

THE STARS ARE ORIGINALLY A PAIR - ON TV

Just as they were chatting, after the exam this afternoon, the image of the two of them hugging was on TV, because the two people's faces were too high, so this small segment did not get cut off.

An Xingyue also found out about it because her phone kept vibrating and then saw everyone in the class group brushing the screen, and Guan Yaxin came over just in time to see the image of night Xiu Chen lifting her up.

"Mommy I don't know why I was photographed? (͡ _ ͡) "An Xingyue said embarrassed, this kind of picture why to be on TV? Shouldn't it be cut out?

An Xingyue also saw Su Zhiqing let her go to Weibo to see, after all, the two people's face is too high, attracting a wave of face powder, and also because it is after the college entrance examination so there is also a lot of heat in.

The first thing you need to do is to get a good idea of what you're looking for.

The good-looking ones are in love with the high value ones?

The moment the little brother lifted the person up was really boyfriend power!

What school is this from? The school uniform also looks good?

I know I know this is the school uniform of South City High School, and both of them are academics.

Is this early love?

The first time I saw this, I was in the middle of a conversation.

.

Given that Night Xiu Chen and An Xingyue are really famous in the first middle school, plus the ability of netizens is very good, the photos of the two of them in school were also posted, which is simply great.

An Xingyue saw a lot of comments are good, it is a part of the barbarians there to make the bar, tsk, all blame A Chen hug what hug, look now are on TV.

Guan Yaxin looked at the comments, then looked at her good daughter sitting next to her, smiled, and then patted her head, "Do you want to go talk to Xiu Chen? He should be in his room right now, Daddy has already talked to him."

An Xingyue nodded, although Zhou Junxing and the others might tell Chen, but An Xingyue still wanted to go and talk to Night Xiu Chen, and without looking, she realized that she and Night Xiu Chen had been photographed so many times at school.

So she wanted to enjoy a photo of the two of them together with Night Xiu Chen.

After knocking lightly on Night Xiu Chen's room door a few times, the door was opened and An Xingyue looked at him, pushed his chest a little and then entered his territory.

"Did Ah Chen see those messages? What do you think about this?"

Night Xiu Chen rubbed her head, "I just saw it and thought of going to you, but I didn't expect you to come to me first." Night Xiu Chen helplessly smiled, he and An Xingyue, also did not expect those people would actually put out such clips, and thought it was all interviews those.

"It's not a big deal, anyway, it's all done with the college entrance exams, and the news turnover is so fast, soon we these will fade away, so baby you don't have to worry too much, and we're going out in a few days, now all Yue Yue has to think about is what to bring and what places to definitely go."

An Xingyue sat on night Xiu Chen's bed, she felt that he made a lot of sense, but seeing everyone's snickering in the phone, An Xingyue was still a little embarrassed, although everyone knew about the relationship between the two of them, but in the past they didn't dare to snicker at her so blatantly ah.

The two of them read the news in the class group and the comments of the netizens together, anyway, there is nothing to do for the time being.

And night Xiu Chen also by the Kyoto pals suspect that the person in the TV is not really him?

After all, it's not like he can do such things as kissing and hugging girls and raising them high.
