

THE STARS ARE ORIGINALLY A PAIR - IGNORANCE

Ji Yiyao watched Zhou Junxing play ball for a while, and then looked around at the two little fan girls with cameras and cell phones who had been taking pictures, a little want to laugh, Zhiqing even if, why Yue Yue also like this?

Looking around, Ji Yiyao wanted to take Yue Yue and Zhi Qing to another place to take pictures, just the three of them, not those boys, let them play ball here by themselves.

After talking to the two of them, Su Zhiqing agreed, and An Xingyue was also a little impressed, then beckoned to Night Xiu Chen, signaling him to come over.

Night Xiu Chen walked up to An Xingyue, bent down and looked into An Xingyue's eyes, "Baby, what's wrong?"

"I want to go take pictures with Meow Meow and Zhi Qing, so I won't be here to watch you play basketball." An Xingyue said sheepishly, after all, she promised to watch him play and take pictures of him at the beginning.

"Go ahead, be careful when taking pictures, and call me if anything happens know?" Night Xiu Chen carefully admonished, originally wanted to touch her head, but thought he was playing ball, hands dirty, which gave up.

"Obey, hehehe, then I'm leaving, A Chen go play ball." An Xingyue pushed Night Xiu Chen back, then waved her hand, and left after Ji Yiyao and Su Zhiqing.

"Where are we going to take pictures?" An Xingyue saw a lot of people taking pictures and asked to, have to find a place with less people, otherwise there are a lot of people, when the background is full of people.

"Look around, but the lover's lake side will not go over first, I heard that quite a few couples are shooting there, let's go to the small garden side first?" Su Zhiqing suggested.

"Then go to the small garden, anyway, there is still time, we can slowly walk, and also take some scenic photos, the environment of a middle school so good." Ji Yiyao echoed.

The three of them set off towards the small garden, and on the way, An Xingyue took a lot of road photos, sometimes purposely walking behind and taking the backs of the two of them, and some of them with a smile back.

All in all, the three of them strolled around the school and then took many pictures, and later it was Night Xiu Chen who called An Xingyue, and then everyone realized that it was already noon.

And night Xiu Chen saw his girlfriend still not looking for him, a little helpless, this is a photo shoot forget the time? Zhou Junxing and Mo Zhicheng two people watched night Xiu Chen call, and then after hearing the third floor of the canteen see, several people immediately ran to the canteen.

"Baby do not need me to go to you?" Seeing several people who ran only the back, night Xiu Chen asked to An Xingyue on the other end of the phone.

"No no, this is in school, not outside, Ah Chen just wait for me on the third floor, I'm going over with Zhi Qing, Meow Meow and the others." An Xingyue hooked up the corner of her mouth and said with a smile.

"Okay, then I'll wait for you on the third floor, you guys come over."

The morning's photo session went by, and their group photos were said to be ready to be sent to everyone when they were developed by the photo studio.

Before the photos arrived, everyone was assuming that if the photos were too ugly, could they be taken again?

Then after the photos arrived, all kinds of rainbow farts blew up, simply shameless.

Seriously there are teachers of the group photo we look at a good, and then there is no teacher of a few group photo, simply take out to a variety of show off, really shot too good-looking, the cover photo of the idol drama, the face value of what is great.

Although these few group photos without the teacher in, but everyone gave a copy to the teachers, really too good-looking, good things to enjoy together.

The night Xiu Chen held these group photos in his hand, the corners of his mouth with a smile, no matter how you look at it, he and his little tablemate match a face.

Because someone put the group photo of class 7 on the campus posting, so everyone is spitting, really no slut, only more slut.

The same class saw the big man smiling so happily when taking pictures, are a bit unbelievable, although it is already used to see, but so unreal ah, before untamed, high cold and clear noble school bully in love actually became so gentle, the power of love is really very magical.

Compared to the calmness of people in the same class, the senior's concern is the face of the big man, especially a girl pretentious, directly ignore the girl next to the big man, and then find the senior class seven, directly to the night Xiu Chen confession, and also with a superior tone of voice.

The whole process was witnessed by onlookers a little confused, this year's elementary school girl did not do enough work to prepare ah, almost a year, still do not know what senior class seven is, and South City, who does not know that the school bully and the school god father is a pair of, this is to pry the corner?

Night Xiu Chen heard her confession heart no ripples, ready to leave, and then was stopped by her, night Xiu Chen just ready to do, then saw the appearance of An Xingyue, and then the surface does not move, the heart panic a group.

An Xingyue looked at the girl who came to confess with a critical eye, tsk, this situation is still the first time, even before those girls did not dare to be so blatant, this girl has a lot of guts, and

An Xingyue looked at the physical contact of the two people, eyes a cold, "A Chen this is what happened, still do not let go of other girls?"

Crap, "Baby, listen to my explanation, just I was ready to leave, and then she stopped me, she was the one who touched the porcelain, so I just accidentally touched her."

Night Xiu Chen behind a cold, immediately get people away, walked to An Xingyue, took her hand, said aggrieved, he really aggrieved, before those girls which have so bold to stop him, he did not react for a moment to be touched, he still feel dirty.

"This elementary school girl, don't you know that this senior is the owner? Who gave you the courage to pry the corner? Tch, I haven't seen someone who would be so shameless." An Xingyue slapped Night Xiu Chen's hand and glared at him, she would settle the score with him later.

Blue Butterfly's whole face was red, being angry as well as unwilling, from the time she entered the school, she was being held up, and then she felt that it was his honor for her to look at Night Xiu Chen, how could he reject her?

And then there is this woman who has the right to say so?

But she can not refute, so then, blue butterfly began to play pity, shedding tears, this trick she has always used a hundred times.

"The first thing you need to do is to get a good idea of what you're doing. Look, this want to shed tears when you shed tears, this is how skilled ah?" Su Zhiqing said sarcastically, now the elementary school girls are so bullish? Come to be a mistress and still pretend to be pitiful.

"Don't know." The night Xiu Chen coldly said, who knows where this woman came from, still do not roll, damn, later he still do not know how to coax his aunt.

Su Zhiqing's words made the surrounding people laugh, the people of Class 7 are not good people, although the woman is quite good-looking, but at the beginning of the tone of condescension they did not forget.

So everyone started whispering and chattering, and then there were people who directly asked the teacher to come over.

The teacher directly and the girl affected his relationship with An Xingyue, resulting in his mood extremely bad, so not much mood to study.

Wang Ya heard this, the school is still waiting for them to get the award, and they teachers know that night Xiu Chen and An Xingyue's feelings are very good, but someone to destroy, how is this possible?

So in the end blue butterfly directly back a disciplinary action, because the teaching department side directly said blue butterfly's character is not good, and then not knock knock knock, she probably will not realize that she was wrong.
