.

"Hey, what happened to the little boss today? Why do you drink so much?" Tang Xiaolong said depressedly while supporting Li Tian.

"Senior Dugu, what's the matter with our little boss? How do I feel that the little boss seems to have something on his mind, so unhappy?" Tang Xiaolong thought for a while and looked at the Dugu Xie who supported Li Tian.

Duguxie said: "Because of hatred."

"Hate? Senior Dugu, what do you mean?" Tang Xiaolong asked even more depressed.

Duguxie said: "After enduring for more than 20 years, and enduring hatred for more than 20 years, you will understand why the young master is doing this."

After saying this, Duguxie didn't want to say any more, and closed his mouth.

Although Tang Xiaolong didn't understand Duguxie's words in his mind, he could still feel that his little boss might be because of hatred.

After Tang Xiaolong and Duguxie helped Li Tian into the room, the two went back to their own rooms.

At this moment, Duan Muying and the girl Xiaohuan came back from outside the Haojue nightclub.

Miss Duanmu these days, and that girl Xiaohuan can be considered the happiest. ,

Not only live in the luxurious suites of this Haojue nightclub, but they both go to wander around every day. They have nothing to do but stay here. Of course, they want to go out and play.

At this meeting, two masters and servants came in happily from outside carrying a large bag of clothes.

After entering Haojue Nightclub, the two of them went up to the second floor. On the second floor, they just saw Tang Xiaolong, who had helped Li Tian into the box, walk out from inside.

Looking at Tang Xiaolong, Duanmu Ying said, "Xiaolong, come and help me carry something, this thing is too heavy."

Tang Xiaolong also saw Duanmuying with a beautiful face at this moment, so he walked quickly to help carry things.

"Did you drink?" Duan Muying said after Tang Xiaolong walked over, smelling the great smell of alcohol on his body.

Tang Xiaolong nodded.

"Well, I drank a little."

"But our little boss drank a lot, and we are all drunk now." Tang Xiaolong said as he walked forward.

Duanmuying frowned when she heard Tang Xiaolong say this: "What?"

"Li Tian is drunk?"

Tang Xiaolong pointed to the box in front and said, "Well, it's getting dizzy."

"I'll go see him." Duanmuying quickly put down the clothes she bought and said worriedly.

"Xiaohuan, you and Xiaolong put your clothes in the room first."

Duanmuying quickly walked towards Li Tian's room while talking there.

Girl Xiaohuan nodded behind.

After Duanmuying reached the door of Li Tian's room, the moment she gently opened the door, she could smell a huge smell of alcohol.

Duanmuying wrinkled her eyebrows slightly, and then she saw Li Tian who was lying on the bed and drunk like a dead pig.

Then she quickly walked over.

"Li Tian, Li Tian..." Duanmuying whispered twice after walking up to Li Tian.

It's a pity that Li Tian was indeed drunk, and he grunted, as if he couldn't open his eyes.

Duanmuying looked at Li Tian, looked at his blushing face, and the alcohol all over his body and muttered, "What's going on? Why is it okay to drink so much wine?"

She said while helping Li Tian pull the quilt.

Because Li Tian was drunk, his posture in lying on the bed was very ugly. He stretched out his legs and reached under the bed. He didn't even take off his clothes. At the same time, he still had shoes and socks on his feet. Dressed there.

Duanmuying looked at Li Tian who was drunk and messed up at the moment, not only would she walk over like a little woman, help Li Tian take off his shoes and then take off his coat.

As if he didn't want to be touched, Li Tian groaned as soon as he touched him, and his mouth full of alcohol spewed out.

"Oh, don't move...Let me take off your coat and go to bed." Duanmuying said and helped Li Tian take off his coat. Looking at the drunk Li Tian like a child, Duanmuying wanted to laugh. .

After finally taking off her coat, Li Tian's entire body was already on the edge of the bed, and she could fall off as soon as she rolled.

"Hey, don't fall off." Duanmuying said hurriedly.

Then Li Tian seemed to have a little consciousness. Although his eyes were still closed, he muttered in his mouth, "I...I...nothing..."

"I...I want to drink." He said that he wanted to struggle to drink.

The Duan Kiyong dragged him down.

"Drunk, really terrible..."

"Don't move... Lie down in bed and rest."

Duanmuying said as she dragged Li Tian's body towards the bed.

It's a pity how could a weak woman drag Li Tian who was already drunk before her eyes?

Isn't this? He dragged hard, and then he couldn't hold his body abruptly, and suddenly fell, and the whole plump body fell into Li Tian's broad arms.

