

### THE STARS ARE ORIGINALLY A PAIR - GET ALONG

An Xingyue and night Xiu Chen heard the opening exam and did not feel anything, not worried at all, okay? It's not like they haven't taken the test, but the scholarship can be there, although they are not short of money, but not too much money.

And others are rushing to can not hand in winter vacation homework to go, after all, really did the homework is not much, and Lao Wang this subject to more than seventy points to be able to, it is estimated that two-thirds of the class can not do, so we do not put hope in this subject, but look forward to other subjects.

After all, winter vacation homework is not done is to make up, anyway, the teachers said we are not in a hurry, you take your time, a long time, not done it does not matter I gave you to remember those not done, and then slowly to me to make up back on it.

But these practices in the previous seven classes have never been taken seriously, but since the decision to change, then at least to respect the rules, so winter break homework can be reduced, after all, the six subjects, a lot of ah.

The first thing you need to do is to get a good idea of what you want to do.

The small calculations played a tinkling sound.

The first thing you need to do is to get a good job on your winter vacation homework. This is so great? The company's main business is to provide a wide range of products and services to the public.

But Ji Yiyuan is also did not care about winter break homework, after all, she has done, so she is also rushing to the scholarship, to know that although it is only the opening exam, but the first middle school wealthy, scholarship is very substantial, so cheer cheer cheer and then cheer.

When school is over, the big man pulled An Xingyue slowly walking in front, and then Zhou Junxing slimily followed Ji Yiyuan, afraid that others do not know that the two of them are together.

Because today is just the beginning of the school year, so it is not yet mandatory that residential students must stay at school tonight, giving three days for them to pack their things will school, three days later, residential students must only stay.

Therefore, when school ends today, Ji Yiyuan is walking with a large group, Zhou Junxing saw Chen and Miss in front of them holding hands, so he also wanted to hold Ji Yiyuan's hand, but was dodged, Ji Yiyuan does not want to just determine the relationship today, tomorrow into the political education department, after all, just the beginning of the school ah.

But although Miss Yiyuan did not let Zhou Junxing hold hands, but then the two of them were acting alone, in order to make up for the fact that Zhou Gongzi did not complete this wish to hold hands

Night Xiu Chen and according to the star moon did not leave school so quickly, two people are at home by themselves, even if they go home is also against the four walls, plus tonight also do not have to study at night, so the two people decided to now school sneak around.

The two of them are the same as the other two.

But it is also, has been made known to the world what to fear, after all, are famous and have a share.

It is the end of February, the air is still a little chilly, but it is much better than before.

The two of them were sitting quietly by the lake, occasionally blowing a few wisps of cold wind, An Xingyue ruffled the wind-blown hair, then wrapped his arm around the waist of night Xiu Chen, saw him take out his cell phone to play, a little curious to come over.

"Baby want to play? I taught you to play that matchmaking game before." Night Xiu Chen whispered to, he also do not know what two people sitting by the lake to do, after all, chatting words, at any time, so he can only take out his phone to open the game, about his girlfriend to play the game together.

"Ah, but I still can't play ah, will it drag down my teammates? What if I get reported?" An Xingyue didn't expect the big man to ask her if she played the game, it's still a bit uncomfortable, but she likes it.

"No, it doesn't matter if you get reported, and girlfriend you have to believe in your boyfriend's strength ah, you take the game, I'm watching from the side, then teach you how to play, you choose your favorite hero on it." Night Xiu Chen stuffed the phone into An Xingyue's hand, then helped her tap on the actual battle, er then let her choose her own hero.

You ask why the big brother did not play ranking, of course, because the segment is too high, afraid that the young lady does not adapt, so forget it.

When choosing a hero, An Xingyue chose a Baili Shouyao, why choose him? One because it looks good, but because it is a long-range attack, the young lady feels more secure.

The second skill requires aiming and pre-judgment, otherwise, it is easy to empty the skill, but then thought, anyway, it is a real battle, and there is still him, she likes to play what she likes to play, she is happy.

After going in, An Xingyue cautiously cleared a wave of soldiers, because she added the second skill first, so clearing the soldiers is still relatively fast, and the second skill is also placed accurately.

But the second skill she threw to hit people didn't seem to be that accurate, and then after the opposite side probably guessed that she couldn't play, they pressed her tower a little wildly, and because her support wasn't around, An Xingyue didn't beat the opposite side.

After Baili Guoyo contributed a few heads, her teammates started to whine, An Xingyue got a little upset, especially since the opposite assassin kept catching her, then after another death, An Xingyue gave her phone to Night Xiu Chen, "Ah Chen you come play, abuse the opposite assassin, let him keep killing me."

An Xingyue huffed and puffed, bullying her not to play, then she let those who can play play, hum.

The first thing you need to do is to get a good idea of what you're doing.

An Xingyue came up to see, and then looked at covered up the face, there is a contrast to hurt, she has been feeling good about herself, and then see night Xiu Chen play, only to find that the correct way to play should be this, if not in the same game, An Xingyue are going to suspect that the big man changed another hero to play.

An Xingyue looked at his second skill to hit people every time, a little surprised, such a prediction ability really thief powerful, the original negative record to the night Xiu Chen hands directly back to positive, and then when the opposite assassin died again in the hands of the Baili Guoyo, the opposite assassin directly in the channel to ask if it is a change.

Yeah, it's a switch, what can you do?

"Ah Chen how are you so good, it's really super great." An Xingyue looked at the victory on the screen, hugged Night Xiu Chen and then looked at him with a smile.

Night Xiu Chen stroked An Xingyue's head, "As Yueyue's boyfriend you have to be awesome."

Then after looking at the time, the two decided to go, after all, they had to eat.
