

THE STARS ARE ORIGINALLY A PAIR - DISCUSSING

After the two returned home, night Xiu Chen took out the snacks, and then carried a pile of toiletries into the bathroom. An Xingyue followed behind night Xiu Chen, like a small tail, then watched night Xiu Chen put things one by one.

The first thing you need to do is to get a good idea of what you're looking for. This way we can live together all the time."

"A Chen did not grow up either? And I can't be blamed for the age thing." An Xingyue hung on the body of night Xiu Chen, face buried in his arms, said in a muffled voice.

"Yes, if only I were old enough." This way you can be abducted to get a license.

Don't worry about others snatching you from me, and do everything in name only, now is still too young ah.

The two of them looked at the travel navigation of Kyoto.

The two of them must have a good plan to play with An Xingyue in Kyoto, otherwise An Xingyue will not be happy. He is the one who wants to brush up on his good sense.

The information used to hate the little, night Xiu Chen suddenly felt that he should not go out so little to play, and now also the moon to accompany him to look at the online travel information.

An Xingyue think look around are so few places, she thinks these places will be a lot of people, right, especially now on winter vacation, many people will come to the capital to travel, so that the popular attractions will be a lot of people, the young lady said at all do not want to experience the fun of crowded people.

"Where does Ah Chen usually go to play?" An Xingyue put down her phone and looked at Night Xiu Chen and asked, An Xingyue did not think that the big brother was the kind of person who would go to scenic spots to play.

The night Xiu Chen thought of those places he went, touched the tip of his nose, he seems to be before the summer and winter were directly thrown to the military camp, that is, since this period of time, he and the night family fell out, so did not go.

And in addition to the military camp, he went to the Internet cafe, clubhouse those.

Night Xiu Chen's heart moved, perhaps you can take the moon to the club or club to play, after all, those are conditional to enter, so there are not many people, and he felt that the moon should like it.

"Baby do you want to go horseback riding? Or play shooting those?" Night Xiu Chen pulled An Xingyue from the side into his arms, then asked.

"Does Ah Chen this want to take me horseback riding?" An Xingyue was startled by Night Xiu Chen's action, then slowed down a bit and tilted her head to look at Night Xiu Chen and asked.

"Mm-hmm, do you want to go?" Night Xiu Chen nodded An Xingyue's nose and asked dotingly.

"Yes, but I haven't ridden yet." An Xingyue is a bit excited, but she has not tried it yet, although her family can provide her with such conditions, but in fact An Xingyue is quite timid, it is very difficult for her to learn to ride a horse alone.

"I can teach you, and it's fun to ride a horse, I'll take you there tomorrow, okay? Hmm?" Night Xiu Chen looked at An Xingyue's bright eyes, he knew that her heart was moved.

"Okay, then when the time comes, Ah Chen must accompany me." An Xingyue kissed Night Xiu Chen's face, "Right, then should we bring Duke Zhou and the others with us?"

An Xingyue knew that night Xiu Chen and Zhou Jun Xing, Luo Jun Xian and the others were very close, so would Ah Chen ask those brothers of hers to go play together?

"Why should I bring them along? Isn't it good for just me and you?" When he heard An Xingyue's words, he pinched her face, he just wanted to be with her, why should he bring along a group of light bulbs?

You'll be able to find yourself a problem?
