

## A Killer 981

Chapter 981: White note

What a clever person Chen Qiaozhi is, after seeing such an embarrassing situation, he quickly kicked Tang Xiaolong with his foot, and then said: "Li Tian...we still have something to say, we will talk about it later."

While talking, Chen Qiaozhi took Tang Xiaolong and walked away.

After walking over, Tang Xiaolong quickly asked, "Sick ghost, what's the situation? Why did you \*\*\*\* kick me just now?"

"You are stupid, you didn't see Miss Duanmu in Li Tian's room."

Tang Xiaolong thought about that: "Why is Miss Duanmu in our little boss's room? Could it be that... Could it be that the two of them shared the same bed last night?"

Then Chen Qiaozhi gave Tang Xiaolong a fierce look: "You are really a pig."

"Isn't it obvious?"

When Tang Xiaolong heard Chen Qiaozhi's words, he suddenly laughed.

"Haha, it seems that I am really a bit stupid, grandma's, the little boss must have \*\*\*\* last night, haha."

When the two were talking here, Li Tian and Duanmuying had already left.

After Duanmuying left Li Tian's room, she quickly returned to her room shyly.

When the girl Xiaohuan saw the eldest lady in the room, she was slightly startled.

"Miss, you are finally back." Girl Xiaohuan said while looking at Duanmu Ying.

Duanmuying's pretty face was still blushing, she just hummed there, then turned and walked inside.

"Miss, did you sleep there last night?"

"Why didn't you come back all night?" The girl Xiaohuan asked worried about her lady there.

It's a pity that this question just asked about Duan Kiyong's embarrassment, and her pretty face turned red.

"Bad girl, don't ask." Duanmuying gave the little ring a white look.

Xiaohuan was taken aback, looking at Duanmuying's shy red face, she had to close her mouth.

But in my heart, I couldn't help thinking: What happened to this young lady? Why is his face so red?

She is like a pure little maid. Of course, she doesn't know the romantic affairs between men and women, so Xiaohuan doesn't know what her lady was doing yesterday?

But what about Duanmu Ying? After coming back, she closed the door tightly with a shy face, and didn't allow the girl Xiaohuan to ask herself, just staying there, blushing...

Passing by the White House, which was caused by Li Tian and Duguxie, people were panicking at the moment.

Those subordinates who have followed Golden Hand Bailong for so many years have not encountered the embarrassing situation like yesterday, and they have killed and injured so many brothers.

This made them feel unprecedentedly scared, not only afraid of how powerful the enemy is, but also afraid that they still don't know who the enemy is.

There are more and more brothers transferred from the big places, all of them are guarded around the white house.

At this moment, there were more than a dozen people guarding the gate of the White Mansion alone, and it could be seen that all the guards were very cautious.

Lord Long had already given the order to die. Without his permission, no strangers were allowed to enter the White Mansion, and anyone who entered would die.

The member guarding the gate also firmly remembered the words of Lord Long.

But while these dozen or so members were guarding the gate, a black shadow suddenly struck here like an electric light. The speed was so fast that people could not see clearly whether the black spot was. Lasing from there.

The only thing that can be seen is the strong wind roaring towards the white mansion gate here.

It hasn't waited until the dozen or so members can see clearly, but they heard a bang.

I saw a hand of Sen Han's head stuck in the middle of the gate of the White House.

A cold and icy head.

Obviously, it was this sharp head that lased from an inexplicable direction just now.

When suddenly seeing this song, the dozen or so members suddenly became nervous.

"Who?"

"Who did it?"

They were talking in panic, and at the same time they pulled out the guys from the waist one by one.

"Look, there is a note on this song." Suddenly heard a subordinate of Bai Long exclaiming there.

I raised my eyes and looked carefully, and I saw a white paper sticking to the top of the sharp head.

"What is it?" These Bailong's subordinates suddenly came to ask.

"Open it and take a look." said one of the men.

In addition, the few men around him are also full of curiosity at the moment.

The member in the front stretched out his hand and pulled out the sharp head, and then slowly took off the white strip of paper stuck on the head.

After he touched the note with his hand, he was taken aback slightly and looked a little nervous.

But he slowly reached out and opened the folded white paper.

As I opened it, I saw a \*\*\*\*\* skull painted on a piece of white paper, and under the skull was engraved with the character "Ming" written in seal script.

After seeing such a weird piece of white paper under these Bailong's men, they were all stunned for an instant.

"What is this?"

"I don't know... it seems like a secret sign?"

"Grandma's, it turned out to be a skull...There is also a word for Ming?" Those Bai Long's men were all wondering there.

"Let's tell Lord Long this thing as soon as possible,"

Just listen to what one of Bailong's men said.

"Ok!"

While speaking, one of the members quickly took the inexplicably flying white paper and ran towards the inside of the White House.

In the hall, the white dragon was still wrapped with the white sand cloth on his left arm. At the moment, he was sitting in the most central place with a weird face. Next to him was the Wang Hu and Li Shiye on one side.

"Long Ye...Long Ye..."

Soon I heard the anxious voice from outside men.

After hearing the sound, Bai Long's eyes became stern for an instant, then he raised his eyes and looked outside the door.

At this moment, a subordinate of Bailong ran in from outside in a panic.

"Long Ye." The members who ran in gasped and yelled.

Bailong snorted: "What's the matter?"

"Long Lord, just now we were standing guard outside, and suddenly a weird head flew over... and there was such a weird note on the head."

As he spoke, he passed the note in his hand.

As soon as Master Li heard it, he quickly took the note and handed it to Bai Long.

Bai Long's face suddenly became weird when he heard what his subordinates said.

"Come here, let me see." Bai Long said there quickly.

So Master Li quickly passed the blank paper in his hand.

Bai Long took it and opened it to take a look.

Now everyone in the whole hall cast their eyes on Bai Long's face, and no one knew what happened.

Chapter 982: Is the enemy coming?

However, after Bailong quickly accepted the note, he opened it quickly.

After opening the note, Bai Long's face suddenly became weird when he saw a blood-red skull on the top and the word "Ming" on the bottom.

At this moment, Wang Hu, the subordinate who had just reported the letter, and Master Li were all looking at Bai Long curiously.

"Long Ye...what?" Master Li couldn't help but asked slightly there.

But seeing that Bailong did not pay attention to him, his eyes fixed on the white paper in front of him.

After a long time, the white dragon suddenly laughed like crazy.

"Ok... great..."

"They're here!" The strange words suddenly came out of the corner of his mouth.

Seeing Longye laughing so wildly and talking those weird words in his mouth, everyone in this hall didn't know what happened.

Just when these people still had Master Li wondering, the golden-handed white dragon suddenly stood up from his seat.

"Prepare the car, I'm going out."

what?

When Bai Long said this, Master Li next to him was immediately puzzled.

We must know that after yesterday's attack, the current Bailong is extremely cautious, even going out is not willing to go out, but now he suddenly wants to go out? What happened to make Long Ye so excited?

"Long Ye, what's wrong? What happened?" Then Master Li asked quickly on the side.

Bai Long suddenly glared at him coldly: "Don't ask so much!"

"Just do as I tell you... Hurry up and prepare the car for me, I'm going out."

Hearing Bai Long's words, his subordinates nodded and said yes!

Then went out to prepare the car.

After a while, I saw a silver Audi a8 being driven over.

Master Li originally planned to send some people out to protect Lord Long, but Bai Long didn't let anyone follow him. The only one who followed was Wang Hu, the bodyguard who was driving. In this way, Bai Long sat in the car very much. Quickly left the White House.

