

THE STARS ARE ORIGINALLY A PAIR - TOGETHER

The splendid fireworks illuminated this side of the world brightly, An Xingyue felt the presence of that person behind her and gently smiled, before coming to South City, she never thought she would watch fireworks with others and would fall in love.

An Xingyue put her hands on the hands of night Xiu Chen placed in front of her and gently patted them, "A Chen did not go home for New Year today, is it really okay?"

Although she knew that the relationship between night Xiu Chen and his family was not good, but she did not expect that even New Year's Eve he was not willing to spend with his family, this looks like how bad their relationship must be ah.

An Xingyue's eyes darkened, before Luo Junxian also talked to her about night Xiu Chen's situation, hoping that she could make the big brother and the family's relationship ease a bit, after all, they are always a family.

But from today's point of view, it seems that it's a bit of a long shot, because night Xiu Chen is not even willing to spend New Year's Eve in Kyoto.

But no matter what, An Xingyue support and respect night Xiu Chen's decision, and this is his family business, although they told her quite a lot of inside information, but she is not the party, can not empathize, so this matter has to be the big brother himself to make a decision.

"It doesn't matter, one less me is not less, one more me is not more, in that case, it doesn't matter if you go back or not." After all, no one cares about him, which is like now, back to the South City, he little cute to accompany him.

I have to say that this is a beautiful misunderstanding, the night family people think that night Xiu Chen is still angry, do not dare to look for him openly; and night Xiu Chen is the thought that in the past, whether he is in or not everyone is mostly focused on night Zihan and others, he is in or not it does not matter, after all, no one will care.

"So is Ah Chen going to be in South City all the time? There are still two weeks left for school to start, during which time A Chen does not intend to return to Kyoto to see?" An Xingyue asked curiously, usually to go to the New Year, A Chen and the night family relationship is not good, but with the Han family relationship is good, then should go to see it.

"In a couple of days will go back to see grandpa, then come back, then the baby should remember to miss me ah." Night Xiu Chen thought for a moment and said, the night family does not return to okay, but the Han family must go back to see, after all, the Han family is very good to him, especially the old man Han.

"Then Ah Chen should also miss me, but this year I should also go to pay my respects." An Xingyue said helplessly, before her parents even New Year's Eve just show their faces, and then leave in a hurry feet, after all, their work time is very uncertain, but this year, I do not know why so free, really stay at home for so long, and they intend to go to pay respect to the New Year, said so many years, the number of times to pay respect to the New Year is not much, so this year there is time to go to see.

An Xingyue has never liked to socialize, but it was hard to escape this New Year's visit.

"This way ah, then I pick the baby you go to pay New Year's visit time back to Kyoto." Night Xiu Chen pondered for a while, then said.

"That's good, hehehe." Originally worried that she went to pay respect to the New Year that he was alone in the South City, how lonely it must be, now she went to pay respect to the New Year he also went back to Kyoto to see, that would be the best.

Two people so hugged watching the fireworks for more than an hour, An Xingyue felt a little tired of standing, and then pulled the night Xiu Chen's sleeve, "A Chen let's go, find a place to eat, OK?"

"Is the baby a little tired of standing, it's only a little after ten o'clock, want to go to the central square over there to see? You can also go over there to eat." Night Xiu Chen didn't want to separate from An Xingyue so soon, so he suggested An Xingyue to go over to the central square to have a look.

"Then let's go over there." An Xingyue could see through Night Xiu Chen's small mind, but she also felt sorry for him, if we separated, he would be home alone, so it was better to get along for a little while longer.

In fact, she didn't plan to go home that soon, although she stayed with her parents for the whole day today, but An Xingyue still couldn't accept them that quickly in her heart, after all, for so long, the rustiness couldn't be removed overnight.

So a comparison, An Xingyue would rather go to the central square with Night Xiu Chen to play and eat together.

In view of the cold weather, plus do not want to waste time, so night Xiu Chen directly called a car to the central square, after getting into the car, night Xiu Chen directly embraced An Xingyue, afraid that others do not know that the girl in his arms is his baby.

After arriving at the central square, because it is not yet late at night, so there are still many people, and more than the fireworks side of the lively, perhaps also because this is the commercial center, even if there is no activity is very lively, not to mention that today is New Year's Eve and there are activities.

After getting off the bus, An Xingyue pulled night Xiu Chen towards a net red milk tea store, because it is New Year's Eve, so the entrance of the milk tea store is also decorated red, An Xingyue so not only in line with the holiday and also quite good-looking.

After entering the milk tea store, An Xingyue ordered two cups of milk tea, and then ordered a piece of cupcake, because night Xiu Chen does not like to eat dessert, so An Xingyue did not order him a cake.

Holding the hot milk tea, An Xingyue took a small sip and smiled contentedly.

Night Xiu Chen used to not touch the milk tea, but since he fell in love with An Xingyue, he slowly began to like these, so see An Xingyue drink so happy, he also took a sip, well, better than expected, a little sweet but not so sweet as to be very greasy.

The milk tea ordered by your own girlfriend is good to drink.

The first thing you need to do is to take a look at the cake and see how happy she is.

"Baby want to share a small bite to me?" The first thing you can do is to take a look at the cake and see what kind of taste it has that makes her so satisfied.

An Xingyue raised her head in surprise and cocked her head to survey Night Xiu Chen, "Ah Chen wants to eat?"

Seeing his expression, An Xingyue didn't wait for him to answer again, she dug a small piece of cake with a spoon, then passed the spoon to Night Xiu Chen's mouth.

Night Xiu Chen looked at An Xingyue meaningfully, then stared at the cupcake delivered to him, opened his mouth, directly took the spoon into his mouth, then ate the cake clean and put the spoon out.

The original normal steps, made by the night Xiu Chen in An Xingyue's view but a few more seductive and suggestive, caught off guard was teased, An Xingyue afraid that the night Xiu Chen see her strange, immediately put the spoon back, and then lowered his head.

The company's main goal is to provide a good solution to the problem.

Seeing that her exposed ears were red, Night Xiu Chen was a bit amused that this was covering his ears, but he was also a bit uncomfortable and touched his own ears and found that they were also a bit hot.
