

THE STARS ARE ORIGINALLY A PAIR - IN THE WAY

Two days of monthly exams have passed, for students with good grades, the next two days of vacation is used to read books, review, after all, through a test, you can know that their knowledge is not enough, and then re-study; and for students with bad grades, is finally survived the monthly exams, two days of vacation can be used to wave.

And An Xingyue, who does not need to check and fill in the gaps, also does not like to go to the wave too much, plans to go to the city library on Saturday.

She just finished her exam and was stopped by someone she didn't know when she walked out of the exam room.

"Are you An Xingyue? Brother Xiu Chen's tablemate?" Shang Qing took a leave of absence before school started for some reason and didn't return to school until today, who knew that as soon as she came back, she heard that night Xiu Chen, whom she had always liked, had a tablemate, and according to people in the know, night Xiu Chen was still pursuing her.

She has always liked night Xiu Chen from the first year of high school ah, even if he does not like her, but all along the great devil has not expressed interest in any girl, plus she has always warned those who adore him, so in addition to her and that Su Zhiqing, no other girl can get close to him at all, so she always thought she was different.

But after returning to school, knowing that he actually had a female tablemate and was in love with it, how could that be? She has been guarding him because she believes that one day he will see her, but how can someone just let him fall in love so easily, so when she found out that An Xingyue was taking exams in this classroom, she brought someone to block her, she wanted to see how this vixen who seduced Brother Xiu Chen looked like.

An Xingyue looked at this dyed hair, dressed quite mature and arrogant and domineering girl in front of her, heart very disgusted.

The company's main business is to provide a wide range of products and services to its customers.

And just what she said, Xiu Chen brother? It is estimated that another person who likes night Xiu Chen, An Xingyue can not help but be a little annoyed, like him to go to him ah, to find her what? She looks more bullying?

"Well, if the brother Xiu Chen you are talking about is Night Xiu Chen, then I am his tablemate, An Xingyue. What do you want? It's okay to get out of the way, good dogs don't get in the way."

The girl standing at the door of the classroom, wearing a light blue dress, wearing a thin long jacket, holding the exam supplies in a bag, just standing, temperament like a lotus, elegant and bland.

But the slightly knitted brow, increasingly cold attitude, all of them are illustrating her impatience.

The two of them confronted each other, and the number of onlookers slowly increased.

The first middle school people know that Shang Qing from the first year of high school like the big devil, and the big devil like the new transfer student, and also give her to buy milk tea, send breakfast, now the two girls met, everyone is looking forward to the subsequent development.

And in the next exam room just woke up from a nap, Daimao out of the classroom will see a group of people staying in the vicinity, so not close to pay attention to what is happening in the next door. The first thing you need to do is to take a look at the person who is surrounded by people and see that it is his little table, the whole face of night Xiu Chen instantly gloomy down, push away a few people who are in the way, walk to An Xingyue side, only to see that it is a female with people around his little cute, look at it, do not know.

Shang Qing saw night Xiu Chen so naturally walk to An Xingyue, but also in a protective posture standing next to her, just now still arrogant mouth immediately replaced with aggression and a little embarrassment.

"Brother Xiu Chen, why do you have to protect her? She doesn't really like you, she just looks at your money and seduces you on purpose."

Great, classmate, you know if I really like him or not? The baby still needs to think about his money, the baby is not poor at all. An Xingyue rolled her eyes indecently.

"I don't have a sister, don't shout, I don't know you." Night Xiu Chen heard Shang Qing shout him so, the whole person goosebumps, disgusting.

"As for whether she likes me or not, it's none of your business, and if she's willing to seduce me, then I'm happy to do so." If the little table really seduced him and looked at his money, then he wouldn't have gone to all the trouble to please her like he is now, hoping she would look at him more.

A few words down, Shang Qing is simply groundless, she always thought she was special, who knows night Xiu Chen does not even know who she is, it is really ridiculous.

Now without looking at the eyes of those people, she knew that they must all be ridiculing and teasing her. After another look at the two people who looked very well matched, Shang Qing covered her face and ran away. The people she brought saw her leave and looked at each other and also left.