He took a man, Wang Hu, the bodyguard beside him, and left the White House.

After the car left the White Mansion, I saw the enemy in a dark place around the White Mansion, with a pair of eyes watching everything unblinkingly.

Obviously, they were monitoring the every move of the Bai Mansion. After the Bailong's car left, the monitoring talent quickly took out the phone in his arms.

"Hey, ma'am..."

The phone was connected, and there was an extremely beautiful voice over there.

"What's the matter?" Only the sweet voice came.

"Report to Madam that Bailong is out." The person here said.

"He went out? When did he leave? How many people did he bring?" The beautiful voice on the other side quickly asked.

"It seems that Bai Long went out by himself... Oh, and brought his bodyguard Wang Hu... just left."

"Okay, I get it now."

"Where do you continue to monitor Bai Long's actions, remember, immediately notify me as soon as there is news." Just listen to the beautiful voice over there.

The person hiding here in the dark nodded quickly, and after uttering a word, he quickly hung up the phone.

It turned out that this person was the person that Baihua Fairy sent to monitor Bailong's every move.

After Li Tian and Duguxie attacked the White Mansion yesterday, Li Tian knew that this white dragon would take the initiative to contact the people at the Gate of Hell, so he arranged for his brother to come to the White Mansion for surveillance early in the morning, but the Baihua Fairy did not let Tang Xiaolong wait for someone to come...

She said: Let her people come.

So Baihua Fairy sent people from Haojue Nightclub to monitor the actions of the White House.

And just now that call was made to Fairy Baihua.

When Baihua Fairy received the call, he quickly went to notify Duguxie and the others of the news.

In the room, Duguxie, the ghost servant, and Li Tian's brothers are all here, but Li Tian is not seen.

"Second brother, now that Bailong has gone out... It must be something... what should we do?" Fairy Baihua asked while looking at the Dugu Xie in the room.

Duguxie pondered for a while, raised his eyes and said, "Don't worry."

"Where is the young master? Where is the young master?" Du Guxie suddenly asked.

"do not know."

"It seems to be in the room."

"I'll call the little boss." Tang Xiaolong said as he stood up quickly. After standing up, he quickly ran to the box where Li Tian lived.

After arriving in Li Tian's box, Tang Xiaolong reached out and knocked on the door, knocking and shouting in his mouth: "Little boss."

The door slammed open, but Li Tian was indeed in the room.

After seeing Tang Xiaolong, Li Tian asked, "What's wrong?"

"Little boss... there seems to be some movement on the Bailong side... now my master and Senior Dugu are waiting for you downstairs." Tang Xiaolong said.

Listening to Tang Xiaolong's words, Li Tian suddenly became energetic.

"Is it?"

"Ok!"

Speaking of Li Tian, he quickly ran downstairs.

When I arrived on the second floor, I really saw Duguxie, the ghost servant, and Baihua Fairy waiting for him in the room.

"What's wrong? What exactly did Bai Long do?"

This is how Li Tian asked after listening to the first sentence.

The fairy Baihua on the other side told Li Tian in front of him all the news brought by his own person.

After telling Li Tian, Li Tian became silent.

"Tian'er, what do you think in your heart?" Fairy Baihua looked at Li Tian in front of him and asked.

Duguxie and the ghost servant on one side also looked at Li Tian.

Li Tian thought for a while and said, "It seems that the people at the gate of \*\*\*\* should have arrived in Yongzhou."

what?

"Tian'er, do you mean that the white dragon went out to meet the people at the gate of hell?" The fairy Baihua asked in shock.

"No way, did the people at the gate of \*\*\*\* come so fast?" The brothers in front of them all said in amazement.

On the other side, Duguxie and the ghost servants also frowned slightly.

But Li Tian nodded there, looking very sure.

"I think it should be."

"You think that Bailong was caused by us last night... and almost killed him... According to reason, should he stay in his mansion honestly and strictly protect him? Yourself?"

Listening to what Li Tian said, the brothers felt that what Li Tian said was indeed the truth, so they all nodded.

"But what about him? Not only did he not stay in his own lair, but he went out now, but he went out alone... So if I guess it's not wrong, it should be the \*\*\*\* gate that gave him the news. "

Listening to Li Tian's words, the brothers all stood there one by one.

"If this is the case, it would be easier!"

"Our enemy is finally here." The ghost servant suddenly showed a fiery light of killing in his eyes.

Chapter 983: meet

In Yongzhou, a silver Audi a8 drove quickly through the downtown area towards the distant place.

This car is undoubtedly the mount of the golden hand white dragon.

Inside the car, but seeing the bodyguard Wang Hu driving the car quietly, while the golden-handed Bailong sitting behind was sitting in the back with a strange excitement on his face.

"Go here and turn left." He only listened to Wang Hu who was driving in front of Bailong, who was sitting in the car behind him.

Wang Hu is like a stone, and he will go wherever Bailong asks him to drive.

People like him generally seldom speak and only do things. This is also what Bai Long appreciates Wang Hu more.

After the car turned quickly to the left, I saw this silver Audi a8 driving towards a building in front.

The name of this building is: Weiye Building.

When Wang Hu saw the Weiye Building, he was slightly stunned, because the White Dragon would come to the Weiye Building once every three months.

Specifically, what did Long Ye do in this Weiye Building? Or are you meeting someone? He didn't even know.

Because every time Wang Hu just drove the car here, Bai Long let him sit in the car and wait. Since Lord Long did not let him know his secret, Wang Hu would not ask too much.

When the Audi a8 drove to the Weiye Building again, the car stopped at the parking lot.

Bailong still said to Wang Hu, "Wait for me in the car."

Wang Hu nodded.

Then Bai Long quickly opened the car door and walked out.

After going out, he walked quickly towards the Weiye Building in front.

After arriving in the Weiye Building, he walked directly to the elevator and got on the elevator.

After pressing the 27th floor above, the elevator rose slowly.

It seems that all this is quite familiar to Bai Long.

Less than 1 minute later, the elevator had reached the 27th floor.

After a soft ding-dong sound, the elevator door opened. The corridor on the 27th floor looked empty, and there was no one.

The white dragon walked along the corridor in front of him, his eyes sharp and weird, and he looked at the house card on the door.

2712, 2713..... 2716.....

Finally, Bai Long's eyes bet on the 2718 room number.

Obviously he was looking for this house.

The door of the room was tightly closed. After Bai Long arrived at the door, he subconsciously tidied his clothes, then raised his hand slightly and knocked on the door.

Klang Klang!

The voice rang from inside.

After the knock on the door sounded, the door opened in response.

It was him who opened the door.

A man wearing a purple dress with a long narrow sword scar on his handsome face.

Ouyang Longyan.

After Ouyang Longyan opened the door slightly, his indifferent eyes glanced at the golden-handed Bailong standing outside the door.

"Come in." Cold words came out of his mouth.

The golden hand Bailong didn't speak too much, and walked in with Ouyang Longyan.

There were two other people in the room, one was an alcoholic with a huge wine gourd slung around his waist, and the other was a masked ecstasy.

Sure enough, the people from the gate of \*\*\*\* came.

Sure enough, they arrived.

After Bailong walked in, he saw the masked ecstasy messenger.

It can be seen that the status of the ecstasy messenger among the four is slightly more noble.

"Ecstasy." The golden hand Bailong who walked in said hello to the Ecstasy.

The ecstasy slightly responded.

"Wow, Lord Long is really getting more and more blessed... It's good to be blessed in Yongzhou for so many years."

The alcoholic on one side suddenly said with a playful smile.

A little embarrassment appeared on the golden hand Bailong's face.