The two white, tender and tender peaks of the Saintess squeezed against Li Tian's chest.

Duanmuying is wearing a tight skirt today, which looks quite sexy. Two slender legs are tightly gathered there. The miniskirt is tightly wrapped around her plump and straight buttocks, and the **** are crisp. It was squeezed by tight underwear, and the deep gully was quite fascinating.

After falling into Li Tian's arms and feeling Li Tian's male breath, Duanmuying blushed suddenly.

Chapter 978: Linger

After Duanmuying fell into Li Tian's arms, she blushed all of a sudden, and then began to struggle to get up.

But this struggle was not good. The friction of the body and the sensitive sensation produced by rubbing Li Tian's chest on her chest suddenly made her pretty face even more red.

And a certain man even held Duanmuying's waist with a big hand.

Don't know if it's because Li Tianzhen was drunk? Or did he hold Duanmu Ying on purpose? All of this seems to be unimportant at present, what is important is that his hand has completely wrapped her waist, and he feels the body temperature from her delicate body.

what!

Duanmuying almost yelled.

Inside, he jumped like a little rabbit in his heart.

Although she has always liked Li Tian, this is the first time she has had such a close contact.

Her whole body was close to her, and her small waist was hugged tightly by this "drunk". She couldn't get away even if she wanted to struggle.

"Drunk, big drunk, you let me go." Duanmuying's cherry mouth pouted, and said while struggling.

She didn't want to be so occupied by this drunk Li Tian.

But what about Li Tian? How powerful is a big hand, just like that, holding her small waist without letting go for a moment.

"Smelly Li Tian, badass guy... You let me go." Duanmuying's delicate melon seed face became redder and red.

The black hair was scattered on Li Tian's face because it was too close to Li Tian.

Perhaps it was awakened by the hair, perhaps Li Tian suddenly became conscious, his eyes suddenly opened, his mouth was still breathing heavy alcohol, looking at the delicate little beauty in his arms, Duanmu Ying.

"Sakura..." Li Tian called out Duanmuying's name from his mouth full of alcohol.

Those bloodshot eyes suddenly became weird at this moment.

Duanmuying was struggling originally, when she heard her beloved calling her, she was slightly taken aback, raising her beautiful eyes and looking at Li Tian.

"You woke up... the drunkard, you finally woke up..."

"Let go of me, let me go, you big bad guy..." she said breathlessly, but the fragrance that permeated her body spread unscrupulously into Li Tian's nose.

He was already drunk, but now coupled with the temptation of Duanmuying's body, how could he still bear it?

Duanmu Ying Cherry Xiaokou had just finished saying this, but someone blocked her Cherry Xiaokou with his mouth and kissed her directly with his mouth.

what!

Duanmu Ying's mouth was kissed all of a sudden, and her delicate lips were suddenly taken over by this "drunkard".

She kissed Duanmuying's mouth, Duanmuying felt her heart chuckle, and almost her nerves were about to collapse. Oh my god, how could this be done? How could this be? She wanted to struggle, but unfortunately she was already powerless, because Li Tian's kiss was so intense.

That Li Tian had already kissed her mouth fiercely, and his tongue had been inserted into her mouth, moving inside.

Li Tian, who was drunk and stimulated the hormones, touched the buttocks with one hand rudely and savagely.

Duanmuying was shocked all at once, trying to scream, but her small mouth was blocked, she could only make a sound...that hand wanted to block Li Tian's hand, but it was too late.

Because Li Tian's other hand was even more savage, he fumbled under the tight skirt of Duan Mu Ying.

So overbearing, so rude.

Duanmuying felt that she was going to collapse.

She almost went crazy, struggling hard, but how could she have any strength?

No, Li Tian's "magic claws" suddenly stretched into her tight skirt, Duanmuying only felt a spasm all over her body... her whole body suddenly became hot.

Gosh!

Duanmuying feels that she is going crazy, what are you doing? This drunk Li Tian... even bullied herself so much... It's a pity that her consciousness was quickly and completely defeated by Li Tian's enthusiasm.

No way, Duanmuying is also a woman, a girl in puberty, and a woman who first tasted the forbidden fruit.

When Li Tian touched her, her whole body began to become hot and dry. At this moment, her struggling body became accommodating. Unable to control her excitement, she immediately hugged Li Tian's head in front of her. Department, kiss wildly with it.

The kiss spread to Li Tian's cheek like a flood.

And Li Tian suddenly rode on Duanmuying's delicate body like a tiger in an overwhelming posture.

