

A PAIR 100

THE STARS ARE ORIGINALLY A PAIR - THE BIG GUY WHO COOKS (LITTLE TITTY DOG?)

An Xingyue feels a little guilty that she fell asleep when we agreed to watch a movie together. >____
<

However, when she asked Big Brother what the movie was about, and then Big Brother didn't answer, An Xingyue felt less guilty because she felt that Big Brother didn't really want to watch the movie, but just wanted to enjoy time with her as a couple.

The two people are half a catty and half a catty.

The first thing you need to do is to get a good idea of what you're looking for.

After all, it's cold outside.

And night Xiu Chen originally thought to have dinner with An Xingyue, regardless of whether he ate outside, or at home to make their own, as long as she is in the can.

As a person with elementary cooking skills, An Xingyue stood silently beside Night Xiu Chen and watched the big man wearing a small apron, a serious in frying vegetables.

An Xingyue looked sideways, smiling at the boy who washed his hands for her in front of her.

An Xingyue knew that with night Xiu Chen's family background, untamed, arrogant to the extreme, he would never have done such a thing before.

If it wasn't for the fact that after we got together, Big Brother would sometimes bring her his own breakfast for her to eat, and even sometimes bring her bento, An Xingyue couldn't believe that Big Brother was a person who could cook.

But seeing him cook with his own eyes was the first time, and An Xingyue thought about it and felt that such monumental moments should be recorded.

Walking to the living room, An Xingyue found her phone, then walked back to the kitchen again, opened the camera, pointed at Big Brother's back, and clicked, Big Brother's virtuous appearance was faithfully recorded.

And night Xiu Chen heard the sound of An Xingyue taking pictures, turned his head to look at An Xingyue, "Baby do you want to take the front face?"

Night Xiu Chen saw An Xingyue hide her phone behind her when she found him looking at her, is this afraid that he will ask her to delete the photo?

An Xingyue was thinking of secretly taking a picture, who knew that the sound was not turned off, and then heard the words of Night Xiu Chen, boyfriend this is not mind her taking a picture of him cooking, and even willing to let her take a front face?!

"Then Ah Chen you take a positive face for me, I will not send it out." An Xingyue hastily nodded and replied, and also assured that he would not send it out, after all, if others knew about it, it would tarnish his image as a big devil-school bully.

"The actual fact is that you can also prove that you are a woman, so that you don't have to be in front of some people who don't have eyes." Night Xiu Chen turned his head, looking at the dishes in his pot, gritted his teeth and said, when it comes to the matter of fame, obviously the two of them are lovers this matter, the whole of the South City First School are spread, but there are always some self-proclaimed extraordinary people all day to An Xingyue confession, but he can not do anything, only a person silently jealous.

But then the big man could not stand it and finally beat up those few people who did more than they should, the people who confessed their love to An Xingyue were gone.

After that, the big brother that has been jealous heart only slowly stop.

And An Xingyue was quite puzzled at that time, after all, the pursuers who had been stalking suddenly disappeared, and she thought those people were holding back some big move, and then Night Xiu Chen took the initiative to say to his girlfriend that he had sought out those people for an in-depth exchange, and then they felt that they had been doing wrong all along, so they stopped pestering married women.

When he said that night Xiu Chen was quite worried about An Xingyue angry, who knew that An Xingyue not only did not get angry, but also rewarded him, at that time night Xiu Chen thought really in the heart of his own girlfriend or he is the most important.

"Then I'd better not send it, otherwise A Chen so virtuous look still do not know how many fan girls to attract? I don't want you to be coveted by others." An Xingyue retorted, and when she said the last sentence again, her voice suddenly became a whisper.

But the kitchen space is so big, not to mention the night Xiu Chen although cooking, but also attention on An Xingyue, so An Xingyue's last sentence even if said in a low voice, the big man still heard.

The last thing you need to do is to get a good idea of what you want to do.

The actual fact is that you will be able to get a lot more than just a few of these.

But if night Xiu Chen heard this sentence will not feel a little bad for her, stole a glance, found that night Xiu Chen is not different, so the boyfriend should not hear.

"Baby you like it, anyway, there are many opportunities in the future." The first thing you need to do is to take a picture of your girlfriend in the kitchen.

The two of them finished their dinner warmly, night Xiu Chen hugged An Xingyue on the sofa to watch TV, the beautiful name of the day to eliminate food.

An Xingyue saw that he had been sitting with his arm around her for half an hour, a little helpless, the big brother's stalking power is really powerful, An Xingyue would like to take her shoulder and shake

him hard and ask him, where is your modesty? Where is your face? Where is the untamedness you started with? Where is your arrogance?

Why are you pestering people like a little puppy?

Hey, big brother your persona is crumbling more and more.

"Ah Chen, I'm going to start the competition tomorrow morning at nine o'clock, there's still half an hour early to arrive at Beida by then, so I have to get up early tomorrow, so I should go back to the hotel." An Xingyue slowly said while poking at Night Xiu Chen's face.

Night Xiu Chen ignored An Xingyue's hand that was messing with his face, his mind was full of how to leave people behind, but after thinking about it he still couldn't find a reason that couldn't be refuted, and he also knew that what An Xingyue said was true, she had to get up early tomorrow, so she also had to rest early tonight.

A little sad ah, people have come home, but did not leave her overnight, but it counts, the future is long, but the race must be in the hotel, but she will remain in Kyoto for a few days after the race ah, so

"That baby you stay in Kyoto after the competition for those days do not stay in the hotel, to stay directly in my house." Night Xiu Chen boldly said his request, and then apprehensively looked at An Xingyue.

An Xingyue was stunned, she didn't expect night Xiu Chen to say this, she thought she was acting very obvious, she had planned to stay at night Xiu Chen's house for a few days in Kyoto after the competition, after all, it's not good to be alone in the hotel then

The day before she came to Kyoto, Ji Yiyang told her that she would not stay in Kyoto after the competition because her parents had suddenly changed their schedule and then the family was going out to play, so An Xingyue had planned to stay with Ye Xiu Chen for the days she played.

"It's okay." An Xingyue nodded, she couldn't let night Xiu Chen see that she had this intention early on, so she hesitated a little before answering.

Hearing An Xingyue's affirmative answer, Night Xiu Chen did not stick to An Xingyue anymore and did not let her go back to the hotel.