"Brother Drunkard laughed!"

"I just stayed here according to the master's order." Only Bai Long said there.

It can be seen from their conversation that they are quite familiar.

Yes, they worked together more than 20 years ago, and they killed the evil \*\*\*\* on the night 20 years ago...Of course they knew each other.

"Hey, how come my alcoholic doesn't have such a good life as Long Ye...I can enjoy the blessing here." The alcoholic said while drinking.

The golden hand Bailong ignored the alcoholic, turned his head to look at the ecstasy.

"The Ecstasy, why, why has the son of the Cthulhu God not dead for so many years? He actually appeared here? Wasn't the evil spirit of the Cthulhu God killed by the poisonous scorpion? How could it be still alive now?" He suddenly asked. .

"Have you seen that kid named Li?" The ecstasy in front of him asked with a hoarse voice, looking at the golden hand Bailong.

"I have seen it." Bai Long said with hatred in his voice.

"Moreover, he seems to know what happened to us twenty years ago..."

"Yesterday, he and Duguxie trespassed into my mansion, wanted to kill me, wanted to find me revenge... and he was driven away by my people." Bailong thought of yesterday's events, and his heart was a little frightened. a feeling of.

When Ecstasy heard the golden hand Bailong say this, the stern eyes became even more cold.

"It seems we should do it as soon as possible."

"Ecstasy, why...why did the son of the evil \*\*\*\*\* not die?" The golden-handed white dragon seemed to have some questions about to ask the Ecstasy in front of him.

But the ecstasy messenger coldly interrupted his words: "Stop asking, these things you shouldn't know... I can only tell you one thing now... The evil \*\*\*\*\* is still alive, and his son is also alive. Still alive..."

"Now the master wants them all to die."

"They will die by whatever means."

As the Ecstasy said this, the golden hand Bailong stood there in astonishment.

what?

Cthulhu is also alive, his son is also alive?

why? Why is this happening?

More than 20 years ago, he clearly remembered that the evil god's hands and feet were cut off by them... martial arts were abolished, and at that time he was taken away by his master... how could he be still alive now?

Could it be said that the martial arts of the evil \*\*\*\*\* has recovered? He escaped?

This golden-handed Bailong had been sent to this Yongzhou by his "master" since the battle twenty years ago. Of course he didn't know anything about the sudden rescue of the evil god.

That's why he was so shocked when he heard the ecstasy tell the truth.

"Now do you know that the evil god's son and Duguxie and others are there?" Ecstasy asked suddenly.

Golden Hand Bailong nodded and said, "I know."

"With a sorrowful girl." He said fiercely.

"Woman?" When the ecstasy in front of him heard the words of the white dragon, a strange color appeared on his face.

But Bai Long said, "Yes, this woman is insignificant, she is just a socialite from Yongzhou."

"Oh!" The ecstasy was relieved when Bai Long said this.

Chapter 984: Ghost figure

Because when he heard Duguxie and the ghost servant being with a "woman" for the first moment, his mind instantly thought of the amazing woman more than 20 years ago... that woman was also with the evil god. Behind, and martial arts is surprisingly high.

Her name is Lai Qinghua, nickname: Baihua Fairy.

It was the third sister of Cthulhu back then.

Fortunately, Bai Long just said that the woman was insignificant. If he knew that Madam Rose was really a fairy of Baihua, he would have caused a headache this time.

They certainly wouldn't know now that all the brothers of the Cthulhu back then have gathered.

"Since I know that the kid named Li is there...I think we should get rid of him as soon as possible, the province has many nights and dreams." The drinker suddenly said on the side.

Bai Long said: "But that Duguxie and the ghost servant are guarding the boy?"

He had a headache when he thought of the evil sword Duguxie and another shadow ghost servant.

Twenty years ago, so many of their masters besieged the evil god, Duguxie and others... At that time, neither Duguxie nor the ghost servant died. Now? After so many years, Duguxie and the ghost servants have reappeared. Can they be killed by the strength of a few of them this time?

Certainly not! Bai Long wanted to say.

But the ecstasy on one side did say slightly, "You don't have to worry about this."

"Although Duguxie and the ghost servants are strong in martial arts... but with the strength of the four of us, it is still possible to entangle them for a while!"

"As for the son of the evil god...heh, he is just a trash!"

"At that time, any one of the four of us wants to kill the evil god's son, there will be no difficulty." Ecstasy Zai said Kyogen.

Yes, the Ecstasy some time ago hadn't seen Li Tian's true strength... At that time, Li Tian was completely like an ant to the Ecstasy. You can pinch to death whenever you want, if you don't have it all along. Duguxie and the protection of the two masters of the ghost servant, they probably have already killed Li Tian.

For them, Li Tian is just a character who can kill at any time, but the premise is to stop the ghost servant and Duguxie.

When that Bailong heard the ecstasy say so, he didn't say too much, because he had never seen Li Tian make a move.

Even when Li Tian and Duguxie trespassed into his mansion yesterday, he didn't see that Cthulhu's son make a move, so he doesn't know how powerful Li Tian is.

"Well, solve the trouble as soon as possible, let's leave here as soon as possible." The alcoholic on the other side said lazily.

"When do you do it?" Ziyi Ouyang Longyan, who had never spoken much, suddenly asked coldly. The ecstasy slowly turned his eyes aside, and muttered, "The sooner the better."

The hurricane is coming.

The people at the gate of \*\*\*\* have thoroughly penetrated into Yongzhou City.

Although Li Tian and the others already know that the people from the gate of \*\*\*\* are coming, they don't know how many people are coming from the gate of hell, and who is it?

He was sitting in the room with Duguxie and the ghost servant now, discussing the next move.

"Young Master, what should I do now?"

"Since the man from the gate of \*\*\*\* has appeared, should we do it?" the ghost servant who listened only to one side asked.

Li Tian in front of him shook his head slightly.

"No! Now is not the time to do it."

"Now you and I don't even know where they are, how do you do it?" Li Tian asked back.

The ghost servant looked a little speechless after being questioned by Li Tian.

Duguxie sitting over there thought for a while and said, "Then we continue to wait?"

"Wait! I can only wait."

"The people who believe in the gates of \*\*\*\* must be coming for me... They must want to kill me... In that case, we will wait until they come and wait until they come to us in person," Li Tian said.

"But what if they don't come?" the ghost servant asked.

"Don't worry, they will definitely come."

"And definitely coming soon."

Hearing what Li Tian said, no one spoke any more.

Now they can only wait until the people at the gate of \*\*\*\* come to the door.

Haojue nightclub has not been open for a few days. For the fact that Haojue nightclub is not open, those who like night tours are undoubtedly more complaints... But even if they complain again, no one knows why Haojue nightclub is not open. Business.

Two days ago, the Baihua Fairy had evacuated the waiters of Haojue Nightclub, and now there are only a few close people in Haojue Nightclub.

One is the beautiful moon girl, and the others are the subordinates of Fairy Baihua for so many years, with a total of 78 people.

These people are all loyal people around Baihua Fairy, so Baihua Fairy is quite at ease with them.

The night is getting darker and darker.

Because the entire Haojue nightclub is closed, only two lights are turned on on the first and second floors, which is not too bright.

The place on the third floor is where Li Tian and his brothers stayed.

There were busy traffic outside, but the whole Haojue nightclub seemed a bit monotonous and lonely.

The place on the second floor is the subordinate of Fairy Baihua.

There are a total of 7 men, two of them are Baihua Fairy's drivers and bodyguards, and the others are people who watched the scene in the Haojue nightclub.

