

THE STARS ARE ORIGINALLY A PAIR - MEETING

Because the time of the dinner appointment is six o'clock, and just pack things and what have used a lot of time, so until the two people get things from the hotel to get home has been more than five o'clock.

So two people think about it, think it is better to leave first, because this time is the rush hour, if you do not go out early is estimated to be late, after all, is the traffic jam.

And they are both punctual people, plus this meal is night Xiu Chen about, mainly to his brother to introduce his family cute, and then show off his girlfriend, after all, only he is the one who has a girlfriend.

Zhou Junxing: What about me? You're fucking ignoring me as a person with a prospective girlfriend?

After night Xiu Chen took An Xingyue to his exclusive box in Wang Ting, he saw that Zhou Junxing and Luo Junxian had already arrived.

An Xingyue thought she would see unfamiliar people first, but she didn't expect it to be Zhou Junxing and the two of them, so in that case, she wasn't so nervous because they were familiar people.

When An Xingyue came in, Zhou Junxing was lying half-dead on the table, Night Xiu Chen asked Luo Junxian with his eyes, what was wrong with Zhou Junxing? After all, Zhou Junxing is usually the most active person among them.

"Brother Chen you are full man does not know hungry man hunger, Miss Starry Moon will stay in Kyoto for a few days, you have time to get along, and people's intended fly away today, so brother Chen you have to be considerate of Zhou Gongzi well."

Luo Junxian propped up his chin and said carelessly, since Ji Yiyao got on the plane, Zhou Junxing has been listless, such a quiet Zhou Gongzi made him a little overwhelmed ah.

The company's main business is to provide a wide range of products and services to the market.

When An Xingyue heard Luo Junxian's words, she smiled meaningfully, it seems that the progress is quite big, but thinking about Ji Yiyao, An Xingyue is also a bit unhappy, obviously said to play together in Kyoto, but thinking about Ji Yiyao because of family reasons to leave early, then she forgave her.

And in fact, she is also very envious of being able to go on a trip together as a family, think about it and feel very good.

The company's main business is to provide a wide range of products and services to the market.

An Xingyue was surprised to look at night Xiu Chen, A Chen is very sensitive ah, feel his strength, An Xingyue pursed her lips, then smiled at him, is not a problem, there is no need for him to worry about it.

After all, from what she learned, Achen's family is similar to hers well, and after knowing the reason for the big brother's self-sacrifice, it is even more heartbreaking, but the good thing is, now the night Xiu Chen has learned to let go.

Because they are familiar people, so a few people have a chat, but Zhou Gongzi is still a bit decadent, but after we all open the game together to play, it becomes a spirit.

Zhou Junxing didn't expect that Brother Chen would bring Miss Sister to play the game with them, and didn't the internet say that girls don't like their boyfriends to play games? Why does Miss Starry Moon not only not hate but also play with them?

Seeing An Xingyue and Night Xiu Chen playing games together, Zhou Junxing was thinking if he played games Ji Yiyan would not like it because he felt that not every girl is as amazing as Miss Xingyue.

If An Xingyue knew what Zhou Junxing was thinking, she would have told him that if she only played games occasionally and wasn't the kind that got hooked, then Ji Yiyan didn't care because she herself would occasionally play games to relax and unwind.

Especially when on vacation, Ji Yiyan liked that game after playing it with them, and she would sometimes send her battle results to her, so Zhou Gongzi's worry was unnecessary.

Ye An put his hand on Song Qi's shoulder and came in behind Wen Zijun to see his own brother Chen and his girlfriend sitting together whispering, and then Zhou Junxing and Luo Junxian sitting on the side looking at their phones as if they had no eyes.

If it is not confirmed that Brother Chen was not swapped, people who came in to see this look will probably think it is into the wrong room, after all, the previous night Xiu Chen is how a person they brothers are very clear.

Although Zhou Junxing recently popularized to them a lot of Chen brother in love after the collapse of the persona of things, but listened to more than also did not see with their own eyes to the shock.

When have they ever seen Brother Chen and a girl so close, and also chatting so happy, and the corners of the mouth also obviously with a smile.

When Wen Zijun came in, Luo Junxian and Zhou Junxing had already noticed, but didn't startle the two people who were chatting happily at first, but gave them enough time to observe Night Xiu Chen and An Xingyue.

An Xingyue, who was chatting with Night Xiu Chen, also seemed to notice, then looked at the three people still standing at the door and pushed Night Xiu Chen, obviously needing him.

The three people standing in the doorway glared at him, not coming in by themselves? Really, disturbing him and Yueyang'er.

And the three people who were glared at were a bit overwhelmed, what did they do wrong? Why would Tatsu glare at them? Looked at the time, not late ah.

The three people who were confused walked into the booth silently and then listened to Brother Chen introduce them to the young lady beside him, inexplicably a little excited.

Wen Zijun was surprised to look at An Xingyue, at first he thought he could be liked by someone so cold as Brother Chen must be a very warm person, who knew that when he went to watch the game with Brother Chen today, he found that Brother Chen's girlfriend is also very cold, and now at close range, the young lady is really good-looking.

And stand with Brother Tatsu is a good match.

Compared to the subtle gaze of Wen Zijun, Ye An's gaze is a bit hot, after all, before purposely go to the Zhuri Pavilion blocking people, and then stopped by Zhou Junxing, so have not been able to see the real Ye An has been very curious to be able to eat with Brother Chen girl is actually how, even today to watch the game, Ye An did not see people very clearly, now have the opportunity to take a serious look.

And among the three people Song Qi may have seen people that day in Zhuri Pavilion, also saw the night Xiu Chen's attitude towards An Xingyue, so instead he is the most calm.

An Xingyue was a bit flustered by Ye An's blazing gaze, and then tugged at the corner of Night Xiu Chen's coat.

The first thing you need to do is to get a good idea of what you're looking at, but you can't do anything about it.

And grinned at Ye An and Wen Ziyun when An Xingyue couldn't see, clearly a smile action, but it scared them both alive.

Meow, Brother Chen would only smile at them like this when he wanted to play man singles against them, so what did they do wrong again? Needed to play men's singles on them?

And Luo Junxian, who had insight into everything, laughed silently, hehe, after looking at the young lady for so long, how will Tatsu let you guys go?
