

### THE STARS ARE ORIGINALLY A PAIR - ARGUMENT

And after An Xingyue and her parents came home from dinner, An Guo Ting was sitting squarely in the living room with a torn look all over his face. Then he indicated Guan Xinya with his eyes, hoping that she would ask An Xingyue about the matter of falling in love.

Seeing An's father behaving so abjectly, An's mother laughed unkindly and said in a low voice: "If you want to know yourself, go ask your daughter, don't think of lending me a bridge." Guan Xinya thought, "I've been the bad guy, you've taken the benefits, how is that possible?"

You don't want to make your daughter angry, I don't want to either.

I'll see who can't resist first, she's not in a hurry anyway. (¯ 3 ¯)~

An Guo Ting heard his wife's words, glanced at his daughter who was getting something, coughed twice, cleared his throat and said, "Yue Yue, come here for a moment, let's talk about what happened today, can we?"

An Xingyue looked at her parents sitting on the sofa and glanced at An's father who was speaking, "There's nothing to talk about, and didn't you guys say you weren't against it?"

"Yue Yue, dad didn't say he was against it, it's just that right now you're still young, you don't understand things like love yet, what if you get cheated by someone else? Are you clear about that boy's situation? Today dad heard from others that he not only has poor grades, but also often gets into fights, smokes, and skips classes, how can you like such a person?" After a pause, An Guo Ting continued, "What if you get him angry when you fall in love and he hits you? And does he have some bad fetishes?"

An Guo Ting is simply worried, today in the office for the sake of his daughter's face, do not want her in front of the teacher, he did not say anything, but now at home, not to find out these, he is not at ease, especially he and her mother are not at home all day, in case something happens, it is difficult to take into account.

When An Xingyue heard An Guoting's words, her face was instantly gloomy, she knew that he was afraid that she would be cheated and it was for her own good, but hearing him say this about Night Xiu Chen, An Xingyue was still unhappy, and very unhappy.

"Father, I know you are doing it for my own good, but I am the one who is in love with him, and I know what kind of person he is more clearly than you do. And you are also an educated person, why would you casually believe other people's words and just arbitrarily label him like that?"

He was unruly and arrogant, but that was to others, to her, he was a person who was especially attentive and attentive to her.

"Father, you don't have to care so much about this matter, and I said I won't delay my studies because of falling in love." An Xingyue paused for a moment and continued with a few sneers in her tone, "Anyway, you guys didn't care that much before, is it bad to continue like before now?"

After saying that, An Xingyue went back to the bedroom.

An Guo Ting and Guan Xinya, who were still in the living room, heard An Xingyue's words, and the two of them froze, the child still refused to forgive them, even though they attended the parent-teacher conference this time, but in Yue Yue's heart they still couldn't let go of what happened before.

"Yue Yue has grown up and has her own ideas, let's just let go." Guan Xinya said helplessly.

"Even if we don't let go, we can't control her anymore, before we didn't bother, now we want to, but Yueyue doesn't want us to." An Guo Ting said heartbreakingly.

"You don't think so much, maybe that boy is not as bad as you heard, and Yue Yue is so discerning, how can ordinary people get into her eyes? Make her heart move?"

"Maybe."