Because there was nothing to do in this empty nightclub at night, one of the burly guys said: "Xiao Meng, let's have a few bottles of wine. Let's take a drink."

"You can't drink... Madam told us to stay here." The driver who was called Xiao Meng was the former driver of Fairy Baihua. He had been in the army for three years, and he was good at being a good man.

The burly man was the one who watched the scene before the Haojue nightclub, and his name was Big Bear.

The little brothers in the past were called Xiongzi.

At this moment, Xiong Zi said: "It's okay, let's stay here even if we have a drink."

"Yes, Xiao Meng, go downstairs to get two bottles of the bar, brothers are really depressed."

Several men in suits over there also said.

Then Xiao Meng heard that the brothers were so interested, so he smiled and said, "Okay, okay."

While talking, I went to the bar on the next floor to fetch wine.

Because only the lights in the corridor were turned on on the first floor, the entire dance floor and the hall over there looked very dim.

After Xiao Meng walked quickly to the bar, he looked for two bottles of wine,

There are all kinds of good wine in this bar, the lady said, as long as they are happy to drink it.

Xiao Meng took two bottles of Remy Horse and came out from the bar...As he was about to walk towards the second floor, he suddenly felt that there was a figure on the dance floor.

Chapter 985: massacre

When such a strange feeling came out, he couldn't help turning his head to look...

Looking through the dim light, it really vaguely seemed to see a figure sitting on the deck on the dance floor.

When he saw that the first floor of the Haojue nightclub was sitting there for no reason, Xiao Meng was taken aback.

You know this Haojue nightclub has been closed for a few days, and now the doors are tightly locked from inside, how could someone suddenly come in?

"Who?"

"Who is there?" Xiao Meng suddenly said.

While yelling, slowly walked towards the dark shadow over there.

Xiongzi on the second floor couldn't help being stunned when they heard Xiao Meng's voice on this floor.

"Xiao Meng, what's the matter? Has the wine been brought up yet?" they asked from above.

But Xiao Meng below didn't have the time to take care of them, because he did see a person sitting motionless on the deck on the side of the dance floor.

"Hey, speak?"

"Who are you?"

He just listened to Xiao Meng in front of him with wine in his hands and slowly approached the black figure over there, but what about that black figure? But he didn't say a word from beginning to end, and the whole person was motionless like a corpse.

When Xiao Meng approached, the dim light penetrated, this time Xiao Meng could really see the face of the person in front of him clearly.

He has an extremely cold face, and there is a long and narrow sword mark on his left cheek, sitting there motionless like a dead body.

No one knows when he came in? Don't even know when he was sitting here?

When suddenly seeing such a weird person appear in the lobby of Haojue Nightclub, Xiao Meng suddenly said, "Who are you? How did you get in?"

At the exit of his words, the man sitting on the deck suddenly raised his fierce eyes.

Sen Han's murderous intent immediately enveloped that Xiao Meng's body.

Before Xiao Meng had time to say the second sentence, he suddenly saw a sword as thin as a poisonous snake, a soft sword, which was fatally pierced into his throat.

The sword as fast as a poisonous snake pierced into Xiao Meng's throat.

With a snap.

The two bottles of Remy horses in Xiao Meng's hands all shattered to the ground... and then his body fell there with a plop.

died.

A weird sword, a vicious sword, just like that sword killed Xiao Meng.

Just when the two bottles of Remy Horses in Xiao Meng's hands fell to pieces on the icy ground, the bears on the second floor heard the sound of glass bottles breaking.

"What's wrong?"

"There seems to be something wrong." The Xiongzi was the first to react and bounced off his seat.

The 56 brothers around him all stood up at this moment.

"Xiao Meng..."

The Xiongzi screamed, and then he was about to run towards the first floor, he wanted to see what happened below.

Just as they were about to run towards the ground floor, they suddenly saw a short fat man with a wine gourd in his hand standing at the stairs with a smiling face, squinting at them.

The wine gourd in his hand obviously pretended to be wine, and he was drinking while looking at the bear and the others.

Xiong Zi and others were stunned when they suddenly saw such a weird guy appearing at the top of the stairs.

"Who? This is?"

"I don't know, why did you come in our nightclub?"

The brothers behind the bears all asked in astonishment.

Xiong Zi also looked coldly at the guy holding the wine gourd in front of him, and suddenly felt something was wrong tonight, and he could even feel the guy drinking in front of him weird.

"Hey, who are you? How did you come in our nightclub?" Xiong Zi asked coldly.

Following Xiongzi's voice, he asked, but saw that the guy holding the wine gourd didn't even respond to him, but squinted his eyes and walked towards them step by step.

"What's your question? Who are you?"

"What do you want to do?"

The bear asked again.

But when he asked again, the weird man holding the wine gourd suddenly said a word.

"I want you to die." When the strange words came out of his mouth, his slightly squinted eyes burst out with a frightening light.

Then the right hand that was holding the wine gourd suddenly grabbed Xiongzi's throat like an electric shot.

Even though Xiong Zi said he was watching the scene in Haojue Nightclub, he often fights, but how can he avoid it in the face of such a fast Yu Juelun?

Watching the deadly paw grabbing his throat, and then pressing his fingers with a click, the bear's entire throat was instantly crushed, and his burly body fell down like a wooden pile. On the ground.

When the brothers over there saw the murderer holding the wine gourd, they were stunned, but when they saw the tragic death of Xiongzi, they also started crazy.

But how can they be the opponent of this character in front of them?

I saw one of them hit him with a punch. Before he reached him, the weird sneered at the corner of his mouth, his arm shrank suddenly, grabbed his elbow, and twisted the area. The person watching the scene suddenly made a sound in his mouth. With a terrible scream, the whole person fell from the stairs on the second floor with a thump, and fell alive.

Several other characters died quickly, and within a short while, all 67 brothers on the second floor fell down.

They lie down ugly one by one.

Who killed them?

Who is it?

Presumably, anyone with a discerning eye can tell that he is from the gate of hell, Ouyang Longyan, and the drunkard.

In a blink of an eye, after the tragic deaths of several brothers on the second floor, there was indeed no movement on the third floor.

Could it be that Li Tian couldn't hear a sound at all?

Yes!

Because the third floor of Haojue Nightclub is a VIP luxury box, the windows and doors inside each box are soundproof. Therefore, the fighting and screams that occur outside cannot be heard by Li Tian and others in the third floor box. This is the real reason why they have no reaction at all now.

The night is getting deeper and deeper.

The entire Haojue nightclub is now shrouded in darkness.

But seeing that the drunkard had killed several brothers on the second floor, that Ouyang Longyan had already walked up the stairs step by step.

He carried the soft sword, the deadly soft sword, with blood on the tip of the sword.

After he walked up, the drunkard glanced at him, and then the two of them did not say a word, and walked towards the third floor step by step with cold and murderous steps.

Chapter 986: Head-on contest

The third floor.

In the box that was completely isolated from the sound effect room, where Li Tian, Duguxie and his brothers were still sitting, talking.

They did not feel the attack of death at all.

Li Tian at this meeting didn't know why, his heart suddenly became irritable, and the feeling of irritability made his heart a little messy.

This seems to be a hunch, a weird hunch.

He suddenly stood up from his seat.

Situ Ningbing next to Li Tian looked at Li Tian with a strange expression, and asked softly, "What's wrong?"

Li Tian looked at his woman and smiled and said, "It's okay, I want to go for a walk."

"Oh." Situ Ningbing didn't pay much attention to Li Tian's words.

The brothers around did not see Li Tian's affectionate weird changes.