Both hands tore at her clothes like beasts.

hiss

The silky coat was torn, revealing Duanmuying's white shoulders, and then her skirt was also removed by his hand.

Duanmuying is tenderly under him, hugging him tightly.

Li Tian buried his entire head like a beast on Duanmuying's chest, kissing and touching hard.

Duanmuying also felt the excitement she had never had before, and she murmured...She was holding onto the bed sheet with her delicate hands, as if she was holding back something, her body spasm, as if she was going to heaven.

The beautiful red face is full of spring at the moment.

Suddenly Li Tian drove straight under his body.

Duanmuying screamed in pain, her hands tightly wrapped around his head, and her nails were almost sinking into Li Tian's flesh.

She hurts...

For the first time, how could she not hurt? The painful tears fell from the cheek.

But what about Li Tian? After entering, he felt the warm package there, his whole body was even more irritated, and then the lower part of his body was hit violently.

Like a storm.

At the beginning, Duanmuying was screaming, in pain.

But after a while, it turned into another strange feeling, an extremely comfortable feeling, a feeling of excitement she had never had before.

Li Tian was originally riding on Duanmuying's delicate body. At this moment, after ten minutes of exercise, he rudely turned Duanmuying into a back pose.

Duanmuying was in a protruding shape, her buttocks and her hips were very tall and tender, while Li Tian attacked from behind, supporting her delicate waist with both hands and pushing hard.

...

The spring is full, let go.

At this moment, Li Tian not only possessed this stubborn eldest lady from the soul, but also from the physical.

They are crazy this night.

For the first time, Duanmu Ying was put in bed by Li Tian for more than an hour. He completely indulged himself because of alcohol, and was able to use all the tricks and all the movements.

Duanmuying was bullied by him like a little lamb, "raging" arbitrarily.

Chapter 979: Big gangster

One night of indulgence, one night of madness.

For them, this night was a combined night and the happiest night.

Although this was her first time and the one that made her confused, she was the happiest in her heart.

The night of confusion was finally spent in Li Tian's complete indulgence.

He lived and fought in bed three times this night, three times! !

Duanmuying only felt that she was going crazy. She had never been so crazy before, her two slender legs were a little soft.

The storm finally passed in the obsessive embrace of the two of them.

Li Tian was still a little drunk and fell asleep on the bed.

Where's the Duanmu Sakura that just bloomed in your arms? The whole head was buried in his broad arms like a small deer, with a slender hand around his head, blinking beautiful eyes and looking at him there.

At this moment, he is her man.

Not only spiritually, but physically, she became her man.

Thinking of this, the pain just now and everything turned into the sweetest thing.

She happily fell asleep in her arms.

That night, the girl Xiaohuan was very depressed, because she originally shared a room with the eldest lady Duanmuying, but her eldest lady did not come back to sleep that night.

The girl Xiaohuan wanted to knock on the door several times to see what was going on, but at last she thought about it and didn't go.

Because she felt that the eldest lady was in Li Tian's room, no matter what, nothing would happen.

So she finally held back.

Its daybreak.

Li Tian was also slightly sober.

The reason he drank too much last night made his head aching slightly when he was just awake.

When he rubbed his head and slowly opened his eyes, he suddenly froze.

Because he suddenly felt a soft gasp in his arms.

people!

A person in his arms.

And his sense of smell immediately smelled the unique fragrance of the woman.

When he suddenly opened his eyes, Li Tian was so scared that he almost screamed.

OMG, Duanmuying is lying naked in her arms.

This made his body tremble uncontrollably.

Staring at Duanmu Sakura who was still sleeping in her arms...

"I....."

"What did I do?"

Li Tian only felt his head stunned.

Then he saw the clothes on the bed that he torn to pieces last night...short skirts...and stockings...

When he saw this scene, Li Tian's brain throbbed.

He remembered it, he remembered for a moment the absurd things he had done last night.

The scenes when I was drunk last night reappeared in his mind like a movie...In the picture, I hold Duanmu Ying and kiss her...

After recalling all this all at once, Li Tian blushed instantly.

Then he looked at the beauty in his arms, not only a little scared, but also a little worried.

What is worried is whether she will be angry in her arms, but what is scared is how she would do such and such a thing.

Looking at Duanmuying with a pair of pink and white shoulders in his arms, Li Tian looked at her clearly.

Li Tian has always liked Duanmuying, but never thought of possessing her physically.

And this time, after taking possession of Duanmuying, Li Tian looked at Duanmuying.

The nose bridge, the delicate features, and the cherry mouth is red, it looks so charming and so beautiful.

