

Chapter 836: Yi Wan

Cheng Yi's expression turned fierce as she said hatefully, "Ha, at that time, I also realized that heaven couldn't stand it anymore and was punishing them. That woman entered the Yin family and quickly became the old madam of the family. Her precious son also became the young master of the Yin family. Fortunately, at the very least, Yin De was blinded and didn't touch Yin Bin's position. Otherwise, that foolish son of mine wouldn't even know how he died."

"The elders of the Yin family have not forgotten where the wealth and status of the Yin family came from and saved my foolish son's life as well. It's a pity that he's not a good person. I won't forgive him for treating a thief as his mother! Moreover, Yi Wan gave birth to his children, but he actually hooked up with Guan Ning even before Yi Wan left!"

Cheng Che was surprised by Cheng Yi's words.

Upon seeing Cheng Che's expression, Jiahui stepped in and asked, "Isn't the Guan family a prestigious family? Didn't they marry their daughter into the Yin family for the sake of business?"

Cheng Yi sneered. She said indignantly, "That's nothing more than the Guan family overinflating their reputation!"

"I personally raised Yi Wan since she was young. Her parents were good friends of mine. After they died in an accident, their daughter became an orphan. She and Yin Bin were childhood sweethearts. Guan Ning was Yi Wan's university classmate. After she got acquainted with Yi Wan, Guan Ning would often visit our house. From her visits, she became familiar with Yin Bin. At that time, I found out that my son was a scumbag like his father. He did not take responsibility at all as women threw themselves at him. When I found out Guan Ning's intention, I expedited Yi Wan and Yin Bin's wedding, hoping to stop Guan Ning's intention."

"Since the Guan family could be considered family friends, I had also acted with consideration. I didn't expect that Guan Ning was not dissuaded at all. Yin Bin cheated on Yi Wan when Yi Wan was pregnant with Yin Jia. Afraid that I would be disappointed in Yin Bin, Yi Wan hid the affair from me!"

Cheng Yi sighed. "That silly child had been living under someone's roof since she was young. Hence, she always considered others and forgot to consider herself. She tolerated it until the time when she became pregnant with you and found out that Yin Bin was actually having an affair with Yi Wan. That was the start of her heartbreak."

"She spoke to Yin Bin privately, but Yin Bin felt that Guan Ning had waited for him for so many years. He was moved that she did not seem to seek fame and fortune. Yi Wan's heart broke completely at that time. When I fell out with Yin De, Yi Wan left the Yin family with me. At that time, how could she survive after I left? She was unable to face Yin Bin and Guan Ning who betrayed her. Her anxiety and heartbreak took a toll on her, causing her to give birth prematurely. She bled too much while giving birth and left the world after she brought her son to the world."

Cheng Yi sighed again. "Cheng Che! Your father is the cause of your mother's death! Her life was truly bitter. She was like an angel forced to come to the secular world to go through tribulations. My heart aches when I think about her. The Yin family had let down too much. Jiahui, Cheng Che resembles his mother greatly. He doesn't resemble anyone from the Yin family, only his mother."

Cheng Che's heart was in turmoil. His mother was someone who did not exist in his memories at all. He only had a photo of a gentle and beautiful young woman who seemed like she could be on the cover of a magazine. She was so beautiful that it was unreal.