Li Tian was extremely irritable, so he wanted to go out and walk outside the corridor. This time, he left his seat and walked towards the door.

Duguxie and the ghost servant sat on the other side and watched the young master get up and took a look, but they didn't react too much.

However, after Li Tian arrived at the door, he opened the door casually.

The moment the door was opened, a stern breath of death immediately filled his whole body.

It was an aura with a strong killing intent.

A strange aura of enemies lurking around.

At the moment when Li Tian suddenly felt the terrifying breath rushing into his body, then a palm coming from the darkness with a force of ten thousand jins, suddenly hit his chest with a heavy blow.

The fast and vicious palm is extremely powerful.

At the moment when he suddenly suffered this sudden blow, Li Tian was stunned and startled.

The enemy came so soon?

After a second of rapid rotation in this mind, his body's instinctive internal energy surged up, and his body's reaction reached a shocking level. The right palm quickly cut the opponent's palm, and at the same time The other hand quickly attacked.

But it was a bit slow.

Although the opponent's huge palm strength didn't directly hit Li Tian's body, the strong internal strength was enough to make Li Tianzhen feel full of blood.

Pedal!

Li Tian, who was shaken back several steps by the huge palm strength, suddenly felt a puff of blood in his chest wanting to spray out of his throat.

"Little boss..."

"My God..."

"Little Lord....."

...

At this moment, the brothers all ran towards Li Tian who was shaken by the huge palm strength, because they were afraid that Li Tian would be seriously injured.

Then, before all of them ran towards Li Tian, suddenly from the door of the room, swish dense hidden weapons shot towards the whole room at once.

The concealed weapons that were dense as raindrops shot into the room like this.

The sky is full of flowers and rain.

A vicious and domineering hidden weapon in the sky.

"Beware of hidden weapons."

Duguxie suddenly screamed when he saw the concealed weapon in the sky and rain.

Apart from the ghost servants and the Baihua Fairy in this room, there must be no one who can avoid such a dense and overbearing trick in such a small room: the hidden weapons of the sky and rain, so he was shocked,

Then the figure swished like a shadow demon to the forefront. A dragon roar from the bronze sword warehouse came out of its sheath, and the cold light burst into the entire room, but all the dense hidden weapons were shooting towards Duguxie. .

Duguxie roared in his mouth, the evil sword slashed across the air, and the sharp and domineering sword aura immediately slashed at the deadly hidden weapons.

But listen to the sound of the clanging iron being shattered and then falling to the ground.

Look carefully, there are densely packed poisonous nails, arsenopyrite, and poisonous needles scattered all over the place.

And Duguxie's sword was also covered with many hidden weapons.

Shock.

terror.

Looking at the so many hidden weapons on the ground with eyes full of eyes, as well as the invincible Duguxie with a sword in his hand, the brothers were all stunned.

Only the ghost servant over there and Baihua Fairy suddenly had a strange look in their eyes.

"Second brother."

The two of them instantly arrived in front of Duguxie, looking at the evil sword in front of them with extremely worried expressions.

Because only the two of them saw that Duguxie was forced to accept this trick, his right leg trembled suddenly, he was hit, he was hit by a hidden weapon! !

No way, the hidden weapon just came too suddenly and too fast...Even the evil sword Duguxie couldn't avoid such a deadly dense hidden weapon, so he was shot in the leg by the hidden weapon, but he saved one. People in the room.

If Duguxie didn't come forward to block this hidden weapon, there would be many more corpses in this room tonight.

But Duguxie was shot by a hidden weapon.

Shot on the leg.

"Second brother, your leg..." The ghost servant exclaimed, looking at Duguxie's leg.

But seeing that on his right leg, a poisonous needle as thin as a hair is being pierced.

And the brothers were all stunned, looking at Duguxie in front of him, even Li Tian was completely shocked there.

But what about Duguxie? After the poisonous concealed weapon was hit in his leg, his face did not even change, but suddenly he was full of luck, and only heard a bang. The poison needle stuck in

his leg was forced by his internal force. It came out... Then Du Guxie reached out to point his Quchi and the two acupoints of the Sea of Blood.

These two acupoints are the meridian points on the legs, which can block the circulation of blood in a short time, but the duration will not be very long, and it will cause him to move very inconveniently.

"I'm fine." A word suddenly came out of Du Guxie's mouth.

Because Duguxie knows that today it seems that a major enemy is coming.

He must not fall.

If he falls, I am afraid that none of the people here can survive today.

He just looked at the door outside coldly with the bronze sword in his hand, he wanted to see who was coming.

Just at this moment, suddenly two figures slowly appeared from there.

One is a stern man with a face covered, the only thing that can be seen from the hidden face is a pair of eyes, a pair of eyes with a biting gaze, and the other is the golden-handed white dragon with a wicked smile on his face. .

There is no doubt that the poisonous needle hidden weapon in the rain of flowers just now was released by the golden hand white dragon.

And the heavy palm that struck Li Tian just now was from the strange man with a face covered.

He is the seducer in the gate of hell.

When suddenly seeing the two people appearing at the door, Li Tian's blood boiled over them.

Because he knew that his enemy was coming, the enemy was right in front of him now, and the murderous aura filled his body at this moment, looking at the golden-handed white dragon in front of him and the guy with the face covered.

Chapter 987: Start

The moment these two men appeared, of course the brothers here knew that it was someone from the gate of hell.

But a weird and hoarse voice was the first to speak from the ecstasy with the face covered.

"Ghost servant, Du Guxie, long time no see."

His voice was strange and unpleasant like a baby. When he said it, Li Tian and his brothers were deeply shocked.

Duguxie and the ghost servant stared coldly at the face-covered ecstasy in front of them.

"Who are you?" asked coldly.

"Hey, it seems that for so many years, you have indeed forgotten me...haha." The ecstasy suddenly laughed wildly.

"But, I can't forget the sword that Duguxie stabbed me twenty-four years ago." The Ecstasy suddenly roared with endless anger in his voice.

When Duguxie heard this ecstasy, he suddenly recalled the \*\*\*\*\* night in his mind more than 20 years ago.

That night, he still remembered a masked master blocking him.

In the end, he stabbed a sword with the supremely enchanted "Overlord Sword Art". Whether the person in the sea of blood is dead or alive has long been unknown... Now when I suddenly heard the ecstasy before him, Duguxie suddenly remembered.

"Could it be you?" Duguxie said suddenly, full of sword energy.

The ecstasy made a wild laugh.

"It seems you haven't forgotten...you remember..."

"How could I forget?"

"I only hate that I didn't kill you back then." Duguxie said coldly.

The ecstasy said with fierce eyes: "Yes, you are indeed wrong, and your mistake is that the sword didn't kill me back then."

"Asshole, do you think we can't kill you now?" The ghost servant suddenly roared.

The ecstasy took a look at the ghost servant, and said with a sneer: "Unexpectedly, the famous immortal servant will also appear here... It is really surprising."

"It's a pity that today it seems that you may not be able to kill us." The Ecstasy laughed strangely as he said.

When he spoke, two people's shadows appeared from the side.

One is a drunk man with a wine gourd in his hand, and the other is an indifferent man in purple: Ouyang Longyan.

When the two masters in the gate of \*\*\*\*\* appeared again.

Duguxie, the ghost servant, and the fairy Baihua over there frowned suddenly.

The four masters are here.

This is troublesome.

Duguxie's heart was secretly lining, but the indifferent face was indifferent.

Even in the face of thousands of enemies, how can Duguxie be moved? It's just that he is most worried about Li Tian and his brothers.