This is the woman from now on!

This is my woman after Li Tian.

Thinking of this, Li Tian felt unprecedented happiness. Yes, a beautiful woman like Duanmuying, to be honest, if she could have it, this life would be enough.

So Li Tian at this meeting not only lifted his mouth gently on her pretty face, but couldn't help but kissed him.

When the corner of her mouth kissed her powder cheek, Duanmu Ying moved her body.

Then, as if to wake up, the pair of beautiful eyes opened slightly.

When I opened it, I found Li Tian in front of me blinking at her.

what!

Duanmuying didn't expect Li Tian to wake up earlier than her, and she screamed immediately.

Then the tender and tender body shrank into the quilt for an instant, and two delicate hands tightly covered the quilt.

"Bad guy...bad guy...who let you look at me..."

"Rogue, big rascal..."

She covered her head and shyly cursed Li Tian shyly while shrunk under the quilt.

Li Tian smiled happily.

"Sakura, come out." Li Tian called.

While talking, drag the quilt with your hands.

It's a pity that Duan Muying didn't come out even after he died, and she blushed under the blanket.

"I won't come out... You big gangster... Don't look at my body." Duanmu Ying's voice came from inside.

Yes, Duanmuying is a girl after all.

Moreover, she is still a girl without any clothes.

If she didn't get into the quilt at this moment, if Li Tian saw her body, then she wouldn't be ashamed to die.

But seeing that Li Tian couldn't pull the Muying quilt no matter how she pulled it, Li Tian suddenly shrank his head, then arched his body, and got into the quilt shamelessly.

So the woman screamed.

"Rogue...Smelly rogue...you go out..." Duanmuying's shy cry came from inside.

The whole quilt seemed to be fighting...struggling.

No one knows what happened.

Finally, the originally twisted bedding stopped.

But seeing the bedding was gently torn off, exposing Li Tian's broad shoulders.

Then I saw Duanmuying being held in Li Tianjii's arms... Her naked body was so close to him.

Li Tian loves the mermaid in his arms, an indescribable happiness.

"Sakura...you are so beautiful." Li Tian looked at Duanmuying in his arms and suddenly couldn't help saying.

Duanmuying didn't speak shyly, her head tucked in Li Tian's arms like a lamb.

Li Tian hugged her tender body tightly and looked at her beautiful face. At that moment, he seemed to be able to abandon the whole world, to abandon everything, as long as he could hold her tightly for the rest of his life.

Just as Li Tian was thinking about this, he suddenly heard Duanmuying's soft crying in his arms.

When suddenly seeing Duanmuying cry softly, Li Tian was stunned.

"What's the matter? Sakura?" Li Tian asked Duanmuying in his arms quickly.

He was afraid of her being wronged, afraid of her tears.

But seeing Duanmuying didn't answer him, she cried even harder, and the tears on Li Tian's chest were all raindrops on her beautiful eyes.

Li Tian looked at Duanmuying, who was crying more and more in his arms, and was suddenly terrified...

What's wrong? What's going on?

Chapter 980: awkward

What is going on here?

Why did Duanmuying cry?

Li Tianxin thought that he didn't recruit her or provoke her, why she started crying all of a sudden.

"Sakura, what's the matter? Did I do something wrong?" Li Tian asked quickly there.

But what about Duanki Ying? But it seemed to be extremely aggrieved, and the whole person was crying in Li Tian's arms, and his two hands were even more afraid of hitting Li Tian.

"You villain... rascal..."

Duanmuying was shedding tears while struck Li Tian in front of her.

Li Tian clasped Duanmuying in his arms tightly.

"Tell me, what's wrong?"

Duanmuying finally raised her red eyes and looked at Li Tian in front of her.

"You...you bullied me." Duanmu Ying's red mouth was pouting.

Li Tian was embarrassed and looked at her in his arms and said: "It's me who is not good, it's me."

"But you have bullied me..." Duanmuying said with a flushed face.

Of course Li Tian knew what she meant, and put his arms around her and said, "Don't worry, Ying, I will be nice to you."

"Be nice to you all my life."

"What you said is true?" Duanmuying said at Li Tian with her beautiful eyes blinking like a little girl.

Li Tian smiled suddenly.

"Fool, do you think I'm lying to you?"

"From now on, you Duanmuying will be my Li Tian's woman!"

"As long as I am there, I will protect you forever." Li Tian said while hugging Duanmuying tightly.

Duanmuying heard Li Tian say so, tears fell again.

