

### THE STARS ARE ORIGINALLY A PAIR - HIGH SCHOOL ENTRANCE EXAM

The girl's downfall gave a warning to the girls of the first middle school: don't presume to get your hands on the school bully, or else you will suffer the consequences. o(∩∩)O

Later how night Xiu Chen coaxed An Xingyue, we do not know, but the next day the big guy's mouth broke the skin, so the curious Su Zhiqing pestered An Xingyue to ask, but An Xingyue only gave is Su Zhiqing a bewildered smile.

Because the college entrance examination happens to be on Monday Tuesday, so the school directly let everyone Saturday day two days to do the final adjustment, put the mind flat, anyway, no matter what have come to this time, are going on, do not hold the Buddha's feet again, because you can not hold much.

So these two days An Xingyue and night Xiu Chen two at home to eat, eat, play, and Sunday day these two did not touch the book, Guan Yaxin see them this way, the heart felt helpless, how two people are a virtue, really deserve to be a couple?

"Yueyue, Xiu Chen you two have everything with you? The two of you have all the things you need to get the exam card, ID card, signature pen, pencil, ruler?" Guan Yaxin looked at the two children who were eating breakfast and asked nervously.

"Ya Xin, don't be nervous, the two of them have taken a lot of exams, you are more nervous than them." An Guo Ting looked at Guan Yaxin who was busy and said jokingly.

"It's different, this is a college entrance exam, what if they forgot to bring something? No, I have to take another look." Saying that, Guan Yaxin opened their pen bags and looked at them, making sure again and again that they really had everything with them before stopping.

An Xingyue and Night Xiu Chen looked at each other, really mom/aunt was more nervous than them, is that why?

An Guo Ting and Guan Ya Xin took two days off to accompany the exam, so An Guo Ting and Guan Ya Xin watched the two of them enter the exam room and waited outside like other parents.

It is also fortunate that the two are in the same exam room and also in the first middle school, so it can be said to be the main battle, so An Guo Ting and Guan Ya Xin do not need to separate to send them.

At the splitting point, An Xingyue gave a hug to Night Xiu Chen, "Ah Chen, cheer up."

"Mmmmmm, baby go for it too." Night Xiu Chen kissed An Xingyue's forehead and returned the hug, then the two separated, turned around, and left.

At this moment they were like warriors who were each going to the battlefield, fighting for honor.

An Xingyue sat in the examination room, seriously looking at the examination code copied on the blackboard, a little dazed, really to the college entrance examination ah, time passes really fast.

The bell rang, the invigilator began to issue the answer card, fill in the answer card and then five minutes before the start of the examination, issue the test paper, the bell rang again, the answer begins.

The first language for An Xingyue, can be a piece of cake, after browsing through the test paper, but also full of confidence, An Xingyue in the heart of the language is estimated to get a score of about one hundred and four, A Chen is also probably this way, after all, the senior year of special training is not just talk.

The first thing you need to do is to get a good idea of what you are getting into.

The company's main business is to provide a wide range of products and services to its customers.

The same exam room people looked surprised, and then buried their heads again to do the problem, you say the usual exams early turn in the paper even if it is, actually even the college entrance examination are early turn in the paper, this is done or will not do it?

An Xingyue left the examination room range, waiting for night Xiu Chen outside, An Xingyue think night Xiu Chen will also turn in early, but now A Chen has not come out, so this paper A Chen or do a little slow?

An Xingyue sat under the tree for ten minutes, then saw night Xiu Chen slowly coming towards her, stood up, An Xingyue greeted, night Xiu Chen directly pulled An Xingyue, said heartily: "Baby why not go to uncle and aunt first, how hot it is to sit here."

"I'm waiting here for you, Ah Chen, let's go out together to find my parents, then we can go to dinner, hehehe." An Xingyue originally wanted to ask how Ah Chen felt about the language paper this time, but felt that night Xiu Chen's mood was okay, indicating that there was nothing wrong with that exam just now, so An Xingyue didn't ask.

"Let's go, aunts and uncles have been waiting outside all morning, I guess they're all bored waiting."

The parents waiting outside saw two students coming out and were confused, isn't this the exam not finished yet? Why did someone come out?

Guan Yaxin sharp-eyed to see their two children walking out side by side, immediately welcomed up, hugged the two, An Guo Ting carefully observed the two children's facial expressions, "it seems that the first subject two people are good test, in that case, we go to eat, casually let you two rest, there is still math in the afternoon, noon has to rest more."

"Let's go, let's go, back to the car, dad go drive quickly." Guan Yaxin wrapped her arm around An Xingyue, pulled the wrist of Night Xiu Chen, and took the two children directly to the car.

An Guo Ting directly booked a nearby hotel, after eating the two children can go up to bed, he and mom can show them the time.

"Mom you and dad just wait for us at the hotel in the afternoon, the weather is estimated to be even hotter in the afternoon, and the afternoon math test me and A Chen will not turn in early, so dad you can pick us up again at about the same time." An Xingyue said seriously.

"Yes, uncle and aunt you can wait at the hotel until about the same time and then go to pick us up." Night Xiu Chen echoed.

"Okay, okay, okay, you two say what you want, I'll discuss with dad at the hotel about what dishes to cook for you guys to eat tonight, and then see about making a soup." Guan Yaxin said with a smile.

After the lunch break, An Guoting and Guan Yaxin sent the two children back to the examination room, after watching them go in, the two people went straight back to the hotel for a nap, then woke up and went to the supermarket together to buy the ingredients for tonight and the ingredients for the soup, Guan Yaxin also picked a lot of snacks that An Xingyue and Night Xiu Chen liked, and then bought fruit.

"Ya Xin let's go home and finish the soup first, then we'll pick up Yue Yue and Xiu Chen when it's almost time, okay?" An Guo Ting inquired to.

"Yes, let's go home and make the soup first, there's nothing to do in the hotel anyway, go home and make the soup, then the two kids will have soup when they come back."

When An Xingyue did the math paper, she didn't dare to be careless at all, afraid that she might accidentally miss something and then cause the answer to be wrong.

After the math test, An Xingyue felt her whole body was exhausted, the amount of calculations was really big, exhausted her, ooh, ooh, why would A Chen think it was okay?

After returning home, An Xingyue directly spread out on the sofa, "What's wrong with Yueyue baby?" Guan Yaxin asked heartily, could it be that Yue Yue had failed her math test?

"Mom I'm fine just doing math do I'm a little tired, hehehe."

"It's okay then and Xiu Chen to drink soup, tonic, then later you can eat, Daddy is now cooking." Guan Yaxin served soup on the dining table and greeted them to come over for soup.