When Ouyang Longyan and the drunkard also appeared here, the fiery flame of vengeance in Li Tian's heart became stronger, and the raging fire that had been buried in his heart for a long time began to burn in his heart.

"Duguxie, servant of the ghost, we are here today only for one person's life."

"Just his life."

The ecstasy who was talking suddenly raised his finger and pointed at Li Tian over there.

"Only with you?" Du Guxie suddenly said coldly, the bronze sword in his hand had begun to hum.

The entire room was suddenly enveloped by the terrifying sword aura on his sword.

"I know how powerful your evil sword is... but don't forget, you have been poisoned." The ecstasy suddenly laughed strangely.

Duguxie said, "Even if I am poisoned, I can kill you all here today...If you don't believe me, you can try."

Sword, a three-foot bronze sword.

Human, five-foot body,

Standing there with one sword and one man, he looked down upon the four masters in front of him.

"Want to kill me?" Li Tian, who had not spoken, finally spoke.

He slowly walked out of the crowd, and raised his eyes to look at the ecstasy in front of him and the four others including the white dragon.

The ecstasy was slightly taken aback when he saw that he was safe and sound.

Just now, he had clearly injured him with a palm, so why does this kid seem to have nothing to do now? This not only surprised him.

"Young Master..." The ghost servant seemed to want to say something, but was stopped by Li Tian's hand.

He slowly walked to the front and looked at the ecstasy in front of him and the other three people.

"Did you participate in the \*\*\*\* battle that killed my father more than 20 years ago?" Li Tian suddenly looked at the four people in front of him and said.

The ecstasy suddenly smiled strangely.

"Not bad!"

"So what?"

"It was a pity that we didn't kill you and left a disaster, but today, you can't escape death." Ecstasy said.

Li Tian listened to his words indifferently.

He just looked at the faces of the four people in front of him carefully...

He must remember, remember the faces of these four people, because they are his enemies.

With \*\*\*\* and hot eyes when betting on the alcoholic and the others, I don't know why there was a chill suddenly all over the body like the drunkard... it was a chill from the heart.

"Who can tell me, why did you harm my father back then? And who is your master behind the scenes?" Li Tian asked suddenly.

Listening to Li Tian's question, the ecstasy in front of them all had no words.

"Boy, what can you do even if you know the result?"

"Anyway, you are going to die today. Why do you know so much?"

Li Tian suddenly laughed wildly.

"Is it?"

"Are you afraid to tell the truth? Or what?" Li Tian stimulated the Ecstasy and the others.

He wants to know why? Want to know who is behind the scenes? Because the four people in front of him are only part of the enemies, the real big enemy is still behind, so Li Tian wants to know.

But the ecstasy over there was not fooled by Li Tian.

"Boy, I won't tell you."

"You still have to die of this heart..."

"When you die, you will know everything when you go to hell." The ecstasy said sternly.

Hearing such arrogant words of the ecstasy, Tang Xiaolong over there had already clenched his fists.

"You \*\*\*\* dare to talk like this in front of my little boss, I can't spare you..."

With a roar of anger, Tang Xiaolong ignored the three seven twenty one, and suddenly raised his furious fist and struck at the seducer here.

"Little Dragon..."

The ghost servant suddenly shouted.

Because he knew in his heart that if Tang Xiaolong's current strength really attacked the master in the gate of hell, he would undoubtedly die.

But the moment he spoke the words was too late, because the reckless Tang Xiaolong had already attacked.

An angry fist slammed at the ecstasy.

An indifferent smile appeared at the corner of his mouth. The right hand did not know how to raise it. Suddenly an invisible strong wind easily resolved Tang Xiaolong's offensive, and then lifted his left hand slightly. The five-pointed hand was like electricity to Tang Xiaolong. Come.

Chapter 988: Real showdown

Tang Xiaolong did not expect that this insidious man wearing a mask was so powerful, and he hurriedly backed away. Although this trick avoided the past, the smearful air rubbed on his face but made him full. Hot sting.

Roar!

There was a strange scream, but the ghost servant took the lead.

The shadow ghost servant really deserves to be the shadow ghost servant.

The speed is so fast, so amazing.

Only a black shadow could be seen rushing towards the ecstasy over there like lightning.

The ecstasy caused the ghost servant to act, and immediately became cautious with his whole face fat, because he didn't dare to care about the true strength of the ghost servant.

"Do it!"

"Ouyang Longyan, go and stop Duguxie..."

"I'll deal with the ghost servant..."

"Leave the rest to Bailong and the alcoholic."

At the moment when the ecstasy made three words roared out of his mouth, he had already fought against the ghost servant with five moves quickly and unparalleled.

The five quick and inexhaustible moves can't see their movements clearly, only two dark shadows crisscrossing there...

A huge chill broke out in the air instantly.

After the Ecstasy arranged a hostile strategy, the Duguxie bronze sword here was slowly raised.

With a sword in one hand, stand alone.

That Ouyang Longyan walked over slowly, facing the Duguxie in front of him.

The soft sword in his hand was still stained with blood, and the narrow and long sword marks on that handsome and indifferent face were also slightly glowing with hideous light.

"It's you again!" Duguxie snorted coldly.

The last time he snatched the "Xuanyuan Sword" from the Yuwen family, this Ouyang Longyan had already fought Duguxie, but this time he did not expect to face the poisoned Duguxie again.

Duguxie knew that Ouyang Longyan's swordsmanship was powerful, and now he looked at him coldly.

"What I didn't finish with you last time, it's time to finish it this time." Just listen to Ouyang Longyan standing there and saying coldly.

"Good." Duguxie also said.

The Baihua Fairy next to the tower suddenly took a step forward: "Second Brother..." Her beautiful eyes were full of worry, looking at the Duguxie in front of her. After all, she knew that Duguxie had hit the white dragon on her thigh. Hidden weapon.

But seeing Duguxie smiled slightly at Baihua Fairy.

"Do not worry."

"Take care of Young Master, and his brothers..."

Fairy Baihua nodded when Duguxie said this.

After speaking, Duguxie and Ouyang Longyan have each drawn out their swords.

That Ouyang Longyan was holding a vicious soft sword in his hand.

And Duguxie is three feet green in his hands.

drink!

There was a roar, but Ouyang Longyan took the lead.

His swordsmanship was elegant and vicious, and the soft sword stabbed at Duguxie fatally in the air.

The bronze sword in Duguxie's hand is extremely fierce, and the sound of the clang collided with the soft sword of Ouyang Longyan, the soft sword of Ouyang Longyan seemed a little weak, even his tiger's mouth was slightly numb by Duguxie.

Ouyang Longyan did not collide with the bronze sword of Duguxie as much as possible, and he swam around and fought with that Duguxie.

The Duguxie sword is out of its sheath, and the air seems to be filled with the cold sword aura. The whole person is like a \*\*\*\*\* of war, facing Ouyang Longyan. Although Ouyang Longyan's sword skills are vicious and abnormal, but facing this Duguxie, he is invincible. .

The three strokes of the sword have passed, but seeing Ouyang Longyan being forced to retreat, he shouted, and the soft sword in his hand protruded from the air to stab the Duguxie in front of him, but he saw Duguxie's long sword standing and piercing through the air. After coming out, the fierce sword aura swallowed towards the soft sword of Ouyang Longyan.

Ouyang Longyan didn't dare to take this trick, so he could only dodge, and his body skills quickly flashed to the side. Duguxie slashed hard and stabbed on the cold wall. The entire wall was marked with a deep sword mark, but Can't take Ouyang Longyan for a while.

No way, this Ouyang Longyan is indeed a first-class master.

