

### THE STARS ARE ORIGINALLY A PAIR - TITILLATION

"Everyone knows that we are going to have a touchdown exam tomorrow, this touchdown exam is conducted by several schools in our southern city together, and then what, there will be an overall ranking in the city, this time the paper is made by the city education bureau, which has a certain reference value, but there is no need to be too nervous, after all, there is more than just this one exam."

Wang Ya saw the seven class rabbits because of his words and feel nervous, unkindly smiled, and then with a smile to reassure, "know that our senior can be more than this test, there will be weekly tests, small monthly exams, monthly exams, but the midterm exams are canceled, but in the next semester is a variety of mock exams, and then the last test is your entrance exam. "

"So you don't have to worry, even if this mock exam fails, it doesn't matter, after all, there are many more exams later, but the teacher still hopes you can give your best and do your best."

Wang Ya clenched his fist and said cheerfully, as a class teacher nothing more, chicken soup most, and Wang Ya really afraid of senior first exam some students poorly, and then stumble, or add a lot of unnecessary pressure to their own later review.

So it is still very necessary to take precautions before the exam and do heart guidance after the exam.

Everyone is listening carefully to the old class said tomorrow's notes, while night Xiu Chen and An Xingyue are each holding a new book borrowed from the library to read with great interest, every time before the exam old Wang said something is similar, they can memorize it, and the most important thing at this time is the mind to be loose, tense too much, it is easy to break.

And Zhou Junxing is also eager to try at this time, to know that he did not waste this month's summer vacation, although Yan Yan sometimes can not help him tutor, but he also hired another tutor, so Zhou Junxing now think through this examination so Ji Yi Yan also see his progress.

And Su Zhiqing already plans to read acting, from the last semester there are teachers to teach, so she just need to pass the art exam, and then the cultural subject scores are also up to standard can be, and art exams these on the cultural subject scores are not so high requirements.

The company's main goal is to provide the best possible service to its customers.

After dinner, An Xingyue dragged Night Xiu Chen for a stroll around the lake, where the two occasionally touched heads, made small gestures, and then talked in whispers.

The reason is that it's been a long time since I've played, so it's time to revisit it, and I'm a little nervous about the exam tomorrow, so I want to relax with a basketball game.

The night Xiu Chen looked at An Xingyue, waiting for her to speak, because at the beginning it was agreed to walk around the lake, then we all go to the library to study together, and then go to eat a snack, because tonight there is no arrangement for evening study, students can choose to return to the classroom, or go to the library can also find their own random place to stay, but just can not leave the school.

"Go ahead, I'll go too, and then cheer you on A Chen, I haven't seen A Chen play for a long time either." An Xingyue hooked up the corners of her mouth and said, anyway, there is still a long time, you can play ball and then go to the library, or just go to the milk tea store squat.

Night Xiu Chen rubbed An Xingyue's little head, then looked at his clothes, "I still have to go back to my dorm room first to get my gym clothes and wrist, so you go to the basketball court first and sit and wait for me."

"No, I'll go over to the dormitory side with you and then I'll just wait for you downstairs." An Xingyue grabbed Night Xiu Chen's arm, shook it and said.

"That's fine, I'm just taking the clothes those anyway, it's quick." Night Xiu Chen directly led An Xingyue, said while walking, now it was already dusk, the evening sun filled the sky, and it was not so hot anymore.

When night Xiu Chen and An Xingyue arrived at the basketball court, found that people are almost here, most of them know each other, and most of them are from the seventh class, now they are all accommodation, there is nothing fun, so it is still good for everyone to play basketball together.

An Xingyue, Ji Yiyang, and Su Zhiqing sat in the first row of the audience, watching their game from a close distance, An Xingyue also took the bag that had just been filled with sportswear by Night Xiu Chen and the casual clothes that she had just changed out of.

It is said that the boys who play basketball are the most handsome, An Xingyue felt no problem, she was going to be her table handsome deer bump, ah ah ah, Chen brother handsome.

Every time she looks at night Xiu Chen playing basketball she feels he is so powerful, completely will not be suppressed, the whole basketball court is his, as long as he is on the field, then the most handsome pup in the field is definitely him.

The first thing you need to do is to get a good idea of what you're looking for.

The night Xiu Chen looked at An Xingyue gradually become ears, slowly climbing pink haze cheeks, lightly smiled, perhaps just after exercise, the breath is still a little unsteady, and then just so smile, simply to die.

An Xingyue felt that her little brother was teasing her.

The actual fact is that you can find a lot of people who are not able to get a good deal on a lot of things. Tell me if you want to, I'll give you a touch, it's not like you haven't touched it before anyway."

An Xingyue glared at night Xiu Chen in annoyance, what do you mean it's not like you haven't touched it before? It is clear that he forced her to touch it, saying something to prove that he is not an embroidered pillow, but she did not want to touch it at all!

Night Xiu Chen was glared at and did not take it seriously, his girlfriend just glared at that glance is not at all lethal but makes him itch to kiss.

But now there are too many people, if he dares to kiss, it is estimated that she will dare to ignore him for a month, night Xiu Chen eyes darkened, his girlfriend does not know how much influence he has on him.

Zhou Junxing although not as bold as night Xiu Chen, but also came up to Ji Yiyao to ask for water, simply shameless, really is a brother?

But Eddie Chen and Luo Junxian from sophomore year to now are still no girlfriend ah, especially Luo Junxian, the former school bully is not close to the representative of women, now to become Luo Junxian.

Sometimes Hou An Xingyue is curious about how a girl will be able to make Luo Junxian break that unchanging smile face, it is too much of an eyesore.

And Eddie Chen also had a girlfriend, but soon divided, saying what personality does not fit, are excuses.

After the halftime break, everyone went back to the court, An Xingyue originally wanted to watch the game seriously, but just after the night Xiu Chen so teased, now she is full of school bully's abs and just the breath.