But this time her tears were not tears of grievance, but tears of happiness.

She also stretched out her white hands and hugged Li Tian in her arms.

A pair of little lovers hugged tightly, feeling each other's warm body temperature.

It's finally time to get up.

Duanmuying shyly hid under the bed and refused to come out. First, she was afraid that Li Tian would see her naked body, but because her clothes were torn to pieces by Li Tian yesterday.

Thinking of these Duanmuying, she twisted Li Tian fiercely.

Li Tian laughed happily.

Then he got up from the bed first.

"You stay here first... I'll go to your room to get you a piece of clothing." Li Tian said to Duanmuying, who had only one head exposed in the bed.

Duanmuying nodded with a blushing face.

Li Tian got dressed and walked out from inside, and then arrived at Duan Kiyong's room.

When I entered, the small ring was in the room.

"Xiaohuan, where are your lady's clothes?" Li Tian asked after walking in.

The girl Xiaohuan was slightly startled when Li Tian asked, but she still said, "Here."

While talking, he took out a set of clothes and handed it to Li Tian.

Li Tian smiled and said, "Thank you!"

Then he took the clothes and prepared to leave.

"Wait... Li Gongzi... Where's our young lady?" Xiaohuan finally couldn't help but blinked his round eyes while looking at Li Tian in a low voice.

Li Tian was suddenly embarrassed, and he didn't know how to answer Xiaohuan.

After thinking for a while, he said: "Miss you...cough cough... are... resting!"

"I won't tell you... I'll tell you later."

After Li Tian said these words falteringly, he hurried to his room.

The little girl who left the little ring stood there with a look of doubt, and said to himself: Hey, what's wrong?

After Li Tian ran back to the room with Duanmuying's clothes, he hurriedly closed the door of the box.

Duanki Ying showed only one head inside the quilt, and asked, "Where is my clothes?"

"Here." Li Tian said as he brought the clothes over.

Duanmuying quickly stretched out a hand and swished over her clothes, staring at Li Tiandao with her beautiful eyes and said: "You turn around, I am wearing clothes, you are not allowed to look..."

Li Tian smiled and nodded there and said: "Okay! I won't watch."

While talking, Guo really turned around, pretending to be serious.

"Don't watch..."

Duanmuying saw Li Tianzhen turn around, and then slowly got out of the bed.

The snow-white skin was suddenly exposed...The slender legs, the white jade-like smooth body, are simply extremely beautiful...

Get dressed there quickly.

While wearing underwear and clothes, he was still looking at Li Tian here, afraid that he would turn his head.

Just as Duanmuying put on her underwear and was about to put on her top, the shameless Li Tian suddenly turned her head.

Duanmuying screamed all of a sudden, blushing and yelling: "Rogue...Rogue...Turn around quickly."

But how could Li Tian be so honest?

She is so beautiful in front of her, she is even more slender, even more beautiful and **** in her underwear.

Li Tian couldn't help but hugged Duanmuying. Duanmuying slapped him with both hands, while still cursing shyly in his mouth: "Smelly hooligan...Hurry and turn over..."

But what about Li Tian? How could it be so honest?

"Sakura, I love you." Li Tian finally hugged Duanmu Ying tightly there and said.

Duanmuying finally stopped, looking at Li Tian's hot eyes, and said slightly: "I love you too."

Li Tian kissed her lips all at once.

"Turn around...I want to wear clothes." Duanmuying said shyly.

Li Tian nodded this time, and then Guo really turned around, not looking at Duanmuying again.

She will be her own in the future.

It belongs to me all my life.

As long as Li Tian thought of this, he couldn't help being happy.

After that Duan Kiyong finally put on her clothes, she said, "Well, you can turn around now."

Hearing Duanmuying's words, Li Tian finally turned around. She was still so charming and charming in front of her.

Duanmu Ying, who was baptized last night, seemed to have become more feminine, and her whole body looked more temptation.

After the two of them said some little love stories in the room, they opened the door to the outside.

As soon as they opened the door, the two of them just came out of the room, and they saw Tang Xiaolong and Chen Qiao who just passed by outside...

"Little boss..."

Tang Xiaolong was stunned for a moment when he saw Li Tian and Duanmuying walking out of the room together.

Then Li Tian did not expect that his brother just passed the door, his face suddenly looked a little embarrassed, and he said, "Um..."

What about Duanki Sakura? Not to mention, the body seemed to be hiding behind Li Tian, the whole face flushed as if congested.

Want to know what it means for this man and woman to come out of the room? It is estimated that even a fool would know what happened.