However, after Duguxie was entangled by this Ouyang Longyan, the golden-handed Bailong and other alcoholics had already walked towards Li Tian with a strange smile.

What they want today is this effect.

What is needed is to entangle Duguxie and the ghost servants, in that case, the remaining two can kill Li Tian.

"Boy, I think you will die today."

"Twenty years ago, your father was abolished by us. Today, you will also... die." Bailong said sternly.

That Li Tian was already ready to go.

He has been holding back his hatred for so long, and now it's finally time for revenge.

How can he not get excited?

The light of hatred bursting out of his eyes had completely soaked his whole body, and he walked over step by step.

A Qiu and Tang Xiaolong from behind quickly walked over.

"Little boss, let's deal with these two bastards."

"No!" Li Tian said decisively.

"Leave these two to me..."

"He is my enemy...I said, I will kill them by myself." Listening to Li Tian's words, Tang Xiaolong, Ah Qiu and his brothers all looked at Li Tian, and then took a step back.

The golden hand Bailong and the alcoholic here laughed wildly when Li Tian wanted to say to kill himself.

"Drinker, did you hear that? That kid actually said to kill the two of us?" Golden Hand Bailong laughed arrogantly.

The drunkard also laughed, apparently he felt very funny for Li Tian saying this.

"And me!" Suddenly a beautiful voice came from there.

Then Fairy Baihua walked over slowly.

"you?"

"Mrs. Rose?" The golden-handed Bailong suddenly laughed when he saw Fairy Baihua coming over.

In his eyes, this Madame Rose is just a woman, a woman who can sleep with others.

But now he has stepped up, how can he not make him feel funny?

The drunkard glanced at the Fairy Baihua in front of him with a pair of weird eyes.

Suddenly he remembered a person in his mind, a woman who was superb with hidden weapons.

"Bailong, have you really forgotten me?"

Fairy Baihua suddenly stood in front of him and said coldly.

The feeling that she has always given people is that kind of beautiful and striking, but at this moment, her body really exudes a feeling of suffocation.

When Bai Long heard what Baihua Fairy said, his eyes suddenly changed.

He fixed his eyes on the fairy Baihua in front of him.

"you....."

"You are not Mrs. Rose!" Suddenly a startled word came out from Bai Long's mouth.

"You are... You are... Fairy Baihua?"

"The third sister of the Cthulhu?" The shocked words came out from the white dragon's mouth again.

Suddenly he remembered, remembered the woman who used to be superb with hidden weapons, remembered the horror figure who died in her hands even the poisonous girl of the Western Regions.

Chapter 989: Li Tian vs Alcoholic

When that Bailong recognized Baihua Fairy's identity all of a sudden, his face suddenly changed, and he looked at Baihua Fairy unbelievably.

But seeing Fairy Baihua smiled coldly and said, "It seems you have a good memory."

The white dragon said in shock: "So you have been in Yongzhou!"

"It turns out that you have always used the fake name Madame Rose." The white dragon said.

Fairy Baihua said: "Huh, do you only know now?"

"I have been tracking down your details for so many years and avenging my elder brother. Now it's finally time."

"Bailong, wait and die." When Fairy Baihua yelled out.

Her pair of thin hands suddenly attacked the golden-handed white dragon like a poisonous snake.

For the first time I saw Baihua Fairy making a shot.

Even Li Tian had to be shocked.

A stunning blow, extremely fast.

Like a fairy like a fairy, he attacked the golden hand white dragon.

But seeing the golden hand Bailong knows that Baihua Fairy is so powerful, he didn't dare to care about it. The hook on the golden hand made a ditch in the air, and then the other hand quickly attacked.

Baihua Fairy turned her delicate body, with two slender hands grasping the golden-handed Bailong's shoulders.

Golden-handed Bailong hurriedly tilted his body, grabbing empty hands.

Then Baihua Fairy turned into a fist and took the white dragon's chest straight.

Bai Long was shocked and didn't expect this Baihua Fairy's technique to change so quickly, and his body quickly backed away.

After less than a few tricks, the white dragon has been forced to retreat again and again.

The eyes of the drunkard over there turned ugly at the moment, and he muttered: "I can't imagine that Fairy Baihua has also been born...It seems that I have to get rid of that kid as soon as possible."

The alcoholic who was talking has slowly turned his red face, looking at Li Tian in front of him.

And Li Tian also stood in front of him.

"Boy, do you remember me?" The drinker suddenly laughed strangely.

The huge wine gourd around his waist was already squeezed in his hand, and he said while looking at his neck.

drinker.

Of course Li Tian remembers this fat man.

"Now only the two of us are left... Hey, how do you say I should kill you?" The alcoholic suddenly looked at Li Tian in front of him with a playful corner of his mouth.

Li Tian snorted coldly: "Kill me?"

"You can kill me, but I still want to ask, did you also participate in the massacre that night more than 20 years ago?" Li Tian coldly asked.

The drunkard smiled and said, "Yes!"

"I did participate in that massacre back then... Hey, it's a pity that I didn't see the famous evil \*\*\*\*\* being killed with my own eyes."

After listening to the alcoholic confessing what happened in the past, Li Tian suddenly came out of hostility.

"it is good!"

"As long as you admit it."

The drunkard glanced at Li Tian and said, "Even if I admit it, what can I do? You will die today anyway... Even if you know, what can you do for me?"

"Okay, then I will let you see who died today."

A roar suddenly came out from Li Tian's mouth, and then the powerful qi accumulated in his two hands suddenly attacked the alcoholic bravely.

The drunkard saw Li Tian attacking him suddenly, a sneer appeared at the corners of his mouth, both hands suddenly raised back and forth, his left hand blocked, and his right hand broke through to grab.

What Li Tianyi came up with was Rashomon's skill.

This Rashomon nine style kung fu is also very domineering.

But wanting to seriously injure such a master alcoholic is not that simple.

But seeing the alcoholic quickly dodge the attack of Li Tian's Luo Shengmen's tricks, his right hand suddenly grabbed Li Tian's throat in the void, Li Tian cut his hand to block, and at the same time, the chain kick quickly kicked out.

The drunkard's offensive was pushed back.

"Boy, I haven't seen you for a few days, your skill seems to have improved a lot?" The drinker suddenly said in surprise.

Li Tian ignored him.

The drunkard had seen Li Tian before and knew that his kung fu was ordinary, but today he has a weird feeling, because he can feel the energy of Li Tian in front of him from the conscious or unconscious feelings. Extremely, every action, every trick is domineering and powerful.

This will not only make the drunkard slightly surprised.

But after saying that Li Tian didn't pay attention to him, the drunkard's eyes became sharp and vicious, and he suddenly took out his wine gourd and gulped into his mouth a few sips of strong wine.

Drunken punch, drunkard.

This is the most powerful kung fu of a drunkard.

After drinking the strong drink, his people seemed to be drunk, and their footsteps suddenly began to become vain... misty.

Li Tian looked at the drunkard in front of him, knowing that this guy was going to make a real knack and was drunk.

I dare not care about it now.

"Boy, look at it..." Suddenly a word that seemed to be drunk came out of the drunkard's mouth.

Before he could see the movement clearly with his staggered body, both hands had already viciously attacked Li Tian's chest.

Li Tian was shocked and stopped with both hands.

But just as the hand gestured, the drunkard suddenly slanted his left foot and suddenly reached the side of Li Tian's body. His left hand shot like lightning and worked Li Tian's chest.

Li Tian moved quickly to avoid the strange drunken fist attack.

Zuiquan emphasizes meaning but not form. This is the highest will of Zuiquan.

