

THE STARS ARE ORIGINALLY A PAIR - APPREHENSION

An Xingyue washed up, took out the homework she needed to finish this holiday, glanced at it, and then wrote down the answers without thinking. It can be said that these assignments are very easy for her.

At 20:30, the phone call from the King of Magic finally came, and after two rings An Xingyue answered it, quite a bit impatient.

"Little table, I miss you so much." The magnetic voice of night Xiu Chen sounded in the ear, An Xingyue's heart beat faster, pursed her lips, and did not speak. The person on the other side of the phone seemed unaffected and was talking to himself there.

"Little table, are you okay? Did your parents say anything? There is no objection to us being together ah? You have to stick to your position. You can't give up on me that easily." The company said, "If you don't want me, I won't be wanted."

Night Xiu Chen knew that at school both parents took into account the teacher and expressed support, but An's father's eyes, night Xiu Chen still have noticed. (. >The most important thing is that you have to be careful.

An Xingyue heard him say so, jokingly said: "Then you really anticipate things, my father just said to me, let me reconsider, said you do not fit me, I thought about it, and then think ah-"

Just stop, An Xingyue also do not continue to say, let night Xiu Chen in that rush.

"Then think what, small table you continue to say ah, can not just say half of." Night Xiu Chen's heart hangs in mid-air, like they are these good students should be listening to parents, if the little table is also, then is not just the beginning to end!

An Xingyue felt the night Xiu Chen anxious, before not slow to speak: "Then I think my father is biased, so, A Chen do not worry about ah, at least now I quite like you, and my parents are opinions will not affect me."

"Little tablemate, what did you just call me, call me again, okay?" Night Xiu Chen heard An Xingyue's words, his heart finally settled, and she shouted at him, sweet to death.

Men in love, what low requirements. o (=ow <= p ∩ ☆)

"Ah Chen?" An Xingyue hooked her mouth and lightly shouted.

"From now on, you call me like this, okay? I'll call you Yueyue." Night Xiu Chen said with a smile.

Yueya'er, the little moon in his heart.

When she was caught off guard and heard Night Xiu Chen call her Yue Ya'er, An Xingyue's entire face turned red, fortunately not in front of him, otherwise, she would have been laughed to death by him.

The person who has never been in love before, dumbfounded, budding heart like a deer in the headlights, do not know what to do.

"Luna, I want to be with you forever, after all, you're all I have. You said we will always be together, right?"

An Xingyue didn't know how to answer, no one can ensure that they will always be together, after all, there is still so much time left, who knows what will happen in the future, but at this moment, he sounded a bit pitiful, plus they only confirmed to be together today, no matter what, they should have some confidence in the future.

So, An Xingyue said, "Well, we will be together, and how can A Chen only me? Ah Chen still has family and friends."

Night Xiu Chen did not dare to get along with An Xingyue and in fact he did not get along well with his family, and he even loathed them. As for friends, how can that be compared to her?
