

THE STARS ARE ORIGINALLY A PAIR - BASKETBALL GAME

It is estimated that the most popular school sports meeting is the basketball game, after all, the boys who play basketball do not look low in face value to where, and there has been news that the Big Devil will personally come down to the game, so some boys have long wanted to abuse him on the court, especially the senior boys, after all, they have only heard of the mighty name of the Big Devil, but have not directly felt the fear of being dominated by the Big Devil, so the young boys who do not know the sky is high were ready to beat him on the basketball court.

When they heard the news, Daimao's group of brothers laughed at him, saying that maybe he hadn't fought in a long time and now everyone had forgotten how great he used to be, after all, even the senior high school kids dare to laugh at him now. (_____ *)

The first thing you need to do is to get a good idea of what you're doing. No longer exists.

So, this is how it looked on the field.

Basically, all the classes that were up against Class 7 were shut out. o(* _____ *)o

When it came time for the finals, Class 7 was up against Class 8. Seeing that those classes that were up against Class 7 were so miserable and were directly zeroed out, the people of Class 8 felt that it would be too humiliating if they too were like that, so they sent their big brother, Eddie Chen, to go and talk to the big brother and tell them not to lose so badly.

Night Xiu Chen felt that his brother's class was the one that should save some face, so he didn't play in the first half and let them play first.

An Xingyue was delayed by something, so when she arrived at the basketball court the game had already started, but Night Xiu Chen was not on the court.

When he looked up and saw the person coming slowly, he immediately stood up and indicated An Xingyue to come over.

Originally, An Xingyue and Su Zhiqing wanted to find a seat at random, but who knew that after a week around, found that the entire stadium is full of people, except for the night Xiu Chen, there is no position.

Therefore, when An Xingyue led Su Zhiqing to walk over, she felt that there were a bit too many eyes placed on her. These spectators are not dedicated, ah, at this time you should be concerned about the situation on the field, why should you pay attention to me? (_____ | | |)

Walking to the side of night Xiu Chen, Su Zhiqing was immediately pulled away and saw that the hand that was holding her, at this time was dominated by another person, and that person also glared at her, glared at her?! Su Zhiqing held the forehead, she kind of know how strong the big brother's possessiveness, not just holding your daughter-in-law's hand for a while, need to glare at her? The first thing you need to do is to take a look at the website. The first thing you need to do is to get the best out of it. (* _____)

The most important thing is that there are no zeroes on people, and she heard that they had zeroes on people in the previous seven classes, and it is said that one class of boys felt too humiliated and cried.

"A Chen why are you not on the field?" An Xingyue looked at the night Xiu Chen who held her and sat down and said, "Didn't he ask her to come and watch him play? How come you didn't go on the field?"

"Eddie Chen just told me to show mercy and not to shut them down, so I'll go up again in the second half." Night Xiu Chen stroked An Xingyue's head and said.

The implication is that if I go up, I guess they won't be able to get any points, at least it's the next class, so how do we have to give them some face when we meet all day.

Because An Xingyue did not know much about basketball, so she was watching, night Xiu Chen on the side and her commentary.

Finally in the second half, the big man took off his jacket and asked An Xingyue to hold it for him, then went on the court.

After the big man came on the court, the eighth class did not get too much, the big man shot almost three-pointers, and even two-pointers are not too bothered to shoot.

The most show is the big man, cheering sound after sound, although An Xingyue can not understand, but she knows that he throws the ball a call an accurate, super powerful.

When holding the trophy for a photo, An Xingyue was pushed by them to the side of night Xiu Chen, the camera pressed when the big man just looked down at An Xingyue smile, er An Xingyue just looked up at him, four eyes opposite each other, the corners of the mouth hooked, obviously a group photo, those two people but extra striking.