Therefore, if Li Tian wants to defeat this drunken fist, it must be very troublesome to defeat by tricks.

After the drunkard came out with a drunken punch, every move seemed to be unexpected, and the speed of his attack became faster and faster with his movements. Although the person watching him twisted and twisted and seemed unable to stand up, his punch, Or if the power of a palm hits a person, it is definitely not a joke.

Li Tian now dodges again and again, and the drunkard just attacked him with the supreme drunken fist.

For a while, it would make Li Tian more and more embarrassed.

"Boy, I see if you die." The drunkard suddenly let out a cold roar, and attacked Li Tian with both hands from behind.

Li Tian has been forced into the corner at this moment, unable to retreat at all. The brothers next to him saw Li Tian being attacked, and just wanted to come up to help, but saw Li Tian suddenly swish from his right \*\*\*\* and index finger.的指风.

This powerful finger hit the drunkard breaking through the air.

Xuantian \*\*\*\* in the Tianshu Danju.

When the fierce Xuantian \*\*\*\* shot at the alcoholic, the alcoholic was shocked for an instant.

Such a strong fingering, such a powerful internal energy.

Even he didn't dare to be careless, his body turned upside down, avoiding Li Tian's Xuantian fingering, his eyes were full of horror at Li Tian who was looking at him.

Chapter 990: Tragic death of alcoholic

With a bang, but seeing Li Tian's Xuantian finger hit the wall above the corridor, the hard wall was hit by his finger, and a huge hole appeared.

The drunkard who fell on the ground looked at the icy wall that was shot into the hole behind, and slowly turned his extremely ugly face.

At this time, his face was not the arrogant meaning just now, but a shock from the heart.

"Boy, what effort did you use?" The drinker asked with an extremely ugly face.

Li Tian sneered, his murderous aura growing stronger.

"Kungfu that can kill you."

After he said these words coldly, he saw that his \*\*\*\* and index finger were aligned, and the accumulated energy was transmitted from the chest to the arm, and then shot from the arm to his two hands, and then burst out powerful fingers. Jin shot at the alcoholic quickly like a bullet.

Of course the alcoholic didn't dare to take this Xuantian fingering. Just now he saw with his own eyes that even the hard wall was about to be shot through. If the \*\*\*\* force hits the human body, wouldn't he have a broken chest?

So he can only dodge.

But how powerful is Li Tian's Xuantian fingering, and the fast \*\*\*\* made the alcoholic completely unable to avoid it.

I saw a swish, and when a strong wind fingered the drunkard again, the drunkard had just landed on the ground and couldn't avoid it.

Just listen to a crackling sound.

Looking closely, the huge wine gourd in the hands of the alcoholic was actually shot by Li Tian's Xuantian fingering.

The whole wine gourd was completely shattered, and all the spirits there spilled on the ground.

The alcoholic was stunned.

Looking at the broken wine gourd in his hand, his face became horrified but ugly, he wanted to kill...

That was his favorite baby, the most beloved wine gourd, but he was completely ruined by Li Tian using Xuantian fingering. How could he not be angry?

"Boy, I want your life."

A roaring alcoholic attacked Li Tian desperately.

Li Tian pointed out that the wind broke through.

But seeing the drunkard dodging in the volley, he then used his palm to smash another powerful force, and his body attacked Li Tian like a tiger.

But what about Li Tian? He didn't even evade.

He just accumulated the energy of his whole body in his palms.

When the drunkard's body suddenly attacked him, a fiery killing light appeared in his eyes, and even his pupils seemed to burn the whole world at this moment.

There was a boom.

Devil's palm shot, swallowing heaven and earth.

From a distance, I could see the body of the drunkard in the black air flow flying out like a broken kite by Li Tian's clutches.

With a loud thump, the body of the alcoholic fell heavily from the air and hit the cold floor.

The alcoholic was defeated.

The alcoholic was defeated by Li Tian.

Li Tian was filled with darkness, and his eyes were filled with the light of killing.

Where does his people stand like demons.

And the alcoholic? But he couldn't get up anymore, his veins were broken, and Li Tian used the supreme clutch to shake his heart alive.

A mouthful of blood in his mouth spouted out of his mouth, and the body tried hard to stand up, but it seemed so futile...

But when he said that when the alcoholic on this side was beaten like that by Li Tian, the ecstasy who was fighting the ghost servant made his eyes full of shock.

It was hard for him to imagine that Li Tian, who used to be a lowly martial artist, would defeat the alcoholic this time.

The plan that was originally drawn up in his heart has been completely lost this time?

Could it be that they steal rice today and won't lose it?

"Drunkard." Suddenly, the ecstasy yelled in a gloomy rage.

It's a pity that the alcoholic is no longer able to fight anymore, his heart vein has indeed been broken by Li Tian's powerful clutches of palm, and he is lying there with blood full of blood at this moment.

There was a look of despair in his eyes.

"Unexpected...unexpected...My alcoholic was defeated..." He smiled bitterly, and all the scarlet blood flowing from the corners of his mouth flowed to the ground.

What about Li Tian? At this moment, he walked towards the alcoholic in front of him step by step as if killing a god.

He wants to kill him.

Li Tian, like a \*\*\*\*\* of death, was walking towards the alcoholic step by step. The alcoholic didn't feel scared, nor did he feel the grievance of his death... His eyes were filled with speechless despair. Looking up at Li Tian.

"You should pay the debt more than twenty years ago?"

Li Tian said bloodyly.

The drunkard did not speak, and a bitter and hideous smile appeared at the corner of his mouth.

Then Li Tian raised his hand like a \*\*\*\*\* of death, his eyes burning to the extreme.

With a bang, a palm hit the drunkard's heavenly spirit cover.

There was a scream from the drinker's mouth, and then his bloated body fell to the ground, his head touched on the cold slate floor with a crisp sound.

died.

The drunkard was beaten to death by Li Tianhuo.

When the death of the drunkard was shocked by the audience, the Ecstasy who was fighting the ghost servant over there and the other golden hand Bailong were shocked.

The alcoholic actually died?

This is a considerable blow to them.

Now the Ecstasy is doing his best to deal with the ghost servant in front of him.

The ghost servant's phantom body technique, coupled with his sharp tricks, made the ecstasy unable to take care of this.

The golden hand Bailong resisted Baihua Fairy, even more frightened as he fought.

He was not originally Baihua Fairy's opponent. At this moment, coupled with the death of the alcoholic... he was even more scared. Although the tricks were vicious for him, he was already in the end.

Only the indifferent Ouyang Longyan over there was fighting fiercely with Duguxie's evil sword.

Duguxie seemed awkward to act because of the poison on his leg, but the bronze sword in his hand was extremely high.

Facing the soft sword of Ouyang Longyan, it was not inferior at all.

The sword light whizzed and flew like a dragon.

In the sky, only the sword shadows of the two of them can be seen crisscrossing each other, holding each other fast and absolutely.

Suddenly there was a muffled hum.

It turned out that the golden hand Bailong couldn't resist the Baihua Fairy, and was hit on the chest with one move.

Bai Long Deng Deng Deng stepped back several steps, his face turned pale, and he looked at the fairy Baihua in front of him in panic.

"Bailong, I think you will die today!" Fairy Baihua said fiercely.

The golden hand white dragon has nowhere to go.

There is only one way before him, and that is death.

So he can only fight.

Even if he knew that he couldn't match the fairy Baihua in front of him, he would gamble desperately.

The body burst into flames, the golden hand suddenly opened its mechanism, and all the hidden weapons that burst out from the middle of the arm shot towards the fairy Baihua.
